School Board Ratifies HCT Contract

By Linda Strongin

After a four-hour executive session, the Hicksville Board of Education finally ratified the Memorandum of Agreement with the Hicksville Congress of Teachers at a special meeting of the Board on Tuesday evening, scheduled for 8:15 p.m. The Board and the HCT had reached a tentative agreement on May 14 after the teachers had a one-day strike which was termed an authorized absence by Superintendent of Schools Dr. Wilber Hawkins.

The long delay, resulting in a 12:15 a.m. call to order, was due, according to Dr. Hawkins, to "working on the finite wording of the contract." He periodically spoke on the progress of the executive session to the few members of the general public, most of whom were members of the Hicksville coaching staff.

Trustee Tom Nagle, who as Board President worked on the negotiations, stated that "both sides have a document they can be proud of. I would like to work with Bob Zaleski (HCT President) to show the positive sides of the contract."

One of the items worked on during the executive session was the extradyuty compensation for the coaching staff, which according to one coach, has not had a raise in five years. The Board did adopt a salary schedule for women's sports and specials (cheerleaders and Coquettes); men's sports; and intramurals.

which provides for a \$9 an hour salary plus \$100 for a head coach.

President Dan Arena stated that "it was never the intent to approve the \$9 hourly rate but to approve salaries computed out using the \$9 rate."

Trustee Tom Nagle stated that although he opposed the \$9 hourly rate he would, however, vote yes to the salary schedule. He told this reporter that the original intent of the Board was to provide an additional \$10,000 for extra-curricular activities which would include salaries for coaching and non-coaching staff. The coaches' salary schedule totals \$68,740, an increase of \$9,875 over last year.

At the August 29th meeting, the Board acted on the following:

- adopted a "no loitering" policy, which states "Unauthorized presence in schools or on school grounds is subject to prosecution for loitering. Adopted a resolution giving the superintendent the authority to immediately install signs with the above wording. Voting no to the resolution was Trustee Pete Fujimoto.

- approved the changeover of reporting the district's fixed asset inventory from reporting by replacement cost to historical cost in order to comply with the mandates of the Dept. of Audit and Control. The conversion will be performed by Industrial Appraisal Company at a fee of \$1,500.

- Awarded bids totaling \$37,769.25 which includes the

following: \$6,535 for Oil Burner service; \$6,450 for boiler retubing; \$11,000 for sheet music; \$4,591.08 for health supplies; \$4,150 to Tom for Transportation Co. for transportation, non-public, outside district; \$5,053.17 for audio-visual supplies.

- Approved claims and warrants totaling \$858,788.12

- approved budgetary transfers totaling \$194,088.09 and budget operational reports for 1978-79.

Voting no were Vice-President John Ayres and Trustee Virginia Germer. Both questioned the approval before the transfers and reports had been reviewed by the accountant.

- abolished the position of coordinator of Special Education and created the position of Assistant Director of Pupil Personnel Services. Voting no to both motions were Messrs. Ayres and Germer.

- approved a leave of absence for Stephen Wagner, without pay, for increment, for one year for the purpose of graduate study at New York University.

- appointed Dr. Manus Clancy as a probationary principal of the Woodland Avenue School, effective July 1, 1979 and ending June 30, 1982, at a salary of \$34,700, commencing Sept. 1, 1979 and ending June 30, 1980.

The next regular scheduled meeting of the Hicksville Board of Education is September 12, 8:15 p.m. in the conference room of the Administration Building.

Vamps Injured at Blaze

A general alarm fire on Aug. 28 at 6:47 p.m. in a building at 43 East Carl St., left four Hicksville Vamps injured, one seriously. Probationary Firefighter Mike Azue, 20, has his right leg crushed between a fire truck and a parked car. He was admitted to Mid Island Hospital and held for several days. Doctors report he will recover completely.

The fire, believed to have started in the boiler room caused an estimated \$70,000 to the building and 12 sanitation trucks

stored inside. The Jericho F.D. supplied one engine and covered additional alarms received along with one engine from Hicksville.

In other fires, a working fire at Rudy's Bar and Grill, 380 Duffy Ave., on Aug. 13 at 12:56 p.m., caused moderate damage to the structure. The blaze was confined to the kitchen by quick action of first arriving units.

On Aug. 17, mutual aid assistance was given to the Westbury F.D. at a general alarm fire on Post Ave.

Adult Continuing Education

Hicksville Evening High School continuing education programs are open to anyone, age 18 or older, who is not attending a regular day school, and who has completed the eighth grade. Courses range from English and reading, to history, chemistry, biology, modern languages and health.

Registration will take place Monday, Tuesday and Wednesday, Sept. 17-19 from 6:30 to 9:30 PM in Room 133 at Hicksville Senior High School. An unofficial transcript must be presented at registration.

New York State residents age 18 or older who have been out of school one year and whose classes have already graduated are eligible to participate in the High School Equivalency

Diploma program. A placement test given at the first session determines educational needs, and students' programs are then scheduled to accommodate those needs. Practice in test-taking is also included in the course.

Classes for the High School Equivalency Diploma program will be continuous on Tuesdays and Thursdays from 8:30 to 9:30 PM in Room 120 of Hicksville Senior High School, starting the week of Sept. 24.

More information on the adult continuing education programs is available in the district brochure, soon to be distributed to all Hicksville residents.

Interested persons may call 733-2171 from 6:30 to 9:30 PM to discuss details.

Curriculum Evaluation and Revision

One of the 18 goals of the Hicksville school district is to provide a procedure for curriculum valuation and revision. One part of the procedure will involve solicitation of input from administrators, teachers, parents, students and community members. Parents and the community will have formal input through the use of questionnaires and opinion polls. The usual open forum provided at school board meetings, visits to schools for Open House, spring concerts, parent/teacher

conferences and other such meetings will also continue.

The term curriculum covers the broad spectrum of activities that occur in the schools; so it is important to select which areas of the curriculum should be evaluated and/or revised in the current 1979-80 school year.

The setting of such priorities will be the focus of the Sept. 26 school board meeting which will be held in one of the elementary schools at 8:15 PM. (The place and time will be confirmed at a later date.) All Hicksville district residents are invited to attend. Its purpose is to discuss the in-

structional programs offered by the Hicksville school district and to place them in priority order for evaluation.

Residents who will be unable to participate in person at the Sept. 26 meeting will be encouraged to complete a questionnaire they will find in the September issue of Bulletin Board, the school district newsletter.

In 1974, the Board of Education committee created the philosophy, goals, and objectives which guide the district. It is now time to evaluate those curriculum areas to determine how we have meeting those goals.

Questionnaire On Development Of Downtown Hicksville Goes Out

By now, all Hicksville residents should have received a survey questionnaire regarding the public's attitudes and preferences for the development of the "downtown triangle area" of the community.

Prepared with the joint cooperation of the Committee for the Development of Hicksville and the Planning Division of the Town of Oyster Bay, the survey poses questions designed to sample the public's desires and ideas regarding the G-1 zoning area, west of Broadway

and south of the Long Island Railroad to Old Country Rd.

Stephen Didier chairman of the Committee for the Improvement of Hicksville, urges all residents to study the survey received in the mail and to express their opinions by completing the questionnaire and turning it in as soon as possible.

Completed surveys may be mailed to the Oyster Bay Planning Division at the Town Hall, Audrey Ave., Oyster Bay or turned in at the Town Annex Office on Duffy Ave. or at

the Hicksville Public Library.

The Committee for the Development of Hicksville, which is composed of representatives of large local organizations as an ad hoc committee of the Hicksville Community Council, believes that: "any zoning changes and subsequent development of the downtown triangle area" of the community should certainly reflect as much of the wishes of Hicksville residents and taxpayers as is possible." Mayfair Lane, HICKSVILLE, boasts prolific grandparents. Vivian and Ben Zakrewski are proud grandparents for the eighth time via their daughter, Judy and son-in-law Robert Howard. Judy and Robert are parents of Pamela Marie born August 28, weighing 9 lbs. 3 ozs. Pamela Marie joins her sister, Dawn Marie, in the family residence in Conn. The Howards are both graduates of the Hicksville School system, and both sets of grandparents are Hicksvillites. On September 8 a Christening will be held for Pamela Marie in St. Ignatius Loyola R.C. Church, Hicksville. Congratulations to all.

And just across the street from Grandma and Grandpa Zakrewski live Grandma Harriet and Grandpa Bill Maher. Our darling new grandson, William Francis, preceded Pamela Marie's birth by 2 days - he was born August 28, weighing 7 lbs. 11 ozs. to our daughter, Maryjoan, and our son-in-law, Andy. This is the second son born to Joanie and Andy. Their first child, 2-year old

Jimmy, is not quite sure whether his brother is his new toy or his Mommy's new toy. One thing for sure, he wants Mommy to keep the new baby.

More about grandparents... HICKSVILLITES Wilma and Bill Willis had their first granddaughter, Melinda Marie, on August 13, 1979. Melinda Marie, who weighed 7 lbs. 8 ozs., was born to Diane and Bill Willis, Jr. of West Islip. This little princess joins the two princes in the family - 6½-year old Billy, III, and 3½-year old Ryan. Diane and Bill are both Hicksville H.S. graduates, and their parents are still Hicksville residents. Best wishes to each of you.

Helen and Fred Fischer of 336 W. Nicholas Street, HICKSVILLE, celebrated their 30th wedding anniversary on August 21. On Sunday, (8/19) a party was held at the Fischer home which included Helen and Fred's children and other family relatives. There was much merriment, food and libations on hand to help make this a truly

festive and memorable occasion for the Fischers.

Not to be left out of the grandparents picture, HICKSVILLITES Mr. and Mrs. William Pietruszewicz, II, managed to have a beautiful granddaughter, Bonnie Ann, on August 20. Bonnie Ann weighed 8 lbs. and delighted her parents, Linda and Bill Pietruszewicz, III. Waiting at Grandma and Grandpa Pietruszewicz's home for her arrival were her brothers 5-year old Bill, IV, and 2-year old Chris. Little Bonnie Ann has a built-in group of admirers with her grandparents, parents and brothers. Congratulations, folks.

Sol Newborn, the Town of Oyster Bay Receiver of Taxes, and his lovely wife, Rita, are back from an extended vacation trip to Israel and Italy. Their main stops were Rome, Jerusalem and Tel Aviv, but they took many side trips. They thoroughly enjoyed themselves on this tour.

Just returned from a family reunion held in California are Jeanne and Ed Boyens of HICKSVILLE. They visited Ed's brother, Bob and his family who reside in California. Another brother, Dick, and his family flew from their home in Atlanta, Georgia, to join his brothers, Mrs. Elsie Boyens, matriarch of

this clan and former resident of Hicksville now living in Massapequa, also flew to California to be present at the reunion. This visit was an opportunity for the family to be together again and to catch up on all the news.

There's a wedding in the offing for James Humphreys and Wendy Grant of HICKSVILLE. James and Wendy will be married on Saturday, September 15, at St. Ignatius Loyola R.C. Church. Both are Hicksvillites who graduated from Hicksville H.S. James is employed by Cablevision in Hicksville, and Wendy is employed at Yummy Yogurt. We wish you both a long and happy marriage.

Congratulations to Jim Renner upon his promotion to head teller at the Bank of North America in Huntington. Jim grew up in HICKSVILLE and attended St. Ignatius Loyola School and Holy Trinity H.S. He now resides in Huntington with his sweet wife, Maureen. Maureen is a secretary at Dynetics. Good luck, Jim.

We are happy to report that our own Linda Strongin of Elmwood Ave., HICKSVILLE, is home again from Central General Hospital where she underwent surgery, which was successful. Welcome back, Linda.

Birthday greetings go to Audrey Stonehill of South Carolina, who celebrated her 18th on Aug. 31. Audrey was visiting recently with her sister and brother-in-law, Rita and John Toomey of Cedar St., Hicksville.

Happy home-coming to Matthew Kamula, who spent 2½ months in the Bahamas. He fished and swam and to prove it, he is now a certified scuba diver. After an extensive course with the Underwater Explorers Club in the Bahamas, he qualified and is considered one of their youngest divers. He also took courses in art and spent many happy hours with his aunt and uncle, former Hicksvillites, who now live in Lucaya, Freeport, Grand Bahama. Matthew, 15, is the son of Natalie and Walter Kamula, of Walter Ave., HICKSVILLE.

Happy Birthday to May Bergsohn of HICKSVILLE. She will celebrate on Sept. 10.

Recently turned eleven years old on August 15 is Marie Louise Kaminek, Miller Road, HICKSVILLE. Marie Louise lives with her parents Jean and Bob, and her nine-year old brother, Robert, Jr. Happy birthday, Marie Louise from your family and friends.

Lawhon-Whitaker

Melissa Lawhon, daughter of Mr. and Mrs. McKinney Lawhon of Hicksville, became the bride of Ross C. Whitaker, on August 11, at the First Centenary United Methodist Church, Chattanooga, Tennessee. A reception was held at the Lake Shore Marina in Chattanooga, after which the couple left for a honeymoon in The Bahamas.

Mr. Whitaker is a Special Education teacher in the Georgia school system and Mr. Whitaker is General Manager of Precision

Wire, and is also completing Engineering courses at the University of Tennessee in Chattanooga.

Attending the wedding from this area along with the bride's parents, were Mr. and Mrs. James Reid of Hicksville, and the bride's cousin Ms. Priscilla Whitley of New York City. Mrs. Whitaker is a 1972 graduate of Hicksville High School, and the new couple are residing in Chattanooga, Tennessee.

Ackley-Looney

Mr. and Mrs. Lawrence Ackley of Syosset have announced the engagement of their daughter, Mary Anne, to Mr. Michael J. Looney, son of Mr. and Mrs. Patrick Looney of Joan Avenue, Hicksville.

Mary, a recent graduate of the New York State College of Ceramics at Alfred University with a degree in Ceramic Engineering, is a graduate

student in Biomedical Engineering at Clemson University in South Carolina.

Mr. Looney graduated in 1978 from C.W. Post College receiving a Bachelor of Science degree in Biology. He is presently employed by Center Laboratories in Port Washington as Manager of their Dilutions Department and is pursuing his Masters Degree in Business Administration at C.W. Post.

Rosenthal-Di Iorio

Renee Rosenthal, daughter of Mr. and Mrs. Murray Rosenthal of 123 Northern Parkway, Plainview, became the bride of Mario Di Iorio, son of Mr. and Mrs. Anthony Di Iorio of West 3rd St., West Islip, at a ceremony held on Aug. 26 at 12:30 p.m. at the Huntington Town House. Rabbi Erlich officiated at the ceremony.

Sandi Rosenthal, the bride's sister was the maid of honor and Michelle Zalaznick, Fran Tandler, and Jackie Pesner, were the bridesmaids.

Emil Di Iorio was the best man for his brother, Victor Di Iorio, Guido Greco and Jeffry Rosenthal were the ushers. The couple took a wedding trip to Greece.

Raffoni-Harrigan

Loretta Raffoni, daughter of Mr. and Mrs. Philip Raffoni of 131 Princess St., Hicksville, became the bride of William Harrigan Jr., son of Mr. and Mrs. William Harrigan Sr. of 33 Croyden Lane, Hicksville, at a ceremony held on Sept. 2 at 4 p.m. at St. Ignatius Loyola R.C. Church, Hicksville. The Rev. William Karvelis officiated at the ceremony.

Joseph Harrigan was the best man. The ushers were Robert Sanders of Long Beach, Michael Raffoni and Barry Newman, all of Hicksville.

Following the ceremony at 6:30 p.m., a reception was held for family and friends at the Huntington Town House.

The bride, who graduated from Hicksville H.S. in 1974 is an assistant secretary in the mortgage processing department of Union Mortgage in Hempstead.

The groom, who graduated from Hicksville H.S. in 1972 and N. Y. Tech in 1977 is an electrician at Dennis J. Harrigan and Sons in New York City.

Following a trip to Orlando and Daytona, Florida, the couple will reside in Hicksville.

The bride wore a pleated chiana gown, the bodice was trimmed with lace, chiffon bishop sleeves, high neckline and flowing train. The veil was finger-tip length.

Patricia Strazzeri of Hicksville was the maid of honor. Bridesmaids include Maureen Di Prima, Debra Grecz, and Patricia Harrigan, all residents

Dear Friends ---

We feel that it is most important for all Hicksville residents to fill out and return the questionnaire on how the Hicksville Downtown Area should, in their opinion, be developed. Much has been written on this subject and about the ten-year period of complete inaction while tax-producing buildings went to Jericho and to Route 110, because of the unrealistic demands of the Town of Oyster Bay's G-1 Zone. For ten long years we have suffered with the non-tax producing mud puddles which still exist on the west side of Broadway. Also, the rest of the Hicksville triangle at present is rapidly deteriorating, in spite of much community concern. We believe it is the earnest desire of our Town officials to "do something" to alleviate this condition. At the same time, you can be sure that they want to take your opinions into consideration. These officials are actively working at present with local residents so that when action is finally taken on these downtown zoning changes, it will not only be in line with current possibilities, but will also represent, as much as possible, your thinking. They will benefit with your suggestions...you will benefit with your suggestions...need we say more?

PEOPLE IN THE NEWS...congratulations to Hicksville's Vern Wagner, whose Funeral Home is celebrating its 25th anniversary here in Hicksville. Vern is presently serving as president of the Hicksville Chamber of Commerce. Best wishes...and to Plainview accountant Alan Birkenfeld who is serving as campaign treasurer to Town Board candidate on the democratic ticket Mike Polansky...and congratulations to all who served on the Hicksville Fire Department's Committee who brought us a really great 51st Annual Parade and Drill.

THAT'S ALL for this week. Stay well and don't forget that all pictures submitted for publication should be clear....

Letters To The Editor

Dear Editor:

Congratulations are certainly in order for the Hicksville Volunteer Fire Department for the magnificent job they did in putting together the Labor Day Parade and Drill once again this year.

In difficult times like these, it's especially important to be able to simply take time out to enjoy a show like this one -- the pageantry and colors, the music of the marching bands, and the skills of our firefighters.

Thanks once again to the Hicksville Fire Department for all the time and effort that went into making this year's event possible. It was a great show.

Very truly yours,
Michael Polansky

To the Editor:

In reference to the letter by Carol Marks, Executive Committee, Hicksville Council of PTA Units, August 22-30 issue, I can't see how she can speak up and applaud the Board of Education on the Mental Health Curriculum (Strand III), planned for the K-3 grades.

The majority of the parents of the PTA are against this program. Doesn't the MAJORITY of the parents count or is it only the small percent of the members on the Executive Board. I thought they are supposed to represent the people and not their own minds.

When I called Honey Singer of the Lee Ave. PTA, in February to tell her I had attended a meeting of the Dutch PTA where Dr. Hawkins spoke about the Strand III program, which was the first I heard about this program, and told her the parents of Lee Ave should hear this and should be called to a meeting, she said the PTA could not take a stand on this and she never called a meeting. How come the PTA could not take a stand on this issue in February but in June could?

Not only on this issue could they not take a stand on, but when Mrs. Fritz and I went around for a petition to keep Foreign Languages at second and third grade level we were told the PTA could not get involved and would not help us at all in obtaining petitions.

There is something indeed wrong in the Hicksville PTA. I urge all parents to get up and question the PTA when Open House occurs in their school this Fall.

Sincerely,
Kathleen Flynn

Editor:

The following is a copy of a letter recently sent to me by State Senator James H. Donovan,

Chairman of the Senate Committee on Education stating that Strand III is not mandatory. I hope this finally lays this question to rest.

Nevertheless there is this nagging doubt that not everyone will get the word. In particular, the members of the PTA's. In last week's issue of your newspaper you published a letter from the Executive Committee of the Hicksville Council of PTA units "commending the Board's intent to comply with the N.Y. State Department of Education's mental health education requirements". Now that we know that there are no state requirements for mental health, I wonder if the PTA will so inform its members and the public at large.

Doug Harknett

Dear Mr. Harknett:

This is in response to your concerns relating to Strand III instruction in your district. Allow me to say that I share concerns that any sex education instruction not substitute the moral attitudes and values of staff of the school district for those which are rightfully the responsibility of the parent.

You should be aware, however, that sex education per se is not mandated though health education is required, within which may be contained instruction on human sexuality. Strand III is the State Education Department's curriculum guidelines for sex education.

School boards from time to time indicate to voters that Strand III is mandated by the State; this is incorrect. Sex education instruction and the content of that instruction are a local determination of the school district.

I have taken the liberty of enclosing Parts 135.1, 135.2 and 135.3 of the Commissioner's Regulations for your information.

With kind regards,

Sincerely,
James H. Donovan
State Senator

To the Editor and Hicksville Residents:

I suppose that you might call me a member of the "silent majority" here in our Hicksville community. I have sat back during the past eight months viewing the current battle over the Strand III Sex Education and Behavior Modification Curriculum between the School Board and a very large number of Hicksville parents. I have spoken with these parents at length on various occasions and have been deeply impressed with their vigilance and sincerity. When it comes to defending their

offspring against such an obvious psychological threat, I am certain that they will never give up until they win this fight completely. And at this point they mean to replace in rapid succession every one of the current School Board members in coming years, and the School Administration people as well, since they have so outrageously refused to represent the "voice of the people," the taxpayers who by the sweat of their brows pay the freight for the educational system in Hicksville.

Believe me, in future months, many more of us Hicksville silent majority will be showing up at the Board Meetings to take back control of our tax money, our schools, and our educational programs. And we will give these good parents all of the finances, moral support, supplies, and votes to "throw these rascals on the School Board out when their time comes."

I am now totally against sex education in the public schools, and this includes sensitivity training, behavior modification, personality development, parenthood, and family life education. These topics involve the most sacred, intimate, moral, and religious privacy of the individual and his family unit.

To place these private areas of human living in the schools as curriculum topics for common discussion in a classroom is an invasion of everyone's basic Constitutional, moral, and religious rights. To make sex education, and other such courses, mandatory is to make a complete mockery of the United States Constitution and the Bill of Rights, which protect us all against "involuntary servitude."

These amoral and even immoral courses, taught without proper and wholesome moral, religious, and ethical values, have never been proven to "work," but, on the contrary, have deeply aggravated every one of the problems they were invented to solve.

Schools exist for academic education, not "social change." Parents must provide the proper sex education, family living, and behavioral training within the confines of their own individual homes. That some parents default on their responsibilities in these areas is no reason to place such courses in the schools.

Medical experts have clearly demonstrated the psychological and psychiatric damage such courses have caused on students. To place their mental and moral health, that is, of our youth, in such grave jeopardy is both needless and mindless.

Very truly yours,
Mr. H. Chapman

CUMMINGS 'N GOINGS

LABOR DAY REVIEW: Despite cloudy skies and humid weather, the men and women of the Hicksville Volunteer Fire Department were at the Nelson Avenue site selected for the 51st Annual Labor Day Parade and Tournament... It was 5 A.M. as these dedicated volunteers turned the usually busy thoroughfare into a perfect site of 1065 measured feet for the afternoon tournament events, and with the "luck of the Irish" (Ofenloch is Irish?) the weather cleared and all scheduled events were held... The parade and new techniques applied this year were professional and gentlemen like Medard Ofenloch, a former Chief and Commissioner of the Department had found a "home" for the 1979 event, and quite possible for next year - we thought this site provided more

room and space than the Bethpage Road location of '78, too. It was a grand day and well attended by residents and numerous visitors - even some who paraded way up from New Hampshire in the line of march again this year... Following the parade, a showcase entertainment segment was presented by the World Champs the St. Ignatius All Girl Cadet Corps and the Commanche Raiders, who have been around the parade circuit these many years - great performances... Enjoying the festivities all day were Town Clerk Ann R. Ocker; Town Councilman Thomas L. Clark, who was introduced with other Board members present and extended a warm greeting from Supervisor Joseph Colby joining Clark, were Town Councilmen Greg Carman and

Sal Mosca also our esteemed editor and publisher Sheila Noeth enjoying the festivities, despite a busy schedule.

HONOR PETE HAMILL: On Sunday afternoon, September 16, the 7th annual Nassau County Feis, sponsored by the Ancient Order of Hibernians of Nassau County will commemorate the 100th anniversary of the birth of Padraic Pearse and will honor Pete Hamill, a distinguished journalist who joins the nation of New York every Monday, Wednesday and Friday, in the Daily News... Training Course For Jail Volunteers

Interested in becoming a volunteer teacher, counselor in the Nassau County Jail or other community facilities? Long Islanders for Thresholds is giving a course in decision-making Tuesday evenings beginning October 2 and continuing through November 20 to train volunteers to teach others these skills. The place is the Nassau County Medical Center, Carman Avenue, East Meadow, and the time 7:45 p.m. to 10:30 p.m. The fee is \$25 which includes the necessary

materials. For information or registration contact Clifford Schein, 2586 Cypress Avenue, East Meadow 11554, telephone 826-1113.

The course is a structured program that teaches volunteers decision-making skills needed to help others gain more control over their lives. Besides lectures and discussions, it will include actual field service in a community facility. A certificate will be given on the successful completion of the course.

Old Time Country Fair

The Hicksville Public Library ninth annual Old Time Country Fair will be held Friday through Sunday, October 5, 6 and 7, library hours.

As usual all categories of Arts and handicrafts will be accepted for display; from breads and cakes to oil painting; macramé, quilts and sweaters to ceramic bowls; afghans and slacks to bread dough flowers; a beefsteak tomato to a pint of quince jelly.

Each item will be judged by agents from Nassau County's Cooperative Extension Division. Ribbons will be awarded to winners for first place, second place and honorable mention.

Entries will be accepted only Tuesday and Wednesday, October 2 and 3, from 10 a.m. to 9 p.m.

If further information is required call Mrs. Neufeld at WE 1-1417.

The Bible says, "For by grace you have been saved through faith; and this is not your own doing, it is a gift of God, not because of works, lest any man should boast." Heaven is a most wonderful gift, it is not something earned or deserved, it is only received by faith.

Galileo Lodge News

By Joe Lorenzo

In this photo is shown the front and main entrance of the Galileo Lodge being renovated.

Its back to mainland for the Galileo Lodge after a brief visit to the paradise of the South Seas. The Hawaiian Dance was held this Saturday night, the 24th of August, and in view of all that fine polynesian food, the live Hawaiian band and show, its no small wonder that over 200 people enjoyed what was a night dedicated to the mystique of those small worlds in the Pacific. Teddy Marelli and his committee performed fabulously to achieve the kind of success this affair had met, and thus the Galileo Lodge wishes to extend its thanks and appreciation to them, especially in view of the magnitude and scope of the planning involved. This was definitely another fine performance by the members of the Galileo Lodge, with special emphasis and mention being bestowed upon the heads of Teddy Marotti and his committee men.

We would again like to focus our attention on the Galileo Lodge's Block Party and Dance to be held on Saturday, the 8th of September, at 200 Levittown Parkway, Hicksville. To add to what we have already written about this activity, we would also like to mention that food will be sold along with beer and soda, at moderate prices, no less. The aroma of sausages, peppers hot dogs, hamburgers, etc., will start the digestive juices flowing and the refreshments will certainly activate the thirst birds. A Las Vegas Nite activity will also be held in conjunction with the block party on the same night, so its really a 2 in 1 affair, as we had mentioned. For something different on your calendar of events, why not come to this outdoor activity and enjoy yourself in so many ways for what appears to be the last of the summer outside activities of the Galileo Lodge.

Another activity that will help to greet the Galileo Lodge's new entertainment program for the approaching Fall season is the Columbus Day Parade and the Beauty Queen Pageant that is indigenous to it. September 8th is the deadline for this contest associated with the Nassau-Suffolk areas, and I must also mention that all entries must be between the ages of 16 and 21 and have to be related to a member of one of the filial Lodges of the Sons of Italy in America. The Beauty Queen Ball, incidentally, will be held at the Electrical Engineers Hall Bldg. on Pinelawn Road, just off Route 110. The bill of fare will include Cocktails, Buffet Dinner, live music by the 'Cousins', and, of course, the

Beauty contest itself. Those who are interested in attending this affair can call Skip Monteforte (938-7081) for tickets or seat reservations.

"HICKS" WIN 8TH BATT. TOURNEY: The Hicksville F.D. Drill team nosed out the Westbury Turtles by 1 point to win the Annual 9th Batt. Drill hosted by the Bethpage F.D.

The Hicksville F.D. won 1st place best appearing unit in the 9th Batt. Parade. The Hicksville

Ladies Auxiliary won 1st place also.

At the State Convention in Rochester, N.Y. The Hicksville F.D. was a 1st place best appearing dept. and their ladies took a second place award.

It was reported that the Hicksville Auxiliary has scored the most points to take the N.C. Point Trophy.

American Soccer Club

By Ray Bentley

The Hicksville Hurricanes, sponsored by Barsenone Productions, started their fall soccer season off by going to Huntington for the Third Annual Peter Renzulli Tournament. The results of a heavy practice schedule showed, as they met the Lindenhurst Squires on Saturday. During the impressive 5-0 win, goals were scored by Scott Duca (2), Steven Postullo (2), and John Fabrizio. The second game against Brentwood, played Sunday morning, proved to be a more defensive battle. Early in the game, Steven Postullo scored the only Hurricane tally, as the rest of the game proved to be a defensive battle for goalie Brian Hoesten, and fullbacks Willia Sneddon, Eric Bentley, Jason Pollak and Chris Shearer. The third game had the New Hyde Park goalie reeling with 19 shots on goal. Five found their place in the net with Scott Duca scoring one early in the game, followed by Brian Finnell (2), John Fabrizio, and with Eric Bentley as goalie, Brian Hoesten moved up to score one.

Having finished the elimination

round on top, Hicksville met the Sachem team in the semi-finals. Another strong defensive game was played with fullbacks backing up the play of Bobby Himmel, Brian Sachs, Robert Franzese and John Schneider. The game was scoreless during the first half with repeated shots missing the mark by Steven Gouliay, Scott Duca and Steven Postullo. Hoesten stopped the continuous attack by Sachem. The only score came at 9 minutes of the second half, as a pass from Steven Postullo found Scott Duca's foot and wizzed by the Sachem goalie. Coaches John Fabrizio and Bob Finnell had last minute heart failure, as a set throw-in play by Hicksville backfired, and the Sachem team apparently scored. The play, however, was called back because of the technicality of a "bad throw".

Charlie Maione, injured in a practice, was there to cheer his teammates on in the finals match, which put the Hicksville Hurricanes against the Wexford Canada Soccer Club. Wexford scored early in the game, and had two goals within ten minutes, but then Hicksville settled down to play their best game of the weekend. Wexford's strong goalie proved the stopper, and Hicksville was unable to score. Superb passing by all team members had both Wexford parents and the referee praising the boys for their ability.

A second place trophy was the reward for a job well done by all the boys and coaches. The season is young, and everyone looks forward to another outstanding year.

Results of Hicksville's 51st Labor Day Events

The 51st Annual Labor Day Parade and Drill hosted by the Hicksville Fire Dept. was enjoyed by a record crowd. The General Chairman, Lt. Rich Russell and Co-Chairman, Capt. Mike Krummanacker, stated attendance was up this year from past years, the weather held up and the new drill site provided more room for spectators. Injuries to drill team members were very few. The officers and members of the Department wish to thank all its supporters and hope that a good time was had by all.

A touch of the "good ole days" of Labor day events in Hicksville was seen in the skies over the drill site when a vintage Bi-Plane towing a large banner proclaiming "Schuckmann For Chief in '80 Hicksville F.D." flew round and round for a half hour. Years ago a sky diver jumped out over Hicksville and landed at the drill site—well—sometimes he did. This year's stunt was a bit more expensive than campaign buttons and pens but it got the message across. Chief's elections are held in Dec. Capt. Schuckmann's crew is waiting to see Ex-Capt. Jerry O'Brien (the other announced candidate) to this stunt.

The September 13 autumn kickoff meeting of the Plainview-Old Bethpage Road Runners Club will be highlighted by a panel of three distinguished "running" podiatrists. The meeting will take place at the Plainview-Old Bethpage Senior High School (Central Park Road and Southern Parkway) starting promptly at 8:00 P.M.

The three podiatrists - Dr. Barry Rudin, Dr. David Lavitsky, and Dr. Lawrence Kobak - will discuss running and foot injuries with us. Just about every running injury stems either directly or indirectly from our feet, and running podiatrists have become recognized as the leading experts on injury prevention for runners. A significant part of the program will be devoted to an audience question and answer period.

DEVOTIONS

By The Rev. John H. Krahn

THE MOST WONDERFUL GIFT
One of the things that most young children fear are monsters. Unlike the imagined monsters of children, the early church had a real monster of its

own. It was a most deadly enemy that roamed about. The monster was the notion that Christ alone was not adequate for a person's salvation. And this monster gave birth to another monster, the monster of uncertainty over our

own salvation. Both monsters were real - both were the devil. Unfortunately, both monsters are still very much with us today. Many of us are puzzled and uncertain as to whether we will be saved. To solve the salvation puzzle we must kill the monster of uncertainty that suggests we trust in something other than Christ alone for our salvation.

Recently, as part of my Doctor in Ministry program, I surveyed a large sample of our congregation. I was amazed to discover that so many were puzzled over the crucial question of their eternal life. Only half of you feel certain that if you die tonight that you will be with God in heaven when Christ returns, and base such certainty on faith in Jesus Christ alone. The devil that roamed freely in the early church is still with us.

Brothers and sisters, our salvation is unreasonable, and this is what causes much of our puzzlement. We have been trained from childhood on up that

This Hicksville-based pack starts a new cubbing year on September 9th with its annual Family Picnic at Syosset Woodbury Park on Jericho Turnpike.

See if you know any of the Pack's 18 cubs. They include: Eugene Reilly, Peter Flynn, Robert McCraw, Mark Villazon, Terence Shanley, Antonio Vozzelo, Michael Maier, Stephen Fulgham, Brian Hall, Eric Naccolls, Gary Martelli, Thomas Utting, Michael Wozniak, Robert Cross, Todd Egger, Michael Pardi,

Paul Steltner and Erik Werner. The Pack is looking for new boys and parents to join its group. Cub scouting offers fun activities for the boys and builds community minded citizens of the future.

Pack meetings are held at United Methodist Church at Nelson Avenue and Old Country Road in Hicksville. For information about joining, contact Cubmaster Wes Villazon (433-3742) or Chairman Gerry Flynn (822-7734).

we must work out our own problems and map out our own destiny. To think that God's salvation is a free gift, won for us by God's actions and effected without any help or aid from us, militates against our, "Pull yourself up by your own bootstraps" philosophy.

Secondly, it smacks where we hurt the most, right in our pride. Adults are hesitant about accepting gifts which they know they have not earned or merited. We do not want to feel obligated to anyone. It is not an easy

matter for us to come before Almighty God when he wants to give us the most wonderful gift of eternal life. It takes a humble person to make such a confession from his heart and to stand totally dependent on God.

Thirdly, for most of us, everything that we have has a price tag upon it. Then we are confronted with the strange news of a gospel which declares that God's salvation is a free gift. Our experience with every other valuable gift causes us to stop and think, "Is that reasonable?" There must be a hidden cost, a string attached, we must have to do something. How can God really give us something so wonderful for nothing?

In the survey of our congregation I mentioned earlier, we also asked our people, "If you were to die tonight and stood before God and he were to ask you, 'Why should I let you into my heaven?' What would you answer Him? Take a second, think about it. Let me share with you some answers we received from you, our fellow ministers: 'I don't know.' 'I've lived a Christian life, loving and caring for my

received by on-the-green sportsmen. This activity will take place on Sunday, the 9th of September and on Monday, the 10th of the same month. For the price of \$65 plus tax, you can play all the golf your heart desires and you can entertain yourself with some fine meals. For more information on this outing dial Skip Monteforte (938-7081). Please be also aware of the Mary Monteforte Testimonial Dance, held in honor of Mary Monteforte, of course. This affair will be held on September 22, 1979 and it will feature unlimited liquor, a sit-down dinner and cocktail hour. Live music will also be featured. All this for the admission fee of \$15 per person. For more in-

formation on this dance, please dial Mary Sarerra (628-6289) and Grace Giordano (334-8584). All members, obviously, are urged to attend and bring along some friends.

Of course, the dance (or revue, if you will) that will really be something different and unusual is the "Foolies Follies", to be presented by the Ladies Auxiliary. Refreshments, hot food and other items will be served, but the fun part of the program will be the various acts and talents that will add to your amusement and fun. Admission is \$7 per person, and it will start at 7:00 P.M. Contact Jo Ann Wallick (0V1-8428), who is the chairlady, and Joe Lappane of the Galileo Lodge who will aid and abet Jo Ann in the setting up of this show. Rehearsals, by the way, are held every Tuesday night at the Galileo Lodge. If you have talent, come and join the festivities. This affair is scheduled for October 12th.

LODGE TIDBITS:

Marie and Lillian Misturini, like Mr. and Mrs. Armand Del Gioeppo, have just returned from

once in a while.

The ceremonies on the field of the Plainview Office Complex will commence at 2 P.M. Gates for this event will open at 7 A.M. and events will get underway at 9:30 A.M. At 12 Noon, a Field Mass will be celebrated with Gaelic Music reports John Bownes of Baldwin, chairman.

Several new competitions have a Hawaiian vacation and have nothing but raves for this fabulous Island group. Both couples mentioned that a trip to Hawaii is something that everyone should not miss, next to Italy, of course. Ralph Russamono has just become a grandfather. Congratulations from all of us at the Lodge. Mr. and Mrs. Tony Previte's son Joseph has received a plaque and other honors for achieving excellence in the field of automotive training at BOCES. It seems to run in the family, considering Tony Previte's record of scholastic achievement. Congratulations. We hear that Andy Guiliano and his wife will be heading for Italy shortly, and it is reported that they do this two or three times a year. Beautiful, we say.

been added to this year's program, numbering over 210 categories and events, which include: Figure Dancing, Minor, Junior, Intermediate and Senior Open Championship Dancing; Beginner, Novice, Prize Winner and Adult Solo Irish Dancing; Irish Art-Piano Accordion, Button Accordion, Violin and Tin Whistle events in 7 children's age groups. Ceili Bands in 3 age groups; Accordion Bands in 2 age groups; Amateur Piping in 5 Grades; Amateur Drums in 3 grades and Piper Band competition. Joseph Halligan, of 1 Martin Place, Syosset, is handling piper and drumming competition - Joe has been a soloist and instructor on piping for many years and I am quite sure each of you reading this column will find enjoyment for a wonderful afternoon of Irish culture and all events are run under the rules of the North American Feis Commission, Inc., Edward Callaghan, President. Rain date is Sunday, September 23rd mark your calendar - you don't have to be Irish to enjoy an afternoon on the sprawling green acres of the County Complex - admission - admission is \$3.00 per person, children under 16 admitted FREE.

Museum Votes Name Change

Decisions of much importance to the future of the Gregory Museum have been announced by the Hicksville Earth Science Center's Board of Trustees. By unanimous approval of the trustees at their August meeting the board voted to accept the recommendation of Museum President and Acting-Director, Richard Evers, that the institution henceforth be designated The Hicksville Gregory Museum: Long Island Earth Science Center.

Explaining the reasoning which prompted the name change, the Museum President declared: "There seems to exist some confusion as to the museum's ownership and control. It should be understood that, with the exception of the first five years of its existence in the home of founders, Gardiner and Anne Gregory, the museum has been an incorporated, non-profit, educational institution, drawing its sustenance from a cross-section of Hicksville citizens. We have been, in truth, a Hicksville community resource—man, financed and protected by local volunteers, but admittedly under the inspired leadership of the Gregorlys. In addition, all of our governmental contacts for a portion of our

Mr. Joseph Hernandez

annual support have recognized the Board of Trustees as the museum governing body: the New York State Council on the Arts; B.O.C.E.S. and training program."

The new name, the museum trustees believe, will assist an ambitious fund-raising drive approved at the August meeting. The Board has announced: "We intend to test the suggestion that the Hicksville Gregory Museum can continue its many public services with financial support from the private sector of the Hicksville and Long Island

communities, if business, industries, utilities and residents are more readily able to recognize the museum as a Hicksville community accomplishment and resource.

Asked if the Museum's projected fund drive in private circles precludes any further effort by the trustees to seek amalgamation with an educational entity such as the Hicksville school system or the Nassau County B.O.C.E.S., Evers replied: "Not necessarily. We are waiting for Albany to rule on the question of a school body accepting and financing such a 'Gift' of a museum. We don't feel that the Hicksville citizens have had as yet real opportunity to show how willing they are to keep this treasure in Hicksville."

The Gregory Museum trustees in another important decision unanimously approved the appointment to the Museum Board of Advisors of Plainview, Hernandez, a retired, bilingual marketing and industrial director and manager, with considerable experience with the Federal government Department of Housing and Urban Development and the U.S. Department of Defense, has taken a keen interest in the museum in recent months. In accepting appointment to the Museum Board of Advisors, Mr. Hernandez also agreed to chair the Museum's forthcoming fund drive. Among the Museum trustees soon to be working with the fund raising committee are: Irwin Botto, President of the Botto Mechanical Corporation; Kenneth Barnes, Director of the Hicksville Public Library; Edward Peter, President of Gary Insulation Company, and Richard Evers.

The Museum fund drive will have to get off the ground without delay as museum resources are sufficient to meet operating costs only until the end of the year. Every effort will be made to work in concert with any Hicksville groups and leaders who have expressed an interest in assisting the museum. Contacts for liaison purposes may be made with the Museum President Richard Evers at 822-7505.
