Board Appoints Asst. Superintendent For Secondary Schools

By Linda Strongin

Dr. Daniel Salmon was appointed Assistant Superintendent for Secondary Schools by the Hicksville Board of Education at a special meeting of the Board on Wednesday evening June 20. His salary will be \$43,000.

Dr. Salmon, whose appointment is effective July 2, is currently principal at Hillcrest High School in Queens, where he has served for the past eight years. Prior to that, Dr. Salmon was assistant director of the Bureau of Curriculum Research for the Board of Education in New York City.

Dr. Salmon began his educational career as a second

dary teacher of industrial arts, science, social studies, and mathematics.

Board Vice President Dan Arena and Trustee John Ayres arrived late, but voiced their approval of the selection.

The Board also authorized the sale of \$7,500,000 of tax anticipation notes at a total cost of \$405,450. The notes will be sold to the following banks, in the amounts listed: Bankers Trust, \$1,000,000 at 5.47% interest; Long Island Bank, \$1,000,000 at 5.34%; Long Island Bank, \$1,500,000 at 5.44%; National Bank of North America, \$500,000 at 5.34%; National Bank of North America, \$500,000 at 5.39%; National Bank

of North America \$1,000,000 at 5.43%, and Manufacturers Hanover \$2,000,000 at 5.39%.

The notes will mature on June 27, 1980. Twenty-one invitations were mailed and seven bids were received.

The proposed budget for debt service interest on the tax anticipation notes for 1979-80 is \$325,000. According to District Business Manager Richard Weigang the "interest rate is an average of 5.41%, just a few points higher than last year."

The next scheduled meeting of the Hicksville Board of Education is June 27, 8:15 p.m. in the conference room of the Administration Building.

Community Council Dinner

By Carole Wolf

On the first Thursday in June, 160 people gathered together to celebrate the end of the Council year. There were new officers installed by "Uncle" Frank Chlumsky and the Community and President's Award presented by the outgoing President, Carole Wolf.

Sitting and enjoying an enjoyable social evening were representatives from The Hicksville School Board, Dr. Wilbur Hawkins, Seaman and Eisenman, all the PTA's and the PTA Council, the Hicksville Chamber of Commerce, the Galileo Galilei Lodge, the Gregory Museum, Our Lady of Mercy, the Knights of Columbus, HAD, Rotary, the Hicksville Fire Department, Councilman and Corrine Clark, and the Hicksville American Soccer Club. Fr. Bernard McGrath gave an invocation and Fr. Chiannella gave the benediction.

Uncle Frank did an excellent

job, as usual, installing the new officers. He charged them with the duties of office and gave them some excellent advice to follow in their year in office. The new Officers of the 1979-1980 year of the Hicksville Community Council are as follows: President - John Budnick, First Vice-President - Steve Didier, Second Vice-President - Tom Clark, Third Vice-President - Cathy Steckler, Secretary - Al Peck and Treasurer - Jack Martin.

The Community Award was given to an organization that started with an idea, and now encompasses 1200 kids and provides them with an excellent outlet for their energies. Because Hicksville appreciates them and the Council appreciates all the work that they do, they presented the 1979 Community Award to the Hicksville American Soccer Club. Tony Camara, "Mr. Soccer" accepted the award for the Club.

The President's Award was given to a man who owned a business in Hicksville for 50 years, who is a 60 year member of the American Legion, who served many, many years in the Fire Department, who dedicated his life to service with Kiwanis, and who served 21 years on the School Board. When Henry Brengel Sr. accepted the award, he announced that he was more than surprised, "he was shocked." But it was a pleasant shock.

So the 1978-1979 year of the Council has ended. It has been a good year, with progress being made in many areas, including the New "Ad Hoc Committee for the Development of Hicksville." After a beautiful evening, everyone said their goodbys and said "See you in September."

Coming next week: Pictures and further details of the Council Dinner.

Presented With Pin

Mrs. Walter Osbahr, 32 Maglie Drive, Hicksville was presented with a 45 Year Girl Scout Membership Pin at the recent Nassau Council's Annual Meeting.

Helen originally registered as a Brownie and has been in every level of Scouting, serving as a Leader for over 26 years. During the 60's, she served as Hicksville's Neighborhood Chairman for a 5 year period. One year during that time, Hicksville had 53 Girl Scout Troops, 1326 Registered Brownies and Scouts and 206 Registered Adults. One well

remembered trip in 1967 was to the Montreal Expo. A busload of 36 girls and 5 adults spent a week in a Quebec camp and the memories and friendships have endured.

Mrs. Osbahr's work at Mid Island Council included: Trainer - Camp Services - Member of the Board of Directors - Chr. Council Nominating Committee Delegate to the GSUSA National Convention - Delegate to Region 1 Convention. In the early 60's, she was Coordinator for 2 National and 1 Regional Roundup. As Chairman of the Site Development Committee for Westdale

Farms, she felt that the building of this camp was most rewarding.

In 1969, Helen received the highest award given to an Adult Scout, the Thanks Badge.

The Osbahrs are a Scouting family. Helen's mother was an Active Scouter; her husband, Oz, is a registered Girl Scout and was Boy Scout Committee Chairman when their late son, Peter was a member of the Cub Pack and Troop 293; both daughters, Tracy and Margaret were Girl Scouts, and now Tracy's daughter Dana recently "bridged" from a Brownie to a Jr. Girl Scout in Northampton, Mass. A four generation Scouting family.

LIBRARY AWARDS: Graduating seniors Elise Le Vaillant and Cheryl Schaeffer received special awards for three years of outstanding voluntary work in the Hicksville High School Library. Another special award was given to Celine Le Vaillant, Elise's sister and member of the Class of '80.

Cheryl is in the center of the photo, flanked by her parents, Mr. and Mrs. Murray Schaeffer, and (l. to r.) teacher-librarians Ruth Hruska, Dorothy Hanrahan and Carl Danna and Principal Raymond Rusch. Elise and Celine were taking exams and were given their awards the following day.

UniTel Expands

UniTel Communications and Superior Communications have recently joined forces in an action to capture a larger share of the rapidly expanding business telephone market.

As a leading independent telephone company headquartered in Hauppauge, N.Y., UniTel Communications continues its aggressive action of planned growth by its total acquisition of Superior Communications. Included in the acquisition is the absorption of Superior's personnel in sales, operations, engineering, and administration. This additional expertise further supports the total facility growth plans of UniTel Communications when it moves into its new, larger

premises in Hauppauge this summer.

"Among other solid advantages, the acquisition adds hundreds of Superior's customers to the rapidly growing list of UniTel's thousands of customers such as the National Bank of North America, Burger King, Hub Truck, Adelphi University, Holiday Inn and Suffolk County Government facilities", says a company spokesman, who adds "our negotiations with other companies will continue."

UniTel Communications serves the New York Metropolitan area as well as all of Long Island in sales, installation and service of business telephone systems.

AIR TRAVELERS MEDAL CELEBRATED - during a recent visit at two aviation-related events at former Mitchell Field Air Force base, Hempstead by His Excellency, John R. McGann, Bishop of Rockville Centre Diocese. First, His Excellency celebrated a special Mass marking the 20th anniversary of the dedication of the Air Travelers Medal of Our Lady of Loretto, Patroness of Aviators and Air Travelers at Mitchell Field Chapel. The Mass was celebrated only half mile away from Roosevelt Field where Charles Lindbergh, 52 years ago, had taken off in the "Spirit of St. Louis" for Paris, in one of the greatest aviation adventures of the century. Later, Bishop McGann toured the Cradle of Aviation Museum, the newest facility of the Museum Division of the Nassau County Department of Recreation and Parks, in Hangar No. 3 at former Mitchell Field Air Force Base, which will open July 19th.

In front of a W.W.I. "Jenny", once owned by Charles Lindbergh in 1923 are (l. to r.): William P. Carolan, Grand Knight of Hempstead Council No. 1241; Knights of Columbus; Andrew Yelancy, Originator of Air Travelers Medal of Our Lady of Loretto; Abram C. Williams, Commissioner, Dept. of Recreation and Parks, Nassau County; Bishop McGann; George C. Dade, Director, Cradle of Aviation Museum; Hempstead Mayor Dalton R. Miller, Vice-Supreme Master of 11th Degree Knights of Columbus.

Swedish Midsummer Celebration

The fortieth annual Sweden Day, the traditional Midsummer festival, will be celebrated on June 23rd complete with dancing around the Maypole, delicious smorgasbord and a "Miss Sweden Day" contest to crown a lovely Swedish girl. Lindbergh Park, Dix Hills Road, Huntington, Long Island will be the scene for the all-day family celebration, with picnic tables and a program featuring Swedish music and colorfully-clad folk dancers.

Midsummer, the longest day of the year, is the highlight of the season in Sweden with celebrations throughout the whole country on that weekend. Swedes and Swedish-Americans in the greater New York area follow the tradition and invite everyone to join the fun. It is a wonderful opportunity to enjoy real Swedish food, watch or better yet join in the folk dancing, and cheer the parade of girls who

aspire to be "Miss Sweden Day", reigning for a year as the symbol of Swedishness around New York.

The "Man of the Year" for 1979 is Arvid Anderson, Chairman of the Office of Collective Bargaining for the City of New York. Each year a person of Swedish birth or descent is honored for outstanding contributions in either the American or Swedish-American society.

An art exhibition, participation games for children, Swedish gifts, books and records for sale are all part of the day's activities. A genuine Swedish smorgasbord, other delicacies like Swedish meatballs, even hamburgers and hotdogs are on sale all day and evening.

Buses run from Manhattan and Brooklyn to avoid any worries about gas shortages. For those who have the gas, the park is easy to reach from all Long Island parkways.

At Eisenhower Park

Clip And Save
A spectacular array of music, drama and dance will delight visitors to Eisenhower Park this Summer thanks to the efforts of the Nassau County Office of Cultural Development and the Department of Recreation and Parks. Admission to all events is free.

The Cultural office heads the array with Metropolitan Opera's production of Verdi's "Aida" on Saturday, June 23 at 8 p.m. in the Meadows, parking field No. 5 to be followed by a series of Sunday evening presentations of classical and lighter music and dance beginning July 1 and continuing through August 25. All Sunday evening performances being at 8:30 p.m. at Lakeside Theatre.

"Aida" as well as the New York City Opera Company's production of Donizetti's "Daughter of the Regiment," on Saturday, August 25 at Lakeside Theatre at 8 p.m. have been made possible through a grant from the New York State Council in the Arts.

The Nassau County Department of Recreation and Parks

has once again lined up its very popular series of Ethnic Nights co-sponsored by the European-American Bank at Lakeside Theatre on Monday nights at 8 p.m. beginning July 9 with Polish Night and continuing as follows: July 16, German Night; July 23, Israeli Night; July 30, Italian Night; August 6, Irish Night; August 13, Hispanic Night; August 20, Ukrainian Night and winding up with Greek Night on August 27. An added attraction with an ethnic flavor this Summer will be instruction in Israeli Folk Dancing on successive Tuesdays at 7:30 p.m. at the Eisenhower Park Roller Rink. The program begins July 10 and runs through August 21.

A new innovation this season at the Lakeside Theatre will be the staging of two full-scale musical productions on Saturday nights beginning at 8:30 p.m. "Fiddler on the Roof" will be presented on July 14, 21 and 28. "The Fantasticks" will be performed on August 4, 11 and 18.

For more information on these and other programs at Nassau County Parks, call 486-4455.

Resource Recovery "Report Card"

Hempstead Town Presiding Supervisor Al D'Amato, terming the Hempstead Resources Recovery Facility at Mitchell Field "a qualified success", today issued an interim report which gave the plant high marks for overall performance but at the same time put the operators on notice to resolve a lingering problem affecting the neighboring community.

"There is no question that resource recovery is proving itself to be both an economically and environmentally sound alternative to costly and polluting landfill," D'Amato stated, "but despite the obvious accomplishments we are still concerned about a major odor problem at the plant that has yet to be rectified."

D'Amato indicated that since the \$90-million privately financed plant began operation in October, 1978, it has processed more than 176,000 tons of garbage. The plant is currently salvaging steel and aluminum and is producing electric power from an average of 8500 tons of garbage a week.

"What we are talking about is a six foot high, 33-acre mountain of garbage which would have been buried in Town landfills in Oceanside and Merrick," D'Amato exclaimed, "instead those sites are 80 per cent closed."

D'Amato indicated that the plant has produced 69,300,000 kilowatts of electric power, or enough to supply electricity to 11,000 Hempstead Town homes for one year.

"This plant becomes even more important in light of the oil supply crisis," D'Amato explained, "by burning garbage to make electricity we have saved over 7,700,000 gallons of oil that would have gone to power Long Island Lighting Company generators."

In addition, D'Amato said that the operation of the facility has led to the closing, or anticipated closing, of several municipal incinerators which were in substantial violation of federal and state air emission standards.

"The incinerators in Garden City, Inwood, Freeport and Long Beach are closed and Valley Stream's will be closing shortly," D'Amato added. "These five plants produced six times the amount of emissions while handling one-quarter of the amount of solid waste of this plant."

D'Amato noted that the Hempstead Resources Recovery Facility just recently passed stringent emission tests conducted as part of the plant's certification procedure and that the plant's sophisticated electrostatic precipitators brought the

level of emissions well within the tough guidelines set by federal and state agencies.

"Despite these achievements, we are still very much concerned with a major problem of unpleasant odors emanating from the plant," D'Amato emphasized, "and are not satisfied with the speed at which the operator is tackling the problem."

D'Amato indicated that he is serving notice on Parsons & Whittemore, the operators of the facility, that he has called for a "day-to-day monitoring" of the odor problem by the Town and its consulting engineers, Baldwin and Cornelius.

"I have asked Sanitation Commissioner William Landman to supervise this program and to report to me personally," D'Amato continued, "I want to be fully aware of the progress being made in curtailing the odors," D'Amato backed up his personal concern with an ultimatum to Parsons & Whittemore that unless steady progress is made toward a solution he would order a halt in the delivery of garbage to the plant, effectively shutting it down.

"I would most reluctantly take this action," D'Amato concluded, "and only as a method to speed a solution to the problem while protecting the quality of life of the neighboring community."

LILCO Plans For Low Cost Electric Energy

Fifty Long Island homeowners will keep their cool during the hot summer months by using low cost OFF-PEAK electric energy to run their air conditioners. These homeowners will have cool storage systems installed in their homes at no cost as part of a two-year energy storage demonstration program sponsored by the Long Island Lighting Company, the U.S. Department of Energy and the Empire State Electric Energy Research Corporation.

LILCO electric residential customers who already have central air conditioning in their homes are eligible for the program. Those selected will have cool storage systems installed and hooked up to their existing central air conditioning system. The storage systems are designed to use electricity to freeze water primarily between midnight and 7 a.m. These are the hours when the demand for electricity is lowest on LILCO's system and the cost of producing it is the lowest. Transferring the demand for air conditioning from the late afternoon peak hours to off-peak periods, will help to lessen the need for additional generating capacity on LILCO's system in future years.

Ice is manufactured overnight in the storage system's 50 x 52-inch tank placed outside of the house next to the air conditioner compressor. Liquid coolant will

be chilled by the ice as it circulates through this 800 gallon tank to the existing air conditioning system as it is needed. In this experiment, if the amount of ice produced at off-peak hours is not enough to provide adequate cooling, the air conditioning compressor unit will be automatically activated to provide cooling in a conventional manner.

As part of the program, LILCO will experiment with turning the freezing units on and off at different times by means of remote radio control. The purpose of this is to determine what are the best times for using the cooling unit and how the use of the systems will affect LILCO's load.

LILCO will guarantee the homeowner who participates in the program that the operating costs of the new storage unit will not exceed the cost of operating his present air conditioning system. This will be done by estimating the operating cost of the existing conventional system and comparing it to the air conditioning usage cost measured during the demonstration period. If the operating costs of the storage units are below those of a conventional system, the customer will, of course, keep the savings. In addition, LILCO will maintain the customer's air conditioning systems during the program.

As part of the two-year program, LILCO will measure

the performance of the cool storage systems, utilizing sophisticated monitoring equipment installed in the homes. This monitoring equipment will be removed at the end of the program. A control group of 35 homes with standard central air conditioning systems will also be monitored closely in order to compare the relative effectiveness of the cool storage systems. Customers who agree to serve in the control group will receive a \$50 gift certificate for allowing the installation and use of monitoring equipment in their homes.

The cool storage systems will be installed free of charge. At the end of the program, the homeowners will have the option of purchasing the units at a substantially reduced price of \$500 or having them removed and their existing systems reconnected at no charge. The installed units normally cost about \$4,000.

There are requirements for homes in which the cool storage units are to be installed. They must have existing three to five ton central air conditioning systems and be occupied by average size families. Individuals interested in participating in the cool storage demonstration program may call 228-2364 for further information. LILCO employees are not eligible to participate in the new program.

US Army Showcase

area of decoy work.

The demonstration, at 3:30 p.m. at Ballfield "A" near parking fields 1 thru 4, is part of a salute to the Army called "U.S. Army Showcase," sponsored by the Nassau County Department of Recreation and Parks.

The day will also include sky diving demonstrations by the Army's precision Sport Parachute Club from Lakehurst, N.J. The team will jump at 11:30 a.m. and again at 5:30 p.m. from heights of 6,000, 7,500 and 10,000 feet, landing in Ballfield "A".

At 1:30 p.m., a helicopter will

hover 100 feet over the ballfield, ropes will be lowered, and a team of Green Berets will descend to the field for a demonstration in airborne repelling, hand-to-hand combat and survival techniques.

Also on the agenda is a weaponry and vehicle display, a 6-mile mini-marathon, a dental clinic, a medical unit demonstration, movies, a culinary display, and concerts by the Army Jazz Band and the Field House at 4:30 p.m. and by the U.S. Army Field Band and Soldiers' Chorus beginning 8:30 p.m. at Lakeside Theatre.

Dear Friends ...

This is the time each year that we congratulate all our time graduates.

We wish them all the very best. We hope that they continue to aim high and remember the old saying, "when one door closes it is certain that another will open."

We hope that all your future Doors will open to bigger and better goals. God bless you.

SHEILA NOETH

P. S. As well as graduations, there were many events this week...so many that the details of some and the pictures, will, of necessity, have to be carried in next week's HERALD.

For example in next week's issue we hope to have the Honors and Awards given out at our graduations.

I wish to thank the Joseph Barry Council Knights of Columbus for the honor they accorded me in awarding me the Community Service Award for the year 1979. It was a beautiful ceremony held on Tuesday evening at which time many other awards were given out. More details and pictures, next week.

SHEILA

Peter Flynn of Pack 293 is shown above with Father James Brassil (formerly of Our Lady of Mercy Parish) after being presented with the Parvuli Dei (little children of God) religious award for Catholic cub scouts. Peter has been a busy cub this year; he also won first prize for his recruitment poster at the Sasquatch District Roundtable on June 12th.

Pack 293 News

Pack 293 has wound down its activities for the current year. Many boys advanced in rank and awards were plentiful at the June 7th Pack Night gathering. Eight boys climbed higher on the scouting ladder. Eugene Reilly, Peter Flynn, and Terence Shanley became Webelos. Michael Maier and Todd Eger became Bear scouts, and Paul Hammond, Michael Petrocchi and Charles Blaha graduated from the rank of Webelos to the Boy Scouts with Troop 293. These boys as well as Mark Villazon, Michael Wozniak and Bobby McCraw earned many badges, arrows and activity awards to top the year off proudly for Pack 293.

The Pack thanks its active parents manning committee posts. Special thanks go to outgoing committee members Ken and Louise Hammond, Mike and Diane Petrocelli and Jean Blaha for their service to the Pack and its program.

Pack 293 has an active program of activities for boys between the ages of 8 and 11 and is recruiting boys and parent volunteers. The pack meetings, which will resume in September, are held at United Methodist Church at Nelson Avenue and Old Country Road in Hicksville. For information about joining the Pack, contact Cubmaster Wes Villazon (433-3742) or Chairman Gerry Flynn (822-7734).

Letters To The Editor

Dear Sheila

It was 35 years ago this month of May that Trinity Lutheran School was founded.

The Rev. Edward H. Stammel had played a very vital role in bringing Trinity Lutheran School and Long Island Lutheran High in being.

I would like to share with the readers of "Mid Island Herald" our home town paper, a thought poem I wrote in honor of Pastor Stammel, that was to be read at the Trinity School 25th Anniversary dinner May 20th 1979.

(Orchids To The Living)
Tribute

If you have never met Pastor Stammel, that's a pleasure you've missed. I'm sure his heart throbs not for himself alone, but for every living soul.

I will always remember when he first came to us, to Trinity, the church of more than a hundred years. Mud pouts were biting, tree buds were thickening, and our voices arose in pure words of praise to God in the highest for our joy at his coming to us. I will always remember his words of wisdom, as days of pain and pleasure come and go.

Life is a mixture of sunshine and showers. With happy hearts and minds and beaming faces we must cast a glance from within upon the sunny skies of each tomorrow. A lesson well taught by Pastor Stammel to boundless people as they traveled heavenward on the road of life.

Gods blessings on both,
Trinity and Pastor Stammel.

Sincerely
Ruth Walter

I would like to respond to the special issue of the "Bulletin Board" relative to Strand III, Sex Education.

First of all it quotes the U.S. Catholic Conference as favoring sex education in the public schools. This is a half truth. The Interfaith Statement actually included the following additional language: "Such education should strive to create understanding and conviction that decisions about sexual behavior must be based on moral and

ethical values as well as on considerations of physical and emotional health, fear, pleasure, practical consequences or concepts of personality development. The sexual development and behavior of each individual cannot take place in a vacuum but are instead related to other aspects of his life and to his moral, ethical and religious codes."

Ten years later in the spring of 1978 before a U.S. Congressional committee, Msgr. James T. McHugh who had signed the statement on behalf of the U.S. Catholic Conference, recanted, saying that neither the government nor public schools are appropriate vehicles for imparting sex education. He stated that the guidelines for this cooperation "have been largely ignored by overzealous educators whose ill-planned efforts have virtually convinced me that the public schools of this nation are unlikely, if not inherently unable to establish good programs."

He explained that the public schools have reflected "a utilitarian philosophy (give contraceptive information to cut down on out of wedlock pregnancy) while refusing to acknowledge moral principles (we can't teach religion in public schools)". But he said that sexual responsibility must be grounded in moral principles and no amount of "information" or "sexual counseling" can substitute for moral conviction.

More to the point in Hicksville, Vatican II in its Declaration of Religious Freedom, said: "...the rights of parents are violated, if their children are forced to attend lessons or instructions which are not in agreement with their religious beliefs."

Secondly, it is stated that at least two-thirds of the Strand III curriculum is required by law. This is questionable at best, and may have to be decided in the courts.

The original law, Chapter 787 of the 1967 Regular Session made the teaching of mental and emotional health mandatory. Immediately this was interpreted by some to mean sex education. Because of the furor raised, the law was changed in 1969, under Chapter 932. Among other provisions, the words "mental and emotional health" were specifically stricken from the Act. In March 1978 the Commissioner of Education issued Regulations requiring "health education" programs for all pupils. It is the definition of health education that is in contention. If it does not include mental health, then it is not mandated by the Commissioner. If it does include mental health, then one must ask where the Commissioner obtained his authority to do so, in view of the fact that "mental and emotional health" were specifically deleted from the law.

More fundamental, however, is the question of the effectiveness of sex education. According to Walter Gunn, research and evaluation chief for the government Center for Disease Control in Atlanta, "There have been some scientific evaluations of sex education programs, but none that have held any water."

Likewise, Dr. Lester Kirkendall, former SIECUS board member has said: "Most people have the vague hope that if (sex education) will somehow cure half the world's ills - reduce casual sex experiences, cut down on illegitimate births, eliminate venereal disease. To be perfectly blunt about it, we have no way of knowing that sex education will solve any problems."

And finally Dr. Isadore Rubin, another former SIECUS board member: "For the community to ask the sex educator to take on the responsibility of cutting down

on illegitimacy or on venereal disease is to ask him to undertake a task that is foredoomed to failure."

In view of comments like these, why should Hicksville be considering sex education in its public schools?

Doug Harknett
Hicksville

To The Editor:

Once again, an attempt is being made to initiate a Sex Education program into our elementary public schools in Hicksville. The revised curriculum has taken out a few objectionable paragraphs, yet remains basically unchanged. Though new references have been added, it lists as its first teachers reference, the New York State Mental Health Strand III Curriculum, from which the first proposed curriculum was taken. So the teachers need only refer back to this reference to once again have access to those materials taken out.

Aside from this, we want to make it clear that we are not objecting to a particular curriculum, but to Sex Education programs in general. We do not feel they belong in our public school systems. Our reasons are many, but we would like to quote a resolution written by the Association of American Physicians and Surgeons in 1968. We feel it still today applies to our situation and expresses more adequately than we, why we object to the Sex Education program.

"Whereas, the role of sex has been greatly overemphasized of recent years and the overemphasis is continuing,

"Whereas sexual perversion, premarital sexual intercourse and extra-marital sexual intercourse are being presented as permissible in a modern progressive society and,

"Whereas, there is a national movement principally promoted by SIECUS to introduce instruction in sexual technique and Family Living in all grades of the schools without accompanying moral or religious instruction,

"Whereas such premature and improper instruction can harm young people irreparably and permanently and thereby weaken the family and the nation and

"Whereas, it is immoral and unwise to separate sexual conduct from moral concepts, which are properly within the jurisdiction of the family and,

"Whereas, compulsory education in sexual permissiveness in Sweden has caused medical leaders there to deplore the results and,

"Whereas, it is a matter of serious concern to society when technical sexual information is prepared and presented in such a manner as to appeal to the prurient interests of people in conflict with moral order as embodied in Judeo-Christian ethics.

"Therefore, Be it Resolved that the House of Delegates of the Association of American Physicians and Surgeons, opposes incorporation of instruction in sexual technique and 'Family Living' into the schools of the nations."

Need we say more. For all of the above reasons, and numerous more, we petition the Hicksville School Board to reject the Mental Health Strand III Curriculum for our public schools.

PROFIT

WITH A WISE DECISION

Operating a business involves a lot of hard work and business know-how, especially with today's inflation . . . that means taking a closer look at rising overhead costs . . . like spiraling utility bills.

One sure-fire way to reduce your costs and improve your profit is to eliminate (once and for all!) your high telephone equipment rental cost and the local, State and Federal-excise taxes which go along with it — month after month, after month.

. . . and that's not all! You can take advantage of A substantial tax credit when you buy your own telephone system with further cost-saving, feature-benefits that you probably never knew existed.

In most cases, when you purchase your new telephone system using our convenient payment plan, it will cost you less per month than you are now paying.

As thousands of wise UniTel customers have done, shouldn't you *DECIDE* to do something nice for YOUR P & L statement?

SPECIAL PROGRAM: The Hicksville Rotary Club members were presented with a special program by Rotarian Paul Martin last week at the Maine Maid Inn. Mr. Martin, who is a public relations official of the New York Telephone Company, explained their fund raising efforts to send American Athletes to the Olympics in 1980.

Circus Time At Willet

June is Kindergarten Circus Time at Willet Avenue School, Hicksville. At this annual event every student participates in costume under the supervision of teacher Geraldine Landgarten. There are animals, acrobats, jugglers, clowns, and the strong man, and a variety of other acts.

A special performance is always given for the pre-schoolers who will be in next year's kindergarten class. This is always interesting as it shows, by contrast, just how much the students learn and how they mature in kindergarten. This maturity was particularly apparent this year when Mrs. Landgarten was ill and the students performed like real troupers under the guidance of substitute teacher Barbara Simon.

RIF Program

Lee Ave. PTA and teachers believe that children need more than simply the skills to read -- they need the motivation. In an attempt to achieve this and with the first distribution of books to the students on May 25, Lee Ave. School became one of the first schools in Nassau to participate in the Federal Government's "Reading Is Fundamental" program. Through PTA funding (with matching funds from the Federal Government), and through the efforts of Mr. Mateer, the principal; teachers and parents, Lee Ave. has been a busy scene these past few weeks with the focus on reading for pleasure and entertainment. Authors, lecturers and speakers such as Dr. Leland Jacobs, noted reading professor from Columbia University and Ms. Isabelle Holland, author, and Mrs. Bernice Meyers, author, have visited with the students to encourage and motivate them to the advantages of reading.

The program has been very well received by the students who were extremely enthusiastic about picking out a book of their choice, which they will be allowed to keep for their own.

Juergen Weferling, of Forest Drive in Plainview, was recently named outstanding representative of the month by the Aid Association for Lutherans.

Mr. Weferling, the District Representative for this area, has been affiliated for five years with the Hans Schrader Agency which covers Long Island.

Aid Association for Lutherans is a fraternal benevolence and insurance society dedicated to helping Lutherans to help themselves and others.

GARY GOLDBERG of 8 Belmont Place, Hicksville, has received a B.A. degree, Cum Laude, from YALE UNIVERSITY where he majored in Molecular Biophysics and Biochemistry. He graduated from Hicksville High School in 1975. In September he will begin his studies towards a medical career.

He is the son of Louise and Marvin Goldberg, former president of the Hicksville School Board.

The Reverend John H. Krahn, pastor of Trinity Lutheran Church, 40 West Nicholas Street in Hicksville, recently received a Doctorate of Ministry from New York Theological Seminary. Dr. Krahn has published sermons and much devotional writing and is the founding editor of MINISTRY IDEA BANK, a professional newsletter received by 3000 clergy. He also writes a bimonthly column for the Mid-Island Herald entitled, "Devotions."

4H News

On May 11th, at Levittown Hall, the Mid-Island 4-H Council ran a Disco Party for all 4-Hers and their friends. It was a fantastic success. The three DJ's were excellent, and the parents of the children of Hicksville should be proud of how well the children behaved and responded to the directions of the three DJ's Erica, Marge and Bob.

Friday, June 1st, Old Country Road Elementary School held its first Grandparents Day. To everyone's delight the turnout was over and beyond what was expected.

Each grandparent was greeted at the door by one of our young hostesses and given a carnation to wear. They were then directed to the school cafeteria where the Old Country Road PTA hosted the grandparents with a delicious assortment of cakes, coffee, tea and punch.

A program was held in the Gym where grandparents were entertained by our school band & orchestra. Adding to the festivities was the awarding of certificates recognizing a variety of categories pertaining to grandparents, such as, oldest, youngest, longest married, traveled farthest, most grandchildren, etc.

The high point of the morning was when the grandchildren greeted their grandparents and escorted them back to the classrooms.

It was a very exhilarating and exciting morning for all concerned. Pictured above are Grandparents with Mr. Penque, Principal

At St. Stephen's

St. Stephen's Lutheran Church, 270 Broadway, Hicksville, invites you to worship this summer at the following times:

Thursdays, beginning on June 28, at 8:00 p.m.

Sundays, beginning July 1 at 9:30 a.m.

Do come. The need for God's blessing never takes a holiday.

Graduates

Elizabeth Ann Voorhies, daughter of Mr. and Mrs. Mel Voorhies of HICKSVILLE, graduated from Mt. Vernon Hospital School of Nursing on May 31. She received a partial scholarship to continue her education.

At Holy Trinity Episcopal

The Hicksville community is invited to a unique musical performance. On Sunday morning, June 24, at the 10 A.M. Eucharist, the Singing Boys of Long Island, under the direction of Mr. Gerald Barker, will present Giovanni Pierluigi da Palestrina's renowned Missa Brevis at Holy Trinity Episcopal Church, Hicksville, located at the corner of Old Country Road and Jerusalem Avenue. The Singing Boys have merited all the praise that comes their way for their fine singing, both in Long Island and throughout New York State as well as in Europe.

On Saturday, June 29, The Singing Boys will sail to Italy for a three week singing tour. They will perform at the Cathedrals in

Milan, Florence and Venice, as well as in St. Peter's Church, Rome, where they are scheduled for an audience with Pope Paul II. This is the Singing Boys' second trip to Italy and their eighth trip to Europe.

Mr. Barker has proved himself expert coach and music director. His passion for music and for the training of male voices in choral work caused him to extend his efforts as music teacher in the Hicksville School District to the development of this choral group several years ago.

Their achievements are many, including their singing at Long Island Colleges and Universities, Rockefeller Centre and St. Patrick's Cathedral in New York City.

On June 13, Ewald Ins. beat Stewart's Supplies by a score of 8-3. On the mound excellent pitching performances were given by Brandon Collier and Tommy Ryan. Mike McCarthy and Tommy Ryan did a fine job of hitting at the plate. In the field, Peter Osback, Warren Ewald and Mike McCarthy did fine jobs. Ewald Ins. lost to M.I.R. 14 to 4. Collecting the hits for Ewald were Tommy Ryan, Brandon Collier and Warren Ewald. Mike McCarthy and Brandon Collier made excellent plays in the field.

"AA" Division

On June 14, BPOE romped away Petroleum 11-2. On a combined pitching performance by Russell Losito to Ronald Caputo they allowed only two runs on 4 hits while striking out 11 batters. Ronald Caputo had three RBI's with 3 hits including a home run. Anthony Giacco, Russell Losito and Chop Clark had 2 RBI's each and Ricky Auffant had an RBI each. Great plays in the field were made by Ronald Caputo and Dieter Bloem. Gilson Knitwear beat IHOP by a score of 6 to 3. Good pitching performances were turned in by Steve Corrado and Sue Roman. At the plate, John Muret, Matt Knapp, Steve Corrado all had RBI's. Robert Sotting went 2 for 1. Mike Kiernan reached base 3 times. Billy Neway tripled and scored. Rui Fungundo and Tricia Schraded walked and scored. Good fielding plays were made by Matt Knapp, Robert Sotting, Sue Roman, Mike Kiernan and Steve Corrado. Pitching good for IHOP were Jimmy Reardon and Mike Grossman. The hitting was led by Jude Renneisen who had a home run. Anthony Giarraputo who had his first hit, and Matt Schaefer who went 2 for 2. Good field was given by Jude Renneisen and Gregg Greenberg.

Major League

The combined pitching of John Murphy and Bobby Russo, who struck out 12, led Goldman Bros. to a 7 to 6 victory over Robert Chevrolet, which was their 7th straight win without a loss. John Murphy had the big stick for Goldman Bros. with 2 doubles. Bobby Russo also ripped Robert Chevrolet pitching for a double and Dom Martello and Brian Mirsky each had key hits. Goldman Bros. and Robert Chevrolet met again last week and Goldman Bros. again came out ahead, with a 4-2 win.

John Murphy went the distance for Goldman's allowing only 1 hit, for their first win of the 2nd half. At the plate, John Murphy and Andy Manganello each had 2 hits and Bobby Russo, Dom Martello and Vincent Yanez each had a hit.

Special congratulations go to the entire Goldman Bros. team, managed by Ralph Russo and Dom Martello, for their title of First Half Champions, with a 7 and 3 record.

Minor League

These past few weeks the DaCosta Auto team has come on strong, chalking up victories over Circle Texaco, Sands Textile, VFW and Jamaica Ash.

In their 5-3 win over Circle Texaco, Mike Hogan pitched the whole game for the win. He allowed only 3 runs on 6 hits and struck out 10.

At the plate, Jack Auffant and Mike Hogan both had doubles and Tommy Goettelman, Joey DiLegame, Anthony Losito and

Steve Huttner all had R.B.I.'s.

In DaCosta Auto's 21-5 romp over Sands Textile, Brian Mitkowitz and Jack Auffant were the winning pitchers. They allowed only 4 hits and struck out 7.

Jack Auffant had the big stick for DaCosta Auto, knocking in 4 runs, and Joey DiLegame helped out by knocking in 3 runs. Also contributing with hits were Mike Hogan, Tommy Goettelman, Brian Mitkowsky, Tony Labrador, Steve Huttner, Brian Otten and Timmy DaCosta.

The whole DaCosta team played great defense. Sparkling plays were turned in by Brian Mitkowitz, Timmy DaCosta, and Steve Huttner.

In another DaCosta win, the team defeated VFW 12 to 7. Michael Hogan pitched superb striking out 8 and allowing only 6 hits.

Offensively for DaCosta Auto, Brian Otten went 3 for 3 and had 3 RBI's, Brian Mitkowitz went 2 for

3 with 4 RBI's and Tommy Goettelman went 2 for 3. Paul Fox and Joey DiLegame each drove in 2 runs and Timmy DaCosta had a basehit.

The whole team played solid in the field, with Mike Hogan, Timmy DaCosta, Brian Otten and Jack Auffant leading the way.

And, in DaCosta Auto's 4th win during this 2 week period, they shattered Jamaica Ash 18 to 9.

Mike Hogan was the starting pitcher and went 3 innings to chalk up 3 strike outs. Jack Auffant came in to relieve and pitched well, he struck out 5 batters.

Leading the 18 run hitting attack was Tony Labrador who went 3 for 4, he had 5 RBI's in the first inning and a triple and a double in the first inning, and ended up with a total of 8 RBI's. Also contributing were Brian Otten and Steve Huttner who had 4 RBI's.

In other action, Marder Shell defeated DaCosta Auto 12 to 7.

The winning pitcher was Patsy Muscarella, who pitched a beautiful game.

Ray Jurgenson and Mike

McLaughlin each had a perfect night at the plate combining to drive in 5 runs.

Dennis Kennefick, playing first base for Marder Shell made the fielding play of the game when he backhanded a sharply hit line drive and stepped on first for an unassisted double play. Mike Lloyd also played well in the field for Marder Shell.

Pitching for DaCosta Auto was Brian Mitkowitz. Although losing, he pitched well.

Jack Auffant went 3 for 4 at the plate with a 2 run homer. Also chipping in with hits were Steve Huttner, Brian Otten, Tommy Goettelman, Timmy DaCosta and Paul Fox.

In another minor league game Jamaica Ash clobbered VFW 10 to 3.

Steve Colaio pitched terrific, allowing only 3 hits.

For Jamaica Ash Scott Gurber drove in 3 runs including a one-run homerun and Donald Skupinsky also had a one-run homer. Mike Martello also had a keen bat driving in 2 runs with a

Cantor Carpet	1-6

There is a tight race in this league. Their seasonal play ends next week with tournament to follow. For Meenan Oil who have a few stars which deserve without a doubt recognition over due them. Jill Gaglio has had a sensational season batting over .900 with 2 home runs, three doubles, three triples, and twenty-three RBI. Jean Hugues with a smoking bat and Maria Moore has had very aggressive base running. Your terrific — keep up the good work.

The Whales defeated the Hawks 13-9 to tie them for 1st place with the Bass. San Tosh

John had 1 hit. Timothy Andrew hit 3 for 4, and Chris Shearer hit 4 for 4 including a home run. For the Hawks, Ed Mancuso went 3 for 3 and Andrew Gaynor had 2 RBI's. John Yanch and Donald Dealy played well on defense.

The Lobsters defeated the Whales 15-5. Hitting was supplied by Jason Dugan who went 3 for 4, Steve Pine 3 for 3, Ryan Lewis 3 for 3, and Larry Pascella who also went 3 for 3. Stephen Thayer played excellent defense in the field. For the Whales, hitting 3 for 3 were Timmy Andrew, Billy Schwarz, and Chris Horvath. Chris Horvath had a well hit triple also.

The Pigeons defeated the Hawks 11-3. Pat Walsh and Brian McGibbon each had 4 hits for the Pigeons. Jimmy Collins played excellent defense in the field.

The Cardinals remained undefeated by defeating the Bass 16-15. Joe Toner, Tom Fallarino, and Kevin Morrisroe all hit home runs. Kevin Morrisroe was responsible for scoring the winning run. For the Bass, good fielding and hitting was supplied

by John Schneider, Roger Ellinger, and Jimmy Schinnick. Hitting was also supplied by Phillip Anglin, Tim Cleary, John Johnson, and Richie Hutchinson.

The Jaybirds defeated the Sharks 10-9. Excellent defense was supplied by Kevin Coen and David D'Introno. John Guittari had a 3 run homer and Chris Moore hit a 2 run homer. Harold Moore was responsible for driving in the winning run. For the Sharks, Ray Pilot had a double and Paul Mannellino had 3 hits and a triple.

The Robins defeated the Whales 20-17. Paul Royle had a hot bat with 5 hits and a grand slam home run. Mike Boord and Chris Kanuck had 4 hits each. Timothy Andrew and Chris Shearer each had 4 hits for the Whales. Timothy Andrew also made 2 fine defensive plays in the field.

GENERAL NEWS

With only a few make-up and Cup games to go, the traveling teams have now played 320 games and have won 196, lost 84 and tied 40, have boosted their winning percentage to a very admirable 61%. There are still several results to be reported but it certainly looks as though the Club will finish the year breaking the 200 win mark.

League Championships were won by: John Fabrizio and his under 8 Cardinals, John Harris and his under 10 Rangers, Jack

McCann and his Big Red under 11 boys and Joe Neto's Thunderbirds - also under 11. While final standings are still being tabulated, there are also a couple of second place finishes. There's no cigar and second best always hurts most but it's still not a bad place to be for Steve Florio and his under 12 Red Express, Pat McHugh and his under 14 Rovers and, as reported last week, Steve Gourlay and his under 14 Settlers. Congratulations to all the boys and girls and their coaches on a very successful season. Other results to follow.

the ball passed the Dix Hills goalie. Left wing Rich McCarthy's play without the ball had much to do with stymying the "Mustang" defense.

The "Grenadiers" had two markers denied for off side violations late in the game. Both being hairline calls. Midfielders Craig Carson and Rich Chakrin teamed up to pressure the visitors attempts to take the ball at the home team goal. Dix Hills had just one good shot on goal in the second half. That was stopped on a diving save by Tim D'Antonio. His clearing boot went to half back Tim Richards. Richards swept the ball upfield ending the threat.

THROW INS: Thanks from all to coaches Tony Schiralli and Mike Kanuck. Special thought goes to Tony. It's terrific to see a person run a team of 9 year olds showing them how to win and also letting them have fun like 9 year olds should. This attitude led the team to a (unfilled) record of 3 wins, 5 losses and 2 ties. The "Grenadiers" will play in the N. Babylon International tournament the weekend of July 1st.

P.S. Thanks also to Jack Carson for doing such a super reporting job.

Thunderbirds

By Joe Neto

BOYS "C"
The Hicksville "Grenadiers" ended their season with a 1 to 1 tie against the visiting Dix Hills "Mustangs".

Dix Hills scored first early in the initial half. The "Mustangs" speedy front line was beaten back twice by the tough fullback line of James Panchookian, Mike Conway and Anthony DeRosa. On a third try, the guest team crossed the field for a test at the "soldiers" right side. They beat home team net tender Tim D'Antonio on a shot into the corner from 25 feet out.

Hicksville tallied at the five minute mark of the second half. Inside men Jean Claude Balek and Chris Kanuck took the ball downfield with a few nifty give and go moves. Kanuck looped a pass to the classy right wing Anthony Schiralli who crashed

The fullback line of Darren DiFlorio, Michael Ayres and Martin Jaycard did a great job on defense. Goalkeeper Richard Markey had a relatively easy day at goal as they shutout Sachem 5-0. The scoring was highlighted by Michael Pryves who scored goals in each half. Joey Neto, Joey Doherty and David Kanuck. Halfbacks Andrew Horne, Chris Dolan and Brian McKenna did a super job controlling the play at mid-field.

This makes the Thunderbirds 8-0-1. If all goes well next week against South Huntington, the Thunderbirds will be the league champs.

WIN ONE, LOSE ONE

The "under 14" Rovers split two games this past week and have one league game left to finish their spring season. The first match was a league game against the Massapequa Cosmos, and the boys had a score to settle having been knocked off by the Cosmos at the Hicksville Indoor Tournament this past winter. Massapequa scored first early in the game & the Rovers had to play catch-up soccer. This has happened before as it sometimes takes Hicksville a good 10 minutes to warm up and into the game. Mid-way through the first half, Hicksville scored and it was tied at one at the intermission. The Rovers put it all together and played a strong second half, scored twice and defeated the Cosmos 3-1.

In the second match, Hicksville met league-leading North Babylon in a Long Island Cup game and were defeated 5-2. The boys played badly in the first half and gave up 3 unanswered goals, the most in any half this season. Finally playing good soccer in the second half, they played the Patriots even but it was too late as goals scored in both halves decide the final result.

The team is sponsored by the Plainview Burger King and coached by Pat McHugh & John Mitchell and has to meet North Babylon again in their final

of the Long Island Cup. From the first Big Red dominated the game and never let up. They kept up the pressure after the first goal right through to the end. Beautiful teamwork in passing and control gave S. Hertz a goal with an assist by D. Weinberg. D. Donsky scored on a direct kick from 20 yards out that was a super shot. At the end of the first half Hicksville was ahead 2-0. On a corner, A. Brill headed a beauty to P. Christiano who scored for the third goal. Commack managed to get down field again and gave goalkeeper G. Tyranski some action. However the defense R. Humann, R. Youngs and L. Mejia pushed the ball up

the right wing where M. McCann set up the ball for P. Ziembicki to score. C. Bentley passed to S. Hertz for his 2nd goal in the game, and the efforts of M. Baccalola on left wing and D. Messimmo at center with all their teammates made this a super game.

This team now has to meet Deer Park in the final round of the Long Island Cup to determine the winner. Good Luck to the boys and to the coaches J. McCann and V. Christiano who together have worked very hard to get this far.

CARDINALS Boys U-8
Last Saturday, the "Cardinals" sponsored by Barsentone Productions, Inc.) played Sachem, in a tough physical game, in the semi-finals, of the Long Island Cup Competition.

The first half score was nil due to find defensive work of Chris Shearer net tender, Eric Bentley, Brian Hoesten and Willie Sneedon in the full-back positions and Bobby Himmel, John Fabrizio, Brian Finnell, John Schneider and Brian Sacks in the mid-field. Both teams were able to mount attacks but were stopped time and time again.

The second half was just a carbon copy of the first half, with the "Cardinals" front line of Scotty Duca, Robert Franzese, Stephen Postullo and Stephen

Gourlay, unable to put them on the board.

The game was "nil" at the end of regulation time. They proceeded to play the first of two 10 minute over-time periods.

The first ended in a stalemate with neither team able to score. The second period was at the 9:45 mark, when Stephen Postullo gained control of the ball just inside mid-field and after taking out the Sachem defenders put the ball in the net to give the "Cardinals" a 1-0 victory.

The win enables the "Cardinals" to play their arch-rivals the St. John's CYO "Eagles" from Bohemia, in the finals of the Cup competition next Saturday, at Catiague Park.

After the game, Head Coach John Fabrizio and Ass't. Coach Bob Finnell rewarded the boys with a party for winning the LIJSL Divisional Championship. As part of the festivities, the boys scrimmaged their "mothers" in a fun game and defeated them 3-1 and left them looking for a "First Aid Station."

Hicksville Rowdies
The Rowdies ended a fine season this past Sunday by defeating a strong Huntington B.C. team 3-2.

Our first score was by Gerrard McNamee on an assist from Sean Smith, the second by Tony Conigliaro on a penalty kick, and the final goal was by Kevin Hamel.

Fine ball handling by Cliff

Heller, William Sneedon, Dan Middleman, Jim Reardon and Steve Olive kept the ball in a scoring direction!

The ever present Joe Hanna at center fullback did his usual outstanding job in getting in the way of any oncoming attack. Greg Skupinsky and Todd Roth performed exceptionally well under constant pressure from Huntington's forward line.

A special thanks goes out at this time to the coaches Jim Reardon and Russ Tropea for their tremendous effort to produce a fine 6-3-1 season.

GIRLS U-12

The Hicksville Hemlocks sponsored by the Stack O' Barley and coached by Sheila O'Leary played Brentwood at home on Saturday. Both teams played well. Brentwood scored the first goal on a penalty kick. Barbara Bruder scored on the halfback with a beautiful pass back from left wing Peggie Bergen. Brentwood scored again and won the game 2-1. Brentwood came in first place in this division. All the girls, which include Amy Flannery, Sandra Laine, Christine Sierra, Barbara Bruder, Kelly O'Leary, Ann Kenny, Peggie Bergen, Krista Taylor, Laura Reinhardt, Debbie Kenefick, Theresa Solaski, Theresa Brigandi, Carol Pacione, Tracey Fiume, and Dominique Missimo, had a very good season.

LITTLE LEAGUE

(Continued from Page 9)

bases loaded double and a single. Other hits were belted by Greg Skupinsky, and Diane Gargano a double each and Steve Colaio, Dave Fassano and Dean Lagatutta all had singles.

In the field, Steve Colaio, Greg Skupinsky, and Dean Lagatutta pulled off a beauty of a double play and Robert Kruger and Diane Gargano stopped possible rallies.

Circle Texaco is also a tough team to beat this season.

Amazing Davey Winter, keeping his control perfect, struck out 7 and allowed only 1 hit during the first three innings, and was relieved by Kawabe Takeshi to help lead Circle Texaco to a 13-3 victory over Marder Shell.

Most of the Circle Texaco bats were alive this game - Davey Winter went 2 for 2 with two doubles, Joe Zeoli had a solo homer, Bruce Katz and Tony Puglisi went 2 for 2 each and John Seitz added a double.

Some nice fielding plays were turned in by first basemen Mike DeRouches and right fielder Tony Puglisi. The combined pitching again by Kawabe Takeshi and Davey Winter, who struck out 8, helped Circle Texaco to demolish Sands Textile 20 to 12.

Davey Winter was again hot at the plate going 4 for 4 and Mike Wallace, John Seitz, Kawabe Takeshi and Tony Puglisi each ripped doubles. Mike DeRouches also helped out with 2 hits.

Excellent heads up base running was demonstrated by Tom Morgan, who stole home

twice, and Kelly Holstead, who got hung up between 1st and 2nd and slid under the tag to keep a rally going.

In yet another exciting game, Marder Shell shelled Sands Textile 15 to 5.

Dennis Kenefick and Gary Dastin pitched Marder Shell to victory - both were faultless.

In addition to Dastin's pitching, he had a perfect night hitting, as did Paul Hammond, both scored 3 times during the game.

Hammond also shared the games fielding honors with Mike VonEschen. Hammond hauled in two fly balls in the outfield in the last inning and VonEschen had six put outs at first base.

VFW, another strong team routed Sands Textile 17 to 1. Excellent pitching was turned in by Mike Kenney who allowed only 1 hit, while striking out 9.

Harry Poliviou and Henry Schaeffer led the hitting attack for VFW. Poliviou had two homers, a double and a single and Schaeffer had two singles, a double and a triple. Nick Petrilli and Bobby Wolf also had a good day with 3 and 2 hits respectively.

In another VFW game, Mike Kenney and Nick Petrilli pitched them to a 12-3 victory over Circle Texaco. This raised their record to 4 and 2 for the second half. Harry Poliviou had two hits for VFW including a triple, Nick Petrilli had a single as did Paul Cannava and Mario Poliviou had a double. Stolen bases are credited to Henry Schaeffer, Mario Poliviou, John Maiorino and Nick Petrilli.

The fielding play of the game occurred in the bottom of the 5th inning with runners on 1st and

3rd. The runner on 1st broke for 2nd, catcher Henry Schaeffer threw to 2nd where Harry Poliviou cut off the throw behind the mound, and fired it back to the catcher to snag the runner trying to score.

Jamaica Ash won two straight games last week. On June 14, they defeated Circle Texaco 9 to 6.

Steve Colaio was the winning pitcher - he pitched 6 beautiful innings.

Don Skupinsky was the offensive star of the game with a Grand Slam Homerun over the fence at Schwab field. Teammates Greg Skupinsky, Robert Kruger, Dean Lagatutta and Scott Gurber added key hits.

On June 16 Jamaica Ash beat Sands Textile 17 to 6. Steve Colaio and Dean Lagatutta combined to pitch Jamaica Ash to victory.

The entire winning team had hot bats. Leading the attack was Dave Fassano with a homerun, double and a single and Dean Lagatutta with a homerun. Other sluggers were Robert Kruger, Don Skupinsky, and Scott Gurber all with a double and a single. Greg Skupinsky with two singles and a double, Anthony Rossina and Steve Colaio with 2 hits each and Diane Gargano with a base hit.

DID'YA KNOW: Peter Petralia, former host at the Old Country Manor, Hicksville for many years is recuperating nicely following a recent hospital stay - Pete's Dad celebrated his 92nd birthday on FLAG DAY

GRADUATES Thomas Murphy, Jr., son of Mr. & Mrs. Thomas Murphy of Hicksville graduate with honors from Trinity High School last Sunday - we hear the clans gathered, including our good friend John Ridge, Editor of the Flatbush Hibernian, Division 35, Brooklyn - it was a gala occasion as Tom's great grandmother, Mrs. Helen

Rankin, age 82 shared the family day at their Woodcrest Road abode - Robert Di Marsico, son of Mr. & Mrs. Sam Marsico of Greenbriar Lane, Hicksville, also graduated from New York Tech Institute last Sunday - Sam, who is a neighbor of Frank Szymanski is the top golfer to beat when the Knights of Columbus tourney is held later this month - is a member of the Hicksville Post of the Veterans of Foreign Wars (to Lou Palladino at the Post) and the Michael Hartigan Council, of Bethpage - To the graduates of St. Ignatius School - a special wish for health and happiness in the future - ceremonies com-

mence at 8 P.M. this Friday evening June 15

PROUD MOMENT: in the lives of three parishioners of St. Ignatius Parish, Hicksville, as they were ordained Deacons last Saturday by Bishop John McGann, of the Rockville Centre Diocese - best wishes to William Mahoney, Frank Moore and Don Zirkel who have now joined the Pastoral Ministry Team of the parish - Bill Mahoney is a retired member of the New York City Police Department and an active member of the Joseph Barry Council, Knights of Columbus and the Division of the "Green Berets" AOH of Hicksville; Frank Moore, who has been a neighbor of mine on Gardner Avenue for more than 25 years retired from the Madison Avenue "rush" as an advertising executive and Don Zirkel, who aside from his tremendous schedule as Editor of the Catholic weekly, The Brooklyn Tablet, has served his parish at every level with his family - gentlemen, you and your families are to be commended and we rejoice with you for your dedicated work to the Christian community.

COMMUNITY AWARDS: There was an outpouring of the Hicksville community last Tuesday evening for the 12th annual COMMUNITY ACHIEVEMENT AWARDS presentations by the Joseph Barry Council, Knights of Columbus - this year's recipient was Sheila Noeth, editor and publisher of the Mid Island Herald as adopted by Council resolution at the June 4 meeting. The award was for her dedication, enlightenment and service to the community. On the dais with Grand Knight James E. Carroll, were: Reverend Bernard McGrath, Council Chaplain and pastor of Holy Family Parish, Hicksville; Reverend Hugh Cannon, Associate Chaplain, now assigned as Assistant Pastor in Bohemia, LI; Austin Cannon,

Master, 4th Degree Nassau Suffolk Chapter, Knights of Columbus; Past Grand Knight Walter Schreiber, Council Financial Secretary and Arthur Schreiber who was Program Chairman. Past Grand Knights on hand for this special occasion, were: Frank Dorsey, Frank Klarman, George Maguire, Robert De Lorenzo, John McKenna, Paul Dunn and Thomas Costa. Sharing this happy evening was Brother Thomas Clark and entire family - Tom is Oyster Bay Town Councilman. The works of the dedicated committees resulted in numerous presentations to various organizations which truly exemplifies the Order. Ed Kelly was selected as "Knight of the Month" - June and Don Pesonen was named "Knight of the Year" by Grand Knight Carroll. The expressions of Christian Charity by the Council would not have been possible if it were not for men like Frank Dorsey, who chaired the C & B Program (Charity and Benevolence) - good to hear he will serve in the '79 drive with Grand Knight - elect Ole Costello, who received his Council jewels from Jim Carroll who will become a Past Grand Knight on July 1 - good luck.

HEAR THAT: Frank Shannon of the Town's Beach Division is resting up at home - a long time Hicksville resident - he is a member of the Knights of Columbus, "Green Beret" AOH Division and the American Irish Congress - you can't keep an Irishman down, right Frank... Ed and Alice Warren of Hunter Street will celebrate their 45th year of wedded bliss this month. Ed is a life member of the Hicksville Council, Knights of Columbus, a "Knight of the Month" and a Council member 27 years - God Bless. Karen Harkin was given a surprise bridal shower last Friday evening at the Lounge of the Joseph Barry Council, Knights of Columbus - she will wed Peter Caruolo of Long Beach, Saturday, June 30 in

St. Ignatius at 12 Noon. Tom and Dorothy Gallahue's lovely granddaughter, Kiri, age 3 is a joy to these active members of our community - Tom is Commissioner of Parks and Recreation, Town of Oyster Bay. Speaking of TOB, Ralph Russomano is back at his work in Highway Division, following recent illness - welcome back. Ralph - effective July 15 your letters and postcards smaller than 3 and 1 2 x 3 inches long will not be accepted for mailing - hope you have an early birthday and no large cards.

GOOD NEWS: My granddaughter Stacey McCarney, age 10 1/2 will arrive at Kennedy Airport Friday evening escorted by my daughter, Ann Marie and husband, Bob Schmidt.

designed the plans. Anthony Previte, Mario Tucci and James Posillico, another member of the Galileo Lodge who was very active in the renovation of the inner quarters of our organization. These technicians will remove the scar tissue and the wrinkles brought on by time and weather, and soon there will appear a new face, bright and shiny and quite beautiful. If I may say so.

I saw the plans and I can attest to the craftsmanship of the members mentioned above, and I certainly can envision what their expertise will bring forth. The outside will be attractive and appealing...and it will make quite an appearance to the Hicksville community, to say nothing about how the members themselves of this organization feel. The cost of this renovation plan will cost around \$5000, with roughly \$2000 going to labor costs, and \$3000 needed to purchase the materials to be used. Mario Tucci, who will handle most of the laborious tasks associated with this program, is in dire need of carpenters and helpers. This, I understand, will help the Galileo Lodge save a considerable sum of money. If you - the membership would like to volunteer, please dial 931-9351 and ask for Mario or any of the above-mentioned names. This is another of the projects undertaken by our organization that needs manpower, so won't you please help?

Many other affairs and programs started by the Galileo Lodge have been finalized. The Hawaiian Dance, to be held on August 25th, \$15 per person, will feature a luau. A succulent sucking pig will be on the menu, and added will be many sweet and sour polynesian specialties to wet your appetites. Contact Teddy Maritti, the chairman, by dialing 931-9351 and he will further inform you of other details. For this price, how can you go wrong?

The Columbus Day parade this year will take place in Oceanside, Long Island. Skip Monteforte, our chairman, states the qualifications for the 1979-1980 Beauty Queen Pageant will include the fact that applicants will have to be related to member of Order and that they will have reached their 17th birthday and have not exceeded their 21st more information on this Parade will be forthcoming from Skip to Tony Previte.

The Ladies Auxiliary is in the news this week. They announce that they will hold a Woman's Follies, which means that if any member (male or female) can sing, dance, tell jokes or play a musical instrument (or even perform in any manner), kindly contact Jo-Ann Wallick (OV 1-8428), the chairwoman, or Joe Lappano, a member of the Galileo Lodge who is assisting her. pleasant evening, and the Ladies' Auxiliary has the reputation of going all out to produce affairs and functions that promise good times and pleasant enjoyment.

Help is still needed for the Lodge's Bingo and Las Vegas sessions. We cannot emphasize enough the financial importance of these activities to the growth, stability and future of our organization. Bingo help, it is said, seems to be dwindling even more than usual. The Lodge does not ask or require really that much in the area of assistance and help; all it asks is that you contribute as little as one hour for only one night a week in some cases. This is not asking for too much, and it certainly doesn't appear to be strenuous or taxing. Remember that the Galileo Lodge cannot survive if the membership does not aid in its quest for manpower.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, Mass. of the Christian Burial was at Holy Family R.C. Church and interment followed in St. Charles Cemetery.

Ride Sharing

Getting the gas to get to work may get tougher every week but 31,160 employees of 11 Nassau County firms may lick the problem by ridesharing.

The 11 firms will receive citations June 20 from County Executive Francis T. Purcell for their outstanding cooperation with the Nassau Planning Commission in setting up ridesharing programs for their workers.

Organized ridesharing saves money for the employees and helps reduce gasoline consumption on Long Island," Purcell said. "These 11 companies are to be commended for their community spirit in fostering energy conservation even before gasoline shortages developed."

Ridesharing includes carpooling and transportation by company-owned buses and vans.

Grumman Corp. in Bethpage, for example, is operating six vans in a pilot program. Sperry Corp. in Lake Success now has eight vans and expects to add 12 more by the end of July. The vans pick up employees at their homes in the morning and return them there at night. Some firms are operating buses. All the firms help their employees organize carpools.

Under the U.S. Emergency Highway Energy Conservation

Act, the Nassau County's Planning Commission received a \$260,000 federal grant for a 30-month program to promote ridesharing among Long Island firms. The program began in November, 1976, and has been given a six-month extension to November, 1979. The program is supervised by the New York State Department of Transportation.

The commission contacted all Nassau County firms with more than 250 employees, as well as many smaller firms, offering advance publicity, employee questionnaires, flyers, posters and bumper stickers to encourage ridesharing. Information obtained from the questionnaires was fed into a computer in Albany to match up employees living within square-mile areas so that they could set up carpools.

Purcell noted that, except among the 11 companies being cited, interest had been minimal initially, but that the program has begun booming in the past three months as a result of soaring gasoline prices and long lines at gas pumps. "Many more firms and individuals are now calling the Planning Commission for information about ridesharing," the county executive added.

Kutztown, Pa. "Going, going three time, once, three times, twice and sold."

It's Larry Bomberger's fast-paced pitch booming out over his afternoon auction at the annual Pennsylvania Dutch Folk Festival, arousing the audience, stirring up interest in anything from buckets to basins, and sending bargain-seekers merrily on their way.

Larry will return for his 14th year at this summer's 30th Festival, June 30 thru July 7, with items for every taste, many bringing nostalgic glimpses into the years of long ago.

The Kutztown Folk Festival, started back in 1949, is a celebration of the Pennsylvania Dutch way of life, it's aim to keep the traditions and beliefs of these

Folk Festival

sturdy folks alive and well.

And in the Pennsylvania Dutch country, auctions are a definite way of life, with auctions for horses, farms, lands, and household goods, scheduled all through the year. Larry is a professional auctioneer as well as a skilled appraiser, a collector of early American Furniture and Stiegel glass. His return to the Festival each year is a busman's holiday, for he operates his own business in Manheim, a small town not far from Lancaster.

Another Festival oldtimer, Bummy (LeMar) Bumbaugh, noted for his antique books and paraphernalia too numerous to list, is dusting off his "rare" collector's items, prior to opening his Festival Book Store.

Pennsylvania Plain Dutch pageantry will be in strong evidence this year with two daily performances of The Amish Wedding, the Amish Barn-raising, and the pageant, "The Shunning", which reveals both sad and happy times in the lives of these "plainest of the Plain People."

Food, quilts, crafts, games for children, butchering and a country kitchen in full swing are all high in this summer's Festival attractions.

Soon the Heidelberg band will be playing, dancers will be swinging their partners on the hoe-down stage, and the Pennsylvania Dutch will be "drift-warding" (awaiting) to greet old friends from all over...

Summer of Fun Scheduled

Arts and crafts, painting instruction, picnics, dancing, sports tournaments, a boat trip and days at the beach are just some of the activities that Town of Oyster Bay senior citizens can enjoy as part of a six week summer program.

Town Councilman Salvatore R. Mosca announced that the program, which is being sponsored by the Senior Citizen Services Division of the Department of community

edition of "Who's Who Among Students in American Universities and Colleges." She is a recent graduate of SUNY, Farmingdale.

Services, will begin the week of July 2nd. It will offer a special day each week at each of the four community parks; Plainview-Old Bethpage (Monday), Bethpage (Tuesday), Syosset-Woodbury (Wednesday) and Marjore R. Post (Friday). Seniors not residing in one of the community park districts may obtain a special pass for the program by calling 922-3800, ext. 294.

Thursday will be a day at the beach for all program participants. Buses will leave senior citizen housing complexes and parks for either Hempstead Harbor or Nassau Beach. Registration for beach days and other special trips will be held.

Sis and Bernard Wesnofske are extremely proud of their son, Jeff, who recently graduated from New Hampshire U. The Wesnofske's travelled to New Hampshire for the graduation ceremonies. Jeff received his B.A. in business management. He is planning to attend graduate school in the fall. Good luck, Jeff.

Recent visitors from Port Jervis, NY, were HICKSVILLE's Pat and Jean Cunningham's son, Kevin, his wife, Debbie, and their daughter Erin. In addition to the excitement and happiness of the occasion (Mother's Day), Erin's first tooth made its appearance to the delight of her parents and grandparents.

Kim Fico, Mayfair Lane, HICKSVILLE, celebrated her birthday on June 17. Kim is a student at Old Country Road School. She lives with her parents, Tom and Evelyn Fico and sister, Laurie, and brother, Tommy. Jr. Happy birthday, Kim.

The HICKSVILLE Holy Family Seventh Grade Basketball team was invited to the East Norwich Kiwanis Club to relate some of their experiences during a recent trip they made to Florida to compete with local Tampa basketball teams. Both the East Norwich and the Syosset Kiwanis Clubs contributed funds towards this trip to help defray some of the expenses. The boys had a

marvelous time - they won one, and lost one. The team's coach, Joseph Trapp and three members of the team, David Smyth, Steven Allgeier and Michael Magee, along with Michael's dad, Joe Magee, were all guests of Ed Hauser, president of the East Norwich Kiwanis Club.

Angelina and Peter Hock, long-time HICKSVILLE residents, told us their grandson, Andrew Walker, graduated from BOCES and Hicksville H.S. Andrew works in Oyster Bay for a firm that repairs various motors for boats, lawn mowers, etc. He will continue his employment with this firm on a full time basis now that he has graduated. In honor of the occasion of his graduation, Andrew's family held a party for him. Congratulations to you and success in your future endeavors.

Carolyn Fischer of W. Nicholas Street and Barbara Dougherty of Suggs Lane, HICKSVILLE have returned from a week's vacation in San Juan, Puerto Rico. They had a fabulous time. In addition to visiting various tourist sites, they went sail boat cruising, snorkeling, swimming and sight-

The Spring Arts Festival was held at Queen of the Rosary Academy in Amityville. Gerri Goffrey of Briggs St., HICKSVILLE, has four of her works chosen to be shown. Congratulations Gerri!

PLAINVIEW residents, Grace Rodona, Marge Agresti and Peggy Doheny, were recently honored by the Board of Directors of Central General Hospital for their volunteer work at the Hospital. Grace has donated 1,000 hours of her time; Marge has donated 2,200 hours and Peggy has donated 3,500 hours.

Chamber of Commerce Dinner Dance

By Carol Wolf

The Hicksville Chamber of Commerce held its installation dinner-dance at Antun's on Tuesday evening, June 19th. Approximately 100 guests gathered by 7 o'clock when the Chamber's Executive Secretary, Sieg Widder took the podium and began the festivities.

The new officers came forward as they were called and gladly accepted the duties of their new office. President Vernon C. Wagner, Vice-President Constance C. Clarke, Secretary James A. Fyfe and Treasurer David Plimley were sworn in for the 1979-1980 year by 'Uncle' Frank Chlumsky. 'Uncle' Frank was in rare form as he charged the officers to their duty.

He also installed Kenneth Barnes, Bernhard Bruns, Robert M. Schiffer, Edward J. Johnson and Lawrence C. McCaffrey to a three year seat on the Board of Directors.

Vern Wagner, Chamber's new president took the floor and said that he intended to do all that he could for the Chamber. And when times get rough, he intends to call on those with experience, like 'Uncle' Frank.

Sieg Widder announced a little later in the evening that Sheila Noeth had to leave, because she was being honored by the Knights of Columbus with their Community Service Award.

As the night drifted on and couples danced the night away, the Chamber ended its fifty-fourth year. "It was begun as a non-partisan, non-sectarian organization of business men to promote the commercial, industrial and civic interests of the community of Hicksville. 'This chamber' feels that more can be accomplished by working together for a common purpose than by individual effort." And it is still working. "For a Better Community."

Engaged - Mr. & Mrs. George O. Urgo, 15 Magenta Street in Hicksville, announce the engagement of their daughter Darlene Jean, to Mr. William C. Deveney, son of Mr. & Mrs. William Deveney of Carle Place.

Miss Urgo is a graduate of Our Lady of Mercy Academy in Syosset, and attended St. Francis College of Loretto, Pa. The bride-to-be holds a bachelor of science degree in special education from Southern Conn State College in New Haven, Conn. Darlene is presently employed at St. Christophers in Seaciff where she works with retarded children. Darlene was employed formerly by The Association For The Help

of Retarded Children as a unit leader at Camp Catskill for the severely retarded. She also taught CCD to retarded children in her parish. Her student teaching experiences were with the emotionally handicapped and trainable mentally retarded.

Mr. Deveney is a graduate of Carle Place High School and attended Nassau Community College in Garden City. He is employed as a computer operator with Avis in the World Headquarter Building in Garden City.

A September 1979 wedding is planned at Our Lady of Mercy RC Church in Hicksville.
