St. Ignatius CYO Awards Night

By Billy McNamee

On Friday, Oct. 19, at St. Ignatius School Auditorium, the St. Ignatius CYO held their annual awards night.
 On hand were Councilman Thomas Clark along with CYO President Richard Briody and baseball coordinator John Toner, along with several coaches and volunteers.

Among the awards given out were for the 1st and 2nd place teams and all-stars in each baseball division.

In girls softball, an award went to the 1st place team in each division.

In soccer, awards were given out to the first place teams and all-stars of each division.

Strand III Meeting

The parent meetings for the purpose of outlining the proposed Strand III Mental Health curriculum at Fork Lane School will be held on the following dates: Day meeting, Wed., Nov. 14, 9:30 a.m. to 11 a.m.; evening

meeting, Thurs., Nov. 15, from 8 p.m. to 9:30 p.m.

These dates were incorrectly reported in recent issues of this newspaper, due to incorrect information in advertantly given us.

Temporary Arrangements Made For Commuter Parking In Hicksville

A major increase in the demand for commuter parking in Hicksville within the past few months has led the Town of Oyster Bay to seek to negotiate a lease for a portion of the parking facilities of the Hicksville Shopping Center.

Oyster Bay Town Councilman Thomas L. Clark and Town Supervisor Joseph Colby obtained permission from the owners of the Shopping Center to immediately permit commuter parking on a portion of their parking field while lease negotiations are being undertaken.

"The owners have indicated their willingness to permit commuters to utilize the portion of the field that is west of the Gertz Car Care Center," Colby announced.

Clark had become aware of the urgency to reach an agreement when commuters, who had been improperly parking at the shopping center, found notices on their cars indicating that continued misuse would result in their cars being towed away.

"The owners of the shopping center were forced to take this action because leases with national retailers in the shopping center required the shopping center to enforce certain parking regulations to assure space for shoppers," Clark explained. "The attorney for the owners notified them that they had to act to prevent continued misuse of the field by commuters or the owners would be violating certain lease requirements."

Clark indicated that the shopping center owners were most cooperative in agreeing to allow commuters to immediately utilize the portion of the field that is west of the Gertz Car Center even before the start of negotiations concerning the terms of this temporary lease arrangement. Commuters utilizing other sections of the parking field will still risk having their cars removed.

"Although we had already initiated a study to determine the feasibility of options open to the town to provide permanent in-

creased commuter parking in the area," Colby said, "the current situation warranted an immediate temporary solution."

Clark said that the Town will seek to negotiate a lease for commuter use of a portion of the shopping center parking area until the more permanent solution can be achieved. The Town's three-level parking garage in Hicksville is the only one of its kind in the Town. However, Town residents frequently by-pass closer railroad stations in preference to the better schedules at the Hicksville Station making it the most heavily utilized station on Long Island.

At the Syosset railroad station the Town recently completed reconstruction of a commuter lot that resulted in an increase from 268 spaces to about 380 spaces. A similar contract was awarded last week to reconstruct commuter parking at the Massapequa Station that is expected to add another 221 spaces there.

TV Set Sparks House Fire

furniture.

Hicksville Fire Officials blamed an instant-on TV set for starting an early morning blaze at a house at 64 Tiptop Lane. First arriving Vamps at the 3:47 a.m. alarm on Oct. 25, found an inferno on the second floor. There were reports that a person was still inside. Hicksville firefighters beat back the fire and a search of the home found all had escaped. Fire damage was confined to the second floor. Water damage on the first floor was kept to a minimum as Vamps covered the

bership will get "the once over." The top rated company will be awarded the Chiefs Award based on the results of the inspection.

Wood Burning Stove Safety

With projected fuel shortages forecast for this winter, Fire Officials all over are worried about what people are going to rig up or bring into their homes to keep warm. Use caution when buying a wood burning stove. There are some inferior models on the market. Before you buy one, contact the Nassau County Fire Marshal's office in Uniondale. They have some information you should know about.

Another point to ponder—unless you have access to a free supply of wood, you could be quite surprised, on the price of 1 cord of wood, which is 4' high, 8' wide, made up of sticks 4" long. Types of wood are important also. Some woods can cause you problems. Certain woods can coat flues with residue which could burn.

Installation of the stove is another point. If done improperly, you may have a little more fire to contend with than what you want. An undetected fire in between the walls will give you a little too much heat.

Get all the details first, before you buy.

Fifty Vamps, eight pieces of apparatus responded under 1st deputy chief Richard Kershaw.

In another blaze, a house at 19 Bishop Lane sustained considerable damage. The 10:11 a.m. blaze was caused by children playing with matches. All escaped without harm.

Fire Report

During the period Oct. 10 to Oct. 28, Hicksville Vamps responded to 65 alarms. There were 7 false alarms, 25 fire calls and 33 rescue calls.

Fire Dept. Inspection

The annual inspection of the equipment and members of the Hicksville F.D. will be held at 7 p.m. on Nov. 3. The Board of Fire Commissioners and the Hicksville Chiefs will conduct an inspection at the Fire District's three fire stations. All fire fighting gear and the mem-

Gloria Franke Scholarship Fund

Hicksville high School has established the Gloria D. Franke Memorial Scholarship Fund in the memory of the lifelong Hicksville School District physical education teacher and coach who died last May. Mrs. Franke served the district for 31 years.

The scholarship in her name will be awarded at Hicksville High School graduation to the deserving senior who intends to pursue a career as a physical education teacher, and who can benefit from the financial assistance.

The initial contribution to the Gloria D. Franke Memorial Scholarship Fund was made by the late teacher's father, Mr.

George Franke. Those who would like to contribute to the fund may make checks payable to the Gloria Franke Memorial Scholarship Fund.

Further information on the fund may be obtained by contacting one of the following persons:

Mr. Raymond L. Rusch, Principal, Hicksville High School, 733-2121.

Mrs. Diana D'Avino, Director, Physical Education and Health: 733-2085.

Mr. Richard Hogan, Director, Athletics and Interscholastic Sports: 733-2033.

James Louis Fitzsimmons of HICKSVILLE, celebrated his 5th birthday on Oct. 12. A delightful party was given by his parents, Theresa and Kevin Fitzsimmons, and his baby sister Laura Elizabeth. Another gala get-together was given by his grandparents, Mr. and Mrs. Louis Viarengo, also of HICKSVILLE. We understand that James shows signs of being a cartoonist (maybe a future Michaelangelo?) Happy birthday, James, and many more.

The Kremlers of HICKSVILLE had a marvelous one-week vacation at their "time-sharing" villa at Shwanee, Pa which is located on the Delaware River. Frank Kremler told us "time-sharing" is a method of sharing the villa on separate occasions. The villa is owned by a number of families, each of which takes their turn at using the vacation home. The Kremlers have been participating in this arrangement for the past four years and are delighted with the cooperation

amongst the families and the opportunity to enjoy such vacation sports as canoeing, golfing, swimming, etc. Frank and his wife, Anne, brought along Anne's mother, Frances Martin; Frank's cousin, Sister Marie Pierre; and their daughter, Annette and four of her brothers. A total of 12 members of the family shared a wonderful vacation week together.

We learned that a surprise birthday party was held for Jeanne Boyen's October 19 birthday. Her husband, Ed, said it would be all right for us to tell how old Jeanne was on her birthday, but we decided against it. If Jeanne says it's okay, then we'll tell; otherwise, "mum's the word." However, the party, which was held at the Boyen's home on Harding Avenue, Hicksville, was a huge success. Jeanne received many

lovely gifts from her family and friends. Ed kept Jeanne out on the golf course most of the day to enable their two daughters, Pat and Anne, to make preparations for the party. Jeanne was completely surprised when she returned home and found the gala celebration which was held in her honor. Best wishes to you, Jeanne.

Scouting around Cortland and Brockport Colleges to select a university to attend next year is Jeanne Lynch, daughter of Pat and Charles Lynch; long-time Hicksvillite. Jeanne attends Hicksville H.S. at present, and is the goalie for the high school's girls' field hockey team. Her proud dad told us this team has a good chance of making the playoffs. Good luck on both scores, Jeanne -- in finding a college and in participating in the playoffs.

At Hicksville H.S. is another daughter of Pat and Charles Lynch, Dianne who is a sophomore. Popular Dianne is a member of the "Coquettes." This

is the cheering section for Hicksville H.S.'s football and basketball varsity teams. Dianne plans on furthering her education in college when she graduates from H.H.S.

Met Dolores and Jim Drudy who told us they celebrated their 17th wedding anniversary on September 1. Their five children held a family party for them. The following day Dolores and Jim had a quiet dinner for two at the Red Lobster to wind up the festivities.

St. Ignatius Loyola R.C. Church was the place for the Christening of Ryan Scott Donovan on October 21. His parents, Timothy and Marie, live on Elm Street, HICKSVILLE. Ryan Scott is the first grandchild of Judge and Mrs. Francis Donovan. There were 30 guests present for the party which followed the Christening -- but Ryan was quite nonchalant about the whole affair.

FIGHTING FULL ASSESSMENT - Before a jam packed meeting of the Hempstead Town Board, Hempstead Town Presiding Supervisor Al D'Amato tells residents the Board will move to fight full tax reassessment. "If State lawmakers fail to implement the Esposito Bill homeownership in this State will come to an end."

Fighting Full Property Reassessment

Hempstead Town Presiding Supervisor Al D'Amato recently announced the Hempstead Town Board has adopted a resolution by Hempstead Town Councilman Joseph Cairo demanding the New York State legislature adopt a proposal which would repeal a state law requiring the full value reassessment of every homeowners property within the State.

"If our State lawmakers sit idly by and permit full reassessment to take effect as mandated by the courts in 1980 we will be presiding over a State that had died," grimly noted D'Amato.

"Supervisor D'Amato and the entire Town Board speedily adopted this resolution which demands support of the Esposito Padavan bill because we know what disastrous impact full assessment would have on the older homes found in Elmont, North Valley Stream, Franklin Square, West Hempstead and Valley Stream," continued Cairo.

"We're going to join with the people of our community to save homeownership in this State," D'Amato told a coalition of civic organizations from the west end of Hempstead Town who appeared before the Town Board to support their action.

"In the past five years 600,000 people have left the State and 4,000 jobs disappeared from the rolls in the State of New York."

At Roosevelt Raceway

Thanksgiving could arrive early for people entering the Silver Spoon contest. Two will share the purse earnings of a horse racing at Roosevelt and a third will win a 1980 silver Chevrolet Citation auto from Pape Chevrolet in Huntington Station, New York.

Entries to the contest are available at Roosevelt, all the Nassau and Suffolk Off-Track Betting offices and Pape Chevrolet.

continued D'Amato and Cairo. "It is because State lawmakers insist on using the real property tax to pay for things like welfare, medical costs and education. It makes us the highest taxed State in the Union and people have had it."

"If we don't fight and win our battle to repeal this law that mandates full property assessment our present tax bill will double and homeownership will become extinct," stated D'Amato.

D'Amato noted that despite reductions in the Hempstead Town General Fund Tax rate the skyrocketing increases in the local school taxes continues to place an unbearable burden on most Hempstead Town homeowners.

"We must convince State lawmakers that unless they adopt the proposed Esposito bill which would allow the present system of percentage assessments to continue, where business property picks up a larger share of the tax burden, then homeownership in the State of New York, as we know it, will come to an end," stated D'Amato.

The unanimous decision by the Hempstead Town Board underscores D'Amato's ongoing fight to end the real property tax as the sole method of financing education in the State of New York.

BAKER VISIT: U.S. Senator Howard Baker, left, met recently with Nassau County Republican Party Chairman Joseph M. Margiotta to discuss the upcoming 1980 presidential campaign. Baker is one of the leading con-

tenders for the Republican nomination of president in 1980. He was in Nassau County to address a fund-raising dinner of the Nassau GOP Committee. More than 400 people attended the dinner.

Colby Warns Officials On New Housing Plan

Oyster Bay Town Supervisor Joseph Colby has alerted suburban government officials in three states to the necessity to act to prevent a new move by the Tri-State Regional Planning Commission to surpass local government by establishing its own housing program for the suburbs.

The plan, entitled "Regional Housing Mobility Program" outlines a "new initiative" by Tri-State to directly initiate this housing program to achieve the goal of "spatial deconcentration."

"Although local municipalities were all supposed to have been given copies of this plan for review and comment more than a month ago," Colby said, "I learned about its existence indirectly because Tri-State did not distribute it to the Towns in Nassau County."

Colby immediately demanded a copy of the report and, after obtaining it this past week, he noted that "when you cut through all that jargon, the plan amounts to Tri-State trying to initiate its own housing program that would give the poor and minorities of the inner city a preference in locating a place to rent in the suburbs. Their rent subsidy plan would be strictly for non-residents to find housing in the suburbs leaving our residents as second-class citizens in their own communities," Colby explained.

Upon review of the "hidden" Tri-State report, Colby obtained an additional 30-day commentary period and immediately sent out a notice to officials of suburban governments of New York, New Jersey and Connecticut.

"In 1977 these same officials were most supportive and helpful in the battle against a Tri-State scheme that advocated overriding local zoning laws," Colby said. "I have found them ready again to rally against this new attempt by Tri-State to take on powers that were never given

to it. Tri-State wants to become a regional housing agency instead of a regional planning agency."

Colby has already started hearing from County Executives and Town Supervisors in the three state area who said they would be willing to join with him a Court action if that becomes necessary.

"One of the options open to us is court action if our united opposition is not enough to put a halt to this line of action by Tri-

State," Colby explained. "They are clearly attempting to go beyond the limits of the State laws that created them as a planning agency and the question that they now must answer is whether they will attempt to proceed despite our warning, or will recognize reality and withdraw this plan."

In his letter to other suburban officials, Colby informed them of

*I was supposed to pull the plug?
No, Franklin, you were supposed to pull the plug!*

Electric cars do have to be unplugged before they are driven. But once they are unplugged, they are quiet and clean to operate. At present, LILCO has twelve electric vehicles in service, and in months to come you will see many more on the road as a result of our participation in a nationwide U.S. Department of Energy demonstration program.

LILCO is helping the Government demonstrate and evaluate electric vehicles by using them on the job. Some of the vehicles are being used by meter readers and others will be used by field representatives and service people. LILCO is participating in the Government program in order to help provide an alternative energy source for transportation as the world supply of oil diminishes.

If you'd like to know more about electric vehicles and answers to some commonly asked questions about them, write LILCO Energy Services Dept., Attn: Electric Vehicle, 250 Old Country Road, Mineola, NY 11501.

Recently, we received a nice letter from the Assistant Principal of a nearby Junior High School complimenting us on our Electric Vehicle Demonstration Program. "The students were very impressed with the electric vehicle demonstration and discussed the possibility of eventual wide-scale use of these vehicles on Long Island."

We think that may be an A+ idea.

Dear Friends....

SPEAKING OF OUR ELECTED OFFICIALS, we endorse all who are running on ROW B, the Republican Line, this year. They are doing an excellent job in most areas over which they have power and in the jobs which we have elected them to serve in the past.

The entire world is in an unfamiliar inflation-recession spin, which is not easy to solve. We believe that the Republicans are doing as much as is possible at this time to bring taxes under control. You may say... "What about the fact that our County taxes are so high?" But the answer, my friends, as we have said before, is the costs which our County is mandated to pay for Welfare and Medicare in such large amounts, that push our total taxes up so high. The State and the Federal government who make these mandates, should be forced to pay for them, and not be empowered to pass them along to the lower level of government. Even at that, on the TOWN level our officials have been able to cut their new budget to some extent which is really a feat in these inflationary times!

Yes, we feel that they are doing their best to cut expenses and still keep up the necessary services and we for one are certainly going to vote ROW B, on Election Day. However, as we have said for the past thirty years, although we urge you to vote Republican we also remind you that however you feel on these all important matters...DON'T FORGET TO CAST YOUR VOTE ON ELECTION DAY.

The New York State Board of Elections has provided the following information explaining the Proposition and three Amendments which you will find on your ballot on Election Day, along with the wording as it will appear on the ballot. We bring you this information to help you go over these matters and make up your mind how you are going to vote before you enter the booth to cast your vote.

Abstract of Proposition Number One

The purpose and effect of section one of chapter 369 of the Laws of 1979, to be known as the Energy Conservation Through Improved Transportation Bond Act of Nineteen Hundred Seventy-Nine, is to finance the improvement of local streets, highways, rail (passenger and freight) and rapid transit facilities through the sale of State bonds. The statute authorizes the creation of a State debt not exceeding five hundred million dollars (\$500,000,000) to be used in such manner as the Legislature may prescribe, as follows:

(a) \$400,000,000 for urban, commuter and intercity rail passenger and rapid transit systems and rail freight facilities; and

(b) \$100,000,000 for local streets, highways and bridges off the state highway system. This would be the first time that the State could issue bonds for these purposes.

Form of Submission of Proposition Number One Energy Conservation Through Improved Transportation Bond Issue

To provide for energy conservation through improved transportation by preserving and improving essential local streets and highways, rail passenger, rapid transit and rail freight services to the inhabitants of the state, shall section one of chapter three hundred sixty-nine of the laws of nineteen hundred seventy-nine, known as the energy conservation through improved transportation bond act of nineteen hundred seventy-nine, authorizing the creation of

state debt in the amount of five hundred million dollars (\$500,000,000) for capital facilities and equipment be approved?

Abstract of Proposed Amendment Number One

The purpose and effect of this proposed amendment is to enable the Legislature to expand the loan capacity of the Job Development Authority by permitting the state to guarantee up to \$300,000,000 of the Authority's bonds, instead of up to \$150,000,000 as now provided. The Job Development Authority was created under Article VII, Section 8 of the Constitution for the purpose of making loans to non-profit corporations, or guaranteeing loans made by banking organizations, to finance the construction of new industrial or manufacturing plants or the renovation of existing ones.

Form of Submission of Proposed Amendment Number One Job Development Authority, Increasing Loan Capacity

Shall the proposed amendment to Article X, Section 8 of the Constitution, would increase from \$150,000,000 to \$300,000,000 the maximum amount for which the Legislature may make the State liable as guarantor or bonds issued by a public corporation, such as the Job Development Authority, to finance the construction or renovation of industrial or manufacturing plants, be approved?

Letters To The Editor

To the Editor:

On October 25, 1979, Aileen Jacobson authored an article in Newsday, which said that the C.S.E.A. of the Town of Oyster Bay does not support the reelection of Joe Colby as supervisor. We as most of the other C.S.E.A. members of our town want to voice our objection. This letter is in response to that article and stems from the grass roots of the employees of the Town of Oyster Bay.

We, the undersigned feel that this statement that town employees do not support Supervisor Colby does not truly represent the majority of the employees of our town.

The enclosed petition certainly indicates that we are in fact in favor of Joe Colby's re-election. It is our belief that the president of our union, Mr. Pat D'Allesio is supposed to represent the majority of its members and has certainly failed to do this by his actions. If Mr. D'Allesio does not agree, we suggest that he put this matter to a vote.

AD HOC COMMITTEE OF THE TOWN OF OYSTER BAY EMPLOYEES

Robert Bonaventura
AD HOC COMMITTEE.
Robert Bonaventura, Chairman.

Members: Lorraine Gioia, Audrey Bishop, Leslie Ellison, Beaa Adio and Evelyn Bree.

Editor's Note: as of our press time, this ad-hoc committee had turned in to us copies of petitions with over 300 names of C.S.E.A. members who had signed up to that time. The petitions read: "In reply to the forthcoming political action rally on October 28, 1979, the undersigned employees of the Town of Oyster Bay and C.S.E.A. members wish to go on record in support of Joseph Colby, Supervisor of the Town of Oyster Bay."

At The Town Board Meeting

By Sheila Noeth

At their regular meeting on Oct. 30th the Board of the Town of Oyster Bay acted on the following local matters:

(1) They held a hearing to consider the dissolution and discontinuance of the Hicksville Escalator District. (The MTA has already taken over the operation and maintenance of this escalator). Then, in their Resolution No. 860, the Board voted unanimously to "dissolve and discontinue" this special district.

(2) Adjourned a hearing until Dec. 4, at the request of the petitioner, the Long Island Bank, for a special-use permit to erect, operate and maintain in an Ind. H District a branch banking office

offering general banking services and facilities, including a drive-up window at PLAINVIEW at the intersection of S side of Sunnyside Blvd and S side of LIE known as 175 Sunnyside Blvd.

(3) Adopted resolution No. 852 relating to authorizing a consultant to proceed with engineering services and sub-consultant services for Old Bethpage Landfill Industrial Waste Deposits.

(4) Adopted resolution No. 858 relating to authorizing the Supervisor to enter into a Mutual Betterment Agreement with Nassau County in connection with Contract H71-3930C which covers the reconstruction of roadway pavement on Cantiague Rock Road. This sharing of road

construction expenses, tied in with County sewer work and is a direct saving to the Town of Oyster Bay.

(5) Adopted resolution No. 867 to deny the petition of Isidore and Samuel Shochar for a change of zone and special use permit at Hicksville. The hearing took place on Aug. 28th, and involved some light manufacturing.

(6) Adopted resolution No. 870 which approved the BUDGET of the Town of Oyster Bay including use of Federal Revenue Sharing Funds and Estimates for all Special Improvement Districts, for the fiscal year beginning Jan. 1, 1980, the hearing for which was held on Oct. 23rd.

Christmas Mailing

assured good mail service this holiday season.

It is important, the Hicksville postmaster says, that families "double check" envelopes and cards to be certain that proper postage is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage-due procedures.

When the return address is placed on envelopes bearing

holiday greetings, it also helps remind friends on one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Postmaster Murello says, such letters are returned to the sender with a notation that the following "order" has expired.

Sectional Center Manager-Postmaster Anthony M. Murello is reminding customers that for the best service this Christmas season, they should use ZIP Codes, place their return address in the upper left corner of the envelope and use proper postage.

"By following these suggestions," Postmaster Murello says, "Customers will be

Trades Council Endorse Sup. Colby For Re-election

The 80,000-member Building and Construction Trades Council of Nassau and Suffolk has announced its endorsement of Oyster Bay Town Supervisor Joe Colby for re-election.

In a letter of endorsement from David Richardson, Council

Secretary Treasurer, the council noted that the vote was unanimous in supporting Colby.

During Colby's term of office, the Town of Oyster Bay achieved the highest rate of suburban growth in Nassau County. Jobs for Town residents have become

available through the attraction of offices of major banks, insurance companies and international corporations. This new construction has served to broaden the Town tax base and help lower rates for homes throughout the Town.

Probation Officers Endorse Colby Team

The Probation Officers Benevolent Association of Nassau County announced its endorsements of Oyster Bay Town Supervisor Joe Colby and Councilmen Greg Carman, Tom Clark

and Sal Mosca.

In assuring the candidates of the organizations' support in behalf of their reelection, Jay Cincotta, association president, and Daniel Ebbin, chairman of

the organization's political action committee, stated: "Your outstanding qualifications and record of public interest have earned you the respect and support of our membership."

Colby Endorsed By Police Groups

Every major police organization has joined in endorsing Oyster Bay Town Supervisor Joe Colby for re-election on November 6th.

Colby has been given the endorsements of the Nassau County Police Conference (representing members of village police departments), the Nassau County

Patrolmen's Benevolent Association, the Nassau County Detectives Association and the Nassau County Superior Officers' Association.

"I am pleased to receive the recognition and support of the members of the law enforcement groups that serve our local com-

munities," Colby said.

In letters from Conference President Peter J. Reilly, P.B.A. President Daniel Greenwald and P.B.A. Political Action Program Chairman Wayne McMorrow, Colby was advised that the membership of each organization would be urged to support his reelection.

Cake Sale

Once again, the Burns Ave. School is having their annual Election Day Cake Sale. This helps support the PTA Unit's Bernard H. Braun Scholarship Memorial Fund.

The Burns Ave. School mothers have baked many cakes, cookies, cupcakes, etc. for your enjoyment.

Remember to stop in the lobby, between 8:30 a.m. and 4 p.m. and bring one home with you when you vote on Nov. 6.

A.A.R.P. Meeting

The regular meeting of The A.A.R.P. Chapter 1582 will be held on Tuesday Nov. 6 at 1 P.M., at the Parkway Community Church, Stewart Avenue, Hicksville. The speaker will be Mr. Jules Yale Kessler with the Guardian Life Insurance Co. Hicksville.

The topic will be Life and Health for Older Citizens.

A Military Bridge and Card Party will be held on Nov. 13 at 1 P.M. at the Parkway Community Church.

Donation \$3. Prizes and refreshments.

Tickets may be bought at the door.

Come for an afternoon of fun.

It's That Time Again

November is here again, and with it the season of Thanksgiving.

Why not come out on Saturday, November 3rd, to the American Legion Hall in Hicksville? The Long Island War veterans of German Descent - Post 62 will be glad you joined them for an evening of fun and dancing. Willi Vollerthan will provide the music. We'll live it up with prizes. You could win a basket of

cheer, a turkey for the holiday or one of the many prizes of the evening.

The hall is 1/2 block east of Route 107 on East Nicholas St. That's one light north of Old Country Rd. Tickets will be available at the door at \$4.50 per person. Music starts promptly at 9 P.M. You'll be glad you came.

For information call Ann Fartacek at 957-8595 or Tom Fisher at 669-6416.

PEACE OF MIND
I don't have to go into a long dissertation on how much people desire peace of mind. The popularity of Transcendental Meditation and other movements gleaned from Eastern religious exclaim that peace of mind is a need which is felt by many. Many are looking for a technique, a teaching, a drug, something that will bring them peace of mind. At the end of the hall in our Community Christian School the answer awaits all seekers. You will find there a carving of Jesus, the Good Shepherd. In His right hand is a little lamb. The lamb is safe and secure. Perhaps it was the lost heepest that He once referred to. Looking at the lamb closely, it seems to be peaceful.

There are no signs of fright on its face. It is warmed by the heat of the Master's body, it is secure in the sure grip of His hand. The little lamb knows he's safe, he knows he's protected, he knows he's loved. He has peace of mind. In Jesus, peace of mind awaits all. Start with my gospel of Mark or Paul's letter to the Ephesians. Ask God to give you a receptive mind. Let me speak to you. When you come to something that seems to be talking directly to you, stop and meditate upon that thought. Invite it into your life. Thank God for it - even if it makes you squirm. Share it with someone else. I am your Bible. I point beyond myself to Jesus - the Word that

lives. I will not fail you, for He has not failed you. Cry me and see. The Christ proclaimed through my pages is awaiting you.

A continuing commitment

That's what AAL's symbol stands for. It's a commitment enabling Lutherans and their families to aid themselves and others. AAL does that through benevolence programs and fraternal benefits, including life, health and retirement insurance. So look at this symbol and think "commitment." Then, think AAL.

TRIPLE WIN

The under 15 boys (Yankees) won three games last week, giving them a five wins - no losses record this season and extending their current winning streak to nine consecutive games. Seven of the nine were shutouts. Coaches Billy Cresham, Pat McHugh and Peter Collins are satisfied with the results so far but also feel there's a lot of work still to be done. The 1st win was over a very weak Massapequa team (9-0), followed by a 4-1 decision over Bohemia and, on Sunday the boys travelled out to Lindenhurst on a rainy, wet day & defeated the Squires by a 4-2 margin. The Yankees are now halfway through their season & have met & defeated each team in the division once. They now begin the second half and have to meet each opponent once more - 5 games in 3 weeks to finish the Fall Season before Thanksgiving. Two games are scheduled for next week-end. Bobby Andrus is still sidelined with a back injury but came in his ringer to cheer for: V. Christiano, W. Cresham, R. Cullen, J. Demarco, S. Dolan, C. Feldman, G. Marco, J. McGeough, P. McGeough, J. Mitchell, R. Pearce, A. Pepi, D. Smyth, S. Thompson, E. Tyranski.

Boys U15

By M. Kanuek
Last Sunday, the Hicksville "Grenadiers" traveled west to play the "tigercats" of New Hyde Park. The match that followed was the toughest skirmish to date for the "soldiers." In addition to the tough play of the "tigercats," the "grenadiers" had to contend with a steady rain, cold temperatures and mud.

During the first half, the "Grenadiers" waded through the

mud puddles as they moved the ball towards the opponent's goal. While Hicksville played very aggressive ball, it was the "tigercats" who scored the first goal.

During the second half, the front line of Mike Kowalcuk, Craig Ench, Mike Conway, Joe Santarelli and Brian Doyle seemed to sparkle in the mud and 15 minutes into the half a pass from Craig Ench to Joe Santarelli found its mark as Joe sizzled the ball in for the tying Hicksville goal. Throughout the game, the front line was supported by the aggressive halfback trio of Jimmy Panchookian, Craig Carson and Mike Olive which gave us their best effort to date plus some. In addition to their excellent defense, they were consistently trying to initiate scoring plays but the elements failed to cooperate. Center halfback Craig Carson played an exceptionally good game and helped spark the team when they appeared to falter. With less than 8 minutes left in the game, a reshuffling of key defensemen Mike Wozniak, Ralph Maresca and Rich Chakri proved to be the turning point of the game. With the clock rapidly ticking away and now showing 30 seconds left in the game, a "grenadier" pass from Mike Kowalcuk to Mike Conway found its mark as Mike fired the ball towards the "tigercat" goal. However, the New Hyde Park goalie dove for and deflected the ball. Surprisingly the ball rolled ever so slowly onto the goal and the game was won. Hicksville had defeated the tough New Hyde Park "Tigercats."

Goalie Kenny Hamel provided the crowd with another top-notch

defense effort. Next week the return of Chris Kamuck and Mike Brown to the lineup should provide additional fire power as Hicksville hosts the "Oceanside Cheyenne" at the Grumman complex.

Hicksville Thunderbirds

By Joe Neto

The Hicksville Thunderbirds sponsored by Long Island Boating Publications traveled to Queens to play the Auburndale Aces and came home a very happy team as they defeated the Aces 1-0. The Thunderbirds played this same team last fall and lost to them by a score of 4-0, so the boys knew they were in for a tough game.

The first half was evenly played. The play shifted from one end of the field to the other with both teams putting pressure on each other. The forward line of David Weinberg, David Kamuck, Joey Doherty and Joey Neto put plenty of pressure on Auburndale but their defense was sharp and negated their attacks. Hicksville scored the only goal of the match when Thomas Kenny was about to take a shot on goal and was tripped. A penalty kick was awarded to Hicksville and Brian Mc Kenna was called to take the kick. He placed the ball high and away from the goalkeeper reach for the goal.

The shut out was a complete team effort. The fullback line of Michael Ayres, Martin Jaycard, Tommy Roman and Paul Thompson did a terrific job in turning back their opponent. Due to a knee injury goalkeeper Richard Markey has been sidelined for the remainder of the season. The team wishes Richie a speedy recovery. Michael Pryves has been taking his place in the goal and is doing a magnificent job. Michael saved the game several times with some incredible saves.

Soccer Club Meeting

The November general meeting of the Hicksville American Soccer Club will be held on Friday, November 2, at 8:00 at Jos. Barry Council No. 2520 Knights of Columbus at Heitz Place, downstays. Elections for President, Vice

President, Secretary and Treasurer will be held at the December meeting.

Anyone interested in running for these positions should contact Gene Maguire, Nomination committee chairman at 838-6148.

Cultural Series At Old Westbury Hebrew Congregation

By Sam Finger

Old Westbury Hebrew Congregation is planning a series of cultural events to be held at its Temple at 21 Old Westbury Road. It will consist of the following:

1. A lecture by Dr. Martin Abend on Sunday evening, November 18, 1979.
2. An address by Rabbi Marc Tannenbaum on Wednesday evening, March 19, 1980.
3. A Spring Concert by "The Savitts" on Thursday evening, April 24, 1980.

The registration fee for this series, open to the public as well as Congregation members is \$10.00 per person for the three programs, or \$5.00 for each individual one. These fees should be mailed to Old Westbury Hebrew Congregation, 21 Old Westbury Road, Old Westbury, N.Y. 11568, with checks made payable to that organization and must be received not later than November 5, 1979.

As to the first scheduled speaker, Dr. Martin Abend is well known to most of the community and surrounding areas. Those who watch the nightly 10 o'clock Channel 5 News Program, have seen and heard his commentaries regularly. His firm stand on such controversial subjects as the Mid-East problems, compulsory death penalty for certain crimes, the labor vs. management struggles, are but a few. Dr. Abend's unequivocal opinions either endear him to his listeners or alienate them, but always he comes through as an interesting and exciting analyst. Dr. Abend's credentials are impressive indeed. He obtained B.A. and M.A. degrees in Political Science at the University of Alabama in 1952, and in graduate study, earned a Ph.D. on a fellowship in Political Science and Economics at Maxwell School at Syracuse University in 1955. Since that time, he has been a college instructor in Boston, New York City and Ithaca, and currently is teaching at Jersey State College.

Besides the aforementioned regular appearances on WNEW-TV (locally Channel 5), Dr. Abend also hosted a late night talk show in 1969, titled "Abend on the Spot" and is also a consultant on public affairs and political issues. He has also written scholarly essays on history and Renaissance literature, and more recently, contributed articles on national and local problems to academic and popular periodicals. Added,

Dr. Martin Abend

too, are many speaking engagements via radio and television. All of these activities have earned him 45 distinct awards from many civic and political organizations. This prominent background assures a stimulating evening with Dr. Martin Abend on Sunday, November 18 at Old Westbury Hebrew Congregation, and all are therefore urged to plan to attend.

As to the two programs planned for the Spring, Rabbi Marc Tannenbaum is best known for his work as the National Interreligious Affairs Director of the American Jewish Committee. In this capacity, he has been actively engaged in ecumenical activities among many religions and has dedicated himself during the last 25 years to social justice and the human rights of all.

Lastly, the Savitts have thrilled audiences everywhere with their grand singing styles and the varied range of musical selections included in all their concerts. On this special occasion in our series, they will be assisted by the "Old Westbury Chorale" - a group that has given many concerts of its own and has always drawn an enthusiastic reception from the listeners. Its highlights were two very successful performances with Jan Peerce, which really captivated its audiences and were deemed "Smash-hits."

Boutique

The Church of St. Margaret, 1000 Washington Ave., Plainview will hold a Christmas Boutique on Sat., Nov. 10 from 10 a.m. to 4 p.m.

Featured will be handmade items, plants, baked goods, white elephants and delicious snacks.

On Saturday, October 27th, the Galileo Lodge held its Halloween Dance. It is now over, but certainly not forgotten. Close to 275 people dined, danced and enjoyed themselves to their hearts content, and why should it have been otherwise, especially since they were visualizing a new dimension in entertainment, discovering a new form of consciousness and experiencing a new tinge of excitement. Oh, yes, this they did, in a manner unexpected, or perhaps in a manner that suggested they were escaping the humdrum and complacency of every-day living.

The ham dinner and all its trimmings was excellent. The dance music was bouncy and pleasant. The costumes, which were optional, were delightful. Trophies were awarded to the wearers of the best and worst costumes, which added more zest to the proceedings. The Jo-Vin Band performed with expertise. An affair such as this, succeeds because of the efforts, diligence and perseverance of those associated with it. Let us start with its chairman, Skip Monteforte, who is success personified, and go all the way to John Sarrere, the chef for the night, Pete Massiello, Joe La Casto, Jeff and Jo-Ann Wallick, Dante Perrotti, Dolores Ragone, Mary Monteforte, Tony Previtte and Andy Giuliano. Without the aid of these devoted members, it is doubtful that this dance could have been so successful. Taking everything into consideration, the Galileo Lodge, always cognizant of the fine performances of its personnel, takes this opportunity to thank Skip Monteforte and the above-mentioned members for the wonderful manner in which they worked to make this last Halloween Dance the beautiful affair that it was.

Rita Anderson and Tony Muradian received trophies for their nurse and sheriff costumes, Alerie Brandisi received one for her Las Vegas outfit and Bob Yandolini received his trophy for his Frankenstein costume. Domenick and Connie Richter received trophies for their Dracula and Wolfman costumes. Joni Wallick received a trophy for her "flapper" outfit and Joe Aglio received one for his Frankenstein costume.

and if you want them beautifully wrapped in a package of excellent food and entertainment, why not heed the latest advertisement emanating from the Galileo Lodge, which reveals that it will hold a Fashion Show under the guidance and supervision of the Ladies Auxiliary. This show

will take place on the 15th of November, at the Lodge quarters. The cuisine, always excellent, of course, will feature stuffed shells and meatballs, beer, soda cake and coffee, etc. Starting time, by the way, is 7:30 P.M. Music will be provided by

AMENDMENT TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY

BE IT ORDAINED by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Code of Ordinances of the Town of Oyster Bay, New York, be and the same is hereby amended by adding the following new Chapter 26:

CHAPTER 26 DRUG-RELATED PARAPHERNALIA PROHIBITION

Sec. 26-1 Declaration as to Public Interest

The Town Board of the Town of Oyster Bay, in accordance with the various and sundry powers conferred upon it by the laws of the State of New York, together with its police power and its inherent right and obligation to promote and insure the protection, order, conduct, health, welfare, safety and well being of persons and property within the unincorporated areas of the Town of Oyster Bay, New York, finds that the uncontrolled promotion, sale or distribution of drug-related paraphernalia and drug-related printed matter to be contrary to the best interests and well being of the citizens of the Town of Oyster Bay and deems it to be in the public's best interests to enact this ordinance.

Sec. 26-2 Definitions

Unless otherwise stated expressly, the following words or expressions where used in this Chapter, shall have meanings as follows:

"Controlled Substance" shall have the same meaning as defined in Sec. 3302 of the Public Health Law of the State of New York or any successive law.

"Drug-Related Paraphernalia" shall mean any machine, instrument, tool, equipment or device primarily intended to be used to introduce into the human body, any controlled substance under circumstances in violation of the laws of the State of New York.

"Drug-Related Printed Matter" shall mean any book, magazine, pamphlet, periodical, card or flier which is primarily intended to disseminate information for one or more of the following purposes:

- (a) To advocate or recommend the use or possession of a controlled substance when such use or possession is in violation of the Laws of the State of New York.
- (b) To advertise, describe, explain, depict or display any method by which a controlled substance may be obtained or produced when such method could reasonably be expected to lead to the use and possession of such controlled substance in violation of the laws of the State of New York.
- (c) To advertise, describe, explain, depict or display and drug-related paraphernalia.

Sec. 26-3 Prohibitions

(a) It shall be unlawful and a violation of this Chapter for any person, firm or corporation to promote, offer for

LEGAL NOTICE

sale, facilitate the sale of or sell "drug-related paraphernalia" to any person under the age of eighteen (18) years or to any person eighteen (18) years of age or over.

(b) It shall be unlawful and a violation of this Chapter for any person, firm or corporation to possess "drug-related paraphernalia" and to simultaneously promote, offer or facilitate the sale, distribution or dissemination of "drug-related printed matter" to persons under the age of eighteen (18) years or to persons eighteen (18) years of age or over.

Sec. 26-4 Penalties

A violation of any provision in this Chapter shall constitute an offense. Each day that such violation exists shall constitute a separate offense. Such an offense shall be punishable by a fine in accordance with the following schedule:

(1) Upon conviction for a first offense under this Chapter, a fine of not less than Five Hundred (\$500.00) Dollars, but not greater than Seven Hundred Fifty (\$750.00) Dollars.

(2) Upon conviction for a second offense or subsequent offense under this Chapter, a fine of not less than One Thousand (\$1,000.00) Dollars, but not greater than One Thousand Five Hundred (\$1,500.00) Dollars.

Sec. 26-5 Separability

If the application and or the provisions of this Chapter or of any section, or any sentence, or any clause in whole or part are held to be invalid as to any person under eighteen years of age, or eighteen years of age and over, or any firm or corporation the provisions and application of the remainder of this Chapter shall not be affected thereby.

STATE OF NEW YORK,
COUNTY OF NASSAU,

SS. TOWN OF OYSTER BAY

I, ANN R. OCKER, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Amendments to the Code of Ordinances of the Town of Oyster Bay adopted by the Town Board on October 23, 1979, Add New Chapter 26, "Drug-Related Paraphernalia Prohibition," filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town this 24th day of October 1979.

Trinity Lutheran Pep Rally

By James J. Lukas

On Friday, November 9th Trinity Lutheran Church is holding its first annual Pep Rally in support of its church basketball program. The Rally provides a unique opportunity to see all Trinity's basketball teams and cheerleading squads assembled together. Quite often throughout the season, because of scheduling conflicts, all Trinity teams do not

play on the same day, in the same location. The Rally will come as a climax to the intensified practice sessions which all teams have been holding since September.

The Rally will start at 7:00 p.m., and will continue until 10:00 p.m. Admission is fifty cents and the Rally will be held in the Trinity Gym, 40 West Nicholas Street, Hicksville.

So come and see the Bantam Cheerleaders, the Bantam boys

team, Senior Cheerleaders, Junior boys team, Junior girls team, Senior girls team, and the Senior boys. It promises to be an exciting evening.

REBOUNDS: Senior Boys Basketball coach, Don Henderson has accepted the junior basketball coach position at Holy Trinity High School in Hicksville. Additional responsibilities will include assisting the varsity coach Zeiler.

Engaged

Mr. & Mrs. Arthur A. Conologue of Syosset announce the engagement of their daughter Kyllene Marie to Peter Francis Logan, son of Mr. & Mrs. Francis P. Logan of Hicksville.

The bride-to-be is the granddaughter of the late Christian and Bridie Bodum and the late Sgt. Edward and Margaret Conologue, long time residents of Glen Cove.

Kyllene is a graduate of Syosset High School and Katherine Gibbs Secretarial School. She is presently employed by McCann-Erickson, New York City.

Peter is a graduate of Hicksville High School and attended Nassau Community College. He is presently employed by Jericho Water District, Syosset.

No date has been set for the wedding.

Gill-Roddy

Eileen Gill, daughter of Mr. and Mrs. Thomas Gill of Chatham Ct., Hicksville, became the bride of James Roddy, son of Mrs. Gloria Roddy of Albert St., East Meadow, at a Nuptial Mass held at 12 noon on Saturday, Oct. 20 at St. Ignatius Loyola R.C. Church, Hicksville. The Rev. Joseph F. Keyes, a friend of the family, officiated.

The bride wore a gown of white satin, with a bodice of Venice lace, trimmed with seeded pearls. Her floor length veil fell from a satin crown. She carried a cascade of white orchids, white tea roses and stephanotis.

Patricia Ann Gill, of Hicksville, was maid of honor for her sister. Bridesmaids included Kathy Shea of Farmingdale, Kathi Marshall of West Babylon, Ann Marie Rogo of Bellmore, Ann and Kathleen Gill of New Jersey.

Steve Cordelli of East Meadow was the best man. Ushers were Robert Roddy of Maryland; Timothy Roddy of East Meadow; and Thomas Gill.

After the ceremony, a reception was held at the Huntington

Town House.

The bride is a graduate of St. Ignatius Grammar School, Hicksville H.S. and Catholic Medical Center School of Nursing. She is a registered nurse.

The groom graduated from Prospect Ave. School, East Meadow H.S. and Nassau Community College. He is a Hospital Safety Officer.

After a trip to Bermuda, the couple will make their home in Farmingdale.

Indian Night

Elementary students of the Holy Family School in Hicksville are sponsoring "Indian Mission Night" on Monday, November 19th beginning at 7:30 pm in the school auditorium on Fordham Avenue (off Newbridge Road).

An admission fee of \$.50 for all who attend will be charged at the door. All donations will be sent by Holy Family to the Indian children at St. Paul's Reservation in Montana. In addition, money from any sales of food and novelties - made by the children - will be donated to St. Paul's.

Entertainment - traditional dances and music - are planned by the Holy Family youngsters for everyone's enjoyment.

The public is cordially invited to attend "Indian Night." All proceeds from the event will benefit a most worthy cause.

Additional information may be obtained by calling Holy Family School at (516) WE 8-1211.

Basketball Registration

St. Ignatius C.Y.O. Senior Basketball League 9th thru 12th grade is starting in early December.

Any boys who are not registered, and are interested in playing contact Ted Walsh at 822-4964 as soon as possible.

DEAR FRIENDS

(Continued from Page 4)

Abstract of Proposed Amendment Number Two

The purpose and effect of this proposed amendment is to enable the State to consolidate its land holdings in the State forest preserve for better management, by conveying to the International Paper Company approximately eight thousand five hundred acres of forest preserve lands in exchange for approximately the same number of acres of land to be conveyed to the State by the International Paper Company for incorporation into the forest preserve. Such exchange would be subject to approval by the Legislature after it has determined that the lands to be received by the State are at least equal in value to the lands to be conveyed by the State.

The lands involved in the proposed exchange are located in townships two and three of Totten and Crossfield's Purchase and in township nine of the Moose River Tract, Hamilton County.

The Constitution now provides that forest preserve lands shall not be leased, sold or exchanged. This amendment would apply only to this particular proposed exchange.

Form of Submission of Proposed Amendment Number Two
Exchange of Certain Forest Preserve Lands
Shall the proposed amendment

to Article XIV, Section 1 of the Constitution, which would enable the Legislature to consolidate the State's land holdings by allowing an exchange of specific lands in the State forest preserve for approximately an equal number of acres of land, all in Hamilton County, be approved?

Abstract of Proposed Amendment Number Three
The purpose and effect of this amendment is to permit the Legislature to base State and local tax laws on Federal counterparts and to maintain such State and local laws in conformity with Federal law, by referring to the Federal law in the State statute.

This amendment is being proposed because the State Constitution contains a restriction against incorporating any existing law, except the Federal Income Tax Law, into a State statute merely by referring to it without including its complete text.

Form of Submission of Proposed Amendment Number Three
Tax Laws

Shall the proposed amendment to Article III, Section 22 of the Constitution, which would permit the New York State Legislature to incorporate, by reference, any tax laws of the Federal government into the New York State Tax Law without having to set forth the provisions of the Federal Law in full, be approved?

New Housing Plan
(Continued from page 3)
the new Tri-State effort "to broaden its scope of activities and engage in a program that it is not authorized to undertake." Colby indicated that he would be

filing official objections within the new 30-day period and asked the other suburban municipalities to provide him with a copy of their objections to be used in a court action, if it becomes necessary.

The Tri-State plan asks HUD (U.S. Dept. of Housing and Urban Development) to provide some \$150,000 to Tri-State to be used to provide rent subsidies to residents of the inner cities so those residents could move into existing suburban housing. The report refers to communities that have made efforts to responsibly meet the housing needs of its own residents as "beachheads" in "not totally alien communities."

"Their language makes it clear that they look upon the suburbs of the three states as an enemy against which they are planning a war, rather than as communities of people over which they are supposed to be concerned," Colby said. "Their obvious bias toward assisting the city by moving its problems to the suburbs seems to be part of the basic belief of the Tri-State bureaucracy and,

therefore, makes this planning agency something which local suburban governments are recognizing as another bureaucratic enemy against which we must defend ourselves. Tri-State is another promise that has gone wrong," Colby said. "They were created to assist communities in helping themselves provide for the future, but have instead become enemies of the very communities who have taken the initiative to help preserve its future and that of its residents."

CUMMINGS 'N GOINGS

By Jim Cummings

QUITE A SURPRISE: Jim and Eileen O'Sullivan were overwhelmed when they discovered that the party they were invited to in the Monsignor Bitterman

Hall of the Joseph Barry Council, Knights of Columbus was actually in **THEIR HONOR** - a surprise 30th wedding anniversary from their children: Donna, Patricia, James, Stephanie with a big assist from Patricia's fiance, Charles Barhold, also a Hicksville resident. The music by Ray Brennan and the "Druids" was most entertaining and traditional for these two good friends of Erin... A host of family and friends from LI and New Jersey were on hand, as well as a good family friend Sister John Michael, formerly of St Ignatius School and now assigned in Long Beach - the buffet topped the wonderful afternoon off - it was good to be among such good friends. - Congratulations Jim and Eileen.

DID'YA KNOW: that Alice and Medard Ofenloch of Benjamin Avenue, Hicksville, celebrated their 32nd wedding anniversary visiting with family in Orlando, Florida last month and these good Hicksville folks also stopped for a visit with former Fire Commissioner Harold Manaskie and his wife, Rose... Steve and Kay Ryan of Buckner Avenue, were married 30 years on Monday, October 29 - in fact they were wed on the same day as their dear friends' O'Sullivan's they discovered recently... we chatted with Joseph Kelly, who will round out 75 years on November 27 - a very active young man in the Hicksville community... hear talk of a charter to Ireland in '80 by the Nassau County Chapter of the American Irish Congress... you don't have to be Italian to enjoy the delicious cuisine at 1Vannone's popular ristorante at 382 West John Street & Kuhl Avenue - quite a family - Vinnie, Frank

and Vito - serving the best these past 10 years...

CONGRESS TO INSTALL: Bernard F. McCaffrey of Plainview, New York State Supreme Court Justice, will officiate at the swearing-in ceremonies of the newly-elected officers of the Nassau Chapter of the American Irish Congress, on Monday evening, November 5, at 8 P.M. in the Irish American Center, 248 Willis Avenue, Mineola. Officers to be installed are: John Mulrooney, Chairman; Martin Gannon, Vice-Chairman; Patricia Mulrooney, Recording Secretary; Margaret Fitzgerald, Corresponding Secretary; William Bowe, Treasurer; and John Campbell, Financial Secretary. Executive Board members are: John Sugrue, Past Chairman; Francis E. O'Connor; James J. Cummings, Danny Donovan, Anthony Jackson and Mary McCarthy - the business of the Congress will convene immediately following the in-

stallation.

SHORT TAKES: Pre-Christmas sale at Our Lady of Mercy Academy, Syosset this Sunday from 11 AM to 5 PM... Quite a presentation organized by Councilman Thomas Clark and Police Commissioner Samuel J. Rozzi last Tuesday evening at St. Ignatius presented by Police Personnel of the Sex Crime Unit, following the recent murder of a Hicksville woman on West John Street... You don't need an alibi to eat out at Frank's Alibi, Old Country Road - try Friday evenings delicious menus - beautiful decor and the best of music by Ken Tracy, at the Organ, we like it and besides Frank's Alibi has been a "must" for years...

On next Tuesday, November 6, **ELECTION DAY**, I ask you to continue our responsive Town Government by re-electing Hicksville's own Councilman Tom Clark and the entire Colby Team.

Colby Team Blasts Deceptive Dem Campaign - Urge Voters To Look At Proven Facts

After weeks of reading false charges and fake issues being advertised by the Democrat party, the Colby team denounced its opponents as conducting the type of campaign that leads to further distrust and alienation of the people from the political process.

"They have, with deceit intended, leveled false charges throughout the past few weeks in a desperate effort to mislead the residents of this Town. Totally false statements with no basis in actual fact have appeared as advertisements by the Democrat team," according to a joint statement issued by Supervisor Joe Colby, Councilmen Greg Carman, Tom Clark, and Sal Mosca, Town Clerk Ann Ocker and Receiver of Taxes Sol Newborn.

"The tactic of telling the people to trust them and offering false statements to win that trust is one that Democrats have utilized in the past. Unfortunately, when it worked for the Democrat party, the people became more negative about our country's political and

governmental system because they learned after election day that the trust they gave to Democrats was misplaced," Colby said.

DECEPTION

Councilman Clark pointed to the sanitation "issue" as the worst and most dangerous form of deception. "They have attempted to frighten Town residents by charging that the 'mob' is going to be brought in to collect sanitation in Oyster Bay Town," Clark noted. "They've done this despite the fact that they are fully aware of the Town's success in making its municipal sanitation more efficient so that it could be retained while costs were cut."

Clark said the Democrats are fully aware that after the Town received a study from an independent engineering firm indicating that municipal contract with private firms could result in lowering the cost of sanitation services, the Town turned the study over to municipal union leaders and demanded cooperation in cutting costs.

"The Democrats are fully aware that the Town met in good faith with the union leaders and agreed to keep municipal sanitation by implementing an increased productivity plan that required Town sanitation men to work a little harder every day," Clark explained.

"Now those sanitation men are working for the Democrats and one needs very little imagination to know what would happen to the increased sanitation workload if the Democrats were elected," Clark said.

"Besides offering misinformation," Carman pointed out, "the Democrat platform has been purely negative. They offer no signs of their intentions and have merely pointed to our accomplishments to promise they can do it better."

CUTTING TAXES

Carman noted one example as the tax cut in the 1980 budget. "After holding our tax rate for three straight years despite the runaway national inflation that the Democrats haven't handled, we have been able to provide a cut in the General Town Tax," Carman said. "The cut, which is the first in 12 years and the largest in 20 years is truly a credit to Joe Colby and his administration. So, the Democrats promise that they would have lowered it by 10 times that amount. That creates a credibility gap between the people and political participants because unrealistic promises that can't be kept result in the people ignoring everyone involved in the political process," Carman said.

SPECIFIC ECONOMIES

"By working as a team," Mosca noted, "we have made cuts in government operations. We eliminated the purchase of full-size cars. We worked with

Supervisor Colby to condense government operations, which allowed for the sale of unneeded Town buildings that are now being put to productive private use. We saved half a million dollars by switching to a self-insurance program and the productivity increase that Councilman Clark spoke about in municipal sanitation is bringing us a savings of at least \$130,000," Mosca noted.

"These," he pointed out, "are some of the specific and factual accomplishments of our work in office. The Democrat candidates can't even show community work where they have accomplished something positive. They have no record of service because they have not been concerned with their own communities until they started running for office. One councilman candidate moved to this Town from Virginia within the past year. Their Supervisor candidate is a young man who can't even understand the problems of the homeowner trying to raise a family here, because he's single and lives with his parents. They not only lack government experience," Mosca said, "they lack the community involvement that is so vital to someone working to represent the residents of our communities."

Pointing to other efficiencies brought to Town Government, Colby noted that the experience and administrative abilities of Town Clerk Ann Ocker and Receiver of Taxes Sol Newborn helped his administration reduce costs through increasing computer utilization. "Both Ann and Sol have worked closely with me to turn over more and more of the tedious and time-consuming work of their offices to computers that can handle it more efficiently and more economically,"

Colby said.

"We have overcome the pressures of inflation through real changes within Town operations so that the Town would not be another economic pressure for homeowners. We are providing the same level of service with fewer people and that's how we've managed to prevent any increase, and now have decreased the General Town Tax," Colby concluded.

"It's unfortunate that the Democrat candidates have nothing to offer the people and have resorted to deception in an effort to win the trust of the people," Colby said, adding, "That type of campaign is a disservice to our residents and, in the long run, turns more people away from becoming involved and working with their government to improve our communities."

"I have no doubt that our residents will see through the Democrat deception. I only hope they will make themselves heard by voting on Tuesday based on real facts and then joining with us to resume our efforts in keeping government efficient, responsive and responsible."
