## Board Adopts Revised School Budget Figures

By Linda Strongin

A revised budget figure of \$30,588,008 was adopted by a 6-1 vote by the Hicksville Board of Education at the public budget hearing Wednesday evening.

In voting no to the amended figure, Secretary Bill Bennett stated he felt the Board "could have made more meaningful adjustments."

Mr. Bennett made numerous recommendations for budget cuts in several areas, most of which lost or failed to get a second. These included reductions in spending for textbooks, substitutes, BOCES consultants, telephone usage, fuel oil, and legal services, among others.

The Board spent over two hours making recommendations for budget reductions after Superintendent Dr. Wilber Hawkins explained the budget line-by-line and page-by-page as printed in the Bulletin Board.

The public, limited in number, also asked questions concerning actual 1979-80 budget expenditures and surplus; funds for gifted and talented curriculum and program implementation; physical education mandates; interest made on investments; declining enrollment; class sizes; school closings; fuel oil costs; and test scores.

In attempting to answer the question concerning actual budget expenditures for the current year, Business Manager Richard Weigang stated that there is an anticipated one million dollar surplus "three quarters due to investing in C.D.'s (certificates of deposit) and the money market." The C.D.'s are earning a 16% return.

However, it was pointed out that the current budget was over-budgeted one-half million dollars. Dr. Hawkins also stated that in some parts of this year's budget, "we are in good shape." He later stated that he could not accept the term "overestimate" A school cannot operate just on available funds.

The questions posed on declining enrollment and school closings, Dr. Hawkins stated that "we do not have a declining enrollment on the elementary level. It has leveled off and there is a possibility of an increase. If you went through the elementary schools, you would not see any empty classrooms. I do not recommend closing any school. A closed school is a glut on the market at this time."

The budget reflects the excessing of ten teachers at each of the secondary schools. However, the number of retirements could

change the total amount of teachers to be excessed.

In response to questions on gifted and talented programs, Asst. Superintendent Dr. Catherine Fenton stated that the identification process would begin with "general pre-kindergarten screening of all students. This will be followed in September with more detailed testing." In-service training for teachers is also part of the program.

One resident stated, in the discussion on test scores and their relationship to class size, that "people are willing to spend money on education but they want to see results." Dr. Hawkins stated that the "cost benefit in education differs from that in business. Many things taught will not manifest itself until later, such as citizenship. However, the new curriculum being prepared will make provision to reflect and indicate any progress made."

Dr. Hawkins, in keeping with the dictates of the Board, had recommended approximately \$135,000 in budget reductions, reached after consultation with the building principals, mostly in teaching and instruction and

## Gregory Museum To Close

The Hicksville Gregory Museum, Long Island's unique Earth Science Center will close its doors permanently on June 30th, its Board of Trustees announced this week. "Insufficient income and no immediate prospects of governmental long range support have resulted in this sad decision to close, after 17 years of service to 85 school districts and thousands of adults interested in the natural environment," Museum President Richard Evers stated in a press release, Tuesday.

It is understood that the Museum's Trustees believe they have plenty of support in the village of Hicksville for modest annual tax support if the Museum was a part of the Hicksville Park district. A 4100 signature voters' petition asking the Town of Oyster Bay Board to place the nationally known museum in the Park District was presented to the Town Board on April 15.

No reply to the petition has

## Voter Registration

Hicksville Taxpayers will go to the polls on Wed., May 14, to vote on the proposed 1980-81 school budget and candidates for the Board of Education.

Registration for voters will be held on Wed., May 14, from 3 to 8 p.m. If you have voted in any election during the past two years, there is no need to register. Newcomers to the com-

munity and any others that have not voted in the past two years, may register at all regular election district locations.

The Museum's leaders believe that even if the museum is closed to the public at June's end, there will be time enough for the Hicksville Park District solution to be explored and undertaken, or for the County to intercede before the splendid Gregory geological and butterfly-moth collections are lost forever to Nassau.

The Museum served 8,000 school children and visitors with guided tours in 1979, and its Trustees anticipate that a total Hicksville annual tax increase of about \$3.80 per property owner would keep the Museum open at its present location, the Helix Place Courthouse, a village landmark listed in the National Register of Historic Places.

The Election Districts are: ED # 1, Burns Ave. School; ED # 2, East St. School; ED # 3, Woodland Ave. School; ED # 4, Lee Ave. School; ED # 5, Fork Lane School; ED # 6, Dutch Lane School and ED # 7 Old Country Rd. School.

## Republicans To Hear D'Amato

The Ernest F. Francke Republican Club of Hicksville, has the pleasure of announcing that the speaker at their May meeting will be the Hon. Alphonse D'Amato, presiding Supervisor of the Town of Hempstead, a member of the Nassau County Board of Supervisors and a candidate for the United States Senate. Their meeting is scheduled at the VFW Hall on South Broadway in Hicksville and starts at 8 p.m.

Meet Al D'Amato  
Born on August 1, 1937, Mr. D'Amato attended Champlain High School, and went on to Syracuse University where he received his Bachelor of Arts in Business administration. Upon graduation he attended Syracuse Law School and became a member of the New York State Bar in 1962.

At the age of 28 he became the youngest Public Administrator ever to serve Nassau County.

## Community Council Hears Dr. Hawkins

By Carole Wolf

Dr. Hawkins Hicksville's Superintendent of Schools opened the May 1 Hicksville Community Council meeting with what he proclaims as "good news" - our school taxes will be increasing 92c a month. When compared to other school districts such as East Meadow (\$8c), Massapequa (\$1.47), Syosset (\$1.69), Amityville (\$2.38) and Plainedge (\$2.67), the amount is much lower.

Dr. Hawkins said that each 1c raise of the budget generates \$10,000. An extra \$275,000 is being budgeted for an increase in oil and \$48,000 for increased

In 1969 he became the Receiver of Taxes of the Town of Hempstead and two years later was elected Town Supervisor.

As the highest elected official in a town of more than 800,000 people, Al D'Amato represents more people than twenty-two United States Senators.

During his first term in office he tackled the problems that plague every urbanized area and demonstrated that government was not helpless in facing these issues and need not rely upon "quick-fix" solutions.

While instituting managerial reforms which resulted in greater employee productivity and improved social services, D'Amato cut taxes by 5% in both 1979 and 1980 and reduced the number of official vehicles by 20%.

D'Amato and his wife, Penny, have been married for nineteen years and are blessed

with four children - Lisa, Lorraine, Daniel and Christopher. The family worships at Sacred Heart Roman Catholic Church where he is a member of the Parish Council.

Everyone is welcome. "Come and bring a friend," urged a spokesperson for this active Club.

## Annual Spring Cocktail Party and Buffet

electrical costs. The curriculum will also be revised in the areas of Reading, Math, Science, Language Arts, Social Studies and Health. Legal fees are up \$16,700 because of additional lawsuits and to pay for court costs.

Included in the proposed budget are the same services including all athletic and special programs. The total budget is \$30,668,890, up 6.2% which Dr. Hawkins feels is good compared to the national inflation rate of between 13% to 15%.

The state presently is wrestling with a more equalized tax structure according to Hawkins. But the school budget is "the

price you have to pay for local control" and just about "the only place where you have the chance, to say no." Hawkins stated that a centralized school district "isn't good news" for these districts seem to be more expensive.

During a question and answer session, discussion turned to the chance of closing schools. Hawkins said the "elementary population has lagged off." At Willet Avenue every classroom is being used but the Board could possibly eliminate the "temporaries" at Burns, for it is very expensive to heat this type of structure.

## Want To Save Money?

There is a new energy computer called ENERTROL that's absolutely guaranteed to cut your fuel bills up to 25%. Scientists and engineers have worked years to perfect a simple computer that could cut fuel consumption in both oil and gas-fired hot water heating systems. Now they have succeeded. With savings that big, it can pay for itself in just two winters.

Furthermore the ENERTROL people state that, if you are not completely satisfied with ENERTROL in every way, they will take it back and refund your purchase price.

Incidentally when ENERTROL programs your furnace it does not over-ride your thermostat, it lowers your room temperature

one degree. It is also available with a timer to keep your furnace from making hot water when there is no demand for it. If your water is heated off your furnace.

## At The Town Board Meeting

By Sheila Noeth

At its regular May 6 meeting, the Town Board of Oyster Bay acted on the following matters:

Approved Resolution No. 50-80 (tabled on Jan 25) relating to the petition of the Long Island Bank for a special use permit at Plainview. The hearing on this matter was held on Dec. 4, 1979.

Approved Resolution No. 429-1980 relating to the site plan approval on the petition of Auto-west, Inc. for a special use permit at Hicksville, adopted by the Town Board on March 14 under Resolution No. 285-1980.

Approved resolution No. 430-1980 relating to the disapproval of Map entitled Map of property to be acquired for storm water

drainage purposes at Syosset. This hearing took place on Feb. 4 with many residents present and petitions presented, opposing the particular site for this needed storm drainage. Town officials will now be checking on alternative locations for this proposed drainage project.

Approved Resolution No. 433-1980 relating to the renewal of lease to maintain a fire siren on Town Recharge Basin No. 19 on 17th St. in Jericho.

Approved Resolution No. 446-1980 relating to Community Development. Architectural barriers in the Jericho Library District, mostly indicating certain parking spaces for the handicapped, inasmuch as this

Library already has the necessary ramps.

Approved Resolution No. 447-1980 relating to the petition of John W. Merenda regarding the residence located at 213 West Old Country Road, for modification of restrictive covenants on this property so that the owner could have more than one office on these lots. The hearing took place on July 10, 1979.

Unanimously approved Resolution No. 452-1980 condemning the resurrection of the plans for a bridge across the Sound from Oyster Bay, by the New York State Assembly and Senate. The resolution was introduced by Councilman Carman and Hogan.

## Tobay Holds Senior Citizen Recognition Day

Senior citizens participating in the Town of Oyster Bay Volunteer Services Program were honored in ceremonies at

Town Hall on May 6, which included presentation of "Senior Man of the Year" and "Senior Woman of the Year" awards by

Town Supervisor Joseph Colby.

The Town conducts a Senior Citizen Recognition Day each year to mark the nationwide celebration of "Senior Citizen Month" in May. Merit awards are presented to various seniors in recognition of the time and effort contributed within the Town's volunteer services, and a senior man and woman are cited for their outstanding contributions.

The recipient of the "Senior Woman of the Year" was Mrs. Ethel Gummarsall, 85, of Sea Cliff, and Fred Mark, 78, of Hicksville, was named "Senior Man of the Year."

Mrs. Gummarsall has been a dedicated volunteer at St. Christopher's Home for Children for the past 10 years, helping with all the sewing and mending of children's clothes. She is also active in the Women's Guild of St. Luke's Episcopal Church and the Golden Ring Senior Citizens Club. In her spare time, she enjoys sewing and gardening.

Mr. Mark has been a volunteer at the Suffolk Developmental Center for the past eight years. For six of those years, he has worked closely with the occupational therapy ceramic workshop at the center and has organized numerous clothing and equipment drives for the residents. Mark enjoys fishing, bowling and gardening in his spare time.

The Town of Oyster Bay operates 11 senior citizen clubs under the auspices of the Senior Citizen Services Division of the Department of Community Services. They are open to all Town residents 55 years of age and older. Further information may be obtained by calling 922-5800 ext. 294.

## At Lee Ave.

Tommy Holmes, well-known former National League baseball star, will be the hit of the day at Lee Avenue School on Wednesday, May 28, when he is the guest speaker for the school's latest Reading is FUNDamental (RIF) program. Holmes, who is currently director of community relations for the New York Mets, will conduct a question and answer session with children on his career.

Signed by the New York Yankees in 1926, started a solid career in the Minor Leagues and was Most Valuable Player in the Eastern League in 1938. From 1942 to 1952, Holmes was a player and manager for the Boston Braves.

In 1945, the batting star set a new National League record by hitting safely in 57 consecutive games. That record stayed on the books until July, 1978, when Pete Rose broke it. Holmes' career batting average was .302.

Holmes also had a good eye. He holds the second lowest strikeout record in National Baseball League history.

# Shell Game On The Potomac

By Robert F. Dee  
Chairman of the Board  
Smith Kline Corp.

An attempt is being made to fool the American public. This time by the executive branch, which wants to quiet public fears over soaring inflation with a proposed package of budget cuts-coupled with tax increases.

Three facts stand out:

1. When you do the arithmetic carefully, the budget cuts will amount to zero.

2. The total effect of this budget maneuvering will be to give Americans the biggest peacetime tax boost in the history of the country.

3. If you take into account the so-called "off-budget" borrowing the government is already committed to, the true budget deficit will amount to over \$60 billion.

The talk about a balanced budget is just another shell game on the Potomac.

Trick or Treat

The trick is accomplished by talking about budget cuts for fiscal years 1980 and 1981 and forgetting about budget "revisions" for the same years.

In fact, the Administration proposes to "revise" 1980 budget outlays upward by \$6 billion and the 1981 outlays upward by \$9.5 billion - a total of \$15.5 billion.

That is the fine print, generally overlooked in the Administration's propaganda about budget cuts.

The big print calls for budget cuts of \$2 billion in the 1980 budget and \$13.5 billion in the 1981 budget. Total \$15.5 billion - or an exact offset of the revisions.

The real budget cut, therefore, is exactly nothing.

Balancing Act

Now look at taxes. As a result of various planned tax increases-including new withholding provisions and the oil import "fee" - taxes will rise from 20.5% of the gross national product in calendar year 1980 to 21.9% in calendar year 1981.

Because of the enormity of these tax increases, the budget will probably balance - but not as a result of the celebrated cuts of the Administration.

The budget will balance only because Americans everywhere will reach deeper into their pockets to pay for federal outlays that remain unchanged despite talk of "cuts."

Moreover, there is a notable anomaly in the tax situation that we should not overlook.

We have been told repeatedly by the Administration that OPEC increases in oil prices are responsible for inflation. Yet that same Administration now plans to raise the cost of oil to the consumer as a supposed solution to inflation.

Surprise Package

We come now to the fanciest maneuver in the shell game - "off-budget" borrowing.

The bulk of the federal borrowing is not even included in the budget.

Several enterprises sponsored by government - like the Farm Credit Administration, the Federal National Mortgage Association ("Fannie Mae"), and the Government National Mortgage Association ("Ginnie Mae") - have the authority to borrow and lend independent of the budget.

Direct loans by such off-budget agencies grew 70% between 1976 and 1979 - two times the rate of growth of federal spending; and loan guarantees, which government also makes, increased by 106%.

So while the Federal Reserve is attempting to restrict credit as an anti-inflation device, the government itself is expanding

credit through various means, thereby increasing credit enormously in 1981.

When all this off-budget credit is totaled, the true federal budget is a surprise package - it is actually 44% larger than it appears on the surface. And the true deficit for fiscal year 1981 will be \$60.7 billion in nonbudgeted borrowing even if the budget balances.

Message for the Voter

What does all this mean? It means, in unvarnished language, that the American public is not being told the truth.

It means that once again the American public will foot the bill - the staggering bill - for an unbridled spending spree by the government bureaucracy.

It means that government is not truly in earnest about curbing the near 20% inflation that it has loosed through its own

mismanagement.

It means, finally, that we citizens must work harder than ever to make sure that the men and women who represent us in government mean what they say when they say it - and will continue to mean it after they take office.

By the time you receive this message, other revisions of the budget may have been suggested by the Administration, and Congress will ultimately determine how much is appropriated.

I urge you to write to your elected representatives today about this new Potomac shell game, asking Congress to act on this matter and expressing your strong opposition to a continuation of the same spendthrift policies that are wiping out your buying power daily.

## Fall Golf Classic

The date had been set for the Second Annual Nassau County Fall Golf Classic.

The event will be held this year on Friday, Sept. 26 with a field that has been expanded to 500 participants. It will be co-sponsored again by the Miller Brewing Co.

The highly successful tournament, which drew 460 male and female golfers in its first season last year, will utilize all three 18-hole golf courses at Eisenhower Park. Tee off time is 7 a.m.

Registration will be held on or about August 23. It is open to all Nassau County adults at a fee of \$20 per person, which includes tournament hats and bag tags, tees, golf balls, locker facilities.

For further information, call the Nassau County Department of Recreation and Parks at 292-4200.

## Fed Attempts To Intervene In Local Zoning

Today Nassau County Executive Francis T. Purcell urged an extensive lobbying campaign by local governments against pending federal legislation that for the first time would permit the federal government to review local zoning decisions.

Calling it "a back-door attempt by big brother to intervene in local affairs," Purcell pressed town and village officials in Nassau to join forces with the 53-member House Suburban Caucus in an attempt to amend the present bill.

The caucus, co-chaired by Cong. John W. Wylder of Garden City, alerted Purcell that a vote in the House is scheduled in the next two weeks on H.R. 5200, the Fair Housing Amendments of 1980. Included in H.R. 5200 is authorization for the U.S. Department of Housing and

If we don't speak up now, if we don't raise our voices in protest, the slow and steady spiritual strangulation of the Jewish people in Russia will continue."

Urban Development to create an administrative court to review local zoning decisions. Wylder and the caucus are seeking support for amendments to be offered by Reps. Harold Volkmer (D-Mo.) and James Sensenbrenner (R-Wisc.) that would eliminate the HUD court.

"Local officials have been making land-use decisions for their constituents long before HUD existed," Purcell stated. He added that the department is a good example of a federal bureaucracy that is continually trying to extend its tenacity into every aspect of American life.

Purcell said he is alerting the town supervisors in Nassau and the Nassau Village Officials Assn. to the proposal and urging them to make their feelings known to local congressmen and nationwide through their state and national associations.

## HOW MUCH DO YOU THINK A NICKEL WILL BUY TODAY?

If you guessed 5 hours of watching television, you're right. A nickel would hardly buy the ashes of a good cigar today. And you'd need nearly 15 cents to operate a mid-size car for 5 minutes.

We know that nothing is cheap today - including electricity. But, when you and your family take a close look at what you get for your money-compared with other

consumer items-it's easy to see that electricity is still a good buy.

When used wisely, electricity helps improve the way your family lives. By your using electricity efficiently, and LILCO doing everything it can to keep costs down-electricity can continue to be one of the more reasonable items in the family budget.

# Dear Friends....

We have deliberately placed Legal No. D-4870, immediately below this column, for your information. It is important that all Hicksville residents who feel strongly, either one way or the other, attend this Town Board meeting and present their opinion and their reasoning on this matter. If you absolutely cannot attend we suggest that you write to the Town Board of the Town of Oyster Bay, Audrey Ave., Oyster Bay, NY, and express your opinion in this way.

Commuter parking is important and is necessary near railroad stations throughout the township. It is our understanding that, wherever this parking is located, the expenses involved will be distributed throughout the entire township and not confined to a "Hicksville Parking District," which we have been assured by town officials, does not exist.

The Hicksville Chamber of Commerce believes that this commuter parking should be built on property already off our tax rolls and already owned by the Town. They have made their opinions known to the Town Board and to you through this newspaper.

The Town Board, however, feels that the properties described in the legal just below this column are more suitable for commuter parking, even though some of these properties will be taken off the tax rolls.

The hearing, as you can see, is set for May 20, Tuesday, at 10 a.m. See you there?

"For the good that needs assistance  
For the bad that needs resistance  
For the future in the distance  
And the good that we can do."

Dear Mrs. Noeth:

This coming Wednesday, May 14, Plainview-Old Bethpage residents will go to the polls to vote on their Public Library's Budget for 1980-1981.

The Library Board of Trustees is pleased to be able to present to the public a Budget that not only is fiscally conservative and realistic, but will also allow the Library to maintain the excellent service that community residents have expected and supported over the years.

Please join me at the polls on May 14 (10 AM to 10 PM) to show your support for your Public Library.

Very truly yours,  
Michael Polansky  
Trustee  
Plainview Old Bethpage  
Public Library

As a mother and concerned member of C.A.S.T. (Coalition Against Strand III), I would like to urge all parents and residents of Hicksville to vote for Carole Wolf for the Hicksville School Board.

As the mother of six children, Past President of the Hicksville Community Council, Secretary of the Executive Board of H.A.D. (Help, Aid and Direction); past member of the Folk Lane PTA, Treasurer and Friends of the Library, and former Den Mother and Girl Scout Leader, she is very dedicated to our community and highly qualified to meet the demands of being on the School Board.

In addition, she shares our belief that Sex Ed and Sensitivity Training Programs such as Strand III do not belong in our public schools and has pledged to work to prevent these harmful programs from becoming part of our public school system.

Though the School Board did vote down the K-3 Strand III program due to community pressure, the battle is still not over, for the entire K-12 Health Program is now being revised and will probably include some aspects of Sex Education, according to several Board members. Also, M.A.S.T. (the group supporting Strand III), has vowed to keep trying to get these programs in. They have put up their own candidate for the School Board, in the hope of achieving this goal.

The only way to safeguard against these harmful programs is to get in a decent, morally righteous School Board, who truly has the best interests of our children in mind and can recognize these programs for what they really are. By electing Carole Wolf as our new board member, we will be on the way to achieving this goal.

Mark your calendar for May 28th and come vote and give her your support.

Phyllis Hundertmark

To the Editor:

A decision to close either part of a whole Hicksville school will have to be made in the near future. In examining the thesis economics vs. placement, let us take a look at some of the options available to the district.

To close a school and leave it vacant invites vandals. Administration feels the most feasible plan is to close Old Country Road school and to assimilate the children into other neighborhood schools. Although Burns has the smallest enrollment, Old Country has property that borders a main business street and has salability.

My proposal would be to delay entrance into the junior high until the eighth grade. By having pre-teens remain in the neighborhood schools, there would be a savings in transportation, both in busing

# Letters To The Editor

and in long-haul walking. Seventh grade students would not be yanked from the friends they have made since kindergarten and exposed to many unfamiliar types of peer pressure. The temporary wing of the junior high could then be closed down.

When space permits, the ninth graders could be absorbed into the senior high, thereby allowing them to mingle with older and more knowledgeable peers. The eighth graders could remain in the present junior high building which could also house vocational training.

Any area remaining in the Junior High could be used by the library to expand its overcrowded facilities, could be used as a community room for senior citizens during the day and a recreation room for students in the evening, or left to the wishes of the people.

Administration has not made public any long-term plans for the elimination of existing classroom space. As Dr. Hawkins said at a recent meeting, "If you close a school, it is closed forever," and if the population of the community should increase, it would be an expensive mistake.

I, as a proponent of neighborhood schools, would like to be a part of the Board's long-term planning.

Sincerely,  
Carole Wolf

Editor:

It's heartening to see an authentically qualified person like Carole Wolf running for the School Board.

If elected, Mrs. Wolf will bring to the Board a dozen years of commitment to the Hicksville community in capacities as diverse as Treasurer of Friends of the Library, to being President of the Hicksville Community Council for 3 years, to her current presidency of the Newbridge Figure Skating Club, and as Secretary to the Executive Board of HAD. She also has been an active parishioner of Holy Family Church, currently serving as editor of the monthly magazine.

In addition to all of these activities, plus managing her own family, Mrs. Wolfe has found the time to finish three years of college at night, majoring in Accounting, and expects to receive her BBA degree next May.

Mrs. Wolf's credentials are solid, and I endorse her for election to the School Board.

Doug Harknett

To the Editor:

As a candidate for the Hicksville School Board, I would like to invite the Hicksville community to meet me at the May 22 "Meet the Candidates" night, held by the PTA at the Administration building.

I feel that as a School Board member I can truly benefit this community, and I would like to hear the people of Hicksville to hear my viewpoints on such important matters as:

- a. school security / reduction of vandalism
- b. communication between School Board, students, teachers, parents
- c. sex education
- d. reduction of drug / alcohol problems through in-service courses for teachers

To the Editor:

My name is Charlene Anci. Last week I announced my candidacy for the Hicksville School Board.

Let me start by telling you a little about myself. I am a product of the Hicksville Schools. I went to

the Nicholas Street School, Lee Avenue School, the Junior and Senior High Schools. My class was the class of '64. I now have three boys - one is handicapped and attends the Senior High; one is gifted and entering kindergarten, and the third is a normal, average child. As you can readily see, I have a very large stake in all forms of programs for children because mine "cover all the bases."

My community affiliations are many, including: current President of Hicksville SEPTA, past Vice-President of SEPTA, current member of the Senior High PTA and Willet Avenue PTA; past member of the Woodland Avenue PTA, and past member and executive board member of the Junior High School PTSA. I am also a member of the AHRG and of the Society for Gifted and Talented Children.

As a long-time resident of Hicksville, my roots are deeply entrenched here; my parents are senior citizens and still reside here. I remember the programs that were made available to me. I remember a variety of diversified programs such as cultural arts, language arts, advanced programs, sports etc., hand-in-hand with the academics - in short, programs that would inevitably turn out healthy, well-rounded young people. This is what I want for my children. I want them to have all the resources that were available to me - a potpourri, if you will, of intellectual and cultural experiences - this I want for them.

I would like to strive for better teacher-parent-administration cooperation and relations. I think sometimes we become so enveloped in the everyday operating of a large school district that we become callous to the sensitivities of the very people we are here to educate - and that's kids.

I would like to see an improvement in community relations in the way of good citizenship. I would also like to see this community returned to fiscal sanity.

These are only some of the issues to which I have addressed myself today. I would welcome any suggestions you, the residents of the community, would have regarding any other pressing issues and I encourage you to contact me at 822-7632.

Sincerely,  
Charlene Anci

Dear Editor:

Having known Charlene Anci for several years, I was delighted to read of her candidacy for the Hicksville School Board in your newspaper.

Charlene is an individual who is dedicated not only to her family, but to quality education for every child within our district. She is a unique individual for she knows well and understands the problems of this community. Charlene's parents are senior citizens still residing in Hicksville. Charlene attended our schools and now in turn is educating her children here.

Charlene would certainly be an asset to this community as a School Board Member. What better qualifications could she have?

Sincerely,  
Mrs. Kurt Sandberg,  
Hicksville

To the Editor:

Local School Board elections are once again just around the corner.

Charlene Anci, a candidate for the position being vacated by Mr. Pierre Fujimoto, is the only choice for your vote. Charlene, mother of three, a long-time resident of Hicksville, and a former

## HONOR HER TODAY

Some years ago down in the mountains of Georgia there lived a poor widow. She had a few acres of ground where she raised berries and one thing and another, and made a little money keeping chickens and selling eggs. She also took in washing and did other humble work for a living. God gave her a bright son who surpassed everyone in the district school. The mother worked hard to get the money to send him to college. The son worked hard to get himself through college. He graduated with high honors and won a gold medal for special excellence in study.

When it came time for him to graduate he went up to the mountain home for his mother, and said, "Mother, you must come down and see me graduate." "No," said his mother, "I have nothing fit to

wear and you would be ashamed of your poor old mother before all those grand people." "Ashamed of you?" he said, with eyes full of love. "Ashamed of you, Mother? Never! I owe everything I am to you, and you must come down. What is more, I will not graduate unless you come." Finally she yielded. He brought her to the town.

When the graduating day came she went to the commencement exercises in her plain calico dress, her neat but faded shawl and her simple mountain bonnet. He tried to take her down the middle aisle where sat the richest people of the town, friends of the graduating class, but she refused and insisted on sitting way off under the gallery. The son went up on the platform and delivered his graduating address. He was handed his diploma and received his medal. No sooner had he received the gold medal than he walked down from the platform

and way over to where his mother sat under the gallery, and there amidst the applause of the throng, he pinned the gold medal on her faded shawl and said, "Mother, that belongs to you. You earned it."

The Fourth Commandment states, "Honor your father and your mother." In God's eyes honoring our parents is not an annual observance but a daily activity. As much as your honoring meant to your mother on her special day, it will mean even more today. Speak it. Do it. Honor your mother today, tomorrow, everyday.

buildings and grounds areas among the various schools.

Reductions were approved however in several areas, with Board members splitting their votes on these recommendations involving numerous one-line items.

Among the reductions were \$2,000 from snow removal (Trustee Tom Nagle voted no); \$50,000 from unemployment insurance (the original motion by Trustee Virginia Germer was \$85,000; Mr. Fujimoto amended it to \$50,000 and it passed 4-3 with Vice President John Ayres, Mr. Nagle, and Mrs. Germer voting no; on the main motion, which

# A Tribute To Neil

Mr. Neil O'Doherty, a respected teacher at Hicksville High School, died Wednesday, April 30th, at his home. He died of natural causes; he was 47. Mr. O'Doherty was completing his 20th year of service to Hicksville students.

Those are the facts, but there is much more.

During these 20 years in Hicksville, Neil consistently demonstrated his ability and skill and caring as a teacher; he was well-recognized for his dedication. An invaluable educator, Neil had a passion for his work where time was no constraint. His commitment to students was complete.

Neil O'Doherty was the kind of

teacher that students remember long after they leave school. They remember him as a demanding, no-nonsense man who, by his example, taught them the worth and the pride of doing a job well.

Educators will remember him as the kind of teacher others try to emulate, but seldom really do.

He was true to his code. No one owned him, but all respected him. A classic academician, he also loved baseball; he was a militant Dodger fan. He strongly voiced his opinions on a variety of subjects. He had no patience for pettiness.

That's the kind of person Neil O'Doherty was.

There is a void in Hicksville today that will not soon be filled. But how fortunate we are that Neil came our way, for however brief a time. We mourn his passing deeply.

Wilber Hawkins,  
Superintendent  
Hicksville Public  
Schools

We all lose when a man like Neil O'Doherty passes on, but it is heaven's gain. Now the angels will have to listen to his magnificent discourse on St. Augustine and St. Thomas Aquinas. How fortunate we were to have a Neil O'Doherty teach in our schools. Neil's outlook on life was man's responsibility to society and his relationship to the spiritual and temporal disciplines that embody the spirit and drive that made the American dream something to strive for. For Neil O'Doherty loved his beloved republic, not only in words but in action and purpose for he has inspired the youth of our school community to become better students, prouder Americans, and cemented within them a foundation to build on for tomorrow's leaders, embracing honesty, integrity, patriotism, and respect for tradition.

I will miss him, but not as much as his students, present and past, and what a tremendous loss it was for his associates on staff. My only regret is that I did not extend my admiration for him as often as I should, but who would have known that our Heavenly Father wanted Neil so soon. Perhaps we should examine our own worth in life and be as prepared as Neil O'Doherty was when he was called. Bill Bennett

The budget maintains existing programs and provides for curriculum review and revision; in six areas: reading, science, math, social studies, language arts and health. It also provides for increases in fuel oil cost, transportation costs facility repairs (including sewer hook-ups) and social security increases.

Budget books with line-by-line expenditures for each code and function are available for inspection at each elementary school as well as at the administration building.

The budget vote is May 28 at local polls. The next regular meeting of the Board is May 14 at the administration building.

Parents, friends, teachers and students responded most enthusiastically to East Street School's recent observance of National Library Week which took place in the form of an open house based on the theme, "LOOK! I TOOK A BOOK AND..."

The top picture indicates the event was very well attended. In the lower picture we see sixth graders' projects made in conjunction with their foreign language studies.

Reaction was so favorable that requests have been made to repeat the project next year. [Picture by Arnold Sparr].

## Around Our Towns

Herriet A. Maher

Welcome, neighbors! Nadine and Warren Barnett recently moved into their home on Ninth Street, HICKSVILLE. Warren works at Nassau Trust as a branch attendant. He also is employed by Pickering & Co. Best wishes to you both in your new home.

birthday while away. Bill said he actually celebrated his birthday for a full week - first to Buckhill Falls; then after he returned home a present arrived from his daughter, Carol, who resides in California; a few days later another present arrived from Bill's daughter, Lydia, who also is a resident of California; and a few days after that, Bill's friends took him out for a birthday dinner at the Jolly Swagman.

and John is just a year old. Baby John is "king" out of four "princesses" (all the other grandchildren are girls). The Petrones told us. Bill is in partnership with a former Hicksvilleite, Horace Lindo. They have a very successful construction business in Connecticut.

Oh, we learned of more birthday celebrations: Frank and Pat Klarmann's daughter, Barbara, celebrated her 19th birthday on April 10. Her family had a party for Barbara, and then she went out to celebrate with her friends. Barbara is a student at Nassau Community College where she is majoring in fashion merchandising.

We're happy to learn that Ida Mae Herfurth, one of HICKSVILLE's octogenarians, is feeling better. Stay well, Ida Mae.

Anita Franzese said she is busy bowling with the Powder Puff League. She's one of their top scorers. Anita and her team are eagerly awaiting the outcome of the tournament they are scheduled to compete in very shortly. Good luck, team.

The Jablonskys, Ann and Joe, Sr., spent two glorious weeks on a Florida vacation. They made the trip in their motorhome. While in FL, they visited their daughter, Carol, and her husband, Bob O'Neil. They also visited other Hicksvilleites, John and Catherine Hill, who happened to be at their vacation home in Spanish Lakes, FL. The weather cooperated and made the Jablonskys' trip delightful.

We almost missed wishing Maureen and Jim Rennert happy anniversary. The Rennerts were married two years on April 15. Jim is a graduate of our local schools. (nee Ormand) grew up in Levittown. They are residing now in Huntington Station. Jim is employed by the Bank of North America and also is part of a duo that plays at local pubs on the weekends. Maureen is employed at Dianetics Labs. Congratulations.

Visiting our country from Germany are Mr. and Mrs. Hans Schwerer. They are staying with their daughter, Margo, and her husband, Stanley Lipiec and their children, 15-year old Nicole and 11-year old Jason. The Schwerers visit the Lipiecs every year. This year's vacation came at a particularly propitious time - it doubles as a recuperative period for Mrs. Schwerer who is recovering from a recent illness. They will be here in our town for a month. The Lipiecs are Hicksvilleites and their children attend our local schools. Enjoy your stay, and may good health return to you soon, Mrs. Schwerer.

Regina and John Petrone, longtime HICKSVILLITES, have returned from a highly pleasurable trip to Salem, Connecticut. They visited their son, Bill, and his wife, Patty. The Petrone's grandchildren were excited at seeing their grandparents. Amy is three years old.

Happy Birthday to Frank Molinari of W. Nicolai St., HICKSVILLE, who celebrated his on May 2.

## American Band Concert

The American Concert Band, an all-professional band directed by Dr. Kirby Jolly, will present a concert at Hicksville High School on Wednesday, May 14 at 8 P.M. Twenty Hicksville High students will join the American Concert Band in two selections. In addition, three students will be soloists with the band, and a flute quartet and trombone trio will round out the students' participation.

Dan Hogan, baritone horn, will perform the Rondo from Mozart's Concerto K. 191. Al Pitrelli will be heard in selections from "Jesus Christ Superstar" and Krista Smith will play the First Horn Concerto by Mozart. The "Flight of the Flutes" will be played by Ann Shizume, Eileen Smith, Jean Ryder and Kelly Landers. Richard Briony, David Rubin and Chris Moyer will "slide in" on "Lassus Trombone."

HICKSVILLE HIGH SCHOOL students will join the American Concert Band during its May 14 performance. Front row, from left are: Ann Shizume, Jean Ryder, Eileen Smith, Paul Nealon, Dan Hogan, Richard

Briony, Linda Losche, Mellissa Mayer and Susan Rockwood. Back row, from left are: Dennis Chow, James Sanderson, Dennis Lenihan, Peter Rubins, Krista Smith, and Keith Blake.

The concert is being presented through the Department of Cultural and Performing Arts. Admission is free, but tickets are required. For more information,

interested persons should call the Hicksville High School music department at 733-2146 or the office of Cultural and Performing Arts (733-2090).

# Hicksville American Soccer Club News

The team, coached by Jack Fletcher and Ass't Angelo Lozito, start the game furiously. After 3 minutes, Sal Musumeci scores from the right flank with a beauty in the upper left corner of the net. A strong wind troubled all players, and made ball control very difficult. The Pioneers demonstrated excellent teamwork, with very good passing, defensive and offensive moves. The defense around Don Cusack did a great job, with Don once clearing on the line to thwart a sure goal. Pat Harkins, who moved up from midfield to the front, scored to make it 2-0. Towards the end of the first half, Scott Cahalan found his mark for a 3-0 lead. Peter Fletcher in goal made some good saves.

The second half continues on the same level. The Hicksville midfield picks up most Hauppauge attacks. Hicksville keeps the ball in the Hauppauge half, and some counterattacks are stopped by the Pioneer back line. An excellent Pat Harkins in goal makes some good saves. Joe

Jorge scores two goals, to make it 5-0. Doug Wendt makes his contribution to the final score of 6-0. A very nice effort by everyone. The roster:

Goal: Pete Fletcher, Pat Harkins  
 Defense: Marty Mize, Scott Cahalan, Ralph Stteveling, Dennis Chow  
 Midfield: Don Cusack, Kevin Cunningham, Joe Ferreira (Pete Fletcher, Pat Harkins)  
 Forwards: Sal Musumeci, Joe Costa, Joe Jorge, Doug Wendt.

BOYS U/8 - EAGLES

The Eagles, playing in their first season of League competition, entered the winners column by beating Cow Harbor this weekend. Hicksville controlled the ball the entire game, fighting the wind at Grumman field, in addition to the strong Cow Harbor defense. After a number of shots on goal by forwards Brian Garnets, Alexander Shevchenko, Larry Bag (who scored the tying goal against Locust Valley) & David Kuck, the ball was brought down by Cow Harbor. Their attempts on goal were stopped by fullbacks Jason Carmen, Kyle Richards, Jeff Preston & Douglas Bransfield. Goalie Mike Langsam made some brilliant saves, preventing the opposition from scoring. Halfbacks Bobby Ladimir, Drew Donohue and Neil Cambroneo kept bringing the ball back up towards the Cow Harbor goal. Just before the half, halfback Drew Donohue brought the ball up and crossed it into the goal, for a 1-0 lead at halftime. The second half saw forward Steven Agosta make a number of close shots with Bradley Greenberg and Rich Kalmer following up. In spite of a 1-2-2 record, the Eagles, coached by Alex Shevchenko and Bob Ladimir, have improved with each game and have exhibited great ball control.

WOMEN'S LEAGUE HEARTS

This past week found the Hearts meeting East Meadow in an inter-division match. Coming off last weeks win over Plainview, the women were still elated and exhibited many of the moves that helped them win that game. Forward Marie Guastella played an exceptional offensive game, scoring on a beautiful shot. Despite constant pressure from East Meadow, Hicksville maintained control through most of the first half. Goalie Jean Brown of Hicksville made an outstanding save early in the second half. With E.M. on the offense, the ball hit the overhead goalpost, bounced down and was batted out of play by Jean's quick movement. East Meadow was unable to score, with fullback Mary Kilmetis playing one of her best games this season. Her aggressive play and strong kicks prevented E.M. from breaking through very often. The Hearts are now 2-3 for the season, and are moving up in the League standings steadily.

penalty kicks as "...We have a better keeper than they do" (Gene Tyranski). The boys responded and held on for another 20 minutes so after 100 minutes of tough, rough soccer, the match was deadlocked at one.

Coach Cresham was right and after four penalty kicks, Hicksville led 3-2; Tyranski making two great saves. Paul McGeough put the 5th kick in and it was all over. This was the toughest test thus far for the Yanks and they passed with flying colors. Coaches Peter Collins, Bill Cresham and Pat McHugh were thrilled with the victory as it was accomplished once again with a few boys at less than 100%. Steve Thompson was injured and didn't play and Adrian Pepi and Bill Cresham played hurt.

As a reward, the boys were given Monday night off from practice. A small reward however, as a third practice was slipped in later in the week. Now that they're in the Semis, the next match will be even a tougher test when they take on the Massapequa RowDies. The remaining team members who put out 125% for this big game are: Bobby Andrus, Vinny Christiano, Robby Cullen, Steve Dolan, Cliff Feldman, George Marco, Jimmy McGeough, John Mitchell, Robby Pearse and Dave Smyth.

YANKS ADVANCE

The under 15 Yankees, playing one year up in the under 16 age group, advanced to the semi-finals of the Regional Cup Competition with a great win last week-end. Few people expected them to get this far and fewer still expected them to defeat a good, strong Blue-White Ridgewood 16 year old team. Coach Cresham said it best at the end of the game when he told the boys "The word is out now-all over Long Island and Southern New York State that you're a team to be reckoned with." Every member of the team, starters and bench alike, played excellent soccer and held Blue-White to 0-0 at the half. Hicksville scored (Jimmy Demarco) 10 minutes into the second half and that was a big goal as the Yankees have a solid defense. For the next 20 minutes, the boys held on, but with less than ten minutes to go, Blue-White tied the game and it ended in a 1-1 tie.

AAUW News

"Hempstead Garbage Plant; Progress or Threat" will be the topic discussed at the regular monthly meeting of the Mid Island Branch of the American Association of University Women (AAUW). Vicki DeJong, co-chairman of the Nassau Citizens Action Committee will speak on her group's plans for the future.

Dora Feigen of 172 Red Maple Drive, Levittown, New York will host the meeting at her home on Thursday, May 15, at 8:00 P.M.

All women holding baccalaureate or higher degrees are invited to attend. Please call Diane Wakerman at WE 8-9753 for further information.

PEE WEE INTRAMURALS

Coach-Lenny Greenspan

Hawaii-2-Texas-2

Tremendous goal tending by Erik Steyskal led to numerous saves and inspired the teams aggressive play.

Hawaii's goals were scored by Halfback Matt Greenspan and a penalty kick by forward Kevin Coen. Forward John Koslowski and Halfback Brian Whitman did an excellent job of keeping the ball near the Texas goal. The defensive play led by Ricky DeRenzis, Kevin Ohea, Joe Reinhardt and Kenny Peskin enabled the team to achieve the tie.

NOTICE OF (ANNUAL) DISTRICT ELECTION PLAINVIEW-OLD BETHPAGE CENTRAL SCHOOL DISTRICT PLAINVIEW, NEW YORK

March 17th, 1980
NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Plainview-Old Bethpage Central School District, Plainview, New York, adopted March 17th, 1980, the (Annual) District Election of the qualified voters of this School District will be held on May 14th, 1980, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the three Election Districts, stated below, for the purpose of voting upon the following proposition(s):

PROPOSITION NO. 1
Shall the school district budget for the school year 1980-1981 proposed by the Board of Education in accordance with Section 1716 of the Education Law be approved and a tax be levied in the amount of expenditures less estimated state and federal aid and funds legally available from other sources.

PROPOSITION NO. 2
RESOLVED: (a) the Board of Education is authorized to implement an energy conservation program by modifying (i) the heating, ventilating and cooling control systems in the following School Buildings and to expend therefor, including preliminary costs and costs incidental thereto and the financing thereof, an amount not to exceed the estimated maximum cost of \$320,000; and (ii) the lighting systems in said School Buildings and to expend therefor, including preliminary costs and costs incidental thereto and the financing thereof, an amount not to exceed the estimated maximum cost of \$70,000; (1) Plainview-Old Bethpage Senior High School Building, (2) John F. Kennedy Senior High School Building, (3) Plainview-Old Bethpage Middle School Building, (4) Howard B. Martin Middle School Building and (5) Parkway-Jamaica Avenue and Old Bethpage Elementary School Building; (b) the total cost of said specific object or purpose is \$390,000 and a tax is voted to be levied by and collected in installments; and (c) in anticipation of said tax, bonds are authorized in said amount and a tax is voted to pay interest on said bonds.

PROPOSITION NO. 3
Shall the Library Budget, proposed by the Board of Trustees of the Public Library of the District, be approved and a tax on the taxable property of the District be levied therefor pursuant to the terms of Section 259 of the Education Law.

NOTICE IS FURTHER GIVEN that petitions, nominating candidates for the office of member of the Board of Education and member of the Board of Trustees of the Library must be filed with the Clerk of the School District between the hours of 9:00 A.M. and 5:00 P.M. no later than thirty (30) days before the (Annual) Meeting. A separate petition shall be required to nominate a candidate to each separate office. Each petition shall be directed to the Clerk of the School District, shall be signed by at least eighty (80) qualified voters of the district, (the same being two (2%) percent of the number of voters who voted in the previous election) shall state the residence of each signer, the name and residence of the candidate, and describe the specific vacancy for which the candidate is nominated, which description shall include at least the length of the term of the office and name of the last incumbent. Forms of petitions for School Board members may be obtained from the Clerk of the School District. Forms of petition for Library

LEGAL NOTICE

Board Trustees may be obtained at the Library any weekday from 9:00 A.M. to 4 P.M.

Last incumbent: Joseph M. Blum

The following vacancy is to be filled on the Board of Library Trustees:
5-year term ending June 30th, 1985
Last incumbent: Irwin Enteen

NOTICE IS FURTHER GIVEN that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the (Annual) District Election whose name does not appear on the register of the School District, and that those qualified to register and vote shall do so in the School District in which they reside.

NOTICE IS FURTHER GIVEN that copies of the statement of estimated expenses for the school year 1980-1981 may be obtained by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after May 7th, 1980 between 9:00 A.M. to 4:00 P.M., and that copies of the estimated expenses of the Library for the year 1980-1981 may be obtained at the Library on and after May 7th, 1980 on any weekday from 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after May 7th, 1980, between 9:00 A.M. and 4:00 P.M.

NOTICE IS FURTHER GIVEN that a public hearing shall be held on April 30th, 1980, at Howard B. Mattlin Middle School for the purpose of discussion of the expenditure of funds and the budgeting thereof.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the three (3) election districts described below on:

April 30th, 1980, from 12:00 Noon until 10:00 P.M. (D.S.T.).

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on May 1st, 1980, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from May 1st, 1980 up to and including May 14th, 1980. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current Annual Meeting, or who registered under the provisions of Section 362 of the Election Law need not register to be eligible to vote at the meeting.

Applications for absentee ballots for election of board members may be applied for at the Office of the Clerk of the District. A list of all persons to whom absentee ballots are issued will be available in the Office of the Clerk on May 7th, 8th, 9th, 12th and 13th. Such list will also be posted at the polling place(s) at the election of members of the Board of Education.

Eligible voters attending either of the two district high schools may register at their high school

LEGAL NOTICE

between the hours of 9:00 A.M. and 2:00 P.M. on April 30th, 1980.

NOTICE IS FURTHER GIVEN that during the voting hours on May 14th, 1980, the Board of Registration will meet in the various election districts to receive registration for the ensuing year.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE. 'As I have stated so often, our lodge, as an integral part of the Sons of Italy in America, has a definite role to play in the perpetuation of the Italian experience. That role, moreover, is definitely linked to our destiny-which is greatness. But we must follow the script and approach this condition with the proper dialogue, and although as Italian-Americans we differ in attitudes, thoughts and desires, we can achieve this greatness if we pull together and become one. In 'oneness' there is unity and strength, in 'sameness' there is only stagnation. The condition which we call oneness therefore becomes our ultimate objective. We 'cannot exist without it.'

Give and ask not why. Give and ask not to whom. Just give. And this leads me into the subject of the Galileo Lodge's Blood Bank, scheduled for the 24th of May, from the hours of 4 to 10 P.M., at the Lodge quarters, 200 Levittown Parkway, Hicksville. We all know the importance of blood and what it means to human life. Remember, please, that members as well as the community are invited to donate blood, and all those who do so will automatically become a part of

our blood bank. Remember, too, that illnesses occur and emergencies arise suddenly, and that this blood bank can and may actually save a life. Medical facilities will be on hand, refreshments will be served, and a congenial environment awaits you if you should decide to donate your life-giving properties. Please contact Chairman Teddy Marrotti by dialing 931-9351 for more information concerning this humane program.

Last Sunday, the 27th of April, the Galileo Lodge participated in the 'Walkathon.' A good turnout was in evidence, refreshments were served, and many other lodges affiliated with Sons of Italy in America also played active roles, namely, the Aida, Giovanni Caboto, Marco Polo and Ann Bambino organizations. More information concerning this event will be given in another installment.

A new membership drive will be in effect soon, which prompts me to mention again that the Galileo Lodge, however ethnic in scope and character it may be, is tailored to everyone's needs and geared for everyone's actions. It does not matter what your station in life is or at what level your intellectual capacity may be, the Galileo Lodge is versatile and diversified enough to cater to all needs. For an exciting experience, why not come down to Galileo Lodge and converse with the members and officers and find out for yourself exactly what our organization stands for. It is community-conscious and people-oriented, it has a heart and a soul, even though they may be invisible to the naked eye. You owe it to yourself.

LODGE TIDBITS: On May 24th, the Ladies Auxiliary will present a May Time Dance for the sole edification of its members (Galileo's too). Price of admission will be \$8.50 per person, featuring a tasty dinner with trimmings, beer, soda, coffee and cake, live music and the congeniality of the Ladies Auxiliary. A 'bring-your-own-liquor' policy will be in effect for that evening. If past performances by the Ladies Auxiliary are indications of what you can expect, then prepare yourselves for an entertaining as well as a relaxing night...Our Italian feast, scheduled from the 2nd to the 6th of July, looms as another of the scintillating events for the summer mood. To greet your eyes (and senses) will be the ethnic foods with their savory aromas wafting thru the thick night air, with rides, amusements, Las Vegas tents and live music to add additional touches to this feast which is part of the old world. Location site will be Parking Field No. 1, Broadway, Hicksville. More on this activity in later columns. The Galileo Lodge was invited to a most inviting Breakfast held by the Marco Polo Lodge of Levittown. The food was excellent and the guests who attended gave it an extra-added attraction.

Happy Anniversary

Congratulations to Marge and John Bardenhagen, HICKSVILLITES, on their 22nd wedding anniversary. In celebration of this event, Marge and John had a tete-a-tete at the Rusty Scupper. They enjoyed a delicious dinner in pleasant surroundings. Home, but not forgotten, were the Bardenhagen's children, Johnny, Barbara, Janet and Tommy.

### LETTERS

(Continued from Page 4)

Hicksville student, will be a valuable asset to the Hicksville School Board and to the Hicksville community. Dedicated, objective and clear thinking, Charlene, we are sure, will put 100% into any project she undertakes. A familiar face to both the Board of Education and the Administrators of this district, Charlene has shown many times, not only her dedication to the children of this community, but also her desire to promote quality, well-rounded education in the Hicksville Schools.

If you have not met Charlene as yet, please attend the PTA Candidate's Forum, May 22, at the Hicksville High School. We are sure you will be impressed.

Sincerely,  
Mr. & Mrs. Arthur F. Germer  
Hicksville,

Dear Editor:

We highly commend to the voters of Hicksville Mrs. Charlene Anci for election to the Board of Education of School District 17. Over the past two years, we have come to experience increasingly the zeal, the concern, the openness and the intelligence with which she addresses vital issues facing her community and her social district. We believe these qualities admirably fit her for a seat on the School Board.

Mrs. Anci is a former student of the Hicksville Public Schools. She is now the mother of three children, each with different needs, who attend or will, when of age, attend these schools. From this vantagepoint, Mrs. Anci must of necessity seek out and support that combination of programs, services and activities which maximize education for all Hicksville children.

We know this to be her commitment, and we wholeheartedly endorse her.

Sincerely,  
Mr. & Mrs. Paul Sauerland

### COMMUNITY COUNCIL

(Cont. fr. Pg. 1 Hicksville) teacher contract will begin in November. The average teacher salary now is approximately \$25,000 (\$20,000 plus fringe benefits), and their total work year is 184 days.

Vandalism will be increasing in warmer weather, according to Hawkins. Kids drive over the school lawn, on the track and climb to the roof of the "temps" at Dutch Lane. A question concerning the students crossing Old Country Road was answered by Dr. Hawkins. He said that students are allowed out during their lunch hour and do not return immediately from BOCES.

The following officers were elected for the 1980-81 year of the Hicksville Community Council: President, John Budnick; 1st Vice-President, Cathy Steckler; 2nd Vice-President, Councilman Tom Clark; Secretary, Al Peck and Treasurer, Clara Bennett. Installation will take place at the annual dinner which will be held at Antun's on June 5th. Tickets are \$9 and can be obtained by calling 433-6437.

The Hicksville Town Meeting opened with a view of the calligraphy which adorned the walls of the library. Ms. Marilyn Eisner taught the craft to students, according to Library Trustee Clara Bennett.

Carole Wolf announced her candidacy for the Board of Education. Voting is May 28 and the candidates forum will be May 22 at 8 P.M. according to PTA Vice-President Barbara Smith.

Tony Previte announced that the Galileo Galilei Lodge will be having a Blood Drive on Tuesday, May 20th. A free dinner will be available. On Thursday, May 22nd, there will be a social meeting at the Lodge and Siegfried Widder will give a talk on the Chamber of Commerce.

Clara Bennett reminded all that 4-H has scheduled achievement day on May 23. The library is working on providing cultural trips during the summer to the Brooklyn Museum, and the Museum of Art and Natural History.

Councilman Tom Clark brought with him a rendering of a proposed building to be located at the corner of Newbridge Road and Duffy Avenue. Discussion then ensued about the location of a proposed commuter parking garage.

Energy Management Systems, Danbury, CT and NEC Telephones, Melville.; flat-color ad - trade/industrial publications (Royal Zenith Corp., New Hyde Park.); process-color consumer brochure (M. Hohner, Inc.); and industrial campaign (Standard Microsystems Corp.)

For the first-place Mura ad, the art director was Chris Nehlen, the copywriter, Jack Schultheis; for the Fairchild Republic brochure, art director was Arthur Zimmermann, copywriter, Andrew Isaacson; for the Hohner ad, art director was Chris

Nehlen, copywriter, Jack Schultheis; and for the Grumman/Olson campaign, art directors were Chris Nehlen and Paul Lamirault, copywriter, Andrew Isaacson. The creative director for all of the above was Kenneth Rabasca, President of the company.

### Flags Remain At Half Staff Until May 26

American flags at all Town facilities will be flown at half mast until May 26 in honor of the eight men who gave their lives in the aborted attempt to rescue the hostages being held in Iran.

Oyster Bay Town Supervisor Joseph Colby had ordered the lowering of the flags for a 30-day period beginning last Friday. "It is indeed fitting that we offer this tribute to the brave men who gave their lives trying to rescue their fellow Americans," Colby commented. "I urge residents, businessmen and others who fly the flag to lower it and join with the Town in this salute to their bravery."

#### NEW GAS TAX

President Carter officially implemented his plan to impose a 10-cent-a-gallon tax on gasoline despite the fact that some members of Congress are seeking to derail the proposal.
