Kiwanis Honors Sieg Widder

By Carole Wolf

Over 100 people gathered at Antun's on the beautiful fall evening of October 16th to honor Sieg Widder at Hicksville's Kiwanis forty-fourth annual Charter Night Dinner-Dance.

Sieg, who has been called a "dynamo in the community," was honored by 54 Kiwanians and their guests for his leadership of their organization. At the Kiwanis State convention held at the Concord, he had accepted an award for his Kiwanis as the only one in the state to begin and complete a physical project... our Memorial Fountain!

Vern Wagner, who sponsored Sieg in Kiwanis over three years ago, praised his "God given gift of having a good voice" so that he could lead the club in music. Vern

said that Sieg, who is also the executive director of the Hicksville Chamber of Commerce, was "his friend."

Sieg learned all about Kiwanis when he directed the sale of large coloring books to all the clubs on the island several years ago. He was even needed by Pastor Froelich, who before the benediction, thanked Sieg for "messing up his family room."

Past Lt. Governor, William P. Nielsen, thanked Sieg for all that he has done to help the division. Nielsen said that Sieg works "hand in hand with youth, hand in hand with the community while taking time to care."

Lt. Governor, Kenneth Little, who painted the picture of Kiwanis as a family

operation, said that "Sieg was always there to give of himself. He helped this club to go forward; now the Club will raise itself to greater heights!"

Sieg, who accepted a beautiful plaque to memorialize his term as President, thanked everyone for coming, especially his brother and his wife, Kurt and Alice Widder, his mother-in-law, Wilhelmina Ward, his brothers and sisters-in-law Irene and Bill Gropp, Lynda and Don Henderson and Freda and Harry Ward, and his son and his wife, Keith and Renate Widder.

In his acceptance speech, Sieg mentioned that last year, Kiwanis gave Thanksgiving baskets for the needy, visited the Jones Institute

for Christmas, honored high school graduates with a scholarship, gave improvement awards at the junior high, honored five eagle scouts and supported CYO basketball and the Nassau County Girl Scouts.

Iris Widder, Sieg's beautiful wife, received a bouquet of flowers from Kiwanian Bill Murphy, "for the time you sat home when Sieg was going to a meeting."

The official program ended when Sieg officially handed the reins over to Alfred "Brad" Isley, Vice-President of Beacon Federal Savings and Loan Association and new Kiwanis President. But the dancing continued through the night.

Tobay To Expand Parking-Buys Hicksville Property

The Oyster Bay Town Board has authorized purchase of 2.6 acres of land at the Hicksville Long Island Railroad Station for use as commuter parking fields.

The land, in three parcels and known as

the Karlson properties, is located at Mario Place on either side of Barclay Street, which is on the north side of the railroad elevation. The negotiated purchase price is \$460,000.

"These are three of six parcels being

negotiated for by the Town for commuter parking," Councilman Thomas L. Clark said. "It is hoped that at a point in the future, this general area will be the site for a multi-level parking garage."

The 111,000 square

feet of vacant property involved in this purchase will translate into more than 200 parking spaces. When the rest of the land, about 3.6 acres, is acquired and the area improved, several hundred more spaces will be available.

On Sunday, November 2, there will be a Rally Night for Al D'Amato, 8 p.m., at the Hofstra Field House. Al D'Amato and all the local candidates will be there. Here is an opportunity for you to meet your government representatives personally and hear their views on current issues of importance to us all. We will provide bus transportation, free of charge, to this event. Pick up and return will be at 7 P.M. in front of the Hicksville D'Amato Headquarters trailer office which is located on Broadway across from St. Ignace R.C. Church. Free refreshments will be provided during the Rally Night festivities. If you plan to join us this evening, please call Helen Henderston at 433-8265 to reserve your seat on the free bus. To assure adequate buses for this event, you must let us know of your planned attendance.

Congressman Norman F. Lent, our representative in the U.S. Congress, visited our Club recently and made an impressive presentation to the membership. Here are a few salient points from Congressman Lent's remarks:

"Remember when Jimmy Carter campaigned for President four years ago? Our economy was in good shape-inflation was running

at a rate of only 4.8%; we were militarily strong, and our Nation was respected. There was no doubt in the minds of either our allies or our enemies that we had both the military power to protect our vital interests, and the will to use it.

"Four years ago, Jimmy Carter had two main planks in his campaign: (A) He promised he would improve the American economy. He promised to reduce the rate of inflation, and he promised a job for every person capable of holding one. (B) He also promised, if elected, to cut the military budget left by President Ford by \$7 billion.

"We all know how he failed to keep the first promise. Today, our economy is a disaster! Instead of an inflation rate of 4.8%, we have an inflation rate of 20%.

"Unfortunately, Jimmy Carter didn't break his second promise to cut the sinew of America's defense budget.

"Now I don't have to remind you why a Nation like the United States needs a strong military. It is certainly not to wage war-it is to keep world peace. History has taught us that a strong America is the best deterrent to war. President Carter has deferred production of new missiles,

cancelled deployment of the nuclear warhead and stopped an important program to rebuild our Navy and Merchant Marine. All these weakening actions were taken while the Soviet Union continued the most massive buildup of military strength the world has seen! We are not second to the Russians in most weapons categories and still losing ground!

"What can we do to reverse our economic malaise and our dangerous military and foreign policy situation? We must restore the leadership of our country to responsible, capable,

competent hands. Ronald Reagan and the Republican Party offer an economic program of tax reductions, and a balanced federal budget that will curb inflation, create jobs, and revitalize our economy. We offer a program to rebuild America's strength and to restore American prestige, respect and influence around the world."

Don't forget to join us on October 24, Antun's Old Country Manor to help us honor one of Hicksville's outstanding community leaders - Francis "Andy" Anderson.

Discussing matters of utmost importance to our Long Island region are, left to right, Governor Ronald Reagan, U.S. Congressman Norman F. Lent, and George Bush. With the election of Governor Reagan to the

Presidency, George Bush to the Vice Presidency and the re-election of Norm Lent to the U.S. Congress, this team can put their discussions and plans into a dynamic course of action to aid not only Long Island, but the entire Nation.

Midday Art Series

The Hicksville Public Schools' Office of Cultural and Performing Arts has launched a sequence of arts events called, "The Midday Art Series." The happenings will occur during the noon hour at Hicksville High School.

Dr. Terrell Stackpole, Supervisor of district-wide

Cultural Arts, said, "The purpose is to make these events available to students and staff who are not scheduled for classes at that time, as well as for teachers/classes who wish to provide curriculum enrichment by attending with their scheduled classes."

The initial Midday Arts

event featured the ABACUS Percussion Ensemble, and was held Tuesday (October 7). ABACUS has performed with groups such as the San Francisco Ballet, the Contemporary Chamber Ensemble, the Group for Contemporary Music and The New Orchestra. ABACUS' purpose is two fold: to educate, through lecture demonstrations and concerts in primary and secondary schools; and second, to provide high level performances of sophisticated contemporary compositions in colleges and

A County Counseling Center has been responsibly answering these and many more questions with practical solutions for over 12 years. Now a new office of A County Counseling Center has been opened at 78 North Broadway, Hicksville to provide this service for Nassau and Suffolk residents. A County Counseling Center draws upon a professional staff from a diversity of disciplines. After an initial intake, clients are paired with a professional chosen to be best suited to meet their

Grants Help Upgrade County Buses

"Urban Mass Transit Administration (UMTA) grants of more than \$13 million awarded or committed to Nassau County will improve Nassau County buses," Rep. Norman F. Lent (R-East Rockaway) reported recently.

UMTA informed Rep. Lent that it is adding a grant of \$648,840 to an original \$5,550,000 grant to Nassau County to assist in the purchase of 60 "advanced design" buses to replace aging buses in the fleet serving the county. UMTA informed Lent that the additional grant was needed because of an increase in the cost of the buses. The UMTA grants will fund 60 percent of the total estimated purchase price of \$8,100,000 for the 60 buses. The State of New York will contribute another \$1.2 million toward the purchase, with Nassau County assuming the balance.

Donald Marotta, Supervisor of the Transportation Division of the Nassau County Planning Commission, told Congressman Lent the UMTA had made a commitment to fund 80 percent of the cost of the purchase of an additional 60 new buses. Marotta estimated the UMTA grant would amount to approximately \$7 million when details of the additional purchase are finalized. Thus Nassau County would get more

than \$13 million in UMTA grants. Lent said he has urged UMTA to carry out its commitment and award the additional \$7 million to Nassau County, and will do everything possible to speed up action by the federal agency.

Marotta informed Lent that the apparent low bidder on the contract for the first 60 new buses is the Grumman Flexible Bus Corporation. Marotta expects the first bus purchase contract to be awarded in the very near future, and expects the new buses will begin to arrive in Nassau County in about 12 months.

Congressman Lent congratulated Marotta and other Nassau County officials involved in the successful effort to secure substantial assistance from UMTA in upgrading Nassau County buses. "I have strongly supported the Urban Mass Transit assistance program in the Congress," Lent said, "because this is one of the avenues we must continue to pursue to reduce our dependence on imported oil, and because it encourages improvement and expansion of public transportation systems—improvements we need in Nassau County. I have voted for and will continue to work for additional federal funding for this valuable program."

Long Island LWV Sets Symposium

The League of Women Voters of Nassau and Suffolk Counties, in cooperation with the Nassau-Suffolk Center for Health Education and Hofstra University, will hold a symposium to educate teachers, environmentalists, businessmen, and all interested members of the community about the problems of toxics on Long Island. Titled "Environmental Health on Long Island: Issues-Resources-Action," the day-long conference will take place at Hofstra University on Wednesday, October 29, from 8:30 a.m. - 3:30 p.m.

The morning session will feature speaker, David Axelrod, of the New York State Department of Health, and a panel of experts on toxics in food, air, water and waste, moderated by David Harris, Commissioner of the Suffolk County Department of Health Services. The panelists will be: Ruth Cusack, Nutritionist with the Suffolk County Department of Health; Jan Geiselman, Director of Air and Hazardous Materials of the United States Environmental Protection Agency; Olin C. Braldis, Senior Scientist of the Geraghty and Miller Agency;

and Joan Sherb, New York State Department of Environmental Conservation. Reactions to the panel will be made by Thomas Cranshaw, Executive Director of the Nassau-Suffolk Health Systems Agency, and Walter Hang, New York Public Interest Group.

After lunch, action workshops will attempt to answer questions and seek solutions to the problems raised in the morning by focusing on the school, the workplace, the community and the home.

"If you are interested in the quality of life on Long Island, but have always felt there is too much to learn and nothing to do, we hope that you will join us to learn and make this information available to others," said Carol Carlton, President of the League of Women Voters of Nassau County.

Early registration will ensure choice of workshops. Registration forms and further information are available from the League of Women Voters of Nassau County at 883-0698.

Long Island Fall Festival

Step into your walking shoes and bring a warm sweater to Old Bethpage Restoration Village for the ending of Long Island's Fall Festival. This weekend, Oct. 31 - Nov. 2, returns to the 1850's on Long Island.

Stroll along dirt roads lined with yellow and orange maple. Stop for a root beer and pretzel at Noon's Tavern. Look over the merchandise at the general store. Glossy shooter marbles fill a bowl in the glass case, bolts of calico are stacked on the shelves, and a checker board, set for a game, balances on a barrel.

Doll heads of china await a homemade body and flat irons await a hot stove.

Kitchen gardens hold cool weather cabbage and onions while the feathery tops of a carrot row show a fresh green against fall's drying brown. The scattered houses are homes with cradles in the upstairs bedrooms, tables set with wooden dishes and pumpkin and squash coloring the kitchens. Sheep and Canada geese live down the road at the big barn. A blacksmith will be at his bellows and the hat shop open for a visit.

The setting with its authentic barns, houses,

church capture part of Long Island's past. A time when trains carried milk and ripe tomatoes to feed New York City, a time when the city came to Long Island to hunt and fish, a time when fields and farms covered the island.

And in the fall then, as today, villages held elections. Posters - one labeled Hones Abe and decorated with flags, another showing an American eagle over the name of Stephen Douglas - will hang throughout the village. Speeches by supporters of both sides can

be heard and a ballot cast for your choice. On Sunday, a victory celebration follows announcement of the winner. (In 1860 Long Island was a stronghold of the Democrats and Douglas won easily.)

The Oct. 31-Nov. 2 weekend is the last of nine festivals held across Long Island since Sept. 5 as part of the "I Love New York" campaign. It follows the Montauk weekend of "Surf & Turf."

For a complete fall festival calendar call or write: Long Island Tourism & Convention Commission, (516) 585-6660 or (516) 794-4222.

Shift To Standard Time / Halloween Present Problems

The risks are very real for motorists who enter the "twilight zone," warns the Automobile Club of New York.

That interval between day and night - when natural light rapidly fades and the driver's eyes tend to lag behind in adjusting to the change - is a most dangerous period on the road.

The normal loss of daylight this time of year will be further aggravated when clocks are shifted back an hour to standard time at 2 A.M. on Sunday, October 26th, precipitating earlier darkness and reduced visibility.

The motorist's ability to respond to this safety chal-

lenge becomes especially critical five days after the clock-changing ritual - on Friday, October 31st - when thousands of young "trick or treaters" make their evening rounds in celebration of Halloween.

To help New Yorkers stay on the safe side, the local AAA affiliate offers the following advice:

- Cut down on driving speed as darkness approaches.

- Keep headlights and windshields clean to provide maximum visibility.

- Check tail lights, turn signals, backup lights and high and low beams to make sure they are working properly.

State Republican Law Students Endorse D'Amato

The Republican Law Students Association of New York this morning, at its headquarters in Manhattan, voted unanimously to endorse the candidacy of Al D'Amato for the United States Senate. The Association pledged to do all within its power to work for a Republican victory this November fourth.

In explaining the organizations stand, Thomas R. Stevens, president of the Republican Law Students, stated that "Mr. D'Amato," who is running for the Senate with the designation of the Republican, Conservative and Right to Life parties, "provides a unique

opportunity for a victory in November that will matter. Upon becoming President in January, 1981, Mr. Reagan will need someone in the Senate ideologically compatible with him to help institute the types of programs that will get America moving again. Al D'Amato is such a man."

The Republican Law Students Association is a state-wide organization composed of undergraduates, law students and attorneys dedicated to providing services and programs for its members and support for the Republican party in New York State.

Dear Friends ...

A REMINDER: At 2 a.m. this Sunday morning, Oct. 26, we must all turn our clocks back one hour to standard time. Don't forget...or you'll be late for church....

MARK YOUR CALENDAR: music lovers ... on Sat., Nov. 22, co-sponsored by the Syosset Library and the TOB Cultural and Performing Arts Division, a Distinguished Artists Concert will feature the Janus Ensemble and the music of Bach, Purcell, Ibert, Telemann, Fash and Nemiroff ... at the Library. For ticket information call 921-7161.

MARK YOUR CALENDARS: Election Day is Tues. Nov. 4. We believe in the principles for which the Republican Party stands ... we believe that these principles, if they could be applied, would be good for the working resident taxpayers on all levels of government and in all parts of our great Country. We know that both Federal and State mandates overburden our local taxes. We also know that all so-called government grants, gifts, budgets and all expenditures are not GIVEN to us (as the daily and television press so often claim) by our elected officials ... they are assigned by them and PAID FOR BY US. We feel that our country and our state can only fight its way out of fiscal bankruptcy, and double digit inflation, by the methods proposed by the Republican party and its candidates. We do not believe that a country can spend its way out of bankruptcy, any more than an individual can. This is what we believe ... and based on these beliefs we urge a vote for Republicans on Election Day.

If you are comfortable living under the conditions which a democratic president and senate and congress, along with a democratic governor and assembly have brought about at present, you will undoubtedly disagree with us. That's up to you. But, even if we disagree, don't forget to use your vote on Election Day ... it is our ultimate weapon in defense of what we believe is best for our Country.

SINCERELY,
SHEILA

What Happened At The Town Board Meeting

By Sheila Noeth

At its regular meeting held on Oct. 21st, the Town Board of the Town of Oyster Bay conducted a hearing to consider proposed amendments to add to New Chapter 27 entitled "Second-Hand Dealers, to provide for licensing, regulation and control of operation of second-hand dealers, such as jewelry, etc. This is an attempt to improve a law making the sale of stolen precious metal items more difficult. The Board reserved decision on this matter at the end of this hearing, but in Resolution No. 35 approved this proposal, making it official.

To no one's surprise,

Letter To The Editor

Dear Editor:
Election Day is just around the corner, and I sincerely hope that everyone will make every effort to get out and vote in this all-important Presidential election.

The right to vote is our most precious heritage as Americans. It is also a prime responsibility shared by every citizen. Unfortunately, it often seems that those who complain the loudest about their Government are the same people who have shirked that responsibility and failed to vote.

Don't be a "shirker". Whatever your politics, whichever candidates you support, make sure your voice will be heard on Election Day, Tuesday, November 4. The polls are open from 6:00 AM to 9:00 PM.

If you have any questions about the mechanics of voting, or if you need assistance in getting to your local polling place, please feel free to call 10th Assembly District Democratic Headquarters at 935-3719.

Very truly yours,
Susan C. Polansky
Democratic Leader
Plainview-Syosset Zone

several prominent democrats, spoke in opposition to the preliminary budget of the Town of Oyster Bay for the Year 1981. This was done during the daytime hearing on this subject. At the night hearing on this preliminary budget, no one appeared.

The proposed budget is in the amount of \$24,166,869, which represents a 9 percent increase over 1980. The general Town tax would be 80.5 cents per \$100 of assessed valuation (the same as last year.) There would be a 3.1 cents rise to the part-town tax rate which affects all in unincorporated areas of the town ... and an 18 cents rise to the Town highway tax. Most special districts would also have slight rises.

After Michael Polansky, Esq., a Plainview civic and Democratic leader and Mario Colletuori, Esq. of Old Bethpage, who ran for county assessor on the Democratic ticket last year, opposed the preliminary budget figures, the Town Board stated that they plan to adopt a budget on Nov. 20th.

The Board approved Resolution No. 913 relating to authorizing the Town to enter into a contract to purchase three (the Karlson properties) parcels of land just north of the LIIR Station in Hicksville. See details on page one of our Hicksville Edition.

BOARD SETS FUTURE HEARINGS

The Board, in Resolution No. 935, directed the Town Clerk to advertise a notice for a Jan. 13, 1981 hearing on the petition of the Stavon Shopping Center, Inc. for special use permit to erect and maintain a restaurant having 235 seats in a Bus. F District and for permission to rescind restrictive covenants referred to in Resolution No. 428-77 dated June 14, 1977 on the north side of Jericho Tpke east of the intersection of Jericho Tpke and Southwoods Rd., 4.96 acres.

The Board approved Resolution No. 940 approving the site plan of Neil and Maria Shaw for a special use permit affecting properties on West John St. west of Wyckoff St. so that office building could proceed.

The Board tabled both Resolution No. 942 and 953, as they were not yet ready to vote on these matters. No. 942 related to the petition of Fred J. Meyer, Jr. for modification of restrictive covenants and for special use permit for parking and storing vehicles. Resolution No. 943 related to the petition of William A. Marino for a change of zone from Res. D to Bus. F, to permit a small office building in the general area of Old Country Road near the State Unemployment Building.

The Board approved Resolution No. 944 which was the petition of Old Country Car Service, Ltd. to build a showroom and sales offices for SUBURU, where an abandoned service station building now stands.

The Board approved Resolution No. 945 relating to the petition of Edward Aulman to conduct a delicatessen on Crossway Avenue off Robbins Lane in Syosset, NY. This hearing took place on Sept. 23rd.

Chain Letters Create Chain Losers

People throughout the country are practically giving their money away while breaking the law in illegal chain letter promotions. Sectional Center Manager Postmaster Anthony M. Murello said today.

The Postal Inspection Service, investigative branch of the U.S. Postal Service, has been warning people for years not to get involved in chain letter schemes. And while most individuals realize it's a foolish way to part with hard-earned dollars, there are some who seem to think the chance is worth it, according to Postmaster Murello.

"Of course the chances of getting a return on the money invested are very slight," Postmaster Murello said, "but even knowledge of the odds does not seem to deter many participants."

At first glance the well-conceived chain letter promotion may look promising, but a common ingredient, probability, always works against the player. Postmaster Murello said the Postal Inspection Service may not be able to eliminate all chain letters but they are working to inform the public these things

are nothing but simple fraud. The operators of these schemes usually control several names on the list, Postmaster Murello said. "But it is a mathematical fact that only 12 out of every 100,000 purchasers would ever win. By the time the chain reaches the 10th name on the list the entire population of the United States would be used up."

Postmaster Murello also reminded the public that participation by mail in a lottery is usually a violation of Federal law which could bring up to five years in prison, a \$1000 fine, or both.

Local Directory Info Needed

At this time the 1981 Hicksville Public Library Community Directory is being compiled.

The response to the letters sent the organizations listed in the directory has been very poor.

We would like to have the new edition at the printers by Election Day, however the information received so far is not

enough to have printed. If you have neglected to return our stamped addressed post card, please do so as soon as possible. If your card is lost, or if your group has not received one call Mrs. Neufeld at the library, WE 1-1417 and your group will be included in the latest directory explained a spokesperson for the Library.

"A directory is only as good as the information it contains, but you must supply us with the correct information. We don't like to omit any groups but if the data we have is not correct we will have to leave your group out of the 1981 directory."

"When the directory is completed, a copy will be mailed to each organization listed. Additional copies will be available at the library main desk," she concluded.

Families For Life Club News

By Doug Harknett

Planned Parenthood is apparently in the midst of a media blitz to dull, if possible, rising anti-abortion sentiment, and to influence voters in the coming elections, and legislators after the elections.

It is reported that David Garth Associates, the national public relations firm proposed as long ago as January 1979 that Planned Parenthood must "pursue a political action program" to

"blunt the present and encroaching power of Right to Life". All was to be geared to the 1980 elections. Trade circles report that the present campaign calls for ads to appear in Newsday, the N.Y. Daily News, and the N.Y. Times once a week for six weeks at a cost of approximately \$200,000. Garth Associates had also recommended TV and radio commercials, so the cost may go substantially higher.

Where does all this money come from? It should be noted that Planned Parenthood is big business. The Planned Parenthood Federation of America budget for 1979 was 109 million dollars. The New York state organization alone has 22 affiliates, 77 clinics, 1,035 paid staff members and thousands of volunteer serving 150,000 clients. In 1978 Planned Parenthood spent \$75,367 lobbying the New York state Legislature. The latest figures on hand for the New York City affiliate are for 1978 which showed that about 60% of its income was from Medicaid reimbursements, patients' fees and government grants. Obviously Planned Parenthood has a huge stake in government

funding, and perhaps survival itself depends on a continued flow of funds from that source.

The reality of the impending crisis is evident in the reaction to the Supreme Court decision of June 1980 in which it was ruled that the federal government need not fund abortions. The action will now move to Albany after November 4th because Governor Carey has ordered the state to continue paying for the federal portion of Medicaid abortions in addition to paying for the state portion, and this will be challenged in the legislature. The strategy to be used by Right to Life forces will be to try to hold up the supplemental budget. The Senate is anti-abortion, while Governor Carey is pro-abortion, and pro-abortion Speaker Stanley Fink refuse to allow pro-life Democrats to vote their consciences. No one is confident of the outcome at this time.

The local pro-life group is Families for Life which meets on the fourth Wednesday of every month at Levittown Hall at 8 P.M. For further information call 938-1391, or write to Box 571, Hicksville, N.Y. 11801.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: "No one is exempt from talking nonsense, the misfortune is to do it solemnly." - Montaigne.

Over 300 people 'jam-packed' themselves into the inner sanctum of the Galileo Lodge to witness the unfolding of the theatrically-inspired revue aptly called the 'Foolies Follies', a presentation borne out of the 'showbiz' inclination of the Ladies Auxiliary. It was hilarious and uproarious - a spontaneous laugh-induced series of comic skits bordering on burlesque, minus the bawdiness. This revue also epitomized all the vitalizing qualities of humor, revealing the very reason why it was presented-for laughs.

Opening the show was the Follies chorus, consisting of Millie Del Cioppo, Dolores Ragone, Mary Monteforte, Rose Riccardi, Millie Caputo and Sue Laurentini. 'discoing' to a modern tune, followed by Bert Molinari giving his impression of Shirley Temple singing 'On the Good Ship Lollipop'. Mary Monteforte and Pete

Ragone engaging in a 'Knuckles Malone' honky-tonk skit. Jeff Wallick and Bert Molinari waltzing crazily to the 'Waltz of the Flowers'. Sue Laurentini emoting to the tune of 'Hard-Hearted Hanna'. Jeff Wallick bringing back nostalgically Carmen Miranda's singing and dancing to 'Manana'. Felicia Monteforte's rendition of Beth Midler's song 'The Rose'. and Jeff Wallick 'burlesquing' the Casbah-inspired 'Dance of the Seven Veils'.

Also presented was the 'Crazy-Kids' schoolroom sketch with Rose Mezaros as the teacher, Mickey Russo's version of the song 'The Stripper', Rose Riccardi in Terpsichore with Oliver the Dummy, Jeff Wallick gyrating to Elvis Presley's 'Jailhouse Rock', Armand Del Cioppo, Sue, Millie, Bert, Eddie Smith and Jack Riccardi offering their version of the Platters doing 'Only You', Dolores Ragone and Rose Riccardi 'soft-shoeing' to the ever-popular song 'Carolina' in the Morning, and the finale, consisting of the Chorus, dancing to the Gallic Can-

Can. Eddie Smith, incidentally, was the Master of Ceremony; and the costumes by Carmen Russo, Rose Mezaros and Marion Densiglio were opulent, appealing and highly original.

Foot-long sandwiches, beer, soda, coffee and cake were served, all for only \$8 per person. The Bar was open for everyone's convenience. Representatives from the Marco Polo, Columbus and Brian Piccolo Lodges were in the audience, and so were many other groups. But the Foolies Follies was a joint effort, with male and female members working in unison, harmony and in full cooperation with each other. The end results were fabulous, with all those months of rehearsals, planning and costume designing

finally coming to fruition. Chairlady Rose Riccardi, Asst Director Jeff Wallick, co-Chairlady Carmen Russo, Marion Densiglio, Rose Mezaros and the whole cast were superb, not to mention the many other members who lent their efforts. With all these factors being taken into consideration, the Galileo Lodge, in total recognition and acknowledgment, extends a sincere and warm THANK YOU to all those hard-working members involved here.

With the motto of the Galileo Lodge etched firmly in our minds, which is to give you the most for the least amount of money, we wish to remind everyone that the Galileo Lodge will hold a Testimonial Dinner and Dance on Saturday, the 15th

Tickets are \$35 per couple and in the offering will be a cocktail hour, a full dinner, beer, soda, coffee and cake, unlimited liquor and some fine dance music from the Triangle Times. Teddy Marotti (681-5190) will chair this dance and Jim Pino (822-

A HAMBURG SAVINGS BANK RETIREMENT PLAN GROWS WITH TAX-FREE DOLLARS. HERE'S HOW:

PLAN 1. Self-Employed Retirement Accounts. (Keogh Plan)

People who work for themselves can now save on taxes to the tune of \$7,500 a year! That's the amount you can set aside, tax free until retirement, in our self-employed (Keogh) retirement account at Hamburg Savings Bank. Depending on the amount you choose to save, the plan you select, and the number of years until you

retire, you'll find your retirement fund can be remarkably substantial. Ask us for details, with specific figures for a program tailored to your retirement goals.

Visit a nearby office and get specific figures for a plan to suit your retirement goals. Also ask us about the new Defined-Benefit Keogh Plan.

PLAN 2. Individual Retirement Accounts. (IRAs)

Regulations let you put aside up to 15% of your earnings - up to \$1500 a year - and you pay zero taxes on the money or the interest it earns until you retire. (By then, you most likely will be in a lower tax bracket.)

If one spouse is employed and not covered by a qualified plan, that working spouse is eligible to include the non-working spouse in his or her IRA. Or the couple may set up separate IRAs. In either case, an additional \$250 - to a maximum

of \$1,750 annually - may be contributed. If two separate plans are established, it will be to your advantage, tax wise, to contribute the same amount of money annually to each plan. For example, each year 15% of the working spouse's compensation, up to a maximum of \$875, should be deposited to each IRA.

For tax relief now and a great retirement later, visit a Hamburg Savings Bank nearest you - today.

Deposits can be made weekly, monthly, or in a lump sum.

Plainview- Old Bethpage High School News

By Joan De Gennaro
Last Saturday, October 18, Plainview varsity football team won their first game since 1978. Mike Lucas was the star of the game. Lucas ran for Plainview's first touchdown, caught a pass for the other and also scored the two extra points blanking LaSalle Military Academy by the score of 14-0.

Senior Celebrity ballots went out to the Class of 1981 last week and rumours are

already flying through the halls. These ballots are used to elect seniors to a category like 'most popular', 'best dresser', 'worst driver', 'class egotist', etc. Some seniors take these nominations seriously but it's all part of senior fun.

November 8th looks like a big day for POBHS. The first thing on the agenda is Plainview's annual Homecoming football game. During half-time, the Homecoming

queen and king for 1981 will be announced. Later, that evening, the Sadie Hawkins Dance will commence. If I have my information correct, Miss Hawkins, herself might even show for the big day. Come on Plainview girls, grab those guys!

The Student Association of POBHS is sponsoring their 2nd annual Halloween Contest on October 31st. Students dress up for school in their costumes, register with the school to receive an identification number and then proceed with classes. Around every corner lurks a teacher to give some of the best costumes a rating. Those with the best costumes receive prizes at the end of the day. So watch out for those goblins and other supernatural beings in Plainview next Friday.

Foreign Language Day, held last Friday, was once again a smashing success. Students, faculty and administrators enjoyed great food, live music and entertainment, and, of course, the breaking of pinata. Mrs. Gershowitz, advisor of the Foreign Language Day Club, and the members of the club made it all run smoothly. Bravo!

LOVE NOTS
Unlike the knot of love that refers to two people committing themselves to one another for life in the presence of God, we focus on that part of our text that broadens our concept of Christian love by telling us what love is not.

Paul mentions eight things that love is not... love is not jealous or boastful, arrogant or rude, insistent on its own way, irritable or resentful, does not rejoice at wrong. What do all of these eight love nots have in common? All eight love nots characterize a person whose life is off-center. Jealousy, boastfulness, arrogance

rudeness, irritability, resentfulness, etc. demonstrate a life centered in upon itself, rather than centered in the cross of Jesus Christ. It is a life in which one's ego is most important, therefore, creating a condition that crowds out the love of God in Jesus. For you see, none of our eight love nots are part of the true nature of love. Looking at the cross of Jesus Christ, where is there jealousy, boastfulness, arrogance, rudeness? It is not to be found. For in that cross is to be found love in its purest form — one that exhibits patience and kindness which results in forgiveness.

These eight nots are in constant competition with the love of Christ for the center of our lives. They destroy the relationship we have with one another as individuals and within the church. For example, jealousy is a common problem between children in a family. Often wives are jealous of the more exciting lives their husbands lead. Husbands feel jealous of the more flexible schedule that their wives seem to have. There is nothing quite like an unhealthy dose of arrogance with a denomination

thinking that it has all truth and correct doctrine, to keep the body of Christ from moving toward a unified witness that Jesus Christ is Lord. The band in Hell strikes up a chorus of "Happy Days Are Here Again," whenever members of a congregation begin insisting on their own way and turning a deaf ear to the feelings and opinions of others.

In order to handle these love nots in our lives, we must first realize that they are a natural part of our sinful nature. We need to take stock of ourselves. How am I behaving — in a boastful way — thinking that I am better than someone else? How am I being arrogant or rude towards others? Where is there jealousy in my life right now? When do I insist on my own way, and in doing so say to the other person that their thoughts are not as

important as mine? Am I acting irritable or resentful? And where am I harboring memories of previous wrongs I have endured? All of these love nots crowd out Jesus Christ from our hearts. We need to confess these sins to the Lord and seek his forgiveness. Next, we need to invite Jesus to return to the command center of our lives and to empower us to live a life of love patterned after his. When our lives are full of Christ they are full of love and the love nots are crowded out. Love is a powerful force for good for our lives and for those who are touched by Christ in our lives.

A Christian soldier in a Scottish regiment was asked how he was brought to Christ. He said, "There was a private in our same company who was converted

BELLES
KATHY CON WAY LEADS THE ATTACK AGAINST THE EAGLES
The under 16 girls defeated the Huntington Eagles 4-0 with Ms. Conway scoring three and assisting on another. The first goal was initiated by Denise Harkins from an indirect kick. Miss Harkins passed the ball to Gina Ciceco who hit the ball off the keepers hands. Miss Conway took the rebound and fired it toward the net, only to watch it ricochet off the post. Debbie Loungo not missing the opportunity placed the ball passed the Eagles keeper to end the half at 1-0.

At half time, Coach Peter Collins instructed the Belles to keep the defense tight and for the offense to put one more ball in the net to assure a victory.

The Belles responded by shutting down every Eagle attempt with superior defense, spearheaded by keeper Diane Sullivan. BACKS Theresa Caputo, Maureen Collins, Tanya Pfeffer and Suzanne Sierra. The offense inspired by the

way the defense did not let up, overwhelmed Huntington enabling the Belles to score three times in the second half. The first coming from a beautifully executed wall pass from Denise Harkins to Miss Conway, who pushed the ball into the net. The second goal for Miss Conway came unassisted as she negotiated the ball down the right wing and put a blistering shot by a stunned Huntington keeper. The third goal came with two minutes left in the game with Miss Conway putting yet another ball in the net this time from twenty yards out. Outstanding offensive thrust by Lisa Burke, Brenda Condron, Debbie Hockman, Susan Mitchell and the tenacious play of Denise Harkins resulted in the Belles putting nineteen shots on goal.

Thunderbirds 4- Hauppauge 3
By Rog Horne

They did not win easily. The Hicksville Thunderbirds matched visiting Hauppauge well Sunday, October 19 in the first half and left the field with a 1-0 lead. Joey Doherty opened the scoring duel in the first half with a low kick to the left post. Martin Jaycard assisted after taking a fine cross by Richard Fraser.

Two goals scored by Hauppauge in the second half were matched with goals by John Donnelly, who scored with a direct header and Richard Fraser, who put one in with a long, powerful

kick. David Weinberg assisted Donnelly with a beautiful high kick that landed right in front of the goal.

A penalty kick by Hauppauge tied the game, but the Thunderbirds not to be denied stormed back with a final goal in the last two minutes by Brian McKenna. Joey Doherty assisted.

Hicksville had outstanding defense by George Antaki, Andrew Horne, Tom Roman and Ira Peskowitz. Goal keeper was shared by Richard Markey and Michael Ayres.

Excellent offensive play was also contributed by David Kanuck, John Cambronero and Craig Colassanti.

JFK High School News

By Tracey Sennett

John F. Kennedy students have arrested their school's biggest crime offender. In the past, vandalism has again and again robbed Kennedy of its good looks. Taxpayers have been left holding the bag while vandals roam free.

Kennedy students decided to combat this powerful criminal. A committee was selected to lead the school in an anti-vandalism campaign. The school board posted a reward. And by mid October, "good" had conquered "evil". The student government was handed a check for \$1,243.

But how was this money to be used? At a recent school

government meeting, three resolutions were proposed. The building of a student lounge was the first suggestion. Number two, was the purchasing of a new scoreboard. Lastly a wall was to be built along the upstairs railing to insure safety. The lounge resolution was passed with the stipulation that any left over money would go towards the wall.

Resolutions are not always easily resolved. If this is the case, students have the right to appeal according to the student appeals procedure.

When the student government passes a

resolution it is submitted to the principal. The principal then holds a hearing and must reach a decision within 5 days.

If the principal disapproves, an appeal is made to the Superintendent of schools. The Superintendent then holds a hearing. He is given ten days to make his decision.

If the Superintendent disapproves, an appeal is made to the Board of Education. The board hears the case and is given thirty days to decide.

Although each step may prove time consuming, persistence has been known to pay off.

At Long Island Trust

Long Island Trust Company today elected David K. Darcy President and Chief Administrative Officer and Donald J. Wrobel Executive Vice President for Finance and Operations. Mr. Darcy was also elected a director of the Trust Company. The announcement was made by Arthur Hug, Jr., Chairman of the Board and Chief Executive Officer. Long Island Trust Company is the principal subsidiary of LITCO Bancorporation of New York, Inc.

Mr. Darcy, 58, is a veteran of 33 years of money-center banking. He joined Long Island Trust Company in January of this year and has been serving as Executive Vice President-Commercial Loan Department where he was responsible for the bank's commercial lending activities. Prior to joining the Trust Company he was Senior Vice President in charge of the Financial Institutions Banking Division at Irving Trust Company.

In announcing the move, Mr. Hug said, "We expect that in the coming years it will become increasingly difficult to maintain

earnings and growth in our highly competitive regional banking environment and Dave Darcy's years of experience will add an important dimension to Long Island Trust's and LITCO's future success."

In addition to his new position, Mr. Wrobel will continue to serve as Senior Vice President and Chief Financial Officer of LITCO Bancorporation of New York, Inc.

"Den Wrobel's appointment," Mr. Hug said, "reflects the increased importance of this position at the Trust Company following the consolidation of Long Island Trust and Long Island Bank on October 1, 1980."

Mr. Wrobel, 42, began his career with the bank in 1975 as Vice President in the Comptroller's Department. He was elected Vice President and Comptroller of the bank later that year and, in 1976, was elected Comptroller and Chief Accounting Officer of LITCO. He has served as Senior Vice President and Chief Financial Officer of LITCO since April, 1980.

Harriet A. Maher - 433-5994

One of HICKSVILLE's new brides, Jo (nee Mulloy) Jablonsky, just loves her new home in Hicksville. (We also hear that she just loves her new husband, Joe Jablonsky, III.) Jo is a former resident of PA and moved to our community after she and Joe were married on September 20. The Jablonskys honeymooned at Hilton Head, S.C. Now that the honeymoon is over, Jo is busy getting her new home in order. However, she is currently looking for employment in the area. We wish you success in all your

endeavors.

Meanwhile, over on Princess Street, HICKSVILLE, the Kremers, we learned, are back home from a vacation at Shawnee, PA, where they have a time-sharing villa. This entitles them to a week every year at the villa since they purchased shares in the site sometime ago. The Kremer clan, including Grandma Martin, Anne and Frank, daughter Annette, and their sons, daughter-in-laws and grandchildren, all have a marvelous time in Shawnee. In addition to golf-

ing, swimming, fishing, etc., the high point of the vacation is canoeing down the Delaware River. The entire family enjoys traveling in the 17-foot canoe. But like all good things, the vacation came to an end. Yet they are looking forward to their next visit to the villa.

Ann and Ralph Straub of Hicksville returned from a visit to Jacksonville, Fla. to visit their daughter and son-in-law, Diane and Bill Muller and grandchildren, Kimberly and Bryan. Diane and Bill are graduates of

Hicksville High School. Bill was transferred from Moran Headquarters in New York to Florida to serve as Assistant Vice President of Florida Towing Company of Jacksonville. Ann and Ralph couldn't be prouder of his new promotion.

Heard that Kitty and Sam Weiss spent a delightful week in Canada. On their way home, they stopped in Maine for the weekend where they attended the wedding of their granddaughter, Joy to Darren Morgan. Joy and Darren were married on Friday, Oct. 3. Joy's dad, Harvey Weiss, escorted his beautiful daughter down the aisle and was so proud. But not more proud than Joy's grandparents - Sam and Kitty. There were 125 guests at the reception that followed the ceremony. The Weiss' said it was a beautiful and lovely wedding.

Congratulations and best wishes to Tess and Fred Vavante, HICKSVILLITES, who were married 31 years on Oct. 8. They celebrated at the Mill Pond, Centerport.

Bruce Duncan's parents,

Murray and Mable Duncan, have returned to their home in Orlando, FL. They recently spent two pleasant weeks with Bruce at Schroom Lake, N.Y. Bruce is a resident of Hicksville and his parents are former residents.

HICKSVILLE is on the move. Helen Henderson, her mother, Helen Hendrickson, and a mutual friend, Eleanor Draycott, took a chartered bus tour to Londonderry, VT. for four days. They enjoyed the gorgeous foliage, the trip, the food and the congenial companionship. They are looking forward to more trips in the future.

Guess who just celebrated

his fiftieth year as a member of the Hicksville Fire Department! It was none other than Sam Weiss, our ebullient Water Commissioner. Sam was born in HICKSVILLE and has been active in community and civic affairs all his adult life. Congratulations, Sam!

Happy Sweet Sixteen Birthday wishes are sent to Terri Cucci, of Arpad St., HICKSVILLE, from her Mom and Dad, Carol and Artie; his sisters, Annie and Suzie, and from her family and friends. Terri, who celebrated on Oct. 23, is in the 11th grade at Hicksville High School.
