Proposed School Budget Up 84¢

Hicksville residents will go to the polls on Wednesday, May 28, from 10 a.m. to 10 p.m. to vote on the school board candidates and the proposed 1980-81 school budget.

Voting will be held at the following Elections Districts: E.D. 1, Burns Ave. School; E.D. 1, East St. School; E.D. 3, Woodland Ave. School; E.D. 7,

Old Country Rd. School

Proposition Number One is the proposed school budget in the amount of \$30,588,038. Last year's budget was \$28,887,842, an increase of \$1,700,196. This was due to fuel oil increases, increases in energy costs in general, plus transportation costs and increased social security costs.

If this proposed budget is voted in, the approximate tax rate will be \$18.12 per \$100. Assessed valuation, or an increase of only .84 cents per \$100 assessed valuation from the present tax rate of \$17.28.

This increase, on a home assessed at \$8,000 represents approximately \$4.20 a month more.

School Board Candidates

By Linda Strongin

Following is a brief sketch of candidates running for the Hicksville Board of Education. This year the seats held by Mr. Dan Arena and Mr. Pete Fujimoto are open. Mr. Fujimoto is not seeking re-election.

Running for Mr. Arena's seat: Mr. Dan Arena, currently President of the Board, is seeking his third three-year term. Mr. Arena is a member of the Holy Family Parish. He has three children, two are graduates of the Hicksville Senior High School and one is a graduate of Holy Trinity High School. Mr. Arena has been a resident of the Hicksville community for 22 years. He is currently employed as a controller for a Long Island electronics firm.

"I am strongly committed to the continuance of the re-organization of the administrative positions in the Hicksville School District. I want to see it through because it is important for the education of our children in Hicksville."

Mr. Frank Grimmer, a 1979 Hicksville High School graduate is seeking his first term on the Board. Mr. Grimmer owns and

manages his own landscaping firm. He is also an employee of the Hicksville Water District. He has been an active member of the Holy Family Parish, serving as President of the Teen Club. He was also active in the Hicksville Baseball Association.

"I feel I can convey the problems confronting students and teachers to other Board members and administration. I can also communicate with people in the community, especially those not in attendance at Board meetings, as to situations that could affect them."

Running for Mr. Fujimoto's seat:

Mrs. Charlene Anci is seeking her first term on the Board. Charlene served as SEPTA President (Special Education PTA) this past year and has been active in the Hicksville Junior High School PTSA. She is employed as a free-lance court reporter. Charlene attended Hicksville Schools. She has three children, one attending Hicksville High School, one starting kindergarten at Willet Avenue, and one pre-schooler.

"One reason I am running for the Board is that during the past

year, while attending many school board meetings, I became very involved with the intricacies of the educational process as they pertain to our children. I now feel that my keen awareness of dealing with the administration of education can help me contribute to education in Hicksville.

Mrs. Carole Wolf is seeking her first term on the Board. Carole served as President of the Hicksville Community Council for three years. She is an active member of the Holy Family Parish, serving as Editor of Holy Family Life. She has been active in Girl Scouts and Cub Scouts. Carole has five children who attend Holy Family School and Holy Trinity High School. She also has an infant at home. She is currently a senior at Hofstra University, majoring in business.

"I am running to give people a choice and to offer the people of the district my experience in community leadership; my experience as a student and a teacher; and my experience in business."

Elections are May 28 at the seven election district from 10 a.m. to 10 p.m.

This affair is used to defray the Club's yearly expenses. An almost overflowing crowd was in attendance and enjoyed good food, good music, and, best of all, the good company of the participants. Among those present were Doug Hynes and his fiancée, Kathleen Mary Myers. Doug is campaigning to be elected Assemblyman in the Tenth Assembly District. His philosophy is "It may be inevitable that we have death and taxes, but it's not inevitable that we be taxed to death." Doug and Kathleen Mary plan on being married August 9. The date was changed from late September to August 9 to avoid the busy part of the campaigning and elections. Doug said, "This was one of the best things about running for election - it enabled us to be married earlier."
 Assemblyman Fred Parola,

HOOP STARS OF YESTERDAY AND TOMORROW - Bret Bearup (left), of Greenlawn, and Matt Doherty (right), of Hicksville, meet legendary UCLA basketball coach John Wooden during the McDonald's All American Game in Oakland, CA.

Bearup, Doherty and 22 others were selected to the 1980 McDonald's All American High School Basketball Team, for

which Wooden serves as chairman of the Advisory Committee. Bearup attends Harborfields High School, where he averaged 26 points per game. A National Merit Scholar, Bret will attend the University of Kentucky next fall.

Doherty scored 27 points per game for Holy Trinity Diocesan High School, while ranking 12th in his class of 415. He will be attending the University of North Carolina.

that dynamic and energetic assemblyman, was also present at this annual affair with his beautiful wife, Susan. Fred and Susan will be married six months on May 24. Fred said even though his time in Albany makes him absent from home frequently, it hasn't hurt his marriage - the honeymoon is still going on.

The Hicksville Young Republicans (YRs) are under the aegis of the Hicksville Republican Club. This group meets on the Third Tuesday of the month, 8 p.m., at the Knight Club on South Broadway, Hicksville. All interested young adults between the ages of 18-30 are invited to attend their meetings. Nick Caruso, president of the YRs, will welcome - "so come on down", says Nick, "you'll have a lot of fun."

Younger, but just as enthusiastic, are the members of the Teen Age Republican Club (TARs). They meet on the third Thursday of each month, 7:30 p.m., at the Seaman and Eisemann Building, Broadway, Hicksville. They, too, will spread out the welcome mat for any interested teenagers between the ages of 13 and 18.

Youth has not cornered the market on enthusiasm and stamina. Many of our members are senior citizens. Frank Jopp is the chairperson of our Senior Citizen Committee, and he furnishes up-to-date information on various programs and benefits that are available to our senior community.

As you are aware, May has been proclaimed "Senior Citizen Month" throughout our nation. It's a beautiful time of the year to acknowledge a very special group of citizens. Representative of the vitality and effectiveness of our senior constituency is 76-year-old Alverta Gray Schultz of Hempstead who was named Nassau County's Senior Citizen of the Year. Mrs. Schultz has been a community leader for more than 50 years and is the recipient of over 50 awards for outstanding community service. In announcing the judges' decision to name Mrs. Schultz Senior Citizen of the Year, Commissioner Adelaide Attard of the Nassau County Department of Senior Citizen Affairs said, "Alverta Schultz represents the spirit, vitality and dedication of our entire senior community." This year the winner of this award, a truly worthy recipient, resides in the Town of Hempstead. Next year, we hope one of Hicksville's outstanding seniors will win this coveted award. Frank Jopp will provide you with additional information regarding this event. You can meet Frank at our Club meetings - he's almost always there.

In future columns we will bring you news from Fred Vevante, our Club president; Tom Gallahue, Executive Leader Hicksville West; Joe Jablonsky, Jr., Executive Leader Hicksville East; and chairpersons and members of our organization.

In the meantime, why don't you mark your calendar with our next meeting date... June 13, 8:30 p.m., at the VFW Hall, 320 South Broadway, Hicksville. Plan on joining us - we know you will enjoy yourself. And we, too, will "spread out the welcome mat" to

A Sell-Out Crowd Hears Reagan

A sell-out crowd of 4,400 people tonight heard Republican presidential front-runner Ronald Reagan speak at the annual \$150-a-plate dinner of the Nassau County Republican Committee.

Nassau Republican Party Chairman Joseph M. Margiotta reported that the event had been sold out for the past two days and that party workers had to turn away many reservations because of a lack of seats in the hangar-size ball room.

The biggest all-time crowd at the annual dinner was in 1974 when 4,307 paid. However, at that time, a second room was used to seat the additional ticket holders and the dinner price was \$125 each. The second room was not available this year.

Margiotta attributed much of the success of the dinner to Governor Reagan's appearance - his second in a row as the guest speaker at the dinner. Reagan was accompanied by his wife,

Nancy.

"The sell-out of this dinner is another indication that this year will be a winning year for Republicans across the board," Margiotta predicted.

Governor Reagan's decision to speak at the Nassau dinner is an indication that he believes he can capture the Northeast states in the upcoming presidential election, according to Margiotta.

The Executive Committee of the Nassau Republican Party was one of the first major Republican Committees in New York State to endorse the candidacy of Governor Reagan. The 90-member committee voted on March 20th, five days prior to the state's presidential primary election, to support Reagan's candidacy, announcing that "Reagan's early primary victories demonstrated that he is the most popular candidate and it was time for the party to unite behind him."

In addition to the Reagan speech, the dinner program featured remarks by Nassau County Chairman Joseph M. Margiotta, Hempstead Presiding Supervisor Alfonso M. D'Amato, Republican State Chairman Bernard Kilbourn.

Also, special presentations were made to Congressman John W. Wylder and Armand Granito, former Republican leader of North Bellmore. Wylder, who announced his retirement from Congress, was honored for his 18 years of service as a congressman. Granito was honored for his 21 years as the Republican leader in North Bellmore.

Presentations were also made to the top three Republican areas during 1979.

Honored were: Inwood, led by Peter DeSibio, for first place; Louset Valley, led by Frank O'Connor, for second place, and Uniondale, led by Thomas DeVivo, for third place.

Purcell Urges Defeat Of Carter Gas Tax

County Executive Francis T. Purcell commended the U.S. Senate for taking the first step yesterday towards repeal of President Carter's anti-suburban 10-cent gasoline tax. He said he hopes the House will soon follow suit and that both houses of Congress will move quickly to rescind the tax, which is presently in the courts on appeal.

"Rather than force gasoline conservation, the gas tax will fuel inflation and add to the economic hardship imposed on suburban homeowners," Purcell said. "These are the same homeowners who are still waiting for President Carter to fulfill his campaign pledge to take the welfare burden off the back of the local property tax."

Purcell accused the President

of trying to balance the federal budget by penalizing suburban families who have no alternative to the family car.

"The price of gasoline has soared nearly 80 per cent in the past year alone, with the average Long Island family, which was paying \$560 a year for gasoline 12 months ago, now paying more than \$1,000," Purcell said. "The President's 10-cent tax will fuel inflation and unfairly penalize the nation's suburban residents who must use their cars for everyday necessities because they have access to little or no public transportation."

Purcell noted that the public is enraged by runaway oil company profits.

"It is bad enough that the oil companies are ripping off the

public," Purcell said. "The federal government should not join in, too."

ORT News

Phyllis Weiss of Old Bethpage, President of the South Nassau Long Island Region of Women's American ORT Organization for Rehabilitation through Training, will join nearly 100 top leaders of the organization when she leaves shortly to attend the Centenary World ORT Congress in Jerusalem. The Congress, which will attract delegates and guests from the 40 nations throughout the world which support the vocational and technical education program of ORT, will mark 100 years of ORT's service to the Jewish people.

When is 46¢ fuel oil too expensive?

When it is the single biggest cause of rising electric rates.

Forty-six cents out of every dollar you pay LILCO on your electric bill goes to purchase the fuel needed to produce your electricity. Higher oil prices have made LILCO's fuel bill by far its largest expense - and the major cause of electric rates rising over the last few years.

The price of oil has skyrocketed since the Arab

embargo - but we're doing our best to stretch every dollar to cover the higher costs. For example, we're buying as much lower cost power from other utilities' nuclear, coal and hydro plants as we can. Last year, more than \$30 million in

savings was passed on to LILCO customers from these purchases.

As you know, it's becoming harder than ever to keep up. Rising costs of fuel, taxes and interest rates - things we have little control over - take up more than 70¢ of each dollar paid for electricity. But, by your using electricity efficiently, and LILCO working hard to hold costs down, electricity can continue to be one of the more reasonable items in the family budget.

Town Board And Chamber Differ On Commuter Parking Locations

By Sheila Noeth

At a May 20th hearing, the Town Board reserved decision on a action to consider the map showing property to be acquired for the Town of Oyster Bay Public Parking district near the Hicksville RR Station for commuter parking.

A representative of the Sidney Bowne Co. Consultants, spoke on these land parcels which the Town proposes to acquire for Town parking. (see legal notice in May 9 Mid Island Herald, and all information and maps on pages 10 and 11 of May 16th issue of the Mid Island Herald.

Mr. Sieg Widder, Executive Director of the Hicksville

Chamber of Commerce spoke, giving the Chamber's objections to the Town's proposed plans (also on page 11 of the Mid Island Herald, May 16 issue.) He presented 1,004 signatures on petitions opposing taking land off the tax rolls for this parking and 800 signatures on petitions opposing the extension of Duffy Avenue, as proposed. He stated that more petitions were still being circulated on both these propositions.

Mr. Vernon Wagner, president of the Hicksville Chamber of Commerce spoke, asking several questions relative to the changing of road lengths and directions in the "triangle" area. Councilman

Clark stated that some of these changes would make it possible for larger parcels of land to be assembled by developers under the revised G-1 Zone, and some would, in certain cases, improve east-west traffic flow and finally some street changes would provide more parking. Mr. Wanger expressed a strong desire that the channels of communication between the Town Board and the Chamber be kept open at all times, especially on matters that are of such grave importance to the development of downtown Hicksville, which would be beneficial both to businesses and resident taxpayers alike. He stated that the Chamber is not opposed to commuter parking but does not consider the proposed parcels the "best use" of this valuable land.

this matter except that they are willing to work with the Town and are so doing at present.

Mr. William Krist representing Postmaster Anthony Murello of the Hicksville Post Office spoke. He said that the Post Office is presently leasing parking spaces from Stackler and Frank on a short-term lease, which is presently working out, hopefully for the next year or so. He stated that if these spaces are not available for postal employees there would be approximately 300 cars more taking whatever parking spaces are available in this area, at a very early hour. Supervisor Joseph Colby stated that the Town is aware of this problem and "will keep in communication with postal authorities on this matter."

Mr. Stanley Christian, a Hicksville business man spoke recommending that the Town consider some of the "wonderful" plans which had been submitted in the past, for this area. Supervisor Colby said that, although some of the plans seemed good, no builders wanted to implement them.

Mrs. Effie Krogmann spoke

against the extension of Duffy Avenue to Broadway.

Mr. Charles Montana, Sr. spoke deploring the fact that upper floors cannot be added to the existing parking garage without closing down the garage while construction is going on. He said that Fortunoff's Store added upper floors while conducting business. Mr. Montana concluded by stating that the public could come to more intelligent conclusions about what is best for this area, if they are given enough information in advance.

Supervisor Colby then permitted Councilman Thomas Clark, who had worked up much of these proposed developments for downtown Hicksville, to leave the hearing room, with his maps and diagrams, and answer questions by Chamber members and other Hicksville residents present, in the lobby, so that some of their questions might be cleaned up.

Chamber members left with the feeling that their petitions should still continue, while some members felt that a compromise would be possible, if talks could continue.

Mr. Anthony Corrieri, attorney for the Hicksville Water District, spoke stating that all the Water Commissioners were present in the audience. He stated that the property involved in this parcel owned by the Water District has 10,800 square feet. He said that the District takes no position on

On One More Tree . . . For Mankind

A tree will grow approximately 100 children will attend a movie, and Fred and Andy of Freds Scrap Metal Yard of Westbury will long remember the day the youngsters, all fourth graders of Parkway school of the Plainview-Old Bethpage Central School District brought in pounds and pounds of heavy aluminum for sale.

The side trip was the result of a science project that has been going on for over three months.

Estelle Goldstein, a nurse-teacher who started the project with a lesson in ecology and recycling explained during the classes that "we can not grow up and be strong and healthy in a polluted and dirty world." She spoke of the world that is "in danger of running out of many necessary things because of wastefulness."

The students then decided to do their part by collecting aluminum for recycling. Reynolds Aluminum Co. provided the fourth graders with

magnets, supplies and instruments for testing and packaging. The metal was collected, tested, weighed and packed. Each week a different class was in charge of announcing the results. Everyone helped and the end result was over 400 pounds of salable aluminum, light and heavy.

The grand total earned was \$117.55, the light aluminum bought by Reynolds Aluminum Co. who also supplied the youngsters with iron-ons for T-Shirts "I'm a Recycler." The heavy material went to Freds, who gave the youngsters a grand tour of their warehouse. They were shown how the metal was processed from the scale to the compactor. Andy the manager supervised the 'show.' Fred Klein stood by, thoroughly enjoying the antics of the playful 'kids' as they gleefully maneuvered Andy into weighing them on the huge scales. Mr. Klein explained how they buy, cut, package (make it pretty) and sell the metal for recycling.

"I've been in business here for four years," said Fred, "and this is a memorable first." "What a day" said Andy. "It's really been great."

Honor Volunteer Ambulance Crews

The Central General Hospital of Plainview, will be holding a special dinner to honor the more than 130 members of the various volunteer ambulance crews who bring patients from all over Long Island to Central General. The Rescue Squad Dinner will be held on May 28th at Antun's Restaurant, 244 Old Country Road in Hicksville. The County Executives of both Nassau and Suffolk have been invited as have other public officials and community leaders.

The purpose of the dinner is to give some of the recognition that the members of the various rescue squads so richly deserve for serving their respective communities so well.

"These people are all too often the unsung heroes in the diligence of medical services to a communities. They give their time, energy, and talent every day and they merit the highest praise from their community and the entire hospital staff," said Robert J. Bornstein, Administrator of Central General Hospital.

Mr. Bornstein also noted that the personnel of the rescue squads undergo training in various emergency medical service techniques that are invaluable to the patient.

Confusion Makes A Holiday

The Board of Education has approved May 30 as a holiday for all students and district employees.

This came about as a result of the confusion which occurred when New York State changed its official observance of Memorial Day to Monday, May 26. Because of this state mandate, that day will also be a holiday for all students and district employees.

The Nassau North Shore Christian Women's Club invites friends to a Hawaiian Holiday Luncheon at Salisbury Restaurant, Eisenhower Park, Tuesday, June 3, promptly at 11:30 A.M. - \$6.50.

Letters To The Editor

Dear Editor,
Regarding the arguments for and against various school board candidates, it would seem that some are a little off the point.

If it were a prerequisite for an individual serving the community in the area of education, to have children enrolled in the Hicksville Public School System, then we would have to eliminate many of the present school board, the administration, and the faculty. At the present time, there are many people holding key positions in the district who have children in private schools, or in other school districts, or who have no children in school at all. That has never been a valid issue before, and is not now.

Being endorsed by those who have worked so hard to push Strand III on the community, is a somewhat dubious recommendation. Please, for heaven's sake, let's not elect, and give position of authority, to those who willfully go against the wishes of the community. We've seen enough of that in the past 18 months!

This community has never

made Strand III the most important issue in education. That has been done by those who have persisted in pushing an immoral program on an unwilling community. There are many more interesting and worthwhile aspects of education that are worthy of our attention.

In my opinion, Carol Wolf has emerged as the most qualified, competent and experienced candidate for the school board. Her past record in the community is one of dedication and service to worthwhile causes, and is evidence enough that she will give this position the honest and intelligent attention and concern that it needs.

Carole Wolf is an independent thinker, owes no allegiance to former school board members or community cliques, and will make her own decisions based upon logic and reason, truth and the democratic consensus of the community.

Respectfully,
Mrs. Marlene Schuck
Hicksville

As the "concerned member of

C.A.S.T." whom Karen Garbus was referring to in her letter of May 16, I would like to say that I agree wholeheartedly with one statement she made, "that we should stop being so concerned about sex and get down to more vital issues which affect our educational system." If Mrs. Garbus and M.A.S.T. would follow their own advice, myself and the other 2/3 rds parents of Hicksville who voted against Strand III could breath a sigh of relief.

It is in fact their overemphasis of the importance of Sex Ed in public schools which has caused us to become alarmed in the first place. We feel that comprehensive co-ed, sex-ed programs from K-12th grade will do just that - place undue emphasis on sex to our children, who live in a society which is already over-saturated with sex. There are so many other, more pressing problems facing us in our schools today, that it is our hope Mrs. Garbus will also "practice what she preaches" and turn her attention to those areas, rather than making a Sex Ed program for Hicksville her #1 priority.

Until then, getting in an honest, fair-minded school board who will truly represent the parents of this community in regard to this issue, will be our not priority. By voting for Carole Wolf on May 28th, you will be helping us achieve this goal.

Yours For Better Education,
Phyllis Hundertmark

To The Editor:

I would like to take this opportunity to indicate my endorsement of Charlene Ancl as a candidate for election to the Hicksville Board of Education.

As a long time resident and parent of three children attending Hicksville schools, Charlene has displayed a great deal of interest and insight into academic programs, curriculum, special education, personnel, and the budgetary process. Mrs. Ancl has the dedication, enthusiasm, and energy to properly serve our community. She is an independent thinker who possesses that special ability to walk the narrow path between quality education and a tight budget.

I recommend Charlene Ancl to you. I believe she is the most qualified candidate and urge you to vote for her on May 28th.

John Ayres

To the Editor:

I am running for a seat on the Hicksville School Board to give people a choice. Apathy of Hicksville's citizens is growing; there are so many armchair complainers and no doers. There are many who sit back and let the "other guy do it." I'm the other guy.

In answer to the statements in the tenth paragraph of the Rudin's letter last week, no, I had not attended many School Board meetings since I ran against Bill Bruno and lost in 1975, but I do follow Linda Strongin's detailed column in the Herald. From 1975 to the present, I had made other commitments to the community...commitments to work with such people as Supervisor Joe Colby, Councilmen Warren Doolittle and Tom Clark, Superintendents of Schools Dr. Hill and Dr. Hawkins, the Library, the Chamber as well as other groups. I presided over School Budget presentations at the Community Council, honored Dr. Hill with the Council's

Community Award, organized forums, ran debates and presided over meetings with parliamentary precision. I did not sit back and retire from service to the community; I was and am a doer.

I am not a one-issue candidate. Besides my stand against implementing Strand III and the restructuring of the physical plant-facilities, I have suggested providing meeting places for the senior citizens, daytime education courses offered to seniors at convenient locations, bringing college to Hicksville's adults and a budget procedure called Zero Base Budgeting, which requires the yearly examination of the need for a code before money is applied to it.

Knowledge of the working of the schools, alone, does not constitute a good School Board member. Besides teachers and students, a School District has to rely on the state to make suggestions and mandates, and the community for its input and its taxes. With a \$30,000,000 budget, the Hicksville School District is Big Business.

If you agree, I ask that you cast your vote for me, on Row 2B, on May 28.

Sincerely,
Carole Wolf

To the Editor:

Much has been written in the past few weeks on behalf of the candidates for seats on the Hicksville School Board of Trustees.

I would like to add a few words about candidate Carole Wolf.

Carole will be an asset to the school board because she is an organizer, an administrator, and a hard worker. She is a "stickler" for details. She will put her best effort forward.

Above all, she is a doer, not just a talker.

Sincerely,
Sieg Widdler

Editor:

There is one part of the Rudin's letter of last week that requires comment. In it they said "...although a parent of six children, (Carole Wolf) doesn't send her children to the public schools. It is inconceivable to us that her commitment could be as great as someone who has a vested interest...her children."

Does that mean that present Board Members who have no children in school, or whose children attend non-public schools are to be disqualified?

It's time that this myth is exposed and rebutted - the myth that only people who TAKE from the public purse are entitled to CONTROL the public purse. If that is true, the Foxes are in charge of the Chickens.

There are thousands of taxpayers in Hicksville who benefit only minimally from the public school system and yet are required to pay their full measure of taxes. These include first of all, senior citizens - who have long since paid their dues to society and are now on fixed incomes.

They include thousands of others still working, not retired, who no longer have children in school or never sent their children to public school, or who never had children at all. To deny one of these a seat on the Board because they are not TAKERS would be a gross exercise of base self interest.

And then, there are hundreds, and perhaps thousands of others, who choose non-public schools for religious reasons. To deny a School Board seat to a resident taxpayer just because he or she doesn't TAKE from the district, is thinly disguised bigotry.

We believe Hicksville needs Carole Wolf on the School Board because of her broad range of interests, demonstrated over the

Challengers - 1970

Semi-Finals

N.Y. State Cup

Those of us who were fortunate enough to watch last Saturday's game between Hicksville and Garden City, will be talking about it for a long time. Even though our boys lost 1-0 in the closing minutes, they are winners in our hearts and minds.

It was one of the most exciting games of the year as very aggressive offensive and defensive players met each other all over the field. Superb goal tending by Bobby Laine was equally matched by defensive backs Craig Schultz, Jimmy Ori and Jimmy Schneider. Our midfielders Neil McKenna, Matt Conroy, Kevin Taylor and Gregg Pressman, playing against a larger team, played their hearts out. Trying up to the last second of the game to penetrate Garden City's very strong defensive line to get that tying goal, was our aggressively attacking front line of Bobby Karlewicz, Glen Rose, Gave Perry, Jean Claude Balek and Mike Brigandi.

To our boys' coaches Lenore and Joe Perry, and to our special friend, Ward Siebert, goes a lot of well-earned credit for bringing the team this far.

The Garden City boys showed a great deal of good sportsmanship by applauding our boys at the end of the game, as they knew that they had come up against a worthy opponent in the Challengers.

STREAK BROKEN

After 26 consecutive games without a defeat dating back to Labor Day 1979, the under 15 Yankees lost, but just barely, to the Massapequa Rowdies last week-end. The match was the Semi-final of the under 16 Regional Cup and it was a very exciting, hard-fought game that the boys almost pulled out. It was a very rough game also with two Massapequa players being ejected. Although Hicksville had two extra players for almost 15 minutes, they were off their game and just couldn't tie the score. The game ended 2-1 Massapequa. The Hicksville score came on a beautiful corner kick by John Mitchell which was rebounded in front and Adrian Pepi came in and whacked it in.

Coaches Collins, Cresham and McHugh were quite satisfied with the boys performance and good experience was obtained playing up one year in this Cup competition.

On Wednesday, the Yanks were tied by North Shore 2-2 in a League match and they rebounded with a strong 4-0 win over Bohemia on Sunday. In the last 7 days, the Yankees played 5 games & came out with 3 wins, a loss & a tie. They are off to Virginia next week-end for the Braddock Road Tournament with a firm hold on first place in the League but have a couple of touch matches still to play when they return.

Hicksville Republican Club News

By Harriet A. Maher

This column is the first of what we hope to make a weekly endeavor to report to the community on the happenings, events, programs and sundry activities sponsored by the Ernest F. Francke Republican Club of Hicksville, Inc. Many of you readers are already familiar with the Club - it's been an active organization in the Hicksville community for many years - and you, or your neighbors, or friends, are members.

The programs and guest speakers featured at our monthly Club meetings furnish their audience updated information on current events pertinent to our village, town, county, state and federal governments. As an example, Nassau County Republican Committee Chairman Joseph M. Margiotta, was a guest speaker at a recent Club meeting. Mr. Margiotta's presentation was related to the methods currently used for primaries in New York State and why some areas in the state had primaries and others did not. He is working on legislation which will alleviate this inequity in future primaries. Mr.

[center] Joe Jablowski, Leader of Hicksville East and Fred Vente (right) President of the Hicksville Republican Club. D'Amato met with the Hicksville Republicans on Friday, May 9 at the V.F.W.

Margiotta's informative talk was enthusiastically received by the assembly and a stimulating question and answer period followed his discourse. Other guest speakers and programs have included various government officials, candidates for political office, community service organization representatives, and executives and

directors from a myriad of town and county departments.

Another crowd-drawing event sponsored by the Ernest F. Francke Republican Club is the Annual Buffet & Cocktail Dance. This year's affair was held on May 16 at Antun's Old Country Road Manor. The funds raised at

Dear Friends

It never rains but it pours....with public hearings on Hicksville commuter parking, and our last issue before the school district elections and budget vote, plus Memorial Day all coming at once! Regarding the plans for downtown Hicksville... If everything is not covered in its entirety this week, you may be sure that we will keep you up to date in as much detail as possible, as time goes by. The story on this hearing is on page 2. Incidentally, we welcome your letters and comments on this important matter.

As to the School budget, we believe that, in the light of these inflationary times it is a fair one and the increase, compared to some districts, is really modest. We certainly recommend a Yes vote on this budget.

As to those who are running for the school board we are not endorsing anyone this year. We have attempted to bring you as much information on the candidates and "Letters To The Editor" as space permits. We hope that you were able to attend the May 22 Candidate Forum. If you have further questions, we are sure candidates will be glad to answer you, if you telephone them. Just don't forget to vote on May 28th!

Congratulations to our own Harriet Maher who recently (May 18th) received a degree in Business Management and Economics from Empire State College, SUNY. Harriet tells us that she studied for ten years to obtain this degree and is most grateful to her husband for his understanding of her efforts during the entire time. Isn't that a nice thing to report?

That's all for this week. Stay well and we hope that you all take time out from a busy Memorial Day weekend, to say a prayer for those who gave their lives that we can live in this great Country. God bless.

past ten years by her holding office in Hicksville Community Council, H.A.D. and Friends of the Library, to name just a few, and because she cares greatly for the education of children. Because of this diverse background, she has acquired a sense of perspective and balance that will be useful in calling attention to all viewpoints. She will also be relatively immune to the pressures and petty retaliation that are inevitable when taking a policy position that may be unpopular with some residents or teachers or administrators.

For all of these reasons, we urge the public to vote for Carole Wolf on May 28th.

Sincerely,
Dorothy and Frank Reddy

Dear Superintendent Hawkins, Recently we were shocked to read in local newspapers the possible closing of Old Country Road School. As a PTA Unit we are distressed. As parents and taxpayers, we are angry to think there is even a remote possibility our school will close and we have to read this in a newspaper.

Is it possible the statements made by Carole Wolf in the May 9, 1980 edition of Mid-Island Herald and Mid-Island Times are incorrect?

We are gravely concerned regarding the future of Old Country Road School and would ap-

preciate your replying to this letter as soon as possible.

On behalf of
the Executive Board
of O.C.R. PTA

Dear Mrs. Noeth

As a member of the Hicksville community, and a proponent of education, I am pleased to know that Charlene Anci is running for the Hicksville School Board.

We have worked together for all the children of this community for many years. She is a most qualified candidate for the school board. Charlene is very interested in school board affairs.

She is concerned with the education of all children, Learning Disabled, Gifted and most of all the "Average Child".

I urge anyone interested in the children of today, to vote on May 28, for Charlene Anci.

Sincerely
Zaida Sedlacek

To the Editor:

I have been acquainted with Charlene Anci for a little better than a year. Charlene has been in regular attendance at School Board meetings during that period, and is more than familiar with the many fine details that make our school system work. She has seen conflict between the public and the Board. She has seen the Administrators at work. She has seen the Board formulate

policy. She has seen the working of our complex budget. She has been in attendance at the short meetings and those that break up in the wee hours of the morning. She has seen in action "democratic process" at its best and worst. To promote quality education for the children of Hicksville, with consideration for those who are paying the bill, she is willing to give of herself for the benefit of the entire community.

Charlene has three children who are, or will be involved, in three different segments of our educational system. One child is handicapped, one gifted and talented, and the third, average. There are presently programs available to all these children and Charlene will do her utmost to guarantee that three years down the road these, and other programs like them will still be available for all children. Cutting costs at the children's expense does not solve the problem. Today's children are not only our future, they are the future of this country. To insure the future for both students and resident taxpayers, Charlene Anci will exercise her vote assuring that all will receive a dollar's value for a dollar spent.

Sincerely,
Virginia C. Germer

Met Nora Brennan of HICKSVILLE, recently. She is now on a two-week vacation in California with three girlfriends. They flew to Los Angeles, and then will rent a car and drive to San Francisco. From San Francisco they will fly home. Nora is employed in New York City as a legal secretary. She says she doesn't mind the commuting back and forth on the railroads - only when they go on strike. Nora lives with her parents, Helen and John, who are long-time Hicksvillites. She graduated from St. Ignatius Loyola R.C. School and Holy

Trinity High School. Have a good trip, Nora.

We are happy to hear that Louise Pankoff is home from the hospital and recuperating nicely.

Over on West Marie Street, Jason Lipiec celebrated his 11th birthday on May 2. His parents, Margo and Stanley, held a family dinner party for him. His birthday present was a trip to Florida to visit Disney World, etc. His mom and sister, Nicole, will accompany Jason on the trip. Dad, Stanley, was unable to spare the time from his place of

employment to join them. Better luck next time, Stan. Co-sponsors of this birthday trip were Jason's grandparents, Mr. & Mrs. Hans Schwerer, who are here visiting from their native Germany. They will be leaving shortly for their home. Have a safe and pleasant trip, Mr. and Mrs. Schwerer.

Congratulations to Eileen Brennan, who was recently appointed to the New York City Police Department. Eileen had a perfect score on her examination for this position. Her parents, Helen and John Brennan, Hicksville, are extremely proud of their daughter's accomplishments. And so are we, Eileen. Good luck in your future endeavors.

We heard that Laurie Fico was nine years old on May 13. However, we didn't hear if the planned birthday celebration (a slumber party) became an accomplished fact. Seems there was some hesitancy on the part of her parents to acquiesce to this birthday request. We can understand this hesitancy - we will remember the many slumber (less) and noisy parties held at our house. But we know that mom, Evelyn, and dad, Tom, made this a special birthday for Laurie, in any event.

Happy anniversary to Christine and Jimmy Drust who celebrated their wedding anniversary on May 15. Christine is a graduate of Hicksville H.S. and an RN. Jimmy and Christine now reside in Farmingdale with their adorable daughter, Christines parents, Frances and George Knight, and her sisters, Mary and Maureen, still reside in Hicksville. Congratulations, folks.

A thoroughly enjoyable evening in the "Big Apple" was shared by over 100 persons attending the show "Sugar Babies." All the participants left from Hicksville via two buses hired by the Hicksville Catholic Daughters of America. Among those participants were such Hicksvillites as Ann Rennett, Dot Rogoza, Margaret Clancy, Leona Bergin, Agnes Flynn, Kay Governale, and many, many others. This trip to New York City to see a show has become an annual event which is eagerly looked forward to by the members of the Court Queen of Angels and their family and friends.

It has been a busy month for Billy and Mary Ann Moyer. They celebrated their 7th wedding anniversary on May 12 and will be celebrating Mary Ann's birthday on May 26 and Billy's birthday on May 27. Congratulations.

Over on Suggs Lane, HICKSVILLE, Bob Kluck, Jr., was the recipient of love and congratulations from his parents, Jo and Bob, Sr., and brother,

Steve, on the occasion of his May 20 birthday. Jo always prepares the favorite dinner of the birthday recipient and his favorite cake on these happy occasions. Best wishes, Bob.

Best wishes for many more happy years to Mr. and Mrs. Herbert (Kathy) Laine of Robert Street in Hicksville, who celebrated their fourteenth wedding anniversary on Wednesday, May 21.

There were two May birthdays at the home of Donna and Danny Rehman of Grape Lane, HICKSVILLE. Daughter, Mattie, celebrated her 3rd and son, Danny, celebrated his 12th. Happy Birthday.

Gerri Geoffrey of Briggs St., HICKSVILLE, has won the New York State Math Award and her scores will be forwarded to the National Headquarters. A special assembly was held at Queen of the Rosary Academy in Amityville, at which she received the State Math pin. Congratulations.

At Old Country Road School

Old Country Road School Spring Concert will be held on Tuesday, May 27, at 8:00 p.m. The concert will include in the program school orchestra, school band, chorus and recorder group.

Grandparents day will be held at the school on June 6, at 9:30 a.m. Last year we had a large turnout and the day was a great success; we hope to have the same attendance this year.

On Wednesday, May 14, 6th Graders from Old Country Road accompanied by their teachers and class mothers, travelled into New York City, to see Ginger Rogers starring in a Rockette Spectacular. The students also toured Radio City Music Hall for about an hour and a half prior to the beginning of the show and saw the projection rooms, recording studio, rehearsal studio, the basement and the mechanism that controlled the orchestra pit, etc. Did you know Radio City Music Hall is the biggest theater in the world? It was a fascinating time for all of us, and we enjoyed the time when we could sit back and relax and enjoy the show, especially the precision dancing of the Rockettes.
