## Sunday School At Holy Trinity

This past Sunday Holy Trinity Episcopal Church, Hicksville, celebrated the reopening of its Sunday School and the commissioning by the Rector, The Rev. Domenic K. Ciannella, of the Church School Staff. As Father prayed for the staff, all present also prayed for responsible parenthood in the exercise of Christian commitment. For at Holy Trinity there is a strong sense that Christian nurture involves the necessity of everyone growing in the knowledge and love of the Lord. Christian commitment develops best when it is fed with worship and steeped in scripture.

Under the direction of Father Donahue and Deacon Anne Lyndall, a graded curriculum has been evolved that leads to the celebration of our life in Christ and our life as Christians in the world. Anyone interested in attending Sunday School at Holy Trinity Episcopal Church, Old Country Road and Jerusalem Avenue, Hicksville, is most welcome Sundays at 10:00 A.M.

Also, Holy Trinity is having a get together for "unattached" ladies and gentlemen, 35 years or older, who wish to share a night of fun, music and dance, Friday, September 21, at 8 P.M.

**ON PARADE:** Oyster Bay Town Councilmen Gregory W. Carman (left) and Thomas Clark (second from left) salute the flag as it leads off the parade at the 7th Annual Feis, sponsored by the Nassau County Ancient Order of Hibernians. Also on hand for the festivities were Feis Chairman

John Bownes (center), Jack Irwin, and County Hibernian President Dave Henshaw. The Feis was held on the grounds of the Plainview Office Complex and featured dancing contests, piping and other traditional Irish entertainment.

## HAD Dinner Dance Friday, Oct. 5

On Friday, October 5, Help-Aid-Direction will be holding its third Annual Dinner Dance, marking the tenth anniversary of HAD's service to the community. For the past ten years, HAD has provided services including individual, group and family counseling, as well as recreation programs, education and community fund raising.

Help-Aid-Direction is a community-oriented counseling and referral service center, working with schools and organizations in the Hicksville area. In some of the local schools, HAD has offered such services as outreach counseling and distribution of literature dealing with some of the problems experienced by youth.

Although HAD deals primarily with the youth of the community, its doors are closed to no one.

Recently, HAD sponsored a volleyball marathon, which took place at Mid-Island Plaza, as a community fund-raising event. The marathon was a tremendous success, and all involved are looking forward to a similar event, scheduled for March 1980.

Included in HAD's plans for the future is a community Halloween party to be held on October 31, 1979.

Other past services offered by HAD have been:

- a speakers' bureau, giving presentations of such subjects as Family Communications and Community Problem Solving.
- workshops in values clarification and vocational skills
- parents' groups, including sessions on Parent Training, Communication and
- Parental Problem Solving
- summer recreation, year-

round recreation and community recreation programs.

The Annual Dinner Dance will be held at the Royal Lancer II restaurant, located on Jericho Turnpike in Woodbury on Friday October 5, at 8:00 p.m. The evening will include a cocktail hour between 8 and 9 p.m., a dinner menu consisting of a choice of prime ribs or lobster tail, a Viennese dessert table, and dancing to live music till 12:30 a.m. Tickets for the dance are \$22.50 each and may be obtained by calling HAD at 935-6858.

HAD appreciates all of the support it has received so far this year, and hopes that the support will continue, making this year's dinner dance a success. Proceeds from the dance will help to institute HAD's new summer recreation program.

## Hicksville School District Receives Federal Grant

The Hicksville School District has received a \$14,198 federal grant for Project Measure, a new program in the instruction of the metric system. Project Measure is a complete system of instruction in metrics for grades K-4. The federal funds granted to Hicksville are entitled "replica grant" funds, which are awarded for implementation of a system already proven in previous research.

Two in-service workshops in Project Measure strategies have been scheduled for Sept. 26-27 and Oct. 3-4 at East Street School. Hicksville school district's eight

Helping Math teachers, and four Helping Math teachers from Hicksville private elementary schools — Our Lady of Mercy, Holy Family, St. Ignatius Loyola and Trinity Lutheran — will participate. Dr. Catherine Fenton, Assistant Superintendent for Elementary Education, also plans to be in attendance.

The workshops will be conducted by David Howell of Pearl River, NY, the creator of Project Measure.

Control and experimental groups of selected students in grades 1 through 4 will be used to judge the success of the

educational method. Pre-program testing and post-program testing of the students will be conducted, after the workshop participants have instructed their colleagues in each school building in Project Measure strategies.

The grant includes funding for the purchase of metric scales, balances, rulers, tapes and thermometers.

The only restriction on the grant is that the in-service training program be completed prior to the start of the 1980-81 school year.

## School Open House Dates

## A Message From Cong. Lent

### A LESSON FOR PRESIDENT CARTER

The discovery that a combat brigade of Russian soldiers has sneaked into Cuba should be a valuable lesson for President Carter: don't ever trust communist governments.

For it was President Carter who, upon taking office in 1977, suspended U.S. U-2 aerial reconnaissance flights over Cuba as a "good-will" gesture toward Fidel Castro.

Castro responded to Carter's trust by allowing the Russians to station a brigade of combat-ready Russian troops in Cuba, and by welcoming Soviet submarines and late model MIG-23 Soviet jet fighters possibly capable of carrying nuclear bombs. This is a typical response of communist governments to "good-will" gestures. The communists tend to regard such moves as indications of weakness or naivete and are only too eager to take advantage of them.

It is now up to President Carter to show Castro and his Russian bosses that they have made a serious error. The President must go much farther than his disappointingly weak public statement on the subject. Top secret talks between Secretary of State Cyrus Vance and Soviet

Ambassador Anatoly F. Dobrynin accomplish little more than contradicting Carter's campaign promises for "open" diplomacy. What is needed is a firm, positive move by the Carter Administration such as asking the United States Senate to suspend consideration of the SALT II Treaty (which the Russians seem anxious to have) until the troops are withdrawn from Cuba.

However, the Cuban incident should not be used — as some in the Senate would like — as a guide pro quo for treaty ratification. There are Senators who would like nothing better than to promise treaty ratification to the Russians in return for withdrawal of their combat brigade from Cuba.

This would be a terrible legislative mistake. The SALT II Treaty must stand or fall on its own merits or weaknesses. If the SALT II Treaty was a bad treaty for the United States before we discovered the presence of Russian troops in Cuba, it will still be a bad treaty for the U.S. even if the Soviet forces depart tomorrow.

There are still many hard questions about the treaty which must be answered. One of those questions has been given dramatic impact by the recent

Cuban incident: how can we be sure the Russians are living up to the terms of the treaty? The Senate should not ratify without an ironclad guarantee that the Russians won't be able to cheat on those treaty terms. Such an ironclad guarantee is not possible now.

We won't have any guarantee, in fact, until we can restore the monitoring capabilities we lost when the new government in Iran closed down our electronic listening centers there. Intelligence sources claim that could take years. And it may never be possible if the Carter Administration continues to balk at using aerial reconnaissance flights along the Turkish border. Carter already has vetoed any U-2 flights in that area.

The new Cuban incident — nearly 17 years after the Cuban missile crisis which nearly precipitated World War III — is, of course, far less serious in terms of threatening global conflict. 3,000 Russian combat troops in Cuba do not present the serious threat to United States security that Soviet missiles did. But this new violation of the Monroe Doctrine should show each one of us — and especially President Carter — the danger in putting any faith or trust in communist governments.

## Howard Jarvis, John Loeb Kick Off National Drive For Initiative/Referendum

Howard Jarvis and John Loeb toured New York State this week on the first leg of a nation-wide drive for initiative and referendum.

Mr. Jarvis recently received national notoriety for his use of initiative and referendum in California. Mr. Loeb is chairman of V.O.T.E. (Voice Of The Electorate) which has been seeking the right of initiative and referendum in New York State.

Mr. Jarvis and Mr. Loeb kicked

off their national drive in New York City on September 17th. That day, they testify at the New York State Hearings on Initiative and Referendum sponsored by State Senator Mary Goodhue at 270 Broadway at 9:30 AM.

A news conference and town meeting was held at the Barbizon Plaza Hotel at 7:30 PM and included representatives from Connecticut and New Jersey. Mr. Jarvis and Mr. Loeb were the principal speakers.

"This drive is not a tax revolt,"

Mr. Loeb and Mr. Jarvis said. "This is a fight against apathy and for citizen participation in government."

"Twenty-three states have the right of initiative and referendum and the states with initiative and referendum often have a voter turn-out that is double that of states without this right. Two-thirds of adult America did not go to the polls last year to vote."

For further information regarding VOTE, call (212) 753-1085.

**FAMILY FUN AT NOR-THSTAGE:** The current production of "Sound of Music" at the Northstage Dinner Theatre in Glen Cove is a delight to eye and ear, and, preceded by one of their gourmet dinners, a delight to the digestion as well.

The by-now-family story of the singing von Trapp family is brought to vibrant life here by lovely Judy McCauley as Maria,

handsome leading man Ron Holgate as the Baron, and an inspiring performance by Marsha Bagwell as the Mother Abbess.

The supporting players are uniformly talented, including the children. We were especially taken with tiny Jennifer Brady of Farmingdale, who romped through her part with amazing aplomb for one so young. Of the 200 children auditioned for the

parts, the lucky ones chosen are, with only one exception, all local and non-professional.

"Sound of Music" will be at the Northstage through December 2nd, to be followed by "The Magic Show" to February 10th.

For further information on times and individual and group rates (this could be a terrific idea for a fundraiser), call (516) 476-8300 or (212) 895-8626. (By Peg Persons)

FRANKLIN SQUARE, NEW YORK

## Dear Friends....

Our County Exec Frank Purcell testified at a recent hearing regarding Local Governments that two major reasons why our County taxes are so high in comparison to other counties throughout the country is:

(1) NY State mandates partial payment on welfare. One quarter of the welfare costs which the State of NY mandates must be paid by homeowners. THIS IS DONE IN NO OTHER STATE IN THE UNION.

(2) The state's compulsory binding arbitration law has made it possible for taxes for county police to go up 107% since 1973; He said that local government officials from throughout the state had lobbied intensively BUT IN VAIN against the extension of binding arbitration. He said that decisions which affect the fiscal health and stability of the county should be left to local elected officials who must answer for their decision, not to arbitrators who can walk away from the consequences of their decision.

At least we can understand some of the reasons why our county taxes are so high. Then, to add to this, we must differ completely from our friends the county democrats, who once again are doing their best to foist another level of government in the form of a county legislature, upon us. Costs for this, as shown in Suffolk County, are astronomical and constantly growing, as we predicted they would. We need less government, not more.

A REMINDER: Hicksville residents, we hope you have filled out and mailed back your questionnaire regarding what you feel would be sensible and possible to do with the development of downtown Hicksville triangle (before it becomes the eternal triangle) extra copies are available if necessary, at the Hicksville Library. Some of you have phoned to say that you do not have definite suggestions regarding this important subject which, if properly developed can help to hold the line on our property taxes here in Hicksville, while if it continues as just a bunch of mud puddles for another ten years, will not only continue to spoil our community's downtown area but will also continue to make us the victims of our ever-spiraling taxes without help from those taxes which would generate from a realistically planned and well developed downtown area. Those of you who feel that your basic knowledge of overly restrictive G-1 Zone which covers this area at present preventing developers to build here is limited and who do not know for certain just what changes should be made, might answer as we plan to do roughly as follows:

"To the Town of Oyster Bay, gentlemen: here is my answer to your questionnaire:

(1) The present G-1 Zone is a proven failure.

(2) The Town of Oyster Bay has a planning dept. provided for by our taxes. It is my suggestion that WITHOUT DELAY this dept. make specific recommendations covering this area to you allowing for such items as adequate parking, building heights, buffer zones, and building usages based on what would attract builders into this downtown area.

(3) We know that some of these suggested new restrictions of necessity have to take into consideration that the value of downtown properties are so high that small buildings would not be feasible in future planning, but we would certainly suggest that no restrictions should allow any building higher than Gertz which is already a reality.

(4) The ad-hoc committee has done its best. It is now up to you.

(5) We are not professional planners, gentlemen. We do, however, care about the future of Hicksville. We are sure that you do too. (End of letter).

That's how we feel about the questionnaire. But we do feel that we should all return our questionnaires whether we have definite or general suggestions as to procedure. We hope that you do this without delay.

In conclusion we extend best wishes for a happy Rosh Hashanah to all our friends of the Jewish Faith. May the New Year bring you and your loved ones the blessings of Peace, Good Health and Prosperity.

## NEWS BRIEFS

### Open House

The Lee Ave. School faculty and PTA will welcome parents to visit with them at 8 PM on Wednesday evening, September 26th (for grades K through 3) and Wednesday evening, October 10th (for grades 4 through 6).

These meetings are a definite "MUST" for all parents of Lee Ave. children as it will be their first contact with their child's teacher and an introduction to the year's work. The meeting will also afford parents an early opportunity to become acquainted with Lee's active PTA unit. The evening will begin with the first PTA general meeting for the year and will include presentation of the proposed PTA budget for 1979-80. Membership tables will be set up so that parents can take an early interest in PTA activities.

It will also be an excellent opportunity for parents who wish to take a more active role in PTA, to enlist their services to do committee work or be a room representative for their child's class.

### Letter To The Editor

Gentlemen:  
I am writing this letter in strong support of the Hicksville High School Alumni Association resolution in recognition of Miss Mabel R. Farley.

Although a graduate of Hicksville High School in the class of 1934, which is forty five (45) long years ago, I can still remember Miss Farley very clearly and with a good deal of affection.

However, let no one be misled when I say "affection." Miss Farley was a stern task-mistress and allowed for very little mischief either in or out of school where her students were involved.

But she was fair and equitable and set such a fine example which we really only recognized in later years when we faced the world through a depression, a World War and the difficult times that followed.

She has our affection because she taught us how to stand on our own feet and be men and women of whom she could be proud.

That is why I strongly urge that a suitable honor be bestowed upon her and that Miss Farley's name be perpetuated in the Hicksville community that she loved so dearly and to which she gave so many years of her life.

Very truly yours,  
CHARLES I. MONTANA

## Antique Car Show

On Sunday, September 23rd, Old Westbury Gardens will be the setting for the Antique Automobile Club of America showing. Approximately 100 antique cars will be on display from 11 a.m. to 4 p.m. weather permitting. (Rain date, October 14th.)

A visit to Old Westbury Gardens is a delight for the day. Like an 18th century park with its stately Georgian Mansion, there are beautiful gardens whose flowers present a continually changing picture with the seasons. The interior of Westbury House is furnished as it was during the family's occupancy (John S. Phipps), and contains furniture and art of the 18th and earlier centuries. Gracious rooms, filled with fresh flowers, recreate the unhurried atmosphere of a vanished era. A picnic area is available - No barbecuing permitted.

In Westbury House there is a charming exhibit arranged by a

Committee each year, depicting a facet of life as it was lived here in the early part of the century. This year the exhibit is called "A Doll's Tea Party."

From October 5th to closing at the end of October, Old Westbury Gardens will present a Doll House & Miniatures Exhibition.

The House and Gardens are open Wednesday through Sunday, and holidays, from 10 a.m. to 5 p.m. From mid-September to closing, the flowers-in-bloom will be chrysanthemums of many new and old varieties, fall foliage, dahlias, clematis and other perennials.

Entrance to the Gardens is \$2.50 for adults, 50 cents for children aged 6-12. Additional admission to Westbury House, \$1.50 for adults, \$1.00 for children 6-12. The Gardens are located at 71 Old Westbury Road, Old Westbury, New York, and can be reached via all leading parkways. For further information, call (516) 333-0048.

## CUMMINGS 'N GOINGS

By Jim Cummings

**FEIS-ANALITY:** That's what everyone had who attended the 7th annual Feis sponsored by the Nassau County Board of the Ancient Order of Hibernians at the spacious Nassau County office complex on Old Country Road in Plainview. It was the twinkling Irish eyes under those beautiful blue skies that brought an outpouring of Irishmen, Irishwomen and children from all over the eastern seaboard to celebrate their cultural heritage which has become a tradition - their personality was at its best. This was by far the largest Feis ever held by the Nassau County AOH since the first Feis was held at Holy Trinity High School in Hicksville in 1972, under the leadership of our present Chairman, John Bownes of Baldwin. Through the years, Bownes has had the know-how and intuition to bring everything to a successful conclusion - his committees have worked enthusiastically over the years and even from the moment of closing last year till late last Sunday evening.

**WHAT IS COMHALTAS?** It is Ireland's premier cultural movement founded in the 32 counties of Ireland in 1951. It is also extensively organized through the Irish communities in Britain, the United States, Canada and Australia. Irish traditional music now enjoys a status and a standard never before experienced in the history of this ancient nation. And most fortunately, we here on Long Island and in the Irish American communities will have the occasion for a glimpse of the "Real Ireland" on Wednesday evening, October 10th for the 1st presentation of the Comhaltas Ceoltóirí Eireann at the Garden City High School under the sponsorship of the Irish Cultural Society of Garden City under the leadership of Steve O'Connell. Admission is \$5.00 and I suggest to the readers of this column to contact past president John McGowan, 74 Washington Street, Garden City or write the Irish Cultural Society of Garden City,

**RAISE THE FLAG ON A JOB WELL DONE:** Young people working for the Nassau County Youth Board's Youth Conservation Corps summer program completed a variety of conservation projects on the Town of Oyster Bay's Bruce Estate in Syosset.

Perhaps their most rewarding task was the construction of a 60-foot flag pole. This flag pole will be used extensively by local Boy Scout troops for flag ceremonies in conjunction with camping

activities held at the Bruce Estate.

## U-8 HEARTS

By Jackie Adelstein

The Hicksville Hearts, coached by Tony Camara, and Ass't Barry Adelstein continued their glory at their first game of the season. The Hearts showed their power by winning the Peter Renucci Tournament, giving them their first win in over a year as well as first place trophies.

The Hearts continued their winning ways, by defeating the Huntington Boys Club "Hawks" by a score of 1-0. The teams were locked in a very tight game with the first half ending with a 0-0 score.

Ken Klein made several strong saves in the second half preserving the scoreless deadlock and at one point made consecutive saves on the same play from point blank range.

Just in minutes before the game ended, Kevin Morrisroe scored from his right wing position unassisted starting the Hearts on their way to what looks like a promising season.

Thanks to Lenore Perry, the Hearts displayed their new team banner today.

## Hicksville Frontiersman

The Hicksville Frontiersman, under the coaching of Lenore and Joe Perry, started their Fall Season Sunday with a victory

over the Rockville Centre Red Devils, 2 to 1.

The first score of the game resulted from a well placed corner kick by Craig Schultz to Mike Brigandi, who headed it in for a 1-0 lead.

Helping the victory was a very strong forward line of Bobby Karlewicz, Gabe Perry, John Claude Balek and Jimmy Schneider.

The half-backs, Neil McKenna, Timmy Van Cise, and Matt Conroy protected their areas by returning the ball with strong defensive kicks.

The full-backs, Jimmy Ort, Glen Rose, and Craig Schultz, stopped any threat from the Red Devils with strong defensive moves.

In the second half, Matt Conroy, with a strong kick, sent the ball to the net for another score.

Goalie Bobby Laine, did a super job protecting the goal throughout the game.

The whole team wishes Kevin Taylor a speedy recovery.

**HICKSVILLE CARDINALS  
UNDER 8 BOYS DIVISION I**  
September 16, found the

Hicksville Cardinals, sponsored by Barsentone Productions, Inc., at Grumman Field for the first game of the new season. It was in the very first minute of the game that the Auburndale Express, catching our fullbacks off-guard, scored the first goal. The Cardinals came back immediately to gain control and at the half-way point Hicksville scored with Brian Finnell putting in a powerful goal at the closing minutes of the first half. Soon afterwards, halfback Brian Sacks banged in a strong shot from behind the 18 yard line and it hit through the net to break the 1-1 tie. **GOOD WORK SACKS.**

In the 2nd half, Hicksville continued to dominate the game and increased the lead with 2 more goals by Willy Sneddon, playing a halfback position and center-half Jacky Fabrizio. Our offensive attack by forwards Scotty Douca, Steven Postullo and Steven Gourlay continued endlessly. Key support was given in midfield by our super halfbacks, John Schneider, Bobby Himmel and Eric Bentley. Robbie Franzese did a phenomenal job in goalkeeping with much support given to him by our terrific fullbacks Jason Pollak, Brian Hoesten and Chris Shearer.

## Hicksville Thunderbirds

by Joe Neto

The Hicksville Thunderbirds sponsored by the Long Island Boating Publications opened the Fall season in Garden City last weekend and played a super game defeating the Cobras by a score of 6-1.

Garden City scored in the first two minutes of play as Hicksville's defense was a bit nervous and got mixed up. That was the only goal their opponent were allowed to score for the remainder of the game as the full back line of Michael Ayres, Martin Jaycard, Thomas Roman and Paul Thompson settled down and played up to their potential. The Garden City offense did manage to take some good shots on goal but goalkeeper Richard Markey made the saves.

Halfbacks Richard Fraser, Andy Horne, Thomas Kenny and Brian McKenna did well in controlling the mid-field play and supporting the front line of Joey Doherty, David Kanuck, Joey Neto, Michael Pryves and David Weinberg.

Hicksville's front line also went to work early as Joey Neto scored the tying goal on a high cross from David Weinberg. David had quite a day scoring a hat trick and assisting on two goals. Andy Horne and Brian McKenna also scored for Hicksville.

## Boys U 10

by M. Kanuck

The Hicksville "Grenadiers" marched onto the Valley Stream field and proceeded to combat the "Rangers." The confrontation resulted in a 2-1 victory for Hicksville. During the first half of the match, the Grenadiers led the attack and most of the action was confined to the Ranger goal area. The lightning speed of front linemen Chris Karuck, Mike

Conway, Craig Ench and Mike Kowalcuk finally paid off with a fantastic diving headball into the Ranger net by Mike Conway. The front line was supported by the aggressive halfback trio of Mike Olive, Joe Santarelli and Craig Carson who just barely missed scoring several times during the game. The Hicksville defense was at its peak throughout the game. Fullbacks Mike Wozniak, Ralph Maresca, Richie Chakrin and Jimmy Panhookian were tested only a few times in the first half but their impenetrable wall remained intact throughout the game. Brian Doyle, serving as an all around utility man along with the aggressive playing of Mike Brown, scored the 2nd goal for the Grenadiers late in the first

half on a nifty kick into the left corner of the Ranger goal. Goalie Kenny Hamel dazzled the crowds and the Ranger offense with his quick, defensive movements and "sixth-soccer sense" which contained the halftime score to 2-0.

During the 2nd half of the encounter, the V.S. Rangers adjusted to the aggressive razzle-dazzle moves of the Grenadiers and managed to sneak a goal into the net in the last minutes of the game.

While Ass't coach Jack Carson was on the West Coast recruiting new talent, Coach Mike Kanuck and Asst Coach Rafi Maresca were reported to be pleased with the debut of their "Grenadiers". After a rest next weekend, the team will travel east on Sept. 30 to take on the sharp Tomahawks of Brentwood.

## Boys U / 13

In the boys U / 13 div II Red Hicks blue lightning lost to Oceanside Aztecs 6-0. Despite the loss, Hicksvilles team played with untiring effort and kept its team spirit until the last whistle.

Strong performances were by Ian Zaretsky, Seth Weisser, and Joe Baggett.

A "going away" party was held recently for Rita and Bob Dengler and their children, Carol and Robbie, before they moved to California. The party was held by Ann and Bob Rennert, Hicksvillites, and their daughter, Terri. Terri became acquainted with Carol and Robbie Dengler through her activities at the Mill River Farm located in Upper Brookville. Terri and Carol are avid equestriennes and spent much of their free time horseback riding at the Mill River Farm. Although Terri and Carol will miss each other, they have plans for Terri to visit Carol in California this winter when the Rennerts will be there to spend some time with Bob Rennert's parents.

A new HICKSVILLE, John Voulgaris, has just opened the newly renovated PIZZA PAN, 356 Old Country Road, Hicksville. We wish John, his wife, Irene, success in their business venture. John and Irene have four children: Maria, Demetra, Peter and Barbara, all of whom love the food at their parents' restaurant.

Another HICKSVILLE who celebrated her birthday is Mary Novellano. Mary's children, Andy Novellano and Patty Longo, and their spouses helped make this a memorable and festive occasion on August 29 by attending a dinner party in Mary's honor. Of course, the crowning event was the attendance at the party by Mary's five grandchildren - all adorable. Best wishes from your family and friends, Mary.

## Haas - Hamilton

Laura Ann Haas, daughter of Mr. and Mrs. Eugene Haas of Cliff Dr., Hicksville, became the bride of Gary John Hamilton, son of Mr. and Mrs. James Hamilton of Naricussus Ave., Hicksville, at a ceremony held at Our Lady of Mercy R.C. Church at 11 a.m. on Saturday, Sept. 15.

The Rev. Boessal officiated at the ceremony.

Mrs. Patti LoGalbo was the maid of honor and bridesmaids included Mrs. Gail Porter, Miss Helen Russo, Miss Hildy Kolban and Miss Nancy Shurf.

Mr. LoGalbo was the best man and ushers were Eugene Haas, Bob Porter, Jack Kelsey and Rich Coppersmith.

Following the ceremony, a reception for family and friends was held at the Huntington Town House.

The bride, a graduate of Nassau Community College, is a fashion assistant at J.C. Penney in New York City.

The groom, a graduate of Paul Smith's College is a land surveyor's assistant.

Following a wedding trip to Canada, the couple will reside in Monsey, N.Y.

The Magee's of HICKSVILLE are a busy and active family. Parents, Joe and Dolores are actively involved in community affairs. Son, Danny, is in his last year at the University of Baltimore where he's majoring in marketing. Daughter, Maureen, is in her second year at State University in Purchase, NY, where she's majoring in English. Daughter Donna, who works at Grumman Corporation, attends Adelphi University. Although they have busy schedules, the Magees are a close-knit family and are able to spend time together.

HICKSVILLE Ray Hand wishes to thank all his friends who expressed sympathy and condolences to his family on the demise of his mother. He is deeply grateful, too, for the cards, telephone calls and visits to him during his recent stay in the hospital.

We learned that Mildred Bernert's daughters, Pat and Dee, share a common birthday - September 6 - although they were born a few years apart. Happy birthday to you both from your Mom, Pat and Dee.

Happy Anniversary to Ann and Fred Freyksen of Grape Lane, HICKSVILLE. They celebrated their 17th on Sept. 1.

Congratulations to Mr. and Mrs. Richard Patrone of HICKSVILLE on the birth of a son, Thomas Richard, born on Aug. 27 at Syosset Hospital,

THE EARLIEST AMERICAN CAROUSEL will be the centerpiece of this year's Long Island Fair at Old Bethpage Village Restoration Friday through Columbus Day, Oct. 5, 6, 7 and 8. The annual event, sponsored by the Agricultural Society of Queens, Suffolk and Nassau Counties and coordinated by the Nassau County Department of Recreation and Parks, will exhibit prize livestock, produce, home-made preserves and baked goods as well as many varieties of flowers and plants. There will be agricultural skills contests, band concerts and parades, vespers and choir singing, puppet shows, games for children, magic shows and a variety of other entertainment.

weighing in at 9 lbs., 14 oz. The happy couple has another child, a daughter, Stacey, 20 months old.

Also on September 6 another celebration was held. This time it was Ann and Joe Jablonsky, Sr. who celebrated their 36th wedding anniversary. Their daughter, Carol O'Neil of Tampa, FL, flew up to be with her parents, for the occasion. Joe Jablonsky, Jr. was present, too, to round out the family. Ann was reminiscing and told us that she and Joe were married while he was on leave from the U.S. Army. He had just returned from the Pacific Theatre of War. After their honeymoon, Joe was sent to the European Theatre of War for approximately 1 1/2 years. They then settled in HICKSVILLE where they have resided ever

September 28, to accommodate the First Annual Nassau County Fall Golf Classic. 450 golfers have registered for the event, teeing off

in the early morning hours so the courses can open for public play at 1 p.m.

## New Arrival

Congratulations to Mr. and Mrs. Anthony (Jane) Schiralli of

since, Joe, of course, was born and brought up in Hicksville where the Jablonsky family have been residents for almost 60 years. Congratulations, folks.

## DEVOTIONS

By The Rev. John H. Krahn

### TUNE IN WITH PRAYER

In the Old Testament we often find God in conversation with His people. Conversational prayer entailed discussing the events of the day and seeking God's will for the future. In these conversations with the Creator, we find the believer seeking to unite his will and the will of the nation with God's will. God's people tuned into Him and listening for his direction.

I can recall in my freshman year at Concordia Preparatory School in Bronxville, at the ripe old age of thirteen, trying to tune my radio into WBAL in

Baltimore, my home town. Under certain atmospheric conditions, I was successful. Often the static wasn't too bad, and I could hear the familiar sounds of the way the king's English was spoken at home. It was the sound of home, and it felt good.

Unfortunately, our lines of communication with the Almighty are often filled with static, and we are hearing God's clear signal only infrequently. Static is produced when we have used the instrument of prayer sparingly. Static comes when we are involved in an overly sinful life. It is hard to pray in the

middle of the act of sinning. Static is caused by business that fills every moment and leaves no time for prayer.

In the New Testament, prayer for Jesus was like breathing: a natural part of the Christian's life. It was a daily habit for Him. He suggests we approach the heavenly Father in prayer as earthly children approach their earthly fathers. In prayer, both as individuals and more importantly as the Church, we are to seek a oneness with God, to share a living union with Him like that union which existed between God and Him. This is the desire

expressed in Jesus' High Priestly Prayer. We are to keep in tune with prayer. This takes concentration.

In his Tischreden (Table Talks) Martin Luther gives a beautiful example of the need for concentration in our prayer. "When Luther's puppy happened to be at the table, he looked for a morsel from his master and watched with open mouth and motionless eyes (as Luther ate.) Luther said, 'Oh, if I could only pray the way this dog watches the meat. All his thoughts are concentrated on the piece of meat. Apart from that, he has no thought, wish or hope.' Only as our individual and congregational prayer life is strong are we going to let the world know by our witness that Jesus is in our midst doing great things.

## Long Island Fair News

The earliest American carousel will be the centerpiece of this year's Long Island Fair at Old Bethpage Village Restoration Friday through Columbus Day, Oct. 5, 6, 7 and 8.

The annual event, sponsored by the Agricultural Society of Queens, Suffolk and Nassau Counties and coordinated by the Nassau County Department of Recreation and Parks, will exhibit prize livestock, produce, home-made preserves and baked goods as well as many varieties of flowers and plants.

There will be agricultural skills contests, band concerts and parades, vespers and choir singing, puppet shows, games for children, magic shows and a variety of other entertainment.

The wooden, manually operated carousel will be making its first appearance in over 70 years having been recently rescued from storage in the deep South.

Admission to the Fair is \$3 for adults and \$1 for children through age 17.

On Friday only, senior citizens will be admitted for \$1.25. There is no charge for parking and a gift shop and cafeteria are on the premises.

## Galileo Lodge News

By Joe Lorenzo

As Fall approaches and Mother Nature splashes the land in hues of brown and green, and as the signs of Winter tend to add tinges of grayishness to our lives, up comes the Galileo Lodge with its own presentation of the 1979 Entertainment Program covering these two seasons. This program, patterned in the inimitable style of the Galileo Lodge itself, will feature a Halloween Dance, a 2-in-1 combination St. Joseph and St. Patrick Dance, Man Of The Year Dance, Xmas and New Years Dinner and Dances, Member Appreciation Nights and many other activities guaranteed to ward off the winter doldrums. And if all this is not enough, add the Mary Monteforte Testimonial Dance and the 'Foolies Follies'.

As we have stated so many times in the past, the Galileo Lodge is an entertainment-oriented organization that spares neither time nor money in effort to offer its membership the finest in good times and good eating. A fundamental practice of the Galileo Lodge is its laudable desire to offer all this at admission prices that defy the imagination but which are also easy on the pocketbook. The committee men chosen to run these activities will comply with the wishes of the Lodge itself and they will definitely go beyond normal standards to give the members the most for the least amount of money. Needless to mention that these chosen workers will sacrifice their leisure and efforts to achieve what they consider to be the finest in entertainment and enjoyment.

The Galileo Lodge is an organization that is expanding. It has become tremendously community-conscious and this can be attested to when we point out such charitable ventures and structures like the Bicentennial Monument in Kennedy Mall, Hicksville. The Galileo Lodge is versatile, enlightening and people-oriented. And although it is ethnic in composition, its thoughts and considerations reach out to all ethnic groups who need aid and assistance. The Galileo Lodge is so structured that it can meet the needs of the most diversified and the needs of all those who just seek a nice organization to belong to. So, no matter what category you fit into, the Galileo Lodge is for you.

Last week, because of lack of

space, some items concerning the members of the Galileo Lodge were left out, but now we would like to mention them again. The Galileo Lodge wishes to extend its condolences to the Frank Barbera family. Frank was a loyal and dedicated member of our organization and his presence will be surely missed here just as his presence will be missed by his bereaved family. Eve and Angelo LaManna celebrated their daughter Jo Ann's wedding on the 8th of September. Best wishes from all of us here at the Galileo Lodge. We hear that one of the 'stars' of the 'Foolies Follies' will be Jeff Wallick, the husband of Jo Ann, the chairperson of this affair, along with Joe Lappano of the Galileo Lodge. Jeff, by the way, is also a member of our organization. And we might

mention here that this activity is scheduled for October 12th. Such items as spaghetti, soda, beer, coffee and cake will be served, and also to be "served up" will be some fine talent by the male and female members of the Galileo Lodge. So, for something unusual and unique in entertainment, why not contact Jo Ann Wallick (OV 1-8423) for additional information and ticket sales.

The Mary Monteforte Testimonial Dance, to be held on September 22, has just about reached its goal as far as ticket sales and table reservations are concerned. Response to this affair has been heart-warming and it is a credit to the membership that they were fully cognizant of the super-human devotion Mary Monteforte has shown to the Ladies Auxiliary.

## Burglar Alarm Ordinance In Effect

The new Nassau County Burglar Alarm Ordinance adopted by the Board of Supervisors last July will go into effect on September 21 according to Nassau Police Commissioner Samuel J. Rozzi.

"The new law was adopted in an attempt to correct some of the severe problems being caused by recorded automatic alarms and alarms emitting an audible signal," stated Rozzi. "During the recent hurricane almost 300 calls were received in a few hours as high winds and power losses triggered alarms into our 911 system."

Presently, the police Communications Bureau receives over 3,000 recorded alarm calls per month directed almost exclusively to the 911 emergency system. In addition, many of the same alarms also call local precincts as well as 911, tying up police communications. The new ordinance addresses these problems as well as a number of other alarm related matters. Beginning September 21 all new alarms installed in the county have ten days to comply with the law. Existing alarms are being permitted six months to comply. The following is an outline of the ordinance's major points.

1-All automatic dialing alarms shall transmit messages only to

the special police telephone number 742-7464 and will not transmit messages to the Nassau County Police Department "911" emergency telephone number or to any one of the 8 precincts in Nassau County.

2-All burglary (break-in) alarms shall have a mandatory delay of at least fifteen (15) seconds before transmission of a signal to the special police telephone number.

3-All alarm systems emitting an audible signal must be equipped with an automatic timing device which shall deactivate the audible signal after thirty (30) minutes or less.

4-No automatic dialing device transmitting to the special police telephone number shall transmit an alarm more than twice for any one incident.

5-All users of alarm systems must register their alarms by completing Police Department, Private residence alarm system file-Form 43 for private residences or Emergency business file-Form 45 for commercial premises and forward this form to the precinct where the alarm is located. Forms are available at local precincts and from sector patrol cars.

6-In areas patrolled by other than the Nassau County Police the local Police Department

should be contacted.

7-The new ordinance is county wide and affects all alarms except those going directly to a central station. There is a penalty for non-compliance.

"Further information on the law can be obtained by contacting the Department's Public Information Office at 535-4131," stated Rozzi. "The department is confident that this new measure will help alleviate this communications problem."

# Operation VFW

By Lou Palladino

Two more new members were entered into our rolls at the last meeting. One was a transfer Fred Oliveri, and Seigfried Neumann, of the Korean era. It always gives me pleasure to mention new members joining our Post, it will be even nicer if they get active, to really enjoy the fruits of their labor. Welcome Comrades to one of the finest Posts in the State, or for that matter, in the Country. I might be slightly prejudiced. While on the subject of members, it might be a good idea to send in your dues. It's that time of the year again and once more we will try to get our 100% before the year is out. Let's hope this year will be successful. It sure would make our Commander Aldo very happy.

Our two Las Vegas nights back

to back turned out to be pretty good. It was a lot of work and not quite enough members to help, but we did it. A lot of us worked both days and had very little rest, and on a Holiday week-end besides. The more help we get, the easier it would make it all around for all of us. If you would like to help, just get in touch with Augie Barone or Frank Lotti, they will be happy to have you. Our next Las Vegas night will be Oct. 6th.

Our employment agency is doing very well. We are still doing our bit placing people with jobs. Do you realize that if we find employment for one hundred people at a lowly \$8,000 a year, it adds up to \$800,000. If each County organization did that it sure would improve our Nation's economy.

The closeout date for tickets for our Past Commanders Roasting is Sept. 24 for those who forgot or didn't know the price is \$16.00 per person. That includes music, food, and drinks. It should be a lot of fun, to hear the terrible things they have to say about the recipient Lou Palladino (me). It should be a very pleasant evening, one that you will enjoy and remember.

Mike Monteleone reported 40 children from a home were taken to the Yankee ballgame, a bus was hired, lunches obtained, and the kids had a wonderful time.

We rented a bus for a trip to Washington, this is the Rally for the M.I.A.'s in Vietnam. Word has come back these prisoners are shifted from place to place, especially when one of the

facilities and appurtenances; and  
WHEREAS, it is now desired to authorize such construction and to provide for the financing thereof: NOW, THEREFORE, BE IT

**RESOLVED**, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

**Section 1.** The construction of additional drainage facilities and appurtenances for Drainage District No. 1 of the Town of Oyster Bay, Nassau County, New York, designated "Authorization (1)", including drains, storm water sewers, pumping stations and necessary works appurtenant thereto, the improvement of water courses and the acquisition of necessary land and rights in land, substantially in accordance with the plans referred to in the preambles hereof, is hereby authorized at a maximum estimated cost of \$15,400,000.

**Section 2.** The plan for the financing of such maximum estimated cost is by the issuance of \$15,400,000 serial bonds of said Town, hereby authorized to be issued therefor pursuant to the Local Finance Law.

**Section 3.** It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is thirty years, pursuant to subdivision 3 of paragraph a of Section

11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

**Section 4.** The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. There shall annually be assessed upon all the taxable real property in said Drainage District No. 1 at the same time and in the same manner as other Town charges an amount sufficient to pay said principal and interest as the same become due and payable, but if not paid from such source, all the taxable real property within said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds.

**Section 5.** Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be

prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

**Section 6.** The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or

2) The provision of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

**Section 7.** This resolution, which takes effect immediately, shall be published in full in Oyster Bay Guardian, Mid Island Herald and Massapequa Post, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

10 + 1 =  
Money  
Manager.

## The Island's largest bank now gives you 10 free services plus a personal banker.

Once again, Long Island Trust is proving that it's the bank that works hardest for you.

Our new program, "10 + 1 = Money Manager," gives you everything you need to manage your money more efficiently.

Here's what you get, when you qualify:

**1. Free checking.** You can write as many checks as you need, without charge, as long as you maintain an average monthly balance of \$500.

**2. Free checks.** Free checking wouldn't be free without free checks. So you'll get all the personalized and numbered checks you need at no cost.

**3. Systematic saving.** Just tell us the amount you want transferred from checking to savings, and we'll do it automatically. Or you can do it yourself easily, by phone.

**4. Overdraft checking:** You'll have a credit reserve for your use. If you need more money than your checking account balance shows, you can use your overdraft privilege to write a check to cover that expense. You can pay back the credit advanced according to a mutually acceptable schedule that conforms to your needs.

**5. Qwik-Check.** Now you can write your own loan when you need it. Once you qualify, we'll establish a credit line. Then, you just fill out a Qwik-Check and the loan is made automatically, without disturbing your existing checking account balance.

**6. Visa Card.** Accepted around the world, your Visa Card gives you instant credit at restaurants, hotels, fine stores and airlines.

**7. Free travelers checks.** Money Manager

customers are people who travel. So you are entitled to as many travelers checks as you want, as often as you want them, at absolutely no service charge.

**8. Free money orders, gift checks, cashier's checks.** Even though you already have a checking account, there are times when you need another way to transfer funds. At such times, use a Long Island Trust money order or cashier's check, or use a Long Island Trust gift check to celebrate a birthday or anniversary.

**9. Reduced personal loan rates.** As a 10 + 1 customer, you'll get a preferred rate on consumer loans. This can mean substantial savings on interest payments.

**10. Money Manager identification card.** Your card instantly identifies you as a 10 + 1 = Money Manager customer. So you can get all its free services quickly and easily, at any of our 34 offices.

**Plus 1.** Your own Long Island Trust banker.

You'll have an expert who knows you and your account personally. That way we can give you the best advice and service for your banking needs.

If you'd like to find out more about the new math at Long Island Trust, come in and ask about 10 + 1 = Money Manager.

You'll find us all over the Island at 34 convenient locations. And you won't find a bank with more interest in you or for you.
