MERRY CHRISTMAS:

Messages To The Hostages

CHRISTMAS MESSAGE FOR HOSTAGES: The students of Woodland Ave. School designed a special 18 page booklet for the hostages in Iran. Under the guidance of Mrs. Schneider, all the students worked to put this message together.

These students came to the Hicksville Post Office, where they were met by Postmaster Anthony M. Murello, who complimented them on their excellent project while advising them on how to mail this important message.

Season's Greetings, Happy Meetings,

To one and all with love.
Jesus Christ and everything nice - That's

what Christmas is for. Hang stockings near the fireplace. Wake up with a happy face.

I give wishes the very best. Please come home to the West.

Open House

The Hicksville Nursery School, a non-sectarian, non-profit, cooperative nursery school is holding an Open House for all interested parents with their children on Wed., January 7 from 1-3 P.M. The school is located at Cherry Street and Nelson Avenue in the education building of the United Methodist Church.

In the Hicksville Post Office on December 15th, we see (Left to right:) Allie Liguori, Jennifer Jones,

Vera Porco, Denise Beja, Mrs. Schneider Art Teacher and Postmaster Murello.

Board/Building And Grounds Sign Contract

By Linda Strongin

A two-year contract between the members of the Buildings and Grounds unit and the Hicksville Board of Education was formally approved at a meeting of the Board Wednesday evening. Details of the contract were not disclosed.

The item was moved to the end of the agenda and voted on after a nearly ninety-minute executive session. Other personnel agenda items were also discussed in the executive session. These

included a leave of absence; the appointment of a school psychologist to the Committee on the Handicapped; and the approval of central office administrative staff salaries for 1980-81.

Upon returning from the executive session at nearly 1 a.m., the Board first approved the leave of absence; and appointed Mrs. Carole Miller, a Hicksville school psychologist, to the COM, filling a vacancy created by a retirement. The position is

mandated by state education law.

The Board did not however, act on the administrative salaries. Trustee John Ayres asked for a point of order for continuance, which, under policy, must be acted on when meetings go beyond 11:30 p.m. The Board has not used this policy for quite sometime. Mr. Ayres voted no for continuance and the meeting was adjourned. Only one vote is necessary to adjourn the meeting.

Vice President Bill Ben-

nett appealed to Mr. Ayres to withdraw his point of order, but Mr. Ayres declined. "A heated discussion on the matter then began. Trustee Dan Arena stated it was the first time in quite a long while that he saw a "deliberate attempt to discontinue a meeting because a Board member did not want a vote taken on the matter."

The earlier part of the meeting was devoted to long discussion on Board policies. Mr. Bennett presided for two

Hicksville Fire Dept. Report

Wood-Burning Stove Could Be Your Worst Enemy

As fuel prices rise, the wood burning stove is becoming more popular, but they may present a fire safety hazard to life and property. The hazards of lighting the stove, fueling, ash removal, wood storage should be considered.

Before you acquire a stove, keep the following points in mind:

Be sure to get a permit from the town.

Be sure the stove design has been tested by a nationally recognized laboratory.

Look for the test label on your stove.

Be sure you have installation instructions.

A stove should not be permitted to overheat. Radiant heat is one big hazard to look for. Keep stove away from walls and combustible materials. Improper maintenance of the stove, including chimney systems is a serious cause of fires. Combustion rates in wood stoves should be maintained at a high level. This will insure that the products of combustion will have had the opportunity to exit the chimney before the condensation of Creosote occurs. The stove pipes and chimney should be inspected and cleaned often. Recently a woman, standing in front of a coal stove had her nightgown ignite from radiant heat. You get no warning - utmost caution must be observed.

Health officials are preparing for an influx of pollution complaints from people living next to homes with stoves. The Fire Department has responded to numerous smoke reports, only to find a wood stove in operation.

Stoves that burn wood and coal cause between 14,000 and 15,000 house fires across the nation each year and result in 115 to 150 deaths according to the Federal

Consumer Product Safety Commission. In many cases the use of wood stoves in winter boosts the number of fire alarms. Some people make fires too hot, causing stoves to glow red, others burn improper materials in their stoves. They are designed for either wood or coal, not garbage.

Kerosene Heaters

Kerosene heaters which do not carry certification from a nationally recognized lab (U.L. or F.M. factory mutual) violate county law, efficiency claims are being investigated by the Federal Trade Commission. Certified heaters have safety features such as no tip devices. The greatest risk aside from fire, fuel storage problems is improper ventilation which pose the risk of asphyxiation or carbon monoxide poisoning. Industry representatives say present laws are archaic.

The Hicksville Fire Dept. urges local residents to weigh the pro and con on heating devices. Consider the hazards of bringing a flammable liquid into your home and the risks of asphyxiation. Obtain permits, follow instructions to the letter. Remember - it's your family.

104 Alarms for Vamps

During the period November 16 to December 12 there were 104 alarms answered by the Hicksville Fire Dept. There were 12 False Alarms, 51 Fires, 41 Rescue calls.

Two Vamps were hurt fighting a fire on December 2nd at 101 Bay Ave. A fire believed to have started in a faulty wall fan spread to several areas of the home. Considerable damage resulted. The two Vamps were injured when a ceiling collapsed on them; dislodging their air masks. Both were treated at Central General Hospital and released.

In another fire, a mother and two infants were injured when a pot was left on a lighted stove. On December 13 at 4:50 am Hicksville Vamps responded to 7 Richard St. on a smoke investigation. Vamps found that a pot had been left on the stove. The smoke from the burning pot containing baby

bottles resulted in a 3 mos old girl, a 1 yr old boy suffering smoke inhalation. Their 24 yr old mother suffered a minor burn on the hand. Vamps noted that the home did not have a Smoke Detector. Vamps suggest - this Christmas - give the Gift of Life, give a Smoke Detector.

The Holy Family Players,

under the direction of Tom O'Connor and accompanied by pianist Peggie O'Connor,

performed at their fifth Hicksville Community Council Holiday meeting.

The players, who have been existence for over 13 years, sang some oldies and some Christmas favorites during

their usual excellent performance.

The Council also featured some students from the Peggie O'Connor School of Dance. A nice array of ballet, jazz, modern and tap was demonstrated by some talented young members of the Hicksville Community.

Christmas Deadline - Monday at Noon

News From The Plainview-Old Bethpage Road Runners

The key item of business at the December 9 meeting of the Plainview-Old Bethpage Road Runners was the election of new officers for 1981. Mike Polansky was re-elected to serve for a second term as Club President. Mimi Mayo was re-elected and Howie Greenberg was elected to serve as the Club's two Vice Presidents. Karen Marwin was elected as Secretary, and Marvin Guardian was chosen to serve as the Club's Treasurer for another year.

The featured speaker at the meeting was local Chiropractor Dr. Howard J. Ezrin, who gave Club members some insights into his profession and how it can help prevent and correct injuries. Our thanks to Dr. Ezrin for his interesting and informative presentation.

The local road racing scene has been a very busy one over the past few weeks. On Thanksgiving Day, Howie Greenberg led a contingent of ten POBRR entries in the classic Port Washington 5 Mile Run. Howie's magnificent 28:30 time over the scenic and challenging five mile course was good for 50th place overall in a top quality field of over a thousand starters. Other Club members who successfully completed the run were Steve Hannwacher (31:08), Bert Jablon (31:35), Harry Constantine (33:09), Alan Stopek (33:22), Mike Polansky (35:28), Lewis Kaufman (36:17), Charles Kaufman (37:20), Ed Naughton (40:42) and Sue Polansky (48:38).

Also taking place on Thanksgiving Day was the 5 Mile "Garden City Turkey Trot," which Bill Kopetz completed in 38:30.

Two Club members won trophies in the November 30 Suburbia Federal 20 Kilometer (12.4 Miles) Run in Eisenhower Park - Bert Jablon, who took 3rd place in the Men's 50-54 age group, and Nancy Rabinowitz, who took 3rd place in the Women's 40-44 age group. Also successfully completing the race were Al End, Mark Weingart and Ed Freeman.

Howie Greenberg and Bert Jablon turned in another fine effort in the December 6 Seaford 5 Kilometer (3.1 mile) "Hot Chocolate Run." Howie finished in 6th place in the 30-34 age category and 35th overall out of more than 600 runners, with a time of 17:13 (averaging 5:33 per mile). Bert's time of 18:39 was good for first place in the "50 and over" age category. Also successfully completing the race were Ed Naughton and his two sons Eddie, Jr. and Laurence. Marcia Simon and Virginia Kirby.

Fire Commissioners Meetings

The meetings of the Board of Fire Commissioners of the Hicksville Fire District will be held on the second Tuesday of each month. However, the December meeting will be held on the first Tuesday as the Annual Commissioners Election is held on the second Tuesday of that month.

They also meet each Sunday morning at 10:00 A.M. throughout the year.

Letters To the Editor

Congratulations on thirty years of bringing the news to our local communities.

While we haven't always agreed politically, we most certainly have always agreed on the need for concerned citizens to take an active part in the affairs of the community. The fine coverage provided by your newspapers has made it a lot easier to do so.

Best wishes for the next thirty years.

Very truly yours,
Michael Polansky

Dear Editor,

It is always a pleasure to write to you when there is something good to report in our community. We hear so much unpleasant news that it gives me pride when I see our town being aware of the

need for more cultural programs.

Hundreds of children and parents attended the November 23 production of *BABES IN TOYLAND* which was sponsored by the Department of Cultural and Performing Arts and the Hicksville PTA-Cultural Arts Council at our very own, Hicksville High School.

lovely musical. Both parents and children enjoyed the show and broadened their horizons.

As a resident and parent of the Hicksville community, I can only tell you that I, for one, appreciate having the opportunity to attend programs such as these and thank those responsible for giving my children the cultural experience they had on Sunday. Such memories will live with them and encourage them to do the same for their children.

Accepting People With Disabilities

Children with disabilities are entering the public school systems in increasing numbers thanks to new Federal regulations. The Easter Seal Society is helping to make this transition a pleasant experience for both the child with the disability and his able-bodied peer.

On Long Island, Easter Seal is offering a program to both public and private schools which helps to foster better attitudes toward people with disabilities by exploring their needs, ambitions, and emotions. A film presentation, "I See You As A Person," narrated by a young handicapped lawyer, John Kemp, initiates the program. Classroom discussions follow with a question and answer period geared to the age of the students. If the schools wish to go into depth, they are furnished with an outline of activities which helps the able-bodied youngster understand more fully the problems of children with disabilities by simulating temporary disabilities themselves. In addition, bibliographies and additional source material are provided to each participating school. This is the third year of the program and some school districts have repeated it yearly. This program is of worth to fraternal organizations as well.

For more information, please contact the Easter Seal Society at 516/822-1501.

To Participate In All-County Music Festival

The Plainview-Old Bethpage district music office is pleased to announce that once again its high schools and music department have been highly honored by having the largest number of music students (47) from any school district selected to participate in the 1981 Nassau Music Educators All County High School Music Festival.

These students were selected from thousands of high school students throughout the county on the basis of individual audition and recommendation from music teachers.

They will have the outstanding experience of rehearsing Wednesday afternoon, January 7th, Friday afternoon and evening,

January 10th, at the Maria Regina High School, in Uniondale under the direction of noted conductors.

The band will be conducted by Anthony Maiello of SUNY at Potsdam.

The chorus will be directed by Eph Ely of the University of Missouri-Kansas City.

Peter Leonard, Conductor-in-Residence of the Louisville Symphony will direct the orchestra.

The stage band will be conducted by Ronald McCurdy of the University of Kansas.

The students will climax their festivities with two All County Festival concerts to be held in the Maria Regina High School auditorium, Uniondale. The band and orchestra will perform Saturday, January 10th, at 8:30

p.m. The chorus and stage band will perform Sunday, January 11th, at 3:00 p.m.

Around Our Towns

Harriet A. Maher — 433-5994

And a very special Happy Birthday to Mike Polansky of PLAINVIEW who celebrated his on Dec. 12. Sorry we missed your birthday last week, Mike.

Gloria and Mike Barone, are thrilled with their new granddaughter, Jillian Nicole Barone, who was born October 17. Jillian Nicole is the first child of Michael, III, and Patricia Barone. Both Michael and Patricia grew up in Hicksville and attended our local schools. Jillian Nicole represents the fifth living generation of Barones. There is Great, Great Grandmother, Margaret Kerrigan (89 yrs old); Great Grandmother Florence DiLorenzo who lives in Florida. Grandmother Gloria Barone; Jillian's father, Mike, III, and, of course baby Jillian. We understand that Jillian was recently Christened. We'll tell you about that in another

column. Meanwhile, congratulations and best wishes to the Barone family and their new addition.

Just back from Washington, D.C. are Charles and Pat Lynch, long-time Hicksvillites. The Lynchs drove down to visit their daughter, Kathy, who works in Fairfax, Va., where she teaches special education for the handicapped. While in Washington, the Lynchs took a tour of the White House through the courtesy of Congressman Norm Lent. Their tour was scheduled for 8:15 a.m. — an early hour to go on a tour, particularly when they drove from New York the night before and then stayed up to visit and catch up on all the news with Kathy till after 1 a.m. However, they were on time for the tour, enjoyed it immensely, and then spent the rest of the day visiting the Smithsonian Complex. They arrived back in Hicksville from their trip, happy but exhausted.

If you haven't treated yourself to the art display at the Hicksville Public Library as yet, make it a must on your "things to do."

A Hicksville resident, Sandra Larsen, has 37 of her paintings hanging at the library. Sandra has been painting for only four years; however, her talent (which was discovered at one of the Hicksville School's Adult Education classes) and natural flair have developed under the able direction of Mary Rowinski, Jeff Webb, and Pat Enwell, art instructors. Sandra has been living in our community for seven years. She has five children: Scott, Johnny, Lori, Kirk and Sandee. The show can be viewed during regular library hours.

The paintings are also available for purchase.

More Hicksvillites who did some holiday traveling were Bill and Betty Mead of Hicksville and their daughter, Carol, who lives in

Rhinebeck, N.Y. Bill, Betty and Carol visited the Mead's son, Steve, and his wife, Cindi, who reside in Buffalo. They spent four days together during the Thanksgiving holidays and had a marvelous time. While in Buffalo, Bill, Steve and Carol went hunting. But we learned they didn't catch anything but a cold. Better luck next time, folks.

Congratulations to Emilen Goodman, Hicksvillite, who celebrated 35 years of employment with the Long Island Lighting Company, on December 10, 1980.

And on Duffy Avenue, Hicksville, Mary and Austin Owens are the proud grandparents of Patrick Owens who was a year old on December 10. Patrick is the son of David and Peggy (nee Daly) Owens and brother of Theresa Maureen, who is three years old. Patrick lives in Ridge with his parents and

A continuing commitment

That's what AAL's symbol stands for. It's a commitment enabling Lutherans and their families to aid themselves and others. AAL does that through benevolence programs and fraternal benefits, including life health and retirement insurance. So look at this symbol and think "commitment." Then think AAL.

Schaefer Fireman of the Year, Carl Fasano of the Plainview Fire Department, is seen accepting his plaque of recognition from Jim Maloney, sales manager Schaefer Brewing Company at the 11th Annual Volunteer Fireman of the Year Awards Dinner, held this year at the New Hyde Park Inn. The Department's chief Richard McCauley (center) proudly witnesses the presentation.

The award is given each year for exceptional service and dedication to the community through his activities within the volunteer fire department.

Motor Vehicle Bureau Closings

Harold W. McConnell, Nassau County Clerk, announced that the Motor Vehicle Bureau Branch office located in the Mid-Island Shopping Center, Hicksville, will be closed on Christmas Eve. However, all services will be available in the main office at 1500 Privado Road, Westbury.

Mr. McConnell also advised motorists to renew early and by mail to avoid the last minute rush and standing on long lines as the month of December is one in which we have a very large volume of automobile registrations and driver's license renewals.

Senior Community Services

A new outreach program for persons over 60 has been instituted in the Plainview-Jericho area. "Senior Community Services" is engaged in trying to locate homebound, and other seniors, for the purpose of offering assistance, information and referral services. The program is funded by the Nassau County Department of Senior Citizen Affairs.

The main focus is on reaching the frail elderly who may be unknown to any agency. However, anyone over 60 who needs assistance in addressing any problem may phone Senior Community Services at 921-2781 between the hours of 9 and 4:30, Monday Through Friday.

Dillon Suggests Ways To Protect Yourself In Your Home

It does not take much to outsmart most burglars on Long Island. It has been our experience that they are usually not "pros." Most often, the burglar is a juvenile, taking advantage of an easy mark. So easy, in fact, that often they can go through an unlocked door or window.

Before suggesting ways to protect yourself in your home, let me stress that if you or your family come home and see a broken window or jimmied door, don't go in. Confronting a burglar can be dangerous. You should instead telephone the police immediately.

A good first step to prevent a burglary in your home is to always lock your doors.

Even when you are going out "for just a minute," remember to lock all entrances. Other simple tips include:

• Checking your present locks. They should be the "deadbolt type with a strong metal bar extending one inch into the door frame.

• If it is too hot to lock and close all your windows, you should put nails in window frames so the windows cannot be open more than a few inches until the nails are removed.

• Sliding glass doors make for an easy break-in. If you have such doors in your home, you should place a small wooden beam or broom handle in the door track. Even is the lock is

jimmied, the door will be hard to open.

• If you are taking a trip, make sure your home looks lived in. Stop newspapers and mail delivery or ask a neighbor to collect them so things won't pile up outside your door. Also, use automatic timers to turn lights and radio on and off.

• Finally, mark things you own with a personal identification number. Burglars or fences do not like stolen items, such as TV's stereo's or tools, which are marked for identification. Further information on "Operation Identification" can be obtained from your local police precinct.

St. Ignatius CYO Basketball

By Laura A. Brand
1980-81 Season

CYO would like to invite everyone to watch our own 5th & 6th grade boys take on Our Lady of Mercy and St. Pius in the annual Sheehan Tournament held at the St. Ignatius Gym. Games will be played on December 21, 22, 23, 24, 25, and the Championship game on Monday, December 30th. Why don't we make this special Christmas Tournament a memorable one for the kids by bringing your friends and relatives to cheer them on. I can't think of a better way to show that you care for the youth of our community. They need your support.

HHS ALUMNI NEWS (Continued from Page 10)

Dorothy French Brengel was appointed chairman of the 1981 Nominating Committee by President Harold Holden.

The Alumni Association has voted to continue the Scholarship in memory of the late beloved Nina Plantz, previously Principal of East St. School. Donations will be received by President Harold Holden, James Fyfe at the Long Island Trust, or any member of the Board of Directors.

Joseph Gentile has accepted the Recording Secretary position for the Association.

Alumni and Friends were overwhelming in response to the Scholarship Raffle. The total was matched by a like amount anonymous gift. Chairman Marge McGuirk announces the presently approved Board Scholarship will approach \$3,000 in 1981.

To Be Guest

Nassau County District Attorney Denis Dillon will be the guest on WABC-TV Eyewitness News Conference on December 21. The live half hour show begins at 1:00 P.M. and will be televised from the ABC studios in Manhattan.

Dillon will be interviewed by a team of reporters from the Eyewitness News team. They will be asking questions about the DA's

When the members of the Hicksville Kiwanis Club heard about the fire which did considerable damage to a storage facility of the Salvation Army, they decided to pitch in and help. They arranged to set up one of the traditional kettles at Pathmark to accept donations from shoppers. The assistance of Boy Scout Troop 44, which Kiwanis sponsors, was obtained, along with other friends of Kiwanis, to set up the kettle on Friday, Dec. 12, and Saturday, Dec. 13, and again on Friday and Saturday, Dec. 19 and 20. All monies collected in the kettles will be turned over to the Salvation Army.

In the top picture, some young ladies assisted with the project by providing

Christmas music. Shown in the one photo are, left to right, Kiwanian Kingsley Kelly, bellringer Sue Clancy, and instrumentalists Mary Beth Heberer and Barbara Manduca.

In the bottom photo, taken on Saturday, Dec. 13, are Tenderfoot Scout Junior Bernardo and Kiwanian Charles Montana, Jr.

Many other Kiwanians and Scouts participated on the two day effort, and many more will be helping on the following weekend. Your donations will be gratefully accepted, and you will be helping the Salvation Army. If you can't make a donation at the Kiwanis kettle at Pathmark, make your contribution at another location. The funds collected will be put to good use.

HHS Alumni News

The Board of Directors of the HHS Alumni Assoc. wish to thank George Zulkofsky of the historic Jericho Cider Mill for his generous donation of the cider supplied at Homecoming.

Overlooked in previous Alumni press releases was that HHS Alumni President Harold Holden introduced Superintendent of Schools, Dr. Wilbur Hawkins, who attended the Homecoming Dinner in honor of Richard Hogan. Also introduced were favorite Hicksville teachers, Miss Runhilde Wessel and Mr. Louis Millevotte.

Chairman Marge McGuirk announced that the Alumni scholarship drive will be swelled this year because

Tom Klemenko, Class of 1955, will donate the basket of cheer from his Woodbury Rd. Liquor Store. Vice-President William Geyer reported \$240 in donations by Hicksville businessmen towards the Homecoming Reception for Band, Cheerleaders, Football team, etc.

Frank Grimmer of Hicksville won the Basket of Cheer.

The Memory Book of the High School Auditorium Dedication was completed and sent to Miss Mabel R. Farley. Her address is Riverview Manor, Lewisburg, Pa. Alumni members may wish to drop her a Holiday Greeting.

When Is Money Gift A Tax Deduction?

As you draw up your holiday gift list, remember the tax advantages of giving cash, stock or property, either to your family or to a charity. Gifts to employees can also qualify you for a tax break.

A gift to your secretary may be considered a business gift, and the value of this holiday present plus any other gifts made to this person during the year may be deducted, but only up to \$25. To deduct the cost of a gift on your federal income tax return, keep records of each business gift, says the New York State Society of Certified Public Accountants. Make sure your record how much the gift cost, when it was given, the reason for giving the gift, who received it and that person's business relationship to you in addition to a description of the gift.

When you distribute specialty items (costing less than four dollars each) such as a calendar with your company name, you can deduct

the cost for these items as business gifts. Since the cost is not included in the \$25 per person gift limit, you can give a business associate a \$25 present plus a specialty item. If you send out holiday greeting cards imprinted with your company name, this expense is also tax-deductible.

If you own your own business and you give each of your employees a cash bonus, the total amount of the bonuses may be deducted. Should you, as an employee, receive such a bonus, you must report it as income on your tax return. When you receive a gift of nominal value, like a turkey or ham, you don't have to report it.

In order for your contribution of property to a charity to qualify as a tax deduction, it must be to or for the use of the organization itself. For example, when you donate books or quilts to a charity to sell at its holiday bazaar, you may deduct the fair market value of the items. If you do-

notated a percentage of the proceeds to the charity, then you may not take a deduction.

You may donate works of art, securities and real estate and qualify for a tax deduction. There are various rules which determine what portion of the fair market value of this type of property may be deducted, so check with your tax advisor for the tax advantages of making such a contribution.

Your business can also donate ordinary income property (property which would not result in long-term capital gain if sold). For example, you could contribute a supply of calendars to various charitable organizations. Generally, you can deduct what the property originally cost you. If the supply of calendars cost \$2,500 to produce, then you could deduct \$2,500.

When your firm donates property that can be sold for a capital gain (real estate), you usually can deduct the fair market value of the

property at the time of the contribution. Again, consult your tax advisor first.

You can give a cash gift of up to \$3,000 each to as many individuals as you wish during each calendar year. If your spouse joins in the giving, the amount of each gift can be increased to \$6,000. Should your gift to an individual exceed these limits, you'll be required to file a gift tax return. CPAs suggest that you check to see if your state gift tax laws differ from federal rulings.

When you give a family member a gift of stock he or she pays no tax upon receipt of the stock. Upon sales of the stock, however, gain or loss by the recipient generally is figured on the price you paid for the shares. For example, you give your niece 100 shares of stock for which you paid \$30 a share. When she sells the stock, its current market value is \$35 a share. She figures her gain or loss on your cost of \$30 per share.

Cable Program To Get Special Airing

A special showing of the December segment of "What's Happening on Long Island - Oyster Bay," which focuses on the Town's snow removal operations, will be aired on Cablevision Channel 12 on Tuesday, December 23rd, at 10:10 PM.

Hosted by Town Councilman Kenneth S. Diamond, the show's guests are Robert Andruzzi, Superintendent of Highways, and William Lahm, Deputy Superintendent. Their discussion includes the Town's comprehensive snow control

plan and what residents can do to help the Town and themselves in a snow situation.

"A snow storm causes disruptions in our daily routines, but the Town's snow control plan was developed

to minimize those disruptions and get things back to normal as quickly and efficiently as possible," Diamond commented. "I hope residents will join me and my guests for this most informative and interesting program."

Holiday Sanitation Schedule

The Town of Oyster Bay sanitation collection schedule will be modified as a result of the Thursday, December 25th, Christmas, and Thursday, January 1, New Year's, holidays. It was announced this week by Town

Councilman Thomas L. Clark.

"Town residents who normally receive a Thursday sanitation pickup will have collection on Friday, December 26th and January

2nd, while those who normally have Friday collections will receive pickup on Saturday, December 27th and January 3rd," stated Clark. "Following these changes, collection will revert back to

the regular schedule."

Clark noted that all Town offices will be closed on these holidays and the afternoons preceding them. Town park and beach facilities will also be closed.

GROUND SIGN

(Continued from Page 1 Hicksville)

hours due to the absence of president Tom Nagle, who arrived late. Mr. Bennett presented several policies under the hearing section, the second part of the policy adoption procedure, including one concerning evaluation of administrative staff. It was revealed by Trustee Virginia Germer that "no instrument has been developed" to evaluate the administration, including the Superintendent.

Under the information section, several more policies were submitted for deletion, revision and affirmation at a later date. And finally, under the action section seven more policies in various areas were acted upon. One of these had to be researched by School Board Attorney Joseph Campanella and will again be presented for action on a later date.

The majority of time was spent on hearing members from the general public and on a topic presented by Mr. Ayres concerning the development of a promotion policy. Assistant Superintendent for Secondary Dr. Dan Salmon stated he has been meeting with the secondary principals on the matter. "We are in the process of developing recommendations for promotion of grades 7-12 tied in with a plan to develop guidelines with diploma requirements."

However, no recommendations are being

developed on the elementary level. At this point, Mr. Ayres asked if something could be done. Mr. Bennett stated "if it is the will of the Board." Next followed a long confusing discussion concerning whether or not to vote on the matter at that time, where to place the matter on the agenda for action or discussion, whether to place the item on the agenda for the next meeting; or whether a general consensus could be obtained to give the Superintendent direction on the matter. It was finally agreed that Dr. Hawkins would look into the matter and report back to the Board.

It was revealed that Board members were informed via a memo from Mr. Nagle, of a meeting to discuss negotiations with the HCT (Hicksville Congress of Teachers). No formal date has been set, but Mr. Bennett reminded Board members to study the contract.

The problem of substitute teachers was also discussed at various times during the meeting. It was revealed that five substitutes were being retained on a trial basis on a per diem basis at the regular substitute pay of \$35 per day. According to Director of Personnel Ron Friedman, it was the "most efficient and desirable way to get the best substitutes." This trial basis is on the secondary level. Also,

figures revealed that recent absenteeism among teachers has been high. Mr. Friedman stated that in November, an average of 33.2 teachers were absent. For December thus far, an average of 46 were out. However, for the week of December 8, 52 teachers were absent. Last year, absenteeism averaged \$3.37 per week and approximately 40 per week in January.

According to Mr. Friedman, the absences are partly due to a flu bug in the area. Most absences in this case are three days in duration.

"When there are forty or fewer teachers out, we have substitutes to cover," stated Mr. Friedman. However, when the figure goes beyond 40, it is difficult to obtain substitutes.

Resident Robert Sklarz, also a senior high school teacher, pointed out that another reason for the high absenteeism could be that teachers are "conserving themselves. They don't return after just one day." This could be due to the cap of pay on accumulative sick days received at retirement, according to Mr. Sklarz.

It was also revealed that the Town of Oyster Bay would not agree to have the school district call its recreation program intramural, which is a budget line item. Currently there is no line item in the year's budget for a recreation program. However, such a line item will be placed on the up-com-

ing budget, and the Town of Oyster Bay has indicated it will co-fund the recreation program beginning July 1, according to Superintendent Dr. Wilbur Hawkins.

The cost of the two-day gifted and talented conference and in-service course was \$2,825 for Dr. Roger Taylor (includes materials, transportation, lodging, meals) and \$1,085 for substitutes, according to Dr. Catherine Fenton, Assistant Superintendent for Elementary. The funds came from the curriculum development line item.

The Sterling Forest topic was laid to rest with the Board approving payment of \$800 as its forfeiture fee. District Business Manager Richard Weigand negotiated the fee with the management. Initially, the charge was \$1,140.

According to Dr. Hawkins, contracts of this sort will no longer be entered into without Board knowledge or approval.

The next meeting of the Board is scheduled for January 14.

Use Zip Codes

Sectional Center Manager Postmaster Anthony M. Murello reminded customers that for the best service this Christmas season, they should use ZIP Codes, place their return address in the upper left corner of the envelopes and use proper postage.

"By following these suggestions," Postmaster Murello said, "you will be assured good mail service this holiday season." It is important, the Hicksville postmaster said that families double check envelopes and cards to be certain that proper postage

is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage due procedures.

"When the return address is placed on envelope bearing holiday greetings, it also helps remind friends of one's current address," the Postmaster said.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Postmaster Murello said, such letters are returned to the sender with a notation that the forwarding order has expired.

A HAMBURG SAVINGS BANK RETIREMENT PLAN GROWS WITH TAX-FREE DOLLARS. HERE'S HOW:

PLAN 1. Self-Employed Retirement Accounts. (Keogh Plan)

People who work for themselves can now save on taxes to the tune of \$7,500 a year! That's the amount you can set aside, tax free until retirement, in our self-employed (Keogh) retirement account at Hamburg Savings Bank. Depending on the amount you choose to save, the plan you select, and the number of years until you

retire, you'll find your retirement fund can be remarkably substantial. Ask us for details, with specific figures for a program tailored to your retirement goals.

Visit a nearby office and get specific figures for a plan to suit your retirement goals. Also ask us about the new Defined-Benefit Keogh Plan.

PLAN 2. Individual Retirement Accounts. (IRAs)

Regulations let you put aside up to 15% of your earnings — up to \$1500 a year — and you pay zero taxes on the money or the interest it earns until you retire. (By then, you most likely will be in a lower tax bracket.)

If one spouse is employed and not covered by a qualified plan, that working spouse is eligible to include the non-working spouse in his or her IRA. Or the couple may set up separate IRAs. In either case, an additional \$250 — to a maximum

of \$1,750 annually — may be contributed. If two separate plans are established, it will be to your advantage, tax wise, to contribute the same amount of money annually to each plan. For example, each year 15% of the working spouse's compensation, up to a maximum of \$875, should be deposited to each IRA.

For tax relief now and a great retirement later, visit a Hamburg Savings Bank nearest you — today.

Deposits can be made weekly, monthly, or in a lump sum.

Hicksville Republican Club News

By Harriet Maher

The following is a message from Tom Gallahue, Executive Leader of Hicksville West:

"Thanks again for the way all of you worked and helped to get our candidates elected. Believe me, it was necessary if we, as a proud nation, were to survive. In case you feel that we can now rest on our laurels, you're right - we can - but not 'rest.' The 1981 campaign has already begun.

"Next year is the 'local' election. Supervisor Joseph Colby will be seeking reelection. His accomplishments in the Town of Oyster Bay more than warrant his return of office. 'Keep Colby' is the watchword. Running with him for reelection will be Councilmen Diamond and Hogan and we have two new Councilmen who have been appointed to fill out the terms of Judge Joseph Saladino and Congressman Greg Carmen. The new Councilmen are John Venditto of Massapequa and Doug Hynes of Farmingdale.

These new men have expertise and would be an asset to the Colby Team. More on them as time progresses.

"At this time I would like to extend my best wishes to all for a Happy Holiday Season and a Healthy and Bountiful New Year."

And here is a timely message from Assemblyman Fred Parola:

"I am appalled that the special session of the Legislature did not vote to enact the comprehensive relief bill I am sponsoring to offset the excessive price of home heating fuel. This bill would provide state income tax relief to help households meet monthly needs.

"However, low income household heads will be assisted through the Home Energy Assistance Program which has been funded from some of the monies received as a result of the windfall profits tax.

"According to income

eligibility guidelines, households of one person can have a yearly gross income up to \$4,738; households of two may have gross incomes up to \$6,263; households of three, up to \$10,838; and households of six, up to \$12,363. Those with larger households should add \$1,525 for each additional person in order to calculate eligibility. Thus, for example, monthly income assistance for a family of two is \$522 and for a family of three is \$649.

"Eligibility is based on the demonstration that one's household is 'economically in risk' due to the high cost of energy. Those who think they may be eligible may obtain applications at the Nassau County Social Services Department, at the County Department of Senior Citizen Affairs, through community action programs or from unemployment insurance offices. Information on this program may be obtained by calling the toll-free telephone number (800) 342-3821.

"Since my office is staffed

each week day during normal business hours and is eager to be of assistance, I urge anyone wishing information to contact us at your earliest convenience. There is some concern that many people are unaware of their eligibility for home heating assistance and, in view of the feeling that this winter may be much more severe than last, substantially higher costs could be confronted in the cost of home heating.

"This legislation is only a beginning to the more comprehensive approach that this state and the federal government must take in order to insure that not only low income households but middle class homeowners and renters will have sufficient money to heat their homes without increasing the already backbreaking costs.

"If you need assistance with the program or would like more detailed information, please contact my local district office at 731-3434."

Growing With The Plainview 4-H

Here is a project guaranteed to brighten up the winter season! Forcing flowering bulbs is easy and fun. A good suggestion is to use Paper White Narcissus bulbs, which are available at this time of the year. In order to force these bulbs to bloom, use a low bowl (or other non-draining container). Use sand, marbles, pebbles, gravel or soil to hold the bulbs upright. Place the bulbs so that the pebbles or soil covers the broad part of the bulb. Add water so it touches the bottoms of the bulbs in the container. Place in a well-lighted window where temperature is 60-65 Degrees F. At 72 Degrees F or higher, weak growth is encouraged, and flower buds blast.

And they are beautiful in bloom!

The above is a project that 4H'ers have entered at the Annual Horticultural Show held Dec. 9-11, 1980 at Kennedy Memorial Park, Hempstead.

During September until November classes were taught, and Plainview 4H members worked on various activities such as dried flower plaques, floral arrangements, floral bouquets, terrariums, pine cone decorations. The Horticulture Show gave them an opportunity to display their accomplishments and to teach others.

If you are interested in any of these nature-study projects, instructions are always available at the 4H Office.

Why not call 454-0900 and "Grow With 4H" !!!

Flowers will open 4-6 weeks after planting...

TREE TRIMMING: It was a beautiful day for trimming a tree on Saturday, December 14, when Hicksville Rotary and Kiwanis Clubs joined forces to decorate the official Hicksville Christmas tree in Kennedy Park.

The activity began at 9 AM with an inspection of the strings of lights and decorations to be placed on the tree. Burned out bulbs were replaced, defective sockets were repaired, and new hangers were installed on decorations. By 10:30, the work of stringing the lights and decorations on the tree began, and with many hands helping, the project was completed before noon.

The 18 foot tree was recently transplanted into Kennedy Park in Hicksville through the courtesy of the Town of Oyster Bay. The lights and decorations were provided by the members of Kiwanis and Rotary for the benefit and pleasure of all.

VENERABLE TONY PRE-VITE MESSAGE:

"The struggle for today is not altogether for today... it is for the vast future." - Abraham Lincoln.

PERHAPS one of the greatest of the religiously-satisfying conditions of human nature is the act of

giving without asking for anything in return. More specific, in human terms, what is of substance is the giving of one's self for the well-being and happiness of others. It is all in the offerings - like so many acts of unheralded unselfishness manifested exclusively for all those whom the world had

decreed to be unfortunate in many ways.

To report on what I consider to be two of the most soul-searching and heart-rendering activities associated with the Galileo Lodge, they have to be the two Christmas parties it holds - one for the retarded children of Queens and Long Island and the other one for the children of the membership. To these beautiful children the Galileo Lodge graciously offers spaghetti and meatballs, soda, ice cream, milk, candy cake, fruits, etc., and, of course, the delightful organ melodies of Richard Lagnese and the amazing talents of the Peggy O'Connor Dance Troupe. Besides many other toys that will be offered to them by Old Saint Nick, the retarded

children will also receive resistor radios as special gifts from the Galileo Lodge; the off-spring will receive many toys also. Parents are invited, needless to mention. Jim Rerisi, the able director of these two parties states that: all is in readiness and that he expects and will much assistance from the members and the Ladies Auxiliary. Many members, like Jim Ingino, for example, are busily soliciting for donations for these activities.

For the grown-ups, the Galileo Lodge will hold its Christmas Dance on Saturday, the 20th of December. The menu will feature a delicious Virginia Ham dinner with trimmings, beer, soda, coffee and cake, set-ups and some very delightful music provided by the Dynatonics. Tickets sell at: \$8.50 per person, and you can contact Chairman Jeff Wallick (681-8423), a co-Chairman Armand Del Cioppo (938-5052) and Frank Matassa (931-2843). A Grab Bag will be on display, so all those who will attend are kindly asked to purchase a \$2 gift for it. Rumor has it that Saint Nick will make a wintry appearance that night. For a delightful way to spend a Christmas evening, why not attend this Dance. By the way, a bring-your-own liquor policy will be in effect that night. Perhaps a trifle premature, but the Galileo Lodge will hold its New Years Party and Dance on Wednesday, the 31st of December. Joe Giordano, Grand Trustee of the Lodge,

who pass the tree during this holiday season.

In the photo, taken when the work was completed, shown on the ladder from top to bottom, are Augie Cassella, Jr., and Rotarians Harry Smith, Augie Cassella, and Joe Treblitz, president. Standing, left to right, are Kiwanian Sleg Widder, and Rotarians Mary McDonnell, Joe Jablonsky, and John Hill. Also assisting with the project was Kiwanian Marc Ramirez who took the picture.

THE STABLE MESSAGE

Our Lord Jesus was born in a stable, a real stable... not a bright, airy barn which Christian artists have depicted over the centuries, as if ashamed that their God should have lain in poverty and dirt. It was not the modern Christmas Eve "Holy Stable" either, made of fine china; with little fragile, candlelike statuettes. Not a clean and beautifully painted stable with a neat tidy manger, an ecstatic ass, a contrite ox, and angels fluttering their wings over the roof. This is not the stable where Jesus was born.

A real stable is the home of working animals. The poor, old stable of Christ's old, poor country is only four rough walls, a dirty pavement, a roof of beams and slats. It is dark and reeking. The only clean thing about it is the manger where the owner piles the hay and

fodder. That's why Mary, His Mother, put him there wrapped in pieces of her own clothing.

This is the real stable where Jesus was born. One of the filthiest places in the world was the first room of the only pure Son ever born of woman. In this earthly pig sty, where no decorations or perfumes could hide the odor of filth, Jesus appeared one night, born of a stainless Virgin, innocent and forlorn.

As far as we know His mother said very little at His birth other than the screams of childbirth. This is understandable, for the deepest feelings always show themselves in silence.

Yet that holy night Heaven touched earth and God became man. Peace arrived when the infant's cry shattered the quietness of a Bethlehem night as animals stirred nervously because of unwelcomed guests.

And with the infant's cry came God's message to

mankind. A simple message in simple surroundings. The stable message: God saying to each of us, "I love you." As we remember again God's love through a manger - resting babe, we know that He now comes to us where we live; He loves us where we are, and our hearts also become His birthplace and our lives His home.

This Christmas, Trinity's worship services will be among the finest we have ever had. They will be an expression of our love and thanks to God for His gift of Jesus Christ. We invite you to join us for our celebration.

On Christmas Eve we have a Family Service at 6:00 p.m. followed by Candlelight Services at 7:30, 9:00, and 11:30 p.m. On Christmas Day we have a Family Service at 9:45 a.m. We are located at 40 West Nicholas Street in Hicksville. A most blessed and wonderful Christmas to all of you.

The members of Holy Trinity Episcopal Church, Hicksville, extend Christmas greetings to the residents of Hicksville and its neighboring communities. A cordial invitation and warm welcome is extended to those who would like to visit Holy Trinity Church for Christmas worship. On Christmas Eve, organ music and carols sung by the Church Choir will be offered between 11:00 and 11:30 P.M. with the Choral Eucharist beginning at 11:30 A.M. On Christmas Day, services will be at 8:00 and 10:00 A.M. service, children of the Church School will dress and light the Christmas tree.

By way of extending the Christmas celebration, a Cocktail Party and Dinner Dance is being held in the auditorium on Sunday.

A Special Treat

The sixth year Spanish class taught by Mr. Dionicio of the Deer Park High School visited the Burns Avenue Elementary School in Hicksville, December 10 at 1:00 P.M. Their hosts were Mrs. Wade's Fourth Grade.

The Spanish class enacted Snow White and the Seven Dwarfs. All the parts were spoken in Spanish with a short introduction in English in order to familiarize the students with the play.

The cast included Mara Daidone, the young lady who has put the group together and inspired her classmates so that they also gave so fully of themselves in order to make the production come alive for the audience at Burns Avenue. The other members of the cast were: Chris Stoia, Deseree Michelle, Lisa Jewell, Christine Mason, Joann Wallace, Paul Burns and Gina Harris.

The audience included the 4th, 5th and 6th grades of the Burns Avenue School, and visitors from Senora de Cora's Spanish classes at the Lee Avenue School. The students were escorted to the play by their teacher Senora de Cora.

It was a really delightful show which was thoroughly enjoyed by all.

Patricia Koch, Ann and Frances Kozak and Ann Marie Day. He is also survived by eight grandchildren, three great-grandchildren, four sisters and four brothers.

He reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave. Hicksville. Mass of the Christian Burial was at the Holy Family R.C. Church and interment took place in Pinelawn Memorial Park.

RICHARD C. LARSEN
Richard C. Larsen of Hicksville died on Dec. 12. He was the son of Conrad and Elizabeth Larsen; grandson of Adina Larsen and Helen and Charles Lipp.

The Rev. Dr. John J. Krahn officiated at religious services at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Interment was held in Pinelawn Memorial Park.

American Legion Auxiliary News

By Geraldine Seitz

At our meeting on Friday, Dec. 5, the Charles Wagner Unit No. 421 of the American Legion Auxiliary of Hicksville, was honored with the presence of our Nassau County Chairman Madeline Daniels and her staff of Vice Presidents, Ruth Leger of the Hicksville Unit; Mary Merkle from Massapequa and Agnes Murtha from Malverne. There were also five Past County Chairmen present including Cynthia Hochbruechner, Judith Yanotti, Helen Jacobsen, May Houston and P. MacFarlane. A very festive evening was had by all and refreshments were served by Chairman Christine Koopman.

Also on Dec. 5, six members attended the Gift Shop at Northport Veterans Hospital to help warp gifts for the veterans and their families. They were Lillian Molinari, Rehabilitation Chairman; also, Marie Gamble, Eleanor Walsh, Ethel Habenicht, Anne Habenicht and Ruth Leger.

On Sunday, Dec. 7, seven members joined forces with four Post members and attended the Christmas Party for our girls in Cottage 46 at the Suffolk Developmental Center. Each girl received a lovely woolen hat made and donated by Ethel Habenicht who attended with Marie Gamble, Child Welfare Chairman. Also, Lillian

Molinari, Anna Bengel, Geraldine Seitz, Vi Bramsweig and Ruth Leger. Other gifts included nightgowns, slippers, make-up cases and candies. We had a wonderful time with the girls and their parents. Santa Claus was Edward Richards - a member of the Post.

Congratulations to the new grandmothers of the Auxiliary Eleanor Walsh, Florence Ruhe and Ellen Tietjen.

Recent winners of our 300 club were Claire Box, Helen Berman and Pat Cowens.

A very happy and blessed Christmas to all our members, also Post members, friends and their families.

Designer Showcase '81

The Family Service Association of Nassau County has chosen Glen Cove's Welwyn, historic Pratt mansion, to be the site of Designers' Showcase '81, the Association's spring benefit. Now a part of Nassau County's park system, Welwyn has been called an American palace. Announcement of the choice of Welwyn was made today by Bruce A. Woodward, president, at the signing of the contract with Nassau County's Commissioner of Recreation and Parks, Abram C. Williams. Mr. Woodward also announced that Mrs. Harman Hawkins, vice president of the Family Service Association, is to be chairman of the event. The Showcase will be open to the public from April 27th to May 31st.

Money raised in the Showcase will provide support for the Association's social services for Nassau residents. FSA's programs, which assist families and individuals in coping with all kinds of stress, range from aid to young drug abusers to debt counseling for families from all income levels; from compassionate aid to abused family members to therapy for those grieving for loss of family members. There is a service for young mothers who need counseling to be good parents, and a nursery school which takes care of the children of those attending. One project seeks to match senior citizens who need affordable homes with those who have homes too expensive to afford alone. Another provides financial counseling to seniors. Still

another provides a forum for young mothers to compare problems and solutions.

Mrs. Hawkins, who lives in Plandome, was chairman of a search committee which visited many Gold Coast mansions, and finally settled on Welwyn, for the great beauty of its house and gardens. Mr. Woodward is a resident of Garden City. Commissioner Williams, who lives in Hempstead, is chief executive officer of the recreation and parks system which serves the most populous suburban county in this country. He is a trustee of the Village of Hempstead. Designers' Showcase '81 is a production of Mansions and Millionaires, Inc.

1981 Registration Set For Men Born In 1962 And 1963

Selective Service registration for men born in 1962 will take place during the week of January 5th, 1961. Men born in 1963 (and later) should register within 30 days of their 18th birthdays. This is a continuation of the program begun last summer, whereby men born in 1960 and 1961 visited post offices across the nation to fill in the registration form.

The purpose of registration is to build a pool of names and addresses from which Selective Service could draw in an emergency. According to Dr. Bernard D. Rostker, Director of the Selective Service System: "Registration directly improves our capability to respond...actually reducing lead time by at least four weeks. We think that provides a significant advantage, especially when matched with the very low cost of the registration effort." The direct costs of registration are less than \$2 per registrant.

By way of background, one of the basic underlying assumptions of the All-Volunteer Force concept was that the country should always maintain a standby Selective Service, with an on-going system of registration.

When the draft was ended in 1972, registration was in fact continued until suspended in 1975. Over the next few years, the capabilities of Selective Service steadily declined to an unacceptable level, prompting a total revitalization which began in November 1979. This program--of which registration is a part--is designed to return the Selective Service System to the readiness level required for an emergency back-up to our peace time volunteer armed forces. Other actions underway include the development of greatly improved computer support, and the development of a training program for potential draft board members.

REGISTRATION GUIDELINES

WHO MUST REGISTER. Male citizens and aliens residing in the United States born in 1960, 1961 or 1962 except those on student visas or who are members of trade or diplomatic missions, and men already serving on active duty with the Armed Forces. Members of reserve components not on active duty must register. Men born in 1963 and later years will be required to register within 30 days of their 18th birthdays.

WHEN: Men born in 1962: during the week of January 5th. To help avoid lines, individuals are encouraged to register on a day of the week keyed to the month of birth: on Monday, January 5, for those born in January, February, and March; on Tuesday, January 6, for

those born in April, May and June; on Wednesday, January 7, for those born in July, August, and September; and on Thursday, January 8, for those born in

October, November and December. Friday and Saturday may be used as "make-up" days for those who are unable to register on the suggested day.

Men born in 1963: within 30 days of their 18th birthdays. Men born in 1960 and 1961 should already have registered this year; those who have not are encouraged to

do so as soon as possible. **WHERE:** At any of more than 34,500 U.S. Post Offices throughout the nation, or at embassies or consular offices overseas.

Bereavement Group Sponsored By East Plains

For the individual trying to re-establish a life after the loss of a spouse; for the parent who has suffered the premature death of a child; for the person grieving the loss of a parent - for these adults, East Plains Mental Health Services offers the formation of a Bereavement Group.

It has been the experience of professionals at East Plains that many people suffer these experiences in silence. They often feel that only they have experienced such terrible pain, and that they have to resolve these feelings alone. Sometimes they feel that they should already be finished with mourning, if the death is not very recent. The Bereavement Group is being created to allow people to join with others who have experienced similar losses and are

dealing with their on-going consequences in everyday life. A man widowed two years ago still sits at home unable to work, daydreaming about previous good times with his wife. A young mother, whose child died in infancy has difficulty sleeping and finds herself irritable with her husband and other children. A middle aged woman has gnawing feelings of guilt because she did not share her home with her senile elderly mother before her death.

For all these people, the opportunity to meet with others who have suffered losses, sharing mutual concerns and common feelings can be extremely beneficial. The group will meet for 10 sessions under the leadership of a skilled mental health professional.

Fee will be based on sliding scale, according to ability to pay.

East Plains Mental Health Services is a non-profit community mental health agency whose main office is located at 35 Broadway in Hicksville. The Community Program is another office located at 76 North Broadway in Hicksville, devoted to drug abuse and its treatment. Both programs serve the mental health needs of children, adolescents, couples, single adults, families and senior citizens. A wide range of services exist including family, individual and group counseling, psychological testing, psychiatric evaluation, medication, etc...

LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST #421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

This is the LAST CALL for NEW YEAR'S EVE RESERVATIONS which closes on December 20th ... Call Jim Walsh 891-3299 or Ray Gamble 938-2163 or John Rizzo 433-7429 to make the last minute reservations for our annual welcoming in of the New Year... Tickets are \$40 per couple for which you are entitled to prime ribs, free beer and 2 bottles on each table of ten plus the dance music of Rocky Fame and Friends ... Well the CHRISTMAS PARTY for the CHILDREN was held last Sunday afternoon and Santa

Claus arrived on time with gifts for Carol Ann Alberici, Ann Marie Alberici, Michelle Bell, Michael, Peter and Jeffery Bove; Faith and Chris Bloom; Dennis Becker and Jackie Bergeron; Dorrine, Randee and Albert Cinotti; Jennifer Cicilese and Kerry, Karyn, Moira Convey; Karen and Billy Connors; Kristina Furtado and Suzie Formica; Jerry, Justine and Christine Geigle; Ronnie Hart, Kelly Lyn and Jill Hogan; Michelle Kuscsek and Brian Meslin; James and Michelle Molinari; Peter and Michael

Maiorino and Marty Mayer; Christian, Amy and Michelle Novissimo; Melissa Pawelczak and John Roggendorf; Darlene and Shari Ann Rohan; Bobby, Brian and Gregory Ruhe; John Raelle and Melissa Rowland; Edward, Douglas, Robert, William and Kenneth Rossol; Dennis and Donna DeLoach; John Francis Santos, Wesley Tietjen, Michael Edward Thomas, Robin and Ralph Samuels; John, Tracey, Cheryl, Jimmy and Dawn Seitz; Michael and Jimmy Scarpinto; Bruce and Craig Wladyska; Patrick, Penny, Brian, Melissa and Maria Walsh; Timothy Zino, Melissa Zielinski and Meredith Lynn Zielinski... All in all, between the gifts, the movies, the ice cream, the soda and hot dogs, the kids had a great time and many parents and grand parents expressed their joyous approval of this annual party conducted and funded by the Past Commanders' Club of Charles Wagner Post... Thanks to our accordionist, Anne Tween, for her Christmas music and to Kevin Evers on behalf of Santa Claus ... Thanks also to the Sperry Corporation for the loan of the projector, and to the Hicksville Library for the use of the films ... Thanks to Jim Walsh who chaired the affair on behalf of the Past Commanders' Club for a great job, well done... On December 7th, a Christmas Party was held at the Suffolk State School for the Retarded by the Post and Auxiliary for the girls of Cottage 46 ... All the girls were given gifts by Santa Claus (Alias Ed Richards) and were entertained by the Barber Shop Quartet of L.I. singing Christmas Carols... The parents of the girls of Cottage 46 gave the Legionnaires and Auxiliaries a surprise Christmas Party with a hot buffet in appreciation for the many visits and parties by them throughout the years... Past Commander Frank Molinari was the chairman and

GALILEO LODGE

(Continued from Page 12) received many soccer awards at a dinner held at the Salisbury Inn. James Jr. will also start a law course in January, with their other son about to contemplate the same. Brother James Posilloco is still engaged in the renovation activities now occurring at Galileo Lodge ... Brother Frank Miccio is back in the hospital recovering from his illness. We all wish him a speedy recovery ... Nice to see Brother John Guilianno back at the Lodge after a long recovery from his recent illness. Everyone at the Lodge remarked how well John looked ... Brother Teddy Marotti announces

assisting him at the Cottage were Past Commander Henry Brenzel, Ed Richards and Harold Bramswig... Auxiliary members who attended and lent their talents to make this such a successful venture were Marie Gamble, Welfare Chairman; Lillian Molinari, Gerry Seitz, Anna Brenzel, Ruth Leger, Ethel Habenicht and Viola Bramswig ... Once again, to those members who have yet paid their 1981 Dues; the per capita tax levied by the Department of New York has been increased by \$1.50 by action at the State Convention this past summer and is effective on January 1st... This means the Post must have the per capita tax in the hands of County staff members by mid night, December 31st otherwise our check will be refused and returned for the increased tax... So you can see we have about 2 weeks left to bring in the tardy at the old price, so please, make out your check now and mail it to Membership Officer Ray Gamble, 27 Bamboo Lane, Hicksville ... As the man on TV says, "Pay me now or pay me much more later" ... Commander Louis Cesta and his Staff wish a VERY MERRY CHRISTMAS to all members, Auxiliary members and their families and this columnist echoes the same sentiment to all.
