G-1 ZONE

Our Downtown Problem

Dear Hicksville Resident:

The map on this page outlines the area generally referred to as the Hicksville Triangle. It is a center of the community and is currently zoned for office building construction (G-1). As a downtown center this is a most important area to the community and the Town. Its development to its fullest potential, although long desired by all, has been a point of controversy and some confusion within the community.

For a varied combination of reasons the construction of office complexes as envisioned by the G-1 Zone has failed to materialize. Because the development of this area is most important to the beauty and stability of the Hicksville Community, and, because its development can assist in decreasing the tax burden by increasing the land value, the Town Planning Division and a group of Hicksville community leaders are currently working to change the zoning regulations in an effort to bring about proper development of this area.

At the request of a group of citizens who formed the Committee for the Development of Hicksville.

Town Supervisor Joseph Colby directed that the following questionnaire be included in the regular Town newsletter. The Committee is seeking to have an understanding of the opinion of all Hicksville residents in forming a recommendation for changes from the current zoning plan.

NOW, IT IS UP TO YOU. Take the time to answer the questions. If you are uncertain as to what is in the area now, visit the area before you form your opinion. **BUT MAKE SURE YOUR VOICE IS HEARD** by the men and women of the Committee. **ANSWER ALL THE QUESTIONS** and return the questionnaire by mailing it to the Planning Division, Town Hall, Audrey Ave., Oyster Bay, N.Y. 11771; or drop it off at the Town Hall Annex in the parking garage on Newbridge Rd. and Duffy Ave., or at the Hicksville Library on Jerusalem Ave. **BE SURE TO RETURN IT BY THE END OF OCTOBER.**

(If you have questions: Telephone Planning Supt. Anthony Maurino or Town Councilman Thomas L. Clark at 922-5800.)

See illustration in lower left hand corner.

Questionnaire

1. I believe the Hicksville Triangle should be developed mainly for:

A. Residential use; B. Retail businesses; C. Office buildings; D. A combination

(If you feel certain uses would fit in only particular parts of the Triangle, please specify on a separate sheet of paper.)

2. Recognizing that it would not be economically possible to build one-family homes in this area, I still believe there can be residential construction here if: (check as many as necessary)

- Restricted to unattached 2-family homes.
- Garden Apartments, if limited to stories in height.
- Condominium units, if limited to stories in height.

- Permit older 1-family homes to be converted to rooming houses.

- Permit older 1-family homes to be converted to 3 or 4-family homes.

3. Any structure for any use should not exceed stories high. (estimate 10 feet per story.)

4. Knowing that off-street parking must be part of any building in this area, I believe that within the height limits above the best use of the land would be:

- Buildings that are entirely residential
- Buildings that are entirely retail.
- Buildings that are entirely offices.

- Some of each type building but not more than one type use per building.

5. Instead of reserving every floor for the same use, I believe multiple use buildings should be built in this area according to the following:

- Stores on ground floor with stories for offices and stories for residential.

- Stores on ground floor with stories for offices in the remainder.

- Stores on ground floor with stories for residences in remainder.

- A combination of

6. The area should also reserve some locations for:

- Additional commuter parking facilities.
- Other (please be specific)

7. After answering the questions, I don't think my ideas can be solely related through the information requested. I am taking an additional sheet to tell how I believe the Triangle area should best be developed (please be specific).

It is not necessary to give your full name and address but the name of your street and the years of residency are needed.

Flea Market

A fabulous, fantastic, fun-filled Flea Market will be held on Saturday, November 3, 10 a.m. to 7 p.m. in the St. Ignatius Loyola New School Cafeteria. There will be a wide diversity of merchandise ranging from hand-crafted items, old and new items such as housewares, furniture, to baked goods, toys, games, books, jewelry, etc.

There will be something for everyone, with bargains galore. Plan on coming down to the New School Cafeteria this day to do your Christmas shopping early. We know you will be pleased that you did.

Vendors are welcome to participate in this event, too. For only \$15.00 any vendor can set up a table to display his/her wares. Just contact Wilma Willis for further information at (516) 681-7825.

This indoor Flea Market is being sponsored by The Court Queen of Angels, Catholic Daughters of America.

They look forward to meeting and greeting each of you at the Flea Market on Saturday, November 3.

School District Sets Strand III Meetings

The following is a schedule of parent and teacher meetings for the purpose of outlining the proposed Strand III/Mental Health curriculum. The meetings will be chaired by Mrs. Diana D'Avino, Director of Physical Education and Health, and will last approximately two hours. They will be conducted in two parts, the first dealing with the personality development portion of Strand III, the second with family living. A demonstration lesson in each area will ensue.

At the end of each meeting, parents will be asked to express their preferences for a Strand III curriculum, with emphasis on the grade levels they believe the curriculum should cover.

All data gathered from these meetings will be collated by the end of this year, resulting in a recommendation to the Board of Education regarding the curriculum's implementation. If the majority of parents favors a Strand III curriculum, an in-service program of training for K-5 teachers may be necessary. If the data shows that only a minority of parents wants a Strand III curriculum, perhaps only School Nurse-Teachers will be trained in Strand III instruction. If no positive interest in Strand III is exhibited by the community, the central administration will convey those facts to the board, as well.

Galileo Lodge News

By Joe Lorenzo

The Fall season has arrived. It's time for Saturday football games, marching bands and attractive cheerleaders in multi-colored uniforms. All around us we see signs of Halloween with its

array of witches, goblins, jack-o-lanterns, lighted pumpkins and wheat stalks. It is also harvest time in the land, and on October 27th, from 9 to 1:00 P.M. the Galileo Lodge will reap its own

harvest as it presents a Halloween Dance. With a traditional ham dinner and all the trimmings on the menu, and with beer, soda, coffee and cake plus set-ups, this sounds like a fine harvest. Price of admission will be \$8.50 per person, costumes will be optional but prizes and trophies will be awarded to those with the worst and best dressed costumes. Speaking of costumes, I understand that they will be as diversified as they will be plentiful. The Jo-Vin band will provide excellent dance music which will be easy on the ears as well as on the feet. Why not contact Skip Monteforte by dialing 938-7081 and he will make all the arrangements for you as well as providing you with more details concerning this activity.

The Columbus Day parade in Oceanside was quite enjoyable and quite a spectacle, although it was marred by rain and inclement weather. Many of the filial lodges associated with the Sons of Italy In America were present, including, of course, the Galileo Lodge. One of the highlights of the parade was the St. Ignatius Cadet Corps which gave an awe-inspiring and vivid demonstration of their tremendous talents as they stopped by the reviewing stand and put on a brilliant performance. This display of showmanship earned them first prize as they scored 87 points out of a possible 100. The St. Ignatius Cadet Corps, incidentally, represented the Galileo Lodge at this Parade. It is no wonder that this talented group always wins top honors as they compete across the nation with other marching bands. The Columbus Day celebration represents the cultural traditions of the Italian communities and its people, and it is a day when they can all take pride in commemorating the name of the man who discovered this great country - Christopher Columbus.

Last Saturday night, the 12th of October, the Ladies Auxiliary of the Galileo Lodge presented its 'Foolies Follies' and that it was a 'howling success' can be attested to by the fact that the sounds of side-splitting laughter and hearty

At Roosevelt Raceway

Roosevelt Raceway opens its longest 145 nights' and final meeting of the 1979 New York harness season Thursday, October 18 to continue through Saturday, December 8. The estimated Messenger Stakes on October 27 is expected to highlight the fall feature action.

Roosevelt Racing Secretary Larry Mallar reports an unusually large stall application

list of approximately 1,400 which had to be sifted down to 900 head. Some of the larger stables on the grounds will be Norman Dauplaise (28), Lou Meitinis (28), Rejean Daigneault (26), Bill Haughton (26), Bob Benca (24) and Herve Filion (20).

In addition, some drivers who are not Westbury regulars will have strings on the grounds in the persons of Ted Wing (7), John

Campbell (6), trainer John Burns (6), Gaetan Baillargeon (4) and Neil Curran with four horses for the prominent Canadian owner, John Grant.

The Roosevelt racing program remains the same with an 8:00 P.M. first post for the Daily Double, Big Triples on the third, sixth and tenth races and Exact wagering on the fourth, fifth, eighth and ninth races.

Chrysanthemum Society

The Long Island Chrysanthemum Society will hold its Twenty Fifth Annual Show on Saturday, October 27 from 2:30 P.M. to 6 P.M. and on Sunday, October 28 from 12 Noon to 6 P.M. in Roosevelt Hall at the State University of Agriculture and Technology at Farmingdale. Photographers and the handicapped will be admitted at 11 A.M. on Sunday.

Admission is \$1 per person (over 16) and will go to the University Scholarship Fund.

The show is always a beautiful one with nearly 1000 entries. All of the mums on exhibit are grown outdoors by amateurs.

New Officers Elected

James T. Burns Jr., of the Long Island Savings Bank has been elected president of the Savings Banks Editors Forum. Muriel Clark of the Roslyn Savings Bank and William Olsen of Seaman's Bank for Savings have been elected vice president and secretary-treasurer respectively.

Savings Banks Editors Forum is comprised of editors who publish in-house news letters for the savings banks of New York State.

"No, Mrs. Hunnicut, we don't have any speakers who sing 'You Light Up My Life'."

Singing may not be a part of the repertoire at our LILCO Speakers Bureau, but we can certainly help to light up your group meetings. In fact, LILCO speakers are informing and stimulating school and community groups throughout Long Island.

For example, if your group is interested in hearing about the outlook for tomorrow's energy supply, we'll send one of our speakers to give a 20-minute talk entitled "Generation Gap." Free of charge. Then, the speaker will answer any questions your group may have. And LILCO speakers can talk on a wide range of subjects, from gas and electric safety to emergency storm restoration.

If you're interested in having one of our speakers talk to your social, business or community group, give the Speakers Bureau a call at 516-228-2226 and we'll arrange a visit. But please, don't ask our speakers to sing. They just may oblige.

...

Speaking of speakers, a Mrs. V. G. of Levittown attended a LILCO seminar on insulation, and wrote, "We all learned a great deal from Michael J. Brennan, who obviously knew what he was talking about. It was a godsend to get straight facts from someone with nothing to sell."

Needless to say, these kind words made Mr. Brennan, and LILCO, very happy.

A Message From The Hicksville Chamber Of Commerce

A short time ago, questionnaires relative to the problem of the G-1 Zone in Hicksville were purported to have been sent to all Hicksville residents. An Ad Hoc Committee, which was officially appointed to look into this tremendous problem, was instrumental in having this questionnaire prepared.

It has come to the Chamber's attention, that many residents have not received these questionnaires, nor have they been received by property owners in Hicksville, who are not necessarily residents but who are taxpayers.

The G-1 Zoning in the so-called Hicksville Triangle has brought about the desecration of what is known as the downtown area. The result is barren land, mud puddles and abandoned automobiles and garbage. It has certainly not resulted in anything constructive.

In the democratic plan of things, people who are residents and property owners have a right to express themselves to their elected officials. This questionnaire is the tool of that right.

If any of our readers has either not received this important questionnaire or it has possibly been misplaced, it is requested on Page one of this week's HERALD for your convenience. Please fill it out and get it back to the Oyster Bay Town Hall as directed.

We hope that residents will not take the attitude of disinterest because they themselves do not own property in the G-1 area. What affects the downtown area affects everybody. This stagnation is not doing anything for the general economy. Directly or indirectly it touches us all.

From time to time, The Chamber of Commerce will inform you of the problems arising from the now ten-year old G-1 Zoning. Watch for these articles, and in the meantime, if you have any specific questions, contact the Chamber of Commerce, but above all, get those questionnaires back where they can do some good.

For further information on any local topic involving the business areas of Hicksville, the Chamber may be reached at WEI-7170.

Motor Vehicle Operators Examination

MSC Manager Postmaster Anthony M. Murello of the Hicksville section Center has announced an entrance examination for the position of Motor Vehicle Operator. Applications will be accepted from Monday, October 22, through Friday, October 26.

Examinations will be given to establish a register of eligibles from which future motor vehicle operator vacancies at the Hicksville Post Office will be filled.

In order to qualify for this position, applicants must have a valid New York State drivers license and have at least 1 year of experience driving trucks or buses of 11 passenger capacity or over and must possess a safe driving record. The general age requirement is 18 years. There is no maximum age limit.

All eligibles being considered for appointment must pass a medical examination and a road test to show that they can safely drive a vehicle of the type used on the job.

All applicants must be citizens of or owe allegiance to the United States of America or be non-citizens who have been accorded permanent resident alien status.

All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, political affiliation, or any other non-merit factor.

The starting salary is \$7.74 per hour, which includes a cost of living allowance of \$3.35.

Applications will not be mailed. They will be issued and accepted at the personnel office of the Hicksville Post Office, 185 West John St., Hicksville, NY on the dates specified above.

Letters To The Editor

To The Editor:

During the past several months many letters have appeared in either or both of the local papers concerning the Strand III Curriculum and other areas of concern to the writers of these letters. For this time I have felt that however one chooses to make his personal views known is his prerogative. However there have been several accusations directed at me personally and I feel compelled at this time to clarify certain points.

Mrs. Hunderson made a statement in her letter of last June that she "assumed" I had attended the School Board meeting - June 27th at which time the Board approved the Strand III Curriculum, and she further "assumed" that I had at that meeting personally spoke in support of the curriculum. Wrong - I was not at the meeting so it would naturally follow that I could not have endorsed the curriculum at that time further. I did not at any time publicly support the Strand III Curriculum. I feel I have the right to keep my views on this or any subject, whether they be pro or con, a matter of private concern.

Mr. and Mrs. Turner have made reference to my employment by the School District in their recent letters. They infer that I was recently hired by the district because of my "support" of the Strand III Curriculum. Wrong again - I am currently starting my eleventh year as an employee of the district and my sixth year as a Media Aide at Lee Avenue School. Hardly a new employee.

I respect the right of each and every individual to his privacy, his beliefs and his opinions and I would expect no less in return. Accusations based solely on assumptions are very dangerous.

Very truly yours,
Lorraine Losche

To The Editor:

Recently members of our organization, the Coalition Against Strand III (C.A.S.T.) of the Hicksville School District were prevented by two School principals from handing out literature against sex education on school grounds at two PTA Open Houses, and were threatened with arrest.

The reason for this outrageous treatment was revealed at a School Board meeting on Wednesday night, October 10th. We were told by Superintendent Hawkins that the literature was not "authorized" by the Administration for distribution at a PTA meeting. Can you imagine that? "Authorized"? As if First Amendment rights to free speech need the permission of the School Administration. Who do these people think they are?

School property isn't private property - it's owned by the taxpayers. It's public property. The literature isn't being distributed during school hours to school children. It's being given to parents and teachers who have a right to know more about the sex education program the School Board and Administration are trying to foist on our children and our community. And the literature isn't sensational - it's scholarly. - written by a Professor of Economics at Humboldt State College, Arcata, Cal. What are they afraid of?

Our members are taxpayers, residents, parents of children attending school, and members of the PTA. We have no doubt at all that we would win a court case, and could sue for false arrest on First Amendment grounds. However, we have no

intention of subjecting our parents to the trauma of being handcuffed, taken to the police station, and fingerprinted just to prove a point. Nor do we want to further tax ourselves just to line the pockets of School Board Attorney Campanella with any more gold than the \$82,000 he received recently for District legal services. Nor do we think that a court case would be decided soon enough to affect the remaining PTA Open Houses. We are depending on public opinion to set the matter right. In the meantime, we will continue to distribute literature at the PTA meetings, because that is where the parents and teachers are.

We urge the public to protest to the Administration for their disgraceful behavior.

For more information on sex education you can contact the Coalition Against Strand III (C.A.S.T.) at P.O. Box 92 Hicksville, N.Y. 11801 or call one of the undersigned.

Phyllis Hunderson 681-9989
John Tobin 931-5088

To The Editor:

In answer to Ms. K. Hogan's Letter of Oct 4--

We still believe that there is an executive suite in the Administration Building, constructed and furnished over the past few years. We certainly are not satisfied with your recently published facts and figures wondering what you did with the rest of our money.

We still believe that Mrs. Losche's appointment as a Media Aide this summer occurred one

year after Strand III was "introduced" to Hicksville in June 1978, and months after the PTA Council "applauded" the board's adoption of that Curriculum in June 1979.

The School Board never announced that appointment of a Vice-President to act as Assistant Treasurer was a "common practice." We view that still as a questionable and controversial move.

We are gravely alarmed about the sudden departure during the summer months of virtually all of the district supervisors, who have been such close friends and part of our rich Hicksville heritage: Mr. Cressman, Science, who "retired"; Mrs. Galante, Languages and Public Relations; Mr. Gouse, Music; Mr. Joseph, Mathematics; and Mr. Lapidus, Special Education.

That Shelter Island "Workshop" could have been held for nothing here in Hicksville, instead of using our New York State income and sales taxes to pay for it way out there.

In conclusion, there is no doubt that the Hicksville School Board and the Administration have been deeply aggravated by the unceasing community opposition,

not only to the Sex Education Behavior Modification Curriculum, but to just about everything else they have done. We believe that they unleashed Ms. Hogan to attempt to stop community freedom of speech in our community newspapers.

When we do gain the majority on the Hicksville School Board, Ms. Hogan will know well the our righteous anger by being fired.

Respectfully,
Mr. and Mrs. Joseph Turner

Homecoming Festivities Promise Fun And Entertainment

The Hicksville High School Alumni Association will sponsor Homecoming weekend at its alma mater this Saturday, Oct. 20, starting at 1 P.M. At that time, Hicksville High School students will pool their talents for the Homecoming Parade, which will march onto the football field to entertain pre-game enthusiasts.

The parade will consist of the Hicksville High School Marching Band, the cheerleaders, the

Coquettes, the three class pageants, and the five finalists for Homecoming Queen 1979.

Game time is scheduled for 1:30 P.M., at which time the Hicksville Comets will take the field against the Bellmore-Kennedy High School varsity squad. Following an exciting half of football (which undoubtedly will show the Hicksville eleven far superior than its competition) halftime ceremonies

will be conducted.

Representatives of the Hicksville High School Alumni Association will be on hand to crown Miss Homecoming Queen 1979, and will lend their assistance to other halftime events. In addition, entertainment will be provided by the talented marching band and Coquettes.

At the conclusion of the game, the Alumni Association will

provide refreshments for all student participants in the Homecoming events in the high school cafeteria. Alumni members will join the students in

the reception. At that time, the association will present the Most Valuable Player award to the outstanding Hicksville football player in the Homecoming game.

Schools Welcome New School Parents

Both Old Country Road and Woodland Ave. Schools recently held open house coffee klatches for the parents of new entrants in the elementarys.

At Woodland Ave. School, the afternoon session was hosted by the school's PTA chapter, under the direction of President Mary Cerini. Coffee and cake accompanied the informal meeting, at which Principal Dr. Manus Clancy explained some of the educational programs found at the school, and answered questions for interested mothers. The meeting was attended by approximately 40 parents, who

could give their undivided attention to Dr. Clancy, while their pre-school youngsters were entertained by cartoon movies in another classroom.

Dr. Clancy and PTA members remained after the session to answer individual questions by parents. The principal gave kudos to the PTA chapter for the success of the open house, noting that PTA involvement at Woodland Ave. School is one of the highest recommendations the elementary school offers.

At Old Country Road School, Principal Louis Penque hosted a tour of the building, provided information for the new residents and enjoyed with them some entertainment provided by four

of the school's sixth grade students.

Angela DelPercio and Helen Wittek, both of whom are flutists, formed a duet. Debra Roberts played a solo on the viola, while Cindy Cerny concluded the musicale with a piano solo.

Mr. Penque said that the evening proved to be "a rewarding and enjoyable evening to all who were present." At the same time, he noted that the meeting served to acquaint new residents with "each other, members of the staff, PTA, and the variety of services offered by our school and district."

The PTA chapter, under the direction of President Lorraine Mund, served refreshments.

Board Adopts

No Loitering Policy

The Hicksville Board of Education has adopted a No Loitering policy on school grounds, as a follow-up to the posting of no loitering signs on all school property. The policy is an attempt to stem the tide of increasing vandalism of school property, which costs Hicksville taxpayers thousands of dollars annually.

The signs have been posted on school property and state the following: "Unauthorized presence in schools or on school grounds is subject to prosecution for loitering (Section 240.25, Penal Law).

The board will make every effort to inform students, parents and residents of the new policy which will be enforced by Second and Eighth Precinct Nassau Police officers. The signs authorize police to enter to school grounds to arrest those in violation of the policy.

The Penal Law prohibits a person to loiter "in or about a school, college or university building or grounds," when that person does not have "any reason or relationship involving custody of or responsibility for a pupil or student, or any other specific, legitimate reason for being there," or who does not have "written permission from anyone authorized to grant" it.

Happy birthday to the following residents of the Central Island

Nursing Home, in PLAINVIEW, who have recently celebrated:

Edith Hardy, Oct. 12; Mary Couleas, Oct. 3; Ada Lewis, Oct. 7; Helen Rawald, Oct. 1; and Leonada Vilale, Oct. 4.

Nora Louise Rama, daughter of Mr. and Mrs. August E. Rama of HICKSVILLE, became the bride of Edward Thomas Davis of Merrick, on Sat., Oct. 6, at 3 p.m. at St. Ignatius R.C. Church, Hicksville.

The bride, a graduate of Hicksville H.S. is employed at Nassau Hospital in Mineola.

The groom is employed by F. J. Remey Co. in Mineola.

The couple will reside in Bellmore.

Congratulations and best wishes.

Congratulations to Cornelius Ryan of PLAINVIEW, who has been elected 2nd Vice President, of Nassau of the Bi-County Alliance of Senior Clubs. He will be installed at their fifth Installation Luncheon on Oct. 19 at the Colonie Hill in Hauppauge.

Jack and Pat Mulrooney and Dan Donova of the Irish-American Club, PLAINVIEW, were elected President, Secretary and member of the Board of Directors respectively of the Irish American Congress.

Ex-HICKSVILLE Eadie Silverberg celebrates her birthday on Oct. 15. Her family plans to treat her to a special dinner by coming back, and having her party at Caruso's Italian restaurant on Hempstead Tpke.

Helen and Fred Fischer of W. Nicholas Street, JICKSVILLE, and Kay and Luke Hind of Albert Road, Hicksville, have just returned from a two-week vacation in Florida. While there, they visited friends in Brooksville, Bradenton and in Venice. They also went to Disney World, Sea World and other attractions. The weather was beautiful (high 80's) and this contributed to the wonderful time they had on their vacation.

Back home from a trip to Canada are Stella and Charles Morris and their daughter, Tina, HICKSVILLE. The Morris travelled to Canada to visit their daughter, Binky, her husband Ron Briseboise, and their adorable grandson, Danny (almost two years old). The Briseboises are residing in Canada while Ron attends the University of Montreal where he is studying architecture. Stella told me that the snow followed them down to Long Island and that's why we had scattered snow flurries last week.

An auspicious occasion occurred on September 25 when Ken Glinka of Mayfair Lane, HICKSVILLE, turned 25 years old. To commemorate this special day, a family party was held for Ken at the Maine Maid. Of course, his girlfriend, Sandy, was present along with Ken's parents, Olga and John Glinka. His brother, Ron, called from Louisiana, and Ken's five-year-old nephew, Mitchell, sang "happy birthday," accompanied by his younger sister, Amanda. It was a marvelous day for Ken. Best wishes from your family, friends and neighbors.

Almost missed telling you about the 11th wedding anniversary of Vinnie Iannone. Vinnie and his lovely wife, Marie, celebrated their anniversary on August 31. As you will recall, they own Iannone's Restaurant located on West John Street, HICKSVILLE. Congratulations, folks.

Another HICKSVILLE who celebrated his birthday recently is Ricky O'Brien of Mayfair Lane, Hicksville. Ricky's special day was September 30. Happy birthday, Ricky.

Did you see Fred Parola, Assemblyman for the 12th A.D. walking around the neighborhood recently? Fred just completed walking his total district, over 25,000 including Hicksville, Island Trees, Bethpage and Levittown, to obtain an update on problems and concerns of the local constituency. In addition to all his other duties, Fred and Susan Poster are busy

preparing for their November 24 wedding at St. Christopher Church, Baldwin.

On October 17, Gary Mark Pollino, Lombardi Place, PLAINVIEW celebrated his birthday. Coincidentally, Gary was 17 years old on the 17th. Gary is a student at Kennedy High School. All his friends wish him best wishes.

Gloria and Mike Barone, long time HICKSVILLE residents, have celebrated their 30th wedding anniversary. Congratulations and best wishes for at least another 30 glorious years of sharing.

Another anniversary couple are Margaret and Frank Clancy, Suggs Lane, HICKSVILLE. They celebrated their wedding anniversary on September 15. Margaret and Frank have lived in Hicksville since 1950 and have raised five children, all of whom graduated from our local schools. Congratulations to you both.

Leanne Anderson's double set of HICKSVILLE grandparents helped her celebrate her ninth birthday on September 14. Her parents, Pat and Bill Anderson also contributed to the festivities. Leanne's maternal grandmother is Mildred Bernert and her paternal grandparents are Lil and Francis Anderson Love and good wishes, Leanne.

We attended an Installation Dinner Dance last week held by a local Kiwanian Club to which my husband, Bill, belongs. Bill won a handsome plaque as the member who contributed the most services to their organization for the 1978/79 year. Naturally, I was very proud of him. However, I can't help wondering: if I give Bill a plaque, will he work that hard for me at home?

Tom Gallahue, T.O.B. Commissioner of Parks, celebrated his birthday on October 15. Tom was the recipient of a family birthday gathering sponsored, of course, by his gracious and beautiful wife, Dot. Happy birthday, Tom, from us all.

Another Tom, another birthday - this time for HICKSVILLE Councilman Tom Clark. Tom's birthday is October 19. The Clark clan can always be counted upon to honor their Dad and help make his birthday an occasion to be remembered. Best wishes, Tom.

Bea and Frank Montalbano, of Sackett St., HICKSVILLE, along with 12 lovely friends, celebrated their 38th wedding anniversary on Oct. 12 at Williams Lake in New Paltz, N.Y. Congratulations and best wishes to this very nice couple.

Happy 15th Birthday to Terri Cucci, daughter of Arthur and Carol Cucci of Arpad St., HICKSVILLE. Helping her to celebrate her birthday on Oct. 23, will be her sisters, Susie and Annie, and her boy-friend, Todd.

Marge and Herman Schmalfeldt of HICKSVILLE, are pleased to announce the engagement of their daughter, Diana, to Peter Benedetto of Bethpage. The happy couple will be married on May 4, 1980 at St. Ignatius R. C. Church in Hicksville.

Business Women's Week

The Business and Professional Women's Club of Nassau County will celebrate National Business Women's Week October 21-27. BPW fosters achievement by women in social, economic, political and educational matters.

Hicksville "Cardinals"
1971 Under 9
by Ray Bentley

As the cold weather settled over the area, the windy fields of Grumman played host to the Huntington Boys Club visiting the Hicksville "Cardinals," sponsored by Barsentone Productions. This week coaches J. Fabrizio and R. Finnell had their hands full with the HBC "Hornets." Many times, with the wind at their backs, the Hornets buzzed the Cardinals net, but were unsuccessful. Equal attempts were made by the Cardinals forwards S. Postulo, S. Duca, S. Gourlay and B. Finnell, but the ball never found the net. A scoreless first half left the boys ready for more, as the whistle blew starting the second kick off. R. Franzese in goal was tested quickly by HBC, but made some very good saves. Fullbacks E. Bentley, C. Shearer, B. Hoesten and J. Pollak feeding the ball to halfbacks J. Fabrizio, B. Himmel, J. Schneider, W. Sneddon and B. Sachs.

The boys fought long and hard and came away with their first tie this year. Still undefeated, the Cardinals will be sure to practice hard for their next encounter...

Big Red Under 12
Division I 1968

The Big Red coached by J. McCann and V. Christiano won their 3rd successive game by defeating Northport. Leading 4-0 in the 1st half with assurance that victory was soon to follow, victory did follow, but their vision of winning became somewhat more challenging, as Northport scored three goals, while the Big Red scored only one. Final score 3-3.

Four goals were scored by D. Missimo, with assists from C. Bentley and D. Donsky. The other goal was scored by S. Hertz on a perfect volley assisted by D. Missimo.

The Big Red continued their winning streak by defeating the M.S.C. this past weekend. The offense had a strong 1st half scoring 5 goals and giving up only one. Both defensive teams played a strong 2nd half, as each team allowed no goals. Defensive players R. Humann, L. Mejia, R. Youngs, K. McCann and goalie G.

Tyranski should be congratulated on a well played game. Goals were scored by P. Christiano, assist by M. Baccafola, D. Donsky on a corner kick, and P. Ziembicki who had a "hot trick" on his birthday. Assists to Phil's goals were made by C. Bentley, A. Brill, and D. Missimo.

Boys Intramurals
By Pat Donohue

PEE WEE - Utah 0 - Wyoming 3
A determined Utah team, led by the defensive play of John Tapler, Wes Cohen, Jason Carman and Robert Brown, played a strong game against Wyoming.

Texas 5 - Hawaii 1 - The defensive play of Texas' fullbacks, led by Jimmy Scavo, Robbie Cooper, Kyle Rice, Todd Catanzano & Kevin Quigley enabled their team to achieve their victory. Hawaii's Kevin Coen scored an impressive goal by heading the ball into the net. Kenny Peskin's defensive play helped control the midfield for Hawaii. Penna. 1 - N.Y. 1; Mich. 3 - Md. 0; Iowa 2 - Ind. 0.

Hicksville Chargers

71 Boys

On Oct. 8, the Hicksville Chargers, headed by Coaches Bob VanSteen, Paul Landman and Bob D'Ambrosio, played a makeup game against the Valley Stream Ruffians. The 1st away game for the Chargers was an exciting battle, with the final score ending in a 0-0 tie. The entire 50 minutes of play had the two teams fighting for possession of the ball. Michael Rodriguez set the pace with outstanding movement on the field throughout the game.

Goalkeeper Lawrence Britvan shutout the Ruffians in the first half with key support from fullbacks Todd Bertman, Scott Barer and Joey Schillan. In the 2nd half, goalie John Beggs made a diving save to prevent Valley Stream from scoring. Halfbacks Kenny Coumou, Michael McCarthy, Mark Micheli, Josh Landman and Michael Rodriguez excellently controlled midfield. Several shots on goal, by forwards Michael Segal, Scott VanSteen, Ryan McCann and Tom Bell, were stopped by the Ruffians' goalie.

The Chargers looked sharp and illustrated good teamwork.

On Sunday, Oct. 14, the Chargers travelled to North Shore to challenge the Rogues. Hicksville managed to get their 2nd tie of the season with a score of 1-1.

Scoring the only goal for the Chargers was Michael Segal in the 1st half. He made a beautiful run on a breakaway from midfield, then drove the ball into the net. The Rogues came back to score before the end of the half to even the game 1-1. The defense did a fantastic job stopping the opposition. Handling their positions well were fullbacks Scott Barer, Joey Schillan and Todd Bertman. Goalkeepers John Beggs and Lawrence Britvan made the necessary saves at the net. Super performance by Josh Landman leading the paly in midfield. Also contributing were midfielders Michael Rodriguez, Michael McCarthy, Kenny Coumou and Mark Micheli. Forward line of Tom Bell, Michael Segal, Ryan McCann and Scott VanSteen made a good effort. The Chargers had a rough time in the second half but were able to pull together and hold on to the tie.

Boys U 10

By Mike Kanuck

Last Sunday, the Hicksville "Grenadiers" traveled south to play the East Meadow "Power Passers". The game ended in a frustrating 1-1 tie.

Throughout the first half the offensive line of Mike Kowalcuk, Joe Santarelli, Craig Ench, Mike Conway and Chris Kanuck moved

that ball to within striking distance several times, but were unable to make the final connection for a goal. The midfield line of Mike Olive, Richie Chakrin and Mike Wozniak played an excellent offensive and defensive game and helped keep the ball from the Hicksville end of the field. When the ball did manage to get by this trio, the aggressive fullbacks, Craig Carson, Ralph Maresca and Mike Brown immediately stopped the ball dead in its tracks. Goalie Ken Hamel continued to dazzle the crowds with his acrobatic defensive moves. Swingman Brian Boyle was run ragged as he helped to plug the holes when injury and fatigue dropped the soldiers.

Two minutes into the second half, Hicksville scored on a fast break, a center pass from Chris Kanuck to Joe Santarelli to Mike Conway who sizzled the ball past the goalie for the Hicksville team. While the Hicksville team continued to dominate the half, a loose ball found its way in front of the Hicksville net. A scramble resulted and when the smoke had cleared, the ball had rolled into the Hicksville goal to make the final score 1-1.

Next Sunday, the "Grenadiers" will host the "Gladiators" in Lindenhurst at the Grumman complex at 2 P.M.

The entire "Grenadier" organization wishes Jack Carson a speedy recovery and anxiously awaits his return to the field.

Hicksville Thunderbirds

By Joe Neto

The Hicksville Thunderbirds sponsored by Long Island Boating Publications traveled to Floral Park and played one of the toughest games of the season, thus far. Hicksville's goalie, Richard Fraser, who has been playing just super took the ball up field through several defenders, passed the ball up to David Weinberg on the left wing. David crossed the ball to David Kanuck who shot it passed the goalkeeper. Floral Park did not let down as they came right back and scored 2 goals to take a 2-1 lead. The two goals were two low shots from the left side that just made it by the post. Goalkeeper Michael Pryves made two good dives but the ball was out of his reach.

Floral Park played well and dominated a good portion of the first half, mainly because Hicksvilles play was a bit sluggish and they were not challenging their opponents. Were it not for the smart playing of the fullback line of Martin Jaycard, Paul Thompson and Michael Ayres as they consistently set up their opponents off-sides, the score may have been a lot different.

In the second half Hicksville came back to life. Tommy Roman put in a pretty goal to tie the game at 2-2. A few minutes later Joey Neto put Hicksville ahead 3-2 as he beat the goalkeeper to the right side of the net. Floral Park down by a goal kept putting the pressure on and tied the game at 3-3. Michael Pryves again made a good play and had the ball lined up but the ball took a bad bounce and it went over his outstretched hands. Hicksville came back again and put the winning goal in as Joey Neto pushed the ball passed the incoming goalkeeper and David Kanuck put the ball into the open net for the 4-3 victory.

Frontiersmen

On a cold and windy Sunday, the Hurricanes from Lindenhurst came to Hicksville to play the Frontiersmen. Both teams were evenly matched, and played an excellent game.

During the first half, all of our boys used a lot of skill and quick

defensive moves against Lindenhurst.

The forwards, Jean Claude balek, Mike Brigandi, and Bobby Karlewicz, kept the ball down by Hicksville's goal.

Jimmy Ort, Matt Conroy, Glen Rose and Jimmy Schneider the fullbacks, kept the ball flying in the air and away from the Hurricanes.

As a result of a handball, a penalty shot was taken and Hicksville's one and only goal was scored by gabe Perry.

The midfielders, Neil McKenna, Craig Schultz, Timmy VanCise and Kevin Taylor, once again showed the power that they've had throughout the season by keeping the ball in motion all of the time.

As a result of super goal tending by Bobby Laine, the Hurricanes did not score against Hicksville.

'65 ROYS

The under 15 boys (Yankees) played their second League game last week and recorded their second consecutive shutout against the Huntington Strikers. Counting last season, the boys have a six game winning streak going and have not allowed a single goal in all six games while scoring 15 goals themselves. In their last 12 games dating back to August, the Yankees have posted

a ten and two record with 35 goals scored and only three against.

Coaches Pat McHugh, Bill Cresham and Peter Collins were extremely pleased with this total team effort - all boys worked hard and worked very well together. For the last three years Hicksville and Huntington have had a strong rivalry going with Hicksville holding a slight edge.

This past Spring, the teams split a pair of games; Huntington taking the League match by a 3-1 score and Hicksville winning a L.I. Cup game 3-2. Huntington was never in last week's match as the Yankees took charge right from the start and controlled the entire game. They moved the ball well, utilizing the whole field, waited for a mistake and banged the ball home. Steve Thompson scored all three goals with tremendous help from Adrian Pepi and Dave Smyth up front and Jimmy Demarco, Billy Cresham, Paul McGeough, Robby Pearce, Robby Cullen and Vinny Christiano at mid-field. John Mitchell played a very strong, aggressive game and in several instances put tremendous pressure on the Huntington fullbacks. The defensive unit speaks for itself as mentioned earlier. Next week, the Yankees meet a much-improved Bohemia team in the very important home game at Grumman.

Kiwi Club Walk/Jogathon

Long Islanders will have the opportunity to celebrate their good health by participating in the Nationwide Kiwi Jog / Walkathon on Sunday, Oct. 21 according to Gail Ravitz, a resident of Cold Spring Harbor and this year's General Chairman.

The Kiwi Club members are former American Airlines Flight Attendants.

This year's event will take place at Cantiague Park in Hicksville and all proceeds will go to the United States Olympic Committee Regional Training Centers. This event is sanctioned by the A.A.U.

Information About Your Volunteer Fire Dept.

The following is a list of qualifications to become a member of the Hicksville Fire Dept.:

- You must be between the ages of 19 and 40.
- You must be a resident of Hicksville for one year.

A doctor's physical must be passed, along with an agility test. You must have enough time for training and alarm response. You must be willing to spend a lot of time helping your neighbors. You subject yourself to risks and dangers. You receive no pay. You are covered by insurance. You must be willing to follow rules and regulations. The work is hard, but the knowledge that you are working to help people save lives and property is rewarding.

If you can accept the above listed requirements, contact the Hicksville Fire Dept. at Fire Headquarters on E. Marie St. (Gebhardt Plaza) for additional information. Future reports will focus on the agility test. The Hicksville Fire Dept. is one of a very few departments that gives a test to be sure a candidate can cope with the physical requirements of a firefighter. Also to be included in future reports are the basic training a new member must undergo; the value of window decals, i.e., TOT

Finders; and the various aspects of fire prevention. 90% of the fires in Hicksville could be prevented. Reading and heeding could make the fire house the dustiest spot in town instead of the busiest. The Hicksville Fire Dept. hopes these series of reports in addition to news on local fires, will help you to get to know them better.

Fire News Note
From a report in a Salt Lake City newspaper, is an article regarding the fact that a Salt Lake City woman said she couldn't dial the city's emergency "911" number because her phone didn't have an "11" digit.

City-County Health Director of Salt Lake City, Dr. Harry Gibbons said he was encouraging people to think of the number as nine-one-one rather than nine-11. Note From the Hicksville Fire Dept. to the "concerned parent" - your complaint about a local Day Care Center has been received. However, the Fire Dept. can only act on signed complaints. More information is needed. Contact the Chiefs of the Hicksville F.D. All information will be kept confidential.

HHS Alumni Assoc. To Honor Teddy Swedella

Teddy "Smith" Swedella will be the guest of honor at the Hicksville High School Alumni Association's Annual Homecoming Dinner Dance to be held on Friday, Oct. 19 at Antun's Old Country Manor, Hicksville. Cocktails will be served at 8 p.m. with dinner to follow at 9 p.m. There will be an open bar all evening.

After starring at Hicksville High Varsity Football and Baseball, Mr. Swedella went on to semi-pro football with the Yellow Jackets of Locust Valley and the Long Island Semi-Pro

Championship Hicksville field club. He recently was elected to the American Softball Association Hall of Fame for his national reputation in pitching fast ball softball. His stellar achievements on the mound were accomplished while playing for Republic Aircraft and Botto Brothers of Hicksville. His interest and work in support of the youth of Hicksville in the Father's Booster Club, Hicksville Baseball Association and the Alumni Association itself lead to his unanimous choice for 1979 Homecoming recognition.

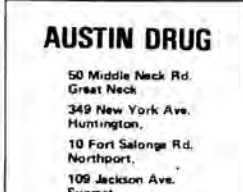

4H News

Mid Island Council 4-H Officers Training Night - for members and parents will be held on November 2, at 7:30 P.M. to 9:00 P.M. at Levittown Hall.

Fund raising campaign will start in this area for the Mid

Island 4-H Council. The monies profited are used by our council for various awards and educational trips for our youngsters. Please welcome the 4-Hers and try to contribute to our worthy cause.

The campaign will run from 10/16 to 11/2.

School Board Committees Created

The Hicksville Board of Education has created several board committees for this academic year, and would like community volunteers to add their efforts to the committees' success. Residents who are interested in any of the following committees should contact the Board of Education through the central administration office at 733-2100.

COMMITTEE	CHAIRPERSON
Continuing Education	Mr. Neil McCormack
Advisory Committee	Mr. William Bennett
Board Policy Committee	Mr. Pierre Fujimoto
Educational Goals and Objectives	Mrs. Virginia Germer
Long-range Planning Committee	Mr. Neil McCormack
Buildings and Grounds	Mr. John Ayres
Use Advisory Committee	Mr. Daniel Arena
Budget Committee	Mrs. Virginia Germer

In addition, Mr. Bennett volunteered to serve as board representative to the New York State School Boards Association, and as liaison to the Board of Cooperative Educational Services (BOCES). All board members will serve as representatives to the Hicksville PTA Council, on a rotating basis.

The board urged community members to consider their commitments in light of the needs of the Hicksville School District, and all trustees hope resident response to these committees will be strong.

HAD Dinner Dance

Help-Aid Direction's Tenth Anniversary Dinner Dance was a tremendous success due to the unwavering support of the business and civic groups of the Hicksville area. The meal was sumptuous, the music spirited and the company warm as HAD and its guests gathered on October 5 at the Royal Lancer II in Woodbury to honor ten years of service to the community. Special focus was drawn on those individuals and organizations that have helped.

Help-Aid Direction offers a variety of services to the community. Among them are individual, group and family counseling, community recreation and education. Since it is a community-based agency, HAD relies heavily on community support and participation to continue its work. In this respect, New York Testing Labs and Woodmen of the World have been more than generous in their financial support of HAD. In public recognition of this support, HAD presented both with the Friends of HAD Award for 1979. The Friends of HAD Award is given for generous donations of time and monies to help HAD serve the community. The Friends of HAD Award was also presented to Mid-Island Fashion Plaza in recognition of the faith shown in HAD during 1979.

On behalf of New York Testing Labs, Inc., the Friends of HAD Award was accepted by Jeff Harvey, the President of NYTL. During the past year the administration and the staff of N.Y. Testing helped organize and participated in HAD's Volleyball Marathon. They also donated a considerable amount of money to ensure the success of the Marathon. Finally, N.Y. Testing now has staff member Larry Schwartz as a representative member of the Board of Directors of HAD.

Woodmen of the World Chapter 467 is a service fraternity located in Nassau County. Over the year they have donated recreation equipment, including volleyball nets, poles, volleyballs, and basketballs. They also participated in the Volleyball Marathon, and donated money to HAD operational costs.

Mid-Island Fashion Plaza gave HAD permission to hold their Volleyball Marathon inside the mall next to J. J. Newberry's. Although apprehensive at the

prospect of volleyballs flying around the mall for twelve hours, they allowed the event. As it turned out, a net surrounding the volleyball court prevented errant volleyballs from straying into the rest of the mall. Because of the success of last year's Marathon, HAD will be conducting its second Volleyball Marathon inside the Plaza on March 15, 1980.

HAD presented its "Man of the Year" Award to Morris Oppman. Morris is a member of HAD's Board of Directors. He has made generous donations of time and money to various fund raising events sponsored by HAD. Morris has given freely of his managerial abilities, and has been instrumental in the reformulation of the Board of Directors.

HAD's President's Award was presented to Larry Gould and Estelle Peck for their donation of time and talent toward the realization of HAD's goals. The President's Award is given at the discretion of the HAD Board President to those who volunteer

to keep services in the community flowing. HAD thanks all its volunteers. They pay particular tribute to those volunteers who lend outstanding service through the President's Award.

Help-Aid Direction would like to offer a special thanks to the Hicksville Fire Department, the Hicksville VFW, the Hicksville Lions Club, and the Nassau County Department of Drug and Alcohol Abuse, for their continuing support throughout the year. Also, a special thanks for the financial support of the Friends of HAD, Seaman and Eisenmann, Inc., Vernon C. Wagner Funeral Home, T. W. Smith Corp., Nassau Farmer's Market, Michael D. Theatre East

The first production of the newly-formed Theatre East will be performed free at the Hicksville Library on Friday, October 26, at 8 PM. It was announced this week by Oyster Bay Town Councilman Thomas L. Clark.

The bill will feature two absurdist plays, "The Real Inspector Hound" by Tom Stoppard and Jean Anouilh's "Episode in the Life of an Author."

Theatre East is a CETA-funded company sponsored by the Town's Cultural and Performing Arts (CAPA) Division to provide an opportunity for actors to gain additional experience while entertainment is offered free to the community. The touring company will be appearing throughout the Town in a repertoire of three productions. The group's next presentation will be "Rashomon" which will be previewed at Hicksville's Bloomingdale Road School on November 2, 3, 9 and 10 at 8:30 PM. For further information, contact Dorothy Ringler at 922-5800 ext. 281.

CUMMINGS 'N GOINGS

By Jim Cummings

DEACON ORDAINED: Our congratulations to Deacon Bill Breslawski, who was ordained to the priesthood last Saturday, October 13 by Bishop Gerald J. Ryan at St. Ignatius Church, in our community. Father Bill said his first Mass on Sunday, October 14 at 4 P.M. as a very proud pastor and friend looked on. Father Frederic Harrer, A most joyous reception followed the Mass in the school auditorium as hundreds of family and friends of Father Bill in Hicksville shared this happy occasion.

THANK YOU WNEW-TV: Hundreds of families in the Irish-American mid-island communities have advised this corner and the American Irish Congress that they applauded the recent telecast of "Against The Wind" featured on prime evening time over a favorite Channel 5. The program depicted the hardships of the Irish people in Australia suffering under official British Government oppression and in so doing, displayed the courage, determination, humor and weaknesses of a great people, the Irish, in the face of adversity. It was a welcome treat to see this history of the Irish dramatized in a fair, accurate and entertaining manner.

HEARD AROUND: A new educational, non-political "American Irish Heritage Association" will expand to Nassau County, and why not, a recent real estate board noted an influx of 15% ethnic growth in the Irish American community — and we can recall some 25 years ago, when there was only the Ancient

Order of Hibernians — now in the three towns are many Irish-American social and fraternal organizations, not forgetting the powerhouse, the American Irish Congress, Nassau County Chapter, which is primarily political. — we welcome the information to us from Seamus Ryan, special assistant to the president, Eamon and Barbara Tuohy & John and Lyda Campbell (all of Hicksville) are still talking about their recent cruise to Bermuda — Eamon is still one of the best Irish step-dancers and teachers around, and John is presently increasing the ranks of the Mid-Island Conservative Club, of which he is chairman. Master Producer John Simon, of New York City, will coordinate Twyla Tharp (for the young people) this fall on a new show — Simon produced the recent "Cummings Brothers" session now with Warner Brothers, in California we hear. Scoop: Brian Hamill, who is working on the screenplay for his brother Denis' novel "Stomping Grounds" tells me at press time that his mother-in-law, Joy Gross, has a new paperback "30 Ways To A Born Again, You."

ROUND LONG 'IRELAND': You can meet good friends listening and dancing to the best in Irish music at the home of Irish entertainment, "The Stock O Barley" in Hicksville — last weekend we were greeted by Harry Shekelton, popular proprietor — excellent entertainment by Jim McPhal and the Regals and we were introduced to a lass who was returning to Dublin next morning, Margaret

Costello who is a production assistant for Radio Telefe Eirena in Dublin and hails from Corg. County Mayo; keep your good work up, Harry. Pat McNelis and his orchestra will provide the music for the 48th Annual Ball of the Irish American Society of Nassau, Suffolk and Queens, Inc., Saturday evening, October 20, at their Willis Avenue address, according to Don Caslin, president. Pat Roper and Tommy Doyle will headline the 21st Fall Dance of the Commodore John Barry Division Eleven, Ancient Order of Hibernians on Saturday evening, Nov. 10 at the Joseph Barry Council, Knights of Columbus Hall — looks like a sellout according to John Harty, chairman — however, you can give co-Chairman Ed Byrne a call at 931-0037 — this is the best music around and Hicksville has it. We'll headline these Irish events from time to time in your interest.

ROUND OUR TOWN: It was a big nite for Peggy Donovan and the Ladies Auxiliary with a most successful fun-filled evening at the recent Ceili Dance — Loretta Egan and Pete Herlihy providing traditional dance music and the step-dancers from Glen Cove were the best we've seen. Thomas Gallahue, commissioner of the Town of Oyster Bay Parks Department is to be complimented for his effort to coordinate the formation of the new Boxing Association in our Township.

CPES Endorses Bond Issue

ALBANY, N.Y.—The Citizens Public Expenditure Survey, Inc. (CPES) has given its endorsement to the \$500 million transportation bond issue which will be on the ballot next month.

CPES Chairman Eugene B. Bradshaw said that a majority of the organization's Board of Trustees believe the pros outweigh the cons in the proposal.

"It was sincerely felt that we must place our rail and mass transportation systems in order. The energy crisis makes this a top priority for the state and the nation," he said.

"While we are very much concerned about the existing large amount of public debt in this state we believe that meeting the State's energy conservation needs is the overriding issue."

"If approved the bond issue should save millions upon

millions of gallons of gasoline each year as more people use rail and mass transit systems," Bradshaw said.

"The economics of the State also make it imperative that we develop better railroad facilities for shipments into and out of New York City and Long Island."

"Because of our great concern for New York's towering debt," Bradshaw said, "CPES is wary of bond issues. But while the present proposal has some shortcomings, the majority of our trustees felt that its positive aspects outweighed these. We think, in general, it is in the best long-range interests of the citizens of this State."

"This is a time," he concluded, "when there is a special danger in being penny-wise and pound foolish."

Named To B.F.S. Board

Roland A. Augustine, president of the general insurance agency Roland A. Augustine, Inc., of Kingston, N.Y., has been elected to the Board of Directors of Beacon Federal Savings. The announcement this week was made in a joint statement by Frederick W. Eckhardt, Chairman of the Beacon Board, and Harold Puchalsky, president of the Baldwin based savings and loan association.

Augustine, also president of R.A.A. Marketing Services, Inc., and of Simpkins-Woodstock Agency, Inc., of Woodstock, N.Y., attended Albany Business College - School of Accounting, graduating as President of the Student Council, Class of 1933. A World War II veteran - he served

ROLAND A. AUGUSTINE

with the U.S. Army from 1944 to 1946.

The newly elected Beacon Federal Savings Board member is a licensed N.Y. State Insurance Department Agent and Broker for all lines of insurance and licensed a Non-Resident Agent in Florida, Connecticut and Pennsylvania. One of the original proponents of New York Property Insurance Underwriting Association, he holds the Insurance Consultant designation from New York State Insurance Department for Property, Casualty and Life. A Past President and Executive Vice-President of Professional Insurance Agents of NYS, Inc., he is a member of Professional Agents' Council (Eastern Region) Continental National American Group and was formerly a member of the Agents Advisory Board of Utica Mutual Insurance Co.

Augustine is active in many business, civic, social, veterans and fraternal organizations. A former Police Commissioner of Kingston, he is now a member of that city's Board of Assessment Review. He currently is also on the Board of Benedictine Hospital.

He is married to the former Elizabeth Perry. They have four children: Johanna Fredenberg, Roland J., Joseph Paul and Rosemary.

Introducing a savings plan that should generate a lot of interest.

If you take a moment to read this ad, you'll find the easiest ways we know of to save money on your telephone bill.

Look numbers up yourself. And save.

It's a great first step to a lower phone bill. If you look up numbers and don't make more than 3 requests a month to Directory Assistance, we will give you a 30¢ credit on your phone bill. And, if you don't make more than 6 requests a month, you will not be charged for additional Directory Assistance calls. After the sixth, each request for a New York State number adds 10¢ to your bill. Requests to points out-of-state are free. And persons with visual or physical disabilities can be exempted from Directory Assistance charges. Look up numbers yourself. We don't want you to pay us for what you can get free.

Call long distance later. And save.

Long distance rates are lower on weekends and after 5pm weekdays. Then, long distance calls are as much as 35% to 60% cheaper than weekday rates. Next time you call long distance, wait until the evening or the weekend. You'll find that talk is cheaper.

Save with our Basic Budget Service.

With Basic Budget Service, you can have a home phone for just \$4.67 a month, plus tax (\$3.63 if you provide your own phone). Beyond that, you pay only for each call you make. And nothing at all for the calls you receive. If you don't make many phone calls but want the convenience and security of having a home phone, our Basic Budget Service might be right for you.

Dial your own calls. And save.

When you ask the operator to make a call for you, calling costs really go up. Collect, person-to-person calls and calls charged number, all cost more than if you'd dialed the same calls yourself.

Of course, sometimes making these kinds of calls is unavoidable. But when you have a choice, dial your own calls and save.

Save on local calls.

If you have message rate service, all local calls you make are cheaper at

night and on the weekends. After 9PM and anytime during the weekend, local calls are at least 27% less than earlier in the day. And after 11PM, you'll save at least 51%. For flat rate customers, this discount applies only to multi-message unit calls.

Visit a PhoneCenter Store. And save.

You're moving and need a new phone. Or maybe you'd like another for your bedroom or kitchen, the basement or darkroom.

Did you know you can now save at least \$4.25 to \$7.50 on every telephone you pick up at our

PhoneCenter Stores? And if you already have wiring and plug-in telephone jacks, you can save an additional

\$5 on connection charges when you pick up your phone, because no installer visit is necessary.

For more details, visit a PhoneCenter Store. To find the location nearest you, check the front pages of your phone book, or call your local business office. Or, for the informative booklet "How to get the most out of your home phone service," write: P.O. Box 99, Bowling Green Station, New York, N.Y. 10004.

LILCO News

By shopping around for bargain sales of electricity from other utilities, Long Island Lighting Company saved its customers more than \$23 million in the 12 months between September 1, 1978, and September 1, 1979. During that period, the utility purchased more than three billion kilowatt hours of nuclear, hydro-electric and fossil-generated electricity from other utilities at a cheaper price than what it would have cost LILCO to generate on its own system. LILCO's own generating plants are fueled by expensive OPEC oil - a condition that will not change until the Shoreham nuclear plant begins operating in 1981.

The average cost of the purchased power was 3.01¢ per kilowatt hour, or a total cost of \$93,600,000. The fuel for the same amount of power generated on LILCO's system would have cost an average of 3.77¢ per kilowatt hour, or \$117,200,000 to produce. The Company's customers realize these savings immediately and directly through the fuel cost adjustment portion of their electric bills.

During the 12-month period, LILCO bought about 117 percent more outside power than had been purchased during the previous 12 months. A Company official said that the dramatic rise in purchased power, and associated savings, can be attributed largely to a new major transmission interconnection that went into service in August, 1978. The 345 kv transmission tie that links LILCO's system at Glen Head with the Consolidated Edison system in Yonkers increased greatly LILCO's ability to import economy power from other utilities.

More than half of the \$23.6 million savings, or \$15.9 million, was achieved by buying power from other utilities through the New York Power Pool. The Pool coordinates an "economics dispatch" purchasing system. Through this system, computerized information on the relative costs of power produced by the utilities is relayed to utility purchasers every 5 minutes throughout the day. This enables LILCO to buy cheaper power from other utilities when ever it is available. Savings were also realized through contracts to purchase lower cost nuclear power from utilities in Vermont and New York.

Trinity Lutheran Girls Ready For Victory

By James J. Lukas

This year the Long Island Lutheran Basketball League Senior Girls Division should be aware. Why? The Trinity Lutheran senior girls are shooting for a place in the playoffs. Coach Gus Schuck places the blame for last season's record (only one win) squarely on his shoulders. "Last year," says coach Schuck, "I tried to get each girl an equal amount of playing time. This resulted in us losing some games which we may have won, if we would have stayed

with our stronger players."

This year the coaching philosophy has changed, primarily because of the girls themselves. They openly petitioned coach Schuck at the initial team meeting. Each girl stated she'd be willing to sacrifice playing time to help the team win a few more games. Thus motivated, Coach Schuck has heightened the tempo of the practices, which are held each Tuesday from eight to ten p.m. Assistant coach Atkins has introduced several new plays designed to complement the talents.

Coach Schuck is extremely proud of the team's character.

"Last season even though we suffered through a poor year, morale and game practice attendance were always good. Many of the girls work hard in two roles, that of a basketball player and a cheerleader for the boys' teams," says Schuck. With this dedication and enthusiasm, Trinity promises to field a highly competitive squad (ROSTER INCLUDED BELOW).

REBOUNDS

Trinity is happy to see basketballer Mike DiNapoli on the way to a speedy recovery. Mike was

injured in a Lutheran High School football game and had a brief stay in the hospital.

Trinity Senior Girls Basketball Team roster includes Janet Atkins, Betty Barton, Emily Essigman, Janet Henderson, Bonnie Hughes, Beth Pritchard, Chris Pritchard, Marie Richards, Karen Ruff, Eleanor Schnibbe, Debbie Schuck, Mary Anne Smith, and Carol Zecchitella.

HICKSVILLE LIONS CLUB GUEST SPEAKER EXPLAINS ART OF TEA TASTING: The highly specialized art of tea tasting and the romance and history connected with "the most popular beverage in the world" was described by Kenneth Rapiett of the Tea Council of the U.S.A., Inc. at the Hicksville Lions Club's October 10 meeting at Iannone's Restaurant.

In his talk, Mr. Rapiett explained how expert tea tasters select and blend teas to produce the particular flavors the public prefers. He outlined the many steps tea goes through from the seed stage through the cultivation and processing before it reaches our cups. He demonstrated the difference between black, green and oolong teas and emphasized the correct way to brew tea to bring out its best qualities.

GALILEO LODGE

(Continued from Page 2)

guffaws are still reverberating around the walls of the Galilee Lodge. As the various skits and scenes unfolded, as the zany and giddy antics of the performers became more evident, as the belly-laughs and buffoonery became more pronounced, it also became apparent that the "unprofessionals" had suddenly

become so professional and that the diligent efforts of all those who were associated with this show would not go unrewarded or unnoticed. Nothing succeeds like success, goes the show business slogan, and this certainly can be applied to the presentation of the "Foolies Follies". Taking everything into consideration, the Galilee Lodge wishes to take this opportunity to express its admiration to Jo Ann Wallick and

her committee members and to Joe Lappano and his aides for the manner in which they were able to weave together a show that had the aroma and fragrance of Broadway.

Now that the Fall season has visited us can Winter be far behind? Of course not. So, if you want to get rid of the winter doldrums just keep your eyes focused on the Winter Entertainment Program which will feature Christmas parties for the handicapped children and for the children of the members of the Galilee Lodge, a Christmas Dance for the grown-ups of the Galilee Lodge and a Member Appreciation Night. Now if all these affairs do not drive away the grayness of this bleak time of the year, nothing will. More details in future columns as the time draws nearer.

Cy Young of the Boston Americans pitched the first perfect major league baseball game on May 5, 1904.

Plainview Man Receives Award

David Cohen, a resident of Plainview, was cited for outstanding sales performance in a National program sponsored by Ames Division, Miles Laboratories, Inc. Cohen, president of Forman Surgical in Flushing, was one of seventeen persons to receive the Ames recognition awards in the second quarter of 1979.

For his efforts, Cohen received a Certificate of Recognition from Ames president, Robert P. Schlegel, and a complimentary evening on the town for two. The award automatically qualified him for the Annual Ames Dealer Sales Representative Grand Award.

Cohen resides in Plainview with his wife, Willette, and their son.

"Life insurance rates at The Bowery have been lowered!"

—Joe DiMaggio

In a time of rising prices, the low rates for most straight life and endowment policies at The Bowery now are even lower.

Life insurance rates for women are lower still.

Mail this coupon to find out which kind of insurance may be best for you and how much it can cost.
