Clean-Up Volunteers

On Saturday morning, May 24, twelve members of the 4-H Mid Island Co-ed Council, volunteered several hours of their time to clean up the west side of Broadway.

Under the leadership of Jane E. Schreiber, Antonette Fritz, and Horst Stache, 4-H Starlets: Karlynn Ayres, Elizabeth Vollen, Elizabeth Carrese, and Kelly O'Callaghan; 4-H Eagles: Mark Roberts, Chris Grillo, Carl Fritz, Michael Lynch, and Brian Lynch; 4-H Blockbusters: Richard Stasche and Scott O'Callaghan; and 4-H Daisies: Paula Fritz, worked with rakes to gather up debris, put on their work gloves and put the miscellaneous litter into rubbish bags for sanitation pick-up.

They accomplished their goal, to clean up Broadway before the Memorial Day parade. This was the sixth consecutive year that this civic minded group of young people have done this for Hicksville.

The twelve 4-H'ers with their Leaders, are shown in the photo at the site of the Hicksville Kiwanis Fountain, where they enjoyed some relaxation after their hard work, and some refreshments of cookies and punch, provided by the Hicksville Chamber of Commerce as a token of appreciation for their outstanding contribution to the beautification of Hicksville.

We salute these boys and girls, and encourage everyone to follow their example to help keep Hicksville clean.

Which of the expenses below do you think take the biggest bite out of your LILCO energy dollar?

Fuel

Dividends

Taxes

Wages and Salaries

The answer is fuel and taxes. The taxes government charges us and the cost of fuel to produce your electricity are our two biggest expenses—many times more than what we spend on wages and salaries or dividends paid to our common shareholders. In fact, fuel, taxes and interest rates—things we have little control over—take up 73¢ of each dollar paid for electricity.

The remainder takes care of depreciation, wages and salaries, common dividends and retained earnings. Soaring fuel costs and increased taxes are the biggest causes of electric rates rising over the last few years. But we're doing our best to stretch every dollar to cover the higher costs. Today, for example, LILCO still has about the same number of employees as 20 years ago—

even though we now serve almost twice as many customers with more than three times as much electricity.

As you know, it's becoming harder than ever for all of us to keep up with rising costs. But, by your using electricity efficiently, and LILCO working hard to hold costs down, electricity can continue to be one of the more reasonable items in the family budget.

Dear Friends...

Best wishes for a successful term of office to Mr. Daniel Arena and Mrs. Charlene Ancl, who were both elected on the Hicksville Board of Education on Wednesday.

We must say that Hicksville was fortunate in having so many well-qualified candidates for this Board. Both races were close, as you can see on page one of our Hicksville edition. The only ones we can't understand, are those who failed to vote!

Plans for resource recovery and modern waste disposal systems are presently being studied by our Town's consulting engineers and Town technical staff. Their present in-depth review and analysis of nine proposed systems under consideration will result in a recommendation of the most environmentally sound resource recovery system for our Town.

The type of waste disposal system under consideration is a resource recovery plant in which garbage and trash is incinerated at very high temperatures and under carefully controlled conditions to produce steam and electrical energy. Such plants have been operating for more than a decade in various European cities, most of them literally in the heart of the city amidst homes, apartment buildings, offices and factories.

Recently TOB Supervisor Joseph Colby, accompanied by TOB engineering consultant and TOB Commissioner of Public Works, who is also a graduate engineer, toured seven such plants - two in Denmark, three in Germany and two in Switzerland.

"We had the chance to talk with several mayors, civic groups and residents of buildings next to the plants," Supervisor Colby told us.

"The story was always the same: initially, during the planning, there was opposition to the locations of the plants, but once built and operating, there was acceptance and even praise. At all seven plants, there were no odors, no noises and no soot observed or reported," he explained.

Supervisor Colby said that we feel reassured that we are moving in the right direction with our Town's plans for resource recovery, and that the interests and well being of the Townspeople will be preserved.

Good
We'll be awaiting with interest news of progress made to solve this problem of our modern times and hope that it will soon be off the back burner, where all well-researched plans must start.

Letter to The Editor

Dear Editor,

It was my pleasure on May 18, 1980 to attend a presentation sponsored by the Hicksville Council of P.T.A.'s Cultural Arts Department of the Joffrey Ballet Company at the Hicksville High School.

The program was superior and I found my children to be thoroughly absorbed by this cultural experience.

With inflation being so high, it is almost impossible for a parent to be able to afford a ticket for the ballet. We were most fortunate here in Hicksville to have the opportunity to view such a fine program and have our children have this cultural experience.

I hope we will be able to look forward to more programs of this nature in the future and want the Council to know that this parent and two children had a thoroughly wonderful experience on Sunday.

With great appreciation,
Arlene Zuzzolo

PTA Honorary Life Membership

Mrs. Zaida Sedlacek was presented with an Honorary Life Membership in the New York State Congress of Parents and Teachers by the Hicksville Junior High School PTSA.

Out-going President Nancy Staron presented the pin to Mrs. Sedlacek at the meeting of the PTSA on Monday evening.

Mrs. Sedlacek has been an active PTAer for many years, serving as president, vice-president and ways and means chairman at the Junior High School.

At Burns Avenue School PTA, she served in many capacities, including membership, ways and means and special programs. As a member of the Hicksville Council of PTAs, she served as chairman of the Founder's Day

St. Stephen's To Celebrate

The Lutheran Church of St. Stephen, Hicksville, will celebrate the 200th anniversary of Sunday Church School, on June 1st beginning at 4 P.M. The festivities will start with a Sunday Church School parade around the church grounds, followed by a pot luck dinner and, finally, a slide presentation to see St. Stephens "The Way We Were."

The first Sunday school was established in 1780 by Robert Raikes, in Gloucester, England. While this was not a new idea (Joseph Alleine, the Puritan Father, founded one in England in the 17th century and John Wesley taught Sunday school classes in Savannah, Ga., in 1737) by reason of his achievement in organization, Raikes is considered the founder of the English Sunday School.

The theme of this bicentennial celebration is "It has made a difference." This seems appropriate as throughout these 200 years, millions of people have received the major part of their Christian education through the Sunday Church School and its dedicated teachers and workers.

For additional information call the church office (WE 1-0710).

On May 19, Malvese had a close encounter with Circle Texaco. The final score was tied 5-5 after 4 innings of catch-up ball by Malvese. Both pitchers, Robert Rossal and Paul Mango, turned in a fine performance on the mound. On the offense, Paul Mango and Steve Wolf were the hitting stars of the day with a single each to rally the team from behind. In the 3rd inning, trailing

5 to 1, they chipped in with 4 runs. The game was called after 4 innings due to darkness.

In the field, R. Nofi made 2 good plays at 2nd base, and Steve Wolf threw a runner out on a slow-bouncer in front of the plate.

In another game, on May 22, Malvese bombed out Gilson Knitwear 10 to 4. Again with a good performance on the mound, Robert Rossal, Paul Mango and Steve Wolf, all pitched well to hold Gilson to only 4 runs. At the plate, there were 2 hits each by Paul Mango, Robert Rossal and Steve Wolf. Anthony Goia had a long double and Ray Tringali had a single. Great improvement was shown by the entire Malvese team. In fielding, Robert Rossal

made two good plays, one on a grounder to the mound and a good catch at first base by Scott Morrison and the other was a pop-up to Robert Rossal that he caught shutting down the Gilson offense.

In other games, Hicksville Elks were triumphant over Gilson Knitwear, clobbering them 16-7. Matthew Noone turned in a fine pitching performance for 3 innings. Kevin Kenny came in at relief, to secure the win.

The big bats for the Elks were Tim Hogan, Marc Waldon, Michael Flemm, Dennis Sullivan, David Vangas, Kevin Kenny, Albert D'Andrea, Vincent Doonan, Frank Penfusiello, and Peter Coschigo. Also, Jean P.

Ponasevas went 4 for 4 and Matthew Noone clobbered a grand slam home run.

Galileo Lodge News

By Joe Lorenzo

Last Saturday night, the 24 of May, the Galileo Lodge was transformed into a May Time panorama, with beautiful plants adorning the walls, and with hanging streamers reminiscent of a Maytime Cotillion Ball. The Ladies Auxiliary of the Galileo Lodge presented one of the most enjoyable, highly-pleasurable and unusually decorated affairs ever held within the organization. Over 100 people had to be turned away because of a facilities problem, but the 300 people who were able to get in enjoyed a tasty turkey dinner with the trimmings, beer, soda, coffee and cake, set-ups and the convivial atmosphere created by the Ladies Auxiliary themselves.

The music was excellently presented, so much so the combo that played received a rousing ovation as well as showers of accolades as the night came to an end.

This was another excellent performance by the Ladies Auxiliary who are sincerely devoted to the cause of the Galileo Lodge and the Sons of Italy in America.

As a result of these amazing successes from their capable hands, the Galileo Lodge extends to Mary Monteforte and Ann Palermo, the chairladies for this affair and their committee members, its sincerest thanks for another excellent performance.

The Blood Bank Day held by the Galileo Lodge was also a tremendous success. It was expertly run. All the blood donors were comfortably treated by excellent medical facilities, and the food and refreshments that were made available. Galileo Lodge members, friends, relatives as well as the general public and other members of filial lodges of Sons of Italy in America donated, and all of these donors automatically became members of this blood bank. When illnesses strike and emergencies arise, the blood donors will have human blood at their beck and call.

So, to Teddy Marotti and his committee members who ably assisted him, the Galileo Lodge wishes to take this opportunity to extend their deepest words of praise. As Teddy Marotti once said: 'Blood is one of the most important commodity anyone can give to his organization.' (See pictures on page 5)

On May 22nd, which was the date of the Galileo Lodge's social meeting, three speakers enhanced the proceedings with their presence. Sig Widder, a member of the Hicksville Chamber of Commerce, spoke about condemned land to be used for additional parking facilities near or adjacent to the Hicksville Railroad Station. Councilman Tom Clark also spoke on the same topic as he highlighted his talk with maps and aerial views. Dick Evers, a member of the Hicksville school district spoke about the Gregory Museum and why it should be kept open. Right now the museum is suffering from financial problems. Dick Evers stated that the Gregory Museum is a landmark and that some town or county agency should try to help it in its financial plight. The Galileo Lodge is in agreement with this, of course.

Hawaii-3
 Wyoming-9

Hawaii displayed excellent skills in their victory over Wyoming this past weekend. Hawaii's offensive line, led by M.V.P. Kevin O'Hea, Matt Greenspan, Mike Markowitz, John Kozlowski and Sal Totino succeeded in keeping the ball down near Wyoming's goal giving striker Brian Whitman, forward Gerrit Nijboer and halfback Kenny Peskin ample time to score.

Excellent defensive play of fullback Chris Crawford, Joe Reinhardt, Ricky DeRenzi, and goalie Erik Steyskal managed to keep Wyoming from having any successful shots on goal.

HICKSVILLE CHARGERS

BY G. BEGGS

The Hicksville Chargers, U/9 boys, coached by Bob VanSteen and Paul Landman, have had more than their share of difficulties in the past few weeks. Sunday, May 18th, was no exception and Hicksville was defeated by the Huntington Boys Club.

The team is in the process of rebuilding, switching boys to different positions hopefully to get Hicksville back in the running and back to scoring goals.

The Chargers' Roster of Scott Barer, John Beggs, Thomas Bell, Todd Bertman, Peter Coen, Frank Humphreys, Josh Landman, Michael Luongo, Ryan McCann, Thomas Pedicini, Thomas Reilly, Joey Schillan, Michael Segal and Scott VanSteen along with the coaches and parents would like to convey get-well wishes to Michael Rodriguez who was injured in practice on Saturday. He will be sorely missed. The team wants to dedicate the remainder of the season to Michael.

Pioneer Valley Tournament
2nd Place
 by Peggy O'Grady

Coach Angelo Lozito took thirteen girls up to the Pioneer Valley Tournament near Springfield Massachusetts for a Memorial Weekend Tournament. Although the Blazers showing has not been that strong this season, the team had victory on their minds.

The first two games were played on Saturday both ending

St. Ignatius CYO Baseball

By Laura A. V. Brand

Kindergarten, 1st & 2nd

Grade League
 The Jaybirds defeated the Hawks 12-2. For the Jaybirds, Ray Fowler, Anthony DeNicola, and Danny Maloney all had 2 hits.

The Robins won their first game of the season by defeating the Cardinals 5-3. John Parillo and Matthew Conway of the Cardinals each had 2 hits apiece.

The Whales defeated the Dolphins 12-10. For the Dolphins, David Greenhaus, Michael Board, and Timmy Andrew had 3 hits each. Out of those three hits, Michael Board hit a 3 run homer.

The Pigeons defeated the Sharks 15-7. For the Pigeons, Glenn McNamee, Dan Reynolds, and Bobby Russo each had 5 hits. Joe Garry hit a home run and Brian Kearns played fine defensive ball in the field. Both Bobby Coogan and Dennis Cantalupo of the Sharks hit 2 doubles.

The Lobsters defeated the Dolphins 12-11. For the Lobsters, Mark Bolen, Rich Mirra, and Sal Marcella hit well. Eugene Goodrich caught a fly ball and turned it into a double play.

The Sharks defeated the

in a victorious 6-0 score. Their defense consisting of Maureen Collins, Janice Lane, Joanne Mullings and Marianne Carroll did a great job of keeping the ball away from the goal area which was protected by Rosanne SAubert.

The mid-fielders with Terry Frattini, Debbie Hochman, Debbie Luongo and Barbara Skupeen played brilliantly as they fed the ball to the forward line and assisted in scoring.

Cathy Conway, Jenny Hahn, Denise Harkins and Peggy O'Grady kept the opposing goalie busy with their forceful attacks.

Sunday brought another victory of 3-1 to put them in the semi-finals. Monday morning raised their hopes even higher with a semi-final victory of 3-0, but in the afternoon the hardest struggle began as injuries took their toll. After the first half with a score of 1-0, there were but ten Hicksville players left in condition to play.

Struggling with one player short they pressed onward with a tremendous amount of shots on goal pushing for a tying goal. Their efforts were to no avail. The final score was 1-0 with the opposing team scoring on a penalty shot.

Throughout the tournament the Blazers scored 18 goals with only 2 scored against them to place them second among eight teams. They gave their best and they know they were the best. Congratulations and good luck in the Massapequa Tournament!

Second Place

Ludlow Massachusetts-The under Fourteen girls were entered into their first tournament by coaches Bernie Sierra and Madeline Mitchell at the Ludlow Memorial Day Girls International Soccer tournament, with teams from Canada, Connecticut, Virginia, Massachusetts and Long Island. The Young Americans were one of 12 teams which was divided into three divisions. The finalists were the winners of their respective division, and a wild card birth to the team with the best won, lost record, made up the 4 semi-finalists. The girls entered the semi-finals via a wild card birth and made the most of it by defeating a very physical Simsbury, Connecticut team 2-0. This victory allowed the Young Americans to enter the finals against the North Babylon

Express team from Long Island.

Hicksville went onto the field and within 5 minutes Babylon took advantage of the Young Americans and put 2 unanswered goals into the net. Hicksville settled down and played even with No. Babylon for the next 55 minutes only to lose 2-0. The Young Americans comprised of Theresa Caputo, Tracey Flume, Amy Falnery, Debbie Kenefick, Ann Kenny, Dominique Missimo, Kelly O'Leary, Tanya Pfeffer, Laura Reinhardt, Christine Sierra, Suzanne Sierra, Theresa Solaski and Laurie Stashover played extremely well and brought home the 2nd place trophy.

All hoping for a speedy recovery for Susan Mitchell and Erin O'Leary who are out with broken legs.

Challengers

1970 Boys

This past Sunday, the Challengers went hunting in Dix Hills. On a very windy day, they wasted no time in taking the advantage. Within the first minute of the game front line men Jean Claude Balek passed the ball to left winger Bobby Karlewicz, who smashed in the first goal.

Midfielder Glen Rose, on a pass from Jimmy Schneider, drilled in the second one from about 20 yards out. Great passing by Gabe Perry and Matt Conroy set up the third goal by Gregg Pressman, who rifled in a shot from the right side. The last goal was set up by Craig Schultz, who dribbled the ball to mid-field, and made a perfect lead pass to Mike Brigandi, who raced down the sidelines and shot it into the goal.

Tremendous defense was played by Kevin Taylor, Neal McKenna, and Jimmy Ort, as they continuously kept Dix Hills away from our net. Goalkeeper Bobby Laine was alert and ready for Dix Hills, when they did manage to break through.

Coaches Lenore and Joe Perry were all smiles, as the boys showed their teamwork, determination and soccer skills.

Tietz-Campbell

It was a happy occasion on Saturday, May 17, for Werner and Bertha Tietz of 19 Berkshire Rd., Bethpage, and John and Naomi Campbell of 15 8th St., Hicksville. Their children, Jill E. Tietz and Richard Lee Campbell were married at 8 p.m. in a candlelight ceremony at the United Methodist Church, Hicksville. Pastor James Benson officiated at the ceremony.

Jill wore Richard's mother's wedding gown that she wore 37 years ago. She also surprised her mother at the Friday evening dress rehearsal by wearing her mother's street-length wedding dress that Mrs. Tietz had been married in 26 years ago.

A reception for family and friends was held at the Masonic Temple in Hicksville.

Connie Mack
 By Jim Healy

After an absence of 5 years, the HBA returned to Connie Mack ball once again. On behalf of the league I would like to express my gratitude to our sponsor, Mr. Henry Bringle and his lovely wife, of Empire Storage for their continued support on Sunday, May 25. Our team split a twin bill against No. Massapequa, winning the first game behind the 13 strikeout pitching of Paul Yanopolus and the timely hitting of Neil Shapiro who knocked in the winning runs in the last of the 8th inning.

Hicksville Republican Club News

By Harriet Maher

As we promised last week, this column will carry news from various officers, directors, leaders, and committee persons associated with the Ernest F. Francke Republican Club of Hicksville, Inc. This week Fred Vevante's message as Club president is printed in its entirety.

"Once again your support was present at our last meeting. There were over 180 members present, and with this kind of support, we will continue to build a strong Republican organization in Hicksville.

"Our guest speaker, Alphonse D'Amato, was impressed with the show of people. So, too, were Doug Hynes and Adrienne Filipe, candidates for the 10th - 15th assembly districts. Al D'Amato spoke about the sad economy and foreign policies set forth by the present administration in

Washington, D.C. D'Amato spoke of what he would do for a better America when he is elected U.S. Senator. Thank you all for visiting with us.

"I am happy to report that our Annual Spring Cocktail Buffet was a great success, thanks to Hal Mayer, Frank Grammarosa and their committees.

The Officers and Board of Directors have voted to dispense with the July Club meeting and the July and August Board meetings. Please make note that we will meet in June, however.

"Read the Mid Island Herald for all our Club information, activities and meeting notices. Any Club member who is not receiving the Mid Island Herald, please inform Mildred Bernert at our Club meeting or call Ray Hand (935-7970) or Joe Sweitzer (931-5426).

"Mildred Bernert reported that

we now have over 420 paid up members for 1980. - don't forget to bring in a new member for our June 13 meeting.

"If you have not paid your dues for 1980, now is the time. Mail your check to E.F. Francke Republican Club, P.O. Box 591, Hicksville, NY 11801.

"Anyone wanting to join our Club may call Ray Hand and Joe Sweitzer at the numbers listed above. They will provide you with additional information and/or send you an application form.

"Councilman Joseph Saladino, Town of Oyster Bay, will be our keynote speaker at our June meeting. Senator Ralph Marino is planning on speaking at this meeting also, however, it depends on his busy schedule if he will be able to fit this engagement in his itinerary.

"In closing, I want to thank everyone for their continued

support; and I look forward to seeing you on June 13.

"If anyone has information of any importance, please call me at 931-6575 (office), 433-5230 (store), or 931-4287 (home). Thank you."

We will be hearing from Fred Vevante in future issues of the Mid Island Herald.

Next week our Executive Leader - Hicksville West, Tom Gallahue, will speak to you through this column. Tom and his beautiful wife, Dot, are long time residents of Hicksville and raised their family in our community. They are active in civic affairs and many local organizations. We will also bring you a message from Hal Mayer, third vice president of the Club and chairperson of our recent cocktail party.

Our Club meetings are open to all. You do not have to be an enrolled or registered Republican to come to our meetings. You will find the content of the programs, the speakers, and the members of the

Club interesting, stimulating and friendly.

Till next week, may your undaunted challenge of events, your unflagging appetite for "what's next," and your joy in the game of life, increase with each day.
