# Arbitration Pay-Back Award Begins December 21

By Linda Strongin

The Hicksville Board of Education publicly announced at a special meeting on Tuesday evening that the arbitration pay-back award would begin on December 21st. Seven pay-back deductions will be made from teachers' salary check.

The arbitrator issued his final decision on July 24 and it states, among other provisions, the following: "The excess amount of salary paid to teachers in the year 1976-77 over and above the amount required by the Memorandum of Agreement of May 14, 1975 shall be returned to the District over the 1979-80 school year through equal deductions from teachers salaries in each pay period of that school year."

The pay-back was originally scheduled to begin Sept. 28 and continue for 20 pay periods. However, the Hicksville Congress of Teachers obtained an injunction and the matter was in the courts. On November 28 Judge Niehoff rendered a decision in favor of the arbitrator.

The award totals \$98,379.60. The weekly payment ranges from approximately \$4.45 to \$10.70 for 20 pay periods. The deduction on Dec. 21 will range from approximately \$31.15 to \$74.90 taken off the gross salary.

The Board went into an executive session "to discuss legal opinions in connection with the arbitration and litigation thereon."

stating that the HCT or any individual teacher not bring any court action on the matter and if a teacher did bring action, the HCT would help to defend the District's position.

HCT President Bob Zaleski stated that he could not "waive any rights to future litigation. We have a responsibility to exhaust all available legal means. Furthermore, we cannot guarantee what individual teachers would do for other unions."

Mr. Nagle repeatedly stated that "we don't want to negate the other payments. If we fail to act, we could lose the right to six other payments."

President Dan Arena stated "we must do what the arbitrator says and deduct the full amount unless we find another way."

"We are accused of a lack of sensitivity because of the holiday time but the overriding concern is to do nothing that will jeopardize the award granted to the District," he added.

Resident and former Board member Iris Wolfson asked, "If the payback was stopped in September by court action, could the district take equal amounts over the next 14 weeks?"

Mr. Nagle answered "The Board fears the union will sue for not taking out the amount due from September 28."

The meeting adjourned with no action taken by the Board since, according to Mr. Campanella, "the injunction is lifted and the District can now collect."

Trustee Virginia Germer questioned the legality of the executive session under the open meetings law which states that a closed meeting can be held to discuss "proposed, pending or current litigation."

"I spoke with Mr. Robert Freeman (Executive Director, Commission on Public Access to Records) in Albany today and he did not feel it fell under litigation," stated Mrs. Germer.

School Board attorney Joseph Campanella, however, stated the meeting was "correct and in order. I also spoke to Mr. Freeman and am aware of your conversation. If you ask the right question you get the right answer. If you ask the wrong one, you get a wrong answer."

Mrs. Germer voted no on the motion to go into executive session. Vice President John Ayres and Trustee Pete Fujimoto were absent. The session lasted about one hour.

Trustee Tom Nagle spoke at length on the judge's decision and the arbitrator's award. "The Board has a problem if it doesn't follow the letter, intent and meaning of the law. We could lose the opportunity to collect the money," he stated.

"We are not opposed to discussing it with the union and coming up with an agreeable solution that will protect the Board against any court action," he added.

Specifically, the Board asked that the HCT sign an agreement

## Calendar of Events

- Friday, Dec. 11**  
Ernest F. Franke Republican Club, annual Christmas Party, 8:30 p.m., V.F.W. Hall, 320 So. Broadway, Hicksville.

## Fire District Election Results

In the recent Hicksville Fire District Election held on Dec. 11, incumbent Commissioner Maynard G. Munch received 356 votes, defeating Warren Uss, who received 146 votes.

## Hicksville Diner Hit By Third Blaze

The Empire Diner, located at 42 Jerusalem Ave., Hicksville, a popular dining spot, was damaged by fire on Dec. 8, the third such fire in six months.

This fire, as were the past fires, was located in the kitchen area. A seriously delayed alarm, while employees fought the fire with a garden hose and numerous pots and pans, caused moderate damage to the kitchen and rest room area.

The Hicksville Fire Dept. was alerted to the blaze by a passing security guard. A general alarm brought eight pieces of apparatus and 80 men to the scene under Department Chief William Ferber.

Fire officials felt that if the employees had reported the blaze when first discovered, damage would have been much less. No injuries were reported.

**Holiday Open House**  
The annual Hicksville Fire Dept. Holiday Open House on Sunday, Dec. 9, drew a crowd of almost 2,000 persons. Santa was on hand to greet the kiddies and Hicksville Vamps had on display various pieces of apparatus and fire prevention displays. Many Vamps noted that Santa was the main attraction and that only a small percentage paid much attention to the fire prevention portion of the Open House, including a booth set up to guide homeowners in safe installation of wood burning stoves.

The Open House program is one of several yearly programs

used to get fire prevention information to the public. The programs are under the direction of 1st Deputy Chief Richard Kershaw.

### Fire Report

During the period of Nov. 18 through Dec. 8, the Hicksville Fire Dept. volunteers responded to a total of 82 alarms. There were 12 false alarms, 39 fire calls and 31 rescue calls.

Hicksville Chief William Ferber reports all those injured at the Nov. 25 garage fire explosion are on the mend and doing fine. However, two Valley Stream fire fighters died as a result of injuries they sustained at a fire on Nov. 22. Several others are still in the burn unit at the Nassau County Medical Center. All fire station flags are at half-mast in honor of the two fallen volunteers. Hicksville Vamps along with Vamps from Nassau and Suffolk attended funeral services.

### A Safety Note

Fire dispatchers report that many persons calling in alarms don't know the nearest intersection or cross street to where they live. This information is important to fire-fighters responding. The very nature of the maze of streets slows the fire department's arrival time.

If you don't know yours, take time to check. While you're out, pick up a smoke detector. This too could save a life.

## Strand III Meeting Set For January 23

By Linda Strongin

Wednesday, January 23rd has been set by the Hicksville Board of Education as the Strand III meeting. At that time, the Board will review the Strand III report compiled by Asst. Superintendent for Elementary Dr. Catherine Fenlon.

The Board received the report late Wednesday and discussion took place on, when and if it should be made available to the public. Secretary Bill Bennett felt it could not be withheld from the public. However, President Dan Arena said he would contact school board attorney Joseph Campanella on the question. "The Board needs time to look at it," he stated.

Trustee Neil McCormack stated that it was not "a completed document until I say so." He felt materials may be missing and therefore the document would be incomplete.

Superintendent Dr. Wilber Hawkins added, "It is a document with about 1,000 pages of back-up material. To reproduce by tomorrow morning (Thursday) would be an impossibility."

During the public speaking session resident Jim Byron questioned Vice President John Ayres on a letter Mr. Ayres wrote in the HERALD.

Mr. Ayres stated the letter was not written as a Board member and invited Mr. Byron to talk after the meeting. "The hour is late and I don't think it is fair to take Board time to discuss it. I wrote the letter as a Hicksville resident."

The Board also approved conferences and workshops that

Dr. Hawkins may attend. Dr. Hawkins agreed to attend three conferences, not including state and national school board conventions, agreed not to be out of the district for their purpose more than 12 school days; and, the cost cannot exceed the budgetary allowance.

The question of obtaining qualified substitute teachers was also brought to the attention of the Board by resident Barbara Meyer. She stated that in the areas of math and science, substitutes, teachers are not certified. "I request the Board do more than advertise."

Director of Personnel Ron Friedman admitted it was "a serious problem and we'll have to look at more creative ways to solve it."

Mr. Arena stated that part of the problem "is compensation for substitutes." Dr. Hawkins agreed that most math majors go into private industry where there is more money. He added that a study done last year showed Hicksville to be "comparable in the range to what other districts pay." Rate of pay. Rate of pay is \$35 per day.

Mr. McCormack suggested that retired teachers be contacted to substitute.

The Board also acted on the following:

• Took official action naming the high school auditor, Mabel R. Farley Auditorium. This was a request from the Hicksville High School Alumni Association that the district pay tribute to Miss Farley by naming a facility in her honor. Mrs. Germer and Mr. McCormack will be the Board liaison with the

Alumni Association in planning the ceremonies.

• Approved participation in the Legal Assistance Fund as established by the N.Y. State School Boards Association at an annual fee of \$500 to commence Jan. 1, 1980. Mr. Campanella explained that this was a very useful thing if the Board were to be sued. It provides up to \$5,000 toward any legal case.

• Approved the E.S.E.A. Title IVE libraries and learning resources allocation for fiscal year 1980. The total grant is \$29,966 and is completely funded by the State Education Department.

• Awarded bids for the following: \$6,975 for toilet room alterations for the handicapped, as per federal law, at various schools; \$11,330 for a Massey-Ferguson Tractor; \$5,379 for carpenter in the Burns, Dutch Lane, Willet and Junior High Schools; \$5,962.46 for Industrial Arts-Printing and Graphic Arts Supplies; and \$3,540.60 for micro-computers/calculators.

• Approved claims and warrants totaling \$4,573,149.21.

• Approved winter season coaches; supervisors of extracurricular activities; evening high school and adult education personnel; and an updated substitute teacher list. Also approved various civil service appointments.

The Board recessed for about 90 minutes to the senior high auditorium to hear a music presentation performed by the Junior-Senior girl's Chorus; the Chamber Players; the Combined

(Continued on Page 6)

# Dear Friends....

ROTARY PERSON of the month is Hicksville Rotary Club President Ed Johnson, who was accorded this honor this month by his fellow Rotarians. Ed has been active in the Rotary Gift of Life program and in many other community activities. Best wishes, Ed to you on this honor and to you and your family when you leave us to move to the great American mid-west, to your Company's headquarters. We hope you will come back and visit us often.

The Hicksville Chamber of Commerce series of articles on the G-1 Zone which has presently covered the downtown area of Hicksville for the past ten years, will continue again beginning in the first week of January. This is a very important subject not only for Chamber members, but also to every single homeowner in the hamlet of Hicksville.

Congressman Norman F. Lent tells us that a \$200 thousand grant has been made from the Office of Education, Department of Health, Education and Welfare, to the New York Institute of Technology.

The grant, awarded under Title III of the Higher Education Act of 1965, provides money to the Old Westbury college for faculty and curriculum development.

It is aimed primarily at assisting members of the faculty in research to improve their courses and methods of instruction, and at assisting students who are the first in their families ever to pursue higher education.

We would certainly like to know the specifics of this grant.

The Nassau County Department of Recreation and Parks has arranged again this year to fly Santa Claus into Nassau for a special pre-Christmas visit with the kiddies.

Santa will be arriving by helicopter, provided by the Nassau County Police Department Air Bureau, on Saturday, Dec. 15. He will talk to the children and hand out candy at the following locations:

Cantiague Park, Hicksville, 10 a.m.; Christopher Morley Park, Roslyn-East Hills, 11 a.m.; Cow Meadow Park, Freeport, Noon; Roosevelt Park, 1:30 p.m.; Grant Park, Hewlett, 2:30 p.m.; Bay Park, East Rockaway, 3:30 p.m. and Wantagh Park, 4:30 p.m.

In the event weather conditions prevent the helicopter from flying that day, Santa will keep the same schedule the following day, Sunday, Dec. 16.

The holiday season brings a sense of joy and caring to the lives of most people. Gifts, relatives, and celebrating dominates everyone's time. That is everyone except open heart surgery patients, accident victims, children with leukemia, and many others stricken with disease or injury. The only way they can enjoy or even live through this winter is if you take a little of your time and donate blood. Call Long Island Blood Services at 752-7300, located at 155 Duryea Rd. in Melville and make an appointment to donate. The donor room at Long Island Blood Services is open from 9 am to 7 pm Monday through Friday and from 10 am to 3 pm on Saturdays.

**CHANUKAH**, that lovely mixture of candles, gifts and pancakes starts tomorrow.

Following the victory of a small band of Jews over their Syrian oppressors, and after that, the miracle of the oil that kept the Menorah glowing for eight days instead of only one, it was Judah Maccabeus who proclaimed an eight-day festival, to be observed yearly and to be called CHANUKAH...meaning dedication.

In this spirit, we extend best wishes for a Happy Chanukah to all our friends of the Jewish Faith, and thank Sylvia Horn for her lovely description of Chanukah in her Sisterhood Bulletin.

# Letters To The Editor

To The Editor:

As a taxpayer in the Hicksville community and a parent of a public school child attending the Willet Ave. School, I would like to go on record as stating that I am in favor of the concept of instituting within Hicksville, a Strand III program en-

compassing both the mental health phase and the human sexuality phase. However, I am not in favor of the curriculum that has already been presented to the community.

I would like to suggest that what is needed is a committee composed of parents, teachers and administrators, school psychologists, doctors, students, and religious leaders of all denominations, who would create its own curriculum, customized to this community's needs.

I feel that parent education is a very positive first-step on the road to community acceptance of Strand III.

I definitely feel that most parents would support the school system in the mental health and human sexuality areas of education if somehow we were made to feel that we had some input into the program. Perhaps the parenting course will open up a dialogue that will lend direction to this endeavor.

Myra Nudelman

To The Editor:

I am a disabled Veteran of World War II. While I do not belong to any Veterans organizations, I have read in various publications put out by them that a cost of living increase for disability pensions could be paid to us at the same time such as increases were awarded to Social Security recipients. The last such increase was June of this year. To date, no such increase was awarded to disabled veterans.

On inquiry, I received no reasonable explanation from the Veterans Administration or from any other veterans organization. Can you explain this?

Sincerely,  
William Schmeizler,  
Plainview

To The Editor:

I would like to comment upon a recent letter by Mr. John Ayres, in which he accuses the Coalition Against Strand III of falsely misrepresenting the Strand III

curriculum and making derogatory judgements on the calibre of our Hicksville teachers.

As a concerned parent of this Coalition, I wish to make it clear that it has never been our intention to downgrade the teaching staff of Hicksville. To anyone who has listened to our presentation, it is perfectly clear that our only motive has been to alert and educate all Hicksville residents, both parents and teachers alike to the possible dangers of the Mental Health Curriculum.

Thus, we have attempted to point out the harmful material in the present curriculum, passed by the school boards, as evidenced to us by prominent educators, psychologists, and religious leaders. We have also pointed out the unpleasant fact that "undesirable" and "controversial" subject materials do exist in other schools' sex ed programs, and the possible danger of them likewise becoming part of our Hicksville curriculum. If it can happen in New York City, Syosset, Roslyn, and many other school areas all over our country, it can likewise happen here in Hicksville.

We agree with Mr. Ayres, that there are many fine upstanding teachers in Hicksville, many of whom we feel would be distressed and uncomfortable teaching some of the more "controversial" or "sensitive" topics included in sex ed programs. It is for this very reason that we have strongly urged out teachers to look into what is happening in sex ed programs in our country, so they can be aware of what they will be asked (or should we say forced) to teach. For the fact remains that once the curriculum is adopted, the teachers will be required to teach the specific curriculum content, whether they personally agree with it or not.

Many teachers have already expressed their concern as to whether failure to teach it would jeopardize their jobs. As a professional nurse, I can well

# Wrap It Up, "We'll Take It"

By Postmaster Anthony M. Murello

Often we at the Post Office remind customers to prepare parcels properly for mailing. However, we do not always advise them exactly how to do it.

The holiday season is almost here so that better advice can be given you than some practical packaging and mailing tips. Following these simple guidelines will help us provide the best possible service for you this Christmas.

To begin with, most materials needed for preparing parcels for mailing can be found around the home.

The first step is selecting a proper container. Corrugated fiberboard boxes are excellent. Also acceptable are reinforced bags and paperboard boxes, depending on the physical

characteristics of the item being mailed.

Containers should always be large enough to hold the contents plus allow about an inch for cushioning material on each side. Adequate cushioning will protect the contents from shifting in transit as well as damage from other parcels.

Shredded or crumpled newspapers, polystyrene or "bubble" plastic also are recommended. However, popcorn is no longer recommended—in fact, it should not be used—because it absorbs moisture and crumbles.

If an adequate container is being used, it is not necessary to wrap paper around the box. However, if the container needs to be covered to protect or cover markings or interior wraps, ordinary grocery bags are excellent to provide an outside surface. Cellophane and masking tapes are not acceptable for closing or reinforcing parcels. Pressure sensitive and reinforced tapes are highly recommended. Twine and cord are not recommended because they may become loose and get caught in mail-processing equipment.

Finally, the outside of each parcel should be marked clearly with the address—Don't forget the ZIP Code—of both the sender and receiver. The addresses must be legible whether typed or handwritten and should be applied directly on the parcel, since labels may come off.

## LEGAL NOTICE

AMENDMENTS TO THE CODE OF ORDINANCES CHAPTER 17 MOTOR VEHICLES AND TRAFFIC

Congratulations to Emlen Goodman, a HICKSVILLE resident for many years, for having completed 34 years of employment with LILCO on December 10. Emlen has been steadily promoted throughout his years with LILCO and now works in substation maintenance. Next year at this time Emlen will receive a diamond 35-year pin from LILCO in honor of his achievement.

who were married 26 years on December 6. The Farleys are long time Hicksville residents.

Another wedding anniversary was celebrated in HICKSVILLE. This time it was Jean and Jerry Hitchen of Mayfair Lane, Hicksville. The Hitchens were married 33 years on December 1. Their daughter, Linda and her husband, Lee, live in New Jersey with their three children, Scott, Kim and Sean. Jean and Jerry are so proud of their family - and rightly so. Congratulations.

Goof Department. Last week we told you about Barbara (nee Zurawel) and Steve Walner and the surprise party they planned for Steve's parents, Matthew and Margaret Walner. We also mentioned Steve's brother, Richard, and all his efforts on behalf of this 40th wedding anniversary surprise party. But we inadvertently made Steve Barbara's husband when Richard Walner is really Barbara's "one and only." Sorry, folks.

Can't forget Louise Pankoff's birthday on December 5. Hoff you had a wonderful day, Louise, and wish you many, many more.

Congratulations to Joseph Giordano of PLAINVIEW, who recently celebrated 25 years service with Grumman Aerospace Corporation. Mr. Giordano works in the Facilities Engineering Department of the Bethpage facility.

Gloria and Joe Ferrandino have a double celebration this week. Gloria had a birthday on December 4, and on December 6 the Ferrandinos celebrated their wedding anniversary. The Ferrandinos have seven children: Barbara Jo, Maryann, Robert, Debbie, Joan, Peter and Carol.

Congratulations and best wishes to Edward and Barbara Smith of Croyden Lane, HICKSVILLE, who celebrated their 25th wedding anniversary on Dec. 11.

## Chamber of Commerce To Meet

Hicksville Chamber of Commerce, Board of Directors, will hold their next meeting on Tuesday, Dec. 18 at Lord Stanley's Restaurant, 275 Old Country Rd., Hicksville.

Lunch will be served at 12:30 p.m. and the price is \$7.00 per person.

To be taken under consideration at the meeting will be the financial report, membership report, committee reports, response to the "Parking Resolution," and new membership applications.

This is a Board of Directors meeting, but any and all Chamber members are welcome to attend.

And a very "Happy Birthday" to Brian Clancy of Suggs Lane, HICKSVILLE. Brian has lived all his life in Hicksville and attended the local schools. He is employed by Grumman Corporate System.

Happy anniversary to Lucy and Tom Farley, HICKSVILITES.

## Boy Scout Troop 172

By S. Woodcheke

As you can see from the photograph, our Scouts take great pride in their work.

Our most recent outing was to Tackapausha Museum and Preserve. The scouts, as past of a community and conservation

project, had a winter clean-up campaign. It is good to see the youth of our community putting their energy to good causes. We are very proud of them.

Troop 172 meets on Friday evenings at 7:30 p.m. at the East St. School. You are welcome to visit and see our scouts at work.

Shown are scouts John Montalto and Jules Garbus with Assistant Scoutmaster Jim Flynn and Scoutmaster Stan Woodcheke, at display at Mid Island Plaza Scouting Show.

## Library Exhibits

Hicksville Public Library is brimming with local artistic talent at this holiday time.

In the main lobby showcase is a display of pen and inks by Darren Cerone of Hicksville. The case in the fiction is a dollhouse made by Audrey Wallace, formerly of Hicksville, now owned by Regina Krummenacker of Hicksville. Regina has added many furnishings, handmade and or bought to the dollhouse.

In the Community Room there is photography exhibit by Michael Sabanos of over 100 pictures taken and processed by Mike. Mike is also a Hicksville resident.

The library is decorated for the holidays by the library staff and as usual very nicely done. Come and pay a visit and see the talent of some of our fellow citizens.

## Winter Concerts

The Music Department of Hicksville High School is presenting its December Winter Concerts. The concerts are on Thursday evening, December 13th and 20th at 8:00 p.m. in the high school auditorium.

The second concert, taking place on Thursday evening, December 20th, features the Choral, Junior-Senior Girls Chorus, Magrinal Singers and Orchestra. The choral group is

directed by Mr. Charles Arnold and the Orchestra is directed by Mr. Thomas Buttice. Among the works the choral groups will be performing are "A Ceremony of Carols" by Benjamin Britten, "Magnificate" by Pergolesi, as well as seasonal, medieval, and contemporary music. The Orchestra will be performing works by Wagner, Bach, Grieg, and the ever popular "Sleigh Ride" of Leroy Anderson.

## Holiday Concert

The Old Country Road School Winter Holiday Concert will be held this year on Thursday, December 20, 1979 at 8:00 p.m. for parents. Students not participating in the various groups will attend the concert on the morning of December 20.

In order of performance, those participating are - School Orchestra, 4th Grade Chorus,

Recorder Club, 5th and 6th Grade Chorus, and the School Band. The 5th Grade French Class will sing two songs in French with each of the two chorus groups.

A bouquet of "thank you's" to Miss Hillary Sperber and Mr. Norman Ward for their time and dedicated teaching in presenting this inspiring performance.

# A Pension Plan. If you have one, great. If you don't we can help.

### PLAN 1. Self-Employed Retirement Accounts. (Keogh Plan)

People who work for themselves can now save on taxes to the tune of \$7,500 a year! That's the amount you can set aside, tax free until retirement, in your own self-employed (Keogh) retirement account at Hamburg Savings Bank. Depending on the amount you choose to save, the plan you select, and the number of years until you retire, you'll find your retirement fund can be remarkably substantial. Ask us for details, with specific figures for a program tailored to your retirement goals.

Visit a nearby office and get specific figures for a plan to suit your retirement goals. Also ask us about the new Defined-Benefit Keogh Plan.

### PLAN 2. Individual Retirement Accounts. (IRAs)

If you're not covered by a pension or retirement plan on the job, Hamburg Savings Bank will help you start a government-approved plan of your own. New regulations permit you to put aside up to 15% of your earnings—as much as \$1,500 a year—and pay *no taxes* on the money or the interest it earns until you retire. (By then, your tax bracket will most likely be much lower). Depending on your present age and the amount you put aside, your retirement fund could yield thousands of dollars just by starting this simple plan now.

Come in to your nearest office of Hamburg Savings Bank and select the plan that's right for you.

Deposits can be made weekly, monthly, or in a lump sum.

By Laura Brand

### 3rd Grade League Standings

Team	W	L
Tigers	4	0
Lions	1	2
Wildcats	0	3

\* Chinede title for first half  
The Lions won their first game of the season by defeating the Wildcats 16-12. For the Lions, Chris Shearer was high scorer with 10 points, John Guittari had 4, and James Curley scored 2 points. Michael Benigno, Stanley Porzio, John Accordino, and Chris Horvath all played well on defense for the Lions.

The Tigers remained undefeated by beating the Wildcats with a score of 25-14. Lloyd Teitelbaum led the Tiger offensive attack with 19 points. Playing well defensively were Lou Parillo and Tim McMahon. High scorer for the Wildcats was John Schneider with 8 points.

In another game, the Tigers won again by defeating the Lions 14-4. For the Tigers, Eric Bentley and Lloyd Teitelbaum each had 6 points, and Lou Parillo, had 2 points. Jimmy Collins played well defensively for the Tigers. For the Lions, Chris Shearer and John Guittari scored all the Lion points.

### 4th Grade League Standings

Team	W	L
Lakers	4	1
Celtics	4	1
Bullets	2	3
Warriors	0	5

The Celtics defeated the Bullets 28-17. For the Celtics, Greg Greenberg scored 11 points, Billy Burdo had 6, and Tommy Manning scored 2 points. Tommy Manning also played well on defense by blocking many shots.

The Lakers defeated the Warriors 17-13. For the Lakers, Steve Corrado had 4 points, David Denowski had 3 points, and Robby CROSS SCORED A POINT ON A FOUL SHOT.

Robby Cross also played well defensively.

### 5th & 6th Grade League Standings

Team	W	L
Pacers	4	1
Pistons	4	1
76ers	3	2
Jazz	2	3
Suns	1	4
Rockets	1	4

The Suns won their first game of the season by defeating the Rockets 35-15. With the score 13-11 at the end of the 1st half, the Suns came back to win in the 2nd half holding the Rockets to only 2 points. Bobby Moore led a balanced Sun attack with 10 points, David Weinberg 8, Michael Tretola 6, John Garger 4, and John Geitner, Michael McHugh, "Z" Pfeffer, and Jimmy Hume each scored 2 points. Ed McHugh played well defensively for the Suns. For the Rockets, Kevin Conway scored 6, Anthony Cirillo 5, and Kevin O'Connell scored 4 points.

The Pacers defeated the Jazz 18-11. Scoring for the Pistons were Michael Herdman with 8 points and John DePalma with 6. John Kelly played a fine all-around game both offensively

and defensively for the Pistons. For the Jazz, Gary Tyranski scored 6 and Jeff Coen 4.

In another game, the Pacers upset the 76ers 38-20. The Pacers, who are tied for first place with the Pistons, played well both offensively and defensively. Chris Bentley led the Pacer offensive attack with 20 points. Jimmy Carson had 10, Tommy Sullivan had 4, and Alan Brand scored 2 points. Kenny Brand, Tommy Himmel, and John Squerclati played well on defense. Mr. Bentley, coach of the Pacers, was happy to report that this was the finest game played by his team this season. Keep it up boys...

### 7th & 8th Grade League Standings

Team	W	L
Kentucky	4	1
Indiana	3	2
North Carolina	3	2
Michigan	0	3

North Carolina defeated 1st place Indiana 35-31. Jeff Bresak led North Carolina with 14 points while Gene Tourneur added 12.

In another game, Kentucky defeated Michigan by a score of 45-37.

IT'S A PASS. Eddie Bachman loves football and pass receiving is his favorite. Practice is easy with this new football passing machine - Spiral Passer from Fonas. It throws Eddie a perfect spiral pass every time. He sets

the timer for his pass pattern, moves the start lever and starts running. The Spiral Passer throws the ball with a 12-foot trajectory for Eddie to catch 10 or 30 feet away.

## CUMMINGS 'N GOINGS

By Jim Cummings

**PIPING IN:** Francis Larkin, Jr. is a mighty proud Irishman these days, and why not — he has been accepted as a piper with the Inis Fada Pipe Band who rehearses weekly at the spacious Irish American Center in Mineola. He will make his first public appearance with the group

in New York City on next Saint Patrick's Day. Francis, a student at the School of Fine Arts, New York University, is the son of Frank and Cele Larkin, of Wish-ing Lane, Hicksville.

**WELL DESERVED:** Donna Stewart, daughter of Jim and Eileen O'Sullivan, of Combes

Avenue, Hicksville, will receive a Merit Award from the New York State Department of Taxation and Finance following submission of a form which has been accepted by the Department. Donna is employed by the Bureau's Mineola Office and re-sides with her husband, Lex in Babylon.

**GRACIOUS LADY:** Mary (Murphy) Twonie will celebrate her 84th birthday on December 17 in Astoria, Queens. This wonderful person is my mother-in-law. The family will gather on Sunday for a special birthday party. Proud of her Galway heri-tage, Mary and her late husband, James J. Twonie, are the proud grandparents of seventeen

grandchildren and four great-grandchildren.

**WE HEAR:** the 75 year old Empire Storage firm on Duffy Avenue, Hicksville, is about to change its appearance? ... Mary (Kilduff) Carton is now associated with Rita M. Earley real estate, located on Newbridge Road — the Kilduff's (six brothers and four sisters) hailed from Kiltimagh, County Mayo, in Ireland, which also happens to be the birthplace of my late father, James. And would you believe that while chatting with Tom Walsh (the is manager of Grand Union, Jerusalem Avenue) at the Pat Roper afternoon concert last Sunday at the Knights of Columbus, Hicksville, he is also proud of his Kiltimagh heritage — up Mayo, Godhelpus. Happy Birthday greetings to Bob Reynolds, president of the Irish American Club — the group will hold their Christmas Party Friday evening, December 14 at

the Plainview American Legion — Francis E. O'Connor, Commissioner of General Services of Nassau County is expecting the arrival of a new grandchild is the good news from his daughter Deborah in County Waterford, Ireland — Frank is one of Nassau's distinguished members of the American Irish Congress, where he serves as a member of the Executive Board; and is also a proud member of the Hicks-ville, Ancient Order of Hiber-nians "Division of the Green Berets," best marching unit in the 79 St. Patrick's Day and winner of the Irish Echo trophy. We noticed that a brand-new Horton ambulance is now serving the Hicksville Fire District.

**NOW HEAR THIS:** Con-gratulations to Richard Kershow, newly-elected Chief of the Hicks-ville Fire Department — also elected were: William Danton, 1st Assistant Chief; Owen Magee, 2nd Assistant Chief and new assistant from the ranks 3rd assistant Chief, William Schumann — the Hicksville Fire District can well be proud of these dedicated men who volunteer their time to protect our lives and property — gentle-men, my best wishes to you and your families at Christmastide.

**CONDOLENCES:** to John Murphy, his wife, Sue and his sister, Mrs. Eileen Quinn on the passing this week of their mother, Julia Murphy.

# Galileo Lodge News

By Joe Lorenzo

Oh, yes, its beginning to look a lot like Christmas. The time of the year for white snow, sleigh rides and winter winds. But, conversely, its also time for glad tidings, seasonal greetings and happy smiles - and where can you find all these holiday ingredients, well, just hitch up your sleigh and head for the Galileo Lodge, where the Christmas spirit of last Saturday's dance still pervades its inner sanctum.

The Galileo Lodge, of course, is the please for you. Get on the season's handwagon of good times and joyous needs. Where else can you find a better way to dispel those sombre tones of old Jack Frost? For example, this Sunday, the 16th of December, the Galileo Lodge will present its two Christmas parties - one for the retarded children of Hicksville and its adjacent areas and the other for the children of its membership. Candy, ice cream, food, soft beverages will be in the offering, plus a scintillating Terpsichorean show by the Peggy O'Connor Dance Ensemble of Hicksville. And then there will be the eagerly-awaited visit from Santa Claus with his magic bag of toys and goodies,

and his appearance will undoubtedly add to and heighten the already emotionally-packed atmosphere of the Galileo Lodge.

Jim Kerisi and his committee, as well as the members of the Galileo Lodge and its Ladies Auxiliary, will do everything in their power to make these two Christmas activities warm and memorable.

As I have stated so many times in the past, there aren't many activities held by the Galileo Lodge that are comparable to these two special events. No superlatives at my command can describe what these two parties mean to these young children. You have to witness these with your own eyes in order to appreciate their joy and happiness.

The merry bells of Christmas will continue thru the whole month of December at the Galileo Lodge. And here's why. On Saturday, the 22nd of December, the Galileo Lodge will present its Member Appreciation Night, an affair funded solely by the Galileo Lodge in recognition of the services, loyalty and devotion of its membership and Ladies Auxiliary. Food, dancing and

entertainment make up the bill of fare for that evening. I might mention, and all members are cordially invited to attend.

And how about the Galileo Lodge's New Years Party, to be held on the 31st of December. The price of admission will be \$25 per person, and for that nominal fee you will be offered a cocktail hour, prime rib dinner and all the trimmings, unlimited liquor.

continental breakfast and live music presented by Jim Marchese and his wellknown music combo Skip Monteforte is the chairman and he can be reached by dialing 938-1158 or 931-9851.

Central General Hospital in Hicksville. The Galileo Lodge and its membership extend to Tony its best wishes for a very speedy recovery, and so to all the members of the Ladies Auxiliary. Hurry back to the fold Tony, because we all miss you very much. It is a well known fact that Tony Previte's expertise, knowledge and intellectual standing are great assets to the Galileo Lodge.

**LETTERS**  
(Continued from Page 2)

sympathize with their feelings, as I myself would have strong reservations about teaching sex ed to students.

It is apparent that the majority of principals, school nurse-teachers, and school psychologists share our concern, as evidenced by their recent vote against Strand III.

In conclusion, let me again say that we share with Mr. Ayres a high regard for our teachers in Hicksville and commend them for their sincere efforts on behalf of our children.

Phyllis Hundertmark,  
Hicksville

Editor:

On June 27th our School Board approved a specific Strand III curriculum for grades K-3. However, at the recent Strand III meetings, the sample lessons demonstrated by the Administration for these grades were taken, not from the Hicksville curriculum, but from somewhere else. We wonder what valid conclusions can be drawn from reactions to watered down material that has nothing to do with Hicksville.

If the Administration had brought in some sample lessons from some other school district for the upper grades 4-12 it might have made some sense, but to ignore the official Hicksville curriculum for grades k-3 and substitute other material robs the whole exercise of any claim it could make to validity.

The sample lessons made no mention of the shoe house and the apple tree activities where the class is encouraged to act like a kangaroo court to ostracize certain students. No, instead, the sample lesson says, "I have the right to be happy and to be treated with compassion in this class..." The sample lessons didn't show how the children were to role play conflicts with their families, or

how to role play stealing money from their parents' or teacher's purse, as called for in the official curriculum. No, instead, parents were told loftily that the child has "the right to be myself in this class..." and that, "I have the right to be safe in this class..." and that "I have the right to be heard in this class..." as if Strand III were nothing but pious platitudes.

The lesson on sex education was no better. Not once did the Administration representatives use the 'correct terminology' for the sex organs, as the Hicksville curriculum requires. Instead, a movie was shown that studiously avoided controversial language. Nor did the movie even show diagrams of the excretory system, or the male sex organ as called for in the official curriculum. No, instead, we were shown a monkey sucking his thumb and were innocently asked, "Do you know anyone else who sucks his thumb?" How ingenious.

The irrelevance of the watered down sample lessons to the officially approved Hicksville curriculum should be evident to all. If the survey has anything favorable to say about Strand III based on these lessons, logic will have gone out the window.

Doug Harknett

To the Editor:

We would like to reply to John Ayres' letter of December 6, in which he accuses the "organized opponents" of the Strand III Curriculum of "purposefully and falsely misrepresenting the concepts and content of the curriculum," and launching "an unwarranted attack on the quality, qualifications, sexuality, and sensitivity of our K-3 teaching staff."

There were 17 public presentations of the Strand III Curriculum. The first was held at the October Hicksville Community Council meeting, the remaining 16 represent meetings held at each of Hicksville's elementary schools. Mr. Ayres,

one of the members of the School Board who voted for Strand III, only attended two of these meetings, which were held to ascertain community reaction.

All presentations made by C.A.S.T. were basically the same speech in three different forms: all of these speeches were in written format and are available for public perusal. We challenge Mr. Ayres to quote anything at all that would support his charges.

As a matter of fact, there was ample opportunity for Dr. Fenton and Mrs. D'Avino, who attended all the elementary school sessions, to call attention to and rebut any misrepresentations of the curriculum or attacks on the staff, if they had indeed taken place. There were also several school board members present at most of the meetings. Mr. Ayres must now come up with specifics so that they can be answered. A shotgun smear technique will not work.

Very truly yours,  
Mary Lou Sullivan  
Linda Dimitratos  
The Coalition Against Strand III  
(C.A.S.T.)

**Motor Vehicle  
Holiday Closings**

Harold W. McConnell, Nassau County Clerk, announced that the Motor Vehicle Bureau branch office located in the Mid-Island Shopping Center, Hicksville, will be closed on Christmas Eve. However, all services will be available in the main office at 1500 Privado Road, Westbury.

Mr. McConnell also advised motorists to renew early and by mail to avoid the last minute rush and standing on long lines as the month of December is one in which we have a very large volume of automobile registrations and driver's license renewals.

**Hicksville PTA Council News**

The Hicksville Council of PTA Units held its monthly meeting on December 5th at the Burns Avenue School. In addition to the regular voting members of Council there were several visitors present: Assistant Superintendent of Schools Dr. Catherine Fenton and School Board members Thomas Nagle, Virginia Germer and William Bennett.

Informal reports were heard from those who had attended the recent State PTA Convention in the areas of Legislation, Special Education and Basic Competency testing.

Dr. Fenton answered questions concerning the district's plans to include some type of curriculum program for Gifted and Talented children. She replied that there is still much to analyze and to study in the newly created area, but that Administration is hoping to implement a program in the fall of 1980. PTA Council has accordingly appointed a chairperson this year for Gifted and Talented, Jan Borg of the Burns

Avenue School PTA. She will be meeting with the Executive Boards of the various units during the coming months.

Plans are underway for the Annual Founders Day Dinner to be held on February 14th. The honored guests and the location will be announced shortly.

Karen Garbus, Parent Education, spoke of the possibility of PTA Council holding a series of Parent Seminars to aid parents of school age children with the many problems of parenting. A motion was passed to purchase printed material for the projected seminars for the Council to study. LaRue Shah, Cultural Arts Chairperson asked Council to approve plans to hold an Ethnic Festival in the spring to raise money for Cultural Arts. The motion was passed.

The PTA Council is always interested in receiving input from concerned citizens of the community. Those with questions or comments should contact the PTA at their local school.

By O'D

"Tis the Season to be jolly" runs a line of the well-known Christmas song. It has been frequently observed that such feelings of mirth and joy become more common attributes of many of us at this time of year — though, unfortunately, too many of us seem to put much of that love away with other Christmas decorations shortly after the New Year begins. Perhaps this year, at Hicksville High School, these qualities will remain evident longer than is usual, due to the

### G.O.P. Club Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, December 14, at the Veterans of Foreign Wars Hall - Wm M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building).

The program for the evening will feature the annual Club Christmas party. "Come and enjoy with 'SANTA'; refreshments and entertainment," said a spokesperson for the club.

efforts of certain teachers and students who, though now working together to suggest projects which will make Hicksville High School 'stand out' in the competition for High School of the Year, do during the entire year display the kind of joy and caring too infrequently encountered in the rest of us.

Hicksville High School is vying with other schools throughout the State for the honor of being selected "High School of the Year." Though this is an enterprise which must involve ultimately all the studentry, at this point in the undertaking, the leadership and the projects proposed by that leadership are all-important.

Liz Sullo, President of the Student Government, has introduced a series of resolutions calling for active participation by all students in projects which are both humanitarian efforts and effective 'pluses' in our competition. To those who know Liz, her involvement and genuine concern for others are not surprising. She has made infectious joy and real caring a part of her life.

Mr. Paul Vetrano, one of Hicksville's Master-teachers, of

whom a student is as likely to say, "He really cares about you as a person," as "Boy, that Vetrano certainly knows what he's talking about," has made suggestions both in class and to class leaders around the building of ways to show our love and our concern for the captives in Iran. Again, no surprise. Mr. Vetrano's twenty years of service in Hicksville, his evident love of learning and love for people, his active involvement in Birth Right and fight to preserve Life, have made his name known to many people throughout the State — and a teacher whose name is fondly recalled by many students.

Among the projects proposed thus far is a Food Drive to provide for the less fortunate among us during Christmas. Students and parents are asked to bring canned food and dry goods to the high school, room 250, before our Winter Recess begins on Friday, December 21st. Tommy Luongo, President of the Senior Class, will organize the distribution of the food. It was Tommy who proposed another project, collecting money to aid the Boat People. Tommy's involvement and concern are his every-day garment.

Other projects will involve sending letters to the captives in Iran and the wearing of white arm bands to show the collective support of all Americans at home for all Americans abroad. There will be more on Hicksville's bid for High School of the Year in future columns.

"Never injure a friend, even in jest."  
Cicero

# "If you fit into one of these categories, a Bowery IRA or Keogh Account should give you a big tax shelter."

-Joe DiMaggio

(A terrific break in taxes in this roller coaster economy. Talk to The Bowery to see if you qualify.)

You may be paying more money to the I.R.S. than you legally need to —

- If you're a self-employed professional — physician, dentist, lawyer, accountant, director of a company, put up to \$7,500 a year in a Bowery Keogh Account and deduct that amount from your taxable income.
- If you do free-lance work. Put a portion of these earnings into a Bowery Keogh Account — even if you regularly work for a firm that has a qualified pension, profit-sharing or other retirement plan.
- If you're self-employed and do not have a Keogh Account because of its requirement to cover your employees, open a Bowery IRA Account instead.
- If you are not covered by a retirement plan where you work. You may be able to open a Bowery IRA Account.
- If you work for a firm that has a waiting period before you qualify for their retirement plan. You may also be able to open a Bowery IRA Account.

- If you're switching jobs. Shelter your retirement plan money from a huge tax bite with a Bowery IRA Rollover Account.
  - If you retire early. The Bowery IRA Rollover Account can save you a lot in taxes.
  - If you have a non-employed spouse, you may make annual tax-deductible IRA contributions that total up to \$1,750 on your and your spouse's behalf.
- Find out how you can benefit from one of these tax-deferred accounts. There is an IRA/Keogh specialist today at The Bowery nearest you.  
Call: 212-953-8330.

## THE BOWERY

The Bowery Savings Bank Member FDIC

More IRA/Keogh Accounts than any savings bank in New York
