Town Okays Parking Field For Grecian Festival

The Oyster Bay Town Board recently granted a request from Holy Trinity Greek Orthodox Church in Hicksville to use a Town parking field for its Grecian Festival.

"The Board has given its approval for the church to use the parking field located between

Carl and W. Cherry streets, west of Broadway, on August 22, 23 and 24," Town Councilman Thomas L. Clark stated. "The church will assume full responsibility for the lot during that time, including clean-up of the property at the end of the festival."

Enjoying their annual responsibility of placing the nation's colors along Broadway, Hicksville, on the Fourth of July, are members of the Charles Wagner Post 421, American Legion. Left to right are: Kevin Evers; Robert Boerckel; Post Commander Louis Cesta and Past Commander Tom Nikitas.

The Legionnaires were disappointed to find that 55 flag holders are missing from parking meters. This spoiled, to a great degree, the splendid holiday spectacle of recent years, when the Stars and Stripes graced both sides of much of the length of Broadway.

Hicksville American Soccer To Host International Tournament

On the weekend of July 19th to July 21st over 100 soccer clubs of all ages will meet in Hicksville. The Hicksville American Soccer Club is hosting its 5th Annual International Tournament. Club President, Tony Camara, has designated Mr. Joe Santarelli as Director of Tournament Affairs.

Teams aside from our local and other Long Island clubs will be representative of our neighbors to the north, Canada. The provinces of Quebec and Ontario will send groups. Also, soccer clubs from the east coast areas of

Massachusetts, Maryland, Virginia and New Jersey will be participating. The international flavor will be accentuated by top teams from West Germany, Gibraltar, Scotland and England. In all, there will be 18 girls teams and 84 boys teams, with a span of ages from 10 years to 18 years old.

The opening day contests will be at Cantiague Park, on John Street and the Grumman field, on South Oyster Bay Rd. on Saturday, July 19 beginning 8 a.m. Sunday's games will also begin at 8 a.m. on the turf at both

locations. The championship round will be at the Grumman complex only on Monday, July 21st.

As one can imagine with all these visitors in town, housing can become a problem. Anyone interested in hosting an out of town player in their home for the duration of the tournament should call Mr. Bernie Sierra, at 822-7539. A gestyph such as this is very rewarding to the person offering and it offers the visitor a chance to see what friendly people make up the hamlet of Hicksville.

Legion School Awards For 1980

Twenty-one Hicksville elementary school children were presented with American Legion School Award Medals and Certificates, recently, at graduation or "moving up" exercises.

The Legion's awards are presented annually by the Charles Wagner Post 421 to boys and girls who excel in two areas of growth: excellence in the study of American History and meritorious service to their school.

Those students who received the coveted American Legion Award for 1980 were: Michael Hripesak and Daniel Olenchak of Dutch Lane School; Charles Bund and Niki Monia of East Street School; Ann Bomberger, Brian Flannigan and Richard Humann of Fork Lane School; Linda Diehl and Glenn Donlon of Lee Avenue School; Michael Escobar and Elizabeth Massa of Old Country Road School; Christine Hansman and Cindy Quisenberry of Trinity Lutheran

School; Dana Haaser and Richard Hazelton of Willet Avenue School and Christine Beggs, John Ben-trewez, Christopher Jones and Laurel Sams of Woodland Avenue School.

The names of the two Burns Avenue School winners will be printed at a later date, not being available.

Richard Evers, Americanism and School Awards Chairman, coordinated the presentation of awards.

Two Special Generations

"HELPING THE CHILDREN BRINGS SO MUCH SATISFACTION TO THE GRANDMAS," says Dr. Sonja Rath, the Adelphi University psychologist who began the "Intergenerational Sharing" program for retarded children and the residents of the Mayfair Nursing Home in Hempstead. Kerri, shown here at left, enjoys a chat during snack break with her "Grandma" Anna Fox.

A recent Friday, "the Grandmas" came to visit their special grandchildren at Nassau BOCES Rosemary Kennedy Center. The six residents of the Mayfair Nursing Home in Hempstead were part of an innovative grandparenting program with mentally retarded youngsters from this BOCES school.

Throughout the winter and spring, every Friday morning, the children traveled from school to the nursing home to spend an hour with their Grandmas. This Friday, the grandmothers, most of them in wheelchairs, came to visit the school in a bus coach. The trip was the planned culmination of the grandparenting project for the school year.

Grandparenting, a one-to-one relationship of an elderly person to a youngster is a popular intergenerational program. But this project was somewhat different.

Dr. Sonja Rath, who is a psychologist with the Multi-disciplinary Center on Aging of Adelphi University, had the idea of bringing retarded children to a nursing home. Through the cooperation of the Adelphi department, she became the guiding force behind the development of this group at the Mayfair. She contacted Rosemary Kennedy Center in Wantagh, the nation's largest public day school for the trainable mentally retarded. Run by the Board of Cooperative Educational Services of Nassau County, the school serves over 500 students between the ages of 5 and 21.

In developing a program that brought mentally retarded children to a nursing home, Dr. Rath combined in a supportive way, two populations with special needs. Both groups learned much about one another. Both gave to the other, affection without measure.

The residents of the Mayfair who participated in this program were volunteers. They were carefully screened after indicating their initial willingness to be a part of the grandparenting program. The most important criteria was the ability to relate to children. Age was no barrier. The Grandmas range in age 71 to 93.

For the students from Rosemary Kennedy Center, traveling from school to the Mayfair Nursing Home has built self-esteem and independence. Both are most important for the mentally retarded youngster.

"Being involved with an older person in a mutual caring relationship reinforces for our children, a positive self-image," commented Esther Greenblatt, the teacher who has accompanied students to the Mayfair each week. She has been delighted with the benefits her students have derived from the experience.

"When they feel important as they do at the Mayfair," Mrs. Greenblatt said, "our children are learning greater self-confidence and gaining in their ability to deal with their world. They also learn about aging as a natural part of the life cycle and this helps them to deal with aging as they encounter it in their own families."

When the children first began visiting the nursing home, the hour they spent there was quite structured. There would be material for a crafts project waiting as the grandmas gathered in the recreation room. When the children arrived, there were hugs and happy words of greeting. Then young hands and old hands would struggle with crepe paper and pipe cleaners, until to the delight of all a flower appeared.

Games followed. "Simon Says" and "Hot Potato" played with a large inflated ball, were favorites. Grandmas and children participated in the games. A snack enjoyed at the end of the visit always produced lively conversation. As the program progressed, the structure became less formal. Grandmas and youngsters had much to share. Both groups looked forward to their hour together. The only problem was that the visit was all too short.

On the Friday that the grandmas paid a visit to Rosemary Kennedy Center, there was such excitement. The youngsters waited eagerly for the arrival of the bus that brought their special grandmas to school. Used to helping grandma in her wheelchair, the children knew just what to do. But first there were the hugs and kisses that start each visit.

The youngsters took their grandmas on a tour of some classrooms. The grandmothers were anxious to see the school that had done such wonderful things for this group of retarded children. In each classroom, grandmas were proudly introduced to classmates.

The children showed their work to Grams, Granny, Ya Ya, Grandma Ellen and the others. They drew clocks and demonstrated how they could tell time. Teachers who had heard so much about the grandparenting project, but had not actually seen the relationship between the grandmothers and their special grandchildren, were so impressed.

They all gathered in Mrs. Greenblatt's classroom. This visit, as all the others at the nursing home ended with a snack, happy chatter and laughter. The children offered toasts to the visiting grandmas. Once again it was time to go. Only this time Grandma was leaving. Goodbyes

Reveal Plans For A National Distribution Center

Villa Banfi, U.S.A., the nation's leading wine importer, has announced that it will build a 140,000-square foot national distribution center and office complex on a 30-acre site in Melville, Long Island.

Harry F. Mariani, the firm's president, said that about \$5,000,000 will be invested in the project to accommodate "growing demands for its current products as well as anticipated sales to a new line of company-produced vintage Italian wines." The building is scheduled for completion in the fall of 1981.

He said that, despite the current recession, the company's sales are up sharply, noting that trade statistics for the first four months of 1980 indicate that the firm may well import more wine from Italy this year than France and Germany, combined, will export to the U.S. market. (Villa Banfi accounts for half of the 17,228,442 gallons of wine the U.S. has imported from Italy since last January, while France and German wine imports during the same period totaled 6,230,892 gallons. The company also imports wines from Austria, Switzerland, France and Germany.) Mr. Mariani credited rising sales to increased demand for Riunite, the firm's top-seller, the successful introduction of Bell'Agio, a new white wine from Italy, and the steady growth of the premium Villa Banfi-labeled wines.

"However, it is not only the company's present growth rate that calls for expanded facilities," he said, "but what Villa Banfi anticipates its distribution capability should be when the firm's investments abroad begin to pay off." He cited recent acquisitions in the prestigious Italian wine-making regions of Montalcino in Tuscany and Gavi in Piedmont.

"For thousands of years," Mr. Mariani continued, "the climate and terrain of Montalcino, where the company has purchased some 2,000 acres, have proven ideal for

the growing of vitifera grapes. Today we are combining these two natural elements with a multi-million-dollar investment in technology-not chemistry!-to produce what we believe will be among some of the world's most outstanding wines." He pointed out that Villa Banfi is the U.S.'s foremost Italian wine importer, and that it has pioneered the introduction in this country of such premium wines as Brunello di Montalcino, Gattinara and vintage Barolo.

Within several years all three types as well as other premium wines will be available under the Villa Banfi label, he said, adding that first shipments from the Piedmont winery are expected early this Fall, a Dolcetto d'Acqui, Barbera and Asti Spumante. They will be followed by a Gavi, "which connoisseurs consider Italy's finest dry white wine."

First shipments from Mon-

taleno, he continued, will be in 1982, a Brunello di Montalcino, vintage '77. The 1978 vintage will be offered a year later, and in 1984 Villa Banfi will introduce its first Montalcino-produced Cabernet Sauvignon and Pinot Grigio.

According to Mr. Mariani, the new building conceived by architect George Cook of Farmingdale, L.I., will feature the "latest architectural and technological advances to enhance its performance as an energy-efficient distribution center." The warehouse will store a continuing inventory of more than 350,000 cases to supply retailers in metropolitan New York as well as supplement the requirements of independent distributors from coast to coast. (Facilities in Kansas City, Mo., and Jackson, Miss., will continue to make most shipments to whole

Dear Friends...

TOB HIRSES SMITH BARNEY the Oyster Bay Town Board hired the distinguished investment firm of Smith Barney, Harris Upham and Company to do an in-depth analysis and financial study for the proposed Town Resource Recovery Project.

We felt it of utmost importance to get the best possible financial advice to protect the taxpayers in a project of this magnitude. Supervisor Joseph Colby told me.

At its July 8 meeting the Town Board approved a resolution to retain the Manhattan-based company to serve as the Town's advisor and senior management underwriter for the Resource Recovery Project at a fee not to exceed \$31,000. Smith Barney will prepare model financial structures, recommend various means of bonding and further assist at each stage of the development.

In addition, Mr. Colby explained that private engineering firms hired by the Town are currently considering various plans to incorporate resource and/or energy recovery in the Town's system for disposal of refuse. So, you can see, progress is being made in solving this serious problem.

Next week we'll be visiting in Seattle. So, until the following week, stay well.

Helen is so happy to have them back, around the corner you might say.

Michael S. Criss, DDS, a HICKSVILLE family dentist was awarded a Fellowship of the Academy of General Dentistry (AGD) recently. More than 500

Academy members received the Fellowship award in a special convocation ceremony held during the AGD's 28th Annual Meeting in San Diego.

Dr. Criss is a 1968 graduate of the New York University dental school and has practiced family dentistry in Hicksville since 1973.

Miss Carolyn Merk just returned from a two-week stay at the home of her fiancé's parents, Mr. and Mrs. R. Kamermayer in Tampa, Fla. The Kamermayers are formerly HICKSVILLE residents. The wedding date is set for August 9th. The couple will then reside in Tampa.

Moushon-Provenzano

Mr. and Mrs. Provenzano of 82 Elm Street, Hicksville, announce the engagement of their son, Michael, to Rebecca Moushon, of Peoria, Illinois. The wedding will take place on August 23rd in Peoria where Mike graduated

this past May from Bradley University with a B.S. degree in engineering and Becky was a business major. The couple will reside in Torrington, Connecticut where Mike is employed by The Torrington Company.

Wainer-Shizume

Paul H. Shizume, Hicksville High Class of '73, was married to Miss Janet Judy Wainer on June 29, 1980 at the United Methodist Church of Hicksville. The Rev. James J. Benson officiated at the wedding.

Miss Wainer, daughter of Mr. and Mrs. Douglas Wainer of Brookmont, Md., is a physics major at MIT, Cambridge, Mass., and upon completion of

her thesis in the fall, will receive her BS degree.

Mr. Shizume, son of Mr. and Mrs. Peter Shizume of Hicksville, received his BS in EE from MIT and his MBA from Columbia University. He is employed by Dynamics Associates, Cambridge, as a financial systems application programmer. The couple will reside in Cambridge.

At The Town Board Meeting

By Sheila Noeth

At their regular July 8 meeting the Town Board of the Town of Oyster Bay considered the following matters:

They reserved decision on the petition of the Tilles Investment Co. to build a one-story, 35,000 sq. ft. building on 3.2 acres fronting on Woodbury Road in Woodbury. This Company is asking for a special-use permit to construct this one story building and to amend and modify restrictive conditions and covenants as to zoning which, among other things, conditioned that a 50 ft. planted buffer strip be maintained along Woodbury Rd. and that no further building permits be issued on any property in this area until a subdivision map of the property has been approved by the County Planning Commission and further requested that subsequent resolutions be amended so as to permit access to the applicant's property by means of two driveways on Woodbury Rd. and a third access on Froehlich Farm Blvd., and also permit the staggering of trees to be planted in the 50 ft. buffer zone at Woodbury Rd.

Mrs. Judy Jacobs, president of the South Woodbury Taxpayers Association appeared to oppose these petitions. She mentioned that in her opinion staggered trees are not a true screen. She also mentioned her concern as to the possible appearance of business signs on this proposed building.

Mrs. Seena Candell also appeared in opposition and expressed the opinion that the building occupants would generate too much traffic, especially as, at present, the Syosset School District is an austerity and would have no bus transportation unless this condition should change.

The Board reserved decision on the petition of Old Country Road Burgers Co., Inc. for a special use permit for a take-out window at its present location on the corner of South Oyster Bay Rd. and Old Country Rd. No one appeared in opposition. It was explained to the Board that many Grumman employees use this restaurant for lunch and that, inasmuch as they had a limited lunch period, a take-out window would be most helpful to them. If this petition is granted, 6 regular parking spaces would be eliminated. However, it was pointed out that this restaurant has more parking spaces than are required by the Town.

They approved Resolution No. 623-1980 relating to the renewal of funds in the amount of \$640.00 for further work in the removal of barriers for the handicapped at the Syosset Public Library.

They approved Resolution No. 627-1980 setting a hearing date of July 22 to consider establishing a fee of \$250.00 for site plan applications submitted to the Town of Oyster Bay Planning Advisory Board for review and/or approval. At present no fee is charged.

They approved Resolution No.

Engaged

Mr. and Mrs. Robert D. Gately of North Miami Beach, Florida announce the engagement of their daughter, Shawne Marie to Lawrence J. Giustra of Hicksville, New York.

Miss Gately is a graduate of Boston College and is with American Airlines.

Dr. Giustra is a graduate of Adelphi College and trained at Johns Hopkins Medical School, Massachusetts General Hospital and Harvard Medical School.

The couple will be married in November and plan to live in Atlanta where Dr. Giustra will be on staff at Grady Hospital and Emory University.

629-1980 which allows certain managerial officials of the Town of Oyster Bay to purchase group life insurance through the CSEA without paying dues.

They approved Resolution 642-1980 relating to granting permission to Holy Trinity Greek Orthodox Church in Hicksville to use public parking Field 57-7 for their Annual Grecian Festival and Bazaar on August 11-24.

They approved Resolutions 644, 646 and 647 routinely concerned with road reconstruction and resurfacing in Plainview, roadway and drainage improvements of Mead Ave. in Hicksville and the construction of storm drains on Old Route 25 and Route 106 in Jericho.

They approved Resolution 652-1980 relating to final acceptance and payment of contract covering roadway improvements and parking field construction of the Bruce Estate in Woodbury.

They approved Resolution No. 653-1980 relating to the petition of John Miranda for a waiver of the building zone requirements on property on the northwest corner of Old Country Rd. and Underhill

Avenue in Hicksville. This concerns a frame construction 9 x 20 addition to the existing building. This approval was only given by the Board provided that a variance is obtained from the Board of Zoning Appeals on required off-street parking and subject to the following conditions: (1) that a smoke detecting system be installed in the entire building and the door to the library and adjacent closet be solid wood with self-closing hinges.

They approved Resolution No. 654 relating to a site plan application of Kirby Builders, Inc. for a special use permit on Willets Lane in Syosset. Three parking spaces were eliminated by this approval. However, the Town Board expressly prohibits access from this site onto Willets Lane.

They approved Resolution No. 656-1980 relating to the petition of Industrial and Research Associates Co. with offices at 7600 Jericho Tpke. in Woodbury, for a special use permit to build a two story building in Woodbury. The hearing on this petition was held on May 20, 1980.

Letters To The Editor

Dear Sheila,

Your Editorial regarding the eviction of its poor and defenseless residents, describes aptly the callous and uncaring attitude of the trustees and the town of Oyster Bay supervisor who appointed them.

The members of B'nai B'rith Four Freedoms Chapter of Hicksville, who have serviced the residents for many years, are up in arms. Mrs. Rose Klein, its current president, and the board have discussed appropriate actions.

Although their primary desire is to achieve the continuing service the Jones Institute residents are entitled to under the terms of the will, legal action may follow if a dialogue does not resolve the problem.

In as much as the present trustees were appointed rather than elected as the will requires, an injunction to keep them from acting in this matter, may well be granted by the courts.

Further the mere suspension of services to the indigent residents of Jones Institute may under the terms of the will be illegal as well.

An election of trustees shall be called for by the Supervisor of the Town of Oyster Bay to replace the presently illegally appointed trustees. We feel certain that public spirited residents of the town will come forth to run for these trusteeships pledged to the maintenance without interruption, of services to residents of Jones Institute in the spirit and terms of the will which created the home.

King Kullen too shall take notice of the determination of this community to see that humanitarianism and justice prevail for the indigent and helpless residents of Jones Institute.

Sincerely,
Rose and Herbert Klein

Dear Editor:

Recently Newsday ran an article in which a teacher maintained that teachers are really dedicated. Well, I was truly a dedicated teacher at Hicksville

Senior High School for twenty years and Chairman of the Foreign Language Department there for ten, with an outstanding record in both capacities.

Now, in view of the action of the Hicksville Board of Education in abolishing my position as chairman as soon as I suffered a paralyzing stroke in 1975, reducing my salary, and thus substantially reducing my pension when my paralysis forced me to retire in 1976, I think that perhaps I was foolish in being so dedicated. Perhaps also only monuments should be dedicated, as witness the granite Roman eagle rescued from the reconstruction of Pennsylvania Station and standing on its pedestal at the Hicksville railroad station. My Latin students and I dedicated it on the Ides of May, 1965, as the bronze plaque on it indicates. It stands imperturbably as I try without success to persuade the Hicksville Board of Education to take action legally available to it to restore my pension to where it would be if not for the precipitous action of the Hicksville Board of Education in abolishing my position as soon as I suffered my stroke in 1975. It has since rescinded this action by reinstating the position and appointing two chairmen after my retirement. The only result of its action is that my pension has been reduced substantially and will continue to be so reduced unless the action requested of it is taken.

Do you wonder that I now think that only monuments and certainly not teachers should be dedicated if the example set by the Hicksville Board of Education is followed by other boards. This one seems about to do so again in the case of Mrs. Edith Marshall. Is the Hicksville Board of Education to make a specialty of discriminating against handicapped people?

Sincerely yours,
Samuel A. Goldberg

To the Editor:

Congress has declared and the President has decreed that all 19 and 20 year-old males must register

for military conscription. Young people of draft age should register to vote. And, in November, we should vote out of office the rascals who voted for draft registration.

But young men of draft age must not wait until November to register their disapproval of draft registration, which can only be seen as a first step towards an inevitable nuclear war. They must not blindly register for the draft without considering the other options open to them. The age and sex discrimination, coupled with the war mentality implicit in this plan, must be questioned.

If tens of thousands of 19 and 20 year-olds fail to register, or register as conscientious objectors, or use other emphatic but peaceful means of protest, and, at the same time, if hundreds of thousands of our "brothers and sisters" join us on the picket lines outside the post offices the weeks of July 21st and 28th, we will be sending a loud and clear message to our leaders in Washington. The message is that we, the leaders of the future, will not quietly succumb to their misguided and overtly political directives. We need not emulate Soviet military paranoia with our own brand of macho madness. The strength of America lies in meeting human needs, not in destroying human beings.

How sad it is that we of the under 25 set can be compelled to register for a military draft by a body in which we are not allowed to serve. Perhaps the battle cry of 1960 ought to be "No Registration Without Representation."

Michael Kornfeld
Plainview
P.S. The Long Island Coalition Against the Draft plans to picket outside the Huntington Post Office on Saturday afternoons. We invite our neighbors in Nassau to join us or plan demos at their local post offices.

VBS at First Baptist

The First Baptist Church of Hicksville invites all boys and girls, Age 3 to Grade 6, to attend its Vacation Bible School on July 21st to August 1st.

Pastor Alan D. Swaim, and V.B.S. Director Bruce W. Hoppe are working with a fine staff to make these ten days most profitable for all who attend.

The daily sessions will run from 9:30 A.M. to 12:00 Noon, Monday through Friday, and will feature Bible Stories, Singing, Recreation, Crafts, and Refreshments.

This year's theme is "God's Way of Victory," and will be using the curriculum of Regular Baptist Press. There are no charges at all, and free transportation is available by calling

the church office at 938-7134 to pre-register.

First Baptist is located on the corner of Liszt Street and Pollok Place in Hicksville, and is only one block off of Woodbury Road.

Children of all faiths and denominations are most welcome.

The people of the First Baptist Church are eagerly looking forward to another successful V.B.S. this year, and have worked diligently in bringing craft supplies, refreshments, and equipment, and prayed hard to assure God's richest blessing. Last year's V.B.S. had an attendance of 134 at the closing program, and was praised highly by many parents of the children who attended.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE

Membership must be able to encourage a deeper appreciation for the dignity and uniqueness of the existence of the Galileo Lodge; must be able to clarify our position in community life and our effects on its environment.

To forward any information concerning the good and welfare of the Galileo Lodge, please contact Venerable Tony Previte at 731-0466.

Despite poor weather conditions (rain and high humidity), the Italian feast held by the Galileo Lodge in the Hicksville area was quite successful. Opening night "kick-off" by the St. Ignatius Drum Corps thrilled the onlookers with their "cadenced" musical specialties, and then later in the week the Tiny Caruso combo supplied their own types of musical varieties. Rides, amusements, Las Vegas tent and food stands were also in evidence. The production of this feast was also hampered somewhat by the lack of help, and this was probably due to members being away for the July 4th holiday, but Chairman Skip Monteforte wishes to take this opportunity to thank all the members of the Galileo Lodge and its Ladies Auxiliary for their cooperation and efforts in helping to make this feast possible and fairly successful. More news on this feast in a later column.

islands' will probably attract many of our loyal patrons to the Galileo Lodge's Hawaiian Dinner and Dance which will be held on August 2nd. So perhaps you - if dances with an Hawaiian motif are part of your recreational scene - can contact Chairman Skip Monteforte for tickets and seating arrangements. Also aiding in this activity are Jeff Wallack and Pete Masiello. In the offering will be an Hawaiian-styled dinner with all the trimmings, beer, soda, coffee and cake, set-ups and enticing dance music from the Tiny Caruso combo. Just think all this for the nominal fee of \$10 per person, so how can you not have a good time when the time, place, people and price are right. Please note that a "bring your own liquor" policy will be in effect for this particular dance.

And for our racing enthusiasts, why not keep abreast of the Galileo Lodge's Night At The Races which will be held on August 18th at the Cloud Casino of Roosevelt Raceway, Westbury, L.I. Price of admission is \$15 per person and this fee entitles you to a dinner and clubhouse entrance. Tony Balestrino will "chair" this activity and he will offer you more details about this activity. Tony, by the way, maintains that this activity can be efficiently run if people come in groups of ten, or perhaps five; so please dial 785-1462 for that information.

LODGE TIDBITS
Jeff Wallack announces that the

next Gold Outing held by the Galileo Lodge will be on Sunday, the 20th of July, at the Heatherwood Country Club. Green fees are \$8.00 per person and the time of departure from the Lodge (200 Levittown Parkway, Hicksville) will be 8:00 A.M. sharp. Those who will pay green fees must see Jeff personally. Jim Pino is co-chairman. At the last outing, Skip Monteforte won 1st place trophy and Tony Caccamese won the Honest award. Joe and Ann Lappano of the Galileo Lodge are moving to Holiday City, Tom's River, N.J. Joe was receptive to an early retirement offer, but he still plans to be affiliated with a Sons of Italy organization in New Jersey. Ann is a member of the Ladies Auxiliary, and both are devoted, loyal and hard-working people who contributed so much to the success of Galileo Lodge. The Galileo Lodge are losing an extremely popular couple, and it also wishes them the best of luck and good health. Frank Bove of the Galileo Lodge recently (July 10) celebrated his birthday. Congratulations from the Lodge and its members. Frank, Governor of the Lodge states that his 7-year-old grandson recently scored three goals in a soccer match.

U/8 Hearts-Robbie Tournament Finalists

The Hearts, coached by Tony Camara and Barry Adelstein, hopped a bus for Canada for the weekend of June 28th, to participate in the famous Robbie Tournament. The rains came all weekend, which proved to be a good luck charm for our boys who were playing in their first tournament out of Long Island.

Game 1 was against Armourdale, Canada, on a rainy Saturday. The Hearts immediately took control and dominated. Our first goal was on a pass from wing Chris Flanagan to halfback Matt Adelstein. Armourdale came back to tie it up, only to have the Hearts go ahead on a shot by Flanagan from forward Tom Baron. Forward Mike Branciforti had some great runs at the goal. Fullback Robbie Franklin played an excellent defensive game, blocking passes and clearing the ball. Exceptional offensive play by Baron and halfback Chris Santarelli.

Game 2 was vs. Maple Leaf of Canada in pouring rain. Again Hicksville dominated. Score 1 was by Flanagan. Stephen Pine made a number of fantastic defensive kicks, clearing the ball downfield. Goal 2 was a picture play - a pass from Baron to center Kevin Morrisroe to Flanagan. Bobby Ladimir scored unassisted. A direct free kick was awarded, which center halfback Drew Donohue put right in the net. There were exceptional passing and control by the boys, showing tremendous teamwork. The next goal was by Morrisroe on a mid-field pass. Flanagan scored again on a play from Ladimir. Michael O'Grady scored, and the final goal, for a win of 8-0 was by Flanagan.

Game 3, Sunday A.M. was vs. Thorold of Canada. The Hearts started their offensive charge with a well-placed pass from Santarelli to Donohue who put it in the goal. Adelstein scored the second goal on a drive, & Flanagan scored on a neatly executed pass play from Baron & Morrisroe. Final: 3-1, Hicksville.

Game 4 (Quarterfinals) vs.

In the front row are J.J. McCarthy, B. Spinner, D. Donohue, T. Baron, S. Perry, C. Santarelli, K. Morrisroe.
In the middle row are B. Ladimir, C. Flanagan, R. Franklin, M. O'Grady, S. Pine, M. Adelstein, M. Branciforti.
The coaches are B. Adelstein, T. Camara, and T. Baron.

Markham: The halfback line of Adelstein, Donohue & Santarelli controlled the midfield, constantly pumping the ball back upfield. The only score of the game was a hard shot by Santarelli. Goalie Sal Perry made some great saves for our second shut-out this tournament.

The Semi-final was against a strong and fast Oshawa. The teams played fairly even the entire game, but Goalie Perry was the key to our defense. Regulation play ended in a 0-0 tie. By this time, the boys were physically exhausted from playing & travel. The 20 minute overtime ended 0-0 also. Then the rains came. The shootout followed, putting tremendous pressure on the goalies. Penalty kicks were traded with us scoring first by Bobby Ladimir. Their first and our next 2 shots were missed. Baron scored as did Donohue & Morrisroe. The score was 5-5 when Flanagan made the 6th goal. Sal Perry made 3 superb saves to lead to a win for the

Hearts. An ecstatic group of parents & players proceeded to the finals at the Stadium.

Monday A.M. was the final game. After the national anthems of America & Canada were played and the players introduced, the teams took the field. Again the teams played evenly through regulation time, with our goal scored by Adelstein. Wexford, last years winner, retaliated for a 1-1 tie. Brian Spinner constantly challenged their forwards, while the halfbacks, Adelstein, Donohue, J.J. McCarthy & Santarelli were fighting deep mud to retain control. FB Pine made some outstanding plays & defensive kicks. The 20 minute overtime also ended in the 1-1 tie. The entire stands were on their feet cheering, and viewed one of the most exciting finals games remembered. The Hicksville rooting section could not believe a shootout would again determine

EMPIRE STORAGE
CONNIE MACK
BY JIM HEALY

On Sunday 7-6 we took on a very tough Farmingdale Team. At the end of the afternoon we had taken both games of the doubleheader by scores of 8-5 and 3-2. Paul Yanopolis pitched a strong first game and Dennis Chow continued to hit the long ball socking a three run homer. In the nightcap Neil Shapiro did not give up an earned run. The winning run was the result of an excellent bunt layed down by Bob Puccio.

I would like to congratulate Neil Shapiro, Steve Jankowski and Keith McCormack who were selected to the Connie Mack All-Star Team which will play the North All-Stars on Thursday night at 7:30 PM in Baldwin Park.

Exhibit

Current works of artist/craftsman Ellen Stepanek will be on exhibit in the lobby of the Hicksville Public Library for the month of July. Pottery of Pre-Columbian design and a series of ancient idols will be on display.

Ms. Stepanek is a multi-media artist who studies independently. She is a member of the Long Island Craftsman Guild. Her works have been shown in galleries and libraries throughout the Long Island area.

The library is open Monday through Friday from 10:00 A.M. to 9:00 P.M. During the summer it is closed weekends.

ROBBIE FINALISTS

(Continued from Page 8)

the winner. Shots were again traded, with our scores by Adelstein, Baron and Donohue. The score was 3-3 after the first 5 boys shot. Morrisroe sank another, as did Wexford. In spite of brilliant defensive moves by Hicksville goalie Perry, Wexford finally pulled one ahead in goals after 2 misses by Hicksville, to take the win. Although the boys felt bad about losing, they knew they had all played a tough game, and should be very proud, placing second in a 32 team division.

HHS Alumni Annual Sports Dinner

Page 11 - MID ISLAND/PLAINVIEW HERALD - Friday, July 11, 1980

The Hicksville High School Alumni recently concluded a vigorous year of service to the students of Hicksville High School with the Annual Sports Dinner. More than 200 persons attended at Antun's where an excellent dinner enhanced the pleasure of those gathered.

The completion of the year also marked the Alumni's presentation of five scholarships at graduation totaling \$2,500.

In the top left picture, Dr. Leon Galloway with the winners of his \$500 scholarship, Brian Ednie and Ann Smith.

In the top right picture, Alumni Director Marge McGuirk presents a floral bouquet to the mothers of scholarship winners, Mrs. Smith and Mrs. Ednie.

In the center left picture, Alumni President Harold Holden, Principal Ray Rusch and Dr. Wilbur Hawkins congratulate Girls Varsity winners.

In the center right picture, Mr. Rusch, Dr. Hawkins and Athletic Director and Alumni Director Richard Hogan are pleased over the Boys Awards.

In the lower left picture, Mr. Rusch joins in the praise for the swimming team.

In the lower right picture, Tony DeAnglis receives award from Mr. Rusch. He was an ace pitcher on H.H.S. team which reeled off 18 wins in a row after a slippery start.

Registration For Swimming Instruction

Oyster Bay Town residents will have a chance to get into the swim of things this summer by signing up for the second session of Red Cross swimming lessons at their community park pool or at one of the Town's beaches.

Town Councilman Joseph J. Saladino announced that registration at the community park pools will be held the week of July 14 from 10 AM to 5 PM in the park

manager's office. Participants will be placed in classes according to ability. Classes, which will meet during the morning hours, will be held five days a week between July 21 and August 15. Special classes for adults, as well as life saving instruction and diving, will also be given.

Registration for classes at the beaches will be held the week of July 14 between 9 AM and 5 PM at

Stehli, Centre Island, Theodore Roosevelt, Tappen, Florence Avenue and Tobay beaches. Classes will be given on the beginner, advanced beginner, intermediate and swimmer levels, and there will be special swimming lessons for adults as well as instruction in life saving and basic rescue. Classes, which will run from July 21 to August 15, will be formed as applications

The Long Island structure's frontage, measuring more than 400 feet, will permit solar collection because of a southern exposure, and the feasibility of windmill-generated electricity is being considered, he continued. Except for the loading bays, eight to 12 feet of the warehouse will be beneath the earth or an earth berm. The innovation will reduce fuel and air-conditioning costs and provide wines with consistently cool temperatures, about 58 degrees Fahrenheit. The warehouse itself will occupy about 95,000 square feet and a "sophisticated moving route delivery system will select cases on order, pick them up and deliver them to the staging area," Mr. Mariani said.

The grandmothers have learned more about themselves and how to use their special talents. They have come to understand a great deal more about retarded children. Most important, these six women feel wanted and useful. The program has been such a success that many of the other residents of the nursing home have expressed a desire to become a part of the project.

Mrs. Helen Hofflin, Assistant Principal of Rosemary Kennedy Center, has watched the children's enthusiasm grow.

"The response of our students and their parents," she said, "is even greater than we expected it would be. Parents have told us how the children laid out their clothes the night before in anticipation of their visit to Grandma. In fact, some of the parents intend to keep visiting their child's special grandma during the summer."

Dr. Rath has been pleased with the way the project has developed. She feels that both the children and the grandmas have gained a great deal. She is most impressed with the children from BOCES and would like to duplicate this project in other nursing homes. Bringing two special generations together has been an exciting and rewarding experience for all.

Surfing Clinics

The clarion call of "surf's up" will soon be sounding at Tobay Beach. To help surfers have a more enjoyable and safe season, a series of free clinics is being offered to Town residents by the beach lifeguards.

Town Councilman Joseph J. Saladino announced that the clinics will be conducted every Monday during July and August between 2 and 3 PM at the Tobay Beach surfing area. Surfers must know how to swim and provide their own surfboard.

Participants will learn the how, when and where of surfing with an emphasis on the fundamentals

of paddling, turning and riding. An awareness of ocean conditions related to surfing will also be taught. No pre-registration is necessary.

"Each summer, there have been a number of surfing accidents at Tobay Beach," Saladino commented. "While, luckily, none have been of a serious nature, the lifeguards felt that by offering clinics for surfers, it would help cut down even on the number of minor mishaps. I strongly urge beginning surfers, as well as those returning to the sport after a long winter layoff, to take part in one of these clinics."

Some deep-sea creatures can live under great pressure because the pressure inside their bodies equals that outside.

With the end of the 1979-1980 Baseball Season here, I am proud to say that the St. Ignace CYO Baseball Program was a success as it always is year after year. It is a success year after year due to the fact that we have many people working together and volunteering their time to make the program as best as it can possibly be. We have fathers coming straight from work to coach a game and hold a practice. We have parents willing to do the necessary paperwork and finding a way to get financial support.

At this time, CYO would like to

thank those people who were responsible such a successful season. First of all, there is "President" John Toner who ran the entire baseball program. He was in charge of uniforms, equipment, you name it!!! We must also thank the Commissioners of all the leagues: Don and Carol Cleary, John Toner, Pat Lynch, Al Geitner, and Artie Zagoraki.

As is the case year after year, season after season, Dennis and Genieve Sullivan were umpires-in-chief. As usual, they did a super job of scheduling and rescheduling both games and umpires. All the umpires would like to thank Mr. & Mrs. Sullivan for a job well done and for being there when we needed them.

In closing, it's great to see the parents and their children getting involved together because that's where it's all at. Together the kids, coaches, parents, and sponsors work as a team to make it an enjoyable learning experience for the youth of this community. Have a good summer!!!
