The Hicksville Rotary Club recently accepted three new members in installation ceremonies held at the Maine Maid Inn. The new rotarians are (l. to r.) Edward Terrasica of Centerville Florist, Harry J. Zuckerman, At vney and Bradley J. Harris, of the Hooker Chemical Company. In upper picture (Poloroid photo by Joe DePaola)

At a recent meeting of the Hicksville Rotary Club Bob Mandell, Area Representative and aide to District 725 Governor Harry Pinkerton conducted a briefing of the Governor's impending visit. Also shown above, in the lower picture, [r] is Hicksville Club President Joseph Trebitz (Poloroid photo by Joe DePaola).

Hicksville Chamber Of Commerce Dinner Dance

By Carol Wolf

With the words, "The Chamber will not let up until they see some action for the betterment of Hicksville," outgoing and incoming president, Vern Wagner opened the new season of the Hicksville Chamber of Commerce at a dinner held at Ansh's on Tuesday evening, September 16.

Feeling that his second term will be "as big a challenge, if not bigger" than last year, Mr. Wagner was installed president in front of over 125 guests representing 35 Hicksville firms. "Uncle" Frank Chlumsky, who will be 96 in two months, did the installing.

The moderator of the dinner and Executive Director of the Chamber, Sieg Widder, announced that the speeches would be limited, and indeed they were, as he completed all the introductions in 6 minutes and 12 seconds.

However, Councilman Tom Clark told a little longer to tell those present that the proposed parking garage is project No. 5 on the Town agenda and would not be completed until 1982 or '83.

Councilman Clark also mentioned that he would like to see "free enterprise move things along" and discussed a plan for Broadway which would allow window shopping along the street with entrances into the one-story businesses along a rear parking lot.

"1982 seems to be the year that things will move," continued the Councilman, for he cited that the new building on Duffy Avenue will break ground in November with a 1982 completion date.

Finally, Clark cited that McDonalds has hired 360 new employees, 300 of whom are Hicksville residents.

Just a few moments before Clark took the podium, Louis Centa, Constance Clarke, Thomas A. Fay, John B. Gehris and Sheila Noeth, represented by Linda Noeth Scotti, were sworn in for three year terms as Directors of the Chamber. Vice President James A. Fyfe, Secretary Effie Krogman and Treasurer Ronald J. Wagner also took the oath.

After all the speeches were heard, all those in the hall

returned to the buffet supper, unlimited cocktails, music and dancing. Those who attended were: Vern Wagner with all his family and friends representing the Wagner Funeral Home, Councilman Tom and Corinne Clark, "Uncle" Frank Chlumsky and his daughter, Frances, Henry Brengel Sr. and his Anna, Tom Fay from Rite Fuel, Brad Isley from Seacoast Federal Savings, Charles Montana and his family and friends from Montana Agency and Ron Wagner and his associates from the National Bank of North America.

Sieg Widder and the Iris of his eye sat at table 5, the Mid Island Herald was represented by LyndaNoeth Scotti and this reporter, Bernie Bruns from the TOB Bureau of Lighting was seen hopping tables and LILCO was represented by Larry Fitzgerald. At table 7 sat King Kelly and his Associates from Seaman and Eisemann, Tom Gallahue from the TOB Dept. of Parks and Recreation and Francis Anderson, former County Clerk.

Henry and Dotty Brengel represented Empire Storage, Christine Stoffel came from Stock Funeral Home, Sarah Allen represented Daniel F. Allen & Co. and more Seaman and Eisemann people were at table No. 9.

The banks were together at table 10. Dorothy Ferrara was from Dry Dock Savings Bank, Patricia Tannhauser represented Hamburg Savings, Ken Zanni works at Citibank, Constance Clarke represented Central Federal Computer Facility and Catherine Hutchinson represented Central Federal Savings and Loan.

Mary Petrusik came from Unity Buying, Paul Martin from the NY Telephone Company, Lou Centa from Dalton Funeral Home, Mort Goldstein from Dollar Savings Bank and Martin Solomon from M. Solomon & Co. Retired planter and florist Alton Geise was seen gliding across the dance floor with his wife.

Superstition dictated that there be no table 13, but at table 14 sat Larry McCaffrey from McCaffrey-Naso Inc., Irwin Goldman from Goldman Brothers, Joe Gentile from Reliance Utilities, Jim Fyfe from L.I. Bank, and last but not least, Franklin Frank of Stackler and Frank, Mid Island Plaza.

News Briefs

AHRC Come-A-Long

Five local residents are helping to provide the leadership for the First Annual Come-A-Long which benefits the Nassau Association for the Help of Retarded Children. Phyllis Downe, a resident of Wantagh, is serving as chairman of the benefit along with Ethel Epstein, Myra Giansante and Mr. and Mrs. West Chisholm, all of whom are members of AHRC's Hicksville-Wantagh-Levittown Auxiliary and are serving as co-chairmen. The event in which walkers and joggers will be participating is slated for Sunday, October 28th at Eisenhower Park in East Meadow.

In addition to the local site, three other locations are being used; Christopher Morley Park in Roslyn,

Cedar Creek Park in Seaford and the Long Beachk. Registration, which is open to all ages, is between 10 AM and 2 PM. The event ends at 4 PM and a rain date has been set for the following Sunday, on November 2nd.

Souvenir headbands will be given to all walkers and joggers and prizes, including bicycles and television sets, are to be awarded to top producers. Registration and sponsor forms are available at local libraries and more information can be obtained by calling 248-9246.

All funds raised from the First Annual AHRC Come-A-Long will be used to help provide the daily programs for the more than 1200 mentally retarded children and adults which AHRC serves.

A Progress Report From The Hicksville Library

The project to remove architectural barriers at the Hicksville Public Library is coming along, but slowly. The elevator shaft has been completed, but the elevator has not as yet been delivered. We are told that in the next few weeks the installation will begin. At this time the modification to the rest rooms are almost completed and the water fountain is complete.

We hope to announce to the

community very shortly that the Hicksville Library is back to normal with a working elevator for the use of the handicapped.

Bear with us, the worst of the project is almost over. Soon we will be able to have full use of the Community Room. We are sorry if there have been any in-

conveniences to our users.

Hicksville Baseball Assoc. News

Mr. Bob Izzo informs us that the team pictures that he took are finally available. If you have not received the photos of your sons and/or daughters, contact the photographer at his home address, 12 Lorretta Lane, 681-8832.

Mercy League News

The Hicksville-Syosset Glen Cove League of Mercy Hospital opened its 1980-81 season with a luncheon at Burt Bacharach's restaurant in East Norwich.

The meeting was presided over by Mrs. Brian Fitzsimmons, of Syosset. Mrs. Fitzsimmons announced that the League's first fund raiser will be participation in

put together an "Awards Dinner" to honor our 150 All Stars. More on that later.

Remember on October 16, we will be selecting new officers for the 1981 season. If you are interested in really becoming involved, please contact outgoing president Tom Nealon at 681-0482.

Mercy Hospital's Country Fair to be held on the hospital grounds in Rockville Centre. The League's booth will have asit's theme East meets West. It will be a Chinese Boutique. Many Chinese artifacts and toys will be available. The Fair date - October 4th - all welcome.

American Legion Auxiliary News

At the last regular meeting of the American Legion Auxiliary, Charles Wagner Post No. 421, Girls Stater, Mary Chatterton of Hicksville, spoke on her experiences at Casanova College. She stated that the flag ceremonies were the best and the inaugural ceremonies very colorful and meaningful.

The Auxiliary will continue to participate in this program next year.

Seven Past Presidents of the Auxiliary attended the annual 10th District Fall Conference held Sept. 18 at the New Hyde Park Inn. On the same evening, the Auxiliary visited the girls at their adopted Cottage at the Suffolk Developmental Center in Melville.

The next regular meeting of the Auxiliary will be held on Friday, Oct. 3 at 8:30 p.m. at the American Legion Hall, 24 East Nicholas St., Hicksville.

American Arrows

The New York United's hopes for the American Soccer League championship were dashed by the Pennsylvania Stoners, who defeated them 3-1 last Sunday in Allentown, Pennsylvania to capture the National Conference title.

The two teams battled to a 1-1 tie last Friday night in the opening game of the two game playoff series at Downing Stadium on Randall's Island, setting up Sunday's showdown in Allentown.

In the opener at Downing Stadium, New York took a 1-0 lead in the 38th minute on a penalty kick by Narcisco Doval, and Pennsylvania equalized on a goal by Christian Nwokocha in the 53rd minute.

On Sunday, Pennsylvania opened the scoring at 8:20 on an unassisted goal by John McDermott. The United pulled even in the 32nd minute on a goal by Redmond Lane, assisted by Alejandro Cabrera. Nwokocha broke the deadlock, giving the Stoners a 2-1 lead at 61:42 on a pass from Clyde Watson. Watson added an insurance tally in the 79th minute. Pennsylvania, which had the league's best regular season record (19-5-4) will meet the Sacramento Spirit next Sunday in California for the ASL championship.

District Discipline

(Continued from Page 1 Plainview)

No decision was made on the Intensive Learning Center by the Board since it was one of the recommendations requiring budgetary support.

The recommendation concerning the doubling-up of classes in a student's senior year because of previous drop/fail will be effective September 1981.

Also being implemented at present is the daily notification of parents of absent students by telephone, including evening calls.

Reissa Reedy, representing the PTA, on the Committee, presented recommendations from the sub-committee on anti-social behavior grades K-8. These included support from administration in disciplinary actions taken by adult supervisors (teachers, aides, security personnel) assuming due process if followed.

Also, a recommendation was made for a record to be kept of a child's disciplinary behavior for K-4. Mrs. Reedy explained that by developing a referral from the principal could "keep track and get to know the child better."

Mrs. Sherer strongly protested using this "discretionary tool. It could be traumatic for the child." Being sent to the principal's office, according to Mrs. Sherer, was already a problem for the child to deal with. She also questioned keeping the record in the child's folder.

Mr. Taubenfeld felt that if a child was reprimanded wrongly and he "has feelings, this will cause him to fight back."

This was not one of the recommendations approved by the Board.

A recommendation for serious disruptive children to be placed in a supervised area is already being done on the K-4 level.

Dr. Colver presented the recommendations of the sub-committee on open campus at the high school. He stated that modification was needed "with tightening-up and a greater structure for those students with unscheduled time." These recommendations include increased student use of viable options during unscheduled time (options include recreation game room, SEP-SOP program; cafeteria; library; among others); informing students that they must be in one of these places during the class period; up-dile and implement current cutting procedures, including parent notification by telephone; making lesson plans available to substitutes; and increasing adult supervision with additional aides at each high school.

On the subject of lesson plans Mr. Laub stated he was "not as secure on the feeling as Dr. Colver. It is critical so the subs don't end up as babysitters." Dr. Colver stated this area was already being acted upon.

Mrs. Sherer was also concerned as to what happens "when a teacher is absent and no lesson plan is available. How does the principal know?"

Dr. Jerome Botwinick, Principal at Plainview-Old Bethpage High School, explained that lessons plans were left in the building on Friday. "If a teacher is lax, the chairperson is responsible to see that the substitute has the materials to function."

Mr. Ferrara added that this procedure was part of district policy. "A teacher is first given a warning and advised that (he/she) is in violation of the district policy. This policy is being enforced."

The above Committee recommendations are those dealing with administrative matters and some have already been implemented by the senior high principals. The Board earlier in the meeting approved additional teacher aide positions.

Abstaining from the motion to authorize the Superintendent to proceed with those recommendations dealing with administrative matters was Mr. Taubenfeld.

Also recommended in the area of open campus was the implementation of the Intensive Learning Center in each high school, exploring the feasibility of an Intensive Learning Center in each department; increased class coverage of absent teacher by substitutes; and a photo-ID card-program card system.

These recommendations have budgetary and/or contractual implications and the Committee will work on them and come back at a later date with modifications.

Trustee Miriam Ravad complimented the Committee on their "positive approach. This is a beginning." She also suggested that the district "look into and develop further a plan dealing with the problem of serious disruptive students in the elementary schools."

School Board President Alvin Delman thanked the Committee and Dr. Colver. "This was an excellent and stimulating report."

New York Veterans Police Association Endorses Lent

Citing his "dedication to duty" and his "aggressive efforts to represent the will of his constituents," Sam Duke, director of the New York Veterans Police Association, announced the endorsement of Rep. Norman F. Lent for a sixth term in the U. S. House of Representatives.

The association, which represents 24,000 retired policemen from throughout the New York metropolitan area, commended Lent for his consistent efforts on behalf of law enforcement officers and his constituents in general during his tenure in the New York State Legislature and in the Congress.

In his endorsement of Lent, Duke added: "His deep sense of responsibility to the people he has been elected to serve

makes our association proud to once again endorse Congressman Lent's candidacy."

Lent, who has served the people of the 4th Congressional District for the past 10 years, declared, "It is indeed gratifying for me to receive the endorsement of the New York Veterans Police Association. I cannot begin to express the feeling that comes with the knowledge that I have merited the confidence of the members of such an outstanding organization."

He added, "You can rest assured that I will always strive to warrant the faith and trust the voters of the 4th Congressional District have placed in me by electing me to five terms in the Congress of the United States."

Twilight Lecture Tour

Another in the popular Old Westbury Gardens series of Twilight Lecture Tours is scheduled for Wednesday, September 24th. The topic, Fall Chrysanthemums, will be presented by James Baden, Horticulturist at the Gardens.

This unique tour will provide an opportunity to learn about chrysanthemums and their use in the garden, while touring the magnificent gardens of this former estate. Ample opportunity will be provided for questions both during the tour and afterward while refreshments are being served.

The gates will be open at 6:30 p.m., with the tour starting at 7 p.m.

Registration fees are \$2.00 for members and \$2.50 for non-members. Advance registration is required. For registration or further information you may contact Old Westbury Gardens, P.O. Box 430, Old Westbury, N.Y. 11568. Telephone

(516) 333-0048.

Old Westbury Gardens is listed on The National Register of Historic Places and is located on Old Westbury Road between Jericho Turnpike and the Long Island Expressway.

On Sunday, September 28th, Old Westbury Gardens is featuring "Children's Day," with special programs and activities planned for children of all ages. Included in the festivities will be the Forbes Balloon, Oscar Brand, "one of America's best folk singers," the Vanaver Caravan, a troupe of musicians and dancers inspired by the folk traditions of the world, Susan Zises, an artist who will work with groups of children, and a fashion show of children's clothing. During the Gardens regularly scheduled hours, 10 a.m. to 5 p.m., children will have the opportunity to take guided house and garden tours specifically designed for young people.

Elections Board Announces Mail Registration Deadline

Nassau County Elections Commissioners Isabel R. Dodd (R) and Stanley Harwood (D) announced that October 6 will be the last day the Board can accept mail voter registration applications.

The emphasis is on the word "receive," says the Commissioners, because State Election Law mandates that if an application is not in the Board by that date the registration will not be good for the 1980 election, even if it has been post-marked several days before.

Although the Board will conduct in-person registration at about 500 selected polling places on October 9 and 11, the Commissioners urge early registration via the mails.

Mail registration forms have been supplied to all Post Offices, Public Libraries, and Town, City and Village Halls. Forms may also be obtained by calling the Board of Elections at 535-2411.

You must register if you are not currently registered; if you have moved to a different address since your last vote; if you will be 18 by Election Day; or if you have not voted in the last two years.

Twilight Lecture Tour

Another in the popular Old Westbury Gardens series of Twilight Lecture Tours is scheduled for Wednesday, September 24th. The topic, Fall Chrysanthemums, will be presented by James Baden, Horticulturist at the Gardens.

This unique tour will provide an opportunity to learn about chrysanthemums and their use in the garden, while touring the magnificent gardens of this former estate. Ample opportunity will be provided for questions both during the tour and afterward while refreshments are being served.

The gates will be open at 6:30 p.m., with the tour starting at 7 p.m.

Ice Hockey

Ice hockey fans are in for a treat Friday, Sept. 19 and Monday, Sept. 22 when the New York Islander rookies take on the New York Ranger fledglings at Cantiague Park Ice Rink with game time at 7:30 p.m. both nights.

Admission to the contests presented by the Nassau County Department of Recreation and Parks is \$4. Some of the players in the

hard-fought exhibition games will be advanced to the parent clubs for the coming National Hockey League season. The rest of the rookies will be placed with teams throughout the Ranger and Islander organizations.

Cantiague Park is located on West John St. in Hicksville. For further information and advance tickets, visit the Rink or call 935-3500.

20 Kilometer Run

Applications are now available for the 20 Kilometer Run scheduled for Sunday, Nov. 30 at Eisenhower Park beginning at 9 A.M. the "mini-marathon" of 12.4 miles is co-sponsored by the Nassau County Department of Recreation and Parks and Suburbia Federal Savings and Loan Association.

Recreation and Parks Commissioner Abram C. Williams said that up to 1500 runners will be accepted on a first-come, first-served

basis. The registration deadline is Friday, Nov. 21. The entry fee is \$4, he noted.

Application forms may be obtained at any Nassau County park or by calling the Sports Unit at 292-4284. The race is open to all ages. Separate award categories will be set up for men and women 14 and under, 15-19, 20-29, 30-39, 40-44, 45-49, 50-54, 55-59, 60-64 and 65 and over. The top three finishers in each category will receive awards. The top five runners overall will receive special

Purcell Secures \$93,000 For County In Oil Deal

A few people chuckled two months ago when Nassau County Executive Francis T. Purcell announced he thought there may be oil revenues for the county in sewage.

Purcell today had the last chuckle—all the way to the county treasury with a check for \$93,379.76 from the Atlantic Richfield Company, Los Angeles, Calif. Within the next year, he expects to be making similar trips with approximately \$150,000 more in oil revenues.

"I feel somewhat like the person who found the chicken that lays golden eggs," Purcell mused. "I've never dealt before in the world oil market."

The circumstances surrounding the money, which was deposited in the general fund today to be invested by the county treasurer to earn additional interest, involve the Federal Allocation Program for domestic crude oil.

The county, in producing and using methane gas at its Cedar Creek and Bay Park sewage treatment plants, saves the equivalent use of nearly 15,000 barrels of oil in the course of a year. The methane gas is used in place of oil to produce about 40 percent of the electricity needed to operate the plants.

Under the Federal Allocation Program, such an oil conservation program gives the county an entitlement to domestic crude oil equivalent to the number of barrels saved by the methane process. The entitlement, in turn, has value, especially to refiners who otherwise would have to buy more expensive imported crude oil.

The sale to Atlantic Richfield involved 3,418 entitlements approved for the county by the Federal Department of Energy. The sale price of \$27.32 per entitlement was set by federal officials. The 3,418 entitlements, arrived at through a complex methane and oil BTU conversion formula, actually represents 17,233 barrels of oil. This was the calculated saving at both sewage plants between June, 1979, 1980.

Nassau County Executive Francis T. Purcell holds a check for \$92,379.76 made out to Nassau County by the Atlantic Richfield Oil Company.

The money came from the sale of domestic crude oil entitlements the county earned by conserving oil at its sewage treatment plants.

Purcell said the county will file an application each month now for a crude oil entitlement based on the production and usage of methane at the sewer plants. He estimates the sale of these entitlements will net the county about \$10,000 a month between now and October, 1981, when the current allocation program expires.

Purcell Attacks Chemical Industry On Waste Issue

In testimony on Sept. 8 before a state legislative commission on Long Island's water resource needs, Nassau County Executive Francis T. Purcell warned that federal efforts to assist state and local governments clean up hazardous wastes are being UNDERMINED by chemical manufacturers.

"A massive letter writing campaign by the Chemical Manufacturers Association has seriously endangered passage of the 'superfund' proposal," Purcell said.

"This legislation is designed to provide assistance to state and local governments faced with the challenge of coping with the cleanup of abandoned waste sites which leak toxic substances into drinking water supplies," he stated, adding that "the solutions to many of our water quality problems are going to require enormous sums of

money — money only the federal government can generate as part of a national waste management control program."

The "Superfund" legislation, which was approved in congressional committee by near unanimous vote, would generate funds through a fee on chemical manufacturers.

Purcell also called for immediate action by the Federal Environmental Protection Agency to establish national standards for synthetic organic chemicals in drinking water and improved monitoring of active landfill sites.

"The State Department of

Environmental Conservation should insist upon the prompt installation of testing wells when issuing landfill operating permits," the county executive stated.

Purcell also stressed that the drinking water in Nassau County "meets every established standard or criteria for safe water quality." He called a recent report characterizing Long Island's water as an "industrial sewer" and linking water consumption to cancer "a report whose conclusions are speculative, exaggerated, unsubstantiated and replete with unfounded references and insinuations."

While defending the quality of Long Island's tap water, Purcell cautioned that residents should be aware that quality water cannot be taken for granted. "Like any other natural resource, it is vulnerable to mistreatment," he said. "The protection of our quality underground water supply should be everyone's number one health priority."

The county executive's testimony was presented before a hearing of the State Legislative Commission on Water Resource Needs of Long Island held in the Nassau Police Department Auditorium in Mineola.

Voters Have Pull
Register and Vote

The decisions made in the voting booth affect you and your family. Protect our 200 years of democracy and help make those decisions.

Register and then vote:

If you are not registered.
If you are new to the County.
If you have moved since your last vote.
If you will be 18 by Election Day.
If you have not voted in the last two years.

OCTOBER 6th

is the last day on which you can register by mail for this year's general election. We must receive your application by that date.

For information call the Board of Elections at

Nurses Association to Meet

Dr. June S. Rothberg, dean and professor of the Adelphi University School of Nursing, will be the principal speaker at the fall membership meeting of the Nurses Association of the Counties of Long Island, Tuesday, September 23 at Antun's, Queens Village at 7 p.m. A noted leader in her profession, Dr. Rothberg will describe the dynamic

ways in which nurses can make a difference in politics, government and in their own field.

Dr. Rothberg was the first woman and the first non-MD to serve as president of the American Congress of Rehabilitation Medicine. She is a former president of the American Association of Colleges of Nursing and a founding member of Nurses for

Political Action. At present Dr. Rothberg is president of the Long Island Women's Network.

A pre-meeting dinner for members of the Nurses Association, an organization of registered, professional nurses in Brooklyn, Queens, Nassau and Suffolk, will take place at 5:30 p.m.

(Continued on page 10)

Eileen Scanlon, Employment Director of the St. Vincent de Paul Society, with offices at 249 Broadway, Bethpage spoke at the Hicksville Rotary Club on Thursday noon, September 11th. The Employment office of the Society serves as a general job placement bureau for the entire Nassau-Suffolk bicoounty area. Mrs. Scanlon said. This year they will handle 800-900 job placement referrals, and will successfully place about 45 percent of all applicants in jobs of all types (professional, clerical, factory). In addition 45 students were placed in a summer job program. Mrs. Scanlon said that many people think of the St. Vincent de Paul Society as a charitable social work agency, and have no realization that it also serves as a job placement agency. For further information on job placement call Mrs. Scanlon at the Bethpage office 822-3132. Pictured above, from left to right are, Bernard Schiel, Hicksville Rotary Club Program Chairman; Eileen Scanlon, and Art Pettorino, Hicksville Rotary Club Secretary.

Letter to the Editor

Dear Mrs Noeth:
Re: Jones Institute
I write to you today in response to an article which appeared in the paper on August 22, 1980 with regard to the above captioned.

Although the Jones Institute is under the jurisdiction of its Trustees and is a totally autonomous organization, this office is not without concern for the welfare of the present residents.

It is my understanding that the Trustees of the Institute have, acting within their prerogatives, made a decision to sell the present facility for the purpose of accumulating sufficient capital to permit the opening of a new facility that will not impose the significant maintenance costs that result from the old structure now in use.

This decision having been made by the Trustees, the Town has stressed to them its desire that the re-location of present-day Jones Institute residents to other qualified facilities be done compassionately and in a manner that minimizes any traumatic affect of such a change. We have been informed that the Trustees continue to have true concern for the well-being of Institute residents during this period of change, and that relocations are being undertaken with the permission and approvals of proper regulatory agencies.

In closing, this office shares the concern of the Catholic Daughters of America and hopes that those fears expressed in the aforementioned article are put to rest, not only as a result of this letter but also through the implementation of a smooth transition.

Thank you for your attention.
Very truly yours,
Gary F. Musiello, ESQ.

SENATOR JOHNSON DRESSES LONG ISLAND WATER CONFAB: State Senator Owen H. Johnson (R-Cons.) on far left questions a participant on water well testing procedures. Senator Johnson was the first Long Island Senator to demand state funding to test water supplies in Nassau and Suffolk Counties.

Families For Life Club News

By Doug Harknett

Two opposite ends of the spectrum in the medical profession were in the news recently. One story was that 305 obstetricians and gynecologists filed an amicus brief with the Supreme Court testifying that commonly accepted alternative treatments exist for thirteen diseases and conditions that are presently used by some doctors as indications for abortion. The other story was a series of interviews of abortion doctors by Human Events magazine.

The amicus brief stated that the use of medically accepted treatments would prevent the increased morbidity and mortality among indigent pregnant women who were to be denied Medicaid funded abortions, and that these alternative treatments were reimbursable through Medicaid. The situations include teenage pregnancy, sickle cell anemia, drug addiction, placenta previa, cardiovascular disease, anemia, ITP, Von Willebrand's disease, toxemia, varicose veins, SLE, most cancers, thrombophlebitis, and diabetes. In cases of teenage pregnancy, the brief stated that with proper pre-natal care, teenage pregnancy results are no different than in the general population, and that abortion is not recommended since there is no medical benefit.

The local pro-life group is Families for Life which meets the 4th Wednesday of every month at Levittown Hall, Hicksville, at 8PM. For information call 935-9272 or write to Box 574, Hicksville, 11801.

"Cubans Not Being Dumped At Pilgrim:" Sen. Johnson

State Senator Owen H. Johnson (R-Cons.) announced that he has received assurances that the State Office of Mental Health will not be accepting mentally ill Cubans for treatment at its state psychiatric centers.

Earlier this month a newspaper story revealed that the state was considering taking hundreds of Cubans needing institutionalization and that a majority of the patients would be assigned to Pilgrim Psychiatric Center.

"Contact was immediately made with the State Office of

Mental Health expressing my opposition to the plan. The planned placement of these refugees was to be in the same area the Division for Youth had planned to house youthful offenders with violent criminal backgrounds," explained the Babylon legislator.

Johnson was the legislative leader in the anti-DPHY prison plan and eventually that department scrapped its plan. When urging the Office of Mental Health to not accept the mentally ill Cubans, Senator Johnson pointed out that the federal government has promised funding for states accepting the Cubans, but to date it has remained just a promise. "What this really would have meant was New York State taxpayers would end up footing the increased mental health costs incurred as a result of the influx of these refugees," Johnson continued.

The Mental Health Commissioner finally agreed and today announced that New York State has officially told the Department of Health and Human Services that the state will not take the Cuban patients.

Senator Johnson supports area efforts to convert the vacant Pilgrim building into a facility serving Long Island's senior citizens.

Ending on a positive note, Johnson said, "I want to see the site used to benefit residents of Long Island."

Lee Ave. Open House

Please note that there has been an important Calendar Change with regard to the Lee Ave. Open House. Instead of September 25th (for grades K thru 3) as shown on the district calendar, Open House will be held on Tuesday, September 23rd at 8 PM. There is no change for grades 4 thru 6. Open house for them will be held on Tuesday, October 7th, as scheduled.

to the year's work. The meeting will also afford parents an early opportunity to become acquainted with Lee's active PTA unit. The evening will begin with the first PTA general meeting for the year and will include presentation of the proposed PTA budget for 1980-81. Membership tables will be set up so that parents can take an early interest in PTA activities.

These meetings are a definite "MUST" for all parents of Lee Ave. children as it will be their first contact with their child's teacher and an introduction

There will also be a table set up where you can buy your tickets for the November 12th Roller Skating Party.

Hicksville Republican Club News

By Harriet Maher

On October 24, the Committee men and women of Hicksville will honor one of our civic-minded residents for his years of dedicated service to the Hicksville community at a buffet/dinner dance which will be held at Antun's Old Country Manor. Each week we will tell you more about the recipient of this well-deserved award; however, we will not release his name to the general public until the week of October 24. We're sure you will be able to identify this distinguished person as each week we reveal more about his community activities. Everyone is invited to attend the dinner dance on October 24... so mark your calendars to reserve this date. We will furnish you with additional information regarding this event in upcoming columns. And now a message from Frank Jopp:

SENIOR CITIZEN NEWS

"A capacity crowd of 174 members and friends were on hand at the September 12 meeting of the Hicksville Republican Club. Tremendous interest and enthusiasm were in evidence as the audience on hand greeted the guest speaker for the evening, Congressman Norman Lent. The meetings of the Club seem to get better and better, and I'm happy to say that there is always a large group of seniors in attendance. If you who are reading this column have not been to our meetings, and if you wish to know what is going on in our community, then try to attend. You are always welcome! We meet the second Friday of every month at 8:30 p.m. at the V. F. W. Hall in Hicksville. Come on down.

Now on a different note. On Aug. 27 a news release from the County of Nassau Department of Senior Citizen Affairs was sent to me. I'd like to quote from part of it for general information to seniors and others who are interested:

"Beginning September 23, sixteen communities in Nassau County will offer a series of Pre-retirement Counseling workshops to their residents who wish to prepare for meaningful retirements. Originated and coordinated by the

Nassau County Department of Senior Citizen Affairs, the award-winning series is offered in cooperation with libraries, adult education departments of local school districts, and non-profit organizations.

"Keyed to the theme "Retirement - a New Design for Living," the workshops are planned for those in their 40's and 50's who may be ten or more years from retirement. The series of six weekly two-hour evening workshops consists of professionally led discussions on topics like "The Truth About Retirement Communities and Leisure Time Activities," "Mental Attitudes - To Grow, To Give, To Receive," "Legal Planning - Wills and Estates," "Your Financial Status - Now and Later," "Life, Health and Love After 60." Volunteer coordinators from each community serve as moderators during the question and answer periods which follow each session. Attendance at each workshop is limited to 40. In most communities there is no fee. For registration info, contact the Nassau County Department of Senior Citizen Affairs, 222 Willis Avenue, Mineola, NY 11501; tel. 335-4523.

"I urge all of those interested to try to avail themselves of the above-mentioned workshops. In the Hicksville area, the workshops will take place in the Teachers' Cafeteria at the Hicksville H.S. on Division Avenue. All of the workshops in Hicksville will be on Wednesday evening, October 8, 15, 22, 29 and Nov. 5 and Nov. 12. You must register by mail only. Call for info at 733-2172 after 7 p.m.

"Just been informed that we have a senior in the Club who really likes to travel by car. Ben Kletecka and his 15-year old grandson, Karl, just completed a 7-week trip which covered 7,500 miles. They drove through Texas, Alabama, Florida and Tennessee where they made stops. They started in June and got home to Hicksville in August. Ben states that he loves to drive and we certainly believe it."

Frank Jopp can be reached at 935-9125 for additional information on the "Senior Citizen Scene."

To Salute Grumman Corp.

A gala golden anniversary celebration for the Grumman Corporation sponsored by the Friends for Long Island's Heritage (formerly the Friends of the Nassau County Museum) and a prestigious committee representing the area's cultural and commercial community, will be held on Sunday, September 21, from 2 to 5 p.m., at the Cradle of Aviation Museum at Mitchel Field, Garden City. The 50th Birthday party provides a preview of the newest museum in the Nassau County complex as well as a fund-raising activity to further the Museum's development.

Brief ceremonies honoring Grumman will be held at 3:30 p.m., with Chuck Scarborough, News 4/Anchorman, NBC, as a master of ceremonies. The reception is planned, however, as a fun-filled occasion with many kinds of aviation-related activities continuing throughout the afternoon. Guests may stroll among the restored antique planes now housed at the Cradle of Aviation Museum including the Curtiss Jenny in which Charles Lindbergh learned to fly. Overhead is an exact replica of the match-stick-like craft in which the Wright brothers made their historic Kitty Hawk flight.

Nostalgic aviation enthusiasts can have their pictures taken peering through Coney-Island-style cut-outs placed next to the Museum's own "Spirit of St. Louis," the sister ship of the aircraft flown to Parish by Lindbergh. The bright-

orange Grumman Gulfhawk II, on loan from the Smithsonian Institution, is on display. Built in 1936 for the purpose of demonstrating precision aerobatics, the plane could fly upside down for half-an-hour.

Grumman's "Memorabilia Van" will be parked outside the Museum alongside a replica of a lunar module. The Van contains documents, pictures, small statuary, badges, flags and many other historic items associated with the development of the aviation industry. "Manning" the moon module will be Fred W. Haise, Jr., a former astronaut of the Apollo 13 program, now vice-president for Space Programs at Grumman Aerospace Corporation.

Decorating one hangar wall will be panels from an aviation history mural painted by Aline Rhonie between 1935 and 1938 for the north wall of Hangar F at Roosevelt Field. Removed in 1960 when the hangar was dismantled, the panels have been in storage awaiting the day when their entire pictorial sweep can again be on display.

Honorary chairmen of the Grumman Gala are Francis T. Purcell, Nassau County Executive, and Peter J. Cohalan, Suffolk County Executive. Charles R. Pierce, Chairman of the Board of the Long Island Lighting Company, is the executive chairman of the Committee.

A Message From Sup. Colby

With Labor Day gone and with the Primary just passed, we are in the midst of the political season.

The reminders of the coming national election are all about us. Every facet of the media is filled with campaign coverage on every level.

This is the American way and it is designed to assist the voter in making a choice. While some people may claim the rhetoric confuses the voter, I believe the campaign process and coverage is necessary and important.

Another thing of which I am certain, is that far too many people in our town, our county and state and the whole nation shut their minds to the campaign, put their hands over their ears, and refuse to get involved in even the basic decision - to vote.

These are the ones who decry "politics." They ignore the fact that the political system's end result is the government under which we all live. If a person doesn't vote, how can that person then complain about a town, county, state or national government?

In our nation the ballot is not only a privilege...it is a duty. Recent headlines from Poland told us there in the United States that a group of people took their lives and the lives of

Energy Saver Kits Available

These watchwords of the nation are now the focal point of a unique fund-raising campaign that has been launched jointly by the United Cerebral Palsy Associations of Nassau and Suffolk Counties. Special Energy Saver Kits are being made available to the public through this campaign. The Kits will serve the dual purpose of saving energy dollars by reducing heat loss in the home and raising vital support for Cerebral Palsy Centers on Long Island. These Centers provide treatment and rehabilitation services to more than 3000 Long Island children and adults with cerebral palsy and other developmental disabilities.

Each Energy Saver Kit contains 16 easy-to-install insulators cut to fit electric wall outlet and switchplate openings. These small electrical openings around

the house through which heat can escape are often overlooked by energy conscious homeowners. The Energy Saver Kit can put a stop to these small but costly household energy losses.

The insulators in the Kits are electrically safe. UL-listed and totally hidden when properly installed. Complete instructions for their use are included in a booklet that also lists valuable energy-saving tips. An added feature of the Kit is a water restrictor that will help to conserve water use and save energy dollars.

The Energy Saver Kit is available from the Nassau County or Suffolk County United Cerebral Palsy Association for \$3.00. Any amount above the purchase price for each Kit will be accepted as a tax deductible contribution.

This energy-related campaign also marks the first time that a business and an agency have combined energy conservation with a fund-raising campaign to

assist the handicapped. Long Island Lighting Company, the utility serving the area, donated the first 1000 Energy Saver Kits to the Nassau County and Suffolk County United Cerebral Palsy affiliates. The utility is informing the 960,000 households in its service territory of the campaign through a descriptive bill enclosure. The announcement is one of several additional services provided by LILCO to support the Cerebral Palsy drive.

Response to this fund raising effort has been extremely favorable. Participants in the Cerebral Palsy workshops for the handicapped are now busy assembling and packaging thousands of Energy Saver Kits to meet the rapidly growing demand.

My point here, however, is that you may not vote unless you are registered to vote. That is what you must accomplish in the next couple of weeks.

Anyone who is 18 years old or older by Monday, November 5, who has been in the same residence for more than 30 days, can qualify to vote on November 4.

Registration forms can be mailed to the Nassau Board of Elections, but must be received to be recorded by October 6. The forms can be obtained at any Post Office or from the Board of Elections on County Seat Drive in Mineola. The phone number for information is 535-2411.

You can call that same number to check on the pooling place for your residence to achieve in-person registration, which will take place all day and evening on Thursday, October 9 and Saturday, October 11.

Please register, consider the candidates, and vote.

LWV Voter Registration Drive

On Sept. 18, Citibank said that the League of Women Voters of the City of New York will use 128 Citibank branches in the New York metropolitan area for a voter registration drive September 22 through 26.

Registration information will be available in the branches during that week and members of the League will be in branches on specific days to answer questions and collect the

registration forms for delivery to each county's Board of Elections.

The local participating branches and the days when League representatives will be at them are:

Monday, Sept. 22, Hicksville Branch, 255 No. Broadway; Tues., Sept. 23, at the Jericho Branch, 80 Jericho Tpke. and the Syosset Branch, 177 Jericho Tpke.; and Wed., Sept. 24, the Plainville Branch, 1125 Old Country Rd.

Annual Country Fair

Mercy Hospital in Rockville Centre, will hold its 11th Annual Old Fashioned Country Fair on Saturday, October 4.

Special highlights of the fun-filled, action-packed day include a marching band, barber-shop quartet, magician, clowns, country stores, plants, pottery, delicious international foods, a children's carnival, pony rides, space walk, games, gift

boutiques, fabrics, pastries, gourmet baked goods, hand-made items, free health tests and information and more.

The Fair will be held at Mercy Hospital, 1000 North Village Avenue, Rockville Centre, exit 19 south, Southern State Parkway, from 11:00 a.m. to 6:00 p.m.

All proceeds will go to Mercy Hospital. The rain date is October 6. For further information phone 255-2242.

THE ART OF EXPRESSING LOVE

"Love, Love, Love!
That's what it's all about,
'Cause God loves us, we love each other,
Mother, father, sister, brother,
Everybody sing and shout,
'Cause that's what it's all about.
It's about love, love, love!"
So goes the children's song, "Love, Love, Love." The sharing of human warmth and affection is something which we all desire and need. Loving and being loved is one of the staples of human existence. Although love and physical affection enhance each other, too often the concept of love is too narrowly defined and even misconstrued when one makes physical affection synonymous with love. It simply is not! The art of expressing love is a very broad inclusive endeavor. As we consider one of the most important aspects of the human relationship, we find it's most complete expression in the vertical plane. To discover how to be really good at expressing love, we must look to the greatest of all lovers,

God. God's love for us is not regulated by our response. It is always reaching out toward us. God doesn't love us because we are so lovable. God doesn't need to love us. Rather, we are in need of his love. For true love is a willingness to give yourself to another person, not for your sake but for their sake. Love regulated by another person's response is not love at all.

Love, in its purest form, is other-directed rather than inward-directed. When another person's burden becomes more important than your burden, that is the beginning of love. Love is from God. Paul recognizes this as he writes in I Thessalonians 3:12, "And may the Lord make you increase and abound in love to one another and to all men..." The Lord gives us the ability to increase our ability to love.

Want to know how to become a better lover? Open your heart and welcome in the fullness of God's love. Let the perfect love of God within you express itself to people around you. A strong vertical love affair with God produces a strong horizontal love affair with others.

Yes, "Love, love, love! That's what it's all about..."

Hicksville Public Schools

EVENING HIGH SCHOOL

The Hicksville Evening High School offers a full-credit course of study leading to a valid New York State High School Diploma, following completion of 16 credits. Credits earned elsewhere are evaluated. Regents credits may also be earned.

ELIGIBILITY

Anyone age 16 or older who is not attending a regular day school, and who has completed eighth grade, is eligible.

Obituaries

MARIO ANSELMINI
A former Hicksville resident, Mario Anselmini of Florida died on Sept. 12. He was the husband of Evelyn; father of Plebia Weanofsky and Janet DeMattia; grandfather of Theodore III; brother of Plebia Corle.

He reposed at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville. Interment was held in Nassau Knolls Cemetery.

MARGUERITE H. BENDISH

Marguerite H. Bendish of Plainview, died on Sept. 14. She was a former teacher at St. Ignatius School and Confraternity teacher at Our Lady of Mercy. She was the wife of George; mother of Bruce and Christine Strockbine; grandmother of Brian Bendish; daughter of the late William and Anne Hagany; sister of the late

Wally and Al Hagany, and Anne Egan.

She reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in Holy Rood Cemetery.

JAMES M. FARRELL

James M. Farrell of Plainview died on Sept. 16. He was the husband of Alice; father of Jeanne, Patricia, James and Michael; brother of Helen; grandfather of Colleen.

He reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at St. Pius X R.C. Church with interment following in Calverton National Cemetery.

COURSE OF STUDY

The following courses are offered in the Evening High School:

- | | |
|-----------------------|-----------------|
| English X, XI, XII | Art |
| Reading | Business |
| American History | Modern French |
| World History | Modern Greek |
| Chemistry | Spanish |
| Biology | Health |
| Mathematics IX, X, XI | Decision Making |

For further information, call 733-2171 (evenings). Classes meet once a week, Monday through Thursday, from 6:30 PM to 9:30 PM, starting Sept. 29. Evening school is closed when day school is closed.

HIGH SCHOOL EQUIVALENCY PROGRAM

The High School Equivalency Program is designed to help participants earn a New York State High School Equivalency diploma. Individualized instruction is given in these subjects: English grammar, mathematics, reading comprehension, social studies and science. All of these topics are tested on the High School Equivalency examination to which a student is referred when both instructor and student feel he will pass.

The examination is based upon the assumption that adults may achieve a level of learning equivalent to that of a high school graduate through outside reading, job-related experience, community activities, travel, etc.

ELIGIBILITY

New York state residents age 18 or older who have been out of school one year, or whose class has already graduated, are eligible.

COURSE OF STUDY

A placement evaluation given at first session determines educational needs, and students may schedule courses to accommodate those needs. When the student becomes proficient in those areas, practice in test-taking is given.

Classes are continuous, starting the week of Sept. 29, on Tuesdays and Thursdays, from 6:30 to 9:30 PM in Room 120, Hicksville High School.

REGISTRATION

Registration for both Evening High School and High School Equivalency Program will be conducted the week prior to the start of classes, on Sept. 22, 23 and 24, from 6:30 to 9:30 PM, in Room 133 of Hicksville High School. Those who intend to register for Evening High School must present an unofficial high school transcript at registration.

FEES

Registration	\$5
Residents over age 21	\$15 per course
Non-residents	\$30 per course

There is no fee for the High School Equivalency Program.

CALENDAR

Sessions will begin the week of Sept. 29. School will be closed on the following holidays:

- | | |
|----------------|---------------------|
| October 13 | Columbus Day |
| November 4 | Election Day |
| November 1 | Veterans DAY |
| November 27-28 | Thanksgiving Recess |

INFORMATION

Further information on both of these programs is available by calling the office of Continued Education at 733-2172, EVENINGS ONLY.

Around Our Towns

Lynda Noeth Scotti - 796-1286

Harriet A. Maher - 433-5994

Just back from a second honeymoon trip are Jackie and John Bodger of Larch Street, HICKSVILLE. The Bodgers celebrated their 35th wedding anniversary on September 8 by taking a vacation trip upstate. They are parents of a son, John, who lives in California. Although they were unable to share their anniversary with their son, they have plans for the future which include a trip to California to visit with him. The Bodgers are long-time Hicksvillites.

Sam and Kitty Weiss visited their granddaughter, Wendy, and her husband, Jim Coogan, in Hudson, FL, where they have just built a lovely home. Wendy is the daughter of Harvey Weiss who now lives in Maine. Both Wendy and Jim work for the U.S. Post Office in Hudson.

The Boykos of West Nicholas, HICKSVILLE, George, Elaine and their children, Laura and Mike, are back from an exciting trip to Hawaii. They visited the Arizona Memorial, beautiful Waikiki Beach, the Polynesia Cultural Center, and a myriad of other sites of interest. All too soon, the Boykos returned to resume their daily activities. Laura is back at SUNY in Farmingdale and Mike is back at Hicksville H.S. where he is a tenth grade student.

Mary Owens, Duffy Avenue, HICKSVILLE, wants to publicly acknowledge and thank her neighbors, Margaret Clancy, Marilyn Poole and Alice Petruny for their kind assistance to her during her husband, Austin's, recent hospitalization at the N.C. Medical Center, and all the rest of her good neighbors and friends who helped. We're happy to report that

Austin is well on the road of recovery.

Congratulations to Doug Hynes who was married to Kathleen Mary Myers of Dix Hills on August 9 in St. Patrick's R.C. Church. Doug, as you know, is busily campaigning in our area to be elected Assemblyman for the Tenth Assembly District in the upcoming elections. He arranged for an Irish bag piper to play for himself and his bride when they left the church after their wedding. He kept this secret from Kathleen Mary and the rest of the wedding party and guests - and everyone was delighted with the unexpected entertainment. Doug and Kathleen Mary are residing in Farmingdale since their marriage. Congratulations and good luck to you both.

Kudos to Artie Hirsch, HICKSVILLE, who just received his multiple "Five Gallon Blood Donor" pin. No wonder Hicksville is such a wonderful community - it's composed of wonderful people like Artie.

We were sorry to learn that Marion Zurawel's mother, Anna O'Rourke suffered a mild stroke. Marion's daughter, Barbara Wallner, flew in from Colorado Springs to visit her mother and grandmother. Fortunately, Mrs. O'Rourke is now feeling better; therefore, Barbara has returned home to her husband, Richard, and children, Richard (9 yrs.) and Mary Catherine (4½ yrs.). Although Marion and Barbara live many miles apart, nevertheless, they see each other regularly. Marion visited the Wallners last July and is planning another visit in the not too distant future.

Back home from a sparkling and delightful visit with their friends, former HICKSVILLE residents, Betty and Artie Wicks, are Olga and John Glinka. The Glinkas stayed at the Wicks' home in Myrtle Beach, S.C. The foursome spent time swimming, beach combing, golfing, watched the shrimp boats coming in, and spent time looking for petrified sharks' teeth which can be found along the beaches. Olga brought some of these home with her. The Glinkas own property in Myrtle Beach and their plans include a retirement home to be built on the property when John retires from the Nassau County Police Department.

Peter J. Ference, HICKSVILLE, was named Marshall for The Diocesan Union of Holy Name Societies of Rockville Center, NY, recently. Congratulations, Pete, we

Square Dance

On Saturday, September 27, the Hicksville-Levittown-Wantagh Auxiliary of the Association for the Help of Retarded Children (AHRC) will be holding a Square Dance in the Silver Pavillion at Brookville Educational Center in Brookville. Ann Pepper is Chairperson for this affair.

For tickets and more information, call 785-5848.

know you will do a great job.

A surprise 35th anniversary party was held for Frank and Margaret Clancy by their five children on September 13. The party was attended by all their close relatives. It was a gala affair with lots of food libations, merriment and beautiful gifts. Frank and Margaret have lived in HICKSVILLE for the past 30 years and their children were raised in our community and attended the local schools. Much love and happiness to you both, Margaret and Frank, from your family, friends, and neighbors.

Good news! Four-year old Loretta Clark improving rapidly from open-heart surgery which she underwent in July. Her parents, T.O.B. Councilman Tom Clark and Corine, are thrilled with Loretta's progress - and so are the doctors. Our love and prayers are with you Loretta.

Congratulations to Georgette Ann Miller who graduated from George Mason University School of Law on August 23. Georgette is the daughter of Helen Miller and the late George Miller. She's living in Washington, D.C. at present. Her mother, Helen, is a fifth grade teacher in the East Street School in HICKSVILLE, and is so very proud of her daughter's accomplishments.

TWINS! Mr. & Mrs. Harry Schoppmann Jr. of PLAINVIEW are the proud parents of twin boys born August 30. Philip Edward weighed in at 7 pounds and 12 ozs and John Steven weighed in at 7 pounds 7 ozs. The babies were welcomed home by their three year old brother, Harry III. The proud grandparents are Mr. & Mrs. Philip Jordan of North Babylon and Mr. & Mrs. Harry Schoppmann Sr. of Hicksville. Congratulations to all!

The Hicksville High School Symphonic Band is in Fall swing under the direction of Mr. J.D. Abt. The musical group will perform concerts for local residents and plans are being finalized for bringing the Hicksville sound to distant audiences. The Band recently held

elections for the Band Council. The officers elected and pictured above are (L-R): David Straub, Vice-President; Kathy Panetta, Secretary; Dorothea Antonio, Student Government Representative; Julie Sone, Treasurer; and Paul Nealon, President.

Girl Scout Horse Show

TALLY HO! All levels of Girl Scouts from Brownie to Seniors will be riding in the Second Annual Nassau Council of Girl Scouts Horseshow at Bethpage Stables, Round Swamp Road, Farmingdale, New York on Saturday, October 11, from 9:00 a.m. to 3:00 p.m.

The Horseshow is open to all registered Girl Scouts of Nassau Council who have been enrolled in a riding program. Riders will be

entered in several categories including Beginner and Intermediate Horsemanship to Advanced class and even a Parent-Child division! Ribbons and trophies will be awarded to riders on the basis of hands, seat, general management and control of the horse.

Admission is free. Bring your family and friends for a day of pageantry and equestrian competition! For further information call the Council Office at 741-2550.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: "Every man's work is always a portrait of himself." - Samuel Butler.
To forward any information concerning the good and welfare of the Galileo Lodge, please contact Venerable Tony Previte at 731-0466.

Nothing gives us greater joy and pleasure than to report heart-warming and endearing tidbits of information concerning the male and female members of the Galileo Lodge, so why don't I start mentioning that Mr. and Mrs. Carmen Palmese, brother of Ed Palmese of the Galileo Lodge, states that his son, Thomas, has entered N.Y. City Technical College to major in Printing; that his daughter, Edna is in her second year at Nassau Community College majoring in Accounting; and that his other daughter, Karen, is in her 3rd year at Albany State College majoring in Communications. Congratulations to this fine Palmese family from the Galileo Lodge.

Then there is the beautiful news that Mr. and Mrs. Vito Laa Manna, parents of Angelo La Manna of the Galileo Lodge, have celebrated their 60th Wedding Anniversary. Heartiest congratulations are in order from our Lodge to this extraordinary couple. The La Manna family, incidentally, is comprised of 15 grandchildren and 11 great-grandchildren.

Mr. and Mrs. Joe Morace of our Lodge celebrated 34 years of wedded bliss on September 15, and Lou Morace, also of our Lodge, will celebrate 41 beautiful years of marriage by heading for Arruba for a most welcomed vacation. Congratulations again from the Galileo Lodge to these two nice couples.

Margaret Montello, wife of Al Montello of our Lodge, celebrates her birthday on Sept. 21. And here again our best wishes are extended to this nice lady.

Time is of the essence, they say, so why don't I mention that next Saturday, Sept. 20th, the Ladies Auxiliary of the Galileo Lodge will present its Testimonial Dinner and Dance in honor of ex-President Rose Riccardi. Tickets are \$12.50 per person and this entitles you to a tasty chicken dinner, beer, soda, coffee and cake, set-ups and unlimited liquor and dance music from the Tiny Caruso combo. Contact Mary Monte-

forte (938-6454, 938-3158) for tickets. Dolores Ragone is the co-Chairlady.

On November 15th, the Galileo Lodge will present a Testimonial Dinner and Dance in honor of ex-Venerable Tom Pasquarella. Tickets will sell at \$35 per couple and this entitles you to a cocktail hour from 8 to 9 P.M., dinner from 9:30 on and dance music from the Triangle Times until 1:00 A.M. Contact Chairman Ted Marotti (681-5190) and Jim Pino (822-7060) for tickets and seating arrangements. We don't have to elaborate on the past performances of Rose and Tom, so why don't we all attend these two dances and make them the social successes that they should be.

Last but not least, of course, is the advent of the 'Foolies Follijes', a combination of comedy and musical varieties to be presented by the Ladies Auxiliary of the Galileo Lodge. Tickets sell at \$8 per person and you will receive food, beer, soda, coffee and cake and music. Rose Riccardi (681-0960) and Jeff Wallick (681-8428) will direct this production and Rose will also handle tickets and seating arrangements. Carmen Russo is co-Chairlady in charge of Costume Design, along with Rose Mezaros and Marion Densiglio. Talent for this production will be supplied by the male and female members of the Galileo Lodge, plus the talents of friends, etc.

LODGE TIDBITS: Venerable Tony Previte wishes to thank the Hicksville community for their wonderful patronage in connection with our Bingo sessions, and he hopes this kind of participation will continue...The next Golf outing will be held on Sept. 21. Contact Jeff Wallick and Jim Pino for more details...The Comedia Del' Arte will appear at the Hicksville High school around the end of December. This performance is in connection with the 75th anniversary of the Sons of Italy in America...Membership Appreciation Night is scheduled for the 23rd of September, and on this night the Lodge offers its members in good standing free food and drinks, etc...the Bowling League needs bowlers, so why not contact Jeff Wallick. Friday is bowling night and it starts at 9:00 P.M.

Police To Conduct Bike Inspections At Wendy's

Twelve-year-old Mike Murray looks on as Patrolman Henry Krukowski, of the Nassau County Police Department's Traffic Safety Unit, checks the brakes on Mike's bicycle at the Wendy's Old Fashioned Hamburger restaurant parking lot in Franklin Square.

It's a preview of a county-wide bicycle safety inspection program about to be launched by Wendy's and the Nassau Police Department.

The thorough inspections, designed to reduce cycling accidents and injuries, will be conducted by experts from the department's Traffic Safety Unit.

In a joint effort to encourage bicycle safety and reduce cycling accidents, Wendy's Old Fashioned Hamburger restaurants and the Nassau County Police Department are launching a series of Saturday morning bicycle inspections at selected Wendy's locations.

The first inspections will be held on September 20, September 27 and October 4. (Please refer to schedule on next page.) Traffic Safety Unit officers will conduct thorough inspections of all bicycles brought in by both children and adults.

These specially-trained police officers will fill out an official Statement of Bicycle Inspection, covering every important aspect of bicycle operating safety (including brakes, wheel alignment, tires, lights, chains, reflectors and bells and horns) for each bicycle.

Defects will be noted on the inspection form and the bicycle owners will be urged to correct them - for their own safety - as soon as possible.

As an added inducement to participate in the inspection program, each bike rider will receive a free Frosty - Wendy's delicious, all-natural dairy dessert.

Each cyclist will also be given a copy of the Nassau County Police Department's valuable and informative booklet on bicycle care and safety.

In addition, cyclists over 16 will receive a copy of the New York State Vehicle and Traffic law on bicycle operation and safety.

Allen J. Bernstein, president of Wenco Food Systems Co., which operates all of the Wendy's Old Fashioned Hamburger restaurants in Nassau County, noted: "Last year there were 854 reported bicycling injuries - and four fatalities - within the Nassau County Police Department's Police District. The toll is growing and it must be reduced. We are pleased to be able to work together with the police department in this bicycle-safety public service campaign. We hope as many cyclists as possible - children as well as adults - will take advantage of this opportunity to have their bikes inspected by safety experts."

Traffic Safety Unit officers will conduct their inspections, between 10:30 A.M. and 12:30 P.M. at the following Wendy's restaurants:

- Franklin Square - (Saturday, Sept. 20) - 1034 Hempstead Turnpike.
- Jericho (Saturday, Sept. 27) - 90 Jericho Turnpike.
- Plaineade - (Saturday, Sept. 27) - 3962 Hempstead Turnpike.
- Merrick - (Saturday, Oct. 4) - 1728 Merrick Road.
- Lynbrook - (Saturday, Oct. 4) - 580 Merrick Road.

Halloween Party

The Jericho Chapter of Cancer Care presents a Halloween Party on Saturday night October 18th. Costumes are optional and prizes will be awarded.

Dancing to a live band, food and an open bar without any additional cost. All this for the low cost of \$25 per couple. Proceeds of all fund raising activities are used for patients disbursements. For more information please call 822-2416.

Jerry Lewis Thanks Long Island

In a personal message, Jerry Lewis today expressed special thanks for all that the local success of this year's Labor Day Telethon to benefit the Muscular Dystrophy Association will accomplish.

"Your response to our appeal," Lewis said, "will enable MDA to continue to expand its vital research and medical services programs, which will directly benefit patients and their families on Long Island and throughout the country."

"That's why it's so important for everyone to honor their Telethon pledges," said Lewis. "We've been forging ahead in research and providing the best available daily care for children and adults handicapped by muscle disorders, and we've got to keep it up."

In the Metropolitan area viewers phoned in \$3,610,182 in pledges during the 21-1/2 hours the show was aired on WNEW-TV. Nationwide, \$31,130,787 was pledged for the fight against neuromuscular diseases, the largest sum ever recorded for a single humanitarian fund-raising event.

MDA's ability to do its life-saving job stems from the fact that every year almost 100 percent of Telethon pledges are collected, so if you haven't sent yours in yet," continued Lewis, "be sure to mail your contribution today, to me, Jerry Lewis, National Chairman, Muscular Dystrophy Association, New York, NY 10149. Please do it, even if you didn't phone in your pledge."

MDA funds a worldwide research program seeking cures for 40 neuromuscular diseases, including muscular dystrophy, amyotrophic lateral sclerosis (ALS), and myasthenia gravis. In addition, the agency provides extensive medical services to patients through 218 hospital-affiliated MDA clinics completely free of charge. On Long Island MDA clinics are located at Nassau County Medical Center in East Meadow, South Nassau Communities Hospital in Oceanside, and Good Samaritan Hospital in West Islip.

For further information concerning MDA's programs, please call (516) 694-8400.

U/15 Hicksville 'Hawks' Hicksville 2 Massapequa 1

The Hicksville 'Hawks' sponsored by the 'Shamrock Pub' of Syosset traveled to Massapequa to face a team they have not beaten in their last 2 meetings (1-0 loss & 1-1 tie).

Most of the boys on this team are also on a school team and have practiced without a break for the past 10 days, the boys showed signs of fatigue going into this very important game but when the whistle blew the start, the 'Hawks' came out and played an excellent game of team soccer which was marked by some outstanding individual efforts.

In the 1st half Hicksville kept pressure on the Massapequa goal for the first five minutes and took a 1-0 lead on a well placed corner kick by Joe Abbatiello which was put in the net by James Youngs who had to thread the ball through the legs of the defense. The next 35 minutes saw the 'Hawks' play most of the time in their own end. During this period the defensive play of Bill Cheslock and Mike Lagnese was outstanding. The rest of the defense led by goalie John Rubins, fullbacks Joe Abbatiello and Scott Greenspan, halfbacks James Youngs and Adam Greenberg kept Massapequa from scoring and the 'Hawks' took a 1-0 lead into halftime.

The 2nd half saw the tide change Hicksville went on the offense and played all but 8 minutes in the Massapequa end. Tremendous pressure was put on the Mass. goal by Steve Posillico, Jim O'Brien, Steve Heissenhuber, and Jim Kennedy taking shot after shot but not able to put the ball in the goal. This constant attack saw excellent passing by Al Carpenter, Larry Sullivan and Bryan Althaus to set up the shots taken. With 18 min. to go in the half Mass. came down the field for the 1st time and a defensive mixup and a scramble in front of the goal the score was tied 1-1. The 'Hawks' again took control of the game and with 6 min. to go on an outstanding effort by Jim Kennedy put in the winning goal.

The Hicksville 'Hawks' earned this victory by playing good solid team soccer, and should be very proud of themselves for a fine game considering the added pressure of school ball.

Pee Wee Intramurals By Lenny Greenspan Hawaii 2 - Indiana 1

Hawaii opened the new season with an impressive team victory. Hawaii's goals were scored by MVP forward Matt Greenspan and forward Jason Teitelbaum. Hawaii's inspired play continually pressured Indiana's defense with excellent play by forward Gerrit Nijboer, striker Kevin Olea and halfback Joey Rosner. Outstanding defensive play by fullback Billy Michell and goal tending of Bryan Pendrick pressured the win.

Boys U 12 Hicksville Hornets Mid Island Coaches Tom Reilly and Ken Hamel

The Hornets traveled to Levittown to play the Arrows. The entire Hornet team played well together and saw the Hornets victorious 7-0.

Michael Iavarone scored 3 goals playing inside right forward with assists from Vincent Longo playing left wing. Ken Hamel playing inside left forward, and Mike Olive playing right midfielder. Ken Hamel scored an unassisted goal. Vincent Longo scored with an assist from the left midfielder Robert Radke. Gregg Pressman scored a goal from his right wing position. Mike Wozniak scored a goal with an assist from the center midfielder Richard Chakrin. William Sussman and Brian Doyle played well in goal. Bobby Kratchovil played well at center midfielder. Mike Conway turned the ball around well at inside left forward. Marco Baumann played well at left fullback cutting off scoring threats.

Thanks to the parents for the encouragement they gave to all the Hornet players.

U/9 HURRICANES

The Boys U/9 team, coached by Bob Ladimir, won the first game of the season this past Saturday against Lindenhurst. Excellent passing was the key to this win, their first non-tournament victory as a newly combined team.

The first goal of the game came on a corner kick by Chris Flanagan out to near the 18 yard line where right center half-back Drew Donohue pushed it through their defenders. After a number of tremendous defensive efforts by left center-half-back Stephen Pine, who headed the ball and kicked it clear of the Hurricane side, center-forward Chris Santarelli crossed the ball in front of the goal, and Donohue put it past the goalie. The Lindenhurst offense continually tried to penetrate

the Hurricane defense but were frustrated every time. Goalie Sal Perry made a number of good saves to maintain a shut-out. Flanagan made the score 3-0 by putting the ball in the corner of the net. Goal 4 by Donohue on a pass from right wing Bobby Ladimir. The last goal of the game was on an aerial by Donohue. Perry made a tremendous diving save to prevent Lindenhurst from getting on the scoreboard. The Hurricanes displayed excellent teamwork, with picture-perfect passing on their offensive drives. The boys played more aggressively than in their last game, and showed a greater sense of team play.

The members of this team are: Matt Adelstein, Neil Cambroneo, Jason Carmen, Drew Donohue, Bobby Findlay, Chris Flanagan, Robbie Franklin, Brian Garnets, David Kuck, Bobby Ladimir, Michael O'Grady, Sal Perry, Stephen Pine, Chris Santarelli, & Brian Spinner.

Hicksville Hustlers By M. Kanuck

Last Sunday, the Hicksville Hustlers played the Dolphins of Northport. The game ended in a 3-2 victory for Hicksville.

During the first half, the rotating front line of David Nisenso, Chris Kanuck, Jean-Claude Balek, Timmy Dantuono, Joey Masters and Michael Kowalcuk was initially frustrated as both teams neutralized each other in a 15 minute see-saw battle. Then a quick pass from midfield to Mike Kowalcuk set up the first Hicksville goal as he dribbled the ball to the 18 yd. line and drilled it into the net. By halftime the Dolphins had tied the score, 1-1.

The strong defensive line of Howard Schragin, David Haut and Brian Magee aided by swingmen Anthony DeRosa and Joe Santarelli was tested many times during the second half, but the players fought hard and held back the opponent's offensive drives. The fullbacks successfully worked the ball forward to the aggressive halfbacks, Marc Diamant, Gregg Greenberg and Craig Carson. A pass from rotating halfback Chris Kanuck to David Nisenso set up the second goal when David chipped the ball over the Dolphin defender into the net and made the score 2-1. The halfbacks played excellent offensive and defensive soccer and contributed to the play-making when Marc Diamant ricocheted the ball off a defender and booted it into the net to make the score 3-1.

With less than five minutes left in the game, the aggressive Northport team sneaked a goal into the Hustler's net to make the final score 3-2.

Goalie Timmy Richards continues his excellent goal-tending, adding an exciting element to the game. Next, the Hicksville Hustlers will host the Brentwood Stars on September 27 at the Grumman complex.

Hicksville Belles By T. Caputo and S. Sierra

The Hicksville Belles started their fall season with a victory against the Cold Spring Harbor Stripers with a score of 2-1. The first goal was scored by the Stripers but was immediately answered by Suzanne Sierra who took a rebound from the crossbar and placed a power shot into the upper left hand corner of the net. Denise Harkins put the deciding goal in by receiving a pass from mid-field, moving the ball down

the field past the Stripers defense and finished the play by driving the ball past the Cold Spring Harbor's keeper. Fine defensive plays by Gina Crioco, Maureen Collins, Brenda Condron, Debbie Hockman, Debbie Loungo, Tonya Pfeifer, Diane Sullivan and keeper Lisa Human stopped Cold Spring Harbor at every turn, while the tenacious play of Lisa Burke, Theresa Caputo, Michelle Dorathy, Susan Mitchell and Laurie Stashower kept the pressure on in the attacking zone.

The Belles continued down the road of victory by defeating the Northport Sharks 2-1. The Sharks taking the first bite did not weaken the determination of the Belles to rebound in the second half. It started with Cathy Conway eager to score, negotiated the ball past her opponents and ended the play by driving a banana kick into the right hand corner of the net to tie the score at 1-1. With 8 minutes remaining in the match, Maureen Collins delivered a perfect pass to Denise Harkins who blistered a shot only to see it ricochet off the crossbar. Debbie Loungo capitalized on the rebound by placing the ball past the Stripers Keeper for the winning goal.

The Belles could not have done it without the time, effort and training expended by Peter and Michael Collins to make the Belles a cohesive working team.

Young Americans

The Baldwin Cougars pulled a coup d'etat over the Young Americans with a score of 4-2, in a pseudo soccer match that simulated a military maneuver. Hicksville managed to place 2 goals in the net; the first by Lori Gluck assisted by Debbie Kenefick and a fine cross from Amy Flannery. The second score came from Christine Sierra from 25 yards out. But the intimidation tactics of the Cougars forced Hicksville into errors that led to four goals by the Baldwin team. Medals of Valor go to all the Young Americans in a game that was trying to represent soccer.

Krazy Kwartet Kontest"

The public is invited to participate in a "Krazy Kwartet Kontest" sponsored by the Huntington-North Shore Chapter of S.P.E.B.S.Q.S.A. (the men's 'barbershop' singers). The contest is designed to create a fun-filled evening for participants and audience, and to encourage four-part harmony singing. Competition is open to society and non-society singers, both male and female. Quartets may be all-male, all-female, or mixed.

The contest is scheduled for Saturday evening, November 15, at 8:00PM at Sweet Hollow Hall (Suffolk County Department of Parks Recreation Building) on Gwynne Road in Melville. The public is invited to attend the sing-off, and all competing quartets must pre-register.

For contest rules, registration forms, and more information, call Bob Melrose at 549-8137.

Direct Telex Overseas Now Available In Hicksville

For the first time the business community in Hicksville can telex directly overseas via ITT World Communications Inc., a leading carrier of international telex and other communication services.

The Federal Communications Commission has approved ITT World Communications' request to designate Hicksville a direct service of "gateway" city. A Direct Service City is one from which an international carrier can provide direct international communications such as telex, cablegrams, and leased channels.

Previously, direct service was available only in New York, Washington, D.C., Miami, New Orleans and San Francisco. Hicksville was one of 21 new cities recently identified by the FCC as an international communications "gateway".

"Local subscribers may now send their international communications more efficiently via one carrier," said John E. McKinney, president of the ITT unit. "Previously, subscribers had to transmit their international-bound message via a separate domestic carrier, generally over a low speed domestic network, to the nearest gateway city before it could be sent to its destination by an international carrier."

"Now a subscriber can use advanced technologies and

higher speeds of word processors, CRT terminals or computers to prepare and transmit international messages," he continued.

In 1979, ITT World Communications announced a 55 cent per minute reduction in its overseas transmission rates for subscribers who accessed its international switching systems at their own expense. As a result of this unbundling, or separate access option, users could choose to access the ITT system at their own expense, using faster speeds and methods, and realize savings on overseas telex calls. The FCC has now linked unbundling with the additional "gateway" city authorizations, and ordered that unbundling become mandatory, not optional.

"The combination of unbundling and the addition of new gateways provides both a dramatic rate reduction and lets users take advantage of current developments in communications technology," Mr. McKinney concluded.

ITT Worldcom first requested FCC approval for additional gateway cities in 1971.

In addition to Hicksville, the following were also designated Direct Service Cities: Atlanta, Baltimore, Boston, Chicago, Cincinnati, Cleveland, Dallas, Denver and Detroit.

Doll Sale

The Doll Collectors' Guild of L.I. is sponsoring a sale of antique, modern and handmade dolls and related items on Sunday, September 28, at the American Legion Building, Mill Dam Road (corner of New York Avenue Rte. 110) in Halesite. Hours will be from 10:30

LEGAL NOTICE

PUBLIC NOTICE

Notice is HEREBY GIVEN that the State Comptroller has caused and examination to be made of the accounts and fiscal affairs of Plainview-Old Bethpage Public Library-Bethpage Central School District, Nassau County for the period beginning on July 1, 1975 and ending on June 30, 1979. The report of such examination has been filed in my office where it is a public record, available for inspection by all interested persons.

9/10/80 Stanley Eddison Secretary, Board of Trustees Plainview-Old Bethpage Public Library D-4867-1T 9/19 PL

NOTICE OF PUBLIC HEARING BY THE BOARD OF APPEALS

Pursuant to the provision of Art. 1, Div. 3, Section 67, of the Building Zone Ordinance, Notice is hereby given that the Board of Appeals will hold a Public Hearing in the Town Hall, East Building Meeting Room, Audrey Avenue, Oyster Bay, New York, on THURSDAY evening, October 2, 1980, at 8 p.m., to consider the following cases:

PLAINVIEW:
80-252 BRUNO/MARY WENDLAND: Variance to allow a rear, enclosed porch to remain with less than the required side yard. S/s/o Relda Street, 115.85 ft. E/o South Oyster Bay Road

OYSTER BAY, NEW YORK
September 22, 1980

BY ORDER OF THE BOARD OF APPEALS
Town of Oyster Bay

D-4865-1T 9119 PL

NOTICE TO BIDDERS

The Board of Education of Hicksville Union Free School District of the Town of Oyster Bay, Nassau County, New York (in accordance with Section 103 of Article 5-A of the General Municipal Law) hereby invites the submission of sealed bids on Lease/Purchase Copier 1980/81:38 for use in the Schools of the District. Bid will be received until 2:00 P.M. on the 29th day of September, 1980, in the Purchasing Office at the Administration Building on Division Avenue at 6th Street, Hicksville, New York, at which time and place all bids will be publicly opened.

Specifications and bid form may be obtained at the Purchasing Office, Administration Building, Division Avenue at 6th Street, Hicksville, New York.

The Board of Education reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the District. Any bid submitted will be binding for forty-five (45) days subsequent to the date of bid opening.

BOARD OF EDUCATION HICKSVILLE UNION FREE SCHOOL DISTRICT
Town of Oyster Bay, Nassau County
New York
Janet E. Ullrich, District Clerk

Dated 9/17/80
(D-4868) Mid-9/19

LEGAL NOTICE

PUBLIC NOTICE

NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, October 7, 1980 at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering an application for a special use permit pursuant to the Building Zone Ordinance of the Town of Oyster Bay and for the removal of a restrictive covenant as follows: PROPOSED SPECIAL USE PERMIT: Petition of WILLIAM H. BOYCE, ROBERT J. BROWN and ROBERT R. BROWN, for special permission to erect and maintain in a "G" Business District (General Business) a public garage to be used for the repair or the "make ready" preparation in connection with the repair, sale and/or storage of new and used vehicles, and for the removal of a certain restrictive covenant referred to in Town Board Resolution No. 574-80, dated July 15, 1980 and imposed by instrument dated July 18, 1980 so as to allow the erection, use and maintenance of a 75' x 90' non-office building in connection with the above stated activities on the following described premises: ALL that certain plot, piece or parcel of land, situate at Hicksville, Town of Oyster Bay, County of Nassau, State of New York, which is described as follows:

BEGINNING at a point on the Easterly side of Broadway (Hicksville-Massapectua Road) approximately 38.84 feet South of the intersection of the Southerly side of Murray Road and the Easterly side of Broadway and said parcel having a frontage on Broadway of 269.92 feet and a Northerly line of 436.89 feet and a Southerly line of 272.60 feet and an average depth of 355 feet which is vacant land except for a model home on the Southwesterly corner of said premises known as and by the Post Office address of #415 South Broadway, Hicksville, New York. SAID property is designated on the Land and Tax Map of the County of Nassau as Section 46, Block R, Lots 249 and 250. The abovementioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time, at the Office of the Town Clerk at Oyster Bay, Hicksville and Massapectua. Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated. **TOWN BOARD OF TOWN OF OYSTER BAY.** JOSEPH COLBY, Supervisor. ANN R. OCKER, Town Clerk. Dated: August 26, 1980, Oyster Bay, New York.

Receives Fullbright Award

The Institute of International Education announced recently that the Presidentially-appointed Board of Foreign Scholarships has selected Jud Newborn for a Fulbright Grant for graduate study in Munich, West Germany, during the 1980-81 academic year. Newborn, who attends the University of Chicago, is one of approximately 320 young American students and artists who have been selected for Fulbright Awards this year. Jud is the son of Honorable and Mrs. Solomon Newborn, Receiver of Taxes in the Town of Oyster Bay.

The Fulbright Program is part of the U. S. Government's educational and cultural exchange program administered by the International Communication Agency. It is conducted in cooperation with more than 100 Foreign countries, some of which contribute substantially to the financing of academic exchanges, and has enabled more than 40,000 American students, scholars, artists and teachers to go abroad, and more than 25,000 foreign students, scholars, artists, and others to come to the U.S.

Wallace Edgerton, President of the Institute of International Education, has stated:

"The Fulbright Program brings our young men and women a deeper, more focused insight into international events than would ever be available to them through the news media or tourism. International education can do this because it provides the means to understand the world and its people, not just to know the facts, but also to have a meaningful context for them."

The Institute of International Education, a leading private, non-profit agency in the field of education, conducts the competition for Fulbright Grants at the predoctoral level.

DA Offers Speakers

Nassau County District Attorney Denis Dillon today offered schools, service clubs, civic associations and other community organizations in Nassau County the opportunity to utilize the District Attorney's Speakers Bureau. The bureau is accepting reservations for the fall and winter season.

Dillon said Assistant District Attorneys are available to speak on a variety of subjects relating

to the District Attorney's Office. The topics which are commonly discussed are the Criminal Justice System, Residential and Commercial Burglaries and Consumer Frauds.

The District Attorney said those interested in obtaining a speaker from the Nassau County District Attorney's Office should call 516-535-2994, or write the District Attorney's Office, 262 Old Country Road, Mineola, New York 11501.

GEORGE'S DEATH MUST BE DIFFICULT FOR THE CHILDREN.

THEY'VE ALREADY BEEN ASKING A LOT OF QUESTIONS

As in all other aspects of life, honesty is the best policy! Children can quickly see through adult evasions or deceptions. Telling a child that the person died and giving a specific reason for the death is most honest and helpful. If children raise further questions, these too should be answered honestly. Death is not a common occurrence in the lives of most families. It is helpful to reassure children that they will be cared for in spite of the fact that things will be different without the deceased. It is helpful to include children in all ceremonies and as much as possible in decisions that will affect them but only if they wish to participate. A child's loss is real and will not go away by being ignored.

Take A Hike!

That is what many boys and girls will be doing to help other kids their own age. It won't cost a cent except a lot of energy and footpower. An added incentive, besides helping research to overcome Juvenile Diabetes, is the chance to win a terrific 10 speed bike. This disease is the # 3 killer of children and young adults, in addition to causing blindness, loss of limbs, kidney and heart failure.

On Saturday, October 25, a "Hoofathon" for Juvenile Diabetes will be held at Eisenhower Park, lot # 1 at 8:00 A.M.. The walk will cover 25 kilometers (15 1/2 miles) which have

supervised crosswalks, medical assistance, and refreshments. A free T-shirt will be given to each participating walker. In addition, the top ten money raisers will receive a 10 speed bicycle. All that is required of the "Hooper" is to get pledges for the distance he or she will walk on the day of the event. The participant can go for the entire distance or if necessary can drop out at any of the check points.

This event is a combined effort of the Juvenile Diabetes Foundation and the Knights of Columbus, Corpus Christi Council # 2502 of Mineola. For further details and sign-up sheets contact the Juvenile Diabetes Foundation at 882-3232.

"I'm Somebody, Aren't You?"

A stimulating, thought provoking evening with Prof. Keith Keating, jointly sponsored by C.W. Post and the Voluntary Action Center of Nassau will be held Saturday, September 27, at 8:30 P.M. at the Chapel at C.W. Post, Northern Blvd. in Greenvale.

Keith Keating is an international lecturer, author, TV/Radio personality, a university campus favorite and a very exciting lecturer. An evening you will never forget will feature the topic "I'm Somebody, Aren't You? There will be audience participation and a lively question and answer period.

Saturday night at Campus Connection provides a unique

opportunity to exchange thinking with new people, socialize, partake of refreshments in a pleasant, dignified atmosphere and the \$2.00 registration fee is modest. This is an inter-generational program which appeals to people of all ages and of a varied socio-economic background. This is not a lonely hearts club. Previous events have attracted standing room only crowds of students, senior citizens, the young married set, career people and a variety of races. It is a fun evening with a thinking dimension.

Space is limited and reservations are necessary. Phone Phi Fleer at 535-3897 or Dr. Lillian Scheman at 299-2823 for information and reservations.

Sweet Adelines Membership Drive

Early fall is "membership drive" season for Sweet Adelines, Inc., and women of all ages who are seeking a rewarding singing experience

are invited to visit their local chapter this month.

Sweet Adelines is an international non-profit women's organization whose purpose

is to teach and sing modern four-part "barbershop" harmony. It is the largest women's choral organization in the world, with 35,000

members in 750 chapters throughout the U.S. and beyond.

Each group rehearses once a week.

Win \$25, \$15 or \$10 prizes in morning or afternoon contests at Reynolds Aluminum Recycling Center, Saturday, September 27.

After Silver Dollar Saturday, you're going to be a little richer. We'll pay you cash for every pound of aluminum you bring to this recycling center. And, if your collection is one of the three biggest, either in the morning or afternoon contests, you'll win \$25, \$15 or \$10.

So start collecting right away. Then bring them to this Reynolds Aluminum Recycling Center and get 23¢ a pound.

We pay for certain other clean aluminum items, too. Household aluminum like pie pans and frozen dinner trays, plus items that accumulate into big poundage fast: aluminum siding and gutters, storm door and window frames, lawn furniture tubing and aluminum castings.

Just be sure it's clean with no other materials attached to it. Cut long pieces into 3 foot lengths or less, and keep separated from the cans. Ask for details.

Commercial accounts welcome, but not eligible for prizes.

Here's where we are:

Reynolds Aluminum Plainview (Long Island) Recycling Center
155 Terminal Drive
Thursday & Friday
1:00 p.m. - 4:30 p.m.
Sat., 9:00 a.m. - 4:30 p.m.
Phone: (516) 349-7432

Special offer. A case of Reynolds Wrap® (24 standard size rolls) as 4th thru 10th prizes on Silver Dollar Saturday.

L.I.R.R. Offers Training Program To Local Firemen

The Long Island Rail Road is offering a special training program to local fire departments and rescue companies which familiarizes them with the dangers that are involved in carrying out their duties on or near railroad property. The program is conducted by LIRR training specialists and teaches fire and emergency personnel how to function at railroad facilities with a minimum of danger to life and property, and without unnecessarily interfering with essential railroad services.

"This is the fifth year that we have been offering this most important program," said LIRR President Francis S. Gabreski, "and its value to fire and rescue personnel throughout the metropolitan area can readily be measured by the fact that over 4,000 people have taken advantage of it so far."

More than 75 Nassau and Suffolk companies have undergone the special training. It is also available throughout the New York City police and fire departments.

The program is a 2 1/2-hour session that features a slide presentation, lectures and discussions, and a question and answer period. Highlights of the instruction include information on the LIRR's electrified (650 volts) and non-electrified territory, high voltage transmission facilities, electric (M-1) and diesel-electric locomotive operation, power units, passenger cars, and other LIRR equipment and facilities.

Slide demonstrations show the recommended procedures to follow during "minor" incidents, such as fires on railroad property and equipment. Firemen and emergency personnel are shown how to evaluate the severity of a situation, how to establish communications with the LIRR, what steps should

be taken to ensure their own safety, and how to conduct the evacuation of a train.

Fire and rescue companies interested in taking part in the program, which is conducted at local firehouses, may make arrangements by contacting LIRR Fire Marshall Robert O. Keller at Jamaica Station, Jamaica, NY 11435, or by calling 212-526-0900, extension 153.

Senior Fall Activities

A wide variety of interesting Fall activities for Senior Citizens have been scheduled by the Nassau County Department of Recreation and Parks, it was announced today by Commissioner Abram C. Williams.

The "Drop in" Center at Eisenhower Park's Special Activities Center will be open every day from 10:30 a.m. till 4 p.m. beginning Oct. 4 with the exception of Wednesdays and Sundays, for fitness exercises, sing-alongs, card and table games and general socializing.

The Senior Center at Nassau Beach's East

Terrace will accommodate clubs on Mondays and Thursdays from 10 a.m. to 3:30 p.m. beginning October 2. Activities include exercise, music and dance instruction, games and special events.

The Nassau Beach Center will also feature mural painting every other Tuesday from 9:30 a.m. to 2:30 p.m. beginning September 30. To register for the Nassau Beach programs, call 889-5651.

For further information on these and other programs for Senior Citizens, call the Special Activities Center at 252-4277.

Our Armed Forces

Ed A. Becker, son of Walter E. Becker of Sagamore St. in PLAINVIEW, has been promoted in the U.S. Air Force to the rank of senior airman.

On The Campus

Michael Joseph Mazzola of Sylvia Lane, PLAINVIEW, and Stephen Rogers of Grohman Lane, PLAINVIEW, have both enrolled in New College, the honors college of the University of South Florida, for the fall term.

Family Counseling For Y Members

The Mid-Island YM & YWHA will once again offer a family counseling program to Y members, it was announced by Norma Feinsod, President of the Y.

Isabelle Hofstein, a state-certified social worker on the staff of the Jewish Community Services of Long Island, will be available on Mondays to provide support to families who can no longer handle their own problems and desire professional counseling.

There is no charge for the initial consultation and

A.M., prevailing time at the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York. ALL interested members of the public are invited to attend. Pursuant to law, a public hearing will be held at the aforesaid time and place, or as soon thereafter as practicable, to consider the following amendment to Chapter 17 "Motor Vehicles and Traffic" of the Code of Ordinances of the Town of Oyster Bay, New York: **STOPPING SIGNS** will be **ADDED** or **DELETED** to SECTION 17-25 in the hamlets of Bethpage, Hicksville, Plainview and South Farmingdale. **NO STOPPING ZONES** will be **ADDED** or **DELETED** to SECTION 17-152 in the hamlets of Bethpage, Massapequa, Locust Valley, Hicksville and Plainview. **STOPPING PROHIBITED DURING CERTAIN DAYS OR HOURS** shall be **DELETED** from SECTION 17-153 in the hamlet of Plainview. **NO STOPPING BUS STOP** will be **ADDED** or **DELETED** from SECTION 17-154 in the hamlets of Farmingdale, Locust Valley and Massapequa. **NO PARKING ZONES** shall be **ADDED** to SECTION 17-165 in the Hamlet of Massapequa. **PARKING PROHIBITED ON CERTAIN DAYS OR HOURS** will be **ADDED** or **DELETED** from SECTION 17-166 in the hamlets of Bethpage, Massapequa and Plainview. **LIMITED PARKING ZONES ON CERTAIN DAYS OR HOURS** will be **ADDED** or **DELETED** from SECTION 17-168 in the hamlets of Bethpage, Locust Valley and Massapequa. **STREETS CLOSED TO THROUGH TRUCKS** shall be **DELETED** from SECTION 17-214 in the hamlet of East Norwich. **NO TRUCKS OVER 4 TONS GROSS WEIGHT EXCEPT LOCAL DELIVERY** shall be **ADDED** to SECTION 17-215 in the hamlet of Hicksville. The above-mentioned amendment to Chapter 17 (Motor Vehicles and Traffic) is on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 AM and 4:45 P.M., prevailing time, at the Office of the Town Clerk. Any person interested in the subject matter of the said hearing will be given the opportunity to be heard with reference thereto at the time and place above designated. **BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY:** Joseph Colby, Supervisor; Ann R. Ocker, Town Clerk. Dated: September 9, 1980. Oyster Bay, New York. D-4866-179-19 Mid

counseling is in a strictly confidential basis. Appointments can be made by calling the Y office at 822-3535.

LEGAL NOTICE

THE PEOPLE OF THE STATE OF NEW YORK BY THE GRACE OF GOD FREE AND INDEPENDENT TO: ATTORNEY GENERAL, STATE OF NEW YORK, SALVATORE L. ODDO, PUBLIC ADMINISTRATOR OF THE COUNTY OF NASSAU, and any and all of the persons cited upon this proceeding as heirs-at-law and next-of-kin of said MATTHEW MAXIMCHUK, deceased, are unknown, and cannot, after diligent inquiry, be ascertained; and, that if said persons or any of them be dead, that the names or parts of the names, and place or places of residence, of any and all unknown persons, who are the respective executors, administrators, heirs-at-law, next-of-kin, distributees, legatees, devisees, husbands or wives, or successor in interest of said deceased persons are unknown, and cannot, after diligent inquiry be ascertained and that personal service of the Citation cannot, with due diligence, be made upon them within the State.

GREETINGS: WHEREAS, Sister Kathleen Patricia Murphy who is domiciled at 20 East Cherry Street, Hicksville, New York 11801 has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 11th day of October, 1979 relating to both real and personal property duly proved as the Last Will and Testament of Matthew Maximchuk, deceased who was at the time of his death domiciled at 26 Elm Street, Hicksville, New York in said County of Nassau,

THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House, at Mineola in the County of Nassau, on the 22nd day of October 1980 at 9:30 A.M. of that day why the said Will and Testament of Matthew Maximchuk should not be admitted to probate as a Will of real and personal property.

IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed.

WITNESS, HON. RICHARD C. DELIN Surrogate of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 28th day of August, 1980.

s/C. Raymond Radigan Clerk of the Surrogate's Court

This citation is served upon you as required by law. You are not obliged to appear in person. If you fail to appear, it will be assumed that you consent to the proceedings, unless you file written verified objections thereto. You have a right to have an attorney-at-law appear for you.

SPENO GOLDBERG MOORE MARGULES & CORCORAN, P.C. Attorney for Petitioner, Office & P.O. Address 1565 Franklin Avenue Mineola, New York 11501 D-4856 4T 9/26 Mid

News From J.F.K. High School

By Tracy Sennatt

Kennedy students proved victorious at battle with the school board. A proposed \$20,000 parking lot between the handball and tennis courts was met with much disapproval by student council.

The board claimed that the lot was beneficial to the community because it provided a parking area for auxiliary police cars, trucks, and necessary snow plowing apparatus.

On the other hand, students pointed out the negative factors that would arise if the lot were constructed. The noise of the trucks as they enter and depart the area would distract the sports teams. In addition, the lacrosse and soccer players would suffer because the lot would cut short their practice field.

Petitions were circulated by student council members and a list of 500 names were submitted to the board.

Thanks to the pressure exerted by Kennedy students, the Board of Education has voted against the proposed parking lot.

Lack of money has been the cause of much concern for Kennedy students. Therefore, various activities have been planned by class officers to raise money.

Here are just a few of the scheduled activities:

The sophomore officers have planned a car wash on October 11, a cartoon festival is scheduled for January 31, and arrangements are being made for an indoor activities

day on March 13. All proceeds go towards their class treasury.

The juniors have spoken of a celebrity auction to be held on October 29. All money is to be used for making up a debt left by last year's junior class.

Lastly, seniors have planned a car wash for the spring, and a Sadie Hawkins dance on November 7. Many unscheduled activities are in the workings to cover the expensive costs for this year's yearbook.

Although Kennedy sports teams have played no official games as of yet, the football, soccer, and tennis teams seem to possess the potential for a winning season.

Football team captain Kevin Thompson states, "We have a quick back field and we make up one of the biggest lines on Long Island". The team practices a grueling 6 days a week and is scheduled for its first game on September 27.

The soccer team is scheduled for a game on September 29 against Garden City. Defensively the team is solid with goal keeper Dan Zinc in top form. The team, coached by Kennedy-legged Ralph Dreyer, is in good condition and is practicing hard.

The girl's tennis team plays their first match tomorrow at Bethpage. The team seems to be much stronger than last year. Coach Hazen attributes the teams strength to, would you believe, ninth graders? These freshmen really can hit. Watchout Bethpage because Kennedy tennis is at its best!

Arrows Sign Ramos

The New York United of the American Soccer League have announced the signing of Jorge Alfonso Ramos of Brazil as their head coach, replacing Vintila Mardarescu who was relieved of his duties.

Ramos, who was born February 16, 1943 has spent the past nineteen years playing, studying and working in the development of soccer in Brazil and has had good success with young players.

The 6-foot 4-inch Ramos is nicknamed "Casagrande" ("Big House" in English). He is a registered coach with the Brazilian Soccer Coaching Association, and his Junior Team of AL-ARABI Sports Club (under 17) of Doha Qatar in the Arabian Gulf won the League Junior Championship for the 1979/80 season.

Ramos is married and the father of two sons. He speaks English, Spanish and Portuguese, and resides in Manhattan.

"I hope to put New York United back into prominence, and hope for a winning season next year," said coach Ramos upon his appointment.

Operation VFW

By Lou Palladino

It was cancelled, it was postponed, it was deferred. No matter how you put it, the fact remains we had no Past Commanders Roast Sat., Sept. 6th. Whether the fault lies with the Committee who selected the possible recipient, the Past Commanders who sent in their vote, or the Chairman of equal party being incapacitated due to illness, is hard to say. There seemed to be a lack of interest, and there was certainly a lack of participation. As you may detect I am angry, because I feel it was an insult to Mike Znack to have something like this happen. There may be nicer people than Mike, but I haven't met them yet. It's hard to understand how you can find no interest in an affair like this. It has to be a lack of communications with the membership. We will and we must rectify the wrong done to Mike. Mike, we all love you, and we just have a terrible way of showing it.

Our young tiger, the Jr. Vice of our Post Conrad Steers is our Journal chairman. Connie would like to be a Life Member of Post member to know that boosters are available, even applications for the Journal ads. This tiger doesn't want a good Journal, he wants one of the best, and he is willing to work for it, so if you wish to help with either a booster or an ad, Connie will be happy to see you. Boys these young tigers are all dead set on making us old war horses look bad.

We did get a new member at the last meeting, a Korean Vet, Ray Cassidy. It seems the Korean Vets are extinct, but they are around if you look. These Vets are at the age now where their children are growing and have a little more time for themselves. Anyway, Ray, we are happy to have you as a member of our Post. Now that you are in get active, and help us to help others.

We are still getting a lot of progress reports at this time,

and things are starting to move. It's only Sept. but we have dates for three Christmas Parties already. We even have a date for the New Years Eve Party!

The Northport Veterans party is for Tues., Dec. 9th; the Post Christmas party is Dec. 13th; and the kids party is the following day Dec. 14th. Gosh, they really are rushing things! I won't give you the date for the New Years Eve Party - I'll let you guess that one!!!

Our Employment Agency is waiting for a new contract... Naturally they want as much as they can get. They can use more help, and the people employed surely can use more money. The Federal Government want it, and grant us a decent amount, but locally the money is cut down. Now that the County Executive was cited for this wonderful effort, more people may want to get on the bandwagon. Let's hope so, we can sure use it.

Artie Fuelling made his Bingo report, and you know what that was. As usual it was HELP!!! He did mention the bingo hall has Smoke Eaters now. So sure enough I went looking for the smoke eaters. I didn't even know what they looked like but I went on looking. I looked high and low but never found them.

Our Ladies Aux. are planning a Halloween Dance for Nov. 1st. The tickets are \$13.50 per person. It includes food, refreshments, and the fine music of Jack Dema and his band. Our Ladies always have a fine affair, at a very reasonable price. See May Bergsohn, Esther Palladino, and Edna Barone for tickets.

Lucky winner of the last 50-50 rifle was Frank San Filippo, it pays to complain right Frank.

Next meeting will be Sept. 22nd. Come on over and be counted. Hope to see you then.

It's A Good Time To Visit The Finger Lakes

Crisp autumn days... sparkling fresh water lakes... picture post card vistas of hill and dale clothed in a blaze of color... the hectic activity of New York State's grape harvest... all make fall an ideal time to visit the Finger Lakes Wine Country.

There is much to see and explore and the months of September and October offer a perfect time for a weekend jaunt or just a day trip into this picturesque region.

Visitors will find all of the wineries operating at peak of activity with the fruits of the harvest making their way from vineyard to crushing stations. Roadside stands will also be burgeoning with clusters of fresh grapes and other seasonal fruits.

Gary Van Haneghan, Tour Director of Widmer's Wine Cellars of Naples, New York, advises winery visitors to come early in the day, if possible, and avoid waiting lines. Weekdays are better, too, than weekends when the tourist count mounts.

Wear comfortable shoes, he says, because there is some walking and climbing of steps.

Weekday and Saturday tours at Widmer's will continue everyday through October 31 from 10:00 a.m. to 3:30 p.m. and on Sundays from noon until 4:30 p.m. There is no charge and children are welcome.

Following the tour, guests will be invited to a wine tasting in the Niagara Chateau where children are served grape juice. Group tours may be arranged in advance by contacting an Haneghan at 716-374-6311.

Naples is located near the southern end of Canandaigua Lake and may be reached on the north by exiting the New York State Thruway at either Exits 43 or 44 or from the South along the Southern Tier Expressway, exiting at Route 390

and then leaving that highway at Cohocton.

A bonus to your visit to Naples will be the opportunity to take home a freshly baked grape pie, a unique culinary specialty of the area. These delicious pastries may be purchased at roadside stands throughout the area during the harvest.

 All proceeds will go to Mercy Hospital. The rain date is October 5. For information phone 253-2242.
WASTE ISSUE
 (Continued from page 3)
 According to Mrs. Ruth Harper, executive director of the Nurses Association, reservations are necessary for dinner. Those interested in attending the dinner meeting and the regular program meeting at 7 pm, are asked to call the Nurses Association at (212) 783-4433 during regular weekdays business hours.
 The new Nurses Association president Patricia Bishop Barry, director of nursing, Palm Gardens Nursing Home in Brooklyn, will

preside. The Nurses Association, Mrs. Harper said, provides a wide range of professional services and educational programs for its members and carries out career advancement activities for prospective nurses.

DILLON RECEIVES AWARD: Nassau County District Attorney Denis Dillon receives a framed Bill and Pen from Assemblymen Lewis Yevoli (left) and Arthur "Jerry" Kremer. The Assemblymen presented the award to Dillon for drafting legislation which establishes

specific notification procedures when a potentially dangerous patient is being released from a psychiatric institution.

Both Yevoli and Kremer were sponsors of this important legislation which was signed into law by the Governor. Dillon said he would propose additional legislation pertaining to the Criminal Justice System for the 1981 session.

*To earn effective yield shown, 6-Month Savings Certificate, if available at maturity, would have to be renewed at the interest rate shown. At the time of renewal, the rate may be higher or lower than it is now, in which case the annual equivalent rate and percentage yield would be different. Federal regulations prohibit compounding of interest on this account. Accounts may be opened in person at any Long Island Trust Company branch. All gifts will be shipped directly to your address. Please allow 4 to 8 weeks for delivery in the Greater New York area. Delivery is free in Nassau, Suffolk, Westchester and the five boroughs of New York. Gifts delivered outside these areas are shipped Freight Collect. Gifts or representations of gifts are on display at all branches. If the sponsor chooses cash, we will mail the check within 4 weeks.

OFFER RULES AND REGULATIONS. Federal regulations require a substantial penalty for premature withdrawal on time deposits, except in the case of death or disability. If the bank permits an earlier withdrawal, the depositor will be charged the cost of his gift plus the gift (or cash) given to the sponsor and the applicable interest penalty. One gift per depositor, while supply lasts. All gifts will be shipped, and have manufacturer's warranties. The bank has no responsibility for any warranties with respect to merchandise selected. Warranties are solely those of the manufacturer. We reserve the right to substitute comparable merchandise in the event the item shown is not available. Sponsor may be a relative, but not a member of depositor's household, and must be at least 18 years of age. This offer may be withdrawn without prior notice.

For information on this and other Long Island Trust savings plans, call or visit the branch nearest you. All accounts insured by FDIC for up to \$100,000.
