Mr. William Feigin has been chosen as the District Honored Guest for his many years of service to our

WELCOME HOME: It was an outpouring of emotion on January 30 as two million cheering people welcomed home the ex-bombards. Lower Manhattan, from Battery Park to City Hall, was charged with excitement as hastily formulated plans

took shape into the incredible "Tickeetape" parade which inched its way through the crowd.

Watching units were chosen from the many which would have considered it an honor to be invited to this historic event. Hicksville, L.I. was well represented by its own St. Ignatius Girls

Drum & Bugle Corps. The championship all-girl drum corps braved the winter elements to march for the Barry Rosen family. At one point in the parade, Mr. Rosen's sympathetic mother offered the warmth of her limousine to a heroic young bugler who was overcome by the cold and wind. The girls

prevailed, however, and finished with the style and class they bring to their every task.

For this occasion, each of their famous red, white and blue uniforms was punctuated with a small, bright yellow ribbon at the collar.

BRAVO, GIRLS!

Joffrey Ballet At HHS Feb. 8

The Hicksville Council of PTAs is most pleased to announce that the famed Joffrey Ballet Center Concert Group will perform for the young people of our community on Sunday afternoon, February 8th at 3:00 p.m. in the Senior High Auditorium. The program will be divided into two parts separated by an intermission. The first half will consist of

an "introduction" to ballet. The ballet master will demonstrate with the dancers all the steps, positions and other aspects of ballet. After this a performance of the "Ice Maiden" will be given. It is taken from an old Russian Folk Tale about a boy and girl and their adventures with the wicked Maid of Ice. The beautiful set is

designed by Irving Duke who did the sets for the TV Nutcracker Suite).

During intermission the PTA Council will sell cupcakes and juice, with the proceeds going to the Council's General Fund. The second half of the program is geared to the older children and adults, but interested younger children are

cordially invited to remain. The eight dancers will offer a five part suite based on music by Gustav Holst, a Pas de Deux, and Prokofiev's "Classical Symphony".

Tickets are \$2.00 in advance and \$2.50 at the door. To order, please get in touch with your local school's PTA. For information call 433-8261.

Heating Seminar

One of the oldest Plumbing and Heating contractors in our community is going to hold a heating seminar. It is free of charge and the public is invited.

During the past year and a half, Botto Bros. Plumbing has installed and converted approximately 400 residential homes from oil to gas. Many letters have been sent to Botto Bros by satisfied customers thanking Botto for showing them how to cut their heating and hot water bills almost in half. Depending on the total gallons of oil used, savings have been averaging between 500 and 800 dollars per year. Because of these results Dick Botto has decided to help inform everyone interested in

saving money, primarily by converting your heating systems to gas. There are also tips to help yourself obtain greater efficiency with your existing heating systems. Most plumbing and heating contractors can not afford full page ads in Newsday at \$4500 per copy as can oil companies.

The information will be given at Botto Bros showroom-128 Woodbury Road for the five Mondays in March from 7 to 9 PM. Among the experts on hand will be, Dick Botto, Pres., Raypak boiler reps., and Midco Burner reps. Any and all questions will be answered with informal discussions.

Free coffee and donuts will be on hand.

CONGRATULATIONS: Department Colby and Oyster Bay Town Supervisor Joseph Colby (right) were among the guests at the department's annual installation dinner. Also on hand was outgoing chief Richard McCauley.

START COLLEGE

**TWO YEARS OLDER.
TWO YEARS WISER.
AND \$15,200 RICHER.**

A lot of people who start college right after high school discover they're not ready for it.

That's a good reason to think about serving two years in the Army first. And only the Army offers you a 2-year enlistment.

If you join the Veterans' Educational Assistance Program (VEAP), the money you save for college is matched two-for-one by the government. Then, if you qualify, the Army adds an exclusive bonus of up to \$8,000 on top of that.

That's why in just two years in the Army, you could accumulate as much as \$15,200 for college. (And up to \$20,100 in three years.)

So you won't just be two years older when you start college. You'll also be two years wiser. And \$15,200 richer. Serve your country as you serve yourself. Call 931-5460 in Hicksville and ask your local ARMY Recruiter for more information.

Dear Friends...

The following poem was written by Jane Oleinikoff, secretary of the Unione-Hempstead Senior Center at 840 Unione Avenue in Unione and was sent to us with the request that we print it in this issue by the Center's coordinator, Catherine Johns.

Our Hostages Are Free!

Today is one of celebration;
Our Hearts are filled with great elation
For our hostages are free
After such long misery!

We'll never really know for sure
How much these men had to endure.
But each of us can proudly say
They served us in a noble way.

Though often they were so afraid,
They proved Americans would not be swayed
By other country's tyranny
To make them weak just to be free.

But on this day of such Thanksgiving,
Let's not remember just the living,
But let's pay tribute to eight men
Whose bodies fell that sad day when
Their planes were strewn on desert sand
In that horror-torn foreign land.

We cannot say they died in vain
Because, to us it's very plain
This trying time brought unity
To all in our beloved country.

Written by Jane Oleinikoff

I'm sure we all felt the strong surge of patriotism last week, as we watched the ceremonies and parades celebrating the return of the former hostages. Even though it is impossible to hold such intensity of emotion for a long period of time, it is our hope that the memory of last week's events will show in our actions each day, as we demonstrate our love for our country.

Plainview-Old Bethpage Road Runners

The Tuesday, February 10 meeting of the Plainview-Old Bethpage Road Runners Club will be highlighted by a round table clinic on training and running performance. The clinic will be chaired by POBRR's own Howie Greenberg, Bert Jablon and Mimi Mayo. All areas of training, training methods and ways to improve running performance will be discussed. Everyone is encouraged to bring along their questions and to share their own experiences and training techniques with their fellow runners.

Also on the schedule for the February 10 meeting is a showing of the official 1980 New York City Marathon film produced by the New York Road Runners Club. The meeting will be held in the cafeteria of Plainview-Old Bethpage High School, starting promptly at 8:00 PM. The general public is cordially invited to attend.

Applications are available for the April 4 Plainview PBC 10 Kilometer Run, the May 3 Long Island Marathon, and many other events of local interest. You can pick them up at the February meeting or call Mike Polansky at 433-0919. A complete schedule of local road racing for the spring months is now being prepared, and will appear in this column within the next few weeks.

POBRR has become formally affiliated with the Metropolitan Athletics Congress, the successor organization to the Amateur Athletics Union (AAU), and will now be eligible to participate as a Club in all MAC-sponsored events.

Congratulations to Bert Jablon, who continued to sweep the 50 plus age category in the Adidas/Long Beach Winter Road Racing Series, with a 25:45 time over the 4 mile course on January

Recent news articles report that Governor Carey has again taken aim at the suburbs with the intent of forcing increases in local property taxes.

The "good" parts of the Governor's latest projections amount to little more than suggestions. The diminishment of aid to local governments and school districts actually reflected by his 1981-82 budget represents an immediate threat.

At the same time, the Governor asks us to hold out hope for some future cut in personal income taxes, he hopes we won't remember that he has stalled the tax cut that the Legislature enacted for the first of this year. Mr. Carey's attempt to push this cut back until after most of us have already filed our 1980 income tax returns is now in court.

On the other hand, the Governor has made very clear his desire to further shift the burden of public financing away from the State and onto the backs of local property taxpayers.

He proposes that State revenue sharing to counties, towns and villages remain at the same level it was reduced to last year, instead of allowing those revenues to grow by virtue of a previously adopted formula. In these times of continued inflation, the same — already reduced — amount of revenue sharing funds just doesn't go as far. The Governor's proposal means that local governments will effectively receive less than before.

School districts, which also rely on property taxes, also fare poorly under Mr. Carey's plan. Having previously claimed that he

18. Bert also took second place in the 50 plus category in the North Shore Benefit 5 Kilometer Run on January 24 in Glen Head. We're also pleased to note that POBRR's Masters Champion has been invited to be the guest speaker at the next meeting of the Massapequa Road Runners Club. Keep up the good work, Bert!

Congratulations are also due to Stu Subotnick, one of POBRR's founding members, who was recently appointed Vice President and Chief Financial Officer of Metromedia, Inc.

Harvey J. Landress, son of Mr. and Mrs. Jack Landress of Glenbrook Road in Hicksville, is now recognized for his various achievements in WHO'S WHO IN THE SOUTH AND SOUTHWEST 1980-1981. Harvey is a graduate of Hicksville High School-1964, with an academic and scientific diploma. The following has been cited in Who's Who.

Landress, Harvey J., social agency executive; born N.Y.C. Dec. 6, 1946; son of Jack and Anne L.; graduated from SUNY Binghamton, B.A., 1968, certificate in Southwest Asian, North African studies, 1968. M.A. (University teaching fellow, 1973; postgraduate, (Fulbright-Hayes fellow),

wanted to bring the State's share of educational funding to 50% of total costs, the Governor now wants to reduce State funding from 39% to 36% of the total. As many as 236 districts throughout the State would lose aid, including 45 of the 56 districts in Nassau County. Nassau, as a whole, would suffer a reduction of over \$26,000,000 in State aid. School district costs certainly won't decrease this dramatically. So, school boards will be forced to increase local property tax rates.

I have long pressed for school finance reform that would retain local school board controls while removing the average Oyster Bay homeowner's property tax total.

The State administration has been dragging its heels on the issue and the Governor's study group, the Rubin Commission, appears to be moving in the wrong direction by focussing its attention on continued property tax reliance.

Of the more than \$26 million in aid to be lost by Nassau school districts, nearly \$10 million would be lost by districts in the Town of Oyster Bay. Every district in the Town with the exception of one would lose aid, two of them are losing more than \$2 million each. The one district slated to receive more than last year would get an increase of only 1.7%, far less than the rate of inflation. (See chart below.)

Forgetting inflation, for the moment, and the increased costs that it will incur the next fiscal year, the Hicksville School Board would have to raise its tax rate by about \$2.00 per hundred AV just to make up for lost aid when it proposed its next budget. This means that a homeowner in that district whose property is assessed at \$7,000 would see his school taxes increase from approximately \$1,316 to \$1,456.

The Plainview-Old Bethpage School Board would have to increase its tax rate by about \$2.03 per hundred,

bringing the total school tax on a \$7,000 assessment from \$1,572 to \$1,714. In Bethpage an approximate \$1.58 forced tax rate hike would raise school taxes from \$1,407 to \$1,516. In Syosset, a \$1.71 tax rate jump would increase taxes paid from \$1,327. to \$1,446. Similar increases, with the exception of the one district to receive a marginal aid increase, would be needed in all other school districts.

I and my administration will be doing our part in the months ahead to press for changes in the Governor's budget, and our representatives in the Legislature, will properly, fight to insure that local taxpayers are not adversely affected. Yet, we shouldn't have to expend this effort in the first place.

Return of the revenue sharing formula and a new, more progressive means of financing education should have been priorities in the Governor's budget. Unfortunately, for all of us, they were not.

Letter to the Editor

Dear Editor:

I take exception to Mr. Michael Polansky's letter printed 1/30/81, especially since he is not a resident of Hicksville. Mr. Polansky resides in Plainview and therefore should not be interfering in matters concerning Hicksville nor recommending ordinances for Hicksville residents. His rhetoric and political ambitions should be confined to Plainview!

If overgrown lots are

dangerous, then trees, shrubs, hedges, etc may be considered more dangerous. There is a law against littering but it does not prevent the daily dumping on our property, including huge chunks of cement which I could not physically pick up. Why should property owners bear the brunt and cost of cleaning up litter dumped by others?

The members of the Hicksville Alliance Committee should see first

hand the litter problems I have all year round. The T.O.B. could find cause to send a cleanup crew every week.

Three cheers to Councilman Tom Clark for his sensible remarks on the subject.

Very Truly Yours,

Ann Manelski

Glad to see that Bill MacDonald is up and around after recent kidney surgery. Bill is an active Senior Citizen who regularly attends Hicksville Community Council meetings. Bill proves that nothing can keep him down.

Congratulations to Kenneth Wolf who was recently accepted into the prep choir of the Singing Boys of Long Island. Kenneth, who joined the choir because he "loves to sing" joins his brother, Michael, who is presently a member of the Singing Boys concert choir. Another brother, Eric, turned 15 on January 20th. All three boys are sons of Carole and Joe Wolf of Hicksville.

Back from a visit with

their children in Tulsa, Oklahoma, are Marie and Tom Bergin, long time Hicksville residents. The Bergins, their sons, Clint and Joe and Tom's mother, Gertrude Bergin, all flew to Tulsa to visit daughter, Debbie, and her husband, Tony Nobile, and the grandchildren, Melissa and Allison. While there, they were able to visit their two other sons, Tom and Bob, and of course, Bob's wife Mary. It was a warm and loving family reunion which was enjoyed by all.

Congratulations to Grace and Wesley Cranmer who were married 38 years on January 28, 1981. The Cranmers have been resi-

denis of Hicksville for over 35 years. The next day, January 29, the Cranmer's son, Richard, became engaged to Nancy Walsh, a former Hicksvilleite who now resides in Levittown. Richard and Nancy have not set the wedding date as yet. Because of the double reasons to celebrate the family held a party on February 1 which was attended by the Cranmer sons, John, Richard (and his fiancée, Nancy), Tom, Bob (and his wife, Debbie) and their daughter Ruth (and her husband, Artie) and numerous grandchildren. We also learned that Grace and Wesley had a tete-a-tete at Alfredo's Restaurant on January 28 to commemorate this very special occasion.

Happy, happy birthday to Anne and Bob Rennert, Hicksvilleites. Bob's birthday was February 3, and Anne's birthday was February 4. Helping Anne and Bob celebrate were their two children, Jim and Terri, and Jim's wife, Maureen. Best wishes from your friends and neighbors, folks.

And just behind the Rennert household, on Suggs Lane, Frank Clancy enjoyed his February 6 birthday, with his wife, Margaret, and their children. Congratulations, Frank.

On February 9, Cathy and Eddie Dammas will celebrate their tenth wedding anniversary. Cathy and Eddie reside in

Hicksville. Cathy grew up in Hicksville and attended our local schools. Her parents, Stella and Charles Morris, are long-time Hicksvilleites. Best wishes, Cathy and Eddie.

We will celebrate Lincoln's birthday on February 12. But Lincoln has to share his birthday with Joe Giordano - whose birthday is also February 12. Happy birthday, Joe.

Another Hicksvilleite, Jean Crawford, also shares her birthday with Lincoln on the 12th of February. Coincidentally, Jean's parents were married on Armistice Day and her mother's maiden name was Liberty - now that's patriotic. Congratulations, Jean.

In competition which has been underway since last year, and by faculty recommendation, the following students have earned their place as the best in the state: David Straub, timpanist, in the All-

State Wind Ensemble; Peter Rabins, french horn, in the All-State Orchestra; and Virginia Scarola and Lisa Pfaffle in the All-State Chorus.

Music department staff members Mr. J. David Abt and Mr. William Golecek were on hand at the recent convention of the NYSSMA to congratulate Hicksville's finest.

OPERATION V.F.W. BY LOU PALLADINO

As you probably know, our Employment Agency has been shut down. It seems that we are getting some kind of runaround. The Federal Government compliments us and encourages us to continue, meanwhile the locals are not giving us the funding we need to carry on. It's a shame to close this worthwhile agency, not only are we helping the Vet. to get located but while doing that we also save the Government millions.

It's not very complicated to figure how this happens. So instead of continuing our struggle for survival we have decided to drop the whole thing. If the locals want us to start over they know where to find us.

Connie Steers made his report on the Awards for the Voice of Democracy. The

date is Feb. 9th. He gave a full report on how many people he expected, how many people were invited, things needed, he didn't miss a trick. These kids are really good, and we should be proud of them.

We enrolled another member in our Post at the last meeting. He is a transfer Fred Martin, also known as Cherokee. Well comrade we are glad to have you in our ranks. Now if you have the time to get yourself active and try to help others, then you can truly enjoy our Post. Oh yes Fred is a Korean Vet. We don't have enough of them. I'm sure there are more of them around. Please come forward.

Dues are still in order. We still have some to collect. Those of you who haven't paid know who you are. Please don't let us call you or get in touch with you again. You're only a hand full, but enough to stop us from getting our 100%. Please do our Commander Mike Monteleone and our Post what is right. Send in your dues. Now you are delinquent and we would like to go on to other business. It gets boring talking about dues getting at every meeting. It will be a pleasure when our chairman can say we have 100% plus one.

By the time this comes out we will be ready for the music session, and Las Vegas night, Friday, Feb. 6th we will have our first night of music and dancing. The price will be \$2.50 per person, which will include one drink of your choice free. It will be for your pleasure, on the first Fri. of every month, Music from 9:00 P.M. to 1:00 A.M. So if you and your friends are interested. The next day will be our Vegas night. Due to a previous rental we have to have our Vegas night on the 7th, instead of the second Sat. of the month. We need help badly, and I hope it doesn't confuse anybody.

Mon. Feb. 9th will be the deadline for tickets to our Charter night on Feb. 21. All these things that were so far into the future are now here and ready to pass. The Cock-tail Hour starts at 8:30 P.M. and Dinner at 9:30 P.M. The tickets for our Charter Night Dinner Dance are \$20.00 per person.

Connie Steers said he still has some American Flags left. If any one wants to buy them the cost is \$7.50 per flag. So if you're interested see Connie. I believe the dimensions are 3x5 ft. They are very nice for the price.

You don't have to be told that Artie Fuelling is looking for help at the Bingo. We need you. This project is so helpful to the Post, that I wonder if we can go without it. We can help others only if we get help from our Commanders so please give a helping hand.

The lucky winner at the last meeting was Ray Cassidy. Next meeting will be Feb. 9th which will be a short meeting due to the V.O.D. Awards.

Twenty girls are needed to fill the roster with Charlie Teney as the manager-director. Vice-President Donna Rehman met with the other towns and organized this league so that the older girls can play. All we need now are the warm bodies. Any questions - call

BOYS ROLL ALONG

The Hicksville Yankees (boys under 16) chalked up their 14 consecutive indoor win this season at North Babylon last week-end and earned the right to return next week for semi-finals. This was North Babylon's first indoor tournament and, although the gym was small, the Yankees won all 5 games, scoring 16 goals and allowing none. In the 14 games played (they won 9 at the L.I. League tournament), the boys have scored 49 goals and have given up only 4.

The teams defeated by Hicksville were: North Babylon (2-0), Stony Brook (2-0), Auburndale (3-0), Amityville (8-0) and Deer Park (1-0). Blue White Ridgewood won the other division and should give the Yankees some very good competition next week.

Coaches Cresham and Mc-

Hugh have the task of keeping the team 'up' in order to play good, solid soccer as, the games are very short and it's hard to recover if you get behind by a goal and worse still if you go down by two. At one point last Sunday, the Yankees had built a two goal lead while playing two men short. Due to a mix-up in scheduling, most of the team was at the deli at game time. The boys making up this Yankee team are: D. Smyth, J. Demarco, S. Dolan, the McGeough's, R. Andrus, A. Pepl, W. Cresham and Gene Tyranski in goal.

U-9 HURRICANES
PLACE SECOND AT
COLD SPRING HARBOR
The U-9 Hurricanes, coming off of a first place win at the Yorktown Tournament, went to Cold Spring Harbor on February 1 for the Indoor Tournament.

The boys were ready for

this contest, as their playing demonstrated. In spite of a tie in the first game, Hicksville far outplayed their opponent, Oceanside. The second and third games were all Hicksville. Both offense and defense were on target with their passing and shooting. After a long rest, the boys met Rockville Centre in the Semi-finals. Again it was clearly Hicksville - everyone played with determination and poise, each man playing their position beautifully.

The finals pitted the Hurricanes against Syosset. It was a hard game, and both teams played even, ending regulation time scoreless. Once again, we were faced with overtime determining the victor. It was sudden death, and Syosset managed to score first, thus putting Hicksville into an impressive second place out of twelve teams.

Hicksville Joe Jablonsky
Executive Leader

On Friday, February 13, we will be meeting at the V.F.W. Hall at 320 South Broadway, Hicksville. We hope to see you all there. The meeting starts at 8:30 p.m. promptly. At the conclusion of the meeting, there is an opportunity to meet and talk with the members and officers of the Club and to partake of refreshments. It's a pleasant way to spend an evening and, at the same time, obtain current civic and political information about your community, county and country.

And now here's a message from our Club president, Fred Vevante:

"County Executive Fran Purcell did a fantastic job of installing our Club officers at our last meeting. Unfortunately, Mr. Purcell was unable to spend as much time with us that evening that he had originally planned. However, he will be back to our Club for our May 8, 1981 meeting to meet and greet us.

There were 141 members

at our January meeting and I thank them all for their support of our efforts.

"The following members have been appointed to chair Club committees for the new year:

Mid Island Herald, Harriet A. Maher; Eagle, Alex Pankoff; Membership, Mildred Bernet and Marie Bergin; Dark Horse, George and Belle Malam; Cocktail Committee, Hal Mayer; Journal, Joe Farrell; Senior Citizens, Frank Jopp; Community Council, Charles Lynch; Program, Bill Buchman; Sunshine, Helen Henderson; and Refreshments, Val Zio.

"Our spring cocktail party will be held May 1, 1981, at Antun's Old Country Manor. In conjunction with this affair we will publish a journal. We are looking for members to join these committees. Please contact Hal Mayer (735-6690) and Joe Farrell (433-0319) if you would like to participate in the activities of these committees. Of course, all the committees mentioned

above are looking for willing and active workers. Try to become involved in an active way in our Club. Also, if you have any news and/or suggestions for this column, please contact Harriet Maher (433-5994).

"Our guest speaker at our February 13 Club meeting will be John Venditto, who assumed his new position as councilman at the first Town Board meeting of 1981. Tuesday, January 13. We know you will enjoy the presentation our new Councilman will make at this meeting."

If you have any information of importance, please feel free to call Fred Vevante at home (931-4287).

Galileo Lodge News

By Joe Lorenzo

Venerable Tony Previte's Message: "Men do not fail; they give up trying."

Last chance for all those who wish to indulge themselves in a gay and romantic setting, and I am referring, of course, to the Galileo Lodge's St. Valentine's Day Dance, to be presented next Saturday, the 7th of February. For the moose sum of \$8.50 per person, you will be offered a delicious chicken dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some sprightly dance music from the 'Then and Now' music combo; not to mention some additional entertainment concocted out of the 'show-biz' expertise of the committee's men, namely, Brother Jeff Wallick (681-8428), Armand Del Cioppo (938-5052) and Frank Malassa (931-2843). Please note that a 'bring-your-own-liquor' policy will be in effect that night. So why not get on the Galileo Lodge's Bandwagon of Love and saturate yourself in a romantic environment engendered for you and your loved ones.

The best way to make your dreams come true is to wake up, so with this engaging thought in mind why don't I mention that on Thursday, the 12th of February, voting

for the new officers of the Galileo Lodge takes place, mainly for the positions of Venerable and Trustees. If you want the Galileo Lodge to grow and prosper along successful lines, and I am sure that all members want this condition, then it is important that all members rid themselves of the complacency and lethargy that have the tendency to overtake them, and that includes myself as well. It is our Lodge, so we should all head for the Galileo Lodge on the designated date and vote for the men of our choice. Please note that members cannot vote if they are in arrears in dues, and this stipulation is in accordance with the by-laws of the Galileo Lodge. Voting is a right and a privilege, and that it is a duty is an obvious conclusion. Hours are from 7 to 10 P.M.

A few weeks ago, we announced the startling revelation that our Venerable, Anthony Previte, was selected as member of the prestigious organization known as Who's Who In America. Now comes additional news, just as startling and astonishing, to the effect that Venerable Anthony Previte has recently received his Ph.D. in Administrative Management. This honor, needless to

state, is consistent with the goals he set for himself and certainly in accordance with his aspirations, and views. And we certainly have to say that Venerable Anthony Previte is a credit to his family, the Galileo Lodge of the Sons of Italy in America and to himself. We all here at the Galileo Lodge extend to Anthony Previte our sincerest congratulations for excellent scholastic achievement.

Fun time at the Galileo Lodge never ends, and here's why. On March 21st, the (Continued on Page 11)

and then equating human life with personhood, and then applying the due process clause of the Fourteenth Amendment to abortion. That clause states, "nor shall any state deprive any person of life, liberty or property without due process of law..." The advantage of a bill over an amendment is that it would only require a 50% majority vote in each house instead of a 2/3rds vote. Of course, the President would also have to sign it. On the other hand, a later Congress might change the law, also by a simple majority vote, so it could not be considered as permanent as an amendment to the Constitution.

Where does Congress get the right to define anything? Isn't that the job of the

Supreme Court? A scholarly and fascinating article by Stephen H. Galebach Esq. in the Human Life Review (Winter 1981) explains it all. In Roe v. Wade, one of the 1973 abortion decisions, the Court held that the state of Texas had no authority to define when life begins; and at the same time the Court admitted that even the Court itself couldn't or wouldn't make that definition. Galebach contends that, therefore, some other branch of the federal government must be competent to provide the definition, and that Congress is peculiarly equipped to do so by hearing testimony at committee meetings, and debates on the floor of the Congress itself. If the bill passes, any state could invoke the definition to pro-

hibit abortions. Many different legal precedents are quoted in the Review article. Galebach says, "Supreme Court decisions have recognized that the Court does not have the only say in applying the Fourteenth Amendment. Under its section 5 enforcement power Congress can apply, and has applied Fourteenth Amendment terms in ways that differ from and even contradict Supreme Court interpretations. The Court has consistently upheld such legislation in the past two decades." What this all means is that another way has been found to attack the problem, a way that has a certain attractiveness to legislators who, up to now, have balked at a Human Life Amendment.

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

At Monday's meeting, the Sick Call produced the information that P.C. Ed Hodkinson was now in the Burke Memorial Hospital at White Plains, N.Y. Ed is recovering from the effects of multiple strokes and the Burke Hospital is reputed to have the best rehabilitation program for cases of this type, in the country. Get well quick, Ed.

Welfare Officer Frank Molinari reported the next visit to Suffolk State School will be made on Thursday evening, February 19th. All interested in going with Frank please be at the Post before the leaving time of 6:30 P.M.

One of the results of the Mid Winter Conference that concluded last weekend at Albany was the unanimous decision of the Directors of the Tupper Lake Mountain Camp to close down all operations for this year. This heartfelt decision affects both the vacation camp and the Infirmary and was taken after a reported loss of \$88,000 for the camp's 1980 operations. A study may be authorized to determine what course should be taken regarding the future status of the camp which has been operating since the 20's and is located in the heart of the beautiful Adirondacks.

This Sunday, February 8th, will be the FOUR

CHAPLAIN'S MEMORIAL SERVICE at Our Lady of Loretto Roman Catholic Church in Hempstead. Members should go direct to the church and assemble there at 3:30 P.M. The Color Guard will lead our delegation into the church.

Commander Lou Cesta reported there will be a 3rd Division meeting at the Carle Place Post on February 10th and all officers should be present.

Don't forget our Auxiliary is having their annual VALENTINE DANCE on February 14th and reservations should be made thru either Marie Gamble 938-2163 or Joan Rizos 433-7429 or Eleanor Walsh 931-3239 or Ft. Ruhe 822-3876.

The menu for the evening includes fruit cup, salad, baked ziti, meat balls and FREE BEER plus the dance music for just \$15 per couple. Time is fleeting and this is probably the last time I can remind you of VALENTINE DANCE on February 14th.

Your next meeting will be on February 16th although its the official Washington's Birthday holiday. ATTENTION ALL MEMBERS OF THE EXECUTIVE COMMITTEE. There will be a meeting on Thursday, February 12th at 8:30 P.M., please attend.

It's my pleasure to welcome VINCENT CAMPANELLO to our ranks as our latest new member. (Continued on Page 11)

Red Cross Needs Volunteers

"Volunteers are needed to continue vital Red Cross services in Nassau County," stated Mrs. Muriel Drewitz, Nassau County Red Cross Chairman of Volunteers.

The Red Cross has a commitment with Long Island Blood Services to insure the adequate supply of blood to all Nassau Hospitals. To meet the ever increasing demand for blood, more blood-aid volunteers are needed to perform non-medical duties register donors, label bags, serve coffee and monitor donors at bloodbanks.

Red Cross cars are used to

transport people to non-emergency, but often life-sustaining treatment. Volunteer drivers are needed to drive and dispatchers to schedule them.

The Red Cross will train volunteers to serve at Blood pressure screenings, teach

CPR, first aid, watersafety and other health related courses.

Red Cross disaster workers have to increase their numbers so as to continue to respond to the

call for help from victims of fires and other emergencies.

Volunteers staff the Thrift Shop and they need more workers to help raise funds for Red Cross services to benefit your community.

If you have a few hours a week to spare, join these dedicated volunteers.

For further information call the Red Cross office of Volunteers at 747-3500.

recently recommended raising the state's legal drinking age. Purcell said that police already consider the law governing sales of beer to minors by small stores one of the hardest to enforce because it is so difficult to detect.

"Putting wine and liquor into the supermarkets would open a Pandora's box that would contribute to juvenile delinquency, random vandalism and violence and drunken driving," Purcell concluded.

VITA Program

The Hicksville Public Library will again participate in the VITA (Volunteer Income Tax Assistance) Program beginning February 8, 1981.

This program is performed on a strictly volunteer basis by qualified accounting students of Hofstra University and Nassau Community College and members of AARP (American Association of Retired Persons) sponsored and trained by the Internal Revenue Service.

Hofstra students, Carol Wolf and Phillip Fabrizio, will be in the library Fiction Room every Sunday from 1 to 5 P.M. starting on February 8. Diane Warren from Nassau, will be working every Tuesday from 6 to 8 P.M. beginning

February 10.

AARP volunteers will assist senior citizens (60 years and older) Wednesdays from 10 A.M. to 2 P.M. starting on February 18.

Appointments are not necessary. The library has been able to offer this service to the community for many years through the untiring efforts of members of AARP. When the need for assistance in filling out each year's tax forms increased, local colleges realized that their accounting students could benefit both themselves and the community by taking the Internal Revenue Service VITA training.

We wish to thank all the volunteers who are performing this vital service for the community.

GALILEO LODGE

If you do, then kindly be informed that the Ladies Auxiliary of the Galileo Lodge will present a Card Party on Thursday, the 19th of February. Tickets will sell at \$3.50 per person, and in the offering will be soda, beer, coffee and cake and gifts and presents galore. This party will begin at 7:30 P.M. and all those who wish to attend can contact Sisters Mary Sarrero (433-6289), the Chairlady, and co-Chairladies Mary Barella (931-3960) and Theresa Gatto (433-6708) for ticket sales and seating arrangements. At The Town Board Meeting

By Linda Scotti

At the regular meeting of the Town Board of the Town of Oyster Bay, the board reserved decision on the petition of Central Park Plaza for a change of zone from Res. D to Bus. F District at Plainview, south side of Old Country Rd., west of the southwest corner of Old Country Rd. and Gerhard Rd. This case involved a conversion of a closed Plainview elementary school into an office building. The developer has a contract to buy the school from the Plainview-Old Bethpage School District for \$850,000, and plans are to recycle the building into a more modern facility and adding a wing to it, achieving more than 75,000 square feet of office space.

A number of community residents were in attendance and voiced their opposition to this plan, citing that this conversion would increase traffic in the area and lower property values. Among residents present, voicing their concern over the traffic congestion were Kevin Frey of Sheldon Pl., George Flury of Gerhard Rd., Diane Memmerle of Diane Ave., Mary Ubang of Charlotte Pl., and Hy Goldman of Gerhard Rd., who said that his street is now a bottle-neck with parking problems.

A Hearing Date of March 10 was also set on the petition of Borel Restaurant Corp. and Archdell Motel, for a change of zone from Res. D to Bus F to permit entrance and exit from both restaurant facilities and permit proper screening, behind the Rusty Scupper Restaurant on the south side of Jericho Tpke. and west of Bruce St.

At the Feb. 3 meeting, the Town Board reserved decision on the petition of REDCO of Mineola to build 119 condominiums on 19 acres in Jericho, which is currently zoned for two-acre homes. REDCO wants to build 6.2 units per acre. Councilman Ken Diamond pointed out that the Town permits 4.8 units per acre and why should more be built. Testimony on behalf of the petitioner was presented by a Planning Consultant from Rye, N.Y., and traffic expert, who said there would be no adverse effect on area traffic.

The property is on the north side of the North Service Rd. of the LIE, west of WE'RE Assoc. Co. property. The condominiums would sell for an average of \$200,000 each.

Area residents voiced opposition to this plan. Among those present were officials of the Birchwood Civic Assoc., Brookville Vill-

age officials, Eleanor Simpson, Mayor of Old Westbury, West Birchwood Civic Assoc., and Joint Jericho Civic Council.

Richard Berkenfield, of the Birchwood Civic Assoc.; Fred Hauser of the West Birchwood Civic Assoc.; and Paul Cohen of the Joint Jericho Civic Council, all argued that their organizations were opposed to this plan and they want more single family homes to attract the number of school age children to help the falling school population. They said they wanted the Master Plan for Community Development adhered to.

In another action at the Feb. 3 meeting, the Board reserved decision on the petition of Francis A. Lee, Inc., for a special use permit to operate and maintain in an Ind. H. District, a business which custom fabricates steel for the construction industry on the south side of Midland Ave., east side of Bethpage Rd., Hicksville. Residents of neighboring Twinlawas Ave., voiced opposition to the petition, citing noise, air pollution, and reduction of property values. Among the residents objecting were Rita Spina who complained of pounding sounds, lights shining on her property and regular motor noises; Peter Cecil, who complained of air pollution and noises on Saturdays; and Mary Weston, who cited vibrating noises and general upsetment. Petitioner Francis Lee said motor noises were probably created by a crane that carried pipe into the shop and said he would buy a motor silencer to accommodate residents and would accept any covenant on hours of operation.

The Board set a hearing Date of March 24 on the petition of WE'RE Assoc. Co., for a change of zone from B-A Res. District to O-1 Office Building District on Parcel # 1 and for change of zone from Res. A to Bus. G District on Parcel # 2 at Jericho. (Parcel # 1, 2.8725 acres on north side of Jericho Tpke., west of the west side of Route 107; Parcel # 2, 8.6279 acres on north side of Jericho Tpke., on west side of N.Y.S. Route 107.

The Board also set March 24 as a Hearing Date on the petition of Bruce Goldblatt and James McCullagh for a special use permit to operate and maintain in an Ind. H. District, an unrestricted towing service business, an auto body and fender works, a public garage and storage of motor vehicles on the west side of Midland Ave., north of the intersection of Bethpage Rd., Hicksville.

DECA Promotes Free Enterprise

By Lisa Rosen

Each year the Distributive Education Clubs of America and Phillips Petroleum Company make available to students such as myself, many projects that help us to learn more about economics and the American free enterprise system.

These projects are offered as competitive events to all chartered associations of National DECA.

As a senior at Plainview-Old Bethpage high school, I have been given the opportunity to represent my chapter in these competitive events. This opportunity has

given me the chance to greatly improve my knowledge of the free enterprise system. I have made appearances in front of high school students and the Board of Education. During the week of February 3-5, I will be visiting Mr. Nulkin's classes at Plainview-Old Bethpage Junior High School. I have set up activities that will make it more enjoyable for his students to learn about the free enterprise system. As a result of my demonstrations, it is hoped that my audiences will have a stronger commitment to the American Free Enterprise System.
