Hicksville Senior High School Principal Raymond Rusch will retire at the end of this school year. His retirement was approved by the Hicksville Board of Education at its meeting Wednesday evening.

Mr. Rusch has been principal of the senior high school since 1967. He came to the Hicksville school district in 1949, as a social studies teacher in the high school. Later he became an assistant principal and in 1967 was appointed principal.

Assistant Superintendent for Secondary Dr. Daniel Salzman stated "Mr. Rusch is a man with the kind of leadership needed to maintain the stability of a large school for so many years. He is an eminent figure in the district and we wish him well."

During the public speaking session, the Board was made aware of the Youth Advisory Council at the junior high school. This Committee holds periodic meetings with the cafeteria manager and its members include students, staff, Principal Gerald Klein, and PTSA members, including Mrs. Donna Rehmann, Chairman of Health and Safety. According to Mrs. Rehmann, the PTSA was concerned with the portion control; the government guidelines; and the periodic inspections. "We have looked at the contract with Interstate United and have discovered there is no portion control for ala carte," stated Mrs. Rehmann.

Mrs. Rehmann stated that the business office had answered the PTSA's requests and the information was received at a meeting held on Wednesday morning. She stated the cafeteria manager and Interstate's regional director had

indicated a willingness to comply with the PTSA's request on portion control. When asked by President Tom Nagle the date of the last inspection Mrs. Rehmann stated it was 18 months ago.

Board Trustee John Ayres suggested that competitive bids be made this year when the contract comes up for review in June.

Resident Iris Wolfson reported on several items, including a recent workshop on Gifted and Talented sponsored by the Nassau-Suffolk School Boards Association. She suggested that the advisory committee on

Gifted and Talented contact the South Huntington School District for data on their program. She read a statement concerning the Academic Profile, which was later presented by Assistant Superintendent Drs. Catherine Fenton and Dan Salmon, questioning the purpose of the report and expressing surprise that there were "no changes in the national norms over 2 years." She felt the statistics should be accurate and "not window dressing."

Dr. Fenton explained that the testing company uses the norm by a yardstick, which remains the same for five

years. Dr. Salmon added that two elements are necessary to establish a base, "validity and reliability." Most test norms, he explained, are established after the test has been taken by hundreds of thousands of students.

After the presentation of the Academic Profile, Mr. Ayres revealed that he had located norms based on socio-economic factors. According to these norms, Hicksville falls into the high socio-economic norm. When comparing Hicksville tests results to that norm, students fall within or a little

## Hicksville Gregory Museum Explores Further Possibilities

As the Hicksville Board of Education begins deliberations on its preliminary school budget for 1981-1982, it has been learned that the Hicksville Gregory Museum has submitted a proposal to the board involving a service contract of \$30,000 for museum services to the Hicksville Schools.

The Trustees of the Earth Science Museum are offering the schools a broad range of museum services designed to "enrich, motivate and reinforce science and local history education" for Hicksville children and adults involved with school programs.

Among the museum services to be made available annually to the Hicksville public school according to the Museum Trustees' offer are: 1) unlimited free museum admissions to Hicksville residents 2) unlimited guided tours for Hicksville

schools 3) traveling exhibits and original audio-visual programs involving minerals, insects, wildflowers and Long Island and Hicksville history 4) training in museum service for student volunteers and paid work opportunities for Youth Corps workers 5) in-service training courses for teachers in geology, mineralogy, astronomy, ecology and Long Island history 6) use of laboratory facilities and stereo microscopes for research and study of museum micro-mineral collection by gifted and talented students 7) museum participation in Adult Education and Senior Citizen programs under the auspices of the school district 8) Cooperation in planning and execution of future joint school-museum educational programs.

A school budget addition of \$30,000 for a District-Museum service contract would involve increasing the average Hicksville taxpayer's school tax by

\$1.80 per year. The Museum Trustees are making a similar proposal to the Hicksville Public Library Trustees this week, offering to provide the library with a variety of programs annually for \$15,000.

The proposals to the School and Library Boards are a critical part of the Hicksville Gregory Museum's final effort to remain in Hicksville. A proposal to the Town Board for annual funding of maintenance and preservation of the Museum building, a National Historic Place, is underway, also, this paper has been informed, the museum is located in the former Heitz Place Courthouse-Jail, a Hicksville landmark, owned by the Town of Oyster Bay but maintained and preserved by the Museum Trustees on a 25 year lease.

The Museum Trustees' tentative budget for the year July, 1981-1982 is \$80,000 of which the museum expects to raise \$20,000 through its own resources.

## Volunteers Needed

A course for volunteers interested in counseling/teaching decision-making at the Nassau County Jail and other county facilities will be given at Hicksville Senior High School, Division Avenue, Hicksville, on Tuesdays from April 7 to June 2 from 7:30 to 9:30 p.m.

The course will be followed by eight weeks of field work. The fee is \$30.00.

If interested, please write to the Director of Long Islanders for Thresholds, Clifford Schein, Box 156, East Meadow, N.Y. 11554, or call at 735-0688 evenings.

A dedicated group of volunteers has been doing this work since 1972 and needs more help in the fight against crime.

## "Near Encounters Of The Fourth Kind: Special Edition"

By Room 142 Students

On Friday, January 30th a play took place at Fork Lane School in Mr. Pisan's Fifth Grade Class room. The title of the play was, "The Book That Saved The Earth." The play was performed by the Images Reading Group.

The performance was about space exploration, Martians, the planet Earth, and a very special book.

The group had colorful homemade costumes and make-up. The students designed and made their own scenery and sound effects. This created an exciting and realistic play.

We thought our fellow classmates were fabulous and sensational. The play was definitely a hit!

Hicksville Scout Troop 64 is sponsored by the Hicksville Kiwanis Club. During the Christmas season, when Hicksville Kiwanis was helping the Salvation Army by manning a kettle to collect money for the Salvation Army, Life Scout Steve Morgenstern prepared a schedule of Scouts who volunteered to assist Kiwanis with this endeavor.

At the Monday, February 23 meeting of Troop 64, a delegation from Kiwanis, consisting of vice president Charles Montana, Jr., secretary Bill Heberer, and past president Sieg Widder, attended to thank the Troop for their assistance, and to present the Troop with a Special Distinguished Service Award.

In the photo, Mr. Montana is presenting the award to Steve Morgenstern who supervised this Troop Service Project, and accepted the award on behalf of all the members of Scout Troop 64.

## Four Session Project

Do you have little or no college education? Are you looking to add new dimensions to your life? Before you go any further join the four session Project: Turning Point workshop to be conducted by Gloria Kunen of SUNY-Old Westbury at the Hicksville Public Library beginning Wednesday, March 18 at 10:00 A.M.

The workshops are: March 18, "Sharing and support"; March 25, "Building self confidence"; April 1, "Taking control of your life"; the date for the final session, "See a college - solve a mystery" will be decided upon by the participants. The sessions will conclude at 1:00 P.M. coffee will be served during these informal discussions.

Pre-registration is required. Applications are available at the library. For any further information call WE 1-1417.

## Movies At The Hicksville Library

On Saturday, February 28th an assortment of children's films will be shown in the auditorium of the Hicksville Public Library at 2 p.m.

Among those films shown will be the "Three Sages of Ballybiennion," an Irish folk tale and "Phillip and the White Colt," the story of mutual love between a mute boy and a horse.

The program is free and all are invited to attend.

## LEGIONNAIRE'S LOG. By Artie Rutz

CHARLES WAGNER POST # 421  
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

The winner of the Dark Horse at last week's meeting was John Kerrien... A Burial Flag has been received from the family of P.C. John Harbes for use at the John F. Kennedy Square in the near future... A 'Get Well' card has been sent to Sam Staton who was reported ailing... And Joe Banawick, who was not reported as ailing, was, and appeared at the meeting to declare himself O.K. now... Which again brings the same old problem to light again, 'how do we know if any of our members are sick' if nobody reports the fact to our Welfare & Rehabilitation Officer... Over and over this problem has been mentioned and the only way for the Post to know about someone's illness is to call the Commander or the Welfare Officer. Frank Molinari... Our House Committee reports that some chairs are missing from the Post and would remind those who 'temporarily' borrowed a few chairs to please return them at once... It was necessary to hire additional chairs for use in our halls because too many of our own chairs were being used by persons who without authority removed them from the confines of the Post... We know that they didn't intend to cost the Post money when they needed use of a few chairs, but when they fail to return our chairs, and we have to rent replacements, that's too damn much to swallow, so cough them up... And along the same lines

the Color Guard is missing 4 chrome plated bayonets and 3 scabbards which cannot be termed as "temporarily borrowed" by anyone... When irreplaceable equipment such as these historic World War 1 bayonets are among the missing, then thought must be given to the method used in the safety and storing of Color Guard equipment each time of use... It's getting around to that time of the Legion year when thoughts must advance to the new Legion year coming in some few months... A nominating committee has been appointed by the Commander, (as per By-Laws) and named were 6 Past Commanders... They are: John Sheppard, Palmer Walsh, Frank Molinari, Raymond Gamble, Frank Walsh and Henry Brenzel... FEBRUARY 28th is the date of our next LAS VEGAS NITE so all committee members are reminded to be on hand... Our 20th Annual Awards & Ceremonial Nite is scheduled for March 14th and if you are NOT notified of being awarded that night,

then you should call me at 935-1880 so I can arrange seating for you and your date at a table... All members are invited to attend (with their wives) even if they are not scheduled for an award as this is a once-a-year event for members only... We will have corned beef and cabbage available at a very, very nominal price and the drinks are always cold and the music hot... Just remember one thing, that you must have a paid up 1981 Dues card (and this will be checked at the door) and shame on you if you don't have your card... If you haven't informed either a chairman of a specific awards committee or myself that you will be on hand on the 14th of March, please do so at once, so our Chiefs will have a good line on the amount of corned beef needed to keep everyone happy that night.

Our next Post meeting is Monday, MARCH 2nd, and is a social meeting which means a very short meeting so come on down and say hello or whatever

## AARP To Meet

The regular meeting of AARP Chapter 1592, will be held on Tuesday March 3, at 1 p.m. sharp.

The speaker will be Deputy Commissioner Mr. R. McFadden of Nassau County Consumer Affairs, office.

The meeting will be at the Parkway Community Church, Stewart Ave., Hicksville.

## Letter To The Editor

Dear Editor:

On behalf of the Nassau County Department of Drug and Alcohol Addiction, I want to go on record as being categorically opposed to Governor Carey's recommendation that 24-hour sales of beer, wine, and liquor be allowed in the State of New York.

Evidence supports the fact that alcoholism is the greatest addictive problem in the United States, the inter-relationship between alcohol and mayhem on our

highways is well known. The interplay of alcohol and other drugs is harmful to our residents -- youth in particular.

To freely permit the flow of alcohol on a 24-hour basis would only add to and exacerbate these problems.

We all must unite in writing to the Governor to oppose his destructive proposal.

Sincerely,  
Harold M. Adams, CSW  
Commissioner

## Purcell To Head Parade

Francis T. Purcell, the grandson of Irish immigrants from County Cork and Chief Executive of Nassau County, will be the Grand Marshal of the 31st Annual St. Patrick's Day Parade to be held in Garden City, Sunday, March 8.

Purcell's election was announced by Edward Allen, of Kiondale, president of the Irish-American Society of Nassau, Suffolk and Queens, sponsors of the parade, the largest on Long Island. With more than 100 marching units participating, this year's edition will be the longest yet.

## Saturday Seminars

The first in a series of Saturday seminars exploring Long Island History will be held March 7 at Old Bethpage Village Restoration from 9:30 A.M. to 4:30 P.M. The initial offering is entitled: "Architectural Preservation on Long Island - Helping to Hold on."

There is a registration fee of \$50 for the four-part series or \$12.50 per individual seminar. This includes morning coffee and a box lunch. To register or obtain further information, call 420-5289.

Subsequent topics include: "Long Island Manufacturing," "Nineteenth Century Needle Arts" and "Long Island Landscape - A Changing Scene."

The Mar. 7 seminar dealing with architectural preservation will open with registration and coffee at 9:30 A.M. followed by a discussion of the Nassau County Historic Building Survey and a slide presentation by Richard Ryan of the Museums Division of the Nassau County Department of Recreation and Parks.

At 10:30 A.M. there will be a presentation entitled: "Three Approaches to Preservation - Long Island Case Studies." This will be followed by "Helping With

Grants" presented by Wayne Ehmann, president of the Sea Cliff Landmarks Association and Zach Stadenroth, Historic Site Manager, Town of Smithtown. During this segment, Robert McKay of the Society for Preservation of Long Island Architecture will discuss "Revolving Funds" and Oyster Bay Town Councilman Tom Hogan will have as his topic, "Legislating Preservation."

Following lunch at 1:30 P.M. William Shopson, architectural consultant and co-author of "Saving Large Estates," will discuss "New Life for Old Mansions." At 2:30 P.M. there will be a video presentation depicting several Long Island estates entitled "An Embarrassment of Riches." The seminar will close with a panel discussion, "The Future of Long Island's Past" with Messrs. McKay and Hogan, John Collins of Nassau County Museum and Simon Thoresen of MTS Associates, developers of Breeze Merrill Estate.

Old Bethpage Village Restoration, a living museum of Long Island's formative years operated by the Nassau County Department of Recreation and Parks, is located on Round Swamp Rd. south of exit #48 of the Long Island Expressway.

## Winter Discovery

Have you ever wondered where the small woodland animals go in winter? Or how to tell a maple from an oak when all the leaves are gone.

To learn about such things and many more of winter's well-kept secrets, take a guided "Winter Discovery" walk at Muttontown Preserve Saturday, February 21 at 2 p.m. In the event of inclement weather,

an informative indoor program will be held.

Commissioner Abram C. Williams of the Nassau County Department of Recreation and Parks has invited all to join a staff naturalist for the delightful tour of wintry woods and fields within the Preserve located on Muttontown Lane, in East Norwich. The program is free.

For further information, call 922-3123.

## Mitchel Field Update

By Francis T. Purcell, Nassau County Executive

sau County

In the 20 years since, there have been many plans made for development of Mitchel Field. All were ambitious. Many were impractical -- or became impractical as economic conditions changed.

Hofstra University, Nassau County Community College and the Nassau County Veterans Memorial Coliseum were constructed there. But not much else happened until January, 1978. Since then, there has been more activity at Mitchel Field than during any comparable period in the past 20 years.

The county leased the Coliseum to Hyatt Corporation. Now, instead of underwriting the Coliseum's annual \$1 million deficit, the county is receiving \$150,000 in revenue this year. We also signed an agreement with Marriott Corporation to

build a hotel there. Construction should start this spring. When completed, the hotel will generate up to 800 new jobs and pay taxes totaling an estimated \$259,000. United Parcel Services is now building a major facility on the field. When it is finished, it will employ 1,000 people and pay an estimated \$280,000 in taxes. Other firms are building there now or are about to build, and we are negotiating with others. We are also planning to conserve about 65 acres of the field to create Mitchel Park for community use.

Our emphasis is on private development of Mitchel Field to insure higher employment and payment of taxes by industry to offset the tax burden on homeowners. We apply three principal criteria in

soliciting or approving plans for private sector development. First, each development must result in as much of an increase in real property tax revenues as possible. Second, each project must produce the largest possible incremental growth in employment. Third, each project must pay rental comparable to those paid in the marketplace, while meeting community needs and accepting restrictions placed on the property.

I believe we have come a long way. When all the plans fructify, private businesses at Mitchel Field will provide 17,000 new jobs for county residents, pay the county nearly \$3 million in rents and pay more than \$6 million in property taxes. The jobs will put more Nassau County residents to work. And the taxes help take the burden off homeowners.

## Program For Economic Recovery

By Cong. Norman Lent

The economic program President Reagan sent to the Congress this past week aroused such cries of anguish from advocates of the "big spending" philosophy that one would think it is a blueprint for dismantling our social programs.

Nothing could be farther from the truth.

What President Reagan has given us is a blueprint for curbing federal waste, extravagance and inefficiency, while continuing legitimate, essential programs. This is not a "meat-axe" approach. The President and his budget

advisors, headed by Office of Management and Budget (OMB) Director David Stockman, have used the precision of a surgeon's scalpel in their proposals to reduce federal spending by nearly \$50 billion. Even with this reduction, federal expenditures in the coming year would still be huge, totaling nearly \$700 billion, an increase of \$40 billion in current spending!

Furthermore, it is important to understand that the Reagan proposals for key social programs -- including Social Security -- would actually provide them with a larger share of the federal

budget than they now enjoy: from 36.6% of total spending now, to 41% in 1984. That points up the falsehood in the cries of doom from the big spenders.

Of course, this is not to say that the Reagan Administration budget reduction proposals are the last word in perfection. When examined closely by the Congress -- and they will be -- they may turn out to be too harsh in some areas, too mild in others. We in the Congress, buttressed by the views of our constituents, have the responsibility for making those judgements.

But we now have from the

President authoritative guidelines for the difficult task of controlling federal spending and thus reducing inflation. Combined with the broad tax reductions proposed by the Administration we have a combination that can revitalize and reinvigorate our economy so crippled by uncontrolled inflation, high unemployment and high interest rates.

I certainly will work to the utmost for such a two-pronged attack on our economic ills. The faster the Congress acts, the better for all of us!

## To Thwart A Thief

could be just the materials a burglar needs to break into your home.

Overgrown shrubs and bushes make great hiding places, so keep them trimmed. Burglars also love the cover of darkness, so illuminate the exterior of your house.

If you leave your house for an extended period of time, make sure it still looks lived in. Cancel all regular deliveries such as milk and newspapers, and make arrangements for someone to mow your lawn or shovel your driveway.

Since locks are one of the most important tools used in protecting your home, make sure yours are of high quality. Dead-bolt and key-operated locks are good choices. However, be careful of locks which require a key to open them from the inside, since they could prevent a

quick escape during a fire.

Don't carry an identification tag listing your name and address with your keys. They might fall into the hands of a thief who could easily locate your house. It's also a good practice to remove all keys from coat pockets before checking or hanging your coat in public places.

Use a marking tool to engrave your license or social security number on the backs of valuables such as stereos and television sets. Liberty suggests you check with your local police department since many offer this service or other similar programs free of charge.

One of the best ways to deter a thief is by installing a burglar alarm. There are several different systems on the market, ranging from horn or siren alarms designed to scare intruders

away, to silent ones which transmit a signal to central security headquarters. Whatever kind you decide to buy, make sure detectors are on every door and window. You don't want to leave any part of your house unprotected.

Some of the best allies in your fight against burglary could be your neighbors. Offer to watch over their houses when they're on vacation, and ask them to do the same for you. Encourage them to take part in community check programs, and to report any suspicious activities in the neighborhood to the police immediately.

Of course, there's no sure way to completely safeguard your home against burglary. But by following these tips, you can decrease your chances of falling victim to a thief.

## Hempstead Dems To Roast Shayne

The art of roasting will be done to perfection on Sunday morning, March 1st when prominent Mineola attorney Neil T. Shayne, Esq. is "roasted" for the benefit of the Town of Hempstead Democratic Committee at the Salisbury Inn in East Meadow.

Among those who will be on hand to apply some heat as roasters will be Nassau District Attorney Denis Dillon, Nassau Democratic County Chairman Stanley Harwood, former County Executive Ralph G. Caso,

New York State Consumer Protection Commissioner designer Karen Burstein, former vice-chairman of the Nassau Board of Assessors Horace Z. Kramer, Nassau Court Press Officer Marvin Bernstein and law partners Norman Dachs and Thomas Stanisci. Faith Mason of Lawrence is the chairperson for the affair.

Shayne, a longtime resident of Long Island and senior partner in the law firm of Shayne, Dachs, Stanisci & Harwood may best be remembered by the

public for having first suggested the "plea by mail" idea during his campaign for Judge of the District Court. A graduate of New York University,

Shayne earned his L.L.B. at Brooklyn Law School and was admitted to the bar in 1954. Chairman of the Development Advisory Board of Hofstra Law School, Shayne has taught at Hofstra, Adelphi, New York State Trial Lawyers Academy, the American Management Association and the

University of Denver Law Center. Deeply involved in professional and community service activities, he has authored more than seven law books and countless articles.

Those interested in attending the Shayne roasting are urged to send their checks, made payable to the Town of Hempstead Democratic Committee, to 22 Jericho Turnpike, Mineola, N.Y. 11501. The cost is nominal \$15.00 per person and covers the cost of a full breakfast and gratuities.

## Letter To The Editor

Dear Mrs. Noeth:

A great deal of time and effort went into the preparation of our program recently presented before the Hicksville Community Council. We have been trying to undo the effects of erroneous reporting concerning the quality of Hicksville's water from as far back as December 1975. It had been thought our efforts had been successful after much correspondence with the various agencies involved including a public apology before a legislative sub-committee hearing in Mineola conducted by Congressman Lent early last year.

However, the article entitled "The Council and The Water" by Carole Wolf, in your edition dated February 20, 1981, contains a statement attributed to the writer which is entirely wrong. "The publicized well 3-2, which is in the southern portion of the district, has traces of vinyl chloride but has not been used for 10 years, etc." I had explained that this was the first and most serious error made; my talk also clearly stated that in effect no vinyl chloride has ever been found in a Hicksville Water District well. This error has in the past alarmed our public because most people are aware that the substance named is a known carcinogen. It all began with an error made by the Environmental Protective Agency and has resulted in an unending attempt to correct the report. At the time of the erroneous report the well had been out of service for over ten years.

The two new deep wells referred to have already been drilled (work started in 1979) and now being made ready to go on line.

A statement attributed to Mr. Molloy concerning bitter taste was actually made by this writer. The reference to this matter did miss the main thrust of what was said - the flow around the meter - at this point I was talking about the grounding of

electric circuits to water services and the flow talked about was electric and not water as it appears from reading your report of my comments. I had suggested the services of an electrician to record with a clamp-on ammeter the possible low flows on the copper tubing servicing a home may indicate a situation where electrolysis may be taking place. This would be the possible chemical decomposition of the copper tubing by the action of the electric current and would thus relate to certain traces of a bitterness in the taste of water. Copies of the article from which I had quoted were made available that evening to anyone that was interested.

We would also like to note that we were pleased to have had several members of the staff of the Nassau County Health Department present to answer questions. It was Mr. Marvin Fleischer of the Bureau of Land Resources Management, who gave us an insight into the extent to which his department has already gone with the study of chemicals used by industry in our area and the dumping practices involved. Mr. Fleischer did answer may direct questions concerning specific companies and waste products. His remarks were well received and his presence worthy of note.

Furthermore, the well number involved is 3-1 and not 3-2. The latter is an operating well of excellent quality and more than 500 deep.

Very truly yours,

Hicksville Water District  
Louis G. Detloff  
Superintendent

Editors Note: We are happy to correct this error and, of course, are sorry that it occurred in last week's article. We are proud of our water district and the excellent work that it continues to do for all of us. We can be reassured on all counts.

At its regular meeting held on Tuesday, Feb. 24th, the Town Board of the Town of Oyster Bay acted on the following local matters:

They reserved decision on the petition of William S. and Mildred Garrett and Louis C. and Ruth Hartmaier of Hicksville, for a change of zone from Residence D to Business G District on property located on the west side of Broadway, 320.78' north of the intersection of the north side of Millwood Gate and the west side of Broadway. Approximately 25 nearby residents appeared in opposition to this petition which would allow a lawn mower repair business to be conducted on the properties in question. Members of the Board also questioned the affect this type of "outside" business would have upon residences in the immediate area.

They reserved decision on the petition of the Guinan Management Corp. for a special use permit to use and operate its business of publishing a Pennysaver, including offices, a printing plant and a warehouse, on the north side of Old Country Road, east of the east side of

Newton Road in Plainview. No one appeared in opposition to this petition.

They approved Resolution No. 110-1981 granting permission for the Dept. of Parks to conduct the TOB Softball League for the year 1981.

They approved Resolution No. 111-1981 relating to Community Park Pool Rates for the 1981 season.

They approved Resolution No. 126 and 127 relating to the increase of engineering fees by consultants on the construction of storm drains and appurtenances, both on Winding Road in Old Bethpage and on West Barclay, Marion and Wyckoff Streets in Hicksville.

They approved Resolution No. 133-1981, authorizing issuance of a \$6,500 capital note of the Town, for the purpose of partially renewing a capital note heretofore issued to pay part of the cost of the construction of an addition to the Parks Dept. Administration building in Hicksville.

They approved Resolution No. 137-1981 directing the Town Clerk to advertise notice of a March 10 hearing to consider proposed increase

and improvement of the facilities of the Town of Oyster Bay Public Lighting District at an estimated cost of \$2,800,000.

They approved Resolution No. 138-1981 directing the Town Clerk to advertise notice of a March 24 hearing to consider proposed amendments to the Code of Ordinances of the TOB, amend Chapter 17 Motor Vehicle and traffic rules and regulations, amend Division 2 of Article V section 1660-A ... add new section 17-258.1

Woodbury Mall Shopping Center Traffic Control

They approved Resolution No. 138-1981 directing the Town Clerk to advertise notice of an April 7 hearing on the petition of Portobello Square, Inc. Asparagi, Inc. and G. B. and S. Beauty Salon, Inc. for a special use permit to conduct and maintain in an Ind. H District a public market, restaurant and a beauty parlor on the west side of Haskett Dr. and the south side of Jericho Tpke. in Syosset.

## "String Of Pearls"

Tickets are now on sale for the Hicksville High School production of "A String of Pearls," the annual concert dance of "Big Band" music from the 30's and 40's.

The 21 piece Stage Band, directed by its advisor, Mr. J. David Abt, will highlight the evening's entertainment by providing music for your dancing and listening pleasure. The nostalgia trip is brightened by the vocal stylings of the girls senior group, "The Pearldrops."

The Pearldrops, under the direction of Mr. William Goleekee, will be accompanied at the piano by Mr. Charles Arnold.

The members of the Modern Music Masters Honor Society will decorate the gymnasium to establish a prom atmosphere and will serve as your waiters and waitresses. Mr. Thomas Buttice, the honor society advisor, will be on hand to greet the arriving guests.

Principal Raymond Rusch will strike up "A String of Pearls" at 8:30 p.m. on Saturday, March 7, in the boys gym of Hicksville High School.

Reserved seat tickets are \$7.00 per couple. Contact any stage band or Tri-M member or Mr. Abt at 73-2146 for tickets or information.

## Alumni Assoc. Honors Rodney And Jinanette

The Board of Directors of the Hicksville H.S. Alumni Assoc. feted John Rodney and Peter Jinanette at a special dinner meeting held recently.

In the top picture, Principal Raymond Rusch and Rodney hold the Newday trophy awarded to the outstanding football player in Nassau County. Jinanette

holds his award as the outstanding soccer player in Nassau County as Dr. Daniel Salmon, representing School Superintendent Dr. Wilbur Hawkins, and Athletic Director, Richard Hogan look on.

Peter Jinanette has also been designated a High School All-American and has already signed as a property

of the New York Arrows professional club.

John Rodney has his name inscribed on the prestigious Newsday Thorpe Award. His is in the company of such greats as James Brown, John McKay, Matt Snell, Warren Kogel, Fred Miller, Don McAuley, etc.

In the bottom picture are Soccer Coach Brad

Jaworski, Jinanette, Rodney, Football Coach Jim Gronthom, and Alumni President Harold Holden. The Alumni Awards are held by Jinanette and Rodney.

At the regular February meeting of the Alumni Assoc., an anonymous gift of \$401 for the Mabel R. Farley Scholarship Fund was received. That makes a total of gifts for 1981, \$1,002.

above, except for the junior high grades, where students fall slightly below.

Mr. Ayres had requested similar information from surrounding school districts so comparisons could be made. However, Superintendent Dr. Wilber Hawkins stated that only the Port Jefferson school district had information that could be compared since other districts did not use the same test and/or did not give the test at the same time as Hicksville.

Legislation was also discussed, in particular President Reagan's new economic proposals in the area of education. Dr. Hawkins stated that at the recent conference he attended of the American Association of School Administrators, he had had the opportunity of speaking to Secretary of Education Bell, who explained that states would receive block grants to distribute to school districts. The grants would be cut one-third and would affect school districts with handicapped, bilingual and disabled students.

Redesigned. Frank Grimmer questioned the substitute program and in particular the existence of a full-time secretary in the program. Previously, the Board had approved a part-time secretary for the substitute program. He questioned the savings to the district, as this was the original intent of the Board when it deleted this line item from the budget, thus terminating the services of Mrs. Edith Marshall.

Dr. Hawkins stated that

initially the district had applied to the State Department of Unemployment program, but had been turned down. The Board then allocated money for an in-district position. "We have not gone beyond the monies allocated," stated Dr. Hawkins. The sum in question is approximately \$7,200 plus benefits. Dr. Hawkins added that the job was "far in excess to what Mrs. Marshall did." Mr. Grimmer requested a job description.

President Tom Nagle suggested that "if we made a mistake, we will rectify it" and suggested that budget hearings and letters be utilized to inform the board of dissatisfaction.

The Board went into a quick executive session after senior high school student Donna Raye expressed concern over the possible transfer of a math teacher to the senior high school to the junior high school. Board members were not aware of this middle-of-the-year transfer and adjourned into an executive session to discuss this personnel item.

Upon returning, Mr. Nagle stated there were "legal ramifications" and contractual implications. These would be investigated and a report would be made. Concerning Ms. Raye's inquiry on students' rights, Mr. Nagle suggested she confer with assistant principal and the principal.

The next meeting of the Board is scheduled for March 11.

## Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PRIVITE'S MESSAGE: 'Knowledge advances by steps and not by leaps.' — MacCaulay.

As we have previously stated, any organization worth its salt, or perhaps even desirous of becoming socially and financially successful, should display a certain amount of ambience. Recent events at the Galileo Lodge reveal that this is one quality of which it is not lacking, and thus it announces that on Saturday, the 21st of March, it will hold a St. Joseph's Dance, with that same and proper environment needed to enhance its central motif. For the modest sum of \$9.00 per person, the Galileo Lodge will offer you a delicious Italian meal consisting of manicotti, meatballs and sausages, beer, soda, coffee and cake (St. Joseph's pastry), set-ups and some sprightly dance music from the Jim Marchese combo. But please note that a 'bring-your-own-liquor' policy will be in effect that night. Joe Giordano will chair this activity and he will be ably assisted by co-Chairman Pete Masiello, who in turn will be assisted by a committee comprised of Ven. Tony Privite, Joe Morace, Jim Perisi, Jeff Wallick, Pat Gatto and Frank Matassa. For a good time at a good price, why not head for the Galileo Lodge on the date mentioned above.

FASHIONS-chic, stylishly appealing and vogue enough to satisfy the most discerning fashion-conscious women - will appear at the Galileo Lodge on Thursday, the 19th of March, at which time the Ladies Auxiliary of the Galileo Lodge will present a Fashion Show For Women. Price of admission will be \$5.00 per person, a modest fee which entitles you to refreshments, high fashions and a congenial atmosphere manifested especially for you members, patrons and friends. For ticket sales and seating arrangements, please call Chairlady Rosa Mezaros (WE 1-0878) and Co-Chairlady Ann Palermo (334-7107). Needless to mention that activities held by the Ladies Auxiliary are in popular demand, simply because of the meticulous manner with which they plan their activities. For an enjoyable and pleasurable night of exciting fashions, why not head for the Galileo Lodge and treat yourself to something special. By the way, fashions for this activity will come from 'Oh Girl', an establishment located at 32 West Village Green, Hicksville.

Although the Christmas season is gone but not forgotten, the Galileo Lodge naturally does not want to forget all the business establishments that graciously donated in order to make our Christmas parties for the children more fruitful and enjoyable. They are: Iannone's Restaurant, West John Street Deli, Mike Squillante Candies, Shultz Deli, Pete's Fruit and Farm Specialties, Good Times Deli, Midway Deli, Banna East End Farmer's Market, Sechler Warehouse, Brooks Stationary, Continental Candies, Holden Stationary, Seven Cake Store, Donut Queen of Westbury, Donut Man of Hicksville, Dunkin' Donuts of Jericho, House of Donuts of Hicksville. To all these gracious contributors, the Galileo Lodge extends its sincere thanks.

### On The Campus

Gregory and Bradley Kramer, sons of Mr. and Mrs. Donald Kramer of PLAINVIEW, students at Hobart College, recently participated in the production of the play "Escorial" by Michel De Ghelderode. With the temperatures

dwelling in the 50 and 60 degree range, I am sure that signs of the approaching spring must have entered your minds. So with spring in mind, I will mention that the Galileo Lodge has a most enjoyable calendar of events for your edification and enjoyment. For example, on Saturday, the 25th of April, it will present its Anniversary Dance, and on Saturday, the 16th of May, it offers its May Dance. Then in July the Galileo Lodge holds its Italian feast, and in August another dance is scheduled. These activities will certainly help to usher in the warm weather, so please keep your eyes peeled on further bulletins from the Galileo Lodge concerning its warm weather Calendar of Events.

Upon hearing the sad news concerning the death of Pete Masiello's brother last week, the Galileo extended its Deepest Sympathies and condolences to Mr. and Mrs. Pete Masiello and family.

## JFK News

By Adam Wilk

"Cinderella seasons" occur every so often. Such was the case of the 1969 Jets, the 1979 Tampa Bay Buccaneers and the 1980 Oakland Raiders. Most recently, though, this type of season was experienced by the members of the JFK Varsity Basketball Team.

When the season opened, Coach Ozzie Stewart thought the season would be a mediocre and rebuilding year. Having lost all his starters due to graduation the past year, the team's future was not very bright. However, instead of suffering through such a season, the team played brilliantly, winning 13 games, while losing only 5. Coach Stewart's only problem during the season was his team's lack of height. But for

what they lacked in height, the team made up for with aggressiveness, speed, teamwork, and knowledge. Although their opponents towered over them in height, the team equalized this effect with their basketball expertise.

The team's success throughout the season was attributed to Gary San Filippo, who averaged 26 points a game during the season, Carmine Ciccoella, who averaged 13 points and 11 rebounds a game, and Mike Holleran who not only averaged 11 points a game, but in addition had numerous key steals and assists. Lou Mango contributed excellent defense, while Everett Bailey, Evan Biale, Scott Silveglide, Matt Tobin, Joe McMahon, Mike Cardello

## Hicksville American Soccer Club

### YANKEES

The under 16 boys roared through the Holy Trinity Indoor Soccer Tournament last weekend and have now won 22 consecutive indoor games this season. In four preliminary games, they poured in 17 goals while allowing only 2 which brings their total output in 22 games to 76 goals scored and 9 against. In defeating North Babylon (3-1), Oceanside (4-0), East Meadow (5-1) and Huntington (5-0) - the Yankees will return next week to play the quarter finals. If successful, they will move on to the semis and finals as the tournament as well as the indoor season concludes next Sunday. The boys have already begun working outdoor (3 a week) as their first Regional Cup game is only a week away (3/7) and coaches Cresham & McHugh want them in good shape for this important match.

Once again at Holy Trinity, every boy on the team was involved in the scoring which makes it doubly difficult for their opponents - when Jimmy Demarco or Adrian Pepi is double-teamed, this opens up many opportunities for Dave Smyth, Steve Thompson or

Billy Cresham to strike the net. The defensive unit also comes up and scores and assists, besides being extremely stingy in allowing goals (9 in 22 games). This area is handled by Jimmy McGeough and Steve Dolan and, Gene Tyranski did another outstanding job minding the nets.

The second team also did well but lost one game (1-0 on an own goal) to the Huntington 'A' team. This was the first game of the day and they came right back to win 3 in a row (Plainview 1-0, Garden City 2-1 and North Shore 3-1). The Garden City game was the most exciting with Hicksville applying tremendous pressure for the last four minutes of the game

and finally putting in the winning goal with 3 seconds left on a throw-in from Vinny Christiano to Paul McGeough. The other members of this Yankee team Bobby Abdrus, John Mitchell, Robert Pearce, George Marco, John Fitzgerald, Cliff Feldman (back from a recent illness) and keeper Steve Barell. With a few more games still remaining in the Preliminary rounds, it looks very good for this team to also make it back for the 1/4 finals. Perhaps we'll see a repeat of the League Tournament in Farmingdale where the two Hicksville teams faced each other and treated the fans to a really great game.

## Set Scouting Communion Breakfast

The Third Annual Communion Breakfast sponsored by the Nassau County Lutheran Committee on Scouting will be held on Saturday, March 14 at Saint David's Lutheran Church, 20 Clark Boulevard, Massapequa Park, New York.

The Communion Service will be at 8:30 A.M. The liturgist will be the Reverend Charles Deitz and the sermon will be delivered by the Reverend James Anderson, both of Saint David's; the Reverend Carl J. Kruger of Trinity Lutheran Church New Hyde Park; the Reverend Stephen Kummernuss of Incarnation Lutheran Church, Cedarhurst, and the

Reverend Carl Roemer of All Saints Lutheran Church, Brookville will participate.

Breakfast will follow the service with keynote speaker the Reverend Norbert H. Stracker, Asst. to the President, Metro New York Synod, Lutheran Church of America.

All registered Scouters, Scouting Coordinators, Sponsors, and Clergy and their spouses and friends are invited. There will be a nominal charge of \$3.00 per person for those who complete and return the reservation slip by March 7, 1981. Reservations beyond that date and at the door will be \$3.50. For any information call Jim Justus 541-7127 or Bill Groppe 822-0981.

## Hicksville Baseball Association

By Carole Wolf

Two amendments to the HBA constitution were brought up and discussed at the February 19th open meeting at Levittown Hall. These amendments will again be presented at the March meeting for vote by the general membership.

Thomas Nealon suggested an amendment that the HRA begin its season May 2nd and end July 5th. The first four teams at the end of the season would participate in a playoff to end July 15th. Each team is to play every other team in their league a minimum of three times and all teams are to play an equal amount of games. Discussion on the matter included a suggestion to

begin play on April 25th, and to have the games during the first two weeks played on a Saturday and a Sunday to prevent the shivering night game syndrome. This amendment will be brought back to the executive board for discussion.

The second amendment, also presented by Nealon, would allow the trustees of the league, with the exception of the president and the umpire-in-chief to manage a team. Directors would be allowed to manage another team outside their directorship boundaries, thereby allowing the director of the boys farms to manage a girls softball team.

Jim Healy, director of Connie Mack said that his 17

boys will be starting in May with a 25 game schedule. The HBA is under negotiations with a Hicksville firm to sponsor this 'A' Connie Mack team.

A warm welcome to our latest sponsors, National Bank of North America and the Galileo Galilei Lodge No. 2253.

Dates to Remember: April 18th at Levittown Hall, the HBA will be having Joe McHale, the noted disc jockey, and a wine and cheese party. July 11th is the HBA picnic at Eisenhower Park. And the last day for registration is this Saturday, February 28th at Levittown Hall from 10 A.M. to 1 P.M. Don't forget to renew your Herald.

## News From The Plainview- Old Bethpage Road Runners

Road racing can be an exciting and challenging pastime for joggers and runners at every level of ability. Training for the various late winter/ early spring road racing events here on Long Island can also be a much needed incentive to get local runners over the February doldrums.

The local calendar for March and April is filling rather quickly, and there is something for every runner in the months ahead. In our area, interest naturally focuses on the April 4 Plainview PBC 10,000 Meter Run, and most local runners are gearing their training schedules towards a top effort in that event. However, as the following schedule indicates, there are plenty of other races coming up over the next several weeks:

Date	Event	Distance	Place	Time
Sat. March 7	Oldfields to Little Cow Harbor Footrace	4 Miles	Harborfields Public Library at the Broadway School - Greenlawn	9:30 AM
Sun. March 8	Smithtown AHRC/Rocky Point Joggers - "Run Today for a Better Tomorrow"	4 Miles	New York Ave. JHS (Edgewater Ave.) Smithtown	2:00 PM
Sat. March 14	Open Door Society 1st Annual Benefit Run	10 Kil.	Sawmill Mandracchia JHS - Commack	12 Noon
Sat. March 28	Mike Connors Scholarship Run	5 Kil.	Cedar Creek Park Seafor	11:00 AM
Sat. April 4	Plainview PBC	10 Kil.	Kennedy HS-Plainview	9:00 AM
Sun. April 5	Bluepoint Fire Dept. Run	5 Miles	Bluepoint Avenue Bluepoint	9:15 AM
Sat. April 11	Natural Light Ocean Run	10 Miles	Jones Beach	10:00 AM
Sat. April 11	Merrick Kiwanis Club Run	5 Miles	Merrick LIRR Station	10:30 AM
Sun. April 12	College Point Half Marathon	13.1 Miles	College Point	Noon
Sun. April 12	Middle Country Runners	10 Kil.	Bald Hill Ski Bowl Brookhaven	9:00 AM
Sun. April 12	Bald Hill Spring Classic			

Looking a little further ahead, the prestigious Long Island Marathon will be held on Sunday, May 3. A large local contingent will once again be running in that one this year. Applications for all of these events can, of course, be obtained from the Club. You can pick them up at our March 10 meeting or call Club President Mike Polansky at 433-0919.

On Saturday, February 28, POBRRC will be participating in the Super Striders Club Invitational Winter Relay Race at Sunken Meadow State Park. Our six runner team for this sex/ age qualification event consists of Howie Greenberg, Steve Hannwacher, Kim Falkowski and Steve Miller of Plainview, Nancy Rabinowitz of Old Bethpage and George Ofenloch of Bethpage.

A get well quickly wish goes to the Club's Ed Naughton of Bethpage. Ed recently slipped on the ice and broke two bones in his ankle. We share Ed's hope that he is "up and running" again as soon as possible.

## Feted At Dual Birthday Celebration

John Kasten and Jack Leckie, both lifetime Hicksville residents, were feted at a dual Birthday celebration, Feb. 14, at Antun's, Old Country Rd., Hicksville.

More than 100 friends and relatives attended the party.

It was the 80th birthday for John, who was born on Old Dutch Broadway, which is now Stewart Ave.

A toast was also raised to Jack Leckie for his 75th birthday.

John and his wife, Nanomi (Whittenburg), had previously had their 50th

wedding anniversary at Antun's.

Mrs. Leckie is the former Eleanor Weppish.

## COMMUNITY DEVELOPMENT PROGRAM TOWN OF OYSTER BAY 1981-82 PROGRAM YEAR

### General

The Town of Oyster Bay as a member of the Nassau County Community Development Consortium has been allocated \$1,386,000 for its 1981-82 Community Development Program Year. The Town anticipates submitting its recommended CD Program to Nassau County on March 27, 1981. Prior to this submission two public hearings will be held to accept proposals and recommendations from the public.

### Hearing Dates

The first public hearing will be held on March 9, 1981 at 8:00 p.m. in the Town Hall Hearing Room at Town Hall, Oyster Bay, N.Y. The hearing will be to explain program guidelines, review past activities and offer an opportunity for proposals from the public.

The second hearing is to be held on March 23, 1981 at the same time and place. This hearing will permit the public to comment on the Town's CD Program prior to submission to Nassau County.

Two weeks is provided between each hearing. During this time the Town's Department of Intergovernmental Affairs will be available to receive citizen proposals and offer technical assistance.

### Utilization of Community Development Funds

Community Development funds must primarily benefit low and moderate income persons in the Town or provide for the removal of blight. To accomplish this a wide range of eligible activities is established by the Federal Government including: Acquisition of Real Property; Disposition of Property; Provision and Improvement of Public Facilities; Residential and Commercial Rehabilitation; Removal of Architectural Barriers to the Handicapped; Historic Preservation; Economic Development Activities; Provision of Services by private non-profit organizations; Planning and Administration.

Specific ineligible activities include: New Housing Construction; General improvement of Government Buildings, schools, stadiums, cultural and arts centers; Purchase of equipment or furnishings; operating and maintenance expenses; general government expenses, Income Payments; and Industrial Park Development.

### Ongoing Activities

The past three years of Community Development Activities are comprised of two basic components: 1) Residential Rehabilitation and Removal of Architectural Barriers to the handicapped, both on a Townwide basis; and 2) Activities programmed within pre-approved Neighborhood Strategy Areas (NSA's). Virtually all "software" activities other than those cited in (1) above are only eligible within these NSA's. These activities have included; road repair and drainage projects, parking lot improvement, street lighting, provision of public services and removal of deteriorated structures.

### For Further Information

Questions regarding the Town's Community Development Program may be answered at any time by contacting the Town's Department of Intergovernmental Affairs at 922-5800, Ext. 466.

## CHECKING ACCOUNT.

**Pays 5<sup>1/4</sup>% interest  
on your checking  
account balance.**

Checking account money is generally spending money for bills, purchases, whatever. But when your checking money isn't buying, is it earning interest? It can at Hamburg Savings Bank with a NOW (Checking) Account.

Here's how it works: Use your NOW Account just as you would an ordinary checking account. That is, making deposits and writing checks. But unlike an ordinary checking account, money on deposit in a NOW Account earns 5<sup>1/4</sup>% a year compounded daily from day of deposit to the day of withdrawal. And if you keep your monthly balance at \$1000 or more, you will not be charged a \$2 monthly maintenance fee.

If you have one of those ordinary checking accounts where your balance just sits doing nothing, move up to a Hamburg Savings Bank 5<sup>1/4</sup>% NOW Account today. We'll make your spending money more profitable. Come in to a nearby office and let us help.

and Steven Kaldor made valuable contributions to the team.

The team opened the season by winning the Hauppauge High School Tournament. In this tournament, Gary San Filippo averaged 33.3 points a game and was voted the tournament's Most Valuable Player. In addition he was joined by Carmine Ciccoecella and Mike Holleran on the All-Tournament team.

During the first half of the season, the team played superbly as they won 5 games and lost only 1. At this time, they were tied for first place in their division with Glen Cove, the only team to beat them. The second half of the season, unfortunately, did not go as well, as they lost 4 games, including 3 games in a row. Outsiders believed that their "Cinderella" season had reached an abrupt end.

Nevertheless, the team entered the playoffs with a winning attitude, knowing full well that a defeat in any round of the playoffs would end their season. Their first

playoff game went down to the wire before Mike Holleran put in a shot from the corner at the buzzer to give Kennedy a 52-50 win over Plainedge. The clock still had not reached midnight and their Cinderella season was still alive.

The team's next opponent was Uniondale, who had finished their regular season with 17 wins and only 1 defeat and were ranked #3 in the county. The game was a defensive struggle from the outset, with Kennedy handling the ball for most of the game, even though they never held the lead. With 3 minutes to go in the fourth quarter and with the score tied at 27, Kennedy had a chance to take the lead. Unfortunately, they never did take the lead, as an errant pass was intercepted and turned into a Uniondale basket. Each team added two more points to their game totals making the final score Uniondale 31, JFK 29.

Midnight had finally come to the JFK basketball team. Their Cinderella season had ended. But for those who believe in fairy tales, a future JFK "Cinderella" team may surface again—only this time the slipper will fit.

## Fashion Show

An exciting, fun-filled fashion show will be held by the Catholic Daughters of America, (C.D.A.) on March 11, 1981, 8:30 p.m. in the St. Ignatius New School Cafeteria. The smart and beautiful clothes will be furnished by the Starlight Shop of Hicksville. The models will be members of the C.D.A. Coffee and cake will be served at this affair. Don't miss this opportunity to see and buy the latest in spring fashions; select your new Easter outfit. The cost of the tickets to this event are \$3.50 for advance sales and \$4.00 if you purchase them at the door. For advance sale tickets call Pat Magee, 931-3178. (Adv.)

## The Council Meets The Churches

By Carol Wolf

"What the Church Has to Offer the Community" will be the topic of the March 5th Hicksville Community Council meeting to be held at 8:30 P.M. downstairs at the Library.

So far, Trinity Episcopal Church, the Church of

Christ, Redeemer Lutheran Church, Abundant Life Church, the Parkway Community Church and Holy Family Church will be sending representatives to the meeting. Each representative will discuss how their church functions in community life.

Remember, April will be the Library and Senior Citizen month at the Council. If you need a ride, or if you can offer someone a ride, let us know at the March meeting.

Congressman Norman Lent says, "Senior Citizens have earned more than just good memories." We're in full agreement with that statement. Therefore, this week's column features another article by Frank

Jopp, our Club member in charge of dispensing news to our senior members and those members who will one day be seniors themselves. "Pre-retirement Counseling workshops is the subject matter in a recent news

release I received from the County of Nassau Department of Senior Citizen Affairs. I'm sure it will be of interest to many so I quote it in its entirety.

"Is the sun belt the best place to retire? Will a 35-

day-a-year vacation be fun or folly? Beginning February 24, these and other questions will be addressed in a series of pre-retirement counseling workshops to be held in five Nassau County communities. Originated and coordinated by the Nassau County Department of Senior Citizen Affairs, the award winning series is offered in cooperation with libraries, Adult/Continuing Education Departments of local and school districts and non-profit organizations.

"Keyed to the theme, Retirement - A New Design for Living," the workshops are designed for individuals in their 40's and 50's who may be ten or more years from retirement. The series of six weekly two-hour evening workshops feature professionally led discussions on topics such as "The Truth About Retirement Communities and Leisure Time Activities," "Mental Attitudes - To Grow, To Give, To Receive," "Life, Health and Love After 60," "Legal Planning - Wills and Estate," "Your Financial Status - Now and Later," and "Social Security - What Can You Count On?" Volunteer coordinators from each community serve as moderators during the discussion period which follows each session.

There will be a special one-day workshop on Saturday, April 11, 9 a.m. to 5 p.m. at Hofstra University, Hempstead, as well as an evening series which will begin March 5 at Hofstra.

Attendance at each workshop is limited to 40, and there is a modest registration fee (\$2 or \$3) in some communities. For

registration information, contact the Nassau County Department of Senior Citizen Affairs, 222 Willis Avenue, Mineola, NY 11501 - telephone 535-4521.

"The pre-retirement counseling workshops will be held in the following communities: Herricks, Hempstead (Hofstra), Port Washington,

Rockville Centre and Wantagh.

"The workshops at Hofstra will be held on Thursday, March 5, 12, 19, 26 and April 2 and 9. Register at the Nassau County Department of Senior Citizen Affairs at the address listed above. The

## To Review Proposed School Budget

The Hicksville Board of Education will begin its examination of the proposed 1981-82 school district budget next Wednesday, March 4, at 8:15 PM in the second floor conference room of the administration building. The preliminary budget currently stands at \$32,409,473, an increase of approximately \$1.8 million over the current budget. That represents an overall 6% rise, and would necessitate an increase in the current \$18.12 tax rate by an additional \$1.75.

Next Wednesday, the board will review the General Support category of the 1981-82 budget, and if time allows, Transportation, Youth Services and Census will also be examined. The budget meeting will be the first of several, to be held each successive Wednesday until a final budget is deemed ready for presentation in a public hearing.

The public is not only invited, it is urged to attend these meetings so that it may be a part of the budget development process.

The following is a summary of account codes for consideration at the March 4 budget meeting. The figures may change prior to the meeting. Detailed budget sheets will be available to the public at the session.
