Town Board Attaches Lien On Property

The cost in time, labor and use of equipment to demolish a house and other buildings at 459 Newbridge Road, Hicksville, has been established at \$16,955.47, by Oyster Bay Town officials and will be assessed against the property through action of the Town Board this week.

The property contained a house, barn and other outbuildings all considered abandoned and were labelled dangerous by the Town's building department. Highway crews moved in at the

end of July and tore down and removed the structures, which were fire-damaged and in disrepair.

"The Town Board's resolution will be routed through the Nassau Board of Supervisors to the Board of Assessors and a lien in the amount of demolition cost will be placed against the property," according to Councilman Thomas L. Clark. "Before any future buyer can take over the property, the Town's lien will have to be satisfied."

Hicksville Community Chorus Seeks New Members

The Hicksville Community Chorus will begin its nineteenth season this Tuesday, September 30th. Led by Bill Golee, Hicksville Senior High music teacher, the chorus meets for rehearsal each Tuesday evening from 8-10 p.m. in the Chorus Room at the High School.

Two major concerts are presented each year. In December, there is the

Annual Messiah Sing-In, and the Spring Concert in May. Mr. Golee extends a warm welcome to all prospective chorus members. The group is made up of residents of all ages. There are no auditions or music fees and the atmosphere is relaxed and friendly. All those interested in joining are invited to attend the first rehearsal on Tuesday.

Improved Street Lighting For Downtown Hicksville

By Sup. Joseph Colby

Improved and enlarged parking facilities and new street lighting in the downtown Hicksville area are on the way with a price tag of just about a half million dollars.

In successive meetings the Oyster Bay Town Board has approved the two projects involved and given them the go-ahead for an almost immediate start.

The projects in lighting and parking field improvement will be paid for by the federal government through Community Development funds. Approval of the work, which will be done concurrently, and approval of funding, came about through the efforts of the Town's new Department of Intergovernmental Affairs. This new unit of our Town government is charged with three major responsibilities: to seek and obtain funds offered in aid by federal and state agencies, to obtain jobs and job training for the unemployed and underemployed, and to channel funds and aid into community development.

In this instance, improvements were centered in the Hicksville area because of the structure of the aid package and because Hicksville fits the federal census track

requirements. Future projects will be tailored to other communities in the Town.

Sodium vapor light fixtures, more than 300 energy-saving units, are to be installed in the Hicksville downtown area. Additionally, underground wiring will be upgraded and new conduits will be installed in 3 parking fields. Improvements and reconstruction will be done at Town parking fields 10 and 15, which are both located in the vicinity of Jerusalem Avenue and West Marie Street, Hicksville. Parking spaces will be increased by 13 in lot 15 and by 24 in the other, during the course of repaving, curbing and striping.

It must be pointed out that the taxpayers throughout the Town benefit from this work in one community because property isn't being taxed for the \$300,000 in the street lighting changes - changes that had to be made anyway - or the \$200,000 in needed parking facility improvements.

This Department of Intergovernmental Affairs was created at my behest by the Town Board back in January of this year. The wisdom of that action is vividly revealed in this kind of direct savings to our taxpayers. These aren't the only benefits achieved thus far...and certainly will not be the last.

Car Takes A Dive!

On Sept. 6th, at 2:52 a.m., the driver of a big, four door, '61 Caddy, made a wrong turn and drove through a 6 foot chain link fence and into an in-ground swimming pool at 101 Benjamin Ave., Hicksville. Hicksville firefighters responded along with police. Both occupants escaped unharmed. Vamps applied foam to the gasoline filled pool, then pumped out the water, Reidlinger's Towing Service removed the vehicle.

An electrician suffered serious injuries on Sept. 9 while working on the roof of a bank at 575 So. Oyster Bay Rd. Hicksville Vamps responded at 11:51 a.m. The worker came in contact with a 480 volt power line. A passerby witnessed the accident and alerted people in the bank. Another electrician working inside killed the power and raced up to the roof and started CPR, a move that Vamps say saved his life. The victim was removed by tower ladder. He was later reported to be in stable condition. The electricians did not work for the same firm.

Two young girls narrowly escaped injury on Sept. 16 by jumping from a burning vehicle that

Dutch La. Gets Teacher For Third Grade Class

By Linda Strongin

The Third grade class at Dutch Lane School will now be divided into two classes. The Hicksville Board of Education voted 7-0 to hire a teacher for the second class.

The vote was reached after a long discussion, lasting over two hours, among Board members, administration, and parents. The Board abruptly went into executive session after Trustee Charlene Anci revealed that a child-study team indicated that a special education child was anticipated to be mainstreamed into the third grade, but would probably be retained due to the situation in the third grade class.

The third grade class has three sets of twins and other related students. The class presently totals 27. Parents have vehemently been requesting an additional teacher since May, when it was revealed that the two second grade classes would be combined into one third grade class. The Board and administration at that time gave a "wait and see" answer to the parents' request, citing possible fluctuations in class size.

The matter was brought to the Board's attention Wednesday evening by Trustee John Ayres. He reviewed the timetable of the situation; the "be patient", "wait-and-see" attitude of the administration; and the alternatives suggested by Assistant Superintendent for Elementary, Dr. Catherine Fenton. Dr. Fenton had recently met with parents at Dutch Lane School. Mr. Ayres stated he attended that meeting as a parent of a fourth-grader.

Mr. Ayres continued the discussion by questioning the

administration on the Dutch Lane staff participation in the decision-making process; the problems already in the classroom; and the validation of "expert" evidence, provided by Mrs. Arlene Zuzzolo, third grade parent, in a letter to the Board. The cost factor was also mentioned.

Finally, Mr. Ayres asked Superintendent Dr. Wilber Hawkins "If you listen to the child-study team, who are experts and they recommend the class be split, what would your recommendation be?"

Dr. Hawkins replied that he "would have to consider that recommendation" in terms of the alternate solutions. Mr. Ayres then stated the Dutch Lane child-study team had made that recommendation "last Friday."

"We are having a discussion on a disagreement. I've made a recommendation and won't change it. I now defer the matter to the Board," stated Dr. Hawkins.

At one time, the parents shouted "unacceptable at Dutch Lane" to a recommendation that a split-class be formed. Other alternatives were to bus sets of twins to other schools and form classes of third and fourth graders with teachers doing team teaching.

Mr. Ayres concluded by stating he had hoped the problem could be "solved in an educational way." He felt the Superintendent had not received all the pertinent information and was "not open minded." The decision to have one third grade class was made a long time ago. We now have new information."

Elected To Board of Directors At L.I. Bank

Patrick F. Caputo, Chairman and Chief Executive Officer of Reliance Utilities Corp. of Hicksville, and Robert W. Stackler, a partner in the real estate and development firm of Stackler & Frank, were elected to the Board of Directors of Long Island Trust Company effective October 1, Arthur Hug, Jr., Chairman, President and Chief Executive Officer, announced today. Messrs. Caputo and Stackler are members of the Board of Directors of Long Island Bank which will be merged into Long Island Trust Company on October 1.

The election of the two new members took place at a meeting of the Trust Company Board at which James C. Dinkelacker, President and Chief Executive Officer of Long Island Bank, was also elected Vice Chairman of Long Island Trust effective October 1, according to Mr. Hug. Mr. Dinkelacker had been elected to the Boards of Directors of LITCO Bancorporation of New York Inc. and Long Island Trust Company on February 15, 1979. Long Island Trust and Long Island Bank are both owned by LITCO Bancorporation which last week received final regulatory approval from the New York State Banking Board for the merger of its two banks under the Trust Company

name. The appointment of Mr. Caputo and Mr. Stackler to the Trust Company's Board of Directors will certainly benefit the Board and the bank," Mr. Hug said in making the announcement. "Both men are respected business and civic leaders on Long Island and their backgrounds will provide the bank with perspectives and insights important to the Trust Company's success."

Commenting on Mr. Dinkelacker's appointment as Vice Chairman of Long Island Trust Company as of October 1, 1980, Mr. Hug said, "The first-hand management and banking experience Mr. Dinkelacker has had as an executive with Long Island Bank since 1980 will play an important role in the smooth transition involved in the merger and the future growth of Long Island Trust. As Vice Chairman, Mr. Dinkelacker will play an important role in that growth and I am pleased that we shall be able to call upon his expertise and advice."

Mr. Caputo, Chairman and Chief Executive Officer of Reliance Utilities Corp. of Hicksville, joined the Long Island Bank Board of Directors on December 15, 1969. A resident of Bayville, he is also a Trustee of St. Francis Hospital in Roslyn, a Director of the Empire State

Petroleum Association and a member of the Long Island Area Development Agency, Inc. He is the former President and Chief Executive Officer of the Treat Potato Chip Co. and a former Trustee of the Wyckoff Heights Hospital in Brooklyn. He was the first President and Board Chairman of the Oil Heat Institute of Long Island from 1955 to 1957 and recipient of a Man of the Year of the Oil Industry Award, a Distinguished Service Award from the

Oil Heat Institute of Long Island, and an Educational Award from the Agricultural and Technical College at the State University of New York at Farmingdale.

He has been involved in numerous fund raising activities for charitable and non-profit organizations and is the past-president of both the Hicksville Chamber of Commerce and Hicksville Kiwanis Club.

Mr. Stackler is a partner in Stackler & Frank of (Continued on Page 10)

Our Long Island Fair

The Long Island Fair, a wondrous re-creation of a country fair of the 19th Century, will be held Friday, Oct. 13 through Monday, Oct. 15 at Old Bethpage Village Restoration, it was announced today by Nassau County Department of Recreation and Parks Commissioner Abram C. Williams.

The annual spectacular, co-sponsored by the Agricultural Society of Queens, Suffolk and Nassau Counties, will feature a variety of exhibits, contests and shows from 10 A.M. to 5 P.M. daily.

The meadows at the Village will blossom overnight with the gaily striped tents that house prize-winning displays of vegetables, fruits and flowers grown in local gardens and farms. There will also be a large and varied array of needlework, hobby and culinary products from Long Island home-makers and craftspeople.

The entertainment tent will delight children with puppet shows and the

wizardry of amazing magicians. There will be music by the Old Bethpage Singers and the famed Brass Band.

In addition, there will be pony rides, agricultural skills contests, prize livestock, games for children, a parade and other entertainments to delight one and all.

The Long Island Fair is one of the oldest continuing agricultural events in the United States tracing its origins to 1841. Admission is \$3 for adults and \$1.50 for children ages 5 through 17. There is no charge for parking. A cafeteria and gift shop are on the premises and concession stands will hawk a variety of tempting edibles.

Old Bethpage Village Restoration is operated by the Museum Division of the Nassau County Department of Recreation and Parks. It is located on Round Swamp Road just south of exit #48 on the Long Island Expressway. For further information, call 420-5280.

Nassau PTA Fall Conference

The annual Fall Conference of the Nassau Long Island District PTA will be held on October 9 at Jonas E. Salk Junior High School, Levittown.

The Conference offers leadership training to PTA/PTSA units and councils. Fifteen topical workshops are being offered, including, among others, newsletter; gifted and talented; public relations and room representatives; legislation for beginners and advanced; bylaws; and ecology. Also planned is a president's dialogue for unit and council PTA presidents.

A seminar in public speaking will be offered by Muriel Berk, N.Y. State PTA Membership Chairman. How

to overcome the fear of speaking before a group and microphone techniques will be demonstrated.

A mental health program on "Raising Children in Difficult Times" will be led by Dr. Elizabeth Whelan, Director, Consulting and Education, Dept. Psychiatry and Psychology, Nassau County Medical Center.

A seminar on single parent families is also tentatively planned.

Exhibitors will display various fund-raising ideas for participants to peruse, beginning at 8:30 p.m. Refreshments are being provided by the Levittown PTA Council during registration, beginning at 7:15 p.m.

Environmental Awareness Programs

First, walk or hike on this beautiful 145 acre nature preserve. Then, come inside to have your senses further stimulated by a new multi-media nature presentation. Nature photographer Richard P. Meyer combines visual imagery with inspiring music to recreate emotional moments one senses when awed by the natural beauty of nature. A brief photographic history of the former Childs Frick Estate will also be shown.

The presentation begins at 1:00 PM in the EDUCA-

TIONAL CENTER at the NASSAU COUNTY CENTER FOR THE FINE ARTS, located two traffic lights west of Glen Cove Road on Northern Blvd., on the following Sundays: September 28; October 5, 26; November 2, 9, 16, 23, 30; December 7, 14, 21, 1980.

Admission is FREE to the public. For further information, please call 484-4070 or 484-9333.

This program was made possible by the Nassau County Office of Cultural Development.

Candidates Night

The League of Women Voters will co-sponsor a Candidates Night on September 30. The meeting will be held at 8 P.M. in the Anselma Room of Kellenberg Hall at Molloy College. Molloy College is located at 1000 Hempstead Avenue in Rockville Centre.

The co-sponsors of the event are the Hempstead Central Branch of LWV, the Hempstead East Branch of LWV, the National Association for the Advancement of Colored People - Hempstead Branch, and Common Cause Fifth Congressional District.

All Candidates for the following offices have been invited: the 5th Congressional District; the 6th Senatorial District; the 8th Senatorial District; the 17th Assembly District and the 19th Assembly District. Questions will be accepted from the floor. The purpose of this meeting is to provide the voting public with the opportunity to acquaint themselves with the candidates and their views on current issues.

Further information on this event can be obtained by contacting Ellie Lustig, Voter Service Director, at 766-9166.

Ground Water Contamination Control Program

Rep. Norman F. Lent who has played a major role in congressional investigations into groundwater contamination problems on Long Island and throughout the Nation, recently recommended a three-point program to control this growing public problem.

In testimony before a congressional hearing in Washington, D.C. on the subject Lent proposed:

1) A federal research program to improve the technology for purifying drinking water, and to expand knowledge about preserving the quality of groundwater.

2) Action by the Environmental Protection Agency (EPA) to implement standards for safe drinking water required in the 1974 Safe Drinking Water Act. Lent criticized EPA's failure to set standards as a "pretty abysmal performance."

3) Swift congressional passage of the "Superfund" bill, which provides authority and funding to begin cleanup of abandoned waste sites which leak toxic substances into drinking water supplies.

"I believe that in order to deal effectively with the issue of

groundwater contamination, it must be approached in a logical, rational fashion," Lent told the House Commerce subcommittees on Health and Environment and Transportation and Commerce which held joint hearings on contamination problems.

In his statement, co-authored by Assemblyman Thomas Gulotta (13th Dist., Nassau Co.), Lent pointed out that millions of residents of Long Island have a special interest in controlling drinking water contamination. Nearly all of Long Island's drinking water comes from groundwater aquifers. Last year, a Lent-sponsored congressional probe of hazardous wastes on Long Island revealed a secret internal Hooker Chemical Company memorandum which detailed the firm's illegal dumping of chemical wastes into Oyster Bay landfills. Such wastes can contaminate an aquifer.

"We are only now discovering the extent to which our groundwaters are contaminated," Lent's testimony concludes. "We must, therefore, funnel more of our time and money into finding solutions to this problem."

Continue PSC Hearing On LILCO

Albany, September 17 - The Public Service Commission will resume hearings late this month to gather evidence to determine whether, and to what extent, a temporary electric rate increase sought by Long Island Lighting Company (LILCO) is justified.

And the Commission will begin hearings next month to investigate whether a permanent rate increase that LILCO is seeking is justified.

LILCO filed an application last May 29 seeking approval of a permanent electric rate increase of \$228 million (17.9%) annually and asked the Commission to approve part of that amount - \$95.5 million - on a temporary basis pending a final decision on its permanent rate request. The Commission has until late next May to make a final determination.

All the hearings are open to public attendance. The hearings on the temporary rate request will resume at 11 AM Monday, September 29, before Administrative Law Judge David Schechter, to permit company lawyers to cross-examine witnesses for parties opposing the company's request. Company witnesses were cross-examined at earlier hearings.

Because a single site is not available for the entire period the hearings are expected to cover, they will move between

the Nassau County Police Department at 1490 Frankling Avenue, Mineola, and the Nassau County Executive Building, 1 West Street, Mineola, and the Municipal Building, 45 North Ocean Avenue, Freeport.

The hearings on the temporary rate request will begin on September 29 in the Nassau County Police Department, then move on Tuesday, September 30, to the Nassau County Executive Building, for the rest of that week, if necessary. Additional hearings, if necessary, will begin at 11 AM, Monday, October 6, in the Police Department, and continue on following days, as needed, in the Executive Building.

Hearings at which witnesses supporting the company's permanent rate request will be cross-examined will begin at 11 AM, Wednesday, October 15, in the County Executive Building, continuing there the rest of the week, if necessary. Further hearings, if necessary, will resume at 11 AM, Monday, October 20, in the Freeport Municipal Building, continuing there as necessary for the rest of the week. Any further hearings needed to complete cross-examination will resume Tuesday, October 23, in the County Executive Building, and remain in session there the rest of the week, if necessary.

Purcell Issues Police Anti-Vandalism Statistics

Vandalism arrests increased 9 per cent and reported instances of vandalism decreased 4 per cent since the Nassau Police Department beefed up its anti-vandalism efforts in July.

The statistics were released on Sept. 17 by County Executive Francis T. Purcell, who called for the stepped-up attack on the multi-million dollar vandalism problem.

"The law enforcement report is very encouraging," Purcell said. "However, it represents only one aspect of a problem that extends beyond police jurisdiction. It is a community problem that must be dealt with on many levels."

The county executive said the task force he established in June, composed of a cross-section of community leaders, businessmen, young people and concerned citizens, is expected to have its recommendations for community involvement in mid-November. Nassau District Court Judge Robert Roberto heads the task force.

The statistics compiled by Police Commissioner Samuel J. Rozzi indicate an increase in police activity coupled with a small decrease in reported acts of vandalism since the size of the Crime Resistance Unit was increased from 16 to 32 police officers and the unit

ordered to direct its efforts at youthful vandalism.

The number of reported acts of vandalism decreased by 4 per cent from 2,173 to 2,081 and the number of arrests for criminal mischief increased 9 per cent from 119 to 130. This is in contrast to increases in vandalism each year from 6 per cent to 8 per cent. "We have certainly not solved the problem," stated Rozzi. "But I feel that we have made an impact. The solution still lies in changing the attitudes of young people in relation to the rights and property of others."

During July and August the number of appearance tickets increased to 2,085 compared to 324 in 1979,

reflecting an increase of 544 per cent. At the same time, arrests increased to 86, compared to 26 in 1979, an increase of 231 per cent. Juvenile referrals increased from 69 to 336, a 387 per cent increase. In addition, warnings were given to 4,681 individuals during the unit's evening and night patrols.

The appearance tickets, arrests and juvenile referrals are not only for vandalism but also for vandalism-related incidents such as violations of the open container law and drug use. Rozzi said the figures reflect the concerted effort to firmly establish a police presence on the streets focusing on those who cause vandalism - teenagers and young adults.

Nassau Dems Named Presidential Electors

Five prominent Nassau County Democrats were named members of the Electoral College at a meeting of the New York State Democratic Committee this past week in New York City. In addition, the State Committee named Nassau Democratic County Chairman Stanley Harwood and Lee Seeman, member of the State Committee to the influential policy-making State Executive Committee.

Nassau's importance in presidential politics was underscored by the naming

of five electors out of the statewide total of 41. Members of the Electoral College will convene in Albany in January 1981, to cast ballots for the president and vice-president.

Those named as Carter Presidential electors are: Barbara Blumberg of Great Neck who is a Town Councilwoman in the Town of North Hempstead. A co-founder of the Long Island Women's Network, she long held leadership roles in PTA and Hadassah.

Sol Chaikin of Great Neck

is President of the International Ladies Garment Workers Union (I.L.G.W.U.) and one of the most respected labor leaders in the nation. A long time advisor to American Presidents, he has been an enthusiastic supporter of President Carter and seconded his nomination.

Morton M. Haves of Hewlett was recently re-elected as treasurer of the State Democratic Committee. He is head of one of the more active real estate firms in the county.

William F. Rueger of Old Westbury is Vice President-Corporate Development of the General Telephone & Electronics Corp. Chairman of the Board of Trustees of Bard College and a board member of Nassau Community College and the Westbury Memorial Library.

Ben Tenenbaum of Long Beach is a former Democratic leader of the city of Long Beach and has been supportive of community and Democratic causes for a long time.

Dear Friends

A REMINDER: Come to a full stop don't pass a school bus with a flashing red light!

ANOTHER REMINDER: October 6 is the last day the County Board of Election can accept mail voter registration applications. By "receive" they mean that they must have received your application by that day. This Board will conduct in-person registration at various selected polling places on Oct. 9 and 11. Phone them at 535-2411 for the polling place nearest to you. You must register if you are not currently registered; if you have moved to a different address since your last vote; if you will be 18 by Election Day; or if you have not voted in the last two years.

University Soccer Team Signs Hicksville Athlete

The newly formed George Washington University Women's Soccer Team has announced the signing of Theresa Dolan to a scholarship.

Theresa, daughter of James and Ruth Dolan of 6 Alling Street in Hicksville, will be entering GW as a freshman. She comes to the Washington, D.C. area with "a great deal of athletic talent," according to GW Coach Rue Davidson.

Davidson added, "Theresa is such an all-around athlete that she can help us in many ways."

Dolan lettered in three sports while at Holy Trinity High School. She was captain of the track team her junior and senior year, while also playing on the volleyball and basketball teams.

Theresa's soccer experience includes participation in New York's Empire State Games, which are based on the Junior Olympics.

Judo Classes

The Jones Institute Sale

By Carol Wolf

"Because the Trustees could be held personally liable for debts, they decided to formulate a decision to sell," according to John Bartone, executive director of the Jones Institute in Hicksville.

The heating costs of the Institute are over \$5,000 a month and expenses run \$50,000 a year over and above SSI. So the Trustees went to contract to sell the 13.2 acres of property on West John Street for \$2,046,000 to King Kullen to "generate more interest from the corpus of the trust."

"The Institute was operating at a loss for several years," said John Dawson, Vice-Chairman of the Trustees. "We were not permitted to use the principal of the money under the terms of the will, so we could have money and still say we were poor."

When, according to Dawson, a real estate broker approached the trustees and said they had one or two people interested in buying the property "they decided to look into it for the building was doing nothing as far as cash flow." Robert C. Michaelis, Chairman of the Board of Trustees, stressed that the home has been the "victim of the financial system. The Institute has no taxing power and costs just keep going up." He added, "The trust created by the will is an historical freak."

Michaelis, who took the place of the late Robert Andrews and then was elected to the Board in 1964, said that before 1963 there was a county contract system in which the county was re-imbursed by the state and the state re-imbursed by federal money for each resident in the Institute.

Then from 1964 to 1974, the Jones budget was revised and approved by County Welfare and a rate would be set for the year to come. "In it was built logic and sense," according to Michaelis, for if costs went up, the budget was adjusted the following year and a monthly rate was determined.

At that time, Jim Shuart, who is now President of Hofstra University, was Welfare Commissioner, and he agreed that the residents needed more than just housing. So he approved Social Workers and Arts and Crafts, to make life better for the residents, according to Dawson.

After 1974, SSI took over and the initial payment was \$379 per resident per month, for under what the County budget was for the previous year, continued Dawson. In 1980, the Institute was receiving \$436 for each of the residents, and the money is still "insufficient." And so they decided to sell.

According to Town of Hempstead Trustee Jacklyn Farrell, the trustees had tried to hold on to three acres, but King Kullen wanted access to the railroad siding. She said a dangerous condition would have occurred "with all the trucks going in and out."

The Trustees, who are being paid a salary of between \$1,000 to \$1,500 from their respective towns, will be meeting "once a month or perhaps more often" to look into the possibility of acquiring land and constructing or of renovating an existing building.

Executive director, John Bartone, will probably be kept on for the Trustees will "have need for his services." An office will be acquired for regular business so that the Institute will have someplace "to operate from," said Michaelis. The funding for Bartone and the office will come from the interest on existing capital which was obtained from the sale of five acres to Zaza Construction several years ago.

"All the residents are out now," according to Bartone. Now the next step is "an auction to get rid of the contents." Bartone, who had been hired by the Trustees 11 years ago, has been busy during the last three months placing the 54 residents. The closing will take place in approximately two months.

Next week: The residents.

Wants Patriotism Restored To Graduations

Graduation ceremonies at State University campuses will be more patriotic in the future if State Senator Owen H. Johnson (R-Cons., Babylon) has his way.

Senator Johnson is preparing a bill mandating that college graduation ceremonies at state-operated institutions within the SUNY system require the inclusion of the Pledge of Allegiance and the National Anthem.

"Several constituents contacted me over the past few years expressing their disappointment over the lack of any patriotic gesture at State University graduation ceremonies. One parent wrote after attending graduation at one of our downstate SUNY that the Pledge and the National Anthem were omitted from the ceremony while SUNY officials permitted an 'open microphone' segment during which time the graduates verbally criticized the state system,

caustically detailing its faults. The parent was irate at the conduct permitted during the taxpayer-supported graduation ceremony, and rightfully so," added Senator Johnson.

It was an exercise in futility for Senator Johnson to write to the SUNY Chancellor about the problem because of the lip-service reply he received. The Senator continued: "This year when I again was contacted by a parent concerning another SUNY ceremony which lacked the National Anthem and/or the Pledge of Allegiance, I decided to take positive action to require the SUNY campuses to include these patriotic gestures in their ceremonies."

The Johnson bill amends Section 355 of the Education Law dealing with the powers and duties of State University trustees. It requires that the SUNY graduation ceremonies include the Pledge of Allegiance and the National Anthem.

Recycle Aluminum For Silver Dollars

Long Islanders may recycle aluminum and compete for silver dollar cash prizes or free rolls of Reynolds Wrap aluminum foil during two special aluminum recycling contests to be held by Reynolds at its recycling center in Plainview on Saturday, September 27th.

Reynolds Aluminum Recycling Company will award prizes of \$25, \$15, and \$10 in silver dollars and standard-size rolls of Reynolds Wrap aluminum foil to participants entering the most pounds of recyclable aluminum at each of the contests. According to Reynolds, the first contest will begin immediately and ends at 4:30 p.m.

Besides the cash and aluminum foil prizes, each participant will receive Reynolds' regular cash payment of 23 cents per pound for all-aluminum beverage cans and other clean household aluminum products such as pie plates,

foil, frozen food and dinner trays and dip, pudding and meat containers.

Reynolds recycles certain other aluminum items — including siding, gutters, storm door and window frames, and lawn furniture tubing which must be cut to lengths not exceeding three feet and should not be mixed with aluminum cans. Certain aluminum castings are also recyclable. They include aluminum pots and pans, power lawnmower housings and barbecue grills.

Reynolds' Plainview recycling center is located at 155 Terminal Drive and operates every Thursday and Friday, from 1 to 4:30 p.m., and on Saturdays, from 9 a.m. to 4:30 p.m.

Nassau Hospital Woman's Auxiliary

The Women's Auxiliary of Nassau Hospital has pledged an additional \$1,000,000 to the hospital's Maternal Child Care Building Fund. Since \$500,000 has already been donated, the Auxiliary's total contribution will come to \$1,500,000, according to Auxiliary President, Mrs. John H.W. Rhein, III, (Garden City). The initial auxiliary pledge was made while Mrs. Arthur Seale, Jr., (Garden City) was President.

The \$12.5 million Maternal Child Center, which is expected to be completed next summer, will contain the most modern maternal and pediatric services including special facilities for high-risk infants and mothers. The third floor of the new wing will have new medical and surgical beds.

"The pledge by the Women's Auxiliary of Nassau Hospital is magnificent," said S.

Stephen Bonadonna, the hospital's Vice President for Administration. "I don't believe any auxiliary on Long Island has ever pledged more and they have been doing things like this for nearly 60 years," he added. Nassau Hospital's Women's Auxiliary was the first established on Long Island.

Three of the principal areas of auxiliary fund-raising are the Thrift Shop, headed by Mrs. Thomas E. F. Weber (Garden City) which raised \$93,000, the most of any Long Island hospital, the Gift Shop, led by Mrs. Nicola Prestigiacomo (Old Westbury) which contributed \$53,000 and the Yuletide Ball which raised \$34,000. Mrs. Daniel Carroll of Garden City was the 1979 chairperson and Mrs. William Edwards of Garden City is the 1980 chairperson.

WHEN IT COMES
TO STORMS,
YOU CAN COUNT
ON US

Storms don't always give much warning. One moment it can be a sunny summer day—the next moment, rain, thunder and lightning or a hurricane can move in. In the winter, a light snowfall can turn into a blizzard overnight. But, in either case and on every day, LILCO's ready.

What LILCO does

LILCO works hard all year to prepare for a possible storm emergency. Every person at LILCO is trained ahead of time to perform special emergency service. And when a storm does hit, there are LILCO people on the job round the clock until service is restored. We also bring in crews from neighboring utility companies and private contractors to speed up the return of electric power.

The highest repair priorities go to power lines serving vital public services such as hospitals, police and fire departments, and water and sewage pumping stations. And we schedule repair work to get service restored to the largest number of people in the shortest possible time.

What you can do

There are several things you can do, and a few things you absolutely shouldn't do during a storm emergency.

Here are some of the "do's"

- Do keep an ample supply of food and bottled water on hand. Especially canned foods which don't require refrigeration, or cooking before eating.
- Do keep a flashlight handy for every member of the family. Candles and kerosene lanterns should be used with care—especially around children.

- Do keep a battery-powered radio and extra batteries to stay informed during an emergency. We'll be issuing constant bulletins on the storm repair progress.

■ AND THIS SPECIAL REMINDER: If you have an electrically-operated life support system in your home—such as a respirator, kidney machine or mechanical nebulizer—be sure to let LILCO know about it NOW by writing or calling your local LILCO District Office. We'll do everything we can to restore service as quickly as possible. But, you should plan ahead, too. Consider renting or buying a portable generator for the life-sustaining equipment in your home. And keep the telephone numbers of the fire and police departments, doctor, ambulance, and LILCO at hand.

And here are two of the big "don'ts"

- Don't attempt to touch downed power lines under any circumstances.
- Don't stop calling LILCO to report a power problem if you get a busy signal. We do have hundreds of extra phones and operators on duty during an emergency...so keep trying until your call gets through.

Write for more information

You might want to save this ad as a reminder of what you can do in a storm emergency. LILCO is hoping for smooth weather ahead, but if a storm strikes we want you to be prepared, too. We also have a free, more detailed, storm emergency booklet we can send you. Please write to: LILCO Community Relations Department, 250 Old Country Road, Mineola, New York 11501.

GEORGE'S DEATH MUST BE DIFFICULT FOR THE CHILDREN.

THEY'VE ALREADY BEEN ASKING A LOT OF QUESTIONS

As in all other aspects of life, honesty is the best policy! Children can quickly see through adult uneasiness or deceit. Telling a child that the person died and giving a specific reason for the death is most honest and helpful. If children raise further questions, these too should be answered honestly. Death is not a common occurrence in the lives of most families. It is helpful to reassure children that they will be cared for in spite of the fact that things will be different without the deceased. It is helpful to include children in all ceremonies and as much as possible in decisions that will affect them but only if they wish to participate. A child's loss is real and will not go away by being ignored.

Plainview - Old Bathpage High School News

By Joan De Gennaro

Contrary to national averages, enrollment in foreign language courses at Plainview High School is increasing. On our own record Plainview High School foreign language enrollment has jumped from 540 students in 1979-80, to 571 this year. Nationwide, according to a recent data, only 15% of high school students are studying a foreign language, while at POBHS 53% are enrolled in some kind of foreign language program! This amazingly high average is due, in part, to the many foreign language activities and programs available at POBHS.

POBHS is sponsoring their annual Foreign Language Day on October 17 and co-sponsoring with JFK, Foreign Language Immersion weekend. Both activities receive school-wide participation and support.

The multitude of foreign language programs at POBHS meet almost everyone's needs and wishes; conversational courses for those who wish only to learn to speak the language, non-regents courses for those who wish only a minimum of grammar and writing, regents and advanced placement courses.

This kind of scholastic quality exhibited by the foreign language department has helped to make POBHS one of the outstanding high schools in Nassau County.

This year the Student Association of POBHS, headed by President Joe Kasper and Vice-President Marc Herbst, and the School Spirit Committee is planning to turn half the cafeteria into a game room for students to use during their lunch and free periods. The game room will have various activities which include air hockey and bumper pool. The industrial arts department is planning to construct some furniture for this new edition to POBHS.

Athletically speaking, POBHS has a host of sports teams in the fall. Listed below are the schedules of the various varsity teams for this week:

Football: 9/27, The Burney School, H.
Girls' Volleyball: 9/29, Levittown-Memorial, H; 10/1, Levittown-Division, A; 10/3, Seaford H.
Boys' Soccer: 9/30, Westbury, A; 10/2, Roslyn, H; 10/4, Clarke, A.
Girls' Soccer: 9/27, Cold Spring Harbor, H; 9/29, Freeport, H; 10/1, Island Trees, A; 10/3, Port Washington, A.
Girls' Tennis: 9/29, Southside, H; 10/1, Hempstead, H; 10/3, Carey, A.
Girls' Swimming: 10/3, Plainview-JFK, A.
* "H" denotes home games, "A" away games.

News Briefs

Town Approves Parking Field Use For Hicksville Fire Dept.

The Oyster Bay Town Board has granted a request from the Hicksville Fire Department to use a Town parking field for its flea market.

"The Board has given its approval for the vamps to use the parking field located on the west side of Broadway between W. Carl and W. Cherry Streets on Saturday, October 11, between 6 AM

and midnight," Councilman Thomas L. Clark stated. "The firemen will assume full responsibility for the lot during that time, including clean-up at the end of the flea market."

Clark noted that the vamps would have use of the parking field on Sunday, October 12, if the flea market is rained out on the original date.

J.F.K. Carnival

The Student Government of John F. Kennedy High School will hold its 12th annual charity fundraising Carnival on Saturday, September 27, from 11 a.m. - 4 p.m. at the school's athletic field. (Rain date: October 4.) Proceeds from this year's Carnival will be donated to the Juvenile Diabetes Foundation.

As in the past, over 300 Kennedy students will work on the Carnival, their activities, which include the

planning, construction and operation of all Carnival activities, began in June and build to a frenzy of excitement as Carnival day approaches.

The Carnival will include games of chance and skill for children, ages 4-12. Food, helium balloons, spin art, cotton candy and clowns galore, will also be featured.

Since 1968, the Kennedy students have donated over \$12,000 in Carnival profits to various charities.

Hicksville American Soccer Club

The 1980 N.Y. State Champs, sponsored by John Barry K.C. and coached by Jack McCann opened their fall season with a few changes, members added to the team included Tom Kenny, Joe Neto and a new assistant coach Jay Mulligan.

On Sun. Sept. 7th, the Big Red played their rivals from Deer Park. In the first minute of play, Doug Donsky assisted on a perfectly placed indirect kick to D. Missimo who headed it in. A series of passes starting with L. Mejia to D. Youngs to D. Missimo, contributed to the next goal scored by J. Neto. The final goal was scored by D. Missimo. Score 3-1 with Deer Park on the short end.

The next week end, Big Red traveled to Oceanside and came away with a convincing 7-2 victory. Goals scored by D. Missimo (4) J. Neto (2) P. Thompson (1) lead the way. The goals were very importantly set up by D. Donsky, R. Humann, T. Kenny, J. Neto, and Paul Thompson.

Defense was excellent as usual, led by newly named Captain C. Bentley, L. Mejia, K. McCann, R. Humann, and midfielders D. Youngs, T. Kenny. Gary Tyranski was superb in goal during both games.

AND KEN HAMEL
The Rowdies traveled up to Grumman to play the Hornets. The entire Hornet team played together as a team with their playing in position and passing to each other. The Hornets were victorious 8-1 with Brian Doyle and Billy Sussman playing well in goal. Vincent Longo scored 3 goals from his left wing position. Mike Ivarone scored 2 goals from his inside right position. Gregg Pressman scored 2 goals from his right wing position and Marco Baumann playing at left fullback scored a goal on a penalty shot. Brian Doyle in the second half had 2 assists from his left midfield position. Richard Chakrin had an assist at his center fullback position. Mike Ivarone had an assist. Vincent Longo had an assist also. Bobby Kratochvil had an assist playing another outstanding game from his center midfield position. Mike Wozniak played well at fullback. Mike Conway played well at mid field and fullback. Kenny Hamel set up some nice plays and Mike Olive did well clearing the ball from our area. Robert Radke played well at mid-field and fullback.

Thanks to the parents that lined the fields and helped set up and take down nets.

THE HEARTS: standing, M. Armstrong, E. Richards, M. Kilmatis, A. Panchookian, Coach J. Kilmatis, E. Guastella, P. Tropea, B. Shevchenko, P. Donohue.

The Hornets all played a good game and are looking forward to traveling to Levittown to play the Roadrunners next Sunday.

PEE WEE INTRAMURALS BY LENNY GREENSPAN HAWAII-3

IOWA-1
Hawaii displayed excellent team play in their victory over Iowa this past weekend.

Hawaii's forward line of Matt Greenspan - 2 goals, and Gerrit Nijboer 1 goal supplied the offensive power. Superior defensive play of fullbacks Mike Tobin, Glenn Segel, Staker Kevin Ohea and halfback Johnathan Felman succeeded in keeping the ball down near Iowa's goal.

Tremendous goal tending by Bryan Pendrick led to numerous saves against Iowa's forwards.

HEARTS PLAY IN FIRST WOMEN'S SOCCER GAME AT SHEA STADIUM

The Hicksville Hearts, and the Farmingdale Foxes, members of the L.I. Women's Soccer League, participated in the first exhibition game for women at Shea Stadium on Friday, August 29th.

Both teams played an impressive game, which took place at half-time of a soccer double-header. New York United played the Pennsylvania Stoners in the second game.

The Hearts, sponsored by Kilmatis Enterprises, demonstrated their passing and dribbling skills for the cheering Shea crowd, after controlling the opening minutes.

Halfbacks Terry Gabriel, Pat Donohue, Diane Levy, Eileen Guastella, Bea Shevchenko & Merrill Armstrong did a great job covering the midfield, with Gabriel making a long run back to save a goal, and Donohue making a number of headballs.

Fullbacks Eileen Richards, Mary Kilmatis, Pat Tropea, Mary Ann Ferrado & Asid Panchookian kept Farmingdale from frequently penetrating our zone. Goalie Jean Brown

had another shutout, making some great saves.

The forwards, Marianne Ladimir, Joyce Reid, Marie Guastella constantly brought the ball down, outrunning the Farmingdale fullbacks.

The only score of the game came on a pass from Dohohue over to right wing M. Guastella, who took the ball down and crossed it perfectly to Center, Reid, who turned the ball and put it right in the net.

Fans in the stands were considerably impressed as demonstrated by the extensive applause at the close of the game. It was quite a thrill for all those on the field as well as family and friends in the stands.

The Hearts, coached by John Kilmatis, would like to take this opportunity to thank the Farmingdale Foxes for their invitation to share in this memorable experience.

YANKEES WIN TWO

The 1985 boys, coached by Bill Cresham & Pat McHugh, recorded two quick wins and again lead the League in the early going of the Fall season. The 1st goal of the '80 - '81 year was scored by John 'Mitch' Mitchell as he raced in from right wing to put in a rebound of an Adrian Pepi cannon shot. One goal was enough but the Yankees went on to score 3 more to defeat Little Neck 4-0 in their home opener. Gene Tyranski in goal recorded, his first shutout of the season despite missing the services of 3 of his defensemen - Steve Dolan was recovering from a broken toe sustained in the final game of the Huntington Tournament and John Fitzgerald & Cliff Feldman were serving red car suspensions. Robby Pearce was out of town so the team was light personnel-wise but still too heavy for Little Neck. The other scores came from Steve Thompson (2) and Dave Smyth with some great assists at mid-field from Jimmy Demarco. Missing 4 players put a lot of pressure on the team but the defense held strong (George Marco, Billy Cresham and Jimmy McGeough) to preserve the shutout. Paul McGeough was at mid-field creating plays & sending crisp passes up front to the strikers already mentioned plus Vinny Christiano and Bobby Andrus who is back playing after last season's accident but is not at 100% due to a nagging foot injury.

In the second match against East Meadow/The Yankees had their worst game in quite some time but

Israeli Wheelchair Basketball Team To Appear

Israel's world champion wheelchair basketball team will square off in a game against the Eastern Paralyzed Veterans of America on the court of Hofstra University in Hempstead on October 15th at 8:00 p.m., it was announced by Norma Feinsod, President of the Mid-Island YM & YWHA.

The event is co-sponsored by the Mid-Island Y, Hofstra University and the United States Committee-Sports for Israel. Admission is free.

Before the big game, the Israeli team will scrimmage with Hofstra's own Rolling Dutchmen Wheelchair team. Peter Acca, the coach of the Hofstra team, said he is looking forward to the event because the Israeli team is "highly competent and outstanding—perhaps the best in the world."

Indeed, the Israeli team won a gold medal last year in the Paralympics during competition in Holland with handicapped athletes from 42 nations. They won the World Cup in 1975 and were the world champions in 1966, 1967, 1968, 1969, 1975 and 1980. They took the European championships in 1975, 1977 and 1979.

The name of the game in wheelchair sports is willpower and perseverance. It is believed that by developing and fortifying internal strength, the athletes will be able to overcome serious physical

and psychological obstacles. As a result, sports for the handicapped has become an integral part of their rehabilitation, stimulating them to turn from a life of dependency to one that is active and meaningful.

The Israel Wheelchair Basketball team's appearance at Hofstra on Hempstead Turnpike, Hempstead, is the team's only Long Island appearance in a 10 city, three week tour of the United States.

PRESS PHOTOGRAPHERS' ASSOCIATION of LONG ISLAND

Newspaper photography is an art. In a split second, the photojournalist must capture in film the drama of a ninth inning home run... the shee motion of a papal visit... the tragedy of a family left homeless by fire... the grief of a murdered policeman's family... and the exuberance of a boy playing soccer.

Long Island Trust proudly presents an exhibit of the best news photographs taken in 1979 by Long Island's best photojournalists, as judged by the photographers' own peers.

All too often, this is fleeting art with only a daily life span; all too often, there's little time to appreciate the skill and artistry behind the front page photo, the photos in the feature section, the sports section, or the magazine.

See the "Best of the Press," featuring works by the Island's best photojournalists, sponsored by the Island's largest bank, of course.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:

"If a man does not know to what port he is sailing, no wind is favorable to him" - Seneca

As the seasons change, so do the scenes. The rustic shades of Fall replace the lush vegetation of summer, bringing forth also some changes in moods and feelings. But at the Galileo Lodge the moods remain constant - ever so friendly, cordial and lively. An excellent example of this condition would be the testimonial Dinner and Dance given in honor of ex-President Rose Riccardi last Saturday night by the Ladies Auxiliary of the Galileo Lodge. Over 175 patrons, friends and members ate, drank, danced and reveled as they paid homage to a sister officer who has performed far beyond expectations during her role as President. The Galileo Lodge, in acknowledgement, presented Rose with a plaque in form of a gavel and the Auxiliary presented her with a gold necklace, gifts which she accepted graciously with a warm and eloquently-produced speech. Other speeches by sister and brother officers also thanked Rose Riccardi for her outstanding loyalty and dedication to the Lodge and the Auxiliary.

I was fortunate enough to be seated at a table with Rose Riccardi's charming and delightful friends, namely, Mr. and Mrs. Tony Giusi and Mr. and Mrs. Bernie Christian. Tony and Angie, incidentally, have won their second dancing trophy at a recent senior citizens affair. Another interesting note here was that Tony's brother Sal and brother Emil have worked with Dom. Valente of the Galileo Lodge for over 25 years, and, strangely enough, Dom and Tony met at this affair for the first time. Mary Monteforte, the chairlady for this dance and who incidentally toiled so diligently in order to insure the success of this event, proceeded to thank her co-Chairlady Dolores Ragone and all the male and female members of the Galileo Lodge who ably assisted her. Dignitaries attending this dance were Mr. and Mrs. Joe Lobato, Mr. and Mrs. Lou Frandy of Columbus Lodge, and Gloria Moffittone and Dorothy Santo of Italo Balbo Lodge. The Galileo Lodge gratefully extends its sincerest thanks to Mary Monteforte and her committee and helpers.

Also looming large on the Fall horizon are: 1) The Follies Follies, a revue consisting of comedy sketches and musical variety bits, will be presented by the Ladies Auxiliary on the 17th of October. Tickets will cost \$8 per person and you will be offered food, beverages, coffee and cake and music. Our bar will be open for your convenience. Rose Riccardi (681-0960) will handle tickets and seating arrangements. Jeff Wallick, the co-Chairman (681-9428), will assist in this venture. Co-Chairlady Carmen Russo is also in charge of Costume Design, along with Rose Mezarios and Marion Densiglio. Talent for this revue will be supplied by the male and female members of the Galileo Lodge, and perhaps some of the talents of friends and patrons will be utilized as well.

The Galileo Lodge will present a Testimonial Dinner and Dance on November 15th in honor of ex-Venerable Tom Pasquarella. Tickets will cost \$35 per couple and featured here will be a cocktail hour, dinner with all the trimmings, dance music from the Triangle Times and unlimited liquor. Ted Maritti (681-5190) and Jim Pino (822-7069) are Chairman and co-Chairman respectively, and they can be contacted for tickets and seating arrangements. The Galileo Lodge is

hopeful that the membership will give a good account of themselves as far as attendance is concerned. Tom Pasquarella worked hard for us, so why can't we reciprocate and work hard for him. And please, all you members in good standing, please note that on October 23, a social night, the Galileo Lodge will offer Member Appreciation Night, at which time the Lodge offers its members free food, beverages, coffee and cake, etc., and it picks up the Tab.

Nancy Bove of the Ladies Auxiliary celebrated her birthday on September 6, and all of us here at the Lodge wish to extend to Nancy our best wishes. Mario Misturini of the Galileo Lodge will run for Fire Commissioner of Hicksville in December, so why don't we all support him. Mr. and Mrs. Pete Massiello have recently returned from a most memorable trip to Italy, and it was a well deserved one for this gracious couple of our organization. More details on this trip in our next installment. The last Golf outing, held on September 21st was a tremendous success. More on this event later on.

THE MOST FAMOUS BECKETT IN THE WORLD

DUTCH LANE

(Continued from Page 1 Hicksville)

Mrs. Anci revealed she had studied the matter in depth, including a long distance telephone call to a Dr. Haggerton in Tulsa, Oklahoma. Dr. Haggerton, a leading authority on twins, and a twin herself, recommended "separate education for twins." She also contacted the other professionals in the field, who had been listed by Mrs. Zuzzolo in her letter.

"They are all in agreement: separate the twins."

Vice President Bill Bennett, on the other hand, felt the matter had turned "emotional." He was a twin himself, he revealed, and he felt it "was fun to be a twin in elementary school."

The discussion then moved to a parliamentary matter. Mr. Ayres wanted to make a formal motion before the action section, as he was led to believe he could do by Board President Tom Nagle. However, Trustee Dan Arena took exception to this by stating "We're moving away from the agenda."

It was decided to act on the matter after parents were allowed to speak on the issue.

Mrs. Zuzzolo, Mrs. Ann Freyisen and Mrs. Zoraida Pagett all pleaded with the Board to consider their request for an additional teacher.

It was after the public speaking session that Mrs. Anci revealed the information on the mainstreaming situation. Upon returning from the executive session, Dr. Hawkins stated "This is a complex problem that I share with you. Information made available to me tonight has now led me to recommend a new teacher in the school for the third grade."

He added that upon Board approval, the division of students would be made to meet the educational needs of all the students in the class.

In concluding the matter, Trustee Neil McCormack took exception to Mrs. Anci "not sharing her information with us." Mr. Nagle called him out of order.

Mrs. Germer voted yes reluctantly and added she was embarrassed to be on the Board "at this time." We get information and administration does not.

Also during the public speaking session, Delores Harth, President of the Hicksville Secretaries Association, announced an impasse on negotiations with the Board. She added that the secretaries were willing to meet with the Board at any time. Impasse means the matter will go to PERB (Public Employee Relations Board), who will appoint a mediator, who will try to work out the differences.

The Board approved a twelfth grade elective course, The American Family. Upon selection of a textbook for the course, the Board will review it before approving its use. Voting no was Mr. Bennett, Mrs. Germer abstained.

Hicksville Senior High School Principal Ray Rusch explained the evolution of the course which has been developed over three years of discussion with Social Studies Department staff.

In answer to Mr. Bennett's questions, Social Studies Department Chairman Kenneth McGuinness explained the major thrust of the course included basic vocabulary in the field; research technology used; major thinkers and writers in the area; and newspaper and magazine articles on the subject. Presently there are three classes with 75 students enrolled in the course.

Mrs. Germer was concerned about the number of other courses offered that have not been Board approved.

Assistant Superintendent for Secondary Dr. Dan Salmon stated "we are now in the process to find out."

The Board acted on other matters and during a personnel item, again went into executive session. The personnel items were then voted on and the Board again went into another executive session at approximately 12:30 a.m.

The next meeting is scheduled for October 8.

Still managed to win by a 3-1 score. Having won their division title the last two seasons and having easily defeated East Meadow 4-0 in the spring, the boys were struck with an attack of complacency and very early lost the game. They took a 1-0 lead in the first half and began to play sloppy, stess soccer. East Meadow led the game with 8 minutes left to play. The Yankees almost ran out of time but in the last two minutes came alive and scored two goals.

The coaches praised Jimmy Demarco for his efforts to pull the team together and get them to play together instead of individually. The winning goal was scored by Steve Dolan with assists from Jimmy & Paul McGeough and Vinny Christiano and Vinny then added an insurance tally with a perfect header off a Paul McGeough corner. This week, the Yankees meet a new comer to Division I (Hauppauge) who was undefeated in the Spring.

News From J.F.K. High School

By Tracey Sennett

The news is being read on Kennedy bulletin boards. It is being heard on Kennedy loudspeakers. And tomorrow students from all over the district will possess the key to it all. It's the Kennedy Carnival.

This will mark the twelfth consecutive year that Kennedy students have volunteered their time and effort towards a charitable cause.

This year's proceeds will be donated to the head of the Juvenile Diabetes Association, Mrs. Zimmerman.

Kennedy student Council is preparing for action with a major project.

Class President, Chris Stachtaris, is putting together a committee to fight vandalism. Students involved in the program will be lecturing to classes, handing out flyers, and participating in projects to clean up the school. If the committee is successful in completely eliminating vandalism, the school board will hand over two-thousand dollars. If partially successful, the student government will receive two-thousand dollars minus the cost for the vandalized property.

"Even small clubs can make large contributions," declares club member of the National Honor society, March Roth. Marcy has proposed a new idea to her co-workers. She recommended that her club initiate a program to help orphaned children. If the principal approves the program, Marcy and the others will give up a few of their weekends to be a "Big Brother or Sister" to these neglected children.

The girl's Kennedy and Plainview swim teams may be unified. Coaches of both schools are working out the details. Kennedy swimmers are less than excited about this proposed action. They fear that Plainview's swimmers will knock them out of their present positions.

Can the two rivals successfully co-habitate? Only time will tell.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:
"If a man does not know to what port he is sailing, no wind is favorable to him". - Seneca

As the seasons change, so do the scenes. The rustic shades of Fall replace the lush vegetation of summer, bringing forth also some changes in moods and feelings. But at the Galileo Lodge the moods remain constant - ever so friendly, cordial and lively. An excellent example of this condition would be the testimonial Dinner and Dance given in honor of ex-President Rose Riccardi last Saturday night by the Ladies Auxiliary of the Galileo Lodge. Over 175 patrons, friends and members ate, drank, danced and reveled as they paid homage to a sister officer who has performed far beyond expectations during her role as President. The Galileo Lodge, in acknowledgement, presented Rose with a plaque in form of a gavel and the Auxiliary presented her with a gold necklace, gifts which she accepted graciously with a warm and eloquently-produced speech. Other speeches by sister and brother officers also thanked Rose Riccardi for her outstanding loyalty and dedication to the Lodge and the Auxiliary.

I was fortunate enough to be seated at a table with Rose Riccardi's charming and delightful friends, namely, Mr. and Mrs. Tony Giusti and Mr. and Mrs. Bernie Christian. Tony and Angie, incidentally, have won their second dancing trophy at a recent senior citizens affair. Another interesting note here was that Tony's brother Sal and brother Sal and brother-in-law Emil have worked with Dom. Valente of the Galileo Lodge for over 25 years, and, strangely enough, Dom and Tony met at this affair for the first time. Mary Monteforte, the chairlady for this dance and who incidentally toiled so diligently in order to insure the success of this event, proceeded to thank her co-Chairlady Dolores Ragone and all the male and female members of the Galileo Lodge who ably assisted her. Dignitaries attending this dance were Mr. and Mrs. Joe Lobato, Mr. and Mrs. Lou Frandy of Columbus Lodge, and Gloria Moffittone and Dorothy Santo of Italo Balbo Lodge. The Galileo Lodge gratefully extends its sincerest thanks to Mary Monteforte and her committee and helpers.

Also looming large on the Fall horizon are: 1) The Follies Folies, a revue consisting of comedic sketches and musical variety bits, will be presented by the Ladies Auxiliary on the 17th of October. Tickets will cost \$8 per person and you will be offered food, beverages, coffee and cake and music. Our bar will be open for your convenience. Rose Riccardi (681-0960) will handle tickets and seating arrangements. Jeff Wallick, the co-Chairman (681-8428), will assist in this venture. Co-Chairlady Carmen Russo is also in charge of Costume Design, along with Rose Mezaros and Marion Densiglio. Talent for this revue will be supplied by the male and female members of the Galileo Lodge, and perhaps some of the talents of friends and patrons will be utilized as well.

The Galileo Lodge will present a Testimonial Dinner and Dance on November 15th in honor of ex-Venerable Tom Pasquarella. Tickets will cost \$35 per couple and featured here will be a cocktail hour, dinner with all the trimmings, dance music from the Triangle Times and unlimited liquor. Ted Maritti (681-5190) and Jim Pino (822-7060) are Chairman and co-Chairman respectively, and they can be contacted for tickets and seating arrangements. The Galileo Lodge is

hopeful that the membership will give a good account of themselves as far as attendance is concerned. Tom Pasquarella worked hard for us, so why can't we reciprocate and work hard for him. And please, all you members in good standing, please note that on October 23, a social night, the Galileo Lodge will offer Member Appreciation Night, at which time the Lodge offers its members free food, beverages, coffee and cake, etc., and it picks up the Tab.

Nancy Bove of the Ladies Auxiliary celebrated her birthday on September 6, and all of us here at the Lodge wish to extend to Nancy our best wishes. Mario Misturini of the Galileo Lodge will run for Fire Commissioner of Hicksville in December, so why don't we all support him. Mr. and Mrs. Pete Massiello have recently returned from a most memorable trip to Italy, and it was a well deserved one for this gracious couple of our organization. More details on this trip in our next installment. The last Golf outing, held on September 21st was a tremendous success. More on this event later on.

DUTCH LANE

(Continued from Page 1 Hicksville)

Mrs. Anci revealed she had studied the matter in depth, including a long distance telephone call to a Dr. Haggerton in Tulsa, Oklahoma. Dr. Haggerton, a leading authority on twins, and a twin herself, recommended "separate education for twins." She also contacted the other professionals in the field, who had been listed by Mrs. Zuzzolo in her letter.

"They are all in agreement: 'separate the twins.'" Vice President Bill Bennett, on the other hand, felt the matter had turned "emotional." He was a twin himself, he revealed, and he felt it "was fun to be a twin in elementary school."

The discussion then moved to a parliamentary matter. Mr. Ayres wanted to make a formal motion before the action section, as he was led to believe he could do by Board President Tom Nagle. However, Trustee Dan Arena took exception to this by stating "We're moving away from the agenda."

It was decided to act on the matter after parents were allowed to speak on the issue. Mrs. Zuzzolo, Mrs. Ann Freyisen and Mrs. Zoraida Pagett all pleaded with the Board to consider their request for an additional teacher.

It was after the public speaking session that Mrs. Anci revealed the information on the mainstreaming situation. Upon returning from the executive session, Dr. Hawkins stated "This is a complex problem that I share with you. Information made available to me tonight has now led me to recommend a new teacher in the school for the third grade."

He added that upon Board approval, the division of students would be made to meet the educational needs of all the students in the class.

In concluding the matter, Trustee Neil McCormack took exception to Mrs. Anci "not sharing her information with us." Mr. Nagle called him out-of-order.

Mrs. Gerner voted yes reluctantly and added she was embarrassed to be on the Board "at this time." We get information and administration does not."

Also during the public speaking session, Delores Harth, President of the Hicksville Secretaries Association, announced an impasse on negotiations with the Board. She added that the secretaries were willing to meet with the Board at any time. Impasse means the matter will go to PERB (Public Employee Relations Board), who will appoint a mediator, who will try to work out the differences.

The Board approved a twelfth grade elective course, The American Family. Upon selection of a textbook for the course, the Board will review it before approving its use. Voting was Mr. Bennett, Mrs. Gerner abstained. Hicksville Senior High School Principal Ray Rusch explained the evolution of the course which has been developed over three years of discussion with Social Studies Department staff.

In answer to Mr. Bennett's questions, Social Studies Department Chairman Kenneth McGuinniss explained the major thrust of the course included basic vocabulary in the field, research technology used; major thinkers and writers in the area; and newspaper and magazine articles on the subject. Presently there are three classes with 75 students enrolled in the course.

Mrs. Gerner was concerned about the number of other courses offered that have not been Board approved.

Assistant Superintendent for Secondary Dr. Dan Salmon stated "we are now in the process to find out."

The Board acted on other matters and during a personnel item, again went into executive session. The personnel items were then voted on and the Board again went into another executive session at approximately 12:30 am.

The next meeting is scheduled for October 8.

still managed to win by a 3-1 score. Having won their division title the last two seasons and having easily defeated East Meadow 4-0 in the spring, the boys were struck with an attack of complacency and very nearly lost the game. They took a 1-0 lead in the first half and began to play sloppy, listless soccer. East Meadow tied the game with 8 minutes left to play. The Yankees almost ran out of time but in the last two minutes came alive and scored two goals.

The coaches praised Jimmy Demarco for his efforts to pull the team together and get them to play together instead of individually. The winning goal was scored by Steve Dolan with assists from Jimmy & Paul McGeough and Vinny Christiano and Vinny then added an insurance tally with a perfect header off a Paul McGeough corner. This week, the Yankees meet a new comer to Division I (Hauppauge) who was undefeated in the Spring.

Hicksville Republican Club News

By Harriet Maher

Our column last week piqued such curiosity and interest as to the identity of the recipient of the award to be given out the October 24 cocktail party to be held by the Committee Men and Women that we have been prevailed upon to release his name to the public.

It is with great pride and affection that the Hicksville Republican Committee Men and Women announce that they will honor the Honorable Francis Anderson at the Fall Dance and Cocktail Party to be held at Antun's Old Country Manor, 244 Old Country Road, Hicksville, on Friday night, October 24, 1980, at 9 p.m.

Mr. Anderson, formerly County Clerk of Nassau County and Republican Leader of Hicksville, has served with distinction and integrity in the fields of business, politics and government. His many years of public service to the people of Hicksville have established a record of which his family and many friends can be justly proud.

Tickets are available from dance committee members: Nick Caruso - 822-2097, Ron DeMattis - 334-0117, Joe Donovan - 938-1717, Joe Farrell - 433-8265, Frank Larman - 796-2335, Harriet A. Maher - 433-5994, Hal Mayer - 735-6690, and Fred Vevante - 931-4287. Tickets are also available through your neighborhood committee men and women. The price of each ticket is \$18.50.

The drawing for valuable prizes and a gigantic basket of cheer which is raffled off at this annual event is an eagerly awaited bonus to cap off a delightful evening. So "come on down," and be a Republican winner this year! Join in honoring "Andy" Anderson and enjoy the good fellowship, good feed, good good music and good cheer that will be in abundance this evening.

Congressman Norman F. Lent told an overflowing crowd at the Ernest F. Francke Republican Club meeting. Lent enumerated the danger signals and blamed the Carter Administration's mistaken belief that we can live off the capital invested in a strong national defense during previous administrations.

He said the Carter

Administration's adamant refusal to improve our defense strength is leading us towards disaster.

Listening intently to Congressman Lent are seated, left to right, Tom Gallaheue, Hicksville Republican Leader-West; Fred Vevante, president of the Hicksville Republican Club; Harriet A. this in mind and plan on attending a meeting. Everyone is welcome - you do not have to be a Republican to attend - nor are you obligated to join; however, we're confident you'll enjoy the informative and thought-provoking programs and guest speakers that are featured each month. Best of all you will share the camaraderie of your friends and neighbors in the community.

The Hicksville Kiwanis Club continually recognizes the dedication of its members by presenting awards for perfect attendance at weekly meetings.

If a member is unable to attend his club's regular meeting, the member is encouraged to attend the meeting of another Kiwanis Club in order to receive credit for attendance at a weekly meeting.

At the September 17 meeting of the Hicksville Kiwanis Club, immediate past president Dr. Philip

Rubenstein was presented a 25 year perfect attendance tab to be worn with his Kiwanis Legion of Honor pin.

Dr. Rubenstein is currently visiting in Hicksville from his new home in Deerfield Beach, Florida, where he has been attending meetings with the Kiwanis club there.

In the photo, Dr. Rubenstein, on the left, is being congratulated by Kiwanis past president Henry C. Brengel, otherwise known as Hicksville's "Mayor", for his accomplishment.

Senior Citizen Activities

A wide variety of interesting Fall activities for Senior Citizens have been scheduled by the Nassau County Department of Recreation and Parks. It was announced today by Commissioner Abram C. Williams.

The "Drop in" Center at Eisenhower Park's Special Activities Center will be open every day from 10:30 a.m. till 4 p.m. beginning Oct. 4 with the exception of Wednesdays and Sundays, for fitness exercises, sing-alongs, card and table games and general socializing. The Senior Center at Nassau Beach's East

Terrace will accommodate clubs on Mondays and Thursdays from 10 a.m. to 3:30 p.m. beginning October 2. Activities include exercise, music and dance instruction, games and special events.

The Nassau Beach Center will also feature mural painting every other Tuesday from 9:30 a.m. to 2:30 p.m. beginning September 30. To register for the Nassau Beach programs, call 889-5661.

For further information on these and other programs for Senior Citizens, call the Special Activities Center at 292-4247.

Middle Earth Switchboard

Middle Earth Switchboard, the 24 hour/7 day a week crisis intervention center offers free, anonymous, and confidential phone and walk-in counseling, information, and referrals.

Their trained counselors are available to speak with

you on a wide variety of topics such as: depression, suicide, school, family, loneliness, drug/alcohol problems, whatever may be a problem for YOU.

"Call us any time at (516) 826-0600 or stop by our center at 2740 Martin Avenue, Bellmore," urged a spokesperson for this organization.

West Point Glee Club Performance

Fall is off to a thrilling start with the announcement by Friends of the Arts that the West Point Glee Club will perform at the Locust Valley High School on Saturday, September 27 at 8 P.M. Eighty-five strong-voiced cadets will thrill the Long Island community with selections ranging from spirituals and current popular hits, to the traditional Armed Forces and patriotic medleys. They have performed at Carnegie Hall, the Hollywood Bowl, the NY World's

Fair, and Disneyworld, as well as on television. Let's bring family and friends together to share a memorable evening and to give the Corps an enthusiastic welcome they will not forget! Tickets at \$3.00 each may be obtained from Mrs. A. George Dartt, 74 Lawrence Hill Rd., Cold Spring Harbor, 271-8676, or by calling Friends of the Arts, 922-0061. This is the first in the 1980-81 Children's Carousel Series. For further information call: 922-0061.

Thrift Shop Reopens

The Junior League of the North Shore Thrift Shop and Rear Door Shop at 1395 Old Northern Blvd., Roslyn, has reopened for business after its annual summer closing.

The newly decorated Thrift Shop will be open Monday through Saturday from 9:30 a.m. - 4:30 p.m. The Thrift Shop carries quality clothes for women, men and children. The Rear Door is open Tuesday, Thursday, and Saturday

from 10:00 a.m. - 2:00 p.m. The Rear Door is open Tuesday, Thursday and Saturday from 10:00 a.m. - 2:00 p.m. The Rear Door specializes in home furnishings.

All merchandise is donated by Junior League members. Proceeds from the shops go to the organization's Community Trust Fund which has donated half a million dollars to services for the Long Island Community.

"Rent-A-Kid"

The Hicksville Youth Council is a community, tax exempt, nonprofit organization supported by the Town of Oyster Bay Division for youth, Nassau County Youth Board and the New York State Division for youth.

Rent-A-Kid is a community service project geared to provide the residents with a much needed service, as well as assuring that the youth will be gainfully employed. They offer their services in the following areas: yardwork, housecleaning, mother's/father's helpers, party helpers, car washing, tutoring to name but a few of their many talents.

Their main areas are: Hicksville, Jericho, Westbury. However, we will serve other areas, if necessary.

You can help yourself and help our youth by calling 822-7594 for details about "Rent-A-Kid."

Plymouth was not the first settlement in New England. A colony was founded in Maine in 1607 - 13 years earlier - but didn't last.

Kathy Frech, daughter of Anita and Bill Frech, has returned to Mt. Holyoke College for her sophomore year. Her younger sister, Nina, who graduated from Hicksville H.S. last June, has entered Wheaton College in Norton, Massachusetts. Good luck in your scholastic endeavors, girls.

A family birthday party was held to honor Matthew Donovan who celebrated his 27th birthday on September 14. His wife, Sylvia (nee Cipriani), made this special occasion a momentous one for him. Matt is part of the Donovan clan consisting of Judge Frank Donovan and Mrs. Arca (parents) and other brothers, Joe and Paul. Congratulations, Matt.

HICKSVILLITES Alma and Artie Hirsch spent a long weekend at their friend,

Marie Werner's home in East Hampton. While there, they enjoyed boating, fishing and plenty of dining out at local restaurants.

Our own peripatetic octogenarian, Ida Mae Herfurth, travelled to Southold with a group of Blue Point seniors to visit Ida's son's restaurant. They had lunch on the sunporch overlooking the Potomac Bay and enjoyed watching the boaters and skiers cavorting in the water. All too soon their visit was over and they returned home tired and with satiated appetites.

Happy birthday to Tom Reilly, HICKSVILLITE. Tom celebrated his birthday on September 12. His daughter, Carol, treated Tom and her mother, Rita, to a delicious Italian dinner in honor of the occasion.

St. Mary's Ukrainian Orthodox Church, West Carl Street and Frederick Place, HICKSVILLE, celebrated their fortieth anniversary in the Hicksville Community on Sunday September 23. A dinner was held and sponsored by the Ladies Society at the Church Hall. Liturgy service was served by his Grace Bishop Andrew Kuschak assisted by Father Shemetylo. In memory of this occasion, vestments were blessed. It was a well attended event.

David Owens, son of Mary and Austin Owens of Duffy Avenue, HICKSVILLE, was recently made counselor at BOCES in Bellmore School. David now lives in Ridge with his wife, Peggy (nee Daly), and their two-year old daughter Theresa Maureen, and their son, Patrick, nine months old. Congratulations

and good luck in your new position, David.

Our newly elected HICKSVILLE Water Commissioner, Nicholas Brigandi, wishes to thank his many supporters who turned out such an overwhelming vote which enabled him to win the election. Nick is enthusiastic about his new duties and responsibilities as one of Hicksville's Water Commissioners. We know you will do a good job for our community, Nick.

Hicksvillite Helen Miller, recently returned from a trip to Rome where she was privileged to have had a conversation with Pope John Paul II. She was immensely impressed with Pope John Paul's charisma and genuine warmth. Helen went on a tour with the Chaminade H.S. Parents'

the knot with Anthony Laterza of Bethpage. Kathy has been a Hicksville resident for 16 of her 20 years, graduated from Bethpage H.S. [due to school district boundaries] and for the past two years could be seen daily at the Hicksville R.R. station commuting to her secretarial job in Manhattan.

During her years in Hicksville, Kathy spent a lot of time swimming [CYO instructor] and playing soccer [Hicksville Americans S.C.].

Our town is going to lose the newlyweds temporarily while Tony finishes his tour of duty with the U.S.M.C., where he was recently promoted to corporal.

Kathy Dolan of Hicksville is making final preparations for her big day next week at St. Ignatius when she'll tie

Group and this visit with the Pope was the high point of the whole trip.

Send get well wishes to Effie Krogman, who is a patient in Nassau Hospital, Mineola.

Community Council's Eleventh Year!

By Carole Wolf

Candidates, the Gregory Museum and the Jones Institute will be the subjects being discussed at the opening Hicksville Community Council meeting on October 2nd.

Although the candidates for President are too busy to put the Council on their agenda, we will be having candidates vying for the positions of U.S. Senator, U.S. Representative, State Senators, State Assemblymen and many levels of Court and District Judges.

Richard Evers will be discussing the plight of the Gregory Museum in light of the availability of federal grants. For if the Museum does not receive any funding, it will be forced to close.

Finally, the Council is hoping to have a representative from the Jones Institute come and discuss its closing and plans the Institute has for the future.

Also scheduled for the council year will be: November 6 - the Postmaster and Consumer Affairs

December 4 - Holy Family Players, Peggie O'Connor School of Dance and a cookie swap.

Hicksville Chamber Of Commerce Dinner Dance

The Hicksville Chamber of Commerce Installation Dinner Dance was conducted on Tuesday, September 16 at Antun's Old Country Manor, with representatives of the major businesses and organizations in attendance.

The highlight of the evening was the installation of Officers and Directors by Hicksville's own Mr. "Uncle" Frank Chlumsky. "Uncle" Frank appraised

the incoming officers and directors of their responsibilities, and, on behalf of the community of Hicksville, commended them for accepting this challenge. Then he continued by installing the Officers for the 1980-81 year, namely: Mr. Vernon C. Wagner of the Vernon C. Wagner Funeral Home, Inc. as president of the Hicksville Chamber of Commerce for his second consecutive term, Mr. James A. Fyfe of Long Island Bank as vice president, Mrs. Effie Krogmann of the Montana Agency as secretary, and Mr. Ronald J. Wagner of North American as treasurer.

Installed as Directors for a three year term through 1983 were: Mr. Louis Costa of the Dalton Funeral Home, Mrs. Constance Clarke of Central Federal Savings and Loan, Mr. Thomas A. Fay of Rite Fuel, Mr. John B. Gehris of Seaman and Eisemann, and Mrs. Sheila Noeth of the Mid Island Herald.
