School Tax Rate Lower Than Expected

The Hicksville Board of Education has set the 1979-80 school tax rate at \$17.284 per \$100 assessed valuation (AV), which is 13c lower than Hicksville voters authorized in May. The final rate was ratified at Monday night's special school board meeting, convened especially for that purpose. Also approved was the 1979-80 library tax rate of 61.2c per \$100 AV.

Hicksville voters had approved a tentative 1979-80 school budget which called for a tax rate of \$17.41 per \$100 AV, a 98¢ increase over the then current \$16.43 school tax rate. The final tax rate will carry an 85c increase, 13¢ less than anticipated.

The library tax rate for 1979-80 is unchanged from the May estimate; it carries a 2¢ increase over last year.

Daniel Arena, president of the

Board of Education, stated, "The reduction in the anticipated 1979-80 school tax rate is the result of increased revenue from state aid and district finances."

Actual state aid awarded to the Hicksville school district is \$184,517.61 more than estimated. The state aid increase is largely the result of hikes in aid for the handicapped.

Projected revenues from investments in the past fiscal year were surpassed by \$252,513.00. District officials had anticipated a \$425,000 surplus in the 1978-79 school budget. Surpluses are available in the budget to counter emergency expenditures. If surplus money is not used during the fiscal year—as in this case—the funds are applied toward the next budget.

It was noted that a final tax rate could not be set until now

since state aid is not awarded officially until August.

Dr. Wilber Hawkins, Superintendent of Schools, commented on the final tax rate figures. "The Board of Education is acting responsibly in keeping its commitment to the Hicksville residents by reducing the amount of taxes required to support the 1979-80 budget. The administration is convinced that the budget as adopted is sufficient to meet the program needs of the school system and enable it to plan for 1980-81."

In remarking on the likelihood of unexpected expenditures in the coming year—especially fuel—Dr. Hawkins stated, "We have increased our projected surplus in the 1979-80 budget to the point that we will be able to take care of any contingency, including the cost of fuel and other utilities."

Seeks Re-election To Water Board

Gilbert E. Cusick, incumbent, has declared his candidacy for Water Commissioner. He is running unopposed.

Voting will take place in the main house of the Hicksville Fire Dept. on East Marie St., between 7 p.m. and 10 p.m. on Thursday evening, Aug. 30.

Upon completion of his present term, he will have served a total of four years as Commissioner. During this time, there has been a tremendous emphasis on water quality, what with increasing studies and the monitoring of organics (both toxic and non-toxic). Early efforts of the many Commissioner Districts on Long Island has now gained much support from governmental regulatory authorities in attempts to assess responsibility for contamination of drinking water wells.

Mr. Cusick stated, "as a result of our concern, and in a constant effort to maintain water quality our Board has authorized the purchase of a new well site, the drilling of four new deep wells, the sealing off of several shallow wells, the construction of two new pump houses and the installation of the most advanced safety equipment to maintain quality control."

"Now that the sewer construction program is underway in our District," he said, "we have an added burden to maintain service under difficult and sometime adverse conditions. The Nassau County Dept. of Health does require, and rightfully so, that we must chlorinate all water supplies at source. This is not a popular step with our consumers, but in the interest of public health, we must prevent

possible contamination of our system during the sewerage program.

"It is also evident from the record that once sewers are installed the consumption of water increases and provisions have been made to provide adequate supply of good quality water. The responsibility of a Commissioner is to work with consultants and staff to make available the tools and plant that become necessary at least possible cost to the community. Thus far, all funds required have been generated internally, the District has not had to resort to bond issues or long term financing. If elected again to this office, I will insist that good and careful fiscal management continue to be part of all matters relating to the District's financial affairs," he concluded.

Hicksville Schools Proceed With Reorganization

The 1979-80 school year will be the first year of the reorganization of district administrative services, and the expectations for improving the school system are high. For the first time in a number of years, the district will evaluate and revise programs. The new assistant superintendents, Dr. Catherine Fenton and Dr. Daniel Salmon, will work with the elementary and secondary administrators, department chairmen and teachers in ways to upgrade the curriculum and subject areas. Matters of articulating programs between schools, analysis of test data, and methods of instruction will receive early attention.

An all-out effort to communicate with the staff and public is a major priority for the upcoming school year. Miss Kathleen Hogan will establish a means of two-way communication within the school system and the residents of Hicksville. In addition, Superintendent of Schools Dr. Wilber Hawkins and the central office administrative staff expect to spend time in the schools

talking and listening to staff members.

Dr. David Weeks, Director of Pupil Personnel, will devote much effort to coordination of his department's services with other district programs. Pupil personnel services has as its major goal, to be more responsive to the needs of students during the year.

The district now has a personnel office to devote full time to personnel matters, for both the certificated and civil service employees. Mr. Ron Friedman, Director of Personnel, will give attention to such matters as personnel records and procedures, as well as employee claims and concerns.

All of these efforts will be incorporated into a system of "Management by Objectives." MBO is a modern management concept of operating an organization on the basis of goals and objectives. Goals and measurable objectives serve to carry out the priorities of the district. MBO also assigns administrative responsibility for accountability.

The Board of Education has

given the superintendent a set of 18 priorities for the year. They include:

1. The K-12 guidance program will be upgraded to incorporate the most effective philosophy and methods of school counseling.
2. The Pupil Personnel Services department will function as an integral support service to the regular educational program.
3. The educational testing program will be revised to accomplish the following:
 - a. A method of analyzing district-wide and individual classroom student growth for teachers, building principals and central office administration.
 - b. A means of assessing program effectiveness.
 - c. Correction of program deficiencies.
4. Procedures for student placement in special programs will be made more effective.
5. Known best practices of instruction will be introduced and/or reinforced in the classrooms of the district.
6. A method for curriculum

Operation VFW

By Lou Palladino

Things are starting to move again in our Post, and we will try to give you what we think might be interesting, and important. First let us welcome our newest member an old war horse from WW2 Bob Nisson, glad to have you and we hope you get active to enjoy our Post.

Once again our Employment agency is in full swing, the two Joes are at it again, Normandy and Gilligan trying to help the Vet. get jobs. If you need help pay them a visit and give them your qualifications and they will do their best to see that you get located.

Do you remember the old Army system of hurry up and wait? We have a perfect example of such action. For the benefit of those who don't know Joe Adessoio, a W.W.2 Vet discharged in 1945. Well Joe recently received the Bronze Star for bravery in action. Now he gets out of the service in 45, and this is 79, he only had to wait 35 years, or very close to it. How's that for hurry up and wait. Still after all these years, he is still proud and happy in spite of the long wait.

We had a visit from Tom Kaiser who is the M.I.A. chairman for National V.F.W., and

until recently chaired for the State also. Over some infraction our State Commander bounced him, it was a stupid move on the Commanders part. Nobody, and I mean nobody is more dedicated, or works harder for the M.I.A. then Tom, still he came to our Post and gave a talk urging us to participate in the rally again this year for the return of our boys over there.

Our dies Aux will have a dance on 27th it will be called Nostalgic Night the style of dress is up to you, whether it be the 20, 30s, the present or which ever you decide, the price of tickets will be

\$12.50 per person, this includes food, unlimited refreshments, and music. Make your own good time, and have a ball. See May Bergsohn, or Carmela Vitiello for your tickets.

We will have our Las Vegas Night for two days running, Aug. 31st, and Sept. 1st. Comrades, it's tough enough job, and we need all the help we can get you may feel you don't know anything and can't be of any help. Believe me, we can find something for you to do.

But most of all, out for a terrific and vitally overcome Juvenile Diabetes, a disease which affects two million teenagers and young adults.

Juvenile Diabetes, the severest form of the disease causes the body to lose its ability to manufacture and/or utilize insulin - a chemical necessary for the assimilation of carbohydrates. Without it, the body cannot convert these sugar and starches into needed energy. Insulin isn't a cure for diabetes. It only controls it sufficiently to function. Yet, even with proper treatment, the consequences of diabetes are often severe. Diabetes affects an estimated 10 million people in the United States. At present, there is no

cure for them - only treatment. That is why The Juvenile Diabetes Foundation, a nationally accredited, voluntary health agency, has as its primary objective, the arrest of the complications and ultimately, cure the disease itself.

On Sunday, October 14, 1979 a "Hoofathon for Juvenile Diabetes" will be held at Eisenhower Park, parking lot No. 1 at 8:00 A.M. This event is a combined effort of the Juvenile Diabetes Foundation and the Knights of Columbus, Corpus Christi Council No. 2502 in Mineola, N.Y. - who also have the support of all 22 Districts (77 Councils) which is the entire K of C Chapter of Long Island. The walk will cover 25 kilometers which will have supervised cross walks, medical assistance, and refreshments en route. All that is required of the "Hooper" is it get

pledges from sponsors for each kilometer covered. The participant can go for the entire distance or if necessary can drop out at any of the check points. Dear Friends ---

In this our 1979 Back-To-School Double Issue we are happy to bring you as much information as our local schools could send us, regarding the opening of schools and other pertinent information.

Perhaps one of the few positive signs of our times is the fact that the importance of education continues to grow...and to extend itself to all ages, here in America. It is not at all unusual to see parents resume their education and graduate, along with their children, and in some instances, one sees grandparents also filling their "golden years" with formal studies and getting their degrees.

However, we must never forget that the first twelve years of our public school education are most important. Every year is an important step toward a better future for each young citizen of our country. Better citizens make a better country.

We were pleased to hear from a Hicksville "oldtimer" presently living in Arizona - Louis Wollenhaupt who retired four years ago after 35 years service in the Hicksville Post Office. Mr. Wollenhaupt says that, although he likes Arizona, "Hicksville is best", and sends best wishes to all his friends and former neighbors, whom he still reads about each week when he receives THE HERALD. He also mentioned that his cousin, Frances Bischoff, who passed away this week, was a granddaughter of Henry Wollenhaupt who owned the first barber and tailor store in Hicksville, many years ago.

The new chef, Bruce Dawson, is cooking up some special dinners, Wednesdays through Sundays at the ever-popular Stack O'Barley on South Broadway in Hicksville. Your choice of steak and onions or shrimp scampi complete for only \$6.95. Also, every third Sunday of the month is Famil Day, with entertainment from 3 p.m. You don't have to be Irish to enjoy the "Stack".

The Army Recruiting Station at 61 North Broadway in Hicksville is hoping to make the Guinness Book of Records, by staying open 24 hours from Aug. 20 through Sept. 1. Good luck to all concerned.

THAT'S ALL for this week, see you on Labor Day, at the Hicksville Fire Dept. Parade and Drill.

Letters To The Editor

To the Editor
Enclosed is a copy of the letter which was read by Carol Marks, Corresponding Secretary of the Hicksville Council of PTA Units, at the Board of Education meeting June 27, 1979 commending the Board's intent to comply with the New York State Department of Education's mental health education requirements.

We have been advised that the mental health curriculum which was approved at the June 27th meeting will not be introduced into the schools this September.

The Educational Goals and Objectives Committee of the

Board of Education will reconvene at the beginning of the school year. We strongly urge all those concerned to read the Mental Health Curriculum (Strand III) and attend the meetings so that a mental health curriculum may be developed which can be implemented within our school district.

Sincerely,
Mary Cordier,
President

local school boards.

We acknowledge the need for a mental health curriculum in the Hicksville Public Schools with the proper emphasis and balance given to the emotional, physical, and social responsibilities in family life and sex education. We trust that the Board of Education will see that such a curriculum is taught by teachers trained for this program with the appropriate methods for each of the various grade levels.

We find the Board of Education's desire to include the community and the continuous effort to inform the public of its mental health curriculum commendable. The Executive Committee of the Council of PTA Units is hopeful that this is just the beginning of a comprehensive K through 12 mental health curriculum.

Sincerely,
Carol Marks,
Corr. Secy.

Around Our Towns

Harriet A. Maher
433-5994

A very enjoyable mini vacation was enjoyed by our Town of Oyster Bay Clerk, Ann Ocker and her husband Ed. They spent a week in Easthampton relaxing in the sun. Due to time constraints imposed by her job obligations and campaigning, Ann and Ed will have to postpone a more lengthy vacation until after elections in November. At that time they will fly to California to visit their son, Dr. Glenn Ocker, his wife, Karen, and their two children, Paul and Danielle. They will be able to visit also with their other daughter, Jean, who resides in California.

Visitors to HICKSVILLE are Murray and Frances Margolis' daughter-in-law, Sharon, and their grandson, Cliff. The Margolis' son, Carl, wasn't able to travel with his family to visit his folks because he couldn't be spared from his job at Pick Associates located in California where he's employed as a computer engineer. However, he will surely make the next trip with his family.

TOB Councilman Tom Clark, his wife, Corinne and their 9 children spent a delightful vacation in Silver Springs, NY, recently. In order to accommodate the whole family, they had to take two cars and two cabins. Corinne drove one car and Tom the other. The Clark family thoroughly enjoyed themselves during this vacation.

Just found out that Assemblyman Fred Parola is engaged to Susan Poster of Baldwin. Her dad, Tom Poster, writes for the "Daily News" - he's their political columnist. Fred and Susan have a November 24

wedding planned. They will be married in St. Christopher's Church in Baldwin. Fred told us their honeymoon will have to be delayed until December - after the elections.

More visitors to HICKSVILLE are Peter Ference's sister, Pat Frantz, and her children, Robin, Karen and Susan. They flew from Los Angeles to Cincinnati to Hicksville where they will stay with Peter and his mother, Josephine Ference. Welcome to our town, folks.

Frank and Janet Gioia are extremely happy upon the birth of their first daughter, Dana Marie. She was born July 19 and weighed 8 lbs. 8 ozs. She joins her brother, Allen, and brother, Christopher, to round out this lovely family. Dana Marie was Christened on August 19 at Holy Family R.C. Church. A family party followed the ceremonies.

A marvelous cruise was recently enjoyed by Betty and Marty Klein of HICKSVILLE. The 14-day cruise sailed to 8 different ports in the Caribbean. Accompanying them were their two sons, John and Martin III. Martin will be married 9/29 to Leslie Lewis of Washington, D.C. The wedding will be held in Washington, D.C. at the posh and exclusive University Club. Martin is a Retirement Benefit Specialist for the House of Representatives.

Pauline and Joe Sweizer's daughter, Susan Nevins, is studying for her doctorate in nursing science-smart woman. We wish you much success, Susan, in your endeavors.

HICKSVILLE Water Commissioner Sam Weiss and his lovely wife, Kitty, want to publicly thank all their friends and neighbors for their expressions of best wishes and many cards they received on the occasion of their Fiftieth Wedding Anniversary.

HICKSVILLE'S "Flying Octogenarian," Ida Mae Herfurth, flew to Wisconsin this past June to attend the wedding of her grand nephew, Raymond Dusel, Jr. While there, Ida helped her brother, Albert Dusel, celebrate his 87th birthday on June 23. She cooked the birthday dinner herself, her brother and two other guests. Unfortunately, Ida was in the hospital after she returned home, but she's once again back home. We wish you continued good health, Ida.

Can't miss this opportunity to wish a very "Happy Birthday" to Betty Klein. August 24 is Betty's special day. Her husband, Martin Klein, Jr. helped Betty celebrate. The Kleins are HICKSVILLITES.

A well-deserved award was given to the late James McTavish by the Economic Opportunity Commission of Nassau County, Inc. in appreciation of his time and efforts in service to the Community Action Council of Central Nassau, Inc. Jim was so pleased with his Certificate of Recognition and the beautiful marble and silver paperweight which accompanied it. We knew Jim McTavish personally, and a finer or more dedicated civic-minded individual couldn't be found. His wife, Alberta's loss is ours, too.

Hey there, Mary Knight. We know it's your birthday on August 22. We hope you had a wonderful day. We also know your family and friends wished you the very best for that day and all your birthdays to come and we do, too. (Especially since I (Harriet Maher) not only share August 22 as a birthday, but because we saw you grow from a sweet child into a lovely woman.)

Happy Birthday to Bill Pietruszewicz, of HICKSVILLE. He will celebrate his 60th birthday on Aug. 24. Happy Birthday Dad.

Happy Birthday to Connie Steers of HICKSVILLE. He will celebrate his big 30 on Aug. 26. May you have many, many more to come.

Kenny Wolf of HICKSVILLE, will be 9 years old on Aug. 28. Happy birthday Kenny.

Birthday greetings go to Marion Sokolski of Salem Rd., HICKSVILLE, who will be "39" on Aug. 27.

Frank Sutter Sr. is back home from the hospital and doing well after suffering a heart attack. He thanks his many friends for their get well wishes.

Sev and Grace Knudsen of Kuhl Ave., HICKSVILLE, entertained Sev's brother Chris and his wife Carmen, for a week. Chris and Carmen are from Rosewell, New Mexico. They enjoyed a trip to the city, many trips to Jones Beach and many parties at the Knudsen's.

While the couple were here, a surprise birthday party was given for Grace by her girl friends, Joan McCarthy of Seaford, and Muriel Hulsen of Hicksville. A great great time was had by all. Chris and Carmen left for Rosewell very tired but very happy.

IN THE SWIM FOR PLAINVIEW. The Plainview-Old Bethpage Swimming Team put on a fine performance in the August 8 TOBAY Parks Department Championship Swim Meet. Pictured here, Plainview Library Board Trustee Mike Polansky offers his congratulations to Plainview-Old Bethpage swimmers (l to r) Steve Rimer, Michael Fischer and Robert Rimer. The event was held at the Plainview Community Park.

Galileo Lodge News

By Joe Lorenzo

THE GALILEO LODGE DOES IT AGAIN! Nothing is too extraordinary, nothing is too far-fetched, impossible or difficult for our organization. The Galileo Lodge, in its quest for some measure of superiority in the entertainment field, will present a highly-entertaining Block Party and Dance, on Friday the 8th of September, beginning at 7:00 P.M. and ending at 11:00 P.M. Location site for this block party will be 200 Levittown Parkway, Hicksville, and the admission is free. There will be music, dancing and refreshments will be sold at moderate prices. To add to what will definitely be an enchanting evening under the night stars of Indian Summer, the Galileo Lodge will feature a Las Vegas Nite, to be run simultaneously with the Block Party. Las Vegas Nites are for adults, obviously.

There will be ample parking facilities, so why not all you members, relations and friends attend this gala 2-in-one event. Why not come and enjoy yourself and relax from the day's tensions? Why not come and usher in the rapidly-approaching Fall season and help close the Galileo Lodge's summer season of outside entertainment? Please call 931-9351 for more information on this block party and dance.

Saturday night, August 25th, it will be Aloha Time at the Galileo Lodge. It's the Date for the Hawaiian Dance and Luau, featuring the suckling pig, other polynesian dishes and many extras. Spice all this with a live Hawaiian show and live band and you will have a tropical mixture of South Sea Island enchantment and entertainment. Imagine all these delightful extras for the modest price of \$15 per person. There is still time to be a part of all this excitement, so why not dial Ted Marotti, chairman, 681-5190, for more information on this Hawaiian affair.

The Mary Monteforte Testimonial Dance is proceeding well. Ticket sales and reservations are still coming in, so why not try to make this affair as successful as possible, especially in consideration of the devotion and loyalty Mary Monteforte has shown to the Ladies Auxiliary and the Galileo Lodge. Dial Mary Sarrera (GE3-6289) and Grace Giordano (334-8584) for more information on this event. The price of admission is \$15 per person, with a full meal, unlimited liquor, etc. Live music will also be featured. Speaking about things unusual or unique when it comes to entertainment, we might add that the Ladies Auxiliary is going to hold a Foolies Follies Revue on October 12th. The bill of fare will be a series of variety acts to be performed by people who have talents in many facets of entertainment. These people will be 'unprofessionals' but with enough professionalism to hold your attention and the attention of a whole audience. Jo-Ann Wallick (OVI-8428) will host this activity. She is a member of the Ladies Auxiliary, and Joe Lappano of the Galileo Lodge will assist her in making up the acts. Rehearsals are held every Tuesday at 8:00 P.M. at the Galileo Lodge.

Skip Monteforte's Golf Outing at the Concord is in a state of readiness. Golf enthusiasts have demonstrated their affection for this sport and outing by the receptiveness they have shown to this upstate 'on-the-links' ac-

tivity. For more information please, call Skip Monteforte (938-70610). All the golf you can play and some fine meals will cost you only \$65 plus tax. This outing will be held September 9th (Sunday) and September 10th (Monday).

By the way, the Galileo Lodge Revovation program is pretty near finished. The outside portion now matches the inner beauty of the Lodge. A hearty thanks to all those who performed so well on

this project Marie Tucci, James Posillico, Anthony Previde and Pete Massiello and the many others who have also helped for the successful conclusion.

The St. Ignatius Girl Cadet Corps will 'kick off' the opening of the Galileo Lodge's 1980 Feast. Their musical talents and showmanship will greatly enhance the atmosphere of this activity.....

Black History Museum

An anticipated expansion of the Black History Museum in the Hempstead Bus Terminal will serve as another strengthening link in the growing cultural chain being developed between the Calderone Concert Hall on Franklin Street and the Fine Arts Museum of L.I. in the former W. T. Grant store next to Denton Green, according to John Hinton, president of the African-American Heritage Association of L.I.

Speaking at the Downtown L.I. Breakfast at the Hofstra University Club, Hinton said that expanding the facilities and program of the Black History Museum and securing an appropriate increase in its Nassau County funded budget were major objectives of his year old organization.

He pointed out that expanded quality black programs have the dual effect of providing whites with a source of respect and blacks a source of pride. He said that a weekly program of creative programs for students from high schools in the surrounding area is attracting keen student interest and parental involvement in the Black History Museum and its

activities. Hinton noted that the African-American Heritage Assn. is sponsoring a weekend program at the Calderone Concert Hall Oct. 26-27 that will include an evening tribute to the late Paul Robeson. Paul Robeson Jr. will introduce a movie depicting his father's life, and NBC's Gil Noble will emcee the program, expected to fill the 2,400-seat theatre to capacity.

NASSAU FEIS SET. The 7th Annual Feis sponsored by the Nassau County Board, Ancient Order of Hibernians will be presented on Sunday, September 16, at the Nassau County Plainview Office complex (off Mannetto Hill Road) according to John Bownes, General Chairman. The events will commence at 9 A.M. and run until dusk - including dancing, piping, recital, song and poetry competitions, in fact Joseph Halligan, of Syosset, will again handle the massing of the pipe bands and their spirited events. In past years, the Feis has attracted upwards of 20,000 with participants from Delaware, Boston and Toronto, Canada. We take this opportunity to remind all interested readers to mark their calendar (and also the rain date, Sunday, September 23rd) - we look forward to seeing you.

WEDDING BELLS: Peggy Mary McGeary of Brenner Avenue, Bethpage, became Mrs. Frank Fura, last Saturday, August 18, at 11 A.M. High Mass celebrated by Father John Murray at St. Martin of Tours R.C. Church - assisted by the Reverend Charles W. Forehlich, pastor of Trinity Lutheran Church, Hicksville, where the groom is a parishioner. The proud parents, Mr. & Mrs. Thomas McGeary, welcomed their guests at a reception which followed at the Villa Victor, in Syosset. The grooms parents, Mr. & Mrs. Frank Fura, of Manawa, Wisconsin flew in for the happy occasion. Following a Florida and Nassau cruise in the Bahamas, the couple will fly to Wisconsin, for another reception at Manawa to bless the couple. Peggy and Tom McGeary, the brides parents welcomed many guests at their Bethpage home to "meet the Bride and Groom - Peggy and Frank." Attending from Hicksville were Jack & Grace Halcott and Tom & Alice Gilbride. Grace and Alice are sisters of the proud mother of the bride, Mrs. Peggy McGeary.

Nautical Festival Preview

Headquarters of the Long Island Nautical Festival and of its parent corporation, the Long Island Nautical Heritage Foundation, is land-locked in the Mid-Island Shopping Plaza in Hicksville.

Captain Luis E. Bejarano, founder and head of the festival and foundation, is smilingly philosophical about that.

"The Mid-Island Plaza Merchants Association has been most generous in providing space for us," he said. "This fine organization prefers to be above sea level and away from deep water. Our penchant for the sea is fulfilled at festival time."

There will, however, be a nautical air about Mid-Island Plaza on August 25 and 26, in a major preview of the Long Island Nautical Festival within the malls and walks of the Hicksville regional shopping center.

"That weekend sea fever will prevail," Bejarano said. "There will be boats on display along with exhibits, films and competitions. Model building will be demonstrated and so will knot-tying. There'll be sea shanty groups performing and other singers entertaining."

The U.S. Navy will be taking part in the preview and nautical films from the library will be shown.

Tom Conoscenti, seafarer Eric Joungblood, administrator Rosalyn Millians, artist Joe Don Angelo, and scrimshaw specialist Trudy Don Angelo, in addition to Navy and school personnel.

Additionally, Capt. Peter Vanadia of the Young America will be on hand to direct logistics.

Nautical Festival headquarters is located at 882 Mid-Island Plaza. The phone number is (516) 822-7722.

All inquiries concerning school or group visits to the ship in various ports of call should be directed to the headquarters offices.

Those interested in four-hour morning, afternoon or sundown cruises also should make contact there.

Cruises cost \$15 per person and include guided tours of the Young America; a chance to handle her wheel and even work the sails.

Each passenger will receive a reproduction of a pen and ink drawing of the ship and other souvenirs. Passengers are encouraged to bring snacks or lunches, approved beverages, certain entertainment and warm clothing, especially for sundown cruises. Cameras are definitely encouraged.

For school groups, prearranged visits to the Young America at docksides are being scheduled. Educational kits will be provided in advance and

lectures will be given docksides before tours begin. Question and answer kits and school and home projects will be delineated for post-visit discussion. There will be a 75-cent per student charge for group visits.

Visits at docksides for the general public will be available at every port where hours will be posted. Contributions will be asked for these visits at \$1.50 for adults and \$1 for school age children. Crew guides will be available and full information will be disseminated to the public.
