Sixteen Calls In One Day For Vamps

Hicksville Vamps responded to 16 alarms on Sat., June 23. There were 7 rescues, 5 fires, including one worker which was arson, and 4 malicious false alarms. Later that day, 2nd Precinct Detectives reported an arrest for the arson case. The following day, Vamps trailed a false alarm suspect and nailed him in the act of pulling yet another M.F.A.

Most of the 16 runs were routine. The one day total was the highest in many years. Back in the mid 30's with the railroad using the old steam locomotives it was not unusual to get 25-30 runs in one day - mostly brush.

The working fire was reported at 2:21 p.m. at 107 E. Marie St., a run-down multiple dwelling, 3 stories in height. 60 Vamps, 8 pieces of apparatus responded under Chief Ferber. Three rigs were used to fight the blaze on the 2nd floor. No injuries were reported. Later that day an M.F.A. was reported via

Newsday, at 107 E. Marie St. Vamps become suspicious and police were called in. Later they arrested the tenant, in whose room the fire started. He is George Richter, 24. No reason was given as to why the fire was set.

Sunday, June 24, turned out to be a quiet day; then early Monday several back to back alarms which turned to be false alarms came in. Vamps followed one 17 year old youth and he was caught shortly after sounding another false alarm. He was arrested by 2nd Precinct Police.

At 1:49 a.m., a pile of rubbish was set afire behind an A & P supermarket, before being noticed, the fire spread to the roof of the building. Quick action by Hicksville Vamps kept the damage to \$5,000.00 damage. Hicksville Chiefs said another 30 minutes and the fire would have taken hold of the loft. First-in crews attacked the fire using

tank water as a school bus blocked access to the nearest fire hydrant.

Empire Diner Fire

Later, on Monday, the 25th, a working fire was reported at the Empire Diner at 42 Jerusalem Ave. Forty Vamps and 8 pieces of apparatus responded to the scene. A fire, first fought by employees using a garden hose, spread throughout the duct system. An automatic extinguishing system failed to operate. Vamps vented the roof, removed most of the duct work, and had the fire out in 45 minutes. Jericho Vamps stood by at the Hicksville's station 1, with one engine. Damage was estimated at \$25,000. No injuries were reported.

Hicksville Fire Report

Period June 5 to June 25: Malicious false alarms, 11; fire alarms, 38; rescue calls, 39; total calls, 88.

Kiwanis Club News

It was announced by Dr. Philip Rubinstein, president of the Kiwanis Club of Hicksville, that a total of 94 members of the 96th United States Congress are active or honorary members of Kiwanis.

In making the announcement, the Kiwanis president said that such notables as Senators Baker, Dole, Goldwater, McGovern, and Talmadge are members of U.S. Kiwanis clubs, and former Canadian Prime Minister John Kiefenbaker is also on the active list.

Dr. Rubinstein said that the recently completed survey of Kiwanis participation in the highest legislative bodies of both the United States and Canada dramatizes the extent to which Kiwanians involve themselves in leadership responsibilities.

KIWANIS CLUB: Mr. Frank Chlamsky, center, presented perfect attendance plus to Mr. Siegfried Widder, left, and Dr. Philip Rubinstein, right. Mr. Widder had 2 years perfect attendance

and Dr. Rubinstein had 24 years perfect attendance. The presentation took place at the Hicksville Kiwanis Club's weekly luncheon held every Wednesday at the Milleridge Inn.

Kiwanis conducts such a survey at the start of each new Congress

and each new Canadian Parliament.

Swimming/Diving Program

Intensive training programs in both swimming and diving will be conducted once again this summer by the Nassau County Department of Recreation and Parks and the Nassau County Swim Conference.

The swimming program will begin in late June at Cantiague Park, Hicksville, under the tutelage of St. John's University swim coach Dick Krempecki. The long course, 50 meter workouts will be aimed at increasing speed and improving technique. Practices will be conducted Monday through Friday from 7 to 9 p.m.

The diving training, under SUNY Farmingdale coach Dwayne Green will start in early July at Christopher Morley Park, Roslyn-North Hills. Emphasis will be on improving platform diving skills. Practices are scheduled Wednesdays from 11 a.m. to 2 p.m.

For either course, there is a fee of \$35 for Nassau County Swim Conference members or \$40 for non-members. To register for the training programs or obtain further information, call the Nassau County Department of Recreation and Parks' Aquatics Unit at 292-4289.

Why pay for information you already have free?

Maybe you didn't realize it, but your phone book can actually save you money.

If you look up numbers and do not make more than three requests a month to Directory Assistance—you can save money on your phone bill. In addition, we'll give you a 30¢ credit, if you keep your requests to three or less.

After the first three you're allowed, every request for a number in New York State costs 10¢.

Of course, requests to points out of state are free. And persons with

visual or physical dis-

abilities may be exempted from Directory Assistance charges. At New York Telephone, we don't want you to run up your phone bill unnecessarily. And we sure don't want you to pay us for what you can get for free. So, to cut your phone bill, use your directory. And write for our free booklet, "How to Read a Phone Book," Box 99, Bowling Green Station, New York, New York 10004.

New York Telephone

Want To Save Money?

Consumers interested in saving money - and is there anyone who isn't these days? - can get an immediate pay-off by being more selective when making their telephone calls.

Al Miesemer, manager of New York Telephone's Hempstead office, points out that the company discounts both local and long distance calls in off-peak calling hours.

"Customers can hit the jackpot and save as much as 60 percent over regular day rates by directly dialing calls after 11 p.m. A savings of about 35 per cent over normal daytime charges can be achieved if toll calls are directly dialed between 5 p.m. and 11 p.m.," it was pointed out.

Dial-a-Visit provides discounts on toll calls placed within New York State during non-peak calling hours (weekdays 5 p.m. to 8 a.m. all day Saturday, Sunday and five toll holidays). Customers agree to pay a minimum of \$6 per month for which they may place \$12 worth of intrastate toll calls without additional charge. Any New York State toll calls above \$12 are subject to 50 percent discount.

New York Telephone actually pays customers not to use Directory Assistance, the manager says. "Customers receive a 30 cent monthly credit plus an allowance for three free requests for numbers. Those who make three or less calls to directory assistance each month get the full 30 cents credit on their bill. Additional calls are charged at ten cents each, so six calls can be placed to directory assistance each month without incurring an additional charge."

Substantial savings can be achieved by using the company's

new retail outlets, Phone Center Stores, when moving or ordering new service. Recent changes in connection charges make the Phone Center Stores an even greater source of savings. A typical customer ordering service with one telephone could save almost 20 percent of regular installation costs. Now even customers who do require an installer visit to connect service can save on connection charges by picking their phones up at the Phone Center Store. As always, all telephone work should be ordered at the same time to avoid extra cost for additional visits.

The manager also suggests customers carefully read the front pages of their local directory, as well as the bill inserts which accompany their monthly statements. They contain a variety of helpful tips on new services, equipment and policies.

New York Telephone suggests starting with the basics - like Basic Budget Service. The company has several types of service to suit individual calling habits. With the Basic Budget plan, a customer who makes few calls can have a telephone for only \$4.67 per month, plus charges for each call and taxes.

Message rate service is most economical for subscribers who don't make many local calls. If calls generally are brief, the company offers "timed message rate service" at an even lower rate. Flat rate service is appropriate for customers who place many local calls.

Elected President Of United Jewish Ys Of Long Island

Harry Rabinowitz, a CPA and partner in the international accounting firm of Ernst & Ernst, and a resident of Merrick, was elected President of the United Jewish Ys of Long Island at the organization's Sixth Annual Meeting of the Board of Directors held last Wednesday, June 20, in the new Mid-Island YM & YWHA building in Plainview.

Harold Leviton, immediate Past President, was elected Chairman of the Board of the organization.

Mr. Rabinowitz, who is currently completing a term as President of Temple Israel of South Merrick, is a member of the Board of Trustees of the Federation of Jewish Philanthropies of New York, and a member of the Board of Directors of the Long Island Association of Commerce & Industry.

The United Jewish Ys of Long Island is the central organization which provides leadership in

planning, coordinating, developing, and expanding Y services on Long Island to the Jewish population of more than 525,000 in Nassau, and 125,000 in Suffolk counties. The organization's executive Director is Percy Abrams, who resides in Merrick.

In 1978, the United Jewish Ys of Long Island, achieved a milestone when it realized a matching gift of one million dollars from a trust of the Jewish Philanthropies of New York, to be used toward the completion of a four million dollar building program for the Mid-Island YM & YWHA in Plainview.

Upon being elected to the position of President of the United Jewish Ys of Long Island, Mr. Rabinowitz said, "I plan to give as much of my time, energy, and financial resources as is necessary in order to continue on with the outstanding job started by my predecessor, Harold Leviton, who was the first Presi-

dent of the United Jewish Ys of Long Island."

In addition to Mr. Rabinowitz's election, five Vice Presidents, a Treasurer, an Associate Treasurer, Secretary, and Assistant Secretary were also elected. Thirty-three members were elected to the Board of the United Jewish Ys of Long Island.

Nearly 300 UJYs Campaign members who have contributed \$1,000 or more were honored during ceremonies highlighting their activities for their tireless efforts, working toward the completion of achieving the four million dollar goal set for the first new and modern YM & YWHA building in Plainview.

1979 Officers and Directors include:

Brookville - S. Merrill Skeist, Member of the Board.

East Meadow - Daniel Schreiber, Member of the Board.

Reveal Ground Water Contamination Threat

By Cong. Norman Lent

Ground-water purity is crucial to Long Island residents, because we get all of our drinking water from wells which draw it from the ground - from an underground channel called the magothy aquifer. Surface water, mainly rainwater, filters through our sandy soil into this aquifer. If hazardous chemical wastes are improperly disposed of by dumping them in landfills, the chemicals may wash into the water supply as the rainwater filters through the burial site.

I was appalled by a previously secret internal memorandum from Hooker Chemical Company which showed that firm had been dumping huge amounts of hazardous wastes on Long Island. For 33 years, from 1946 to the very day of the hearing, Hooker has been disposing of hundreds of tons of chemical wastes each year - some of it identified by hearing witnesses as toxic or cancer-causing - into landfills in Syosset and Old Bethpage. Every rainfall has helped carry these

Dear Friends....

A twenty-one day salute to honor America is presently being held. June 14th through July 4, this year, has been set aside.... that there be public gatherings and activities at which the people can celebrate and honor their country in an appropriate manner. We are happy to report these occasions as they occur... actually, our Country needs our love and respect every day of the year. We hope that these 21 days serve as an inspiration and that they will renew our feelings of pride and love of our country. This can only be seen when it produces more concerned and active citizens...this is love of country, truly expressed.

WARNING.....REGARDING SEWER CONNECTIONS TO INDIVIDUAL HOUSES...DON'T JUMP THE GUN. neither of the three sewer districts covered by these newspapers will be ready to have individual-home connections made in 1979 and the County Public Information Dept does not know just when in 1980 this time will arrive. In spite of that many local residents have been contacted by firms who make these "hook-ups", in an effort to get their names on a contract for this work.

First of all you will all receive notification from Nassau County when the time comes that you can make this hook-up. YOU HAVE TWO YEARS from that date, to have this work done.

On the south shore, where thousands of homes are now looked-up, it is reported that many plumbing firms went bankrupt with those who had one, losing their deposit.

Secondly, in today's inflationary economy, how can any business give exact estimates for work that cannot be done for many months (possibly a year)?

Finally, this is a one-time expense where, in my opinion, it would be better to employ a local plumbing firm. one who has been in business many years and who can be relied upon to come back and finish the job properly if such return visits would be necessary. than an out-of-town firm who may or may not be responsible or even in business, should anything go wrong. A local firm of good reputation may cost a little bit more... but you have a reliable firm doing this one-time job...and it is important, not only that the work itself is well done, but that your lawn area be filled correctly so that months later you do not have a "sagging" lawn. We'll have more on this problem later as the time for this work approaches but we strongly advise against signing contracts and giving deposits at this time.

LOCAL VAMPS may cut alarm response... many local vamps are finding it difficult to obtain gasoline and may have to stop answering alarms, we have been told. At present no provisions have been made by any of our officials to supply the vamps with gasoline. The State has also cut the allotment to the Hicksville Fire Dept. But by conserving, local officials, hope to cope with this problem. In the meantime, volunteers have no gas. With no gas the trucks... some, at least, will not be able to roll. The State sees fit to exempt salesmen, doctors and nurses, but not fire-fighters or our police. Many vamps have warned the State... no gas... no response to alarms. No gas to get around is one thing, but locking out firemen and policemen will affect the safety of everyone. We hope that this problem will be solved without delay.

My apologies to Ruth Walker of East Carl St, in Hicksville, whose beautiful poem honoring Pastor Stammel we printed last week in our "Letters To The Editor" column. Due to a typographical error, this nice lady was listed as Ruth Waler... Mrs. Walker is well known for her inspiring poetry.

THAT'S ALL for this week. We hope that your Fourth of July will be a "safe and sane" one.

Board Approves Strand III

By Linda Strongin

Strand III, Mental Health curriculum for grades K-3, dealing with personality development and family life education, was approved by the Hicksville Board of Education by a 4-3 vote at its meeting Wednesday night.

The adopted curriculum includes an exclusion provision for the human sexuality portion giving parents the right to have their child excluded from that portion of the curriculum. Also, the Board is to establish a sub-committee of the Educational Goals and Objectives Committee to complete and annually review and update the health curriculum.

The two portions approved by the Board are required by education law under Section 135.3, paragraph b.

Voting no to the motion were Trustee Neil McCormack; Secretary Bill Bennett; and President Tom Nagle.

Mr. McCormack felt that the new assistant superintendent for elementary schools should review it. "I would like to have input from somebody in education to tell me its all right."

Mr. Nagle stated that the

"timing is swong and I have questions on the in-service training and the schedule of exclusion classes."

Mr. Bennett expressed at length many times during the 3-hour discussion on the subject his opposition to the curriculum. He proposed several amendments to the original motion including the elimination of Objective No. 4 (An Awareness of the Growing Body) and Objective No. 5 (Having an Understanding of Reproduction); having the exemption unit taught by a school nurse-teacher, certified health teacher or a guidance counselor; eliminating portions of Objective No. 3 (Wholesome and Social Relationships) dealing with family relationships; and deleting certain activities suggested in teaching some of the concepts of Objective No. 3. His amendments were defeated.

During the public speaking session which at times was drowned out by shouts from audience members to the Board, many residents spoke against the implementation of the curriculum on moral and religious grounds.

Resident Doug Harnett took exception to the minor changes made in the curriculum after the

community gave in-put via letters and meetings. He also stated that classroom sex education "doesn't work but violates the parents' and child's rights."

Resident Phyllis Huntermark questioned what would happen in other grades after implementing sex education in grades K-3. She also stated that there were "no statistics to prove that sex education works."

Also questioned was the participation of Hicksville teachers in writing the curriculum. Trustee Pete Fujimoto explained that several Hicksville teachers worked on the K-12 curriculum for BOCES and it is on file in the BOCES library for all districts to use.

Superintendent Dr. Wilber Hawkins stated, when asked by resident Joseph Weiler, that the curriculum could not be implemented "before Feb 1980, probably in the fall of 1980." He added that the in-service training would have to be taken by all those teaching the curriculum and that the new assistant superintendent would be responsible for the in-services training. He later added that "no decision has been made yet as to who would teach in the in-service course."

The Hicksville High School Alumni Association held its Annual Alumni Association Varsity Awards Dinner at Antun's Restaurant on June 5.

Highlighting the affair was the presentation of Dr. Leon Galloway Athletic Scholarship Awards

in the amount of \$500.00 each to Donna Blacato & John Ednie.

In addition, awards were presented to the seniors for their outstanding ability in sports.

The Alumni Association was pleased with the large number of parents who attended to see their sons and daughters receive rec-

ognition as fine athletes and scholars. A large majority of the recipients will be attending a college of their choice - many on scholarships.

In this picture are Donna Blacato, John Ednie and Dr. Leon Galloway.

Hicksville Fire Officials Warning On Gasoline

Because of the shortage of gasoline and the difficulty in obtaining it, particularly on weekends, many people are storing and transporting gasoline in a careless and potentially dangerous manner. Gasoline is a highly volatile liquid which, if not stored and handled properly, can be extremely dangerous. The following information is intended

to alert people to this danger.

Containers used for gasoline storage should be constructed of metal, have a tight closure and fitted with a spout or designed so that the contents can be poured without spilling. They should be approved safety containers. It is illegal to store or dispense gasoline in glass containers in

Nassau County.

Gasoline must never be stored or transported in the trunk of a passenger vehicle, as the temperature reached in the trunk may cause the gasoline to expand and the container to leak.

Gasoline must never be stored in occupied buildings.

Gasoline must never be stored in cellars or basements or any area below grade. Gasoline vapors are heavier than air and tend to accumulate in low areas.

Never smoke or use spark-producing machinery in the vicinity of gasoline storage. Appliances that are certified as explosion-proof only may be used.

If, after reading this, you feel that you cannot safely store gasoline without violating any of the above guidelines, it is unsafe for you to attempt to do so.

A 1974 graduate of Hicksville Senior High School, and a 1978 graduate of Nassau Community College, Garden City, N.Y., with an Associate of Applied Science degree, he joined the Coast Guard in February 1979.

"Here's how to get a nice tax break while you save for a child's education."

- Joe DiMaggio

"Anyone can open a Bowery Custodian Account for a child, parents, friends, even a grandpa like me! That's right - these young ladies are my granddaughters, Kathie and Paula."

You know how expensive college has become. But The Bowery has a way you can ease the burden of future college expenses - and save on taxes in the bargain. It's called The Bowery Custodian Savings Account.

Anyone is entitled to open a Custodian Savings Account for a child at The Bowery: parents, guardians, relatives, family friends, grandparents.

When you do, these important tax advantages will belong to you:

1. Interest while you save is taxed at the child's tax bracket - not yours. The child will probably be in a low or zero tax bracket.

2. What you save in taxes over the years could be enough to pay for a fair chunk of the child's college education.

3. You pay no gift tax when you give up to \$3,000 a year to a child this way. (Husband and wife up to \$6,000.)

Any of The Bowery high-interest savings accounts may be used as a Custodian Account. Talk to a Custodian representative at any branch to see which account is best for you.

But don't put it off. Remember, the sooner

you open a Custodian Savings Account for a child at The Bowery, the bigger tax break you'll get.

Mail coupon for more Custodian Account Information (and to open an account by mail if you like).

Operation VFW

By Lou Palladino

If you missed our Installation dance, shame on you. It was a good one. You probably say to yourself, "he says that all the time". Usually I always do, simply because I enjoy a good

party. I try to make all of them. Installations are just about over. Only National, and State remain. As a matter of fact, our own Harry Wurth was installed as Sr. Vice in District No. 1, and

from our Ladies Aux., Joan Chwalisz, was installed as President of the same District. We are talking about high offices in the V.F.W. The next step from District is State. So Joan and Harry our congratulations on being elected to such high office. Then we have Carrie-Ann Wurth, Harry's daughter who was elected to the chair of Sr. Vice in the State Dept. of the Jr. Girls Unit. How do you like that? We also have our own Princess Grace in the Jr. Girls Unit, she's not from Monaco but from our V.F.W. Young Grace Kelly is now the Pres. of our Unit. In our eyes she's just as pretty, and she belongs to us.

Memorial Day has come and gone, and the mixed-up Holiday

VFW Ladies Auxiliary Convention

The Ladies Auxiliary to the Veterans of Foreign Wars, State of New York, will hold their annual convention in Syracuse, June 27 thru June 30. Millie Peterson from Nassau County Council and a member of the Oceanside Auxiliary No. 5199 will become President for the State of New York Ladies Auxiliary.

Millie is a very dedicated worker for the organization and they are proud of her many accomplishments. A presentation will be given by Nassau County

Council and its Auxiliaries, immediately following her installation.

Joan Chwalisz, will also be installed as District President at this Convention. Also attending from the Hicksville Auxiliary will be President Vitiello, Esther Palladino & Rita Aug.

Hicksville is very proud of Joan Chwalisz as this will be the first time this Auxiliary has had a District President. Her duties will cover Brooklyn, Queens and Suffolk as well as Nassau.

turned out very well, when you consider how many people were off Monday instead of Wed. It was a very good showing, and Lou Klein did his usual fine job as one of the Committee representing us. He has been doing it so long now that it's just a matter of putting everything in place each year. On top of that, the joint Committee made me miserable, my wife Eather was chosen as Mistress of Ceremony to my surprise, when we passed the reviewing stand, and I heard her voice I was surprised. It really sounded good.

The last meeting we had was Augie Barones last meeting as Cmd. Next time he will open the meeting he will hand over the gavel to Aldo Vitiello, under new business, and Augie will go into the Post history like the rest of us past Commanders. It's done very

quietly, and without any fanfare. So to Aldo and his staff the best of everything for the coming year. All we expect from you is a top job, and we know you can do it.

Artie Fuelling made his Bingo report, you don't have to be told what he said, but here it is any way "HELP..." Really fellas we do need help very much and plenty of it. This is a very important revenue for us, and it will be hard to exist without it. So please give a helping hand.

Our condolences to Kevin Burke on the loss of his father. Ed Chwalisz was in and out of the hospital, come on Ed lets make a quick recovery.

The lucky winner was none other than the Cmdr. himself Augie Barone. What a way to finish a term of office.

Next meeting is June 25th. Come on over.

Pictured above is Elissa Kelson, shown with her parents. Elissa was the proud recipient of the Nina Plantz Trophy for Academic Achievement at the East Street School.

HONORED: Oyster Bay Town Supervisor Joseph Colby (second from left) was on hand to help the Thunderbird Boy Scout District honor several workers for the contributions to Boy Scouting over the years. Those cited for

extraordinary service included (left to right) John Arfman of Glen Cove, Ralph Lopez of Plainview, and George Ruschmeyer and Robert Schuler, both of East Norwich.

Memorial Fountain Construction To Begin

Following the ground breaking ceremony on June 13th, the Kiwanis Memorial Fountain Committee announced, through its Chairman, Kingsley Kelly, that actual construction would be expedited. With excavation scheduled for not later than early in the week of June 25th, it is

anticipated the Fountain will be in operation by mid summer.

Chairman Kelly was highly pleased with the large attendance at the ground breaking ceremony. Following an opening prayer by Rev. Charles Froehlich of Trinity Lutheran Church, Town of Oyster Bay Supervisor Joseph Colby, Siegfried Widder as acting President of Kiwanis as well as Executive Director of Hicksville Chamber of Commerce and Mr. Kelly as Committee Chairman, jointly dug the first shovel into the ground.

The Committee is still accepting contributions from those who may want to have a part in this substantial improvement in the heart of Hicksville's business

area. Prior to the formal dedication ceremony, a public listing of all those contributing during 1979 will be released similar to that of the 1978 contributors. Please make any contribution payable to the Kiwanis Foundation of Hicksville, Inc. (charitable and tax deductible) and send to Mr. Ronald J. Wagner, Vice President, National Bank of North America, 20 Jerusalem Avenue, Hicksville, New York, 11801. Any excess of funds contributed above costs of the Memorial Fountain will be devoted to the charitable efforts of the Kiwanis, including scholarship awards.

Community Leaders Attend Council Dinner

By Carol Wolf

It has been many, many moons since you could smell the cabbage a mile away in Hicksville. The Community has grown and grown until we have reached 55,000 residents. And at the 8th Community Council Dinner held on Thursday, June 7th, many Community leaders were present.

Those who attended the dinner were: 'Uncle' Frank Chlumsky, who installed the officers, Ken Barnes, Director of the Library; King Kelly, John and Mildred Gehris and Bill and Mary Heberer from Seaman and Eisenman; Sheila Noeth, Editor of the Mid Island Herald; and Dr. Wilbur Hawkins, Superintendent of Schools.

Also at the dinner were Jack (who is the new Treasurer of the HCC) and Vicki Martin from Fork Lane PTA; Al Peck (who is the new Secretary of the HCC) and his wife Estelle. Al is also Director of HAD; Jack Landress, Co-Chairman of the Hicksville Bicentennial Commission; Vern Wagner, President of the Chamber of Commerce, and his wife, Alice; Mr. and Mrs. Max Joseph (HCT); Marge Giannelli, Director of Adult Education;

Geraldine Edding, a Graduate of Hicksville High; Henry Brenzel, Jr. President of Empire Storage; Florence Ruf, Holy Family Rosary; and Arthur and Virginia (newly elected member of the School Board) Germer.

The Galileo Lodge Brought Tony and Joseph Previte, Skip and Mary Monteforte, Jean and Mary Ingino, Joe and Grace Giardano, and Gus and Carmen Russo. Sitting at the Board of Director's Table from the Soccer Club were Al and Sandy Greenspan, Jeff and Sandy Kugler, Jack and Barbara McCann, Eileen and John Andrus and Mary and Joe Olive. Anna and Henry Brenzel attend. Henry received the President's Award for his years of Service to the School Board, the Kiwanis Clubs, the Fire Department, the Chamber and to the community of Hicksville.

PTA had many tables at the dinner. Present were Barbara Smith (Sr. High PTA), Honey Singer (Lee Ave. Pres.), Carol Marks (Burns Ave. PTA Pres.), Arlene Rudin (Dutch Lane Outgoing) and Ann Freyerson (Dutch Lane Incoming Pres.), Helen McQuade (Willett Ave.), Linda Strongin (Fork Lane Outgoing Pres.), Lorraine (Pres.

of PTA Council) and Bob (Past Chairman HAD) Loesche, Norma Goerke (Recording Sec. PTA Council), Mary Cordier (Incoming Pres., Lorraine Mund (OCR Pres.), June Petro (OCR Vice-Pres.), Joan Martin (OCR Recording Sec.), Pauline Fava (OCR Council delegate), Zada Sedlaczek (Vice Pres. Jr. High), Nancy Staron (Jr. High Pres.), Marie Corrigan (Sr. High PTSA), and Carol Lowry (East St. PTA).

Present from the School Board were Tom Nagle, (President), Pete Fujimoto, who brought his wife Diane (Fork PTA), Bill Bennett who brought his whole family - his wife Clara (Library Board), and son Raymond and daughter, Cathy. From the Gregory Museum were Dick and Ann Evers, Mr. and Mrs. Murray Margolis, Mary Jo MacDonald and Jacqueline Bodger. At the other Soccer Club table were Tony Camara "Mr. Soccer", Christine Cahalan, Jeanine Burke, Nancy Tandy, Joe and Lenore Perry, and Gerry and Mary Bruton. The Soccer Club was this year's recipient of the HCC Community Award.

Also present were Councilman (our 2nd Vice-President) and Corrine Clark, Fr and Mrs. (Continued on Page 8)

Hail And Farewell

CUMMINGS 'N GOINGS

By Jim Cummings

HAPPY 4th. The members of the Joseph Barry Council, No. 2520, Knights of Columbus and their families will hold their annual Clam Bake at Heitz Place, next Wednesday, July 4 according to Warren Healey, General Chairman. There will be every variety of clams, corn-on-cob, refreshments, live entertainment and a pleasant afternoon for Brother Knights and their families (members only) said Healey, who has been chairing this yearly event with vigor and success. It's a time to give thanks to all those who have made America's Independence possible - remember to fly the American Flag - despite the gas crunch, energy concerns, this great Country will survive-thank God you're an American.

75TH ANNIVERSARY: Volunteer Hose Company No. 4, of the Hicksville Fire Department will celebrate this Saturday, June 30, with an old Fashioned Parade and Block Party starting at 3:30 P.M. Citations will be presented to the Honorary Grand Marshalls, four men who were protecting the hamlet of Hicksville, long before we were born-Hats Off to: Henry Brenzel, Fred Turner, Frank Jung and Henry Schnepf - in fact Henry Schnepf served as Chief of the Department in 1921, (58 years ago) and looks as spry as ever. Hear the best in corps, including the World Champion St. Ignatius All Girl Cadet Corps - an ideal

day to salute these distinguished members of our community, our Volunteer Fire Department, you're the Best.

WELCOME HOME: Captain Rick Gibbs, of the United States Air Force, his wife, Kathy (nee Roemer) and family - Ricky, Jennifer and Timothy are visiting with her parents, Mr. & Mrs. William J. Roemer of Hicksville, after a cross-country trip from Mt. Home, Idaho. Kathy is a graduate of St. Ignatius School, Our Lady of Mercy Academy, Syosset and Misericordia Hospital, NYC, where she completed her training as a Registered Nurse (R.N.). She graduated recently Summa Cum Laude from Park College, Idaho, with a Bachelor of Arts in Social Psychology - as the Irish prayer states: "May the road rise behind you, and may God hold you in the hollow of his hands" - a good stay and luck in your new home.

ON THE GREEN: Pat Cowan and Jim Mills, co-chair the AOH Golf Tourney - we're all for another success, gentlemen... Eamon Tuohy, of Sunset Avenue, Hicksville is recruiting new members for the "Division of the Green Berets", AOH of Hicksville - we plan on welcoming aboard in September: Thomas Hogan, Charles Lynch, Francis O'Connor (Commissioner of General Services, Nassau County - a Locust Valley resident), Francis J. Donovan's son, Joseph and Joseph Flanagan... Saturday, July 7 is the Hicksville AOH picnic at

Cantiague Park starting at 12 Noon till dusk, chaired by Harold Deegan (931-6661) and John McMullan (681-3128) - tickets are \$7.50 per Member family and \$10.00 for non-members - this is our 17th year at Cantiague Park - plus you'll save on GAS-call today and enjoy the day (rain or shine). Nora and Ned Bergen of Hicksville were honored by the Ladies Auxiliary of the AOH last Thursday evening at the Knights of Columbus and also presented with a special plaque from John Steele, President of the Men's Division for their years of dedicated service to the Order - we'll sure miss those "specials" Ned and Nora provided these many years - good luck on your Western home.

IT'S A FACT: you can prevent pre-ignition it has been suggested (on automatics) by placing the gear in drive first (with foot on brake) and turn off the key, thereby slowing down engine - rather than quick turn-off this is caused by possible low-octane gases we are presently getting - check, of course with your own mechanic before doing same - we found it works... A \$1.25 per gallon was noted for premium at a Hicksville gas outlet - another offers gas only in cans, what next?... The IRISH ECHO is planning to expand its coverage to Nassau County we learned recently from John Grimes, publisher of America's leading Irish-American weekly... Gas lines are longer and no one checks if you're odd or even either... we may blow our fuel this winter unless energy checks are made - now is time to check those windows and eliminate drafts, insulate, paint - but do it

A SPECIAL EVENT AT LEE AVE. SCHOOL: On Thursday, June 7, a surprise retirement party was given to Lee Ave.'s second grade teachers, Miss Bennett, Miss Gray and Miss Sheehan. And, low and behold, it was a surprise. Congratulations and tributes of appreciation and affection were presented by Mr. John Mateer, Principal, and the assembled parents and students. The teachers were then

presented with corsages, memory photo albums containing letters, memorabilia and individual pictures of their 1978-79 class, in addition to gold initialed lockets engraved "Second Grade 1979." A delicious cake, wishing them "Best Wishes and Happiness" was enjoyed by all.

Left to right: Miss Sheehan, Mr. Mateer, Miss Gray, Miss Bennett.

GREGORY MUSEUM science awards are presented by Museum Trustee Rosemary Barrow to students of Willet Avenue School, Hicksville. Fourth grader Matthew Lloyd received a medal for his research

on fossils. Vincent Longo and Lisa Spinello accept awards on behalf of the third grade for a group project on ecology of the desert. With them are their teachers: Roselyn Katz, Barbara Koenig, and Joanne Crown.

Joseph Barry Council K of C Awards Night

By Carole Wolf

On Tuesday night, June 19th, the Knights of Columbus had a Community awards night that benefitted not only the Knights, but the members of our Community. This year's Grand Knight, Jun Carroll presented all the awards and then bestowed the Grand Knight Jewel to Olie Costello who will carry on the tradition next year.

The highlight of the evening was the presentation of the Community Service Award and a beautiful plaque to Sheila Noeth, Editor of the Mid Island Herald, for her dedication and involvement in her Community, Hicksville. Sheila's daughter, Lynda Noeth Scotti, her husband, Tony, and the five Scotti's were on hand on this auspicious occasion.

There were three scholarships presented during the evening. Bill Ennis, a Senior at Trinity High School, received a scholarship to Villanova. Bill is the son of Bill and Arlene Ennis of Hicksville. Alex Clark, son of Councilman and Corrine Clark received a scholarship to St. Dominic High School in Oyster Bay. And Margaret Mary Schreiber received a scholarship to Holy Trinity High School in Hicksville.

Because of the Charity of the members and supporters of the C & B program, many donations were made to help charitable works in the area. \$1,000 was presented to Father Hugh Cannon towards the building of a brand new Church, St. John of Nepomucene in Bohemia. \$500 was given to the St. Ignatius Drum and Bugle Corps. \$500 was given to the Association of Retarded Children. \$250 to Mary's Haven, \$250 to St. Ignatius Exceptional Children.

Register NOW by calling 931-2225 or stop by the church at 40 West Nicholas Street (between Broadway and Jerusalem Avenue) in Hicksville. ALL children aged 4 to 14 are invited to attend. Classes will be held every day from 9 a.m. to Noon, Monday through Friday. Over 100 teachers and helpers are trained in special workshops to give your children a memorable summer-time experience. Bible stories, arts and crafts, music, song, worship, playtime, and refreshments are all part of the excellent program.

Grand Knight of the Joseph Barry Council 2520 (center) presents the Council's Community Achievement Award for 1979 to Mid Island Herald Editor Sheila Noeth, while Oyster Bay Town Councilman Thomas L. Clark (right) and Mrs. Noeth admire the beautiful plaque.

\$250 to Holy Family Exceptional children, \$150 to the Association of Children of Downs Syndrum, \$150 to the Industrial Home for the Blind and \$1,000 to the Nassau-Suffolk Deaf Children's Fund.

Awards were then given to the Outstanding members of the Council. Walter Schreiber received 1st place in the district for membership, and the 3rd place bulletin award from the N.Y. State Council went to Bill Thomas and Bill Henne, Sr. The Knight of the Year was Don Pesonen, who chaired 5 events during the year.

Faithful and Exceptional Service Awards were given to Evelyn Dorsey for Ladies Night, John Porter, Insurance, Jack Fletcher for being the Youth Activities Director, Bob

DeLorenzo for Membership, Doug Harknett for Pro-Life, Art Budich for the Blood Bank and Brian Dunker for being the Lecturer. A big Thank you was given to Bob Watterson, Ed McCann, Ted Flynn and John Connolly for work in the trenches and to Jack Crawford for printing.

Commissioned

Joseph J. Romano, son of Anthony S. Romano of W. Lane Drive, PLAINVIEW, has been commissioned a Navy Ensign and received a Bachelor of Science degree upon graduation from the U.S. Naval Academy in Annapolis, Md.

As a midshipman at the Academy, he underwent four years of extensive study of engineering, mathematics, physical and marine sciences, management and government. In

addition to an active physical fitness curriculum, he studied military justice, leadership and Naval history and completed a variety of elective courses leading to his baccalaureate.

Summer programs provided him with an opportunity to gain professional experience aboard naval vessels and at Navy and Marine Corps shore installations.

Romano is a 1975 graduate of Bethpage Senior High School, Bethpage, N.Y.

A MOUTHFUL: Oyster Bay Town Councilman Salvatore R. Mosca gets a mouthful of cake during the recent end-of-year luncheon of the Plainview Senior Citizen Club. Joining in the festivities are officers of the club (left to right) treasurer Marie

Grenier, corresponding secretary Susan Incalcaterra, 2nd vice president Sylvia Snitzer, president Cele Angrist, vice president Sadie Landew and recording secretary Dorothy Peltz.

Gold! Gold! Gold!

Where? At the GOLD MINE. But not the kind of gold you may be thinking of. This is a priceless treasure found in the Lord Jesus that we can share together.

The GOLD MINE will feature contemporary music to praise Jesus, motion pictures with a message, and other programs. Most basically it will be a place to hang out, enjoy the company and enjoy some food, too.

The GOLD MINE opens Saturday, June 30th at 8:00 P.M. The night's program will feature John Burns at the guitar and keyboard. We'll meet same day, same time, each week at the Church at Hicksville, 17 Herzog Place in Hicksville.

For further information call 931-3693, 931-3281 or 935-1510.

TH GOLD MINE - "reaching to God and to others."

Kindergarten, 1st & 2nd Grade League

In the Bird Division, the Cardinals won first place and there was a three-way tie for second place.

The Pigeons defeated the Robins 15-14 and then played the Jaybirds to break the tie and won 13-3 to put them in second place.

In the Fish Division, the Bass and the Whales tied for first place. In an exciting game the Bass won first place and the Whales second place with a score of 20-11.

Semi-Finals took place and the second place Pigeons beat the first place Bass by a score of 13-11. For the Pigeons, excellent

hitting and defense was supplied by Joe Garry, Joe Hufnagel, Jack Blazewicz, and Chris Hogan who had a 2 run home run. For the Bass, nice plays in the field were turned in by Jimmy Schinick and John Schneider. Hitting was supplied by Phillip Anglin, Tim Cleary, Richie Hutchinson, Bobby Coogan, Roger Ellinger, Scott D'Amico, and John Johnson.

In the other semi-final game, the second place Whales beat the undefeated Cardinals 5-1. Outstanding fielding was turned in by Chris Shearer, Steve Postuallo, James Curley, Robert Gerstenbluth, and Billy Burke for the Whales. Brett Fox was responsible for crossing the path with the winning run. The Cardinals played well with good fielding by everyone.

Finals will take place this week.

3rd Grade League

The Mariners (M.D. Cesspool) defeated the Cardinals 5-1. This win by the Mariners broke the tie for first place in the second half. Mike Wozniak had the key winning hit for the Mariners. The game was 5-1 in the last of the 6th inning and the Cardinals had the bases loaded with no outs but could not score against the Mariners.

The Cardinals had a good season, playing down to the last out. Craig Freyerson, Kevin Reynolds, Mike Conway, Robert Imhof, John Keenan, Don Moore, John Sommers, Gary Zima, Jeff Turner, Ed Gebhard, Tom Moore, Brian Thomas, and Daniel Kilfoil all played hard for the Cardinals.

In the Championship Game played on June 25th, the Mariners (M.D. Cesspool) defeated the Yankees (Allied Landscaping) 10-3. There was good all-around ball playing by both teams.

For the Mariners: Dennis Kenefick - pitcher & 1st base; Vinny Hallian - pitcher & 1st base; Mike Brown - 3rd; Robert Cross - catcher; Robert Kaminek - outfield; Chris McCandless - shortstop; Paul Stettner - 2nd

Hicksville American Soccer Club News

GENERAL NEWS

The long, busy Spring Season is just about over and the 26 traveling teams played a total of 352 soccer games including League, Regional Cup and Long Island Cup competitions. They won 213, lost 100 and tied 39 games, which can certainly be classified as a highly successful season. Five of the 13 teams entered in the L.I. Cup brought home championships. In the State Regional Cups, Peter Collins' under 19 Minutemen went all the way to the National Championships in Omaha, Nebraska and emerged number 2 in the entire nation. John Harris and his under 10 Rangers have one more game to win to become State Champs. Good Luck to John and his boys.

BOYS SETTLE SCORE

The under 14 (1965) boys had a score to settle last week and traveled out to North Babylon for the second time in a week to take on the league-leading Patriots in their final League game of the season. The Rovers once again demonstrated that they are championship material when they get their act together and when they all play good soccer. Two days previous, the boys received a sound thrashing from North Babylon (5-2) and again gave up a quick goal in the early minutes of the game. This time, however, they immediately came to life and began carrying the game to the Patriots. The front line strikers (Adrian Pepi, John Mitchell, Gene Tyranski, Bobby Andrus and John McCann) began penetrating and put a lot of pressure on the N.B. Defense. The mid-field also did their job perfectly and kept the ball on the ground as instructed by Coach Pat McHugh and worked extremely hard to keep the ball in North Babylon's end. In the last few games, some of them very big ones, this unit (Dave Smyth, Jimmy Demarco, Robby Cullen and Vinny Christiano) has come alive and has played great soccer. The score at the half held at 1-0 in favor of the Patriots. In the second half, Hickville continued to penetrate deep and really wore down their opponent. The defensive unit (Jim McGeough, Steve Dolan, Cliff Feldman, George Marco, John Fitzgerald and Robby Pearce in goal) put a lid over the Hickville net and completely closed the door on North Babylon. With 10 minutes left in the match and with Hickville still applying tremendous pressure, N.B.

committed a foul in their own area & allowed the Rovers to tie the score with a penalty kick. Minutes later, Hickville scored again and defeated the first place team 2-1 in a great soccer game. North Babylon had not been beaten in at least two years and it was just a year ago the Rovers tied them in the final game. The Plainview Burger King sponsored Rovers final League Record was 8 wins, 1 loss and one tie for a second place finish - a good season with a close finish. The boys are now preparing for Canada this week and the Hickville International Tournament in July.

GIRLS BREAK Jinx

In their final League game, the Hickville Majors (girls under 14) came away with a really great victory and finally knocked off the Massapequa Slingers by a 3-2 tally. The girls played excellent soccer for temporary coach Marty Conway and ended their season on a highly successful note. Massapequa had beaten the girls for the last two seasons and the Majors finally broke the spell. Congratulations on a great game to Rita Cerasi, Kathleen Conway, Maureen Collins, Laura Fennell, Lisa Geveda, Denise Harkins, Patrice Kenny, Debbie Luongo, Sue Mitchell, Erin O'Leary, Tanya Pfeffer, Laura Talenti and Diana Taylor.

Panthers (U-16)

Last league game of the season. And what a thriller it was. The opponent was Rocky Point, a very strong and physical team. Under threatening skies, Hickville scores after 15 minutes of play. Brian Knuth takes a beautiful pass from David Horne, and puts the ball into the net. The Hickville defense has some communication problems, and R.P. is able to score 3 goals in the first half, 3-1 at halftime. By now the rain is pouring, and coach Akl has a heart to heart talk with the boys. Brian Drier scores a beauty from the left, unassisted. The H. defense stops all counterattacks by R.P., and it's Hickville all the way. Ralph Stueveling holds the defense together, and a lot of pressure is applied to R.P. One of their defenders is pressured by Bill McCulloh, tries to pass the ball back to his goalie, but he cannot reach the shot and the game is 3-3. The defense sets up a nice play, and sweeper John Salata takes the ball through the R.P. defense and scores on a superb shot. Final score: 4-3 for Hickville.

The roster: D. Horne, B. Drier, L. Goldstein, D. Straub, B. McCulloh, P. Akl, J. Bradley, B. Knuth, W. Eichler, P. Heller, B. Reilly, P. Sherry, J. Salata, J. Cullen, R. Stueveling, B. Bruton. Coaches Akl and Stueveling, the players and parents would like to thank the Hickville VFW for their sponsorship and the Mid-Island Herald for their interest.

DIVISION CHAMPS

HICKVILLE RANGERS

"U-10"

The Hickville Rangers sponsored by the Hickville Motor Lodge and coached by John Harris, certainly have something to be proud about this week, they not only captured the Division 1 Championship, but, they also won their final against Massapequa in the Long Island Cup competition.

The final game of the Long Island Cup against Massapequa turned out to be one filled with excitement and surprises. The Massapequa team was certainly "up" for this game and gave the Rangers a difficult first half. With both teams testing each others defenses and goalkeepers, the first half ended in a 0-0 tie.

In the second half, a Massapequa pass picked off by Peter Thompson worked his way from midfield through the Massapequa defenses and put the ball into the net for the first goal of the game. With only minutes left in the game, the Rangers front line went to work with some brilliant passing tactics and was met by some pretty strong defenses. The play, changing hands in front of the Massapequa net many times left a little roller loose on the left side where the Rangers Chris Beach sent a shot rolling into the right hand corner for Hickville's second goal. This proved to be all the scoring there would be - the game ended Hickville 2 - Massapequa 0. Our compliments to the coaches and boys of the Massapequa team for a very fine soccer game. They certainly have a lot to be proud of.

The Hickville Rangers, after posting a very respectful record of 18 wins - 0 losses - 2 ties (which include League and Cup matches) find themselves once again this coming weekend in a final game against St. Dominicks for the New York State Cup. We wish John Harris, and his boys, Vincent Antaki, Chris Beach, Tommy Boccafolo, Berto Cerasi, Tommy DeTone, Craig Freyisen, David Insana, John McCoy, Darren Nathan, Ronnie

Long Island Cup Champions are Top row, 1 to 4, Darren Nathan, Chris Beach, Alex That, Vincent Antaki, Berto Cerasi, John McCoy. Bottom row, 1 to 4, Tommy DeTone, Tommy Boccafolo, David Insana, Peter Thompson, Ronnie Sargent and Coach John Harris (not in picture Craig Freyisen)

Sargent, Alex That, and Peter Thompson, Good Luck in the State Cup and repeated success in the up-coming International Tournament.

Thunderbirds

The Hickville Thunderbirds sponsored by Long Island Boating Publications coached by Joe Neto traveled to Sachem to participate in a two day tournament which consisted of 3 games on Saturday and two on Sunday. The 1968 group was made up of 8 local teams which was split into 2 groups of 4. The Hickville Americans Soccer Club was well represented by this 1968 team as they won 4 games and lost 1. Two other teams finished with the same record and all three teams were declared co-winners as no finals were held in this tournament.

Because of the large amount of teams participating in the

tournament Saturdays games were 30 minute games. Hickville did well in their first two games, defeating Plainview 3-1 and Cow Harbor 3-0 but lost the afternoon game to Sachem 2-0. Hickville had beaten Sachem 2 weeks prior to the tournament by a score of 5-0 in a regular league game.

On Sunday morning the boys came back fresh and ready to play the two teams that placed 1st and 2nd in the second group. The first game was against North Shore who was undefeated on Saturday. Hickville dominated the entire game and came out on top with a 4-0 victory. The second game was against Farmingdale and again the boys played very well as they won 5-1.

This was the first outdoor tournament for the Thunderbirds this year, and are looking forward to the next tournament in Cow Harbor in July.

Mrs. Jane LaFalcia (left) and Doris Mill (right) congratulate Angela Wieman and Diane Koenig on receiving their First Class Badge (the highest award that can be earned by a Cadette Girl Scout) during a ceremony held at Trinity Lutheran Church, Monday evening, June 11. These scouts also received letters of congratulations from President Carter, Governor Carey and others.

The girls had to meet the requirements of badges and challenges which tested their ability to use their knowledge in real life situations. It took a lot of hard work.

Secures Real Estate License

Mr. Charles I. Montana Sr., President of the Montana Agency, Inc. announced that his second son, George D. Montana, recently passed the New York State examination and has secured his real estate broker's license.

George, age 25, graduated from Boston College in 1976 majoring in Business Administration and Finance and is now a member of the Agency.

Charles Jr., age 30, has been active in the family real estate and insurance business since his graduation from Siena College in 1970 and holds the position of Vice President.

The business which was started in 1946 truly has its roots in Hicksville as Mr. Montana, Sr. was born in Hicksville and has lived here all his life.

Grant To Aid Gifted

Our Lady of Mercy School, Hicksville, is the recipient of a Federal grant under Title-C to develop an innovative program for the gifted and talented student. Despite competition from several hundred applicants, Mercy's program was one of approximately forty to be funded in Nassau County. It was announced this week by Sister Joanne Deegan, R.S.M., the school's principal.

The program, entitled ALP, the Able Learners' Program, was developed by Mrs. Nancy Schmidtmann and Sister Margaret Ann Hartigan of the school's faculty. Centered around the

topic "The American Indian: Fact or Fiction," ALP participants will examine stereotypes about the Native American, learn research skills and organizational methods and apply these to Indian anthropology, literature, art, music, science, mathematics and

contemporary social problems arising from attempts to superimpose middle class American values and customs on an already existing culture.

Selected students in grades 5-8 will work in small groups directed by faculty members and visiting consultants.

"Presto" At Cantiague

Presto the magician, that master of magic, mystery and suspense, will be astounding youngsters at Nassau County parks this Summer, in a program arranged by the Department of Recreation and Parks and sponsored by the Seamen's Bank for Savings.

The schedule includes: Wampanoag Park, Sunday, July 8 at 1 p.m.; Centennial Park, Roosevelt, Monday, July 9 at 2 p.m.; Whitney Pond Park, Manhasset, Tuesday, July 10 at 2 p.m.; Cow Meadow Park, Freeport, Saturday, July 14 at 2

p.m.; North Woodmere Park, Sunday, July 15 at 3 p.m. Presto's name in "real life" is Everett Johnson.

For weekly information on other programs conducted over the Summer by the Nassau County Department of Recreation and Parks, call 486-4455 or 292-4200.

Opera Cameos

On July 8th at 8:00pm, the Music Ministry of St. Ignatius Church will present Opera Cameos, a concert of famous scenes and arias from Italian and

French opera. The selections will be sung in their original languages with program notes and explanations provided for the audience. The program will include arias and duets from Pagliacci, La Traviata, The Pearl Fishers, Tosca, and Rigoletto sung by Teresa Arrigo, soprano; John Raber, tenor; Kenneth Shepski, tenor; and James Tornatore, baritone.

The concert will take place in the church, it-self, at 129 Broadway. For further information, contact Frank Croso, organist and Choirmaster of St. Ignatius Church at 931-0058. Donation \$2.00.

Receives Award

Joan Boyd of Terrell Ave in Hicksville was one of over 100 leaders who was awarded a Certificate of Appreciation by the Home Economics Division of Cooperative Extension on May 8. As a volunteer Joan Boyd, President Elect of the Nassau Co. Homemakers Council attended the training course Covered Window Shades taught by Cooperative Extension and shared the skills she learned with members of East Meadow Chapter, N.C.H.C.

Volunteer leaders like Joan Boyd made it possible for

Cooperative Extension in Nassau County to extend the resource of Cornell University to members of the community.

Groups interested in learning more about the leader training program should write to: Home Economics Leader Training, Cooperative Extension Association, 1425 Old Country Road, Bldg. J, Plainview, N.Y. 11803.

Resident Digs Ancient Roman Port

Ted Grant, Jr., the son of Rev. and Mrs. Theodore Grant, 43, Bridge St., Hicksville, is a member of a Drew University archaeological team digging this summer at the ancient Roman port of Caesarea Maritima.

This is the first archaeological expedition for the Hicksville High and Nassau Community College grad, now a dean's list senior majoring in psychology at Drew.

The ruins of Caesarea lie under 12 feet of sand on the Mediterranean coast, halfway between the modern ports of Haifa and Tel Aviv. A city of some quarter million inhabitants in its prime, 2,000 years ago, Caesarea boasted a coliseum larger than Rome's, a hippodrome seating 30,000 spectators for chariot races, and a harbor larger enough to shelter the entire Roman fleet.

Discoveries at the site—an area about half the size of Manhattan—have included colossal statues, the first inscriptional evidence outside the Bible for the existence of Pontius Pilate; brilliantly engineered water supply and sewer systems; and a jewel-like amphitheater where modern symphony orchestras, opera companies, and superstars of

Hicksville resident Ted Grant, Jr., and Drew University archaeologist Robert Bull examine a replica of an ancient Greek

amphora cast experimentally at the Drew Institute for Archaeological Research.

classical and pop music now perform nightly throughout the summer.

Under the direction of Drew archaeologist Robert Bull, teams from Drew and the Universities

of Maryland and Colorado are working this summer to uncover the southern terminus of the city's main thoroughfare, near the entrance to a large Roman Theater.

John G. Marks of Albert Road, Hicksville, a former New York City policeman decorated five times, at age 37 received his law degree from Yeshiva University's Benjamin N. Cardozo

School of Law June 10 as one of 282 students in the school's first graduating class. From left to right are: Mrs. Patricia Marks, daughter Elizabeth, age 5, and Mr. Marks.

Returns From Seminar

Jean Johnson, daughter of Mr. & Mrs. Peter Johnson of Friendly Road, Hicksville, a junior at Holy Trinity High School has recently returned from the Science and Engineering Summer Seminar Program held at the U.S. Air Force Academy in Colorado.

Ms. Johnson was one of 400 High School juniors chosen from over 1800 applicants nationwide to attend the seminar.

Lt. Gen. K. L. Talman, Superintendent at the Academy said Ms. Johnson's selection was based, primarily on her superior performances as a student in the sciences and engineering areas.

During the seminar period, she had the opportunity to work with excellent engineering, science and laboratory equipment under the supervision of the Academy staff.

Among the many projects undertaken by Ms. Johnson during her week-long stay, was the wind tunnel workshop. This consisted of a series of three laboratory experiments. The purpose of the experiments was to learn some of the aircraft parameters important to aircraft design, and how the wind tunnel is used to predict aircraft performances.

She also participated in the Glider Design Workshop which covered basic aircraft structure, basic aerodynamics and aircraft stability.

In addition to her work with wind tunnels, Ms. Johnson was also allied upon to work with

computers and sophisticated plotters to aid in analyzing data. This provided her with a unique insight into the field of aeronautics.

In addition to her work in the classroom, the trip to Colorado also provided her with the chance to visit such scenic local areas as the Garden of the Gods, Manitou Springs and the summit of Pikes Peak.

Upon her graduation from Holy Trinity in June 1960, Ms. Johnson has expressed a keen desire to further her studies at the Air Force Academy and pursue a career in the military.

Receives Award

James Long, son of Mr. and Mrs. Robert J. Long of Willfred Blvd., Hicksville, has been recognized as an outstanding U.S. Air Force Reserve Officers Training Corps (AFROTC) cadet at Syracuse University.

The cadet received the Reserve Officers Association Award for academic achievement and military excellence.

Upon graduation and completion of the AFROTC program, Cadet Long, a student at the State University of New York College of Environmental Science and Forestry at Syracuse, will be commissioned an Air Force second lieutenant.

The cadet is a 1975 graduate of Holy Trinity Diocesan High School.

Congratulations to Charles Schlegel, Swim Coach of the PLAINVIEW H.S. and long-time resident of PLAINVIEW, who was recent recipient of the Outstanding Service Award from the National Inter-Scholastic Swim Coach Assoc. of the United States. He is also an Aquatic Specialist with the Town of Oyster Bay's Parks Dept. He was presented with the award at the Association's recent convention in Cleveland.

Charles L. Ebbeck of HICKSVILLE, recently celebrated 25 years service with Grumman Aerospace Corp. He works in the Maintenance Dept. of the Bethpage facility.

Hilda and Bill Murphy of West Nicholas Street, HICKSVILLE, attended a family reunion on June 9 at Bill's cousin, Betty's home in Milford, Connecticut. It was a well-attended affair - about 80 members of the Murphy clan were present. The family had promised that they would get together to see how the family had grown over the years and to renew old relationships. It was a memorable occasion and enjoyed by everyone.

Another memorable occasion was the 30th wedding anniversary of Sis and Bernard Wesnolke, HICKSVILLE. They celebrated on June 26. Congratulations to you both.

On May 29, Frank and Barbara DeStefano, Mayfair Lane,

HICKSVILLE, were married 8 years. They celebrated with dinner at Nimo's Restaurant. Frank and Barbara have a son, Frank, Jr., and a daughter Renee. Of course, the children helped their parents celebrate although they're a little too young to understand just what they were celebrating. Best wishes, Frank and Barbara from your friends and neighbors.

And talking about anniversaries, Angelina and Peter Hook of HICKSVILLE were married 53 years on June 27. They went out to dinner with their daughter, Gertrude Walker and her husband, Harry, and the Hooks' 3 grandsons, Glenn, Gary and Andrew. On their 50th wedding anniversary, the Hooks had a big celebration. Peter said he and Angelina will celebrate with another big bash on their 55th wedding anniversary. Peter is retired from the New York Sanitation Department where he was employed for 35 years. We wish you both at least 55 years more of wedded bliss. Congratulations.

Timothy M. Farrell, son of Mr. and Mrs. Joseph Farrell, and James M. Antonelli, son of Mr. and Mrs. Lawrence Antonelli, all HICKSVILLE, were among the 94 Maryville College seniors participating in the College's 160th commencement exercises. Timothy was awarded a Bachelor of Arts degree in health, physical education, and recreation. James will receive his Bachelor of Arts

degree in psychology at the conclusion of the summer term. Needless to say, the parents of these two fine young Hicksville residents are extremely proud of their progeny. We wish you both success in all your future endeavors, fellows.

Congratulations to Mike and Sue Polansky of PLAINVIEW, who celebrated their 16th Wedding Anniversary on June 22. The Polansky's took time out from Mike's campaign for a seat on the Oyster Bay Town Board to celebrate the occasion.

Congratulations to Jordan Breslow, son of Mr. & Mrs. Allen Breslow of OLD BETHPAGE, who celebrated his Bar Mitzvah on June 16. Jordan's dad Allen is a member of the Plainview-Old Bethpage Public Library Board of Trustees.

Congratulations to Rose Gorceycki of HICKSVILLE, who recently marked five years of service with Long Island Lighting Co.; to Thomas C. Hamilton of HICKSVILLE, who recently marked five years of service with LILCO; and William J. Adams, of PLAINVIEW, who recently marked 30 years of service with LILCO. Ms. Gorceycki works in the utility's accounting dept. Mr. Hamilton works in the utility's Shoreham Nuclear Power Dept.; and Mr. Adams works in the utility's Purchasing Dept. as supervisor in technical purchasing of electricity.

Something To Think About

In the Middle Ages a serf was required to turn over about 30 per cent of his production to the Lord of the Manor. Americans are now taxed almost 50 per cent of their incomes by all levels of government.

We'd have to reduce government spending to reach a position equal to that of a medieval serf.

Observation by
Congressman

Philip R. Crane of Illinois

CONTAMINATION THREAT (Continued from page 3)

chemicals down into the aquifer which supplies our drinking water. State officials seemed startled by this testimony, but, commendably, moved immediately to stop the dumping.

It's difficult to say specifically how widespread and how concentrated these chemicals are in the island's soil and in our drinking water. But our hearing has made clear the problem is far greater than even state health officials had suspected. And it's a problem not limited to Long Island, although it's more serious here than in most areas because we get all of our drinking water from wells.

We already have a law on the books to attack this problem, the Resource Conservation and Recovery Act - RCRA for short.

But the federal Environmental Protection Agency is so tangled up in its own red tape that it has done next to nothing to implement the Act, despite the fact that Congress mandated action by April 1, 1978. I trust our hearings will prod the EPA into action on necessary regulations.

We also need concerted action by federal, state and local officials across the nation to deal with this problem and clean up sites where hazardous wastes have accumulated. I believe our hearings will encourage such action.

I anticipate our subcommittee's hearings will be concluding shortly and that by next month we will issue a report with specific recommendations for curbing the danger from improper disposal of hazardous wastes - an area of vital concern for all Long Islanders.

Galileo Lodge News

By Joe Lorenzo

June is usually the month when graduation exercises prevail, and here in Hicksville commencement activities were in full view. And, of course, in full view also was the Galileo Lodge as it presented its own scholarship awards to two students from the Hicksville school system. Receiving a \$250 award and a plaque for her excellence in Italian was Marie Milito, a student from Hicksville High. Also receiving \$250 and a plaque was Michael Hackett, a student from Trinity High School. The Galileo Lodge, ever cognizant of the importance of education in American life, deemed it a pleasure and an honor to bestow these awards to these two fine students. And, in the same vein, the Galileo Lodge wishes to convey its congratulations to all the students from the Hicksville sector who probably will advance

themselves to even greater realms of achievement. Michael Barrett won his award for his excellence in science.

Tony Previte, the director of the Galileo Lodge picnic has announced that our organization will hold its annual picnic with the Marco Polo Lodge of Levittown on July 22, starting at 1:00 P.M. Adults will be assessed \$5.00 and the children will pay \$2.50. Food, refreshments, use of the Levittown bocci courts and the Levittown swimming pool will round out the program for that day. So, for a fine Sunday of eating, relaxing and enjoying oneself to the fullest extent, why not become a part of this Galileo Lodge picnic. Many games and tournaments will keep everyone busy and active or, just come to spend a tranquil afternoon with members of both Lodges. Please

contact Tony Previte by calling 931-9351 for more details.

The Annual Convention of the Sons of Italy in America, of which the Galileo Lodge was an active participant, which was held at the Concord, produced some nice results for our organization. Joe Giordano, presently holding the title of Grand Trustee, was re-elected to that post at this convention. Congratulations to Joe Giordano from all members of the Galileo Lodge. A golf tournament was part of the proceedings, and under the direction of Skip Monteforte, various trophies were given out. The Ladies Auxiliary won second prize, and Mrs. Marion Misturini won a trophy for her achievement in this sport. Tony Previte, another member of the Galileo Lodge, was also elected Alternate Supreme Delegate. Congratulations also to Tony Previte from the Galileo Lodge.

Those connected with the Galileo Lodge (perhaps even those not connected) are quite happy to see the beginning of our exterior renovation program.

In this photo are shown the team that made the Member Appreciation Night such a rewarding experience. Starting from the left, Rae Greco, Rose Ricciardi, Andy Guillano, Jo-Ann Wallick, Jim Guarino, Mrs. Emma Guillano, Mr. and Mrs. Ralph De Stefano and Mrs. Guarino. Their hard work, and the work of others not shown, made such a beautiful evening possible.

Those responsible are Tony Previte, Mario Tucci, James Posillico and Pete Massiello, whose skillful hands and minds will produce these improvements.

IN OUR FUTURE: Hawaiian

Dance, set for August, with Ted Marotti in charge... Lodge bowling starts at summer's end... even next year's Feast is being planned. More on all these future events as the details are worked out.

Winners

Four students from Hicksville High School were winners in the 1979 Nassau County Consumer Youth Competition, a county-wide contest sponsored by the Office of Consumer Affairs.

At an award ceremony at Hofstra University on Tuesday, June 12th, Deputy County Executive James Nagourney and Consumer Affairs Commissioner James E. Picken presented 1st place plaques to Lynda Lewandowski for her report on inflation, and Lynn DaSilva and Deann Arce for their poster on the gas crisis. A 3rd place certificate was awarded to Kathy Kokoris for her consumer awareness poster.

All projects were judged on the basis of consumer knowledge, quality of workmanship, and creativity. Several hundred entries were received this year from schools all over Nassau County.

Express Mail Same Day Delivery Metro Service Comes To Hicksville

Hicksville Postmaster Anthony M. Murello is pleased to announce that effective June 25, the Hicksville Post Office will be one of nine U.S. Postal Centers in the metropolitan area where Express Mail Same Day Delivery Metro Service will be provided for our customers.

Express Mail Metro Service, a new Same-Day Delivery Service, will be implemented in New York, NY; Bronx, NY; Staten

Island, NY; Flushing, NY; Brooklyn, NY; Hicksville, NY; White Plains, NY; Stamford, Ct.; and Greenwich, Ct. on June 25, 1979. All of these cities will comprise the New York Express Mail Metro System.

It is designed to provide highly expedited local delivery of business mail. Express Mail Metro Service will allow customers to bring letters or packages to designated post

offices in all of the above cities before 10:00 a.m. for delivery before 5:00 p.m. Items deposited by noon at specified locations will also receive delivery by 5:00 p.m.

The customers will also have the option of depositing items at designated post offices by 5:00 p.m. for delivery by 10:00 a.m. the next day.

All of the coverage now offered by our Next Day Express Mail Service will also be in effect for the Express Mail Metro Program. Pick-up Service on a pre-arranged scheduled basis; full postage refund if delivery is late; free merchandise insurance up to \$500.00; and document reconstruction coverage up to \$50,000, provided at no additional cost.

Rates for the new service are \$9.00 for items one pound or less, \$12.00 for items weighing over one and up to eight pounds, and \$15.00 for pieces over eight and up to seventy pounds in weight.

For further information, contact the Customer Services Section at the Hicksville Post Office at 433-7300 Ext. 24, 25 or 89.

HCT Presents Awards

The Hicksville Congress of Teachers presented two scholarship awards to Hicksville High School Seniors at a Board of Directors meeting on Monday, June 18.

Carrie Clark was the recipient of The Elliot Paisner Memorial Scholarship for outstanding achievement, and Maria Milito received the Irwin Rozran Scholarship for a student entering the field of Special Education. Both young ladies were presented with plaques and checks. Mr. and Mrs. Earl Clark, Carrie's parents, and Mrs. Milito, Maria's

mother, attended the awards ceremony.

The first HCT Scholarship was awarded in 1955 to Ms. Elizabeth Way, now an outstanding physical education teacher at Woodland Avenue School.
