Space Stamp Folder

Hicksville Sectional Center Manager-Postmaster Anthony M. Murello announces that starting June 8th, a finely crafted, visually exciting SPACE STAMP FOLDER will be available at the Hicksville and all other post offices.

In looking over the booklets, Postmaster Murello finds them to be very informative. The booklet comes with the recently released block of eight

stamps issued on May 21st at Kennedy Space Center in Florida to commemorate America's space achievements.

The format of the block of eight stamps is unusual, says Postmaster Murello. In the center of the design is a block of four stamps depicting the Space Shuttle taking off, being boosted into orbit, circling the earth and landing. The stamps bear the legend "Benefiting Mankind."

HONORED: Oyster Bay Town Councilman Kenneth S. Diamond (second from right) receives a plaque in recognition of his work with the East Plains Mental Health Services.

Diamond, who currently

serves as the agency's Vice President, was honored at the annual cocktail party. Former Director Robert M. Bressler makes the presentation while President Jacob Bassolini (left) and Vice President Leon Entin offer their congratulations.

Hicksville residents will have an opportunity to vote on Wednesday, June 10, on the proposed school budget candidates for the Board of Education.

A budget figure of \$32,384,160 was passed unanimously by the Hicksville Board of Education at its annual

budget hearing. The figure represents an approximate tax increase of \$.86 per \$100 of assessed valuation for a total of \$18,984. The tax rate is officially set by the Board in August.

Petitions have been filed for three seats on the Board of Education.

Trustee William Bennett, vice president of the Board is being challenged by Frank Grimmer.

Board Secretary Cornelius McCormack is being opposed by Pasquale Panetta and Jay Schwartz.

Trustee John Ayres is running unopposed.

Voting will be held from 10 a.m. to 10 p.m. in the 7 Election Districts: E.D. 1, Burns Ave. School; E.D. 2, East St. School; E.D. 3, Woodland Ave. School; E.D. 4, Lee Ave. School; E.D. 5, Fork Lane School; E.D. 6, Dutch Lane School; and E.D. 7, Old Country Rd. School.

School District Vote Wed., June 10

Hicksville PTA Council Votes To Support School Budget

The Hicksville Council of PTA Units has voted unanimously to support the proposed school budget in the interest of maintaining quality education in Hicksville.

Council held its final meeting of the school year on June 1st at the Fork Lane school. The agenda included a presentation of the administration's report to the community, a presentation of the Gifted and Talented program. Dr. Catherine Fenton, Superintendent of Elementary

Schools and School Board member Charlene Anci gave a brief outline of the program and answered many questions raised by Council members. Dr. Fenton is optimistic that the project will be implemented during the coming school year. She stated that it will be taught by present staff members who will be given special training courses, and that no extra funds will be allocated as monies are already available in the district.

Mr. Louis Penque, principal of the Old Country Road school installed the elected Council officers for 1981-82. They are as follows: President.....Honey G. Singer
Vice-President.....Carol Marks
Recording Secretary.....Arlene Rudin
Corresponding Secretary.....Nancy Staron
Treasurer.....Gerald Klein
Outgoing President Barbara A. Smith has been appointed Parliamentarian.

Superintendent of Schools Dr. Wilbur Hawkins, and Board of Education members Tom Nagle and Bill Bennett were also present at the meeting.

PTA Council urges all concerned parents to vote for the school budget on June 10th. Those who are registered to vote in government elections but have not voted in school elections, may register and vote at the same time in the regular polling place.

You have another opportunity to make your wishes known in our community. The budget vote and school board election will be held on Wednesday, June 10, from 10

a.m. to 10 p.m. at your election district locations. You must be 18 years or older, a resident of the district for at least 30 days prior to vote, and if you have voted in school district elections within the past two years, or are registered with the Nassau County Board of Elections for general political elections, you need not register to vote on June 10.

And now a message from Fred Vevante, our Club president:

"Our annual dance which was held May 1st was a success. The committee behind Chairman Hal Mayer did a fine job. The results were great and in addition to the huge basket of cheer donated by Bill Maher, we awarded ninety (90) raffle and door prizes. I want to say one thing, though, our membership is the greatest - without their support this dance would never have been so successful. Thank you."

"Thank you! Thank you! Thank you!"

"The journal, supported by many of our town merchants, was also a success, and I thank them for their support."

"Our May Club meeting was well attended. County Executive Fran Purcell gave

an interesting address on senior citizens. Thank you, Fran."

"NOTE! We are looking for someone to oversee the Young Republicans. If anyone is interested, please call Fred Vevante at 931-4287. If you are a young Republican and want to join, please call the above number."

"At our June meeting, we will vote on a change in our By-Laws regarding the Hicksville Republican Eagle newsletter. The change will eliminate the Eagle. The Mid Island Herald is now our newsletter."

"The guest speaker for June will be Councilman Ken Diamond from the Town of Oyster Bay."

"We are planning some summer fun with a square dance and raffle to be held in August. Place to be announced later along with further information. If you would like to join the committee for this event, please do so at our next Club meeting."

"Our membership is now approaching 500. We are hoping for 800 paid up members. Don't forget to bring in one new member. If you paid your dues by mail, your membership card can be picked up at our next meeting."

"If you have any information of importance, please call me at the above number."

ation of importance, please call me at the above number."

We learned that Councilman Salvatore Mosca and his wife are thrilled with the scholastic accomplishments of their son, Ralph. Ralph has been elected to membership in Phi Beta Kappa at Davidson College's Spring Convocation. Election to membership in Phi Beta Kappa, the oldest national honorary society in the United States, is in recognition of excellence in scholarship in the liberal arts and sciences.

Ralph, a biology major, graduated from Davidson College this past May. He was accepted for admission by a number of medical schools and will attend the College of Medicine, SUNY at Syracuse.

He was co-captain of the Davidson College varsity swim team, and also distinguished himself in the College's music program.

Small wonder that the Moscas are proud of their son. However, we must add "like father, like son."

Please try to attend our June 12 meeting which will be held at 8:30 p.m., VFW Hall, 320 South Broadway, Hicksville. See you there!

SPONSORED BY FRIENDS OF AYRES, GRIMMER, & SCHWARTZ

Dear Friends ...

AS YOU ALL KNOW, the Hicksville School District budget vote is scheduled for Wed. June 10. Details have been running in this newspaper for many weeks, and you will find them on page one of our Hicksville Edition today. Also, three seats on the Hicksville Board of Education will be voted on. Our "Letters To The Editor" for the past few weeks have been filled with letters from candidates and from local residents who advocate their candidacies. So, there has been no dearth of information and individual opinions upon these matters. Also, we are sure that in the next few days you will be the recipients of much printed information and fliers on these same points. We hope that you will also make your own inquiries, and, after much consideration, come to your own conclusions and finally, DON'T LET WEDNESDAY, JUNE 10 pass by without casting your vote!

We do urge a "YES" vote on the school budget. We feel that in these inflationary times it is as equitable a budget as can be realistically expected and, we cannot put any one matter ahead of the education of our young people. Hicksville has always had a good educational system, through the years. That is not to say that a "good" thing cannot be improved, as it keeps abreast of what is required by our New York State Dept. of Education. At the same time it must deal with the nationwide problem of a declining school population. And, in addressing ourselves to this we feel that the experience gained through their years of service by our incumbent candidates has equipped them to most effectively deal with these continuing problems.

It is understandable that with such large problems there will always be differences of opinion as to how they can be solved, on any Board. By the same token, we realize that each group who are running candidates truly believe all their literature and are united in their aims. However, we believe at this point that our incumbents have done, and if elected will continue to do, a most effective job on our Board of Education. We also believe in our present administration's aims, as expressed most clearly at the May Hicksville Community Council meeting by Dr. Hawkins. So we are in favor of returning all incumbents to our school board.

Whether or not you agree with us, don't forget to vote!

Right in our community Cantiague Park Pool will soon be opening. Family seasonal fees are \$55, individual fee is \$30, and senior citizen fee is \$15. To be eligible each family member five years and older is required to have a valid Nassau County Leisure Pass. Each family member must appear in person with proof of County residency (driver's license, tax receipt, school I.D., parent's affidavit) at Cantiague Park to receive a permit. Permits are being offered for sale at Cantiague Park seven days a week from 10 am to 7 pm now, and will continue throughout the summer. The pool season starts on Fri., June 19 through Mon. Sept. 7, from 10 am to 8 pm. There are also daily pool admission fees for both residents and non-residents. For further details you may phone 935-3501.

We'd like to commend all the local girls who are members of Senior Girl Scout Troop 3017, Hicksville, who have taken upon themselves the responsibility of placing the flags along Broadway on Washington's birthday holiday. We only heard about this community service recently, and we are very proud of this Troop for what they are doing to help Hicksville. Various local Service Clubs, as you know, also participate in this yearly service, and the Hicksville Chamber of Commerce takes upon itself the supplying of the flags necessary for such a continuing project, as well as help that is given by the local patriotic organizations. All in all, it is a good example of concern for one's own community. This can be shown in many ways. What is your way? Why not write to us and let us know. We'd like to share it with our readers.

In closing, we bring you the information that from June 14 which is Flag Day, through July 4, Independence Day, a 21-day Salute to Honor America has been established by a joint resolution of the Congress. If you would like to buy an American flag that has flown over the Capital you may do so at a reasonable price by contacting our Congressman, Norman Lent. More details on this 21-day Salute throughout this period. Stay well.

Dear Mrs. Noeth:

I am prompted to answer just a few of the many charges made in your last issue by Mrs. Germer, Mrs. Anici and Mrs. Rudin.

It's interesting that these writers took issue with my support of the "new administrators." What a short memory they have! Have they forgotten about the student discipline problems and the graffiti at the junior high? These problems were corrected by a "new administrator" whose appointment Mrs. Anici and Mrs. Germer did not support. Have they forgotten that the district had no staff evaluation program, drug prevention or that the Board could not get accurate data about anything before this administration?

These writers know through documented data that our administrators are paid less than the Nassau County average for the same positions. They know the 7.5% increase this year for administrators is less than the custodians received, less than the secretaries turned down and is far less than what the teachers are asking. They also know there are fewer administrators now than there were three years ago and that the total costs for administrators is less than it was before that time!

Mrs. Germer must have someone else in mind when she refers to me as a "reckless spender." I have consistently and thoroughly evaluated every expenditure request and fought hard to keep costs down while maintaining quality education. The term "negativism" label of Mrs. Anici is also puzzling. My interests have been and will continue to be to raise questions, seek clarification, and at all times to support what I feel is in the best interests of the students, the staff and the community at large.

To clarify another misleading statement, I have not voted to reduce educational services. As a matter of fact, I have voted to retain the fine programs that have a tradition in Hicksville. For the record, not one program has been eliminated and these writers know it.

Staff reductions have been the result of declining enrollment which Mrs. Anici and Mrs. Germer supported (except one psychologist). They also know that even with these reductions, the District will have smaller class sizes and more support staff (counselors, psychologists, etc.) than other districts.

Finally, it is my sincere desire to get past politics on the Board and devote our time and energies to providing the type of leadership Hicksville deserves.

Sincerely,
Bill Bennett

To The Editor:

I feel that all the residents of Hicksville were done a dis-service by the allegations of Mr. Bill Bennett's Letter to the Editor of May 29. I am only endorsed by a committee of friends and taxpayers, not the Hicksville Congress of Teachers.

There were several errors made by Mr. Bennett. I present to you, the public, my

Letters To The Editor

personal thoughts to refute what was said. I will also tell you why these fancies could never be true.

First, it is my firm belief that as your representative on the Hicksville School Board, only the taxpayers will control the destiny of this vocal community.

Second, that, although my name is on the slate of Ayres - Grimmer - Schwartz, we are all separate, independent, open-minded candidates - joined together only by our firm commitment to the positive educational goals of our children's programs today.

Third, I can promise that when elected, I will bring a stable and balanced voice to the School Board; a voice of intelligence, sincerity and concern. All groups will have my ear; none are promised my vote.

Fourth, I am dismayed by Mr. Bennett's comment that I would give away the store. Nothing could be further from the truth. I have too much faith in the people of Hicksville to be taken in by such comments by an incumbent.

Finally, I pledge a responsible, reliable and mature decision-making process as your elected officer.

Respectfully,
Jay Schwartz

Dear Mrs. Noeth:

A number of charges were made in the last issue of the Herald by Mrs. Germer, Mrs. Anici and Mrs. Rudin. As a candidate for re-election to the Board of Education, I believe it is important for me to set the record straight and to correct the inaccurate and distorted comments made in their letters to the editor.

One charge is in regard to the building of an administrative dynasty at an exorbitant cost. This is entirely untrue. An examination of Nassau County school district costs shows that Hicksville is among those with the lowest central office costs. The Board of Education set priorities for the administration and is monitoring the progress. We have established a highly professional evaluation procedure for all staff, including central office and districtwide administrators. We have endorsed the concept of accountability.

Our administrators have proved their worth by the work done during this past year dealing with problems of drugs, vandalism, discipline, and secondary school reorganization. Recent curriculum development reflects the leadership of the central administration as well as the involvement of competent staff members who have been working in cooperation with the Superintendent.

It should be noted that the salaries paid to administrators are no higher than the average salaries in Nassau County. I have supported this approach and voted consistently to provide comparable salaries and benefits so that we can get the best people available to meet the needs of the district. In the case of the newly hired high school principal, based upon his experience and background, he was placed on a contractual salary schedule which is con-

sistent with the guidelines established for all administrators in the district.

It is true that I have voted to reduce numbers of positions, but it should be noted that this reduction is in keeping with the significant drop in school enrollment. It in no way affects either the quality of support services or the ratio of counselors, psychologists, and others to the number of youngsters they service.

I serve no constituency except the citizens of Hicksville. I have consistently, over the 27 years that I have been involved with the schools, voted my own mind based on my experience, my knowledge, and the recommendations of the citizens. I do not owe my allegiance to the union which would like to take over the schools, and I have demonstrated my concern by attending meetings, conferences, seminars, and hundreds of community activities where I would have an opportunity to interact with the residents and to provide them with information about the School Board and its operation.

I can truthfully say that during my years of service, I have rarely seen the kind of skillful leadership that has been demonstrated with this present administration.

Their concern for children and their rejection of lobbies and pressure groups, and their willingness to deal with problems in a forceful and reasonable manner and to serve as the advocates for all of the children has proved to me that they can get the job done. It is true that I leave the professional judgments to the professionals, but it is also true that I continue to provide direction, guidance, recommendations, and I do serve as a policy maker without interfering with the day-to-day operation of the schools. I am not political. I am not trying to get control. I am merely trying to represent the people of this community in the best way that I know how, i.e., to serve as a member of this Board of Education. I look forward to your vote and support. I will continue to serve in your interest.

Sincerely,
Neil McCormack

Mr. Vernon C. Wagner, President
Hicksville Chamber of Commerce
358B Mid Island Plaza
Hicksville, New York 11801
Dear Mr. Wagner:

I have seen the Chamber's remarks concerning the proposed extension of Duffy Avenue, which appeared in the March 22 edition of the Mid-Island Herald, and have taken cognizance of this statement as being the definitive position of the Chamber. Copies are being forwarded to County Executive Francis Purcell and the County Department of Public Works for their information.

Above and beyond other commitments made that the County's engineering work would be available for comment prior to the initiation of any extension project. I contacted the County Executive's office specifically concerning this matter. Mr. Purcell and I have agreed that upon the completion of the County's preliminary engineering

work, the entire extension concept will be held in abeyance to insure that ample opportunity is provided for public examination of this work and for the receipt of comments by all interested citizens and organizations. By copy of this letter, I am asking the County Department of Public Works to give the Chamber specific notice of the completion of initial engineering and the opportunities that will be provided for public review.

A recent Newsday article indicates that Hicksville organizations other than the Chamber, such as the volunteer Fire Department and the Community Council, object to extending Duffy Avenue. If, after review of the County's preliminary engineering work, the local citizenry and organizations hold the same opinion as has been expressed to date, it would be my view that the problems which the Duffy Avenue concept is meant to correct would require continued examination so that a more acceptable plan could be developed. You may have already noted my opinion on this matter, which appeared in the same issue of the Herald as did the Chamber's statement.

Very truly yours,
Joseph Colby
Hon. Francis T. Purcell, County Executive

To the Editor:
On behalf of our administrator Mrs. Ronni Rosenberg and the residents and staff of Central Island Nursing Home, we would like to express our appreciation for the interest and support received from the Community during "National Nursing Home Week."

Special thanks to Mrs. Rhoda Orenstein, Community Service Dept. Head and Mr. John Kayser, Administrative assistant at the Plainview-Old Bethpage Library for their assistance in coordinating our "Love is Ageless" Balloon Display. Each balloon contained the name of a resident seeking to form a new friendship within the community.

The response has delighted our patients who are looking forward to building "people to people" bridges with the outside world.

Kindergarten Orientation Program

The Hicksville Public Schools have launched a new districtwide kindergarten orientation program designed to formally acquaint new students and their parents to the whole spectrum of school life. The orientation, conducted by each of Hicksville's eight elementary principals, seeks to welcome children and their parents to school life, and make them comfortable in their brand new associations with school.

Dr. Catherine Fenton, Assistant Superintendent /Elementary, said

the program, which has been conducted on a more informal basis in the elementary schools for years, was structured to fill an existing need. "Last year a new parent, Mrs. Pamela Kermlein, told me that she was floundering, that there was so much to know about a new school district and no direct one-on-one ways of communication to help. This orientation program is in response to her concerns, and those expressed by others."

The orientation consists of an introduction of parents to

the staff of the school by the principal. He answers questions parents have on a variety of subjects, from school hours to transportation. Meanwhile, the soon-to-be kindergartners are being introduced to school by sitting in on an existing class. The older students, who are just about ready for first grade, watch out for the littler ones in a brotherly way and the child's apprehension is therefore lessened.

Parents receive a booklet about kindergarten, which has been written by the district's kindergarten

teachers. The booklet is unique in that it is designed to be read to the child by the parent.

Dr. Fenton commented on some changes she's noted in upcoming kindergarten classes. "For the first time, we're noticing that most kids have already attended nursery school and are therefore at ease, more confident in approaching kindergarten. And, we've noticed at the orientations that there are more fathers in evidence. Both parents have become highly interested in their children's education."

A thousand thank yous go to Tony Torlinacci who volunteered to be the director of the Pony League. "Some people think I am crazy," said Tony but we don't think so. Tony will give up his time so that the 13 and 14 year old boys can have a league with organization. We thank Tony again for all his efforts. Welcome to the HBA Board.

All booster money MUST be in this weekend. Only \$250 has been returned so far and it has cost the league \$7,000 for equipment. Let's get those boosters sold and return the money tomorrow.

We would like to thank Ron D'Amelia for his pitching clinic for the minor league boys. And a great big thank you to Gail Teney, Nanette Rothschild, and all the volunteers who devote hours to the shed every week. We still need many more

volunteers, especially on the weekends. If you are going to the field to see a game, why not give an hour before or after the game to the shed. If you would like to volunteer, see Gail Teney.

HHS Symposium Band Rates 'A+'

Appreciative members of the Hicksville High School Symphonic Band surprised their director, Mr. J. David Abt, with a cake and small party recently, in the aftermath of the Band's successful adjudication at the Large Ensemble Festival of the New York State Music Educators Association. The Symphonic Band received an "A+" rating, the highest which could be earned.

The cake was the idea of the group and some parents, headed by Mrs. Marie Jordan. The inscription, cleverly written with

musical symbols, read: "Maestro: You're not flat, you're not sharp, you're just naturally A+." It was presented to the surprised director during a fourth period meeting of the group.

Officers of the club are: President Paul Nealon, Vice President David Straub, Secretary Cathy Panetta, Treasurer July Sone and Student Government Representative Dorothea Antonio.

The Hicksville High School Symphony Orchestra and Concert Band were also adjudicated at the non-competitive festival. Both

groups were judged outstanding, making all of Hicksville High School's groups among the finest in New York State.

DEVOTIONS

Trinity Lutheran Church

On a Friday morning, a couple of weeks ago, as I made my way into the deli for coffee, the owner commented to me how terrible it was that the Pope had been shot. Concurring with his sentiments, I reasoned that at least we would not have to worry about being the target of a terrorist, since we were not all that important. As the world judges importance, most of us will never qualify as a terrorist target, but in 1 Peter 2:9, we find that we all VIPs.

As you got out of bed this morning, did you feel like you belonged to a chosen people, a royal priesthood, a holy nation, a people belonging to God? And tomorrow morning, as the daily grind begins again, will you be thinking, as you brush the old ivory, "What ways am I going to declare God's wonderful deeds today?" Will any of us plot how we might upset the devil, the prince of terrorists? Will we seek to live our Christian lives in such a way as to qualify for the devil's hit list? How many of us will let the light of Christ shine through us and be among the darkness dispellers? Will any of us be the light of Christ in a darkening world?

As you read the Epistle of Peter, it becomes evident that Christianity is not a solo proposition. Christianity comes to us through Christ-

ian community. Without a relation to the community or church, our individual Christianity is weakened and incomplete. The church is Christ's body on earth today. As the Pope has been incapacitated, the witness of the church has been hampered, so we grieve and pray for his quick recovery. The light of Christ shines in the world through Pope John Paul, but it also shines through each of us as we take seriously that we are a chosen people, a royal priesthood, a holy nation, a people belonging to God.

There is no disembodied Christianity. The Lord calls us to relate to him in the community of the church with all of its warts and imperfections. Christianity is a social faith, a community of fellow believers. Jesus continues to build his church upon our confession of faith that He was the one promised by the Father to die and pay the penalty of our sinfulness and to defeat death and the grave by rising again. No individual makes the church. Saint Paul speaks of members of the body of Christ; members mean absolutely nothing when they are severed from the body. Every functioning, contributing, participating member is important to the good of our witness.

Jesus Christ is the cornerstone of the church. We are each to be a living

stone cemented to the cornerstone and to one another. Each of us has a divine destiny and a place in the drama of divine redemption. We have been baptized into a high vocation. We were once nobody's people, destined to hell. We are now God's people called to serve the Lord, on our way to heaven. We have gone from rags to riches, from a pig sty to a royal palace.

We are God's own people. Literally this means, "A people for God's possession." We belong to God, saved from hell by the sacrifice of Christ. We are, therefore, called to produce the light of Christ in our words and deeds. We are called by Christ to servanthood, to sacrifice, to ministry. Such ministry is fed and coordinated in the local parish. If each Christian took seriously the Lord's Word for us today, our ministry and effectiveness as darkness dispellers would double, perhaps even triple. We should measure our ministry by the cross of Christ.

Today God is telling us that we are all special, all VIPs, everyone is needed to declare the wonderful deeds of Him who called us out of darkness into His marvelous light. How does God want to use us more effectively? Let's take a few moments and each talk this over with the Father through prayer.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:
"Every man's work is always a portrait of himself." Samuel Butler.

Rapidly approaching is the Galileo Lodge's Blood Bank Day, scheduled for Thursday, the 18th of June. Blood is life, life is important to everyone, young and old. Venerable Tony Previte will supervise this activity and he states that the Galileo Lodge has promised over 30 pints of blood. The community is invited as well as members of all the other Lodges associated with the Sons of Italy in America. Collation will be provided for everyone, and another worthwhile feature of this Blood Bank is that your blood will be pre-tested. Please remember that if you are not accepted as donor for any reason, your attempt to give blood counts as a donation. Accredited medical technicians will be on hand to serve in any way possible. Ask any person who recently needed blood and he will tell you what this humane project means to everyone.

Do you like racing? Do you like eating at the Cloud Casino of Roosevelt Raceway and having easy facilities to bet on your favorite pacers and trotters? Well, heed this message, which is that the Galileo Lodge presents its Night at The Races on Monday, the 20th of July, under the supervision of Tony Balestrino, who can be reached at 785-1462 for tickets and seating arrangements. Tickets sell at \$17 per person and this modest fee entitles you to Clubhouse admission and the dinner, of course. For a delightful and pleasant night under a summer night's sky, why not participate in this night at the races.

As was stated in our last installment, the Galileo

CONGRATULATIONS: Venerable Tony Previte being congratulated by 1st. Asst. Grand Venerable Joe Montmarano on his reelection as head of Galileo Lodge.

Also in picture are (left) the Ladies Auxiliary, of course. Installation and orientation of new members will take place shortly, and these dates will be announced very soon. The membership rolls of the Galileo Lodge are growing, and we feel that this is due to the progressive and diversified nature of the Galileo Lodge. Families For Life Club News

A rally protesting the Hicksville abortion clinic will be held tomorrow, Saturday, June 6, at 10 AM in the parking lot just south of the Memorial Fountain and north of the LIRR trestle, and between Jerusalem and Broadway. If you signed the petition a few weeks ago, try to be there to give substance to the protest. Town officials and members of the clergy are scheduled to speak.

Prior to the rally there will be a continuation of the picketing of the clinic from 8 AM to 10 AM. Last week about 15 demonstrators were on hand. Typical signs said CHOOSE LIFE and IF IT'S NOT ALIVE, WHY DO THEY HAVE TO KILL IT? One bumper sticker said ABORTION IS HARD ON LITTLE KIDS. Another sign protested the inaction of town officials despite 10,000 petitions for them to do something to get this facility out of the middle of our community. Another sign saying HONK IF YOU'RE PRO-LIFE was aimed at passing cars and triggered

quite a few honks.

What would happen if a Human Life Amendment or Statute were passed banning all abortions? The abortionists would have us believe that tens of thousands of women would die because of botched operations by back alley butchers and by self-inflicted abortions. The same claims were made in the late 60's and early 70's. But what truth was there to them? Dr. Bernard Nathanson, former director of the world's largest abortion clinic admitted in his book, "Aborting America" that, "I confess that I knew the figures were entirely false, and I suppose the others did too if they stopped to think about it. But in the 'morality' of our revolution, it was a useful figure, widely accepted, so why go out of our way to correct it with honest statistics?"

Open confirmation has now come from another source. The newly elected president of the American

College of Obstetrics and Gynecology, Dr. George Ryan, has in effect agreed with Dr. Nathanson. At their recent Las Vegas convention he attacked the proposed Human Life Statute saying that it would result in, "a return to the documented hazards of illegal abortions". He then noted that before 1970, more than 100 women a year died due to the complications of abortions. As a matter of fact, the government publication "Vital Statistics of the United States" records that abortion related deaths dropped steadily from 324 in 1961 to 128 in 1970. The unnecessary death of any woman, or man for that matter, is a matter of grave concern. But it seems unwarranted to put those deaths of women who voluntarily submitted to abortion on one side of a scale, and to have them outweigh on the other side the million and a half involuntary deaths of unborn babies every year caused by legal abortion.

WHY HAS HICKSVILLE BEEN BROUGHT TO THE BRINK OF DISASTER???

WHY after 21 years does Mr. McCormack have so little understanding of fiscal matters that he tried on May 27th to reduce a tax rate that will not be set until August 1981?

WHY after 21 years on the board (during which time 11 years have been spent in service with Nagle) does Mr. McCormack have so little independence that most of his votes are controlled by and are a mirror image of Nagle?

WHY after 4 years does Mr. Bennett have so little understanding of the role of trustee that checking his record will show that he has spent those 4 years as a rubber stamp for the Superintendent of Schools and not as an independent thinker concerned about your welfare and that of the children of Hicksville?

WHY after 4 years on the board does Mr. Bennett still follow the John Birch philosophy, (he was president of the local group in the past) which has undermined the structure of the community?

WHY would Mr. McCormack, whose two daughters are excellent professional educators in Hicksville, run on a slate with Mr. Bennett who has publicly, consistently and continuously criticized and insulted classroom teachers?

Perhaps the answer to the above question is that:

"POLITICS MAKES STRANGE BEDFELLOWS"

ELIMINATE NEGATIVISM AND TAKE THE POLITICS OUT OF THE SCHOOL BOARD ELECTION. VOTE FOR THOSE WHO CARE FOR CHILDREN, RESIDENTS, TAXPAYERS, THE VALUES OF YOUR HOMES AND THE COMMUNITY

VOTE ROW A - All The Way!

VOTE AYRES GRIMMER SCHWARTZ

WHY?

Because they have promised to uphold the office of School Board Trustee, in the studying they will do and the votes they will cast on behalf of all Hicksville. Let them fulfill their platform promise to each of you.

Read For Food

It's Read for Food at the North Broadway McDonald's a program co-sponsored by McDonald's and the Lee Avenue Reading is FUNDamental program. McDonald's spokesman Colleen Harrigan said "The purpose of the program is to create an incentive, an incentive for the kids to read more, and an incentive for them to visit our ne McDonald's here.

The program has been underway for several weeks now, and Ms. Harrigan stated that it will continue during the summer months, as well. It works like this: children are given forms by their teachers, which, when verified by the children's parents, detail the number of hours the children have read, at home McDonald's is awarding prizes as follows:

For 2 hours of reading, A box of Cookies

For 3 hours of reading, A sundae

For 10 hours of reading, A hamburger or cheeseburger

For 15 hours of reading, A hamburger or cheeseburger, fries and a beverage

In addition, the child from each grade who reads the most hours between now and June 21 will be invited to bring his family (maximum of five) for lunch as McDonald's guests. To receive the prizes, the child has to present his completed form, signed by a parent, to the dessert bar.

According to Lee Reading Teacher Goldie Scher, the program evolved during a search for community sponsors for the last RIF program, co-sponsored by McDonald's and the Lee Avenue RIF program. Standing from left are: McDonald's Representative

Kicking off a tasty program: The sign outside the North Broadway McDonald's heralds the start of the Read for Food Program, co-sponsored by McDonald's and the Lee Avenue RIF program. Standing from left are: McDonald's Representative

Colleen Harrigan, Incoming Lee PTA President, Peggy Gill; Karen Cimino; her mother Mary, who is RIF Coordinator at Lee; Joseph Cangemi (son of outgoing Lee PTA president Mary Cangemi) and Maureen Gill, Peggy's daughter.

Mary Cimino, was canvassing the commercial businesses for donor support for last week's RIF. Ms. Harrigan thought RIF an excellent opportunity to accomplish two things: to help children maintain an enthusiasm for reading, and to give McDonald's a wider

acclaim in Hicksville. So far, it appears that students are saving their hours for complete meals. Mrs. Scher reports. It is certain that the Read for Food program will produce more intelligent young minds and more full stomachs!

Grandparents Day

It was Grandparents Day at Dutch Lane and Old Country Road Schools last Friday and hundreds of grand people joined the younger generation in activities and classes.

At Dutch Lane, grandparents assembled in the All-purpose Room for punch and coffee, and were introduced to the school by Principal Robert Whearty. They then adjourned to the gymnasium, where they were entertained by the school's band. The oldest grandmom and granddad were recognized, and then children came from their individual classes to claim their relatives and take them on individual school tours. They participated in classroom activities and each received a certificate proclaiming him or her the special person of the day.

At Old Country Road, the active PTA hosted a reception with hand-made flowers and cake, coffee and punch. Entertainment was provided by the Old Country Road Baton Twirlers, school band and orchestra. The high point of the morning was a waltz, danced by Principal Louis Penque and Mrs. Albina Colonna, the oldest grandparent in attendance. Special recognition was given as follows:

Great Grandparent: Stella Kolakowski

Most Grandchildren: Catherine Blatz and Alexander Reimer

Oldest Grandparent: Anna Class, and Albina Colonna

Most Grandchildren at OCR: Terry and John Pello. Grandparents who traveled the farthest: Marie and Sal Giacomino

Great Grandparents: Mary and Lee Cancellieri, and Barbara and Carl Goryl.

President Reagan Thanks Pre-Schoolers

After President Ronald Reagan was seriously wounded by the bullet of a would-be assassin, letters of concern and wishes for his speedy recovery came flooding in from all over the world. Not the least important of these letters and cards came from the Lee Avenue Pre-School youngsters.

The pre-school is operated by the Lee PTA. Teachers Betty Rodgers and Karen Weckler coordinated the sending of the children's drawings, expressing their concerns for their presi-

dent's health. Pre school Chairman Eleanor Abrams passed on this reply, recently received from the White House.

"To: The Children of Lee Avenue's Pre-School Class

How delighted I was to receive your get-well message! It tells me of your friendship and makes me very happy. I know with so many young people rooting for me that it won't be long before I'm feeling much better.

From the bottom of my heart, thank you for caring. Ronald Reagan

Gifted And Talented Education Proposal

More than 40 teachers, administrators, board members and community residents conducted round-table discussions on the Hicksville School District's proposed Gifted and Talented Education proposal last Tuesday night. The meeting was chaired by Board of Education Trustee Charlene Anci, who had extended invitations to all 74 members of the Advisory Committee on Gifted and Talented Education.

Primarily, the format was information exchange and discussion on a K-12 proposal which has been a year in the making. The written program has been distributed to all committee members for their input and critique. It is the culmination of such input and critique.

Areas of discussion centered on pupil identification and screening procedures, teacher selection and organization of the program, according to Dr. Catherine Fenton, Assistant Superintendent Elementary, who is coordinating the genesis of the program.

Ms. Ruth Jacobsen, Reading Supervisor, is currently chairing a steering sub-committee which will make detailed program and staffing recommendations.

When those are ready, Mrs. Anci plans to call another meeting of the entire Advisory Committee for more reaction and information exchange. All parents of school-age children are urged to watch for notices of the date and time.

My Fellow Hicksville Resident,

The Hicksville School Board election on June 10th offers our community the opportunity to make positive changes in the make-up of the Board. Trustees McCormack and Bennett have failed miserably in their service to our children. Their voting records and public statements are proof positive that the education and well being of Hicksville students are their last consideration. Political and economic reasons dictate McCormack and Bennett votes on the issues.

I suggest that you personally speak to Trustee William Bennett for five minutes and then decide whether he is a child advocate.

I suggest that you personally speak to Trustee Cornelius McCormack for five minutes and then decide whether he, himself, wrote the letters and advertisements which have recently appeared in local publications.

I suggest that you personally speak to Board President Thomas Nagle for five minutes and decide who holds the fate of our schools in their hands and whether or not it is in your best interest as a resident taxpayer in Hicksville.

The Time has come!

The Time is now!

There is No Time left!

The Hicksville School Board must once again represent you. Eliminate the "RUBBER STAMP" mentality and replace it with an honest interchange of ideas. Turn down the incumbents McCormack and Bennett.

Vote Row A - AYRES - GRIMMER - SCHWARTZ

Return Hicksville to the school system and community of which we were once so very proud.

Return to Education!

Return to Reason!

Return to Fiscal Sanity!

HHS Volunteer Club Receives Well Deserved Thanks

Members of Hicksville High School's Volunteer Club have received some well-deserved thanks and recognition for one of the many deeds they perform.

In February, the Club sent a scroll eight yards long and wrapped in yellow ribbons to the returned Iranian hostages, filled with the well-wishes of hundreds of students. Club Advisor Barbara Walling, one of the high school's nurse-teachers,

worked with students to forward the scroll to the returned Americans, in care of Bruce Laingen, U.S. Dept. of State attache and former hostage.

A few days ago, the Club received the following letter on the stationery of the U.S. Dept. of State:

"Dear Friends of the Volunteer Club,

I want to tell you how much I appreciate your words of welcome home. I want to thank you for your

support and your prayers during all the long months of captivity in Iran.

Nothing has been so reassuring to me than to see how the young people of our country have found reason in this experience to renew their commitment to the principles of freedom and liberty and human decency on which our country's future rests.

You make me proud to be an American. You make me

confident that our country's future is bright. I hope you will also keep an open heart and mind toward Iran so that in time our two countries can again be friends.

God bless you and keep you.

Sincerely,
Bruce Laingen

P.S. Hicksville High must be a great school! Your messages were terrific! Thank you from all of us!"

AN INTERNATIONAL LUNCHEON AT DUTCH LANE: On May 27, Mrs. Blaustein's first grade class enjoyed an International Luncheon. This was the culmination of a unit about Families Around the World.

The children were treated to wonderful dishes and desserts representing different countries, which were prepared by their mothers. Shown here are Mrs. Blaustein and some of the children in their costumes.

International Luncheon

rites of many countries.

The classes of Mrs. Lena Harknett, Mrs. Barbara Simon and Mrs. Muriel Magrane sang and danced their way through the music of the world, featuring Welsh, Italian, Scottish, Irish, Canadian, Austrian, Mexican, Dutch, American, Greek, German, Chinese, and English ballads, folk songs and folk dances. They were dressed in the ethnic costumes of the countries they represented.

The room was strung with brightly colored streamers, and posters and flags of worldwide nations made the scene reminiscent of the United Nations. And the food...dishes from mousaka and ziti to Russian tea balls and trifles attracted children, parents, and PTA coordinators into a fine luncheon feast.

Mrs. Harknett gave special recognition to Ms. Emily Eisen and Mrs.

Mignon McClain and their efforts to make the day a success. Ms. Eisen is art specialist; last week, she coordinated the 1981 Lee Art Show, featuring the art works of the entire student body. Mrs. McClain, music specialist, accompanied the students on the piano and was responsible for the mammoth job of teaching the songs to the children. Ms. Barbara Feuerstein, physical education teacher, taught the folk dances.

LET'S GET THE FACTS STRAIGHT

During the past several weeks I had anticipated that at this crucial time the School Board Campaign would address the key issues with a positive approach. However, my expectations were quickly shattered.

I was shocked and dismayed last week, when reading the venomous attack by Frank Willard, negative diatribe by William Bennett and the lengthy letter above the signature of Cornelius McCormack.

I have known Neil McCormack for many years, listened to his infrequent presentations at the board table, and have read many of his letters. The letter published last week in my considered opinion does not appear to be personally authored by him.

With regard to the functioning of the "Citizens' Budget Advisory Committee", its deliberations, accomplishments and interaction of its members, I feel more qualified than Mr. William to report the correct facts. I was privileged and honored to have been unanimously selected by the members of the committee as their chairman. Obviously, in retrospect, Mr. Willard has taken a partisan position regarding a non-partisan and education-oriented function. Politics has no place in decisions vital and sensitive for the benefit of Hicksville's children. Each of the members conscientiously contributed their time, analyses, deliberations and suggestions. All of them, including Frank Grimmer as well as Frank Willard evidenced the knowledge, advocacy and "intellectual skills" to successfully present verbal and written reports, as a joint effort, to the Board of Education.

Based upon my observations of School Board members and candidates during the past 15 years, it is obvious that there are some persons of 20 years of age eminently qualified and some persons of 65 or 70 that are unqualified. Frank Grimmer has evidenced the dedication, philosophy and independent thinking to be a viable candidate and future School Board member.

The letters of Mr. Bennett clearly reflect a frustrated, myopic and bitter approach in the campaign. He has been an active militant and well disciplined, controlled member of the Board. He writes of a "balanced Board of Education". Observation of the Board indicates control of Mr. Bennett by the forces of "cut the programs", eliminate services, "reduce supportive services", all in the name of economy, while ignoring the total education of the children, long range planning and the impact on the value of our homes in this district.

I urge all the residents to carefully weigh the past record of negativism and obstructionism of the two incumbents - think of Hicksville's children and consider the resale value of your residence when you go to the polls on Wednesday, June 10th. For all of the reasons above I feel it necessary to strongly urge you to take positive action and VOTE for...

Memorial Day was a beautiful day for a parade with the temperature at 78 degrees. There were about 30 marchers for the HASC and as coordinator I would like to thank Eileen Postula who helped me coordinate the parade along with Carol Reardon. Thank you to those that marched the entire parade including Tom Reilly, coach 1970 boys travel, Carol Reardon, coach mid-island girls travel, Pat Rooney, coach intramurals, Randy Smith, board member, and Charles Frattini, vice-president and travel commissioner. Also thanks to the parent and his son whose name I never got that joined the parade at about half way and marched to the end. I would like to thank Tony Camara, president of the Hicksville Americans Soccer Club, for allowing me to coordinate the parade in his absence since he had a prior commitment.

This year saw the club moved up to division 3 from division 4 from last year. The parade started at 9 AM from the Sears parking lot and ended at Hicksville senior high school. Frankfurters and soda were served to the HASC marchers along with other organizations at the end of the parade which was appreciated very much. On behalf of the Hicksville Americans Soccer Club I would like to thank those organizations of veterans who donated the frankfurters and soda with the manpower to serve them. During the parade while I was marching I noticed soccer players who were marching for school bands and scouting groups. The important thing is not the numbers the soccer club had marching for the club but that they marched in honor

of the veterans who have died or served their country. Thank you parade coordinator - Tom Reilly.

The New York Squirts

Coach Pat Reilly
The New York players of the Hicksville Squirts played beautiful game last Sunday under a sunny sky at the Willet Ave. School in Hicksville.

Our New York players are really getting good at developing their skills. Our throw ins are super, almost all our players have played goal and made beautiful saves. We have several of the best runners around. The coach and parents are thrilled with their progress, and we are especially proud of them because they are such gentlemen on and off the field.

Our New York players are Joseph Montello, Brian Maloney, Gregg Greenberg, Jarrett Brilliant, Jonathon Baskind, Scott Alper, Kris Visconti, Michael Schneider, Joshua Sapir, Brian Reilly and Paul Richichi.

U-16

Coaches Barbara McCann Anthony Luongo

Under a bright sunny sky the Hicksville Comets met the Oceanside Algonquins at Grumman Field. In a very tense and exciting game the Comets suffered a loss of 2-0.

In the first half the Comets forward line consisting of Tommy Bell, Anthony Conti, Frank Humphreys, Ryan McCann, Jimmy McMahon, John Schneider and Michael Segal played hard and fast.

Our midfield line Jeff Gluck and Tim Doyle as center did beautifully in setting up plays.

Our fullbacks Tom Reilly, Michael Luongo as center and Bobby Himmel did super in keeping the ball out of the

Comets' end of the field. John Giuttari did very well in alternating between midfield and fullback lines.

Our Goalie Mark Micheli did super in making many saves.

We all wish a speedy recovery to Jim Curley and hope to see him next week.

HICKSVILLE EAGLES Boys U 11

Coached by Tom Reilly and Ken Hamel

The Eagles were victorious Saturday against the Valley Stream Americans for a final 4-2 score.

Kenny Hamel was super in Goal. Mike Iavarone scored unassisted from his Right Inside Position. David Fujimoto scored from his Right Half back position and James Panchosian scored from his mid field position. He also assisted on David Fujimoto's goal. Vincent Longo tried hard from Left Wing. Greg Pressman played well from Right Wing and Left Midfield. Michael Conway did a great job from Right Fullback and Right Halfback. Mike Olive helped keep the ball in place from Left Inside. Bobby Kratochvil played well defensively and offensively from his Center Mid Field Position. Robert Radke and Mike Wozniak and Billy Neway worked as a team with Richie Chakrin on the defensive Full Back line. All the boys gave their all for this great fast moving game.

We all wish Brian Doyle a speedy recovery from his accident. We hope he will be back with us next week when we play Cold Spring Harbor at Grumman Field on Saturday, June 6th.

Hawaii-3

N. Y. -2.

In a hard fought game, Hawaii was victorious in beating a fine N.Y. team. Hawaii's scores came on goals by forward Matt Greenspan - 2 and halfback Brian Whitman. Hawaii's defense was super with Joey Rosner, Jason Teitelbaum, Adam Schacter and Jonathan Feldman containing N.Y.'s offense. The offense was led by Kevin Ohea whose playmaking enables the offense to continually score. Bryan Pendrick and Mike Tobin shared goal-tending and played excellently making numerous saves.

Hawaii-2

Maryland 0.

Position week saw two 1st place undefeated teams from each respective division go head to head; Hawaii with a 5-0-1 record and Maryland with a 5-0-2 record.

Hawaii came out strong showing fine skills with Matt Greenspan passing to Kevin Ohea on a corner kick who executed perfectly and scored Hawaii's first goal. The 2nd goal was scored by Matt Greenspan who scored on a penalty kick making the score 2-0.

Hawaii's strong defense was led by halfback Brian Whitman who continually turned back Maryland offense. The win enabled Hawaii to record a 6-0-1 record and finish in 1st place during the regular seasons play. Strong games by Sal Totino, Glenn Segel, Mike Tobin, Steve Ocuto, Adam Schacter, Jason Teitelbaum, Joey Rosner, Jonathan Felman helped preserve the shutout. Excellent goaltending by Bryan Pendrick once again allowed Hawaii to be victorious.

"A"

By George Maggio
PBC "A" was over-
powered by IHOP. The final
score was 20-5. Defensive
apses overshadowed fine
pitching performances by
Brian Whitman and Artie
Martinez. Good defensive
plays were turned in, how-
ever, by Artie Martinez and
first baseman Vinny Ver-
gara. The PBC bats came
alive in the final two innings
with extra-base hits from
Billy Toelstedt, GG Agosta
and Brian Whitman, but too
late to overcome the sizeable
lead of the IHOP team.

BPOE has had some thrill-
ing games, this one they de-
feated VFW 12-3. On the
mound with super per-
formances were Kevin Ken-
ney and Stephen Wolf. They
allowed only three runs. The
hitting stars were Sean
Gardner and Stephen Wolf,
with a single each. Scott and
Mike Gottelman both had a
double and Kenny DeRose
had three singles.

The standings so far
through the season are:

Majors

By Stephanie Manganello
On May 26th Hamburg
Savings Bank and P.B.C.
"M" had a battle royal scor-
ing a total of 28 runs with
PBC coming out on top scor-
ing 16 of the 28 runs. Pitching
for Hamburg was T. Goettle-
man and C. Clark combining
in a fine performance for a
losing cause. Great hitting
by R. Linge and G. Dastin
both with a home run each.
C. Clark had a nice double
driving in 2 runs. M. Conroy,
J. McBrier, A. Langone and
J. Hawkins all went 2 for 4. A
great catch in right field by
Edward Gebbard and
another by 3rd baseman J.
Schneider. A colliding put-
out at 2nd base was made by
J. Hawkins. A great effort
was made by all players.

In another game Long Is-
land Trust blanked out Mar-
der Shell with a score of 4
zip. J. Blauvelt and R. Cap-
uto pitched 3 innings each to
shut down the offense of
Marder Shell. Only four hits
were allowed to L.I. Trust by
Marder Shell, but they were
timely. J. Gray, R. Caputo,
J. Blauvelt and D. Fassano
were the four hitters. D. Kas-
sano not only sparked at 1st
base during the first 3 in-
nings, he picked off a man on
first base with a perfect
throw after catching a fly
ball hit to center field. N. Pe-
trelli, J. Baluvelt and J.
Gray were also standouts.

In Hamburg Savings
Bank's second game of the
week, H.S.B. played a tough
Alpine team squeaking by
with a score of 8-7. C. Clark
pitched 6 innings with a total
of 8 strikeouts. H.S.B.'s bats
were in full swing racking up
14 hits. C. Clark had a triple
driving in 2 runs. G. Dastin
went 2 for 2 with 2 doubles.
R. Linge went 3 for 3 and ad-

ding to the hits were Mike
Martello, J. Schneider, M.
Conroy, A. Langone, J. Haw-
kins and E. Gebbard.
Long Island Trust picked
up a game from Alpine sock-
ing it to Alpine 7 to 2. R.
Caputo, N. Petrelli and J.
Blauvelt combined their pit-
ching talents and allowed on-
ly 2 hits. R. Caputo and J.
Lap led the hitting, each go-
ing 2 for 2. It was a balanced
hitting attack with 9 players
getting hits. D. Fassano stole
home for the second time
this season. A. Ligort and
M. Rottas broke out of their
hitting slump. M. Rottas' glove
sparked at third as did
R. Caputo's at short stop.

PBC-Hurricanes

This past week our pit-
chers turned in three excel-
lent complete games, Matt
Adelstein, Kevin Morrisroe
and Bobby Ladimir learned
that by keeping the walks
down to a minimum, the
games would be a lot closer.

The defense improved
each game until it peaked
against Sullivan Siding. With
the bases loaded and Noone
out, the team played tough
and allowed no runs. Geoff
Martin remains a pesky bat-
ter continuing to draw
walks. Steve Pine was hit in
the back twice, Brian Spin-
ner in the helmet and Brian
Garrets in the ankle, all in
one game. Chris Santarelli,
our catcher, was hit by
numerous foul tips but came
back each time as the Hurri-
cane won 11-9.

Against Malvese Steve
Pine had 3 consecutive dou-
bles while Brian Spinner and
Chris Flanagan were on base
3 times both with 2 walks and
1 HBP. Matt Adelstein hit a 3
run triple to tie up the game
only to have Malvese score
in their next time at bat to
win 15-14.

Against Sands Textile
Mike O'Grady and Drew
Donohue hit well, with David
Kuck walking twice as the
Hurricanes lost 7-0.

Neil Cambronero missed 2
games due to illness but re-
covered to play sound de-
fense in our last game.

LETTERS TO THE EDITOR (Continued from Page 4)

Dear Supervisor Colby:
There has been so much local opposition by resident homeowners and business people relative to the so-called Duffy Avenue Extension that I think the Town Board should make known its position on this question without delay so that we can all go about our business without this hanging over our heads.

All of us in the Chamber of Commerce have spoken: local residents, church people, the Hicksville Fire Department, storekeepers, etc. have made their feelings known and all are opposed. Why should they all be made to pay the price for non-resident commuter access to the railroad?

Duffy Avenue is not a connecting or main highway and could never be construed to be of anything but secondary importance to the movement of local traffic. An east-west extension would only attract traffic off Old Country Road or West John Street as a short-cut through Hicksville and would complicate matters even more. The industrial

plants on Duffy Avenue have easy access to Old Country Road and to the Parkway and do not need the extension.

Traffic on the extension, if it was undertaken, would be intolerable at Broadway and East Marie Street and on Plainview Road - endangering fire activities, residences, school crossings at Bay Avenue and at East Street and cause additional problems at New South Road where east bound traffic on Plainview Road is diverted to reach Old Country Road.

The so-called cure would only help to hasten the death of the patient and Hicksville's health has been suffering for a long time.

Let's get this idea out of the way and proceed to really work on the problem of the "G-1" zone in order to make it workable and practical or change it back to regular business zoning so that our Broadway business area can come back to life. Act now!

Very truly yours,
CHARLES I. MONTANA
cc: Mid Island Herald

cc: Mr. Tom Clark,
Councilman

Dear Sheila:
I wrote the following poem as a protest against the ripping up of Hicksville's residential streets for the purpose of converting them into highways. Hicksville is crisscrossed by highways now. Enough is enough.

Oh Countrylane you were so fair,
Your passing fills me with despair.
I gaze upon cement and stone
At traffic light and safety zone.

Though muddy you would be in spring
Among your treetops birds would sing
And in the autumn you would be
A gold and scarlet symphony.

Oh how I wish that I could be walking
Beneath your stately trees,
Caressed by Zephyr's balmy breeze,
My sorely troubled heart at ease.

Your trees are gone, your birds have fled.
A highway you've become instead

Where maniacs race,
where blood flows red
A graveyard you've become instead!

Hicksville resident for 52 years when Hicksville used to be a beautiful little village.

Dear Editor,
In the April 24th edition of your newspaper Mrs. Clara Bennett had a petition published which she sent to the New York State Commissioner of Education. The contents of the appeal were allegations of irregularities in the Library Board Election.

I should like to set the record straight and inform your readers that the Commissioner refused to accept the petition because of its contents.

Thanking you for your attention to this matter,
Your duly elected Library Board Trustee
Josephine Buckner

Hicksville Girl Scout News

By Betty Hughes

Hicksville Girl Scouts will soon be ending their programs for the year. It has been a very busy year indeed including many Service Projects as well as fun.

In the Fall all troops were starting on Service projects geared towards remembering the holidays at Nursing Homes in the area. Thinking about other peoples needs is an integral part of the Scouting Program. These Service Projects consisted of making articles for the residents and paying personal visits.

They also collected food items for the Westbury Day Care Center, a most worthy cause. However, there were lots of times for fun too, such as, all the Halloween Parties in the troops, and the Christmas Parties and Carolling. There was a Bowling trip and a Father-Daughter Square Dance.

A very big event was the International Festival held at Dutch Lane School in which all levels of Scouting participated. There were several fun-filled camping trips at Camp Barstow and

the Great Neck Program Center and another one coming in June at Camp Tek.

There was a special Roller Skating Party for Girl Scouts at "United Skates of America", which was enjoyed by all. As the year progressed, our Girl Scouts had their annual cookie sale, which was a big success. The proceeds of the sale benefits the individual troops and Scouting as a whole.

Recently, we all celebrated Girl Scout Week and it was a time for Scouts all over the world to remember and renew their Promises

and Laws, around which the whole program revolves. Scouts were proud to march in our parade on Memorial Day.

We are fortunate here in the Hicksville Community to have so many active troops - enabling our girls to enjoy the scouting program, which keeps them more aware and involved as citizens. I might add that the girls are most fortunate too - to have so many dedicated leaders and volunteers. Hicksville really can be proud of them all. I know I am.

On The Campus

Kevin J. McAlleese, son of Mrs. Loretta McAlleese, Janice Maida, daughter of Mr. and Mrs. George Maida, and Stephen Ryan, son of Mr. and Mrs. Dennis R. Hicksville.

Happy anniversary to Bob
and Judy Stenson who
celebrated their seventh
wedding anniversary on
June 2. They are residents of
our community since last
November when they pur-
chased a home in HICKS-

VILLE. Bob works in the
Nassau County Correctional
Center and Judy is a nurse at
the Nassau County Medical
Center. Best wishes to you
both on your anniversary
and good luck in your new
home.

There's always something
going on at the Kremler
household. This time it was a
birthday celebration for
Peter on May 26. His
parents, Ann and Frank

Kremler, and his brothers
and sister made Pete's birth-
day a happy one. Congratu-
lations, Pete.

Tom and Dorrel Mahon,
HICKSVILLITES, are back
from a delightful trip to Sun
City, AZ where they cele-
brated the fiftieth wedding
anniversary of Mr. and Mr.
James J. Kelly. They en-
joyed themselves and had a
chance to renew old ac-
quaintances.

Another HICKSVILLE
couple who celebrated their
wedding anniversary are
Betty and Frank Jopp. They
were married 31 years on
April 16 and are looking for-
ward to spending at least
another 31 years together.

You've heard of the
Swedish Nightingale, I'm
sure. Well, Hicksville has
her own songbird... Sue
Laurenti. Sue entered a song

festival which will be judged
in California. She submitted
three songs she wrote: Re-
tirement, Last Wishes, and
Ten Minutes of Silence. By
August of this year, Sue will
learn if any or all of her
songs were winners in the
contest. We wish her much
success and hope her talent
is given the recognition it de-
serves.

And on June 5 there was

another celebration held at
the Clark household in
HICKSVILLE. Jeff Clark,
son of our Town of Oyster
Bay Councilman Tom and
his wife, Corinne, graduated
from St. Pius the Tenth. Jeff
will be attending Niagara
University in September
where he will major in busi-
ness administration. Good
luck to you, Jeff, in your fu-
ture endeavors

Choosing Retirement Time

A decision to retire is based on a host of factors. The person's physical ability to continue to work, medical conditions that may make continued work difficult if not impossible, psychological factors which may favor continued employment or, conversely, hasten the decision to retire -- all these play a part. For most people, however, possibly the most important consideration is their financial ability to stop working.

For many people, social security retirement benefits constitute the most important -- if not the only -- source of retirement income. These benefits can be paid as early as age 62. If they start before the worker is 65, however, the amount of the checks will be reduced because they will be received over a longer period of time. The reduction amounts to 20 percent at age 62, and a lesser reduction for people between ages 62 and 65.

When a person retires, monthly benefits also can be made to certain members of the family. They include a wife or husband 62 years of age or older; a wife less than 62 if she is caring for the

worker's child who is under 18 or disabled and who is receiving monthly payments on the basis of the worker's record; unmarried children under 18, or 22 if full-time students; and children over 18 who were severely disabled before age 22 and who continue to be disabled.

For those eligible to retire at 65 but who decide not to, the eventual monthly benefit will be increased by one percent for each year (1/12 percent for each month) that benefits are not paid. People who reach age 65 in 1982 or later will receive a credit of three percent for each year (1/4 percent for each month) that they delay retirement.

Persons expecting to retire at age 65 should contact their social security office 2 or 3 months earlier so their benefits can start when their income from employment stops. In addition, they will be able to establish eligibility for Medicare.

Those who wait until they are 65 before applying risk having their Medicare coverage delayed for a month or more. It may also be advisable for people planning to retire to discuss their continuing health

insurance needs as they relate to Medicare protection with their insurance company representative.

Additional information about social security retirement benefits can be obtained by telephoning 576-9162.

Lynda Noeth Scotti - 796-1286

Congratulations to Mr. and Mrs. William D. Colvin of No. 10 Fordham Rd., Hicksville, on the birth of a son, William Alexander Joseph, born at North Shore University Hospital. The couple also have a daughter, Kelly Elizabeth, 26 months old.

Mr. and Mrs. Peter Schaeffer, of Sherman Ave., Plainview, are the proud parents of a son, Benjamin Ian, born at North Shore

University Hospital. The couple have another son, Michael Jason, 2 years old. Mom is the former Gina Wallock of Plainview, congratulations.

Mr. and Mrs. Dean Warner of Hollywood Dr., Plainview, are the proud parents of a daughter, Erica Lynn, born at North Shore University Hospital. The happy couple have another daughter, Jennifer Louise, 2 years and

11 months old.

Mr. and Mrs. Steven Factor of Ontario Ave., Plainview, are the proud parents of their first child, a son, Michael Daniel.

Happy Birthday to Lee Pietruszewicz of HICKSVILLE, who celebrates on June 7. Lee is a member of the Hicksville V.F.W. Ladies Auxiliary.

Mr. and Mrs. Russell Goldman of Avenel, N.J., announce the birth of a daughter, Andrea, on May 21.

Mr. Goldman, a lawyer, was born in Hicksville and is a graduate of Hicksville High School, Cornell University, and the Rutgers University Law School.

The grandparents are Mr. and Mrs. Irwin Goldman of HICKSVILLE.

The senior Mr. Goldman is an owner of the Goldman Brothers store in Hicksville.

Hicksville Fire Commissioner John McMahon and his wife Dorothy of Meade Ave., HICKSVILLE are back from a Florida vacation, where they visited their son and daughter-in-law, John and Patricia, who now live in the town of Lehigh. They also spent a week with former Hicksvillians Ex-Fire-Commissioner and his wife, Harold and Rose Manaskie of Holladay, Florida.

It's "Happy birthday," on June 9th, to former Hicksvillian John McMahon, Jr. of Lehigh, Florida. Hope you have a happy one, John and

don't forget to come on up and visit your friends and relatives here on Long Island, when you can.

Carolyn Ann Fischer, daughter of Mr. and Mrs. Fred Fischer of 336 West Nicholas Street, HICKSVILLE, graduated from State University of New

York at Albany on Sunday, May 24. Carolyn received a B.S. Degree in Business. She is a graduate of our Hicksville school system and lives with her parents who are long-time Hicksvillians.

On May 24, a Christening was held for Kristene Marie Hirsch at St. Stephen's

Lutheran Church in HICKSVILLE. There was a party and "open house" following the ceremony in honor of the occasion. Kristene's parents are Joan and Kenneth, and she has a brother, Kenny, and a sister, Janet. Everyone is proud of the new addition to the Hirsch household. (Continued on Page 13)

Manthey-Maida

Mr. and Mrs. William C. Manthey of Hicksville have the pleasure of announcing the marriage of their daughter, Heidi Anne to Mr. Gerald R. Maida, son of Lt. Col. (Ret.) and Mrs. George Maida, also of Hicksville on Saturday, May 9th.

The ceremony was performed at St. Stephen's Lutheran Church, Hicksville. The officiating clergy were the Rev. Roland J. Perez and the Rev. Eugene McManus.

Mrs. Gwenn Atherton of Underhill, Vt., sister of the bride was matron of honor. Bridesmaids were Miss Janice Maida, sister of the groom and Mrs. Sandra Schumacher and Miss Wendy Manthey, sisters of the bride.

Best man was Capt. Steven Maida of Fort Bragg, NC. Mr. Stephen Boehm, Mr. James Schumacher and Mr. Thomas Manning were ushers.

The bride received her Bachelor of Science Degree in Nursing in May 1979 from Adelphi University. She is a Registered Nurse employed in the Neo-Natal Intensive Care Unit at North Shore University Hospital, Manhasset.

Mr. Maida received his Bachelor of Science Degree in Business Management from C.W. Post College in May 1979. He is a Product Specialist with Automatic Connectors, Commack.

After honeymooning in Cancun, Mexico the couple will reside in Locust Valley.

Guberman-Goldman

Valerie Meryl Guberman, daughter of Dr. and Mrs. Benjamin Guberman of 3 Lester Pl., Plainview, became the bride of Gary Paul Goldman, of Glen Cove, son of Mr. and Mrs. Martin Goldman of Hollywood Fla., at a ceremony held on May 24 at the Huntington Town House. Rabbi Erlich officiated at the 6:30 p.m. ceremony.

The Matron of Honor was Gale Findling, sister of the bride and bridesmaids included Martha Goldman, sister-in-law of the bride and Stephanie Findling, the bride's niece.

The Best Man was Jeb Goldman, brother of the groom and ushers were Leonard Findling, brother-in-law of the groom and Chad Goldman, nephew of the groom.

A reception for family and friends followed at the Huntington Town House.

The bride attended Nassau Community College and C.W. Post College. She is employed as an officer manager.

The groom attended Nassau Community College. He is self-employed.

The couple took a wedding trip to California and Hawaii.
