Jones Institute: Update

By Carol Wolf

At the first publicly attended meeting of the Jones Institute on Monday, November 18th, the trustees discussed the transfer of money from the Lincoln Savings Bank to Emigrant, the boarding up of the home on West John Street and the petitioning of the Towns to allow the trustees to be classified a public employees in order to receive legal counsel.

Treasurer of the Jones Fund, Michael Vittorio, who is also Vice-President of the Lincoln Savings Bank, told the Board that approximately \$116,000 will be transferred from his bank to Emigrant in order to improve the 6-3/4% interest that it is presently collecting, according to Herbert Klein who was present at the meeting. Klein is one of three individuals and eight organizations who are petitioning the Courts to stop the sale of the land, to remove the trustees for breaking the fiduciary trust and to protect the civil rights of the former Jones Institute residents.

The petition, which was originally supposed to be heard by a judge in Queens Surrogate Court on October 30th, was postponed twice. Supposedly on December 18th, a judge will rule on the construction of the will.

Because of the litigation, the search for new land has been stymied, according to the Vice-President of the Jones Fund, John Dawson. "It is costing \$2400 a payroll period to have people around the clock to protect the building on West John Street. The Board is investigating whether to board the building up; but with 85 ground floor windows it might be expensive," Dawson said.

"We are losing \$600 to \$700 a day" on the two million dollars we would have had, if we had closed on time," Dawson stated, citing that the money would have been put into 15% accounts. Everything has stopped until the litigation is settled. "We have had contact with several people, with the

county and spoken with the Presbyterian home in Woodbury about a co-operative effort, but everything had to be put on the back burner," he continued.

The Trustees then discussed a petition to be submitted to the Town of Oyster Bay to become town employees. Because an ordinance provides Town Employees with a defense, either to be represented by the Town Attorney or by outside legal counsel, the Trustees intend to petition in order to "save the Fund from legal expense."

Before the Trustees went into executive session, they refused to answer questions from the audience, even though the Counsel of the coalition, which consists of the Ethical Humanist Society of Long Island; E'Nai Brith Woman's Association for Freedom; the Catholic Daughters of America; the Health Advocacy Council of Long Island; Community Advocates, Inc.; Nassau Action Coalition; Spent, Inc.; the Nassau Division of the National Association of Social Workers; and individuals Helen Burgher and Alan Green, both Nassau residents; and Herbert Klein, had been told of the meeting. Yet, Robert Michaels, Chairman of the Trustees refused to "have a public discussion" because the lawyer from the other side was present.

Michaels contends: "The meeting has always been open to the public, yet no one has asked to come." But this is not so according to Margot Lipiec, representative of the Catholic Daughters of America. Lipiec stated that she had asked to attend a meeting of the Board in the summer, but was never told the time or the place.

The public portion of the meeting on Monday night closed and the people were asked to leave, which meant that the four people who were seated and the seven who stood, had to leave the building.

What Ever Happened To The Hicksville Gregory Museum?

By Rosemary Barrow

Hardly a does goes by at Willet Avenue School, where I teach, or elsewhere around town, that I am not asked about the fate of The Hicksville Gregory Museum.

For the benefit of those to whom it is unfamiliar, the Museum is Long Island's Earth Science Center, founded by former Hicksville residents Dr. and Mrs. Gardiner Gregory, and sustained until recently through the efforts of volunteers and private fund raising. It contains an outstanding collection of rocks and minerals—the best on Long Island—plus moths and butterflies, shells, Indian artifacts. Since moving to the historic Heitz Place Courthouse, it has also served as a focal point and display area for documents and artifacts of Hicksville and Long Island history. It has serviced seventy school districts with student tours and travelling exhibits; provided adult courses in Geology, Mineralogy, Astronomy, and Long Island His-

tory; presented programs for both gifted and handicapped children; and has prepared outstanding audio-visuals on many aspects of nature study and local history.

This is its present situation:

After fifteen years of operation, the Hicksville Gregory Museum has been closed to the public since last June—for the simple reason that keeping it open requires a staff, and there were insufficient funds to cover the salaries. The collection is still intact and in place. We have been trying to raise money through grants or public funding so that we could reopen. Mr. Richard Evers, a Hicksville historian and Social Studies teacher in the Junior High and, like myself, a longtime trustee of the Museum, has led the effort to keep this unique institution in Hicksville. For years a small group of residents—some of us teachers, others businessmen or simply concerned citizens—

has tried to generate enough money through various fund raisers to keep the Museum solvent. We have reached the point where this is no longer possible. The Museum needs a steady, dependable income—not a large one, but at least enough that, combined with admissions, the gift shop, and other monies we can engender, it would alleviate the present situation.

The Museum Trustees have appealed for help to the Hicksville School Board, the Library Board, to the school districts who utilize our resources, and to an assortment of State and Federal agencies and private foundations. A petition to the Town of Oyster Bay containing over four thousand signatures requesting a local referendum, was unsuccessful.

At the moment there is but one last hope—a final appeal, through the Town, for a Federal matching grant based on the strength of our position as a National His-

toric Place. Even this would be a stop-gap measure, but with one more year perhaps we could revive some of that wonderful community spirit that helped establish the Hicksville Gregory Museum in the first place. We just hate to give up!

A decision from the Town should be forthcoming near the end of November. If this last appeal is denied, the earth science collection will be donated to some other museum, and the historic courthouse and jail vacated. If the grant is received, we will need a great deal of new volunteer help to function as we did in the past.

This Museum is one of Hicksville's greatest assets. As a Trustee and volunteer worker I have learned so much that has made me a better teacher, and I have seen first hand the stimulus it can be to our students. The wonder in their eyes when they find a rock that sparkles, or feel the life in a cocoon that is ready to hatch. It would be such a pity...

New Hicksville Express To Relieve Overcrowding

The Long Island Rail Road, an agency of the Metropolitan Transportation Authority, will add a new 5:41 PM express train from Penn Station to Hicksville, effective December 22. The new rush hour schedule, based on a detailed staff study which received approval of the MTA, is expected to relieve overcrowding on the railroad's

two most heavily patronized trains, the 5:31 PM Hicksville local (638 standees) and the 5:47 PM Hicksville-Huntington train (527 standees).

The new 5:41 PM express will be created by the diversion to Penn Station of equipment currently assigned to the 6:01 PM Brooklyn to Hempstead train, a train which will be dropped from the schedule on December

19. This Hempstead train carries less than 300 passengers to its home terminal and has basically functioned as a connecting train from Brooklyn to Jamaica to carry approximately 200 transferring passengers to other points on the LIRR system. These passengers will be absorbed on other connecting trains and passengers from Brook-

lyn to Hempstead can utilize other trains scheduled 12 minutes before and 17 minutes after the 6:01.

LIRR President Francis Gabreski heralded the new Hicksville express as "a responsive step to recognize that passenger demand must be the main factor in scheduling rush hour service

Families For Life Club News

By Doug Harknett

The eighth annual Holiday Bountiful will be held on November 29th, the Saturday after Thanksgiving Day, from 10 AM to 4 PM at Levittown Hall, Beech Lane and Levittown Parkway, Hicksville. A wide variety of needlework, gift and arts and craft items suitable for all ages will be offered for sale at very attractive prices.

Birthingright is a non-profit, non-sectarian organization of volunteers who help pregnant women and girls in distress by providing supportive services as an alternative to abortion. It is supported entirely by donations from the public and receives no government funds.

Peggy McGeary, president of Families for Life and Chairman of the event has been working feverishly for the past several months together with her committee of Lucille Jensen, Dot Blair, Jean Ryan and Kay Malone to make a success of it. Actually, these ladies are

just the tip of the iceberg, and so many people are contributing their time and efforts that any attempt to name them all would surely leave many unrecognized.

In addition to the gift merchandise for sale, there will also be donuts, coffee, cake and soda available. Also there will be a drawing every hour for special prizes.

In each of the past several years the Boutique has raised over \$1,000 for Birthingright, with the money being used principally for rent, heat, light and telephone at the Birthingright offices, the nearest of which is located at 206 Main St., Farmingdale, phone number 516-293-5999. When the office is closed, a telephone recorder refers the caller to another phone number where a volunteer is on duty 24 hours a day in her own home.

Families for Life also sponsors another activity for Birthingright on Mother's Day in the local churches where baby clothes and baby furniture are collected. All donations to Birthingright are tax deductible.

For further information about either Families for Life or Birthingright, call 938-1391 or write to Box 574, Hicksville, N.Y. 11801.

The Nassau Salon # 24 of the Eight and Forty met at the Charles Wagner Post in Hicksville on Oct. 23. At the meeting Chapeau Ruth Leger, assisted by La Concreige Virginia Restivo, gave the charge and password to Rosemarie Silva, President of the Farmingdale Auxiliary and a past county chairman of the American Legion Auxiliary. Rosemarie then became a partner of our Salon.

Afterwards, Ellen Hilberer gave her report on the Eight and Forty Pouvoir that was held at the Holiday Inn in Schenectady. She told us that sweaters were needed at the National Jewish Hospital. We are all to send in donations, for playground equipment for the children suffering from pulmonary diseases there, through our Salon. The Department chapeau Cynthia Hockbrueckner also asked for donations of at least \$1500 towards some diagnostic equipment or the Long Island Jewish Hospital. Ellen gave us the new

password for this year. The next Eight and Forty Convention will not be held at the same time as the American Legion Convention next year.

Our Salon sent donations to the Bigelson and Mothers Fund which help the parents of children in the pulmonary hospital, so they can visit their children. Maryalice Del Vallez donated to these funds at the Pouvoir.

Most of our partners donated \$1.35 each to the Blue Ribbon Nurses Scholarship Fund. Scholarships are awarded to nurses wishing to advance themselves to aid children with pulmonary diseases.

After the business meeting, refreshments were served by partners from the Uniondale and Williston units. Marie Cook, Ways and Means chairman, conducted a Penny Auction.

At our meeting on Nov. 24, we shall have a Mary Kay Cosmetic party after the business meeting at the Hicksville Post Island Park and Valley Stream partners will be hostesses.

Happy Thanksgiving to all our partners and readers.

Hicksville Fire Report

The Hicksville Volunteer Fire Dept. responded to 84 alarms during the period of Oct. 26 through Nov. 15. There were 12 malicious false alarms, 47 fire calls, and 25 rescue calls.

On Nov. 10, a general alarm for a railroad box car fire on Engle St., brought out 90 Vamps and all of Hicksville's fire equipment. Water supply in the area was limited and relay operations, under Chief Richard Kershow, lasted for 4 hours. 1500 cases of napkins were destroyed in the fire, which was termed suspicious. Vamps used large volumes of water and chemical wet water to control the fire. The Jericho Fire Dept. supplied one engine for stand-by duty. Damaged was estimated at \$27,000. Power to the LIRR third rail was shut off for three hours.

Fatal Accident And Fire

A 28 year old Bethpage woman died at the County Medical Center following a fiery 2 car accident near the intersection of Jerusalem Ave. and Winding Rd. The gas tank of one vehicle, a van, burst into flames; the van then careened out of control, went across oncoming traffic, plowed through a chain link fence, stopping in flames a few feet from a building. Passing motorists pulled the woman from the burning compact auto at great risk to themselves. Hicksville Vamps rushed the woman to the Hospital, but multiple injuries were massive. The alarm came in at 11:03 p.m. on Sun., Nov. 15. County Police of the 8th Squad are investigating. The driver and passenger of the van

escaped with minor injuries.

Holiday Open House

The annual Holiday Open House will be held at Fire Headquarters on Gebhardt Plaza (E. Marie St.) on Sunday, Dec. 7, between 2 p.m. and 5 p.m. Santa will be on hand to greet the kids. Fire apparatus will tour the District on Sunday, Nov. 30, throwing popcorn balls to the kids calling attention to the event.

Fund Drive

Hicksville Vamps are wrapping up their Annual Fund Drive with neighborhood visits to those who forgot to mail in a contribution. All Vamps have I.D. cards with photos. If in doubt, ask to see it. The Hicksville Fire Dept. answers your calls—will you answer theirs?

Dear Friends

As you will note on page one of our Hicksville Edition, we are bringing you up-to-date on both the Jones Institute situation and the Hicksville Gregory Museum. We remind you, however, that in both instances, there is much pending, which we will, of course, report, as it happens. For example, the Hicksville Chamber of Commerce has appointed a committee to look into what can be done both in the private sector and by government to re-open the Hicksville Gregory Museum and, as you know, there is present litigation regarding the rights of the Jones Institute trustees to sell this property, under the Jones will. In both these important situations, there is still hope.

Who says Senior Citizens are inactive? We don't! Let us tell you about a group of Nassau retirees who are keeping plenty busy as members of a community service organization that devotes much of its efforts to developing special equipment and hosting activities for the handicapped. These volunteers are all members of the Telephone Pioneers of America and former NY Telephone employees. Recently they joined forces to prepare and distribute two unique educational toys for emotionally disturbed children... "talking pandas" and "rocking boats."

The talking panda is an important speech therapy aid for working with children who have a lag in communications development, and the rocking boat is a safe way to encourage children to learn to use regular playground equipment. It also helps to promote social interaction among the children.

These toys are only two of a long list of toys the Pioneers have developed to help handicapped children. Others include a beep baseball and ring-less game for blind youngsters and a voice-operated electric train which helps deaf children learn to speak. Our hats are off to these wonderful senior citizens!

THAT'S ALL for this week. Stay well and remember the old adage: "Never explain... your friends don't need it, and your enemies won't believe it."

DECA Addresses The Board of Education

By Robert Teristi

On Monday, November 17, a group of Plainview High School DECA students gave a presentation before the Plainview-Old Bethpage Board of Education. The various phases of DECA and the Free Enterprise System were discussed in what was a very informative talk.

Plainview DECA President, Allen Cohen began by introducing the other members present, and then gave a general overview of the many facets of the DECA organization. The members of the audience were enlightened as to the goals, purposes, and objectives of the organization.

The next speaker, Vice-President Bob Teristi, spoke about the various DECA competitions that take place during the year at the local, state, and national levels. The skills that the contests are designed to develop were discussed, as was the entire competitive events program, one of the most important phases of the DECA experience.

Vice-President Lisa Rosen, who is also Chairperson of the Free Enterprise Promotional Campaign, then gave an outstanding speech on the American Free Enterprise System, how it ties in with education in the school

district, and what it means to each and every United States citizen. In the future, Plainview DECA will be promoting Free Enterprise throughout the community by means of presentations before other civic and trade groups, displays, and exhibits, and other special events.

The final speaker was chapter Historian Terri Sieber. Terri is Chairperson of the Outstanding Chapter Contest, and she discussed the numerous DECA activities that take place during the year and go into the Outstanding Chapter manual. The chapter's benevolent activities,

fundraising efforts, and various types of public relations were among the events that were talked about.

Overall, the in-depth presentation was very successful. The students were able to utilize their public speaking skills and to promote DECA to the community. The audience learned a great deal from the discussions, and it is hoped that DECA, the members of the local community, and the school district administration can work together effectively and cooperatively while striving toward their many common goals.

Letters To The Editor

Dear Friends:

Thank you for your support and confidence which led to my re-election to represent you for a second term in the New York State Assembly.

For me, there is no greater joy than serving you - the residents of Hicksville in the State Legislature.

I am disappointed that control of the Assembly will remain in the hands of those who favor New York City over the needs of suburban areas like Nassau County. However, I promise to work and fight for tax relief and especially property tax relief, reform of excess state spending, heating fuel tax credits and a fair share of state aid to local governments.

Please know that my district office, located at 3700 Hempstead Turnpike, Levittown (731-3434), is open to serve you.

Thank you for giving me the opportunity to continue working for you.

Sincerely,
Frederick E. Parola
Member of Assembly

Dear Editor:

In January, 1979, Fork Lane PTA held its "Drugs in the 70's" program. Parents (and a few students) heard Al Peck from Help-Aid Detection (H.A.D.) and a representative from the Nassau County Dept. of Drug and Alcohol Addiction speak on drugs available to our children and the rise of alcohol use among elementary school-age kids.

After the meeting, we requested Mr. Richard Jennett, our principal, to look into a program for our students in the 4th, 5th, and 6th grade which would deal with drug and alcohol abuse and misuse.

In the spring of that year, the sixth graders viewed a film dealing with decision making. They discussed the film with our own guidance counselor and with counselors from H.A.D. in their individual classrooms.

Computes

William Buech of Hicksville is one of 700 amateur squash racquets players who will compete in the second annual Boodles Fall Jamboree, the largest tournament in the history of the sport, November 21-22-23 at the Uptown R.C. in Manhattan.

Mr. Buech is entered in the men's C division where he will be matched against outstanding players from 23 eastern states.

However, this was a one-time approach and many parents felt more education on drug and alcohol abuse was needed.

In the fall of 1979, an administrative committee on Substance Abuse, chaired by Dr. Dan Salmon, Assistant Superintendent, was formed. Mr. Jennett and I were members of this committee, hopefully giving an elementary school perspective to the problem.

Also during this time, a survey was conducted among secondary students on drug and alcohol use and misuse. The results, although not surprising to many of us, clearly revealed a need for a positive approach to the matter.

Concurrently, a school board committee was also formed, chaired by Trustee Virginia Germer. Community and staff members heard presentations from community agencies and committee members reacted vocally and in writing to these presentations. Many of us were members of both committees.

In the meantime, Fork Lane PTA continued its drug and alcohol education

program with an evening for 4th, 5th and 6th graders and their parents. It was very well attended and Mr. Peck again spoke and answered the many intelligent questions asked by our students.

This summer, several teachers from Fork Lane attended voluntarily a two-week in-service training course on the school health curriculum project. Seattle-Berkely Model. My personal thanks to Linda Fuchs, Mary Schreck, Ann Hansen, Robert Siegel, Trudy Calzetta, and Mr. Jennett. The Seattle-Berkely Model was the number one recommendation from the Substance Abuse Committee for an elementary program.

The Berkely Model is a pilot program at Fork Lane School for fifth graders. I have a personal stake in this since my child is a fifth grader, at Fork Lane. He will be studying the lungs and respiratory system and learning what will happen to his body when smoke, drugs, and alcohol is ingested.

Recently, Mrs. Linda Fuchs, our school-nurse

teacher, met with fifth grade parents to explain the curriculum and to answer questions we had. It will be incorporated with the science curriculum, with both Mrs. Fuchs and Mrs. Hansen team teaching. A separate room has been set up with materials to be used and we perused them and asked more questions. It was emphasized that human sexuality will NOT be part of this pilot program.

In conclusion, Fork Lane parents finally have the in-school curriculum that has been requested in January, 1979. Be being patient and persevering; by working cooperatively with administration and the school board; and by having teachers who care, our kids will now benefit and hopefully make wise decisions concerning the use of drugs and alcohol.

Needless to say, I feel personally rewarded by this feat.

Operation VFW

By Lou Palladino

The last meeting was held with the absence of our Commander Mike Monteleone how ever, we know Mike went to an affair for the Post, one which would not have been appropriate to send a representative. We also heard Mike was hospitalized, and should be home by the time this get to press, it would be nice to send cards.

For those interested, our District #1 V.F.W. invited President elect Ronald Regan to Long Island. In his place, he is sending a representative, one of our own which we so heatedly approve. He is Jr. Passi National Commander Howard Vaner Klute. The date is Jan. 4th 1981 at the

Prince Post in Queens Village. We will give you more information when our own Harry Wurth, who is District Commander, completes his report. Howard is a real sharp guy when it comes to V.F.W. but then you have to be to make National Commander.

Something else that seems to be a hot issue, is a nursing home on Long Island for the Veteran. It has passed the State Assembly, and now it is before the Senate. Harry Wurth reported your Senators want letters so he can present his case. So write to your State Senators and let him know how you feel. We need a nursing home on Long Island. We have many Veterans here and the

World War 2 Vets are getting old, so the demands for a home is there. Who knows, the unfortunate person in need could be yourself.

The Legislative Breakfast, as usual, had a good turnout. Duncan McLean reports the tickets for the circus have been obtained, the ages are from 6 to 12, the date is Sat., Dec. 6th. Time for the bus is at 10:00 A.M. and the show starts at 11:00 at the Coliseum. When you get the letter return it as soon as possible. Don't let your child get shut out. A Circus is for kids of all ages.

One member was enrolled in our Post. He is a transfer and an old war horse from W.W.2. Wilter Hansen, Wall we welcome you, hope you enjoy us, and become a working part of this Post, and become one of us.

We have dances coming up in short order, our Post Christmas Party is Dec. 13 \$10.00 per person, and it is for members only, which also includes the Ladies Aux. and their escorts. The New Years Party is \$27.50 per.

Correction

The elections for Hicksville Fire Commissioners will be held on Tues., Dec. 9, between the hours of 6 p.m. and 10 p.m. at the Hicksville Fire Headquarters, Gebhardt Plaza, Hicksville.

The wrong date was given in last week's edition of the HERALD.

which includes. Surf and Turf and all the trimmings, plus noisemakers, hats and the whole bit, and the Charter Night Dinner Dance will be \$20.00 per Person. All these dances and each chairperson is trying to sell his tickets. It can't be helped, but all these are necessary. We all look forward to the Christmas and New Years Party, which wouldn't seem right with out them, but Charter Night should be a must. So take your pick which party do you want to attend Dec. 14th, Dec. 31st, or Feb. 21st. If you like, go to all and have a ball.

We were a little short of help for our Las Vegas night, and also had to compete with four other places. We did pretty good as far as attendance was concerned. Frank Lotti is beginning to sound like Arlie Fueling with his report the same old word "HELP". It's tough when your short-handed for help, so please next Vegas night will be Dec. 6th, try your best to come over and give a helping hand you will also be giving someone some relief. Make Frank happy, give a good turnout.

Mike Ciadella, our Chaplain, would like a better turnout for the Northport visits, it's a tough job and help is always needed for the Ward parties every month.

Lucky Winner at the last meeting was Pat Mercurio. Next meeting is Mon. Nov. 24th, come over!

Cub Scout Pack 293 News

By Charles P. Stein

Scott Morrison of Hicksville joined the ranks of Pack 293 in October. Scott is the fourth new Cub Scout to join the pack since the beginning of the scouting season in September. Pack 293 hopes to add many new Cubs before the end of the season in June. In order to work toward that goal the pack plans on starting two new dens by the beginning of the new year. Anyone, wishing to get in on the ground floor in these two dens, contact either Cubmaster Frank Maier at 681-6217 or Chairman Charles Stein at 822-2630.

Saturday, October 25 was the day that 29 Cubs, their family, and friends attended a performance of "Yankee Doodle Dandy" at the Westbury Music Fair. Saturday, October 25 was also the day that the heavens opened and dumped more rain on Long Island than we have seen in a long time. Despite the downpour, and the wet feet, everyone seemed to enjoy the two hour performance. The pack would like to thank the Westbury Music Fair for extending to us special reduced group rates. Also, a special thanks to Ms. Laurel Kremer who worked very hard to find tickets for us.

On Thursday, November 6, Pack 293 held its' second Pack Meeting of the season at the United Methodist Church, Old Country Rd., Hicksville. Another fun night was provided by the Cubs, Cubmaster, Den Leaders, and resident guitarist.

Congratulations to Novembers "Cub of the Month," Andrew DeBernardo who, along with Michael Wozniak, won the travel game. Refreshments were provided, and served by Anacelia Lazarus, Cookie Utting, and Karen Maier.

Pack 293 has some great activities scheduled for the next few months. Novembers outing to the United States Merchant Marine Academy in Kings Point has been finalized. The Cubs, their families, and friends will tour the academy grounds in the morning and attend a football game in the afternoon. Decembers Pack Meeting will be a combination Pack Meeting and the pack annual Christmas party. The Christmas party may very well have a surprise visitor - guess who.

consistently hold the General Town. Tax rate and even lower it. It has been a point of pride for all of us. So, the threat to Revenue Sharing was also a threat to all the work that has gone into holding the tax line through the years of double-digit inflation. It would have made our efforts seem insignificant if the failure of Congress to pass one piece of legislation could result in our success being wiped out. A strong effort by Oyster Bay, Nassau County and other local governments across the nation prevented that from happening.

EXPRESS (from Page 1 Hicksville)

changes, a Port Washington-Penn Station train was rescheduled to shift crews and equipment affected by the rescheduling of the two Hicksville-Penn Station trains.

The new schedule has been under development for several months by a joint committee of the LIRR's operating, service planning and public affairs departments, an effort that involved analysis of feedback from customers, crew comments, on board passenger counts and on and off headcounts at all stations served by the 5:31 and 5:47 PM trains. Implementing the new schedule in December will require the reassignment of 12 crews and will result in a cost savings to the railroad of \$29,120, accomplished by the reduction of the crew needed to run the new express train in lieu of the former Hempstead local. Express trains generally have lower crew requirements since more time for collecting fares is available between stops.

Concurrent with the new schedule will be the dropping of the Micksville stop on the 5:47 PM Penn Station-Huntington train, which will run express from Jamaica to Syosset. Hicksville, the busiest suburban railroad station in the United States, is used by over 6500 passengers each rush hour.

Within the limitations of our available equipment, each train must pull its weight and it is unfair to our passengers to have an empty Hempstead run while people have to stand every night on other trains," concluded Gabreski.

While LIRR operations at Penn Station have been near the saturation level for a number of years, a timeslot had existed between Penn Station and Jamaica for a new schedule. This timeslot remained unused because of the unavailability of equipment; the discontinued Hempstead train will allow the use of the timeslot (optimum scheduling at Penn Station permits departures at two minute intervals).

From Jamaica to Hicksville, an operating "window" had to be created for the new train. This involved the re-patterning of stops on two off-peak Hicksville-Penn Station trains, trains which were occupying the most northerly track between Hicksville and Jamaica. By changing the schedules of these two trains, the 5:15 and 5:31 PM trains from Penn Station to Hicksville could be moved to the most northerly track between Jamaica and Hicksville (normally, the westbound track) and a timeslot on the eastbound track was created for the new express train. In addition to these four

A HAMBURG SAVINGS BANK RETIREMENT PLAN GROWS WITH TAX-FREE DOLLARS. HERE'S HOW:

PLAN 1. Self-Employed Retirement Accounts. (Keogh Plan)

People who work for themselves can now save on taxes to the tune of \$7,500 a year! That's the amount you can set aside, tax free until retirement, in our self-employed (Keogh) retirement account at Hamburg Savings Bank. Depending on the amount you choose to save, the plan you select, and the number of years until you

retire, you'll find your retirement fund can be remarkably substantial. Ask us for details, with specific figures for a program tailored to your retirement goals.

Visit a nearby office and get specific figures for a plan to suit your retirement goals. Also ask us about the new Defined-Benefit Keogh Plan.

PLAN 2. Individual Retirement Accounts. (IRAs)

Regulations let you put aside up to 15% of your earnings — up to \$1500 a year — and you pay zero taxes on the money or the interest it earns until you retire. (By then, you most likely will be in a lower tax bracket.)

If one spouse is employed and not covered by a qualified plan, that working spouse is eligible to include the non-working spouse in his or her IRA. Or the couple may set up separate IRAs. In either case, an additional \$250 — to a maximum

of \$1,750 annually — may be contributed. If two separate plans are established, it will be to your advantage, tax wise, to contribute the same amount of money annually to each plan. For example, each year 15% of the working spouse's compensation, up to a maximum of \$875, should be deposited to each IRA.

For tax relief now and a great retirement later, visit a Hamburg Savings Bank nearest you — today.

Deposits can be made weekly, monthly, or in a lump sum.

News From Plainview-Old Bethpage Road Runners

Heariest congratulations to POBRR's Harry Constantine. Harry passed up the New York Marathon to run in the Marine Corps Marathon in Washington, D.C. on November 2, and finished in an outstanding 3:14:30. That's quite an accomplishment, especially since it was Harry's first marathon.

While our marathoners were resting on their laurels, other Club members were active in shorter local races. Bert Jablon finished in 2nd place in the "50 and over" category (60th place overall out of nearly 600 starters) in the November 9 Mineola Mustang 5 Mile Run. Also in the Mineola Run were George Ofenloch, who finished the 5 mile course in 38:02, and Ed Naughton who ran the course in 41:25. It was Ed's first race ever!

Just prior to the 5 mile Mineola Run on November 9, a one-mile "Fun Run" was also held. 129 runners of all ages competed, including several of the Club's gratifyingly successful, which also prompts the Galileo Lodge to express to Chairman Teddy Marotti and his coChairman Joe Pino (and the many other members who aided and abetted) its sincerest and warmest Thanks for performances far beyond expectations. (See Photos)

For another exercise in warmth and congeniality, please remember that on December 20th, the Galileo Lodge presents its Christmas Dance. Price of admission will be \$8.50 per person and for this modest sum you will be offered a dinner, beer, soda, coffee and cake, set-ups and some

youngsters - Jesse Stopek (age 5), Pamela Stopek (age 9), Laurence Naughton (age 9), and Eddie Naughton (age 12). All four youngsters put in super performances, and Laurence Naughton's time of 6 minutes, 57 seconds for the mile was especially noteworthy. (He finished 7th of the 129 starters.) We look for more of our "younger generation" to get involved in road racing in the future!

Congratulations are also due to Tom Corrano, who completed the November 16 Long Island MacArthur Airport 7-1/2 mile run in the fine time of 54:50.

nice dance music by the Dynatonics. Jeff Wallick (681-8428) will chair this activity and he will be ably assisted by Armand Del Cio (938-5052) and Frank Matassa (931-2843), and all of these members can be contacted for tickets and seating arrangements. Hours are from 9:30 to 1:00 P.M. To get into the mood of Christmas, why not attend our own version of Christmas celebration.

The Christmas mood at the Galileo Lodge does not end with the dance just mentioned, it rather begins with it. On the 21st of December, the Galileo Lodge presents its two Xmas parties, one for the retarded children of Long Island and Queens, and the other one for the children of the membership. Jim Rerisi will direct these two activities, announcing that these children will be offered spaghetti and meatballs, salad, ice cream, cookies, candy, fruit and the talent of Richard Lagnese and the Peggy O'Connor Dance School. Santa Claus will be present, of course, with his bag of toys. Parents are also invited.

A reminder! Please don't forget to vote for Mario

Misturini, a member of the Galileo Lodge and of the Hicksville community for 32 years, with over 20 of those years being unselfishly devoted to the Hicksville Fire Dept. Mario's extensive knowledge of firematics, his unswerving devotion to the Hicksville community and his expanded concern for the safety of the community make him an excellent selection for the role of Fire Commissioner. The voting takes place on December 9th, from the hours of 6:00 to 10:00 P.M., at the Main Fire House, Gebhart Plaza, Hicksville.

Beauty lies in the eyes of the beholder, and if this is so, then I must say that new renovation project just completed by the Galileo Lodge is really beautiful. A new carpet, newly-laid tile, repaired ceilings, immaculate kitchen gives our organization a new inner face, the credit of which should go to James Posillico and the members who diligently aided him. The Galileo Lodge fully acknowledges the beautiful work performed here and also extends its sincerest thanks to Jim and his industrious crew.

Library Progress Report

Progress report on the Hicksville Library elevator installation: At this time the construction is almost

complete, the doors are on, the elevator floor is in and the heating has already begun. The partition on the library's main floor is being removed this week and the book stacks will be replaced as soon as possible. They hope to announce in a short time that the library is fully accessible to all the community with the newly altered rest rooms, the lowered water fountain on the lower level and an elevator to enable the handicapped the use of the periodical room, the children's room and the community room.

They are planning the first performance in the Sunday Afternoon Series for the 23rd of November. The Frank Huang's Harmonica Ensemble will present a program of classical and contemporary music.

HORNETS/MID ISLAND
COACHED BY
TOM REILLY AND
KEN HAMEL

The Hornets were victorious once again in a 4-1 win over Levittown's Roadrunners. This brings the Hornets to the playoffs in first position. All the boys played in fine style - passing and holding their positions and helping each other - it is beautiful to watch. Mike Iavarone scored three sensational goals - Richie Chakrin scored the fourth goal in the second half - Bobby Kratochvil had an assist from his center mid field position and Gregg Pressman also had an assist. Billy Sussman was super in goal with many fast saves - Brian Doyle did a splendid job from his left full back position.

The boys have had a very rewarding season - we are confident that they will play another clean, fair game on Wednesday evening, for the first-playoff game at Canteague Park - our special thanks to the parents for all their cooperation and helping in the field.

Strong defense was provided by halfbacks Matt Adelstein and Stephen Pine. Excellent goaltending by Neil Cambro, who recently took over the goalie slot.

JFK High School News

By Tracey Sennett

"What we have here, is a failure to communicate." This need for better communication has prompted the Board of Education to designate November 16 thru 22 as "American Education Week". Students, teachers, and parents will be urged to examine the schools of 1980 in hope that ideas will be gathered to improve education for the future. Citizens also play a role in this special week as they are asked to visit and evaluate the schools in their community.

Members of the Model United Nations Club (METMUNC) have worked all and into the first quarter of school in preparation for their conference that took place this past weekend.

These meetings took place at Kennedy High School and delegates from schools all over the state arrived by bus on Friday. These students were housed by families in Plainview as well as Old Bethpage.

The convention, organized by students, Sal Siembo, Dave Han, Richard Stoller, and Robin Somkin, proved to be quite a success as the delegates debated the current issues before the United Nations. Kennedy students met with a variety of people and they seemed to enjoy the encounter. After a session concluded, students remained in the school to square dance in the cafeteria. It was an exciting experience for all involved.

The seats for Senior Class Treasurer and Secretary have been vacated upon the

acceptance of their resignations last week. The Senior officers chose to escape the embarrassment of impeachment proceedings that were soon to come, according to the head of the student government, Dr. Quebec. Open elections will be held and campaigning will take place the twenty-first thru the twenty-fifth.

Last Monday, Foreign exchange students, who attend Kennedy and Plainview schools, held an assembly in the Kennedy L.G.I. Students exchanged their ideas on the subjects of politics and social activities, with representatives from Taiwan, Sweden, and Haiti.

A cake sale will be held Wednesday to raise money for the Junior class.

Plainview High School News

By Robert Teristi

Plainview High School has never experienced such a great outbreak of school spirit as it is having this year. This is due primarily to the many exciting activities that are taking place just about every week.

On October 31, the Student Association (SA) sponsored a Halloween contest in which prizes of cash were given out for the best costumes. A tremendous amount of enthusiasm was displayed by the many students who got involved. First prize, \$25, was awarded to Michael Coulez, who dressed up as The Jolly Green Giant. Everyone who participated had a great time, and it is hoped that this will become an annual event.

On November 8, Plainview's Senior Class

sponsored the Sadie Hawkins Dance. This is a Plainview tradition for which "the girls grab their favorite guys", and get ready for a night of square dancing and a lot of other fun events. The highlight of the evening came when the Senior Class Officers announced the Senior Celebrations winners, such as Most Likely To Succeed, Class Clown, Most Versatile, Best Looking, and many others. The dance turned out to be an overwhelming success, both socially and financially, and the profits will go toward the various expenses of the Senior Prom.

This past Saturday, November 16, was the Homecoming Football Game, in which Plainview played Jericho. The ceremonies were conducted during half-time, when the

winners, picked by the fall sports teams, were announced. Congratulations to Marc Herbst, Homecoming King, Karen Serani, Homecoming Queen, and the Queen's Court, Marina Burke, Andrea Ceo, Cathy David, Janice Gialella, Shari Krupin, and Sue Ortiz.

Homecoming was sponsored by the SA, which is extraordinarily dynamic and is presently having one of its most productive years. The SA is led by President, Joe Kasper, and Vice President, Marc Herbst. The SA, along with the four class governments of the school, has many more upcoming events planned. These include a ping-pong tournament, Battle of the Classes, and the Homecoming Dance, in which the members of the Class of 1980 return for a reunion.

Jimmy Schneider each scored a basket apiece. Excellent rebounding was supplied by all.

The Supersonics defeated the Jazz 29-23. Billy Moran was high scorer with 14 points. Paul Bier did a fine job rebounding. For the Jazz, Donald Moore scored 13, Scott Carson 4, and Kevin

Hicksville Participates In State PTA Convention

The Hicksville PTAs were represented by sixteen voting delegates at the 83rd annual New York State PTA Convention which was held from October 26-29 at the Concord Hotel. More than 900 delegates from all areas of the state participated. They voted on the many resolutions proposed and for the State slate of PTA officers. In addition, they attended workshops and seminars designed to help PTA leaders to become more efficient and better informed.

SOCCER CLUB (Continued from Page 9)

Tuesday, Veteran's Day found the boys facing Northport for a make-up game. The temperature was in the 30 degree area and the winds were gusting. Hicksville's score came fairly early in the first half, with Bobby Ladimir lobbing the ball over the goalies head from around the 18 yard line. The Hurricanes had a number of good runs at goal, only to have play stopped. Precise passing has become a trademark of this team, who is a pleasure to watch.

Saturday's game was against Lindenhurst, who the boys beat early in the season. After a late start, The Hurricane offense took control. The first goal came on a hooking ground cross in front of their goal, which rolled right in past all their defenders. This tremendous effort was provided by Bobby Findlay for his first goal of the season, after being moved to the front line recently. Lindenhurst countered shortly after, leaving the score 1-1 at the half. Halfback Chris Santarelli controlled the midfield playing an incredible game. Matt Adelsheim played another good defensive game, keeping Lindenhurst guessing where the ball was going. Hicksville's second goal was by halfback Drew Donohue

who crossed the ball in front of their goalie. Wing David Kuck had a number of close shots, only to be foiled by their defense. The final was 2-1 Hicksville, bringing their record to 5 wins, 2 losses, 2 ties.

Pee Wee Soccer Utah Wins First Place

Hicksville American Soccer League's Pee Wee Team -- Utah, defeated Michigan 4-0 on Sat. Nov. 15, for the season's Championship. Stats for the year were 9 wins, 1 loss (to Michigan) plus 2 play-off wins.

The entire team toasted their victory over ice cream at Baskin-Robbins. Special mention and many thanks go to team coach Phil Alagna, Asst. Coaches Charlie Santarelli, Charlie Oliver, and Ron Ladimir for the many hours spent training the team -- truly a group hard to match.

Team members are Philip Alagna, Scott Klein, Peter Klein, Craig Tellalian, Brian Bleason, Charles Oliver, Philip Catera, Scott Pollak, Louis Proctor, Brian Magee, Charles Santarelli, Brian Budway, Ronny Ladimir, Jason Kilmetsis.

Congratulations team for an outstanding season.

came to the floor for a vote. Nassau District PTA had proposed a similar resolution regarding the disbursement of salary penalty money but not including arbitration. This resolution was defeated in a floor vote.

The Convention stressed the theme that PTA is the vital link between the school and the family. In keeping with this, PTA Council invites all residents who have concerns involving our schools and children to contact the PTA officers at their local school for assistance.

Jaycard and David Kanuck.

Young Americans

The Under 14 girls winning their last 5 games, while scoring 14 goals and letting up only 1, hosted the Cold Spring Harbor Demons on Nov. 2. The Young Americans kept the winning custom by defeating the Demons 3-0 in a very impressive match, which exhibited fine execution of passes and runs by all the team members.

On Nov. 9, the Massapequa Stings travelled to Hicksville to avenge their loss earlier in the season (2-0) at the feet of the Young Americans. Hicksville came out for the first half a little jittery in a touch and go game which saw Pega pul 2 goals in the net. The Young Americans in the second half demonstrated the character they possess by scoring their first goal 5 minutes into the half. The girls played a solid half dominating the entire field but was unable to place the second ball in the net. Debbie Kenefick injured in this game will be sidelined for 2 weeks.

On Nov. 16, the girls travelled to Baldwin to play the Cougars which resulted in a 2-2 tie.

The team of Barbara Bruder, Mandy Devaux, Tracey Fiume, Amy Flannery, Lori Gluck, Debbie Kenefick, Ann Kenny, Sandra Laine, Dominique Missimo, Laura Reinhardt, Christine Sierra, Stacy Sokol and Theresa Solaski maintain a record of 6 wins, 2 losses and 1 tie and are looking forward for the final game of the year vs. Brentwood at Hicksville on Nov. 23.

Hicksville Belles U-16

The under-16 girls went to Northport this past weekend to play a match with the Clippers. The captain Denise Harkins, won the coin toss and elected to go with the wind.

Hicksville was down Northports end 90 percent of the time, but the Belles were unable to put the ball into the net. Outstanding plays were by: FORWARD LINE Lisa Burke, Kathy Conway; Michelle Dority and Susan Mitchell, MIDFIELDERS Gina Ciraoco, Denise Harkins, and Lisa Humman, SWEPPER Suzanne Sierra, STOPPER Theresa Caputo, FULLBACKS Tanya Pfeffer, and Brenda Confrun, and GOALIE Debbie Hockman.

The Hicksville Belles played a hard game, unfortunately to see the Belles lose to Northport 3-0.

Thunderbirds - 2

Auburndale - 2

By Roy Horne

Hicksville Thunderbirds scored first at Auburndale, Sunday morning, November 16, when Brian McKenna took a pass from Tom Roman with 3:30 gone in the first half. The Auburndale offense tied it 11 minutes later after a loose ball was fired into the net.

"It was a shame that it was tied at halftime," coach McKenna said, "because we outplayed them, even with the wind in our face and the playing field sloped toward our goal. We controlled the game and used the short passing game very effectively."

In the second half Joey Doherty crossed the ball to Craig Colasanti, who booted it past the Auburndale goalie to tie the score 2-2. It stayed that way until Joey Doherty scored the final goal on a text book pass from Brian McKenna.

George Antaki played a brilliant defensive game at fullback. Michael Ayres, Andrew Horne and Tom Roman also contributed effective defense against the Auburndale team.

Outstanding team play was also initiated by John Cambronero, John Donnelly, David Weinberg, Martin

A Message From Sup. Colby

By the time most residents read this, a special meeting of the Town Board scheduled for Thursday, November 20, will have taken place and the budget for 1981 will have been adopted. With the adoption, the General Town Tax rate will be held again at the reduced level set by the 1980 budget. This marks the first time in recent history that the Town Budget wasn't adopted until the last day

allowed by law. The reason for the delay in addition was very simple and very serious: Revenue Sharing.

Until last week when I went to Washington, D. C. for a Revenue Sharing rally of local government officials, it was very possible that the federal Revenue Sharing program, which existed uninterrupted since 1972, would be discontinued. Congress had adjourned for

election without continuing a program that brought back to Nassau municipalities almost \$30 million a year. In the Town of Oyster Bay some \$2.3 million that was expected had been placed in jeopardy.

At the Revenue Sharing rally I had been selected to represent Nassau County and I spoke in behalf of all Long Island local government officials. I met with a number of Congressmen from New York and with Senators Patrick Moynihan and Jacob Javits. The seriousness of the need for Revenue Sharing was made known in every office and hallway. After much lobbying, Congress seemed ready to adopt a continuation of this program.

On the basis of my many discussions, I came back from Washington feeling assured that our portion of the federal Revenue Sharing program is secure. On that basis, the Town Board was able to schedule adoption of a Town budget for 1981 that

will hold the line on the General Town Tax rate. This means the rate that was lowered this year, for the first time in 12 years, will remain at the lowered rate of 80 1/2 cents per \$100 Assessed Valuation for 1981.

Without the Revenue Sharing program, the General Town Tax rate would have had to increase by about 25 1/2 cents. I am sure the residents of this Town are as pleased as I am to know that there will be no need for this tax increase. While the amount of money this increase would have represented was minimal - only about \$1.50 per month for the average homeowner - to me it represented something much larger than the dollars involved.

Since taking office in 1977, I, and my department heads, have looked into every possible innovation to keep costs down through increased government efficiency. By doing it, we managed to

Brownie Troop 3548 News

By Doris Webster

If you've been seeing "brown blurs" at the corner of your eyes—don't worry. It's just our busy Brownie (Troop 3548) from Lee Ave. School.

In the past two weeks, the girls have donated records to Lee Avenue's music department; planted dozens of tulip bulbs in front of the school; learned about Juliette Lowe and celebrated her birthday; gone roller skating and signed up for future lessons. They also sold magazine subscriptions and calendars; and learned about child care and safety. (We'd like to give a big "thank you" to Mrs. Wargo for bringing in little Natalie to that meeting. It made it a lot easier for us to understand all the do's and don'ts of handling babies.)

I.B.M. HELPS THE ST. IGNATIUS BEAT GO ON:
Oyster Bay Town Councilman Thomas L. Clark (right) is all smiles as the Hicksville St. Ignatius Girls Cadet Corps gets a boost from I.B.M. Corporation in the form of a donation from the company's Community Services Program. F. Ward Jones (second from left) Engineering Branch

Manager, Office Products Division, presents the check to Don Graziose, Director of the Corps. Employees of I.B.M. can request donations from the Community Services Program for unsupported, non-profit youth activities in which they are involved. Anthony Kelley, Jr. (left), an I.B.M. Advisory Systems Engineer, requested the contribution for the St. Ignatius group.

At Lee Ave.

As part of Hicksville School District's Cultural Arts program, Mrs. Jan Board visited Lee Avenue School recently and spent the day at her display table teaching the students about stained glass.

Each class had time to

stop by to listen and watch Mrs. Board and her beautiful handiwork.

Each spring, the Lee Avenue School grounds are graced with color. At our annual October bulb planting, we have selected an area for our youngsters to plant bulbs for spring bloom.

On October 27, Brownie Troop 3548 planted tulip bulbs around the evergreens. The Lee Avenue P.T.A. Ecology Committee sponsors this activity.

At Burns Ave.

Our 1980 Election Day Cake Sale, was the best we've ever had. It was an extreme success. By 2:00 P.M., there was not one cake to be had!

We'd like to extend our appreciation to all those parents who helped to make this possible and to all the voters who purchased the cakes.

On Sept. 23rd & Oct. 18th, the Burns Ave. School had our Open House and General Meetings.

The business portion of the meeting was to approve the 1980-81 P.T.A. budget which was unanimously passed.

The "Meet the teacher" segment was a success and everyone later returned to the cafeteria for refreshments.

The Flag Ceremony was conducted by the Burns Ave. Brownie Troop # 3283 and Girl Scout Troop # 3283.

Special thanks are given to Brownies: Sallyanne Scott, Tara Holohan, Danielle Andrew, Tara Hooper and Nancy McNamara. And to our Girl Scouts: Christine Connolly, Donna Haines, Lucia Scott, Janine Stein and Eileen Garney.

Caution Re Mail Order Bargains

Shopping for holiday gifts through the mail requires caution, warns Nassau Consumer Affairs Commissioner James E. Picken.

Many mail order houses are reputable sources for attractive buys, but some are not. Be suspicious, he advises, if ads or letters offer fantastic bargains in jewelry or collector's items, implying a future increased in value.

If you're interested in buying, ask yourself what information is missing from the ads. How big is the item? What does it weigh? How can I evaluate the workmanship? What is its comparative value in local stores? Could it be resold if it did increase in value? How limited is a limited edition?

"Don't fall for the line that

you were specially selected for some advertising test or publicity campaign," Picken said. "If it seems too good to be true, it probably is."

Check all mail order ads for an estimated delivery date, he advises. If no time is stated, the company must ship the goods within 30 days of receiving the order, or offer the consumer a refund or a substitute.

Pay by credit card or check, never in cash, so you have a record of the transaction.

If you have problems with unfair business practices or misleading advertising, The Nassau County Office of Consumer Affairs will help. Write a letter describing the problem to 160 Old Country Road, Mineola, N.Y. 11501, or call 535-3100 for a complaint form.

THANKSGIVING TABLETIME

Thanksgiving Day has always been a special day in my life. It is a family day ... not just the immediate family but grandparents, aunts and uncles, and cousins. It is a happy day, a day of good feeling, friendly conversation, the excitement of a parade and at least one good football game. But the most important part of the day comes when we all sit down at the table ... we are all so close ... there is a good feeling of love in the air ... the food looks and smells great, and we usually can't wait to dine in.

We never forget to pray on Thanksgiving as has happened on occasion during the year. This occasion always seems to call for something more than the traditional table grace. The prayers are longer on Thanksgiving because it is also a day of remembering ... remembering our good God who has blessed our country abundantly and our home especially. Yes, gathering around the table is the heart of Thanksgiving for me.

I believe the table is the most important piece of furniture for the family. It is hard for us to function without it. Even the poorest home has a table, and is by that very thing not so poor at

all. For the table is the gathering place for the family ... for work, for learning and sharing. In a society where both parents work and where children are involved in many activities after school and at night, the table during the dinner hour has become the last regular meeting place of the family.

In Father Capon's book, *Bed and Board*, he has a memorable postscript called "Dinner at Our House." It reads in part: "I look down the table over which I preside. I feel like God part-way through creation. Before me stretches a chaos. Self, wife, sons, daughters; dishes, silver, food. My carving tools rest now upon leg of lamb (presented wrong side up-my wife cooks marvelously; why doesn't she look at what she does?). My first-born must have no gravy on his rice; the third-begotten begs off the mushrooms. My eldest daughter loves lamb, of course, but not that much. Before we are very far into the meal the youngest knocks over a glass of milk. Down toward me it races like a flood across the land. I jump up and back, but over the edge it pours and I am hit; right trouser leg, below the knee. It is the third time this meal and the sixth or ninth today. She has spilled it backhand, forehead, sidearm and elbow first. She has upset glasses with her head, her feet, her shoulders and knees; her belly and the middle of her back. And with endless variety of time and circumstance. Upon thick tablecloths yielding a white swamp which spreads toward us all; or upon plastic tablecloths for a high velocity attack. (I can remember only one successful escape from milk spilled on plastic. I nearly broke the chair to do it.) My second daughter is silent. The corner of my eye catches her, head lowered. I know what it is. Patricia! Get rid of that book! She is on her twenty-ninth Nancy Drew mystery and has smuggled it to the table to

read in her lap."

Table time is an important time in the family's life. Its significance is further enhanced when it is used as a time of loving, caring, and sharing. You would do well to share how good God was to you during the day, and how Jesus gave you strength at a rough time. Table time is a good time for God-time. The family having eaten, takes time to read God's word, maybe even sing a hymn, and then join in prayer.

It is interesting to note that one of the last things of great significance that our Lord did before His death was done at a table. He sat down to have fellowship with his disciples, break bread, and celebrate the Passover. He knew what was coming shortly, and He needed to be with those He loved. As He ate the Passover, He gave thanks for God's many blessings even with death staring Him in the face. As they ate, Christ instituted what is now called Holy Communion or the Lord's
