Forum On Duffy Ave. Extension In Hicksville

Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville will sponsor a forum to discuss the proposed Duffy Avenue Extension and its implications for the future development of Hicksville. The forum will be held on Thursday, July 2, at 8 PM in the gymnasium of Trinity Lutheran School. The gymnasium is located adjacent to the parking lot at the corner of West Marie Street and Jerusalem Avenue in Hicksville.

Several community organizations have expressed considerable concern over the proposed extension and its overall effect on the community. Some people feel that the proposed road will encourage more commuter and commercial traffic in and out of Hicksville. Concern has been expressed by members of the Hicksville Fire Department that the increased traffic on East Marie Street (as a result of the extension)

would hamper their effectiveness. Residents who live on Plainview Road and on the streets along that thoroughfare see the possibility of increased levels of commuter and commercial traffic through residential neighborhoods.

Councilman Thomas Clark, who has supported the Duffy Avenue Extension, will speak on the positive side of the proposed extension and how it relates to the overall development of

Hicksville. Mr. Sieg Widder, Executive Director of the Hicksville Chamber of Commerce, will share the Chamber's views on the proposed extension.

Trinity Lutheran Church, seeking to make a positive contribution towards a better Hicksville, cordially invites residents of our community to attend. There will be ample time for questions and comments from the floor.

Hicksville Alumni News

President Harold Holden presided over the monthly June meeting of the Hicksville Alumni Association. Matters discussed and motions passed on were:

- Thanks of the Board of Directors were addressed to Mrs. Helen Thele Guckenburger for obtaining and placing a wreath at the Service Men and Women's Memorial on Decoration Day. It was presented in memory of all alumni called to Service in all combats.

- Mrs. Given Schaal accepted the designation as "Alumnus of the Year" for

which she will be the guest of honor at Homecoming in October.

- The chair extended appreciation to Howard Finnegan, chairman, Richard Hogan, and James Fybe for their efforts in connection with the Annual Boys and Girls Senior Varsity Athletic Dinner.

- Letters of thanks for a Varsity Dinner invitation were read from Dr. Catherine Fenton, Superintendent Elementary Education. They were addressed to President Holden and Howard Finnegan.

- Discussion was pointed on the inability of the Association to be granted a Tax Exempt number. The State Tax Commission refuses to grant the exemption on the grounds the Alumni is a social organization. The ruling disregards the facts that the total profits plus all alumni gifts they generate go to benefit students of Hicksville High. This year alone the tax taken by the State deprived a Hicksville student of a three hundred dollar total or additional scholarship!

- Disquiet and anger was

voiced by Board Members since four thousand dollars earmarked for scholarships have been gobbled up by the State Tax Department in recent years.

- This matter was tabled until the July meeting.

- Letters of appreciation were directed to Mrs. Florence Caruso Gries and Mr. Hester Palahnik for their generous cash donations to defray the Varsity Dinner.

- The June meeting was called for the Conference Room of the Jolly Swagman Inn on the 13th of the month.

Were you there when they passed around the wine? Did you enjoy the taste which was sublime?

Did you partake of the crackers and cheese? No! Then you missed our Club meeting, but please, Plan to attend our August 14 dance.

You can promenade your partner and prance. To square dance music around the floor.

And we know you'll be wanting more and more. Just watch this column for information.

About this gala event and celebration.

Our Question and Answer Column last week was very well received. We will run this again; however, we not only need inquiries from you, but we need a little time to research the answers. Please be patient...we will answer all questions, whether in this column, by mail or by a telephone call.

Thanks for your understanding.

And now for a profile of two of our committeepersons, Helen M. Henderson and Mike Cianciaruso....

Helen is Long Island born and bred. In fact she has been a resident of Nassau County all her life, having been born in Floral Park. For the past 27 years she and her husband, Cliff, have lived in Hicksville.

Helen has distinguished herself in civic and community affairs. She was the first committeewoman in Hicksville, and has been for the last eight years. Her area covers Plainview Road, on the south; South Oyster Bay Road on the east; Pine Street on the west and north to Woodbury Road. She is always ready and willing to help her constituency with any local problems in her area. Just give her a call and Helen will respond.

Some community activities she has been involved in are, past president of P.T.A., Girl Scout Leader, and currently an active member of the Nassau - County Home makers Council.

Helen's husband, Cliff, is an active National Guardsman. They have two children: Patricia, who is a nurse at Nassau Hospital; and John, who graduated from Nassau Community College and will continue his undergraduate studies at Albany University this fall.

Michael Cianciaruso is co-committeeman to Helen. Mike has been a committeeman for over four years. He has been an active member of the Hicksville Republican Club for more than six years. He shares the same area as Helen, Election District # 6, Assembly District # 10. They make a great team - sharing chores and tasks which are incumbent upon them as committeepersons. Mike takes pride in solving

problems for his constituency such as street light outages, fallen trees and branches in the streets, etc.

Dolores, Mike's wife, said her husband loves doing cement work. She told us that Mike believes every Italian is born with a trowel in his hand and a song in his throat. Consequently, they have plenty of cement work around their home.

The Cianciarusos have four children: Cammie, who is employed with a brokerage firm; Donna, who is a travel agent; Anthony, who is in the U.S. Navy; and Angela who just graduated from Hicksville High School.

With dedicated and willing committeepersons such as Helen and Mike, the public benefits, whether the political persuasion is Republican or some other party.

From time to time you will be reading about other Hicksville Committee persons in this column.

fishing tale right out of the Galileo Lodge's fishing log. On Sunday, the 7th of June, the Galileo Lodge held its fishing outing under the guidance of Jeff Wallick, with 24 members and friends outing under the guidance of Jeff Wallick, with 24 members and friends in attendance. The outing started at 6:00 A.M., with an early breakfast consisting of bagels, cream cheese and coffee, and then on to the Captree Boat Basin, where was met Capt. Steve Lysek of the fishing boat "Mainstay". This group fished for Bay Flounder and, all in all, they caught 50 keepers. Then there was a pool which was won by John Romano, who caught a 2 lb., 3.7 oz. flounder. John Keiper was second, with a catch of 2 lb. 3.6 oz. Also in attendance, besides the two members just mentioned, were Jeff Wallick; Jules Mezaros and his twin sons, Dave and Steve; Pete Ragone and his sons, John and Mike; Frank Gatto; Jim Look and his son; the Romano brothers; Pete Sarandrea Jr. and his two friends; Tony Sica; and, last but not least, there was Tony Cassamese, who

seemed to hypnotize the flounder with his harmonica playing. It was a pleasurable, enjoyable and relaxing summer activity, so much so that Chairman Jeff Wallick announces that another fishing trip will be in the offering very soon. It will be at the same place, same boat and same captain. Keep posted for more details on this activity.

Getting back to that true and hackneyed expression that nothing succeeds like success, perhaps we should change it to read that nothing succeeds like good eating, pleasant surroundings, amiable chatter and good fellowship. And all these ingredients were present last Friday night, the 12th of June, at which time the Galileo Lodge presented its Membership Appreciation Night and at which time it picked up the 'tab' for all the food and refreshments that were served. A delicious menu consisting of pepper steak, sausage and peppers chicken cacciatore, linguini with garlic and clam sauce, baked ziti, prime rib, coffee and cake, refreshments which included an open bar, was very visible to all those present. This pleasant cuisine was concocted by the kitchen stalwarts, namely, Head Chef Jim Posillico, Pete Sarandrea Sr., Pete Ragone, Jerry Look and Pat

Gatto, procurement head of the kitchen. Over 100 members and friends were in attendance, all of whom enjoyed themselves to their stomachs and hearts content. The membership of the Galileo Lodge (and its patrons and friends) wishes to thank the Galileo Lodge for such a terrific acknowledgement of their loyalty and devotion. Venerable Tony Previte wants to thank all these members and friends who participated to make this affair an enjoyable one. Bert Molinelli, by the way, was the bartender that night.

LODGE TIDBITS: Nice to announce that six more new members will be installed at our next social meeting, June 25th. Basement renovation will start very soon, and appropriations are being readied for it. James Posillico is the designer and he heads a group of Lodge members who will assist him. The Galileo Lodge is in deep acknowledgements of the efforts put forth by the Ladies Auxiliary during the last Bingo session. They are really tremendous in their devotion to the Galileo Lodge. Pretty Danielle Perry, the little granddaughter of Mr. and Mrs. Frank Anselmo of the Galileo Lodge, had enjoyable time at our last Membership Appreciation Night, as did his son, Paul. Robert Lo

Presti, son of Mr. and Mrs. Joe Lo Presti of the Galileo Lodge, has just passed his bar examination, which certainly makes his parents beam with happiness. Congratulations are also in order from the Lodge. Please note that the parents of Maria Pistocchi, the winner of the Grand Lodge's

CHARLES WAGNER POST # 421 HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Last week Ruth Leger of our Auxiliary Unit was installed as Chairman of the Nassau County American Legion Auxiliary at the Robert Van Cott Post in Lakeview. Following the Installation a reception was held at Charles Wagner Post and considering the night (Thursday) and the time, a fine group appeared to help Ruth celebrate. Commander, Lou Braun presented Ruth with a bouquet and the Post provided liquid refreshments. And the next night the Past Commanders' Club met in their annual Dinner & Election meeting at the Maine Maid. Elected for two year terms were Ray Gamble, President; Palmer Walsh, Vice President; and Wes Tietjen, Secretary/Treasurer. This being another almost all Legion week we had our Flag Burning ceremonies on the next afternoon (Saturday) and the turnout was good including Councilman Tom Clarke. The Color Guard is to be commended for this year's effort which far outshone last year's affair. The Color Guard will appear in July 4th parade in Oyster Bay having been accorded permission by the Post at Monday's meeting. There was a July 18th rally set for the MIAS/POWS at Shea Stadium at which time all Legionnaires present at the game would assemble on the playing field prior to the game but the baseball strike has kind of dimmed that ral-

ly. St. Ignatius Cadets presented the Post with 2 trophies they had won at the county convention two weeks ago. Thank you, Girls. You have heard that our next LAS VEGAS NITE is scheduled for Saturday, June 27 and all hands are requested to be on deck for this one. July 4th is our regular day for putting the flags up on Broadway and Commander Braun is requesting volunteers to help in getting this job done quickly. Please meet the Commander at the Fire House on the morning of July 4th at 7:30 or 7:45 A.M. and with sufficient manpower all flags will be mounted in 30 minutes or less. If you are free that morning come on down and lend a hand. Sorry to report that Rudy Bouse has again had a hospital stay but should be home by this time. And reports have it that Past Commander Ed Hodgkinson is making fine progress along the rehabilitation trail at home. That's just great. Post Commander Ray Gamble, sporting the 'Quarter Past' the Past Commanders' Club, enjoyed quite a lovely night after the meeting last Monday at the Post bar. Seems there were 8 past commanders in the house. And those poker tickets did not hurt a bit either. We have added 2 more Legionnaires to our rolls with the transfer of ALDO VITELLO from the ComEd Post, and ALBERT J. KEMERSON who also transferred from

another Legion Post. Welcome aboard, fellows, come on down and get involved. Our next meeting will be a Social Meeting (short) on July 6th and let's get together and have a little fun for a change. Our Post and bar are open every Friday night for use of the membership and their guests and our prices are most reasonable. try us.

Letters To The Editor

Dear Editor:
As many of your readers know, I was recently given bi-partisan endorsement for the Office of Nassau County District Attorney. I am honored by this support and proud to be part of a reform which removes partisan politics from the District Attorney's Office.

The late Justice Felix Frankfurter of the Supreme Court once remarked that a "politically minded District Attorney is America's greatest curse." I concur with this, and I have always believed that politics has no place in the criminal justice system.

Since my election in 1974, I have conducted a non-political office. Assistant District Attorneys are hired on merit, as opposed to party affiliation; Assistant District Attorneys are prohibited from attending political functions and working on campaigns, investigations and prosecutions are not politically motivated. I instituted these strict guidelines because it has been proven time and time again that politics and prosecution do not mix. In addition, I know my election in 1974 was largely because the people of Nassau put their collective foot down and kicked out the politicians.

A study on standards for

Criminal Justice by the American Bar Association concluded that "the ultimate goal is to remove the office from politics. To do this requires the support of the Bar, political parties and the public." I have been given the support of the Bar and political parties and hope that the public joins in the support for this important reform.

Denis Dillin
District Attorney
Nassau County

Dear Editor:

I would like to take this opportunity to thank you for your untiring efforts in keeping the public informed of the views of their public officials - an invaluable service.

I recently sent you a weekly column regarding buying an American Flag for July 4th and Flag Day; your willingness to use the column as a guest editorial helped to spotlight it in your newspaper.

I am proud to have in my congressional district a newspaper that is not ashamed to exhibit some good old fashioned patriotism.

With warmest wishes, I am

Sincerely yours,
NORMAN F. LENT
Member of Congress

Nassau Women's Golf Association

In the spring 600 women's fancy turn to the game of GOLF. The Nassau Women's Golf Association Tournaments are under way. They will play three tournaments in the Spring and three in the Fall. Each tournament is held at five different clubs, because members play in class according to their ability.

N.W.G.A. is a unique golfing organization. Women don't have to be scratch golfers to belong. This group is open to high as well as low handicaps. We want to give the higher handicap golfer an opportunity to play competitively at various clubs. There are five flights so that everyone can play in a class on their own level and compete with people who can play similarly to them. The A's play with the A's, the B's with the B's etc.

Aside from tough competition, the women have a

chance to play and meet the challenge of six different golf courses each year. Many a lasting friendship, golf and otherwise has been made through N.W.G.A. Ever so often, on a Caribbean Island, one might hear "Don't I know you from N.W.G.A.?"

There is a board consisting of 19 members who meet once a month throughout the year to set up all the tournaments. President of the organization, There are 36 club representatives - two for each club who handle the business matters for their clubs. The participating member clubs are: Classic, Cold Spring, Engineers, Fox Run, Glen Head, Inwood, Lake Success, Lawrence, Middle Bay, Mill River, Muttontown, North Shore, Old Westbury, Pine Hollow, Seawane, Tam O'Shanter, Woodcrest, Woodmere.

Mr. Ross D. Pierce, Regional Vice President of Government Employees Insurance Company (GEICO), recently presented a 1981 GEICO Achievement Award to Ellen M. Lucchesi of South Hempstead. Ms. Lucchesi is a junior in Business Management at Molloy College. She was one of nine students from New York area colleges to receive an award from GEICO.

Designed to encourage student achievement in major fields of study related to insurance, the GEICO Achievement Awards program pro-

vides an annual cash award of \$750 to outstanding college sophomores or juniors majoring in one of several designated fields.

Ms. Lucchesi plans to attend graduate school and pursue a career in personnel management. She is a member of the Society for the Advancement of Management Club and the Molloy Student association. She also belongs to the Molloy College Senate and the Gaelic Society and French Club. She enjoys skiing, tennis and photography.

Study Finds Dioxins From Burning Garbage Pose Minimal Health Risks

WASHINGTON, D.C., May 27, 1981 - Results of a new study suggest that dioxins emitted from municipal and industrial refuse incinerators pose minimal risks to human health. The findings were announced today by Charles O. Velzy, Chairman of the American Society of Mechanical Engineers' Ad Hoc Subcommittee on Trace Organic Emissions, which sponsored the study.

"The study will assist in putting the potential problem of possible emission of dioxins from combustion of solid waste in proper perspective," Velzy said.

Dioxins, or polychlorinated dibenzo dioxins (PCDD), are a group of organic chemicals, some of which are highly toxic and are suspected of causing cancer. Compounds of the

chemical take numerous forms. One of these forms, or isomers, (2,3,7,8-TCDD), has been found as a contaminant in Agent Orange, the herbicide used in Vietnam. The controversy concerning possible emissions of dioxins from combustion sources was highlighted in the public press by the closing of the energy-from-waste plant in Hempstead, New York in 1979 after the Environmental Protection Agency detected PCDD in the plant's emissions.

"According to the study, measurements of emissions at existing energy-from-waste plants indicate the possible presence of PCDD. But the concentration is so low that there is risk of only one additional cancer case in a population of one million people," Velzy continued.

"Against this minimal

cancer risk should be weighed the benefits to the public of generating energy from waste and the overall public health risks associated with alternative methods for disposal of solid waste. Landfill, for example, probably entails health risks at least as great as that from potential emissions of dioxins combustion of solid waste. Benefits to the public from utilizing energy from combustion of solid waste to conserve conventional fuel resources are substantial," Velzy said.

"While more information should be gathered to establish criteria for acceptable emission levels of PCDD, current plans for development of energy from waste plants should be actively pursued based on the presently indicated extremely low

emission levels and apparent minimal risk to public health," Velzy concluded.

The American Society of Mechanical Engineers is one of the largest professional engineering societies in the United States, with over 100,000 individual members. Headquartered in New York City with a staff of over 250, ASME has 132 Local Sections, 31 different Technical Divisions, and one of the largest technical society publishing operations in the world. ASME celebrated its 100th anniversary in 1980.

\$25 Million Hotel Planned For Mitchel Field

Equity financing totaling \$6,250,000 has been arranged by Sybedon Corp., the New York City-based real estate investment banking firm, for a new Marriott Hotel to be built adjacent to the Nassau Coliseum in Uniondale.

Total development costs for the 10-story, 391-room facility are expected to exceed \$25 million.

The equity funds were obtained from an off-shore investment group, according to Bertram Lewis, Sybedon's president. This commitment, along with one from an insurance company which is providing \$19 million in permanent financing, was used to secure the construction loan. Completion and opening of the facility is scheduled for late 1982.

The transaction required a complex series of

negotiations involving allocations of cash flow, tax benefits, residual equity, tax credits, etc., to satisfy the diverse economic requirements of the various participants. These included the first mortgagee, the developer, the equity investment group, Marriott Corp. (the lessee of the facility), the construction lender and Nassau County, the owner of the land underlying the building.

Nassau Associates, the development group, is comprised of individuals from Washington, D.C., Nassau County and upstate New York. Marriott Corp. is providing technical assistance throughout the development period and will operate the facility once it is completed.

Ground has already been broken for this luxury-class facility, the first of its kind to

serve the needs of Long Island. Because of its size, quality, central location and underground connection to the Nassau Coliseum, the new Marriott is expected to become the focus of substantial convention and business activities. This project is the first phase of the county's long-range development plan for the old Mitchel Field site, which will

encompass extensive office and industrial development.

Amenities in the new hotel will include two restaurants, a cocktail lounge, banquet and meeting room facilities, indoor and outdoor heated pools, indoor and outdoor tennis courts, a racquetball court, a health club and a ballroom. Parking facilities will accommodate 600 cars.

At a recent ceremony, the South Nassau Long Island Region of Women's American ORT - Organization for Rehabilitation through Training - installed the new officers for 1981-83, the start of ORT's second century of service to the Jewish people.

Free Lecture On Gold

The public is invited to attend four free seminars/lectures on gold, silver and platinum June 22, 23, 24 and 25th in the Long Island area.

Starting at 8 p.m., they will be held: Monday, June 22 at the Holiday Inn-Plainview, Tuesday, June 23 at the Holiday Inn Convention Center in Hempstead, Wednesday, June 24 at the Holiday Inn Rockville Center, and Thursday, June 25 at the Holiday Inn Westbury.

Paul S. Richard, president of Bullion Reserve of North America, headquartered in Los Angeles, California, will conduct the talks in which he will cover such subjects as: gold, the best hedge against inflation; how the small investor can participate with as little as \$20; the liquidity of gold when cash is needed; gold terminology (alloy, fixings, karat, etc.); how world

events affect the price of gold, silver and platinum.

Mr. Richard is a nationally-known expert in the business of investing in gold/silver/platinum. Bullion Reserve did almost \$10 million in 1980 and they have over 5,000 client accounts.

"The average investor has been finding the market somewhat difficult to enter," Richard stated. "The number of Americans owning physical gold, not the gold stocks and commodity futures, has more than doubled during the past 18 months. Many people find themselves shut out of the gold market."

"The two major forms of gold are bullion (ingots, bars, wafers) and coins," he continued. "We deal in bullion. We make sure our members are buying quality gold and silver and platinum at market prices."

Town IDA To Meet Friday

The Town of Oyster Bay Industrial Development Agency will meet Friday, June 19, at 9:30 AM in the Hearing Room of Town Hall East, Oyster Bay.

According to IDA Chairman Karl Leupold the Board

Mr. Thomas L. Clark, Councilman
Town Board of Oyster Bay

Dear Mr. Clark:

In reply to your recent letter regarding the proposed extension of Duffy Avenue I wish to go on record as being diametrically opposed to it. The unnecessary expenditure of the one million dollars of taxpayer money that has been allocated by the Board of Supervisors of Nassau County, with the concurrence of Town of Oyster Bay officials, is in direct opposition to the expressed thoughts of many residents, church communities and business people of Hicksville.

I would like to offer the following as some of the reasons for my particular objections to the extension:

1. The Hicksville Fire Department, which is dedicated to the welfare of our residents, would be hampered in their response to fire and emergency aid calls because of the traffic congestion that would result almost in front of the East Marie Street fire house.

2. The residents of East Marie Street would be subjected to additional traffic flow on their already abused residential streets.

3. The proposed extension would void the recently completed improvements of some town parking lots resulting in the complete waste of taxpayer money.

4. The extension would remove more parcels from our tax rolls and would increase the tax burden of our already overburdened taxpayer.

5. The resultant traffic congestion would basically be created by transients rather than by the residents of Hicksville.

It is evident, by the numerous letters of opposition published in the Mid Island Herald and petitions presented to the town board, that the extension is an unwanted, unneeded and unpopular travesty being foisted upon the people of Hicksville.

In closing, as a long time businessman, property owner and taxpayer of Hicksville, I reiterate strenuously my feelings and objections to the Duffy Avenue Extension.

Sincerely yours,

Thomas F. Dalton,

Dear Miss Margot:

Thank you very much for a copy of your June 8, 1981 letter to the Editor of the Mid-Island Herald.

Supervisor Colby and County Executive Purcell have already stated that upon completion of the authorized engineering recommendations, same will be released to the public, along with the various objecting organizations, for comment. Both officials agree that if the recommendations of these engineers do not have the support of the Hicksville community, then alternative solutions will be sought.

Thank you, again, for providing us with your views. I trust you will find the above information responsive to your views, and I encourage you to participate in the public discussion of the engineering proposals, when they are completed.

Very truly yours,
ROBERT W. SCHMIDT
Deputy Supervisor

Dear Mrs. Noeth,

Could you include something about my parents' 40th wedding anniversary in the Herald? I live in Minnesota now but my three sisters and I are planning a celebration for them on the 4th of July. My parents have lived in Hicksville all of their married lives, having moved there from Amityville upon their marriage. My mom has taught piano lessons and most of the time my Dad worked for A and P either downtown or out at Plainview Shopping Center. They lived on Raymond Street for a year or two but 36 years have been spent at 5 Spruce Street - when that was the edge of town and there were only potato fields beyond. My Dad is retired from A and P but works some for Hempstead Bank and my Mom still is active teaching piano and playing organ.

All four daughters went to HHS and East Street - and we think we got a great education even though the district was expanding so much. We now live in Minnesota, Florida, Hawaii, and Missouri but all hope to be home for the celebration. Their actual wedding is February 22nd, 1941 but we could not all get off from work then (in February).

My grandmother Elsie Von Essen lives with them now. Her husband was born in that old farmhouse down on Jerusalem Avenue - he was originally from Hicksville/Bethpage/Plainville.

The celebration which will not be a surprise, will be held at 571 Woodbury Road, Plainville, and all who know Lillian and "Ben" Ahlsen are most welcome to join us. Open house is from 1-7 P.M. on Saturday, July 4th.

Thank you,
Bev Williams

Dear Friends and Neighbors,

I would like to thank my many friends throughout Hicksville for their support in the last School Board and Budget Vote. The guidance and counsel of my supporters was invaluable to me, and I will never forget even one of them.

I am happy that the Budget passed, as it is a sign of our good Stewardship as a Board. I wish to offer my successor congratulations on his election, and to extend my best wishes to him in fulfilling his duties as a member of the Board.

Finally, I would like to assure you that after 21 years of service the "School Board" has gotten into my blood, and you will be hearing from me in the future. I am a loser, but not out of the picture so far as your interests are concerned.

Sincerely,
Cornelius J. McCormack

Dear Editor:

I wish to thank those of you who supported and voted for me during the recent school board election. To say that I am not hurt and disappointed at the direction and outcome of the experience would not be truthful. But, we all have to accept setbacks for that is how we grow and become wiser and more effective in our commitment to the community.

My main inner concern is that those that voted against me perhaps did not base their decision on my four year performance on the board but were heavily influenced by the insidious ads placed in this paper and in the PennySaver, that were personal in nature and questioned my honor and integrity. The authors of these ads, and flyers are

indicative of people that cannot be trusted with the care and welfare of our children; for they lack the inner discipline required to serve the educational community with fairness or dignity.

I made it a point not to indulge in personal attacks against my opponent and so instructed my supporters to refrain from doing so in ads or flyers. I had no control over the letters to the editors that appeared in this paper some weeks ago.

My opposition saw fit to place an ad associating me with an organization that I had resigned from some 17 years ago; the very year that I moved into Hicksville. These facts became public knowledge on Candidates' Night in 1973. I was hiding nothing. In 1977 I received the endorsement of the Hicksville Citizens for a Better Education (HCBE) whose screening committee included Mr. Larry Wolfson.

I cannot go into every charge and misrepresentation of fact that was leveled but one that appeared in a flyer is a case in point. It stated: "Voted FOR cutback in out-of-district transportation for PAROCHIAL schools" - they knew that the Board voted 7-0 to reduce private transportation from 20-miles to 15-miles at a savings of \$22,000.00 involving some SEVEN students. In a later review this policy change effected ONLY ONE STUDENT. The interjection of this tricky statement misrepresented the true facts and only served to discredit me amongst the Parochial community.

My main charge in this campaign was that the Teachers Union was backing three candidates for the purpose of controlling the Board of Education. The activities of the teachers union just before and during the election bore out this fact. The teachers called nearly every parent within the school system and told them who to vote for and who to vote against for a variety of reasons. Teachers were given lists of parents to call, they involved their class mothers and violated the parental telephone listings, this was a tremendous effort on the union's part to influence this election. I have a number of teacher friends that I hold in high regard for their character and devotion

Families For Life Club News

By Doug Harknett

In case you missed it, Nassau Republican Chairman Joseph Margiotta has asked Republican candidates not to accept endorsement of the Right to Life Party in the coming fall elections. The immediate cause is said to be a request by Nassau Conservative Party Chairman John O'Leary. No doubt coinciding with this request was the knowledge or judgment that many GOP'ers, including some of the top candidates, would not get the Right to Life Party line, and that they would be spotlighted and embarrassed by those who did.

Paradoxically, the action follows on the heels of the recent victory of Guy Mazza in the special election in the 13th Assembly District, which Mazza won only with

Right to Life Party support. The Conservatives had their own candidate and polled 606 votes. The Right to Life Party vote was 848. The Democrat received 7,167 votes, and Mazza received 7,047 on the Republican line. Even if the Conservatives had endorsed the Democrat, Mazza would have won because of the Right to Life vote. The Democrats waged a furious court challenge through three state and two federal courts, and lost in each without one dissenting vote. Then, flush with victory, Margiotta jettisoned the Right to Life Party. With friends like this, who needs enemies?

The position of the Conservative Party doesn't seem difficult to fathom. It was out-poled in the Mazza race by the Right to Life Party, and due to the growing popu-

larity of the right-to-life movement, it risked being out-voted on a regular basis whenever the Right to Life Party candidate was also the candidate for one of the two major parties. Party officials also undoubtedly recognize that the public perceives a blurring of distinctions between the Conservatives and Republicans since Reaganism asserted itself, and the question has been asked more than once why there is a continued need for the Conservative Party when its platform is virtually indistinguishable from the Republican.

Perhaps it would have made more sense for the Republican party to wash its hands of the Conservative Party and thereby escape all the patronage demands and pressure of the many planks

in the Conservative platform. After all, where else can Conservatives go? In contrast, the Right to Life Party not only does not demand patronage, but refuses to accept it, in order not to be unduly influenced and deflected in its resolve. Moreover, the one and only issue it advances is the right to life. This is no self-serving interest. It doesn't seek jobs or government money or power. The right to life movement does not oppose abortion only for certain segments of the population, but for everyone.

And what of the candidates who profess to continue to be pro-life, but refuse to accept Right to Life endorsement out of some loftily intangible and unintelligible principle? That bit of murky logic will have to be explained to the ordinary man who votes.

Linda Strongin Receives Award

On June 11 the Press Club of Long Island presented honors in its first annual awards competition for excellence in the media at a reception for winners and their colleagues at the Holiday Inn in Plainview.

The organization is comprised of newspaper editors and reporters, broadcasters and public relations practitioners involved in Long Island media coverage.

A distinguished panel of judges for the contest was led by Richard L. Ornauer, former Nassau-Suffolk editor of the Long Island Press, and Bernard I. Cohen, a producer for ABC-TV News.

In the print media category, Richard C. Firstman of Newsday took first place honors in the "best spot news" category for coverage of protests at the home of an alleged Nazi in Nassau. Newsday also won top prize in two other categories - Carole Agus and Brian Donovan received

Linda Strongin

the "best investigative reporting" award for reports on parkway towing contracts; Rita Ciolli, Noel Rubinton and Bob Wacker won the "best series" award for articles on the drunk driving problem.

Nassau and Suffolk weekly newspapers were well represented in the print competition. Karl Grossman of Island Closeup News Service won the "best continuing feature column" category for selections of his

work which appear in East End newspapers. Trudy Cowan of Bellmore Life captured honors for "best editorial" and Linda Strongin of the Mid Island Herald received the "distinguished reporting in a specialized field" award for coverage of local education matters for The Mid Island Herald, The Plainview Herald and The Syosset Tribune.

The club's most prestigious honor - the "LOVE LONG ISLAND AWARD" was presented to Doug Spero and Chauncey Howell of NBC-TV for their program "Save the Mansions" about the estates on the island's north shore.

The awards program was sponsored by local corporations including LILCO, Chemical Bank, New York Telephone, Eaton Corporation/AIL Div., Newsday, Slacke Test Boring, King Kullen, Suffolk County Federal Savings Bank, Smithtown News, The Long Island Association, Grumman Corp., NBC-TV, Gloria & Dick Rocchio, and the Long Island Railroad.

Hicksville Lacrosse Spurs At Finish

By Howard Finnegan

Interest in Hicksville High
Lacrosse was spurred by two
dramatic factors as the 1981
season was concluding.

With ninety seconds left in
the Contest John Rodney,
Nassau's outstanding foot-
ball player, scored three fur-
ious goals to force an over-
time with arch tormentor
Syosset.

Joe Boyern caught the nets
in the overtime for a sudden
death, 7-6, win. That gained
Hicksville an at large berth
in the County Playoffs.

Hicksville finished fourth
in the Demanding Confer-

ence one with a 4 won and 6
loss record. However, the
Conference was certified as
superior when the final
Nassau County votes found
Farmingdale ranked one,
Bernier 3 and Massapequa 5.
The overall record for Hic-
kville was 9 victories and 11
defeats.

Hicksville drew a Tarter in
the opening round of the
playoff. Elmont was the
defending County Champion.

The Comets proved
resolute. Joe Bayern scored
four goals, Chris Jordan
pitched in with two goals and

had three assists in a
dazzling 9-7 triumph.

Hicksville goalie Greg Jor-
dan was superb in the Comet
nets repulsing 26 Elmont
shots.

Powerful Sewanhaka,
which went to the State
quarter-finals, eliminated
the Comets 7-3 after a 3-3
halftime deadlock.

Outstanding season
individual achievements saw
Joe Bayern become offensive
player of the year with 33
goals and 21 assists for 54
points and Chris Jordan
designated most improved

Comets with 26 goals, 11
assists, 34 points.

Terry Doyle won
Defensive Player Award and
Greg Jordan the Most Valu-
able Player Award. He set a
new HHS record with 328
saves.

Michael Meyer had 24
points, Rodney 23, Bill Kwas
19, Jim Coddigton 18 and Don
Miller 6.

The Hicksville Lacrosse
program is under the direc-
tion of head coach William
Meyer assisted by Ron

Greenberg And Falkowski Pace Local Runners In Meadowlands Race

Howie Greenberg and Kim
Falkowski led a contingent
of 24 runners representing
the Plainview-Old Bethpage
Road Runners Club in the
highly publicized Wachtel 10
Kilometer Race at the New
Jersey Sports Complex at
the Meadowlands on June 6.

Greenberg paced the
Club's male runners with a
time of 37:49 and Falkowski
led the Club's women in
41:15. Falkowski's time was
good enough to put her in
sixth place overall out of 450
women entered in the race

and first place in the
women's 19 and under age
group. Special trophies were
presented to Greenberg and
Falkowski by B&G Pickle
Co., one of the sponsors of
the race. Also winning B&G
trophies for the local Club
were Bert Jablon, Jeff Trug-
man, Pauline McLendon and
Dagmar Baillenberger.
Dagmar also took the third

place trophy in the women's
50-59 age group in the overall
race.

Other POBRR runners
who completed the race were
Michael Kaufman, Ed Free-
man, Al End, Lewis
Kaufman, Charles Kaufman,
Howard Marlin, George Of-
enloch, Marvin Gardian,
Alan Stopek, Fred Einhorn,
Tony Miracolo, George
Dennis, Mike Polansky, Sue
Polansky, Karen Marwin,
Odd Sangsland, Bill Kopetz
and Ivan Ziegler.

The hot humid weather
over a course that contained
no shade whatsoever made
things especially difficult for
the 1800 runners who started
the race, and made the finish
line an especially welcome
sight for all who completed
the 6.2 mile course. A special
element of interest was the
fact that the finish line was

"A"

By George Maggio
PBC "A" played a fine
game to edge out VFW by the
score of 5-2. Frank Pusinelli
and Artie Martinez com-
bined to pitch a no hitter, al-
lowing only 2 unearned runs.
An extra base hit by Brian
Whitman and a 2 run home
by Ed Hodgkinson accounted
for 3 PBC runs. Defense
played an important part
with Artie Martinez and
Viny Vergara completing a
fine play. Brian Whitman
snared a line drive to save a
hit in the second inning.

BPOE Elks is still playing
fine baseball. They defeated
VFW 16-6. BPOE pitching
was done by Scott Gottle-
man, Kenny DeRose, Robert
Noonan, Frank Pertusiello,
Chris Hulsen, and Donald
Rapuza. A parade of hitting
was turned in by the Elks.
Robert Noonan had a single
and Scott Gottleman had a
double and Kevin Kerney
had two doubles. Stephen
Wolf had a single and a triple.
Mike Gottleman had a
single and a homer. And,
Kenny DeRose had a single,
double and a HR.

BPOE in another close
game edged out IHOP 11-8.
Robert Noonan, Scott Gottle-
man, and Frank Pertusiello
pitched one inning each and
gave up seven runs. Stephen
Wolf pitched the last 3 in-
nings and allowed only one
run. Fine hitting came from
T. Doty, R. Noonan and C.
Hulsen who each had a
single. Donald Rapuzzi and
Mike Gottleman had 2
singles each. And Stephen
Wolf had a single, a double
and a triple. Tom Doty made
a fine unassisted DP on a
ground ball.

"Minors"
PBC 2 beat Goldman
Brothers, 6-5, in a close
contest that ended in dramatic
fashion. Anthony Formica
held Goldman Bros. to six
hits and 4 R's. His effective
pitching had batters popping
up or grounding out. Superb
fielding was turned in by C.
DiBiase, R. Morgan, T. Pus-
inelli, S. Moriarity, P. Sira-
cuse and J. Siracuse. Fine
hitting by A. Formica, P.
Siracuse, T. Pusinelli, and R.
Santiago. The score was 5-5
in the bottom of the sixth.
PBC 2 sent Raloh Santiago to

the plate. He hit a powerful
blast to right center for a
homer.

Sullivan Siding lost a fine
game to PBC 3, 11-9. Tito
Adia started the game but
was relieved by J.
McMichael, and Billy Sulli-
van to control the opposing
hitting sprall. Good hitting
helped Sullivan to their
share of the runs. Tito Adia
had a good day going 4 for 4.
J. Fitzgerald hit his 2nd
homer with 2 men on Sulli-
van Siding played a great
game to beat PBC 1 22-18.
Matt Noonan and Joe
McMichael pitched and had
trouble so Billy Sullivan
came in in the bottom of the

sixth inning with the bases
loaded and struck out the
last two men for the save. All
around good hitting by the
whole team. Sullivan Siding
did not come out on top this
game. They lost to Goldman
Brothers, 11-1. Billy Sullivan
pitched well and hits were

Hicksville Eagles
By Virginia Kratochvil
Coached by
Tom Reilly and
Ken Hamel

The Eagles were at home last Saturday to play the Cold Spring Harbor Hawks in a tense and exciting game that ended in a 5/5 tie. Both teams played hard and fast. Michael Conway scored in the first 1/2 with an assist from Bobby Kratochvil. Mike Iavarone scored three goals unassisted from his inside right position. Bobby Kratochvil, Center Midfield, scored unassisted from the 20 year line to break the 4/4

tie - with seconds to play the Hawks managed to score again bringing the score to 5/5. Kenny Hamel and Billy Sussman worked hard and shared the responsibilities of Goalie. The front line was fast moving with many good plays from Gregg Pressman, David Fujimoto, and Vincent Longo. The Center Field line ran and defended - stopping many passes from the opposition. The boys - James Panhookian, Robert Radke and Mike Olive were superb! The Full Backs were strong with Richie Chakrin playing his usual dynamite (Continued on Page 10)

Selling Your House?????

DO - See a lawyer before speaking to any real estate broker.
DO - Select a lawyer whose primary interest is your protection.
DO - Inquire into the lawyer's competence and experience.
DON'T - Sign anything without your lawyer's advice.
DON'T - List your house with any broker without first obtaining your lawyer's advice.
DON'T - Believe that all there is to selling the house is the mere signing of papers and payment of the price.
Observing the DO'S and DON'T's may save you several times the fee of a competent attorney. A broker's fee is by 2% or 3%. If your house is \$60,000.00, a broker's fee is \$4,200.00 to \$4,800.00. Competent attorneys are available for a fraction of that amount.
Failure to observe DO'S and DON'T's may result in your paying a commission on a sale that does not take place; being sued by a broker or buyer; paying thousands of dollars to lenders for buyer's financing; delay in accomplishing the sale; or loss of thousands of dollars paid to a broker which should be retained by you when a buyer breaches the sale contract.

BOYS MINORS

Outfielders Day for the minors was held last Friday, according to Ron Alfin, director of the league. There were 14 outfielders who were given the opportunity to pitch, hit and throw their favorite outfield positions. The game ended with a score of 10-9 and in it, there was some excellent pitching and fielding, including a triple, 2 doubles and 11 singles.

Ron said that the high point of the game was the facial expressions of 14 boys who had been given the chance to pitch for the first time. They expressed the agony of a walk and the thrill of a strike-out; they felt the pressure of the crowd; they feared the pressure of the hitters who were waiting to blast one in the outfield.

Local Water Officials Attend St. Louis Convention

Water Commissioners, Gilbert E. Cusick, Stanford Weiss and District Superintendent Louis G. Dettloff of the Hicksville Water District participated in a conference meeting of the American Water Works Association (AWWA). The association, a non-profit scientific and educational group, is celebrating its 100th anniversary of its founding in St. Louis in 1881. It is the largest organization of water supply professionals in the world, with 34,000 members.

The Hicksville men attended a luncheon program at the St. Louis Sheraton Hotel which was the closing session of the conference. A panel of four water experts discussed the challenges facing the industry. Each had a separate approach but there was agreement that fragmentation and Joe Gambino supplied some hot hitting and terrific base running.

The Royals defeated St. Edwards 8-4. Steve Ferrado, Gus Kilmatis, and Walter Costello each had 2 hits apiece. Matt Smith made a great defensive play in the field.

CYO Baseball

(Continued from Page 6) Blazewicz played well at 1st base and teammate Lou Parillo hit a triple.

On June 10th, the Mets won again over the Phillies 14 to 4. Richie Hutchinson went 4 for 4 and Phil Anglin 3 for 3. Mike Lamirault pitched a good game.

tion, lagging water research, the industry need for added revenue posed the challenges that could lead to a growing federal role in the water industry. There is a need, one said, to share water supplies and find ways to assist small companies and communities.

Replying to a question on deteriorating water systems in some municipalities, one panelist claimed the situation could become "insurmountable." He said replacement of the system should be an on-going investment. "In any municipal enterprise, such as the public water company, funds for it should be sacred and its equipment and properties not diverted for other uses."

An exception to fragmentation and lagging research is most evident in the controls exercised by the

New York State Department of Health and its various counties. Many of those present were most impressed by the progress made here - the extensive monitoring, studies in depth of sources of pollution and waste controls.

The Hicksville officials have long advocated and supported more stringent controls and have planned extensively for the needs ahead. Many subjects covered as routine here, such as the study of priority pollutants, certain toxic problems have not yet begun in many parts of the country.

It is felt that our consumers should find much satisfaction in the progress made locally and would certainly be supportive of the need to be continually vigilant.

Dolores and Mike Cianciaruso's son, Anthony, joined the U.S. Navy and is delighted with his choice of a career for the next six years. Anthony signed up December 17, 1980, and has been stationed in the Great Lakes. When he finishes this tour of duty, he will have a college degree in electronics. Anthony says he is contemplating making the Navy his life-time career choice. Good luck to this enterprising young man.

The Milleridge Inn was the scene of a happy festivity on June 9. Mrs. Helen Hendrickson, mother of Hicksville, Helen Hendrickson, celebrated her 82nd birthday on that day and was feted with a family birthday party organized by daughter, Helen. All the guests and Mrs. Hendrickson enjoyed a delicious luncheon, congeniality and a warm and loving celebration in honor of the occasion.

Over on the other side of our town, Jean Jackson celebrated her June 9 birthday with her two sons, Bobby and Mike. The boys took Jean out for a delicious dinner that date, Jean said she truly enjoyed this treat. She also told us her age ... "39 and holding." Her daughters, Anne and Jean, could not be with their mom on her birthday because both reside in other states. However they sent their mother beautiful cards and gifts.

May was "bustin' out all over" ... with celebrations. We mean ... for Bill and Mary Ann Moyer of HICKSVILLE. They celebrated their eighth wedding anniversary on May 12. Mary Ann's birthday on May 26 and Bill's birthday on May 27. Congratulations to you both.

So you thought you saw Bo Derek, Farrah Fawcett, Sophia Loren and Elizabeth Taylor leaving the Jopp home the other evening. No, it wasn't those famous

beauties, but friends of Betty Jopp who held a Mary Kay Cosmetic party at her home. The women were given free facials worth \$25 each. The May Kay Cosmetician wanted Betty to become one of their representatives, but Betty's schedule is too busy to accommodate this work. However, all the participants that evening were delighted with their "spiffed up" appearances, including Betty's husband, Frank, who was proud to have such a bevy of beauties in his home.

We're happy to see that Ann Gros, long-time resident of Hicksville, has fully recovered from her recent illness that hospitalized her. Our congratulations to Ann on her recent appointment as Vice Chairperson of Action Council of Central Nassau. Ann, we wish you continued good health and much success in your new role as vice Chairperson.

Lutheran High School held a German Festival, Saturday, June 13 from Noon to 11 p.m. Anne Howarth (whose husband, Bill, had a business machine company in Hicksville for many years) did a yeoman's (yeowoman's?) job at the blood pressure van stationed at the festival through the efforts of the Hicksville Rotary Club. She took over 300 blood pressure readings with the help of two assistants. The recipients of this service were very responsive and gave donations to the Hicksville Rotary Club scholarship fund although this was not required to have a blood pressure reading. The president of the Hicksville Rotary Club, Joe Trebitz, was present to lend assistance ... and as an added plus, he had a thoroughly enjoyable time.

Twelve year-old John Lula, Jr., celebrated his birthday on June 12. His parents, Hicksvillites Val and John, Sr., made this a particularly special Birthday for their

son by having a party for him with lots of love and gifts. We heard you had a "happy," John, Jr.

We were sorry to learn that one of our neighbors had their car stolen from the front of their house. The car was eventually recovered, but had suffered some extensive damage. They advise their friends and neighbors to keep their cars locked as a deterrent to auto thieves. We think that's a good piece of advice.

Terrific musical sounds are heard coming from the home of Bradford Lech, Division Ave., HICKSVILLE.

The fellows have a great rock group - lead guitarist Bradford Lech - vocals and guitar - Ron De Jesus; guitar-Roy De Jesus - drums Eric Finklestein. It's pleasant listening. Good luck guys!

A dinner-dance was held at the University Club of Hofstra College, for the installation of Officers to the Executive Board of the Nassau Chapter #6 of the Nat'l. Assoc. of Power Engineers, the oldest engineering fraternal and educational society in the U.S.A., founded 1880. (A.N.A.P.E.'s).

Installed as officer was Tom Finlay of the Frankel Club Elks and K of C. His guests were Adelaide Finlay, sister, and Artie Hirsch and Charley (Pat) Cunningham and their beautiful wives who made the evening complete and thoroughly enjoyable for Tom.

Tom Finlay also recently returned from the N.A.P.E.'s Convention in Endicott, N.Y. where he was a delegate, representing Nassau chapter #6. He thoroughly enjoyed himself and also visited the Endicott K of C. Tom was amazed at the lack of knowledge of Long Island among the Broome County residents.

Avenue Hucksterism" to sell its candidates. It sold a "sizzle", not a steak. And the voters bought the sizzle not knowing if it was caused by good or by bad meat. But what concerns me most was that the "hucksterism" was so successful. With a little more effort it could have sold us a monkey as a good board member prototype. However, the union will now try to turn the "Golden Calf" into a goose - one that will lay some golden eggs for the teachers.

The severe test comes now. Teacher and secretary contract negotiations begin. Will the new board fire the present board negotiator and handle negotiations itself or hire a union-approved negotiator? In any case, what will the new contracts cost the taxpayers? This years tax rate - 86 cents per hundred. Next years? As you can see, I obviously believe there will be a GREAT COST to the taxpayers for the election, success of the Hicksville teacher's union. Let's hope we didn't buy "bad" meat!! Sincerely yours, Frank H. Willard, Hicksville

LETTERS TO THE EDITOR

(Continued from Page 4)

to duty - and when I saw them being led like sheep to follow orders of the union (HCT) without question I became alarmed. Is this AMERICA? Don't they question? Is Hicksville giving way to a dictatorship? Many of you parents and PTA members can give living testimony to this act on the part of the teachers of HICKSVILLE.

This is how hatred and bitterness coupled with FEAR can be used as a means to gain power. These people who authored the many ads, letters and pamphlets were friends of mine only weeks before the election, and I guess that is what really hurts, Clara and I. We both lost our positions of trust in this community based not on our record of performance but because we became part of a power struggle here in Hicksville. A struggle for power engineered by the leadership of the teachers union (HCT). I will continue to be active in school board matters and

do all I can to heal this wound but we MUST NEVER witness an election like the one we just had - for it is not healthy for our students or community. We must not live in fear of a Dictatorship but rather stand up for truth and justice in the true AMERICAN way. Sincerely, Bill Bennett

To the Editor: Our 32' million dollar-budgeted school system is now firmly in control of the Hicksville teacher's union. It brought out its vote and succeeded in replacing two qualified and experienced members with an unqualified 20 year old kid and a New York City school teacher. These two along with the three previously union-backed incumbents give the union a plurality of five, enough to control the board for at least several years. The union has fashioned itself a "Golden Calf". It did this by using "Madison

JHS Honor Society Induction

Hicksville Junior High School conducted the National Junior Honor Society Induction last week in the Bernard H. Braun Auditorium. The program started with Beethoven's Rondo Opus 51 in C Major, performed by Harold Meltzer, piano soloist. It was followed by processional music from Symphony No. 1 by Brahms, to which the inductees entered the auditorium and were seated.

Mr. Gerald Klein, principal, addressed the students, their parents and faculty members before the induction ceremony.

Inducted into the Verisage

chapter of the NJHS were: Brenda Ackerman, Christine Beggs, Katherine Beja, Joseph Bentrevicz, Patrick Berger, Lori Bodoloto, Holly Coady, Nancy Corrado, Gina Critelli, Jeannine Dantonio, Dawn Demillio, Colleen Dennis, Lori Dobrindt, Jules Garbus, Edward Geraghty, Victor Goldman, Adam Greenberg, Marianne Greene, Michael Hripsak, Kathy Jonason, Chris Jones, Rashi Khanna, Erika Lang, Theresa Leahy, Richard Locke, Michael Lomotan, Patrice Melluso, Marcy Ann Meyer, Christine Moloney, Eugene Olafsen, Brian Otten, Glenda Ranschburg, Michael Rottas, Robert Russo, Linda Sager, Toni San-

antonio, David Sone, Hellen Wittek and Gayle Zukowsky.

Robert West, director of the Advanced Orchestra, selected Halyard and Capstan by George Frederick McKay

for the recession.

Mrs. Louise Higgins, advisor to the NJHS, and Mr. Richard Greenfield, Assistant Principal for Student Support Services, planned

the ceremony and the post-induction refreshments in the girls' gymnasium.

\$500 scholarship award, should have been listed as Mrs. Emdia and Peter Pistocchi, both practicing Dental physicians. Their son Roger is also studying to become a dentist. Congratulations to this scholarly family from the Galileo Lodge. Next Golf outing will be on Sunday, the 21st of June, at Eisenhower Park, and then another one on Sunday, the 19th of July at Swan Lake. Our own scholarship plan is in the works, and soon it will be modified according to the wishes of the membership. Nice to see Terry Gatto back home after her illness, and sorry to hear about her recent encounter with a German Shepherd, who gave her a very bad wound on her leg, requiring stitches. Hope that all is well with you, Terry, from the Galileo Lodge.
