## School Board Works On Its Policies

By Linda Strongin

The Hicksville Board of Education continued and made progress in the laborious chore of updating and reviewing its policies at a special meeting held on Thursday, Aug. 21.

Vice President Bill Bennett, who began the monumental task approximately two years ago, made recommendations to the Board on numerous policies.

Some policies were recommended for removal because, according to Mr. Bennett, "conditions no longer exist for them and they are out-dated." Also laws have been passed to cover some of the policies. Finally, some policies are covered in the collective bargaining agreements the district has with its various employee groups.

Other policies were recommended to be amended to bring them up to date, since several had not been updated since 1967. Several will be studied, reviewed and rewritten. Many policies were simply reaffirmed.

The recommendations were based on legal advice from school board attorney Joseph Campanella.

The policy book serves to consolidate information that may be lost in Board minutes and memorandum. Mr. Bennett stated that the policy book "gives direction to the district staff in performing their duties." It is also an information guide for district residents. The policy book has a new format and new index code system as recommended by the New York State School Boards Association.

Among the policies recommended for removal were Hicksville Auxiliary Police (1974); Driving Training Participation (1962); Thrift Savings Plan for Students (1955); salary schedules for various employee groups for various years; Snow

Days (1964); policies concerning clerical staff; policies concerning the school lunch program (1958, '61, '68); various fringe benefit policies now covered by contract.

Also curriculum study of the Harmful Effects of Smoking (1964), now covered by State Education Law; fee for reissuing bus passes (no date); United States Week (1964) and United Nations Day (1964) presently covered in the social studies curriculum.

Secretary Neil McCormack, who began his 21st year as a school board trustee in July, gave historical information concerning the policy on Official Parking for Board Members and Administration. "When the administration building was first built, adult education students parked in the front lot. When Board members came to the meetings, there was no place to park. Cards were issued to Board members to place on the inside car windows designating Board members. We even had a custodian on duty in the parking lot to keep out those who were unauthorized." The policy dates from 1959. The recommendation is to remove it.

Policies recommended for review include various business office procedures covering bidding procedures (1962), district purchases (1964) and placement of district insurance

(no date); and a policy pertaining to the attendance meetings by the Superintendent (1960).

Policies recommended to be rewritten and brought up to date include Regulations and Rules for Student Dances (1958); Homework (1968); Administrative Salary Listing (1977); Vacation Time for Administrative Staff; Civil Service (1962); Extra Duty Compensation (no date); Emergency Appointment by the District Clerk for election purposes (1963); and Control of Bus Passengers (no date).

Several policies were reaffirmed including Age Requirement for Kindergarten (1960); Out of district Students (1962); Official Transportation Map (no date); District lines for elections (1961); and Evaluation of Administrative Staff (1966).

Mr. McCormack suggested that certain policies be updated each year as action is taken by the Board. These would include the tax rate, Health Services Rate; tuition rate for out-of-district students; and salaries and schedules of the various district employee groups.

The Board will act on these recommendations in 30 days, according to its policy on Adoption of Policies revised January, 1979.

# Galileo Lodge News

By Joe Lorenzo

**VENERABLE TONY PREVITE'S MESSAGE**  
"It isn't what you start that counts; it's what you finish." - An Italian proverb.  
To forward any information concerning the good and welfare

of the Galileo Lodge, please contact Venerable Tony Previte at 731-0466.

It's a rollicking, "rock-em-sock-em" blockbuster. It's laugh-infested, zany and imaginative. It's comedic motion, slightly off-beat and self-expressive. These are some of the superlatives which might be running through your mind after you finish viewing the 'Foolies Follies' - an October 17th presentation by the Ladies Auxiliary of the Galileo Lodge. This revue, which will cost you only \$8 to see, is based on 'schmaltzy' comedy and unusual

musical variety sketches. Food, beer, soda, coffee and cake, music will be offered, not to mention our bar which will be open for your convenience. The talent for this revue will come from the male and female members of the Galileo Lodge, and even the talents of our friends and patrons will be utilized. Rose Riccardi (OV 1-0966) is the Chairlady and Carmen Russo, who is in charge of costume and design, along with Rose Mezaros and Marion Densiglio, is the co-Chairlady. Jeff Wallick is the Chairman (681-8428). Rose Riccardi, by the way, is also in charge of ticket sales and seating arrangements. Everything is right here for a night of fun and relaxation - the price, the place and the people.

Summer is fading rapidly. Fall is on its way, followed by old man Winter. If this is slightly unpleasant, then listen to the good news, which is that the Galileo Lodge's Fall and Winter social and recreational programs are in full view. For example, on September 20th, the Ladies Auxiliary of the Galileo Lodge will present a Testimonial Dinner and Dance honoring Ex-President Rose Riccardi. Price of admission will be \$12.50 per

## Cub Scout Pack 293 News

Pack 293 is beginning its 1980-1981 season this month. The Pack, sponsored by the United Methodist Church, Old Country Road and Nelson Avenue, Hicksville, plans on starting this scouting year with one Webelos den and one Cub den, a total of only 12 boys.

A number of Cub Scouts advanced into Boy Scout Troop 293, also sponsored by the United Methodist Church, at the end of last season in June.

The leaders of Pack 293 would like to add as many new boys as possible, this season, in order that the Pack can remain active when the current crop of Webelos advance to Boy Scouts during this season. Anyone with a son between 8 and 11 years of age, or 7 years old who has completed the second grade, wishing additional information on how they can join Pack 293 contact the Cub Master Frank Maier (681-6217) or Committee Chairman Charles Stein (822-2630). This is an excellent time to join and get in on the Fall activities.

This year's Boy Scout recruiting effort is being sponsored by the Burger King Corporation. All

new recruits will receive a Burger King french fries coupon, redeemable at local Burger King restaurants in Nassau and Suffolk Counties.

The first camping trip of this year will be an overnighter to the West Point Military Academy where those participating will camp on the military reservation and tour the facilities. This trip was planned for early spring (1980) but was rained out. Any boy joining the Pack in early September will be eligible for this overnighter which is scheduled for late September. Members may also be taking a day trip to the Merchant Marine Academy in Kings Point where they will see the cadets pass in review, and also attend a home game of the Merchant Marine Academy football team. They hope to have an activity for each month, as well as the regular weekly den meetings, and monthly pack meeting.

"Come on and become a part of Cub Scout Pack 293 which has been serving the youth of Hicksville since June 1944," urged a spokesman for this active Pack.

person, and featured will be a delicious chicken dinner, beer, soda, coffee and cake, unlimited liquor and some tingling dance music from the Tiny Carusi combo. Mary Monteforte, the Chairlady (938-6454, 938-3158) will handle ticket sales and seating arrangements. Her co-Chairlady will be Dolores Ragone. A good turnout is expected because Rose Riccardi has certainly given a great deal of herself for our organization. Mary Monteforte, by the way, can also be reached at the Lodge's Bingo sessions every Wednesday night. Call 931-9351. Another sampling of recreational delight is the other Testimonial Dinner and Dance to be presented by the Galileo Lodge on November 15th, this time honoring ex-Venerable Tom Pasquarella. Price of admission will be \$35 a couple, and to be featured here will be a cocktail hour, a tasty dinner, beer, soda, coffee and cake, unlimited liquor and some foot-tingling dance music from the Triangle Times, a much sought-after musical

combo. Teddy Marotti (681-5190) will act as Chairman and Joe Pino (822-8060) will be the co-Chairman, and they can be contacted for tickets and seating arrangements. Tom Pasquarella's record of devotion and loyalty to the Galileo Lodge needs no elaboration here, so it would be fitting and proper if the whole Lodge attends en masse.

Generosity begins at home, they say, and on October 23, the Galileo Lodge will offer its Member Appreciation Night, at (Continued on Page 9)

## PEW Grant Expands

A \$75,000 grant to Camp Fire, Inc. will continue expansion and development of the agency's national resource center located here. The grant request recently gained approval from the PEW Memorial Trust of Philadelphia.

Housed in Camp Fire's agency headquarters, the facility is a national data center on youth and their needs, informal education, child development, group work, volunteerism and the effective administration of agencies serving youth.

"The PEW Memorial Trust grant will enable Camp Fire to expand the library and research facilities to better serve volunteers and staff in the youth-serving field," Roberta van der Voort, Ed.D., National Executive

Director of Camp Fire, Inc., said. Specific projects to be funded, according to Dr. van der Voort, include the purchase of new books and other printed resource material, maintenance of the systems and staff for cataloging and filing periodicals, publications and audiovisual materials, and the purchase of audiovisual equipment.

Construction of the Camp Fire, Inc. national resource center began in 1978 with a \$78,000 gift from the J.E. & L.E. Mabey Foundation of Tulsa. Camp Fire members and friends are making donations toward the resource center in care of Camp Fire, Inc., 4601 Madison Avenue, Kansas City, Missouri 64112.

## Beethoven Festival

Over 100 outstanding musicians from the New York area will participate in Long Island's first BEETHOVEN FESTIVAL, a spectacular 3-day weekend event set for September 12 through 14 at Plantings Fields Arboretum.

"Fifty-seven works of Beethoven will be performed during the 3-day festival," said Theodora Bookman, executive director of Friends of the Arts, "the equivalent of four full weeks of concert programming."

Three major evening concerts will highlight the Beethoven brio: pianist RUTH LAREDO and the AMERICAN STRING QUARTET will be featured during the Friday, September 12th concert, followed by Saturday's recital by virtuoso pianist DAVID BARILLAN, and a closing concert by PHILHARMONIA VIRTUOSI OF NEW YORK conducted by Music Director Richard Kapp and featuring ANI KAVAFIAN, performing Beethoven's "Violin Concerto."

A unique feature of the festival programming is a "marathon of concerts" scheduled on Saturday and Sunday from 11 a.m. to 5 p.m. During these two days, the Arboretum will become a huge concert hall with concerts and musical events taking place simultaneously in five locations on the grounds of the estate.

The concerts will include a battery of twenty pianists performing virtually the complete works of Beethoven. The works will be performed on an "Imperial Bosendorfer" piano in the music room of Coe Hall, a beautiful Elizabethan mansion donated to New York State by shipping magnate William Robertson Coe.

For further information and tickets for Friends of the Arts' BEETHOVEN FESTIVAL, September 12 through 14, Plantings Fields Arboretum, contact Friends of the Arts at (516) 922-0961.

## Heart Association Sets 1980-81 Campaign Goal

The American Heart Association, Nassau Chapter, has set a goal of \$425,000 for its 1980-81 Campaign, for which plans are currently underway.

Funds collected will support educational and community programs as well as research, a prime function of the Heart Association, Charles J. Fuschillo, Heart Fund Advisory Chairman, said.

"Heart and blood vessel diseases afflict one out of every eight Americans," Fuschillo noted. "They claim more than one million lives this year - 52 percent of all deaths in the U.S."

Through research and other programs, we can reduce premature death and disability from heart disease."

Fuschillo reported that headway is being made. "For instance," he said, "since the early 1960's, coronary care units have reduced the in-hospital death rate from heart attack by about 30 percent. But despite achievements in the fight against the nation's number one killer, more help is needed."

Please give generously to the Heart Fund," Fuschillo asked. "Your Heart" Association needs your help."

## Former Soviet Sea Captain To Visit Our Country

Mikhail Eidelman will be the guest of the Long Island Committee for Soviet Jewry during his speaking tour of the U.S. Captain Eidelman, who spent four years in a German Concentration Camp, and his wife, had been denied an exit visa from the Soviet Union in 1971 on the grounds of the "secrecy" of his former work. Originally, the KGB promised he would get permission in 1974 when he would secure clearance from "secrecy." He was later told he would not be allowed to leave for a further seven years. "As captain of a merchant ship, now retired, this is nonsensical," he had declared. During four years of repeated refusals, Eidelman, a sailor for 42 years, had to work as a stevedore and common laborer under threat of imprisonment for "parasitism." Eidelman was finally granted a visa in 1978, and now resides in Haifa, Israel, where he teaches in a Seaman's School in Acco.

"Captain Eidelman

embodies the strength and courage of the refusenik community," stated Lynn Singer, Director of the LICJSJ. "Having him here is the reward for the years of labor expended by the Long Island community in behalf of Eidelman's freedom," she continued.

Captain Eidelman will be a special guest of honor in Washington, D.C., for the Annual Meeting of the Union of Councils for Soviet Jews. While in Washington, he will meet with elected officials and State Department and White House representatives.

Captain Eidelman will

return to Long Island on September 9, and will be speaking during that week at Temple Emanuel of New Hyde Park and at the Shelter Rock Jewish Center in Roslyn. He will also be speaking at a community-wide meeting, on Sunday, September 14, at the Mid-Island YM-YWHA, 45 Manetto Hill Road, in Plainview, at 10:30 a.m.

Nassau County Department of Labor Commissioner, William Pedersen, and State Senator Norman J. Levy will accompany Captain Eidelman on September 15 when he meets with officials of the Seaman's Union.

## Dear Friends. . .

In the Town of Oyster Bay approximately 33,000 homes and eight thousand businesses are without private garbage removal service due to the present garbage strike. Town officials claim that they will implement plans for emergency disposal if the strike lasts more than a few days. At press time no such plans have been implemented.

And, speaking of the Courts, Mr. Sol Newborn, tax collector of the Town of Oyster Bay, is being sued by several local residents demanding that the Town Tax receiver be ordered, not only to use interest-bearing accounts for its tax collection, but that the Town should repay its own treasury several million dollars in lost interest covering the past few years. Town officials, however, say that starting in October at least some of their tax receipts will be deposited in interest-bearing accounts. If this works out, they will proceed to do this with all of our tax receipts by 1981. Town officials claim that by so doing, their own cost of borrowing from these banks may be boosted, with the result that the savings would not be significant. Time alone will tell on this one. But we think it's worth a try.

A REMINDER...both Republicans and Democrats have the opportunity to vote in the primary election to select their U.S. Senate candidate on Tuesday, Sept. 9, at all local polling places from 6 am to 9 pm. Don't forget!

THAT'S ALL for this week. We extend best wishes to all our friends of the Jewish Faith for a happy High Holy Day season.

## At The Town Board Meeting

By Sheila Noeth

At its August 26th meeting the Oyster Bay Town Board acted on the following local matters.

Approved Resolution No. 789-1980 directing the Town Clerk to advertise a Notice of a Sept. 23rd Hearing on the petition of Edward Aulman, Inc. for a special use permit to operate a delicatessen and a retail grocery store in an Ind. District to construct an office building or bank on the southwest corner of Old Country Road and East Avenue in Hicksville.

Approved Resolution No. 791-1980 directing the Town Clerk to advertise a Notice of an Oct. 7th hearing on the petition of William H. Boyce, Robert J. and Robert R. Brown, for a special use permit to erect and maintain in a Bus. G District a public garage and for modification and removal of restrictive covenants under Resolution No. 574-69, dated July 15, 1969, so as to allow for the erection, use and maintenance of a building to be used for the public garage on the east side of Broadway, south of the intersection of Murray Road and Broadway in Hicksville.

Approved Resolution No. 793-1980 on the petition of KABRO ASSOCIATES for a change of zone from Res. B to Bus F on 4.2 acres of land located behind the Woodbury Commons Shopping Center, the hearing on which was held on March 25th, 1980. Voting against this petition were

Councilmen Carmen, Clark and Diamond. Mrs. Bobbie Ozer, president of the Gates of Woodbury Civic Association stated, "We are appalled at the action taken by the Nassau County Police Dept. show that this is one of the most dangerous intersection of Long Island. Our Civic Association, who opposed this at the March hearing, feel so strongly about this matter that we may find it necessary to appeal to the Courts for a reversal of this decision."

Denied Resolution No. 794-1980 relating to the petition of MACSPEED OF PLAINVIEW (MacDonalds) for a special use permit at Plainview, for a "take-out" window. A hearing was held on this matter on April 22nd. This denial was based on the traffic situation at this location.

Denied Resolution No. 795-1980 relating to the petition of the Holzapfel Enterprises, Ltd., for a change of zone to construct an office building at Jackson Ave and Edward St. Syosset. This denial was based on the traffic problems in this area.

Voted against the Kemp-Roth Bill to cut taxes over a three-year period.

Voted a deciding vote to pardon the Vietnam draft dodgers.

Voted to recommend ratification of the Salt II Treaty, with concession to the Soviets without receiving any concessions from the Soviets. The net result would have been that we would be further weakened militarily while the Soviets would gain an overwhelming superiority.

Voted to give Marxist Nicaragua \$75 million dollars in foreign aid.

Voted a deciding vote to give aid to Communist Cuba.

Voted to approve Carter's Department of Education's annual budget of \$20 million dollars and 18,000 employees, thereby swelling the federal bureaucracy and without getting a dollar into the American classrooms.

Voted to continue federal funds for Medicaid abortions.

And the record goes on and on.

"We owe Jake Javits nothing. All of us have been directly or indirectly affected by his voting record. He gave N.Y. State

## YANKEES WIN IN HUNTINGTON

The Hicksville Yankees picked up where they left off last season and went out and won the championship in the under 16 boys division of the Huntington Boys Club Labor Day Tournament last week-end. Starting off the preliminary rounds (3 games), they lost a 3-2 squeaker to the HBC Strikers, despite two beautiful bullet-like goals by Adrian Pepi and Steve Dolan. Prior to this game, the boys had beaten Huntington four successive times scoring 13 goals and yielding only 1. This loss put the Yankees in a big hole and, to advance to the semi-finals, they had to win and win big in their next two games. This they did by defeating Smithtown (3-0) and Oakville, Canada (7-1). Before the game against Canada,

coaches Bill Cresham and Pat McHugh reminded the boys that they had to win big & that would be a tough job as this same Canadian team had defeated the Yanks in a close 1-0 match a year ago in this same HBC Tournament.

Despite the loss of Dave Smyth and Billy Cresham (trip to England), the Yankees came out so fired up that they literally blew Oakville off the field in the first 10 minutes of the game & poured in 7 goals, securing the wild card spot in the semi-finals. The boys had to meet another strong Huntington team (the Daredevils) in the semis. Last May, these two teams met in a Long Island Cup match with the Yanks edging the Daredevils 1-0. In a very exciting game with both teams playing great defense, the match was scoreless after regulation time. Hicksville had

several golden opportunities but the HBC keeper was outstanding and kept his team in the game with amny spectacular saves. Hicksville's defense was also spectacular and was led by Jim McGeough. George Marco, John Fitzgerald, Steve Dolan and Gene Tyranski in goal. Minutes into the first overtime period, Jimmy Demarco scored the game winner with a classic header off a perfectly paced corner kick by Paul McGeough (6 assists in the tournament). Adrian Pepi secured the victory with an insurance goal two minutes later.

In the championship game, the Yankees had to again meet the HBC Strikers in 95 degree temperatures. Huntington built a 3-1 lead a few minutes into the second half which lulled the spectators into thinking the game was over. The Yankees reached deep down and pulled out their class, composure, pride and determination and won the game scoring three unanswered goals. Sparked again on a great goal by Jimmy Demarco Hicksville came alive and won the Tournament for the second straight year. The game winner (4-3) came off the foot of Steve Thompson after pin-point passes from Paul McGeough and Cliff Feldman. Helping to produce 18 goals in 5 games by providing many offensive thrusts and 19 assists were strikers John Mitchell, Bobby Andrus, Vinny Christiano and Robert Pearce

and the goalkeeping duties were shared by Gene Tyranski and newcomer Steve Burrell who plans to make the Yankees in the

Spring. Mr. Demarco and Frank Feldman are now vying for the job of Head Linesman as Vincenzo Pepi has retired.

## Right to Life News

By Doug Harknett

Last week at the Families for Life meeting both Ellen McCormack, Right to Life Party nominee for the presidency, and Assemblyman Armand D'Amato (R, 18 A.D.) spoke of the importance of electing Al D'Amato to the U.S. Senate to replace Jacob Javits. Members of the audience were asked to contact their Republican friends and relatives and to ask them to make a special effort to get to the polls on Tuesday, September 9th and vote in the primary. It was stressed that a big vote for D'Amato on Long Island would go a long way towards assuring him the Republican line. He already has the Right to Life and Conservative Party lines.

Of interest to mainstream Republicans, William Buckley the columnist, considers D'Amato's opponent Jacob Javits to be a closet Democrat, an ultra-liberal to the left even of Senators George McGovern, Ted Kennedy, and Frank Church. Buckley wonders "why Javits didn't do

what his protege John Lindsay did 10 years ago when he made an honest man of himself by joining the Democratic Party". If he had, he'd be in the Democratic primary instead of the Republican.

Javits' cover was blown this past week, in the opinion of this writer, when Democrat Mario Cuomo praised the state AFL-CIO for having "endorsed another great American, Jack Javits, who should live to serve this country for a hundred years". Cuomo added, "He is a Republican, but he will not run on that Republican platform". Among other differences, Javits supports abortion and abortion funding.

On the other hand, AID'Amato supports the planks that Javits rejects. He is vigorously against abortion and abortion funding, as exemplified by his leadership in having the Nassau County Board of Supervisors pass a resolution asking the state legislature to

# Large Turnout For Vamps Show

Almost 10,000 persons turned out for the Hicksville Fire Department's 52nd annual Labor Day Parade and drill. Over 2,000 vamps and their ladies turned out for the 9AM parade along with 220 pieces of apparatus. 40 drill teams from Nassau County completed in the drill held on Levittown Parkway. Chairman of the annual event, Capt. Mike Kruppenacker, and his co-chairman, Robert Chiz, were well pleased with the results. A record temperature of 97 degrees made the spray of the hose lines a welcome relief.

Department chiefs and members, along with the committee, wish to thank all those who supported the event by turning out and to the many groups who assisted. Special thanks go out to the County Police who had a most difficult job of crowd control due to the heat; the local Fire Departments of Westbury, Jericho, Plainview, Bethpage and Levittown who supplied rescue units used during the day. Most emergencies were heat related.

Special thanks go out to Town Councilman Tom Clark for his efforts, along with the Town Board and, of course, to the local homeowners in the area of Levittown Parkway, who endured parked cars, noise and large crowds. Special efforts were made to keep problems to a minimum. The committee promised the area will be restored to normal as soon as possible. Work crews from the Fire Department will toil all week to get things back to normal. Any resident complaints should be called in without delay to the Fire Dispatcher at 931-9670.

## AROUND OUR TOWNS (Continued from Page 11)

daughter-in-law, Carol, and three grandchildren stayed with Jim and Mary for ten days. While here they visited friends, family,

and many local sites of interest. Isabel is a former resident of Hicksville, and she was delighted to return to see her "old stomping grounds." Although the California visitors have returned home, Jim and Mary will be seeing them in the not too distant future. They're already making plans for a trip to California next year.

Congratulations to Nadine and Warren Barnett, Hicksville residents. The Barnetts have swelled the ranks of us Hicksvillites by one when, on August 8, 1980, Nadine gave birth to their first child - a 7 lbs. 8-1/2 oz. boy, at Nassau Hospital. The Barnetts moved to their home on Ninth Street, Hicksville on May 31, 1980, and we're happy to welcome them and their new son to our community.

"Deep in the heart of Texas," that's where Fred and Tess Vevante and their son, Barry, spent ten enjoyable days. The Vevantes flew to Texas with

Barry to help him find an apartment and register in the University of Texas. Barry will major in marketing, and is quite excited about his upcoming school term. While in Texas the Vevantes visited the L.B. Johnson ranch (the Texas White House, as it's known down there), the State Capitol, the U.S.S. Battleship Texas, and various Texas cities and Mexico. Fred said if you think it's hot up here, try Texas.

Hicksvillite Mary Novellano was the recipient of a birthday party given for her by her sister, Ann. Attending the party were Mary's children, Andy and Patty and their spouses. Of course, Mary's five grandchildren were

present to make the celebration complete. The party was held on Mary's birthday, August 29. Congratulations and best wishes to you, Mary.

A Happy Birthday to Raymond Bennett, who became 20 on August 25. Raymond, son of William and Clara Bennett of HICKSVILLE, is an airman on the Carrier, Midway. Raymond was very lucky recently because he was one compartment away from the crash of another vessel into the Midway which left two seamen dead and four injured. Congratulations, Raymond and I hope the cook baked an extra special cake for the special day.

## "Sweet Charity"

Two area residents will appear in the upcoming Gray Wig production of SWEET CHARITY, the musical comedy by Neil Simon, with music and lyrics by Coleman and Dorothy Fields. Janet Fraser Rosano, a former Plainview resident, is a former member of the Gray Wig Executive Board. She has performed in musical revues and has

held the roles of Laurey in OKLAHOMA and Mollie in TAKE HER, SHE'S MINE with the Long Island Young Music Players. Ms. Rosano has appeared in the Gray Wig's productions of FIDDLER ON THE ROOF, ANYTHING GOES, and CAROUSEL. For Doug Austin of Memory Lane, Hicksville, this production marks his debut with the Gray

Wig. A computer operator, Mr. Austin has worked on both sides of the stage - as an actor and singer - and as director, musical director, and chief make-up man! He has performed with the James Street Players, Studio Theatre, Arena Players, and Broadhollow Theatre. His credits include Alex in THE COCKTAIL PARTY, Witherspoon in ARSENIC AND OLD LACE, and Mr. Snow in CAROUSEL.

Six performances are scheduled in the John Cranford Adams Playhouse of Hofstra University as follows: Friday, Sept. 5 and 12 and Saturday, Sept. 6 and 13 at 8:30 pm, and Sunday, Sept. 7 and 14 at 3:00 pm. ## Tax Law Clarified

One of the "local problem" bills in Senator Johnson's 1980 legislative package was recently signed into law. This bill amends the Real Property Tax Law

relating to assessment and collection of taxes.

According to Senator Johnson, "Payments for real property taxes are presently due on certain, statutory dates. A question arises when such statutory payment dates fall on holidays or non-regular business days. My bill allows an extension of the tax payment date when it falls on a weekend or public holiday to be extended to the next business day. This legislation places within a single provision of the Real Property Tax Law, a statutory extension of the tax collection dates, and avoids possible taxpayer and tax collector confusion concerning both the ability to extend the collection date and the authority to do such. Additionally, a statutory extension of the tax collection dates would obviate the need to annually petition the State Comptroller, questioning a tax collector's ability to extend a certain tax collection date."

The second bill exempts certain organizations, fostering amateur sports competition from payment of state and local sales taxes. Currently, The federal government excludes such organizations fostering amateur sports competition from payment of state and local sales taxes. Currently, the federal government excludes such organizations from the taxes it imposes and the State Tax Department sought through the Johnson bill to do the same with sales taxes. Senator Johnson explained, "The type of organizations covered are national organizations which are responsible for the conduct of national and international competition, including the conducting of national championships and the selection of national teams in Olympic and Pan-American sports and national, local and regional organizations whose purpose is supporting and developing amateur athletes for participation in national and international competition in Olympic and Pan-American sports."

### Alpha And Omega

One of the slang phrases we used several years ago to describe a "cool dude" or someone "who knows where it's at," was to say that he was the "living end." Jesus Christ was the living end. The Bible refers to Him as the beginning and the end. Any way you say it, Jesus has always been where it's at.

The Son Of God was even there at the beginning of all things. He was the one who gave us our belly button. As we, His creation, came out of the oven, having been baked to perfection, He poked His finger in everyone's belly and said, "You're done, you're done, you're done." That's our explanation of how we got our belly button.

Even children know that Jesus is Alpha, the beginning of everything. Two small children were arguing over who could remember back further. One child said, "I remember when I was only a few days old and my mother brought me home from

the hospital." "Oh, that's nothing," the other replied, "I remember before I was born, when God said, 'Cindy, turn over, I want to put your eyes in.'"

Jesus is the Alpha. Alpha is the first letter in the Greek Alphabet comparable to our letter A. Omega is the last, comparable to our letter Z. As Alpha, the son of God participated in creation and therefore holds supreme power over the heaven and the earth. It is His, with the Father and the Holy Spirit, God's world, God's universe. From beginning to end. First to last. We own nothing, not even ourselves, but live in the context of His creation. We're privileged to participate in His world, having been gifted even with life itself.

Jesus is also the Omega, the end, the last of all things. Because only He knows the end of all things, only He is capable of telling us what is yet to be. We need not worry what will happen to us when we are no more. Jesus will be there at the end as he was

at the beginning.

To get the most out of life, Jesus must also be our personal Alpha and Omega. He must be the first and the last of our lives. Each morning before we rise from the horizontal to the vertical, when the problems of the day begin their parade through our minds, we must clear the deck and let our thoughts encounter Alpha and Omega. Address Him in prayer, opening our heart and day to His direction, discussing it with Him, making plans together. Then we get out of bed with some bounce in our step. With His help we can spend the day remarrying our wife, rebeggetting our children, resuming our family and professional duties, making our way into God's world, encountering him and being encountered by him along the way. Don't compartmentalize God to any one day of the week or any hour of the day, for he is the Alpha and Omega of each day, every hour.

## See Beautiful Long Island This Fall

The Long Island Tourism & Convention Commission, Inc. announced recently that Long Island has received the New York State designation as the region to promote for fall. For nine consecutive weekends from September 5 to November 2, festivals are planned all across Long Island.

With this designation, New York State will create a travel poster for Long Island, television and radio public service announcements, and distribute news releases along the eastern seaboard and in Canada.

Come to Long Island this fall and enjoy sunny days exploring 250 miles of coastline, village and farm, harbor and sea. The crowds are gone, the temperature inviting. This is the perfect season to visit. It is Long Island's fall - of festivals when communities polish their history and parade their specialties.

Explore on Long Island a journal of America. Farmer, shipbuilder, whaling captain and captain of industry, oysterman and clammer, all stopped here. Lindbergh left this island for Paris and came back to write WE, here man built his ship to the moon. Young families found suburbs on Long Island; the wealthy shaped the Gold Coast. And their traces remain: the lighthouse, the church, the fields, the mansion.

Follow two-lane country roads and find farmers digging potatoes out of soft brown earth

and crating the snowy cauliflower for market. Stroll through harbor villages, once the home of tall ships, as fall changes birch and locust to yellow and the sun throws longer shadows on the glossy berry of the dogwood. Walk beaches and feel still warm water splash your feet and watch the leggy egret roost in the marsh grass.

This fall the red carpet is out for you to experience Long Island. Sample chili, a clam, duckling. Try for a record weighing bass. Watch the heavy stones turn in a 18th century grist mill. Hear a symphony on the beach, a Walt Whitman poem, see a fox hunt, a Chinese dragon dance; run a race, bike a trail, paddle your canoe. Catch a whiff of acrid vinegar as women pickle the harvest, as of long ago. See a lake, a river, an ocean, a bay, the Long Island Sound.

And pick a warm yellow pumpkin from fall's withering vines as the warbler heads south but summer lingers on Long Island.

## Around Our Towns

Lynda Noeth Scotti — 795-1286

Ida Mae Herfurth attended the wedding of her grand niece, Susan Hess, of NJ. Ida Mae, who is one of Hicksville's octogenarians, was driven to the wedding by her son, Harry, and his wife,

Lillian. They attended the wedding and reception that was held in Fairlawn, NJ. They said it was a big wedding with lots of family and friends present and they had a marvelous time.

Harriet A. Maher — 433-5994

We learned of lovely group of eight Hicksville women who have been meeting for over 15 years as a bimonthly breakfast club. The women met each other when their children started school and have continued their friendship ever since. They have watched the children grow, graduate from school and get married. Recently, Muriel Speranza, hosted an evening version of their breakfast club by holding a cocktail party for her friends and members of the club, Margo L., Kathy S., Virginia V., Regina P., Alice S., Catherine G. and Anita

F. Muriel's husband, Pete, was bartender for the affair and Muriel outdid herself, we were told, with the hors d'oeuvres she served. However, we didn't learn whether or not the club will remain a breakfast club or become a "late evening" meeting.

Hicksvillites Jim and Mary Rogan were hosts to guests from Pomona and Santa Maria, CA, during this summer. Jim's sister-in-law, Isabel, her son, Kevin, and daughter, Betty Ann, and

pass a call for a constitutional amendment for the purpose of proposing an amendment to the U.S. Constitution prohibiting abortion. Moreover, he was instrumental in preventing county funding of the Long Island Gate, a teenage sex counselling and abortion referral agency, and later had his representative also speak against funding of the Gate by the Nassau-Suffolk Health System Agency.

At the Families for Life meeting Ellen McCormack

explained the reasons why the RTL Party convention had rejected Reagan and Bush, reasons previously covered in this column. This was followed by a lively question and answer period, and then, finally by the showing of two proposed RTL TV commercials aimed at the U.S. Senate race and the state Assembly contests. Only limited funds are presently available for their showing, however, and the audience was urged to contribute to the "Ellen McCormack for President Committee" for that purpose. Checks can be mailed to P.O. Box 239, New Hyde Park, New York, 11040.

## CMF's Golf And Tennis Outing

A combination of perfect weather and 240 stalwart men made the recent Sports Celebrity Golf and Tennis Outing of the Men's Division of The Children's Medical Fund of New York a most spectacular event. It was a \$250,000 day for the new 150-bed hospital for children at Long Island Jewish-Hillside Medical Center, chaired by Harvey Bernstein of Old Westbury and Stephen Weingarten of North Woodmere.

Held at the Glen Oaks Club in Old Westbury, this outing was known as The Bernard L. Martin Memorial. Bernard Martin, one of the earliest organizers of CMF, had been a trustee of LIJ-HMC, senior vice president of the Fund and a founding member of the Men's Division. Norman Goodman, a member of the executive committee and a close friend of the family, presented Muriel Martin with a plaque establishing the Bernard L. Martin Memorial Award which

will honor an individual who has given outstanding service to the Men's Division.

The Outing consisted of a full day of activities. A lavish brunch and golf and tennis tournaments were followed by cocktails and dinner. The evening's agenda also included installation of President Richard Horowitz of Great Neck and his executive committee: Steve Howard of Roslyn, first vice president; Martin Lifton of Roslyn, founding president; Harvey Bernstein of Old Westbury, past president; Ed Blumenfeld of Roslyn, past president; Robert Forrest of Syosset, vice president; Stephen Weingarten of Woodmere, vice president; Jeff Jurick of Floral Park, treasurer; Andrew Lazar of Woodmere, assistant treasurer; Howard Pinsky of Jericho, secretary; Mel Silverman of Jericho, assistant secretary; Jerry Baim, Roslyn; Mitchell Brand, East Rockaway; Joel Busel, Brookville; Norman

Goodman, Jesse Gottlieb, and Alan Hoffman, Great Neck; Fred J. Levine, New York City; Jeffrey Liebenstein, Jamaica; Robert Morrow, Lawrence; James Penson, East Hills; Sam Posner, Oyster Bay; George Stein, Queens; and Neil Wager, East Northport.

Winners of the golf tournament were as follows: Tie for low gross, Jerome Ball and James Penson; low net, Andrew Kronfeld, four-ball low net, Dom D'Angelo, Leo Barash, Ernie Borgese, and Frank Tarulli; four-ball low net runners up, David Taub, Sy Evans, Stan Shapiro, and Jerry Sircus.

Tennis winners were Mel Cohen and Joe Goldberg, first place; Harvey Grossman and David Polishook, second place; and Lorne Henning and Barry Globberman, Walter Gross and Steve Jacobson, third place.

Among the sports celebrities who participated in this fundraising event were Bobby
