In a very brief meeting, on Wednesday evening, the Hicksville Board of Education acted on the superintendent's recommendations concerning the fact-finder's report on the Hicksville Secretarial Association; job descriptions for elementary, junior and senior high guidance counselors; and various routine business matters.

The contract with the Secretarial Association expired on June 30, 1980. The Association and the Board have gone through several steps in the negotiating process, the latest being fact-finding.

The Board rejected several recommendations by the fact-finder including, among others, a 7.5% salary; agency fee; and continuation clause. The Board accepted items including no change in fringe benefits; personal leave days; cap on cumulative sick leave; management rights clause and school calendar. Each party submitted six demands to the fact-finder.

According to President Tom Nagle, "the next move is up to them. They requested factfinding and they have other avenues. We have offered dates but they have not responded."

After a brief discussion, the Board adopted job descriptions for elementary, junior and senior high school guidance counselors. Trustee Virginia Gerner was absent due to a family illness.

Trustee John Ayres questioned the length of the job descriptions and also the time line for reaching the goals outlined in the Comprehensive Guidance and Counseling Program. Dr. David Weeks, Director Pupil Personnel, explained that guidance programs recommended and developed, such as career awareness, would be ongoing.

Mr. Ayres felt some of the goals were "philosophical," while Dr. Weeks contended they were "legitimate and viable goals for counselors to achieve." The first goal listed that was also mentioned in the discussion states "...to assist each pupil to perceive himself as a worthwhile individual."

Mr. Ayres questioned the measurement to be used to determine if the goals had been met.

Superintendent Dr. Wilber Hawkins replied that these goals were "immeasurable." The goals are "to provide direction for the guid-

ance program," he concluded.
Trustee Charlene Anci asked for clarification on the involvement of guidance counselors with IEPs (Individual Educational Plans) as well as parent conferences with the guidance counselors.

Trustee Neil McCormack felt "it is the step in the right direction."

In other action, the Board approved a partial self-insured long term disability program presented by Richard Weigang, district business manager. The plan will save the district approximately \$100,000 a year. The current cost is \$177,000 per year.

The Board approved recommendations of the Committee on the Handicapped; awarded bids for grass seed to various bidders totaling \$2,483.60; and approved claims and warrants for the various funds totaling \$2,167,143.36.

Also discussed was the Board's policy dealing with

Senior Citizens. Mr. McCormack pointed out that the St. Ignatius Senior Citizens Club requested "use of buses only," as they had previously been provided.

Vice President Bill Bennett explained that the Board had requested the Club to formally apply under the same guidelines as the other clubs and "they met this criteria." The policy states that the Board will sponsor 5 clubs, lists days and hours of meetings, sets age requirement of 60, and that directors are to be paid at the non-certified rate, the same as adult education.

Other policies discussed under the hearing section were education records policy and regulations for eligibility for participation in varsity athletic.

During the public speaking session, resident Donna Rehman expressed concern over the need for more lunchroom aides in the junior high school cafeteria. "The students are now in a closed campus," she said.

periods a day," and there is a need for more supervision. It was stated that two teachers were assigned to each of the three cafeterias. This reporter was unable to verify this number, or to obtain the number of lunchroom aides assigned at pretime.

Junior High School principal Gerald Klein explained that in January, the junior high was experiencing needs in some areas, including the lunchroom, but had discussed the situation with his staff and the Student Council. "We now have the Student Council working with peer groups," he said. He added that he also understood budget priorities.

Mr. Nagle concluded that Mr. Klein had "used the right avenues" and the solution was "with the administration."

The Board then went into an executive session to discuss a personnel item.

The next Board of Education meeting is scheduled for April 22.

American Concert Band Returns

The American Concert Band is returning to Hicksville High School and the students pictured here will be playing alongside the professionals.

Dedicated to the performance and encouragement of fine band music in the American tradition, the American Concert Band, directed by Dr. Kirby Jolly, actively encourages fine young musicians in their love of music.

Three students from the Hicksville Symphonic Band have been invited to perform solo's with the ACB on April 14 at the High School. Kelly Landers will be flute soloist in the Concertino by Chaminade, Peter Rubins will play the Adagio and Allegro for French Horn by Haddad while David Straub will be featured in the Marche and Polonaise by Tausche for 6 timpani and band. The Clarinet Polka will be played by the entire clarinet section of the band. A total of 21 students will join the American Concert Band under the baton of their teacher, J. David Abt, who will be the guest conductor.

A Hicksville teacher, Mr. Norman Ward, will discuss two of his compositions prior to their performance. Mr. Ward is presented under the auspices of "Meet the Composer."

This concert is sponsored by the Town of Oyster Bay Cultural and Performing Arts Division and the Hicksville High School Music Department, a division of the Comprehensive Arts Department. Additional funding is provided by the N.Y. State Council on the

Arts and the U.S. Recording Industries of the American Federation of Musicians, Local 802. The concert is offered free to the community and begins at 8:15 P.M. in the Hicksville High School Auditorium.

Nassau County Executive Francis T. Purcell, congratulates Rudy Bause, who was honored by the Nassau County Restaurant and

Tavern Association as the Man of the Year at a recent dinner at Antun's Old Country Manor, Hicksville.

LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

We have not yet met our membership quota and that is mainly the responsibility of a group of our members who seem to enjoy being a laggard when it comes to paying dues on schedule....this group seems to enjoy being classed as 'delinquents' as per our American Legion constitution on the 1st of February....I'm sure our Membership Officer Ray Gamble does not relish the fact that under the same constitution these 'laggards' have been suspended from all privileges as of April 1st....And that's not an April fool's joke no matter which way you look at it....It certainly makes Ray's job much tougher than any

volunteer job should be! Your membership with The American Legion and the Charles Wagner Post is a PRIVILEGE not to be taken lightly or for granted as each Post is the judge of its own membership even though all other requirements can be met....We are anxious to retain our members year after year because we are all veterans and all of us have had more or less the same experiences while we served our country....We belong together and it certainly isn't the mere pittance which we laughingly call 'dues' that this statement is made but what other organization asks so little and can give so much???? When we get thru paying the various per

capita taxes there is very little cash left to do anything with so, to have your membership for financial gain is out of the question....We want our fellow veterans to join The American Legion and we want our fellow veterans to remain in The American Legion, year after year, as attested to by our 60 consecutive year members....Remember The American Legion is the world's largest and strongest veterans' organization and as oft said, "You can't fight alone" and in this time of government cut backs and downright discontinuances of any and all privileges that can be gotten away with....No, my fellow Legionnaires, NOW is definitely the time to further strengthen The American Legion with your membership so your battle, my battle and all the veterans' battles may be won on the floor of Congress....Please send your dues to Ray Gamble tonight without any further delay.

Attention: There will be a meeting of the Executive Committee next Thursday, April 16th at 8:30 P.M....We have news that P. C. Edwin

Hodkinson is now at home after a stay at a noted White Plains rehabilitation hospital and is well on his way to full recovery....Keep improving, Ed.

The Dark Horse at Monday's meeting was won by John Kerrian....Nice to see Jack Ehmann at the meeting and now there's no doubt that Spring's here.

Sorry to report that we will NOT send a representative to BOYS' STATE this year as the school year at Hicksville High School has been extended to June 28th....Boys' State opens June 21st so we are up the creek without a candidate this year unless the private high school can supply a candidate....What a shame because this is a wonderful experience for a young man.

There will be a meeting of the Past Commanders Club on May 1st....And just a reminder that again this year we will have a Flag Burning Ceremony on Saturday, June 13th....If you have an old flag that should be properly disposed of please bring it to the Post before that date and it will be taken care of.

The Department Commander will visit Nassau County on April 25th.

Our Armed Forces

Airman Kenneth J. Kohler, son of Judith A. Kohler of Herzog Place in Hicksville, and nephew of Ronald Kohler of 290 Chelsea St., North Babylon, N.Y., has been assigned to Lowry Air Force Base, Colo., after completing Air Force basic training.

The airman will now receive specialized instruction in the munitions and weapons maintenance field.

Navy Seaman Recruit Louis J. Losito, son of John and Marilyn Losito of Cliff Drive in Hicksville, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

Auxiliary Police Needed

The communities of Bethpage and Plainville are actively seeking new members for their Auxiliary Police Unit, which will operate in conjunction with the present Hicksville Unit No. 312.

Men and women between ages 18 to 65 can become members. For further information call Unit No. 312 at 422-2309 or the Nassau County Police at 535-5264.

Christ's Seven Last Words

Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville cordially invites fellow Christians of our community to attend a special Good Friday Vigil on April 17 from Noon until 3 P.M.

If you cannot stay the entire three hours, you may stay for as few as twenty minutes. Arrival at the service may be anytime during the three-hour span. Each of Christ's seven last

words from the Cross will be reflected upon. Each twenty minute segment consists of singing, prayer, Scripture, and a meditation on one of the words from the Cross.

Come when you can, leave when you must but come. Join us at the Cross of Jesus.

On Easter Sunday, Trinity will hold four festival services: 6:30, 8:15, 9:45, and 11:15 A.M. There will also be an Easter Vigil on Holy Saturday at 7:45 P.M.

Dear Friends

THIS IS NATIONAL LIBRARY WEEK, as I'm sure many of you know. We'd like to say some words of praise for all the fine libraries throughout our Country for they serve as community centers and cover an increasing number of community needs, as well as serving in the manner that all public libraries have traditionally done. One has only to read our Calendar of Events to see this. We hope that you all make use of the library in your community.

Incidentally, we urge a YES vote on the Hicksville Library Budget which is set for this coming Wed., April 15th. PLEASE DON'T FORGET TO CAST YOUR VOTE.

We note, also that two well-qualified candidates are running for the unpaid position of library trustee. Inasmuch as Mrs. William Bennett is the incumbent and is already doing such a fine job, we endorse her candidacy.

We must remind those of you who submit pictures that although it doesn't matter whether they are black and white or color, they must be CLEAR! Please check this first before submitting pictures for consideration. Also, we are not able to return pictures.

We would also like to let you know (if you don't know already) that we are able to use approximately 70% of the news that you submit regularly. This is a high percentage we wish it could be higher. We are always glad to receive your local news both from organizations and individuals, so, do not hesitate to send it in...we'll keep doing our best in the space available.

It is good to note that the paperwork done to provide 300 additional commuter parking spaces around the Hicksville Railroad Station is now completed. Bids will go out next week and, according to a "reliable source", these spaces should be completed before the end of this year. This item, along with many others affecting our area and those areas immediately surrounding it, can be found in the article "At The Town Board Meeting" in this issue.

As to the proceedings presently relating to the Jones Institute, we were saddened to see that the only daily in this area, in covering at great length, those older citizens who were scattered all over two counties when the Jones acreage was "sold" to King Kullen for millions of dollars. Of course, we know that at present this matter is in court. However, it is easy to understand how these older people, already traumatized by being taken from familiar surroundings, would not criticize their present places of residence! After all, they have to live there, day after day. They have no choice.

THE HERALD, as it stated originally, was never opposed to the sale of this property...only in the manner in which it was done. Mr. Jones' will, which we wrote about in great length in a feature article, in our opinion cannot be broken. We felt that a modern building should have been provided first, the Jones Institute residents moved to it, and then the property could have been sold, certainly without objections from anyone. Those concerned want to see that in the future, wills are not broken, older residents are not unnecessarily traumatized by such changes. In short that compliance with our laws, and human compassion can and should be applied where possible. And it certainly would have been possible if the order of this sale had been reversed as we suggested. Even at this point, if and when this sale is consummated, it is the opinion of this newspaper that plans for a modern building and a new site should be completed with dispatch. These millions of dollars are, by the very will of the original property owner, Mr. Jones, only to be used for this purpose. Can such firmly drawn wills be summarily broken? We hope not...and we hope that none of the trustees of this Jones Institute would consider doing so.

THAT'S ALL for this week. We extend best wishes to all who are presently entering this holy season of the religious year.

To the Editor:

The Hicksville Public Library budget for 1981-82 will be submitted to the voters for approval on Wednesday, April 15.

The library trustees believe that the proposed budget will enable the library to carry out its varied programs and services at a reasonable cost to the taxpayers.

....The library is open seven days a week.

....The library serves all age groups.

....The library provides service to the homebound and physically handicapped.

....The library houses one of the finest book collections in New York State with more than 280,000 volumes.

....The library provides meeting space for many community organizations.

....The library presented approximately 65 special programs for adults and children in 1980.

....The library bookmobile offers service to public schools and to people who find it difficult to visit their library regularly.

....The library now provides elevator service and accessible rest rooms for the handicapped.

....The library cost to most homeowners is no more than \$45.00 a year.

Your public library is constantly looking for ways to improve service within the means of the taxpayer. In just a few years we have increased the size of our collection more than 50%, added special services to the homebound and handicapped, have developed an information and referral service (with the cooperation of Nassau County Department of Social Services), and offer professional counseling in choosing a career, and

Letters To The Editor

special assistance in preparing your income tax. A strong library can be a vital community asset in many, many ways. Support your library on April 15th!

Kenneth S. Barnes
Library Director

Dear Editor,

April 15, is the day of the Library Budget Vote and I wish to ask the voters of Hicksville to elect me to the Board of Trustees of the Hicksville Library.

I have told you about myself, about my long residence in Hicksville, my love, enthusiasm and work for the library, my concern for continued growth and my efforts toward more community involvement.

I want to work hard for you in order to serve you and your children as a truly public servant. You shall have the best library your tax money can buy.

It must be the information center of our town, containing reading materials representing all points of view on the questions and issues of our times. I see it as your resource for studies for young and old, a center for the pursuit of your hobbies, your leisure interests and for your participation and entertainment in the arts.

Let me know, through your community leaders or from you directly, how, as trustee, I can best serve you. Show your interest in the Hicksville Library! Come and vote in large numbers! Your vote can make a difference! Vote for me and the budget!

Respectfully yours,
Josephine Buckner

Dear Mrs. Noeth:

Having worked for a major New York bank for 15 years, retiring as a Platform Assistant and Commercial

Credit Analyst and Investigator to raise a family, coupled with an Associate's Degree from the New York Institute of Credit has, indeed, helped me during my term as Library Trustee. Accounting knowledge helped me seek information in Albany in bookkeeping methods, with resultant savings to the Library.

Being a parent has helped me see the accomplishments of our Children's Room and do whatever possible to bring about school/community/library relations and additional services - as proven by my work through the P.T.A., 4-H and the Hicksville Community Council.

Being disabled myself, although still able to walk with a cane, has made me sensitive to the handicaps of others and is proven by my work for the elevator, my promotion of the Kurzweil reader for the blind and my current efforts to obtain a Teletypewriter for the Deaf in the Nassau Library System.

Being conscientious in my duties as Trustee has brought me to many workshops, etc., resulting in my being a better informed Trustee to serve you, the Hicksville Community.

I have served five years as your Trustee at the Hicksville Public Library and I have developed a keen insight on the workings of a Library and my enthusiasm and interest continues to grow and I, therefore, would like to continue my efforts to serve you, the community, and our Library for another term.

Vote for experience and proven ability and cast your vote for me on Wednesday, April 15th.

Sincerely yours,
Clara T. Bennett

To the Editor:

Two recently released studies dealing with the economic impact of casino gaming in New York clearly show that our state would realize tremendous economic growth with casino gaming legalization. Both studies project that tens of thousands of new jobs and hundreds of millions of dollars in extra state and local government revenues would be created. The state Commerce Department study estimates that public revenues would increase by \$900 million per year once the industry is fully developed in 1993.

Failure to approve casino gaming in the near future will have serious negative effects on New York's economy. As the study conducted for the Coalition for Casino Gaming found, by 1985 casino and tourist-related expenditures by New Yorkers in Atlantic City will drain our state of \$1.5 billion in business activity every year. According to the Commerce Department Study, New Yorkers currently lose \$300 to \$400 million in other states which have casino gaming. New Yorkers visiting other states to gamble are actually spending a total of approximately \$435 to \$580 million out of state. If this money would have been otherwise spent in New York, the loss to the economy of our state is now at \$870 million to \$1.16 billion.

The time to act positively on casino gaming is now, before our economic base is further eroded and we miss the timely opportunity to generate at least 90,000 new jobs and billions of dollars of new private sector investment. New York State is no longer in a position of

At The Town Board Meeting

By Sheila Noeth

At its regular meeting held on Tues., Apr. 7 in Oyster Bay, the Town Board acted as follows on these local matters:

They reserved decision on a hearing on drainage to consider the construction of additional drainage facilities for drainage district No. 1, TOB (this includes all unincorporated areas and some villages). This hearing also included drains, storm water sewers, pumping stations and necessary works appurtenant thereto, the improvement of water courses and the acquisition of necessary land and rights in land, designated "Authorization Q".

They approved Resolution No. 943-1980 (tabled on Oct. 2, '80) relating to the petition of William A. Marino, for a change of zone on the south-west corner of Old Country Rd. and East Ave., in Hicksville, for a one-story bank building only. This hearing was held on Sept. 23, 1980.

They approved Resolution No. 257-1981 relating to the authorization of the bidding phase on Contract No. DPF 80-218 involving additional on-grade commuter parking facilities at the Hicksville Railroad Station. According to a reliable source, now that

this paper work is completed, bids will go out next week and 300 additional parking spaces should be ready later this year.

They approved Resolution No. 268-1981 relating to the increase of engineering fees by consulting engineers re: the design plus ancillary optional services for construction of storm drains and appurtenances on Miller Rd. and Miller Pl. in Hicksville.

May 19 Hearing Set

They approved Resolution No. 248-1981 directing the Town Clerk to advertise notice of a May 19, 1981 hearing on the petition of General Mills Restaurant Group, Inc. Red Lobster Division for a special use permit to construct, operate and maintain in a Business G District, a restaurant containing 357 seats on the northwest corner of the intersection of Nevada St. and Bethpage Rd.

They denied Resolution No. 274-1981 relating to the petition of Francis A. Lee, Inc. for a special use permit in Hicksville, on the grounds that this area is not suitable for a heavy, steel fabrication business which this firm is presently operating in Hicksville. The hearing was held on Feb. 3, 1981.

They denied Resolution

No. 275-1981 relating to the petition of Willson S. and Mildred Garrett and Louis C. and Ruth Hartmaier, for a change of zone in a residential area of Hicksville on the grounds that this area is not suitable for business. This hearing was held on Feb. 24.

Reserved decision on the petition of Borel Restaurant Corp and Archdell Motel Corp. for a change of zone from Residence D to Business F District on Parcel 1 (behind the Rusty Scupper Restaurant) and to modify the restrictive covenants in Resolutions 427-77 dated 6-12-77 on Parcel No. 2 so as to permit ingress and egress from both restaurant facilities and permit proper screening and additional parking on approximately 1/8 acres on the south side of Jericho Tpke, west of Bruce Street in Syosset. This site plan, which was presented by the petitioner's attorney, also included plans for two residences. At the evening hearing on this matter twelve residents of this neighborhood appeared in opposition to this petition, seven of them spoke on this matter. Three letters from residents of this neighborhood approving the plans of this petitioner were read into the record by the petitioner's attorney. Major

opposition to this proposal plan was based on the projected traffic flow.

They reserved decision on the petition of Trio Towing Service, Inc. for a special use permit to operate and maintain an unrestricted towing business in an Ind. H. District and to modify paragraph No. 3 of Town Board Resolution No. 305-65, dated Mar. 9, 1965. This petition was based on the use of this property, located on the south east corner of Jericho Tpke and Oak Drive in Syosset, by a towing service for new cars used mostly in the

Old Westbury Gardens Opens April 25

Old Westbury Gardens thrives today as it did in the early part of the 20th century when it was built as a private residence to recreate an 18th century English country estate. Opened to the public as a non-profit horticultural garden and museum in 1959, it has been offering visitors a view of the grandeur associated with Long Island. It is listed on the National Register of Historic Places.

The spring visitor will be greeted by 70 acres of rolling meadows, green lawns

and formal gardens. Masses of golden daffodils; tall, stately tulips and colorful primroses adrift in a sea of blue for-get-me-nots are a few of the floral delights to be savored. A secluded path winds around a mirrored lake, past nesting Canada geese and across a hillside strewn with awakening wildflowers and native ferns.

A visit to Westbury House provides an opportunity to see an important collection of 18th and 19th century European furnishings

and paintings in the more intimate surroundings of a home. The collection includes fine examples of furnishings and paintings in the more intimate surroundings of a home. The collection includes fine examples of furnishings in the Georgian, Queen Ann, Chippendale, Hepplewhite and Adam traditions. Paintings include works by Joshua Reynolds, Thomas Gainsborough, Henry Raeburn, and John Singer Sargent.

Old Westbury Gard-

ens will open for the season on Saturday, April 25th. Hours are Wednesday through Sunday 10 a.m. to 5 p.m. Admission to Gardens is: \$3.00 for Adults, \$1.00 for Children (6-12). Admission to Westbury House is an additional \$2.00 for Adults, and \$1.00 for Children (6-12). Senior Citizens admission is \$2.00 for the House and Gardens. Group rates are available.

For further information and membership information please call 333-0048.

Speaker On Social Security

Class Participates In 'Adopt-A-Ship' Program

Catherine Trezza's special education Transitional class at Hicksville Junior High School recently had an exciting learning project brought to fruition.

Through the Propeller Club of the United States, the students have been participating in an "Adopt-a-Ship" program. They are exchanging letters with members of the crew of the USS Excon Gettysburg. As a special treat, Ms. Trezza arranged to have Chief Mate William Deppe visit the class. The youngsters had many questions as a result of the interest

generated during their correspondence with him and his shipmates. Mr. Deppe obligingly answered all their queries about life on an oil transporter which travels between Texas and North and South Carolina. To everyone's delight, Mr. Deppe presented the class with the ship's flag and several maps used on the ship in charting courses.

This experience has motivated the youngsters to improve their written expression through letter writing as well as expand their social studies awareness.

Willet Students Get VIP Treatment At Airport

It's not often that 6th grade students spontaneously applaud their escorts at the close of a field trip, but that was their reaction to Willet Avenue's latest Career Awareness outing at LaGuardia Airport. The students, with teachers Richard Leuci and Doris Phillips, and program coordinators Barry Boriss and Rosemary Barrow, took what they termed "the greatest trip ever" thanks to parents Mr. Howard Mansfield and Mr. William Brazill. Mr. Mansfield,

father of Jennifer, is an air controller for the F.A.A. and had prepared the students with a preliminary in-school program last month.

Mr. Brazill, father of Laura, is the Port Authority's Resident Engineer at LaGuardia. He spoke to the students about careers in the various engineering fields, and about the function of his department in the structural maintenance of the airport. Between them, the two fathers scheduled a never to be forgotten day.

LIRR Begins Clean-Up Campaign

The Long Island Rail Road, a subsidiary of the Metropolitan Transportation Authority, will launch the first element of a new clean-up campaign designed to improve conditions on LIRR coaches on April 8. The aim of the campaign is to educate riders about railroad cleaning operations and to encourage passengers to participate in the LIRR car cleaning program by reporting dirty trains.

A detailed pamphlet will

be left on the seats of all westbound rush hour trains Wednesday morning which explains the five types of cleanings LIRR trains receive. The pamphlet also includes a listing of the morning rush hour trains which receive a lay-up cleaning prior to their first scheduled stop every day.

The lay-up cleaning, as explained in the brochure, is done when trains are stored, usually overnight. It includes the removal of all

litter such as cups, bottles and newspapers, a sweeping and mopping and the cleaning of all bathrooms on the train.

The last page of the pamphlet is meant to be detached by passengers and returned to the railroad if they should discover a car or train which, although scheduled for a lay-up cleaning, is dirty.

The railroad will analyze

all forms that are returned and will follow up the pamphlet with additional flyers, posters and reports in an effort to improve conditions on LIRR trains.

A public awareness campaign regarding car appearance was recommended in a state commissioned management study conducted by the consulting firm of Booz-Allen Hamilton, Inc., Transportation Consulting Division.

PTSA General Meeting

"Please join with us. A well informed community is most essential for the continued success of our educational program," a PTSA spokesperson stated.

will present a program on "Curriculum Update 1981."

All interested members of the Hicksville school community are invited to attend.

The development, review and revision of curriculum is vital to the success of the educational program. The senior high school is deeply

committed and has been involved in a curriculum study during this school year.

Cultural Arts At Lee Ave.

On Wednesday, March 18th, the students of Lee Avenue School Grades 3 through 6 were treated to a special performance of Hans Christian Andersen by the John Peel Productions.

The musical production, brought to the children as

part of the Lee Avenue P.T.A. Cultural Arts program, was very enthusiastically received. Students and teachers alike were delighted with this excellently performed piece of live musical theatre, as was expressed by many after the performance.

Receives Award

Michele Dastin, a 10th grade student at Hicksville High School, has received an award for her original poster commemorating Foreign Language Week, in a contest sponsored by the American Association of Teachers of French, German, Italian, Portuguese, Spanish and LILT.

The poster carries the theme, "Living with Languages," and will be

displayed at the NY State Association of Foreign Language Teachers Conference next October.

Michele has been studying Latin for only a short time; her teacher is Dr. Giedri Kumpikas. She has been called "a student of the highest caliber in a language which is not considered 'living' by Mr. Anthony Niceforo, department chairman.

Used Book Sale

The Friends of the Hicksville Public Library used book sale will begin on Monday, April 20 at 10:00 AM and will continue until all the books are sold. Paperbacks will be 25 cents and all hard cover books will sell for 50 cents. On sale will be out-of-date reference books, multiple copies of last year's

with them. On Thanksgiving Day, the family group travelled to Evanston, IL, to have dinner with Debbie's parents, Dr. and Mrs. Werner.

Receives Dakin Memorial Award

Ricca Yao, a Hicksville High School senior, has been awarded the Dakin Memorial Award for "meritorious achievement in the study of chemistry" by Adelphi University.

The honor is given to outstanding high school seniors who have proven their abilities in the study of chemistry and who plan to major in chemistry in college.

Ricca, daughter of George and Concepcion Yao, is currently a student in Mr. Charles Ferri's advanced

placement chemistry course. Ricca received her award at the annual Dakin Memorial Lecture, held this week at Adelphi.

Guest lecturer was Dr. Baruch Samuel Blumberg, Nobel Prize winner, who spoke on the subject, "Scientific Process in Medical Research." An appropriate topic for Ricca: both of her parents are physicians, and she plans a career in medicine, as well.

She will enter Creighton University in the fall.

On The Campus

HICKSVILLE residents Dennis Finnegan, Dennis Foy and John Rado, and PLAINVIEW resident, Cathy Costa, were among forty Nassau Community College students who performed nightly at the Westbury Music Fair with Paul Anka.

In the heart of Appalachia, lies Wallins Creek, a small rural village located near Herlan, Kentucky. On Feb. 27, six Manhattan College students left to work with the people of this region. Among the students who participated was Christopher Joseph Posch, son of Mr. and Mrs. Anthony Posch of Birch Dr., PLAINVIEW. He is a graduate of Plainview-Old Bethpage High School.

A total of 93 University of Wisconsin men athletes have been awarded a major "W" for their participation in Cross Country, football and soccer during the season just concluded. Among them was John Carlson of PLAINVIEW, a member of the soccer team.

Benefit Jump-A-Thon At East St. School

In commemoration of National Physical Education month (March), forty-five students from East Street participated in the first Nassau County Jump-A-Thon recently which was held in the East Street School Gym one Saturday afternoon.

The event was under the direction of Mrs. Diana D'Avino, teacher of Physical Education at East Street and a coordinator for the Jump-Rope-For-Heart program which encourages cardiovascular fitness through daily physical activity.

Thanks to the East Street PTA, co-sponsors of the event, the student participants representing grades 4-5-6 were able to jump with the finest jump ropes available. Jump rope awards were given to those students excelling in amounts of sponsor pledges. All student participants will receive a certificate of commendation and a specially designed Jump-Rope-For-Heart T-shirt from the Heart Association. Members of the winning team will each

receive a special Jump-Rope-For-Heart warm-up suit.

The following parents from the East Street PTA were the official timers for the event: Rox Goldfarb, Julie Guerriero, Eileen Millis, Jill McAlpine, Roseann Martello, Vera Dunalewicz, Ann Marie DiFilippo and Marilyn Duncanson.

Without their efforts, this event would not have been possible!

The children raised approximately \$1600. In

accordance with the Jump-A-Thon regulations, 90% of the funds collected will be donated to the Heart Association. The remaining 10% will be donated by the East Street PTA to a student scholarship fund which will benefit a Hicksville student.

The boys majors and minors, girls majors and minors have been picked this week. Either you have been called or you will be called for practice very soon.

I would like to introduce the managers of the 1981 season. For boys majors, Dennis Bergamini, Bill Cornelius, Dom Notaro, Bob Rothschild and Tom Zagajski have taken the field. There are six boys minor teams; the managers are Bill DeMuth, Tom Flynn, John McAuley, Steve Strongin, Bobby Taylor, and co-managers Fred Groden and Chris Taylor. The minors were picked on Tuesday, April 7th.

That same night Tom Nealon, player rep rushed over to Tom Zagajski's home to oversee the girls minors lottery. There are on-

ly 4 teams in minors this year; the managers are Ginny Appar, Tony Begnoo, Nick Polisen and Donna O'Hara. The girls majors, aged 10, 11 and 12, were chosen by lottery on Thursday, April 9th. The managers for the 1981 season are: Pat Laviola, Frank Lobmeier, Kathy Morris, Jim Pagett, Janet Pound and John Purtil.

The HBA would like to thank each and every manager for giving of their time so that the children of Hicksville can play ball. You love the sport so much that you are willing to teach others what you know. We thank you for your dedication and know that you will all have an exciting season.

This is absolutely the last dance...I mean, the last call for the dance. Donna Rehman has spent many,

many hours planning this wine & cheese dance and she would not like to be at Levittown Hall alone. Donna loves people and would like to see you there. As of this writing, not one ticket has been sold. Mark your calendar for Saturday, April 18th from 8 to midnight and send in your money by Saturday, April 11th. Yes, that is tomorrow.

While you are making your calendar, draw a red circle around Thursday, April 16th, the next HBA open meeting. Tom Zagajski asked if you have any 7, 8 or 9 year old girls running around the house, direct them to the baseball fields and sign them up. They can be registered at 55 Hallpark Lane or at the next HBA open meeting. And remember, Ponies and Colts start next month, so don't forget to register before April slips through your fingers.

OPERATION V.F.W.

BY LOU PALLADINO

Dan Hoison gave us a pre-view of Memorial Day events in Hicksville. On Sunday, May 24 the United Veterans Organizations will attend Services at Plain Lawn Cemetery, Hicksville at 8:00 AM sharp. Then we shall attend services at Holy Rood Cemetery at the grave site of William M. Gause Jr. for whom our Post was named. And finally at 10:00 AM we shall join the United Veterans of Nassau County Services at the Eisenhower Park Memorial.

On Monday, May 25 the Hicksville Memorial Day Parade will swing into action. The marching units will swing into action. The marching units will muster at the parking lot north of Sears at 8:30 AM. At 9:00 AM sharp the leading units shall step off moving west on Nevada Street to Broadway. On Broadway the Parade will turn to Old Country Road and then west on Old Country Road to Newbridge Road, turning South on Newbridge Road it will move into

the Hicksville High School Athletic Field where our Services will be held.

All who wish to attend our Memorial Day Services are requested to file into the viewing stands and be seated. Following the service refreshments will be served to all those who marched.

Any organization or group that may desire to join the marching units are invited to do so. A phone call to Dan Hoison at 931-7843 is all that is needed.

Appeals For Easter Humaneness

Oyster Bay Town Councilman Douglas J. Hynes cited the cause of animal humaneness in asking that parents not give their children live animals as Easter gifts.

"The giving of live rabbits, chicks and ducks is an inhumane practice in which both the children and animals may suffer," the chairman of the Town Board Committee on Environmental Control stated. "Once the animals have passed their cute baby stage, they lose their appeal for many people whose first

thought is to deposit them in a nearby pond or lake so they can be with their friends." Unaccustomed to feeding for themselves, these animals generally die of starvation or predation of other animals.

Hynes also urged the public not to feed the ducks at ponds. He cited the findings of a study by the Town's Environmental Control Commission which stated that feeding is potentially harmful to human health, water quality and to the very waterfowl that people misguidedly wish to help. He explained that unusually large populations of ducks are

lured into duck feeding areas where they become weakened and unhealthy as a result of the poor and unnatural diet. Their unhealthy condition then makes them easy prey for disease and parasites, some of which can be transmitted to humans. Additionally, concentrated build-ups of duck fecal matter can cause toxic algae blooms, fishkills and septic waters to develop.

Hynes concluded by asking people to think twice before giving a live animal for Easter. "I urge parents to think about the consequences for themselves, their children and the animal

YANKIES WIN

The under 16 Hicksville Yankees advanced to the quarter-finals of the Regional Cup competition with a strong 6-0 win over the Northport Sailors last weekend. Of the 52 teams entered in the U16 Cup, only eight remain in the race to become Southern New York State Champions and earn the right to compete against the other State Champions from Region 1. There are 15 state associations from Virginia to Maine that comprise Region 1 and the Regional Winner goes on to play the winners of Regions 2, 3 and 4 to establish a National Champion.

Despite extremely heavy winds, Hicksville scored in the first minute of the game going against the wind. This pretty much set the stage and when the Yankees scored again before half-time, the match was already decided. Hicksville totally controlled the second half with the wind to their backs and pured in four more goals. This was the 18th straight outdoor win for the Yankees and in 4 games this year, they've hit the back of the net 24 times and yielded only 3 goals with the nets being mided by Gene Tyranski and Steve Barell. The goal scorers in last week's game were: Dave Smyth (2), Adrian Pepi, Bobby Andrus, Robert Pearse and John Mitchell.

The Yankees play 2 more League games before their very important Cup match against the North Shore Lancers. North Shore will want this game very badly as last Spring, they battled Hicksville to a 2-2 tie in a controversial game at Grumman. This game will be played on 5/2 with North Shore getting the home advantage.

Pee Wee Intramurals

By Len Greenspan
Hawaii - 1 Wyoming - 0
In a very tough game,

Hawaii opened the new season by defeating Wyoming 1-0. Hawaii's only goal was scored on a penalty kick by Matt Greenspan. Goalender Bryan Pendrick preserved the win by making two excellent saves and continues to impress all. Hawaii's inspired team play was led by forwards Mike Tobin, Matt Greenspan, Sal Totino, Halfbacks Steve Ocuto, Joey Rosner, Brian Whitman, Kevin Ohea, Glenn Siegel and Mike Schneider. Fullbacks Adam Schachter, Jason Teitelbaum and Jonathan Felman were very impressive in continuously turning back Wyoming's offense.

This was a well played, team victory.

By Pat Reilly

The Lindenhurst Stingrays came to a windswept Grumman field to play the Hicksville Comets. Although the final score was 0-0, there were many tense moments making the game very tight.

Mark Micheli did his usual super goal saving. John Guittari and Bobby Himmel did super turning the ball around on the fullback line. Michael Luongo was outstanding as center fullback. Jimmy McMahon did sensational alternating between fullback and midfield. Tommy Bell and Thomas Reilly did super alternating between midfield and wing. Tim Doyle and Jeff Gluck did their jobs in fine spirit on the midfield setting up the plays. Our forwards Frank Humphreys, Ryan McCann and Michael Segal did beautifully taking shots on goal. Anthony Conti and Jim Curley played the wings hard and fast.

Unfortunately John Schneider was unable to attend today's game due to illness. We all hope to see him next week.

Big Red, sponsored by the K. of C., hosted the '67 East Fishkill Comets in the third round of the N.Y. State Cup. This E. Fishkill team has on many occasions beaten L.I.'s best teams and since Hicksville was one year younger than their opponents, Hicksville had an arduous task ahead of them. The first half ended in a 0-0 tie. This was achieved by the brilliant job of the defense. Members of this defense are: Goalie G. Tyranski, C. Bentley, A. Brill, M. Boccafolo, R. Humann, T. Kenny, J. McCann, L. Mejia and J. Neto.

Hicksville jumped all over E. Fishkill at the start of the second half, with the help of a very strong S.W. wind at their backs. Center halfback D. Misimo opened the scoring when he penetrated the opposing team's defense and placed a perfect shot into the corner of the net. He scored two more goals to get his second hat trick of this young season. E. Fishkill came back with a sloppy goal to cut the lead to 3-1. M. Constantino, off an assist from D.M. scored Hicksville's final goal. E. Fishkill answered with a meaningless goal 5 minutes before the end of the game. The win put the Big Red into the quarter-finals against the first-place team in the 1967 first division, Massapequa-Cubs.

To conclude the observance of National Library Week, The Hicksville Public Library will present the Horizon Chamber Players on Sunday, April 12 at 3:00 P.M. in a free concert.

The group consists of Marilyn Sherman Lehman, pianist Robin Brown Dan, cellist and Marshall Coid, violinist. The program will include works by Hayden, Stravinsky, Chopin and Mendelssohn.

Marilyn Sherman, is a graduate of the Hicksville Schools. She holds a Bachelor of Science in Music Education degree from Hofstra University, from which she graduated Cum Laude with High Honors in Music. She is the recipient of many awards including the Masters in Performance from the Manhattan School of Music in 1977 and the New College Music Festival Fellowship in 1979. She is a performing member of the American Chamber Ensemble as well as being on the faculty of the 82nd St. Y School of Music in N.Y.C.

Robin Dan holds a Bachelor of Music and a Master of Music degree from Juilliard School, where she is chamber music assistant to Robert Mann.

Marshall Coid received his formal education at the Juilliard School where he was concertmaster of the Juilliard Orchestra and a soloist with the Juilliard Contemporary Ensemble.

Families For Life Club News

By Doug Harknett

The first abortion clinic in the Town of Oyster Bay has set up shop in the middle of Hicksville, despite of Town law that prohibits abortions outside of a hospital. Public reaction has been muted so far because it is brand new, and few people know about it. Town officials have been alerted and it appears that there will be an attempt shortly to enforce the statute.

The name of the aboratorium in Women's Choice. A few weeks ago ads started to appear in Newsday, but they discretely listed only a phone number. Later, however, they have become bolder, and advertise that they are located in Hicksville, near the LIRR station. The actual address is 17 West John St. between Broadway and Newbridge in a new building owned by Jerry Spiegel. There are no other

tenants at the moment.

The law prohibiting abortion clinics was enacted in July 1971, Local Law No. 5, Sections 1 through 4. It reads in part, "No person shall perform a(n) ...abortion act... other than at a hospital... No... abortion act... shall be allowed, permitted, or suffered to be performed at any building... other than at a hospital. Any person, firm or corporation convicted of a violation... shall be punished by a fine not exceeding \$1,000 or by imprisonment for not more than 15 days or both... and each day... shall constitute a separate offense."

The law seems clear enough, so now it remains to be seen whether it can be enforced, or whether the Town of Oyster Bay will be invaded by still other practitioners of this grisly business. It must be admitted that Hicksville's

location is very attractive, with virtually unmatched access from all parts of the Island, New York City, and even New Jersey by public transportation, without taking into account the Northern State Parkway and the LIE. Other communities with similar facilities take note. Apparently abortion, the death industry, has become a growth industry.

Opponents of abortion in the Town are gearing up for a prolonged campaign. Those interested in protesting this new development can write to Families for Life at P.O. Box 574, Hicksville, 11801.

Families for Life is the local pro-life group. The next regularly scheduled meeting will be on Wednesday, April 22, at 8 PM at Levittown Hall, Beech Lane and Levittown Parkway, Hicksville.

All About Camp 4H

SPRING is in the air ...and most children are thinking ahead to summer vacation. We feel summer is a time for exploring the wonders of nature, developing new interests, and learning new skills.

At the Dorothy P. Flint 4H Camp children live and play together; accept responsibilities and plan activities with their cabin-mates. The highest standards of simple, orderly, clean living are stressed at Camp 4H.

The camp is located

on the north shore of Long Island, on the Long Island Sound in Riverhead, N.Y. It is 150 acres complete with a fully-stocked working farm. Programs are conducted in areas such as food, clothing, natural science, woodworking, archery, tennis, water safety, equitation, drama, arts & crafts. 4H Camp offers a four-square program where boys & girls "learn to do by doing." It is a sleep-away experience only a short distance from home.

Call today for a bro-

chure and application: 454-0900.

LOOKING FOR A JOB?

1981 summer positions are available at Camp 4H. On Thursday, March 26th the Burns Avenue PTA conducted another series of workshops as part of the Parent Education program.

Following an introduction by Dr. Frank E. Burke, Principal of Burns Avenue, staff members conducted a number of high interest programs including the following:

A. "SQ3R" by Mrs. Elizabeth Obrenski, Reading Teacher.
B. "New Program Offer-

ings at Our Jr. High School" by Mr. Stuart Royce and Mr. Pat Quinn, Guidance.

C. "Homework and Study Habits" by Mrs. Rose Wells, Grade 5 Teacher.

D. "Math Programs" by Miss Sylvia Hirschhorn, Math Resource Teacher.

E. "CPR" by Mrs. Gail Cooley, School/Nurse/Teacher.

F. "Getting Ready for Kindergarten" by Mrs. Helen Grumo, Kindergarten Teacher.

G. "DRP Statewide Tests" by Mrs. Claire Little, Reading Teacher.

H. "The Three R's and Then Some" (A Real "Hands On" Activity) by Mrs. Jeannette Wade, Grade 4 Teacher.

Parents' comments pertaining to the workshops were most favorable.

Refreshments were served by the Burns Avenue PTA following the well attended meeting.

Dear Editor:
On Tuesday, April 7, Newsday carried an article on "Parents Continue Attack On Sex Education."

No. 273-1081 relating to Amendments to the Code of Ordinances of the TOB, Chapter 17 MV on Traffic Rules and Reg. Art. V, Traffic Control in shopping centers, relating to the Woodbury Mall in Woodbury. This provides for a fire lane and parking spaces for the handicapped.

They approved Resolution No. 272-1981 relating to the approval of site plan on petition of U-Haul Co. of LI, Inc. at Jericho.

It was filled with many falsehoods and a very biased opinion. I was at that meeting and feel that two women have no right to speak for other parents in the community; they are not elected officials.

They called it "Sex Education" - wrong! It is health education, which includes courses on drug abuse, mental health, nutrition, alcoholism and tobacco abuse, world health, first aid with CPR certification, minimal sex education and many other health related subjects.

The school budget for next year has nothing to do with the course; we, all the parents, have the right to approve and review this course and to inform our elected officials on the school board how we feel, so they can make the final decision.

Sincerely,
Mrs. A. Wittig,
Hicksville.

Benefit Basketball

On Sunday April 12 at 3 PM at the Hempstead High School gym, the WVHC All-Star basketball game will challenge the #2 regionally ranked Dutchwomen of Hofstra University. Each point scored will be money for Big Brothers and Sisters and a special half-time clinic will be given by Hofstra's Dick Berg and the Flying

Dutchmen basketball team.

Admission is \$1 for everyone and all those who attend will get a free gift from WVHC. Remember all proceeds go to help the Big Brothers and Sisters and for more information about the event you can contact them at 489-7440 or contact Scott at WVHC.

Wins Art Award

Holy Trinity High School student, Stanley Covington, son of Stanley and Marguerite Covington of Hempstead, was awarded fourth prize for Most Philosophical painting in the art contest held by Nicholas LaBella, chairman of the Holy Trinity Fine Arts Department, in an effort to assist in the recruitment of volunteer firemen.

Oyster Bay, had read a column by Oyster Bay Town Supervisor, Stanley Covington, citing the need for firemen. LaBella, who is an artist in his own right, recently completed a large painting showing a "Fireman in Action," which immortalizes heroic fireman, Harold Hoey, Jr., and is owned and displayed by the Oyster Bay Fire Co. #1.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:
"Those who criticize the most are often those who do the least." Old Italian Proverb.

YOU don't have to patronize a ritzy nite club to find the ultimate in personal satisfaction, and you don't have to dine in an exclusive restaurant to seek the kind of personalized service you have become accustomed to. If these conditions are your forte, then kindly be informed that they can be found at the Galileo Lodge anytime you attend one of their affordably low-priced social activities. Remember, too, that the slogan of the Galileo Lodge is and always will be "to offer you the most in entertainment and cuisine for the least amount of money, and in these times, what more can you ask for?"

To offer you some specific examples of Galileo Lodge entrepreneurship, permit me to mention our Anniversary Dance, scheduled for the 25th of April. For the modest sum of \$15 per person, you will be offered a cocktail hour, Chicken Cordon Bleu with Orange Sauce, beer, soda, coffee and cake, set-ups and unlimited liquor, not mention live music from a popular L.I. music combo. In charge of this affair is Teddy Marotti (681-5190) and he will be assisted by Jim Pino (822-7060). To enliven what promises to be a most pleasurable night, a big money raffle will be held, so all members are urged to turn in their raffle tickets as soon as possible. Receptiveness to this activity is remarkably good, which means that all those wishing to attend should quickly contact the members mentioned above. Start the nice weather season the right

way at the Galileo Lodge.

Do you like May-time dances with all the flavor and atmosphere of early summer recreation? If you answer 'yes', then kindly be informed that the Galileo Lodge will present its May Dance on May 16th, a Saturday. For the attractive sum of \$9.00 per person, you will be offered a delicious roast beef dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music from the Datanones. Mary Monteforte (939-6454) of the Ladies Auxiliary will 'chair' this activity and she will be assisted by co-Chairladies Sue Lurenti and Carmen Russo (931-9351). Please note that a 'bring-your-own-liquor-policy' will be in effect that night. Incidentally, Mary Monteforte can also be reached every Wednesday night at the Galileo Lodge Bingo sessions for tickets and seating arrangements, from the hours of 6:00 to 9:00 P.M. I might mention that the Galileo Lodge will be beautifully decorated by the talented and enterprising Ladies Auxiliary in a motif highly suggestive of a Debutante's Ball. So, for an exciting and enjoyable evening, why not head for the Galileo Lodge on the date mentioned here.

No need to elaborate on the life-giving properties of blood, and certainly no need to resort to excessive verbiage in stressing the importance of a Blood Bank to an organization composed of human beings. But I am proud, and so is the Galileo Lodge, to mention that its Blood Bank Day will take place on Thursday, the 18th of June. Come one and come all come and give all the life-giving properties of your body to someone who needs

it - and we never know who that someone will be. Illnesses strikes quickly. Emergencies leave us almost defenseless, so now is the time to give your blood. All donors automatically become members of that Blood Bank. Contact Teddy Marotti (681-5190) for additional information, although additional details concerning this activity will be forthcoming in future installments.

Soon it will be summer. Time for golf, fishing, boating. Time for picnics and outings. Time for sandy beaches and roaring tides. Time for lush valleys and green fields. Time for willow trees, babbling brooks and

cool streams. But is time too for the Galileo Lodge's Italian Feast, scheduled for Tuesday to Sunday, the 21st to the 26th of July. Get ready to step into another world, a world of the past, with its own traditions and customs. Its time for the pleasant aromas of sausage, peppers, pizza and zappoli, its time for confetti-colored lights brightening up the warm summer nights. Its different. A change of pace. Rides. Amusements. Food stands. All for your enjoyment and pleasure. Mark these dates on your summer Calendar of Events and partake of the different kinds of recreational activities offered by the Galileo Lodge.

At The Community Council Meeting

By Carole Wolf

The April Hicksville Community Council meeting was a potpourri of information as an update of the Jones Institute lawsuit, a program for senior citizens, the library budget, a nominating committee report and flags were presented.

The first order of business was the presentation of 52 American flags from the Woodman of the World to 52 Hicksville organizations who will so generously permit their red, white and blue to fly over the downtown area during major holidays.

The first speaker was longtime Hicksville resident, Herb Klein, a plaintiff in the Jones Institute lawsuit. Klein commented on the original lawsuit and mentioned that there was a second suit to demand that Nassau County meet their obligations to the Institute. The county claims there has been no budget filed for the institute, therefore, there is no obligation.

Money could be raised for the institute if it is needed, but if the trustees don't say anything about it, nothing will be done, he continued.

Klein was also concerned about the revenue collected from a mortgage which is

presently held by the Institute. He also declared his willingness to sit on the Board of Trustees of the Institute.

Barbara Chang, a nutritionist with the County of Nassau, Department of Senior Citizen Affairs, listed programs that are available for the older residents of the county. There is the Senior Community Service Employment, a job replacement service which gives guidance and placement part-time and full-time help under Title V for those 55 years of age or older. There are income limits and the positions pay minimum wage level.

RSVP is a senior volunteer program in county offices, nursing homes and day care centers. House Screening gives eye tests, blood tests and blood pressure check to homebound. There is a minor repair service to Seniors, provided they fall under a specific wage category. Project Share is used when seniors wish to share their home with another person.

There are 20 Nutrition Programs in Nassau County. The Levittown Program, with Rosemarie Raimo as

Director, provides a congregative lunch, shopping assistance, cards and bingo. Meals have been delivered to the home for those ill or disabled, but when possible, it is urged that the senior join with others for their lunch. When necessary, the center manager can make arrangements for transportation. The Levittown Center is part of Action Counsel and meets in a rented school building.

Other benefits of being a senior are: a permanent pass to enter all Nassau parks, a New York State Golden Park Pass which allows those 62 and over free entrance to a state park from Monday to Friday and special discounts to restaurants and theaters, a Telephone Reassurance Service, whereby a volunteer calls seniors, a Postal Alert, which a postman announces to his superior when there is a large accumulation of mail (senior must be registered with the Post Office) and a Fuel Aid for those 60 and above who make less than \$478 a month including interest.

Incumbent Clara Bennett and her opponent, Josephine

Bucker were announced as candidates for the Hicksville Library Board. Voting for candidates and the budget is Wednesday, April 15th.

Ken Barnes, Director of the Library, gave the 1981-82 budget report. He stressed the versatility of the library with its large collection of books and phonograph records. The budget is \$868,000 up from \$781,000, of which most of the increase is due to a 7% salary raise. The library is open 60 hours a week and is now accessible to the handicapped due to the installation of an elevator.

Barnes also requested that diagonal parking be installed on the south side of Second Street for use of library patrons when school is not in session. There has been a negative reaction to the proposal. National Library Week is April 4th to the 11th.

Sieg Widder, Chairman of the Hicksville Community Council Nominating Committee, has announced the new slate of officers for the 1981-82 season. Voting will take place in May for John Budnick as President, Cathy Stecker as First Vice-President, Al Peck as Second Vice-President, Tom Clark

as Third Vice-President, Bernice Neufeld as Corresponding Secretary, Christine Cahalan as Recording Secretary and Clara Bennett as Treasurer.

If approved, the above slate will be installed at our annual dinner which will be held at Gigi's on Thursday, June 4th. Tickets are \$10 per person and there are 10 at a

table. Also reserve your space for your business card in the Annual Journal. Cost is also \$10. For information, contact Al Peck at HAD.

Our April Club meeting will be held on April 10, 8:30 p.m., at the V.F.W. Hall, 320 South Broadway, Hicksville. Our Oyster Bay Town Clerk, Ann Ocker, will be our keynote speaker this evening. Ann is a knowledgeable person who will provide us with a presentation that should be both informative and interesting.

While you're at this meeting, you will meet your Club officials, some of your Town officials and many of your friends and neighbors. Come on down—you'll enjoy yourselves.

And now a word from our Senior Citizen chairman, Frank Jopp:

"Seniors, even though spring is finally here, we can still expect some nights to be on the cold side, and some of you may have occasion to use portable space heaters. Each winter a number of accidental fires and deaths by asphyxiation are attributed to the careless use

of space heaters. A recent news release from the Nassau County Department of Senior Citizen Affairs addressed this problem. I'd like to quote part of the news release for your information:

* In an effort to avoid unfortunate accidents, stated Commissioner Adelaide Attard, we urge Nassau seniors to take precautions when using space heaters.

* Senior citizens should be aware of the following hazards when buying and using gas, oil, kerosene and electric space heaters:

* carbon monoxide poisoning caused by unvented or improperly vented heaters;
* burns and fires caused by contact with the flame heating element or hot surface area;
* explosion of accumulated gas while attempting to light or re-light burners;
* electrical shock, often because the user is wet when

in contact with heater;

* older heaters may not have safety devices such as shut-off valves.

Safety Tips:

* buy a space heater with a guard around the flames or the heating coil;

* electrical heaters should have an automatic switch which cuts off electric power if the heater is tipped over;

* carefully read labels and instructions before installing and using new heaters;

* check local codes to make sure all installations conform to requirements;

* be aware that mobile homes require specially designed heating equipment.

General Precautions

* don't put space heater near drapes, furniture or other flammable surfaces or in heavily trafficked areas;

* do not leave heaters on overnight;

* use the proper fuel for oil and kerosene heaters, do not interchange fuel;

* never completely fill a heater with oil or kerosene

because as the fuel warms, it expands, causing spillage and flare;

* always keep a screen around a space heater which has an open flame;

* never use flammable liquids around a space heater.

Obviously, even though space heaters perform very useful functions, they must be used with caution, so if you use one, please take the precautions stated above.

"Did you know that persons sixty years of age and over in Nassau County now number 229,000 and represent about 16.6% of the population? The specialized needs of this group of citizens have been designated as the responsibility of the Nassau County Department of Senior Citizen Affairs. If you have need for any of their programs and services, contact this Department at 222 Willis Avenue, Mineola, NY 11501, telephone (516) 535-4614."

Bonnie Sue Doniger celebrated her 19th birthday in April. Helping Bonnie Sue enjoy her special day were her parents, Janet and Jerry, and her brother, Larry.

And it was a second birthday for Lauren Elizabeth Drost on March 22. Lauren lives in South Farmingdale with her parents, Christine and James. However, her grandparents and aunt, Mr. and Mrs. George Knight and Mary Knight live in Hicksville. In fact, Christine is a product of our school system and Jimmy has been active in the St. Ignatius Loyola Drum and Bugle Corp for many years.

Back from a three-week vacation to Puerto Rico are Maryjoan (nee Maher) and Andy Perez and their two sons, Jimmy (4 years) and Frankie (18 months). They had a marvelous vacation. Jimmy was awed by his first trip in a plane - that is on the way down. However, on the return flight home he acted like a seasoned traveler. As great as the vacation was, the Perez family said "there's no place like home."

Can't forget to tell you of the celebrations in the Galisue household. Dot celebrated her birthday on March 3; her son, Denis, celebrated his birthday on March 20; and Denis' son, Brian, celebrated his second birthday on March 29. Of course, "it's Poppa who pays," so Dot's husband, Tom bought gifts and gifts

and gifts. Tom, you know, is our Town of Oyster Bay commissioner of the Department of Parks and Recreation. Dot, Tom Denis and his family are all Hicksvillites.

On March 21 Anne Kremler celebrated her birthday. Her husband, Frank, daughter, Annette, and their sons made this a truly special day for Anne. Much love from your family friends and neighbors, Anne.

More March birthdays! This time was Janet and Frank Gio's son, Anthony, who was nine years old on March 3. The Gio's are Hicksville residents and have another handsome son, Christopher.

Happy Anniversaries to Bill and Lee Pietruszewicz of HICKSVILLE. Bill and Lee will celebrate their 37th anniversary on April 9. Bill is a member of the Hicksville V.F.W. Post and Lee is a member of the Ladies Auxiliary.

We heard of a lovely surprise held for Evelyn Fico of Mayfair Lane, Hicksville. While her husband, Tom took Evelyn out for a birthday dinner at a local restaurant on March 25, their children: John, Kim, Laurie and Tommy, Jr., baked a cake, readied the house and assembled all the guests. About twenty friends and relatives were on hand to shout, "surprise," when Evelyn arrived home.

Turning Point Workshop

Do you have little or no college education? Are you looking to add new dimensions to your life?

Before you go any further, join the three session Project: Turning Point workshop at the Hicksville Public Library conducted by Gloria Kuenen of SUNY-Old Westbury beginning on Wednesday, April 29 at 7:30 P.M. The second session will

be on May 6 at 7:30 and the third will be decided on by the participants. The sessions will conclude at approximately 9:30 P.M. Coffee will be served during these informal discussions.

Pre-registration is required. Applications are available at the library.

Call WE 1-1417 for any further information.

The Hicksville Public Library has a trip planned to "Westbeth" (the factory building converted to artists studios/living quarters) in the West Village for Wednesday, April 22. We have been invited to visit with four artists who will discuss their methods of working with whatever media they use and they also will answer any and all questions one may have concerning art and artists. The cost for the bus

"Westbeth" Trip

transportation and admission to the artists studios will be \$11.50 a person. As usual, there is a limit to the number that we can be accommodated on the bus, therefore it is suggested that you pay as soon as possible. Make checks payable to the Hicksville Public Library.

The bus will leave from in front of Frank's Alibi at 9:00 AM and will return at approximately 4:00 PM.
