Literacy Volunteers

For volunteers who would like to help non-readers learn to read, the Hicksville Public Library will host a seven session tutor training workshop sponsored by the Literacy Volunteers of Long Island.

Prospective tutors are invited to register for this free workshop where they will be trained in one-to-one teaching methods through the use of tapes, slides, live demonstrations, and practice

teaching sessions. There is a \$10 charge for materials. The Hicksville Workshop will meet at the library, 169 Jerusalem Avenue from 10 A.M. to 1 P.M. Wednesdays and Fridays on the following dates: January 11, 16, 18, 23, 25, 30 and February 1st.

To register, call Literacy Volunteers at 486-2789 - or - if you would like a tutor's help to improve your reading ability, contact Literacy Volunteers at 486-2789.

Benjamin Franklin Stamp Clubs

Benjamin Franklin Stamp Clubs are now being formed in the 4th, 5th and 6th grades of the Hicksville Plainview Elementary Schools.

As part of its ongoing public service program, the U.S. Postal Service has developed a special film strip presentation for school age children on the benefits and rewards of stamp collecting clubs. The theme of the presentation is "Stamp Collecting for the

Fun of it" and the content of the presentation is designed to highlight the educational and personal development opportunities for children associated with the hobby - a hobby already enjoyed by millions of Americans.

Contact the Hicksville Post Office at 433-7300 Ext. 24 if you are interested in seeing the stamp club presentation at your school or organization.

Museum Reports Very Busy Year

Over 8,000 visitors toured the Hicksville Gregory Museum, Long Island Earth Science Center, according to the 1979 summation of museum attendance and activities. The report data just released by Richard Evers, President of the museum Board of Trustees, shows continued numerous school tours at the museum, 7500 elementary and junior high school students and over 500 adults were given guided tours of the unique natural history and local history museum which is located in the old Heitz Place Court House, Hicksville's only National Historic Place.

"It is gratifying to know that the museum is still a favorite field trip for so many teachers and their classes," Evers said.

"In fact, for many of the children it is the only museum they have ever seen - and may well see until they are grown... It's a real bargain for fifty cents admission."

In this respect, the Hicksville Gregory Museum's importance to Long Island education of children and their well-being is incalculable. Who knows where a child's early interest and pleasure in seeing nature exhibits and being aware of his historical roots may take him?

The Museum's 1979 report indicates continuing and varied activities by the museum staff: inservice training courses for teachers in Long Island Environmental Geology and Social History; loans of traveling earth science exhibits to libraries and schools; participation in Coliseum Recreation and Leisure time Expositions; numerous illustrated natural history and geological lectures at schools by Museum Curator Janet Kempinski-Werner; participation in Gem

and Mineral Club Shows; the sponsoring of a two-day Fifteenth Anniversary Open House and an Earth Science Fair and Competition for Schools; and an exhibit in the Nassau County Parks and Recreation Department "Renaissance Fair" last summer.

In addition, museum featured two special exhibits during the year: a Pompeian Vesuvius Model and display devoted to the mineralogical sources of ancient color pigments and a local history exhibit "Hicksville in 1900." The latter display continues to fill the historic Jailhouse of the Heitz Place Courthouse. The display helps recreate the Hicksville scene at the "turn of the century," featuring numerous articles (kitchen utensils, craftsmen's tools and ledgers) once belonging to Hicksville merchant and artisan families.

Mr. Herb Cavanagh To Retire

By Linda Strongin

The retirement of Mr. Herb Cavanagh was accepted by the Hicksville Board of Education at its meeting Wednesday evening.

Mr. Cavanagh has been an educator in the Hicksville School District for 27 years serving as principal of Fork Lane School when that school first opened. Most recently he was principal of Woodland Avenue School.

In accepting Mr. Cavanagh's retirement, School Board President Dan Arena stated that "Mr. Cavanagh has served Hicksville well." Superintendent Dr. Wilber Hawkins stated "Mr. Cavanagh has been and educational leader bringing innovative programs to Hicksville that will continue. We will miss you." Mr. Cavanagh's retirement is effective January 26.

The Board appointed Dr. Terrell Stackpole as Supervisor of Cultural and Performing Arts after meeting in executive session for one hour. Mr. Arena informed those present that all seven Board members had interviewed the three finalists. He added that staff members had visited Dr. Stackpole's community and "received fine reports."

Dr. Stackpole is currently head of the Department of Fine Arts in the Wayland Public Schools in Wayland, Mass., which has a student population of about 2,700 with a declining enrollment. Dr. Stackpole's salary will be \$32,496.

Voting no to the appointment was Trustee Virginia Gerner. Vice President John Ayres was absent

for personal reasons and Trustee Pete Fujimoto was absent due to illness.

In the brief business meeting prior to the executive session the Board approved the job descriptions for Business Manager, Assistant Business Manager, and Director of Buildings and Grounds. Trustee Tom Nagle questioned a qualification for Buildings and Grounds requiring the person to be in "excellent physical condition." Mr. Nagle stated that it "was not necessary to be part of the job description."

Dr. Hawkins explained that the job description had been discussed with Mr. Becker (Director of Buildings and Grounds) and with Mr. Friedman (Director of Personnel). Mr. Becker had agreed to the statement. Dr. Hawkins added, however, "It is hard to determine what is 'excellent physical condition.'" The Board agreed to delete the sentence from the job description.

A cooperative participation in a Title I Project by Levittown Public Schools was approved by the Board. The project requires the acceptance of \$6,000 from the Levittown School District for the education of the Levittown school children in the Hicksville School District at the Holy Family Elementary School. Title I students are those identified as educationally and/or culturally deprived.

The Board also approved the district's participation in a replication project, title "Systematic Evaluation and Management of Compensatory

Education," recommended by Assistant Supt. for Secondary, Dr. Daniel Salmon. The project is under Title IV-C in the amount of \$16,000 and would be effective July 1, 1980 through June 30, 1982.

Dr. Hawkins explained that a replication project means it has been done elsewhere. He added that the project involves reading and would provide "a way to place student assessment test scores on a computer to obtain more information on how our students are doing."

During the public speaking session a resident questioned why a computer program was needed for reading. Dr. Hawkins explained that "teaching reading is complex. It is a series of skills with component parts. If we receive the monies for this project, we would have a way to monitor students' progress on the elementary level."

A new travel allowance policy was read to the Board by Business Manager Richard Weisang. This would increase the allowance from \$1.12 to \$1.18 per mile. A vote will be taken in thirty days, under Board policy.

Trustee Neil McCormack voiced his opposition to this increase, stating he would agree to only \$1.15 per mile.

Mr. Nagle suggested that the district purchase more cars which could result in "a cost factor savings," but Mr. Arena pointed out that a purchase would have to be "a budgetary consideration" for next year.

In other policy decisions, the

Kids' Cookbook

There is something new in the Children's Room of the Hicksville Public Library. The Hicksville Kids' Cookbook. This publica-

tion is the result of the great interest shown by children for cookbooks and recipes. The Children's Room staff invited

grade school children to submit their favorite recipes to share with other children of the community.

The response was overwhelming. Over 100 were received, some original, some old family "secret" recipes... some fast, easy, tempting goodies. The booklet is now complete, free copies are available (one to a family please) in the Children's Room of the Library.

The entire staff of the Children's Room worked many, many hours to compile this publication. Most of the recipes were prepared, to test for proper amounts. Then they had to be typed. After that a format had to be chosen. After all this was done, illustrations were made and now it was ready for the printers. When they were completed the staff had to devise a method for holding the book together. Brass fasteners were selected, and now all that had to be done was to punch the holes and fasten their creation together. Well now, six months or so, later the task is completed. Thank you Children's Room staff: Marilyn Kappenberg, librarian; Mildred McLaughlin, artist; Peg Colie and Sabina Briganti, typists; and all the pages, who punched the holes and put the entire project together. This is a job well done. Thank you, thank you.

Hicksville Library News

Family Films

On display in the lobby showcase of the Hicksville Public Library is an exhibit on loan from the Grey Art Gallery of NYU "Interpreting the American Scene". This show of 20 prints from the 1930s and 40s includes many of the stellar figures who made significant contributions to both printmaking and the search for an American aesthetic in the Depression years. Some of the artists represented are Reginald Marsh, Raphael Soyer, Grant Wood, Rockwell Kent, Ivan Albright, Thomas Hart Benton and Don Freeman.

This important presentation of 'time' just a little past is made possible with the cooperation of the Nassau Library System Public Relations office. The exhibit will be on view through the month of January.

Open House

On Sunday, February 3, Holy Trinity Diocesan High School, Newbridge Road, Hicksville, invites all to its annual Open House.

Between 2:00 PM and 4:00 PM all are welcome to come and meet our Faculty and students, view departmental exhibits, and generally experience the type of school it is.

Beginning January 1980, the Hicksville Library will present a family film series to be seen either Friday evening at 7:30 or Sunday afternoon at 2:00 P.M. The first film will be the 1940 production of Jane Austen's "Pride and Prejudice" starring Greer Garson and Laurence Olivier on January 11 and January 13.

The library is a family oriented institution and Sundays are used by many to browse through our shelves for their weeks reading materials. We thought that a classic film that all ages can enjoy would be an added treat to the regular Sunday borrowers, and all the other members of the community who would enjoy a 'good old film'.

The February film is the British Royal Ballet's Company production of "Peter Rabbit and Tales of Beatrix Potter with musical background by the Convent Garden Opera House orchestra.

You don't have to be a child or have a child to come to the library and relax with us. See you at the movies...

"Magic Garden"

Long Island youngsters will be able to visit the mystical world of "The Magic Garden" when it comes to the Northstage Dinner Theatre in Glen Cove on Sunday, January 20th at 2 p.m. and 4 p.m. WPIX's "Magic Garden" is a television program that has been delighting youngsters in the New York Metropolitan area since 1972.

The show's hostesses, Paula Janis and Carole Demas, use songs, stories, puppets and live animals to teach their young viewers the basic principles of friendship, loving, caring and sharing.

Carole Demas attended the University of Vermont, where she was active in the Champlain

Shakespeare Festival. She was also the originator of the role of "Sandy" in Broadway's longest running musical, "Grease."

Paula Janis attended Skidmore College, majoring in drama and toured the country with the school's Omnibus Players.

Paula and Carole's teaching experience includes working with deprived youngsters. The format for their successful "Magic Garden" television show was created from a combination of their theatrical and teaching backgrounds.

Tickets are \$4.00. Reservations for performances of Paula and Carole of WPIX's "The Magic Garden" may be made by calling (516) 676-8500.

Local Students In Choir

Several area students are singing with the Susquehanna University Chapel Choir this year.

Elizabeth Buckham, a freshman business major, is the daughter of Mr. and Mrs. Edward Buckham of 8 Ormond Street, Hempstead, and a graduate of Long Island Lutheran High School.

Arlene Curth, a freshman biology major, is the daughter of Mr. and Mrs. Herbert Curth of 2 East Street, Hicksville, and a graduate of Long Island Lutheran High School.

Ronald Donnelly, a freshman accounting major, is the son of

Mr. and Mrs. Carroll Donnelly of 184 Madison Avenue, Island Park, and a graduate of West Hempstead High School.

Nancy Mott, a senior music education major, is the daughter of Mr. and Mrs. Frederick Mott of 288 Colony Street, West Hempstead, and a graduate of West Hempstead High School.

The 67-voice Chapel Choir performed selections from Handel's "Messiah" for some 1500 persons at Susquehanna's annual Candlelight Christmas Service Dec. 19 in the Weber Chapel Auditorium on the university campus in Selinsgrove, Pa.

Beware Of Con Men

Nassau County District Attorney Denis Dillon today issued a warning to Nassau County consumers to beware of telephone sales persons offering to sell commodities at a bargain rate.

The District Attorney advises residents to be cautious when solicited to purchase such commodities as crude oil, gold, silver and oil leases. Dillon said, "The chance of a lifetime may be no chance at all."

The District Attorney cites one company in Massachusetts which is offering to deliver one thousand barrels of oil at the current spot market price in return for the payment of a non-refundable "acquisition fee" of \$11,000.00. In order to enforce the contract, a customer, in addition to paying the \$11,000.00, must pay the future spot market price in full at the time of the termination of the contract.

For example, if the spot market price at the end of six months is \$45.00 a barrel, the

customer must pay an additional \$45,000.00. The seller then has an additional sixty days in which to provide the buyer with oil. No representation is given as to where the oil will be shipped and in fact, the contract states, "Dealer will cause to be delivered the agreed amount of crude oil to a port chosen at the dealer's discretion for the account and risk of the purchaser."

With respect to the prices paid for the oil by the customer, the contract states, "You (seller) will exercise reasonable efforts to do business with dealers whose prices are competitive and fair. You (seller) make no representation as to the reasonableness of the customer's per barrel price." In other words, the spot market price for a barrel of oil could be higher than the average market price.

Dillon said in the case of gold, a typical case would be a potential investor being offered a contract to buy 100 ounces of gold at the current price, to be delivered and

paid for six months after the contract is signed. The investor would be charged a nonrefundable fee of \$4,500. to \$5,500. When the six month period is up, most of the investors are prevailed upon to renew their contracts so that the company would not have to provide them with gold. In a specific example, investors were told that the gold or other precious metal they were supposed to receive was being held by the Overseas Credit Bank in Luxembourg. An investigation has shown that the Overseas Credit Bank in Luxembourg does not exist as a bank and does not possess any precious metals.

Dillon said, "Whenever the price of a commodity is skyrocketing, there are always people who will devise schemes to take advantage of the situation. We saw the same sales approach several years ago with land and stock. The people involved are very smooth operators and consumers should be extremely cautious if solicited."

Story Telling Contest

Children in grades 3-6 will be telling tall tales - or short ones - in the first Long Island Storytelling Contest cosponsored by the Nassau and Suffolk library systems in cooperation with local schools. To be eligible for registration, youngsters in grades 3-6 must live in or attend school in one of 27 Nassau library districts and 22 in Suffolk participating in the contest (see list of participating libraries).

Registration for the 1980 competition began in December. Individual libraries should be checked for particulars. In many instances, drama, speech and reading teachers and school librarians will assist public librarians in working together to help children select and learn stories. Selections from old or familiar favorites may range

from Grimm's tales to southern mountain tales, Anansi tales from Africa to "Pourquoi" (the reason why) stories.

Contests in the libraries begin in February, some preliminary contests will be held earlier. Regional run-offs are in March. Finals will be held in April during National Library Week. Nassau finals are scheduled for Wednesday, April 16, 7:30 p.m., at the Nassau Library System, in Uniondale. Suffolk finals will take place on Saturday, April 19, 2:00 p.m., at the South Huntington library.

As a grand finale, finalists from each county will be invited to tell their stories at the Annual Storytelling Institute on May 24, jointly sponsored by the Nassau Library System, Suffolk Cooperative Library System and

The Palmer Graduate School of Library Science on the C.W. Post campus.

Winners - local, regional and finalists - will receive trophies made possible by funds from Citibank. Each child who enters the contest will receive a certificate of participation, suitable for framing, from the Nassau and Suffolk library systems.

Barbara Ann Porte and Kathleen Sheehan, of the Nassau and Suffolk library systems respectively, are the bi-County contest coordinators.

Nassau Region I Valerie Olney, Syosset; Region II Trev Jones, Garden City; Region III Rosalie Zacharias, Hempstead; Region IV Maribel Levine, North Merrick and Region V Marina Sullivan, Lynbrook.

"Every man needs a hobby when he retires. Hobart's is meter reading!"

What does Hobart know that you don't? He's read our Guide to Meter Reading and Your LILCO Bill, which explains the mystery of it all once and for all. Drop us a line, and we'll send you a copy. Our address is on your bill. Then you can do the same things Hobart does, like double-checking the accuracy of our readings or estimates and helping control costs by keeping a running check on energy use. While we're on the subject, a note to those of you who get bimonthly readings and bills. Sure, a bimonthly bill is higher than a monthly one. But we respectfully point out that this procedure helps keep down both paper work and the size of our meter-reading staff. And that means a saving to you and all our customers.

We received a nice letter from Mr. A.S. of Baldwin. "Thank you for your prompt response to my request for help in computing my electric bill... with the clues you gave me, I was able to arrive at the right figure." P.S. "We are shareholders and proud of LILCO employees." Thank you, Mr. A.S.

Dear Friends....

Inasmuch as we have received several unsolicited "Letters To The Editor" recently, we take this opportunity to remind you that an unsolicited letter is never considered for publication, no matter how worthy its topic may be. We will withhold your name upon your request, but your name, address and telephone number should accompany your "Letter".

And, speaking of the Letters column, why not make it a point to send us at least one, if you feel strongly about any local problem or topic. It will reach a lot more people than just complaining to a few friends who may or may not agree with you. Whether or not our readers agree with you... your opinions are important. And an exchange of ideas and opinions can only be constructive. So, let's hear from you. Oh yes, please keep the letters roughly a page and a half typed double space, if at all possible... (even shorter, if you can). How do they say it... "Keep those cards and letters coming".

Last week we had the pleasure of seeing Betsy Palmer and Tom Troupe starring in the comedy "Same Time, Next Year", which is presently playing at the Northstage Dinner Theatre at 96 School St., in Glen Cove. For further information regarding making reservations at this popular dinner theatre phone 676-8500. Note to his many friends and acquaintances... if you are looking for Tom McCarthy you'll find him at the popular Slack O'Barley Pub located on Route 107, 646 South Broadway in Hicksville.

THAT'S ALL for this week. Stay well and remember the old saying: "Don't complain about being old... many are denied this privilege." SHEILA NOETH

Jericho Lodge No. 846, Knights of Pythias Membership Drive will feature a dinner for members and prospective brothers-to-be on the eve of Thurs., Jan. 24, and will be held at the Masonic Temple, 18 W. Nicholas St.,

Hicksville. The dinner will be followed by a discussion of the activities, committees, charitable functions and benefits of the Lodge. For more information, call V.C. Bob Hordos at 433-2426.

FLAG SUPPORT: Oyster Bay Town Supervisor Joseph Colby (right) holds onto several flags, one of which will be flown on his official car to show support for the 50 Americans being held hostage in Iran. The flags, which will fly on all Town cars and

trucks, were acquired with the help of the William M. Gause, Jr. Post 3211, V.F.W., at Hicksville, represented here by past commander and the Post's Legislative Coordinator, Joseph Normandy.

Believe The Russians!

By Cong. Jerome Ambro

One of our basic problems in dealing with the Soviet Union is that not enough of us believe what the Russians say. A conservative, nationally known commentator noted last week that in a restricted, limited sense, the Russians are very straightforward and honest.

For reasons that are difficult to understand, many Americans become confused when the Soviets act just the way they have always acted, the way they said they would act, rather than the way we think, we hope, they should act.

The Russians have made it known quite clearly that they will not tolerate domestic dissent. Yet, some of our citizens are surprised at tales of terrible repression inside the Soviet Union.

The Russians have never attempted to disguise their feelings that the Eastern European communist nations are nothing more than "satellites" of the Soviet Union, satellites over which Mother Russia exercises absolute dominion. Yet when those nations act even a little independently and are then crushed by unbridled Soviet military might—as in Hungary in 1956, or Czechoslovakia in 1968—some Americans are puzzled. (The Russians only need about one good invasion a decade to keep everyone mindful that the snarl-

ing bear is looking over his shoulder.)

Since the Czech invasion, the Soviets have publicly maintained that they are committed to fostering communism, that is, Moscow-aligned communism everywhere in the world. The Brezhnev Doctrine has been recognized as the cornerstone of Soviet foreign policy for more than a decade. Why then are some Americans surprised at the Soviet invasion of Afghanistan? It's action consistent with a policy promulgated more than 10 years ago and reaffirmed many times since.

The Soviets will go into any country they choose, anytime they choose, for any reason they deem appropriate, by any means available to them. They're not my observations. That's what the Soviets themselves have said. Some Americans may not want to accept the implications of those Russian declarations, and may therefore dismiss them, just as many refused to believe the insanity in Hitler's thesis as outlined in Mein Kampf and then a decade after its publication puzzled over his actions and motivations even though they followed precisely the blueprint in his book.

The analyses and interpretations that will surround the latest example of Soviet imperialism will be numerous. Everyone who deals in any way

in foreign affairs will have an opinion about what it all means.

I think the uncontested fact, however, is that by their own actions, the Soviets have once and for all laid to rest any pretext of being a civilized, peace-loving nation. The illusion of respectability which they have attempted to achieve during the past decade—and which some Americans have unfortunately accepted—has been exposed for the fraud that it always was.

The Soviets are and have been for decades the most imperialistic of nations.

The Arab and other Third World nations that are now the targets of Russian adventurism must understand, if indeed they ever truly doubted, that it is the Soviet Union they have to fear and not the United States. Anwar Sadat recognized this when he threw the Russians out of his country years ago. Was our interest in the Middle East ever anything more than a sincere attempt to bring peace to all the people of that most troubled part of the world? Even the most rabid, militant anti-American regime must now admit to itself the obvious.

An American Associated Press reporter filed the following last week from Kabul: "A deep disgust for the Soviets was apparent among people on the street. Men stared coldly and occasionally

At Old Bethpage Village

visitors may witness the many ingenious methods Long Islanders have used to dispel the darkness from their homes and to light their way.

Lamps fueled by grease soaked in the pith of rushes will light the hearth of the 1760 Schenck House.

In the heyday of Long Island whaling, oil from the huge mammoths lighted many local homes. A whale oil lamp will glow at the Conklin House but because of the current scarcity of the over-hunted whale, the lamp will burn codfish oil.

During the early and middle years of the 19th century "camphene" lamps were used, particularly for close work. Newspapers from the 1800's refer to many injuries caused by the all too frequent bursting of these devices, which burned an explosive mixture of turpentine and alcohol. Such a lamp may be seen unlit in the sewing room of the Williams House.

By the 1860's oil had been discovered and kerosene, a petroleum derivative, became a popular fuel. Glass Kerosene lamps will light the Victorian dining room of the Layton house. The glow of candlelight

thickened all through these years. Thrifty housewives continued to dip and mold their own candles even as alternatives became available. They rendered the mutton and beef fat left over from the butchering and sent the children to gather bayberries from the bushes which once grew profusely along Long Island shores. Tallow was used to make "ordinary" candles. The beautiful, hard light green wax of the bayberry was added and mixed with tallow to make longer better smelling tapers for the parlours. Both methods and types of candles will be made in the out-kitchen of the Powell farmhouse, where soapmaking will be demonstrated simultaneously.

Old Bethpage Village Restoration, operated by the Nassau County Dept. of Recreation and Parks, is located on Round Swamp Road, South of Long Island Expressway Exit 48. It is open daily except Mondays from 10 am to 4 pm. Admission is \$2.75 for adults, \$1.50 for children. Leisure Pass holders pay \$2.25 and \$1.25 respectively. A cafeteria is located at the reception center. For further information call 420-5280.

Kibbutzim Exhibit

A special exhibit, "KIBBUTZ LIFE, ISRAEL, 1980" will be shown at the Mid-Island YM & YWHA, 45 Manetto Hill Road, Plainview, on Saturday, January 19 (8-10:30 p.m.) and Sunday, January 20 (10 a.m.-5 p.m.). Organized with the Kibbutz Ahivak Desk, this exhibit will feature an art show of works by kibbutz artists including paintings, batik, leather, etc. Some of these items will be for sale. There will also be an exhibit within the exhibit: "70 Years of Kibbutz" which will share with the viewer the reality

of kibbutz life in Israel today. Film, cassettes, slides and informational pamphlets will add other dimension to the exhibit. Representatives will be available to answer your questions.

Letter To The Editor

Dear Sheila,
I was very touched by your most appealing editorial last week on your predictions for our community. It reminded me of a superb experience I had many years ago standing on top of one of the mountain peaks in that grand place, Yosemite National Park. From this perspective I saw the vastness of the earth, the littleness of man, and the Glory of God. It gave me a sense of awe and yet also a sense of the unity of us all.

As we stand at the threshold of the 1980's (and who of us over 40 cannot experience a sense of fright that perhaps George Orwell's 1984 ominous predictions will become a reality), we see before us deeply rutted valleys of decay and divisiveness and potentially dangerous trails juxtaposed with the vision of space colonies, the discovery of a

marketable energy source, a cure for cancer, and peace and harmony among men of goodwill.

Indeed the world has radically changed for those of us raised in the 30's and 40's. "As our world is new, we must think anew," so said that wise man Abraham Lincoln. We can continue to isolate and insulate ourselves from the obvious change around us at the danger of repeating our mistakes. Perhaps we all need to take a mental trip to a high plateau and see the grandeur of our great land and the smallness of our divisions and seek to become peacemakers.

So, Sheila, perhaps we can join forces and all our energies to accomplish together the great predictions you made for our community.

Love,
Joan Jones

Induct Town Officials

At ceremonies to induct six Town of Oyster Bay officials into new terms of office, Oyster Bay Town Supervisor Joseph Colby indicated that his goal for the 80s will be "to make a good Town government even better."

Prior to his induction, the large number of well wishers present were addressed both by Nassau County Republican Leader Joseph Margiotta and by Town of Oyster Bay Republican Leader State Sen. Ralph Marino, who both spoke words of praise for the newly elected public officials.

After being sworn into office by Nassau County Executive Francis T. Purcell, Colby noted that this administration will continue its active efforts to preserve and protect the many attributes of the Town that make it a desirable place to live and raise a family. "The watchwords of Oyster Bay's government for the 80s will be realism and responsibility; proper aggressiveness in preserving our cherished suburban character; increase communication with Town residents...our goal will be to make a good, Town government even better."

Colby noted that, while the induction is meant to indicate the beginning, he said that the administration's work for 1980 is well underway. Referring to the election day victory, Colby said that the "knowledge that our past actions earned us the confidence of the Town's electorate has brought a redoubling of our resolve to continue to provide responsible and responsive government. We will not be content to rest on past achievements and recent successes. We will approach each day as an opportunity to further improve local government and better serve our residents."

He noted that in the months ahead the Town will continue to search for greater efficiencies through innovations. Colby pointed to the planned modern-

ization of street lighting as an example of improving service while reducing costs. He indicated that further computerization, where possible, will also assist in better serving our residents while increasing economies.

Colby then indicated that he will continue to speak out forcefully to protect local government and suburban homeowners by maintaining a role of "responsible aggressiveness in advocating federal, regional and state decisions that 'are responsive to public needs and not injurious to our general welfare.'"

He cited the need to protect the federal revenue sharing program as one important federal target and noted the necessity for state action to protect homeowners against the problems of court-ordered reassessment. Also, on the state level, he pointed to the

necessity of developing a realistic solution to educational financing - one that "acknowledges the best interest of suburban homeowners."

Coupled with these actions, Colby indicated that communication with Town residents must be increased so that there will be a greater awareness among Town residents.

In conclusion, Colby asked the people to be mindful of the tense world situation and requested a silent prayer be offered for the speedy and safe return of the hostages being held in Iran.

In addition to Supervisor Colby, those sworn into new terms included: Councilman Gregory W. Carman, Salvatore R. Mosca and Thomas L. Clark, Town Clerk Ann R. Ocker and Receiver of Taxes Solomon Newburn.

Galileo Lodge News

By Joe Lorenzo

The holiday season is now over. But at the Galileo Lodge, good will and glad tidings remain constant, and the perpetuation of fraternity, equality and brotherhood is always in evidence. Then add its desire to give of itself so that others, less fortunate, will benefit. It can be truly said that the bleakness of winter is only a state of mind at the Galileo Lodge, and this condition vanishes as we note that the Lodge is now working on its late winter and early spring entertainment activities. These activities will be announced in this column in later editions of the Herald.

For a start, on Thursday, the 21st of February, the Ladies Auxiliary of the Galileo Lodge

will hold a Card Party. Refreshments such as beer, soda, coffee and cake will be served. Gifts will be raffled off and presented to all those who attend. Price of admission will be \$3.00 per person. Men and women are invited, and tickets will be sold at the door. Extra added attraction is an open bar, where you can enjoy drink of your own choice. The chairlady is Carmen Russo, who can be reached at 931-1059, and the co-chairlady is Ann Lappano, who can be reached by dialing 935-6065. Carmen Russo can also be reached at the Bingo sessions held by the Galileo Lodge every Wednesday night, at its quarters, located on Levittown Parkway, Hicksville. Any activity held by

the Ladies Auxiliary is well worth attending.

I have been told by many people that the Galileo Lodge has come out of its organizational infancy, that it has matured. And its members give every indication that this is true, for I can proudly state that Fred Vevante, a member and former officer of the Galileo Lodge, will be installed as President of the Hicksville Republican Club on January 11th, its next meeting night. Fred Vevante's nomination was opposed, which really makes it more of an honor. The Galileo Lodge, in acknowledgement, extends its congratulations to him. Speaking about exemplary

conditions, I might also mention that the Ladies Auxiliary has presented the Galileo Lodge with a \$2500 check as a result of its hard work and loyalty. Rose Riccardi, its President, made the presentation at the last business meeting of the Lodge.

My word, is it true that the Galileo Lodge is going theatrical. Oh, yes, it is. On March 14th, at its quarters, 200 Levittown Parkway, Hicksville, the Galileo Lodge will present an off-Broadway show entitled "THE LINE". It will consist of a one-act comedy involving five people, and it will feature the talents of Anthony Sarrero, the son of Mr. and Mrs. John Sarrero of the Galileo Lodge. John Sarrero, I am told, has an enormous love for the theatre and acting, so it stands to reason that his performance will do justice to that love and those aspirations. This play is now being presented in a theatre located on West 13th Street, New

York City. More particulars concerning this presentation will be forthcoming in later columns, so for an early spring event, why not keep attuned to the Galileo Lodge's spring entertainment programs? Remember, if it is a presentation of the Galileo Lodge, you can't go wrong. Versatility and diversification reign supreme here. Contact Skip Monteforte (938-3158) for more information on this.

Lodge Tidbits

Thanks to Jim Ingine for acting as the official greeter at the last business meeting when the new members were sworn in. Mr. and Mrs. Danle Peretti of the Lodge have recently returned from a beautiful stay in Las Vegas. Ann Lappano of the Ladies Auxiliary is on the verge of getting her driver's license, and we wish her the best of luck, of course.

Bank Dividend

The First National Bank of Long Island will pay a .10c per share dividend to shareholder of record December 14. The board approved cash dividend was announced by J. William Johnson, First of Long Island's President and Chief Executive Officer. Johnson said the dividend will be paid on January 14, 1980.

Around Our Towns

Harriet A. Maher

New year, new addition-at least in Patty and Tom Lungo's family. Thomas Andrew was born on December 27 to the Lungo family. He weighed 7 lbs. 14 ozs. at birth. Thomas Andrew joins his two sisters, Dawn Marie (3 yrs. old) and Tricia Ann (who was 2 years old on January 3). Both Patty and Tom were raised in Hicksville and attended our local schools. Patty's mom, Mary Novellano lives in Hicksville and so does Tom's parents, Tom and Margaret Lungo, Sr. Congratulations and best wishes to all.

More good news. Nancy and John Scobie, former residents of Hicksville who now reside in Levittown, have a new daughter, Kimberly Scobie was born on December 28. We wish much happiness to Nancy, John and their new daughter.

Val Zito, Hicksvilleite, spent a happy Christmas with her daughter, Jackie, her sister, Ann Galligan, and her nieces and nephews. However, after a wonderful day and happy celebration, somehow or other enroute home, Val and her daughter overshot their destination--Hicksville--by about ten miles. When they realized their mistake, of course they turned around and came back home. Val said they were so preoccupied with rehearsing the day's festivities they lost their way. But "all's well that ends well."

Home for a happy visit with his parents is Carl Margolis. Carl flew in from Costa Mesa, CA, where he resides with his wife, Sharon and their son, Cliff (3 1/2 yrs.). His parents, Murray and

Frances Margolis of Hicksville, were delighted to have this opportunity to see their son again. Since Carl is in our area on a short business trip, Sharon and Cliff did not accompany him. There are plans being made, however, for a family get-together in the not too distant future. We'll tell you all about it when the plans come to fruition.

Another recent visitor to Hicksville was Michael Wesnoske. Michael spent the holidays with his parents, Hicksvillites Sis and Ben Wesnoske. The family had a warm and wonderful time during his visit. All too soon, Mike had to return to Racine, Wisconsin where he is employed by S.C. Johnson & Sons.

Heard that Frank Jopp of Hicksville was a lucky winner at Bingo not too long ago. Hope this is the forerunner of many good things for you during the upcoming year, Frank.

Congratulations and best wishes to Judge and Mrs. Lebkuecher who will be married 50 years on January 19. May you both enjoy and share many, many more loving years together.

Don and Eleanor Hoose and daughter Doreen spent the Christmas holidays up in our area. They are former long-time residents of Hicksville. Doreen was a student in Hicksville Jr. H.S. when the family moved to Florida. They presently reside in Holiday, FL while they await the completion of their new home in Newport Richie, FL. They made the rounds visiting relatives and friends in Long Island. They re-

turned to FL shortly after New Years.

A very happy Christmas was enjoyed by Anne and Bob Rennert and their daughter Terrie. They spent it at Anne's brother, John Bardenhagen and his wife Marge's home in Hicksville. In addition to the Rennert children and the Bardenhagen children, the matriarch of the family, Anne Bardenhagen, was in attendance at the festivities. It was a truly sharing and caring occasion for the whole family.

Belated birthday greetings go to Jennifer Donlon, who celebrated her 13th birthday on Dec. 17, and to Douglas Donlon, who celebrated his 15th on Dec. 31. They are the children of Martha and Bill Donlon of 6th St., Hicksville.

Congratulations to Mr. and Mrs. Gary Epstein of Jape Dr., OLD BETHPAGE, on the arrival Dec. 27 of their first children, triplets, Bradley Michael, 5 lbs. 14 ozs.; Jason Scott, 5 lbs. 3 oz.; and David Matthew, 4 lbs. 9 oz. at New York Hospital.

Best wishes to this family and the proud grandparents, Mr. and Mrs. H. Epstein and Mr. and Mrs. J. Syskrot, both of Brooklyn.

Mr. and Mrs. Joseph Schlosser and their new son, Nicholas Joseph (born on Nov. 16) visited with Joseph's parents, Phillip and Rita Schlosser of Second St., Hicksville, for a week during the Christmas holidays. The family also received word that Rita's brother, H. Hubert Ofenloch, has been elected State Commander of the American Legion of Nevada.

Cookie Sale

The Nassau Council of Girl Scouts Annual Cookie Sale begins on January 11, in communities throughout all of Nassau County.

Seven delicious, completely natural varieties of Girl Scout cookies are available: Peanut Butter Sandwich, Assorted Sandwich Creams, Chocolate Covered Thin Mints, Shortbread, Chocolate Covered Peanut Butter Patties, Granola and Sesame Wheel Crackers.

Mrs. Kiesel, Cookie Chairman for Hicksville community, said "Inflation has affected even the Girl Scout Cookies. This year the price per box will be \$1.50 due to increased cost to the Council as well as higher operating costs. There has not been an increase in approximately five years, and the 1980 increase will be reflected as a troop rebate."

Buying a box of Girl Scout Cookies is more than just a purchase. Translated that \$1.50 means SUPPORT, support of a youth-serving organization whose purpose for being is to help the girls of today become the women of tomorrow. The sale of Girl Scout Cookies helps Nassau Council maintain five camps, buy equipment, cover transportation costs, train leadership and provide girls with the opportunity to attend council-sponsored events at all program levels.

A new and added incentive has been introduced this year: Each girl who sells 300 boxes of cookies will receive a \$50 credit which can be applied to the cost of a session at either day or resident camp or a Wider Opportunity experience.

Plainview Library News

CHINESE THEATRE
The YUEH LUNG SHADOW THEATRE will play a single engagement at the Plainview-Old Bethpage Library in January. Sunday, January 13, at 3 PM. Shadow dramas deal with the age old themes of human relationships; religious teachings, and the conflict between good and evil. Animated figures made from animal hides are manipulated behind a "back lit" screen causing them to glow with jewel-like radiance. YUEH LUNG uses exact replicas of shadow figures common in ancient China. An exotic, unique, theatrical experience which can be enjoyed by the entire family.

The Library is located at 999 Old Country Road, Plainview, opposite the Morton Village Shopping Center. For further information or directions call 938-0077. FREE NO TICKETS REQUIRED.

SERIGRAPHS ON EXHIBIT
Serigraphs (silk screen prints)

At Old Country Rd.

The Old Country Road School P.T.A. is sponsoring a Blood Drive on Monday, January 14, from 4:00 p.m. to 8:45 p.m. at Old Country Road School. It will be carried out by the Greater New York Blood Drive.

In the past several months, there has been a great need for blood donors in this area of the country. Because of this, everyone is urged to take this opportunity to donate, not only to save the lives of others, but to assure their own blood needs as well.

If you would like to give blood, please contact the school nurse at 733-2061 and set up an appointment.

by Shellie Schneider of Port Washington are the featured exhibit at the Plainview-Old Bethpage Library in January. Ms. Schneider's work involves the use of abstract forms expressed in strong colors, mostly blues and browns. The contrast between "warm" and "cold" colors is striking. There are a number of human figures very pleasing in execution; and one realistic seascape, "Peggy's Cove". A frequent exhibitor, Ms. Schneider has won many awards and is represented in a number of private collections. Her serigraphs are excellent examples of silk screen printmaking. The exhibit will continue through January. Library hours are Monday-Friday 9:30 am - 9:00 pm, Saturday 9:30 am - 5:30 pm, Sunday 1:00 pm - 5:00 pm.

TOUR AUSTRALIA
Join Plainview resident Florence Polatnick on Thursday evening, January 17 at 8 PM for a slide-illustrated tour of Australia.

With the beginning of a New Year, Old Country Road P.T.A. has ventured into a new area of activity for the students at O.C.R. Arrangements have been made with Miss Karen Heiz, a professional instructor, to give baton lessons on Wednesday afternoons after school starting January 9. The times of the classes are - Kindergarten through 2nd grade - 3:45 p.m. to 4:30 p.m.; 3rd grade through 6th grade - 4:30 p.m. to 5:30 p.m.

A nominal fee is being asked from each participating student, to cover the cost of these lessons.

The P.T.A. hopes this extra-curricular activity will prove to be a popular one and of interest to many students.

Why Hicksville? Asks Chamber of Commerce of G-1

There is probably no doubt that when the G-1 zone was originally conceived, the inherent intentions were good. Be that as it may, we cannot now help but ask: "why Hicksville?" As we ride through other towns - Bethpage, Farmingdale, etc., we see evidence of urban renewal. Buildings are spruced up and renovated. Life is breathed into the villages and they become vibrant and lovely. Paradoxically, in Hicksville, if some hardy soul wishes to

remodel, spruce up, beautify, he is hit with the restrictions of G-1.

Hicksville needs people walking in the streets, going about the business of living. We need stores, and places to live. We can have neither at present.

We are told, instead, that the G-1 zone is designed primarily to accommodate office buildings. Retail stores are basically prohibited except as a minute percentage of an office building structure. Hicksville, being the

provincial town that it is, cannot now compete in the office building market. By the time a developer might circumvent the limitations of G-1, his costs would be so high as to stand in the market place of the "status" office buildings farther north - vast enterprises like the Jericho Quadrangle.

Hicksville needs a complete reevaluation. We must make room for sensible, compatible progress.

On the Campus

Jeff M. Himmel of Abbey Lane, PLAINVIEW has received a bachelor's degree in sociology (criminology) from Plattsburgh State University.

Boy Scout Troop 172

By S. Woodcheke

On behalf of our scouts and their families we wish you all a very Happy and Healthy New Year.

Our activities for the New Year are going to be full. On January 11, 12 and 13 we plan a winter "igloo" hike to Camp Wauwex. A variety of winter activities are planned with fun for all.

On December 8 our scouts hiked the Upper New York Trail and visited the Indian Museum. The scouts had a valuable history lesson from the hike as well as earning a patch for completing the trail.

If you are interested in scouting, visit us on Friday evenings 7:30 p.m. to 9:45 p.m. at East Street School in Hicksville.

Warren P. Noll, 3 Clinton Lane, Hicksville, has been appointed assistant vice president and deputy marine manager by Royal-Globe Insurance Companies. Mr. Noll will assume expanded responsibilities for the marine and aviation division.

He joined the Companies in 1960 as a cargo claims adjuster in the marine department, New York. After serving in various capacities, he was transferred to the San Francisco region in 1969 and was promoted to manager of the regional marine department there in 1970. He returned to New York as assistant secretary in the marine division in 1973 and was named secretary and assistant marine manager in 1978.

Hicksville American Soccer Club

Last week-end, the Hicksville Americans Soccer Club ran its fourth of 10 indoor tournaments scheduled for this winter. Twenty teams of boys born in 1965 (under 15) participated in 74 fast action soccer games at Lutheran High School to decide the eventual champion and the Club was extremely pleased that it's own Hicksville Yankees emerged as winners of the '65 group. This team, coached by Peter Collins, Bill Cresham and Pat McHugh also won the outdoor title this past Fall.

The Yankees outdoor team was split into two indoor teams as were the Hicksville Settlers, coached by Jay Mulligan - so that Hicksville had four of the twenty teams playing in this group. On Saturday, the Yankees had to face last year's champion North Babylon as well as Huntington, Westport (Connecticut), Ocean-side and Cow Harbor, and on Sunday the team played it's other half, Massapequa, Eintracht and Rockville Centre. In the nine games, the Yankees had a record of 6 wins, 2 losses and a tie, scoring 18 goals while giving up only 3. This placed them third overall in the tournament and therefore eligible for the semi-finals. In the semis, Hicksville convincingly defeated second place Ocean-side by a 4-0 score and Westport (4th) defeated Rockville Centre by a close 1-0 tally.

The Championship game would surely be a thriller as Westport and Hicksville, both very strong teams, had battled to a scoreless tie on Saturday in the qualifying rounds. The Westport boys were billeted by the Yankees on Saturday night but friendships were put aside temporarily as the two teams went at it for all the marbles. As expected, the game was a great one with Westport scoring first and carrying a 1-0 lead into the second half. With about 3 minutes left in the game, Dave Smyth tied the score with a low, hard bullet shot that the Westport keeper couldn't reach. After regulation time, the teams were locked 1-1 so the boys were allowed a two minute break before a 5 minute sudden death

period - the first team to score, wins and is Tournament Champion. The overtime period continued in the same vein as the regular match with both teams playing excellent, defensive soccer. With 1:14 left in the overtime period, Adrian Pepi got free 15 yards out, received a pass and sent a rifle shot into the net to give the Yankees the win by a 2-1 score. The Westport goalkeeper never saw the ball until it was by him. The 9 boys who received 1st Place Medals were: Bobby Andrus, Billy Cresham, Jimmy Demarco, Steve Dolan, brothers Jimmy and Paul McGeough, Adrian Pepi, Dave Smyth and goalkeeper Gene Tyranski. The boys final record in 11 games was 8 wins, 2 losses, 1 tie with 24 goals scored and 4 against.

The other half of the Yankees (Vinny Christiano, Robby Cullen, Cliff Feldman, George Marco, John Mitchell, Robby Pearce, Steve Thompson and keeper Mike Michelli) played good, solid soccer and advanced to Sunday's Quarter Finals. They also helped the champion Yankees in the positioning by holding the strong Westport team in a very close game in the quarter-finals.

The Hicksville Settlers were also broken into two teams by coach Jay Mulligan and played 10 games of soccer giving them good experience for their next indoor encounter. One squad played Saturday morning in the American Conference and the other in the National Conference on Saturday evening. The a.m. boys were: Kevin Cahalan, Dennis Ench, John Fitzgerald, David Lipsky, John McCann, Dean Missimo, Mike Morga, Pat O'Reilly and goalkeeper M. J. Shannon. The other half of the outdoor team also did very well in a strong division and was comprised of: Ronnie Brill, Danny Burke, Frank Cunningham, Jim Davidson, Dave Galloway, Shawn Reilly and K. Bruton in goal who did a most creditable job in a new position.

These teams are now preparing to play in the Long Island League Tournament being held at Farmingdale University.

Warriors		0	1
Lakers		0	1

The 4th grade league started
the second half of the basketball
season on Friday, Jan. 4th. In the
first game, the Bullets defeated
the Warriors with a score of 20-9.
Scoring for the Bullets were
Craig Freyerson with 10 points,
Kevin Burke with 4, and Timmy
Carroll and John DellaRatter
with 2 apiece. For the Warriors,
Mike Conway scored 4, Dennis
Kenefick 2, Vinny Gallian 2, and
Eddie Gebhard 1.

In the 2nd game, the Celtics
nipped the Lakers 27-26. High
scorer for the Celtics was John
Keenan with 11 points. Paul Stett-
ner and Willy Grotto played well
on defense. Michael Grossman
was high scorer for the Lakers
with 15 points.

Team	Standings	W	L
Pacers		1	0
Pistons		1	0
Rockets		1	1
Jazz		1	1
Suns		0	1
76ers		0	1

The Pacers defeated the Suns
35-30. Chris Bentlet and Jimmy
Carson led the offensive attack
for the Pacers. They scored 33 of
the 36 Pacer points. For the Suns,
David Weinberg scored 15, John
Geigner 8, Jimmy Hume 4, and
Michael McHugh 3.

The Pistons defeated the
Rockets 35-21. High scorer for the
Pistons was John Hopkins with 13
points. Matt Storms and Bill
Moran played a solid all-around
game for the Pistons. Kevin
Conway was high scorer for the

7th & 8th Grade League Standings

Team	W	L
Indiana	1	0
Kentucky	1	0
Michigan	0	1
North Carolina	0	1

Kentucky defeated Michigan in
overtime 36-32. It was an exciting
game with the lead changing
hands several times. For Ken-
tucky, Greg Rybak scored 11
points and Eugene Geigle scored
8 and controlled both the offen-
sive and defensive backboards.
Brian Lynch was high scorer for
Michigan with 11 points.

In another close game, Indiana
defeated North Carolina 39-32.
Scoring for Indiana were Pete
Vega with 9 points and Kevin
Cleary and Fred Freyerson each
with 8 points. Fred Freyerson
turned the game around in the
last quarter by making 4 baskets
in a row.

Under Pressure

The popular belief that
reducing your car's tire pressure
below the normal level will pro-
vide extra traction on ice and
snow is untrue, says the Auto-
mobile Club of New York. Lower
pressure actually reduces trac-
tion, so car owners are advised to
keep their tires inflated at manu-
facturer-specified levels
throughout the winter.

News From The Road Runners

The next meeting of the Plain-
view-Old Bethpage Road Run-
ners Club will be held on Tuesday
evening, January 15, at Plain-
view-Old Bethpage Senior High
School, starting promptly at 8:00
PM.

The featured speaker will be
Stephen Halpern, prominent New
York City Nutritionist, who will
talk to the audience about run-
ning well...and living well...by
eating well.

Mr. Halpern, now in private
practice in New York City, was
previously associated with the
New York Stress Research
Center, so he's quite familiar
with runners and with their
special nutritional problems.
He's made several radio appear-
ances and has written extensive-
ly for such publications as "Diet
Times." All in all, we can expect
an entertaining and informative
presentation from our featured
speaker for January. The general
public is most cordially invited to
attend.

Thanks to all the Club mem-
bers and their families who par-
ticipated in the December 16th 22
mile Torch Relay from Green
Acres to the Plainview "Y".
Among those Club members who
ran one or more Relay legs were:
Bob McNew, Ed Freeman, Jack
Mayo, Mimi Mayo, Ted Ginsberg
and family, Mike Polansky.

The date for the 3rd Annual
Plainview Road Race has been
set for April 5, 1980. This 10 kilo-
meter event will be sponsored by
the Plainview Police Boys Club in
conjunction with the P.O.B. Road
Runners Club, and all local run-
ners are urged to participate.

The Club has elected new offi-
cers for 1980. Mike Polansky is
the new President, Bob McNew
and Mimi Mayo are the new Vice
Presidents, Susan Bailin is the
new Secretary, and Marilyn Gar-

grant from Citibank. It is co-
sponsored by the Nassau County
Track Coaches Association.

Events will include relays,
medleys, runs, walks, long jump,
triple jump, high jump, pole vault
and shot put.

Besides high school students,
also competing this year will be
elementary and junior high

school students. And as an added
attraction, a masters mile and a
masters 600 have been included.

The meet is sanctioned by the
New York State Public High
Schools Athletic Association, the
Public Schools Athletic League
and the Catholic High School Ath-
letic Association.

Starting time each day will be
3 p.m. Events have been sched-
uled through 10 p.m. on Monday
and 11:30 p.m. Tuesday. All seat-
ing will be on a first-come, first-
served basis. Tickets are \$2 each
and can be obtained at partici-
pating schools or at the Coliseum
box office.

Pack 293 of Hicksville

Congratulations are extended to Eugene Reilly Jr. for receiving the Parvuli Dei Catholic cub scouting award. Den 4 and the Webelos Den are to be praised for being the honor dens at the December and January Pack Night gatherings, respectively.

The Pack has been active these past two months - a day hike with the scouts from Troop 293 in December; and a soccer game at Nassau Coliseum on January 18th (Scout Recognition Day). Plans are in the works for the Blue & Gold Dinner on February 10th and a joint Pack and Troop campout weekend at West Point at the end of March.

The Board will act on this recommendation in 30 days.

The Board awarded bids totaling \$33,390.25 for the following: copies-lease purchase for the Curriculum Materials Center in the high school, \$1,538.40; custodial supplies-buildings and grounds, \$16,937.47; floor maintenance supplies; buildings and grounds,

\$2,724.40; electrical supplies, buildings and grounds, \$6,999.64; and industrial arts - shop supplies, \$5,190.34.

The Board approved various claims and warrants. Mrs. Gerner questioned the number of collect telephone calls received from out-of-state, stating "they total more than out-going out-of-state calls." Dr. Hawkins explained that the calls were return calls in answer to his original calls. "These should be reduced. These were made prior to the completion of the projects I was involved with."

Dr. Hawkins, in response to this reporter's inquiry on the status of the junior high school auditorium renovation stated that the renovation project was now at the bid stage.

The Board also acted on various personnel matters including the retirements of Mr. James T. Wellon, science teacher at the senior high school. Mr.

Basil S. Warner, senior high math teacher, effective February 1, and Mr. Stephen J. Darianzo, 5th grade teacher at Lee Avenue, effective June 30.

The next scheduled meeting of the Board is January 30 at Lee Avenue.

The Board will have a special meeting to discuss Strand III on January 23, place to be announced.

Cold Remedy
"Gas on the rocks" - more commonly known as frozen gas line - is easier to prevent than cure, the Automobile Club of New York reports. To keep ice from forming in the fuel line, be sure to add a can of an approved fuel system anti-freeze to every two or three tankfuls of gas. Keeping the tank near full also helps.

The Dutch Lane PTA is pleased to announce that they have arranged a decorating tour of the recently opened Georgetown Manor on Old Country Rd. in Westbury.

They have planned both a morning tour on Tues., Jan. 15 at 9:30 a.m. and an evening tour on Thurs., Jan. 31 at 7 p.m.

If you are interested in coming, please contact Marge Mandell at 931-1399.

G.O.P. Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, January 11. The meeting will be held at the Veterans of Foreign Wars Hall - Wm M. Gouse Jr Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building). Refreshments will be served.

NEW FRIENDS... Long Island March of Dimes volunteers, Margaret Goldberger (left) of Hicksville and Evelyn Wagner of Rockville Centre (right) get acquainted with 6-year old Betsy Burch, the organization's National Poster Child, at a regional meeting held recently in Danvers, Mass. The two women, who serve as Long Island March of Dimes Board members, remain active working with the local Chapter and were among those chosen as its representatives attending the informative conference. The 3-day meeting offered films, workshops, and health education information, with an emphasis on programs slated for the 1986 March of Dimes campaign. They have all taken an active role in helping the March of Dimes achieve its goal-insuring the right to good health for every newborn child.

CUMMINGS 'N GOINGS

By Jim Cummings

WONDERFUL TIME: This past 'holiday Season was just that as your reporter enjoyed a two week vacation with my family and children together for the first time in 10 years. We were quite busy what with the arrival of my daughter Valerie McCarney, husband Fred and my lovely granddaughter, Stacy, all the way from San Jose, California and the wedding of my son, Patrick, to Susan Scott of Hicksville on Saturday, December 29 - hectic, but great days with family and many good friends we've been privileged with these past 30 years in Hicksville. Pat and Susi were united in wedded bliss at St. Ignatius at 12 Noon in a beautiful ceremony officiated at by the Reverend William Karvelis. Following the ceremonies a reception was held at Antun's, Old Country Manor in the ballroom for family and friends and

featured music by three (3) great bands including the "Cummings Brothers" (with Jimmy, Jr., piano and vocals; Michael, guitar and vocals; Kevin, drums and the bridegroom, Patrick, who joined in to complete this fantastic group). The clan also gathered at our home following the reception with our family and close friends to complete a beautiful year of health and happiness.

IRISH CONGRESS REPORTS: Dr. John Clancy, professor of history and political science at Molloy College, in Rockville Centre, addressed the January 7 meeting of the Nassau Chapter of the Congress at Stouffer's Restaurant, in Garden City. His subject was "The Irish In Politics." Congratulations to John Mulrooney, chapter chairman; Mary McCarthy, Patricia Mulrooney and George Waters who were recently named to the National Board of the AIIC. The first open debate by the Congress will concern itself with Human Rights in Northern Ireland. Panel members will consist of representatives of the Irish Government; the British Government (if that is possible); the clergy and a representative of the American Irish community who will express the view of the

many Irish organizations in Nassau County. For information, please write to the American Irish Congress, Post Office Box 313, West Hempstead, New York 11552.

CULTURAL ACTIVITIES: Two bills relating to cultural and ethnic activities have been filed in the New York State Legislature by Assemblyman Philip B. Healey of Massapequa. The first request that the state grant to the New York State Council of Arts \$250,000. This money can be matched by local governments and the funds would be specifically used to support ethnic cultural events in the community, i.e., parades, concerts and the annual Feis sponsored by various Irish units in the State. A second bill would appropriate \$150,000 in the form of educational grants to instruct and teach Irish culture, language and tradition. Both public and private colleges could eventually apply for these grants. These bills are co-sponsored in the Senate by Senator John Flynn, of Westchester County. We applaud the activity of the Irish Legislative Committee of which Assemblyman Healey and Senator Flynn are members. Monday, March 10 (Continued on Page 8)

Table Tennis Tourney Winners

Four youngsters in the Town of Oyster Bay gave themselves late Christmas presents by taking first place wins in their age divisions in the 6th Annual Tobay Table Tennis Tournament.

Oyster Bay Town Councilman Joseph J. Saladino announced the Scott Pearl of Bethpage took first place in the 10-to-12 year old division, while Esther Weiner of Hicksville won second place. In the 15-year-old category, first place honors went to Barry Reitman of Jericho with second

place going to Henry Pass of Massapequa Park.

Robert Regan of Massapequa Park paddled his way to first place in the 16-year-old division with second place being won by John Barrett of Massapequa. First Place in the 17-18 year old category went to Steve Rubin of Plainview while Francis Gonzalez of Massapequa came in second.

The tournament was held on December 27 and 28 at Marjorie R. Post Community Park, Massapequa.

Strongest Man

Paul Anderson, "History's Strongest Human," is the featured speaker at the Youth for Christ Campus Life rallies. Nassau rally is on Saturday night, January 26. The rally starting at 7:30 PM is held at the Cathedral House on 8th Street and Cathedral Drive, in Garden City. A one dollar donation at the door.

Paul has lifted the greatest weight ever recorded; an official 6,270 pounds. He was the last American Super Heavyweight to win an Olympic Gold Medal. He will be showing a film clip of all his feats. Also, Paul writes a weekly column "Tomorrow's Leaders" which appears in some 1,500 newspapers.

Appearing with Paul will be contemporary singing group "Dove." Also, we will be starting off the evening with an action-packed sports film.

This youth rally sponsored by Youth for Christ is geared to teenagers and open to everyone. The rallies are held every two months. Past rallies have attracted 700 students.

For more information call 242-5996.

Minimum deposit \$10,000

With Eastern's new E.A.S.Y. 26-week Certificates you have the money-growing power of a high-interest money market account—plus access to your cash. Now you can borrow against your principal—write checks of \$100 or more—without incurring high penalties and without the Bank's prior consent.

The E.A.S.Y. way to withdraw your money

When you purchase an E.A.S.Y. Certificate you also sign a credit agreement and will receive a supply of checks. As you use these checks you are putting into effect a loan against your line of credit—your Certificate

principal—at Eastern. You can borrow up to 95% of that principal.

There is an annual interest charge on the total amount of these checks of 10% (which is tax-deductible). By law we must also lower to 9% the interest rate on the amount borrowed on your E.A.S.Y. Certificate. However, you are still earning interest. So the net effect is a charge of only 2.8¢ a day per \$1,000—or an annual equivalent rate of 1%—for the funds borrowed. Of course, you'll receive detailed statements on the status of your account.

The E.A.S.Y. way to high interest

Add it all up and you come out way ahead with an E.A.S.Y. Certificate. You get high interest, easy access to your money, plus one of the most secure investments available today. For versatility and convenience, you can't beat the E.A.S.Y. Certificate.

The stated annual yield is an equivalent rate. It is the amount your money earns if both interest and principal are left untouched for a year. It assumes that the interest rate will be at the same level after 26 weeks—the time for renewal. However, the interest rate may be higher or lower at maturity. Premature withdrawal can only be made with the consent of the bank. Principal withdrawn before maturity is subject to a loss of up to 3 months interest. Federal regulations prohibit compounding of interest on this account. However, checks that are issued against the line of credit do not constitute a withdrawal against principal and do not incur a penalty.
