Library Bookmobile

Gas conscious borrowers of the Hicksville Public Library are taking advantage of the many services offered by the Bookmobile. Circulation of books on the Bookmobile increased 75% last week.

Many parents registered their children for the Summer Program while at the Bookmobile thus eliminating a special trip to the library to do so.

The bookmobile staff anticipate a very busy summer. Their

collection contains many of the latest best sellers along with magazines and children's books. Of course, all requests for specific titles are filled from the main collection at the library as quickly as possible.

The library staff will furnish information about the Bookmobile's schedule if the borrower is in doubt about when the bus is in his neighborhood. Call WE 1-1417 for this information.

HFD Youth Group Looking For Members

The Hicksville F.D. Youth Group, formally known as the Junior Firemen, has been reorganized in accordance with the new state law pertaining to such groups.

The Group, sponsored by the Hicksville Fire Dept. is open to youths 14 to 18 years of age. Activities include learning the technique of fire fighting, use of fire equipment, fire prevention education. Training is conducted by the Hicksville Fire Dept. The Youth Group participates in parades with the Fire Dept. and the group holds its own social

functions.

Its purpose is to make today's youth aware of the dangers of fire, fire prevention methods and for some, a prep-school before joining the Fire Department as a regular member, as many have already done.

Applications can be picked up at Hicksville Fire Hdq., 20 Gebhardt Plaza (E. Marie St.)

Hicksville Diner

Burns Again

A second fire in a 2-week period caused an estimated \$5,000.00 damage to the Empire Diner at

Jerusalem Ave & West John St. The fire started the second time in almost the same area as the 1st fire. (June 25) The alarm came in July 2 at 5:53 PM. Hicksville fire fighters, once again kept the fire confined to the kitchen area. The cause of the blaze is being investigated by the County Fire Marshals Office.

HHS Alumni Resolution

At the regular monthly meeting of the Hicksville High School Alumni Association held on July 9, 1979 the following Resolution was made by the Officers and the Board of Directors:

"Be it resolved that the Board of Directors of the Hicksville High School Alumni Association does express their regret at the passing of its first president, Dr. Charles Masek."

Be it further resolved that

grateful acknowledgement be extended for the quality of leadership of Dr. Masek, which enabled an organization based on such fragile premises to take root and flourish.

Be it further recorded that his service to the students of Hicksville High School was but a part of the fifty year span of humanitarian service which Dr. Masek rendered to the community.

Be it further resolved that Dr. Masek's name be permanently inscribed on the roll of honorary members of this organization.

Further it is resolved that this expression of respect and affection be conveyed to Dr. Masek's family and the Hicksville Community at large.

By resolution of the Board of Directors this ninth day of July, 1979."

Two Prominent Local Residents Die

Nina Plantz

On Wednesday, July 11, Nina Plantz, 82, died in Syosset Hospital. She was a former principal of the East St. School, Hicksville, and had been a resident of Hicksville for almost 60 years.

Religious services will be conducted by the Rev. Roland Perez, at 1 p.m. on Friday, July 13, at the Vernon C. Wagner Funeral

Home, corner of Old Country Rd. and Jerusalem Ave., Hicksville.

Born in Johnstown, N.Y. she was named principal of East St. School in 1927. Prior to that, she was a school teacher and librarian.

Active for many years in St. Stephen's Lutheran Church, Hicksville. She

was also a Girl Scout leader.

Surviving are her cousins, Hazel Rosa, Marie Rankin and Wilbur E. Plantz.

Interment will be Monday, in Johnston, N.Y.

Should friends desire, contributions can be made to the Nina Plantz Scholarship Fund.

Charles J. Masek, D.D.S.

Dr. Charles J. Masek, 76, of Farmingdale, died after a long illness on July 2. Born in Manhattan in 1903, he lived in Hicksville for 55 years before moving to Farmingdale in 1962.

Dr. Masek was a member of the Hempstead Elks Club and a senior past president of the Hicksville

Kiwanis Club. He retired from his practice of dentistry in Hicksville in 1977, after 50 years.

In February of this year, Dr. Masek was honored at special Valentine's Day luncheon of the Hicksville Kiwanis Club.

Dr. Masek is survived by his wife, Marion; a

daughter Penny Guerrero and sister, Marie Rushmore.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Services were held on Thursday, July 5, followed by interment in Friends Cemetery.

The Hicksville Lions Club is sponsoring the Vial of Life program in this community. Senior citizens and people who live alone are encouraged to fill out a medical questionnaire, place it in a special vial in their

refrigerator and put a sticker on their refrigerator door. This will alert emergency medical technicians to the availability of this vital, life-saving information. Anyone interested in learning more about the Vial of

Life program please contact Lion Wes Villazon, 681-9220.

On Thursday, June 7th, a special second spring concert was presented at Woodland Avenue School to a "Standing room only" audience. The 4th grade Recorder Club and 2nd and 3rd grade piano students performed under the fine direction of Judith Wood.

In addition, a string orchestra, under the superb direction of Norman Ward, performed

beautifully after only one year of instruction.

The Hicksville Congress of Teachers salutes Ms. Wood and Mr. Ward for bringing beautiful music to the children and families of Woodland Avenue.

The King and His Court

The fabulous softball pitcher Eddie Feigner will bring his four-man King and His Court team to Eisenhower Park Thursday, August 9 to take on the New York Islanders of NHL fame in a game beginning at 8:15 p.m. on field D, parking field No. 4. A preliminary game between two top women's teams gets under way at 7 p.m. Admission is free.

The Islanders, who have come close to beating the King and His Court in recent years, will be led by ace pitcher Lorne Henning backed by stout-hitting Clark Gillies, Billy Harris, Garry Howatt and many other ice hockey favorites.

The program, co-sponsored by the Nassau County Department of Recreation and Parks and Chase Manhattan Bank, has played to capacity crowds each year. Fans are advised to arrive early for the popular program

which also features the music of the Dixie Cops, the colorful straw hat band of the Nassau County Police Department.

The King and His Court team, in addition to trick pitcher Eddie, includes J.R. Feigner, Eddie's son, at shortstop; homerun slugger Al Jackson at first base and ex-major leaguer Big John Bateman, formerly of the Houston Astros, behind the plate. The outfield goes unprotected as King Eddie attempts to stifle the hitters with his assortment of trick pitches including behind his back, through his legs and even, while blindfolded.

While the venerable King Eddie's age remains somewhat of a mystery, softball historians have made an educated guess of mid-fifties which is amazing to opponents still mesmerized by his speedy pitches and trick plays.

Swimming Meet

The 1979 Long Course Masters Swimming Meet will be held at Cantiague Park, Hicksville, Friday, Saturday and Sunday, July 27 through 29. Competition gets under way at 6 p.m. on Friday and 8:30 a.m. the other two days.

Swimmers 25 years of age and older are eligible for the 15-event meet conducted by the Nassau County Department of Recreation and Parks and the Nassau County Swim Conference. All entrants must hold a current AAU Masters registration card. There is a \$1.50 charge for individual events and a \$2 fee per relay team.

Age groups for individual events are 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69 and 70 and over. Age groupings

for relays are 25 and over, 35 and over, 45 and over and 55 and over.

On Friday, the 1500 meter freestyle will be contested. Saturday's events include the 100 meter freestyle, 50 and 200 meter backstroke, 50 meter fly, 100 meter breaststroke, 200 meter individual medley and 200 meter freestyle relay. Sunday's events are the 50 and 200 meter breaststroke, 50 and 200 meter freestyle, 100 meter backstroke, and 100 meter fly.

For further information or a registration application, call the Aquatics Unit of the Nassau County Department of Recreation and Parks at 292-4289. Deadline for entries is Monday, July 23.

Beach Information

The Nassau County Department of Health has begun operation of its special 24-hour beach information telephone today. The number is 535-4039 for a special taped message about conditions at the County beaches.

Again this summer, Nassau County will maintain an ocean water watch to protect public health against the wash-up of

pollutants. Nassau environmental health officials coordinate with the United States Environmental Protection Agency on ocean pollution problems.

Special procedures have been developed with beach operators for the prompt closing of bathing beaches, if necessary, and for reopening as soon as possible.

Margiotta Sues NY Post

Nassau County Republican Party Chairman Joseph M. Margiotta has instituted a \$10 million libel law suit against the NEW YORK POST for a story that "maliciously and viciously" libeled Margiotta for his purported actions in pushing for passage of a bill in Albany to extend for two years the surtax on winning bets at Off-Track Betting parlors.

Margiotta's unusual action in turning to the courts was supported by the 89-member Executive Committee of the party, which unanimously passed a resolution supporting the passage of the bill and applauded the Nassau County Republican legislators, particularly State Senator John D. Caemmerer (R-East Williston), who voted for the bill.

The POST article, written by an Australian reporter who is alleged to have close ties with the New York City OTB which favors the lifting of the surtax, attempted in its overall language to imply a sinister plot on the part of Margiotta to purportedly push for passage of the legislation for self-motives when, in fact, passage of the bill was requested by both the Nassau County Executive and the

members of the Nassau Board of Supervisors.

The article, which was extremely vicious in its language, stated that Margiotta pushed for passage of the surtax bill "to fleece suckers" outside of Nassau County at extortionate tax rates to pay Nassau County's inflated budgets and fill its patronage trough.

In reality, the legal action points out that the legislation was a bipartisan effort, with Nassau County Republican and Democratic legislators supporting the bill and not, as implied in the story, that Margiotta "virtually alone" wanted the surtax extended.

For instance, Assemblyman Jerry Kremer (D-Long Beach), Chairman of the powerful Assembly Ways and Means Committee, and State Senator Carol Berman (D-Lawrence), neither of whom is a particular political fan of Margiotta nor the Nassau County Republican Party, both appealed to Governor Carey for passage of the surtax and both voted for the bill.

The libel suit also pointed out that the writer of the article never once spoke with Margiotta concerning the legislation.

Margiotta, who has admitted to wagering a dollar or two on a

horse on occasion, said that he is sympathetic to the betting public, but said that he did not believe that the Nassau County taxpayer should be called upon to subsidize the horse players of New York City.

He added that he supported passage of the surtax legislation at the request of the Nassau County Executive and the Nassau Board of Supervisors, both of which pointed out that elimination of the surtax on winning bets at OTB would mean that Nassau County would stand to lose \$16 million in revenues from OTB over the next two years.

The loss of the \$16 million in revenues would mean that the taxpayers of the county would have to make up the loss by paying higher taxes and "that is not fair," Margiotta said.

Margiotta, the Republican legislator and the Executive Committee of the party agreed that they were willing to drop their fight against the surtax if the state government would subsidize Nassau County for the \$16 million that would be lost by the diminution of the tax.

The suit is seeking \$9 million in punitive damages and \$1 million in compensatory damages.

IRS Has Problem Resolution Office

If you've been talking with Internal Revenue about a tax problem and don't seem to be getting anywhere, it may be time to contact the Problem Resolution Office, the one IRS operation set up to handle nothing but taxpayer problems.

That office wants to hear from you about your problem, first to get you an answer and then to look into any internal procedures that may cause similar problems.

What kind of problems? Well, practically any kind, just as long

as it still isn't resolved after you bring it to the attention of the IRS division or branch that would normally look into it. Your problem may be an error in your tax account, the status of an audit, a refund that you think you should have received but didn't, a question about a tax bill or an IRS letter that isn't clear to you, or anything else that pertains to your tax affairs.

There are some exceptions, though. Among the tax matters that the PRO DOESN'T handle are disputed technical issues, tax

assessments or adjustments under appeal, the integrity of IRS employees, and Freedom of Information requests.

Each IRS district has its own PRO staff, and the PRO for taxpayers in the district covering Brooklyn, Queens, Nassau and Suffolk is located at the district's headquarters office, at 35 Tillary Street, Brooklyn. The phone number for the problem resolution officer is (212) 330-7120, and the mailing address is IRS, G.P.O. Box 380, Brooklyn, N.Y. 11202.

DOROTHY GANIN, chairman of the 6th Annual Nassau AHRC Horse Spectacular, reviews plans with members of the horse show committee, Honorary Chairman Joseph M. Margiotta (left) of Uniondale and William B. Hopkins, president of Roosevelt Raceway.

Over six hundred entries are expected for the show which is to be held at Stillwell Woods Park in Syosset from August 22nd to August 26th. The event which features a total purse of \$45 thousand will include riders and their horses from throughout the United States; several Olympic medalists and members of the United States Equestrian Team are also participating.

The \$10 thousand Grand Prix, which is sponsored by the Nassau Downs O.T.B., is the high point of the show and is scheduled for Sunday, August 26th. In the past the Grand Prix has been a real crowd pleaser as the horses race the clock with winning times of barely a second over that of runners-up. Another major sponsored event is the National Bank of North America \$2,500 Amateur-Owner Junior Hunter Classic. This year's finale weekend on August 25th and August 26th will feature special family attractions. In addition to the show there will be free balloons and clowns to entertain the children, displays and a special sale of merchandise produced in the AHRC program.

Since the first AHRC show in 1973 horse jumping has begun to attract wide interest. In the United States, Grand Prix jumping is now becoming a popular spectator sport (in England, show jumping is the second spectator sport led only by soccer). Because of this, the Nassau AHRC Horse Show has become a high point of the Long Island philanthropic-sporting calendar. Along with Mrs. Ganin who is serving as chairman, Joseph M. Margiotta of Uniondale and County Executive Francis T. Purcell are honorary chairmen of the event which helps to provide programs to the more than 1,200 children and adults served by AHRC daily.

Dear Friends....

A Solution To Our Energy Crisis

NY State Assemblyman Fred Parola writes to let you know the following:

"In a full page advertisement, a plea has been sent up by the State of Alaska to have returned to it parcels of land which were agreed upon by Congress in 1959 under the Alaska Statehood Act. At that time, the 49th state was promised title to 104 million acres of land but it has to date received only 21 million acres.

"Additionally, in 1971 Congress awarded another 44 million acres but the state has received only 7 million acres of that particular grant.

"Alaska claims that its known energy reserves have the potential to heat and cool the homes and industries of the United States until well into the next century. The natural resources possessed in the additional land, it is further claimed, could solve the energy emergency in this country and diminish our reliance on foreign oil-rich countries.

"The appeal, paid for by the people of Alaska through a special appropriation made by the state's Legislature, is to encourage the citizens of America to call upon Congress and the Carter Administration, for the following action: to reject the pending Udall-Anderson bill which does not balance rational resource development with adequate environmental protection; overturn the President's unprecedented, unilateral action in withdrawing 57 million acres of Alaskan land as 'National Monuments'; and support alternative Senate legislation which would assure energy independence for Americans.

"The people of Alaska say they want this land back so that the natural resources there can be developed for the energy needs of this country. If you support this potential solution to our energy crisis, write to Senators Daniel Moynihan and Jacob Javits urging their support of the congressional action called for by the people of Alaska."

TWO LEADING HICKSVILLE CITIZENS passed on this week, we are sorry to say, for they will be greatly missed. However, both Miss Nina Plantz and Dr. Charles Masek contributed so much to the well being and growth of Hicksville that the memory of their lives will always be an inspiration to those who care about our town. God blessed us in placing them in our midst and we are certain that He blesses them now. Rest In Peace.

WE EXTEND BEST WISHES to all who are working hard to organize the Irish-American Club of the Mid Island Area, which meets on the third Friday of most months in the Plainview Hall in Plainview starting at 8:30 pm. This makes Friday, July 20th their July - August meeting.

At their last meeting they heard Deputy Consul Dona Hamill who spoke on the history and current situation of North and South Ireland.

Robert D. Reynolds of Jamaica Ave., Plainview is their president. Leo McCaffrey is their vice-president. Jean Naughton is their recording secretary. Patricia Cullen is their corresponding secretary. John McCaffrey is their treasurer. Ronald Reedy is their membership officer. Eileen Paterson is their assistant membership officer. Richard Brannigan is their sergeant-at-arms.

They have set Oct. 20 as the date for their Installation of Officers Dance. So, be sure to mark that on your calendar.

If you are interested in more information on this new organization, Mr. Reynold's phone number is 931-6953.

A correction, a typographical error turned Ronald Fleming to Ronald Felming in last week's story on American Legion School Awards. Sorry, Ronald was one of the recipients from the Woodland Avenue School. Congratulations to all the award winners.

As is our custom, we are printing just as many "Letters To The Editor" as we have room for. This might be a good time to review our rules regarding this column.

(1) Your name, address, and telephone number must accompany your letter. If you wish your name withheld, we will do so, upon your request. Unsigned Letters, no matter how worthy, are never used.

(2) Letters should be submitted by individuals only. Lists of names are unacceptable for the "Letters" column.

(3) In the case of any elections, we never print "Letters" regarding candidates in the last issue before the election, inasmuch as these "Letters" cannot be answered before the election itself.

One more matter, not really a rule, but a suggestion. Please make your points as briefly as possible. It is probable that many others are also writing and, as you know, our space is limited.

We do, however, welcome your "Letters" and will do our best to carry just as many of them as space permits.

Town Board Meeting

By Gerry Kahn

The 45 item agenda that composed the Town Board hearings on Tues., July 10, concluded at 3 p.m.

The 2nd hearing of the morning concerned a modification of the restrictive covenants on the property n. e. corner of Jerusalem Ave. and 11th St., in Hicksville. Formerly The Hedges Restaurant, the owners plan to open a new Savannah Restaurant and wish to have a bar separate from the dining which is contrary to the covenant.

Among those in the audience opposed to the granting were Bryan Dunker, Mrs. Busch, Nancy Krumm and Madeline DeLuca all from Hicksville. Their major concerns were limited parking facilities, noise and air pollution.

The 3rd item on the calendar was the petition of John W.

Merenda for modification of restrictive covenants relative to the model homes and real estate business located on the s. e. corner of Old Country Rd. and East Ave., Hicksville. The covenant restricts the use of the real estate office to the garage of the model home and prohibits utilizing an existing home as an office. Mr. Merenda, the petitioner has purchased adjacent land that would now fulfill the parking requirements and wishes the covenant lifted so that the house can be utilized for administrative purposes.

Item No. 28 referred to the Map at Woodbury Pines, Woodbury relative to the acceptance of property in lieu of cash.

Item No. 39 approved the application of Industrial and Research Associates Co. to com-

plete construction of a building to be used by Cablevision Systems Development Co. for warehousing, distribution, storage, laboratories, studios and office use at Woodbury.

Item No. 24 directed the Town Clerk to advertise Notice of Hearing on an application of Isidors and Samuel Shochat for a change of zone Bus F to Bus G and special use permit to use a retail store for the sale of auto parts and supplies and repairing and rebuilding generators.

Item No. 40 approved the gas station application of Sun Oil Co. for a gasoline station in Ind H at Jericho, however the mini-mart section of the request was denied.

Finally, the Town of Oyster Bay awarded a contract of maintenance of street lighting, town-wide, to Budin Contracting Corp. of Huntington.

Letters To The Editor

Dear Editor:

The citizens of Hicksville witnessed a terrifying misuse of power at the infamous School Board Meeting of June 27, 1979. There were over 200 taxpayers present and despite the fact that a ratio of 95 to 1 were against the proposed Strand III - Sex Education - Sensitivity Training Program and in spite of the fact the Board could not give one argument in which they could prove such a program would benefit our children - they passed the Strand III Curriculum.

I couldn't understand why this program had to be passed in such a hurry when there was still so much disagreement about its content, who would teach it and was to be responsible for whatever damaging effects it could have on our children. For instance, we have a society which is very specially minded - we don't just have Doctors - we have Pediatricians, Surgeons, Psychiatrists - to name a few. Obviously, we would be very interested to hear what the specialists in the field of child psychology have to say about this program.

My first question then, would be did someone in the field of child psychology write the curriculum for Strand III? No - we find that instead 6 Hicksville teachers wrote the program. What are their qualifications? Next, I would ask who will teach sex ed and personality development to our children? Again we are told the classroom teachers will handle this awesome task. Dr. Hawkins was asked at the School Board meeting: who then would train these teachers? He answered that no decision has been made. Dr. Hawkins was also asked if there would be any control over what an individual teacher might bring up in class. This is a problem for two reasons: 1) not every teacher has the tact to handle delicate subjects with good taste and 2) if a particular teacher has sexual preferences which differ from the norm - he or she could teach sex education in a biased way.

At this point in time, I understand the school psychologists do not agree on the program. Dr. Hawkins commented that he spoke with one psychologist who felt negatively about it and then did not pursue it further.

Mr. Fujimoto felt most psychologists would have different opinions. Some would agree with one aspect and not the other while another psychologist may find the program damaging in its entirety. I must ask why the School Board is so rash in making this decision when the experts

can't agree, and who will undo the damage to our children if the psychologist who gave the negative comment to Dr. Hawkins concerning Strand III is right? I am talking about your children and my children - not his.

The School Board completely ignored the pleas of over 200 concerned people to veto Strand III. Our questions remain unanswered and our right to decide what we feel is good for our children was ignored. I wasn't expecting Hitler and his entourage - but it sure came off that way.

Learn more about this program - talk with the people who were at that Board meeting - then cry as I did - for our children and for Hicksville - a community which should belong to you and me and not 7 school board members.

I would like to offer some comments regarding the Strand III Mental Health curriculum K-3 passed by the Hicksville School Board at its June 27th meeting.

To begin with, I feel that this program is a violation of parents' rights to educate their children in a manner that conforms to their own moral and religious beliefs.

In addition, the manner in which the program was approved by the board reflects an alarming arrogance on the board's part and a complete disregard for the will of the vast majority of the parents who attended the many meetings on this matter, and made their feelings well known to the board.

I have already made my feelings known to the board in relation to the entire program and will have more to add at a later date. At this time, I would like to call the reader's attention to one area of the program: Emotions and their Appropriate Controls and Wholesome Social Relationships. This section could have come straight from George Orwell's 1984. On careful examination, its activities are frightening. Let me call the reader's attention to one activity as an example.

On page 33 of the revised curriculum (Fig. 8) the following activity is suggested: The Shoe House. This calls for the teacher to place a large cut-out shoe on the bulletin board. On the shoe will be windows, and in each window the picture of one of the students will appear. The activity calls for the students to be instructed to decide if any of their classmates has misbehaved that day. The class will decide which students have not measured up, and these students' pictures will

be turned to the wall for the rest of the day. They are the outcasts.

An alternate activity calls for a model apple tree. Each apple will have a child's picture, and the same routine will be followed. Those children the class finds unacceptable will be dropped to the ground. (Maybe some clever teacher or student can identify them as 'rotten apples').

In effect these young children are being taught (programmed) to ostracize their fellow students (at K-3 level). They are being molded into little robots who on any given day will make public, social outcasts of one or more of their peers. Is this what we are paying tax money to have our children taught? Is this what our schools should be teaching six, seven and eight years olds? I think not. I seriously question the psychological health of a person who would dream up such an activity for anyone, much less for such young children. I would not want my children to be the victims of such an activity, nor would I want them to be taught to act in this manner towards their classmates. I am appalled that any educator could even suggest such an activity, but the fact is that over the voiced objections of the majority of the parents present, the Hicksville Board of Education has approved this activity and many more for grades K-3. I shudder to think of what these people will come up with for grades 4-6 and beyond. Maybe we can have the children taught to report their parents to the teacher if they don't think their parents are model citizens. I seem to recall a similar activity in the history of Europe in the 1930's.

I urge all parents and taxpayers of Hicksville to request copies of the Strand III program from the Board of Education and to read them very carefully. I am sure that any rational adult who reads this program over will recognize the inherent danger it presents to our children. I am sure the parents of the community are intelligent enough to demand that the Board cancel this program before it can be perpetrated on our children.

Respectfully,
John F.X. Tobin
To the Parents and Residents of Hicksville.

You have been manipulated, bullied and deceived. The Hicksville School Board has repeatedly stated that sections 1.2 and 3 of the Strand III, Mental Health curriculum, better known as Sensitivity Training, are mandated by New York State law. And so, to show their "deference to the wishes of the

Galileo Lodge News

By Joe Lorenzo

Distressing news pouring out of the Hicksville school districts, which will certainly prove detrimental to the best interests of the Italian-American and his family, is that the study of Italian language is waning to the point whereby it might be eliminated. This in itself is more than disastrous because these courses are financed by the Hicksville community with the intent to enhance the ethnic integrity of the Italian-American sectors. The Italian language, one of the Romance languages, is beautiful, melodious and easy to learn. The Italian language can be taught in a conversational vein or it can be taught in-depth, in a highly grammatical form. It is a language of the arts, and it is the language of Italy, where tourism has reached its highest levels. The Galileo Lodge, which is primarily an ethnic organization, issues a plea to all the Italian-American parents in the Hicksville elementary and High School districts, please take advantage of the accessibility of the Italian language courses. You owe it to yourselves and your children. If some people felt that Dante and Petrarch created a beautiful language, why can't we all see the beauty of the Italian language. It is part of our heritage and it is certainly a part of our culture.

In the near future, so I am told by Chairman Tony Previte of the Renovation Committee, is that

Children's Programs

Two children's programs will highlight the third week of special summer programs in the park for Plainview-Old Bethpage Community Park district residents, it was announced this week by Town Councilman Thomas L. Clark.

On Monday, July 16, CAPA will sponsor the Pixie-Kin Puppets at 1:30 PM in the community park. Mosca noted that the program will delight both children and adults.

On Friday, July 20, the Parks Department's Games and Contest Day will begin at 1:30 PM in the community park.

bids for labor and materials have been received and are now under study. We are all anticipating the new 'Max Factor' face-lift of the outside portion of the Galileo Lodge. Pete Massiello, James Pisillico, and Marie Tucci are working feverishly to get this program under way. I am also told by Tony Previte, the chairman of the Picnic committee, that program for the Galileo Lodge picnic is now completed. All we have to do now is to wait for the day to arrive...the 22nd of July. This picnic will be held in conjunction with the Marco Polo Lodge of Levittown. For more details, please call 931-9351 for more information about this activity.

The Ladies Auxiliary are laboring feverishly to round out the program for the Testimonial Dinner for Mary Monteforte, ex-president of that group for two consecutive years. Any member of the Galileo Lodge is surely cognizant of Mary Monteforte's record with the Auxiliary and the Galileo Lodge. All members (male and female) are urged to attend, and to bring friends, of course. Mary Sacorro and Grace Giordano are chairpersons. And, as the summer dwindles into oblivion, it seems that the date

for the Hawaiian Dance rapidly approaches...August 25th. This affair will feature a suckling pig and an assortment of appetizing polynesian specialties. For \$15 per person you will be in contact with live music, unlimited liquor and the natural pleasures associated with the Luau. Contact Teddy Marotti, the chairman for this event, by dialing 681-2942. And don't forget, all you golfing enthusiasts, the golf meet at the Concord which will be held at the beginning of September (Sept. 9 & 10) Skip Monteforte, the director of this meet, will issue more information on this affair in later columns.

MORE LODGE NEWS

Plans for the next Italian feast are still being discussed, and it is to be assumed that this committee will make sure that the 1980 feast will far exceed last year's in size, scope and monetary.

Help is still needed for the Las Vegas and Bingo sessions. All members are urged to give up a little of their leisure time in order to insure the successful running of these events.

On Monday, the 23 of July, the Galileo Lodge will hold its 1979 Night at The Races. There will be club house admission, reserved seating and dinner at the Cloud Casino, and the price for all this is only \$12 per person.

Nice to hear that Mary Ingino and Carmine Russo are recuperating from recent illnesses and congratulations to Jo-Ann Wallick on her recent good fortune.

CUMMINGS 'N GOINGS

By Jim Cummings

IT'S A BOY: Daniel Patrick Carsten born at Mid Island Hospital, Bethpage, last Sunday weighing in at 6.12 oz. the proud parents are Patricia and Irwin of Hicksville. The proud grandparents are Ralph and Jane Russomano, of 192 Lee Avenue. "Grandpa" is on "cloud nine" and why not, this is a first grandchild - Ralph, is a Town of Oyster Bay employee, specifically a Highway Construction Supervisor I, where he has served the community as a dedicated public servant - we're proud to welcome you to the "Club" - thank you for the call, good buddy.

ON THE GREEN: Pat Cowan, of Hicksville shot a 68 at the Spring Lake Tourney sponsored by the Joseph Barry Council, Knights of Columbus recently - that is a 4 under par 32 in front line and 36 even par back - what happened with Frank Szymanski that day - hey-check with our foresome, a comeback is due! Pat, who hails from County Tipperary is a "natural" on the course reports most avid golfers - he then followed that up with a 72 at the Colonie Hill and a 74 at the Commaack Country Club for the Nassau Conservative bash - and that was conservatively speaking - when will he take on the big lads, Pat? - we're all fore it.

HEARD THAT: Peggy and Danny Donovan of Plainview will celebrate 20 years of wedded bliss on August 1 - Dan, is with the Town of Oyster Bay these past 20 years, too - Tom Kelly (County

Kerry) and his wife, Lottie are enjoying their stay in Hicksville, where they keep the Charles Wagner Post, American Legion, in good shape year round. In chatting with Lt. Thomas McCormack, of "New York City's Finest" NYCPD - We learned that his good friend, a former Deputy Inspector of the Department is now Police Commissioner in San Jose, California - and we promise Tom we will say hello next month when we visit with my daughter Valerie McCarney and husband, Fred in San Jose - when we take my granddaughter, Stacey back home.

IRISH VISITOR: Quite a number of youngsters from Belfast, Northern Ireland, are guests of American families throughout the metropolitan area - and Maureen and Tim Lewis, of Syosset have young Jimmy McCarthen with them - in fact he was at the AOH picnic last Saturday and gave Eamon Tuohy quite a run in soccer games - right, Eamon? Jimmy is an 11 year old student attending St. Coulman's Roman Catholic School, in Belfast - Grade P-7. He is taking this opportunity to say hello to his brothers, Terry, Paul, John and his mother and dad, Alice and Terry of 31 Larive Street, Armagh Road, Belfast (we'll forward this column 'cross the seas to Ireland this week, Jim) Maureen and Tim, are to be commended upon this Christian act and we know they enjoy every moment of it.

ELECTED OFFICERS: Congratulations to Edward J. Wallace, of Clayton, New York, who was elected President of the New York State Board, Ancient Order of Hibernians at their 80th biennial convention held recently in Albany - Ed was a recent Nassau visitor with Dave Henshaw, newly-elected President of the Nassau County Board, AOH and our newly-elected State Treasurer, Jack Irwin - glad you stopped by at the Hicksville AOH annual field day - we missed Ned and Nora Bergen who have moved to the west coast.

DID 'YA KNOW: Jack Reilly's lovely family from Massapequa Park and his brother, Dr. William Reilly (of Sayville) were guests of the Larkin clan at the AOH picnic - Jack's wife, is the former Cecilia Larkin of Hicksville and Bill's bride was a Hicksville gal by the name of Patricia Connolly - she even remembered the days of the "Little Inn" on 1st Street, Hicksville, now site of Robert Chevrolet - that does bring back many happy times with Harry Woods, (the late) Bill Minihan, Mark Madden, Jerry Kessel, to name a few - and above all, the "Chairman of the Board" Larry (802) Pagano, a long time friend of your reporter and wife, Dolores.

Law, and have not been for the past 10 years. In 1967, under Chapter 787, Sensitivity Training became mandatory, and then, because of the ensuing uproar the law was rescinded in 1969, under Chapter 832. THERE IS NOW LAW IN NEW YORK STATE THAT SAYS THAT SECTIONS 1-3 ARE MANDATORY. And yet, in several public meetings and publications, newsletters etc, the School Board has constantly and deliberately lied to the community, saying, in effect, that our children will be forced to attend these classes under a law that does not exist.

Until recently, most parents were upset only with parts 4 and 5, which deal with human reproduction. Then they began to understand what Sensitivity Training, sections 1, 2 and 3 really are. The curriculum is very cunningly written. What is, in reality, a very dangerous, destructive, psychological game, is so sugar coated with syrupy affection, that most people, upon reading the curriculum for the

first time, were deceived into thinking that the object of Sensitivity Training is to promote brotherly love and sportsmanship.

This fallacy has been encouraged by certain school officials, such as S.N.T.M. DiLorenzo, who recently publicly stated that the reason the curriculum was written was to "correct the improper behavior of disruptive children currently in the schools." At the now infamous School Board meeting when the curriculum was approved, Mrs. DiLorenzo was one of the two people publicly praised by Mr. P. Fujimoto, chairman of the Strand III committee.

The Mental Health, or Strand III curriculum, goes under many other names. It is most commonly known as Sensitivity Training, but that term became highly unpopular several years ago, when the adverse psychological effects of the program received wide publicity. Other names by which it is known are: "group dynamics", "psychodrama", "role-playing", "sociodrama", "auto-criticism", "T-groups", "body-awareness", "group-confessions", "group criticism", "situation ethics", etc. As these alternate names for Sensitivity Training indicate, the basic purpose of the curriculum is BEHAVIOR MODIFICATION, wherein the individual, his identity, personality, beliefs, morals and ethics are consumed by the group and the individual

Boys Stater, Brian Ednie

Brian Ednie, this year's American Legion Boys State Program representative from Hicksville, returned from the well known week-long program, this past Saturday. The son of Mr. and Mrs. John Ednie, Jr., Brian was the latest of many outstanding high school junior classmen sponsored by the Charles Wagner Post #21, over the past twenty years.

The American Legion Boys State is a remarkable program in mock-governmental training and role playing. This political science program has helped two generations of American youths to experience a practical introduction to American politics and government. Brian reports that, upon arrival at the campus of the State University at Morrisville in upstate's Madison County, on June 24, he was assigned voter residency in a "city" and made a member of the "Federalist Party." Within hours of arrival, the Boys Staters were aware they were a part of a keen political experience, under the tutelage of college-age orientation leaders, and counselors. By Monday, as members of two imaginary political parties, the Federalists and Nationalists, the youths were campaigning and

Brian Ednie, Hicksville, leaving for American Legion Boys State Convention, gets send-off from his parents and Richard Evers of the sponsoring Charles Wagner Post #21.

electioneering for local government offices and then vying for positions in county governments. The climax of the week was vigorous activity by the two "political parties" to elect a Boys State Governor and high state officers from their own party. Among the actual top state leaders on hand to meet the boys and to instruct them in governmental duties and problems was the State Lieutenant Governor, Mario Cuomo.

Brian Ednie did not achieve election to any notable political office in this year's Boys State elections, but he reports enjoying the experience immensely. Rooming with a junior class member from the Geneva High School, the Hicksville athlete-scholar was also introduced to kindred spirits from all over the Empire State, and he experienced the mechanics of United States politics and government, at first hand.

"A" Division
by Joe Maggio

The "A" League finished their season this year with Goldman Brothers, managed by Bill Sullivan, taking first. Congratulations to Bill and his team. Now that the season is over and we are getting ready for the tournament games. This year we play, Huntington, Syosset South, Syosset North, Massapequa, and New Hyde Park. Good luck in the tournament.

"AA" Division

Agway played two games this week losing the 1st 15-4 to BPOE and winning the 2nd 15-6 over IHOP. Agway received strong pitching from Trevor Torman and John Blauvelt. It was a team effort at the plate led by Paul Zolke's grand slam. Also contributing at the plate were Trevor Torman, Matt Rettas, Steve Delaney, John Blauvelt, Gerry McNamee, Brian Landers and Jimmy Stremel. Good fielding

was given by Lisa Boord and Chris Newman. Agway's win put them in a tie for first with BPOE and a playoff game will be held on Monday.

Gilson Knitwear beat IHOP 5-3 on good pitching by Steve Corrado, Sue Roman and Matt Knapp. At the plate Mike Kiernan, Robert Sottung, Billy Neway, Richard Slache, John Moret, Tricia Schrader and Rui Figurido all got hits. Good fielding by Sue Roman, Robert Sottung, Steve Corrado, Mike Kiernan and Matt Knapp.

Gilson Knitwear captured the league championship by defeating Sands Textile twice. In the first game, Gilson Knitwear defeated Sands Textile 4 to 2. Dominick Mezzapapa pitched great with 7 strike outs. The batting attack was led by Mike Ferrado with a triple and 2 RBI's. He was aided by Brent Harrison who went 1 for 1 with 1 RBI and Vinnie Losito, who went 1 for 3 with 1 RBI. Congratulations to Manager, Maryanne Ferrado, Coach Jim Costaldo and the entire team for a fine season. The managers said they were "proud to have such a great bunch of guys."

Gilson Knitwear won the second half championship by defeating GGG Construction 8 to 4. The "Big Gun" was Joe Bergin who went 2 for 4 including 2 doubles and 4 RBI's. John Ferrado had a triple and an RBI. Richie Peters had a hit and an RBI and Brent Harrison had a nice double. There was excellent pitching by John Ferrado who struck out 8, gave up no earned runs and picked 2 runners off. Dom Mezzapapa pitched well for 2 relief innings, striking out 3. Catcher Dan Morgan played well defensively, picking 2 runners off trying to steal.

In a previous game, Gilson Knitwear defeated Robert Chevrolet 9 to 4. Vin Losito went 3

Hicksville Girl Becomes Honorary Yankee Batgirl

Lori Sargent, 12 years old, of Hicksville has won First Place in the "Toyota Yankee Honorary Batboy Contest" sponsored by South Shore Toyota and the Toyota Dealers of Greater New York. The six week long contest, which drew some 8,354 entries at the 55 area Toyota dealerships, was designed to enable 32 area youngsters to "win a childhood memory."

Lori's "memory" began shortly before the June 22 Yankee Cleveland game when the Yankee Stadium announcer and television radio sportscasters Frank Messer, Bill White and Phil Rizzuto announced that Lori would be the Yankee's Honorary Batgirl. Lori, the guest of Bill Cham-

berlain, Jr., owner of South Shore Toyota, watched the game from Yankee owner George Steinbrenner's personal box next to the Yankee dugout. Lori also received, as a gift from Mr. Chamberlain, a simulated Yankee uniform, helmet, yearbook and autographed baseball, personally presented by Yankee star Graig Nettles, the Toyota Dealers' advertising spokesman.

Lori was one of four Honorary Batboys Batgirls at the June 22nd game. The other 28 youngsters, between the ages of 6-14, will be honored between now and August 30th.

Did Lori enjoy the experience? "You bet!" she grinned.

Graig Nettles autographs baseballs for the Toyota Yankee Honorary Batboy Contest winners, Lori Sargent, Joseph Russo, Jason Haviland and Kerri Hammonds. These lucky winners were honored on June 22 at Yankee Stadium when the Yankees played Cleveland. The contest drew some 8,354 entries from 55 Toyota dealerships. The 32 first place winners will be announced throughout the summer.

Attending Music Camp

Myra Rosen, of 84 Radcliffe Rd., Plainview, and Robin Sorkin of 140 Radcliffe Rd., Plainview, are attending the 33rd session of the New York State Music Camp at Hartwick College in Oneonta, N.Y. Myra will concentrate on the flute and Robin will concentrate on the clarinet while at the Camp.

Hicksville American Soccer Club

The Hicksville Thunderbirds sponsored by Long Island Boating Publications ended the 79 Spring season at the Cow Harbor tournament on July 8 with a very impressive showing. It was the end of a very successful season as the boys played very well all season long. The Thunderbirds won the Long Island league championship with a 9-0-1 record, the North Shore indoor tournament, co-winners of the Sachem Tournament and made it to the semi-finals at the Cow Harbor Tournament.

In the Cow Harbor tournament there were 2 groups of four. Hicksville posted a 2-0-1 record and placed first in the qualifying rounds in their group. The tie was against Reston, Virginia a 0-0 game on Friday evening. Saturday morning Hicksville defeated Armourdale, Canada 1-0, a game that was very well played by both teams but also very physical on the Canadian side. The afternoon game against Bay Shore was a fairly easy game as Hicksville dominated most of the game and came out on top with a 4-0 score.

On Sunday morning Hicksville came back to play in the semi-finals against Dallard another Canadian team. After regulation time the two teams were tied at 1-1 and had to go into overtime but not before Hicksville suffered several injuries. Unfortunately the referee lost complete control of the game and Dallard took advantage of the situation as they continuously kept knocking over the Hicksville boys without being penalized for it, instead Hicksville was penalized and a penalty shot was awarded to Dallard which they put in. Hicksville tried to come back but could not overcome the referees incompetence nor the Canadians rough play.

CARDINALS BOYS U-8

On the weekend prior to the fourth of July, the "Cardinals" coached by John Fabrizio and Bob Finnell, (sponsored by Barsentone Productions, Inc.) travelled to Toronto, Canada to play in the "Robbie International Soccer Tournament".

On Saturday, the team played two Canadian teams: Armourdale and Midland-Caledonia defeating them both 9-0 and 7-0 respectively.

On Sunday, the "Cardinals" played a team from Bowie, Maryland and defeated them in a close game 2-1. This win enabled the "Cardinals" to advance to the quarter finals. In the quarter finals they played another Canadian team Oakville and lost to them 2-0 in a hard fought contest.

Overall the team of: Eric Bentley, Scott Duca, John Fabrizio, Brian Finnell, Robert Franzese, Stephen Courlay, Robert Himel, Brian Hoesten, Charles Maione, Stephen Postullo, Brian Sacks, Chris Schearer and John Schneider enjoyed themselves playing a different style of soccer and meeting boys from another country.

CARDINALS BOYS U-8 LONG ISLAND CUP CHAMPIONS

To close out their spring season, the "Cardinals" (sponsored by Barsentone Productions, Inc.) won the Long Island Cup Championship by defeating Bohemia's St. John's C.Y.O. "Eagles" 3-2.

The game was played, Saturday June 23rd, at Cantiague Park. It was a hard fought game, with the outcome being decided late in the second half.

The first half saw the "Cardinals" score first on a cross pass from right wing Stephen Gourlay

to Scotty Duca coming in from his left wing position to put the ball in the net. A little later on, in the period, a corner kick by Scotty Duca to Brian Finnell made the score 2-0. Then the "Eagles" scored making the score 2-1 as the half ended.

As the second half began, the "Eagles" began the put pressure on the "Cardinals" defense of Brian Hoesten in goal, fullbacks: Eric Bentley, Chris Shearer, Willie Sneedon, Charlie Maione; mid-fielders: Bobby Himmel, John Fabrizio, Brian Sacks and John Schneider. It paid off 10 minutes into the half; when they scored the equalizer. Both teams continued to battle each other for the ball, with the "Cardinals" front line of Scott Duca, Robert Franzese, Stephen Postullo, Brian Finnell and Stephen Gourlay mounting attacks.

As so often happens in a close game, a break will decide the game. On a "Cardinal" drive down the left side, the "Eagles" were guilty of a major penalty inside the eighteen yard line. On a penalty shot Brian Finnell put

the ball in the upper left corner of the winning goal.

This brings to an end a season, that proved to be a very successful one for the little guys: winning the LIJSL Division Championship with a 10-0 record and the Long Island Cup Championship. It required a lot of practice on their part, but Head coach John Fabrizio and Ass't. Coach Bob Finnell made it enjoyable for the boys.

HICKVILLE BOYS-UNDER 16 (INTERMEDIATES)

For the weekend of June 23rd-24th, a Hicksville Bantam Division team participated in the Town of Oyster Bay Festival at Grumman and was coached by John Lovato, the team members were: Dieter Bloem, Steven Chakrin, John Della Ratta, Karen El-Heneidi, David Fuyimoto, Thomas Himmel, Michael Kowalczyk, Andrew Lovato, Rino Lusterino, Gregory Martin, Jeffrey Nichols, Kenneth Nichols, Justin Rivers, Michael Roth, Michael Sayers, Michael Wallace, and Jason Weisser.

Advisors Reappointed

Three members to the Advisory Board of the Town of Oyster Bay Council on the Arts, were recently reappointed to two-year terms effective July 1.

Board Chairman Joseph Eisner, Director of the Plainedge Library; Marcia Singer, Dean of Cultural Affairs, New York Institute of Technology, and Massapequa realtor Gilbert

Levis will continue.

The Council on the Arts was formed in 1975 to serve as a forum through which groups and individuals can discuss, formulate and promote arts programs and activities. The Council operates under the aegis of the Cultural and Performing Arts Division of the Town's Department of Community Services.

Failure To Report Tips May Bring IRS Penalty

All tips received by employees are subject to Federal income and social security (or railroad

retirement) taxes and they must be included as part of taxable income, Internal Revenue says.

In addition, employees who fail to report tips correctly to their employers may be subject to a penalty equal to 50 percent of the taxes.

According to George Alberts, IRS district director for Brooklyn, Queens, Nassau and Suffolk, employees who receive \$20 or more in tips in a month must report the tips to the employer by the 10th of the following month, or more frequently if the employer requires it. The report may be made on Form 4070, Employer's Report of Tips to Employer, or as a statement that includes the information required on the form.

When an employee reports tips of \$20 or more in a month, the employer must withhold social security tax and any income tax due. Tips under that amount need not be reported to the employer, but the employee must include them in taxable income for the year.

Internal Revenue has available a form which can help employees keep a running record of tips—both those received in cash and from credit cards.

Did you hear about our local beauty contest participant? It was none other than Bob Renner of Mayfair Lane, Hicksville. This exciting contest was held at Sunnyside Farms, NY, where Bob, his wife Anne, and their daughter, Terrie, were vacationing. Replete with shorts, tube top, sandals, beach robe, stunning chapeau, sun glasses and lavish makeup and toenail and fingernail polish (liberally applied by Terrie), Bob successfully competed with twenty odd other male bathing beauties. We found out that all these men looked so "smashing" that no prize could be awarded to the best looking participant. The Renners had a fun-filled vacation week. (But we heard that Bob is still struggling to remove the toenail polish.)

We're happy to see Judy Strong of Jonathan Ave., HICKSVILLE, at home following surgery.

LETTERS (Continued From Page 6) emerges as a close of the group or group leader. Very few parents would really want their children exposed to this kind of psychological manipulation. Many adults, after going through this kind of conditioning for a short period of time have emerged with serious psychological problems, and have required professional therapy. If the effect can be so devastating upon an adult after a short period of time, think what it will be upon a young and vulnerable child, if he is subjected to this therapy throughout his formative years.

The past few months have been spent in trying to throw out the sex education aspect of the curriculum. Now it is time to turn out attention to parts 1, 2 and 3 of the program. This is far more dangerous to the mental and emotional well-being of the child, and is far more insidious, being easier to disguise and more difficult to identify. It is also extremely difficult to treat a victim of this kind of therapy, since it is a thousand times easier to break down an individual than to build him up, and also because very little research has been done in counteracting the ill effects of sensitivity training.

The School Board does not have the authority through law to force your children to undergo this

To Hicksville School Board:
On behalf of all the concerned parents and members of the Hicksville Community who attended the school board meeting Weds. July 27th, we want to thank the school board for their wonderful display of representing the Communities' concern in regard to Mental Health Strand LLL. With over 200 people present, an overwhelming 99% present were totally opposed to the entire curriculum, including parts 1, 2, and 3, (which we were told was state mandated, but which is in fact a misrepresentation of the real facts.) After hearing one speaker after another speak in opposition to the curriculum, with loud and enthusiastic applause from the audience, the Board's subsequent action showed that they were not really listening to the public at all. Several board members were observed dozing, reading, and leaving the room during the discussion. It seems a mockery to invite the public to air their views at all, when it is quite obvious that the Board members minds had been firmly made up before the meeting even started.

The Curriculum was voted in 4-3 with a voluntary exemption clause, which we hope parents will not be deceived by, for the promoters of the curriculum are

Improved Basketball Player" award at Holy Trinity H.S. this past June? Barbara, who is a member of the Junior Varsity team, won her award while a freshman at Holy Trinity H.S. Her parents, Joan and Robert Fischer, are proud of their daughter's athletic prowess. Congratulations, Barbara.

Betty and Frank Meyer, HICKSVILITES, flew to Florida for the June 9th wedding of their son, Richard, to Susanne Naumchiff. Susanne is both a model and a school teacher. When Susanne lived in Indiana, she taught in the local schools there. She now has a modeling career in Florida. Richard is vice president of the very posh "After Dark" Lounge located in Boca Raton, FL. The newlyweds are residing in a new home they purchased in Boca Raton. Best wishes for a wonderful future together, folks.

On July 10, Loretta McNierny, long-time HICKSVILLE resident, celebrated her birthday. You probably have met Loretta when you were in the Hicksville Library. She is one of the efficient and personable employees that work there. Congratulations and best wishes, Loretta, from your husband, John, your children and neighbors.

Surprise, Lil Molinari of West Michael Street, HICKSVILLE. And you thought we wouldn't remember the importance of July 9. Of course, we knew you had a birthday on that day. We didn't want to miss this opportunity to wish you many more happy birthdays that you could share with your husband, Frank, and the rest of your family and friends.

A neighbor of Lil Molinari also celebrated her birthday in July, but this time it was July 1 that was a memorable day for Helen Fischer. The Fischers and Molinaris moved into their home in, HICKSVILLE in the same development, on the same block, 29 years ago. So Helen and

Lil have shared many mutual events and experiences other than their July birthdays. Helen, we hope you had a marvelous birthday with your husband, Fred, and your four children. Congratulations.

Although we all celebrated our Nation's Fourth of July birthday, Frank Kremier of HICKSVILLE had an additional reason to celebrate—it was also his birthday. We can tell you how old our great Nation is, but we can't tell you how old Frank is. Suffice to say that we wish Frank as many birthdays as our country has had.

The Fourth of July is the occasion for the annual family party in the Clark household. Tom (TOB Councilman) Clark and his wife Corinne's daughter, Claudette, was 13 years old on June 29. In addition, Tom's brother Phil, and their sister Louise, both have birthdays on the Fourth of July. Thus, the celebration of these three birthdays and that of our Nation, is reason enough for the Clark Clan to gather for festivity, merriment, food and libations.

Nassau County Executive Francis T. Purcell gives Long Island Lighting Company representative Edward Holmes an official county citation commending LILCO for "its outstanding cooperation with the Nassau County Planning Commission in setting up ride-sharing programs for its employees." LILCO Vice President Matthew S. Procell looks on.

Earlier this year Ed, who works in the Construction Department at LILCO's Hicksville Operations Center, designed a computerized car pool program, using the County's ride-sharing computer program as a guide.

Ed expanded the County's program to include more information than employee names and addresses. His program considered the particular needs of LILCO employees and contained information such as work locations, job titles, department locations, working hours, estimated mileage between home and work locations and the estimated monthly cost to drive that distance. Employees who want to join the car-pool program are given printouts listing this information and the names of other employees in their areas who wish to join a pool.

Approximately 300 persons are currently participating in the LILCO car-pool program. Another 24 employees had been in a LILCO van-pooling program since last December. The Company expects to add several electric vans to its present ride-sharing programs.

Girls Majors and Minors

In this league the All Stars were chosen by the managers of both league teams and are entered in two tournaments. The first tournament begins on July 20th against Levittown at 6 pm on their Azalea field on Jerusalem Ave., Levittown. Followed on Sunday, July 22 at H.B.A. Major field and again July 24th Levittown's Azalea field. This series will be two out of three for the championship. Major league managers are Donna O'Hara, Maureen Rehman, and Cathy Boody. Minor managers are Nick Poliseo, and Betty and Tom Zagajski. **GO GET EM GIRLS.**

Boys Minors

July 1st Hicksville Bike became this leagues Champs. Congratulations to their manager Ray Redman and coach Jerry Manna, and of course to the fine young man who made it all possible. The second place team was Peters Cleaners who also put out a tremendous effort. Congratulations to their manager Dom Nataro and coach Tom Zagajski.

Boys Majors

On July 3rd Empire Storage beat McDaniel Ford to become the first place Champs in this league. There was an enormous effort by all. Congratulations to the managers George Bub for Empire Storage and Donald Bruckner for McDaniel Ford.

Trophies were given out following the final game. The All Star team were players chosen by their fellow teammates. This tournament will start on July 21st.

Boys Farms

The boys finals were played June 30th and Aladin Florist defeated the H.B.A. Angles to

Returns From Seminar

Jean Johnson, daughter of Mr. & Mrs. Peter Johnson of 30 Friendly Road, Hicksville, a junior at Holy Trinity High School, has recently returned from the Science and Engineering Summer Seminar Program held at the U.S. Air Force Academy in Colorado.

Ms. Johnson was one of 400 High School Juniors chosen from over 1500 applicants nationwide to attend this seminar.

Lt Gen K. L. Tallman, Superintendent at the Academy, said Ms. Johnson's selection was based primarily on her superior performances as a student in the science and engineering areas.

During the seminar period, she had the opportunity to work with excellent engineering, science and laboratory equipment under the supervision of the Academy staff.

Among the many projects undertaken by Ms. Johnson during her week-long stay was the wind tunnel workshop. This consisted of a series of three laboratory experiments. The purpose of the experiments is to learn some of the aircraft parameters important to aircraft design and how the wind tunnel is

used to predict aircraft performance.

Jean also participated in the Glider Design Workshop which covered basic aircraft structure, basic aerodynamics and aircraft stability.

In addition to her work with wind tunnels, Ms. Johnson was also called upon to work with computers and sophisticated plotters to aid in analyzing data. This provided her with a unique insight into the field of aeronautics.

The trip to Colorado also provided Jean with the chance to visit such scenic local areas as the Garden of the Gods, Manitou Springs and the summit of Pikes Peak.

Upon her graduation from Holy Trinity in June 1980, Ms. Johnson has expressed a keen desire to further her studies at the Air Force Academy and pursue a

More Eligible For Food Stamps

The Society of St. Vincent de Paul announced that more people will be eligible to apply for food stamps after July 1st because of an increase in the maximum income levels allowed.

The Society said the increase although slight will affect many individuals and families who were previously ineligible.

Again, it should be stressed that is no longer necessary to purchase the United States Department of Agriculture Food Stamps.

For further information please call the Society of St. Vincent de Paul, 516-822-3132 (Suffolk residents may call collect).

L.I. Ad Club Awards Scholarships

A top scholarship prize of \$1,500 was awarded by the Long Island Advertising Club to Tracy Jefferson, a senior at Southampton College on June 19 at the Woodbury Country Club. Highly recommended by her faculty advisor, Jefferson has achieved a superb academic record, while working a full 40 hours a week at Saks-5th Avenue in Southampton.

Each year the 600-member Ad Club awards two scholarships to deserving advertising/marketing students from Long Island, as well as two \$500 scholarships to relatives of Club members. A \$1,000 scholarship was awarded to

Mark Kreditor, a Hicksville resident who is a student at Northeastern University in Boston, where he is advertising manager of The Northeastern News.

The \$500 scholarships went to Alan Wynn of Massapequa, who will be entering Cornell University Medical College in the fall and Stephanie Stricker of Woodbury who will begin law school in September.

The scholarships were presented by the Honorable John V. N. Klein, Suffolk County Executive, with an assist by former Special Prosecutor

Maurice Nadjari and Singer-Songwriter Harry Chapin. Nadjari and Chapin have each received the Ad Club's "Man-of-the-Year" award previously.

This year's "Man-of-the-Year" award went to Bill Moyers, well known journalist, producer of TV documentaries and former presidential press secretary under Lyndon B. Johnson. Moyers' award was presented on behalf of the Club by the Honorable Francis T. Purcell, Nassau County Executive. Moyers, who has lived in Garden City for the past 12 years, told of the great appeal Long Island

holds for him and his family, who regard it as an excellent place to live.

The ceremonies concluded with the swearing in of the new officers for the coming year. They are: Warren Brath - President; Charles Love - V. P. Administration; Jack Stein - V. P. Activities; David Hebb - V. P. Communications; Barry Lebow - V. P. Membership; Peg Shitmore - Treasurer; Alan Knopf - Financial Secretary; Victoria Graney - Recording Secretary.

Skip Ackerman of Syosset, chairman of the Scholarship Committee, explained that the

scholarship money is raised by the Club each year from application fees sent in for the BOLI (Best On Long Island) awards competition. A total of \$11,500 in scholarship money has been given in the past five years to deserving students.

Lindbergh Boat In Regatta

The Charles Lindbergh honey-moon boat and the last known knuckle-bowed schooner in existence will be among the highlights of the Town of Oyster Bay Antique Boat Regatta on Saturday, July 14th. It was announced this week by Town Supervisor Joseph Colby.

Sponsored by the Town's Bicentennial Historical Commission, the regatta is scheduled to begin its parade through Oyster Bay Harbor at 1 PM. More than 30 power and sail boats predating 1941 will participate. Gun salutes are planned along the parade route, and prizes will be awarded in various categories to participating boats. Residents may view the procession from either Theodore Roosevelt Park in Oyster Bay hamlet or from Centre Island Beach in Bayville.

A wedding present to the Lindberghs, the ABEL HAND is an Elco Cruiser built in 1929. Originally christened the Mouette, the 38' craft was totally rebuilt in 1970 and is one of the last of her kind afloat.

The TAR BABY is a John Alden-designed vessel built in 1928 in Thomaston, Maine. The 50' craft, which now hails from New Hampshire, is the last known knuckle-bowed schooner in existence.

Another noteworthy entrant in the regatta is the HELENA MARY, a diesel-powered yacht built in 1931 in Rosneath, Scotland. The 63' vessel is believed to have taken part in the evacuation of Dunkirk in May and June of 1940.

"This regatta will be the largest parade of antique sail and power craft ever seen on the north shore of Long Island," Supervisor Colby commented. "The Town is proud to have some of the finest representatives of antique boats participating in this event, not to mention two Naval gunboats which will be on hand to salute these fine examples of ship building craftsmanship. I hope many residents will come out and enjoy this unique parade of boats."
