School Board Reorganization Meeting

The reorganization meeting of the Hicksville Board of Education will take place on Tuesday, July 7, at 8:15 PM in the Administration Building, Division Avenue.

At that time, new trustees Jay Schwartz and Frank Grimmer will take their seats for the first time, and Trustee John Ayres will resume his duties after his reelection earlier this

month. The Board will elect a new president, vice president and secretary, and will appoint other official officers: treasurer, district clerk, attorney and auditor.

The public is invited to attend this important meeting. The first regular meeting of the Board of Education in July will be held on Wednesday, July 15 at 8:15 PM; the Administration Building will be the site of all summer Board meetings.

Michal Sarah Wagner, 3 years old, granddaughter of Vernon and Alice Wagner of Wagner Funeral Home was selected as a state finalist to compete for the New York Hemisphere title. These finalists were chosen from hundreds of applicants from all over New York State. The

pageant will be held at the Parsons School of Design Auditorium in New York City on Sunday, June 28th. The winners of the New York division will compete in the nationally televised Hemisphere Finals in Mt. Pocono, Pa., in December.

U/9 Hurricanes Win Long Island Championship

Saturday morning, after an hour delay, the Hurricanes (co-sponsored by Phelps Dodge and Pathmark) met Huntington Boys Club in the finals of the Long Island Cup Play. Hicksville took control early in the game and dominated play, in spite of the fact that HBC is extremely well-drilled and skilled team.

The Hurricanes put the first half after a series of well-executed passes. Center half-back Drew Donohue received the ball outside the 18 yard line and lobbed the ball over the goalies head. The second Hicksville goal was on a play that would make any training film, as it demonstrated how well the boys blend their skills and teamwork. Center forward Bobby Ladimir brought the ball into the middle and was

immediately picked up by an HBC fullback. Instinctively, he turned with the ball and passed back to Donohue who anticipated Ladimir's move and shot the ball over the defense right into the goal.

Brian Spinner and Matt Adelstein played with tremendous effort and controlled the right side flawlessly. Hicksville's full backs had their work cut out for them as HBC's front line is very fast, but Jason Carmen, Stephen Pine and Kevin Morrisroe ran strong and fast, continually frustrating HBC. Halfbacks Chris Santarelli and Kyle Richards played a tight game, as did David Kuck who played very well against HBC's Quick right line.

HBC scored shortly before the half, but Hicksville was determined not to be beaten. Minutes later, Hicksville

was charging forward with the front line of Chris Flanagan, Ladimir and Brian Garnets on the move. Flanagan, in his usual heads-up play, immediately took off after the ball and shot, bringing the score to 3-1.

By this time, play was getting very physical, and HBC was trying desperately to score. Hicksville, however, out HBC's dream further out of reach. Ladimir made another perfectly on target pass, enabling Donohue to put the ball in the air, out of the goalies reach and into the net. After a somewhat questionable call, HBC was awarded a penalty kick. In spite of a tremendous effort by goalie Neil Cambrono, HBC sank the shot. Right win, Mike O'Grady, shook HBC's defense a number of time with his runs at the goal, in

his first game at that position. It seemed like the game went on forever, but the final whistle finally blew with an extremely elated Hicksville team. The spectators had been treated to a very exciting and well-played game. Coaches Bob Laimir and Jim Garnets were proud of the intensity with which the boys played and most of all, the teamwork and sportsmanship they displayed under somewhat trying conditions.

The Hurricanes would like to thank McDonald's of Hicksville for treating the team to ice cream to celebrate their victory. Thanks also to Bob Ladimir, Bill Kuck, Jim Garnets and Bud Donohue for treating the team to a well-deserved victory lunch after the game.

Hicksville Fire Report

originated in a container of rags and ignited 2 paint booths. This fire, had it not been for the sprinkler system, would have caused extensive damage to the business.

A fire in a motor inside a grease duct at Rusty's Pub, Old Country Rd., caused an estimated \$1000.00 damage to the roof of the structure.

All Hicksville Fire Companies are involved in the annual fire and rescue drills being conducted at the Fire Service Academy in Old Bethpage. Aside from the weekly department training drills held all year long, each summer, large scale fires are set at the Training Site to sharpen the skills of Nassau County Firefighters.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:

'One thing worse than being in a rut is being on the road to nowhere.' Italian Proverb.

My report this week from the Galileo Lodge is so newsworthy that I think it best to bypass anything pedestrian or banal and get right down to what is called the 'nitty-gritty' of the news. To start with, permit me to report that the Galileo Lodge will present its Americana Day Dance on Saturday, the 18th of July, under the 'chairmanship' of Jim Pino (822-7060), who will take care of ticket sales and seating arrangements. Tickets will sell at \$9.00 per person, and an American-styled dinner with all the trimmings, beer, soda, coffee and cake, set-ups, etc., will be offered. Live music also, of course. This dance, however, will feature a 'bring-your-own-liquor' policy. More details on this affair in later columns. On Saturday, the 29th of August, the Galileo Lodge also presents a late summer dance, with the customs and traditions of an old-fashioned Italian wedding as its theme. Carl Melluso will 'chair' this activity. This dance, by the way, will be somewhat unusual and quite creative in its presentation. So keep abreast of further details concerning it. Mr. and Mrs. Frank and Nancy Bove of the Galileo Lodge announce that their son Jeffrey and his wife Fran will leave Florida shortly to spend some time with them, and this certainly causes Nancy and Frank to beam with happiness these days.

As a pleasant diversion

and get-together, its a pleasure to report that past Presidents of the Ladies Auxiliary, Mary Monteforte and Rose Riccardi, meet every Tuesday night with JoAnn Wallick, recently re-elected President of the Auxiliary, for crabbing forays and fishing pleasures at the Jones Beach inlet. From Pete Ragone of the Galileo Lodge, a happy report to the effect that Mr. and Mrs. Jim Look, also of the Galileo Lodge, were proud grandparents again as their offspring gave birth to a 7 lb. and 4 oz. baby girl at Central General Hospital. Congratulations from everyone at the Galileo Lodge. Mr. and Mrs. Jim Look of the Galileo Lodge have also become proud grandparents as their offspring presented them with beautiful little Lisa Marie. Congratulations, of course, from the Galileo Lodge.

On Monday, the 20th of July, the Galileo Lodge will present its Night at the Races, under the supervision of Tony Balestrino (785-1462). The place is Roosevelt Raceway, and for the sum of \$17 per person, you will be offered a dinner at the Cloud Casino and admission to the Clubhouse. Time is fleeting for this activity, so why not get in touch with Tony Balestrino and become a part of this fun-filled summer activity under Long Island skies, watching and perhaps even betting on your favorite pacers and trotters in an atmosphere of excitement and enjoyment. Nice to report that five new members were recently sworn in to the Galileo Lodge last Thursday night. Welcome aboard.

Jeff Wallick, sports director of Galileo Lodge, announces that the next golf outing is scheduled for the 19th of July. Five dollars is needed now to cover part of the green fees, and Tee-Off time will be 10:30. Contact Jeff at (681-8428) or his co-director, Jim Pino (822-7060), for more details. Somewhat premature but nevertheless delightful is the news that Sue Laurenti of the Ladies Auxiliary will supervise their 1981 'Foolies Follies', which is a series of comedic acts and routines guaranteed to tickle your funny bone. This activity is scheduled for Saturday, the 17th of October, with rehearsals starting in July. All Lodge personnel, male or female, who possess special talents and abilities in the field of comedy, please call Sue Laurenti at (WE 1-0036).

Another activity quite premature but certainly interesting enough to be given pleasurable consideration is the Galileo Lodge's Halloween Dance, scheduled for October 31st. No details on this activity are available as yet, but they will appear in this column shortly. Please note that the last fishing trip held by the Galileo Lodge was so successful that another one is being planned, which, I am sure, will be just as exciting and enjoyable as the one recently held. Contact Jeff Wallick, Jules Mezaros or John Keiper at 931-9351 if you are a fishing aficionado. Please also note that Frank Miccio and his wife Helen will shortly celebrate forty years of wedded bliss, and the Galileo Lodge and its membership takes this grand moment to extend their sincerest congratulations to this very nice couple.

MR. PAUL MARTIN, new President of the Hicksville Rotary Club.

Paul Martin Named Hicksville Rotary President

Mr. Paul Martin, Supervisor of Community Relations for the New York Telephone Company was installed as President of the Hicksville Rotary Club for the Rotary International year of 1981-1982 in ceremonies held at the Viennese Coach. Judge Myron Steinberg was the installing officer. Mr. Arthur Pettorino, a Hicksville Architect was named Vice President, William Howarth, Secretary and Harry Peltz, Treasurer. Elected to the Board of Directors was Past President Joe Trebitz and William Buchman, Joseph Jablonsky and Brad Harrison.

OPERATION V.F.W.

Still trying to fill Lou Paladino's Seven League Boots, your substitute screebber is finding Lou a tough act to follow in his Tennis sneakers.

We had some big doings at Hicksville's VFW Post 3211. Our new Commander Carmine Somma has been sworn, dined and installed. Commander Somma's staff, Sr. Vice Commander Connie Steers, Jr. Vice Commander Mike Ciadella and Chaplin Tony Chepak were sworn into office for the 1981-82 term.

Our outgoing Post Commander Mike Monteleone was all smiles as he turned the gavel and the Post over to Carmine. Mike's year as Commander had been a most interesting year with much activity. Best of all was the support the members gave Mike by giving him 100% membership renewals plus. That is the acid test of leadership in a volunteer organization, wherein a Commander learns that his title of "Commander" is only symbolic. A good Commander never commands, he learns how to lead with

persuasion and appreciation for work well done.

There weren't many Commanders in Nassau County who achieved their 100% membership this year.

One of Past Commander Monteleone's most pleasant tasks at the end of his Term was the group initiation ceremonies for the following new members:

Raymond Cassidy, Sam Ciccarele, Anthony Del Gigante, Joseph Fray, James Garvey, Edwin Hirsch, Morris Hirsch, Stanley Hoblish, Louis Mancalo, John Meagher, Otto Pfaffle, Vito Ramaglia, Vito Resta, Thomas Sturmiolo and Frank Travato.

The above new members and their wives were seated with a modest collation and a warm reception by their new Comrades in the V.F.W.

Among our more pleasant activities as a community based civic organization is the opportunity to recognize and reward the scholastic efforts of students in our Hicksville High School, through our Albinus Hanson Memorial Scholarship Fund. This year's winner of the award is Jennifer Niebuhr of

5 Switzerland Road, Hicksville. Jennifer received a \$300.00 check toward her expenses at Wake Forest College where she plans to study Foreign Affairs with the objective of a position in the U.S. Department of State. All our best wishes go with you Jennifer.

Naturally, the interests of veterans come first with us. But right up there next to first place is our interest in Hicksville. Should, therefore, anyone wish to join us in making Hicksville a more attractive place to live and work, they can "Come and Look Us Over". We've been in the process of painting and cleaning for weeks now and have just finished an exterior paint job on our Post Headquarters at 320 South Broadway. Chief painter and post artisan, Joe Normandy was ably assisted by Tony Basile, spending hours on their ladders to make our Post home attractive to look at. Both Joe and Tony did a fine job with their paints, brushes and ladders developing a fine, healthy looking tan in the process.

Let's all make Hicksville a lovelier place to live in!

Lutherans Are "Hangers-On"

In the insurance industry, customer satisfaction often is measured by "first-year lapse rate". If the rate is high, it means that within one year, a large number of people who purchase insurance are letting their coverage "lapse" by not paying premiums.

Apparently, AAL members are very satisfied, because AAL shows the lowest lapse rate among major life insurers in the U.S. We like the fact that our members are "hangers-on".

Selling Your House?????

- DO - See a lawyer before speaking to any real estate broker.
- DO - Select a lawyer whose primary interest is your protection.
- DO - Inquire into the lawyer's competence and experience.
- DON'T - Sign anything without your lawyer's advice.
- DON'T - List your house with any broker without first obtaining your lawyer's advice.
- DON'T - Believe that all there is to selling the house is the mere signing of papers and payment of the price.

Observing the DO'S and DON'T'S may save you several times the fee of a competent attorney. A broker's fee may be 7% or 8%. If your house is \$60,000.00, a broker's fee is \$4,200.00 to \$4,800.00. Competent attorneys are available for a fraction of that amount.

Failure to observe DO'S and DON'T'S may result in your paying a commission on a sale that does not take place; being sued by a broker or buyer; paying thousands of dollars to lenders for buyer's financing; delay in accomplishing the sale; or loss of thousands of dollars paid to a broker which should be retained by you when a buyer breaches the sale contract.

Letter To The Editor

Dear Editor:
The Family Service Association of Nassau County would like to thank through your paper the hundreds of volunteers from all over Long Island's communities for the signal service they performed for the agency during May at the FSA's Designers' Showcase at Welwyn, Glen Cove.
Thanks to their efforts, it was possible to make the beauty and fascination of Welwyn so charmingly redecorated available to the more than 40,000 visitors who came to the Showcase.
A huge endeavor like this,

covering 35 days and involving many events and attractions in several buildings, can only succeed in the dedication that makes one resolve to put forth every effort.
This, our volunteers did with good will. We congratulate our fellow Long Islanders on their devoted service. Thank you very much.
Sincerely,
The Showcase Committee

International Night Series

CLIP AND SAVE

The summer of 1981 is bound to be a spectacular one as the spirited International Night series spotlighting music and dance from around the world returns to Eisenhower Park's Lakeside Theater.
The free program, which is presented by the Nassau County Department of Recreation and Parks and sponsored by European American Bank, will take place Monday evenings throughout the summer season. In addition, two weekend-night performances have been scheduled: Afro/American Night (Friday) and Scandinavian/American Night (Saturday), according to Recreation and Parks Commissioner Abram C. Williams.

- Following is the schedule of International Nights for 1981:
- Monday, July 6 - Polish/American Night r/d 7/7
 - Monday, July 13 - German/American Night r/d 7/14
 - Monday, July 20 - NO PERFORMANCE
 - Monday, July 27 - Italian/American Night r/d 7/28
 - Friday, July 31 - Afro/American Night
 - Monday, August 3 - Irish/American Night r/d 8/4
 - Monday, August 10 - Ukrainian/American Night r/d 8/11
 - Monday, August 17 - Israeli/American Night r/d 8/19
 - Monday, August 24 - Hispanic/American Night r/d 8/25
 - Saturday, August 29 - Scandinavian/American Night r/d 8/30
 - Monday, August 31 - Greek/American Night r/d 9/1
- All performances are scheduled to begin at 8 p.m. Since there are no formal seating arrangements at Lakeside, Commissioner Williams advises theatergoers to bring blankets or folding chairs for their own convenience. The Lakeside Theater is most easily from parking field No. 6.
The shows are open to all Nassau County residents and their guests. If weather conditions are doubtful, call 292-4175 for verification of performance. For additional information, call 292-4121.

Polish Night

Polish Night, the first in this summer's International Night Series at Eisenhower Park's Lakeside Theater, will be presented Monday, July 6 beginning at 8 p.m., announced Recreation and Parks Commissioner Abram C. Williams. The raindate is July 7.
The free program is presented by the Nassau County Department of Recreation and Parks, and is sponsored by European American Bank.
The featured performers

in this festival of music and dance will include: the Oginsky Male Choir, the Vern Wilcock Orchestra, the Hejnal Dance Group and the colorful Polonaise Dance Group.
The Lakeside Theater is located near parking field No. 6. Since there are no formal seating arrangements, it is suggested that theatergoers bring folding chairs or blankets. In the event of inclement weather, call 292-4175 for verification of performance. For further information call 292-4121.

SCORE Offers Free Export Counseling

Small business owners planning to expand into exporting can obtain free individual counseling from the U.S. Small Business Administration's Service Corps of Retired Executives (SCORE).
SCORE has volunteers, expert in the exporting business, at each of its chapter offices in Region II, which includes New York, New Jersey, Puerto Rico, and the Virgin Islands.
Paul Little, Coordinator of the Region II Foreign Trade Specialists, said the counseling is done on a one-to-one

basis.
"A counselor works with a company until they are off and running," the retired exporter of electrical products added.
According to Little, there are experts in many diversified fields within the SCORE organization that can answer specific questions on the technical ins and outs of the exporting business.
For more information on the SCORE program or the chapter nearest you, call Mr. Little at 271-8779.

Rozzi Announces Anti-Fireworks Program

BOMB DISPOSAL

FIREWORKS-DANGEROUS AND UNLAWFUL-That's the message from Nassau County Police Commissioner Samuel J. Rozzi (left) as he examines some recently seized fireworks along with Bomb Squad Commanding Officer Detective Sergeant Richard Block. Nassau Police have instituted special patrols to crackdown on fireworks use, especially by groups of youthful vandals roaming the streets of the county. To report fireworks use, call 911.

For the fourth consecutive year Nassau County Police Commissioner Samuel J. Rozzi has announced the en-

actment of a tough anti-fireworks policy directed at youthful vandals who use fireworks explosives to de-

stroy property and endanger the public.

"Youthful vandals should not be given a more destructive tool with which to do damage to public and private property," stated Rozzi. "An attack on the use of fireworks is a direct effort to blunt those individuals bent on disturbing the tranquility of their neighborhood and vandalizing property."

The program formulated by the Department's Anti-Fireworks Task Force will concentrate on two areas: enforcement and public education. The enforcement aspect has already begun and will continue until the middle of July with a special emphasis on the July 4th weekend.

Specific enforcement measures include:

1. Special enforcement teams in each precinct comprised of youth patrol officers that will patrol areas of fireworks activity such as parks, schools, etc.

2. Focusing of Bureau of Special Operations officers on those areas where illegal sale of fireworks occur.

3. Establishing measures to facilitate processing fireworks arrests and inventory of confiscated material.

Public education efforts include:

1. In May, a letter was sent to the principals of all the schools in the county, both

public and private, asking them to advise their students of the dangers of fireworks and that the police were cracking down on their use.

2. Dissemination of over 25,000 fireworks brochures through local schools and youth organizations in the county.

3. Fireworks safety public service announcements distributed through local radio stations and other media.

4. The utilization of eight marked patrol cars (one in each precinct) to make frequent broadcasts on the car P.A. system of a recorded message regarding the fireworks crackdown. (Daily between 3:30 p.m. and 7:30 p.m.)

"I am particularly appealing to parents this year to control the use of fireworks by their children," stated Rozzi. "The police cannot be everywhere. The parents must recognize the danger here for their children, and others and take action."

The enforcement program has gained steadily in momentum for the past few years. In 1978 over thirty injuries were reported due to fireworks and under 200 arrests. The number climbed to 344 arrests and only 12 injuries in 1979. In 1980 there were 780 arrests and only 6 injuries.

Commencement Address Hits Home

Where were the solutions to our problems? Was "The Great American Dream" over? Where were the instant cures we had been led to believe in? Change - Yes, there had to be change. Our society could not have withstood much more of the buffeting we were getting.

Some time in the last five years we stopped looking for a savior and faced the enemy. In the words of the Great American Philosopher "Pogo": "We have faced the enemy and he is us." During this five years we have learned that there are no "free lunches," somebody

has to pay, and that somebody is us. There were no shmoos. Excuse me, if I seem to dwell in the world of comic book characters. I guess it is because some of our best cartoonists and comic writers use life as their subject, and real life can be more amusing than fiction. For those of you who are too young to remember Al Capp and Lil Abner, Shmoos were cute little creatures who multiplied faster than rabbits, required no feeding or care, and died in ecstasy when someone looked hungry. Fried they tasted like steak, boiled they were like corned beef, chilled they tasted like ice cream. During the late sixties and early seventies we believed in Shmoos, and during the late seventies we became confused when we learned that they did not exist.

In the sixties and early seventies the economy was booming and jobs were plentiful. Young people did not have to worry about competing with many for fewer jobs, so why worry about gaining skills that were marketable? Instead they explored abstractions such as feelings. "If you feel like it, do it," became the

motto. They explored esoteric religions, different living arrangements, anything different or forbidden by society became the thing to do. Laws were made to be broken, and only the straights and the stupids obeyed them.

What happened? It didn't work - that's what happened. Industrial Productivity fell. Everybody bought what they wanted today with plastic cards and worried about paying tomorrow. Well, tomorrow came. Now we must pay. Parents can no longer afford to support children while they, and I quote "find themselves." Responsibility for becoming a productive individual can no longer be postponed indefinitely. The lesson learned was: You cannot always do it if you feel like it, and there are times you must do it even though you don't feel like it.

The graduates of 1971 were sure of their directions. They would do as they wanted and all would be beautiful. The graduates of 1976 were not sure of anything except their uncertainty. Nothing seemed to work the way it was supposed to work. Peace, Love, feeling good, and doing your thing are beautiful con-

cepts. I have always believed and practiced them. But without the freedom that productivity and responsibility gives one, they will not feed, clothe, or put a roof over your head.

This is the difference I have seen as I have observed, talked, and worked with some of the members of this year's graduating class. I believe this class has a better balance between the concepts of idealism and realism, between work and play, between freedom and responsibility, than any I have seen for some time.

I will close with this thought. The most universal desires of mankind are happiness and freedom. Of these, freedom is the most paramount for how can one be happy unless he is free? Henry Wallace once said "men and women cannot really be free until they have enough to eat, and the time and ability to read and think and talk things over." Ronald Thornton said "True freedom consists with the observation of law." Adam was as free in Paradise as he was in the wilds where he was banished for his transgression.

Thank you."

Dear Friends...

As we go to press, there seems to be quite a bit of action (all negative) on and around Broadway. Dr. Jules Lane, a dentist whose offices are on Old Country Road, Hicksville and the new owner of 35 Broadway, wishes tenants of this building to leave because he wants to convert it to offices. Tenants, which include the NY State Pilgrim Psychiatric Day Care Center and the East Plains Mental Health Center, find it difficult to relocate and are fighting to stay on a month to month basis. More on this as it develops.

Then, the Hooker Chemical and Plastics Corp. union workers are still on strike, with this local plant being run by management and non-union workers. Workers are rejecting a 33 percent raise in the next three years and state that there are some health issues still to be settled.

GOOD NEWS—the state's highest court denied the appeal of County Democrats to abolish Nassau's Board of Supervisors and institute a County Legislature. All we need is more government! We have been opposed to this for the past thirteen years, when it was first suggested. If you have any doubts as to how expensive this step would eventually become, just check out the Suffolk County Legislature...most of the residents in Suffolk would give a great deal to abolish this unnecessary body of their government.

MORE GOOD NEWS...the Hicksville American Soccer Club will host their 6th Annual International Soccer Tournament on the weekend of Friday, July 17th through Sunday, July 19th. This tournament is the most prestigious and the largest in the entire United States. There will be over 4,000 athletes and coaches participating from the United States, Canada, Europe, South America, Africa and the Far East—a true international event. Over 30,000 persons are expected to attend. It is even possible that the famous professional soccer player Pele may attend the opening ceremonies and kick in the first ball. Tournament directors, Pat and Ray Hoesten of Jericho, have received an official commitment from ABC, NBC and CBS to cover this event. The central location of playing fields will be the Home Field Facility by the Grumman Aircraft Complex on South Oyster Bay Road in Hicksville, as well as 25 other soccer fields within a ten mile radius of the home field. We will bring you more on this as we receive it from Tournament officials.

We hope that you all enjoy a "safe and sane" Fourth of July weekend.

THAT'S ALL for this week. Stay well and remember the old adage which, although it applies to the legal profession, can also be applied to all that we do in life: "Small men serve the letter of the law...great men serve justice."

Letters To The Editor

Dear Sir:

Central Island Nursing Home held their annual Volunteer Appreciation Luncheon at Cooky's Steak Pub on June 18th. Mrs. Ronni Rosenberg, Administrator, hosted the festivities, awarding Certificates of Appreciation and gift plants to those attending.

At this time we wish to thank all members of the community, both individuals and groups, for their dedication and caring.

Sincerely,
Hedda Pritzker, Director
Leisure Time Activities

Dear Editor:
On behalf of the United-

Veterans of Hicksville, we would like to inform the Business and Community as well, that we have been plagued by D.A.V. Chapter 143, soliciting Journal Ads and other Donations in our Community. We have brought this to the attention of their County Leaders and now we would like to inform you, our Community, that the only Veterans Organizations in Hicksville are: The American Legion (Charles Wagner Post 421), AMVETS-Post 44, V.F.W. (Wm Gouse Jr. Post 3211), and the Jewish War Vets-Post 655.

We do not want you to feel

that the D.A.V. is not a bonafide Veterans Organization, they are, but they have no jurisdiction in Hicksville, they come from Massapequa.

We conduct our own "fund raisers" during the year and you can imagine how we feel when you tell us "we just gave last week to the D.A.V.". Their Journal this year was solely from the Hicksville Community and it was a pretty good one, but during the same period the V.F.W.'s Journal dropped in half. We also would like to caution you that during our Parades, Labor and Memorial Days, we have been in-

formed that there are people who are walking along the "side-lines" asking for Donations for the Veterans Organizations. We do not do this, never have and never will. If anyone asks for any kind of Contribution, ask him or her to show you their Membership Card. If you still have doubts call us.

American Legion...931-9867
AMVETS...935-7491

Thank you for your continued support.

Town Board Approves Construction Of Restaurant In Hicksville

Oyster Bay Town Councilman Thomas L. Clark announced Town Board approval of the request of General Mills Restaurant Group, Inc., to construct and operate a Red Lobster Restaurant in Hicksville.

A 267-seat restaurant is planned for the site located at Bethpage Road and

Nevada Street in Hicksville on property leased from Sears, Roebuck, Inc. The site is currently used by Sears for overflow parking.

At a hearing held on May 19, 1981, a representative of the Red Lobster Restaurant parent company outlined plans for the proposed

restaurant, indicating particularly that the entire operation was family-oriented and would have only a stand-up service bar for the use of restaurant patrons ordering beverages.

Town Supervisor Joseph Colby noted that he was familiar with the Red Lobster Restaurant in Far-

mingdale which had developed a reputation for being a fine restaurant.

The Board approval lists 16 covenants and restrictions to the application regarding hours of operation, traffic regulation, type of signs, lighting and landscaping required.

"The Force" Wins 2nd Place Trophy

Fourteen boys of the 1971 team "The Force" won 2nd Place - Boys Division in the Gateway Toyota and Soccer World Jersey Shore Soccer Tournament, played on Memorial Day Weekend, 1981. Trophy of this winning soccer team is on display in the Plainview-Old Bethpage Public Library. The coaches were proud of the boys' efforts and are looking forward to an exciting soccer season in the fall.

This team was formed two years ago. Among their accomplishments: Summer of 1980 played in the Semi-finals of the Smithtown Tournament. Fall 1980 finished 2nd place in their division in the Long Island Junior Soccer League; Spring '81 Quarter finals of the New York State Cup Tournament.

Coaches Harvey Fischer and Mike Orosin are pictured with the winning team members of the Plainview-Old Bethpage Public Library. Coach Arnie Newfield was not in photograph, but he also coached the

team. Team members of "The Force" (born in 1971) are: Plainview residents Kevin Berkowitz, Thomas Pradella, Wayne Friedman, Mitchell Gittleman, Michael Goldstein, Keith Hobbs,

Donald Hochstein, Adam Iovino, Avi Silber, Brian Shield, David Weisfelner, Old Bethpage residents Lee Koenig and Brian Woods; and Larry Aronowitz of Bethpage.

ST. IGNATIUS NEWS: A recent art show under the direction of Mrs. Barbara Albanese brought proud smiles from participating third graders, Joseph Toner and Carolyn Rizzo. Students' work ranged from the creative drawings of the primary grades to the intricate copper tooling displayed by the seventh graders.

Clinic Seeks Volunteers

The East Plains Mental Health Services, a non-profit mental health clinic in Hicksville, is seeking additional members for its newly formed Volunteer Association. People are needed to help the clinic in fund raising, newsletter production, community education and thrift shop

work. Interested adults are invited to call 822-6111 for additional information.

Located at 35 Broadway, East Plains offers counseling and therapeutic services to residents of all ages living in central Nassau.

Plainview Resident Cited

Joseph J. Inguanti, son of Mr. and Mrs. S.J. Inguanti of Woodway Road in Plainview, was among a select group of students honored for special academic achievement at the annual SUNY-Binghamton Foundation Awards ceremony held on May 30.

A graduate of Old Bethpage High School, Inguanti was presented with the Claudia Bernardo Award for Excellence in the Humanities.

He also received highest honors in art and art history at the Harpur College Awards Program.

A member of Phi Beta Kappa, Inguanti was for four years an undergraduate member of the Latin American and Caribbean Area Studies Program committee, and also served as secretary and president of the Spanish undergraduate committee.

He hopes to enter the field of cultural affairs.

Many people would join our club, all they need is someone to ask them. With the door-to-door going on now, we should use the chance to get some new members. Actually \$3.00 a person is cheap. They get a year's subscription to the

"Congratulations" again to our Hicksville friends for having talent to use "guest editors." A safe Fourth (and Fifth)—AHE.

But wait 'til August-we'll get together on August 14th for a Square Dance. More about this event in a later column.

We've received more questions for our Question and Answer column so we've devoted this week's issue to that topic.

PLEASE TELL ME.

Q - Where I can obtain a commuter parking permit?

A - A commuter parking permit can be obtained at the T.O.B. Parking Garage on Newbridge and Duffy Avenue, Hicksville. Your car must be registered at a Town of Oyster Bay address. The garage is also the T.O.B. Annex. This is where you can obtain permits for parking, fishing, clamming, etc.

Q - Whom can I call to report that people are dumping refuse on a lot near my property?

A - Call the Nassau County Police Department and the Town of Oyster Bay Highway Department. Try to obtain a description of the truck(s) or car(s) and the license plate numbers for use by the Police and/or Highway Department to stop the perpetrators. NCPD: Precinct No. 2 - 364-0500; Precinct No. 8 - 335-6800

T.O.B. Highway Department - 922-5800 and ask to be connected to this department

Q - Do I need a special

permit to put a dormer on my house?

A - Most definitely, yes! We suggest you call 922-5800 and ask to speak to the Building Department. They will tell you what records you must bring with you to obtain a building permit. We know you will need your deed showing section, lot and block.

You will be told whether or not you require a variance from the Zoning Board before you build. There have been instances where residents trying to sell their homes encountered great difficulty because they expanded their homes without first obtaining a permit and without the Building Department making inspections.

When they tried to sell their home, they could not because they did not have a Certificate of Occupancy. The resultant paper work had to be completed before the sale could be consummated. Of course, this caused delay that could have been avoided if the necessary permits had been obtained initially.

Q - Can two shade trees that have died from storm damage be replaced by the Town of Oyster Bay? I love our Hicksville and want to keep it clean and beautiful...the trees would be a boon to our community...trees help conserve energy, beautify...

I read in a recent issue of the "Mid Island Herald" that Hicksville would be getting some additional trees. Can these dead trees on Harding Avenue be replaced by the T.O.B.?

A - We're sorry to tell you that there are no funds available for replacing trees in Hicksville even though we agree with you about their practical and aesthetic values. What you had read in the "Mid Island Herald" recently referred to an application the Town of Oyster Bay had made for Federal funds to plant trees along Broadway, Hicksville. At this time the Town has not heard whether their application has been accepted or denied. If the funds are received from the Federal government, we will see trees planted along Broadway; unfortunately, none will be planted along other residential streets.

Q - Who takes care of spraying the trees to kill caterpillars? My area has been besieged by an army of these voracious little beasts. HELP!

A - By the time you read this column, we hope you've won the war against these ravenous invaders. We checked with the Town to see if they have a spraying program, but learned that no spraying is done to deter

insects. In past history, some spraying programs were conducted by both Nassau and Suffolk Counties utilizing Federal funds. However, as the funds dried up so did this spraying program.

Q - How can I assure that I have adequate parking on my block? I live near the LIHR and both sides of my street have bumper to bumper parked commuter cars. It not only makes it very difficult to back out of my driveway, but there is insufficient room for two vehicles to pass each other.

A - Here again, we do not have a satisfactory answer for your problem. It's sad, but true, that there is not enough community support for the establishment of commuter parking. Nobody wants parking lots of garages near their homes. We suggest you write to the Town of Oyster Bay indicating your support of the establishment of additional parking fields. The address is Town Board, Town of Oyster Bay, Audrey Avenue, Oyster Bay, NY 11771. If you address it to Councilman Tom Clark, he will give copies to each member of the Board.

If you have a question that we can help you with, please write me at 13 Mayfair Lane, Hicksville, NY 11801, or call 433-5994.

Hicksville's U/S team advanced to the finals of the L.I. Cup by defeating Lindenhurst 2-0. Hicksville controlled the pace of the game with solid ball control and strong team play. This game had to be their smoothest flowing to date. Passing was continually on target by all the Hurricanes.

Our first goal was by wing Chris Flanagan on an aerial pass from halfback Drew Donohue. Flanagan anticipated the pass and was there to head it in. Lindenhurst had a chance to tie the score on a breakaway against goalie Neil Cambreno. Neil came out, judging the ball perfectly, and cleared it down field, breaking up the play. The Hurricane's second goal came after halfback Donohue brought the ball down the left side, then passing it diagonally to Flanagan who drew the goalie to the right, then shot it in on the left.

The entire team played well with Brian Spinner playing an excellent game at half back, and Kevin Morrisroe and Stephen Fine heading up the strong fullback line.

Last week, the boys had a gratifying win over longtime rival Brentwood. Hicksville's first goal was on a corner from Brian Garnets to center Bobby Ladimir to Chris Flanagan, who headed it in. Brentwood tied the score, but the Hurricanes came back later with another goal. This one was on another combination play from Garrets to Flanagan. Fullbacks Jason Carmen

and Mike O'Grady put forth with tremendous effort out-running the Brentwood offensive players and halfbacks Donohue, Matt Adelstein, Kyle Richards and Chris Santarelli did a great job controlling the midfield.

Hicksville beat another rival this week when they met Plainview-Old Bethpage. Again, the Hurricanes controlled the game, keeping the ball in POB's half almost the entire game. Our first goal was a high shot from half-back Drew Donohue that went right over the goalie's head. Goal No. 2 was by Chris Flanagan who drew the goalie out, then put the ball by him. Bobby Ladimir kept POB's goalie on guard by frequently shooting at goal, only to have them deflected. The third goal came after Flanagan brought the ball down and crossed it to David Kuck who put it in for a final 3-0.

On Saturday the Hicksville Comets played the Massapequa Tornadoes at Grumman Field in Hicksville. The Comets suffered a loss of 2-0. The forward line of the Comets, Tommy Bell, Anthony Conti, Jim Curley, Frank Humphreys, Ryan McCann, John Schneider, and Jimmy McMahon played hard and fast with many heartstopping shots on goal but were unable to score. The Tornadoes scored both their goals in the first half.

Our midfield line, Jeff Gluck, Tim Doyle as center, John Giuttari played super in turning the ball around and in setting up plays. The fullback line Thomas

Reilly, Michael Luongo as center and Bobby Himel played great in passing the ball up to our midfield and forward line.

Michael Segal did excellent in goal, he filled in for Mark Miceli who was unable to attend the game.

All the players and parents would like to thank the coaches of the Comets Barbara McCann, and Anthony Luongo for all their dedication and time that they have given.

1975 Squirts
Coach Pat Reilly
On Thursday the New York team of the Hicksville Squirts, division 1, played their last game and they played great. Everyone was very proud of them.

Our players really have come far in learning the basic soccer skills they will need in the coming years, and in sportsmanship. Our New York players are Scott Alper, Jonathan Baskind, Jarrett Brilliant, Gregg Greenberg, Brian Maloney, Joseph Montalto, Brian Reilly, Paul Richichi, Joshua Sapir, Michael Schneider and Kris Visconti.

The players and parents would like to thank Mr. Reilly for his time and patience in teaching our players their skills.

I would like to thank the Players and parents for all the cooperation they have given me without which we could not had such a great season. I really enjoyed coaching.

A special note of thanks to Michele Flanagan and her husband John without whom there would have been no program.

WATCH OUT Pee Wees here we come.

BPOE played their last game of the season against PBC A. The Elks won with a score of 9-3. Kevin Kenny pitched 3 innings and gave up 2 runs. Stephen Wolf finished the last three innings letting up only 1 run. The big bats were R. Noonan, C. Hulsen and M. Gottleman. Nice fielding plays by K. De Rosa, T. Doty and S. Wolf.

Congratulations to BPOE who are the "A" league champs and finished the season 14-0.

Thanks to manager Steve Wolf and coach Jerry Hulsen who did a fine job and to the team who played superb this season. Kenneth DeRosa,

Tom Doty, Sean Gardner, Michael Gottleman, Scott Gottleman, Chris Hulsen, Kevin Kenny, Raymond Mador, Robert Noonan, Frank Pertusiello, Ronald Rapuzzi and Stephen Wolf.

"Majors"

On June 23, Hamburg Savings Bank and Alpine played a tooth and nail game with HSB coming from behind 3 wins to the game in the 6th inning. Alpine got 2 runs in the 7th and HSB tied again. In the bottom of the 9th, T. Gottleman hit a double driving in the winning run, making a 9-8 ball game.

Super pitchers were C. Clark who pitched the last three innings and T. Gottleman who pitched the next 6.

R. Unge went 2 for 3 with a triple and a double. A. Langone had a double with 2 RBI's, C. Clark had a double with 1 RBI and M. Martello had a double with 1 RBI.

Other hitters contributing to the winning cause were: D. Bloem, M. Conroy, G. Dastin, J. McBrier, J. Schneider and E. Gebhard. C. Clark, the pitcher, and J. McBrier, the 3rd baseman, combined efforts in a double stealing attempt for 2 outs. High fly balls were caught by J. Hawkins in left field and C. Clark in center field. Nice line drives were caught by A. Langone at 1st base and by M. m. Martello at 2nd. Great putout at home plate by T. Gottleman, pitcher to catcher, R. Linge.

Receives Scholarship

One of the many scholarships awarded to Hicksville High School students this year has gone to Thomas Solaski, a member of the HHS varsity soccer squad.

Thomas was awarded a \$500 stipend from the Long Island Soccer Association for his outstanding contribution to the team.

Elected Baldwin Rotary President

Anthony Bellacera, Vice-President/Secretary of Beacon Federal Savings, has been elected President of Baldwin Rotary Club. He was installed into office at the annual Baldwin Rotary Installation Dinner Dance at the Coral House on June 6th.

The newly installed Baldwin Rotary president has also been re-elected Secretary/Treasurer of Long Island Group of Savings and Loans Association for the 8th consecutive term, and was made Director/Treasurer of the Vincent Rossetto Scholarship Fund of the Long Island Musicians Society. The L.I.G.S.L.A. is composed of over 32 Savings and Loans Associations throughout Brooklyn, Queens, Nassau and Suffolk Counties. The Musicians Society awards annual scholarships to outstanding

music student at the high school level in Nassau and Suffolk.

Bellacera, born in Brooklyn where he attended Alexander Hamilton High School, was graduated from Nassau Communities College with an A.S. degree in Business Administration. He later attended evening classes at American Institute of Banking, paying his way by conducting his own band, The Bellaires.

Bellacera joined the Beacon Federal Savings family of employees in 1933 when his family moved to Long Island. Starting as a Teller he was periodically promoted to his present position.

A resident of Hicksville with his wife, Doris May, whom he met and married during World War II, he was assigned to the Auxiliary Air Force. The Bellaceras have three children and two grandchildren.

On the first of July, baby Randi Michelle Cohen celebrated her first birthday. Her mom, Helaine, had a party for Randi. Enjoying the party most of all was

Randi's three-year old brother, Brian, and a host of neighborhood children. Of course, her dad, Richard, was on hand to join in the festivities. Another party will be held for Randi this weekend when her grandparents and the rest of the family can celebrate this occasion.

We wish best wishes to Alma and Artie Hirsch on their 41st wedding anniversary. Alma and Artie reached this milestone in their lives on June 23. They are long-time Hicksvillites and much love and happiness are wished them by their family, friends and neighbors.

Our sincere condolences to Alex Pankoff and his family on the recent loss of his mother. Our sympathy to you and yours.

We almost, but not quite, overlooked Ida Mae Herfurth's birthday. Ida Mae celebrated her 84th birthday. Congratulations to you, Ida Mae. May you enjoy many, many more healthy and happy birthdays.

Happy anniversary to Jean and Bob Kaminek, Hicksvillites, who celebrated this auspicious event on May 29. Although our wish is somewhat late, it is still sincere; best wishes for many happy years together.

DEVOTIONS

By The Rev. Dr. John H. Krahn

Trinity Lutheran Church

Still basking in the joy of an empty tomb which resurrected hope and possibility not only for the disciples but for all creation, we look at a beautiful lesson from Scripture (Hebrews 10:22-25) and find in it practical suggestions for our individual ministry. For all Christians should be Easter people, and as Easter people there are four affirmations which God would have us consider. Each one has application for our life together as God's people and the church.

First, the God who brought us Easter, says through the author of Hebrews, "Let us draw near with a true heart in full assurance of faith." After the tomb was found empty and Jesus appeared to the early church on many occasions including those believers on the road to Emmaus, doubt disappeared, and the early church had a full assurance of faith. They were confident. We, too, must live and be about our ministry with the same Easter confidence. We say we rely on God's mercy for our salvation; we need to give over all areas of our lives to God's control. What aspects of ourselves are outside God's control? Our temper? Our money? Our time? We need join the psalmist and say, "Create in me a clean heart, O God, and renew a right spirit within me." Our trust in the Lord must be complete. A little child in danger or in despair literally runs and throws himself into the arms of his mother. This is the full assurance of faith.

When was the last time we ran and thrust ourselves onto the Lord? A cautious step in His direction is better than none at all, but believing with abandonment is called forth by an empty tomb. God wants us to fall head over heels in love with him so he can bring the greatest joy and purpose possible into our lives.

Next, Easter people are encouraged to hold fast to hope without wavering. Scripture in another place says, "Where there is no hope, the people perish." Too many of us view too much of our lives and the world as hopeless. Without hope, no great strides will be made in the future; there is no venturesome faith without

hope. Without hope we burrow into the ground and live the life of a mole instead of walking freely in God's sunlight. In a difficult situation, a hopeful people, on the other hand, find the challenge and opportunity to do something great with God.

Assured in our faith, with an unwavering hope, we are encouraged to stir up one another to love and good works. We must do something. Faith and hope must move from the abstract to the particular.

To worship regularly is the affirmative side of the last part of the lesson from Hebrews. Easter people are called upon to celebrate the Festival of the Resurrection each Sunday for each Sunday is a little Easter. "not neglecting to meet together," is how it is written in Hebrews. To break fellowship with the worshipping community is to pursue a weakening faith. It

is also a form of denial of all that Christ means. True faith, strong faith, is never faith in isolation but must always be faith shared and strengthened through regular worship. We must encourage one another, our text continues, to be regular in worship and strong in the faith.

The end is drawing near. The Lord will return soon to reclaim his fallen creation. When the Lord of the church comes again, how will he find us? Will we be acting like people who have been touched by the meaning of the cross and the empty tomb? Therefore, let us continue to draw near to the Lord with a true heart and full assurance of faith. Let us hold fast to the confession of our hope without wavering. Let us consider how to stir up one another to love and good works. Let us not neglect to worship but encourage one another. In sum, let us all be Easter people.

Girl Scout Conference

Elinor Smith, female aviation pioneer and author of the recently released book "Aviatrix," will be a guest speaker at a Career Conference called "Where Your Future Begins," held by the Nassau Council of Girl Scouts, Inc. on Thursday July 23, beginning at 1:00 p.m. The Career Conference is being held at the Council Office, located on Ring Road, Roosevelt Field, Garden City. In 1927, Elinor Smith, then a 15-year-old high school student made her solo flight from Roosevelt Field and became the youngest female pilot in the world. Smith's flying career

continued as she went on to set many world records for women fliers which included a 28-hour endurance flight in 1929 and an altitude record of 34,500 feet in 1931. Most notable among her accomplishments was a flying feat which caused the media to dub her "The Flying Flapper," when in 1928 she flew under four East River bridges.

Mrs. Smith's book, "Aviatrix," published by Harcourt, Brace and Jovanovich, is the story, in her own words, of her determination to become a pilot in a male dominated field and delves into the

many contributions women made to the field of aviation.

Most recently, Mrs. Smith was a guest on the popular TV show, "Good Morning America" as well as on local television station, Channel 21. At the Career Conference on July 23, Mrs. Smith will address girls ages 12-18 on careers in aviation, present a slide show and discuss her book, "Aviatrix." The emphasis will be on women in aviation, past, present, and future.

"Where Your Future Begins," a summer program in career exploration for teenage girls begins on July 7, 1981 with a "Careers in the Arts" Day which will present guest panelists from media and communications areas like radio, television and theatre.

Other conference topics include Careers in Medicine, In-The-Out-of-Doors, Health Care, Animals, Business, Travel and Beauty. Summer career conferences were begun last summer by Nassau Council of Girl Scouts, Inc. The conferences are a take-off on the national organization's (Girl Scouts of the U.S.A.) career exploration program - "From Dreams to Reality."

"From Dreams to Reality" is a career awareness exploration project designed to give girls ages, 12-17, an idea of different and non-stereotypical careers for women.

"Lifestyle Run"

Applications are now available for the "Lifestyle Run," a 20-kilometer (12.4 mi.) footrace, in and around Eisenhower Park scheduled for Sunday, Sept. 27 at 9 a.m., Commissioner Abram C. Williams of the Nassau County Department of Recreation and Parks said early entry is advisable since a maximum of 1500 competitors will be accommodated on a first come-first served basis. In past years, the event had been staged in December, but weather conditions warranted the earlier date, Williams noted.

The popular "mini-marathon" is co-sponsored by Suburbia Federal Savings

& Loan Association. Applications may be obtained at Suburbia branches or by sending a stamped self-addressed envelope to Sports Unit, Eisenhower Park, East Meadow, N.Y. 11554.

There is a \$4 entry fee. All runners will receive commemorative T-shirts. Special awards will go to the top five finishers as well as the top three in various age categories: 14 and under, 15-19, 20-29, 30-39, 40-44, 45-49, 50-54, 55-59, 60-64 and 65 and over. There are separate awards for men and women in each category.

For further information on the "Lifestyle Run," call the Sports Unit at 292-4285.

Use IRS 1040x Form To Amend Tax Return

It isn't too late to make a correction on the Federal income tax return you filed during the past filing season.

In fact, Thomas Coleman, IRS district director for Brooklyn, Queens, Nassau and Suffolk, says that you have three years to amend any return from the date the return was due, or two years from the date you paid your tax, whichever is later.

The procedure is simple. Mr. Coleman advises. All you need do is file a Form 1040X, Amended U.S.

Individual Income Tax Return, to specify the changes you want to make. With the 1040X, you can claim deductions, tax credits, or adjustments to income you forgot to claim, change claims you did make, or report income you omitted on the original return. You can also use the 1040X to ask for a refund of individual income taxes you paid.

The 1040X can be used to amend either a 1040A or a 1040 return, and it should be accompanied by any forms or schedules that you need to

explain the changes. One thing you shouldn't do, Mr. Coleman cautions, is to submit an entirely new 1040 or 1040A return to amend the return you originally filed.

You can get 1040X forms by visiting your local IRS office or by ordering them on the IRS forms-only number, which is in operation 24 hours a day, seven days a week. In Brooklyn and Queens, the number is (212) 596-3610. In Nassau, it's (516) 294-3700, and in Suffolk, (516) 724-8836.

Art Summer Program

Nassau residents 18 and over with an artistic bent can brush up on their skills with a variety of free art programs being held at Eisenhower Park's Special Activities Center during the summer season, according to Recreation and Parks Commissioner Abram C. Williams.

A Beginners' Art Summer Program for adults will begin on Thursdays, July 9 through August 27, from 1:30 to 3:30 p.m. Budding artists will have the opportunity to

learn about basic composition and perspective, mixing and matching colors, and view several art exhibitions.

Summer Drawing and Painting for intermediate level artists is scheduled for Mondays, July 6 through August 31, from 1:30 to 3:30 p.m. Artists with at least one year of art class experience in drawing and painting will get the opportunity to further their art education and skills.

A summer session in mural painting for senior

citizens 60 and over, begins on Tuesdays, July 7, and continues through August 25, from 10 a.m. to 3 p.m. Seniors volunteer their time and skills to paint a mural in the Children's Ward at the Nassau County Medical Center. Preliminary planning and sketching will be done at the Special Activities Center prior to starting the painting at the Medical Center in the fall or winter.

Interested adults must pre-register by calling 292-4254.

LEGAL NOTICE

NOTICE IS HEREBY GIVEN that on the 23rd day of June, 1981 the Town Board of the Town of Oyster Bay, County of Nassau, New York, at a regular meeting thereof, adopted, subject to a permissive referendum, the following resolution.

Meeting of June 23, 1981

RESOLUTION NO. 504-81 WHEREAS, Frank J. Antetomaso, Commissioner of Public Works, has by memorandum dated May 13, 1981 advised this Board that Town of Oyster Bay Contract DRH 79-4705 is to be included under a Betterment Agreement with Nassau County in Nassau County Sewer Contract No. 1002-3-H-3B; and

WHEREAS, a comprehensive drainage study made by A. James deBruin, Consulting Engineers to the above-named Town of Oyster Bay Drainage project for the Blueberry Lane area in Hicksville, New York, has indicated that provisions for relief of storm water runoff from the project area is grossly inadequate and that it is essential that a recharge basin be constructed at Levittown Parkway and Beach Lane on the premises presently owned by the Hicksville Park District; and

WHEREAS, Frank J. Antetomaso, Commissioner of Public Works and A. James deBruin, Consulting Engineers, recommend that the premises known as Section 45, Block 381, Lot 13, be conveyed by the Hicksville Park District to the Town of Oyster Bay Drainage District so the same may be used for the construction of a recharge basin; and

WHEREAS, Thomas D. Gallahue, Commissioner of Parks, has by memorandum dated May 7, 1981, advised the Town Board that the subject premises are not required for park district purposes and has no objection to the proposed conveyance of

said park lands to the Town of Oyster Bay Drainage District; and

WHEREAS, the Town Attorney by Nathaniel G. Gole, Sr. Deputy Town Attorney, has advised that the Town Board, acting on behalf of the Hicksville Park District, may legally convey the subject premises to the Town of Oyster Bay Drainage District, either with or without consideration or for such terms as the Town Board may determine and that the resolution authorizing such conveyance or transfer shall be subject to a Permissive Referendum; and

WHEREAS, the Town Board, after duly considering the facts and data presented to it with respect to this proposed sale, finds it essential and in the public's interest to sell and convey the subject premises to the

LEGAL NOTICE

Town of Oyster Bay Drainage District, NOW, THEREFORE, BE IT RESOLVED, That in accordance with the data and recommendations as hereinabove, set forth, the Town Board of the Town of Oyster Bay, on behalf of the Hicksville Park District and in accordance with and pursuant to Section 198, Subdivision 4 of the Town Law of the State of New York and such other law or laws governing in this instance, authorizes and approves the conveyance of premises known as Section 45, Block 381, Lot 13 to the Town of Oyster Bay Drainage District for use as a recharge basin; and be it further

RESOLVED, That the Town Board, acting on behalf of the Hicksville Park District is hereby authorized to execute any and all documents after approval as to form by the Town Attorney to effectuate the conveyance of the
