The 21-piece Stage Band is directed by Mr. J. David Abt. Also performing at String of Pearls will be the "Pearl Drops", a girl's

singing group under Director William Golecke; Mr. Charles Arnold will be accompanist for the performance.

Hicksville Gregory Mu.

The survival of the Hicksville Gregory Museum will be a very real concern of many people attending the School Board meeting on Wednesday, March 11. Ostensibly the Board will be considering whether or not it wants to accept \$30,000 worth of services to education offered in a museum proposal to the Board. Underlying the discussion of the museum trustees' offer, however, will be the question of whether Hicksville taxpayers and their school leaders want to preserve an educational-cultural facility about to disappear from the community for insufficiency of funds.

Ironically, even as the Museum undergoes its final crisis, the unique Earth Science-local history center is still attracting hundreds of school children every week from communities all over Long Island.

Unfortunately, with an admission price keyed to children's means, 75c, even 8,000 visitors, as in 1979, will produce only \$6,000 in revenue. This self-generated income will pay the cost of utilities and fuel, but the museum needs a small, full-time staff to provide its many services to Hicksville and L.I. At the present time

a small group of long-time museum volunteers, retired teacher Elizabeth Pearce, Jane Spiselman and Richard Evers, and a young man, Mike Hodgkinson, are maintaining the Gregory Museum's long-time services to schools.

The museum's Board of Trustees generally manage a low profile, but they are businessmen and professionals well known to Hicksville. As such, they understand the museum's needs and the community's capacity to meet these needs. The present board has been intact for almost four years, weathering the transitional time since museum founders, Gardiner and Ann Gregory, retired in 1978.

The Museum Board of Trustees includes: Richard Evers, recently retired Social Studies teacher, who is President and Acting Director; Dr. Richard Smith, a local chiropractor; Edward Peter, President of Gary Insulation Corp.; Elizabeth Pearce, retired Hicksville teacher with a strong background in Earth Science; Rosemary Barrow, Library-Media Specialist in Willet Avenue School; Elery Bean, long a member of the Library Board and recently retired Director of Training

did outstanding work with the handicapped; Kenneth Barnes, well-known Director of the Hicksville Library; Irwin Botto, President, Botto Mechanical Corporation and Dudley Shannon, President, Allcraft Industries.

The Museum Board readily acknowledges the considerable help the CETA program of Nassau County and Oyster Bay has provided, and they are grateful for the State Council on the Arts' grant toward museum curatorial salary, over the years. However, the Board feels that service contracts or accords with public schools are the best means of securing a small, full-time staff at the Museum. In asking the Hicksville Board of Education to find a way to utilize \$30,000 of school appropriations for a wide range of services to the schools, the Museum Board estimates the increase in school taxes to be \$1.80 for the year 1981-1982, for the average homeowner. In return for local taxpayer support, the Museum will provide, among other advantages, unlimited free admission for Hicksville residents, free guided tours to all local school classes,

Report

hibits and slide films for schools and community organizations, in-service training courses for district teachers, special training at the museum for gifted and talented students, as well as programs in local history and nature study for special education classes. There will be opportunities at the museum for students to exercise volunteer service and employment opportunities for some Youth Corps workers.

The museum trustees are aware that the Board of Education is beginning a public discussion of the Superintendent's preliminary budget this March 11. They hope that many of the 4200 taxpayers who signed the museum's 1980 petition to the Town board for some sort of financial aid will let their feelings for the museum be known to our Board of Education. Letters would be fine; attendance at the Board Meeting on March 11, even more impressive. Community organizations which have worked with the Gregory Museum on community projects can serve Hicksville by forwarding a resolution supporting the Museum's proposal to the Board of Education.

EDUCATOR HONORED: Oyster Bay Town Councilman Thomas L. Clark (center) presents a citation to William Feigin, retired Principal of the Hicksville Junior High

hand to honor him were his wife Dora (left), dinner chairman Nancy Staron (second from right) and Barbara A. Smith (right), president of the P.T.A. Council.

At our meeting last week Guy Mazza, Republican nominee for Assemblyman in the 13th A.D. to succeed Tom Gulotta, appeared as speaker, and gave a brief rundown on his career. The position is open because Gulotta was recently named Hempstead Presiding Supervisor, succeeding Alfonso D'Amato who was elected U.S. Senator. Parts of Levittown, Westbury and East Meadow are in the 13th. The date for the special election has not yet been set by Governor Carey.

Guy is 28 years old and a graduate of Cornell University. For several years he worked as a biologist and then, till recently, was an engineer with Grumman. He

has been active politically all his life beginning when his father Tom Mazza was Town Clerk of Hempstead. In both 1978 and 1980 Guy was co-ordinator in Tom Gulotta's Assembly campaigns. In 1980 Gulotta won the highest number of votes of any candidate for the Assembly in Nassau County. Guy is also president of the Bellmore Republican Club for the second year in a row.

In his talk Guy indicated that as a professional biologist, there was no doubt at all in his mind that a new life is created at conception, and that once a new human life is created it is entitled to all the protection available to every other human being, both before birth and after birth.

While waiting for the governor to set the date for the election, Guy is acting as co-ordinator in the district, trekking to Albany every week and handling constituent problems as best he can. However, until the election, the 13th A.D. has no vote in the assembly. Residents of the 13th were urged to write to the governor and demand that a date be set soon.

In a related matter, two other pro-life Assemblymen are expected to be appointed

to federal positions by President Reagan and therefore will be lost to the pro-life side in the Assembly. Dominic Di Carlo of the 49th A.D. in Brooklyn is expected to be appointed to a State Department position, and John Behan of the First A.D. in Suffolk County has been mentioned as possible head of the Veteran's Administration.

Other pro-lifers being considered by the Reagan Administration include Dr. Everett C. Koop as Surgeon General and Marjorie Mecklenburg as head of the Office of Adolescent Pregnancy Programs in the Department of Health and Human Services. Dr. Koop is presently surgeon in chief, Children's Hospital of Philadelphia, and has a world wide reputation as a pediatric surgeon. Mrs. Mecklenburg is president of American Citizens Concerned for Life. Both have been very active in pro-life affairs.

Families for life is a local pro-life organization and can be contacted either at 938-1381 or by writing to Box 574 Hicksville, 11801. The next meeting will take place on Wednesday, March 25 at 8 PM at Levittown Hall, Hicksville.

Fashion Show

An exciting, fun-filled fashion show will be held by the Catholic Daughters of America, (C.D.A.) on March 11, 1981, 8:30 p.m. in the St. Ignatius New School Cafeteria. The smart and beautiful

clothes will be furnished by the Starlight Shop of Hicksville. The models will be members of the C.D.A. Coffee and cake will be served at this affair. The

cost of the tickets to this event are \$3.50 for advance sales and \$4.00 if you purchase them at the door. For advance sale tickets call Pat Magee, 931-3178. (Adv.)

"Our February meeting was well attended and Councilman John Venditto was our guest speaker. I want to thank John for the fine presentation he made to our Club.

"As president of the Ernest F. Francke Club, I want to tell the membership that I am proud of the support and efforts you have given the Officers, the Board members and myself over the past year. I am confident your support and efforts will continue as we 'get down to business' for 1981.

"Our spring dance will be held May 1st at Antons Old Country Manor. The cost for tickets are \$20.00 per person. We will have a raffle for a basket of cheer and other fine prizes. The chances are

\$1.00 each or \$10.00 for a book of 12 chances. A journal will be published in conjunction with the dance.

"Hal Mayer is the chairperson for the dance and journal, with Joe Farrell and Joe Donovan acting as coordinators. Tickets have been mailed to you. Additional tickets will be available at our next Club meeting, or you can call Hal Mayer (735-6690), Joe Farrell (433-0319) or Joe Donovan (938-3190) for additional tickets.

"Helen Henderson will coordinate the raffle; therefore, if you have prizes to donate or can solicit donations of prizes, call Helen at 433-8265.

"We are asking you to join the dance committee because the larger the committee, the more successful the dance will be. You also have the opportunity to know more about what's happening in the Club by being active. Come and join us now!

"Marie Bergin, our membership chairlady,

reported we now have 235 paid up members for 1981. Our goal is 800. Don't forget to bring one new member to our next meeting.

"Welcome to the following new members: Millie Pino, Mr. and Mrs. John Bellamonte, Richard A. Gregorek, Richard and Linda Morrison, David Cronin, Anthony and Frances Tedesco, Gloria and Eugene Kern, Geraldine Seitz, William D. Reimels, Charles Rubel, Jr., Josephine P. Halfpenny, Fred W. "Good and Welfare. Helen Henderson reported that Sam Weiss is home recuperating from a mild heart attack. Ruth Farrell, who also returned home after surgery, unfortunately re-entered the hospital for some additional complications. We wish both Sam and Ruth good health and a speedy and complete recovery.

"Program Chairman, Bill Buchman, has arranged for Councilman Doug Hynes to be our guest speaker for the next Club meeting, March 13. Everyone is invited to attend.

EXEC. LEADER
Dr. Chas. Artale

P. O. BOX 283
OLD BETHPAGE, 11804

PRESIDENT
Jeanne Nodman

Hi! This Grand Old Party is now the new kid on the Plainview Herald. We'll be giving meeting notice and general information to the public. Sure, we are after new club members and every vote we can get our hands on. We want publicity, also campaign money.

Many of our members are good, well-informed Town and County workers (and School, Library, Fire District, Water District, etc...) who are available at meetings to discuss their area of expertise. To name only a very few: our Executive Leader, Charles Artale, is a member of the Zoning Board of Appeals; an elected official, Sol Newborn, T.O.B. Receiver of Taxes; Attorney, Len Symons, is a member of the Planning Board, etc. (more later)

Club meetings, which are open to everybody, are held at 8:30 p.m., the third Wednesday of every month (omitting July and August) in the Plainview American Legion Hall. A little free food and drink is served afterwards. At the next one, to be held on March 18, Town Supervisor Joseph Colby will be guest speaker plus a surprise or two. More on this next week.

To join costs only \$3 a single and \$5 a couple. A great meeting was held on Feb. 18, with N.C. Comptroller "Hal" Christ and T.O.B. Councilman Peter King... Raffle winners: Lucy Reistetter (new member in Jan.) and Ed Ricca... New members: Aharon and Ruth Golub, 16 Vanderbilt Lane, Old Bethpage (49th ED).

sponsored by Betty Martin, our hard working 2nd V.P., Committeewoman and popular crossing guard; Peter Kavanaugh, 286 Manetto Hill Rd., Plainview (34th ED), sponsored by brother, Steve, who is on our Board, Journal Chairman and dedicated T.O.B. Town Attorney.

This year's election is for Town and County Officials plus judgeships-and they are all running hard since their last election, name a place and date and they'll give a powerful, informative, non-political talk at the drop of a hat... G.O.P. Town and County Convention in June... T.O.B., G.O.P. annual Victory Celebration Buffet and Cocktail Party March 12, Crest Hollow... our own biggest social event-annual Spring Dinner Dance, Friday, June 5, at the

Huntington Town House; cocktails 8 p.m. to 9 p.m.- Prime Ribs, Open Bar, dancing, 9 p.m. to 1 a.m. and only \$30 per person... The always fun and successful Chinese Auction is definite for May 6.

HELP! The believers in the Keynes Economic Philosophy (a little inflation won't hurt) that have controlled the House and Senate since 1956 are trying to keep business as usual. These self-appointed "Champions of the Unfortunate" are stealing the savings of the retired, with their "little" inflation begat by intentional excess government and spending. A couple who retired in 1971 on \$20,000, today has the purchasing power of less than \$5,000, and going down and down-and they are creating millions of the unfortunate.

At The Town Board Meeting

By Sheila Noeth

At its regular meeting held on March 3rd, the Oyster Bay Town Board acted on the following matters:

They reserved decision on the petition of Birch Tree Realty, Inc. for a special use permit to erect and maintain an office building and for removal of restrictive covenants # 5 and # 9, referred to in Town Board Resolution # 334-74 dated 5/7/74 in an Ind. H District, on the southside of Jericho Tpke, west of the LIRR overpass adjacent to the right-of-way known as Haskett Drive in Syosset, on a plot 100 X 100. The Board itself has been disappointed in the lack of upkeep of the landscaping which was approved for this property in 1974 by the Board for the tennis club owners.

"It has become a litter area," a spokesperson for the Board said.

They were, however, impressed by the presentation made for the Birch Tree Realty and past experience has shown them that the officials of Birch Tree Realty are responsible people.

The Nassau County Planning Commission had communicated their opposition to this proposed new building on the grounds that it might create

additional traffic flow. But Mr. Seymour Howard, attorney for Birch Tree Realty stated that on this small plot a small office building which would employ approximately 5 or 6 people, would be built, if this petition is granted.

They approved Resolution No. 171-1981 relating to an increase in engineering fees by consultant on contract # DR71-4110 for the construction of storm drains and appurtenances on Convent Road in Syosset.

They approved Resolution No. 173-1981 relating to the petition of Torrick Food Enterprises, Inc. for a special use permit at Syosset, the hearing for which took place on Jan. 13, 1981.

They Approved Resolution No. 175-1981 relating to proceeding with annual contributions contract for project NY55-9 and NY 36-955-009, for a five and a half million dollar senior citizen complex on Central Park Road in Plainview, in connection with the Town of Oyster Bay Housing Authority. This is jointly financed by the Federal Government, and the Town Housing Authority.

Letters to the Editor

Dear Editor:

After reading the article about the fire sirens being out of order, and not being repaired, it brings to mind the fact that the whole system is going down the drain.

I have noticed the conditions of the boxes. They look as though they haven't been painted in years.

I have also heard that there are many boxes that are not in working order. If they were to be pulled in an emergency, nothing would happen.

Why is this allowed? I understand there is a paid crew that is supposed to keep these boxes in A #1 condition. Is this another case of being endangered in case of an emergency?

I am not talking about the firemen themselves. Their performance is excellent at all times.

I'm talking about poor service in regard to the number of fire boxes needing repair.

Thank you, Mrs. Mangialomini, Hicksville resident

Dear Editor,

Well, the Hicksville School administration put its foot into its mouth again at this week's meeting on the controversial Core V Health Curriculum (which in reality is Strand III under a different name.) The objective of the meeting was to have a grade by grade presentation of what Core V would entail, and then to receive parent

input in regard to how they felt about the curriculum. They failed in both objectives. No presentation was given on the "skippy outline" provided and then ground rules were laid as to parent input. Only questions would be permitted and no statement of how you felt about it allowed! Talk about a democratic society - this restriction was ludicrous! You cannot invite parents to a meeting of a controversial health issue and ask for their feelings and in the same breath tell them they cannot "state their feelings." The whole meeting was a comedy of errors.

Perhaps the only thing accomplished was the fact that

this "Mental Health" Curriculum (call it Strand III or Core V or whatever you will) is still a very controversial issue. Now the question remains - does the school administration really want to go through the uproar we experienced last year? It appears they do. When asked why they were bringing it up again after 2/3rds of the parents who voted on the issue said "no" - we were brazenly told, "That was last year. This is a new year - so last year's vote doesn't count." What they're really saying is that the opinion of the Hicksville parents doesn't count. That the school knows better than we parents what is best for our children, and they're going to shove it down our throats whether we want it or not!

I urge all concerned parents to fight for your rights. This is a free country we live in, and the school administration (supported by our tax money) should not be allowed to dictate to us what our children will be taught. The dangers of these "Mental Health Programs" are very real and many prominent child psychologists attest to this fact. Please get in there and demand your rights as a parent. Don't let "apathy" keep you away. This is what the supporters of these programs are counting on. Remember, it is your children who will be the victims!

Hicksville Library

The long awaited elevator installation in the Hicksville Library to enable the handicapped of the community free access to all areas of the library will be officially opened on Sunday, March 14 at 2:00 P.M. On hand for the ceremony will be the President of the Library Board of trustees, Mr. Kenneth Jones; Library Director, Kenneth Barnes; the other members of the Board; Oyster Bay Town Supervisor, Mr. Joseph Colby; Councilman Thomas Clark and Don Dreyer, Director of the Nassau County Division of the Physically Handicapped.

This project was funded by the Community Development Grant to the Town of Oyster Bay from the U.S. Department of Housing and Urban Development to relieve architectural

barriers in public buildings. Hicksville's project was the first to be completed in the Town of Oyster Bay. We have also altered the rest rooms and drinking fountains to comply with standards set for use by the handicapped.

The Friends of the Hicksville Library started a campaign to raise funds for an elevator in 1972. When they were informed that the cost was far too much to raise by plant sales, book sales etc., they were instrumental in the library's applying to the town for a grant. All Friends of the Library were invited to attend the ceremony. At this time since many are scattered, we are not sure as to who will be on hand to join us on this auspicious occasion.

LOVE KNOCKING AT YOUR DOOR

There is no more beautiful or more powerful statement in any sermon than I have ever heard than the simple statement, "Almighty God loves you." Or, as God through the prophet Jeremiah says, "I have loved you with an everlasting love." Never forget this. Today's word from God encourages us to open ourselves completely to his love. For during Advent and at Christmastime love came down from heaven to knock on earth's door.

What happens when love knocks on the door? Why, we rush to open it and let it in. Right? Wrong. Strangely enough the evil within us, the lack of trust, our negative emotions, often hold the love of God at arm's distance. In the last book of the Bible, Jesus says, "Behold I stand at the door and knock, if any one hears my voice and opens the door, I will come into him..." Today, the love of God continues to knock at the door of our hearts, and each of us reacts in a different way to it.

Unfortunately, many times we ignore it. For some of you Jesus has been coming and knocking at your door, and you have been ignoring it because you can't believe that he really cares that much for you. Sometimes we are too busy.

How often have you missed your doorbell because the vacuum cleaner was going, the kids were screaming? And somebody said, "But I was there and I knocked at the door, and nobody came." But He does. We ignore Him because we are too busy. Too busy with other things to take care of the most important thing in life - the salvation of our souls. As Jesus said, "What does it profit a man, if he gains the whole world and loses his own soul?"

People have been too busy down through the ages. There is this story that supposedly took place in 78 A.D. An old, old man, very white-haired, with a long straggly beard is sitting in his little hut outside of a town called Bethlehem. A young man comes to him, a young man who is eighteen years old, and says, "Ishmael, Ishmael, I just heard that you were one of those shepherds on the hill those many years ago when Jesus was born. Tell me, what did that little baby look like? What did the father look like? What did his mother look like? Was it really so crowded?" And the old man played with the furrows in his scalp and then he played

his fingers through his straggly white beard, and his eyes got misty and became wet. His lips trembled as he said to the young man, "Yes, I was with those shepherds. But I was so busy taking care of the sheep, I never bothered to go and look. I never saw Him." You can ignore love when it comes knocking at your door.

But there is a much better alternative, that is, to explore and adore love. Think of the shepherds. They said, "Let us go even unto Bethlehem and see this thing that has happened." And there were the three wisemen who said, "Let us go and check it out." Have we really opened the door of our hearts completely to the love of God in Christ Jesus and said, "Come, Lord Jesus, come into my life completely?"

As we explore the love of God in Christ we will also adore that love. Like the angels and the shepherds and millions through the years, we too will sing from the bottom of our hearts, "Oh, come, let us adore Him, Christ the Lord." When love comes knocking at your door, open the door wide and explore God's love fully. And when you do, you will adore Him. Now and forever.

UNDEFEATED SEASON

As expected, the under 16 Hicksville Yankees returned to play the quarter finals of the Holy Trinity Indoor Soccer Tournament last week-end and came back with their 3rd indoor championship trophy this season. In January, they won the Long Island League Tournament with 9 consecutive wins, did the same in February at North Babylon and almost repeated again at Holy Trinity. The boys went through 27 indoor games without a defeat (they were tied once) and had an extremely successful season. Counting tournament play and outdoor league games, the Yankees have a current streak of 41 consecutive games without a loss. They were last beaten in the first game of the Huntington Labor Day Tournament (a 3-2 loss to HBC) but came back strong and beat HBC in the championship game.

At Holy Trinity, the boys collected 8 wins and a tie - scoring 25 goals and yielding 5. Their 8 wins were over North Babylon and Huntington twice, Oceanside, East Meadow, North Shore and Hicksville. The eight members of the indoor team were: Dave Smyth, Adrian Pepi, Jimmy Demarco, Billy Cresham,

Steve Thompson, Steve Dolan, Jimmy McGeough and goalkeeper Gene Tyranski. Jimmy McGeough was voted the tournament's Best Defender.

The other Yankee team made it back for the quarter finals but missed first place in their division with a 2-1 loss to the Massapequa Athletic Club. This team had 3 goals taken away from them by the same referee and had to meet their teammates in the semis (a 1-0 loss). They were also missing Steve Barrell due to illness but Vinny Christiano did another outstanding job in the nets. The other boys on this team were: Bobby Andrus, John Mitchell, Robert Pearce, George Marco, John Fitzgerald and Cliff Feldman.

The Yankees are finished their indoor season and immediately move outdoor next week with their first Regional Cup game against Massapequa. The Regional Cup is open to any team that wishes to participate in specific age groups. There is an open draw and the teams play off (one loss and you're out) until a state champion is established. In the under 16 and under 19 age groups, the competition advances further until a National Champion is decided. The country is divided into 4 Regions; Hicksville is in Region 1 along with 14 other

state associations. In these two older groups, the State Associations play off until a Regional Champion emerges and then the 4 Regional Champions travel to a central location and play a round robin to ultimately decide the United States National Youth Champion.

"WE MAKE IT HAPPEN"

On February 1, the Hicksville Cardinals 1971 Boys retained the championship title of the Hicksville Americans Soccer Club Indoor Tournament.

The boys coached by John Fabrizio and Steve Gourlay, won the title for the third consecutive year.

The most exciting game of the tournament was played against No. Babylon in the semi-finals. The Cardinals were down by 2 goals with 2 minutes left on the clock. A fantastic pass from Erik Rabasca to Brian Finnell made the score 2-1. With less than a minute left, Brian scored his second goal, assisted by Jacky Fabrizio and Scott Duca, sending the game into sudden death overtime.

Umpires. Just the mention of the name and the mind conjures up the thought of a man in black making decisions on athletic plays without the benefit of instant replay.

Whether you agree with their decision or not, without an umpire there cannot be an official game of baseball. Their decision is as valuable as every play on the field.

The HBA is happy to announce that Stuart Zucker will umpire all Colt games, Ed Paulin will do the same for the Ponies and George Bub will make the calls in the majors. These men will be behind the plate at every game in their division.

There is still a need for teenage umpires from the age of 14 and up to do the on base calls in the majors, and behind the plate and on base for the minors. Instruction for each boy or girl will be

given by Mr. Hilsley, baseball coach of the Hicksville High School team. For more information, call 433-6371.

A need still exists for an umpire-in-chief for Girls Softball, a Girls Major Director, and a Boys Pony and Farm Director. Volunteer. Call 822-6830.

The two Saturday registrations went extremely well. For those who are intending to register by mail, please do so immediately. The majors will be formulated by approximately the 20th of March and will be out on the field practicing by April 1st. The smaller boys and girls will be starting a little later. The cost is \$20 for the first child, \$25 for two, and \$30 for three or more. Send your registration to HBA, 55 Ballpark Lane, Hicksville, NY 11801. Don't put it off. Do it today.

And while you are registering, don't forget to

renew your subscription to the HERALD. Remember, if your subscription began with the HBA drive last year, it will expire in May, just in the middle of the baseball season. For exclusive coverage, send a check made out to the MID ISLAND HERALD for the amount of \$4.00 to either the Ballpark Lane address, directly to the HERALD with HBA written on the memo, or give it to me at the next open meeting which will be held on March 19th at Levittown Hall. We need 100 subscriptions to receive \$200. We now have 46... only 54 more to go.

The next Executive Board meeting will be held on Thursday, March 12th, the wine and cheese party will be on Saturday, April 18th and the HBA Picnic will be at Eisenhower Park on July 11th.

It's not too late to sponsor HBA.

be sudden victory for the Cardinals. With less than 30 seconds down on the clock, a pass from Jacky Fabrizio to Robbie Franzese, who heads it pass the 5th No. Babylon goalkeeper, propelling the Cardinals into the finals. What a thrill to behold!

The Cardinals went on to capture their 3rd consecutive title by defeating the Huntington Boys Club in the finals 4-1.

Throughout the entire weekend, we witnessed great soccer played by the recipient of the "Best

Goalkeeper" award, Willy Sneddon, left wing Scott Duca, right wing Stephen Gourlay, forwards and defenders Jacky Fabrizio and Brian Finnell, defenders Erik Rabasca and Chris Shearer and forward Robbie Franzese!

Hicksville Athlete Excels

Brenton Champion County

By Howard Finnegan

In a stunning commanding finale, Hicksville High's Richard Brenton won the Nassau County Heavyweight Wrestling Championship, on the mats of Nassau Community College.

He will represent Nassau Section Eight at the New York State Championships, at Syracuse this weekend.

Brenton scored the dramatic victory against first seed Steven Whalen of Massapequa.

Whalen had snapped Brenton's 21 match undefeated streak in the Conference One finals. It was by a 4-2 decision.

Whalen, whose father works in the Hicksville School District, had, as the top seed, the softer bracket in the tourney. Brenton had to wade through a stellar bracket and was pressed most strongly by Farmingdale's Steve Wendelken in the semi-final. Richard won barely in a difficult overtime.

He sprung from the first whistle in the final and penned Whalen, a credit opponent for four varsity seasons, in one minute and twelve seconds.

His final 1981 record was 22 wins and 1 defeat in Nassau competition.

Brenton first came to notice in a Hicksville School's elementary wrestling tournament at East St. School.

His present varsity coach, Steve Tomaini, started the tourneys to enhance the sport in Hicksville. His East St. Principal, Dr. John McGovern, supported Tomaini all the way. Brenton won the fifth

grade matches and was on his path to a four year varsity career. His size and strength were already evident.

In a school year wherein Hicksville athletes have excelled gaining County honors, Richard's achievement ranks with the outstanding.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: "It is not enough to be busy; so are the ants. The question is, what are we busy about?" Henry Thoreau

WHEN Spring winds start to blow and little brooks and singing streams, ice-bound beneath the snow, begin to babble merrily beneath the sun's warm glow, remember, its Springtime. Its in the air! Everywhere! And with this warm Spring thought spinning crazily in my mind, why don't I mention a delightful Spring activity to be held by the Galileo Lodge on Saturday, March 21st. For the modest sum of \$9.00 per person, you will be offered a delicious Italian dinner consisting of manicotti, meatballs and sausage, beer, soda, set-ups, coffee and cake (St. Joseph's pastry) and some bouncy dance music from the Jimmy Marchese combo. Joe Giordano (333-4555) will "chair" this activity and he will be assisted by co-Chairman Pete Masiello, and not to mention a very hard working committee consisting of Jeff Wallick, Joe Morace, Jim Rerisi, Pat Gatto, Armand Del Cioppo and Ven. Tony Previte, all of whom can be reached by dialing 931-9351. Please note that a "bring-your-own-liquor" policy will be in effect that night. It is often said, and the proof is in the pudding, that the Galileo Lodge is one organization that offers you the most for the least amount of money.

Fashions! Beautiful, fetching, trendy and chic. And they can all be viewed at the Galileo Lodge on Thursday, March 19th, at which time the enterprising Ladies Auxiliary of the Galileo Lodge will present their Fashion Show For Women, and probably for men as well. Price of admission will be \$5.00 per person, and you can contact Chairlady Rosa Mezardos (WE 1-0878) and co-Chairlady Ann Palermo (334-7107) for tickets and seating arrangements. Wine and

The Trailblazers clinched 2nd place in their league by defeating the Supersonics 37-28. Scoring was supplied by Steve Corrado, Joe Siracuse, Tim Carroll, Ed Skuppen, and Vinny Kraus. Tom Sullivan was high for the Supersonics with 16, Bobby McCormick had 4, and John Keenan 4.

With the score tied at half-time, the Pistons scored 3 straight baskets to break open the game and win 23-15. Jason Lipiec and Joey Cangemi shared the scoring honors with 6 apiece. Timmy Richards and Matt Smith each had 4, David Denowski 2, and Vinny D'Angelis 1. Jimmy Scheider and Alan Berto played well defense.

cheese will be served, including coffee and cake, and add these ingredients to all those magnificent fashions which will unfold before your surprised eyes, and you come up with a most enjoyable evening presented mainly for your joy and edification. Fashions for this show will come from the "Oh Girl" establishment, located at West Village Green, Hicksville. Reports from the Ladies Auxiliary state that these fashions are so "highly-stylized" that they could grace any page of Vogue magazine.

If you like to chase away all those wintry clouds that brought a lot of grayness into your lives, why not get acquainted with the Galileo Lodge's Spring and Early Summer Calendar of Events, designed specifically to afford you all those pleasurable and relaxing moments associated with that particular time of the year. For example, on Saturday, the 25th of April, the Galileo Lodge will present its Anniversary Dance. On Saturday, the 16th of May, it presents its May Dance, to be "chaired" by Mary Monteforte of the Ladies Auxiliary, who, incidentally, is a terrific performer. Then on Saturday, in early August, the Galileo Lodge will present another dance for some particular occasion not yet decided. In July, with the dates to be announced, the Galileo Lodge will hold its Italian Feast. So keep in tune with the Galileo Lodge and its forthcoming events and make this time of the year your time for renewal, so head for the Lodge and renew your spirits and attitudes.

LODGE TIDBITS:

Mr. and Mrs. Skip and Mary Monteforte are beaming with pride these days, simply because their daughter, Antoinette, has been accepted at Farmingdale University to study Art Design. Added to this delightful news is the fact that their son, Carmine, will be leaving for California

sively. I would like to thank all the parents who came out to all the games to support the Pistons. It really made a difference. Eddie Gebhard played a super game for the Pacers scoring 11 points. Dennis Kenefic and Mark Valente each scored a basket.

very shortly to start a new venture with great potential ... Mr. and Mrs. A. Riccardi Sr. will be leaving for Florida shortly also, for a well-earned rest. A pleasant trip wish from the Lodge is in order ... More wonderful and revealing news is that Jim Rerisi has been elected to the Hicksville Chamber of Commerce. Congratulations to Jim and his family from the Galileo Lodge ... Frank Miccio is reported home and is convalescing after a stay at St. Francis Hospital. A Get Well Quick from the Lodge is extended to Frank ... Four new members, Andrew Grieshaber, Frank Franzese, George Della Ratta and Pete Sarandrea Jr., were recently sworn into the Galileo Lodge. Hicksvillites, Jean and Charles Cunningham's son, Kevin and his family narrowly escaped disaster. Kevin, his wife, Debbie and their two-year old daughter, Erin, were evacuated from their home in Port Jervis during the recent flood from the Delaware River. The heavy rains, followed by a thaw which melted much ice and snow, led to a flooding of the area. Fortunately, when the Cunningham family returned to their Port Jervis home, they found their home had been left unscathed. Jean and Charles were so relieved to learn of their family's safety.

UNIFIED TO COMBAT YOUTH CRIME: Hempstead Town Councilman Peter King (right) joins members of the Criminal Justice Coordinating Council of Nassau County to discuss an analysis of youth crime within the County. Tourism Is Our Third Largest Retail Industry

Congressman Raymond J. McGrath (R-NY) has joined more than half of his fellow U.S. Representatives in becoming a member of the U.S. Congressional Travel and Tourism Caucus. The Caucus, founded in November 1979, was formed because of a shared belief that travel and tourism makes a significant—but often overlooked—contribution to the social and economic welfare of the nation.

"Tourism is this nation's third largest retail industry and is predicted to be the world's largest industry by the year 2000," McGrath said in announcing his membership in the Caucus. "It is important because more

than 6.5 million jobs are dependent on this industry, which makes a tremendous contribution towards alleviating our balance of payments deficit.

"We don't want to see any jobs, tax dollars, or foreign revenues lost through improper action either in the Congress or the Executive agencies," McGrath emphasized. "The House Tourism Caucus gives us the assurance that this will not happen—certainly not without a fight."

The Fifth District Congressman said the 256-member Caucus, the largest such organization in the history of Capitol Hill, serves

to educate the public and to maximize the potential contribution of travel and tourism to the nation's economy.

"The State of New York

has an important stake in the caucus, since some 223,900 jobs are supported through more than \$8 billion spent by tourists in our state," McGrath said.

Call Social Security First

It is a good idea for people to call social security before making a visit to the office. This is because most social security business can now be conducted over the telephone.

Unless a person's business is urgent, it is best to call after the middle of the month. Inquiries can be handled more efficiently in that period.

Examples of the things that can be handled by telephone include:

- Applying for social security benefits. A claim can be started over the phone and completed by mail.
- Applying for Medicare.
- Changing name or address in social security records.
- Reporting a change in

Textile Exhibit

The Black History Museum in Hempstead is featuring through March 31 a fascinating exhibit of textiles from the collection of Design Works of Bedford Stuyvesant.

The collection includes designs based on the art of the ancient African Kingdom

of Benin and the Bakuba Nation utilizing geometric patterns from ceremonial textiles, sculpture and artifacts. The choice of art was based on a belief that the response of Black Americans to African art goes beyond aesthetic appreciation involving in addition a recognition of

cultural and historical past.

The Black History Museum, a facility of the Nassau County Department of Recreation and Parks, is located at 106 N. Main Street. Admission is free. The Museum is open from 9 a.m. to 5 p.m. every day except Sunday. For further information, call 538-2274.
