Civil War Programs

The Farmingdale-Bethpage Historical Society will turn the calendar back 120 years at its meeting at 8 p. m. on Wednesday, January 28, to the fateful days before the inauguration of President Abraham Lincoln. Arnold Gates, author and historian, will speak on "Six Score Since Secession: A Civil War Retrospective."

Gates is an editor of CIVIL WAR TIMES and author of THE GATES REPORT: THE CIVIL WAR TODAY.

The meeting, which will include an exhibit of Civil War artifacts, will be held in Bicentennial Hall of Northside School, Farmingdale.

The public is invited to attend.

After eight months of deliberations and several executive sessions, the Hicksville Board of Education adopted a resolution increasing the salaries of central office administration for 1980-81.

The salaries and increases are as follows:

Assistant Superintendent, Secondary: \$46,225 an increase of \$3,225.

Assistant Superintendent, Elementary: \$44,075, an increase of \$3,075.

Director of Personnel: \$35,475 an increase of \$2,475.

Director of Pupil Personnel Services: \$33,475, an increase of \$2,475.

Director of Public Relations: \$16,125, an increase of \$1,125.

Assistant Business Manager: \$25,069, an increase of \$1,749.

Business Manager: \$40,938 an increase of \$2,000.

Director of Buildings and Grounds: \$38,448, an increase of \$2,000.

Voting no to the motion were trustees John Ayres and Virginia Germer.

An amendment to the motion made by Mrs. Germer to raise all salaries 7.5% was defeated. Mrs. Germer cited inequities with the percentages, with the last two receiving increases of 5.1% and 5.4% respectively, while the

others received a 7.5% increase, making it a 6.9% average increase.

Mrs. Germer pointed out that the last two employees were long-standing employees and had saved the district thousands of dollars, as reported in the December Bulletin Board. She added that she did not believe in "across-the-board" salary increases, but also felt employees "should not be singled out."

Voting no to Mrs. Germer's amendment were Trustee Bill Bennet and Board President Tom Nagle. Trustees Charlene Anci and Dan Arena abstained.

Mrs. Anci stated that although she felt the individuals were doing an excellent job, the raises were "compromises, not merit increases."

She also stated that the Board had come to a consensus in their deliberations and she had not heard of this proposal in executive session.

Another amendment made by Trustee Neil McCormack giving a 6% increase to the two employees was also defeated with Mr. Bennett and Mr. Nagle voting no and Mrs. Anci and Mr. Arena abstaining.

Speaking to the main motion, Mr. Ayres gave a history of the Board deliberations, stating that no evaluation on performance

was involved since the increases were based on "team management, not individual merit." He objected to the six new people in the education area getting larger increases than the two long-time district employees not directly involved with education, getting a lower salary increase. He added he found it "hard to reconcile" in comparing the increases to other employee groups.

Also discussed at length was the procedure to be used in obtaining information from the superintendent. The topic was brought to the floor, reluctantly, by Mrs. Anci. She was concerned with the procedure on how information was to be disseminated to the board and indirectly to the public.

She revealed her plight in trying to obtain answers to specific items asked repeatedly of Dr. Hawkins, Superintendent, the past three months. She requested the answers in writing. However, Dr. Hawkins, she related, told her the answers were lengthy and preferred to give them in person with another administrator present.

She concluded by stating "this is not a custodial school board. We need back-up and accountability." The board did not belabor the superintendent, she felt, and

she asked the feelings of the other board members on the matter.

Dr. Hawkins requested the Board give him direction and guidance on how to handle requests for information.

"I need to know your priorities as a Board. You need to clarify these priorities and decide where to put them."

He stated that a distinction needed to be made between those answers, to questions which can be given over the telephone and those answers requiring research.

"The Board has the right to the answers as a Board. I am here to work for the Board," he added.

He suggested questions requiring lengthy research be referred to the board president or asking for a board majority to compile the information on a particular question.

Mr. Bennett outlined the procedure he used in obtaining information and stated he had "no difficulty in obtaining answers."

Mr. Ayres felt that "conflicting signals" are being received on the matter and referred to his request for information on grade distribution.

Mr. Nagle hoped that a new policy would not be instituted and also hoped the

Alumni Recalls Holden; Galloway Scholarships Renewed

The renomination of Harold Holden as President for 1981 and the renewal of the Dr. Leon J. Galloway Scholarships were the main topics on the January agenda of the Hicksville Alumni Assoc.

A second call to Holden, prominent Hicksville business and civic leader, came after a vigorous 1980 for the

Juried Art Show

The fifth annual Independent Art Society Open Juried Art Exhibition will be shown at the Hicksville Public Library from January 18-26.

The exhibit will open with a reception on January 18th beginning at 2 p. m. Awards will be presented and the Roslyn Artists String Quartet will perform at 3 p. m.

The exhibit is sponsored by the Independent Art Society, the Town of Oyster Bay, Division of Cultural and Performing Arts and in cooperation with East Meadow Art Supply.

Refreshments will be served by the Friends of the Hicksville Public Library.

Association. Growth in activities, scholarships and membership marks the year.

Other officers tapped again are William Geyer, Vice President; James Fyfe, Treasurer; Karin Weyer, Corresponding Sec.; Joseph Gentle, Recording Sec.; Gwen Schaaf, Membership Secretary.

Marge McGuirk, Scholarships, and Howard Finnegan, Publicity, are chairpersons of the standing committees.

Former teacher and Principal, Dr. Galloway renewed his "love and appreciation to Hicksville High School and the community at large," with a scholarship check for one thousand, two hundred dollars.

The awards will be made to a boy and girl college-bound athlete, five hundred dollars each, and a two hundred dollar French scholarship.

Voting to make the February meeting a dinner affair, the Alumni Board will honor students John Rodney and

Peter Jannette. Rodney was voted the outstanding football player in Nassau during the last gridiron campaign and Jannette received similar laurels in soccer.

The latter also was named the first All-American Soccer player from Long Island.

Limited reservations can be made with President Holden or athletic director, Richard Hogan, for those wishing to join in the Alumni recognition.

Adult Continuing Education

The Adult Continuing Education Program of the Hicksville Public Schools will launch its spring semester of classes the week of January 29-February 4.

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Well the girls of our Unit had a very nice party featuring a cocktail hour and the final prizes for their '300' Club last Saturday night. Big winners were Eleanor Draycott, Mickey McGrady and Marie Gamble. The Auxiliary will be starting a new '300' Club very shortly and the final drawings and cocktail party for that one shbe in the nice warm weather. So contact the Auxiliary and get yourself a ticket or two and join in the fun and who knows, you might come out ahead!!! And you must know that the Auxiliary's annual VALENTINE DANCE is scheduled for FEBRUARY 14th and features free beer, fruit cup, salad, baked ziti, meat balls, coffee and cake for just \$15 per couple. Please make your reservations through Marie Gamble 938-2163 or Joan Rizos 433-7429 or Flo Ruhe 822-3876 or Eleanor Walsh 931-3299 and please make them early!!! The drinks will be cold and the food and dance music will be hot, so shine your dancing shoes and bring your Sweetheart to the VALENTINE DANCE on Saturday, February 14th. Sorry to report another of our comrade members has passed away and services

were held last Tuesday night for Vincent J. Ryan at the Dalton Funeral Home in Hicksville. A word to all Past Commanders, don't forget there is a meeting of the PAST COMMANDERS' CLUB on Friday January 23rd at 9 P.M. Please make every effort to be present. To remind our State convention delegates, there will be a 10th District meeting at the Joseph Loeffler Post, Brentwood, L.I. on January 27th. The Post will participate in the FOUR CHAPLAINS' SERVICE at Our Lady of Loretto Roman Catholic Church, Greenwich Street, Hempstead, on Sunday, February 8th, 4 P.M. Naturally, our Color Guard will be in the forefront of our participation so come on out and join in with fellow comrades of your Post. And now that the realignment of the Divisions of the Nassau County American Legion has officially taken place, you should know that our Division is the 3rd and no changes have taken place, we still have the same 21 Posts. But the 1st Division now consists of Andrew Fatscher, Baldwin, Bellmore, Demott Carman, East Rockaway, Edwin Welch, Jr., Henry Morrison Delaney, Island Park, J. Franklin Bell, Lawrence Cedarhurst, Lynbrook, Malverne, Massapequa, Merrick, Nassau Women's, Oceanside memorial, Rockville Centre, Roosevelt

Memorial, Victor Murtha and Wantagh. The 2nd Division now consists of Bellmore, Cathedral, East Meadow Memorial, Elmont, Floral Park, Franklin Square, Gomillion Campbell, Hempstead, Island Trees, Levittown, New Hyde Park, North Bellmore, Robert Van Cott, Talbott, nondale, William B. Turner and William C. Story. Let's hope that this new setup will produce a better balanced and stronger American Legion in Nassau County. Saturday, February 7th, is the 4th annual Post Commanders' Nite which is being held again at the Massapequa Post and to which the Post is sending our Commander Lou Cesta and his wife. This is a fun affair and always well attended but would be much better for our Commander if several tables of Hicksville Legionnaires were in attendance with him. The cost is only \$5 per person and you get all the beer you can drink, but bring your own food. Liquor and soda may be purchased at reasonable prices and members of each Post will be seated together. If you want a fun night out, please call the Commander now and make your commitment to attend and make Hicksville look good. The next Post business meeting will be on Monday, January 19th at 8:30 P.M. and all members are always welcome to be on hand and perhaps interject a new thought or two.

Dolan To Play Second Sport

Theresa Dolan enrolled at George Washington University this past fall on a soccer scholarship. The Hicksville native was one of the main reasons the first year of women's varsity soccer at GW was a great success and now she is taking her athletic ability to another GW sport, badminton. GW Badminton Coach Don Paup has bolstered his squad this year by recruiting some of the top athletes from the eight other GW women's varsity sports. Paup now has 14 varsity athletes participating, only nine of whom were badminton players last year. Theresa, daughter of James and Ruth Dolan of Hicksville, will be one of five athletes who will be switching to badminton this winter. Theresa has the (Continued on Page 11)

Eight And Forty News

On Friday December 19th, the Nassau Salon # 24 Eight and Forty held their meeting at the Hicksville American Legion Post. Hostesses for the meeting were partners from the Bethpage and Hicksville posts. Chapeau Ruth Leger appointed Judy Yannotti overall chairman for the Department Chapeau Cynthia Hochbruckner's Homecoming dinner and Spring Pouvoir. The tentative date is April 11th. Martha Blais is chairman of the luncheon and Helen Jacobsen is chairman of the dinner at the Pouvoir. On August 23rd and August 24, 1974 at La Marche Nationals, Hollywood,

Florida the partners of Eight and Forty adopted white dresses, long or short as the occasion demands. The Eight and Forty colors are red and white and the flower is the red carnation.

The condolence of the partners is offered to the family of Elsie Fish who died on December 15th. Chapeau Ruth Leger and L'Aumonier Kay Mazzie conducted the Eight and Forty Services.

By now, we hope that Theresa Demuse is feeling better.

The next meeting will be held on January 22 with partners from Hempstead and Gomillion Campbell as hostesses.

Five Times To Contact Social Security

It is important that everyone know when to contact the social security office.

- 1) * Before he or she gets a first job, because of the need for a social security number to get proper credit for earnings.
- 2) * After a death in the family, to learn if survivor benefits or a lump-sum death payment are payable.
- 3) * When somebody is disabled, to find out if disability benefits are payable.

- 4) * At retirement age; 65 for full cash benefits or as early as 62 for reduced payments. Sign up for Medicare 2 or 3 months before 65, even if the person has no plans to stop working.
- 5) * Whenever a person has a question about social security or wants to report a change that will affect monthly benefits.

person how much work he or she needs to be insured, how can qualify for benefits, how to replace a lost social security or Medicare card, how to get a free statement of his or her earnings record, or what documents are needed when a person applies for benefits.

These and other questions can be answered by telephoning 576-9162.

Volunteering Is Sharing

"The only gift is a portion of thyself," wrote Ralph Waldo Emerson. Sharing your talents, energy, interest and time for a few hours each week is the most generous gift you can give to your community.

Some of the world's most talented people have never been paid a cent. For years they've been called volunteers. They help improve the quality of life for children, the sick, the elderly, the handicapped, the disadvantaged and their communities.

special training will be given to selected volunteers. The museums have a variety of assignments and The Fine Arts Museum seeks volunteers weekends for their special events. Volunteers with special skills they can teach are always in great demand. The hospitals and nursing homes seek warm friendly people weekends and evenings as well as weekdays. There are people recovering from emotional breakdowns who need friendly companions to help them improve their socialization skills.

An demand by non profit agencies at this time are men and women who can offer companionship to youngsters who come primarily from one parent homes. Friendly visitors for the elderly and the home bound are deeply appreciated. Boy Scouts and Girl Scouts are on the lookout for leaders. Family Planning and Planned Parenthood seek volunteers interested in reception and clerical assignments. Thrift shops can always use sales help. The Coalition for Fair Broadcasting needs volunteers to monitor newscasts,

A law service organization seeks volunteers who can serve as advocates for their clients. Office skills are always in great demand by a variety of non profit agencies. Volunteering is an opportunity to get on-the-job experience, enhance your skills, meet new people, do career exploration and help others. Call Phi Fleer at 535-3687 for an application or information about volunteer opportunities in 1981. Make this a great year!

Levittown Sports Night Jan. 24

Sal Butera of Long Island, a member of the Minnesota Twins, will be back from Venezuela this week and on hand to join guest of honor Neil Allen of the Mets on stage at Island Trees High School, Saturday, Jan. 24 for the 21st annual free Levittown Youth Council Sports Night. Butera has just finished playing winter baseball with the Aragua Tigers in the Venezuelan League. The 28-year-old Butera, as a major league rookie last season, caught in 34 games for the American League Twins. He batted .271 and off that record figures to see more action for Minnesota in 1981. He was used often to catch 16-game Twin winner Jerry Koosman, a former Met. A six-footer Butera spent eight seasons in the Twins minor league system, topping his apprenticeship with a .297 average at Toledo in 1979. He was signed by the Twins out of Suffolk Community College after starring at shortstop for Connetquot High School. Butera was born in Richmond Hill, Queens.

Butera completes the list of baseball names in honor of Neil Allen who saved 22 games and won 7 for the Mets last season. Appropriately, Allen is to be honored on his 23rd birthday. Neil was born in Kansas City but now makes his home in Syosset. Joining him will be former Yankee pitching ace Ed Lopat, now a scout for the Montreal Expos, and Dale Berra, the son of Yogi who played third base and short in 93 games for the Pittsburgh Pirates last season. One of Dale's thrills last season was a grand slam home run hit June 1 against the Mets. His father, Yogi accomplished that feat in the 1956 World Series win over Brooklyn. Free tickets for the two-hour stage program featuring World Series and All-Star color films have been distributed by Youth Council officials through the courtesy of Williamsburgh Savings Bank which has co-sponsored the sports night since 1961. More than 40 prizes will be (Continued on page 6)

PTA Legislation Seminar

- "What Good is Legislation if...?"
- * Are youngsters breaking the law and only getting a slap on the wrists?
- * Are drunk drivers getting away with murder?
- * Are youngsters flaunting the alcohol and drug abuse laws that were designed to protect them?
- * Can vandalism and religious desecration be stopped?
- * Can the Juvenile Justice system work for kids?

The answers to these questions will be discussed at the Nassau District PTA Legislation Seminar on Saturday, January 24, 1980, 9 a.m. to 1 p.m., Hempstead High School, Peninsula Blvd. and President Street, Hempstead. Denis Dillon, Nassau County District Attorney, and George White, Deputy Inspector, Narcotics Division, Nassau County Police, and representatives of the departments of probation and social services, the courts and the community will be among the key speakers. All Nassau County legislators have also been invited to participate. Workshops will follow the panel presentation. The press is cordially invited to attend this informative meeting.

"Patents and Trademarks" Workshop Planned

The Small Business Council of the Long Island Association of Commerce & Industry will sponsor a "Patents and Trademarks" Workshop on Wednesday, January 21, at the LIA Headquarters, 425 Broad Hollow Road, Melville, N.Y. starting at 4 P.M. This seminar, the first of its kind, will bring into focus the practical problems facing the businessman in obtaining and maintaining a

competitive advantage through a well planned "patent and Trademark Program." The seminar will be divided into two parts, one specifically dealing with a total concept of obtaining patents and the other one devoted to the trademarks needs in corporate life. The discussions will include subjects such as: trade secrets, anti-trust considerations, area of

copyright and unfair competition, licensing and franchise agreements will also be developed from the "Trademark and Patent" viewpoints. Immediately following the PATENTS AND TRADEMARKS WORKSHOP, there will be a dutch treat dinner at Muscareo's in Melville. This will be an opportunity for the Small Business Council members to get to know each other and to help

us help solve mutual business problems. We hope you plan to attend this free workshop and join the Small Business Council for dinner. It is necessary for us to have your reservation for both the program and the dinner afterwards. Please call Annabelle McGuckin at the LIA 752-9600 ext. 20. Once again the date is JANUARY 21st at the LIA HEADQUARTERS.

New York Shows Positive Gain In Public Employee Pension Investments

ALBANY, N.Y. -- "New York state and local retirement system investments amounted to 38 per cent of total receipts during fiscal 1979. This is in sharp contrast to 1978 when investment earnings were 32 per cent of total receipts," the Citizens Public Expenditure

Survey (CPES), the state-wide taxpayer research organization, reported today. New York state and local retirement systems were supported 4 per cent from employee contributions, 58 per cent from government

contributions (taxes), and 38 per cent from earnings on investment in 1979, CPES said. CPES noted that in 1978 the systems were supported 5 per cent from employee contributions, 63 per cent from government contributions, and 32 per cent from earnings on investment. New York public employee

pension plan receipts totaled nearly \$5 billion in 1979. Of this total, \$292 million was from employee contributions, \$2.9 billion from government contributions, and \$1.9 billion from earnings on investment, the taxpayer organization reported. Investment earnings were up \$468 million in 1979 over 1978, CPES said.

Guide For Car Buyers

How can you get the best buy for the dollars you have budgeted for a new car? A new booklet, called "The Car Book," compiled and published by the Department of Transportation, will help you make that determination. The booklet contains information on makes and models of cars rated as to maintenance and repair costs, and fuel economy. Thus you can find cars which have low maintenance and repair costs, and which have the best fuel efficiency. The booklet tells you which cars get insurance discounts, and which require additional insurance in the form of a surcharge. The booklet offers valuable information on what you need to know in buying a used car, including a list of models which have been found to have safety defects or to require recalls. A limited number of these valuable booklets is available, free of charge, by writing Congressman Norman Lent, Room 300, 2280 Grand Avenue, Baldwin, New York 11510.

Dear Friends

DON'T SHORTCHANGE THE NORTHEAST: both the Nassau County Village Officials Association and the Business Council of New York State have attacked the Federal proposal, made in a draft report of a presidential commission, that federal assistance priorities be shifted to the Sun Belt at the expense of the Northeast. The problem is, of course, complex, but over simplified suggestions such as this federal proposal, brings to light the fact that the problem, which is a very real one, should be studied, in all its aspects. Then solutions may be implemented, that will help to solve problems made by this shift of populations. And this means knowing ALL aspects of ALL these related problems and reaching solutions that help to solve them in both affected areas.

LISTEN TO THIS: US Senator D'Amato, well known to us all, testified before the Senate Standing Committee on Banking this week and, we are told: Sen. D'Amato reminded this Committee that the American people have charged the 97th Congress with the responsibility of reversing the economy's downward trend. "This morning's testimony is more evidence that the Congress must take decisive action to reduce excess government spending and unnecessary regulations. Action must be taken as swiftly as possible, despite knowledge that certain political interest groups will do all that they can to preserve their positions," he said. "The people of this country have spoken and their message is simple and clear -- LET'S PUT OUR ECONOMIC HOUSE IN ORDER."

We couldn't agree with the Senator more. Particularly about reducing excess government spending, and we do mean by agencies in Washington DC who give out grants to study the "love life of the tseste fly," or funds for unnecessary projects all over the country. We believe he is on the right track. So, Sen. Al please stay away from plans that would hurt those who are receiving small sums from a Social Security System that they have paid in to...and start with specifics (and there are many) where they are spending our tax dollars unrealistically. Your's is a very important job...important to all tax-paying Americans...and to the survival of the Country we all love.

HICKSVILLE is losing two warm-hearted, concerned, active residents, and we are losing friends. Perhaps this isn't exactly "losing" but Murray and Frances Margolis, longtime Hicksvillians are moving this week to Estacada, Oregon. We will miss them both. Frances, is well known to friends and neighbors and to many associates and customers of Gertz Dept. Store in Mid Island Plaza, where she did such a terrific job for so many years...and Murray, gave of himself to our community in so many ways...to name a few...he is a past president of the Hicksville Kiwanis Club, first president and organizer of the Four Freedom B'nai B'Rith, first president of the Hicksville Youth Council, a trustee of the Hicksville Gregory Museum, and the "Daddy" of the Manetto Hill Knights of Pythias, as well as being active in the Hicksville Community Council. Murray is well known as his role of playing Santa Claus for many organizations, for his entertaining at the Jones Institute, for his MCing the Hicksville Bi-Centennial Parade, and as one who helped inaugurate Career Nights at the Hicksville High School. Hicksville Fire Report

The Hicksville Fire Dept. responded to 103 alarms during the period Dec. 13 to Jan. 10. There were 3 malicious false alarms, 48 fire calls and 52 rescue calls.

Hicksville Vamps assisted Jericho Vamps on Dec. 22 when fire gutted a popular restaurant at 380 No. Broadway. The mutual aid alarm came in at 2:10 a.m. Syosset and East Norwich Vamps assisted also.

Fire damaged an apartment on Christmas morning. The 6:37 a.m. alarm was caused by careless smoking. The temperature was below zero. Vamps confined the blaze to one room in the dwelling at 39 E. Barclay St., Hicksville. One occupant narrowly escaped injury.

There were no smoke detectors.

Freeze Ups And Wood Stoves

With below average temperatures this season, there has been a rash of frozen or burst water pipes. In the past, persons using blow torches to thaw pipes have set serious fires. It is better to use hand held hair dryers; open flame devices are dangerous. It is advised to keep cloths away from heating units, if not, a fire could result. There has been a rash of wood stove fires also. Creosote build up seems to be the culprit. Follow manufacturers instructions for proper stove operation. Many folks are installing wood stoves without permits. They can be easily installed improperly resulting in fire.

Another hazard, especially in Levitt style homes is wooden covers over oil burner units. This is a very dangerous practice; it could block exit from ground floor bedrooms.

I.S.O. Testing

The Insurance Service Organization, formerly known as the Underwriters, have recently completed its inspection of the fire suppression abilities of the Hicksville Fire Dept. The tests are conducted about every 10 years to establish fire insurance rates. Preliminary reports show the Fire Dept. conforms to established standards. Water flow tests will be conducted this Spring. Final results will not be known until late summer.

Fire Dept. Brass Sworn In

Department Officers for 1981 were sworn in by Fire Commission Chairman Clifford Davis at the Annual Department meeting held on Jan. 12. The officers are as follows: Chief, Richard Kershow; 1st Asst., William Magee; 2nd Asst., Owen W. Schuckmann; Corres. Sec., Harry Plamer; Rec. Sec., John McMahon, Sr.; Fin. Sec. John Luft; Treas., Fred Hasbrouck.

Remember

* Smoke detectors save lives!
* Beware - Kerosene heaters are dangerous!
* Aux. Heating Devices should be installed properly including permits and final inspection.

Two Year Pact Ratified

The Hicksville School District and the Hicksville CSEA Buildings and Grounds Employees have ratified a two year pact, retroactive to July 1, 1980. The contract, which was tentatively reached on October 9, was ratified by both sides on December 19.

According to Director of Personnel Ronald Fried-

man, the contract calls for an approximate 8% pay increase including increment for the first year, and about the same for the second year.

Dr. Wilber Hawkins, Superintendent of Schools, said, "I am pleased that the contract was settled amicably and quickly, so that we can get back to the

business at hand. It was settled in the spirit of collaboration and cooperation, and we're sure the custodians are pleased, as well."

Mr. Edward DiBello, president of the Buildings and Grounds unit, concurred "I'm glad the contract was settled. I wish the other groups would come into the fold and settle their

contracts. Everything worked out fine; the retroactive money came at an opportune time for the men; it's going to be a merry Christmas for them. I'd like to thank the Board of Education, Mr. (Thomas) Nagle, and Dr. (Hawkins) for being so cooperative and understanding in the settling of the contract."

Families For Life Club News

by Doug Harknett

As we told you last week, the Families For Life Club is sponsoring a bus trip to Washington DC for pro-life people in this area for the March For Life on Thursday, Jan. 22. The purpose of this March is to mourn the Supreme Court's 1972 decision to legalize abortion at any time before birth and to call on Congress to pass a Human Life Amendment (HLA) to the Constitution that would protect all human life. The cost of the trip is \$15 per person. Those interested in going may call 938-1391 or 935-7572.

The Families For Life Club's next regular meeting is scheduled for 8 pm on

Wed., Jan. 28 in the Levittown Hall.

Those who believe in euthanasia are presently preparing an attack on suicide laws in order to establish a "constitutional right to suicide" and, as a corollary, legalized "assisted suicide," according to a national pro-life legal organization.

The group, Americans United for Life AUL Legal Defense Fund, reports that there is an unusual amount of pro-euthanasia activity going on at the present time. In England, the Society for the Right to Die with Dignity is proposing to publish a 'how to' book on suicide. In

this country the public has been virtually flooded with books, plays and films with the suicide theme. There is the Broadway show "Whose

Life is it Anyway?"; and the PBS TV documentary "On Choosing Suicide" that explored an individual's decision. (Continued on Page 9)

= Should we have a funeral and visitation for Grandpa? =

He was very old, maybe he doesn't have any friends left

The choice of a funeral or visitation for the elderly should not be made on false assumptions. It is easy to believe that old people have no friends. Many have spent their last years in a nursing home away from others. Many of their friends may also have preceded them in death. Nevertheless, today there is a larger population of the elderly than there has ever been before, and that population is growing! Many families who have chosen a visitation and traditional funeral have been gratified to meet friends of the deceased who call to pay their respects because they cared about the person. Others come to express support of the family. When an older person dies, a funeral and visitation, gives friends a chance to express their feelings.

Also discussed at the meeting was the recent snow day school closing and the procedures used. Dr. Hawkins explained this procedure in detail. Alternate plans to schools on snow days; the designation of the senior high school as a civil defense shelter; and the possibility of using the fire department signal to alert parents that school would be closed were discussed.

Mr. Ayres questioned several items contained in a letter to parents written by Junior High School Principal Gerald Klein in the PTSA newsletter. Mr. Klein answered the questions concerning the seventh grade semester procedures; administrative changes; and assessing students' needs.

Community Council's January Meeting

by Carole Wolf

The January meeting of the Hicksville Community Council divided itself into three segments: a discussion of the revaluation of residential assessments by Abe Seldin, Chairman of the Board of Nassau County Assessors; a review and update of G-1, Hicksville's downtown business district, featuring Hap Holden and Councilman Tom Clark; and an update on the present situation at the Gregory Museum by Richard Evers.

Because the courts, on May 23, 1977, ordered Nassau County to revalue, the Department of Assessment developed a plan which would take three or four years to complete because 403,000 parcels had to be reassessed, according to Abe Seldin. Because of the 860 Executive Towers Decision, government must pay back millions of dollars to those businesses who had commercial assessment and homeowners must pick the tab.

Seldin said that the last revaluation of property in our county was in 1938 and even present new buildings are based on those rates. The reason that the assessment has not changed is that all property must be assessed equally. He feels that there is a definite need for revaluation.

However, Seldin would like to see two features added to any bill on revaluation - a Homestead Exemption and Circuit Breakers. The Homestead exemption would allow approximately \$300 of taxes per year or \$1500 exemption on the valuation on individually owned residential property. The proposed Circuit Breaker legislation would provide a limit of property taxes to be

paid based on income. Seldin had just returned from Albany and did not like what he had heard, but he will continue to lobby.

In a question and answer period, Seldin said that the raise in property tax would depend on the amount of commercial property in the area. For instance, Bethpage would have to raise their school tax \$1.25 per hundred to equalize commercial and residential property. The only problem, commented someone from the audience, is that business is making money and the homeowner isn't. Ruth Mac Donald echoed the plight of older residents when she said, "What are retired people going to do?"

Under the court order, property should be reassessed every year, but Nassau County proposes that it be updated every five years and revalued every 10. The cost of revaluation will be \$10,000,000 and should have been completed by May, 1980, but Seldin has gotten moratoriums. Some Boston bedroom communities have a higher tax rate than ours.

"There are three important things in appraising property," said Seldin, "and that is location, location, location." Any additions made to a home that would also increase its value are: new rooms, porches, finished attics and basements, new bathrooms, central air conditioning, fireplaces, cement and slate patios, in ground and large above ground swimming pools, tennis courts, metal and wooden tool sheds on foundations, greenhouses, commercial and estate fencing. There is a property record card at 240 Old Country Road, 4th floor, for

your inspection. Applications for Veterans Solar Energy, Business and Senior Citizens Exemptions must be filed between January 1 and May 1. And taxpayers have from the first day of May to the third Tuesday in May to protest their assessment.

Hap Holden, President of the Hicksville Alumni Association, past President of Kiwanis and better known as the owner of Holden Stationary in the G-1 zone, was an original member of the committee to survey and analyze the community which published a book, "The Framework of the Future of Hicksville" some 12 years ago. "There was a lot of time, some money, and much effort that went into that book, and we still have today, the same problems as 12 years ago," said Holden.

Holden listed the problems as: children growing with no place to go, workers who have no place to go and commuters who clutter roads and park wherever they want. "We still have nothing and a potential," he added. Twelve years ago, the committee suggested multiple use buildings, because private enterprise necessitates elevation. "A person walks looking out and if 75% of the land is unoccupied, you have esthetic value," Holden said. Holden who was born in the town, and makes his living in the town" said that "zoning is not going to guarantee orderly development."

Councilman Clark, who repeated that Broadway has shallow plots because the state had widened the road, said that the town might have to come up with a floating zone. He repeated the plan which would place stores with windows along Broadway and parking with entrances in the rear, and mentioned that a property owner at Carl Street and Old Country Road wished to build a row of single story stores along his 27,500 square feet of property but the bank turned him down because the stores would not generate enough income to pay the mortgage.

The Federal Government has said that some of the streets off Broadway are a depressed area, but the

people in the area took exception to the remarks. Manufacturers Hanover is waiting for a break in the weather to begin ground-breaking for its new building on Duffy Avenue. Clark said that there is a proposal for a parking garage North of the tracks. The parking meters along Broadway have been revamped and the meters will be in effect until 10 P.M. Clark said he will look into the list of banks that the town deposits money into and see if any would be able to invest money into the development of Hicksville. King Kelly remarked that it cost money to develop plans to present before the town. "money is expensive. It costs money to develop a dream."

Mr. Vannotti, the proprietor of the land on Carl Street and Old Country Road, presented a plan before the council to have Hertz rent his property and have it as their car location. It would be for rental and resale, with bushes, blacktop and sales personnel. After a discussion, which covered subjects as to why Mr. Vannotti wanted one story shops instead of multiple use building, the cost of financing, and the prior use of the land, it was the general feeling of the audience that they would rather see "Hertz than no development at all."

At a question and answer Town Meeting with Tom Clark, Sieg Widder asked why U-Haul trucks were permitted along Broadway. Clark said that the Board never approved them and they should be removed. Neil McCormack suggested that the Town Board have a Town Meeting in Hicksville. During a discussion about bus terminals, Hap Holden remarked that people have a negative feeling about them. If the Landia Station is opened, the LIRR would have to elevate the Robbins Lane Crossing and is reluctant to do so. The town will not accept a proposal for a cement plant along Railroad Avenue. And in answer to a question on resource recovery, Clark said that Europe is burning garbage and making steam for electricity. The Hicksville Chamber of Commerce has been able to obtain 50 flags to fly along Broadway through the efforts of John Budnick, President of the Hicksville Community Council. These flags will then be presented to volunteer organizations who will then present them to the Chamber. If your organization would like to present a flag, contact Sieg Widder at the Chamber office.

Finally, Richard Evers gave a follow up report on the Gregory Museum. The museum's current status: closed to the general public but open to school tour groups by reservation. Financially they are still strapped; their applications for H.E.W. and H.U.D. grants were rejected, but their 1980 application for

Arrows Sign Peter Jianette

Peter Jianette's illustrious high school career has been capped twice in the past two weeks. The 1979 New York State Tournament Most Valuable Player was, just last week, named High School All-American, an honor shared by only 32 other high school athletes in the United States.

Today, Jianette realizes a dream he's held since the New York Arrows started kicking soccer balls off dasher boards at the Nassau Coliseum. To be one of them, and wear the same uniform as Steve Zungul, Branko Segota and Shep Messing, Jianette, drafted by the Arrows in the territorial round of the MISL college and high school draft, becomes the first draft selection to be signed by the two-time Major Indoor Soccer League Champions.

17-year old Jianette, still a student at Hicksville High School, will be unable to play professional soccer until his class graduates. But until

that time, and until training begins for the 1981-82 indoor soccer season, Jianette will be free to work out with the Arrows, make personal appearances on behalf of the team, and conduct some of the many clinic Arrows players perform throughout Long Island.

Jianette has been awarded many honors during his soccer career. He has been playing soccer since the age of 7, and his teams have travelled extensively in pursuit of the back of the net. Jianette himself hit the back of the net 64 times during his high school career, and recorded 32 assists. Coach Don Popovic calls him "one of the brightest young stars to begin his career on Long Island. We expect that Pete will begin a long line of young American players, that will form the backbone of the MISL in the future."

The following is an outline of the soccer career of Peter Jianette:

N.Y.S. Council of the Arts "Program Support" funding is now under review. Evers feels that the Museum's problem could be solved with a property tax of between 80c and \$1.20 per year per house.

The museum trustees are faced with disposing of their collection unless there is a ditch community wide effort to keep the museum in Hicksville. The members are talking about multiple support, for maintenance support from the Town of Oyster Bay, for help from the school board, to supplement the Museums memberships, admissions, gift shop and journal. Recently some businesses have shown an interest in Community-wide financing. Evers asks that all members of the community get behind the Museum's overtures to the school and library boards and the Town fathers for joint support of the museum.

Next Council meeting: Thursday, February 5th at 8:30 P.M. in the Library. Speakers will be a rep from Hooker Chemical, Superintendent Louis Dehoff, Hicksville Water District and Mr. Gregory Yatzshyn, Hicksville Citizens Alliance.

Winter Dance

The Woodland Avenue PTA has scheduled their third Annual Winter Dance for Saturday, February 28, from 9:00 p.m. - 1:00 a.m.

This gala event will be held at the Knights of Columbus, Heitz St. in Hicksville. Tickets which are \$17.50 per person include all drinks, a cold buffet, a delectable Viennese Table with coffee or tea and music by Joe Ratto.

There will be door prizes and raffles for the lucky winners.

Played CYO soccer until age 9, when the Hicksville American Soccer Club came into being.

At age 11 travelled to Italy to compete against other 11-year old teams in that country. Throughout his career in the Hicksville Soccer Club, Pete was always the youngest on his team.

Began playing indoor soccer. Age 9, against teams from around Long Island. These games were played in high school gymnasiums.

Travel: The Hicksville Soccer Club competed in 4 or 5 tournaments each summer, up and down the east coast and in Canada.

Special Teams: Played on the New York State Select Team for 3 years. Played on the National Youth Team which trained in Germany and competed in Cannes, France.

HIGH SCHOOL CAREER

Played for the Hicksville Junior High School 9th grade team while in the 7th, 8th, and 9th grades.

In grade 10 (1978), Pete made the Hicksville High School Varsity team and was voted all-league (Nassau County Conf. 1 Div. A) His team's record was 19-1.

In grade 11 (1979), His team won the New York State Championship (Div. I, Class A) with an overall record of 23-2. Pete was voted Most Valuable Player on his team, MVP of the Nassau County Finals, MVP of the New York State Tournament, and a member of the All-State 1st Team.

In grade 12 (1980), Pete was voted team MVP, All-State 1st Team, and was awarded the trophy represented by the "Jim Steen Award" as the top high school soccer player in Nassau County, voted by the Nassau County soccer coaches. His team went 14-4 in 1980.

During his three-year high school career, Pete Jinetette's Hicksville High School teams combined for a record of 56-7.

Jinetette scored 64 goals and had 32 assists in 62 games over 3 years. (14G, 12A in 1978; 26G, 9A in 1979; 24G, 11A in 1980)

Our Armed Forces

Navy Fireman Apprentice Joseph Stevens, son of George and Cynthia Ostraco of Spoke Lane, LEVITTOWN, has reported for duty aboard the destroyer tender USS Samuel Gompers, homeported in San Diego.

He joined the Navy in February 1980.

Hicksville Swim Team Competes

The Hicksville High School Swim Team, which practices at the pools at Central Islip and Jericho High Schools, is well into its winter season. The team, which is co-ed and swims in the boys High School League, has approximately 25 members from the Junior and Senior High Schools.

On Friday, Jan. 9, Hicksville competed against Syosset. The final scoring gave Syosset the victory by 12 points. During the meet, there were many outstanding swims by the Hicksville members. The medley relay, swum by Jemine Mund, Tom McGuirk, Eddie Sottile and Billy Eberly, swept the first event. Tom McGuirk won the breast stroke, Jemine Mund won the backstroke and was barely out-touched in the IM, and Mike White won

the 500 and 200 free. Patty Horman and Gina Cnagemi scored third and fourth in the diving.

In previous competition, Hicksville lost to Uniondale by 7 points but defeated Island Trees.

Softball Leagues

Softball teams interested in playing in leagues conducted by the Nassau County Department of Recreation and Parks must apply for admission by Friday, Feb. 20, it was announced today by Commissioner Abram C. Williams.

An elimination tournament will be held in the Spring to determine which teams qualify. The tournament will be held Saturday and Sunday, April 4 and 5. Openings exist for night leagues as well as leagues that play Sunday in daylight only.

The cost of night league play is \$469 for a 24-game schedule. Sunday teams can expect to pay \$232 for a similar number of games. The lower fee is attributable to the fact that only one umpire is assigned to the Sunday games. The leagues are conducted at Cantiague, Cow Meadow, Eisenhower and Wantagh Parks.

Team rosters must include at least 75 per cent Nassau County residents. Leisure passes will be checked. For complete information and an application form, contact the Sports Unit at 292-4284.

ALL [HICKSVILLE] AMERICANS: Oyster Bay Town Councilmen Thomas L. Clark (second from right kneeling) and Kenneth S. Diamond (third from left back) are surrounded by winner at the Hicksville Americans Soccer Club annual awards night. Displaying their kudos are Ari Bursten (left back), Michael Herman (second from right back), Jeffrey Seeli (kneeling left) and David Beshod.

On hand for the ceremony were the club's president Tony Camaro (second from left back) and commissioner Howard Beshod.

Vienna Choir Boys Inaugurate Fortunoff Classical Concert

The Vienna Choir Boys who have delighted people from every corner of the globe with their programs of costumed operettas, sacred songs & secular music, will appear in concert at the Westbury Music Fair, Westbury, Long Island, Monday evening, January 19, at 8:30 PM. The series, starring the World's greatest classical artist will be extended thru March 30, 1981.

The complete schedule for the Ler Guber-Shelly Gross produced Fortunoff Classical Concert Series is as follows:

Monday, January 19, 8:30 PM the Vienna Choir Boys.

Monday, February 23, 8:30 PM Yehudi Menuhin (Violinist).

Monday, March 9, 8:30 PM Maurice Andre (Trumpet Virtuoso) with Wuerftemberg Chamber Orchestra.

Monday, March 16, 8:30 PM Ballet Folclorico Nacional de Mexico (National folk ballet of Mexico).

Monday, March 30, Byron Janis (Pianist).

For nearly five centuries the Vienna Choir Boys have enchanted millions with the charm and excellence of their music-making. They were founded by Imperial decree on July 7, 1498 by the humanist Emperor Maximilian I, to fulfill his wish to have choristers in the Imperial Chapel. The greatest prodigy, and without doubt the most

famous choirboy was Franz Schubert who sang as a choirboy from 1808 to 1813. Anyone who has seen the boys, either in rehearsal or in performance, soon realizes the secret of their fascination: they have managed to combine the naivete of childhood with artistic maturity, something that can only be achieved through serious work.

Individual tickets are priced at \$11.75 and \$10.75. Subscription prices for Fortunoff customers for all five performances is set at \$35.00 (a savings of \$23.75 or \$4.75 per concert). Subscription prices to the general public for all five performances are \$40.00 (a savings of \$18.75 or \$3.75 per concert).

Tickets for all concerts are on sale at the Westbury Music Fair box-office; Ticketron outlets throughout the metropolitan area and by CHARGIT. Call 516-944-9300 or 212-944-9300. For all information, call 516-333-0533.

who will receive a copy of the catalog in the mail within the next few days, the cost of a course is \$17. For out-of-district residents, the cost per course is \$25.

Most courses meet for two-hour sessions, from 7:45 to 9:45 p.m., at Westbury High School. In-person registration will take place in the Lobby of the High School from 7 to 9 p.m. on Monday, Tuesday, and Wednesday evenings, January 26, 27 and 28, 1981. The catalog includes a form which facilitates registration by mail. Residents are reminded that classes will be enrolled in the order in which registrations are received.

Education Courses

Seven new courses have been listed in the Westbury Public Schools Adult Education catalog for the semester which begins the first week in February.

bringing the total number of offerings to 52, according to adult education director John Hotchkiss.

The new courses include these: Intermediate

Calligraphy, Practical Philosophy II, Picture Framing, Raquet Ball, Sailing and Seamanship, Practical Applications of Solar Energy, and a Water Safety Instructors Course. In addition, the program will continue for a second semester almost all of those courses offered in the fall semester. For in-district residents.

PLAINVIEW RESIDENT Arthur Frank [I.], of the Grumman Aerospace Corporation, receives congratulations from Dr. Rens Caporali, Grumman's vice president - development. Arthur and fellow employee Allan Nathan [C.], were recently awarded certificates of appreciation by the National Aeronautics and Space Administration [NASA] in recognition of their work toward the development and design of a Manned Remote Work Station [MRWS].

The MRWS will be a pressurized cabin about 10 feet high by seven feet in diameter and will operate in cherry-picker fashion. It will enable astronauts to perform construction tasks from within a protected environment.

Grumman space engineers have blueprints for other futuristic projects made possible by the MRWS. Having solved some of the problems of building in space, the possibilities of utilizing new fabrication techniques seems limitless. Incredibly, many of them will be feasible by the late 80's and early 90's.

Our Club meeting last Friday was an exciting one. Nassau County Executive Francis T. Purcell was on hand as the installing officer of our incoming officers and directors. Mr. Purcell promised us he would be back to visit our Club again, perhaps in the spring. He is a charming and dynamic gentleman and we enjoyed his presence at our meeting.

President Vevante's message follows:
"We want our Club to continue the momentum of the 1980 elections into 1981. This momentum will help carry our candidates to success in the fall of 1981. We will be hearing from those

candidates later on in this column.

"1981 has been a real progress year. We have many committees that are looking for YOU to become involved as a member of them. Why don't you drop down to our Club meetings and join one of the committees—you'll enjoy the activities and the other members involved in serving on these committees.

"My sincere thanks to all those individuals who worked so diligently to make our Christmas party a huge success: Val Zito, Marie Bergen, Rosemary Dolan, Murray Margolis, Ann Jablonsky, Jo Jablonsky,

and cook, Arnold Melton. Of course thanks to Gerard Weber for donating the raffle prizes. If I have neglected to name anyone who worked on this committee, please let me know, so I can thank you personally.

"Welcome to the following new members of our Club: Charles Rubel, Jr.; Harold McClure, Paul F. Donovan; Charles & Madelyn Iehle; Jeanette Sadowski; Arthur & Helen Fuelling; Frederick & Betty Ann Marra; William Merrick; Frederick Strauch; John Ribanic; John Campolettano; Leroy & Dorothy Brown, Jr.; Joseph & Janet Dantuano; Reinaldo Rivera; Thomas & Susan

Letter to the Editor

Dear Editor:

There has been and still is conflict over the Hicksville Triangle; meanwhile on a small road (Railroad Ave.) in the middle of Hicksville, a company is proposing to build a cement hopper on an undersized plot in a G-1 zone.

How can this happen? Because of the limited area that has to be notified, many residents of Hicksville do not realize the industrial noise and pollution that is coming to our area!

The company claims there will only be noise from 8 a.m. to 4:30 p.m. Monday through Friday and that there will be no dirt or dust.

Do these people think that the residents of Hicksville are unaware of what a cement business entails?

Our G-1 Zone must be upheld and even a special permit for a couple of months must not be granted.

A Very Concerned Resident

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:
"Obstinacy and vehemence in opinion are the surest proofs of immaturity."
Italian Proverb

SUCCESS is rarely accidental. Unusually, it is a result of careful planning, courage and dogged persistence. Such attributes, I am sure, are part and parcel of the organizational makeup of the Galileo Lodge. Year after year, season after season, the recreational activities offered by the Galileo Lodge represent the finest and ultimate in entertainment, cuisine, music and hospitality. These activities, always friendly and exciting, seem to overflow with a personal kind of warmth. Moreover, if we consider them praiseworthy, and they really are, then we can also consider them uncontested evidence of the high calibre of the committee members chosen or those who volunteer their services.

Recreational festivities for late winter and early spring are in readiness, so I could

be a trifle 'premature' in divulging them. But time is fleeting, and Mother Nature will soon shed her wintry mantle. On Saturday, the 7th of February, the Galileo Lodge will present its Valentine Day Dance, with Brother Jeff Wallick as its Chairman and who will also be able assisted by Armand Del Cioppo, Frank Matassa and Joe Morace. On Saturday, the 21st of March, the Galileo Lodge presents its St. Joseph Dance. Then on Saturday, the 25th of April, it will hold its Anniversary Dance, and on Saturday, the 16th of May, it also holds its May Dance. More details concerning these delightful forthcoming events will appear in later columns, so keep your eyes peeled here.

To supplement these aforementioned activities, the Galileo Lodge will present other recreational and social programs such as golfing, bowling, picnics, outings, fishing trips, sports events, Feasts, etc. On a date scheduled in May, the Galileo Lodge will sponsor a Blood Bank Day, with

Brother Teddy Marotti as its Chairman. Member Appreciation nights will also be in evidence, which means that the Galileo Lodge will become the scene of one good time after another. If enjoyment is part of your way of life, then keep abreast of these activities. There will always be diversion and versatility at the Galileo Lodge. It is tailored to suit your needs. It aims to please by offering you the most for the least amount of money.

adult in a coma, or a handicapped infant who cannot make the request himself, under a theory of 'substituted judgment'. The theory would be that the individual would have wanted to commit suicide if he had been competent to make the choice, and accordingly it would be legal for someone else to 'commit suicide' for him.

AUL contends that is is now only a matter of time before these arguments are made in court.

There is no law against suicide itself, either in England or in the majority of American states, but there are laws against assisted suicide. AUL contends that euthanasians are seeking to extend the constitutional right of a terminally ill patient to refuse "extraordinary" treatment (the right to die), to a constitutional "right to suicide", and in this country the American Civil Liberties Union has already voted to support the theory in the courts.

If successful, the next step would be to legalize having a third party assist someone to commit suicide, it is already legal to withdraw extraordinary treatment from a terminally ill patient who makes that request, so the parallel effort would be to legalize assisted suicide, when requested. The final step would be to assist an incompetent or terminally ill

"A Night In Vienna"

A "night in Vienna" is the theme of a benefit dinner-dance to be held at Colonie Hill in Hauppauge March 7 from the Long Island Philharmonic, it was announced by the event's co-chairmen, Robert Willumstad, senior vice president of Chemical Bank and Prescott H. Blatterman III, vice president of Manufacturer's Hanover Trust Co.

The evening, which begins at 7 p.m., will be flavored by flickering candles, a profusion of fresh flowers and the magical strains of Viennese waltzes, according to the co-chairmen, both of whom are directors of the Philharmonic. The goal will be to recreate, for the friends and supporters of the orchestra, moments of the famous Belvedere Palace and the grandeur of old Vienna, home of many legendary composers.

including Strauss, Mozart and Beethoven.

For dinner, the matchless cuisine of the elegant Austrian city will be accompanied by fine wines and climaxed by magnificent desserts from the Viennese Coffee Table.

For further information and reservations at \$150 per person, contact the Long Island Philharmonic at 293-2222.

Cookie Fun In 81!

Doorbells will soon be ringing as Girl Scouts of all ages start taking orders for those ever popular Girl Scout Cookies.

The Nassau Council of Girl Scouts Cookie Sale begins on Friday, January 16th at 3 p.m. Two new kinds of delicious Girl Scout cookies have been added for '81: SUMORES - a scrumptious, chewy, caramel and coconut confection sprinkled with chocolate, and another all time favorite - old fashioned oatmeal cookies. And there's all the familiar Girl Scout cookies like THIN MINTS (new and improved),

VANILLA AND CHOCOLATE SANDWICH CREMES, SHORTBREAD and PEANUT BUTTER PATTIES and PEANUT BUTTER SANDWICH - all seven varieties are completely natural and free of preservatives.

The sale of Girl Scout cookies helps Nassau Council maintain 5 camps, buy equipment, cover transportation costs, train leaders and provide girls with the opportunity to participate in community and Council sponsored events at all levels.

20¢ of the selling price of

each box (called the Troop Rebate) goes to the individual Girl Scout troop, helping Girl Scouts earn money themselves for special projects. In addition, each girl who sells 300 boxes of cookies will receive a \$50 credit which can be applied to the cost of a session at either day or resident camp or an international/national travel experience.

Girl Scout Cookies - old fashioned goodness in the Great American Tradition - help keep that tradition going with your support.

Dolan To Play at George Washington

(Continued from Page 2) coordination and competitive spirit that all athletes have, it will only be a matter of time before she obtains the technical skills needed to become a good badminton player," said Paup.

If Dolan, a Holy Trinity High School graduate, can do as much for the GW badminton squad as she did for the soccer team it will not be difficult for the team to improve on its 1-5 mark of last year. According to GW Soccer Coach Rue Davidson, Theresa was the "most consistent and dedicated

hard working player" on the team. In the team's first year of competition they notched an amazing 4-3 record.

What does Theresa think of playing intercollegiate badminton? "It'll be fun,

besides it will really help me stay in shape," she said.

The badminton team has seven matches scheduled this year. The finale will be at the William and Mary Tournament, February 20-21.

AAUW Meeting

As part of the Mid-Island Branch's continuing interest in timely issues, the January Branch meeting on Thursday, January 22, at 8 PM at the home of Dorothy Eidsvaag, 500 Whittier Street, Westbury (334-4355) will deal with "Sexism in

Children's Books" and this discussion will be led by Arlene Coleman, a noted education consultant.

All women holding a baccalaureate or higher degree are invited to attend. Please call Joan Ayrat at 731-6481 for further details.
