## Hicksville's Postmaster Receives National Award

Anthony M. Murello, Postmaster Manager of the Hicksville, N.Y. Management Sectional Center, has been named the recipient of one of five national awards from the Direct Mail Marketing Association (DMMA).

The DMMA, which — among other functions — helps consumers get on or off mailing lists, selected Murello for the "Postmaster of the Year Award" for his cooperation with postal customers, participation in community affairs, and ac-

complishments as a Postmaster. Each year the DMMA chooses an outstanding Postmaster from a field of several thousand in each of the five U.S. Postal regions for the award. Murello was the choice for the Northeast Region.

Murello, who began his postal career in 1946 as a letter carrier, has held a number of supervisory managerial positions — culminating with the Hicksville assignment in 1974.

He was recently presented the award by Robert F. Delay, President of the DMMA.

## Fire Dept. Open House

The Hicksville Fire Dept. will be holding their Annual Open House on Sunday, December 9, from 2-5 P.M. at the Gebhardt Plaza Firehouse (Marie St.).

Santa will be on hand

will free gifts for all the children.

Parents can view fire prevention displays and ask questions about fire safety.

All are welcome to attend.

## HHS Boys Soccer N.Y. State Champs

By Brad Jaworski, Coach

The 1979 Hicksville Soccer Team were the Nassau County Champions, the Long Island Champions, the New York State South Eastern Champions and the New York State Champions.

There were three important highlights of the year. The first, was beating Number One seeded Oceanside 3-1 in tournament play. The second, was winning the Nassau County Championship by defeating a tough Berner team 4-2. Berner just 3 weeks before had beaten Hicksville 1-0 which gave them the League Championship. And third, was winning the New York State Championship, out of 1500 schools competing.

Hicksville scored a total of 75 goals to their opponents 21. Hicksville averaged 3.6 goals per game to their opponents 1.0.

Playing excellent on defense were five seniors, Tom McCann (right fullback), Martin Mize (center fullback), Scott Cahalan (left fullback), Bernie Filippi (goal tender) and Joe Mullings (halfback and goal tender).

The control of the center of the field was demonstrated by Robert Clark (right halfback), Jon Stafford (center halfback), and Joe Mullings, Tom Solaski (left halfbacks).

The front line did their job, scoring goals. Tom Luongo (left wing) 8 goals 9 assists, Michael Magner (defensive inside) 10 goals 9 assists, Jim Jannette

(right wing) 12 goals 10 assists, and Peter Jannette (offensive inside) 26 goals 9 assists.

Most Valuable Player Defense went to Jon Stafford for his 100 percent effort which gained control of the middle of the field and the game. Most Valuable Offense went to our offensive striker Peter Kianette. Peter's offensive speed and aggressiveness earned him 26 goals and 9 assists.

The Mr. Universal Award goes to Donald Cusack. Donald played

fullback, halfback, and line throughout the season and scored some very, very timely goals, one of which was the first one in the New York State Championship game.

Tom Luongo and John Stafford made the Conference I-A All-Star Team and Peter Jannette was selected for the All Nassau County All-Star Team.

Assistant coaches for the team are Dick Wright and John Magliano.

## LITCO Bancorporation Elects Grace Fippinger To Board

Grace J. Fippinger of Hicksville, Vice President, Treasurer and Secretary of the New York Telephone Company, has been elected to the Boards of Directors of LITCO Bancorporation of New York, Inc. and Long Island Trust Company, Arthur Hug, Jr., Chairman, announced today. The election is effective December 19, 1979. Miss Fippinger is also a director of Pfizer, Inc., Connecticut Mutual Life Insurance Company, Harcourt Brace Jovanovich, Inc., and the Greater New York Fund.

Mr. Hug said he was "delighted to welcome a person of Miss Fippinger's stature, business experience and background to our Boards. Her experience as an executive with New York Telephone and her other Board memberships provide her with considerable knowledge of banking and business. Her input will be of substantial importance to our Board deliberations."

Miss Fippinger joined New York Telephone in 1948 as a representative in the Long Island area. Following various assignments in Nassau and Brooklyn, Miss Fippinger became the first woman officer in the Bell System when she was elected Vice President, Secretary and Treasurer on July 1, 1974.

Born in Hicksville, New York, she attended Hicksville High School and was graduated from St. Lawrence University at Canton, New York with a B.A. degree in 1948.

Miss Fippinger has served on Governor Carey's Economic Development Advisory Council, the executive board of the Nassau County Federation of Republican Women, the New York State Women's Council, the State Manpower Advisory Council, the board of the Consumer Credit Counseling Service of Greater New York, American Red Cross (L.I. Division), the Long Island

Better Business Bureau and the Nassau County Health and Welfare Council. Recently, she served as a trustee of the American Management Association.

Miss Fippinger is also a trustee of the Citizens Budget Commission, a member of the American Society of Corporate Secretaries, Inc., Financial Executive Institute, New York Chamber of Commerce and Industry, St. Lawrence Club of Long Island and the Board Room Club.

Miss Fippinger was honored by the Republican Women in Business and Industry at a luncheon at the New York Hilton and was selected as "Woman of the Year" in 1969 by the Business and Professional Women, Nassau County. In 1975, she was honored by the Nassau County Press Association and was presented with the "John Peter Zenger"

## Galileo Lodge News

By Joe Lorenzo

It was evening, December 1, 1979. A light snow was falling. The night air was cool and crisp inside the Galileo Lodge the atmosphere was jolly and lively and warm, akin to the mood and spirit associated with the holiday season. What I am referring to is, of course, the Christmas Dance held by the Galileo Lodge, and I might mention here that over 200 people gathered to enjoy a delicious roast beef dinner topped off with coffee and cake, beverages, set-ups, etc. They were also offered some liting music by the Dya-Tones, a musical combo that specializes in listenable as well as danceable tunes. This combo, by the way, embellished this holiday activity with a beautiful medley of Christmas songs which activated over 200 voices in a choral effect.

Skip Monteforte assumed the role of chairman because of the sudden illness of Tony Previto, and he was ably assisted by Jeff Wallick who took up the reins as co-chairman. Pete Massiello also donated his services, and Joe Lanetti and John Sarrera, the kitchen stalwarts, prepared the excellent food that was served. At the close of the evening, these same 200 voices paid tribute to their country in its time of stress and trouble by singing, "God Bless America."

Here again was another activity presented by the Galileo Lodge, an organization dedicated to excellence, which now seems to have become its hallmark. Here again was another successful venture emanating from the heart and soul of this organization. The Galileo Lodge, ever mindful of the talents and abilities of its membership, wishes to take this fine opportunity to extend its warm thanks and appreciation to all those members mentioned here (and those not mentioned) for another outstanding performance.

The Christmas spirit will not disappear from the environs of the Galileo Lodge, for on December 16th it will present its two Christmas parties — one for the retarded children of Hicksville and the other one for the children of the membership. As I have mentioned in the past, nothing in the Galileo Lodge's organizational entertainment make-up is comparable to the soul-stirring and heart-warming characteristics associated with these two parties. Many business establishments are starting to donate their products for the children, namely, the Maggio Beef Company who have donated 50 lbs. of chopped meat and 25 lbs. of sausages. All contributors will be mentioned in a later column. Jim Rerisi is the coordinator for these two parties and he will be ably assisted by a committee. What these two Christmas parties do in terms of happiness and affection could never be measured in words, because the emotions have to be seen with one's own eyes.

The feelings of Christmas seem to go on and on at the Galileo Lodge. On Saturday, the 22nd of December, it will present its Member Appreciation Night, at which time all the members are invited to attend and enjoy food, entertainment and dancing all funded by the organization itself.

## Launch Drunk Driver Program

In a two-pronged action focusing on both enforcement and public awareness, Nassau County Police Commissioner Samuel J. Rozzi today launched the department's annual holiday campaign against drunk drivers. The plan calls for the establishment of selective enforcement areas coupled with an expanded public education program to cut the number of traffic accidents and deaths during the coming holiday period.

"Each year we try to evolve a new approach in dealing with the holiday drunk driver," stated Rozzi. "The week including Christmas is the most active time for drunk driver arrests, and alcohol related deaths and accidents in the county. For this reason we maximize our efforts during this period. We are hopeful that our plan this year will be effective."

The Nassau County Police Department has designated 12 primary enforcement areas throughout the county that will receive special attention from the Highway Patrol enforcement cars, Precinct sector cars and TEAM grant personnel during the next six weeks. (TEAM personnel are federally funded police officers assigned strictly to traffic enforcement.) The areas were chosen based on an analysis of traffic accidents, traffic deaths, speed controls, previous drunk driving arrests and the density of establishments serving alcoholic beverages. With the concentration of enforcement efforts in systematically selected trouble areas, the department expects to impact not only the

drunk driver but any driver violating the vehicle and traffic laws.

These primary enforcement areas include: Hempstead Turnpike from Suffolk County line to Hempstead Village line; Peninsula Boulevard from Sunrise Highway to Rockaway Turnpike; Broadway, Hicksville from John Street to Jericho Turnpike.

The department declines to identify all of the areas so as not to compromise its enforcement efforts.

The second part of the plan calls for a greater public information effort to make the residents of the county more aware of the problem. Commissioner Rozzi has sent over 2,000 letters to large corporations and businesses in the county asking for their help in curbing the drunk driver problem.

"During the holiday season it is the so called 'office party' that generates a high percentage of drunk driver problems," stated Rozzi. "Our goal is to ask employers to be more aware of the problem this year and try to make some provisions to avoid a tragedy."

"Our goal is not to arrest a record number of drunk drivers during the holiday season," stated Rozzi. "We want to prevent that driver from drinking and becoming a menace on the road. Each year the media carries a tragic story of a family injured or killed in an auto accident caused by a drunk driver. I want to make an effort to prevent that from happening this year."

## New Food Stamps Rules

New food stamp rules to help elderly or disabled persons will go into effect on January 1, 1980, State Social Services Commissioner Barbara B. Blum announced recently.

The changes will provide special medical and shelter deductions for persons who are age 60 or older, or who receive Supplemental Security Income (SSI) or disability payments under the Social Security Act, Mrs. Blum said.

Because food stamp eligibility and benefits are based largely on net monthly income after certain deductions are subtracted, the new deductions will help more

households qualify and will mean extra benefits for some.

Under the new regulations, disabled or elderly persons can deduct from their incomes medical costs exceeding \$35 each month which are not reimbursable by third-party insurance. The revisions also allow deduction of shelter costs which exceed half of adjusted income.

The new guidelines will benefit the elderly and disabled who have been hard hit by this year's federal food stamp eligibility rules, which eliminated medical deductions and placed a limit on shelter deductions.

It's that time of year again and Santa is making a long visit to the North Shore Animal League, Port Washington, to greet youngsters (and adults, too) who are at the non-profit shelter to adopt a puppy or kitten.

Santa will be at the NSAL every day through Christmas, starting at 11:00 A.M. Above, he sits with children who received free gifts and an opportunity to look over the large selection of puppies and kittens. Above, Josephine Prisco (left) of Williston Park holds Cathleen Brown, also of Williston Park. In back of Josephine is Howard Dornier of East Meadow, sitting on Santa's lap are, left, Ricky Kiesel and Patricia Prisco, both of Williston Park. In the back row, l. r.: Tommy Cassidy of Glen Cove, Robert Brown and Pat Prisco, both of Williston Park, and Mathew DeLuca of Hicksville.

The dog? "Dusty," a Great Pyreneese.

**THE MESSIAH:** On Sunday, Dec. 9, the Long Island Choral Society, under the direction of Meredith Elaine Baker, will perform Handel's Messiah at 4 p.m. at the Cathedral of the

Incarnation in Garden City.

Prior to the performance of "The Messiah," Darryl Knapp, organist for the Long Island Choral Society, will give a recital of "The Luckoo and The

Nightengale" (Organ Concert No. 13 in F Major by G. F. Handel.) This will take place at 3:15 p.m. The donation for non-subscribers is \$3.00.

## Boy Scouts Covering L.I. With Crispy Offer

To raise funds, more than 60 Boy Scout units in Nassau and Suffolk counties are ringing neighborhood door bells during December and January offering \$4 worth of french fries for \$1. The offer is being made through coupon books donated by local Burger King restaurants.

Books contain 10 coupons, each good for a free regular french fry order at any Nassau or Suffolk County Burger King. Coupons are redeemable through April 30, 1980.

### SCOUT MONEY MAKER

"It's a great money maker," said John Renyhart, Suffolk County Scout Director of Field Services, "because the entire \$1 goes directly into the local Scout unit's treasury."

In addition, the Nassau unit and the Suffolk unit selling the most coupon books per number of members will each get \$100.

"The money," added Richard Rogers, Nassau County Scout Director of Field Services, "helps our local units with Scouting and

equipment needs. It's a good money raising opportunity for units."

### COMMUNITY INVOLVEMENT

"We're glad to help the Scouts raise money for their many worthwhile activities," said Jeff Campbell, regional general manager for Burger King. "We like getting involved and doing something for the community we live in, and we feel Scouts are very important to our community."

"No need to get upset, Rodney, it's a bargain—I got 200 watts off."

It's true, there can be a big difference in the amount of electricity that various makes of appliances use—even though they do the same basic job. And this difference can have a substantial effect on how much it costs to run the appliance, and how much your LILCO bill is each month. That's why it pays to be a bargain hunter when it comes to wattage as well as price. Whether you're shopping for a freezer, air conditioner, toaster oven, clothes dryer, whatever—always compare the wattages of the various makes and models available. It could pay off in a bargain for you and energy saved for all of us.

...

On the subject of electric bills, we recently received the following from the Business Manager of a local school district. "I had occasion to call your Bellmore Customer Relations Office today to try to rectify some of our bills. I would like to thank Mrs. Carter for all the assistance she has given us. She was pleasant and helpful in every respect and, I feel, an asset to your customer relations operation."

Thank you.

Long Island people serving the people of Long Island.

## Dear Friends....

As you will see in the lead story of our Hicksville editions, congratulations are in order to both the Hicksville High School Boys Soccer Team and its coaches as well as to the volunteer managers and coaches of the Hicksville American Soccer Club who, through the years, have devoted so much time and work with this league, whose older members comprise a large portion of our Hicksville High School Champion Team.

Once Thanksgiving is over, it is a real pleasure to start our holiday shopping and to observe all the holiday decorations which mark this time of the year. Last weekend while "shopping locally" which we hope that you are making an effort to do, we stopped in at the ever-popular Frank's Alibi. We heard all about their plans for New Year's Eve and New Year's Day - and here they are: there will be the regular delicious dinner menu with organ dinner music from 6:30 to 9 pm on New Year's Eve. From then until closing one may select from the a-la-carte menu. Also there will be organ music for your dining and dancing pleasure with a champagne toast at midnight accompanied with hats, favors and noisemakers. Reservations are suggested by the management. Frank's Alibi will be open on New Year's Day.

And, speaking of local business, last Saturday we were pleased to see that the well-known Continental Confections, Inc. at 51 Frost St. (just west of the Wantagh State Parkway and Old Country Road intersection) was open. This attractive store which is connected with this firm's factory, plans to be open on Saturdays (as well as during the week) from now until Christmas. They carry such delicious and beautifully boxed petits fours, cakes, special pastries and tortes that they may be a help to you at this gift-exchanging time of the year.

THAT'S ALL for this week. Stay well and enjoy this most joyous time of the year.

## K.I.T.A.

The Mid-Island Y is organizing a special teen group, ages 16-18 years, which will experience Kibbutz life during the 1980 summer. They will spend four weeks (of a total of 40 days) living and working on a Kibbutz and the remainder of the time touring and traveling through the land of Israel.

Fees, which include: round-trip fare, meals, accommodations, touring and insurance, will be approximately \$1400. for members; non-members will have to pay an additional \$70. registration fee.

A group will be formed at the Y in the spring under the direction of Yehuda Snapiri, the Israeli Shalich at the Y, for an ongoing

program of education, training and orientation to prepare for the summer. There will be workshops in language, customs, songs, dances, geography, kibbutz culture, etc.

For additional information, please call Yehuda at the Y office, 516-822-3535, ext. 38.

The Mid-Island YM & YWHA is a beneficiary and member agency of the UJA Federation Joint Campaign; the Federation of Jewish Philanthropies of New York, the United Jewish Ys of Long Island, United Way of Long Island, National Jewish Welfare Board and the Health and Welfare Council of Nassau County.

## Board Members Seeks Committee Participants

Hicksville Board of Education Trustee Cornelius McCormack has urged community participation on the board's Long-Range Planning Committee.

Those residents who are interested in future use of school buildings. The possible elimination of certain temporary classrooms or alternate use of school facilities in the future are invited to participate. They may contact Mr. McCormack, chairman of the committee through Hicksville School District administration at 733-2100.

## Letters To The Editor

Dear Neighbor,

During the past ten years, I have been privileged to represent the citizens and firemen of the Hicksville Fire District as a Commissioner. I ask your support in my reelection on Dec. 11.

I am a life-long resident of Hicksville and have been an active fireman for the past 27 years, serving the past ten years as Fire Commissioner.

I was educated in the Hicksville School system and hold a B.A. degree from Gettysburg College and a M.S. degree from Hofstra University.

For 17 years, I served as Treasurer of the Annual Fund Drive and for 23 years served as Treasurer of the Volunteer and Exempt Firemen's Association. I was elected by the Department to my third term as Department Delegate to the 9th Battalion. The Nassau County Fire Districts Association appointed me to serve on the joint Nassau-Suffolk Long Island Fire District's Legislative Association. This Committee maintains direct contact with our state legislators to further laws that protect our firemen and govern the Departments.

I have been employed in the Hicksville H.S. for the past twenty years as Physics Teacher and Director of Student Activities. I have supervised and chaperoned the senior class Washington trips, sports events, and dances.

I would appreciate your vote to enable me to continue my work representing you in maintaining the most economical and effective fire fighting organization to safeguard Hicksville.

Sincerely,  
Maynard Glenn Munch

Dear Neighbor,

At this time it is my pleasure to announce that I will be running for Fire Commissioner, in the Hicksville Fire District. The office of Commissioner is a non paid position, which you the people elect, and a term of office is for 5 years.

Although it is important to maintain and up-date equipment of this department, I feel it is equally, if not more important to maintain a high level of moral between the members of this department. Being able to communicate openly with the members of the department is just as important as your tax dollars are for equipment. Being in the average group, I feel it is a great advantage for me and makes it easier to understand the needs of the men.

I was born and raised in Hicksville, and until recent budget cuts was employed by Nassau County as an equipment

operator. During that time I was elected as a union representative. In the past I have also served as a Committeeman in Hicksville.

Upon joining the Fire Department in 1972 I have been a member of Emergency Co No. 5 and have served as their secretary for the past four years. Among other committees that I have served on, I am still active on the department budget committee, and the department By-Law committee, which are appointed by the Chief. I am also a member of the Exempt Firemen's Benevolent Association.

As a Fireman in Hicksville I know that many hours are spent serving you, our neighbor in your time of need. It isn't often that you are asked to help us and I feel it should be your obligation to come out and vote. For all the time we spend serving you I don't think 15 minutes of your time is too much.

I would appreciate your vote to help us the firemen of Hicksville maintain the outstanding reputation which we have achieved over the years.

Sincerely,  
Warren Uss

To the Editor,

According to custom, social mores, and law, teachers occupy a special place in our society. The term "in loco parentis" means "in the place of the parent" and describes this special relationship teachers have with children. For the six hours a day that students are in school, teachers have long been recognized as substitute parents.

At recent community meetings, and in this and other local publications, the organized opponents of the Strand III Mental Health curriculum have not only purposely and falsely misrepresented the concepts and content of the curriculum, but have launched an unwarranted attack on the quality, qualifications, sexuality, and sensitivity of our K-3 teaching staff.

A look at the 61 teachers who are currently in grades K-3 reveals that a typical Hicksville teacher has taught in our community for close to 20 years, and has more than 21 years of total public school teaching experience. Over 90% of these teachers have advanced preparation beyond their baccalaureate degree, and many have earned a Master's degree and beyond. No teacher in the primary grades has taught fewer than 10 years in the Hicksville schools.

"In loco parentis" is indeed a fitting term to describe our K-3 staff. The record portrays a personality and psychological profile of experience, stability,

and responsibility in public service to the parents and children of Hicksville. The slurs and negative inferences of the organized Strand III critics about our staff is not based on fact and is designed to play on people's fears. Statements of this nature have no place in the determination of the merits of Strand III or any curriculum.

To the Editor:

I would like to respond to a recent letter criticizing the PTA and the Nassau County Coalition For Family Planning. The letter was partially correct but misleading. It made parent education appear somehow unclear.

The PTA has always been a child advocacy organization. Its main concern is the education of every child. PTA seeks to promote the welfare of children and youth in the home, the community, and the place of worship. PTA seeks to bring the home and the school into closer relations, so that parents and teachers may cooperate intelligently in the education of children and youth.

The PTA plays a positive role in helping children protect themselves with knowledge. For knowledge, through education, fosters responsibility. Parent education is also a major goal of PTA. Family Life Education, which includes education for parenthood, is a very basic part of that education.

The Nassau County Coalition For Family Planning is also a child advocacy group. Their work with school districts is to promote sex education programs that support young people in making responsible decisions as they become sexually mature. Some of the agencies which comprise the Coalition are the American Red Cross, Association for the Help of Retarded Children, BOCES, Church Women United, Long Island Council of Churches, Nassau County Pediatric Society, Nassau County School Health Council, National Association of Social Workers, National Council of Jewish Women, National Foundation March of Dimes, United Ministries in Higher Education, United Presbyterian Women. All of which exist for the sole purpose of protecting and helping our children and youth.

I believe that the goals, principles, and history of these organizations, as well as the effort and cooperation of the sponsors, have been a positive influence in our community. They should continue to be supported for our children's sake.

## Shop Early - Mail Early

The Postal Service encourages shoppers to shop early and mail packages early during the holiday season.

Sectional Center Manager-Postmaster Anthony M. Murello declared the official opening of the Christmas shopping season for Hicksville.

"By shopping early and mailing early, the public can be better assured their cards and parcels will reach their destinations in plenty of time for Christmas. With the Christmas shopping season now officially open, we wish to further emphasize that many suggested overseas mailing dates, including the U.S. Armed Forces, fall due before the end of this month," Postmaster Murello said. "These dates, as in past years, vary according to different parts of the world. Specific information can be

obtained by calling the Hicksville Post Office. The important thing to remember is to do your shopping early and mail your cards and parcels early." "In addition to planning early shopping," Postmaster Murello suggested, "you should take the necessary time to properly prepare your cards and gifts for mailing. Use Zip Codes. Legibly write your own ZIP-Coded address and the full ZIP-Coded address of the recipient."

"This helps in processing your mail more rapidly and assists in making delivery in

case portions of the address become illegible," he said. The Post Office also recommends proper wrapping of gifts to be mailed, including use of strong packaging materials.

"Remember," Postmaster Murello said, "the key to the successful mailing of cards and parcels is to allow adequate time. Shop early, allow enough time to properly prepare cards and parcels for mailing, and mail early. By cooperating with the Post Office in this matter, you will help us help you have a better Christmas."

## Flea Market

The St. Ignatius Girls Drum and Bugle Corp. will run a Flea Market on Sat., Dec. 8 from 10 a.m. to 6 p.m. in the St. Ignatius new school cafeteria, Nicholai

## At The Town Board Meeting

By Sheila Noeth

At its regular meeting held on Tues., Dec. 4, the Oyster Bay Town Board acted on the following matters:

1. Reserved decision on a hearing to consider a wording change amendment to its Code of Ordinances regarding the definition of a fast food restaurant. This proposed wording change would make the definition more specific and, if adopted would take the place of the present definition which is considered too vague.

2. Reserved decision on a hearing to consider proposed amendments to the Code of Ordinances covering mooring rules and regulations which would, if adopted, charge \$10.00 to residents and \$15.00 to non-residents for such TOB moorings. An objection was made to this proposal by the Sagamore Yacht Club.

3. Adopted Resolution No. 970 to set a Jan. 15, 1980 hearing on proposed amendments to the

Code of Ordinances regarding the preservation of trees in the TOP. If adopted this amendment would increase fines for cutting down trees without the permission of the TOB.

4. Approved Resolution No. 961 setting a Jan. 15, 1980 on the petition of Neil and Maria Shaw for a special use permit to convert existing dwelling in an Industrial H District into offices on the southwest corner of John St. and Burns Ave. in Hicksville.

5. Approved Resolution No. 970 relating to the final acceptance of contract covering the annual refractory improvements at the Old Bethpage incinerators. This covers work on this incinerator which must be done annually.

6. Approved Resolution No. 971 relating to improvements for the handicapped scheduled for the Hicksville Library in the amount of \$54,950.

7. Approved Resolution No. 972 cancelling the Town Board

meeting scheduled for Jan. 1, 1980.

8. Approved Resolution No. 974 covering tax anticipation notes for Park Districts in Plainview, Syosset, Bethpage and Massapequa not to exceed \$355,000.

9. Approved in a 6 to 1 (Mosca) vote Resolution No. 955 relating to the petition of Island Leather and Tweed Corp. for a special use permit to operate a retail business in an industrial zone at 1470 Old Country Road in Plainview.

10. Approved in a 5 for 1 against (Mosca) and 1 abstaining (Clark) vote Resolution No. 976 the petition of Bee Sure Distributors, Inc. for a special use permit to operate a retail and wholesale automotive tires and public garage at 1660 Old Country Road in Plainview, under 15 restrictions which will appear in detail in a separate article in next week's HERALD.

## Financial Aid Night

Uppermost in the minds of parents and high school seniors is college acceptance and financing one's education. This is a subject that requires specific information in order to process the necessary applications. To qualify for college-work study, loans, scholarships, TAP, BEOG, applications must be filed.

All this information will be presented at the Financial Aid Workshop, Tuesday, December 11, 8 P.M. at Hicksville High School. The guest speaker, Mr.

James Gathard, Director of Financial Aid at State University at Old Westbury will present the why's and wherefore's of Financial Aid.

The Hicksville High Guidance Department is sponsoring this program and the guidance counselors will be available for consultation after the meeting.

Further information is available by contacting the Guidance Department at 733-2162.

## "Come Home For Christmas"

The St. Ignatius Community has chosen "Come Home For Christmas" as their advent theme.

Among the special events planned between now and Christmas are:

Regular Sunday and weekday Masses.  
Lessons and Carols on Sunday,

Dec. 16 at 8 p.m. by the St. Ignatius organist and choir.

A night of Prayer, Sharing and Song on Wed., Dec. 19 at 7 p.m. for the youth of the community.

And, a week of Prayer, from Sunday, Dec. 16 to Sunday, Dec. 23, consisting of Scripture readings, talks (You've Changed, We've Changed, Please Tell Me What Went Wrong?)

## On The Campus

Patricia Nemet, daughter of Mr. and Mrs. Kenneth Nemet of Island St., PLAINVIEW, gave her Senior Piano Recital in the Playhouse at Westminster Choir College.

Richard Holly, son of Mr. and Mrs. Thomas C. Holly of Fernside Dr., HICKSVILLE, a percussionist and graduate student of the East Carolina University School of Music, performed a recent campus recital there. He received a Bachelor of Music degree in percussion performance from the State University of New York at Potsdam in 1978.

Nicholas Derrico, son of Mr. and Mrs. Charles J. Derrico of Ridge Dr., PLAINVIEW, an Ithaca College sophomore, is

# A Pension Plan. If you have one, great. If you don't we can help.

## PLAN 1. Self-Employed Retirement Accounts. (Keogh Plan)

People who work for themselves can now save on taxes to the tune of \$7,500 a year! That's the amount you can set aside, tax free until retirement, in your own self-employed (Keogh) retirement account at Hamburg Savings Bank. Depending on the amount you choose to save, the plan you select, and the number of years until you retire, you'll find your retirement fund can be remarkably substantial. Ask us for details, with specific figures for a program tailored to your retirement goals.

Visit a nearby office and get specific figures for a plan to suit your retirement goals. Also ask us about the new Defined-Benefit Keogh Plan.

## PLAN 2. Individual Retirement Accounts. (IRAs)

If you're not covered by a pension or retirement plan on the job, Hamburg Savings Bank will help you start a government-approved plan of your own. New regulations permit you to put aside up to 15% of your earnings—as much as \$1,500 a year—and pay no taxes on the money or the interest it earns until you retire. (By then, your tax bracket will most likely be much lower). Depending on your present age and the amount you put aside, your retirement fund could yield thousands of dollars just by starting this simple plan now.

Come in to your nearest office of Hamburg Savings Bank and select the plan that's right for you.

Deposits can be made weekly, monthly, or in a lump sum.

## Trinity Lutheran Plans Decade of Daring Discipleship

Growing, active, vital and spirited, Trinity Lutheran Church, 40 West Nicholas Street, in Hicksville is planning for a Decade of Daring Discipleship in the 1980's. Recently hundreds of members met in a series of four Delicious Dessert Fellowship evenings to praise God and plan for the future. When asked to comment on some of her strong points to be continued into the next decade, members gave high marks to her Nursery-Grade Eight Community Christian School, the Youth Program, Adult Christian Education, Evangelism, the worship life of the parish, and the support of their missionary in Papua New Guinea.

Some goals discussed for the future included a center for senior citizens, a greater emphasis in reaching out to our community with the love of God in Christ, the expansion of our

Some of Trinity's members enjoying their recent Delicious Dessert Fellowship.

Bible Classes, encouraging members who are not participating regularly, greater emphasis on helping those who are hurting in our community, and increasing mission work even further.

In keeping with goals, Trinity invites everyone who is not actively participating in a Christian church to visit. The worship services are Saturday evening at 7:30 p.m. and on Sundays at 8:15, 9:45, and 11:15 a.m. Sunday School is at 9:30 a.m.

## Cut your taxes. Quietly.

Queens County Savings Bank has a way for you to cut taxes, and retire richer. It's our IRA (Individual Retirement Account) savings plan.

You qualify if you currently are not covered by a pension, profit-sharing or retirement plan where you work. Each year, you can set aside up to 15% of your earned annual income up to \$1,750 and deduct that amount from your taxes. In addition, the interest you earn is the highest rate anywhere and is tax-deferred until you retire between age 59½ and 70½. At that time, you should be in a lower tax bracket, and you can choose to receive your retirement funds in periodic amounts rather than a lump sum.

For information, talk to the IRA specialists at the Quiet Bank, Queens County Savings Bank.

## Around Our Towns

Harriet A. Maher  
433-5994

Congratulations to Anthony and Dorothy Franco of Lexington Ave., Westbury, on the birth of a son, Anthony Jr. on Nov. 18. He weighed 7 lbs. 11 oz. The couple have a daughter, Danielle, 5 years old.

Other happy and proud members of the family include his grandparents, Mr. and Mrs. John Truglia of Heitz Pl., HICKSVILLE. Mr. and Mrs. Mike Franco and great-grandmother, Alice Buffalino.

Happy anniversary, Bill and Margaret Buchman. The Buchmans are long time HICKSVILLE residents. They celebrated their anniversary on November 16. Bill and Margaret are very active in civic and community affairs in our throughout the years. They have two daughters, Carol and Lydia, who reside in California.

Although it's a little late, the wish is just as sincere. Happy birthday to Alma Hirsch, HICKSVILLE. Her husband Artie and the children helped make this a very special day for Alma.

Anthony Iannone celebrated his seventh birthday on November 8. Anthony's parents are Vinnie and Marie who own and operate Iannone's Restaurant which is located on West John Street, HICKSVILLE.

Helen and Walter Osbahr, Maglie Drive, HICKSVILLE, enjoyed a two-week trip down South. They visited with their daughter and son-in-law, Bunny and Rob Noirjean in Charlottesville, VA. The Osbahrs drove on to Columbia, S.C., and spent a week with former Hicksville residents, Mae and Gil Trenanove and their family. The four of them spent a fun weekend in Myrtle Beach with another Hicksville couple, Betty and Art Wicks, in their lovely new home. Helen and Walter then returned.

### Trinity Lutheran Adds To Playground Facilities

Always seeking better ways to serve the people of Hicksville, Trinity Lutheran School, 40 West Nicholas Street, is currently completing a \$13,000.00 addition to its community playground facilities.

"Our young people are beautiful gifts from God that we all treasure. I hope our new community playground facility will be enjoyed by the young people of our Nursery School, our Elementary School, our church youth groups, as well as all the youth of our community," said Dr. John H. Krahn, Trinity's Pastor.

Included in the current phase of additions are two new basketball courts, a drinking fountain, a picnic table, and a sidewalk.

In the last ten years Trinity has spent \$200,000.00 on these outdoor facilities for young people. These monies were donated by the members of Trinity Lutheran Church; the Parent, Teachers, and Friends Association of Trinity Elementary School; and the Parents and Teachers Association of Trinity Nursery School.

Friends of Trinity not directly involved with her ministry are invited to use these facilities during daylight hours when they are not being used by members of the church or by the school.

Trinity also welcomes the entire community to participate in her worship life and to consider her fine Christian school.

to Charlottesville for a rest before continuing home.

Isabel and Bob Thoma, HICKSVILLE, travelled to Denver, Colorado to attend a surprise 40th wedding anniversary party for Matthew and Margaret Wallner. Due to a 17 inch snowfall, their plane was detoured to Salt Lake City, Utah. Barbara (nee Zurawel) and Steve Wallner, daughter-in-law and son of Matthew and Margaret planned to have the surprise party in their home in Colorado Springs. However, it was 1:30 a.m. the following day when the Thoma's finally arrived in Denver, Colo. Due to the weather conditions, Barbara and Steve packed all the food and party preparations in cartons and drove to Denver where Steve's

brother, Richard and his family lives. The party was held there and, believe it or not, Matthew and Margaret, were completely surprised by the affair. Snow, delays and detours did nothing to dampen the festivities during this happy celebration. (Barbara (nee Zurawel) grew up on Mayfair Lane, Hicksville, where her parents Marion and Ray still reside.

The day after Thanksgiving, November 23, John Bardenhagen of HICKSVILLE celebrated his birthday. And on November 29, he and his wife, Marge's daughter, Janet, celebrated her 18th birthday.

Marie Franzes, HICKSVILLE, has double

reasons to be happy. Marie was 19 years old on November 28, and on December 3 she started as a bookkeeper in a new job. Congratulations and best wishes for a successful career, Marie. Her proud mom and dad are Anita and Tony Franzese.

Are you aware of some of the wonderful people and services that are available to us HICKSVILLE residents? We learned that Sr. Kathleen Murphy and Sr. Beata Maria operate a human relations service to individuals, families and the community in general. When problems arise which seem insurmountable, they will provide information, and referral and aid to those who seek their help in such areas as food, housing,

employment, shut-ins, counseling the terminally ill, etc. They are dedicated servants of the people. To contact them call the St. Ignatius Loyola Convent at 935-8846.

Although there were happy Thanksgiving family gatherings not only in our community, but all over our great nation, none was happier than the Thanksgiving celebration held by Bob and Anne Remmert, HICKSVILLE. They had a houseful of relatives including daughter, Terri; Anne's mother Mrs. Bardenhagen; Anne's brother, John Bardenhagen and his family. Of course they had turkey and all the trimmings; in fact, it was a perfect example of a Thanksgiving "groaning board."

Children from 4 to 10 are invited to have

## Cardinals Win Championship

By Ray Hoesten

The Hicksville Cardinals (1971 Boys) challenged and won their second consecutive indoor soccer championship this past weekend at the 10th Annual Hicksville Soccer Club Indoor Tournament.

There were a total of 20 teams from all over Long Island entered in the Tournament of 18 games played at the indoor facility of the Lutheran H.S. in Brookville.

Coming out of the quarter finals in third place with a 3-2 win against Island Trees, the Cardinals defeated Syosset 4-2 in the semi-finals and went on to cap-

ture their gold medals with a win of 2-1 against Auburndale.

The champions led by their Coach John Fabrizio and Asst Coach Bob Finnell, were Scott Duca, Jackie Fabrizio, Brian Finnell, Steve Gourlay, Charles Maione, Brian Hoesten, Chris Shearer, Robert Franzese and Brian Sacks.

They had an outstanding tournament record of 9 wins, 1 loss, 1 tie.

On the outdoor circuit, the Cardinals have captured their second division championship and the Long Island Outdoor Cup for 1979.

## Winter Golf

Golfers who can't wait until Spring to get back out on the links can use the blue and white courses at Eisenhower Park throughout the winter.

The courses will switch to temporary greens on Dec. 24 but will remain open for 18-hole play on weekends and 9-hole and 18-hole play weekdays.

The winter rates are \$3.50 weekends and \$2.50 weekdays for 18 holes and \$2.25 weekends and \$1.50 weekdays for nine holes.

All outlying 9-hole courses operated by the Nassau County Department of Recreation and Parks will close for the season after play is finished on Dec. 23. They include Bay Park, East Rockaway, Cantiague Park, Hicksville, Christopher Morley Park, Roslyn, and North Woodmere Park.

The normal schedule and rates for all courses will resume on March 17, 1980.

## Community Invitation

The "Joyful Noise," a playing and singing Christian folk group will provide the music for the Sunday Dec. 9 Liturgy at 10 A.M. at Holy Trinity Episcopal Church, Old Country & Jerusalem Avenue, Hicksville. This group comes from the Church of the Transfiguration, Freeport, and has sung at various Diocesan groups and the Spark of Faith last month, following the Service refreshments are offered at the coffee hour.

Next Sunday, December 16th, will be celebrated as Family Day at Holy Trinity. Children of the Church School will dress the Advent Jesse Tree. Holy Trinity provides a graded curriculum and a graded Church School meeting at 10 A.M. Sunday mornings with nursery care provided at the same hour.

## Hicksville American Soccer Club

"UNDEFEATED"

The 1965 boys finally finished their Fall Season (a make-up of an earlier rainout) with a convincing win over North Shore by a 5-1 tally. The Yankees had an undefeated season and have now extended their unbeaten streak to 13 games. Of the 18 teams traveling in the Club, only the Yankees and the Cardinals (under 9 boys coached by John Fabrizio) survived the fall season without a loss and were also the only two teams in the Club to win their Division Championships. Congratulations to the boys and their coaches on a fine job. Don't let up though, the competition is even stronger in the Spring.

The game with North Shore was anti-climatic as the Yankees had already won the division but coaches Bill Cresham and Pat McHugh got the boys 'up' to play good, consistent soccer on a cold, windy day in December. The match was never in doubt after Adrian Pepi scored the first goal and, late in the game Hicksville was ahead 5-0 with fullback Steve Dolan putting in two. In the waning minutes, North Shore was awarded a penalty kick which was stopped by a brilliant, diving save by keeper Gene Tyranski (with some help from Frank Feldman). Gene made several other outstanding plays as North Shore is not a weak team.

The boys played as a total, cohesive unit for 79 of the 80 minute game and only relaxed for a moment after the penalty kick was saved. The strikers pounding at the North Shore goal were Dave Smyth, John Mitchell, Robby Pearce, Steve Thompson and Adrian Pepi. Totally controlling the mid-field and working very hard with the strikers and fullback were the halfbacks Billy Cresham, Robby Cullen, Jimmy Demarco and Paul McGeough. The defense, which played outstanding all year and gave up the fewest goals of any team in the Club (6) is comprised of Vinny Christiano, Cliff Feldman, George Marco, Jimmy McGeough, Steve Dolan and Gene Tyranski. Bobby Andrus missed the Season with a back injury and is labelled 'questionable' for the Spring.

The Yankees also led the Club in Goals scored with 39 and ended the season with 9 wins, no losses.

## Islander Practice Sessions

Hockey fans now have a chance to watch the New York Islanders practice sessions and intra-squad games at the Cantiague Park ice rink in Hicksville.

For the month of December, sessions have been scheduled for Mondays and Fridays at 10:15 a.m. except the 28th and 31st, starting time is 1 p.m. Other December dates include the 13th at 1 p.m. and the 16th, 19th, 20th, and 26th at 10:15 a.m.

## PAWS Meeting

The next general meeting of the Pioneers for Animal Welfare Society (PAWS) will be held on Thursday, Dec. 13 at 8 p.m. at the Hicksville Public Library.

and a die. The boys have now removed their cleats and donned sneakers for the winter indoor season.

## Hicksville Hearts

The 1972 "A" Hicksville Hearts will conclude a very successful season on Sunday, Dec. 2, when they replay a protested game, against Northport. At present the Hearts are in 3rd place with 6 wins, a loss to Brentwood and ties with Huntington BC and Lindenhurst. A win on Sunday, combined with their tournament victories, will give the "Hearts" a fall record of 10 wins, 1 loss and 2 ties.

The boys have been improving constantly and their teamwork, passing, and overall skills were evidenced in last week's 7-2 victory over Cow Harbor. Three Goals were scored by Chris Santarelli and two were scored by Chris Flanagan. Tommy Baron and Jeff Thal each scored once to register the "Hearts" most productive offensive display to date.

Kevin Morrisroe and Sal Perry have been splitting the goaltending duties. While not in the net Kevin is a wing and Sal has been playing inside forward.

The halfback line, which controlled the ball in many games this year consists of Matt Adelstein, Steven Pine, Michael Branciforti and Michael O'Grady. On numerous instances these boys kept the ball in the oppositions half of the field for the best part of the game.

Fine play by the fullbacks have kept the scores low. Only twice did the "Hearts" allow opponents to score as many as 3 goals in a game. The line has been composed of Brian Spinner, Robbie Franklin, Joe McCarthy and Kenny Klein. Kenny also has played goalie.

Congratulations and thank you are in order for the head coach Tony Camara and Asst coach Barry Adelstein. They turned a team that lost all its games, with exception 1 tie, in the spring, into a winning side.

We also want to once again Thank Pathmark for sponsoring us once again, making this their second year with the "Hearts".

Keep up the good work. NOTE: Game played Sun. Dec. 2nd ended 3-2 Hearts, putting Heart's in 2nd place.

The Pacers, coached by Mr. Bentley, defeated the Suns 30-29. Chris Bentley scored 13 of his 17 points in the second half, which enabled the Pacers to comeback and defeat the Suns. Tommy Sullivan had 8 points and Jimmy Carson added 5 for the Pacers. The Suns were led by Bobby

Moore with 10 points, David Weinberg with 6, and Michael Tretola with 8 points.

The 76ers defeated the Jazz by a score of 35-30. Phil Ziemicki headed the offensive attack for the 76ers with 16 points and teammate Matthew Smith scored 6 points. Chris Ketcham played a fine all-around game both offensively and defensively for the 76ers. For the Jazz, Jeff Cohen scored 10 points, Ed Skupeen had 8, Gary Tyranski had 6, and Joe Doherty scored 4 points. It was a real team effort.

The Pistons defeated the Rockets 33-13. High scorer, John Hopkins, scored 17 points for the Pistons. Paul Pisani played well on both ends of the court, grabbing many rebounds. Piston John DePalma played a fine all-around game.

Indiana handed Kentucky their first loss of the season by beating them with a score of 36-19. Fred Freyerson and Bobby Newlands each had 8 points and Steve Zagorski added 7 for Indiana. Grey Rybak scored 8 for Kentucky.

In a game that went down to the final seconds of the ballgame, North Carolina nipped Michigan 25-24. It was an aggressive game both offensively and defensively with North Carolina coming out on top. Jeff Recek scored 9 points for North Carolina. Tom Nedell had 6 points and Brian Lynch added 5 from Michigan. Richie Ketcham came off the bench and scored a very important 2 points on a long baseline jumpshot.

CYO would like to send a get-well wish out to Doug Bowen, who is recovering from a severe case of pneumonia. We hope that Doug, who is a super basketball player, will be back to join his team before the end of the season.

CYO would also like to wish Mr. Frank Bowen, who spent a week in the Hospital with pneumonia, a speedy recovery. We hope that he will be back to head the referees in the near future.

## Trinity Hicksville Winds Up Road Trip At 2 - 1

By Jim Lukas and Jimi DiNapoli

After a loss on Saturday night, and a win in overtime on the next day, the Trinity Lutheran Hicksville Senior Boys Basketball Team ended their first three games with a 2 and 1 record.

The loss came at the hands of St. Pauls, Amityville by the final score of 56-47. Although Trinity stayed close most of the game, they could not overcome a 20-7 loss in the third quarter. After the game, Trinity head coach Don Henderson commented, "I'm not worried about the loss. We lost to this same team early in the season last year, then came back to beat them, and ended up N.Y. state champs. We just have to work more on our basics."

Bright spots in the game were captains Jim Lohsen and Jimi DiNapoli, both starting forwards, contributing 10 and 9 points respectively, to lead the team. Guard Scott Strough had another fine game with 8 points, point man Tom Rath contributed 6 as did guard John Greggo. Bob Gugliotta came off the bench to have a 6 point second half.

Sunday night's game was played at good Shepherd Lutheran Church in Plainview. Although down by 4 points at the half, Trinity rallied behind strong defensive play to hold Plainview to just 17 points in the second half. At the end of regulation play the score stood Knotted at 48. As the buzzer sounded Jim Lohsen was fouled and received 2 shots. He was unable to capitalize thus sending the game into overtime.

In the extra period Plainview struck first. However Trinity kept its cool and John Greggo, shooting from behind a screen of DiNapoli and Lohsen, hit a jumper from the corner. Plainview failed to score on its next possession and Trinity had

the ball back. They went into a spread offense to work for the last shot, but could not find an open man. Then with just a few seconds left, Jim Lohsen worked free in the corner, got the pass, and hit a 30-foot jump shot at the buzzer to win the game.

Lohsen led the team in scoring with 18. John Greggo also had a big game with 16 points (including the all important game-tying bucket), and Scott Strough broke into double figures with 10. Starter Tom Rath missed the game due to a severely cut right hand, but his replacement, rookie Matt Reverri, played an excellent game including 6 points. Jimi DiNapoli and Bob Gugliotta platooned at one forward spot and contributed with strong defense.

Trinity's next game will be played at home, Monday, December 17, at 8:45 p.m.

## Interesting Volunteer Work

The Nassau County Department of Recreation and Parks is seeking adult volunteers to assist with the Museum Division's outdoor education program at the Sands Point Park and Preserve.

Volunteers, who will receive intensive training in the area of conservation and ecology, will serve as nature trail guides or work on special projects for the

nature center.

Training sessions for prospective volunteers are set for January through April on Tuesdays from 9:30 a.m. to 12:30 p.m. at the Nature Center Building.

Recreation and Parks Commissioner Abram C. Williams noted that it is not necessary for volunteers to have an in-depth knowledge of ecology.

"All that is needed is an enthu-

siastic interest in the outdoors, an eagerness to share and a commitment to contribute one-half day each week," Williams said.

The professional staff will instruct volunteers in the interpretive skills, educational techniques and ecological principles necessary to become a successful nature guide.

Training will consist of formal learning sessions, informal sharing of ideas, skills and information, and practical on-the-job training.

Persons interested in joining the program can call the volunteer coordinator by Jan. 11, 1980, at (516) 364-1050.

**THE "INDIANS OF HOLY FAMILY SCHOOL** of Hicksville wish to thank all the parents, friends, and schoolmates who attended their annual "Indian Night" on November 19. The first, fourth, and seventh graders under the direction of Sister Joan and Sister Patricia presented a number of Indian dances and songs before a capacity crowd. The theme of the presentation centered around the Indians

closeness with nature.

After the half-hour performance, the seventh grade class projects on the American Indian were on display and their homemade Indianwares were offered "for sale."

Refreshments were also served in the school cafeteria.

All proceeds will be sent to the Indian children at St. Paul's Indian Mission in Montana run by the Dominican Sisters of Sparkill.

the Pat Roberts Trio, followed by a buffet dinner. Thelma Kanzer and Jo Heinaman are chairpersons for the affair.

The auxiliary will hold its next monthly meeting at Levittown Hall on Monday, December 10, at 8:00 P.M. Following a brief

business meeting, members will enjoy a Goody Smorgasboard party while preparing holiday gifts for the mentally retarded residents at Suffolk Development Center at Melville.

Meeting is open to the public

### "Messiah" Jamboree

The conductor of the Hicksville Community Chorus, William Golleeke, will be a guest conductor at the unique "Messiah" Jamboree at historic Christ Church, in Oyster Bay on Friday evening, December 14, at 8 P.M.

An interesting feature of the "Messiah" performance in Oyster Bay will be a "sing along" of all the choruses of the Advent portion. Each will be conducted by a different conductor at the invitation of the Christ Church choirmaster, William F. Toole. Mr. Toole will conduct the solo and recitative passages from the harpsichord.

Choruses will be accompanied by Eugenia Toole Glover at the chancel organ. Mrs. Glover, who will be remembered locally for her affiliation as organist at the Manhasset Congregational Church, is now director of the New Harmony, Indiana, Summer Music Festival. She is the sister of the Christ Church choirmaster.

Other guest conductors include Norman Hollett, who will conduct the stirring concluding "Hallelujah" chorus. Organist emeritus of the Cathedral of the Incarnation in Garden City, Mr. Hollett is also retired conductor of the Long Island Choral Society. The remaining conductors are Ben Ludlow, choirmaster and organist at St. John's Episcopal Church, Cold Spring Harbor; Dr. Mark Mayer, organist and choir director of the Northport Methodist Church; Leslie

Hopkins, choir director of St. Mary's Roman Catholic Church in Roslyn; and William Peck, assistant conductor of the Christ Church Chancel Choir.

The solo portions of the Handel masterpiece will be sung by Patricia Hollett, soprano; Shirley Frankum, mezzo-soprano; Zachary Murdock, tenor; Robert Rankum, bass.

Singers are urged to bring their own scores of the Handel to the performance to join the choruses, which will be sung, of course, without rehearsal. Admission will be by contribution of \$3.50 at the door.

### Christmas Party

The "Unattached Club" of Holy Trinity Episcopal Church, Old Country Rd. and Jerusalem Ave., Hicksville, will hold a Christmas Party on Sat., Dec. 8 at 8:30 p.m.

toward the installation of an elevator to make facilities in the basement area more accessible to the elderly and physically handicapped. Total cost of the project is estimated at \$85,000.

"This project is part of a program for the removal of architectural barriers in public buildings for which the Town is allocating Community Development funds to all 10 library districts," Clark said.

Located on the lower level of the Hicksville Library are a large community room, children's reading room, periodical room, and restrooms. "The elevator will make these facilities more readily accessible to those residents who cannot negotiate the stairways which are the sole means of access to that area at the present time," Clark said.

In a related matter, the Town Board also approved \$200 in Community Development funds for signs and striping of special handicapped parking areas at the Jericho Public Library, which incorporated facilities for the handicapped in its original design and construction.

## Cardiac Resuscitation Course

Twelve area residents will be able to learn the lifesaving techniques of Cardiac Pulmonary Resuscitation in a three session, nine hour course, to be given by Red Cross Certified instructor Matthew Doherty at the Plainview Library. The course will include helping a choking victim.

First session is set for Sunday, January 6, at 7 PM, with follow up sessions on January 13 and 20. Registration in person or by mail. The only charge is \$2 for the course workbook. Advance registration is necessary as the course is limited to twelve people. Send check for two dollars to Plainview Library, 999 Old Country Road, Plainview 11803, or register at the library. Call 938-0077 for information.

## Affordable Insurance For Lutherans.

If you're like many Lutherans, there are times when a term life insurance policy just isn't in the budget.

For this reason, A.M. Mutual has created a new type of term life insurance which is purchased on a year-to-year basis. It gives you a relatively large amount of protection at a relatively low premium.

Yearly Renewable Term life is a good way for Lutherans to buy insurance protection, even when the budget is tight.

## CUMMINGS 'N GOINGS

By Jim Cummings

**LEST WE FORGET:** Friday, December 7, marks the 38th anniversary of "that day of infamy" when Pearl Harbor was attacked without warning — and thousands of young American servicemen gave of their lives for the defense of this Nation. Once again (the Iranian crisis) a foreign entity thinks it can play "poboy" with this great country of ours — let them be reminded that "still waters run very deep."

We ask you to remember in a special way the untold numbers of veterans who made the "great sacrifice" so that we may continue to enjoy the peace and prosperity of our Nation.

**FORMER RESIDENTS:** Bill and Ruth Smothergill of Syosset, he was most active in the Hibernians and is a Past President of the Commodore John Barry Division Eleven, Ancient Order of Hibernians in Hicksville. Bill told us about reading this column and feeling "at home — like I was back in Hicksville with good friends" — not that he and Ruth are not enjoying — they just celebrated their 44th wedding anniversary and with good friends formerly of our community: Helen and Charles Chertiza, George & Sue Schult, Harold and Marcella Gregory, Dorothy & Stan Jastenski. He plays golf 4 times a week in 80 degree temps, which drops to only 60 degrees at night — and yes, Bill was invited by the Ft. Lauderdale AOH Division to march in the 1st annual St. Patrick's Day Parade in Miami Beach — even though Bill had to drive 125 miles each way, he loved it — Bill would have preferred the way we do it in Hicksville by chartered bus. He tells us that Pat and Madeline Dowling and Jim Carroll, Past Grand Knight were recent visitors.

**IRISH-AMERICAN CLUB:**

Ron Reedy and Eileen Patterson, membership officers report that over 130 members are aboard — the 1st annual Christmas Party will be held on Friday evening, December 14, at the Plainview Hall, with live music and entertainment — What are you doing New Year's Eve — contact Bob Reynolds, President at 931-6953 — terrific nite planned — till 2 AM at \$17.50 per person — "If you're Irish, this is the place for you."

**BRIDAL LUNCHEON:** Mary Ellen Hilly, daughter of Mr. & Mrs. Vincent P. Hilly, formerly of Haverford Place, Hicksville, these past 25 years was the guest of honor last Sunday afternoon at the home of her brother Vincent and his wife Joy in Babylon. Mary Ellen will become the bride of Dean Stuffle on January 5, next year. The bridegroom is a partner in the Wall Street law firm of Sage, Gray, Todd & Sims. Her dad was very active in the Joseph Barry Council, Knights of Columbus, where he served as Grand Knight (1961-63) when the Council opened its new edifice with an impressive community parade and reception attended by every segment of the community. Vincent is Counsel for County Abstract Corporation of Carl Place and maintains a private law practice in Babylon — his brother, John, is former president of Bush Terminal and his dad, the late Arthur J.W. Hilly was Corporation Counsel for the City of New York under the late Mayor, James J. Walker — to Vinnie and Miriam, very best wishes from our family.

**HEARD AROUND:** Patrick and Nancy Tighe, are members of the dancing Tighe's who perform every St. Patrick's Day at the Milleridge Inn in Jericho — and now this young couple have opened their Irish pub, Patrick's Town Tavern on the south shore

in Bellmore — good luck. Denis Dillon, Nassau County District Attorney and New York State Chairman of the Irish National Caucus has named Tony Jackson of New Hyde Park to chair the new Nassau Chapter of that group — the American Irish Congress plans to raffle a "Trip to Ireland" at their March 3 meeting next year.

**HAPPY BIRTHDAY:** to my granddaughter, Stacy McCarney of San Jose, California who will be celebrating her 11th birthday next Tuesday, December 11 — although we can't be with you "Little Princess" we all send every best wish to you — looking forward to my daughter Valerie, hubby, Fred and Stacy who will fly in December 21 for a Christmas visit and of course, the wedding of my son, Patrick to Susan Scott on Saturday, December 29 at St. Ignatius Church and reception following at Antun's Old Country Manor — Stacy will be the flower girl.

**REMEMBER:** to believe in living is to accept the season of the heart — for age remains a state of mind — be young at heart, enjoy the Holidays with your family — be thankful!

## Committee Launches Function

The Educational Goals and Objectives Committee of the Hicksville Board of Education launched its premier meeting Monday night (December 3) under the direction of Chairpersons Pierre Fujimoto and Virginia Garner, school board trustees. In attendance were approximately 25 community residents and members of the Hicksville Public Schools' administrative staff.

Mr. Fujimoto opened the meeting by stressing that the committee acts in an advisory capacity. The format for the first meeting centered around a presentation of the Board of Education and Administration's goals for the 1979-80 school year, and brief talks by administrative personnel to explain what steps have been taken to attain them.

Dr. David Weeks, Director of Pupil Personnel, presented an overview of the Hicksville Schools guidance program K-12 and answered questions from the audience. Dr. Catherine Fenton, Assistant Superintendent for Elementary Education, explained what the Hicksville staff is currently doing to review and improve curriculum. Dr. Daniel Salmon, Assistant Superintendent for Secondary Education, reported the progress of two committees he chairs: vandalism and drug, alcohol and tobacco abuse.

Questions on these topics which were particularly addressed. Mr. Fujimoto said, because residents had expressed their concerns for these areas of education — followed the discussions and some suggestions were made by community participants.

The next meeting of the Educational Goals and Objectives Committee will be held on Tuesday, January 15, at 8 PM in the Little Theater of Hicksville High School. Presentations will be made by Mr. Ronald Friedman, Director of Personnel, on evaluation; and Miss Kathleen Hogan, Staff — Community Relations, on community and district communication.

Residents are urged to turn out and lend their opinions to the discussions.

**MOST VALUABLE PLAYER:** Donna Blacato, June graduate of Hicksville High School is shown here with her parents and her coach after she was selected the "Most Valuable Player" of the NYSIAW State Volleyball Championships held at Stonybrook University. Donna, who now attends St. John Fisher College in Rochester, New York helped her team in defeating Colgate, S.U.N.Y. Brockport, C.W. Post, and Syracuse in qualifying games, and S.U.N.Y. Brockport in the Championship game. Even though Donna led the team in points (176) in their first 24 games of the season, it is very unusual for a freshman to receive such an honor.

## Banjo Group To Perform

The Hicksville High School Thespians will present their annual Variety Show this weekend, starting Thursday night, and again on Friday and Saturday night at 8:15 P.M. in the high school auditorium.

Over 100 Hicksville High School students are expected to par-

ticipate in the fun, which is entitled "Box Office Special." Two plays will be presented, along with selections from Broadway shows such as "A Chorus Line," "Grease," and "West Side Story."

Admission has been set at \$1.50 for Thursday's performance, and \$2 per person on Friday and Saturday nights.

The "Circle of Friends", a talented banjo and guitar group of the Hicksville Continuing Education Program, will present a free concert in the Hicksville High School Little Theater on Wednesday, December 19, starting at 8 P.M. About 25 members of the group will entertain the public, playing blues, ragtime and bluegrass music. The two-hour concert is expected to be its usual great success. The public is encouraged to come out for this evening of entertainment.

### Dish Night

The Sisterhood of the Plainview Jewish Center, 95 Floral Dr., Plainview, is holding their Dish Night at the Movies on Sat., Dec. 8.

## Winter Concert

The Holy Trinity High School Band in Hicksville, will be having their annual Winter Concert on Friday, Dec. 14, at 8 p.m. in the Trinity Theatre, Newbridge Ave.

There are 120 children in the Band and Chorus who have worked very hard all year under the guidance of Mr. Joe Testa, the Music Director, and his able assistants.

This promises to be a most enjoyable evening, a good family night out, so please try to attend. Tickets will be \$1.50 and will be sold at the door.

### Holiday Fair

A Holiday Fair sponsored by the Willet Ave. P.T.A. will be held on Monday, Dec. 10, from 7 p.m. to 10 p.m. at the Willet Ave. School in Hicksville.

There will be different types of items to purchase.

Children can purchase reasonable priced gifts on the same day from 3 p.m. to 5 p.m.

### What is an HMO?

An HMO, or "Health Maintenance Organization," provides comprehensive health care services to an individual or family for a fixed monthly fee.

### What Health Care Services are Provided?

- 365 days of hospitalization
- Unlimited doctor visits, when needed
- Consultations with specialists
- Surgical care
- Full maternity care
- Laboratory and x-ray tests
- Immunizations
- Many others

Your family gets all the above benefits, and more, for a fixed monthly fee.

### What are the Other Advantages?

- Your care is provided by two modern medical facilities affiliated with two of the nation's leading hospitals—Montefiore Hospital Medical Center and Long Island Jewish-Hillside Medical Center.
- You select an HMO physician who is subject to the exacting standards established by this fine institution.
- You get all services at one location.

This program meets the minimum standards for basic hospital and medical insurance as defined by the New York State Insurance Department. It does not provide basic Major Medical insurance. The loss ratio for this policy is 92%.

**DELETE:** Sections 17-100, 17-101 and 17-102 in their entirety, and in their place  
**ADD:** New Section 17-100 Permit and Sticker Required for Restricted Parking Areas: Display of Sticker, Section 17-101 Domiciliary Permits and Stickers: Application; Fees; Section 17-102 Permits and Stickers for Domiciliaries of Incorporated Villages: Application; Fees; of Chapter 17, "Motor Vehicles and Traffic" of the Code of Ordinances of the Town of Oyster Bay, to read as follows:  
**Sec. 17-100 Permit and Sticker Required For Restricted Parking Areas: Display of Sticker**

No vehicle shall be parked or permitted to stand in any of the restricted parking areas unless a proper permit and sticker, bearing the number of the permit and the year or years for which the same shall be issued, has been obtained for the vehicle from the Town Clerk and the sticker is affixed and conspicuously displayed on the rear of the vehicle, as directed by the Town Clerk. The Town Clerk is authorized, three (3) months prior to the commencement of a permit year for domiciliaries of an incorporated village within the town, or a two (2) year permit period for town domiciliaries who are not domiciliaries of an incorporated village, to issue a permit and sticker for said permit year or two (2) year permit period which permit and sticker may be validly used during said three (3) month period and through the ensuing permit year or two (2) year permit period.  
**Sec. 17-101 Domiciliary Permits and Stickers: Application, Fees**  
 (a) Any person who is a domiciliary of the Town, but not a domiciliary of an incorporated village therein, may obtain a permit for parking a vehicle in any of the

parking fields by making a written application to the Town Clerk, as License Commissioner, which application shall be on a form and contain such information and be accompanied by such documents as the Town Board may require.  
 (a) (ii) No permit shall be issued pursuant to this section unless it be for a vehicle owned by the applicant and or a member of his household or a vehicle which is under exclusive possession, custody and control of the applicant and or a member of his household.  
 (a) (iii) The Town Clerk, as License Commissioner, may require such documents as may, to her, seem necessary to determine whether an applicant is a domiciliary and whether the vehicle is owned by or under the exclusive possession, custody and control of the applicant and or a member of his household.  
 (b) The fee for a permit and sticker issued pursuant to this section shall be two dollars (\$2.00) for each two (2) year permit period. The first two (2) year permit period shall commence on April 1, 1979 and terminate on March 31, 1981. Thereafter, a new two (2) year permit period shall commence

on April 1 of every odd numbered year. The fee for a permit issued after April 1 of any even numbered year shall be one dollar (\$1.00) and said permit shall be valid up to and including the following March 31. All current 1978 permits due to expire on February 28, 1979 are hereby extended up to and including March 31, 1979. No 1978 permits shall be issued after December 31, 1978. The amount of fee for the permit period, or any part thereof, may be changed from time to time by resolution of the town board, pursuant to the rules and regulations adopted pursuant to this division. The required fee shall be paid before the issuance of any permit or sticker.  
 (c) The fee for the replacement of any permit issued under this action shall be one dollar (\$1.00).  
**Sec. 17-102 Permits and Stickers for Domiciliaries of Incorporated Villages: Application; Fees**

## John G. Harbes

John G. Harbes of Plainview, 85 years old, died on Nov. 29.

Mr. Harbes was born in Plainview, as was his father. He believed that his was the oldest family in Plainview. He was the only native of Plainview to serve in World War I.

He was an organizer and charter member of the Charles Wagner American Legion Post 421 in Hicksville and former Third Legion Division Commander in Nassau County. During World War II, he was color bearer to the local draft board and took half-day off 117 times to participate in induction ceremonies for new draftees. Local World War II Veterans will remember him leading them to the R.R. station with his legion uniform.

During World War II, he organized and was "Chief Observer" for the Plainview Post, Army Air Force I fighter command aircraft warning service under the direction of Mitchell Field and the War Department, Washington, D.C. He was also awarded a medal for serving over 6,000 hours of volunteer service as an airplane spotter. The spotters post was located on Woodbury Rd., (near the present-day, Penney's store.) At that time, because of the nearness of aircraft planes, Plainview was considered a danger zone.

Mr. Harbes served the Plainview Water District for 33 years, as Commissioner from 1931 to 1952 and as Foreman from 1952 to Oct. 1964. He set a record on Long Island as Chairman of the Water Board for 21 years. During those 21 years he was the Water District. He was the District's accountant, lawyer, ditch digger, meter tester, mechanic and maintenance man all rolled into one. For those 21

years, the office of the Plainview Water District was the kitchen of his home at 659 Old Country Rd. Harbes and his two daughters did the clerical work on the dining room table.

He was a member of the Plainview School Board when they had a two-room schoolhouse on Manetto Hill Rd., which was the one he attended as a child. Old-time Plainview residents will remember him dressing as Santa Claus and handing each child a box of hard tack and an orange at Christmas recess.

He was an umpire for the Plainview Baseball Team at the little schoolhouse around 1940.

In addition, he was a Nassau County Third Division Welfare officer. In March 1979, he received a Sixty Years Continuous Service Award from the American Legion.

Although in failing health for many years, he still enjoyed his Met games and his family Pinochle games each week.

His wife, Rose, 80, passed away on Sept. 3, 1979. They had celebrated their 55th wedding anniversary on Aug. 28, 1979.

He is survived by his daughters, Roseanna Emmel, and Virginia Hladki; his

brothers, William and Edward Harbes; and six grandchildren.

He reposed at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville, Mass. of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in St. Joseph's Cemetery.

## John C. Trask

John C. Trask, 61, died on Nov. 17 in Port Richey, Florida.

Mr. Trask was Superintendent of the Plainview Water District for 25 years, and past chairman of the Long Island Water Conference. He was a member of the Veterans of Foreign Wars, 5942, Kiwanis, and the Chamber of Commerce. He was a Lieutenant in the United States Navy Air Force and served in the South Pacific during the Second World War. He was awarded the Distinguished Flying Cross and Presidential Citation.

He was a native of Richmond, Vermont and a graduate of Middlebury College in 1941.

Survivors include his wife, Frances J. Trask of Port Richey, Fla.; daughters, Peggy Le Van Zimmerman of Santa Ana, California; Patricia Trask White of Bisbee, Arizona; a son, James Hayden Trask of Orlando, Fla.; his sister, Caroline Wright of St. Albans, Vermont; three brothers,

Windsor Trask of Montpelier, Vermont; George Trask of Randolph, Vermont; and Williams Trask of Boston, Mass.; and a grandson, Tiggart Le Van.

Graveside services arranged by the Vernon C. Wagner Funeral Home, Inc., Hicksville, will be held on Friday, Dec. 7 at 11 a.m. at the Long Island National Cemetery, Pinelawn. The Rev. John C. Hinsch will officiate.

## ALFRED COCO

Alfred Coco died on Nov. 26. He was the husband of Katherine Ann; father of Keith J. and Kevin W.

The funeral was from the Thomas F. Dalton Funeral

Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in Calverton National Cemetery.

## ROSETTA BALTERA

# Board Members Attend Convention

**By William Bennett**  
Three members of the Hicksville Board of Education attended the 60th annual convention of the New York State School Boards Association (NYSSBA) in Rochester. Mr. Thomas Nagle, Mr. Cornelius McCormack and this writer participated in a number of seminars concerning educational and fiscal issues confronting school districts across New York State and the nation.

As a voting delegate to the Annual Business Meeting, I am pleased to report to the Hicksville community the contents of some of the major resolutions

presented, debated and acted upon by the 426 delegates in attendance.

Delegates gave almost unanimous support to the strengthening of the provisions of the Taylor Law. The NYSSBA opposes any legislation which would erode the authority and penalties of the Taylor Law - especially the fiscal penalty - and also would seek legislation to provide for the reinstatement of the one-year probationary period penalty following an illegal strike.

The public employee unions successfully secured the necessary legislative votes to

abolish the one-year probationary period. It is the aim of the New York State School Boards Association to reinstate that provision. Without the penalties of the Taylor Law, there will be few incentives for unions to settle strikes. The result would be protracted struggles to the detriment of everyone involved. Parents and taxpayers should become aware of legislation that attempts to weaken the Taylor Law. They should contact their local representatives in the State Senate and Assembly to let them know that the public is watching them and that the Taylor Law should be strengthened. NOT

**WEAKENED.**

In a related matter, a resolution was presented and accepted that would regulate the structure and organization of public employee organizations to guarantee free and democratic elections by secret ballot, prevent corruption, require complete audits of the union's fiscal affairs, require filing and public disclosure of detailed reports on their assets, liabilities, individual salaries and expense of officers and employees, and prohibit loans or gifts to officers, employees or members.

In the private sector, labor unions are governed by the Taft-Hartley law the Landrum-Griffin Act. However, public employee organizations are not covered by either law. One of the points made on this issue was that permitting public employee organizations to conduct their activities without regulation and public scrutiny invited abuse and the corruption of a democratic society. There exists no mechanism for requiring free and democratic election of union officials, or access to union records and decision-making structures. Such guarantees exist in the private sector and there is reason to support similar legislation in the public sector.

In another labor-related resolution, the delegates agreed to seek legislation that will equalize influence over legislators and the laws they produce by making employee groups subject to the same restrictions on political campaign contributions and financial disclosure statements, as are now in effect.

for employer organizations.

The delegates approved a resolution, 204-184, to ask the NYSSBA to work toward providing the privilege of confidentiality in student communications to school districts. As the law presently reads, it does not extend such statutory privilege to school districts.

Further, the delegates voted their approval to charge the NYSSBA to seek legislation to require that a school district be reimbursed for the amount of money by which the cost per pupil to provide educational services to a handicapped child exceeds the cost per pupil of providing educational services to a non-handicapped child.

I have provided in capsule form some of the resolutions which were presented to the NYSSBA convention for consideration. The spirit and the will to serve the people of their respective districts was quite evident in the delegates, and I was pleased and privileged to be a part of the convention and proud to represent the Hicksville Board of Education. In prior years, former board member Iris Wolfson was our voting delegate. Mrs. Wolfson currently serves on the BOCES board. She did an outstanding job for Hicksville and for the New York State School Boards Association.

On behalf of the Hicksville Board of Education, I wish to urge you to become involved with legislation in Albany that affects the educational community and the welfare of our taxpaying residents.

She was honored by Catalyst, Inc., at the Waldorf Astoria in March of 1977; and was the recipient of Marymount Manhattan College Award for the "Outstanding Business Woman of 1977" in February, 1978. She is also listed in "Who's Who in America."
