School Bd. Adopts Budget In A 5-2 Vote

By Linda Strongin

A budget figure of \$30,668,890 was adopted by the Hicksville Board of Education at its meeting Wednesday night. The figure was arrived at after much discussion and sometimes disagreement among Board members and between the Board and Dr. Wilber Hawkins, Superintendent.

Voting no to accepting the figure were President Dan Arena and Secretary Bill Bennett.

The figure represents a tax increase of approximately 92c per \$100 of assessed valuation. Voters last year approved a .98 increase, which was decreased to .84 in August after revenue and surplus figures were discovered to be more than anticipated.

The tax increase on the same budget figure was originally \$1.08 but the motion to accept the figure with this tax rate was defeated with Vice President John Ayres, Secretary Bill Bennett and Trustees Pete Fujimoto and Virginia Germer voting no.

Trustee Neil McCormack then moved to increase revenues by \$168,000 which would hopefully come from State Aid. Mrs. Germer seconded the motion.

The information concerning the possibility of a state aid increase was brought to the attention of Business manager Richard Weigang by Mr. Ayres. He had received a letter from Assemblyman Fred Parola indicating Hicksville state aid would increase 3.6%, or \$227,136. This figure was not reflected in the revenue figure shown in the budget. Mr.

Weigang stated the Assemblyman's figures "were not accurate and only a forecast."

However, after Mr. Weigang and Dr. Hawkins conferred in private, Dr. Hawkins recommended the Board approve Mr. McCormack's motion.

It was understood that a review of the budget by central administration would be made and additional reductions in various programs be proposed. Dr. Hawkins defined programs as capital funds; athletics; curriculum writing; and operations, among others.

Mr. Arena also requested the administration's business office "double-check with Albany to certify that the information is correct."

In discussing possible budget cuts, Mrs. Germer stated she wanted "no cuts from children's programs but from central administration."

Dr. Hawkins stated that the increase was 6.4% over last year and retains all educational programs.

Mr. Bennett described it as a "business-as-usual budget," could not accept a \$1,000,000 increase, and at one point asked to reduce it by \$200,000.

Mr. Arena stated that at the May 7 budget meeting, further reductions "would be taken under advisement."

Earlier, Mr. Nagle raised his objections to the mileage increase (from \$.12 to \$.16); questioned the control over supplies; objected to late buses;

and on the elementary helping math program stated "I'm not in favor of it. It should be scheduled as an alternative program. I don't know where it is going now. If helping math is needed, where is the evidence?"

He concluded his lengthy list of objections by stating "the principals need to be more innovative and make changes on the educational side."

During the long budget discussion, Mr. Weigang informed the public and the Board, when asked by Mrs. Germer, that the district would be losing approximately \$500 a day in interest, from April 15, due to the delay in receiving school aid from the State which is still resolving its budget.

Before approving the budget figure, the Board approved the award for in-district transporting to Harrah Transportation at a cost of \$728,000, a savings of \$20,000 over the expected 15% increase.

The Board then moved to reduce the transportation code by \$29,000. Voting of no were Mr. Nagle and Mr. Arena.

Mr. Weigang stated the \$29,000 is "not a true savings at this time" since bids for the other transportation had not yet been received.

During the discussion on transportation, there was confusion among Board members concerning the reduced figure reflected in the transportation

Petitions Presented to TOB Board

Petitions with over 4,000 signatures including the names of many of Hicksville's most respected leaders, were submitted to the Town Board of Oyster Bay at this past Tuesday's Board Meeting, calling upon the Town to take over the Hicksville Gregory Museum. The petitions urged that the Town "take appropriate action to have the Gregory Museum administered and financed through the Hicksville Park District or other public, town sponsored agency."

The petitions were formally transmitted to Supervisor Joseph Colby and the Town Councilmen by Museum President and Acting-Director, Richard Evers, and Museum Trustees Elizabeth Pearce and Edward Peter. Declaring that the petitions "represents only a part of the broad support the Museum has in Oyster Bay villages," the

Museum President urged the Town leaders to "help keep the museum from closing its doors for good, on June 30th because of insufficient long-term funding."

Supervisor Colby, in accepting the petitions spoke warmly of the Gregory Museum's services to Long Island as did the Councilmen. Colby expressed a sincere interest in the Museum's efforts to remain open and said that the petitions would be taken under advisement.

The museum leaders estimate that an appropriation of \$70,000 would permit the needed renovation and strengthening of the basement of the museum's home, the town-owned old Heitz Place Court House, a National Historic Place, would provide a long-overdue professional salary for the museum Curator and meet annual operating expenses. The Museum is served by three C.E.T.A. employees in addition to its paid curator. The estimated total tax addition for a Hicksville property owner would be \$3.80 per year if the museum were administered as part of the Hicksville Park District and be considerably less if maintained by a town-wide tax levy.

Praising the Town Board of 1968 "which had the vision and will to preserve the Heitz Place Courthouse, one of Hicksville's few remaining distinctive landmarks from destruction by vandals and for allowing community volunteers and Gardiner and Anne Gregory to establish the now nationally-known museum", Museum President Evers expressed the belief that

"the wisdom and foresightedness of today's Town Board will be equally able to find a way to preserve a first-class community resource."

Among the Hicksville leaders lending enthusiastic support to the petitions are: Distinguished Senior Citizens: Frank Chumsky, a former town councilman; Henry Bengel, Sarah Huettnier, and Olga Hoebel. Religious Leaders: Pastor Dominick E. Ciannella, Holy Trinity Episcopal Church; Pastor Theodore Grant, Redeemer Lutheran Church; Pastor Douglas R. MacDonald, Parkway Community Church, and Hicksville's senior clergyman; Samuel McCafferty, former President of St. Ignatius Parish Council, and Sister Maureen McCullough. Educators include John J. Petrelli, Richard Hogan, Robert Sklarz, Lee Kana-wada, Sister Mary Walter, Charlotte Krumm, Richard Boen, Harriet Spirk, Marjorie C. Giannelli, David Dunner, Runkhild E. Wessell, Iris Wolfson and Weldon W. Endorf. Community Council Leaders: Siegfried Widdler, Carole Wolf, Sheila Noth, Arlene Diller, and Bernice S. Neufeld. Journalists: Valerie Pakahuk, James Cummings, and Howard Finesgan. Business Persons and Professionals include: Vernon Wagner, Charles Montana Jr., Clifford Freitag, Charles Lynch, Dr. Walter Dunbar, Dr. William Walker, Edward Peter, Charles Feita, Irwin Botto, Dr. George Rubin, Francis Donovan, Irwin Goldman and Effie Drogmann.

Nellie and Harold McClure, HICKSVILLE, spent a delightful and happy Easter with eight guests at their home for dinner. Alice Hurley of East Farmingdale was invited also, but was unable to attend. Therefore, following dinner, Nellie, Harold and their eight guests surprised Alice with a visit. She was so pleased that they included her in their festivities and helped make her Easter Day complete.

As I promised you readers sometime ago, here's the news about the Holy Family CYO Basketball Team of HICKSVILLE. The boys had been invited to play a basketball tournament against teams in Tampa and Orlando, FL. They won two out of three games—that's a good showing for our boys. While in FL, the boys visited Sea World, Busch Gar-

dens, Cape Canaveral, Disney World and other sites of interest. They arrived home to Hicksville flushed with victory—but exhausted. We're proud of you, fellows!

Congratulations to Bill and Lena Pietruszewicz who celebrated their 36th wedding anniversary on April 9. They had a quiet dinner together and shared a cake with the family who, of course, presented them with gifts. Bill and Lena said their "honeymoon isn't over yet," even after 36 years of married life.

By the time you read this, Tom Kluck of Suggs Lane, HICKSVILLE, will be home with his parents, Jo and Bob Kluck, and his two brothers, Bob, Jr. and Steve. Tom is with the U.S. Navy and is presently stationed in

South Carolina aboard the submarine George Bancroft. He has just completed patrol and will return to duty following his stay at home. Tom enjoys his trips, and always has interesting stories to tell to his folks.

Wilma Willis had a pre-birthday celebration for her husband, Bill, complete with cake and decorations. Bill's birthday is April 18, but Wilma thought she combine it with the Easter holiday. But no way—Bill reminded her that he expected another birthday cake on April 18, his birthday.

Happy Anniversary to Mr. and Mrs. Conrad Steers of HICKSVILLE, celebrating their 9th on April 24. Conrad is the Hicksville V.F.W. Chaplain.

Wydler: "Insufficient Electrical Power On Long Island"

Based on the current state of affairs, it appears that Long Island will not have the electrical power it needs to meet projected demands in the 1980's and beyond.

It has come as no surprise to me that the people of Long Island refuse to be subjected to coal-burning power plants. This was clearly evidenced recently, when Town of Huntington officials took a firm position against the planned conversion of Long Island Lighting Company's Northport plant from oil to coal.

At the same time, nuclear power has been cut off as an energy option following the State of New York's proposal to place a 15-year moratorium on the construction of nuclear plants. Moreover, some people are even arguing the LILCO should not complete the Shoreham plant which is due to come on line in

1982.

This situation appears to present a good case for utilizing a mix of coal and nuclear power on Long Island and around the Northeast.

There would be many problems with coal dependence alone. Besides the obvious environmental and health problems, citizens would have to contend with coal trucks, coal spills, coal strikes and the disposal of thousands of tons of sludge and ash from coal burning. And, as I noted before, it is obvious people are not going to stand for a massive conversion to coal over the next decade. But then again, we cannot continue to burn oil because of the increasing cost per barrel.

Federal "uncertainty" and state opposition have effectively "dead-ended" any future utilization of the other option—nuclear

power—which potentially could save taxpayers billions of dollars in coming decades.

For example, Connecticut energy consumers pay 35 percent less than Long Island consumers. The reason for this is that Connecticut generates roughly 50 percent of its power with nuclear energy. Most of Long Island's electricity comes from oil—at a cost to consumers of 7.9 cents per kilowatt-hour, one of the highest in the Nation.

Therefore—as it stands now—there is a dilemma. The state does not want to use nuclear power; citizens will not accept the problems of coal conversion; and we cannot afford to buy enough oil.

The solution to the dilemma will not be an easy one, but firm decisions must be made on all levels now—for time is running out, and so is our power.

Aviation Museum Tours

Nassau County Recreation and Parks Commissioner Abram C. Williams has announced that guided tours will begin again in May at the Cradle of Aviation Museum at Mitchel Field.

The museum, which is not yet open to the general public on a daily basis, will accommodate groups and individuals by reservation only on Fridays, Saturdays and Sundays from 1-5 p.m.

According to Williams, the tours will be available through the help of volunteer guides up to the end of October. There is no charge but voluntary contributions are accepted.

The Cradle of Aviation Museum boasts many exciting aviation artifacts, including an exact replica of the Wright Brothers first plane, a sister ship of the Spirit of St. Louis, a World War I fighter, a JN-4 "Jenny"

once owned by Charles Lindbergh, a World War II trainer, an early helicopter, a mockup of Grumman's Lunar Module, and many others.

Williams advised persons who wish to take the tour to call for reservations any weekday from 9 a.m. to 4:45 p.m. at 292-4348.

Margiotta Proposes New Presidential Primary Plan

On Apr. 7 a plan to place Republican presidential candidates' names on the primary ballot to allow party members the opportunity to express their preference between them was proposed by Nassau County Republican Party Chairman Joseph M. Margiotta.

Under the proposal, Republican presidential hopefuls automatically will have their names placed on the presidential primary ballot and the candidates' allocation of delegates to the National Convention will be based on the vote in each congressional district.

The delegates to the National Convention would be picked by the local Republican county committee after the primary vote. The delegates named would be bound to vote on the first ballot for the candidate based on the vote in each congressional district.

Margiotta said he made the proposal to State Republican Party Chairman Bernard Kilbourn as a result of a confusion over the recent presidential primary held here in the state.

He said: "In light of the preference primaries held in other states as well as in the Democratic Party here in New

York, Republican voters were confused and in some cases misled that they, too, did not have an opportunity to participate because of lack of a contest in most of the congressional districts. Under the proposal, presidential candidates will automatically appear on the ballot, thus creating a contest and allowing Republicans to vote for their favorite. This plan will allow Republican voters the opportunity to participate in the selection of a presidential candidate."

Under the present State

Election Law, delegates' names are placed on the presidential primary ballot after petitions bearing their names are circulated and filed with the local Board of Elections.

For instance, in Nassau County, the County Republican Committee gathered more than 76,000 signatures on petitions for a slate of uncommitted delegates to the National Convention.

No other candidates circulated petitions to challenge the committee's slate of uncommitted delegates, therefore, there was no balloting on Primary Day.

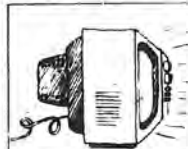

HOW MUCH DO YOU THINK A NICKEL WILL BUY TODAY?

If you guessed 5 hours of watching television, you're right. A nickel would hardly buy the ashes of a good cigar today. And you'd need nearly 15 cents to operate a mid-size car for 5 minutes.

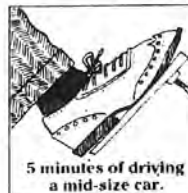

We know that nothing is cheap today - including electricity. But, when you and your family take a close look at what you get for your money—compared with other

When used wisely, electricity helps improve the way your family lives. By your using electricity efficiently, and LILCO doing everything it can to keep costs down—electricity can continue to be one of the more reasonable items in the family budget.

Electronic Blackboard

Long Island doctors are learning about the latest discoveries in health care via an electronic blackboard system installed in three local hospitals by New York Telephone. The system, part of a continuing education program for physicians, proved its value during the first months of operation by helping to save the life of a young Suffolk girl, and plans are underway to expand to other area hospitals.

The electronic blackboard extends the traditional classroom far beyond the immediate four walls by transmitting graphs, drawings and handwriting to video monitors at distant locations. The innovative program was conceived by Dr. Milton Gordon, regional director of the American Academy of Pediatrics with technical assistance from New York Telephone.

Dear Friends ---

What a pleasure to wish the very best to two Hicksville couples...so well known to all of you. It's a happy anniversary to Frank and Caroline Chlumsky who be celebrating their seventy-third on Sunday, with many relatives here from Washington and California to help them celebrate...also, to Henry and Anna Brengel, Sr. who celebrated their sixtieth on April 4th with their family in from "all over" to join them for this auspicious occasion.

THE ANNUAL BEAUTIFICATION OF DOWNTOWN HICKSVILLE planting areas, as in years past, is sponsored by the Hicksville Chamber of Commerce. At this organization's Tuesday meeting Central Federal Savings and Loan Association volunteered space for the storage of "beautification" equipment and Mr. Alton Giese volunteered to take care of the annual planting program. A beautification fund was started for the 1980 season, to take care of the expenses of maintenance. Dr. Walter Dunbar and Mr. Ed Johnson (recently transferred to the midwest) have been responsible for so much of what was done in past years we say, "thank you" to them for setting such a fine example of concern for one's community, for all of us. And to those who will do this task for 1980, the same.

THAT'S ALL for this week. Stay well.

At The Town Board Meeting

By Sheila Noeth

At the April 15 Town Board meeting the Board acted on the following matters:

1. Reserved decision on the petition of American Institute of Physics, Inc. for permission to modify restrictive condition No. 2 of Resolution 307-78 dated Apr. 11, 78, so as to permit the erection of a 6 foot fence on one acre of vacant land at Woodbury. The South Woodbury Taxpayers Association appeared in opposition to this proposal.

2. In an effort to conform more closely to State laws, they held a hearing to designate the Commissioner of Planning and Development as the Chief Building Inspector of the Town. Mr. J. Jacobs, democratic leader, spoke in opposition to this proposal on the basis that Mr. Ippolito did not have any qualifications for this position. Mr. Colby stated that administrative ability, which Mr. Ippolito has in abundance in his background, was what was essential in this matter. Mrs. Rose Hobbs of Massapequa spoke, also in opposition to this appointment. The Board reserved decision on this matter.

3. The Board denied Resolution No. 141-1980, which was tabled on Feb. 5th, relating to appointment

of a real estate appraiser to make appraisal in the acquisition of property for drainage purposes at Jackson Ave. and Convent Rd. in Syosset. So, it will be "back to the drawing board," or, more aptly, the engineering dept., for the solution of this very real drainage problem.

4. Approved Resolution No. 305-1980 relating to authorizing a consultant to proceed with Regional Alternatives Work Program in connection with Solid Waste Management Plan. The Town is dialoging with neighboring municipalities on this problem. Also, Mr. Colby has recently visited four different foreign cities where the most modern waste disposal plants are now operating successfully. It was noted that in Zurich a plant is now operating with no noise, no emissions or no harmful effects whatsoever. If it can be done there...it can be done here, too. An all-out effort is being made to solve this ever-growing problem in the United States.

YANKS

The boys under 15 won two more games this week-end to extend their unbeaten streak to 18 games since last September. The first was a scrimmage match against an older (under 16) Brentwood team which the boys won handily by a 6-0 score and on Sunday, they played a League match against Huntington and came out 3-0 victors. They now have sole possession of first place in the League with 3 straight victories but it's a long season with tough competition ahead. The Yankees are beginning to dominate the once-feared Huntington team and have now beaten them three times in a row (twice in the Fall & last Sun.) - all by identical 3-0 scores. Coaches Peter Collins, Bill Cresham and Pat McHugh are sharpening the boys for their tough Regional Cup game at New City next week. Their unbeaten streak will be seriously tested by New City as it is an older team and the competition is getting tougher as the quarter finals of the Regional Cup approach. The team is finally at full strength with Billy Cresham seeing limited action in his first day back from the knee injury sustained last month at the Holy Trinity indoor tournament. The rest of the team is comprised of Bobby Andrus, Vinny Christiano, Robby Cullen, Jimmy Demarco, Steve Dolan, Cliff Feldman, George Marco, Jimmy & Paul McGeough, John Mitchell, Robert Pearce, Adrian Pepl, David Smyth, Steve Thompson and goal keeper Gene Tyranski.

PANTHERS NEWFIELD REDS

By Ray Horne
The Hicksville Panthers scored a 3-0 victory over the Newfield

Reds Sunday afternoon in a game that exhibited excellent teamwork, crisp passing and spirited play by every team member.

The Panthers took the lead early in the first half. John Anglia scored the first goal with a high spot to the far post. Bill McCullough assisted with a nicely timed pass.

David Horne scored the Panthers second goal with a soft, low shot. Eric Sakk coordinated the attack with excellent ball control and constantly sprayed the field with passes to his attacking teammates. Assisting in the attack were William Eichler and Brian Drier.

The final goal was scored by Paul Heller in the last minutes with a beautiful shot to the far post.

David Straub, Bill McCullough, Michael Malle, John Salata and Bill Reilly played outstanding defense throughout the entire game. Goalie, John Bradley was superb in shutting out the Reds.

Young Americans

The under 14 girls went to Island Trees to play a match with the Rams. The captains, Dominique Missimo, Suzanne Sierra and Laura Reinhardt, won the toss of the coin and elected to go with the wind. The Young Americans forward line applied relentless pressure and it paid off with a goal coming from Erin O'Leary assisted by Theresa Caputo and Christine Sierra. The first half ended with the Rams only being allowed to move the ball past the mid-field line two times, due to the attacking defense of Suzanne Sierra, Tracey Fiume, Tanya Pfeffer and Theresa Solaski.

The second half started with

the Young Americans controlling the mid-field with Kelly O'Leary, Ann Kenny, Laura Reinhardt, Krista Taylor and Laurie Stashower. Until late in the period when the Island Trees Rams were awarded a corner kick which was put in the net by a Rams striker. Keeper Dominique Missimo played a strong game only to see it end in a 1-1 tie.

The Young Americans are sponsored by the Woodbury Deli and will be playing at home against the Garden City Wings this Saturday.

"The Savitts" In Concert

The third evening in its 1980 series, sponsored by the Old Westbury Hebrew Congregation, Old Westbury Road near Jericho Turnpike, will feature "The Savitts" and the Old Westbury Choral, appearing at 7:45 P.M. on Thursday, April 24th.

"The Savitts", Harriet and Marv, a sensational singing duo, combine their thrilling voices and the wonderful talent of Marvin's accordion playing in an exciting concert, featuring popular, novelty and semi-classical selections.

"The Savitts" have had a varied and interesting career that covers the gamut from movies and nightclubs, to TV, radio and concert halls. No matter where they perform, they convey the same warmth, excitement and polished style that has become their trademark.

Performing with them will be

the well-known Old Westbury Choral, whose credits include many successful concerts, two of them with Jan Pearce. They have recently collaborated with "The Savitts" on a popularly-received recording, "Songs for all Seasons", currently being played on radio stations throughout the country. They will be accompanied by the Bob Reisman Orchestra.

Special guest star for the evening will be comedian, Mickey Freeman, a star of the "Sergeant Bilko" television series. Admission: \$5 per person, tickets available through the Temple office (516-333-7977) or through Dianne and Marvin Polan, chairmen of the series.

On Sunday, April 20 the Hicksville Library will present the last program in the Sunday Afternoon Music Series for the season. The featured performer will be Marilyn Sherman pianist accompanied by Karen Baskin cellist. This free concert will be held in the library Community Room at 3:00 P.M.

Ms. Sherman was awarded a Masters in Performance from the Manhattan School of Music in 1977 and a Bachelor of Science in Music Education from Hofstra University from which she graduated Cum Laude with High Honors in Music. She has appeared as solo and ensemble performer at the Kaufman Concert

Concert

Hall at the 92nd Street Y, the Hofstra University Orchestra, the Y Symphonic Workshop, Hicksville Community Orchestra, etc. Her musical awards include New York Regional Winner in the 1978 AMSA International Piano Competition, finalist in the N.Y. Federation of Music Clubs Competition and last summer was the recipient of a full scholarship: to be a participant in the New College Music Festival in Sarasota, Florida. Marilyn graduated from Hicksville High School, married a Hicksville man and her family still reside in Hicksville.

Karen Baskin received a Bachelor of Music degree in Cello performance and a Certificate of

Outstanding Performance from Indiana University in 1973. She continued her studies with a teaching assistance fellowship at Indiana. In 1974 she joined the Detroit Symphony Orchestra.

She joined a chamber orchestra in Auckland, New Zealand and became a National Artist with the New Zealand Broadcasting Corporation, recording numerous solo and chamber works from the standard repertoire. Ms. Baskin also appeared with the Israel Philharmonic before returning to the U.S. Now a resident of N.Y.C. she plays regularly with the Brooklyn Philharmonic and other well known orchestras.

member of this blood bank, so your association with the Lodge

is unimportant—but your blood certainly is not. All the precautions and medical arrangements will be in order, medical officials will be on hand, refreshments will be served, which means that everything will be done to make you as comfortable as possible. The Galileo Lodge is striving for the 50 pints figure, and all other Lodges affiliated with the Sons of Italy in America are urged to join our Lodge in this beautiful and humane venture. Contact Chairman Teddy Marotti for more information, and he can be reached by dialing 931-9351.

Time is fleeting, and so is the time left to purchase tickets for the Galileo Lodge's 8th Annual Dinner and Dance, scheduled for this Saturday, the 19th of April. Price of admission is \$15 per person, and for this nominal fee you will be offered a cocktail hour, a tasty dinner, beer, soda, coffee and cake, set-ups, unlimited liquor and live music. This affair is semi-formal, which

means that all officers, past and present, are asked to resort to formal wear. The importance of this dance is obvious and it doesn't require additional verbiage from me, so all the members are graciously asked to participate and help make this important affair a memorable one. Contact Tony Previte, the Chairman, if you are interested. Dial 731-0466.

The program will be held in the library Community Room and all are welcome.

budget and what action was taken by the Board at Monday night's budget session. The item concerned late buses with less than 8 students for out-of-district parochial schools. A \$17,000

figure was taken out of the budget which included all late buses.

During the public speaking session, resident Dave Malle brought to the Board's attention the "terrible condition" of the

track field. "The students feel they are second class citizens. They've had to cancel home meets, change their practice schedule and send some team members to the junior high for practice. The track has deep ruts, a pond of water, one-foot holes, rocks and glass."

Dr. Hawkins stated that \$25,000 was in the budget to renovate the track for next year. Director of Buildings and Grounds Bill Becker stated the recent rains "has made it impossible to thoroughly put the track in order." He added that "as soon as we have a few clear days, the track could be turned, leveled and glass and rocks removed."

Mr. Arens requested this be done as soon as possible. In other action the Board voted to meet with representatives from the library board to discuss the library's request to receive its monies due prior to the school district receiving them from the Town of Oyster Bay.

The Board accepted retirements from Sadye Kagan, kindergarten teacher at Burns; Barbara Weissman, home economics teacher at the senior high; Catherine Dooley, third grade teacher at Burns; Martha Rieglesperger, school nurse-teacher at Burns; Josephine Buckner, foreign language teacher at the junior high; and Harold A. Lucas, assistant principal at the junior high. The teachers represent a total of 112 years of service to the students of Hicksville.

The Board also voted to change the District's observance of Memorial Day from May 30th to

Plainview DECA Sweeps The State

By Robert Teristi

When 25 members of the Plainview High School DECA Chapter returned home last Friday, they knew that they had done it again. Once more, as in years past, Plainview had a tremendous amount of success at the annual New York State DECA Conference, held March 19-21, 1980, at the Concord Hotel in the Catskills.

A whole myriad of activities goes on at the conference each year; state officers are elected, competitions are held, winners are determined, and delegates to the National DECA Conference are selected. Plainview DECA has the distinct honor of having two of its members, Robin Kugelmann and Bob Teristi, nominated for State office after they had passed through the many different steps of elimination. The entire Plainview Chapter campaigned for the two

students, after which Robin was elected New York State DECA President. Plainview was also awarded the title of Outstanding Chapter in New York State, for which the club received an enormous trophy.

Congratulations to the following winners, all of whom are a fine representation of Plainview DECA:

FINALISTS: Competency Based Competitive Events: Jeff Isaacson, Advertising Services; Eva Healy, Apparel and Accessories; Perri Luisi, Apparel and Accessories; Howard Frank, Automotive and Petroleum; Cathy David, Finance and Credit; Terri Sieber, Food Marketing; Mark

Friedlander, Food Marketing. Competency Based Written Events: Glenn Pergament, Apparel and Accessories; Theresa Giordano, Food Marketing; Robin Kugelmann, General Merchandising.

HONORABLE MENTION: Scott Fried, Job Interview-Boy; Sheila Abadi, Radio Advertising.

THIRD PLACE: Rina Rosenthal, Job Interview-Girl; Wayne Steinberg, Travel and Tourism.

SECOND PLACE: Cathy David, Finance and Credit; Bob Teristi, Free Enterprise Project.

FIRST PLACE: Brad Oken, General Merchandising Written Event.

Plainview DECA is proud to announce that two of its students, Brad Oken and Bob Teristi, have now qualified for National competition which will take place June 22-25, 1980, in Miami Beach, Florida. The chapter is anxiously looking forward to this National Conference, the culmination of this DECA year, where DECA members from all 50 states will converge upon the Fontainebleau Hotel. The competition will be keen, lasting friendships will be made, and the experience will be thoroughly rewarding.

The next meeting of the Board is April 30 at East Street school.

St. Ignatius School Parents

The School Board members of St. Ignatius will hold a meeting in the new school cafeteria on Wed., April 23 at 8:15 p.m.

There will be a presentation by the faculty on school programs and a brief rundown of the budget.

All school parents are urged to attend.

Galileo Lodge News

By Joe Lorenzo

That the Galileo Lodge displays its genuine willingness to serve and assist others, and that its charitable arms embrace many organizations and their constituents prompts me to report that the Galileo Lodge recently donated \$100 to the Central Nassau Little League. This is only one of the many supporting ventures that the Lodge undertakes, and here again I am prompted to mention that in a future installment I will highlight

many of the other charitable programs that are part of the Galileo Lodge's organizational structure. The whole grand picture of the Galileo Lodge's charitableness is one that deserves mentioning and publicizing because it is community as well as people-oriented. And, as I have stated in previous columns, the heart of the Galileo Lodge is open to others, despite its ethnic-based composition.

Anthony Puglisi, recently installed Honor Guard.

President of Ladies Auxiliary (right) to Sisters Yvonne and Theresa of St. Francis Hospital Heart Program.

If you believe that to give is better than to receive, which is a Christian ethic, then keep

abreast of the Galileo Lodge's Blood Donor Day, scheduled for the 20th of May. But here, if you

give you will also receive, because the general public as well as the members of the Galileo Lodge can donate their life-giving properties if it so desires. Please be informed that the giving of your blood automatically makes you a
