

## Calendar of Events

**Friday, March 27**  
Chinese Auction, Holy Trinity Episcopal Church, Old Country Rd. and Jerusalem Ave., Hicksville, 8 p.m., \$3 adults; \$1.50 children; refreshments included.

**Saturday, March 28**  
Films, "The Making of Star Wars," and "Hardware Wars" 2 p.m., Hicksville Library.

**Monday, March 30**  
Hicksville Junior High PTSA meeting, 8 p.m., School cafeteria.  
Film and lecture on new regulations for filing 1980 income tax return forms, Hicksville Library, 8 p.m.

**Tuesday, March 31**  
Ice Skating Exhibition, Newbridge Road Park Rink, Bellmore, 7:30 p.m., admission free.  
Blood Bank Night, Joseph Barry Council Knights of Columbus, 45 Heitz Pl., Hicksville, 4 p.m. to 9 p.m., call Larry Roby at 935-1134 for more information.

**Wednesday, April 1**  
Hicksville Kiwanis Club, 12:15 p.m., Milleridge Inn.  
Ambylopia Screening, Burns Ave. School, 3 p.m. to 4:30 p.m., also April 2.

**Thursday, April 2**  
Lecture on trees and shrubs, 8 p.m., Hicksville Library.  
Hicksville Chapter Nassau County Homemakers Council, 10 a.m. to 2 p.m., Community Church, Stewart Ave., Hicksville.  
Hicksville Community meeting with Councilmen Douglas J. Hynes and John Venditto, 7:30 p.m., Hicksville Library.  
Hicksville Community Council, 8:30 p.m., Hicksville Library.  
Hicksville Rotary Club, 12:15 p.m., Maine Maid.

**Friday, April 3**  
Ladies Auxiliary Charles Wagner Post American Legion, 8:30 p.m., 24 E. Nicholas St., Hicksville.  
Family Night Square Dance, Burns Ave. School, 7:30 p.m., \$2 adults; \$1.00 students.  
Movie, "Shane" 7:30 p.m., Hicksville Library; also April 5 at 2 p.m.

### K Of C Blood Bank

Blood Bank Night at the Joseph Barry Council Knights of Columbus, 45 Heitz Place, Hicksville is scheduled for Tuesday, March 31st from 4:00 PM to 9:00 PM. The Blood Bank Chairman is Larry Roby, who can be reached at 935-1134.

**THE HICKSVILLE HIGH SCHOOL MARCHING COMETS** Band participated in the annual New York City St. Patrick's Day Parade. Drum Major Nancy McIntyre led the band from 46th to 86th Street on Fifth Avenue. The band was accompanied by the HHS Coquettes and Cheerleaders. David Straub, student director of the band, had his drum section in good shape for the long march.

Hicksville High's participation in the parade came at the request of the local chapter of the Ancient Order of Hibernians. Mr. J. David Abt, Director of the marching band, expressed his admiration for the students' performance. "I hope the Hicksville community and Hicksville High School were as proud of these young people as I was," Mr. Abt commented.

**RIBBON CUTTING:** Oyster Bay Town Councilman Thomas L. Clark cuts the ribbon at ceremonies marking the operation of the Hicksville Library's new elevator. Nearly \$55,000 for the

lift, which will enable the handicapped and senior citizens to more fully utilize the library facilities, came from the Town's share of Community Development Funds administered by the Depart-

ment of Intergovernmental Affairs.

Also on hand for the grand opening were (left to right) library director Kenneth

Barnes; Kenneth Jones, president of the Hicksville Library Board of Trustees; Joan Jones, president of the Friends of the Hicksville Library; and TOB Councilman John Venditto.

## Board Approves Gregory Museum Request

By Linda Strongin

The Hicksville Hicksville Board of Education approved a request made by the Hicksville Gregory Museum Board of Trustees that a sum of \$30,000 be included in the district's 1981-82 budget. The request provides for a contract to provide curriculum services to the school district. Details of the contract will be worked out by the administration. The contract expires June 30, 1982 and will be reviewed before each budgetary period.

Voting no were Board President Tom Nagle and Trustee Dan Arena.

Museum Director Richard Evers stated to this reporter after the vote "we are grateful to have the opportunity to show what we can do. We will live up to what people know of us and give a cultural meaning to the community. The Board won't regret this decision."

Elizabeth Pearce, retired teacher from East Street School and Secretary of the Museum's Board of Trustees, stated she was "deeply appreciative of the confidence the Board has shown. We look forward to providing educational programs for the schools."

During the public speaking session, Rosemarie Barrow, also a member of the Museum Board of Trustees, thanked the Board for approving the proposal. "It will be an exciting and interesting year."

The Board also approved the petition of the St. Ignatius Senior Citizens Club to be recognized as a Board-sponsored club thus enabling them to receive transportation for their outings. Abstaining was Secretary Neil McCormack.

Action was postponed concerning the request of the

Hicksville Public Library request for parking space by the junior high school until the district receives a safety report which it is requesting from the Nassau County Traffic Department.

The Board adopted a resolution declaring June 10 as the annual meeting (budget vote and school board elections). A public hearing on the budget is scheduled for May 27. Petitions for school board seats will be available on May 11. The seats expiring this year are those held by Bill Bennett, John Ayres and Neil McCormack.

The Board approved the authorization of the business office to extend transportation contracts for the 1981-82 school year with various contractors. Contracts are not to exceed an increase of 10% above the current contract costs. Voting no were Mr. Ayres and Mr. Nagle. Mr. Ayres felt the contracts should go out for re-bid. According to Business Manager Richard Weigang the law allows for school districts to extend a contract up to the Consumer Price Index (CPI), which he estimates will be 13%. However, he was "reluctant to do so" since companies will come close to the 10%.

Also discussed at the Board meeting were eligibility for participation in varsity athletics under regulations recommended by the State Education Department, and board policy dealing with education records. No action was taken.

Under personnel, the Board approved the retirement of John Santoro, physical education teacher in the junior high school, effective May 1, 1981. Mr. Santoro has been with the Hicksville School District for

25 years. The Board also approved the retirement of Elizabeth Baker, fifth grade teacher in the Dutch Lane School, who has been with the district 24 years; James Baker, a helping-math teacher in the Old Country Road school,

who has also been with the district 24 years.

The Board will be holding budget meetings during the next two weeks. Dates can be obtained from the administration offices.

The next business meeting is April 7.

Gerry Cooney, of Huntington, and number one heavyweight contender in both the world Boxing Association and World Boxing Council, will be autographing free photographs at the Mid-Island Shopping Plaza on Saturday, March 28, from 11 A.M. to noon.

Cooney, holder of a 24-0 professional record, will select the winner in a drawing

for a \$100 savings account at Citibank's new Mid-Island Shopping Plaza branch. Citibank will also donate \$200, in the winner's name, to the National Hemophilia Foundation, of which Cooney is honorary chairman.

Cooney will be back in the ring on May 11 to defend his number one ranking against top heavyweight boxer Ken Norton.

# Around Our Towns

Harriet A. Maher - 433-5994

Lynda Nepeth Scotti - 796-1286

Friends of Howie Martin of Newport Drive in PLAINVIEW will be pleased to learn that he's in perfect health. Howie was the "guinea pig" in the demonstration of fitness testing at last week's meeting of the POB Road Runners, and passed all heart, lung, etc. tests with flying colors.

Congratulations to Adam Kaplan, son of Elaine and Lewis Kaplan of PLAINVIEW who will be Bar Mitzvah on Saturday, March 21st at the Midway Jewish Center.

Selma and Hyman Zirin are showing pictures all over HICKSVILLE. Their daughter, Hedi, and her husband Milan Helisek just had a baby boy, Julian Isaiah. Congratulations to the three generations.

A baby boy was born to Howard and Cathy Stein. The proud grandparents are Hilda and Hy Stein of PLAINVIEW. May Jeffrey Scott Stein bring much

happiness to the whole family.

There was a hot time in the of town recently. Actually, it was Anne and Bob Rennert's TV that caught fire and they had to quickly move it out on their front lawn. Anne said the Calvin Klein jeans commercials were just too hot for the old set. Anyway, something good came out of this - since the fire happened on Bob's birthday, they went out and bought him a new color TV set for a present.

We wish a speedy recovery to Ruth Farrell who is hospitalized in Central General Hospital. This is the second time Ruth has been hospitalized this year. We wish you good health and a speedy recovery, Ruth.

Beverly and Jerry Weber's daughter, Ellen is home for the spring intercession from Slippery Rock College in PA. Ellen is majoring in recreation. She will graduate in 1982. Beverly and Jerry are thrilled to have their daughter home with them.

even though it's for a short time.

Hey, Jo Kluck, we heard you celebrated your birthday on March 11. We also heard you had a family get together in honor of the occasion. Bob, Sr. gave us this information and also told us their son, Tom was home on leave from the Navy in time to share in the birthday festivities along with his brothers, Steve and Bob, Jr. Hope you "had a happy," Joe. Congratulations.

Kathleen Hynes (wife of T.O.B. Councilman Doug Hynes) has a busy schedule. Kathleen accompanies her husband on many of his speaking engagements around the Town. She is also a student at Adelphi University where she is studying journalism. In addition, Kathleen does volunteer work at the Suffolk Developmental School in Melville. She is certainly an energetic, ambitious and social-minded woman.

We are sorry to learn that George Malm, HICKSVILLE, is in Central General Hospital. Along with his wife, Belle, we wish George good health and a rapid recovery.

On February 24, Josephine Lipski celebrated her 66th birthday with her family and grandchildren. The party the family held for Josephine was warm and living with lots of food, gifts and love. Josephine has three sons, Adam, Frank and Bob; and six grandchildren. Happy

birthday, Josephine.

One of Hicksville's Irish colleen, Betty (nee Kelly) Joppa, went to the "Big Apple" to enjoy the St. Patrick's Day Parade. Within five minutes after Betty's arrival at the parade site, our own Hicksville H.S. Band came marching by. Betty was so proud to see her home town represented in this important parade. After viewing the parade, Betty went to her sister, Florence's, home in NYC. She spent a few days with Florence her brother-in-law, Bob Attina, and their three children. Betty's husband, Frank, couldn't accompany Betty on her sojourn because he was unable to get the time off from work. Better luck next year, Frank.

Happy anniversary to Nancy and Richard Carpenter who celebrated their first wedding anniversary on March 29.

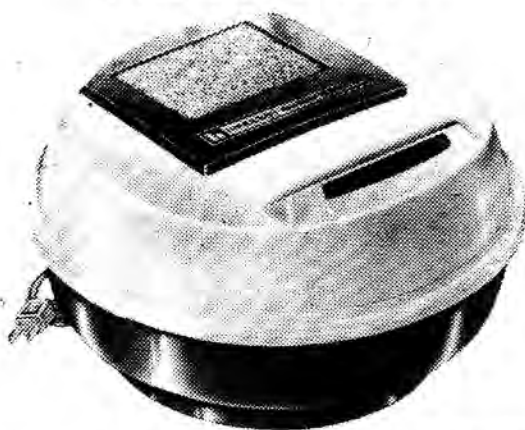

And over on the other side of Hicksville, Ann Marie Cucci celebrated her ninth birthday on April 3. Helping make this a special day for Ann Marie were her parents, Carol and Artie, and her two sisters, Teri and Suzie. Ann Marie is a member of the Brownies and is quite proficient at baton twirling. She is a student in the third grade at Woodland Avenue School. Congratulations, Ann Marie.

Just turned five years old is Frank DeStefano, Jr. In fact, Frank, Jr.'s birthday is March 27. Frank celebrated with his parents, Barbara and Frank, Sr., and his four-year-old sister, Renee. Happy birthday, Frank.

## Golf Courses Open

All golf courses operated by the Nassau County Department of Recreation and Parks are now in full "swing" as links enthusiasts throughout the area began to work out those winter kinks on Friday, March 13.

Commissioner Abram C. Williams said that residents and their guests can choose from the three 18-hole courses at Eisenhower Park or any of four 9-hole layouts at Bay Park, East Rockaway, Cantiague Park, Hicksville, Morley Park, Roslyn-North Hills and North Woodmere Park. At Eisenhower, 9-hole play is allowed on weekdays only. All courses are open from dawn till dusk.

Courses at Eisenhower are open every day. Morley closes on Monday, Cantiague on Tuesday, Bay on Wednesday and North Woodmere on Thursday.

Residents can play 18 holes at Eisenhower for \$6 weekends and holidays and \$5 weekdays. Senior citizens

rates are in effect weekdays only. They pay \$2.75 for 18 holes. Non-residents pay \$11 and \$9 respectively. The fee for 9-hole play weekdays only at Eisenhower is \$3.50 for residents, \$6 for non-residents and \$2 for seniors.

At the 9-hole courses other than Eisenhower, weekend and holiday rates are \$4 for residents and \$7 for non-residents. There are no special rates for seniors on weekends and holidays. On weekdays, residents pay \$3, non-residents, \$5 and seniors, \$1.50.

At Eisenhower Park only, motorized carts can be rented for 18 holes at \$9.75 and for 9 holes at \$6. Seniors pay \$7.75 and \$5 respectively. Regular pull carts may be rented at all courses for \$1.

For waiting time information, call the following numbers: Eisenhower, 794-3494; Cantiague, 681-9666; Bay, 593-1133; Morley, 484-1443 and North Woodmere, 781-7703.

## Long Island Marathon

Applications are still available for the Long Island Marathon scheduled for Sunday, May 3, beginning at Eisenhower Park at 8 A.M. and traversing the Wantagh Parkway to Jones Beach and back.

Commissioner Abram C. Williams of the Nassau County Department of Recreation and Parks said entries will close April 1 or when 5,000 applications have been accepted. To date, more than 4,300 runners have entered.

Entry forms may be obtained by writing Long Island Marathon, Sports Unit, Eisenhower Park, East Meadow, N.Y. 11554 or stopping by the Recreation Administration Building at Eisenhower Park.

In addition to the Nassau County Department of Recreation and Parks, co-sponsors include Newsday, the Long Island State Park and Recreation Commission, Herman's World of Sporting Goods and Ronzoni-

Macaroni, Inc.

The 26 mile, 385 yard race will offer a number of special awards, including trophies or bowls to the first five finishers and the first woman to finish, medals for places 6 through 50, and special commemorative "Top 100" patches to those who finish in the first 100. Everyone who completes the 26-mile-plus course will receive a commemorative "I Finished" patch and a certificate of completion indicating their time and finishing position in the race.

In addition, all contestants will receive marathon T-shirts, and there will be prizes in 10 separate age categories for both men and women. The age groups are: 14 and under; 15 to 19; 20 to 29; 30 to 39; 40 to 44; 45 to 49; 50 to 54; 55 to 59; 60 to 64; and 65 and over. Divisions are determined by a runner's age on the day of the race.

For further information, call the Sports Unit at 292-4284.

## Take New Course

"THROUGH THE LOCK METHOD OF FORCEFUL ENTRY," a course recently given by the 4th Battalion, made up of the East Rockaway, Lakeview, Lynbrook, Malverne, and Rockville Centre Fire Departments.

The course provided knowledge of individual locks so that in a non-critical situation, firefighters can open doors with a little property damage as possible. Damage would be limited to lock cylinders, which can be easily replaced.

Left to right: Lakeview Chief Jerome P. Carney, 1st Lt. Robert Sanders of East Rockaway, 1st Lt. Andy Keller of Lynbrook, Instructor John Cerant, Lt. Rescue 1 F.D.N.Y.C., Malverne Firefighter Thomas Pedersen and Rockville Centre Chief Robert Soper.

## "HR 178 Could Provide Tax Deductions," Cong. Lent

It is clear to me that help is needed for Long Islanders attempting to save enough money to buy a home or to provide a college education for their children. More and more Long Islanders are telling me of the growing difficulties they are experiencing because of continuing increases in the cost of homes or in the cost of a college education.

I believe that we need to adjust our tax policies to provide assistance to families making a serious effort to achieve these important goals in life. That is

why I am cosponsoring a bill to provide tax benefits to such families. My bill, HR 178, is called the Housing and Education Savings Account Act. The measure provides tax deductions - similar to those for individual retirement funds - for those who set up special savings accounts for home purchases or for college education.

A taxpayer establishing a special savings account to purchase a home could deduct up to \$1,500 per year in contributions to that account (double that deduction for couples!). The tax deduc-

tions could continue for as long as 10 years. When the account is used to purchase a first home, there would be no tax on the assets; a tax on the deducted amount would be levied only if the home were sold and the funds not reinvested in another home.

Similarly, parents who establish savings accounts for their children's education could deduct up to \$1,000 per child per year for contributions to those accounts. Contributions could continue until the child enrolls in a college or vocational education school, or reaches age 21. Amounts from the

fund would not be taxed when used for school, but would be included as part of the child's income, for tax purposes, over a 10 year period beginning at age 25.

I feel there is a need for this assistance. The growing difficulties families are experiencing in purchasing homes or obtaining a college education are reflected in the sharp drop in housing construction and declines in college enrollment. HR 178 would help combat these trends. I am seeking action in the House Ways and Means Committee on this needed assistance program.

## BOCES Exhibit At Mid Island Plaza

The Board of Cooperative Educational Services of Nassau County (BOCES) is holding a free three-day occupational education exposition at the Mid-Island Shopping Plaza in Hicksville on March 26 through March 28.

Students will be demonstrating their skills and technical know-how in over 50 different areas. They will be there from 9 a.m. to 9

p.m. on Thursday and Friday and from 9 a.m. to 6 p.m. on Saturday.

Patrons of the mall will be able to:

- Have free blood pressure readings
- Learn tips on home repairs
- Learn gourmet cooking tips
- Get free children's And for the manures there

will be a live horse and a free child card service.

The exposition, sponsored by BOCES and the Nassau County Vocational Education Association (NCVEA), will give youthful visitors an opportunity to ask questions about career opportunities of the BOCES students and staff who will be manning the exhibits.

Approximately 6,000

teenagers come each day to the occupational education centers operated by BOCES.

They take occupational education as an elective, choosing from more than 60 different courses, each designed to prepare them for post-high school careers. They come to BOCES for half of each day; they spend the remaining half in their home high school pursuing their academic studies.

## East Meadow Physiotherapist "Scores" With The Islanders

When the New York Islanders won the Stanley Cup last year, Steve Wirth of Sylvan Lane, East Meadow was cheering along with the crowd. He has good reason to. As the team's consultant physical therapist, it is his job to help keep these champions in top physical condition.

Wirth, who is Director of Physical Therapy at Lydia E. Hall Hospital in Freeport, must use his skill to treat athletes as well as prevent their injuries. That is quite a responsibility in the intensely physical world of ice hockey where bumps, bruises, cuts, injured hands, and shoulders and "wacked out" knees are common.

Is ice hockey a relatively dangerous sport for the players? "You see more injuries through normal play rather than fighting," said Wirth. "Players get hit with a stick or puck, slammed into the wall and on rare

occasion cut by a skate." As to the gap-toothed smile so common to pro hockey players, Wirth chuckled. "That usually is the result of back yard or high school playing. Today the players wear really good protective gear that does a lot to eliminate serious injury."

Working with an injured top money contract hockey player as compared to a stroke victim, for instance, at Lydia E. Hall Hospital has both similarities and differences. Physical therapy most always involves exercise. With athletes, Wirth explained, "the most important modality is a progressive exercise program which includes flexibility, strength, power, endurance and cardiovascular training." Special machines and graphs are utilized that control and chart actual muscle performance.

At Lydia E. Hall Hospital,

Wirth works with patients to combat the debilitating effects of neurological and orthopedic impairment, also through exercise programs, but here the goal is to get the patient back to his original normal level of activity and functioning again. For example, a non-athlete with a reconstructed knee generally faces a year of recuperation. But with an athlete, doctors, trainers and physical therapists will often attempt to move him along a little more quickly.

"With an athlete," Wirth explained, "you have to be able to look at the total person—his sports future, where he is today, his age, is he college or professional and the desires of his family."

Wirth also maintains a private practice in Garden City for physical therapy and sports medicine. Most of his clients are high school and college athletes from area

schools. Asked how he would define sports medicine,

Wirth also maintains a private practice in Garden City for physical therapy and sports medicine. Most of his clients are high school and college athletes from area schools. Asked how he would define sports medicine, Wirth explained that professionals in this relatively new field of medicine see more injuries and thus are better prepared to handle the total athlete, be it a New York Islander or a weekend jogger or tennis player.

An athletic-looking 34-year-old, Wirth is an East Meadow High School graduate who majored in physical education and health at Adelphi University and then went on to teach and coach at Bethpage Junior High School. He took his physical therapy training at New York University.

## "They Represent You"

Did you ever want to know who represents you and how to reach them? The League of Women Voters of Nassau County tells you in their handy publication "They Represent You."

It's updated for 1981,

listing all your newly elected government officials at the federal and state levels, plus many local officials, with their addresses and phone numbers and much, much more. You can find out their salaries and see who is up for

election this year. You can also learn how to address officials, how to send them urgent messages, and when county and town board meetings are held.

For your copy, send 25

cents with a stamped, self-addressed envelope to the League of Women Voters of the Town of Oyster Bay, Dept. N, 7 Nora Lane, Plainview, N.Y. 11803. Bulk rates are available on request.

## Easter Egg Hunt

Children who enjoy the delights of an Easter Egg Hunt will have the opportunity to join in the fun at various Nassau County Parks.

Commissioner Abram C. Williams of the Nassau County Department of Recreation and Parks noted that at Cedar Creek Park, located on Merrick Road, east of Wantagh Parkway in

Seaford, an Easter Egg Hunt and Relay Race will be held on Sunday, April 5, at 1 P.M.

Children up to age 12 will participate in hunting for Easter eggs, relay races, egg rolling and egg spoon races. Children should bring a basket to carry their eggs.

For further information, call 781-6337.

At Roosevelt Park, located on Washington Avenue and

Lakeside Drive, Roosevelt, an Easter Egg Hunt will be held Saturday, April 11, at 12:30 P.M.

Children ages 3 to 12 will also have an opportunity to meet the Easter Bunny. Children will have fun finding the Golden Egg and the lucky one will win the chocolate Easter bunny.

For further information, call 378-3022.

At Eisenhower Park, Parking Field #2, the Annual Easter Egg Hunt will be held on Saturday, April 11, at 1 P.M., for children up to age 10.

Children who find eggs marked with a lucky number will receive a chocolate bunny as their prize.

For further information, call 292-4153.

## Dear Friends

Jim Cummings and his BW Dolores of Myers Avenue in Hicksville are invited to a special one-night performance of "Rosa Parks: Back Of The Bus", being produced by the New York Urban Coalition and Joseph Paff on Thursday, April 2. The most exciting part of this performance is that the entire musical score was composed by their son, Jim Cummings, Jr. It comes under the sponsorship of the New York University's Creative Arts Team (CAT) and will be held at the New York Shakespeare Festival Anspacher Public Theater in the City.

Jim Cummings, Jr., a product of our Hicksville schools, is presently on the staff of the Creative Arts Team at New York University. He had already completed an off-Broadway musical score for Toby Robertson's "Pericles", which was extremely well received.

We are not surprised to hear of this young man's musical talent...his parents are also known for their musical talent. We wish him continued success.

In case you have been wondering what is going on in the Hicksville Park Triangle area, just across Old Country Road from our office, the Town has made an agreement with the firm that will be doing the sewers to the north of this triangle, that they may use this property temporarily, for which they will be paying the Town a fee. When they have finished this sewer contract, the firm will replace the sod, and the money will be placed in the Hicksville Park District account. The town has also received a fee for a similar use of the former Giese property. We are told that some limited landscaping will be possible at the end of this project. This sounds like a good beginning of the development of Hicksville's only two community parks.

THAT'S ALL for this week. Stay well and we'll be back with this column in two weeks. (We will be visiting our sister in Seattle for the next seven days).

SHEILA NOETH

## Ice Skating Exhibition

By Carole Wolf

Suzanne Wolf of Hicksville, and Renee Anderson and Dana Roth of Old Bethpage will be featured in the 1981 Ice Skating Exhibition of the Newbridge Road Park Figure Skating Club which will be held on Tuesday, March 31st from 7:30 to 10 P.M.

Renee and Dana will be featured in the "One, Two, Three O'Clock Rock" number dressed in pink and blue poodle swing skirts of the 50's. Suzanne, in a red and silver spangled costume, will join 11 other girls of the "line" for the "One Strut." Both numbers were choreographed by professional, Barbara Leigh.

Suzanne will also be

featured in the first production number of the evening, which is a demonstration of skating figures. She will trace a seventh test back paragraph eight.

Besides these three numbers, the exhibition will consist of individual competition numbers from all levels of skating as well as a dance segment choreographed by Lee Meadows. Suzanne and Lee will demonstrate a slow waltz and a fast moving 14 step.

The Newbridge Road Park Rink is located at the southernmost part of Newbridge Road in Bellmore. All are invited to attend. Admission is free.

## Alumni Sets Busy Year

Breezing through the re-election of Harold Holden as its 1981-82 President, the Hicksville Alumni Association turned to decisive 1981 action as its annual meeting.

The popular annual Cocktail Party has been announced. It will be held on Sunday, May 3 from 2 p.m. to 5 p.m. at the Hicksville V.F.W. Hall, 320 So. Broadway. Tickets are scaled at

\$12.50 each with an open bar and hot buffet. Proceeds go to the Alumni Student Activities Fund including Sports Dinners and Scholarships.

Wednesday, June 3 was the date decided on for the annual Senior Girls and Boys Varsity Dinner. It will be held at Antun's Old Country

(Continued on Page 16)

Dear Mrs. Noeth,

Now that the Hicksville Teachers' contract negotiations are underway, the Hicksville Council of PTAs has decided to issue the attached statement in order to keep from being misunderstood or misrepresented. We hope that it will make our position clear to the entire community.

Respectfully,  
Carol Marks  
Corresponding Secretary  
Hicksville Council  
of PTAs

### HICKSVILLE COUNCIL OF PTAS POSITION PAPER ON "COLLECTIVE BARGAINING"

The PTA has been, and continues to be, essentially what its name declares: an association of parents and teachers working "to promote the welfare of children and youth..." With regard to schools, the Hicksville Council of PTAs has been a force for the promotion of quality education, and will continue to play a constructive role in this area.

"Collective bargaining" is a process which developed out of a need to assure employers and employees a forum in which a contract may be arrived at and subscribed to by representatives of both parties. The current teacher contract will expire in June of this year and negotiations are now underway between the teachers, represented by their union the Hicksville Congress of Teachers, and the Hicksville Board of Education. It is the policy of the PTA (local, State, and National) to take a neutral position in the negotiating process. Neutrality, although sometimes extremely difficult to maintain, does not mean inactivity. The PTA has an obligation to inform the community of the issues involved. In order for your PTA Council to provide ongoing information we will be requesting that both the Board of Education and the HCT furnish us with, as a minimum, the initial contract proposals to be presented at a public meeting with advance notice of the meeting being given. Contract items having educational impact, such as those concerned with curriculum, programs, and class size will be studied by the PTA Council. In addition, the PTA has an interest on the school budget which in turn shapes the programs in our schools.

In the interest of impartiality the PTA will always be available to provide public forums at which both sides will be represented. We are also urging that a community representative be permitted to attend all negotiating sessions as an observer.

As constructive advocates for children, the Hicksville Council of PTAs will continue to encourage both parties to conduct meaningful negotiations in the hope of achieving a fair and equitable contract at the earliest possible time.

HICKSVILLE COUNCIL OF PTAS

March 18, 1981

To the Editor:

The final meeting of the proposed Core I-V Health Curriculum for the public schools will be held April 6th at the Hicksville High School

## Letters To The Editor

at 8 P.M. Before you decide not to go, parents, please ask yourselves this question: Why do I send my child to school - to learn basic academics, or to discuss his inner most thoughts, feelings, and emotions? If your answer is the former, please sit up and take note of this "Mental Health" Program.

What's wrong with Core V. Like Strand III, this "Health" program is part of a new "Self-awareness" fad, which forces young children to become introspective and analyze all their inner thoughts and feelings. While advocates of the program assure us, these programs are necessary, many psychologists around the country, who originally were in favor of them are now quite alarmed at the adverse affects they are having on young children. Among these are two quite prominent psychologists, Dr. Anna Freud (founder of child psychoanalysis) and Dr. Rhoda Lorand (Prominent child psychologist in New York City).

According to Dr. Freud, "it is not normal for young children to become introspective and dwell on their inner feelings and emotions. Their natural inquisitiveness is directed away from the inner to the outer world. To force them to focus on how they're feeling, promotes unhealthy self-absorption in young children. According to Dr. Lorand, "The elementary school years are the years when the child becomes educable, and his greatest interest is in learning about the world around him and mastering the challenges of academic learning, mastery of sports, etc. Daily exposure to the probing of thoughts & emotions, keeps children in an inner state of excitement, confusion and agitation, which destroys the tranquility necessary to the learning process. Far from aiding learning, these programs cause arousal of strong emotions, the stripping away of defenses, the questioning of parental values and teachings, and create guilt, anxiety, and disturb learning."

According to Dr. Freud, "these programs ignore the fact that the self-confidence and self-esteem of children are largely acquired thru identification with & imitation of trusted, beloved parents. The imitation, identification and internalizing of parental standards (not teachers or school administrations standards) is an indispensable preparatory step for the future adaptation of the child to an adult society."

Finally, these programs, according to Dr. Lorand, are based on 4 false presumptions: 1. Belief that there is a verified need to help all school children sort out their emotions. The opposite is true of elementary school children. 2. The teacher is superior to the child's parents in understanding of the child and ability to help him develop self-confidence and self-esteem. 3. Every teacher is capable of functioning as a guidance counselor - therapist by simply reading a few paragraphs of instruction or attending a few inservice classes. 4. Every teacher is a model of emotional stability

and maturity, with no unresolved problems, and never influenced by feelings of hostility, curiosity, envy or contempt; never guilty of being sarcastic, spiteful, insensitive.

What have these programs brought us. The results are now in, the steady erosion of scores on all academic achievement tests over the past 10 years, are a national scandal. It has become clear that many young people are incapable of reading, computing, or communicating well enough to be employable - even though they may be adept at thinking about their thoughts and quite skillful at feeling their feelings." Dr. Rhoda Lorand said.

Is this what you want for your children? Again please ask yourself this question: What do you send your child to school for, to learn academics, or to talk about "how he feels."

Don't let the school system take over your right as a parent to be responsible for your children's "emotional" well-being!

Phyllis Hundertmark,  
Hicksville

Dear Mrs. Noeth:  
I thought the Hicksville Community would be interested in knowing what attendance at Seminars, Workshops, etc., can mean both directly to the Community as well as educating the Trustee of the Library. At the New York State, Trustee Institute in Albany, conducted by the State Education Depart-

ment, I learned that our method of maintaining our monthly General Fund at the Hicksville Public Library was not at optimum - by keeping the funds in savings, rather than in checking until actually needed, not being done before, we saved over \$3,600. In 1980 alone, I viewed the Kurzweil Optical Scanner at the State Library and am able to discuss it intelligently with people knowing the blind and visually impaired. (There is now one in the Hempstead Library). The facilities and organizations of the State Library and the Library Networking System throughout the State were explained. Touring the Albany Public Library enabled me to see first hand utilization of the T.T.Y. (Teletypewriter for the Deaf) Of course, meeting the State Librarian, Joseph Shubert, and his staff gave me invaluable contact for areas of concern to a Trustee.

Attendance at the Nassau Suffolk Library Institute recently resulted in a Bookmobile Stop being reestablished at Our Lady of Mercy School - helping further library/school cooperation for the good of the community.

Attendance at local Trustee workshops gave me invaluable information on: Bidding Laws and procedures for Libraries; the need of a fire detection system (which I have been seeking since 1978); books can be freeze dried in the event of water damage; several li-

## Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: "A man doesn't begin to attain wisdom until he recognizes he is no longer indispensable." Ancient Proverb.

As I have written so many times in the past, an organization is only as good as its members. Any organization constructed of mortar and stone, ingredients which render it lifeless and cold, must derive its warmth and friendliness from the people who are associated with it.

From them it seeks its pulse and heartbeat, and only from their loyalty and devotion can this life-giving process begin. And as this invisible but satisfying reality begins to take form, we can actually witness the countless faces of its human element transform themselves into that one big and beautiful face it wants to display. In the case of the Galileo Lodge, where this transition has noticeably occurred, the face that it now bears is as beautiful as it possibly could be. That face,

in my opinion, is an expression of all the warm faces that belong to the Galileo Lodge.

For an example of the thoughts expressed in the above paragraph, please permit me to go back to last Saturday night, the 21st of March, when the Galileo Lodge held its St. Joseph's Dance. Its warm face was certainly in evidence as over 330 people - members, friends and patrons - jam-packed the inner quarters of the Galileo Lodge, enjoying delicious food, enjoyable dance music and the congenial atmosphere it is noted for. This whole scene stemmed from the superb performances of its members, namely, Chairman Joe Giordano, co-Chairman Pete Masiello, and a hard-working committee consisting of Joe Morace, Andy Guiliano, Jules Mezarus, Ven. Tony Previte, Jeff Wallick, Tony Copola, Pete Saranfra Jr., Jim Ingino, Frank Matassa and Gus Russo. Grace Giordano

and Joann Pallise and Jo Ann Wallick of the Ladies Auxiliary aided and abetted also. The kitchen force consisting of John Sarraera, Joe Ianotti and Pete Saranfra Sr. produced their best efforts in the culinary department. Bartenders Jim Pino and Bert Molinari did a great job behind the bar.

Pat Gatto, who performs admirably in the supervision of the youngsters of the membership, wishes to extend his thanks to them for helping out with some of the chores that cropped up. Some interesting sidelights enhanced the activities of this dance, namely, the raffles for the baskets of cheers and fruit, and Champagne, and that beautiful tribute to Mr. and Mrs. Joe Locasto, former members of the Galileo Lodge. Notables who attended this dance were Nick Viglietti of the Grand Lodge, Guyvo of the Columbus Lodge and Jack Triese also of the same Lodge. In attendance also was Joe Venditto. Town

Councilman of the Town of Oyster Bay.

Concerning our Calendar of Events for Spring and Summer, news concerning the Galileo Lodge's Anniversary Dance, scheduled for April 25th, will appear in a later column. The Galileo Lodge's May Dance, to be chaired by Mary Monteforte of the Ladies Auxiliary, is showing signs of activity. Tickets will sell at \$9.00 per person, and this modest sum offers you a delicious roast beef dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some enjoyable dance music from the Diatonos. Contact Mary Monteforte (938-6454) and her co-Chairladies, Sue Larenti and Carmen Russo (931-9351) for tickets and seating arrangements. Incidentally, Mary Monteforte can also be contacted every Wednesday night during the Bingo sessions held by the Galileo Lodge, between 6:00 and 9:00 P.M. That number is also 931-9351. A "bring-your-own-liquor" policy will be in effect that night. For something diff-

erent and unusual, contact the women mentioned here and treat yourself to the congenial environment offered by the Ladies Auxiliary.

### LODGE TIDBITS

Kathy Sarrero, daughter of Mr. and Mrs. John Sarrero of the Galileo Lodge, was married last Sunday in the St. Ignatius Church of Hicksville. Congratulations to Kathy and her groom, and to the Sarrero family, from the Galileo Lodge. Very sorry to hear that Patricia Gatto, daughter of Mr. and Mrs. Pat Gatto, had entered Central General Hospital for surgery. Pat and Nancy say that she has recovered enough to come home this Wednesday. Best wishes to Nancy for a speedy recovery from the Galileo Lodge. Pete Masiello of the Galileo Lodge has recently celebrated his birthday. Congratulations from all of us here at the Lodge. Fishing trip of Lodge is scheduled for June 7th. More information on this activity in a later column.

## BOCES Exhibits

The Board of Cooperative Educational Services of Nassau County (BOCES) is holding a free three-day occupational education exposition at the Mid-Island Shopping Plaza in Hicksville on March 26 through March 28.

Students will be demonstrating their skills and technical know-how in over 50 different areas. They

will be there from 9 a.m. to 9 p.m. on Thursday and Friday and from 9 a.m. to 6 p.m. on Saturday.

Patrons of the mall will be able to:

- Have free blood pressure readings
- Learn tips on home repairs
- Learn gourmet cooking tips
- Get free manicures

## Hicksville Baseball Association

By Carol Wolf

Thank you, Bob Rothchild. Thank you, thank you, thank you. Bob has just volunteered to be the Director of Boys Farms. Now the eight and nine year olds will have a league where the managers will have direction. Bob will set schedules, oversee the drawing of teams and provide an excellent opportunity for our "little guys" to progress in this fantastic sport. Bob loves baseball and has been a manager for several years. He will be a dynamic addition to the HBA Board.

Thank you, Bob. Welcome aboard.

We still need a director of Boys Pionies. Any volunteers?

Welcome to our newest sponsors the Hicksville Lions Club and Old Country Deli. Their banners will be hung behind the backstop during every game. And a thank you goes to the Bowery Bank for becoming a baseball booster.

Representative Norman Lent, Councilman Tom Clark, Town Clerk Ann Ocker, Father McGrath and Sister Eileen have been invited to attend our opening day ceremony which will be held on May 2nd following our noontime parade.

New uniforms have been ordered. Please return any stragglers to 55 Ballpark Lane. Money for the April 18th dance must be in by April 10th. Besides the wine, cheese, and music, the dance will give you an excellent opportunity to meet our sponsors as well as all our past-presidents. A speedy get-well wish from the HBA to Frank Simone of the Lions who was recently hospitalized. Remember your Mid Island Herald subscription. We now have 65 with 35 more to reach 100. Let us count on you.

Please note that the cut-off for girls and boys majors, minors, farms and instructional registration will be Monday, March 30th. If your child or your neighbor's child would like to play baseball this year, please notify Tom Nealon before the teams are drawn. With weather permitting, practice should begin the end of next week. Register...before it is too late.

## Geodesic Dome: 2nd Grade Project

Who is R. Buckminster Fuller and what is that geodesic dome which he invented? These were the burning questions posed to a second grade class at Old Country Road School in Hicksville. This began an exciting learning adventure under the guidance of their teacher, Mrs. Adele Niceforo.

After consulting with parents, friends and the local public library, the curious children came back with some questions of their own. What can a geodesic dome be used for, and could they build one of their own? They brainstormed sixty-five uses for such a structure and embarked on making individual models. At first they used toothpicks and

marshmallows. Then they successfully tried to weld plastic drinking straws together. Through this "hand-on" approach, the seven and eight-year olds began to understand the concept of joining triangles to form pentagons. They discovered how to make the structure round by adjusting the pattern of the struts. They were now ready to collaborate to make a large aluminum geodesic dome as an art form display in their school.

Although Mr. Fuller and his dome are discussed in the children's social studies books, their new knowledge transcended one subject area. In geometry they learned about the strength of a triangle and the power of a circle. Language arts skills

were developed through letter writing to Mr. Fuller, firms which manufacture geodesic dome homes, and the Community Development Planner of Winoski, Vermont (where the feasibility of covering the entire town with a dome is being seriously studied). In science, the children realized the potential ecological advantage of dome living, as fuel bills could be reduced by as much as 50%. The children also became aware of a new career choice - architecture. They are now awaiting a visit from an architectural engineer of Space Structures Ltd.

More importantly, these grown-ups of the future were able to use their innate creative thinking powers to

conceive of how geodesic domes could fit into their lifestyles twenty years hence. They will be the adults of the twenty-first century, living in a computerized society dependent upon the natural resources available. By developing their imaginative powers at such a tender age, one could only wonder what innovative possibilities their futures hold.

In building a model geodesic dome measuring three feet high and nearly five feet wide, the second graders learned the real meaning of "co-operation." As a lesson in group dynamics, the construction was actually dependent upon one child helping another. It took more than two hours and a lot of perspiration to attach the sixty-five struts with bolts, washers and wing-nuts. It is now on display in the main lobby of Old Country Road School and it may be dismantled and reconstructed by other curious and imaginative children.

### New Arrival

Congratulations to Warren and Maryanne Goldberg of Valley Lane, HICKSVILLE, on the birth of a daughter, Denise Suzanne at Central General Hospital on March 15. They have another daughter, Robin Jennifer, 22 months.

## CUT CURRENT TAXES

### WITH A BEACON INDIVIDUAL RETIREMENT ACCOUNT

If the threat of inflation bothers you, here's how to plan a retirement free of financial worries. Put as much as 15% of your earnings (up to \$1500) in a savings account here—free of current taxes. Then let time—and compounded interest work for you.

The big tax savings in an IRA Plan are available to you if you are not actively participating in a tax-qualified Pension Plan.

The IRA Plan is open to both full-time and part-time employees, including a spouse working full or part time and self-employed individuals not covered by a Keogh Plan.

And, if you are self-employed Beacon Federal Savings can help you set up a Keogh Retirement Plan. Our staff is available to discuss your personal retirement needs. Just visit any Beacon office, call us (516) 223-2300 or mail the coupon for details.

## Exceptional Children's Dance

The annual Exceptional Children's Dance is just around the corner, so get your group together and mark your calendar for Friday, April 24th. This event is one of the best bargains in town and more importantly, it's for one of the most worthwhile causes in town. The proceeds from the dance help sustain this all-important program for the rest of the year by providing the volunteers (God bless them) with training aids, materials and equipment to teach these special kids.

The dance will again be held in the St. Ignace Loyola auditorium and the ever popular Paddy Noonan is back to provide the music. Last year's donation of \$7.50 per person has been maintained and you bring your own snacks, sandwiches and drinks. Soda, ice and beer and mixers will be provided free of charge.

The dancing begins at 9:30 pm and to obtain tickets, reserve a table or have any questions answered, call Pat McHugh (935-6958), Marty Conway (931-2759) or Peter Collins (935-0386).

## On The Campus

Diane Condy of PLAINVIEW, a member of the Molloy College Glee Club, will participate in a Night of Song to be held at the College.

Mindy Willett of OLD BETHPAGE, has been named to the Dean's List at Rider College, Lawrenceville, New Jersey.

Mandy Cohen of HICKSVILLE, is among 14 students at the State University of New York at Albany, that were inducted into the campus chapter of Phi Alpha

Theta, international honor society in history. She is a junior.

Carolynn Hernandez, daughter of Mr. and Mrs. Antonio P. Hernandez of Island St., PLAINVIEW, has received a Bachelor of Science degree from the University of Dayton.

Maria A. Lauro of Pal Way, PLAINVIEW, has been accepted for admission to the State University Agricultural and Technical College at Delhi. She will major in Business Administration.

## National Library Week

National Library Week is April 4 through April 11. The Hicksville Public Library has planned 10 days of special programs to commemorate this period of reminding the people of all that a library has to offer.

This year's theme is "We've got your number" and the programs that we have planned are true to the slogan.

Friday, April 3 at 7:30 P.M. and Sunday, April 5 at 2:00 P.M. the film "Shane" starring Alan Ladd will be shown in our Family Film Series; Monday, April 6 at 8 P.M. an art lecture/demonstration will be presented by the Independent Art Society; Tuesday, April 7 at 8 P.M. Katherine Ball will discuss "Mothers and Daughters" to our audience; Wednesday, April 8 at 8 P.M. the Model Ship Builders will have a lecture - demonstration on the way

one can begin this interesting hobby; Thursday, April 9 the library will present Morris (Orenstein) the Plumber, in a short course on how to do minor plumbing jobs yourself; Friday, April 10 at 8 P.M. Michael Downey will present a slide show with a stereo sound track "From the Beginning to the Beginning"; Saturday, April 11 at 8 P.M. the Guitar Society's "Yankee Rebels" will perform an evening of Blue Grass music; Sunday, April 12 at 3 P.M., the final day of our ten day week, a chamber music concert will be presented by the Horizon Trio.

All library programs are held in the Community Room, which is now accessible to all the community by way of an elevator to the lower level. There is no charge for admission. Come and see how "we got your number".

## Wins Poster Contest

A Hicksville Junior High School ninth grader has won first prize in a county-wide poster contest sponsored by United Cerebral Palsy Association. Cathy Lexon, a student in Mrs. Elsie Sayko's art class, received \$50 at a ceremony which took place last Wednesday.

The theme of the contest

was "Accepting the Handicapped as Ordinary People."

Cathy has also participated in nationwide poster contests, most recently in one sponsored by the American Automobile Association. Participants created posters with a safety theme.

Hicksville West  
Executive Leader

By Harriet Maher

Joe Jablonsky  
Hicksville East Executive Leader

Red Varante  
President  
931-4287

There have been a lot of pros and cons regarding President Reagan's budget cuts. Let's support our new President - give his ideas and plans a chance to work - we all know our last President had his "chance at bat" and our economy worsened under his leadership. As an example of our spiraling inflation, here are a few items from Raymond F. DeVoe's report "Trivia Index." The International Diamond Center, Inc. added the 20-year forecast to this list/figuring the annual percentage by compound increase.

	1974	1979	20-year forecast
TV GUIDE	\$ .15	\$ .35	\$ 10.00
Band-Aids	.79	\$ 1.19	6.00
New York TIMES	.15	.25	2.00
Vitamins	2.50	5.19	100.00
Cup Coffee	.20	.37	4.00
Shoeshine	.50	1.00	16.00
Cheeseburger	.79	1.45	17.00
Slice/pizza	.35	.65	8.00
Gum	.10	.30	25.00
Kleenex (packet)	.10	.20	3.00
Postage Stamps	.08	.15	2.00
Dog License	6.10	8.10	25.00
Hershey Bar	.10	.25	10.00
Playboy	1.00	2.50	97.00
Movie	3.00	4.50	23.00
OUR CLUB DUES	3.00	3.00	?

\* This is still the "best buy on the block." So why not "join up and pay up" today. Just fill out the membership form at the end of this article and send it to our Club with a stamped, self-addressed envelope.

Oyster Bay Town's two new Republican Councilmen, Douglas Hynes of Farmingdale and John Venditto of North Massapequa, have scheduled a meeting for Hicksville residents for Thursday, April 2, from 7:30 p.m. to 8:30 p.m. at the Hicksville Public Library.

These young men, who have been maintaining a whirlwind pace in trying to meet as many residents as possible to speak at various organizations and decided to add local community meetings to their schedules as a way of having access to residents who are not part of some group.

"It's meant to give us a chance to just talk with the people about anything they want to discuss," they told me.

Neither of these men are newcomers to community involvement. Some specifics about our Hicksville area may prove informative to them and residents of our area should take advantage of this open forum.

Some of us met Councilman Hynes last year when he ran for Assemblyman. A multi-linguist with a degree in French and German, this energetic young attorney has demonstrated an ability to speak the language of the homeowner very well.

Councilman Venditto, a well-educated graduate of St. John's University and an officer of the Columbian Lawyers Association of Nassau, is showing himself to be the kind of public official who really does his homework. The benefits of information he has received from various groups have really proven helpful to all of us as he has tackled Town responsibilities.

If you take advantage of the forum they will be holding in Hicksville, I'm sure you'll be glad they are our Councilmen and you'll be sure that your problem or question has been brought to their attention. Stop in on April 2nd and get acquainted with your Councilmen.

# LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST #421  
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Let's repeat that the PAST COMMANDERS' CLUB will meet on April 3rd at 9 P.M. All Delegates & Alternates are also again reminded that the 3rd Division Caucus will be held at the Carle Place Post on TUESDAY night, APRIL 7th at 8:30 P.M. We are scheduling a FLAG BURNING for

June 13th and this will be handled by the Color Guard, who usually does a good job with this chore and Americanism Officer Dick Evers. This is a SATURDAY afternoon date at the Post and if you have a flag that is unserviceable now is the time to get it to the Post for the proper disposal of

worn out flags. If you have NEVER attended a flag burning ceremony then you should make it your business to be at this next one and learn what goes on and what is said by whom at which moment. After all, there is a proscribed method to accomplish the proper destruction and disposal of flags.

And now let us swing to another subject which is of great interest to The American Legion. Ever since its inception, the All volunteer Force has experienced increasingly unacceptable shortfalls in recruiting new personnel and in the number of persons remaining in the service. Very recently the problem has escalated to a point at which many believe the only practical solution is to restore the draft. The American Legion agrees whole heartedly with this thesis, but since so many members of Congress are draft shy the political realities at the present time bode poorly for conscription this year. Instead, a peace time G.I. EDUCATION BILL is emerging as a compromise. If genuine military preparedness is to be secured, importantly, new GI Bill legislation introduced so far must be recognized as different from that of the past.

In previous years educational benefits followed service people of adequate adjustment to civilian life. In the current context of an All Volunteer Force an educational benefit must be targeted to augment recruiting and to stem the tide of would-be

careerists opting to leave the military. Moreover, if enacted and successful, the new G.I. Bill will attract more high school graduates and a more representative sampling of the American public. Currently most new recruits come from the least educated and most deprived segments of the population. Consequently, the military is faced with the unenviable dilemma of having the most TECHNOLOGICALLY SOPHISTICATED hardware of any military in the world, but insufficient TALENT to operate and repair the hardware. However, for purposes of recruitment, the G.I. Bill has historically served as a potent incentive to enter military service. And this has been shown to be true even during periods when conscription was employed. But today, FACTS must be faced by all recruiters in that our national policy priorities are working against them. For example, why should a high school graduate join the Army in exchange for educational benefits after completing service if educational funding can be easily borrowed at pathetically low interest, with no service obligation whatsoever? This phenomenon raises serious questions which The American Legion will press Congress for answers.

If you aren't doing anything tonight (Friday, March 27) come on down and bring your friends to our Las Vegas Nite. Otherwise, I'll see you at our next meeting which is April 6th.

## National Phy Ed and Sports Week

Lee Avenue's celebration of "National Physical Education and Sports Week" was a busy one. Under the direction of physical education instructors, Miss Feuerstein and Mr. Moeller, all children in grades 2-6 had the chance to test his or her physical fitness through the use of ten different stations. These stations helped the children develop their motor coordination; increasing their endurance, speed, agility, eye hand coordination, balance, and body strength. The stations included were: jumping jacks, dash, long jump, tires, squat thrusts, backwards jog, side steps, jump rope, sit ups, and throw and catch. Each of the classes was divided into groups of four who had two minutes at each station.

A poster contest was also held with the assistance of Ms. Eisen (Art Instructor). The theme was sports and physical education. Listed below are the winners by grade level:

Third Grade: 1st-Janel Sullivan, 2nd-Penelope Passaro, 3rd-Danielle Campisi,

Hon. Men - Heather Tower. Fourth Grade: 1st-Cheryl Zukowsky, 2nd-Jennifer Livingston, 3rd-Jennifer Miller, Hon. Men - Esther Fan.

Fifth Grade: 1st-Peter Flynn, 2nd-Richard Devine, 3rd-Barbara Delgado, Hon. Men - Lisa Klein, Kimberly Smith.

## Hicksville High Football Change

**Jim Grantham**

Coach Jim Grantham, who took Hicksville High to the gridiron heights in 1966 with a New York State and Nassau County Championship, has announced his retirement from coaching.

It was expected that the Board of Education would follow Hicksville's Athletic Director Richard Hogan and Superintendent of Schools Dr. Wilbur Hawkins in approving Junior Varsity Coach Ron Quattrini as head mentor of the Orange and Black.

A graduate of the University of Alabama, Grantham coached successfully in New Jersey before being tapped for the Hicksville post by then A.D.

Chet Jaworski.

Grantham played end for the Crimson Tide in the 1949 Rose Bowl in Pasadena.

His record at Hicksville was 85 victories, 42 defeats and 2 ties. His tour was 1961 to 1971 and 1975 to 1980.

For the last decade his teams have operated in Nassau County's most powerful league.

The Orange has acquitted itself against the South Shore Powers—Massapequa, Lawrence and Berner—but the old Hicksville foes have been most testing.

Farmingdale has won the last twelve straight games while Syosset has been beaten only twice in the same number.

During that period, Hicksville's community, Junior High School program as a base of support could not even closely match that of the old antagonist.

Grantham is widely praised in Nassau coaching and officiating circles as one of the gentlemen of the game.

It would take a detailed retrospect to mention all the great players he has coached.

Amongst the top was High School All American Mike Mosicello who went on to Army.

Jeff Doolittle was the artful All Long Island Quarterback in that brilliant 1966 campaign.

**Ron Quattrini**

Chris Coletta and Ron Carmen were also All-County under Grantham.

Ralph Sonnatay and John Giancola were All-Scholastic linemen.

The appointment of Ron Quattrini would prove most popular. He has worked the Hicksville football program in various capacities.

His Junior Varsity teams were marked by absolute discipline. The offensive was diversified and at all times, daring in achieving a 600 winning percentage.

Grantham retires holding the longest winning streak in Hicksville's 55 year history. It was 15 straight victories extending over the 1966 and 1967 seasons.

## Hicksville American Soccer Club

**U/9 HURRICANES CLOSE INDOOR SEASON WITH ANOTHER VICTORY**

The U/9 hurricanes have just concluded an extremely successful and gratifying indoor season, with a first place win at the Hicksville Indoor Tournament.

Their season's first tournament, held back in January at Yorktown, also resulted in a first place win. The boys displayed great determination throughout the tournament and never gave up, in spite of the fact that they had to come from behind to win. They won the finals on the last shot of the shootout against Massapequa.

The Cold Spring Harbor tournament came next. Again their determination and spirit came through. Their first game was a loss, but they fought their way back to the finals to place second to Syosset in sudden death overtime.

March brought the Hicksville Indoor and success again. Saturday had the Hurricanes meeting some strong teams, and went through the day undefeated in five games. Sunday was the quarterfinals, and the Hurricanes faced defeat only once against North Babylon.

The last game of the round was against Massapequa, and the boys came back with a strong win. The semi-final game was against North Babylon, but the boys were not intimidated and rose to the occasion of playing the only team that beat them. Their feeling of team play prevailed and they showed what the words teamwork and team spirit mean. The players all meshed beautifully completing pass after pass and eventually winning 5-3. The finals were against West Islip.

Hicksville wanted this win for first place for the Club, and win they did 6-3. The Hurricanes completed the tournament averaging 3 goals scored and less than one goal against. In addition to the first place award, two Hurricanes received individual awards—Stephen Pine was voted Most Valuable Player for his tremendous efforts throughout the weekend, and Drew Donohue received Sportsmanship for his performance.

The team members playing in the various tournaments were: Goalie Neil Cambrono, defenders Stephen Pine, Matt Adelstein, Chris Santarelli, Mike O'Grady and Jason Carmen; offensive line: Bobby Ladimir, Drew Donohue, Brian Garnets,

**THE TEAM: [Bottom:] Drew Donohue, Chris Flanagan, Brian Garnets, Bobby Ladimir. [Middle:] Stephen Pine, Chris**

**Santarelli, Matt Adelstein, Neil Cambrono, David Kuck. [Top:] Jim Garnets, Bob Ladimir.**

David Kuck, Chris Flanagan and Brian Spinner.

The boys as well as coach Bob Ladimir and Ass't coach Jim Garnets all deserve congratulations on their efforts throughout their indoor season, and are now looking forward to the season's outdoor opener against Plainview this weekend.

### "BIG RED"

**SPONSOR K.C. COACH J. MCCANN ASST. J. MULLIGAN**

Sun. March 22, the 1968 "Big Red" played Northport 67's in the second round of the New York State Cup. After five minutes Hicksville had assumed a 1-0 lead. K. McCann converted on a penalty shot to give Hicksville the edge. D. Missimo set up the second goal, when he passed to M. Constantino, who scored by making a quick fake on a one and one situation, to increase

the lead to 2-0. Northport scored two quick goals to tie the game. T. Kenny with a pretty pass to P. Thompson, who made a picture perfect shot to the far corner of the net, gave Hicksville the lead again. Then Northport tied the game at 3-3. Shortly after the start of the second half, D. Missimo scored what proved to be the winning goal off a corner kick by R. Humann. His volley gave Hicksville the lead for good. In the last twenty minutes, Northport tried desperately to tie the game but to no avail. The defense M. Boccafolo, P. Christiano, D. Donsky, T. Kenny, K. McCann, L. Mejia, J. Neto, R. Humann, and goalie G. Tyranski, played their hearts out. P. Thompson with a pass from D.M. scored an insurance goal with a few seconds left to make the final score 5-3. Coach McCann was very pleased with the way the Big Red played, it was truly a team effort.

## St. Ignatius CYO Basketball

**By Laura "Kido" Brand**

With the end of the 1980-81 basketball season here, there are always certain people that are worthy of recognition and praise for volunteering their time and efforts in striving for a successful basketball season, as this was. These special people are responsible for the success of this very unique CYO program where the emphasis is on teamwork, fair play, sportsmanship, and learning the skills of the game rather than just winning.

Two very special people that put in a lot of hard work and time during the season were Carol and Don Cleary. Besides having the difficult task and responsibility of running the entire basketball program they commissioned a league, coached two teams, and helped Chris Nowak run a clinic for the little guys. As usual, they did a super job, and deserve a great deal of thanks for all their caring and hard work.

CYO would also like to thank Frank Bowen for heading all our referees this season and thank him for volunteering to do the job again next season. Our referees include: Frank Bowen, Danny Bowen, Doug Bowen, Kevin Cooke, Dennis Sullivan, Gerard Sullivan, Jeff Clarke, Herbie Johnson, John Johnson, and Laura Brand. In emergency situations, we thank coaches Al Hack, Al Geitner, Don Cleary, Rich Howe and John Toner for refereeing and covering these games. We would also like to thank Dennis and Genevieve Sullivan for supplying all the gym bags for practices as well as games, and last but not least Chris Nowak, who was in charge of the basketball

clinic for the younger children, designed to teach them the basic skills of the game. Much thanks should also be given to Artie Zagorski, who is the President of CYO, for his patience and time in the handling of the complaints made by "Old Lady Lynch" and others. By the way, Pat Lynch and Carol Cleary are running a clinic for anyone who is interested in learning how to keep score.

The people of our St. Ignatius Community would like to send out a speedy get-well wish to Dennis Sullivan who is in the hospital recovering from an operation. Hurry back, we need you for the baseball season!!!

Awards night for basketball will be held on Friday, April 10th at 8:00.

There will be a parade to kick off the start of the 1981 baseball season on Saturday, April 11th, beginning at 10:00. It will be led by the Girls Cadet Corps and will start at Hamburg Savings Bank and end at St. Ignatius church.

**3rd Grade League, John Toner: Commissioner.**

The Lions were coached by Lou Napoli, Wildcats by Don Cleary, Tigers by John Toner Jr.

**4TH Grade League, Carol Cleary: Commissioner.**

The Bullets were coached by Bob Horvath and Joe D'Introno, Lakers by Chuck Tietelbaum, Celtics by Dan Dugan and Wall Gaylor.

**5th & 6th Grade League, Pat Lynch: Commissioner.**

The Superions were coached by Bob McCormick, Jazz by Don Moore, 76ers by Don Cleary, Pistons by Laura Brand and Tony D'Angelis Jr. & Sr., Trailblazers by George Syracuse, Warriors by Ed Byrnes, and the Pacers by Dom Valente.

**7TH & 8th Grade League, Al Geitner: Commissioner.**

Fordham was coached by Al Hack, Hofstra by Gene Tyranski, St. John's by Al Lewis, Princeton by Vic Caesar, and St. Peter's by Al Geitner.

**9th, 10th, 11th, & 12th Grade League, John Buckner: Commissioner.**

**Girls Program, Andy Tyranski: Commissioner.**

The Meteors coached by Mary Della Rotta defeated Charlie Moore's Rockets 35-13 to take the league championship. Members of Meteors: Karen Campbell, Lisa Burke, Donna Ziminski, Denise Della Rotta, Christina Della Rotta, Theresa Caputo, Tina Caputo, Christine McHugh, and Chris Cooney. Members of Rockets: Ellen Sullivan, Amy Prittman, Jennifer Koslow, Peggy Kraus, Maria Moore, Tricia Reardon, Diane Somers, Janie Somers, and Theresa Soloski.

**5TH & 6th Grade Traveling Team, Coached by Tom Kenny.**

Members: Tom Kenny, Kevin O'Connell, Derek Missimo, Matthew Meyer, Brian Goerke, Kevin Conway, Frank Pfeffer, and Ronnie Caputo.

**7TH Grade Traveling Team, Coached by Rich Howe.**

Rich Howe's never-say-die basketball team has accomplished something that no team has been able to do in over two years. They have beaten Maria Regina of Seaford to win the sectional championship. It was the first time that the fine Seaford team has lost in a long time.

The "HICKSVILLE HUSTLERS" sponsored by WALTERS-DONALDSON VWPORSCH-AUDI of HICKSVILLE took first place in the annual Indoor Yorktown Soccer Tournament. First row - T. Dantuono, C. Kanuck, B. Magee, J. Santarelli, T. Richards and G. Greenberg. Second row - J. Balek, H. Schragin, Coach M. Kanuck, A. DeRosa. Other team members are M. Diamant, D. Haut, M. Kowalczyk, J. Masters, D. Nissensohn and J. Schneider.

## Planning Meeting

A meeting of all volunteers who will be working at the April 4 Plainview PBC 10,000 Meter Run will be held on Thursday evening, April 2, in the cafeteria of John F. Kennedy High School, Kennedy Drive and Washington Avenue in Plainview. The meeting will start promptly at 7:30 P.M.

Volunteers are needed to help with race-day registration of runners, to serve as timers and traffic guides out on the course, to work at the water station at the halfway mark, and to

assist at the finish line. The purpose of the April 2 meeting is to go over all race details and to assign a specific job to each volunteer.

Plainview PBC President Mel Rothstein and Plainview-Old Bethpage Road Runners Club President Mike Polansky join in urging local residents to volunteer their services to help make the race a success. "This is the major road racing event of the year for the Plainview-Old (Continued on Page 16)"

## Families For Life Club News

By Doug Harknett

The Long Island Coalition for Life has announced its sponsorship of the second annual Michael Fund Walkathon on Saturday, April 4th at Wantagh Park. The Michael Fund is a pro-life international foundation formed to do research in preventing and curing genetic defects.

Research is being directed by the world famous doctor Jerome LeJeune, the French Professor who discovered the cause of Down's Syndrome (Mongolism), and his first priority is to find a kind of cure for that condition. According to Dr. LeJeune, a breakthrough is possible by either "turning off" the extra chromosome responsible for the handicap, or changing certain chemical reactions in the child.

The walkathon will begin at 10 AM at Wantagh Park, which is on the west side of Wantagh State Parkway, a few blocks south of Merrick Road. The entrance to the park is via Wantagh Avenue which, at that part, runs parallel to the Parkway. Inside the park is a two-mile long sidewalk where the walking (or jogging) will take place.

### PTSA Meeting

The Hicksville Junior High PTSA will hold a general meeting on Monday, March 30 at 8 p.m. in the Junior High cafeteria. The program will feature an overall view of the Guidance Program at the Junior High School.

Changes in the programming procedures for next term, testing, parent expectations and other areas of concern are to be discussed by Mr. Stuart Royce, Chairman of the Guidance Dept. who will be the guest speaker.

Those who plan to participate should start immediately lining up sponsors to pledge payment of, however much they want, per mile. Official sponsor sheets are in short supply in this area but may be obtained by calling 735-6733 or 781-5274. Your school may have some. The mileage walked will be verified by officials at the park upon completion of each two mile circuit. Clip this article for reference.

After the event the participants will go to their sponsors and show how many miles they walked, and ask for payment of the pledge. Money collected should be sent by check or money order to The Michael Fund, c/o Long Island Coalition for Life, Box 600, N. Bellmore, N.Y. 11710.

Families for Life is the local pro-life organization. Its next meeting will be on Wednesday, April 22 at Levittown Hall, Hicksville at 8 PM.

## Teacher Appreciation Day

On Monday, March 16th the Mothers Club of Holy Family School had the opportunity to thank their teaching and administrative staff for their dedication.

To celebrate Teacher Appreciation Day the parents prepared and hosted a buffet luncheon. This event was coordinated by Mothers Club president, Mrs. Pat Capone. In honor of St. Patrick's

Day the cafeteria was decorated in green and white with Shamrock centerpieces which were made by Girl Scout Troop 3356.

The presence of some former faculty members added to the festive atmosphere. The afternoon's most difficult decisions were which tray of ziti to choose or which cheese cake was the creamiest.

**CAREER AWARENESS AT WILLET:** As part of Willet Avenue's Career Awareness Program, sixth graders recently visited the Mid Island Animal Hospital on Old Country Road. Dr. Robert Halperin conducted a tour of the facility, including operating room, laboratory, x-ray as well as the areas where the animals are kept. The Doctor also discussed with the students the educational requirements for a career in veterinary medicine, and told them of the many related areas in animal care.

In this picture we see Dr. Robert Halperin of the Mid Island Animal Hospital with Willet Ave. students Patricia Longo and Gloria D'Angelo. (Photo by Rosemary Barrow).

## Hynes and Venditto Set Community Meeting

The first of three forums scheduled by Chester Bay Town Councilmen Douglas J. Hynes and John Venditto to meet and hear from Town residents will be held on Thursday, April 2.

The meeting, scheduled for one hour, will be held at the Hicksville Public Library, 169 Jerusalem Avenue, beginning at 7:30 PM. All Town residents are welcome.

Future meetings are scheduled for April 9 in Bayville and April 30 in Massapequa.

## The Rev. Georgi Vins, Released From Russian Prison, Will Speak At The First Baptist Church Of Hempstead

For 62 years state power in the USSR has belonged to the party of the communists, who profess atheism. According to the atheist doctrine, religion in the USSR should have died out long ago. However, life shows that something else is happening. Faith in God in the USSR is not only failing to die out, it is growing.

This is happening under conditions where living faith in Christ has the whole machinery of the state thrown against it by atheism: the press, radio, TV, militia,

courts, prisons, concentration camps and the committee for state security (the KGB).

All of the above opposed the Christian faith which Rev. Vins proclaimed in his biblical ministry and, as a result, the communists put him in prison for 8 years.

Rev. Vins and his family, now residing in the United States, are so thankful for the access they have to such spiritual treasures as Christian literature, Christian education, church attendance, sermons, and Chris-

tian radio broadcasts.

The public is urged to come and hear this devout man who has suffered for his Christian faith; and hear the exciting story of his release from a filthy Russian prison cell to the freedom loving shores of America. He will be accompanied by his daughter, Lisa, age 20. Date is April 8th, Wed., 8:00 P.M.

### Echo Seniors

The West Hempstead Senior Citizens Club will meet at Echo Park on Monday, March 30th from 1 to 3 P.M. International Day. Chairladies - Rose DePalma and Lena Perretty

## Ice Skating Exhibition

By Carole Wolf

Beth Long and Linda Myers of Hempstead, and Stacey Blaufeux, Michelle Levine and Maria Elena Pinto of Merrick will be featured in the 1981 Ice Skating Exhibition of the Newbridge Road Park Figure Skating Club which will be held on Tuesday, March 31st from 7:30 to 10 P.M.

Beth and Linda, who

are assistants to choreographer Barbara Leigh, will be featured in the two production numbers of the show, "A Glittering Line" and "One, Two Three O'clock Rock," together with Stacey, Michelle and Maria Elena.

Maria Elena will also be featured in the first number, a demonstration of ice skating figures. She will be tracing a waltz

eight.

Besides these three numbers, the exhibition will consist of individual competition numbers from all levels of skating as well as an ice dancing segment choreographed by Lee Meadows.

The rink is situated at the southernmost part of Newbridge Road in Bellmore. All are invited to attend. Admission is free.

## Pottery Program

Nassau residents 18 and over are invited to join the "Creative Approach to Hand-Built Pottery" program, which will run Saturdays, April 4 through May 16, from 9:30 A.M. to 12:30 P.M. at the Special Activities Center in Eisenhower Park.

Nassau Recreation and

Parks Commissioner Abram C. Williams noted that the instructor is Lenny Scarola, a professional artist and potter, who lectures at Adelphi University, and holds an advance degree in Art Programming for the Handicapped. Mr. Scarola will focus on individual

creativity and each participant is encouraged to explore the various methods of hand building and creating. The program is offered free of charge, according to Williams.

For further information and registration call 292-4121.

## DEVOTIONS

By The Rev. Dr. John H. Krahn  
Trinity Lutheran Church

### I AM THE CHURCH

I am the Church. Most of you associate me with steeples and stained glass windows. And in one sense, you are right. One of the ways I can be described is by my peculiar architectural style. I am usually constructed with the finest materials, and my cost per square foot is usually quite high. I think this is appropriate because I make a visible statement to the world about the feelings of my members towards the Lord. I am a visible witness

to the community. When I am allowed to look run down, my appearance reflects how you feel about me.

Although many folks see me mainly as a building, this is only a small part of my personality. For the most part, I am people, people like you who are reading this message. I am the people of God who believe in the Lord Jesus Christ and are baptized. Each believer is part of me, a little me, a little church. As a modern song goes, "I am the church, you are the church. We are the church together."

In the same way that the building part of me makes a reflection to the community, the people part of who I am, makes a statement to the community also. We reflect God's importance and love to the community we serve.

Because of the inability to understand clearly what God teaches in the Bible about what we should believe and how we should be in ministry, there are many denominations that make me up. This hurts me. It hurts me because God wants us all to be one. It hurts me because the non-believing world looks at our division and finds fault with us. This makes it harder for them to become one of us. It hurts me because we are also weakened through division. It hurts me to see all the time spent, even in individual denominations, arguing over differences, when such time and energy would be better spent sharing the love of our God with his world. I am the Church, and, for my sake, I

hope each of you will pray, that there will be greater understanding, acceptance, working together, and unity among all Christians.

There is another most important thing that I want to talk about. What I am going to say is taken from Scripture. It is this, my cornerstone must always be the Lord Jesus Christ. Jesus said to the apostle Peter that his confession of faith in Him was the strong foundation upon which the church must be built; and when it is built on Jesus, not even the gates of hell can destroy it. Don't forget your cornerstone. This is another way of my telling you not to forget your central purpose for being the church. I am the church and my central, most important function is to share with my members and the world that God is in love with all people and wishes to continue the relationship begun at creation into eternity. This can only happen when people recognize their sinfulness, repent, and receive Jesus Christ as the cornerstone of their personal lives. Then when God looks at them, he doesn't see their sin but rather his Son, their Savior.

I challenge each of you to seek the help of God to expand in your love for him

(Continued on Page 16)

## Obituaries

### George C. Karlson

George C. Karlson, President and principal owner of Karlson and Reed Construction Co., Inc. of Hicksville, and a former member of the Nassau County Planning Commission, died Sunday in his home in Delray Beach, Fla. He was 68 years old.

Mr. Karlson has spent his entire career in the family controlled business, a general construction firm engaged in heavy industry for more than seventy years. The company beginning as a well driller at the turn of the century, did successfully expand its operations under Mr. Karlson's leadership to become a major factor in pipe line work on Long Island. In addition to the installation of many municipal water supply systems throughout New York State, his firm for many years was a prime contractor for the Long Island Lighting Company, installing much of the underground gas service during the heavy home building periods of the fifties and sixties. Much of the early sewer installation on Long Island was also the

result of the company's endeavor.

Mr. Karlson was born in Hicksville and attended public school there, as well as St. Paul's School in Garden City, and Yale University. For many years, he had been involved in the local banking scene as both Director and officer of the Bank of Hicksville, Meadowbrook National Bank and Long Island National Bank. He is survived by his wife, Barbara; his children, Roger Karlson and Mark Latham; his nieces, Nancy Lee O'Donnell and Sherry Morse; his aunt and uncle, Ella and Halsey Wyatt; and his great-nephews, Daniel and Michael Morse.

Visitation will be held Friday at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville, from 2 to 5 p.m. and 7 to 9 p.m.

Religious services will be held at Trinity Lutheran Church, Nicholas St., Hicksville, on Saturday, at 10 a.m. The Rev. Dr. John H. Krahn officiating. Interment will be held in Plainedge Cemetery.

**FRANK J. KADERAVEK**  
Frank J. Kaderavek of Hicksville, a retired U.S. Postal Service employee, died on March 18. He was the husband of the late Charlotte; father of Frank G. Kaderavek.

He reposed at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville, where religious services were held. Interment took place in Long Island National Cemetery.

**WILLIAM RAYMOND WALSH**  
A former Hicksville resident, William Raymond Walsh of Port Richey, Florida, died on March 19. He was the husband of Marie; father of Debbie; son of Katherine Sawyer; brother of David Sawyer.

**FRIEDA H. MOORE**  
Frieda H. Moore of Hicksville died on March 23. She was the wife of the late Martin; mother of Emil, Herbert and Walter Beckmann; sister of Martha Fabian and George Dahms. She is also survived by four grandchildren.

She reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Religious services were held at St. Stephen's Lutheran Church and interment took place in Pinelawn Memorial Park.

Mrs. Hommura conducts a lesson in Origami for a class at Trinity Nursery School in Hicksville.

Mrs. Hommura recently visited her son, Satoshi's, nursery class at Trinity Lutheran School, 40 West Nicholas Street, Hicksville. She came to demonstrate the art of Origami (Japanese paper folding). Each child had an opportunity to experience this Japanese cultural art.

Trinity Lutheran School has openings in most grades for the 1981-1982 school year. For more information, please contact the school office at 931-2211.

**GRAND OPENING:** Oyster Bay Town Supervisor Joseph Colby (second from right) cuts the ribbon at the grand opening of the new Citibank branch in Hicksville's Mid Island Shopping Plaza. Also on hand for the occasion was Town Council-

man Thomas L. Clark (right) along with Citibank Marketplace Manager Hush McKinnon (left), Hicksville branch manager Ken Zann (second from left) and Jenesta Martin, vice president of the Citibank Long Island.

## PTA Square Dance

The Burns Avenue PTA is sponsoring a "Family Nite Square Dance" on April 3rd at 7:30.

Wiener, will be calling all the dances and some surprises.

Refreshments will be available. For tickets and information, call Francine Schwarz-935-2266.

## DEVOTIONS

(Continued from Page 15) and for one another in this decade. I challenge you to expand in your willingness to listen to one another, to accept one another, even when you disagree, to forgive one another. I challenge you to expand your involvement with other churches and the world wide ministry of our Lord Jesus Christ. Finally, I challenge you to expand

your efforts in sharing with each other and with your community the message of God's love through Jesus Christ. This message is the Rock upon which I am built.

I am the Church. You are the Church. We are the Church together. All of God's people all around the world, yes, we're the Church together.

May God help us to better be what he has called all of us to be - The Church.

## Holy Trinity Church Annual Spring Fair

As usual the "Busy Bees" are busy making Easter goodies in our Chocolate Factory, including sugar panorama eggs. They are also crocheting, sewing, gluing, cutting, painting, to provide handmade items for our Annual Easter Fair.

This year in addition to our usual items, we have a new line of handcut Lead Crystal from Western Germany. Also some Danish hand-blown glass vases. Another special feature this year will be a one man showing of

paintings by Mr. Gerard Albers.

The Easter Fair will be held Friday, April 3, from 12 Noon to 5 PM and 7 PM to 9 PM, with Luncheon being served from 12:30 PM to 2:30 PM. Adults \$3.00 - Children \$1.50. On Saturday, April 4, doors will be open from 11 AM to 4 PM at Holy Trinity Episcopal Church, Jerusalem Avenue and Old Country Road, Hicksville. Receive a free gift when you visit the Church Shop during the Fair.

## Homemakers To Meet

The Hicksville Chapter of the Nassau County Homemakers Council will hold their regular monthly business meeting on Thursday, April 2, at the Community Church on Stewart Avenue in Hicksville from 10:00 a.m. to

2:00 p.m.

At this meeting, one of the members, Mrs. Norville Schro will be the speaker. She will discuss some very important information on Hassel Free Furniture.

## Films At Library

For the enjoyment of science fiction fans a special presentation of the movie "The Making of Star Wars" will be shown at the Hicksville Public Library on Saturday, March 28th at 2

p.m.

A second feature, "Hardware Wars," a parody of Star Wars will also be shown.

The program is free and all are invited to attend.

## LETTERS

(Continued from Page 4)

baries in the County are installing C.S.L.I. Computers and attendance at computer demonstrations showed what they are capable of doing for libraries.

There are many other things that are learned by attending these functions,

and that is what I mean by my being a working Trustee both inside and outside the Board Room - I am always seeking ways to better our library services for you, and I will continue to do this if reelected by you, the taxpayer and library patron, on Wednesday, April 15th.

Sincerely yours,  
Clara T. Bennett

## April Council Meeting

By Carole Wolf

There will be something for everyone at the April 2nd Hicksville Community Council meeting which will be held downstairs at the Hicksville Public Library.

Officially entitled "Senior Citizens Night," the meeting will feature representatives from Nassau County and the Town of Oyster Bay who will discuss services available for the happily retired of Hicksville.

Also featured at the April meeting will be the Library Budget presented by the Director of the Library, Ken Barnes. Candidates for the office of Library Trustee have been invited to introduce themselves.

Herbert Klein will be present to give the citizens of

Hicksville an update on the lawsuits against the Jones Institute Trustees and Nassau County. Mr. Klein is one of the plaintiff's involved in the lawsuit.

Finally, there will be many Hicksville organizations represented at the meeting, who will receive a flag from the Woodman of the World.

Mark April 2nd and plan to attend the Hicksville Community Council to hear these speakers as well as a brief nomination report from Committee Chairman Sieg Widdler. Sieg will announce the proposed officers of the Council for 1981-1982.

Due to the unusually large snowfall, the Council did not have a meeting in March. So plan to come in April, "For a Better Hicksville."

were Bill Geyer, Vice President and James Wyfe, Treasurer. Karen Weyer and Joseph Gentile are Corresponding and Recording Secretary respectively. Gwen Schaaf is Membership Secretary.

Three year terms on the Board of Directors went to George Zulkofsky, Dolores Crawford, and Richard Hagan.

The Alumni Board did not elect an Honorary member.

## ALUMNI

(Continued from Page 4)

Rd. Hicksville.

Friday, October 23 has been chosen for the 1981 Homecoming Dance. The Class of 1940 will hold its reunion in conjunction with the Homecoming. Two classes are not forming their plans-one specifically is the class of 1956.

Elected along with Holden

## Our Armed Forces

Stephen V. Jambroze, son of Mr. and Mrs. Vincent F. Jambroze of Winding Road in HICKSVILLE, has been promoted in the U.S. Air Force to the rank of senior airman.

Jambroze is an electronic computer repair specialist

at RAF Upper Heyford, England.

Marine Cpl. William V. DeMorris III, son of Caroline V. and William V. DeMorris II of Slate Lane in LEVITTOWN, has returned from a deployment to Japan.
