in a program sponsored by the Town's Cultural and Performing Arts (CAPA) Division.

Also on hand for the occasion were Dr. Terrell Stackpole (left), Supervisor of Comprehensive Arts for the Hicksville School District, and J. David Abt (right), director of the high school band.

Opposition To Duffy Ave. Extension Continues

From varied sections of Hicksville, strong and continued opposition to the proposed extension of Duffy Avenue became apparent, after the page one story in last week's issue "County Allocates \$1 Million For Extension of Duffy Ave."

At a well-attended general meeting of the Hicksville Chamber of Commerce held on Tuesday, April 22, the position of the Chamber was reviewed and then, at a Board meeting following the general meeting, it was voted to send strong messages of opposition both to the Town of Oyster Bay and to the County of Nassau, inasmuch as they are both involved in this proposal.

In a letter dated March 28, 1980 and mailed to the following elected representatives: Joseph Colby, Joseph Saladino, Howard Hogan, Jr., Salvatore Mosca, Kenneth Diamond, Gregory Carman, Thomas Clark, Ann Ocker, Anthony Maurino, Frank DeStefano and Francis Purcell, as well as to local and daily newspapers, the following paragraphs state the Chamber's unchanged position regarding the extension of Duffy Ave.: "... the unpopular suggestion of extending Duffy Ave. from Newbridge Road or Nelson Ave to Broadway, would be

ave. extension. We were also told that no other organization had expressed approval of the plan. At the March 6, 1980 meeting of the Hicksville Community Council, the representative of the Hicksville Fire Dept read a letter stating our Fire Dept's disapproval of the plan. To the best of our knowledge, this now makes the score ... two responsible organizations against ... none, for!"

On May 20, 1980, at a public hearing at Town Hall a chamber representative presented petitions in opposition to the Duffy Ave Extension, signed by hundreds of Hicksville residents to the Town Clerk. These petitions read as follows: "DUFFY AVE. EXTENSION... We, the signers of this petition, taxpayers, voters, residents of the Hamlet of Hicksville, Town of Oyster Bay, Nassau County New York, have signed our names to this petition addressed to Joseph Colby, Supervisor of the Town of Oyster Bay, and the Councilmen of the Town of Oyster Bay, and all other elected officials, to advise them that: We are opposed to the proposed extension by Nassau County, of Duffy Ave. in

Hicksville, an easterly direction, to the intersection of Broadway and West Marie Road. The Town of Oyster Bay's objection is that it will serve no useful purpose, but will create additional tax burdens, will eliminate some existing parking, will disrupt traffic flow, will complicate both fire safety and future downtown development."

At that time this representative of the Chamber publicly stated, that he was presenting the Town Clerk with this package of signed petitions in opposition to the proposed Duffy Avenue extension.

In addition, this week, the following letter was sent to Sup. Colby by Trinity Lutheran Church, a property owner in this area.

Dear Supervisor Colby: In the April 17, 1981 issue of the Mid-Island Herald, we read with considerable dismay your announcement that the extension of Duffy Avenue would become a reality. Less than a year ago, several hundreds of other Hickville residents in signing a petition against such an extension. Our position has not changed. Our Church and School and its 3000 participants are most interested in the com-

munity we serve. On many occasions in the past ten years, we have both observed and participated in the discussions for the improvement of the Hicksville Triangle. Although we have felt favorable toward many suggestions, there are two suggestions which we continue to strongly oppose. We vehemently oppose any plan that would make West Marie Street a dead end at Broadway. Likewise, we just as strongly oppose any plan which would have Jerusalem Avenue end at the proposed "Duffy Avenue Extension." Our pastor, Dr. John H. Krahn, would be happy to share our reasons behind this position if you wish further clarification.

Sincerely,
Samuel F. Zakian
President
CHURCH COUNCIL

Finally, Mr. George Biessler, owner of the Import Shoe Fair, a large store located for the past twelve years on West Marie Street, stated: "I feel it is unfair to take away the front of a business it took 12 years to build. We will lose our street traffic and foot traffic that passes our windows daily. By closing the street in front of my store, I will be hurt a great deal."

Ahhh... hhhh... hhhh... we can now all breathe a sign of relief. April 15, the deadline date for the submission of income tax returns, has past. Some of you are eagerly awaiting a return for overpayment on your taxes; some of you reluctantly sent a check or money order to "Uncle Sam" to make up for the deficit in your 1980 income taxes. Regardless of which side of the fence you're on in this annual obligation, we all benefit from the many services provided by our taxes. We have well kept highways and roads, street lighting, garbage collection, police protection, fire protection, national defense, public schools, libraries, social security, medicare, medicaid, and on and on and on. So if you think of these services and the many others I did not mention, it might make your tax payments seem less painful and a little more palatable. That old adage, "You get what you pay for," is just as true when applied to our tax money as it is when applied to our consumer goods. Besides, unless you are paying an estimated tax quarterly, you don't have to go through this ordeal again until next year.

It was just a short time ago when we saw a prevalence of yellow ribbons displayed prominently throughout the county, state and country in remembrance of our hostages held in Iran. This spring you might have noticed green ribbons being worn or displayed by many people. Many Americans are wearing green ribbons to demonstrate their grief and outrage over the killings of more than 24 Black youngsters in Atlanta, Ga. The ribbons are a symbol of solidarity with the victims of violence. We join with all Americans who abhor unwarranted violence and abuse inflicted upon any of our countrymen, women and children. Law-abiding, peaceful and responsible people are in the majority in our nation. Therefore, let's rule with the majority and not fear the minority.

Councilman Douglas Hynes addressed the Ernest F. Franke GOP Club and was available to speak personally to those present following the Club meeting.

Farrell (433-0319) or myself (433-5994) for tickets, raffles or information on this event. You'll have a delightful evening with many of your friends and neighbors - so be sure to come - we'll look for you.

On Friday, May 8, Nassau County Executive Francis T. Purcell, will address our Club meeting. Mark your calendar now so you won't miss this opportunity to hear our County Executive discuss current matters of importance to us all. Mr.

Purcell is a dedicated and dynamic leader. With his record of accomplishments for Nassau County we know he will be re-elected next fall with a resounding majority.

Reminder: If you are a homeowner aged 65 or over, with a household income from all sources under \$9,200 per year, you may be eligible for a substantial reduction in your property taxes. Senior citizens who already have this exemption must reapply each year during the filing period: January 1 through May 1. Further information (Continued on Page 4)

Here's some happy news - John and Anne Maniec of Bayside, formerly of HICKSVILLE, are the proud parents of a daughter, Karina Louise, born at Nassau Hospital in Mineola on March 31 at 3:36 a.m.

Katrina weighed in at 8 lbs. 2 ozs. She has two sisters awaiting her homecoming, Elina who is three and a half, and Laura, who is almost 2. Best wishes to all.

Congratulations to Richard and Geraldine Cousland of Henry Ave., HICKSVILLE, on the birth of a son Ryan Michael at North Shore University Hospital. The couple has another child, Jennifer Anne, 4 years old.

We want to be the first to wish Ann and Dick Peters "happy anniversary." Ann and Dick will be married 18 years on April 28. The Peters moved to HICKSVILLE

from Flushing eighteen years ago. They raised their three children in our community, Doreen, Richard Jr., and Michael. Congratulations.

Vincent and Dorothy Cronin are so proud of their children. Son, David Paul Cronin, is graduating from Nassau Community College with an Associates degree in computer science. David has been accepted in the New York Technical Institute to further his education in computer science. Their daughter, Naomi, is employed by GEICO and is quite successful.

We wish a speedy recovery to Mark Masseria who is recuperating from a recent appendectomy. Mark is employed by the Hicksville Water District, and lives with his family in HICKSVILLE.

Guess who celebrated her birthday on April 5? It was Martha Masseria. Martha's husband, Bernard, and their sons, Joseph and Mark, held a family party for her. She received beautiful flowers, gifts and a delicious birthday cake.

Over on the other side of town Bobby and Mike Jackson visited their sister, Jean, and her husband, Brian Van Dyke, in Orlando, FL. They drove down and stayed during the Easter

recess from their school. Jean was so excited and thrilled to see her brothers. Meanwhile, the Jackson children's mom, (also Jean) travelled to Boston to visit her other daughter, Anne, who is completing her first year in graduate school at Boston College. Anne is majoring in social work. By the time you read this, Bobby, Mike and their mom, Jean will be back home, tired but happy from their travels.

The Clark household was bustin' during the Easter holidays. Jeanine Clark was home from Niagara University for two weeks. Her college roommate, Penny, stayed at the Clark home for four days. When she left, another college friend of Jeanine's arrived to stay for a few more days. Of course the other eight Clark children had their friends in and out and back and forth, too. However, mom, Corinne, was her usual congenial and competent self and the household ran smoothly. Dad, Tom, (our T.O.B. Councilman) had the easiest role of all - he was back and forth to work taking care of our communities affairs.

Marian Braun of 3rd St., HICKSVILLE, has just returned home after a two-week stay in Mid Hospital, under the care of Dr. James Dunn. She suffered heart damage.

BUCKS AWAY: Assistant Vice President Clarence Ryder, manager of Eastern Savings Bank's Plainview Office, carefully drops some of the bank's gift of 500 one-dollar bills into a bag held by Dorothy Blumstein of the

Township of Oyster Bay's Cultural and Performing Arts Division.

Eastern Savings Bank made the grant to support local cultural programs as part of the bank's 75th anniversary observance.

However, she is on the mend and again recuperating at home. Her sincere thanks goes out to all for their concern and love and particularly to the Massapequa Tabernacle of God and Trinity Lutheran Prayer line. Friends are welcome to visit her as this is good therapy for one who can not get around.

other daughter, Paula Olsen, lives in Goshen, N.Y. with her husband and family. Josie and Sal have ten grandchildren whom they dearly adore. A family party was held in honor of this wonderful occasion. Congratulations folks.

"Vandals Should Be Fully Responsible For Their Acts" Purcell

Vandalism cost Nassau County school districts an estimated \$1.5 million last year — plus at least another \$1.6 million for security personnel and vandalism prevention measures, according to a report delivered recently to County Executive Francis T. Purcell by his Anti-Vandalism Task Force.

"The report and the statistical tables graphically portray the staggering costs that taxpayers must pay for acts of vandalism against public property," Purcell said. "The Legislature must enact laws that will enable society to reassert its rights vigorously and forcefully. We must have laws that will let us crack down on vandalism and hold vandals fully responsible for their acts."

The report, prepared by the task force's subcommittee on the schools, which surveyed the county's 57 school districts to gather data on the incidence of vandalism, said that there were an estimated 32,724 acts of vandalism committed against schools last year, and that damages averaged \$3,763 per school.

The subcommittee on the schools was chaired by Frederick W. Breitbut, assistant principal of Sewanhaka High School in Floral Park. Data were gathered by sending questionnaires to the county's 57 school districts.

The subcommittee noted wide variations in the methods used by school

districts to report and catalog vandalism. Its key recommendation was establishment of a school vandalism data bank, based on a uniform countywide reporting system, under the auspices of a countywide organization like the Association of Chief School Administrators.

The task force, under the chairmanship of Nassau District Court Judge Robert Roberto, issued an interim report on January 22, in which it urged a crackdown on vandals and wide dissemination of data on the incidence of vandalism in the county. It recommended a series of steps to be taken by local governments, school districts, the courts, police and the New York State Legislature.

A commodity subcommittee report, based on responses from 1,500 survey questionnaires mailed to hospitals, nursing homes, shopping centers, libraries, and civic, social and religious groups, is expected to be released within two to three weeks. A final report of the overall task force, containing recommendations based on the school and community surveys, should be released in early June.

Copies of the school vandalism report are being forwarded to state legislators, the Commissioner of Education, libraries and school districts.

Television executives and a number of people identifying themselves as "civil libertarians" are up in arms over plans of the newly formed Coalition for Better Television to monitor prime-time programming this spring and to launch a consumer boycott against sponsors of programs promoting excessive sex or violence.

CBS, the network which most overreacted to the coalition's announcement, denounced the effort, and said an economic boycott would "amount to censorship — a concept abhorrent to the American way of life."

Officials of ABC said the boycott threat was "a totally unacceptable means of trying to influence programming."

And officials of NBC maintained that "pressure tactics" go beyond the test of reasonableness.

Peter Allport, president of the Association of National Advertisers, also denounced the boycott idea, saying at a press conference that "Such means are coercive and contrary to the spirit and purpose of our free institutions."

Unfortunately, none of the people denouncing the coalition's game plan seems to have a very good understanding of what "the spirit and purpose of our free institutions" is all about.

For example, what was the rationale given by TV executives when T&A (television talk for certain parts of the female anatomy — T, up front and above the waist, and A, round back, and immediat-

ely below the waist) first became popular a few years ago with shows like "Charlie's Angels" and "Three's Company"? If that's what the public wants, they told complaining producers, what the public will get.

How can we tell what the public wants?

The answer, of course, is through television ratings, and through sales of the products advertised on the various shows. In other words, the "market" determines what the public wants.

Where does that lead us?

That leads us back to the fact that product boycotts, as distasteful as they may seem to some people, are in fact exercises of the free market and a way for people to express their views.

Every time I buy a certain

brand of pipe tobacco, I am, in effect, boycotting the others. And every time I tune in to "60 Minutes," I am boycotting the "World of Disney."

In a free society, I have the right to make these choices — for whatever reason.

If members of the Coalition for Better Television are unable to mount a successful boycott, let it be because there wasn't a large enough market for their boycott, not because television and advertising executives can use their powerful advantages to create an impression that the boycott is un-American.

Boycotts are as American as apple pie. The only threat to the spirit and purpose of our free institutions comes from those who refuse to understand this.

Volunteer Workers Gave Nearly A Million Hours In '80

Residents gave nearly a million hours of volunteer services to Nassau departments and agencies in 1980, according to a report made on April 17 to County Executive Francis T. Purcell.

Phi Fleer, administrator of the Office of Volunteer Services, gave her report to Purcell as he proclaimed the week of April 26 as "Volunteer Recognition Week" in Nassau.

Mrs. Fleer said that a total of 8,592 individual volunteers, serving more than two dozen departments and agencies in 1980, put in a total of 890,582 hours of work free of charge.

"If these wonderful people were paid wages commensurate with the work performed, the cost to the county would have been an estimated \$5,337,201," Mrs. Fleer told the County Executive. "This great show of volunteerism saved the taxpayers that much in dollars."

The Office of Volunteer Services recruits volunteers, interviews them and places in positions where their available time, skills and interests will be best utilized.

"There are ever-growing areas where the opportunities for interesting volunteer

service is available," Purcell pointed out. "These aren't envelope-stuffing or stamp-licking chores, but real positions where the volunteer can enjoy a true sense of fulfillment. Doing a job in the museums, in the poison control center or at a nursing home can give a volunteer a great feeling of accomplishment."

The Nassau Cooperative Extension Service was the agency which had the most voluntary involvement in 1980, according to the report. There were 2,732 people involved in the more than 40 programs run by the agency, which has an advisory board of 150 volunteers. The service operates the 4-H Clubs and conducts many programs for homemakers including sewing, cooking, nutrition and the like. These volunteers recorded 249,539 hours of service at a monetary value of \$1,501,717.

"These figures do not reflect the service of the volunteer firemen of Nassau County," Purcell said. "Their recruitment, training and service is done through the individual fire departments and districts. Their hours of service cannot be counted and their value to the community is beyond

Need Itemized Bill In Medicare

Many people undergo needless delay in receiving reimbursement under Medicare medical insurance because they do not include an itemized bill when they submit their Request for Medicare Payment form.

An itemized bill must accompany the form if Part II of the form is not completed by the doctor or supplier. If the bill is not acceptable, the Medicare carrier will return the form to the person and an extensive delay in payment may result.

To be acceptable, a bill for services must include:

- A complete description of each service or supply received.

- The date each service or supply was received.
- The place each service or supply was received.
- The charge for each service or supply.
- The name of the doctor or supplier who provided each service or supply.
- The person's name and complete health insurance number exactly as shown on the person's Medicare card.
- If possible, the diagnosis.

A bill which just shows "For professional services rendered" or "Balance forward" is not acceptable.

For more information and free Medicare booklets telephone 576-9162.

Passports Available At Post Offices

Americans traveling to foreign countries are reminded that passport application forms are available and accepted for processing at some local post offices, Sectional Center Manager Postmaster Anthony M. Murello said.

For Hicksville-area residents, the local post offices with passport applications forms are Hicksville, Plainview and Old Bethpage. Customers can also ask any postal clerk for the name and location of the nearest office offering the forms.

"Of course, it isn't a matter of walking in, filling out the forms and walking out again with a passport," Postmaster Murello said. "In order to apply, you need

two identical 2" x 2" photographs taken recently against a plain, light background, evidence of your U.S. citizenship and valid identification bearing your signature or photograph." Because of processing time, persons needing passports should apply well in advance of planned departure.

A passport costs \$15, which includes a \$5 execution fee. And, under most circumstances, it is valid for five years. Detailed information can be obtained from the post office handling applications or from the Department of State's Office of Passport Services, 1425 K Street, N.W., Washington, D.C. 20024.

Dear Friends

HICKSVILLE COMPOSER ON MUSICAL TOUR: A recent presentation of Rosa Parks "Back of the Bus" with all original music scored by Jim Cummings, Jr., of Myers Avenue, Hicksville, will be performed at the John F. Kennedy Center for the Performing Arts, in Washington, D.C., for 10 days starting this Saturday, April 25. Upon completion of the Washington, D.C. production, the show will perform in Detroit, Michigan, hometown of Rosa Parks from May 3 to May 10. The book and lyrics by James Mirrione, of the CAT (Creative Arts Team at New York University, reflects the courage and fortitude of a young black woman, named Rosa Parks, who in the early-50's refused to be seated in the "Back of the Bus." The rest is history.

Jim Cummings, a staff member of the CAT at New York University, was most recently the musical director and composer for the off-off Broadway production of Shakespeare's "Pericles" at the Jean Cocteau Repertory Company, Bouwerie Lane Theatre, in New York City. Director Toby Robertson, who has directed over 40 productions including HAMLET with Derek Jacobi, is currently directing "Measure For Measure" at the People's Art Theatre, in Peking, China. Upon his return, Mr. Robertson will work on the off-Broadway presentation of "Love's Labour Lost" in New York with Jim Cummings, commissioned to write the musical for this Shakespearean adventure.

In recent concerts, found Mr. Cummings seated at the baby grand piano has played his much-heralded music and song for the Duke Ellington, Maynard Ferguson and Buddy Rich Orchestras. This will back many memories to his Dad, who directed his own dance orchestra during the musical days of the "Fabulous 40's." A writing member of ASCAP (American Society of Composers, Authors and Publishers), this "young Gershwin" has written over 150 copyrighted tunes. With his brothers, Michael and Patrick, the "Cummings Brothers" and "Red Flannel Hash" appeared upstate and in the metro area for the past few years. John Simon, a most recognized record producer put the "Cummings Brothers" on tape for Columbia Records. Simon credits include: The Band; Joni Mitchell; Michael Franks, the Tony Award winning Bway show "The Best House In Texas," etc. The artistic talents of young Kevin Cummings were recognized by NYU's Creative Arts Team as Kevin's drawing of Rosa Parks was selected for the playbill cover.

That's some Cummings' goings, folks - good luck!

Dear Mrs. Noeth:

Enclosed herewith please find a copy of a letter that I have this day mailed to the Commissioner of Education Gordon M. Ambach, that I would appreciate your sharing with your readers.

Very truly yours,
Clara T. Bennett

Enclosures:

Copy of Letter to Commissioner Ambach.

Copy of Letter distributed by Hicksville Congress of Teachers.

Dear Commissioner Ambach:

I am appealing to you today to declare the election held on Wednesday, April 15, 1981, for the position of Trustee of the Hicksville Public Library null and void. The results of this election were Bennett 269 - Buckner 291.

I am petitioning you based on my layman's knowledge of the Election Law, Civil Service Law and State Education Law. I believe that several of these laws have been violated and am turning the facts and information that I have knowledge of to you for your decision in this matter.

I am enclosing a copy of a letter distributed to the teachers in the Hicksville School District by the Hicksville Congress of Teachers. I believe this letter to be in violation of the law for the following reasons:

1. This letter was distributed to the teachers in their boxes on Hicksville Union Free School District #17 property. I feel that this is using school property for political action and is in violation of the law.

2. It is my understanding that this letter was distributed to several schools in the District on Election Day. In as much as the schools are, in seven instances, local polling places, I feel that this is a violation of the Election Law. Any witnesses I might wish to testify for me at my request would be, if not hostile, placed in jeopardy with the Union and I respectfully request that your office receive this information under a subpoena if necessary.

3. This letter does not state who is paying for the distribution of the information and since there may have been over 400 distributed, I feel this is a violation of the State Election Law.

4. The President of the Union, Mr. Bob Zaleski, is a teacher in the District and I feel that his directive is in violation of the Civil Service Law prohibiting certain political activities and improper influence.

Letters To The Editor

tical activities and improper influence.

5. I feel that I have been discriminated against, as a woman, in violation of the laws of discrimination, by attention being called to the fact that I am, "wife of School Board Trustee, Bill Bennett." The implication is that that is my main qualification, regardless of my accomplishments as a Trustee for the past five years. The fact that my husband, in his capacity as School Board Trustee, is "at odds" with the Hicksville Congress of Teachers, should have no bearing on a Library election, nor be considered part of my qualifications as a Trustee. I feel it is an attempt by the Union to control an area of the community in which they have no justification entering into.

6. I have also been told that Josephine Buckner allegedly entered the Administration Building property of the School District and was soliciting votes. I do not feel that anyone has the right to do electioneering in a School District Building or on School District Property, unless done within the framework of a forum to which all candidates have been invited. I believe I will be able to get witnesses who are willing to testify to this fact.

I feel that my rights as a candidate for the Public Office of Library Trustee of the Hicksville Public Library have been clearly violated and I respectfully await your decision in this matter.

Very truly yours,

s/ Clara T. Bennett (Mrs.) CC:

Mrs. Jane Ulrich, District Clerk, Union Free School District #17.

Mr. Kenneth Jones, President Hicksville Public Library Board of Trustees.

Mr. Joseph Shubert, State Librarian and Assistant Commissioner for Libraries. Enclosure: Hicksville Congress of Teachers letter.

Hicksville Congress of Teachers Dear Colleague:

On Wednesday of this week, April 15, 1981, the Hicksville Library Budget vote and Trustee Election will take place. This year, the Trustee Election takes on special significance for us in that a retired Hicksville teacher is in the running for a Library Trustee seat.

Josephine Buckner, a teacher at the Junior High School for 16 years in the Foreign Language Department, will be running for Trustee against Clara Bennett, wife of School Board Trustee, Bill Bennett.

We urge you, your spouse, and any children 18 years of age or older in your household to vote for Josephine Buckner and for the Library Budget on Wednesday, April 15, 1981.

Voting will be at your regular polling places.

In unity

Dear Editor,

At a public meeting of the Hicksville School Board on April 8, 1981, the Board voted to accept the Fact Finder's report on negotiations between the Hicksville secretaries Association and the Hicksville School District.

Although the Board accepted the Fact Finder's report, at the same time, they rejected almost every proposal the secretaries had on the table that the Fact Finder found in favor of the secretaries.

When asked what the next step would be, Mr. Nagle, President of the Board of Education responded, "The next step is up to them (the secretaries). They requested fact finding and they have other avenues. We offered dates, but they have not responded."

Mr. Nagle is in error. The Hicksville Secretaries Association and the Board of Education jointly requested fact finding. I would be pleased to see a copy of the communicate with dates the

Board claims they gave us. Neither I nor any member of the negotiating team received this information from the Board. We look forward to hearing from them.

Yours truly,

Dear Editor,

With this letter I wish to express my thanks to everyone who has helped me to be elected to the office of Library Trustee. I thank you for publishing my letters. I thank every citizen of this community, who voted and worked for me and made this one of the most enjoyable events in my life. I heard from many of my friends and neighbors and the mandate I received from the community is very encouraging.

Thank you for trusting me to carry out your wishes for a library which serves the needs of the community. I shall serve to the best of my ability.

Respectfully yours
Josephine Buckner

LIFE IN THIS DAY AND AGE CAN BE HECTIC

By trying to accomplish a lot in a short period of time, we sometimes rush right through important events and lose their meaning. One important event that deserves extra time and attention is the death of a loved one. Death is a major transition which creates stress. Death means that one's relationship with a person has ended. When someone close to us dies it is helpful to take the time to mark this event in the company of friends. A meaningful funeral and visitation is an appropriate way to do that. After the funeral we need to take time to begin putting our affairs in order and assess what life without the deceased will mean. Taking time to express feelings, to talk with others who care, and to make good plans for the future are some ways to help ourselves after a death.

It's getting around to that time of the year again when Legion activities seem to blossom right before your eyes.... part of the police is the alleged lack of proof that abortions are actually being performed there. This difficulty needs the application of a little common sense. It's pretty clear that if something walks like a duck and talks like a duck and says it's a duck, - then there is reasonable cause to believe it really is a duck. Women's Choice says in its ads and brochure that abortions are performed, and they make appointments for abortions there over the telephone. They even advertise that they will lend their facilities to a patient's own doctor for an abortion. What more reasonable cause is necessary? If a drug ring advertised that it was doing business in our Town, would our officials or police quiver with timidity, or would they act?

In order to support our elected officials in the performance of their duty, the 7,000 petitions gathered so far, together with thousands more expected, will be presented to Supervisor Colby and Town officials at the Board meeting on Tuesday, April 28th. The meeting begins at 10 o'clock, and the public segment will take place after all agenda items have been handled. All those interested in pursuing the matter should attend. Town Hall is located at 54 Audrey Ave., Oyster Bay, just west of the intersection of South St. and E. Main St. In the meantime, town officials should be contacted by phone and urged to act. Its next regular meeting will be on Wednesday, May 27th at Levittown Hall, Hicksville.

Families For Life Club News

By Doug Harknett

Despite having been notified six weeks ago, Town officials have taken no action against, or even communicated with, Women's Choice, the new abortion clinic in Hicksville. As far as is known, the Town law prohibiting abortions outside of hospitals is still on the books.

As a result of this official inaction, right-to-lifers have been busy obtaining signatures on petitions that ask the

Town to act. So far, over 7,000 people have signed in just one day's solicitation, and probably several thousand more will do so before the petitions are presented to the Town Board at its next meeting on Tuesday the 28th.

If the Board thought the issue would go away, it was mistaken. On the contrary, its inactivity has resulted in fleshing out the skeleton of the right-to-life organization in

the Town of Oyster Bay, and has galvanized people into action. Concerned people in areas previously very quiet and under-represented in right-to-life activist circles have now shown that they are under-represented in right-to-life activist circles have now shown that they are ready to step forward and be counted. The presence of an abortion clinic in Hicksville, in apparent violation of the

law, has provided a focus for local action, where frustrations caused by the Supreme Court and by Albany can be worked out, with possible risk to local officials. It would have been so simple for the Town or police to at least have started the process of enforcing the law before this, and not have to be goaded and embarrassed into action.

It is understood that one of the reasons for inaction on the

Galileo Lodge News

VENERABLE TONY PREVITE'S MESSAGE: There are hundreds who can stand failure to one who can stand success; the good loser is far more common than the good winner. Old Proverb

Do not squander time, that is the very thing life is made of. With this rather stimulating and engaging thought in mind, why don't I mention that time is rapidly approaching for the Galileo Lodge's presentation of its 11th Anniversary Dance, scheduled for Saturday, the 25th of April. For the affordably low-price of \$15 per person, you will be offered a cocktail hour consisting of Sausage and Peppers, Escarole and Beans, Baked Shells, Shrimp Chow Mein and Salad. Then a Spring Chicken dinner with all the trimmings, beer, Soda, coffee and cake, set-ups, unlimited liquor and the entertaining music from the Jimmy Marchese combo. Cocktail hour starts at 8 to 9 P.M. and Dinner and dancing start at 9:30 P.M. Joe Giordano (333-4555) will 'chair' this activity, assisted by co-Chairmen Pete Masiello (938-4335) and Joe Morace (931-2548). Needless to mention that all of these committee members can be contacted for tickets and seating arrangements. A memo to all members of the Galileo Lodge, which is that it is incumbent upon you to attend this affair en masse, because it commemorates the 11 years that the Galileo Lodge has been in existence. Tickets are still available, so why not head for the Galileo Lodge on the date designated and treat yourself to a run-filled and entertaining night.

Added to the proceedings on that particular night will be our big-money lottery, which prompts me to add that all members should turn in their lottery tickets to Jim Rerisi (931-6100), who is handling this aspect of the dance.

Speaking of the passage of time, a peek at the calendar reveals that the month of April will soon be a part of the past. Soon it will be May flowers and May dances. And speaking about dances, please note that on Saturday, the 16th of May, the Galileo Lodge will hold its May Dance. For the modest sum of \$9.00 per person, you will be offered a delicious roast beef dinner with all the trimmings, beer, soda, coffee and cake, set-ups and the 'up-beat' music of the Dioneses. Mary Monteforte (938-6454) of the Ladies Auxiliary will 'chair' this activity and she will be assisted by her co-Chairladies Sue Lurenti and Ann Palermo (931-9351), and all of these committee members can be contacted for ticket sales and seating arrangements. As an enhancement of the proceedings of this dance, the fine and delicate hands of the Ladies Auxiliary will transform the inner quarters of the Galileo Lodge into a fantasia of summery moods and delights. So why not treat yourselves to a most enjoyable and leisure-filled evening at the Galileo Lodge at a price you can certainly live with.

News for Bowling enthusiasts in and out of the Galileo Lodge. Bowling starts on Saturday and Sunday, May 16-17 and May 23-24, at the Sterling Bowl

located on Union Turnpike, New Hyde Park, just east of the city line. Cost is \$10 per person, or \$40 per team. There will be a Men's and Women's Division, a Mixed Tournament which includes non-members, and a Children's Division which costs \$3.75 per child or \$15 per team, with 3-person teams. The Adult Division features 4-person teams. Everyone is invited to bowl with the Galileo Lodge. For additional information regarding this activity, please contact Chairmen Jeff Wallick (681-8428) and Jim Pino (822-7060).

For golfing enthusiasts, the news is that the next golf outing will be held on Sunday, May 3rd, at the Bethpage State Park. Green fees are \$6.00 per person and \$12 a cart. This outing starts at 5:45 A.M. and all golfers are urged to make the 6:00 A.M. sign in. Interested parties are asked to contact Jeff Wallick (681-8428) and Jim Pino (822-7060) for additional details concerning this outing. Incidentally,

Charlie Teney told those present at the HBA open meeting on April 16th that he is attempting to enter our Senior girls into two leagues. These girls, ages 16 through 18, might be able to play 12 games for a league of Hicksville, Glen Cove and two Levittown girls, or 16 games for a "under the lights league" which plays night games during the week and on Sunday. The meeting for the 12 game league will be on May 1st. Nothing has been finalized.

And a reminder to all 13 through 18 young ladies and gentlemen that the last day for registration will be May 7th. Many of the older teams will be on the field by May 1st so I urge all to register as quickly as possible. Do it this

weekend before your forget. Did you mark the opening day parade on your calendar? It will be held on Saturday, May 2nd and begin at the old minor field opposite Levittown Hall. After the ceremonies, you are going to stay and watch the games, aren't you?

The dance was a delight. Donna Rehman, Jerry Man-

na and many other helpful hands worked all day Saturday, April 18th, so that the evening would be a success. A small but congenial crowd gathered to listen to the music, drink the delicious wine (even Pina Colada) and eat large wedges of cheese. During the evening, President Joe Trapp praised Donna for all the work that she has been doing to make the HBA a success. She seems to be everywhere, doing every-

thing. Many, Many thanks Donna.

Just a reminder that we have 89 subscriptions to the MID ISLAND HERALD. Since the magic number is 100, we need 11 more. Now before I corner you on the field, wouldn't you like to mail your check to the HERALD and mark it HBA. Remember, we are almost at our goal.

Coaches Barbara McCann and Anthony Luongo.

On Saturday the Comets played an aggressive Smithtown team on a rain soaked field and suffered their first loss, 1-0. The first half was very exciting with many near goals by both teams. Mark Micheli did beautifully in making many saves. John Guittari and Bobby Himmel played hard and fast on our fullback line. Michael Luongo as center fullback and Tim Doyle as center

midfield did super in keeping the ball on the Smithtown end of the field.
In the start of the second half, Smithtown managed to obtain their goal. Our midfield line Tommy Bell, Jeff Gluck and Jimmy McMahah played an exceptional game. Our forwards Frank Humphreys, Anthony Conti, Jim Curley, Ryan McCann, Thomas Reilly, Michael Segal, and John Schneider displayed their abilities with many heart stopping near misses, but were unable to score.

U-9 HURRICANES

sponsored by Pathmark & Phelps-Dodge

The Hurricanes came away victorious this weekend, when they met Syosset for the first time outdoors.

Strong winds didn't affect team play - the passing was right on target. Hicksville's first goal was a play from a corner kick by Chris Flanagan to wing Drew Donohue who put it just inside the goalpost. Syosset quickly retaliated to tie the score, with their only goal for the game. The halfback line did a great job controlling the midfield, with exceptional play by Chris Santarelli.

Our second goal was by Flanagan, who played a strong game on right wing. Goal three was by Bobby Ladimir who put the ball right by the goalie. The final goal was on a series of passes from Donohue & Ladimir back to Flanagan, who lobbed it over the goalies head.

The Hicksville fullbacks played a tough game, out-running Syosset time after time foiling any attempt at their scoring. Kevin Morrisroe, new to the line-up, and Brian Spinner, back from illness, both came through with tremendous effort.

Hicksville Rowdies
Jim Reardon's 69 traveling team started the new season with a bang. The team has won its first three games, defeating Cold Spring Harbor, 4-3, H.B.C. Vikings 3-1, and

Levittown Rangers 7-3. Our forward line of Cliff Heller, Greg Skupinsky, Tony Conigliaro, Glen Kingsley, and Philip Greenspan has been taking more shots on goal than ever before. The halfbacks have been holding their ground and aggressively attacking the ball. Dan Middleman, Jimmy Reardon, Wayne Blatz, and John Kelly are not afraid to commit and keep the pressure on.

The Rowdies also entered the State Cup Tournament this year. In the first two rounds they defeated Staten Island and the Manhattan Metro Team. The Rowdies lost in the third round in a squeaker to East Meadow on penalty kicks after tying through regulation play and two overtime periods.

An unknown fan disrupted the Metro game by running out on the field and hugging the players before time was over. Rumor has it her initials are C.R.

The fine season has been greatly enhanced by the consistently good play of the defense. Todd Roth, Jimmy Hume, Sean Smith, Steve Olive a fullback, and Kevin Hamel in goal have all added to the start of what is sure to be a highly successful season.

Pee Wee Intramurals

By Len Greenspan

Hawaii-3
Florida-1

Hawaii's 1st goal was scored by forward Bryan Pendrick who showed a fine display of skills in scoring his first goal. With the score tied at half 1-1, Hawaii came out and dominated the second half with forward Matt Greenspan scoring 2 goals with assists going to striker Kevin O'hea and halfback Joey Rosner. Hawaii was able to dominate the second half due to the tenacious play of halfback Brian Whitman who controlled the midfield.

Hawaii's defense was led by Adam Schachler, Jason Teitelbaum, Jonathan Feldman.
Mike Tobin and Bryan Pendrick shared goalkeeping and both boys did an excellent job.

Silverman To Seek Seat On Board Of Education

Long time civic leader Burt Silverman has formally announced his candidacy for a seat on the Plainview-Old Bethpage Board of Education in the May 13 voting. Silverman will be campaigning for the seat currently occupied by Board Vice President Ben Taubenfeld.

The announcement of Silverman's candidacy came as no surprise to veteran School Board watchers, who view the Board as a logical place for someone of his talents and background in community affairs. Silverman has served for several years on the School Board's Citizens Budget Study Advisory Committee most recently as Vice President of that Committee, and also served as Chairman of the Secondary School Committee. He was instrumental in the Transportation Petition Drive three years ago, as well as a leader in the Kennedy High School garage issue.

Silverman has been active in other community groups as well. He is a Past Chancellor of Commuter Lodge, Knights of Pythias, and organized the Pythians' School and community awards program for nine years. He also served as the Lodge's Altruistic Chairman for four years, and as the liaison from the Lodge to the Board of Education's Community Leaders' Group.

"We need School Board members who are both responsible and responsive to the needs of our community," Silverman observed. "We need School Board members who will do their homework, and really work at their jobs. Most of all, we need School Board members who will not be afraid to take a position of leadership on the difficult issues that face our community and our School District. It is in this spirit that I have announced my candidacy for the Board."

The Meaning Of Membership In The Chamber

The membership of our Chamber is substantiated by their
continuing support of the many worthwhile endeavors to make our
community a better place in which to live.

They follow a 'Simple Law' often referred to in man's pursuit of
diversified achievements for community and self.

I'm almost certain each and every one of us has been 'drawn up
short' occasionally by our respect for it.

Wouldn't some of you business persons, merchants, and
interested citizens, subscribe to this age-old adage, and join our
growing roster? Then upon joining, continue to practice, teach,
and put into daily use, what I've tried to explain:-

THE GOLDEN RULE

"Do unto others as you would have others do unto you."

Then our projects and interests, with your added input and
support, will surely be recognized by all the governing agencies as
really being more meaningful and noteworthy.

DEVOTIONS

By The Rev. Dr. John H. Krahn
Trinity Lutheran Church

Perhaps in the 1960's we lived in the "Age of Aquarius," but the present decade may well be termed, the Age of Anxiety. Having just come through the uncertain '70's, we are now in what is becoming the anxious '80's. Anxiety is nothing new. In the Sermon on the Mount we read (Matt. 6:25, 33-34) "Therefore I tell you, do not be anxious about your life, what you shall eat or what you shall drink, nor about your body, what you shall put on. Is not life more than food, and the body more than clothing?... But seek first his kingdom and all these things shall be yours as well. Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Let the day's own trouble be sufficient for the day."

We need not rehearse all the problems with inflation, the economy, crime, death in Atlanta, terrorists, El Salvador, and the assassination attempt on our president. The evening news plays the same familiar tune night in and night out. Sometimes we feel

that these days we have to take the bad with the worst. Much of the time we feel apprehensive about the future. Feeling uneasy, we sometimes wonder what impending ill will befall us next.

In the light of the rising price of oil, our text seems to be a tough saying from Jesus. It states that if our minds were set on God, we would not lack the needful things of this earth. When we are anxious over daily concerns, it often has a paralyzing effect on our religious life. Worrying about items of good and clothing direct our life inward towards ourselves rather than outwards towards the Lord.

In Matthew 6, the Lord does not speak out against working, or planning, or saving for the future. But our obsession with having to so-called better things in life and the increased amount of time it now takes to be able to afford them, has, too often, usurped the art of living. Further, and

OPERATION V.F.W.

Your temporary substitute is still trying to follow the footsteps of the Maestro, Lou Palladino during his convalescence.

Get well quick Lou! The Hicksville VFW gained another new member Anthony Del Gigante and a transfer from another post, Walter Heindrich.

Welcome Aboard, Tony and Walt - we're happy to have you with us.

Our most recent meeting was quite an active one containing both good news and bad news.

Some of the good news went to Joe Normandy-he won the 50/ 50 raffle!

Joe did lay the bad news on us earlier though. First, President Regan's Budget committee sliced \$83.0 million dollars from the VA budget for 1982. Then, a bill was voted upon in the Senate to restore \$300 million of the above cut. It was defeated with our own newly elected Senator Al D'Amato voting against the veterans.

For veterans this is such bad news that it can only be considered as a stunning breach of good faith. This vote clearly indicated the degree of concern and appreciation the Senate holds for the veteran and his family.

The tragic timing of this vote will work its worst on World War II veterans who are now well into and above their sixties when medical benefits promised ever since the defeat of Germany and Japan are being snatched away.

One is prompted to ask Senator D'Amato, "Could this be considered to be YOUR finest act."

Concerned veterans and their families should contact

It is not too late - but the time is NOW to write, telegraph and call your local congressman urging him to undo the tragic wrong being attempted by the Senate.

DEVOTIONS

(Continued from Page 12)

inexcusable in God's eyes, work has threatened the worship life of many Christians. Many people are working on Sundays. Others work so long and so hard during the week that they say they do not have the time for God on Sundays. Jesus has no understanding of this and says in reply, "Do not be anxious about tomorrow. Seek ye first the kingdom of God, then all else will be added unto you."

Ralph Waldo Emerson once said, "If a man owns land, the lands owns him." In some ways he is right. As we begin to own things in life and acquire better things, there are times that it seems that these things own us rather than the other way around. Our increased bills dictate to us that we must work overtime, work Sunday, or that both adults in a family need to go to work. Maybe if we decide to own less, we would live more.

Jesus concludes his teaching on anxiety by stating that we are not to be anxious about tomorrow, for tomorrow will be anxious for itself. Let today's troubles be sufficient for the day. "Don't worry about tomorrow," Jesus says. In Deuteronomy God says, "as thy days, so shall thy strength be." (Deut. 33:25) We either trust in the Lord for our tomorrow or we don't. Otherwise, we will constantly ruin the present by worrying about the future.

In Isaiah God says, "For I, the Lord your God, hold your right hand; it is I who says to you, 'Fear not, I will help you.'" (Is. 41:13) For you see, worry is an insult to God. Anxiety demonstrates lack of faith. When we feel anxious, we best kneel before the Lord, confess our sins, and surrender to the Lord our anxieties.

The story is told of a physician who tells his patients to say their prayers and then to add, "Goodnight, worries, see you in the morning." This is pretty good advice. But it is better for us to say, "Goodbye worries, no need for you, for I call all my cares upon the Lord, for he cares for me."

Your Car Needs A Spring Tune-Up

Spring for a tune-up if you want to drive a car for all seasons, advises the Automobile Club of New York.

After a winter of freezing temperatures, ice and snow, your car may be suffering a form of "fatigue" that makes it ill-prepared to face the heavy demands of summer.

Now is the time to prepare for the warm days ahead. The dividends of a spring tune-up can include better fuel economy as well as the reduced likelihood of a sudden breakdown.

The local AAA affiliate offers the following checklist for your station to follow as part of the spring rejuvenation:

- Ignition system, plugs, air filter, ignition wires and engine timing should be checked and cleaned, replaced or adjusted.
- The oil should be replaced with proper grade summer weight or a multi-grade oil; change the filter if necessary.
- Drain and flush the radiator. If your car is equipped with year-round anti-freeze - and air conditioned cars should be - it may need rust inhibitor and water-pumped lubricant if the anti-freeze is not re-

placed.

The battery should be checked for proper fluid levels - except maintenance-free types - and charge. Remove any accumulated corrosion from the terminals and make sure there are no loose connections.

- Inspect exhaust system for leaks. Check crankcase ventilator and exhaust control systems for proper operations.

- Snow tires should be replaced with regular tires, but not before they have been checked for any damage and tread wear. If the regular tires are in good condition, they should be mounted, rotated and balanced. At the same time, have the front end examined for correct alignment and check the shock absorbers.

- Having the car completely lubricated helps guard against corrosion of vital parts from moisture collected during the winter.

- The tension and condition of all belts and hoses should be checked.

- Included in routine car care throughout the year are checks of engine fluid levels, tire inflation pressures, wiper blades, and the operation of headlights, turn signals, tail lights and backup lights.

Form New Organization

The P-47 Thunderbolt built by Republic Aviation Corporation was one of the most rugged, most powerful planes of World War II. The new P-47 Alumni Association is based at the Cradle of Aviation Museum,

Museum Lane, Mitchell Field, Garden City, 11530.

Free guided tours for individuals and groups are conducted on Fridays, Saturdays and Sundays. For reservations and directions call 292-4348 weekdays.
