## Board Sets Budget Figure

By Linda Strongin

The Hicksville Board of Education unanimously voted to present a \$28,887,842 budget for the 1979-80 school year for voter approval on June 13. The figure represents an increase of \$892,842 or 3% over the current budget.

The budget, if approved, would raise the tax rate by \$.98 to a total of \$17.41 per \$100 of assessed valuation. A home assessed at \$7,000, therefore, would be taxed an additional \$68.60 per year.

Superintendent Dr. Wilber Hawkins gave the budget presentation at the annual budget hearing last Thursday, which was lightly attended. Richard Weigang, District Business Manager, also provided figures and information concerning the budget.

In his opening remarks, Dr. Hawkins explained that the increase was due to rising costs in two areas: employee benefits, which are fixed mandated costs (retirement costs, \$368,342 and life and health insurance \$127,119) and capital improvements (estimated at \$120,000). Other areas that have increased include, among others, transportation (\$100,309); equipment for all areas (\$108,361); and the cost of temporary borrowing (\$170,592). This is necessary to meet payroll and bills since tax monies are not received until the fall. Increases total \$1,184,380.

These increases were off-set by reductions due primarily to declining enrollment. These areas include, among others, transportation (\$100,309); equipment for all areas (\$108,361); and the cost of temporary borrowing (\$170,592). This is necessary to meet the payroll and bills since tax monies are not received until the fall. Increases total \$1,184,380.

These increases were off-set by reductions due primarily to declining enrollment. These areas include, among others, net staff reductions (\$172,206) and unemployment insurance and other employee benefits (\$134,275). The decreases total \$370,346.

Included in the budget figure are costs for all transportation, including private and parochial schools outside the district up to 20 miles; handicapped children, up to 50 miles (mandated by state law); and clerical salaries, supplies and equipment. This

totals \$1,028,590.

Also, co-curricular activities, which includes plays, bands, orchestras, year book, etc., and materials, supplies, and sponsor salaries for these activities is budgeted at \$39,592, an increase of \$5,215 over the current budget.

Interscholastic activities, which covers all athletic and inter-mural programs, totals \$154,116, an increase of \$24,351. This increase is due primarily to equipment replacement, which has not been done for the past few years, and upgrading the girls athletic programs under Title IX, which calls for equal spending for girls athletics, including coaches salaries, he amount also covers, among other items, coaches salaries, equipment rental and repair, and officials fees.

Total budgeted for adult education, evening high school, high school equivalency programs, and senior citizen activities is \$83,919. The high school equivalency program, costing \$3,184, is fully funded by state funds.

Teaching regular school, which includes, among others, teacher salaries, materials, supplies, textbooks, BOCES tuition, totals \$12,531,658, a decrease of \$283,474 to staff reductions and a reduction of BOCES services.

Capital improvements include, among others, replacement of auditorium seating at the Junior High School; sewers and asphalt paving at Lee; floor tile, windows, and lighting at Fork; waterproofing at the Senior High School; playgrounds at Burns and Dutch; and carpeting for the kindergarten rooms and libraries at Burns, Dutch, Willet and Woodland Avenue Schools. The total cost in this area is \$285,000 with approximately 40% returned to the district in state aid.

Dr. Hawkins explained, when asked by a member of the general public, that although the district is losing staff members, the total sum saved cannot be applied as a reduction.

"Although \$933,456 is the total for salaries and benefits due to staff reductions, the salary and employee benefit increases called for in the new contracts, total \$761,250. Therefore, only \$172,206 is realized in savings."

Also questioned was the \$19,947 increase in public information and services. This includes the costs of printing and mailing the budget brochure. Bulletin

Boards, and school calendar. Dr. Hawkins explained that part of the increase was due to the addition of personnel "to provide two-way communication for the district."

An increase of \$15,000 for in-service training was also questioned. Dr. Hawkins explained that the addition was "at my request to provide career development" for staff members which would involve teachers as interns in administrative positions.

A resident asked how the district received its state-aid. Trustee Iris Wolfson explained that school districts can receive state-aid one of three ways: by enrollment; flat-grant; or save-harmless, which means that we are getting no less than last year. This was a provision the legislature had made a few years ago, due to declining enrollment.

However, Mrs. Wolfson emphasized that "by law, the district must still keep and submit attendance records" to the State Education Department.

Also asked was how the percentages were arrived at, regarding increases and decreases over last year's budget. Mrs. Wolfson pointed out that the percentages could show huge increases or decreases in a particular area because "money has been moved from one code to another" in the proposed budget.

Dr. Hawkins also briefly explained the re-organization plan which the Board approved in January. He described the abolition of certain positions and the creation of new ones, stating that the educational programs could be administered more efficiently "with the re-organization."

In moving to approve the budget figure, Mrs. Wolfson stated that it was "a tight budget but allows Hicksville to continue its educational programs."

Board President Tom Nagle stated that in the beginning stages of the budget planning, "the Superintendent and principals had formulated a budget which would have amounted to a \$1.79 increase." The Superintendent and principals then went back and after adjustments, trades, and "give and take," the current figure was reached.

The budget vote and election of trustee is scheduled for June 13 at local schools.

## Calendar of Events

**Friday, June 8**  
Ernest F. Franke Republican Club, 8:30 p.m., VFW Hall, 320 So. Broadway, Hicksville.

Mid Island Senior Citizens, 12 noon to 4 p.m., United Methodist Church, Old Country Rd., Hicksville.

## Meet The Candidates

The Hicksville Parents for Education will hold a "Meet the Candidates" forum at the Hicksville Public Library Community Room on June 11, at 8:00 P.M. This will be the last

opportunity for the general public to familiarize themselves with each candidates platform. We urge you to attend, to be informed and to vote June 13th.

Refreshments will be served.

**SOLD:** Oyster Bay Town Supervisor Joseph Colby signs the formal agreement for sale of the old Hicksville Annex site at 65 Broadway. The building was purchased by the Long Island Railroad - M.T.A. Employees Federal Credit Union for \$82,250. Here, the Union's treasurer, Robert X. Young (left presents

the check to the Supervisor as union president John S. Miccio (right) and union attorney Arthur Mantel of the firm of Delson and Gordon look on. The annex now operates out of the Hicksville Parking Garage located on the corner of Duffy Ave. and Newbridge Road.

## Election/Budget Vote

Residents of Hicksville will have the opportunity to vote on Wed., June 13, from 10 a.m. to 10 p.m. on the proposed school budget and for school board candidates.

Vacancies to be filled on the Board of Education are a three year term ending June 30, 1982, presently held by Iris Wolfson; and a three year term ending on June 30, 1982 presently held by Thomas F. Nagle. Those running for Iris Wolfson's seat are Albert Eckstein, Virginia C. Germer, Joseph S. Weiler and Frank Willard. Running unopposed for a three year is incumbent Thomas Nagle.

The seven election districts where the voting will take place are: ED 1 Burns Ave. School; ED2, East St. School; ED 3, Woodland Ave. School; ED 4, Lee Ave. School; ED 5, Fork Lane School; ED 6, Dutch Lane School; and ED 7, Old Country Rd. School.

## Northeast Champions

The Hicksville Minutemen, coached by Peter Collins and Bill Cresham, established themselves last week as the best under 19 soccer team in the Northeastern Section of the country. The reverberations (shock waves) are still being heard all around the country as no other team from Hicksville or from all of Long Island for that matter, has ever advanced this far in Regional Cup Competition. By this tremendous feat, the boys earned the right to travel to Omaha, Nebraska on June 22-23 to make their bid to become National Champions.

The Minutemen will be one of the teams from the four major sections of the country who will compete in the semi-finals in Omaha and of course the winners will then pair off to decide the United States Champion. It doesn't stop there either; the U.S. champion then plays the best from Canada to establish a North American Champion. The Regional Cup Competition is a

one game knock-out (one loss and you're out), which is open to any team affiliated with the State organization. In our northeast section, there were eleven states participating with each state running it's own playoffs and sending the winners forward. In order to qualify as one of the top eleven, the Minutemen had to win six consecutive games in March, April and May against the strongest teams from Long Island and Southern New York. There were many obstacles - injuries (Peter Collins Jr., Mike Humphreys, Steve Solaski, Erik Vander Wilden and Michael Collins), the regular League schedule, proms, term papers, jobs, the weather, etc. - all of which put many gray hairs in the coaches' heads but, despite the problems, the Minutemen prevailed. Falling to Hicksville in the Southern N.Y. playoffs were: the New York Astros (2-0), Northport (3-2), St. Dominic's (5-1), Commack (1-0), Rockland (5-

## Human Growth Foundation

The Human Growth Foundation is a voluntary, non-profit organization dedicated to helping medical science better understand the process of growth, particularly dwarfism. At its National Board of Directors meeting in Chicago, Stuart L. Ain of Roslyn was re-elected to serve his second term as National Vice-President. Tom Pressler of Minneapolis continues as President. Several urgently needed research grants were approved for funding in addition to four career-starter grant programs were approved for

funding upon availability of money. One of the aims of HGF is to support research in the field of human growth patterns and all its deviations. They need to learn why some children do not grow to a normal height. To date, there are still many types of dwarfism, determined at birth or soon thereafter, that cannot be treated or corrected.

Anyone interested in additional information or wishing to help can call either 516 433-1334 or write to HUMAN GROWTH FOUNDATION, P.O. Box 901, Hicksville, New York 11802.

### HAZARDOUS MATERIAL

#### LAW PASSED

The Oyster Bay Town Board passed the much needed hazardous material ordinance. The new regulations will hopefully make things much safer for firefighters who come in contact with hazardous materials. The major problem is just knowing the material is involved. Fire fighters can handle the incident. Most injuries occur when firefighters attack a fire and start getting sick. By then it's too late to prevent injuries. Proper identification and notification will go a long way to protect not only firefighters but anyone who comes in contact with the material.

## Letters To The Editor

To the Editor:

I believe the Hicksville community should be aware that as May 11th approached, there were adults in the Evening High School who needed from six to twelve hours of instruction in order to complete courses for graduation, entrance into a nursing program, or as a prerequisite for a job. The teachers involved volunteered to complete the needed courses (without pay) at a neutral site, out of consideration for those who would have been so adversely affected.

Both the President of the HCT and the Superintendent of Schools knew and approved of this decision.

St. Ignatius School offered the use of its facilities. It is my pleasure to publicly thank Father Harrer and Sister Loretta for their generosity and to commend the Hicksville Evening High School staff for its consideration and professionalism.

Very truly yours,  
M.C. Gianelli,  
Director

Dear Editor:

Once again the thirst for blood

## Honor Probation Volunteers

Volunteers-in-Probation, women and men who contribute their time and energies to help juvenile and adult offenders "make it" in the community, were honored by the Nassau County Probation Department at a reception on Monday, June 4, in the Probation Office in Mineola.

Louis J. Milone, Director of Probation presented award certificates to 13 Volunteers-in-Probation, each of whom has been a VIP for at least a year.

Probation volunteers assist probationers with counseling, job finding, tutoring and also work in the department's victim witness assistance program as well as in secretarial and clerical assignments.

According to Genevieve Tevlin, Coordinator of Volunteers, the program has provided valuable assistance to line probation officers as well as to the department. The volunteers come from all walks of life—they are businessmen, housewives,

is apparent in our state capitol. Since the State of Florida executed convicted murderer John Spenkelink, we can expect renewed attention on the volatile debate of capital punishment.

I believe it appropriate to remember that the taking of a life is a heinous offense whether by an individual or by the State. When a mortal being is convicted of a "capital" offense, the horror is not ended but increased. For when you allow the State to murder the murderer, civilization takes a giant step backward. Two wrongs never make a right.

In ordering Spenkelink's execution, Florida Governor Graham said we have to make "it clear that we value human life." How do you demonstrate your value of something while at the same time, you are deliberately destroying it?

French philosopher Albert Camus wrote that "there will be no lasting peace in the hearts of individuals... until death is outlawed." I believe keeping the death penalty outlawed is the first step.

Sincerely,

Gerard Twombly

## Agree To Lent's Request For Health Studies

Congressman Norman F. Lent reported today that both the New York State Health Commissioner and the Hooker Chemical Company have agreed to Lent's request for studies of the health of employees of the Hooker Company plant at Hicksville. The Congressman had sought the two studies after testimony to the House Commerce Subcommittee on Oversight and Investigations, of which Lent is the ranking minority member, pointed to a possibility that some Hooker employees might have been exposed to toxic chemicals in their work. Lent had asked that ongoing separate studies be conducted by Hooker and the State Health Department of employees at the Hooker Company-at Niagara Falls, N.Y. be extended to include employees of the Hicksville plant.

"I am gratified by this positive response to my request," Lent said. "It is particularly encouraging that the Hooker Company has informed me it will cooperate in furnishing the State Health Department information it needs, and that the State Health Commissioner, Dr. David Axelrod, will, in turn, furnish pertinent information from the state's study to the Hooker Company. The matter of overriding importance in these inquiries is the health of the Hooker employees. The fact that Hooker and the State of New York have volunteered to share information leads me to believe we will be able to get definitive

HAZARDOUS WASTE HEARINGS ON LONG ISLAND: Congressman Norman F. Lent (r) confers with Rep. Bob Eckhardt (D-Tex.), during Friday's hearings of the House Subcommittee on Oversight and Investigations held on Long Island at Lent's request. The committee is investigating hazardous and toxic waste products in our drinking water supply.

During the hearing, Lent revealed a confidential memo

answers to this vital question.

"Dr. Axelrod advises me that there may be a problem in getting state funding for the Hicksville study, and he and I have agreed to explore the possibility of federal assistance for the state investigation. I hope that both studies will be conducted as expeditiously as possible at the Hicksville plant. I thank both the Hooker Company and Dr. Axelrod for their promptness in meeting my request.

guidance counselor who is working with the probation child abuse unit and Florence Dean, of Great Neck a speech pathologist, who is working with the probation mental health service.

from the Hooker Chemical Company which said that Hooker is still dumping more than a million pounds of chemical wastes, many of those chemicals identified as hazardous by hearing witnesses, at the Town of Oyster Bay Landfill in Old Bethpage.

As a result of Lent's revelation, state environmental officials said they would issue an order banning continued dumping of these chemicals which could eventually affect our drinking water.

## Dear Friends ...

For many years this newspaper has held to its policy of not printing any "Letters To The Editor" regarding candidates in the issue immediately before the election because there is no way at all that such letters can be answered. We have mentioned this several times this year, including in this column, last week, to remind our readers of this policy.

"At any other time, of course, we are pleased to hear from our readers. The only other two restrictions are that (although we will withhold your name upon request) we must have your name, address and phone number on any "Letter" you submit for publication and finally, we do not use "Letters" signed by more than one person or group. All "Letters" must be able to be checked out by our staff. We hope that you understand the reasons for these policies ... they are for your protection, as much as ours.

At this time of the year, as you can imagine, the items for "On The Campus" are tremendous in number. Not to worry ... for we do not discard any of these items, but continue using them each week until we catch up. Our space is limited only by the number of pages our advertising dept. (which really pays our bills so that we can stay in business to bring you the news of your communities) allows. But, no matter how long it takes, we always use both your items submitted for "On The Campus", and for "Around Our Towns". Very gently, we'd like to suggest that if you feel so inclined, a mention to those local stores and businesses with whom you deal as to the fact that you are a MID ISLAND HERALD reader and subscriber, is always an added incentive for our local merchants to carry their advertising messages in this newspaper thus making us larger each week. Of course, those who already do this consistently are already aiding in the continuing effort of the Herald Staff to bring you more and more important local news. We hope that you deal with these fine local merchants as much as possible. Thanks

"And, speaking of local business, Frank's Alibi, on Old Country Rd., in Hicksville, in addition to its regular delicious dinner menu, ala carte menu and children's menu, is planning a Father's Day Gift from Frank's Alibi to each father present on June 17th to celebrate this auspicious occasion. Dinner is served from 1 pm with dinner music from 6 pm. They ask for reservations ... while the ever-popular Stack Of Barley on South Broadway in Hicksville is planning much great entertainment. On Fri. and Sat., June 8 and 9 Dermot Henry's Band will be there, while on Sun., June 10 they plan to have Noel Kingston and Paddy Farrell. On Wed., June 13, Pat O'Hara and John Murphy are scheduled to perform and on Thurs., June 14 the Druid will entertain and a free buffet is provided. These are two great local restaurants.

THE Ad Hoc Committee for the Improvement of Hicksville which operates under the aegis of the Hicksville Community Council is made up of representatives of major Hicksville organizations and interests. It is now meeting regularly with Town and local officials in order to come forth with possible solutions to the development of downtown Hicksville and the changes needed in the inoperable G-1 Zone which covers the Hicksville Triangle. As soon as they reach conclusions they will be presenting them to Town Officials and of course, we will be bringing them to you. You will recall that they asked for your opinions on this subject not too long ago ... and in the early Fall will be doing so again. We'll keep you informed.

Jerry Speigel tells us that he has bought the Armstrong Shell Station on the corner of Thorman Ave. and the Kroemer Seed property on West John St. This sounds good as we have never seen any building of Jerry's that hasn't been an improvement of the area in which it was built.

THAT'S ALL for this week. First we'd like to thank the Hicksville American Soccer Club for the recognition given to us at their meeting last Thursday, and then we'd like to remind all Hicksville residents that they have the opportunity to vote on Wednesday, June 13 on their proposed School Budget and School Board candidates.

SHEILA NOETH

### At Dutch Lane

"On Tuesday, June 12th, at 8:15 PM the Dutch Lane School PTA will hold a General Meeting in the All Purpose Room of the school on Stewart Ave. & Levittown Pky. Hicksville. The public is invited to come and hear the MID-ISLAND SAFE ENERGY

COALITION speak on NUCLEAR POWER. There will be a film presented entitled "Medical Implications of Nuclear Power", featuring Dr. Galdie of Boston Hospital. Questions will be answered.

Refreshments will be served.

## School Board Candidates

As is the policy of The Herald, candidates for the school board are invited to send information regarding their qualifications and stands on the various issues. Here is the information that was received.

### Albert G. Eckstein

Albert G. Eckstein is 38 years old, has been educated in Germany and Switzerland and has been successful in his own business.

His platform is peace and harmony between taxpayers, residents, parents, students and teachers and good education at reasonable costs.

Mr. Eckstein believes that due to lower enrollment there will be 47 less teachers, but the school taxes are still rising.

In order to operate more efficiently, Mr. Eckstein believes:

1. Purchase only needed supplies.
2. Increase purchasing power by combining with other school districts to take advantage of volume discounts.
3. With lower enrollment, there should be no need for any more administrators.
4. More economical use of utilities, electricity, gas, fuel and telephone.

5. The school board attorney should be bound by a contract stating a definite fee for all his services.

6. Competitive bidding on all purchases over \$500.00.

7. Check insurance companies for the best coverage at the least cost. Deductible clauses should be included for more savings.

8. School bus routes to be checked for possible mileage savings, due to duplicate routing.

9. If there is a necessary convention, he will try to keep any cost to a minimum.

10. Compare per student costs of other educationally sound school districts. If others can do it for less, he will try to do the same.

### Virginia C. Germer

Virginia C. Germer was born and raised in the Greenpoint section of Brooklyn and she owned and managed a successful business in Flatbush before relocating to Hicksville.

She and her husband chose Hicksville because as parents of two children, they wanted an area with reasonable taxes, convenient location, and a sound educational system with a diversified and culturally oriented program. They feel that they made the right decision.

As a family, they are active in the Hicksville American Soccer Club, and Mrs. Germer was nominated to serve as PTA Council Delegate representing

Willet Ave. School. She has declined to serve because of the timing of the School Board Elections and the PTA Elections. She still intends to remain active in the PTA.

Mrs. Germer does not have a college education. After graduating from Washington Irving H.S., she went to work to help support her family. She feels that an individual should be judged by his/her experience and accomplishments in life, and not simply by the degree he may have to his/her credit.

As concerned taxpayers, Mr. and Mrs. Germer are both very conscious of the need for community awareness and participation. Most recently they were instrumental in organizing an appeal to the Town of Oyster Bay to prevent the "dumping" of handicapped individuals into inadequate, unsafe housing facilities. After lengthy deliberation, the Town Executive Board upheld their proposals and recommended that N.Y. State take heed in mainstreaming these individuals into communities without regard for their needs.

She is the founder of the Hicksville Parents for Education, a group of concerned citizens, not Pro-Board, not Pro-Teacher, but Pro-Education. Their goal is to increase community awareness regarding Educational Policies in the Hicksville School District.

Having young children in the Hicksville School System and having an elderly mother living on a low fixed income in her own home in Hicksville, makes Mrs. Germer aware of the problems of both the young and senior citizens in this community.

"I feel, however, that my greatest asset in understanding all the taxpayers of the district is in the contacts I have made, and will continue to make, through the Hicksville Parents for Education. Membership is open to all residents, and many senior citizens have already expressed interest and enthusiasm," Mrs. Germer said.

She believes that the Hicksville Educational System is in dire need of a Drug and Alcohol Abuse Program. Such a program should not only be on the Junior and Senior High level, but also on the Elementary level where many of the problems begin. Having individuals who are trained in handling children with these problems is essential. Funding is available on the town, county and state levels. Education and rehabilitation must be provided. Trying to forget about the problem will not make it go away.

Education is the primary goal in our schools. Stricter enforcement of laws governing classroom attendance, disruptions in the hallways, and distractions in the classroom which hinder the children's learning ability. Without enforcement of discipline, the foundation of our educational system is being undermined.

Special attention should continue to be given to the proper maintenance of "special" programs such as physical education, music, art, foreign language, and library. She feels we must continue to review and upgrade our educational practice in basic fundamentals. A CHILD WHO CANNOT READ, CANNOT LEARN.

### Joe Weiler

Joe Weiler, candidate for the Hicksville school board is a graduate of Manhattan College, has an M.A. from New York University, and was a doctoral candidate in Education at Wayne State University before moving to New York.

He is the father of four children, of which the two eldest currently attended Stony Brook University.

He is a real estate investor and a recent retiree from the East Meadow School District where he spent twenty-five years as Chairman of the Business Education Dept. at W.T. Clarke and East Meadow High Schools.

He is a parishioner at Holy Family Church in Hicksville.

Mr. Weiler believes that:

1. The annual budget should be more clearly illustrated and explained to the voters.

2. The Board policies should be made public and these policies should be able to be criticized by the voters if necessary.

3. If elected he will insist on firm but fair District policies that cover all existing school problems so that the children can attend school in a safe, wholesome environment.

4. If elected, he will represent everyone in the district, including senior citizens in an effort to make our schools more truly the possession of the entire Hicksville community.

5. All school-related problems should be dealt with and not ignored and "swept under the rug".

### FRANK H. WILLARD

Frank Willard has the education, the years of management experience, and a long-standing interest in

## Free Soccer Clinic At Walters-Donaldson

A free soccer clinic to be held at Walters - Donaldson, Inc., located at 430 Plainview Road, Hicksville on Saturday, June 16 at 10:00 a.m. Chris Sweeney and Bob Wernersbach will be conducting the clinic which will feature the exciting Cosmos Highlights film, demonstration of techniques and question and answer period. Demonstration will include training to improve skills in areas such as juggling, heading, kicking and team work.

The coaches are members of the United States Youth Soccer Association (USYSA) which is the youth arm of the United States Soccer Federation (USSF). It undertakes the responsibility for developing soccer at the youth level in community programs.

Participants will also have an opportunity to enter the Volkswagen Porsche+ Audi "Shoot-out" - a drawing in which

10 winners will be invited to be half-time stars at the Cosmos vs. the Tampa Bay Rowdies game on August 8th at Cosmos Stadium. Any one of these ten contestants may have a chance to win a brand-new Porsche 924 or a Volkswagen Rabbit.

Al Francis, Sales Manager or Walters-Donaldson, Inc., will offer refreshments to clinic participants.

## State Mandates Should Be Paid By State

It may be only a little drop in a big welfare bucket - but enough little drops can make the bucket overflow.

That is why County Executive Francis Purcell today called on Gov. Carey to veto legislation restoring Medicaid reimbursements for chiropractors, podiatrists, physical therapists and private-duty nurses unless the state is willing to pick up the tab instead of passing the buck to homeowners.

"There has been a lot of lip service about reducing the number of spending mandates on local governments," Purcell said, "but here is a new one that will saddle property owners throughout the state with an

additional \$2 million in property taxes, and another \$2 million in state income taxes."

The total estimated costs of restoring reimbursements to these four fields is \$8 million, with the federal government paying half the cost and the state and local governments each paying one quarter. Nassau County's estimated gross cost would be \$334,000 but the county's quarter share - the amount paid out of county taxes - would be \$85,000.

Purcell said that he is not opposed to Medicaid reimbursements for these health practitioners, if that is state policy, but that he is opposed, in

principle, to making local property owners pay any part of the costs of new state programs. Even with these four fields eliminated from Medicaid eligibility in 1977, Purcell said, New York State still has the most

lavish Medicaid program of all 50 states.

"Medicaid is the principal reason why our county social services costs are at a record high even costs are at a record rolls are at a record low," Purcell

said. "The state should be taking mandates off our backs, not piling on new ones."

The country's total 1979 social services budget is \$202 million, of which \$129.9 - or 64.2 per cent - is for Medicaid.

## Old Country Road News

On Saturday, June 2nd, Old Country Road School held a very special graduation. Members of OCR's Pre-School class received their diplomas, after completing a year in the program taught by Sue Langois, Carol O'Neil and Evelyn Fico. Diplomas were presented to the graduates by Mr. Louis Penque, OCR Principal.

The children delighted family and friends by performing three songs, "The Wheels on the Bus", "If You're Happy", and "Mr. Sun", written especially for the pre-schoolers by Eileen Cunningham, a former OCR PTA President. The Pre-School Program was most ably chaired this year by OCR PTA Board Members Judy McDevitt and Marge Bosley.

After the graduation program, PTA President Lorraine Mund invited the children and their

guests to linger a while and enjoy some refreshments enthusiastically served by the children.

Friday, June 1st, was Grandparents' Day at Old Country Road School. Grandparents of children attending the school were invited to start the morning at school at 9:30 a.m. with coffee and cake. A special assembly program was held, during which Mr. Louis Penque, Principal of Old Country Road School, spoke with the grandparents visiting the school.

In preparation for this special day, the children wrote poetry and short stories in honor of their grandparents. This creative work was displayed in the school or performed for the visitors in the various classrooms, where grandparents were welcome to spend the remainder of the morning.

## Cast Call

Attention Youth - The St. Ignatius Youth Community needs actors/ Singers/ Musicians / Crews, to present **West Side Story** late this summer. This production depends on your interest. We need actors/ actresses, singers, musicians, scenery designers, construction crew costume

designers, dancers and publicity crew.

Do something creative this summer. Get involved. Show your interest. Come to our sign-up and audition on Saturday, June 16. All are welcome. Bring a friend.

For more info, call the Youth Ministry Office at 935-6873.

## School Board Meeting

The Board of Education of the Hicksville Public Schools will hold a regular Board meeting, followed by the count of the school budget vote, on Wednesday

June 13, at 8:15 p.m. in Cafeteria A of the Senior High School, Division Avenue, Hicksville.

The public is invited to attend.

**EVERYONE LOVES A PARADE:** Oyster Bay Town Supervisor Joseph Colby (third from right) was joined by Town Councilmen Gregory W. Carman (second from right) and Thomas L. Clark (second from left) with daughter Bernadette and Town Clerk Ann R. Ocker (right) for the annual Hicksville Memorial Day Parade, sponsored by the combined veterans groups.

"This is Mrs. Fitzhugh. She does laundry after 10 PM, too."

Seriously, fellow Long Islanders, there's a way to keep down energy bills without giving up the good things energy brings. We need extra power equipment to meet peak power demands, and extra equipment costs extra money. Now, holding down the especially high peak demands in summer helps us avoid that expense. But shifting the use of dishwashers, clothes dryers, etc., to before or after the 10 AM-10 PM peak demand any time of the year lets us rely almost entirely on the most efficient equipment we already have. And if enough of us practiced this kind of energy management, it could keep energy bills down for all of us.

Mrs. T.T. of East Williston recently wrote us to compliment two LILCO people: John Murphy and Mary Muldoon Hassett. "Mr. Murphy has been most patient in explaining my electric heating system and advising me in the proper use of insulation. I have been speaking with Mrs. Hassett in your Customer Relations Office. She, too, has been very efficient, courteous and patient." Be assured, Mrs. T.T. Mr. Murphy and Mrs. Hassett will hear about this.

Long Island people serving the people of Long Island.

## Around Our Towns

Harriet A. Maher  
433-5994

Mr. and Mrs. Alfred Putlock and their entire family will be celebrating their son's Gary's graduation from Hicksville High School at a dinner party on June 24 at the Snapper Inn in Oakdale.

Mother's Day was especially happy for the Joseph Haggerty family of Nevada St., HICKSVILLE. Their son, John Kevin, graduated from Columbia College, Missouri with a four year BA degree. Mr. and Mrs. Haggerty and their son, Joseph, flew down to Columbia to be present at the ceremony, and also for the festivities on and off campus for the weekend. John was voted Senior Commandant for the Ivy Chain Procession and had the honor of escorting the

Rose and Ivy Queens. A reception for parents and students was held at the Hilton Hotel the night before graduation. John will be attending the University of Missouri in the Fall to do his graduate work in Psychology.

Congratulations to Anthony Scott, son of Lynda and Tony Scott of Levittown, who received top honors in French, Math, Science, English and Industrial Arts at a recent Awards Night at Levittown Memorial Jr. H.S. Anthony was also presented with a medal for the top student in the 8th grade social studies class. The grandson of Sheila Noeth of HICKSVILLE, and nephew of Dot Bogart of JERICHO, he received the sacrament of Confirmation on

Friday, June 1 at St. James R.C. Church, Seaford.

Congratulations to Mr. and Mrs. Randy Pullman of HICKSVILLE on the recent birth of a daughter, Keri Beth, at Huntington Hospital.

Home for the Mother's Day celebration was Michael Wesnofske Michael, who is employed by S.C. Johnson Corp. in Racine, Wisconsin, arrived home unexpectedly - much to the delight of his parents, Sis and Bernie. He had a business trip to Rye, NY, and planned it so he could surprise Sis for Mother's Day. "It was the best present I could have received," said Sis.

On May 26, Jean and Pat Cunningham, HICKSVILLITES, were married 28 years. To help commemorate the occasion, Jean and Pat spent a few days in Connecticut. While there, they attended a performance of "Babes in Arms" at the Goodspeed Opera House. They also toured the area and visited other sites of interest. Congratulations to you both.

Violet Avenue, HICKSVILLE, has a new resident - Janice Marie Pfeiffer who was born May

6 and weighed 8 lbs. 2 ozs. Her delighted parents are Fran and Tom Pfeiffer. Janice Marie joins her brother, 2-year-old Michael, who is intrigued with his new sister. Welcome, Janice Marie from all of us.

And "happy birthday" to Nick Caruso who celebrated on May 3. The "boys from Hicksville," (Bill Gannon and John Ahearn) took Nick out for dinner and appropriate libations at King Arthur's Restaurant in Amityville to honor this event. We understand they had a wonderful time.

Tom Kluck of Suggs Lane, HICKSVILLE, was able to get home from Charleston, S.C. for his brother, Bob, Jr.'s birthday on May 20. He was unable to be home for his own birthday on June 1 because he had to leave for Scotland that day. Tom will be back in the States in the middle of September. He told us some exciting stories about his training for submarine duty. Good luck, Tom - see you when you return.

Good luck to Frank Jopp of HICKSVILLE in his new position as an Estimator for Telephonics Corporation in Huntington. We know you will be a success.

Happy birthday to a lovely young couple who were married six years on May 12. MaryAnn and Bill Moyer May was a

"celebrating" month for these HICKSVILLITES; MaryAnn's birthday was May 26 and Bill's birthday was May 27. Much happiness, folks.

In addition to being a devoted wife and mother to Frank (her husband) and Frank, Jr. and Renee (her children), Barbara DeStefano of Mayfair Lane, HICKSVILLE, found time to attend college. Her hard work and efforts paid off on May 20 when she graduated with an Associates degree in creative writing from Empire State College, Westbury. After the graduation ceremonies, the family celebrated with dinner at a local restaurant. Barbara said she will take a year off from her studies and then continue her college education - working towards a B.A. degree. Success in your future endeavors, Barbara.

On May 16, Pat Cunningham received an award for his ten years of service with the Fraternity of Christian Doctrine program at St. Ignatius Loyola R.C. Church in Hicksville. It was the St. Pius the Tenth award and Bishop McCann presented it to Pat in a ceremony at St. Agnes R.C. Cathedral in Rockville Centre. His wife, Jean, is delighted her husband was chosen to be the recipient of this award.

Bobby Bedell to the pros (Las Vegas) and Peter Collins Jr. for most of the year due to injury - they have attained heights that no other L.I. team ever has. Coach Collins is perhaps the most proud and remarked "The boys did a fine job, they actually had to play a second season (10 games) to get this far, but play they did because this is where it's all at. It was very expensive for them to make all those trips and a lot of sacrifices had to be made and still more at the end of the month but the guys know full well the importance of it all." The 'guys Collins is referring to are: Billy Dalton, goalkeeper, Dennis Barcavage, Michael Bell, Michael Collins, Peter Collins, John Shannon, Steven Solaski, Michael Humphreys, Tommy Luongo, Michael Bedell, Michael Diaz, John La Gumina, Pat LaManna, Dominic Pedone, Erik Vander Wilden, Raffaele Corbisero and Robert Bernthal.

### N.E. CHAMPIONS (Continued from Page 1)

1) and Massapequa (2-1). In order to run Quarter-Finals (8 teams), the State organization, coordinated by Frank Kelly, Regional Chairman, had to eliminate 3 teams and Hicksville was selected to Play a 'preliminary' quarter final and traveled to Rutgers Stadium to

play the Trenton Hungarians. Coaches Collins and Cresham each developed two additional players as three players (Shannon, Barcavage and Dalton) were attending an all night prom and had to play this all important match on Saturday morning. The Minutemen came through, although some of them thoroughly fatigued, and defeated a tough Jersey team 3-1. The Hicksville boys left at 7 a.m. and returned at 6 p.m. to play a single match. This reporter interviewed Coach Collins that evening and the exhaustion was so evident that it appeared as though he had played eleven straight hours of gruelling soccer.

Now the boys are in the 'official' quarter finals and are one of the top 8 teams in the East. Pack the bags, cancel all dates and board Amtrak for Baltimore, Maryland on Memorial Day. The first opponent is Western Pennsylvania (2-0), so the Minutemen survive the quarter finals. Now we're down to four teams battling it out to represent the Northeast. Hicksville draws an arch-rival, Annandale, Virginia. Coach Cresham remembered five years ago when he had to travel to Virginia to meet this same team in a State Regional Cup. That time, he beat them on penalty kicks in July in 98 degree temperatures. Long Island has 'come a long way, baby' and overwhelmed Annandale team 5-1.

In the final match, Hicksville had to meet the Cup favorite, who was also in the finals last year - Little Club of Philadelphia, Pa. The Hicksville lads again called on their deep-down strength and desire and came out with a 3-1 victory. This group of boys, most of whom came up through the Hicksville Soccer Club for the nine years of the Club's existence, now have the support of all the opponents they defeated, the Hicksville Club, the Long Island League, the State, their sponsor Bethpage Transmissions and just about everybody - wishing them best of luck and success on their trip to Omaha.

This great team has been winning for years with superb training and coaching by the likes of Pat McHugh, Bill Cresham, Peter Collins, and Tony and Ann Camara and, although losing

## Hicksville Am. Little League

### "A" Division By Joe Maggio

Superb pitching performances by Brandon Collier and Tommy Ryan led Ewald Ins. to a 9 to 1 win over BIM. Tommy Ryan and Frank Humphreys were the hitting stars of the day for Ewald. Steven Ganlik reached base all 3 times he was up. Michael Tobkes and Brandon Collier added hits to lead a well balanced attack. Doing a good job in the field for Ewald was Mike McCarthy, Peter Osback and Brandon Collier.

Winning 2 games this week was Stewarts Office Supply beating 1st place Goldman Bros. by a score of 3 to 2 and beating BIM by a score of 5 to 4. Pitching good games for Stewarts was Anthony Giampaolo and Chris Margaritis. The hot bats for Stewarts were Chris Margaritis with 2 doubles and Anthony Giampaolo with 1 double. Paul Mangus hit was the winning hit against Goldman Bros.

Trying to make up all their games after all the rain Northville played 4 games winning 2 and losing 2. On the mound was Pat Grecco, Rich Charkin and Tom Gray. The big hits for Northville were Rich Charkin, Pat Grecco, Sal Marcella and Thomas Gray. Nice plays in the field were made by James Kneisel, Mike Gottelman, Mark Piczo, John Filardo, Sal Marcella, Tom Gray and Steve Charkin.

Goldman Bros. 6 wins and 1 lost were enough to clinch 1st place for the first half. Looking good on the mound were Billy Sullivan, Scott Cresswell and James Haas. The big hitters were Stephen Noone, Mike Flemm and Joseph Chency. Making some nice plays in the field were Matthew Noone, James Maggio and Scott Morrison. Congratulations on taking the first half.

Gilson Knitwear romped IHOP 12 to 2 on pitching by Sue Roman and Matt Knapp. The big sticks were carried by Richard Strack who singled, doubled and drove in 3 runs, John Moret who singled, doubled and drove in 2 runs. Matt Knapp who singled 3 times and drove in a run, Marc Goldfarb who walked, singled and drove in a run, Billy Neway who walked and drove in a run, Steve Corrado singled and walked and Mike Kiernan singled driving in a run. In the field Robert Sallung, Matt Knapp and Steve Corrado made good defensive plays to throw out runners.

Agway Petroleum played BPOE and beat them twice by scores of 2 to 1 and 8 to 4. Pitching both games were Brian Landers, Steven Delaney, and John

Blauvelt, Brian Landers, Gerry McNamee and Paul Zoire collected the only 4 hits for Agway in their 2-1 win. In their other game Steven Delaney and John Blauvelt knocked in 6 runs. Great fielding plays were turned in by Trevis Tooman, Matt Rutlas, John Blauvelt, Jim Stremel and Gerry McNamee. Congratulations on taking first half.

### Minor League

Jamaica Ash won two very close games this week edging by Sands Textile 12 to 11, and Marder Shell 8 to 7.

In the game against Sands Textile, on May 30, the winning pitcher was Greg Skupinsky who pitched beautifully and an excellent job of relief pitching was turned in by Steve Colaio.

On offense the Skupinsky brothers were standouts. Greg went 3 for 3, while Don had a 3 run HOMER and a single. Also contributing to the hitting attack was Diane Gargano, Dean Lagatutta and Anthony Rosina who all had singles.

Good base running was turned in by Mike Martello, Diane Gargano, Scott Gurber and Adam Freeman, who all stole home.

In Jamaica Ashes 8-7 victory over Marder Shell, Steve Colaio pitched 5 outstanding innings and Greg Skupinsky pitched 1 nice inning in relief.

Don Skupinsky had the big stick for Jamaica Ash with two 2 run HOMERS. That gives him 3 homeruns and 7 RBI's in two games.

In the field first baseman Dave Passano played a good game.

### Major League

On Wednesday, May 30, GGG Construction shut out Robert Chevrolet 7 to 0.

Pitching for the winning side were Ron Fleming and Helmut Schleith who both pitched flawless.

The key hitting of Ken Frers, Joe Spinosa, Helmut Schleith, Tony Rappa, Joey Labrador, Keith Irving and Ron Fleming helped to produce GGG's 7 runs.

In the field, excellent play was turned in by Dave Caggiano, Frank La Grega, Gilbert Negron and Marcello Kopcow.

In other action that night, Goldman Brothers, shutout Cotton Insurance 3-0 in extra innings.

John Murphy pitched no-hit ball for 6 innings and going into extra innings, Bobby Russo pitched 3 innings allowing only 1 hit.

At the plate, John Gonzales and Mike Hogan had key hits for Goldman's.

Excellent field was demonstrated by both teams.

On May 31 Goldman Brothers

clinched the first half with a 9-3 victory over Hamburg Savings.

Dom Martello was the winning pitcher going the distance and allowing only 2 hits.

Goldman Bros. busted out with a 15 hit attack. Martello, Murphy, Russo, Yanez, Manganello and Hommura each had 2 hits, a piece and Mirsky, Sone and Hogan chipped in with hits.

Goldman Bros. played excellent in the field.

In other action GGG Construction lost a tough game to Robert Chevrolet by a score of 7 to 4.

Kevin Landers pitched a good game but came up short.

Joe Spinosa, Tony Rappa and Ken Frers all had hits and Joey Labrador busted out for a HOMERUN.

Frank La Grega, Marcello Kopcow, Ron Fleming and Helmut Schleith were defensive standouts.

On June 2 Hamburg Savings shut out GGG Construction 2-0.

Losing pitchers were Helmut Schleith and Ron Fleming. Both went all out but Hamburg Savings batters were tough.

Adding points to their batting

averages were Keith Irving, Joe Spinosa, Frank La Grega and Helmut Schleith.

In the field Tony Rappa, Joe Labrador, Kevin Landers, Marcello Kopcow and Dave Caggiano played well.

# WHAT? YOU HAVEN'T BEEN TO THE PLAZA AT MID-ISLAND RECENTLY?

Well, c'mon over and let us surprise you with new stores, a new look and an exciting new environment that makes shopping the fun it was meant to be. Among the many fine stores offering sensational value and convenience under one roof are:

CASUAL CORNER-WOMEN'S FASHIONS • RADIO SHACK  
B. DALTON BOOKSELLERS • THE RAGE BEAUTY SALON  
MI PI RESTAURANT • KEPSAKE DIAMOND JEWELRY  
THE ATHLETE'S FOOT • BALDWIN PIANOS & ORGANS  
STERLING OPTICAL • ST. GERMAIN-MENSWEAR

## Our Armed Forces

Airman Catherine M. Fallon, daughter of Mr. and Mrs. Patrick Fallon of 7 S. Oyster Bay Road, in HICKSVILLE, has graduated at Chanute AFB, Ill., from the U.S. Air Force technical training course for jet engine mechanics.

The airman is a 1978 graduate of Hicksville High School.

Jane Goldsmith, daughter of Mr. and Mrs. John Goldsmith of Arrow Lane, in HICKSVILLE, has entered the United States Air Force Delayed Enlistment Program according to SSgt Rick Semprun, the local Air Force Representative.

SSgt Semprun added that the

Delayed Enlistment Program is available to all qualified young men and women. It gives them an opportunity to get the best available job with the Air Force and still have sufficient time to either finish high school or other activities in which they might get involved. He offered further information at no obligation to those who stop by his office at 3000 Hempstead Turnpike, Levittown or call him at 735-8228.

In a tight game, the Sharks beat the Bass 11-10. For the Sharks, Ray Pilot drove in 3 runs and Sean Towers played excellent defense in the field. For the Bass, Timmy Clearly had a triple and 2 doubles. Phillip Anglin, Jim Schneider, and Jimmy Schinnick had 3 hits each. John Johnson, Scott DeMaico, and Scott Hutchinson had 2 hits each.

The Pigeons defeated the Dolphins 14-10. Hot hitting was supplied by Jack Blazewicz, Robert Wilson, Chris Hogan, Parillo and Mike Janickey hit 3 for 3. Mike Valente played good defense in the field.

The Bass shutout the Hawks 8-0. Timmy Clearly had a good day at the plate hitting 4 for 4 along with Richie Hutchinson who also went 4 for 4. Jimmy Schinnick, Roger Ellinger, and Michael O'Grady all had 3 hits each. For the Hawks, Bob Napoli played

well in the field and David Kean, Wayne Bolen, and Peter Dell'Olio hit well.

The Sharks beat the Bass 8-7. Paul Mannellino drove in the winning run for the Sharks and played excellent defense in the field. For the Bass, Philip Anglin and John Schneider had 3 hits each and Bobby Coogan had 2 hits.

The Jaybirds beat the Hawks 13-1. Brian Lyons, Scott Gorcey, and Billy Steible hit 3 for 4. Kevin Coen played well in the field. For the Hawks, Kevin Kean had 3 hits and Bobby Napoli and Danny Horan made 2 good defensive plays in the field.

In a close and exciting game, the Robins edged the Lobsters by the score of 14-13. For the winners, Ryan McCann had 3 hits and the game winning RBI. Chris Wendt also had 3 hits. Chris Kanuck made some good fielding plays. For the Lobsters, Steve Pine hit 3 for 3 including a home run and Larry Fascella hit a triple.

The Whales beat the Pigeons by the score of 20-12. Chris Shearer hit a grand slam. Hitting well also for the Whales were Chris Skelly, Billy Burke, Billy Schwarz, and Glenn McNamee.

The first place Cardinals beat the Dolphins 11-2 to remain undefeated. Joe Toner, Keith Lambaunas, and John Kozikowski had 3 hits each. For the Dolphins, Danny Nevins and Brendon Sullivan hit well.

The Whales defeated the Dolphins 18-13. This win for the Whales tied them for first place with the Lobsters. For the Whales, Chris Harvath and Robert Gerstenbluth had hot bats hitting 4 for 4. Brett Fox and James Curley both went 3 for 4. David Feitell played excellent defense for the Dolphins.

The Lobsters beat the Sharks by the score of 16-12.

Chris Munson hit well going 4 for 4. Ryan Lewis and Rich DeRosa had 2 hits. Good fielding was supplied by Jason Dugan and Stephen Theyar. For the Sharks, Arte Blind and Timmy Blind hit well and Vinny Doonan hit a triple.

In a close game, the Cardinals beat the Mets 8-7. Danny Kilfoil hit a grand slam home run that made a difference in the outcome of the game. John Keenan and Donald Moore supplied good backup pitching for the Cardinals.

In a low scoring game, the Mariners edged the Yankees 2-1. Behind the plate, catcher Robert Cross played well. Good hitting was provided by Tom Manning. Pitching for the Yankees was Jimmy Schneider.

The Yankees lost to the Cardinals 13-4. Pitching well for the Cardinals was Donald Moore. Mike Conway hit well and Danny Kilfoil hit another home run. That's 2 this week.

The Pirates beat the Giants 16-13. It was a hard fought 7 inning game. Stephen Ludwig had a good day at the plate with a triple that brought in 3 runs. Mike Pardi had some key hits. David Mahoney was the winning pitcher. Kevin Burke pitched for the Giants.

The Mets beat the Mariners 4-3. Ken Hamel hit a triple that scored the tying run.

# Hicksville American Soccer Club

Final registration for the 1979-1980 season will be held at the Community Room of the Hicksville Library on the following date: Saturday, June 9, from 10 am to 2 pm. Boys and girls born from 1961 to 1973 may register.

## CARDINALS - Boys U-8

On a damp rainy day last Sunday, the "Cardinals" (sponsored by Barensen Productions, Inc.) hosted the St. John's "Eagles" from Bohemia. Earlier in the season, they beat the "Eagles" 2-nil in a hard fought contest.

In this game, both teams mounted attacks against each other, only to be stopped by superb defensive plays by the "Eagles" and the "Cardinals". Eric Bentley, John Fabrizio, Bobby Himmel, Brian Hoesten, Charlie Maione, Brian Sacks, John Schneider and Chris Shearer. However, late in the first half on a corner kick by Brian Finnell to Scott Duca, then a pass to John Fabrizio who's shot on goal deflected off a "Eagle" defender in for a goal.

In the second half, the "Cardinals" forward line of Stephen Gourlay, Scott Duca, Stephen Postullo, Brian Fennell and Robert Franzese continued to put pressure on the "Eagles". Repeatedly, they were stopped by the defenders, who in turn mounted their own attacks and were repelled. This type of play continued throughout the balance of the game. The final score was "Cardinals" 1 - "Eagles" nil. The win boost the "Cardinals" record to 9-0 and was their eighth shut-out of the season.

Most significant of the win, is that it brought the "Cardinals" the Under-8 Divisional Championship, in the Long Island Junior Soccer League. WELL DONE BOYS, Head Coach, John Fabrizio and Ass't. Coach Bob Finnell.

## ROVERS-TWO MORE

The 1965 under 13 boys coached by Pat McHugh and John Mitchell, raised their total record this Spring Season to 16 wins, 2 losses and 1 tie with two more wins last week. The first was a league game against a very good Lindenhurst team. Lindenhurst had not given up more than two goals to any opponent this season and gave last season's fall champion Rovers a good battle. The game was well played by both teams with a 1-1 tie well into the second half. Hicksville began

## Antique Boat Regatta

Oyster Bay Town Supervisor Joseph Colby is inviting owners of sail and power boats constructed before World War II (December, 1941) to participate in the Antique Boat Regatta that will be held in Oyster Bay Harbor on Saturday, July 14, 1979.

Interested boaters, who are seeking further information, should contact the Town of Oyster Bay Bicentennial Historic Commission, Town Hall, Oyster Bay, New York 11771 or call Miss Dorothy H. McGee at 922-3800 ext. 253 for registration and course details. There will be prizes awarded in different categories for participating antique boats.

Participating sail boats will be required to have auxiliary motors. All registration forms must be submitted to the Antique Boat Committee for approval.

"This regatta is a once in a lifetime opportunity, and to ensure a wide variety of participating boats the Antique Boat Committee is extending an invitation to all antique boat owners to join in this wonderful celebration of boating and its past," commented Supervisor Joseph Colby.

to dominate late in the game and put in two quick goals for a 3-1 victory. The whole team played very well, missing the services of midfielder "Jimbo" DeMarco (card last week in Bohemia). Robby Cullen filled in for Jimbo at center half and the front line was made up of Adrian Pepi, Bobby Andrus, and John Mitchell with help from John McCann and Gene Tyranski.

The second game was round two of the Long Island Cup. On a juggled line-up (Andrus and DeMarco missing), the boys headed out East to Bohemia for the second straight week. Last week the Rovers beat Bohemia 4-1 in a very physical league game. John Fitzgerald scored first for Hicksville from his new right wing position, and from then on it was all Hicksville. The defense held up very well with Robby Pearce in goal, and Steve Dolan, George Marco, Jim McGeough, Cliff Feldman at fullback and Dave Smyth, Vinny Christiano and John Mitchell handling the midfield. The boys have two very tough league games left (Massapequa and North Babylon) which they will play in June and they are still "alive" in the Long Island Cup Competition.

## Hicksville Rowdies

Hicksville's Rowdies appear to be getting stronger each week as the season progresses. This past Sunday the boys defeated Huntington Y 5-2.

The highlights of the day came from out wings Cliff Heller, who had a hat trick and Tony Conigliaro who had 2 goals and one assist. The sixth goal was aggressively headed in by Kevin Hamel on a corner kick. Pressure was put on Huntington's goalie throughout the game with numerous shots on goal by our inside forwards, Sean Smith and Steve Olive.

The beauty of the game was in the ball handling. When the forwards were in trouble they passed the ball back to the midfielders, Jim Reardon, Dan Middleman, Greg Tropea, and William Sneedon who would start the ball back towards the goal again. When the midfielders were in trouble they could depend on the fullbacks, Todd Roth, Joe Hanna and Greg Skupinsky. In goal backing everyone was the very fast Gerrard McNamee. Congratulations boys. It was a pleasure watching well played soccer.

## Tournament Days are Here Again.

Memorial Day weekend always finds many teams travelling to far away tournaments. The Tigers coached by Richie Hanna followed this trend and went to Virginia for the Braddock Road tournament. Saturday morning at 9:30, Hicksville met the McLean team. Hicksville came together as a team and this made all the difference. The passing, hustling and teamwork all combined to help the Tigers conquer every team they met. David Haut, Mike Clarke and Timmy Van Cise combined to score the 3 goals needed to beat McLean 3-1.

Then Saturday afternoon we met the Braddock Road Hawks in what proved to be our toughest

opponent. The game was evenly matched with the score remaining tied at 0-0 until the last minute when Howard Shragin scored the winning goal.

The next morning at 8:00 the opponent was the Reston Strikers from Virginia. Once again Hicksville played great soccer. Sean Beach made many spectacular saves in goal. Fullbacks Kevin Taylor, Howard Shragin and David Haut refused to let the ball go past them and when it occasionally did they never gave up and raced back to help protect the goal. Halfbacks Kevin Burke, Marc Diamont, Michael Grossman and Timmy Van Cise were running from one end of the field getting the ball from their opponents and bringing it up to the forwards and in some cases taking shots on goal. Forwards Gregg Greenberg, Anthony Schiralli, Joseph Master, David Nissenson and Michael Clarke played their positions well converting many possibilities into dangerous scoring situations, resulting in 3 goals by Mike Grossman, Gregg assisted by David and then David assisted by Anthony. Both assists were beautifully played with David and Anthony right at the net to follow up good long shots.

Because the Braddock Road tournament was only 2 days and involved 12 teams from as far away as Canada, being undefeated in 3 games was not enough to ensure that a team would make it into the finals. Only the top 2 teams reached the finals and since the Hicksville Tigers had fewer bonus points than either of the other undefeated teams they were eliminated from the finals. However, we did come in third and the boys, coach and parents had a good tournament experience, playing good soccer and meeting new friends.

## Hicksville Panthers (U-16)

The Panthers, coached by Leon Akl and sponsored by the Hicksville VFW, played one man short against a very game West Islip team. The rain was pouring, and the muddy and slippery pitch seemed just right for the boys. Brendan Bruton started the scoring after 3 minutes. Goals were scored by Pat Sherry, Bill McCulloh, Willie Eichler, Dave Horne (2), and Paul Heller who accomplished the "Hat Trick" (3). Pat Sherry and Ralph Stielvel played a good defensive game. West Islip had many chances to score. Goalie John Bradley, the good Hicksville defense, and Lady Luck helped to return home with a 9-0 shutout. Two more home games are to be played at Grumman, against Smithtown and Rocky Point. The coaches expect the team to finish the season in fifth or fourth place.

## INTRAMURAL REPORT

The Hicksville Americans Soccer Club sent a team from its PeeWee Intramural Division to the Island Trees Pee Wee Patch Day Games over the Memorial Day Weekend. The team was coached by Bernie Aronowitz. Kathy Graepel and Jim Hegmann. The boys won their game 3-1 and enjoyed their day at Island Trees.

as of June 3  
By Donna Rehman  
BOYS MINORS  
Hicksville Bike 6-2

Peter's Cleaners 6-2  
Pennysaver 4-3  
Old Country Toyota 3-5  
Allied Center Stores 3-5  
Old Country Deli 1-6

First place playoff game will be played Tuesday, June 5, weather permitting.

## GIRL'S MAJORS

H.B.A. Green Ponytails 9-0  
H.B.A. Blue Ponytails 4-5  
H.B.A. Purple Ponytails 4-5  
H.B.A. Red Ponytails 1-8

The offensive star in this league this week was Donna Eicholz with two doubles and one single. The defensive star was Sue Rothchild who struck out twelve batters. What an Arm! Both girls play for the Green Ponytails and what exceptional play this team has shown.

## GIRL'S MINORS

Hicksville Voltswagon 2-0

V.F.W. Post 3211 3-1  
Meenan Oil 2-1  
Harbor Dist 2-3  
Cavitor Carpet 0-4

This week for Harbor Distributors we had an outstanding game. Offensively Coleen Reilly and Diane Anerson were four for four. Defensively, Michelle Malle pitched five strike outs in a row-fantastic! A special notice of Lauren Zaitke who may have had a late start this season but came to life this week with three wacked out hits in one game. That's hanging in there Lauren-practice does make perfect, doesn't it.

## GIRL'S INSTRUCTIONAL

H.B.A. Red  
H.B.A. Blue

Our star players this week for the red team were home runs hit by Pat Currely and Sue Cucci. Triples by Jennifer Joosten, Dawn Abruzzo, Mary McCarthy and Sue Cucci. Doubles by Danielle VanMol, Tricia Reardon, Sue Cucci, two doubles by Dawn Abruzzo and Pat Currely and three doubles by Laurie Seufiring.  
For the Blue team Karen Osback hit a triple and double, doubles hit by Pat Grady, Carol Bub and Annette Rizzo. These girls are hard hitters, determined, and play with all they have got. Their coaches efforts are proven worth while without a doubt.

## BOY'S FARMS

Aladin Florist 5-1  
H.B.A. Angles 5-2  
H.B.A. Red Socks 3-1  
Newbridge Crown 3-4  
Botto Brothers 2-3  
Manufacturer's Hanover 2-5  
National Bank of North America 1-5

In this league for the Angles we had offensively Jim Antonelli with two hits off the T and Kevin Malmey scored two runs. Defensively, Mike Sguegna had two put outs at second base and Greg Markotits pitched three hitless innings. In addition, offensively, we had outstanding play by Phil Campisi and defensively by Mathew Zeray and Bob Marisca. They put out some solid ball playing.

## BOY'S INSTRUCTIONAL

H.B.A. Green Hornets  
Marty's Raiders  
H.B.A. Blue Jays  
H.B.A. Pirates

This week for the Green Hornets, offensively, Craig Schumacher had two tremendous

home runs and Kevin Torlencasi, our first baseman, had steady hitting. Defensively, Bradley Greenburg on second base had two sparkling plays and Richard Wheat made a great catch on the mound. Additional offensive stars were Bill Waters, Marty Watkins, Jr., Marty Dellona and James Stayer. Defensively, Mark Petro, John Coyle, Scott Rizzo and Mike Rose. PRO BALL NEXT STOP!

## COLTS

Empire Storage  
Hicksville Voltswagon  
Malvese Construction  
V.F.W. Post 3211  
Harbor Distributors  
Long Island National Bank  
Mid-Islanders  
Mid-Island Herald

The Colts began play this week but with all the rain the standings cannot be posted in completion at this time. Too Bad we aren't all ducks!

## PONIES

Hicksville Lions Club 2-0  
M. Solomon Insurance 2-0  
Beverage Land U.S.A. 2-0  
L.I. Hockey and Sports 1-1  
Seaman Eisemag 1-1  
Long Island Bank 0-2  
Hicksville Recreation 0-2  
Wagner Funeral Home 0-2

Offensively in the Ponies, Eric Cimino went four for four, Mark Nealon knocked in four runs with two hard hit singles and Richard Solomon hard hit a double and a triple. Defensively pitching proved to be the key when Peter Nealon hurled a no-hitter and the Ace Relief Pitcher of the week was Mike Brittan.

## BOY'S MAJORS

McDaniel Ford  
Wagner Funeral Home  
Empire Storage  
Parkway Deli  
Fertile Photographers  
Northern 5 & 10 cent stores

The first half of our Major League season has been completed with McDaniel Ford taking first place, under the expert managing of Donald Bruckner. His team showed some excellent pitching and their bats were smoking out hits. McDaniels, Harvey Chin has lead the way with four home runs and seventeen R.B.I. the second half of this season starts this week.

Good luck to all-PLAY BALL.

# H.A.L.L. Little League

GGG Construction defeated LI Bank 7 to 3 on the combined one hit pitching by Paul Sauerland and Bob Kalberer. Paul Sauerland struck out 8 in 4 innings. Bob Kalberer pitched 2 strong innings in relief. Ron Stallone led the hitting attack with 2 base hits. John Pizzo, Lou Sabato, Danny Richards and Bob Kalberer chipped in one hit apiece.

Marder Shell defeated Gilson Knitwear 12 to 4 in a first half game while Gilson Knitwear defeated Marder Shell in a second half game 8 to 1. No details were available.

## Soccer Club Meeting

The Hicksville Americans Soccer Club had its final general meeting last week and what a busy meeting it was. President Ken Groves presided and the first order of business was to dispense with the reading of Minutes and the usual order of business in order to close out the year and accomplish some very important objectives. The first was presented by Chairman Dave Smyth and the Club voted and accepted a new Constitution and revised By-Laws which were more up to date with the times and the size and structure of the Club. Ken Groves thanked and congratulated Dave and his Committee for the hard work and long hours they devoted to this arduous task all winter.

The second item on the agenda was the election of the Board of Directors. The newly passed by-

laws created several additional seats on the board; the boys and girls commissioners will now hold director seats and the immediate past president at his option may also sit on the board. The two Intramural Commissioners for the '79-'80 season are John Montalto (boys) and Jim Von Stetten (girls). The other five directors elected by the general membership were: Barbara McCann and Jeff Kugler (both re-elected), Joe Perry, Jerry Staveland and Randy Smith. Ken Groves welcomed the new board members and thanked the outgoing directors (Peter Collins, Gene Maguire and Mike Dolan) for their many years of service to the Club.

The next item was the raffle drawing which is one of the Club's most important fund raisers. This year's grand prize was a Basket of Cheer and the

raffle was quite successful.

President Groves and the other officers: Al Greenspan, vice president; John Mitchell, treasurer and Marge Fletcher, secretary then made presentations of plaques to last year's president Alex Sak, last year's treasurer Charlie Frattini and Jeff Kugler, the Indoor Tournament Chairman. A special plaque was presented to Mrs. Shiela Noth - editor and publisher of the Mid Island Hicksville Herald - to acknowledge the sincere appreciation of the parents and children of the H.A.S.C. for her dedication and support of the youth of our community.

Although there are still games to play and the Tournaments in July, the next General Membership Meeting will be held on the first Friday in September.

## To Hold German Festival

Long Island Lutheran High School will hold its fourth annual gala German Festival on Saturday, June 9, from noon until 9 p.m., it was announced today by Richard L. Rath, executive director of the school.

Several new attractions, including the display of an authentic World War I German airplane (a Fokker D-7), a pony ride and a drawing for an exquisitely handcrafted dollhouse, have been added to this year's Festival, Mr. Rath said. Also featured at the event, which will be held on the Luth campus, will be a number of its traditional favorites - plenty of German food, beer, music, dancing, games and prizes.

All proceeds from the event will go to the school. The German Festival is being co-sponsored by local branches of the Aid Association for Lutherans, a fraternal life insurance organization, which will provide matching grants for all monies raised.

Tickets are \$2.00 for adults and \$1.50 for senior citizens and children aged 12-18. Children

under age 12 will be admitted without charge. As in the past, each adult buying a ticket in advance will receive a free glass beer mug at the gate. Tickets, directions and more information can be obtained by calling this special number: (516) 499-4003.

The school is located at 131 Brookville Road, approximately 1 1/2 miles west of Route 106 in Brookville.

In light of the current gas crisis, and to accommodate those people who would like to come - but not drive - to the Fest, a special free "German Fest Express" bus will run that day between the school and the Hicksville station of the Long Island Rail Road, where many of the Island's bus lines also come together.

The "Express" will leave the station, carrying people to the Festival, every hour on the hour from 12 noon until 4 p.m. It will leave the school, returning people from the Festival to the station, every hour on the half hour, from 12:30 until 9:30 p.m. Parking will be available both at the station and at the school.

### LEGAL NOTICE

#### AMENDMENTS TO THE CODE OF ORDINANCES CHAPTER 25

**HAZARDOUS MATERIALS BE IT ORDAINED**, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Code of Ordinances of the Town of Oyster Bay, New York, be and the same is hereby amended by adding the following new Chapter 25:

#### CHAPTER 25 -

#### HAZARDOUS MATERIALS

**Sec. 25.1 Hazardous Materials.** Hazardous materials are those materials or mixture of materials which are capable of being easily ignited, or which may cause fires or explosions, or which by their presence create a fire or explosion hazard, or render fire fighting abnormally dangerous or "difficult," or which may cause substantial personal injury or substantial illness during or as a proximate result of any customary or reasonably foreseeable handling or use, and shall include, but shall not be limited to, such materials which are toxic, highly toxic, corrosive, irritant, oxidizing, flammable, extremely flammable or combustible, poisonous gas, radioactive, or a potentially explosive chemical.

#### Sec. 25.2 Definitions

The term "toxic" means any material which has the capacity to produce personal injury, or illness to human beings through ingestion, inhalation, or absorption through any body surface.

The term "Highly toxic" means any material so toxic to human beings as to afford an unusual hazard to life and health during fire fighting operations. Examples are: parathion, TEPP (tetraethyl phosphite), HET (hexaethyl tetraphosphate) and similar insecticides and pesticides.

The term "corrosive" means any material which, in contact with living tissue, will cause destruction of tissue by chemical action, or in case of leakage will materially damage or destroy other containers of other commodities by chemical action and cause the release of their contents, or are liable to cause fire when in contact with organic matter or with certain chemicals.

The term "irritant" means any material, not corrosive within the meaning of the definition thereof as stated above, which on immediate, prolonged, or repeated contact with normal living tissues will induce a local inflammatory reaction.

### LEGAL NOTICE

The term "oxidizing material" means and includes materials such as chlorates, permanganates, peroxides, or nitrates, that yield oxygen readily to stimulate combustion. The term "flammable" means any material which has a flash point of above twenty degrees to and including eighty degrees Fahrenheit; the term "extremely flammable" means any material which has a flash point at or below twenty degrees Fahrenheit; and the term "combustible" means any material which has a flash point above eighty degrees Fahrenheit to and including one hundred and fifty degrees Fahrenheit. The term "poisonous gas" means and includes any noxious gas of such nature that a small amount of the gas with air is dangerous to life. Examples are: Chlorpierin, cyanogen, hydrogen cyanide, nitrogen peroxide and phosgene.

The term "radioactive material" means and includes any material or combination of materials that spontaneously emits ionizing radiation.

The term "potentially explosive chemical" means and includes any chemical substance, other than one classified as an explosive or blasting agent, which has a tendency to be unstable and which can be exploded by heat or shock or a combination thereof.

#### Sec. 25.3 Permit Required.

A permit shall be required for the storage and handling of all hazardous materials. Such permit shall be issued by the Commissioner of the Department of Planning and Development. The fee shall be charged for such a permit in such amount as shall be, from time to time, fixed by the Town Board.

#### Sec. 25.4 General Requirements.

The storage and handling of hazardous materials shall be safeguarded with such protective facilities as public safety requires. The Commissioner of the Department of Planning and Development shall require the separation of any hazardous material that in combination with other materials may bring about a fire or explosion or may liberate a flammable or poisonous gas. The Commissioner of the Department of Planning and Development shall require separation from other storage, occupancy or buildings when the quantity stored constitutes a material hazard. Defective containers which permit leakage or spillage shall be disposed of

### LEGAL NOTICE

or repaired, in accordance with recognized safe practice; no spilled materials shall be allowed to accumulate on floors or shelves.

Where hazardous materials are kept for sale in containers or packages usual to the trade, the storage thereof shall be neat and orderly and shelves shall be of substantial construction; and such storage of hazardous materials and the handling thereof shall comply with the rules and regulations established by the Commissioner of the Department of Planning and Development in accordance with nationally recognized good practice; said rules and regulations shall be subject to Town Board approval.

#### Sec. 25.5 Conformance with Federal, State and Local Laws and Ordinances Required.

Where the storage and handling of a hazardous material is regulated by a provision of a Federal, State or County law, ordinance, code or regulation, such other law, ordinance, code or regulation shall supersede the provisions of this chapter.

#### Sec. 25.6 Penalty for Violation

Any person committing an offense against this chapter or any provision or section thereof shall be guilty of a violation punishable by a fine not exceeding two hundred fifty (\$250.00) dollars or imprisonment for a period not exceeding fifteen (15) days, or by both such fine and imprisonment.

BY ORDER OF  
THE TOWN BOARD  
OF THE TOWN  
OF OYSTER BAY  
Ann R. Ocker,  
Town Clerk

Dated: Oyster Bay, N.Y.

May 22, 1979  
STATE OF NEW YORK,  
COUNTY OF NASSAU, ss.:  
TOWN OF OYSTER BAY  
I, ANN R. OCKER, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Amendments to the Code of Ordinances - Chapter 25 Hazardous Materials adopted by the Town Board on May 22, 1979 filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereto signed my name and affixed the seal of said Town this 25th day of May, 1979

Ann R. Ocker  
Town Clerk

# CUMMINGS 'N GOINGS

By Jim Cummings

**IRISH CONGRESS:** On next Wednesday evening, June 13, the Nassau County Chapter of the American Irish Congress will convene at the Joseph Barry Council, Knights of Columbus, 45 Heitz Place, Hicksville, at 8 P.M. sharp according to John Sugrue, of Lynbrook, Nassau Chairman ... a full report of the National Constitutional Convention held in NY last Sunday will be reviewed - over 100 delegates spent more than 6 hours to put the final touches on the Constitution which was unanimously adopted by the Convention. Now, we can move ahead in Nassau County for a slate of permanent officers and Board of Directors to be elected - under John Sugrue, present Chairman, the Nassau Chapter has become an umbrella of in-

formation for the American-Irish Community and has gained national recognition for its programs, including the "first" in the USA to unveil a plaque for "Peace With Justice In A United Ireland" - we applaud their cause for human rights.

**AOH TO MEET:** Please be reminded that the "Division of the Green Berets", Ancient Order of Hibernians of Hicksville, will meet next Thursday evening, June 14 (Flag Day) at the Joseph Barry Council, Knights of Columbus, (in the lounge) at 8:30 P.M. - John Steele, President, presiding.

**WE HEAR:** the world champions, the St. Ignace All Girl Cadet Corps will highlight the 61st Nassau County American Legion convention this Friday

evening. Veterans Boulevard, in Massapequa at 7:30 P.M., - join the Charles Wagner Post of Hicksville in saluting the Corps ... those rumours of a mini-shopping area on West John Street are not.

**Kroemer Seed** on West John Street has closed its doors - ideal location next to Hicksville Post Office - interested the sign notes to contact Jerry Spiegel Associates, 270 North Broadway.

**Mike Squillante**, proprietor of Mike & Al's luncheonette at 388 W. John Street (adjacent to Cantiague Park) will be found not on the golf links at 6 A.M. - but at his business where he has served so many satisfied customers there many years - good luck neighbor.

**DID YA KNOW:** That was Mary Fitzpatrick sister of Cele Larkin subbing at the keyboards last Saturday afternoon at the Larkin residence for "Knuckles" who had a previous commitment - the occasion? - a party for graduates Deirdre and John -

the clans attended in goodly numbers and "special thanks" to Mary, who was also joined by Cele, another keyboard player and wily lyricist ... many of my readers will recall years ago the Mother's Auxiliary show that the girls put on - all the lyrics were done by Cele - especially her take-off on the song "Kids" ... there is talk of not driving one day a week and a driver ban of various major gas companies - something's got to give and right now it's you and I - conserve your gas - the recent negative highlights and headlines have created panic buying, waiting lines and many closings - we note that Jimmy Armstrong's Shell Station, a landmark for these past 30 years has shuttered - the State is finally providing a cross way sidewalk (east and west) at Nevada Street intersection - "Too many people don't care what happens, as long as it doesn't happen to them" (Howard Taft once said) - take one day at a time

## LEGAL NOTICE

### NOTICE TO BIDDERS

Please take notice that SEALED BID PROPOSALS will be received and must be stamped at the DIVISION OF PURCHASE & SUPPLY, Department of General Services, Town of Oyster Bay, at its office located on the first floor, Town Hall, West Building, Audrey Avenue, Oyster Bay, New York, not later than 11:00 A.M. ## DEVOTIONS

By The Rev. John H. Krahn

Death was very near. Perhaps the greatest figure ever to grace Jewish history was speaking some last words to God's chosen. As he had done on numerous occasions, Moses once again encouraged the Israelites to love the Lord their God, walk in His ways, and keep His commandments. He said that they would receive the promised land if they did this. Near the conclusion of his message we reach the point of God's Word for us today. Moses says, "I call heaven and earth to witness against you

this day, that I have set before you life and death, blessing and curse; therefore choose life, that you and your descendants may live, loving the Lord your God, obeying His voice, and cleaving to Him; for that means life to you."

If I were to ask you what was the opposite of death, most of you would answer, "Life." If I were to ask the question of Moses, he would probably answer, "God." For God was synonymous with life for him. But not only with Moses but also for other Old

Testament and New Testament writers as well. For all of them, the fullness of a life worth living, was only possible when it was lived with God.

Unfortunately, for some of us, God is not much more than a sacred vagueness. We have not taken the time to discover how God describes Himself fully in His Holy Word. Our God is just that, our God-one we have fashioned after our likeness. Our God is not tolerant of the foibles of others, only ours. We are like the little girl who was busy

painting a portrait of what she claimed was God. When the mother pointed out that nobody knew what God looks like, the girl said, "That's when I'm finished." That's cute with children, but can be tragic with us.

Moses knew what life with God was all about. It was a life with meaning, one full of excitement—seas opening the way to salvation, miraculous manna from heaven, divine and patient guidance for a consistently difficult people. Therefore, Moses commanded the children of Israel to live "loving the Lord your God, obeying His voice, and cleaving to Him."

Almighty God desires nothing less from us. God is to be our life—He desires to dwell in us. He

wants to be in our consciousness—not one or two hours a week but every moment. God is always present—we all affirm that, but we must be conscious of that presence. Even more, we should seek to intermingle our presence with His presence. In other words, we need to practice the presence of God in our lives, showing by our lives that He dwells in us. When we feel far from God, guess who's moved. God certainly didn't.

"Have It Your Way," is the popular slogan of the Burger King jingle. This might be fine for hamburgers, but not with our lives. God wants us to have life. Not our way, our way alone leads to hell, but His way. Our lives in His control. He wants to be synonymous with life, our life.

## SCHOOL CANDIDATES (Continued from Page 4)

Hicksville's education system which makes him eminently qualified to be a school board trustee. He ended his recent education as a 1978 summa cum laude graduate of C.W. Post with a Bachelor of Science degree in accounting and membership in two national honor societies, Phi Theta Kappa and Delta Mu Delta.

In addition to serving as a pilot in the Strategic Air Command, Frank, a retired Lieutenant Colonel, spent many years in management positions at the highest Air Force levels.

Frank lives with his wife, the former Lorraine Zeiber, and his son Peter at 81 Sixth Street. Mrs. Willard's mother, Jennie Zeiber, her uncle, Robert Schreder, and her sister, Marilyn Rhinehardt, are all Hicksville residents. Frank is a member of Hicksville's Charles Wagner Post No. 421, The American Legion, and the Wm. M. Gouse Jr. Post No. 3211, Veterans of Foreign Wars.

In a recent statement before Hicksville's Council of PTA Units, Frank urged all voters to carefully examine the qualifications of candidates for the school board to assure the ones they elect can think, reason, evaluate all sides of a problem, and can represent the concerns of all Hicksville residents equally and without bias. He also said: "I am no stranger to education and to Hicksville's education system. Not only did my son graduate from Hicksville High but over the past six years I went to school board meetings, studied the issues, took a stand, and wrote of my concerns in Letters to the Editor. Among those concerns are that: every educational dollar is wisely spent; wasteful purchasing and supply practices are eliminated; problems of drug abuse, alcoholism, sexual activism, and vandalism are studied; the budget be made simpler for residents to understand; substandard administrators and teachers be removed; and the board retain its management prerogatives in negotiating the new teacher's contract. Further, during four of the past six years, I also sat in a college classroom earning an honors degree in accounting and studying the problems of taxes, law, economics, finances, and human behavior. Hicksville's educational considerations and the complexities of budget preparations requires that those

elected to the board be not only familiar with board operations and procedures, but have the skills that can be obtained for the most part only through a college education.

I am proud that I was an officer in the U.S. Air Force for 32 years because that service afforded me the opportunity to develop the qualities of analysis, initiative, judgment, decision-making, leadership, and planning and to exercise those qualities in duties involving management, budgeting, audit, and investigation. But more important, certain moral and professional values develop which remain unchanged throughout a lifetime. Yes, I could have chosen a different profession—one that gave me more freedom, comfort, and money. But I found more valuable, the opportunity to have contributed directly and personally to my country's well-being. And those same morals and values will be brought to the Hicksville school board with no more expectation of reward than the satisfaction of having contributed directly and personally to my community's well-being.

It will be a privilege to serve on Hicksville's Board of Education.

## Obituaries

### JOHN WYNNE

John Wynne of Hicksville died on June 5. He was the husband of the late Margaret, father of Catherine Flaherty and Bart Wynne. Five grandchildren and three great-grandchildren also survived. Several brothers and sisters also survived in Ireland.

He is reposing at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, Mass. of the Christian Burial will be Sat., June 9 at St. Ignatius Loyola R.C. Church at 9:45 a.m. and interment will follow in St. Charles Cemetery.

### JOHN J. REILLY SR.

John J. Reilly Sr., of Hicksville, died on May 30. He was the husband of the late Mary; father of Agnes Carney, Dorothy Behr, Anne Higgins, and John Jr.; brother of Michael Reilly. He is also survived by 19 grandchildren and 12 great-grandchildren.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, Mass. of the Christian Burial was at St. Ignatius Loyola R.C. Church and interment followed in St. Joseph's Cemetery.

## On the Campus

Marguerite Lamoureux, of Rave St., HICKSVILLE, has been named to the Dean's List at Adelphi University. Peggy, as she is known to her many friends, has just completed her second year as a nursing major.

Named to the Dean's List at Manhattan College is Philip Lamoureux, also of Rave St., HICKSVILLE. He has just completed his first year in electrical engineering.

Theodore Grant, son of the Rev. and Mrs. Theodore Grant of Bridge Lane, HICKSVILLE, was named to the Dean's List at Drew University, Madison, N.J. for both the fall and spring semesters. He is a senior psychology major. Mr. Grant will be employed for the summer by the Drew University Archeological Research Group and will be participating in an archeological project in Caesarea, Israel.

Geri Lynn Lombardi, daughter of Mr. and Mrs. Maurice Lombardi of Amherst Rd., HICKSVILLE, graduated from Adelphi University, Garden City. Geri was awarded summa cum laude degree of Bachelor of Business Administration in Finance. She is a member of Delta Tau Alpha National Honor Society and Delta Nu Delta National Honor Society in Business Administration. Geri, was also awarded at graduation the Richard F. Clemons Award in Business. She has accepted a position with Salomon Brothers.

Clifford Jay Issacoff of Sheridan St., OLD BETHPAGE, has received a Master of Arts degree from the Ferkau Graduate School Yeshiva University.

Richard John Flynn of PLAINVIEW has received the Bachelor of Arts degree from the College of William and Mary.

Joanne E. Johnson, daughter of Mr. and Mrs. James D. Johnson of Mahan Rd., OLD BETHPAGE, has received a Bachelor of Arts in Political Science and Economics from Trinity College.

Celeste Lopes, daughter of Mr. and Mrs. Viator Lopes of PLAINVIEW, has been elected to Hai Timiai, women's honor society at Hobart and William Smith Colleges.

Anthony Arthur Grey of Terrace Pl., HICKSVILLE, has received a bachelor degree from St. John Fisher College.

Peter F. Willard, son of Mr. and Mrs. Frank Willard of Sixth St., HICKSVILLE, was named to the Dean's List at Adelphi University, this time for the Spring 1979 semester. He is a senior majoring in mathematics.

Suzan Ruffett, of Jody Lane, PLAINVIEW, Gary Scott Davis, of Toni Pl., PLAINVIEW, Lisa Sharon Lefkovic, of Laura Lane, PLAINVIEW, and Pamela Mante Parker of Beech Lane, HICKSVILLE, became members of Psi of New York Chapter of Phi Beta Kappa at recent induction ceremonies held at SUNY-Binghamton.

Diane E. Scarola, daughter of Mr. and Mrs. I. John Scarola, Boulevard Drive, HICKSVILLE, has recently graduated from Niagara University with a B.A. degree in Communications. Diane was a 1975 graduate of Hicksville H.S.

## Island Federal And Customers Help Olympic Committee

The 1980 Olympic Winter Games, scheduled to begin at Lake Placid early in 1980, need financial and moral support from citizens of the United States. Island Federal (Savings & Loan), working closely with the New York State Olympic Committee, is heavily involved in the Olympic fund-raising project - the Committee's goal is \$1,000,000 - and is offering all its customers the opportunity to make tax-deductible contributions to this most worthy cause, in return for their purchase of patches, a pin, and a set of three posters. The two patches and the pin are priced at \$5. each, and a set of posters may be purchased for \$12.50. Any or all of these items may be obtained at all Island Federal offices.

The Olympic athletes, and all of America's young hopefuls seeking the opportunity to compete in the Olympics, work under a handicap that is not shared by their counterparts

from other countries. Other countries subsidize the training of their contending athletes; the U.S. Government does not. Therefore, the funding efforts need a lot of help from the private sector.

Island Federal branches are distribution points for the New York State Olympic Committee. In addition to promotional displays in all branches, and the sale of the patches, pins and posters, Island Federal can make a film on the Olympics available to community organizations, church and school groups, service clubs and other interested groups. Any such group should call its nearest Island Federal office; seven convenient offices in Nassau and Suffolk.

Payments may be made either by check or cash; if in cash, Island will convert it to a money order, no charge to customer, thus providing a receipt for tax purposes.

## 20th Anniversary

The Soroptimist International of East Nassau, an organization of business and professional women will celebrate the 20th Anniversary of its Charter at a luncheon to be held at the Clubhouse of Bethpage State Park at noon, Sunday, June 10.

Frances Mattara of East Meadow will be honored as the recipient of the Soroptimists' 1979 "WOMEN HELPING WOMEN" AWARD for her work in FOCUS.

Also honored will be the winners of the annual Youth Citizenship Award - Joan Marie Accetta of Seaford, Holy Trinity High School, first prize winner; Jasjit Singh of Brookville, Locust Valley High School, second prize winner; and Eileen Sweeney of Plainview, Holy Trinity High School, third prize winner.

Newly elected officers for the 1979-80 year will be installed. Guests are welcome.

## Gallup Poll Shows Commuters Will Continue To Use Cars

If gasoline continues hard to get, drivers will cut back on weekend, vacation or other discretionary driving so that they may continue to drive to work in their own cars or car pools according to a recent Gallup poll commissioned by the High Users Federation.

About one-third of the national sample, 32 percent, said they would continue to drive themselves to work but would cut down on social and weekend driving.

Eleven percent said they would switch to public transportation for the work commute if gasoline were hard to get.

One in five reported they would

stop driving to work and use a car pool or use some other means such as walking or riding a bicycle to work.

Public transportation facilities in some cities could be swamped if restrictions on gasoline sales occur. If a quarter of the people who now commute by car, in cities of a half-million to a million population, shift to public transportation - as they say they would in the event of tight gasoline supplies - existing transit facilities probably could not handle the large influx of passengers.

The need for petroleum self-sufficiency appears to outweigh environmental concerns in the minds of most Americans.

### LEGAL NOTICE

SUPREME COURT OF THE STATE OF NEW YORK  
COUNTY OF NASSAU

In the Matter of  
The Town of Oyster Bay  
acquiring the fee title to certain parcels of real property for Highway purposes at:

HICKSVILLE  
in the vicinity of MILLER PLACE, in the Unincorporated Area of the Town of Oyster Bay, Nassau County, New York, duly selected by the Town Board of the Town of Oyster Bay for Highway purposes, according to law.

NOTICE TO  
FILE CLAIMS  
INDEX NO.  
20233-77

NOTICE IS HEREBY GIVEN that an Application to Condemn was granted by Order of the Supreme Court, Nassau County, dated March 1, 1977, and filed in the Nassau County Clerk's Office on March 1, 1978. The property so acquired is shown on a certain map entitled "Map Showing Real Property to be Acquired for the Widening of Miller Place, Located at Hicksville, Town of Oyster Bay, Nassau County, New York", dated August, 1977 and as partially revised November, 1977, which map was filed in the Office of the Town Clerk of the Town of Oyster Bay on December 20, 1977 and filed in the Nassau County Clerk's Office on January 6, 1978.

The properties affected by this proceeding are as follows:  
Name of Reputed Owner - Frank J. Parker and Dorothy E. Parker, Section 12, Block 323, Lot 17. Name of Reputed Owner - Marguerite L. Montana, Section 12, Block 305, Lot 35. Name of Reputed Owner - Mary Manelski, Section 12, Block 170, Lot 49.  
Each and every owner of property affected by this proceeding or having any interest is required to file a verified claim or demand in the Nassau County Clerk's Office, Nassau County Office Building, Old Country Road, Mineola, New York, and a copy of the verified claim with the Town Attorney's Office, Town Hall-East Building, Audrey Avenue, Oyster Bay, N.Y. 11771, on or before the 3rd day of July, 1979 and to appear before the Town Attorney or his designated Deputy to prove title in the real property affected with proof of liens or encumbrances, if any, in the Town Attorney's Office, Town Hall-East Building, Audrey Avenue, Oyster Bay, N.Y. 11771 on or before July 11, 1979.  
Dated: Oyster Bay, N.Y.

## Set Back For Museum

The Hicksville Board of Education and a group of Gregory Museum trustees met on the evening of May 29th to discuss the Museum's offer to the School System of a gift of its Earth Science, butterfly and moth, and local history collections to be operated as a museum in its present location, the National Historic Place, the Heitz Place Courthouse. At the meeting - belatedly arranged at the urging of Museum President Richard Evers and influential supporters of the museum - the School Board reluctantly declined the Museum offer "in view of unresolved legal difficulties."

It is reported that the principal legal problem confronting the Board of Education as it considered the Museum's innovative offer which would keep the nationally known natural history museum in Hicksville and achieve needed financing of Museum director and curator salaries and operational funds for 1979-1980 involves a question of authority. As of the meeting of the two boards of trustees on May 29th, virtually on the eve of the submission of the final school budget proposition to the taxpayers, no official opinion had been obtained from the State Education Department as to whether a school district may assume the management of a museum for purposes of education.

By early this week, however, the Museum President and Counsel, Elliott Lowell, reported that ongoing communication with the chief attorney for the State Education Department, this past Friday, indicates that the State

Education Law will permit a school board - if it so desires - to accept, administer and publically finance a museum received as a gift. The Museum proposal is now under consideration in Albany, and a formal ruling is expected shortly.

In the community, meanwhile, support for the Museum's preservation via a 'take-over' by the Hicksville Board of Education continues to manifest itself. Almost 500 taxpayers have signed a petition, circulated briefly, or have responded with newspaper printed requests to the School Board approving the take-over of the Gregory Museum and its financing and operation for educational purposes, on a trial basis. The proposed cost to the School District is approximately \$34,000 or \$2.05 in taxes for a taxpayer, per year.

In addition, letters from numerous Hicksville school teachers have been received by the Museum, attesting to its great value to Hicksville education and to the community's cultural and social well-being. Among those educators writing the Board of Education in support of the Museum proposal are: retired District Supervisor of Science, Raymond Burckley, Benjamin Gitlin, former Science Department Chairman of the Junior High School, whose curriculum involved formal study of Earth Science; Science teachers David Bouton, Sid Gelb, Joseph Rayzak and Sylvia Gorlin; Senior School Librarian Janice Todt and such esteemed retired elementary teachers as Jane Spiselman and Elizabeth Pearce.

**A BICENTENNIAL MONUMENT:** Oyster Bay Town Supervisor Joseph Colby (third from right) and Town Councillman Thomas L. Clerk (second from right) preside over the dedication of the Hicksville Bicentennial Monument, donated by the Galileo Lodge No. 2253, Order Sons of Italy in America.

Also present for the ceremony were (left to right) Richard Evers, Stephen Didier, Millie Pino, Lodge Venerable Tony Pasquarrelle and Tony Previte.

## Galileo Lodge News

By Joe Lorenzo

It is sometimes said that an Italian FEAST is an event that is incongruous in point of time with its surroundings - that it is an anachronism. I visited the feast and with my own eyes I concluded that this was not the case at all. The visitors looked contented, happy and quite enchanted with what was taking place around them. It was something new to them, something different and certainly

what I said it would be - a blending of the old with the new. The rainbow-tinted lights exuded a carnival-like air. The smell of all those Italian delicacies made the senses roar. The games, rides, and the 'Las Vegas Tent' all provided for different forms of entertainment in their own special way. The grown-ups enjoyed the feast in their own adult-like ways and the children looked upon this activity as though it was something out of the Land of Enchantment. Such rides as the Whip, Slide, Magic Carpet and the old standby known as the Ferris Wheel performed delightful miracles for them, and it was quite pleasurable to see all those small but happy faces smudged with the various Italian delicacies that were being sold there. As I took a closer look at the rides mentioned above, so gayly and magically lighted up, for a minute I felt that the night sky was sprinkling the whole area with bright confetti.

The Las Vegas activity under the 'Big Tent' provided its own special kind of magic and entertainment. Some people are fascinated with games of chance and others are lured by the thrill of gambling. But it appears that most people are simply mesmerized by the tantalizing spins of the big wheels - the Color Wheel, Money Wheel, Big Nine, Chuck-a-Luck and Over and Under. With a slight stretch of the

imagination, all this activity appeared like a scene out of Nevada, only on a smaller scale. But the aura and magic of Las Vegas sessions are over prevalent.

It wouldn't be ridiculous to say that we all enjoy Italian feasts in our own special ways. The Italian feast is an activity that stems from another world and it is unusual in time and meaning. It is relaxation and it is fun. Although the Italian feast is ethnic in composition, it is for everyone - the young and old. Like any other activity, an Italian feast is only as successful as the ones who run it. Running it takes manpower - people who devote a good portion of their time and efforts. Thus, with this thought in mind, the Galileo Lodge organization wishes to take this most opportune time to extend to its membership (male and female) its most sincere thanks for another brilliant performance.

The Bicentennial Monument was dedicated on Memorial Day, May 30th. Many of the leading dignitaries of the Town of Oyster Bay and the Galileo Lodge were on hand to give an extra-added meaning to this memorable occasion. On hand were Joseph Colby, Town Supervisor; Ann Ocker, Town Clerk; Dorothy McGee of the Bicentennial Committee; Tom Clark, Councillman from Hicksville. From the Galileo Lodge those present were Tom Pasquarrelle, Venerable of the Galileo Lodge; Skip Monteforte, 2nd. Asst. Venerable; Tony Previte, 1st Asst. Venerable; Joe Giordano, Grand Trustee of the Galileo Lodge and the Grand Lodge of the Sons of Italy in America. Many members of the Bicentennial Committee distinguished themselves in the erection of this structure, but a good deal of praise and thanks should go to Mario Tucci, a member of this committee who did most of the construction work, with the aid of his fellow-committee members. If dedication is a sign of loyalty, then Mario Tucci is definitely not loyal and most dedicated to his organization. Tony Previte, the director of this project, wishes to thank everyone associated with the building of this monument, for without their aid and cooperation the Bicentennial structure would never have materialized.

Don't forget MAN (Member Appreciation Night) to be held on Friday June 8th. This is an activity that the Lodge offers to its membership for their loyalty, devotion and help, which is another way of saying that it 'picks up the Tab'.

**BLOOD PROGRAM:** In the top picture we see two members of the Galileo Lodge donating their blood, at the Lodge Blood Bank Program held in May.

In the lower picture we see various blood donors, enjoying a delicious meal served by two members of the Galileo Lodge, John and Joe Ianotti, who waited in the kitchen from noon to 9 pm.
