By a vote of 4-3, the Hicksville Board of Education appointed William A. Riecke principal of the Hicksville Senior High School, effective July 1, at a controversial salary of \$42,154 with increases to be negotiated.

Dr. Riecke will be a member of the Council of Administrators whose contract expires June 30 of this year. In view of this fact, Trustee John Ayres amended the motion to "salary to be negotiated," but it was defeated. Supporting the motion were Trustees Virginia Germer and Charlene Anci. Mr. Ayres, Mrs. Germer and Mrs. Anci felt that the salary was too high and the possibility of it being raised after negotiations also was objected to.

Why do we come in on the top with administrative salaries?" questioned Mrs. Germer, referring to the advertisement for the position, which stated the range of salary as \$33,000 to \$44,000.

Mrs. Anci also feared that the scale used in determining this salary would be "used as a scale to boost everything else," in administration.

Vice President Bill Bennett, however, emphasized several times that "if you want good people, you have to give them a good salary. If

you pay the right money to the right leader, you'll save money in the end."

After giving biographical background on Dr. Riecke, Superintendent Dr. Wilber Hawkins said "his coming to Hicksville will be a plus."

Dr. Riecke has been principal of Fallsburg Central High School, grades 7-12, for the past three years. The school has a student population of 560 students. He was also a principal at two high schools in Illinois. He was a teacher of chemistry and physics and at one time taught physical science at Trenton State College.

Resident Arlene Rudin questioned the salary advertised for the position and expressed concern that Dr. Riecke would be eligible for any increase "one month down the line," under new negotiations. She concluded that the board was "setting a precedent to inflate administrative salaries" which was not a good picture when "seeing the secretaries' contract still being negotiated and the teachers' contract expiring next month."

Action on the 1981-82 school calendar was tabled after several board members questioned whether BOCES calendar had been set. Dr. Hawkins replied that, according to BOCES, since Hicksville has the largest number of students there, "BOCES would go

along with our calendar."

Mrs. Germer however said she had contacted BOCES and their tentative calendar had 181 days with school closing June 25. The Hicksville calendar shows 183 days with school closing June 28.

Hicksville Congress of Teachers President Bob Zaleski informed this reporter that the HCT had requested the item be removed from the agenda since the calendar "is a negotiable item."

In other topics, Mrs. Anci questioned a new procedure introduced into the junior high school in which program counseling was done in peer groups. Parents were not informed of this procedure, according to Mrs. Anci.

Junior High school principal Gerald Klein explained that the purpose of the peer counseling was to help students "to make selections (for courses) on their own aptitudes, goals and interests." He added that students tended to select "academic courses" in this opportunity for self-selecting.

Parents are required to approve a student's program. A parent conference is available with a guidance counselor upon request to discuss a student's program.

In other action, the board approved budgetary transfers for 1980-81 for \$203,396.25. A motion made by Trustee Neil McCormack to off-set the present budget with the \$356,000-plus that Hicksville is to receive in additional state aid was withdrawn after Dr. Hawkins explained that a "more precise breakdown as to the categories the amount applies to" were received.

Mrs. Germer questioned several items in claims and warrants concerning the cost of the principal's search. The cost thus far has totaled approximately \$502, with travel expenses for one candidate still to be submitted.

The board approved textbooks for junior and senior high school science departments; approved an elementary library-media skills curriculum for grades 4-6; and awarded bids totaling \$13,922.10.

Under personnel, the board approved five retirements: Louise Uran, kindergarten teacher in the East Street School with 15 years of service in Hicksville; Zaida Levine, reading teacher, junior-high school, 14½ years; June Wittlin, reading teacher, Woodland Ave. School, 17 years; Ruth Starr,

The Best of Requests

This year Hicksville's favorite musical variety group, the famous Holy Family Players are presenting their fifteenth anniversary show.

The "Best Of Requests" promises to be better entertainment than anything they've done before. It concludes old favorite numbers plus new touches devised by Tom and Peggie O'Connor.

The dates of the

performance will be May 23 and May 30, two consecutive Saturday nights. Tickets will be available at the door and are still only \$2.50 per person and \$1.25 for Senior Citizens. The performance will be held at Holy Family School, 5 Fordham Avenue, Hicksville, with the curtain rising at 8:30 P.M.

Come and see the outstanding performance by "Ordinary People," like your friends and neighbors.

Hicksville Chamber To Meet

The Hicksville Chamber of Commerce regular meeting has been scheduled for Tuesday, May 19, starting at 12:30 pm at the Milleridge Inn.

Inasmuch as opposition is growing to the proposed Duffy Ave. extension plan, instead of a scheduled guest speaker at this meeting, members of this active organization are asked to "be" the program themselves by coming prepared with their comments, spoken or written, favorable or unfavorable, positive or negative, new or old, on this proposed change to downtown Hicksville, which from the \$250,000 figure mentioned in Sept., 1978 seems to have arrived at the \$1 million figure currently being considered by

our elected officials.

Also, the nominating committee has announced the following slate of officers for 1981-82: President, James A. Fyfe; Vice-president, Constance T. Clarke; Secretary, Effie Krogman and Treasurer, Ronald J. Wagner. The slate of directors for a three-year term to expire in 1984 are: Richard C. Botto, Henry C. Brengel, Sr., Irwin Goldman, Charles I. Montana, Sr., and Vernon C. Wagner. The nominating committee also recommends that Henry C. Brengel, Jr. replace Mrs. Clarke as an Elected Director whose term will expire in 1983.

Make your reservation to attend this meeting by phoning the Chamber's Executive Director Sieg Widder at 931-7170.

An outstanding accomplishment was recognized at the May 6 meeting of the Hicksville Kiwanis Club. "Uncle" Frank Chlumsky, Hicksville's own "Mr. Kiwanis", was presented with his 35 year perfect attendance tab to be worn with his "K" pin.

"Uncle" Frank, as he is affectionately known in Kiwanis circles, has served Kiwanis admirably as a Past President and Past Lieutenant Governor. He also was the Secretary of the Hicksville Kiwanis Club for many years, and is recognized as an authority as to parliamentary procedure, and Kiwanis Constitution and By-Laws. He is also a Kiwanis Legion of Honor member.

In the top photo with "Uncle" Frank, Past President Bill Murphy, on the right, is shown attaching the 35 year perfect attendance tab to "Uncle" Frank's label pin.

Also at this meeting, Past President Sieg Widder was recognized for four years of perfect attendance with Hicksville Kiwanis. Shown in the bottom photo, again on the right, is Past President Bill Murphy presenting Sieg Widder with his four year tab to be worn with his past president's pin.

Families For Life Club News

Last Saturday morning, the day before Mothers' Day, about 30 anti-abortion demonstrators gathered to picket Women's Choice, the new abortion facility in Hicksville, and in the process discouraged at least 3 women from having abortions.

In one case a car drove up to discharge a passenger but promptly left without having done so when the people inside saw the picketers. Another car started to park across the street, but once again when the occupants saw the picketing and the signs, they discussed the situation among themselves, and then drove off. In the third situation, a woman demonstrator had a discussion with a woman and her male companion who had arrived by car, and appeared to persuade them not to abort her child, because they also left the scene. Whether or not they

would return could not be determined.

One of the picketers observed that it showed that many women are actually still undecided when they arrive at an abortion facility, and are there only because they are being pressured by others. She compared it to self hypnosis where the woman seems to be in a dream world and has little control over her own actions, thus preparing her psyche for the guilt feelings that will come after the abortion.

The demonstrators offered pro-life literature to those who did enter. One of the pieces showed pictures of unborn babies at different stages of development including the stage from the 8th to the 12th week of gestation where the baby has all its limbs and body systems, and looks like a baby does at birth, only much smaller. (Women's Choice says it does abortions up to the 12th week.)

Supt. of Schools Addresses Council

By Carole Wolf

"We don't have to curtail or eliminate programs," said Dr. Wilbur Hawkins, Hicksville Supt. of Schools, at the May 7th meeting of the Hicksville Community Council, when he presented the State of the School message.

"There is good news and bad news," declared Dr. Hawkins. "The bad news is that the economy is going up and the good news is an estimated 84¢ tax increase for the school budget which is up 5.8% from last year."

Hawkins outlined some new points in the budget, including matching funds with TOB for an after school and summer recreational program for the adolescent, a 40% saving because of computer efficiency, and \$30,000 for the Gregory Museum.

Transportation for non-public school pupils who live more than 15 miles from their school has been eliminated. The number of students attending BOCES in the 10th grade has been re-

duced and the amount required by Blue Cross / Blue Shield has been increased by 49%.

In response to a question concerning an analysis of BOCES, Hawkins said that kids will change their program 2 to 4 times due to improper guidance and counseling. He stressed the "value of working" and suggested a follow up of graduates to observe their specific careers.

There is an increase of \$500,000 in the budget for handicapped children and Hicksville now has a gifted and talented program.

Public hearings of the budget will take place on the 27th of May. Copies and back-up material about the \$32,362,778 budget can be obtained in the business office of the school.

When questioned about the sports program, Hawkins said that the only self-supporting sport might be football. There has been an increase of girls sports due to a law which required

schools to provide girls with an opportunity to participate in co-activities.

After Dr. Hawkins' enlightening speech, Sieg Widder, Chairman of the Community Council Nominating Committee, had the board secretary to cast one vote for the election of: John Budnick, President; Cathy Steckler, 1st Vice-president; Al Peck, 2nd Vice-President; Councilman Tom Clark, 3rd Vice-President; Bernice Neufeld, Corresponding Secretary; Christine Cahalan, Recording Secretary and Clara Bennett, Treasurer.

Giving an explanation of the proposed Duffy Avenue extension Councilman Tom Clark questioned: If Barclay was supposed to go from east to west, what would we do with Jerusalem?

He said in developing downtown Hicksville, we need parking, an ingress and egress.

Clark also said that the people who are fighting Duffy would support it if the

connection was made all the way to Woodbury Road.

Clark also mentioned that the triangular park area located at Old Country and Plainview Roads, is presently being used by a sewer contractor, the privilege for which this contractor will pay certain sums to the Town which, it is understood will be allocated to the Hicksville Park District for future park improvements at this triangle, when the sewer work is completed.

Residents of this area present at the Council meeting brought up the fact that topsoil is being stored outside the temporary fence put up by this contractor to protect his equipment, and this topsoil is constantly being removed by "persons unknown", which will result in poorer planting areas eventually.

The next meeting of the Council is the Tenth Annual Dinner, scheduled to be held on June 4, starting at 7:30 pm at Gigi's, located at 680 Old Country Road.

Alumni Gets Donation/ Selects Gwen Schaaf

The "happy" reign of Harold Holden as President of the Hicksville Alumni continued at the Association's May monthly meeting.

It was the pleasure of the President to thank Dorothy and Henry C. Brenzel Jr. for running the successful cocktail party at the Hicksville V.F.W. Hall. The cooperation of host, Joe Normandy, was noted.

The Alumni Association accepted a \$200 donation to the general fund for Hicksville High students from the Hicksville Veterans Association.

The third Empire Storage Warehouse scholarship check in the amount of \$500 was received from Henry C. Brenzel, Jr.

It was announced that donations from Honorary Alumnus Eleanor Miller, football coach James Grontha, Vernon Wagner and Hicksville High Girls athletic coach Mary Sue Carr, Empire Storage also made a fine donation.

Pleasure and gratification were expressed for the large

Cocktail Party turnout of Physical Education Boys Coaches.

Howard Finnegan entertained a motion to name Gwen Schaaf as guest of honor at the annual Homecoming Dance. It was seconded by William Geyer.

Howard Finnegan was appointed Dinner Chairman for the Boys and Girls Varsity Senior Dinner. It will be held at Antun's, Hicksville, on Wednesday, June 3.

A reminder was mentioned of the Testimonial Dinner for retiring High School Principal, Raymond Rusch. It will be sponsored by the Hicksville Senior High teachers to mark 30 years of service to the District. It will be held on Thurs., June 4, at the Renaissance Country Club, Roslyn, Old Powerhouse Rd.

An expression of appreciation was extended to Laura and Winn of the Jolly Swagman Inn for providing their upstairs meeting room. Old time Hicksville people know the Inn as the Curtis home.

To the Editor:

School Board Elections are once again upon us. I urge the citizens of this community to cast their vote for the candidate of their choice. The School Board Election will effect all the residents of this community, not only those with children in our schools. In recent years the School Board vote has been declining. Let's turn those numbers around. VOTE and insure that you are getting what those School Taxes are suppose to be paying for — EDUCATION. Today's children are tomorrow's future.

Sincerely,
Arthur F. Germer

To the Editor:

I would like to take this opportunity to announce my candidacy for Trustee of the Hicksville Board of Education.

As a resident for 17 years

and a graduate of Hicksville High School, I have been vitally interested in education in this district. During the past two years I have been a member of the Drug and Alcohol Abuse Committee, the Board of Education Budget Committee, and have attended approximately 50 various Board of Education Meetings familiarizing myself with the problems in our district and the operations of the Board of Education.

I pledge to represent this community in the independent decisions I make as a School Board Trustee and ask for your support.

Sincerely,
Frank J. Grimmer

Dear Editor:

I am seeking re-election to the Hicksville School Board after serving nearly four

years as a trustee and as an officer of the board. It requires that many years to become familiar with the countless number of intricate details that is required to run a 32-million dollar enterprise, and to possess the knowledge and experience to make the important decisions that affect the destiny and direction of the education of our children and the careers of nearly 700 of our employees.

We, as board members are required to be instant experts involving law, finance, negotiations, bidding, evaluation of personnel, etc., but when you get right down to it, the qualifications spell out to read common sense, dedication, honesty and integrity. A willingness to serve without pay or tribute, the satisfaction of which is the knowledge that as a board member you are in a

unique position to SERVE in a positive way for education, and as a representative of the tax payers of this district.

During my first year as a board member I made a commitment to myself - I wanted to make one special contribution, one that would be lasting, and would be a benefit to the entire district. And that opportunity came when I was appointed Chairman of the Boards Policy Committee, in April 1978, and placed on the boards agenda over the years some 120 policy changes.

I pledge to you that I will continue to devote the same energies and attention to detail as in the past, and now am asking for your help and support in the form of VOTES, assistance, and financial contributions.

Sincerely,
Bill Bennett

Board Hears Report On Program Articulation, Coordination

By Linda Strongin

A report on professional objectives: "To review and improve articulation, coordination, and cooperation between schools and levels to better serve the instructional program, placement, and grouping of students" was presented by Dr. Arthur Colver, Assistant Superintendent for Instruction at a meeting Monday evening of the Plainview-Old Bethpage school board.

Dr. Colver explained the involvement of the school community in meeting various objectives in

program articulation and coordination within schools and levels and between schools and levels.

The objectives included, among others, an evaluation of the new Addison-Wesley Math program K-6; departmental meetings to coordinate activities of chairpersons and building principals in the area of curriculum on a districtwide basis; meetings to review pre-requisites of all high school courses (9-12) to ensure uniformity between the two high schools and to

update the course offerings book at each high school; and PTA involvement on all grade levels in discussions with staff concerning progress and problems of curriculum coordination.

Dr. Colver emphasized that both vertical articulation (K-12; 7-12) and horizontal articulation (with grade levels, buildings and departments) were defined and reviewed.

He lauded the PTA Curriculum Committee. "The results refute the notion that parents and professionals can't come together to work on curriculum."

The results of the meetings and discussions were outlined by Dr. Colver. These include development of a Middle School Parent-Student Handbook for 1981-82; establishment of uniform course sequences for all four secondary schools; identification and correction of problems in the Addison-Wesley Math program; review of basic textbook 7-12; formation of a districtwide committee, in cooperation with the PTA, to explore career awareness K-12, among others.

Dr. Colver said that as the district moves to one middle school and one high school, "we must look at the course sequences we now offer and what we will be able to offer." The district must also discuss its involvement with BOCES and explore alternatives in that area.

He concluded his presentation saying "we have made progress because we had involvement with parents, staff and administration."

Board members asked questions and made comments on the report. Trustees Susan Sherer and Mitchell Laub were absent.

Trustee Joseph Blum called the report "excellent" but was concerned at the percentage (50%) of staff responses from the math teachers at the Plainview-Old Bethpage Middle School. "The worksheet takes only five minutes to complete. They should respond if they are interested in what they

are doing."

Trustee Miriam Ravad questioned the problems with the Addison-Wesley Math program (tests not printed in advance; management system too complex); was concerned about some teachers providing and developing supplementary materials while others did not; and wanted to know the difference between the curriculum of track A English (honors) and track B English (Regents). She also requested a summary of the specific recommendations made at a workshop on guidance. Dr. Colver replied that recommendations are being implemented: communication with parents on program changes; updating and making more uniform the course offering books; and improving and correcting procedures for changing courses.

Bernyce Eling, guidance counselor at J.F. Kennedy, explained the procedures for changing courses which will be implemented in the coming school year.

Vice President Ben Taubentfeld touched on the relationship between honor students and SAT scores. "Does the honors class really excel?" He also was concerned about students dropping out of foreign language in 11th grade. "What happens? Why are they turned off?"

Dr. Jerome Botwinick, Principal, Plainview-Old Bethpage High School, gave a "hypothesis." "In the middle school, foreign language placement is status. As the student goes along, there are those who develop a distaste for it." He also pointed out that "foreign language requirements have changed for college entrance. Most students drop off after four years."

President Alvin Delman thanked everyone for their involvement and said that although the Addison-Wesley Math program has weaknesses, "it doesn't mean it is not a good

Did you attend our May 8th meeting? No, well you missed a very informative and timely report given by our Nassau County Executive Francis T. Purcell. Mr. Purcell brought us up-to-date on many issues affecting us as residents and tax payers in Nassau County.

Every meeting of our Club features good programs and speakers of interest to us all.

Please make every effort to attend our next meeting which will be held on June 12, 8:30 p.m., VFW Hall, 329 South Broadway, Hicksville. See you there and then.

And now a message from Frank Jopp, chairman of our Senior Citizen Committee.

"Well the beautiful month of May is here. This is always one of my favorite months as I am sure it is for

many of you. The month of May is traditionally dedicated to the SENIOR CITIZENS in Nassau County. This is the month that we all should try to be a little kinder to the seniors. (Not only Juniors to Seniors, but also Seniors to Seniors.) After all, we all will be seniors one day - the good Lord willing.

"The Seventh Annual Senior Citizen Month Luncheon and Conference will be held on Tuesday, May 19th at the Salisbury Inn, Eisenhower Park, East Meadow. The theme for the luncheon is "Aging, a World-Wide View." The keynote speaker for the event will be Virginia H. Knauer, who is special assistant to President Reagan.

"Workshops will be conducted featuring international experts, members of foreign consulates and a representative from the U.N. who will provide world-wide perspectives on programs and services for the elderly. This luncheon-conference is an annual event sponsored by the Nassau County Department of Senior Citizen Affairs. In announcing the theme of the event, Commissioner Adelaide Attard of the Department of Senior Citizen Affairs said:

"This year's luncheon-conference provides reveal-

ing glimpses of the way other countries structure support systems for their aging citizens. It is important for us to observe the international tapestry of aging, in order to have a meaningful interchange in the designing of services for older Americans."

"The Nassau County Senior Citizen of the Year, is Harry Griffin, will receive an award at the luncheon-conference. Mr. Griffin has 14,000 hours of volunteer service on behalf of senior citizens, and he is still going strong. He is a 30-year resident of Nassau County and is 75 years of age. He retired from a successful business career which included positions with a brokerage house, a ship building firm, a dairy company, and finally owned his own chain of dairy stores.

"Mr. Griffin started his volunteer work in 1974 and has been very active ever since. He is to be commended for his many hours spent on behalf of senior citizens.

"However, I am sure there are many of you seniors who, like Mr. Griffin, give of yourself to your fellow seniors in volunteer work. To all of you I say: 'Well Done!' You are ALL Senior Citizens of the Year, in my opinion. Stay Well, Frank Jopp."

Board Adopts Proposed Budget

The Hicksville Board of Education has adopted a proposed budget for the 1981-82 school year. Voters will go to the polls on June 10 to approve the plan.

The total general fund figure is \$32,362,778, which represents a 5.8% increase over this year's budget. The tax rate which accompanies this figure is \$18.96 per \$100 assessed valuation (AV). This is an increase of 84 cents per \$100 AV; for an average house in Hicksville assessed at \$6,000, monthly taxes would increase by only \$4.20.

The budget breaks down as follows: General Support - \$4,249,353; Instruction - \$18,957,490; Transportation - \$1,385,837; Community Services - \$68,841; Undistributed Expenses - \$7,701,257; TOTAL - \$32,362,778.

The Board of Education and Administration have worked for more than five months to develop this budget, which calls for no program cuts, provides for increases in salaries still to be negotiated, and preserves the quality of education in Hicksville. Reflected in the budget are staff reductions of 16 1/2 teaching positions and two clerical positions; they are the result of declining enrollment and reorganization of secretarial setups. However, class sizes will remain at the same favorable levels now enjoyed in Hicksville.

Indeed, the district continues to provide educational services and programs that reflect high quality within today's economic restraints. This year, program improvements have included:

the Air Force Base, Ill., after completing Air Force basic training.

The airman will now receive specialized instruction in the aircraft maintenance field.

Navy Airman Apprentice Allan I. Needleman, son of Sam and Yolanda Needleman of Ninth St. in HICKSVILLE, recently visited the Mediterranean resort city of Palma, Majorca.

He is a crewmember aboard the amphibious assault ship USS Iwo Jima.

the continuing revision of science, mathematics, language arts, reading, social studies and health curricula from grades K-12, a massive job; the introduction of a program for gifted and talented students which will be expanded to the K-12 level in the 1981-82 school year; the addition of two more special education teachers at the high school to respond to the needs of students at that level; improved course offerings at the junior high school and an improved transition program for sixth grade students into the seventh grade; a contractual agreement with the Gregory Museum for the next school year, which will make the educational services of that Hicksville facility available to all of the district's children, and indeed to all Hicksville residents; the implementation of a secondary reorganization that has introduced teacher deans and crisis counselors for the benefit of students; the development of a comprehensive arts department which has brought new innovations such as artist-in-residence and midday arts performances in both elementary and secondary schools.

All of these programs, activities and projects will continue in the next school year, with expenses that will rise to only half the level of nationwide inflation.

Voting will take place in

the seven election districts, between 10 AM and 10 PM on June 10. Registration will take place from 3 PM to 8 PM on June 3, in the same election district locations. Voters should refer to legal notices in local newspapers for their district, or they can call 733-2089 for the information.

Having majored in both English and Psychology, Sherry is a member of the English National Honor Society and the Psychology National Honor Society, and is graduating with special honors in English.

Aid Association for Lutherans is big enough to be in "the big leagues" among insurance organizations. It has more than 1.2 million members and more than \$11 billion of ordinary life insurance in force. But its philosophy is common concern for human worth. That's the difference.

Mr. and Mrs. John E. Block of Summer Lane, HICKSVILLE, have announced the birth of their second child, a son, Patrick Winston, born on April 27 at Central General Hospital in Plainview. Welcoming home the 7 lb 3 oz. infant was his 18 month old brother, Sean Travis. Congratulations.

Mr. and Mrs. Andrew Gargar of Underhill Ave., HICKSVILLE, celebrated their 25th anniversary on May 5. They were happily surprised with a gala party on Sunday, May 3, by their five sons, Andrew, Michael, Thomas, James and John. It

was a grand day for two very special people.

The stork has been busy overtime, we hear. Seems he stopped at the Hirschs' home and left Kirstene Marie Hirsch on Easter Sunday, April 19. Kirstene weighed 10 lbs., 14 ozs. and was 21 inches long. She joins her parents, Joan and Kenneth and five-year old brother, Kenny, and three-year old sister, Janet. Her Hicks-villite grandparents, Alma and Artie Hirsch are delighted with their new granddaughter.

Meanwhile, another set of

Hicksville grandparents, Jean and Gerry Hitchen, are thrilled with the birth of their third grandson, Matthew Lee Adams, who was born on May 7 and weighed 7 lbs., 13 ozs. Matthew Lee's parents are Linda (nee Hitchen) and Lee Adams of Nutley, N.J. He has a brother Scott (9 yrs.), a sister, Kimberly (7 yrs.) and another brother, Sean (2 yrs.). Grandma Jean spent some time with the Adams family to help her daughter, Linda, when she first came home from the hospital with baby Matthew. Linda is an R.N. who does private duty nursing. Lee is a computer programmer with Western Electric.

On May 1, Tommy Fico celebrated his seventh birthday. He had a party at the Ground Round with his friends and school chums to honor this special occasion. On May 2, he was the guest of honor at a family birthday held for him. Congratulations, Tommy, from your parents, Evelyn and Tom, your brother, John, and sisters, Kim and Laurie, and all your friends and neighbors.

Bernadette Clark, daughter of Town of Oyster Bay Councilman Tom Clark and his wife, Corrine, will receive her First Holy Communion on May 16 at St. Ignatius Loyola R.C. Church. A family party will be held for Bernadette to commemorate this very special event in her life.

Just back from a delightful vacation at their condominium in Ocean City, Maryland, are Frank and Ann Kremler, Hicksvillites, and their family. A total of fourteen members of the Kremler family shared this fun-filled vacation but there's still "no place like home" in Hicksville.

We learned there will be a new addition to the law firm of Donovan & Donovan...it will be another Donovan. Matthew Donovan will join his dad, Judge Francis J. Donovan, and his brother, Joseph, in their law firm at 211 Newbridge Road.

Galileo Lodge News

VENERABLE TONY PREVITE'S MESSAGE:
'The future belongs to those who love, not to those who hate.' Pope Pius XII

XXXXX
How many times have you heard the quizzical expression 'My, my, how the time flies', and how many times have you pondered this query, dismayed by the fact that an answer was not forthcoming. Since my inquisitiveness also rises to the surface, why don't I mention that time has just about run out for the presentation of the Galileo Lodge's May Dance, scheduled for Saturday, the 16th of May, under the 'chairladyship' of Mary Monteforte of the Ladies Auxiliary, Aiding is Carmen Russo, who is in charge of seating arrangements and ticket sales, and Sue Lurenti, who is also lending her laudable talents. Dolores Ragone and her committee will decorate the inner quarters of the Galileo Lodge in a manner highly suggestive of the Maytime season. For the price of \$9 per person, you will be offered a delicious roast beef dinner, beer, soda, coffee and cake, set-ups and the 'ear-soothing' music provided by the Diatonos. Please note that a 'bring-your-own-liquor' policy will be in effect that night. Hurry, Hurry, because tickets are down to a few. Dial 931-9351 for more information about this dance.

XXXXX
On Thursday, the 18th of June, starting around 4:00 P.M., the Galileo Lodge will hold its Blood Bank Day. As I have stated so many times in the past, blood is a life-giving commodity, the importance of which needs little verbiage here. Come one and come all, members, friends and patrons, become a member of this Blood Bank, because when emergencies arise and illnesses strike, blood is probably the difference between life and disaster. If you give blood, you automatically become a member of this Blood Bank. All Long Island lodges are asked to join this humane

program. Contact Venerable Tony Previte for more details concerning this activity.

XXXXX
For a difference and a change in diversion and enjoyment, please be informed that the Galileo Lodge will hold its Annual Italian Feast, from Wednesday, the 22nd of July to Sunday, the 26th of July. There will be rides, amusements, games of chance under the Big Tent, delicious Italian delicacies, live music and an old-fashioned carnival-like atmosphere engendered for your edification and pleasure. More information on this delightful activity in future installments.

XXXXX
The Galileo Lodge is now embarking on a program that will bolster its membership rolls. It seeks new members who will help to revitalize it with a profusion of new ideas, a multiplicity of new thoughts, and a bounteous display of vision, determination and interest. The Galileo Lodge is a progressive organization that has much to offer in the

way of relaxation, leisure and pleasure. The Galileo Lodge offers parties, dances, 'member-get-togethers', picnics, golf outings, fishing trips, sports activities, an Italian Feast, a Blood Bank and social meetings. The Galileo Lodge offers companionship, brotherhood and comradeship and good will. The Galileo Lodge caters to the needy and to the community-at-large. The Galileo Lodge, although ethnic in composition, recognizes other races and nationalities as it aids them in seeking their own identities. No matter what your station in life may be, no matter what your desires, goals and ambitions may be, the Galileo Lodge is structured to cater to all needs and interests. Call 931-9351 and speak to a member or an officer who will tell you with his own lips and heart what the Galileo Lodge stands for, and the requirements to join are rather simple: you have to be of Italian extraction or you have to be married to one who is. You have nothing to lose and everything to gain!

BOARD HEARS REPORT (Continued from Page 4)

program." During the public participation several residents requested that copies of reports being presented at a board meeting should be made available prior to the meeting should be made available prior to the meeting. "This necessary in order for us to respond," said Maxine Zolla.

Resident Fred Goldberg directed several questions to the board, most concerning the school budget. He felt there was "a lack of information to the

community, particularly on the library portion."

Mr. Delman outlined the procedures concerning budget work sessions and the budget hearing, announced to the public in print, with few people in attendance.

Mr. Goldberg preferred the budget format in program form, and Mr. Delman said, "That's what school boards have been striving for." The State Education Department, however, sets the format and school districts are required to follow the coding system.

In other business, the board authorized the

circulation to solicit reactions of a proposed amendment to the pass/fail policy which would further define a semester elective for seniors.

The board deferred action until the next meeting based on Mrs. Ravad's questions to consider a substitution of a course entitled "Getting Your Money's Worth" for typing presently offered to 8th grade students not taking foreign language.

The next meeting of the board is May 18 at Jamaica Avenue School, 7:30 p.m.

Hicksville Water District Cited

An award was received by the Hicksville Water District from the American Water Works Association in recognition of the district's 47 years of membership in the association and its participation in the A.W.W.A.'s program of upgrading the water industry and the service it provides to the public.

Commissioner Stanford Weiss accepted the award on behalf of the Board of Commissioners and the Hicksville Water District at a ceremony held April 30, at the Nevele Country Club, Ellenville, New York. The

occasion was to mark the 100th Anniversary of the AWWA founded March 29, 1881, in St. Louis, Missouri, at which time there were fewer than 1,000 public water suppliers within the entire United States, whereas, the New York Section alone now embraces 1,135 community water supply systems.

Mr. Weiss pointed out that it should be of special interest to local residents to know that the Hicksville Water District as the first utility on Long Island (in 1934) to become an active

member of the AWWA and that it was six years before another local supplier became so affiliated.

The commitment of the Association remains the same - better water for people. It was formed for the mutual advancement of consumers and water companies and for the purpose of securing economy and uniformity in the operation of waterworks.

The AWWA has confirmed that no problem in the waterworks field, once defined, has gone unsolved.

Cathedral Music

The Hicksville High School Chorale will perform a concert of music written for cathedral space this Sunday, May 17 at 8 PM in St. Ignatius Church.

Works by Victoria, Palestrina, Vivaldi and Benjamin Britten will comprise this unusual concert.

There is no admission charge and the community is invited to come and enjoy this beautiful music.

A judicial convention, for three State Supreme Court seats, will be held at a later date.

Regarding the Dillon recommendation, Margiotta said, "the office of District

Attorney is quasi-judicial and members of our committee feel that this office should be treated in a manner similar to the judicial position."

In the early 1970's, the County Republican and Democratic Committees entered into an agreement whereby a judge who completed a term and received a favorable recom-

mendation from the Nassau County Bar Association would then receive a bi-partisan endorsement. The reasoning was that a person who served in a honorable and competent manner for a term should be continued in that office in the public interest.

Margiotta said, "District Attorney Dillon received strong support from County

Executive Francis Purcell and Councilman Peter King (named for County Comptroller), who were impressed

by Dillon's professional performance, which has been non-partisan and ethical in a

manner similar to that of former Manhattan District Attorney Frank Hogan."

LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

A reminder to all Past Commanders....The annual Dinner meeting of the PAST COMMANDERS' CLUB will be held on JUNE 12 at the Maine Maid....Please contact Palmer Walsh at 931-3299 for reservations and menu information....Do it now as the meeting is less than a month away....And keep in mind this is a FRIDAY night....The very next day, SATURDAY JUNE 13, the Post will stage a public demonstration of the proper method to dispose of unserviceable flags....This is called a FLAG BURNING and will be handled again by our Color Guard and AMERICANISM Officer DICK EVERS....If you have a flag you wish to have

properly destroyed as it no longer is of use, please bring it to the Post on any Friday or meeting night....Or better still, come to the FLAG BURNING, and watch your unserviceable flag being properly disposed of....Will have the announcement of the starting time in next week's column.

Its getting very late in the year to seek out and sign up new members but Hicksville has a terrific veteran population and most of our local veterans are not affiliated with any veterans organization....so, if you have a neighbor or friend who is an eligible veteran and you just have not gotten around to talking Legion

membership to him or her, how about broaching the subject real soon?....A SPECIAL NOTICE TO ALL MEMBERS: THE ANNUAL HICKSVILLE MEMORIAL DAY PARADE WILL BE HELD ON MONDAY, MAY 25....Starting time and assembly area will be announced in this paper....Be prepared to be on hand to march with the Charles Wagner contingent....And this is the season

when our Auxiliary has many Poppys for sale so come on down and make a donation and pick up your Poppy before Memorial Day.

Very, very shortly we will again be attending the Nassau County Convention of The American Legion at Seaford on June 3 thru June 6....duly elected delegates to this convention representing Charles Wagner Post are: Lou Cesta, Ray Gamble, Lou Braun, Artie Rutz, Jack Reichen, Frank Molinari, John Sheppard, Dick Hochbrueckner, Palmer Walsh, Steve Wladyka, Frank Walsh, Al Cinotti and Joe Roban....The Duly elected Alternate delegates are:

Henry Brengel, Dick Evers, Harold Bramswig, John Kerrien, Carmine Rinaldi, Anthony F. Corri, John Cilese, Tom Nikitas, Anthony Bellacera, Wes Tietje, Anne Stalon and John Rizo and last but not least, Robert Boerckle....The county convention is just the beginning of the annual activities that spell new programs; renewed programs; resolutions covering many, many things that veterans are interested in.

After the county convention comes the state convention in Syracuse in mid July and then the grand daddy of all conventions, our national convention at Honolulu where a lot of the work resulting from the earlier conventions comes to fruition or goes down the

drain....One thing you can be sure of and that's the national per capita tax will be voted a hefty increase to keep the Legion out of the red....And that means our Post dues eventually will have to be increased to help keep us from working with reduced income....But your Legion dues are still the best value of any major organization and to think a member even gets the monthly American Legion magazine (America's largest men's magazine) included in his dues....And a member gets this column each week also included in his dues....What bargains, what bargains!!

Our next meeting is Monday, May 18, so come on down and show your face and be recognized....The password is "Hello Legionnaire".
