## Oyster Bay Democrats Oppose Town's Duffy Avenue Plan

Democratic Town Supervisor candidate Leonard B. Austin and his five running mates for Town of Oyster Bay offices in this November's election have announced their "unanimous and unqualified opposition" to the pending proposal by the Town of Oyster Bay to extend Hicksville's Duffy Avenue to Broadway.

The six Democrats expressed the view that the Duffy Avenue proposal would do nothing to alleviate the problems of downtown Hicksville. They contended that the creation of the new Duffy Avenue / East Marie Street east-west thoroughfare would result in a major increase in the amount of fast-moving traffic on East Marie Street and Plainview Road, impeding access to and from the Firehouse and creating an unnecessary hazard for the residents of Plainview Road and adjacent streets. They were also critical of the town's "callous disregard" for existing Hicksville businesses that would be destroyed if the proposal becomes a reality. "This ill advised plan would totally disrupt the existing business

and residential life of much of Hicksville in return for little or no apparent benefit," the Democrats stated.

"What's most incredible of all," Austin and his running mates continued, "is that Town spokesmen are unable to give local residents any figures whatsoever as to what the traffic increase on Plainview Road and East Marie Street would be. When questioned on this point at the July 2 public meeting, Town Councilman Clark's only response was that no study had been done. That he had no figures, and that he didn't know the answer. According to some estimates, the Duffy Avenue proposal could double, and perhaps triple, the flow of traffic on these streets. How can Supervisor Colby and the Town Board possibly have pursued this half-baked plan for three years without the benefit of precise and detailed studies as to its effect on Hicksville and its residents."

"It's no surprise that the town's Duffy Avenue proposal is opposed by virtually every business and civic leader and organization in the community," the Democrats concluded.

The fifty chairs for residents of Hicksville at the July 2 community forum called to discuss the proposed Duffy Avenue Extension were filled fifteen minutes before the forum was scheduled to begin. As people continued to file into the gymnasium of Trinity Lutheran Church, sponsor of the forum, additional chairs were quickly set up to accommodate the crowd. "We haven't had a turnout like this in Hicksville for ten years," one person commented. Before the forum, organizers worried that the crowd might be small on a hot, humid July evening which backed up into the July 4th weekend. The gym was packed.

Mr. Samuel Zakian, president of the Church Council of Trinity Lutheran Church, served as moderator and began the forum by inviting Mr. Thomas Clark, Councilman from the Town of Oyster Bay, and Mr. Sieg Widder, Executive Director of the Hicksville Chamber of Commerce, to present their positions on the proposed Duffy Avenue Extension.

Mr. Widder said, "The Hicksville Chamber of Commerce has expressed its opinion of the proposed Duffy Ave. extension ever since Councilman Clark revealed his plan as the guest speaker at the Sept. 1978 Hicksville Chamber of Commerce meeting.

The Chamber has discussed this proposal at Executive Committee meetings, at Board of Directors meetings, at several meetings of an Ad Hoc Committee appointed specifically to study the proposal in all of its ramifications, and at General Membership meetings.

The consensus of opinion was, has been, and is, that extending Duffy Ave. to Broadway at East Marie St. will not provide the solutions to the problem as stated by Councilman Clark."

Councilman Clark showed several unofficial maps inasmuch as the County is presently working on proposed plans for this proposal before it is to be presented to the public at a Town public hearing. He stated that if, after their study officials of the County decide that this particular project (Duffy Ave. extension to Broadway) would not be advisable, then there would be no necessity of a public hearing, only a news release making this possible decision public. Mr. Clark stated that in his opinion Duffy Ave. should be extended to Broadway only (see his Letter To The Editor on page one).

Following this, residents were given ample time to make comments or ask questions of the speakers.

Over a dozen people spoke.

## A Letter To The Editor

some numbers of projection, estimating the possible traffic increase, but they are not presently available.

The idea of connecting Newbridge Road directly with Broadway, south of the railroad has been on the drawing board for more than 10 years. Those residents, businessmen, and candidates for public office who spoke about Duffy Ave. were sincere, but to my surprise they were NOT listening to Mr. Widder and NOT fully understanding what he was saying.

The Chamber of Commerce was at the meeting, and Sig Widder read the Chamber's position to develop the area according to the Raymond, Parish and Pine Plan. The plans call for Duffy Ave. to be extended through to Broadway and continue past the Fire House and into Woodbury Road and Heitz Place.

Mr. Widder also read a plan to connect Woodbury Road to West John Street via condemnation of the Elks

Club and residences and businesses in its path. Some members of the audience, especially the Democratic candidates who spoke, did so just for the exposure and tried to make a case for themselves. I avoided making this a campaign platform for them, as they do not live here in Hicksville and couldn't care less about the plan I proposed or the Chamber's proposal.

I could have come out a hero. I could have been the doctor who tells his patient, "You do not have cancer." The truth is, Hicksville has a cancer, and it is getting worse, and we must face up to it before it kills Hicksville. The cancer can be recognized as commuter parking lots. We have several choices. We can do nothing, and let the area continue to rot, or we can try to develop it to our liking, or we can stand outside the operating room with NO say, while an Industrial Development

"I can not see how any of the churches or synagogues

of Hicksville would favor the current emphasis on office buildings and garages for Hicksville. Religious communities serve people, not buildings. Therefore, I would like to see more emphasis on residential development and less on commercial development," commented the Reverend Dr. John H. Krahn, pastor of Trinity Lutheran Church.

Both Mr. Widder and Mr. Clark were given the opportunity to make closing remarks. Mr. Widder yielded his time to participants at the forum who wished to ask additional questions or make comments. One resident urged the town leaders to take a position in opposition to the extension. The meeting was officially closed by Moderator Zakian at 10:15 PM, but many took the opportunity to continue the discussion privately with Councilman Clark and Mr. Widder.

As people made their way out of the steamy gymnasium many expressed their appreciation that Trinity Lutheran Church had sponsored the community forum. Some questioned whether their voice would be heard by those in authority or whether they had wasted their time. Others felt that a large cross section of the community had spoken forcefully and hoped that their elected officials would respond appropriately.

Agency (I.D.A.) takes a knife to us.

I have stated many times, that if Hicksville is to be developed successfully, Duffy Ave. must be extended to Broadway ONLY, and East Barclay St. connected across Broadway to West Barclay St.

The actual possibility of this roadwork connection being accomplished will come out when the County completes its survey.

I support residential input, local control, and development to our liking.

I can accept garden apartments up to three stories in height. I do not support, and I will fight any attempt to construct high rise apartment buildings, because resident surveys clearly show they are not wanted.

I believe we need more public forums at different locations in Hicksville. We have almost 50,000 residents, and if the majority of them do not want the Downtown area developed, so be it.

minority, and these people reside outside the limits of Hicksville.

The extension will only make a bad situation worse. A bank parking lot will be greatly reduced. The newly

paced Town Parking Lot will be eliminated. Several small merchants will be forced to vacate. Access to other merchants will either be non-existent or greatly reduced. The answering of fire calls

will be hampered. The new intersection at Broadway and Marie Street will only cause more confusion. Since Broadway (State Highway 107) is a major highway (Continued on Page 4)

# LEGIONNAIRE'S LOG

By Richard Evers

CHARLES WAGNER POST #421  
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Sorry to hear that long-time writer of the "Legionnaire's Log", Past Commander Artie Rutz, is laid up in Central General

Hospital, recovering in the intensive care unit from major surgery. "He's improving," wife Trudy tells us. Artie would enjoy cards

from post buddies, I'm sure.

This year's Fourth of July downpour created extra labors of love for the Charles Wagner Post volunteers placing Old Glory along Broadway. The national colors look great on a holiday, unfurled proudly in the breeze and reflecting credit on Hicksville. Rain-soaked flags present another image, and each community organization "putting out" the colors has to decide whether to risk rain or not. Rain-soaked flags are usually draped on chairs in the main meeting hall of the Hicksville Fire Dept. 4 so as to dry and avoid mildew resulting from being furled wet and stored in the department's flag locker.

This year, the flags went up under cloudy skies, courtesy of Commander Lou Braun, Past-Commanders Lou Cesta, Frank Molinari, Ray Gamble, Jack Reichlin, Tom Nikitas and John Sheppard in company with Bob Boerckel, Al Cinotti and John Kerran. At eventide, between showers, Dick Evers and a fast working

crew of young people attending son, Kevin's Fourth of July house party, got the soaked flags down and over the Fire House for drying. Glad to help were: Kevin, Janice Keighron, Ben Di Bianco, John Cornwall, Jim Gribbin, Pete Cacioppo and Pete Caruolo. When dry, on Monday, the flags were stored until Labor Day by Past Commander Tom Nikitas; Americanism Chairman, Dick Evers, and two Youth Group workers from the Hicksville Gregory Museum, Joe Panariello and Patricia Bilello. Community spirit overcomes difficulties.

Important announcement: On Sat., July 11, at 12:30 p.m., members of the Post will make our trip to the Suffolk State Developmental Center. Saturday, instead of Thursday night, was decided upon for the visit, in order to enable more Legionnaires to make our monthly visit to cheer the youngsters, someone has called God's "Special Children." The next Past Executive Meeting will take place on July 16, at 8:30 p.m. The issue involving

On Friday, July 17, at 7 p.m., the Legion Color Guard will take part in ceremonies at Pineslawn National Cemetery in observance of the MIA/POW National Recognition Day declared by the U.S. Congress. A hearty welcome to the Post's newest member, Jack Frankel from Syosset. Jack served two stints in the U.S. Army, the second during the Korean War.

Independence Day, Hicksville, 1981, could never be called a "wash out," not with words by one of the village's most articulate writers, Father Fred Harter, Pastor of St. Ignatius Loyola Church, to call to mind America's distinctive quality. Writing this past week in his Church's parish weekly bulletin, Rev. Harter said, in part: "The U.S.A. is unique in so far as we are bound together by the acceptance of abstract ideas. We are not attached to a familiar scene; we are at home in sea coasts, plains and mountains that stretch vast distances from Maine to Hawaii and from Florida to Alaska. It is not blood that unites us, for most of us are

more closely related to people in the old country than we are to one another. Neither is it length of presence here: the Vietnamese who became a citizen yesterday is as much an American as the person whose ancestors came over on the Mayflower. Our principals make us loyal to one another. We do not pick and choose those who are our fellow citizens. It must never by a question of supporting another because he is white or black, rich or poor, northerner or southerner, religious or not, older or young, men or women. American is sufficient claim upon us. As Americans we have a lot to teach the rest of the world, but we will only do that if we practice what we preach: that all men are created equal; that life, liberty, and the pursuit of happiness are inalienable rights; that governments derive their just powers from the consent of the governed; whenever any form of government becomes destructive of its ends it is the right of the people to alter or to abolish it and to institute new government. These ideas were revolutionary two hundred years ago. They still are today.

## Major Step Toward Control of Federal Spending

By Cong. Norman Lent

The June 25th vote in the U.S. House of Representatives approving the Omnibus Budget Reconciliation Act for Fiscal Year 1982 was historic. For the first time in history, both the House and the Senate have agreed on a firm overall limit for federal spending. By a margin of 232-193, a bi-partisan group of Republican and Democratic congressmen endorsed President Reagan's FY 1982 spending limit of \$695 billion. Although minor differences in the Senate and House versions must be worked out, it appears the overall spending limit is now unchallengeable.

Those of us who supported this Budget Reconciliation Act strongly believe such a firm control on federal spending is absolutely essential to reduce the tremendous inflationary pressures which have devastated our economy, and our own family budgets.

We voted for the spending limitation even though we may not have agreed with every single reduction in the huge 320-page volume of spending controls.

I, for instance, felt it was

wrong to limit federal and military retirees to one cost-of-living adjustment per year in their retirement benefits as the Reagan budget does. I have always opposed any reduction in retirement benefits for those already receiving them, and I will continue to do so. It just isn't fair to renege on commitments already made to retirees by the federal government.

I also believed it a mistake to reduce eligibility requirements for the Guaranteed Student Loan program (GSL). This penalizes, unfairly, middle-income families who have been hardest hit by inflation and by the steep increases in income taxes.

There were other areas -- aid for state and local programs assisting the elderly, the handicapped, or those with health problems -- where I felt reductions were too severe.

Furthermore, there were other areas of the President's budget where much deeper reductions in federal spending could be accomplished. I see no need, for example, for such farm subsidies as those going to tobacco farmers. I would

like to eliminate such wasteful public work projects as the multi-billion dollar Tennessee-Tombigbee Canal -- as big a federal boondoggle as has ever been foisted upon the taxpayer.

Money saved from such reductions could permit the twice-a-year COLA adjustment, the full Guaranteed Student Loan program, and provide more funding for programs which really deserve it.

As the Congress continues to work on the specifics of individual programs, I will do everything in my power to achieve the budget revisions outlined above, within the limits of the June 25th vote.

The most important fact remains, however, that both the House and the Senate have approved the overall limitation on federal spending needed to begin restoring our economic well-being.

## Islanders Vs. Jericho Fire Dept.

The Stanley Cup Champion N.Y. Islanders will play the Jericho Fire Department in a benefit Softball game on July 24th at 8:00PM.

Tickets are \$5.00 each, and all proceeds go to the Nassau County Burn Center.

On Sunday, July 12, at 8:00 pm the Manhasset Bay Opera Company will perform "La Traviata" by Giuseppe Verdi, fully staged, in costume, with scenery. (Rain Date: Wednesday, July 22, Eisenhower Park). ## OILFLATION. YOU KNOW WHAT IT IS. HERE'S WHAT IT'S DOING TO YOUR ELECTRIC BILLS.

It's pretty obvious what oilflation is. It's the high cost of oil plus the inflationary pressure it has put on a wide range of other products.

For instance, you not only pay more for the gas you use in your car. You pay more for the car itself.

At Long Island Lighting Company, oilflation has the same kind of double-barreled result.

All our power plants are powered by oil at this time. The price of oil has gone up nearly 1,000% since the beginning of the OPEC oil embargo in 1973, and the price has doubled in the last year alone.

So even though at their most recent meeting the OPEC countries decided to hold the price of oil until the end of this year, we're still paying the present inflated prices. And the outlook is further increases in the not-too-distant future.

The escalating price of oil since 1973 has also had an impact on almost everything else we have to buy to deliver service to you. For example, the utility truck that cost us \$24,000 in 1973 costs us \$53,000 today.

But we're trying every way we can to contain costs.

We buy oil at the lowest possible price. And we also buy low cost nuclear, coal and hydroelectric power from neighboring utilities when we can. This policy, plus using natural gas as a generating fuel when we have a surplus, saved our customers \$70 million last year.

We'll keep the same tight rein on personnel that has enabled us to deliver five times as much electricity to nearly twice as many customers—with about the same number of employees we had 25 years ago.

Above all, we'll work hard to have our Shoreham nuclear plant in operation as soon as possible which will cut our dependence on OPEC oil 30%.

Oilflation may still be with us. But we'll keep on fighting it every way we know how.

Long Island Lighting Company.

## Dear Friends...

We also attended the Community Forum held on Thursday, July 2, in the gymnasium of Trinity Lutheran Church and School. See lead story in this newspaper and "Letter" from Councilman Clark on page one.

We do not recall Mr. Widder, who read his remarks, saying anything about the Chamber of Commerce recommending condemning the Elks Club or any other buildings, as Mr. Clark seems to have heard. Also, as a Board member of the Chamber, I know that such suggestions were never even considered. However, it was a very crowded meeting, we are happy to report, perhaps I just didn't hear this particular statement... we'll let Mr. Widder and the Chamber answer Mr. Clark, if they so desire. We must say that not only at this crowded Forum but also many local groups and "Letters To The Editor," have expressed their opposition to having Duffy Ave. extended to Broadway. We believe Mr. Clark is sincere in his belief that it is a good proposal but we have not been able to find out exactly why he believes this? Whereas, those opposed offer many logical reasons for their opposition to this strange proposal.

We must wait now for the County planners to say either "Yes, we think it is a good plan" and set a public hearing on the subject, or "No, it is not advisable to extend Duffy Ave. to Broadway only, as conditions exist at present", and if this is the case, we will of course advise you of the County's decision as soon as it is made public.

THEN...as we all agree, Hicksville's problems must receive immediate attention and overall planning for east-west traffic flow and the development of the G-1 Downtown Hicksville area must be continued without delay, as Supervisor Colby has promised and we told you in this column several weeks ago.

SHEILA NOETH

## Letters To The Editor

(Continued from Hicksville Page 1)

running north and south, carrying many large heavily loaded trailer trucks, the merging with Duffy Avenue will only tend to complicate, rather than clear up the congestion.

Why spend thousands of dollars to build this road mainly for the convenience of out-of-hamlet commuting persons, and this only occurs at morning and evening rush hours. I doubt if this road would be heavily used the rest of the day. Spend this money to rehabilitate Broadway, bring in new merchants, tax money, pride and beauty to an old hamlet.

Thank you,  
Walter G. Rehauser

Dear Mr. Rehauser:

I have received your recent letter concerning the Duffy Avenue extension concept, and hope you will retain your interest and make your views known when you have the opportunity to review the preliminary engineering work currently being developed by the Nassau County Department of Public Works.

Recognizing public interest in the extension concept, I contacted County Ex-

ecutive Purcell's office some time ago to insure that ample opportunity will be afforded for citizen review when a preliminary plan is available. He and I have agreed that the entire extension concept will be held in abeyance after the preliminary engineering work is done, and that examination and comments by all interested citizens and organizations will be sought.

More than a month ago I indicated in a letter to the Hicksville Chamber of Commerce that if the view of the people regarding the county's preliminary plan is the same as has been expressed to date about the extension concept, the matter will require further examination so that a more acceptable plan solving the problems the extension concept is meant to address can be developed. I continue to hold the view that public opinion, based on an actual plan, will be most significant in determining the future of Duffy Avenue.

With appreciation for the fact that you took the time to write, and with the hope that the above helps reflect the status of this matter, I am,

Cordially,  
JOSEPH COLBY

## P.O. Employees Form Blood Bank

Employees at the Hicksville Sectional Center Post Office have formed a Blood Bank. Postmaster Anthony M. Murello is proud to announce. The blood drive was underway on three separate days when over 300 employees of the 1700 in Hicksville donated blood. The program is being conducted by the Greater New York Blood Program, Long Island Blood Service Division.

Postmaster Murello was very impressed by the positive response and the results of the initial drive, especially now during the summer months when blood is in the greatest demand.

There is a serious shortage of blood today because plasma can only be effectively stored for 72 hours, as it must be broken down for different uses, such as leukemia, kidney disease, cancer and other blood related diseases.

Postmaster Murello attributed the success of the blood drive to the fine job done by Co-Chairman Joseph Caputo, Manager of Mail Processing, and Michael Lattanzio, Vice-President of the Hicksville Branch of the American Postal Workers Union, but most of all to the cooperation of our postal workers.

Postmaster Murello, First Donor, and Nurse from Greater New York Blood Program.

## A Message From Supervisor Colby

Syosset-Woodbury Community Park and Thursdays at Bethpage Community Park, right through the end of July. All programs begin at 8:15 PM. Don't let the threat of bad weather keep you from attending! Rain facilities have been arranged for each performance. You can call CAPA at 922-5800, ext. 281 for any information you may require.

This summer's performance schedule includes such notables as Buddy Rich and his orchestra, The Gilbert and Sullivan Players who will present The Pirates of Penzance, A Night of Jazz with the Jimmy McPartland Quartet, a summer "pops" concert by the Atlantic Wind Symphony and a Musical Travelogue with the American Concert Band.

New this year are four special performances on Friday evenings slated to begin at 8:15 PM. On Friday, July 10, the Hal Hoffman Orchestra will perform at the Plainview-Old Bethpage Park. Friday, July 17, the Spectacular Long Island Mummies will appear at Tappan Beach in Sea Cliff. July 24 will find Paul Baron's Harmonica Rascals appearing at the Hicksville High School ballfield and, on July 31, Bill Buzzeo and the All Americans will entertain residents at Theodore Roosevelt Beach in Oyster Bay.

Bring your own chairs and blankets so that you can enjoy these evenings of entertainment in the parks, which are made possible by contributions and financial

support from many of the Town's business organizations, grants from the New York State Council on the Arts and through grants from the Music Performance Trust Funds.

Even if you have missed the first week of programs, you still have the opportunity to listen and enjoy four more weeks of music in the parks. Pick up a program listing all of the scheduled performances (available in all of the Town's parks) so that you won't miss a minute more of these outstanding performances.

Close to home... at no cost... in a beautiful park... music under the stars... it certainly beats summer reruns on TV!

## School Board Reorganizes

By Meryl Greenblatt

The offices of President and Vice President of the Hicksville Board of Education were voted on Tuesday night at the annual reorganization meeting, held in the Administration Building. The meeting, lasting approximately 45 minutes, included Board and District Officer elections, and general organization business.

Taking Mr. Tom Nagle's place as President of the School Board is Mr. John Ayres. Mrs. Virginia Germer will be replacing Mr. William Bennett as Vice President. Elected as Secretary was Mrs.

Charlene Anci, who was unable to attend the meeting. Election of District Officers was discussed during executive session, and the elections were resumed when the regular meeting resumed. Janet Ullrich remains District Clerk. William Wilner retained the title of Treasurer. The positions of Assistant Treasurer, Auditor, and Attorney will be filled at the next meeting. A nomination was made for Mr. Arena to assume the title of Assistant Treasurer, but the nomination was respectfully declined. A nomination followed for President Ayres to fill the position, but no

vote has been taken yet.

Included among organizational business was the formation of 6 committees, and the announcement of chairmen for 4 of these committees. The Budget Committee will be led by Mr. Lawrence Wilson; the Goals and Objectives Committee by Mrs. Anci. The Public Relations Committee, and the Policy Committee, will be chaired by Mrs. Germer and Mr. Schwartz, respectively. Chairmen have not yet been chosen for the Adult Education, and the Building and Grounds Committees. The latter is to include Long-Range

Planning.

The calendar for the 1981-82 school year was also approved. Board meetings will generally be held on the 1st and 3rd Wednesdays of every month; some meetings have been scheduled on Tuesday nights to avoid conflict with religious holidays.

Three meetings are scheduled for the remainder of the summer. The next regular Board meeting will be held Wednesday night, July 15th; the two meetings scheduled for August will be held on August 5th and 26th. Meetings take place in the Administration Building at 8:15 p.m.

## Hicksville Republican Club News

By Harriet Maher

Please take note that there will be NO JULY MEETING. However, we have great plans for the month of August. Read the following message from our club president, Fred Vevante, for further information:

"Our June meeting was very active with our guest speakers, T.O.B. Councilman Ken Diamond; Nassau County Young Republicans organization; and Johnathan Spadaro from the Taylor Wines Company who sponsored a wine tasting event. It was a great night. I want to thank Ken, Dean, and John for making our meeting such a success.

"A reminder that there will not be any meeting for July and August, but we are

having a square dance at the Galileo Lodge (Sons of Italy) on August 14 from 9 p.m. to 12 a.m. The cost will be \$3 per person and beer and soda are included. A cash bar will be open for anyone wanting to purchase liquor. The square dance committee will be meeting soon. Anyone wanting to join the committee, please call Fred Vevante at 931-4287.

"Young Republicans! If you are interested in joining the Young Republicans organization, call Fred Vevante at the above number. We would like to build a large young Republican organization in Hicksville.

"Sorry to hear that Ruth Farrell is back in Central General Hospital in Plain-

view. Get well soon, Ruth. "Our condolences to Alex Pankoff and his family on the loss of his mother. "Have fun this month and see you in August. Incidentally, a raffle will be held for a very expensive video tape recorder at the square dance. The winner will be picked that evening. The chances are twelve for \$10 or \$1 each.

"The September club meeting will be the start of our fall activities. It will be a busy season with the upcoming election of our local officials."

As we move along into the campaign season, we will bring you messages and information about our Repub-

lican candidates. Although it seems like a long time away what with the fun and activities of summer, before you know it election will be upon us. We will keep you abreast of current news concerning our candidates.

### Can Do

The big band sound of the Can Do Orchestra will highlight the second week of special programs in the park for Bethpage Community Park district residents. It was announced this week by Town Councilman John Vevante.

The Can Do will do their big band sounds at the community park on Thursday, July 16, beginning at 8:15

## PRESS PHOTOGRAPHERS' ASSOCIATION of LONG ISLAND

News photography is a fleeting art with a daily life span. Each photo must capture the emotion of the moment and convey the message to a critical audience day after day ... like the elation of a game-breaking home run ... the grueling pace of an extended trial ... the soaring victory of the space shuttle ... the exuberance of a child playing soccer.

Long Island Trust proudly presents an exhibit of the finest news photographs of 1980 taken by Long Island's finest photojournalists. Judged meritorious by the photographers' own peers, the 1981 Exhibit contains the finest work of nearly 50 photographers representing the staffs of Newsday, the Daily News, the New York Times, the New York Post and United Press International. Over at the Clark household things are perking along nicely. Mom, Corinne, is in her element; she enjoys having all the kids home from school. The kids, in turn, are thoroughly enjoying their summer vacation. Aid dad, Tom (T.O.B. Councilman), is busy looking out for our community's interests at the Town Hall.

Congratulations to Mary and Vincent Calvanese - residents of HICKSVILLE. The Calvaneses were married 31 years on June 17. Best wishes from your family, friends and neighbors.

We're about a month late with our good wishes to Jean and Pat Cunningham who celebrated their 30th wedding anniversary on May 26. Next anniversary we'll try to

make our congratulations a little more timely.

And on June 7, HICKSVILLITE Lena Pietruszewicz celebrated her birthday. Hope you had an especially nice "special" day, Lena.

Parties, parties and more parties during July at the Woodchuck residence. July 11 Christopher celebrates his birthday, July 16 Peter celebrates his birthday, and on July 27 Michael celebrates his birthday. And on June 1, Matthew James celebrated his second birthday. Matthew resides with his parents, Denise and Michael, on Tenth Street, Hicksville. Congratulations and best wishes, Chris, Pete, Mike and Matthew.

Another HICKSVILLITE

who has a July birthday is Loretta McNierney. Loretta's birthday was July 10. Love, Loretta, from your husband, John, and your children.

I just can't believe it! Here's another July birthday celebrant! This time it's Lisa Franzese who will be 15 years old on July 15. Lisa's parents are Anita and Tony Franzese - long time residents of Hicksville.

Way down South ... in fact, in Florida, Robert Scott O'Neil became one year old on June 22. Robert is the son of Carol (nee Jablonsky) and Bob O'Neil. Carol grew up in Hicksville. Her parents, Ann and Joe Jablonsky, are the proud grandparents of baby Robert. They're back home in Hicksville from a recent vacation spent with the O'Neills at their Florida home.

should be elected by popular vote. Third, for the same reason, provision should be made for the election of non lawyers to the Court. Lastly, Congress should withdraw jurisdiction from the courts in areas where the judiciary is legislating, rather than simply interpreting the law. The first three suggestions would require amendment of the constitution, but the last would not.

While it is unlikely that these possible reforms would be acted upon at this time,

## Brown-Lehmann

Nancy Ruth Lehmann, daughter of Mr. and Mrs. George Lehmann, formerly of Hicksville, now residents of Largo, Fla., became the bride of Mark Carlyle Brown on Sat., June 20 at the Fifth Avenue Baptist Church, St. Petersburg, Fla.

The bride is a graduate of Largo High School and earned an associate of science degree in executive secretarial science from St. Petersburg Junior College.

The bridegroom, the son of Mr. and Mrs. Carlyle U. Brown of St. Petersburg, is a graduate of Northeast High School and earned a bachelor of science degree in sociology from the University of South Florida. He is employed with Dr. J. W. Smith.

The couple will make their home in Openika, Ala.

CJR argues that it is essential to appreciate the reasons for the suggestions - the abuse of judicial power, and to evaluate all the candidates on the basis of their probable reactions to the hidden agenda of making value judgments which will be the key factor in many important decisions. In this respect, a tolerance for abortion is a decisive disqualification.

Families for Life is a local pro-life group. Its next meeting will be held on Wednesday, July 22 at Levittown Hall, Hicksville at 8 PM. Election of new officers will be held at that time. Birthright phones are 785-4070 and 293-5999.

## Asaph-Liddle

Raymond T. Asaph, son of Mr. and Mrs. Raymond E. Asaph, of Jonathan Ave., Hicksville, was married on June 19 in Belfast, Ireland, to Janine Liddle, daughter of Mr. and Mrs. Joseph Davidson Liddle.

Family and friends from

the U.S. attended the wedding, given by the bride's parents and then toured the Emerald Isle.

The couple will be living in Chicago, where Mr. Asaph has been appointed manager of Chubb and Son, International Division.

# Hicksville American Soccer Club Goes To Canada

By Diane Fujimoto

The Hicksville Cannonballs, coached by Alex Shevchenko, 1973 A Division, traveled to Toronto, Canada June 26-June 29, to participate in the International Robbie Tournament. Two hundred and twenty three teams came from all over the world to play soccer. Profits from certain parts of this Tournament goes to charity (Cystic Fibrosis and Muscular Dystrophy).

In the first game against the Canadian Dixie team, the Cannonballs played tough, and the first goal came early; an excellent long shot by Dan McGoe. Hicksville scored again, but it didn't count because of an offside. Although the Cannonballs dominated most of the play, Dixie scored in the last two minutes, resulting in a 1 to 1 tie.

Game 2 went against an undefeated in Spring Season Toronto team, the Wexford Soccer Club. This team housed our boys during our stay in Toronto. Wexford's team record was impressive — not one goal scored against them

in their past season. The Cannonballs took the field with vigor and kept up the pressure. Alexander Shevchenko scored first with a high shot, Eddie Assad scored the second goal from a crowd near the net, and Dan McGoe scored the third goal. Larry Bag, Brian Sierra, Gino Ianucci and David Knuth played excellent soccer. The Cannonballs had an impressive win.

Game 3 was against the Canadian Armourdale Soccer Club. Our boys had a tough fight. Dan McGoe scored our first and second goals. With an assist by Tommy Baron, Dan Fujimoto made the third goal for the Cannonballs. Jason Pinsky and Thomas Nieman played great in this game. Alexander Shevchenko scored the fourth goal, and the final score of 4 to 1 put Hicksville into the quarter finals.

Game 4 was the quarter finals against the Instituto de Mexico. Tension filled the air, but the Cannonballs played one of their best

games. Les Spence's enthusiasm was a driving force during the entire play. It was strictly a defensive game and after a 0 to 0 tie, we went into overtime. Still scoreless, we entered a second overtime period. Mexico came on strong at the finish, and even though our new-comer goalie, Dan Fujimoto, tried his best, Mexico won the game. It was a hard game, and all the Cannonballs played great soccer.

The Mexico team then had a defeat against a Canadian team in the semi-finals. Due to a Canadian postal strike, we do not, as of this date, know the winner of the Robbie Tournament for the 1973 Division. But, as the coach, Alex Shevchenko has said before, "All the boys are winners." It was a wonderful trip and experience. Many thanks to our coach and our sponsor and to all the parents. The Cannonballs will always remember the 1981 Robbie.

Statistics provided by V. Nieman.

**TOURNAMENT KICK OFF:** Oyster Bay Town Councilman Thomas L. Clark gets the 6th Annual International Soccer Tournament off to a good start with a special sign for the playing field and a proclamation declaring July

12-19 "International Soccer Week" in Hicksville. Clark presented the proclamation to tournament director Ray Hpesten as (left to right) Pepsi Cola Area Manager Charles Muller, Hicksville American Soccer Club president Tony Camara and vice

president Charles Frattini look on. The Hicksville Americans are sponsoring the three-day tournament, which will feature teams from the U.S. and Europe, on Friday, Saturday and Sunday, July 17, 18 and 19. Pepsi Cola is a co-sponsor.

## Plainview Lions To Sponsor GAP Softball Game July 16

The Plainview All Stars will take on Jim Jensen's Channel 2 All Stars in the 2nd Annual Benefit Softball Game for the Town of Oyster Bay Department of Community Services Group Activities Program (GAP) for the Handicapped, on Thursday, July 16.

Town Clerk Ann R. Ocker announced that the game,

which is being sponsored by the Plainview-Old Bethpage Lions Club, will be played at Plainview-Old Bethpage Community Park, Washington Avenue, beginning at 8 P.M. All Town residents are invited.

"Following last summer's success, the Lions decided to make the GAP benefit game an annual event," Ocker

commented. "I hope residents will again show their support for the GAP program by coming out to cheer their favorite team on to victory. The Plainview All Stars will be looking for a win against Jensen's team, which scored a narrow victory over the Plainview Softball League's finest last year."

## HIX BASEBALL (Continued from Page 8)

Allan Sheffield Unassisted DP & Bill Stanley threw runner out at 3rd.

In the 12-8 final, (Zagajski): Thomas Zagajski went 4 for 5 with 2 HR's (1 a Grand Slam) & 7 RBI's with game tying D. Bob McCraw hit a HR, Willie Dwork S. scored winning run & Ed Greaney pitched super

relief. Team 4 (Bergamini): Bergamini, Senise & DeStefano and homered, Zoino S. D. Justin S. Senise 2 S's, Sheffield S. Stanley D. & Mullen S & D... Good catches from Bergamini at SS, Polimemo in RF & Stanley at 1st; DeStefano caught a good game.

In the other PLAYOFF

games, Team 5 WALTER DONALDSON VWPA beat team 3 OLD COUNTRY DELI. With team 3 out of the way, team 1 HICKSVILLE BIKE beat team 2 WICKERS and then went on to beat team 5 WALTER DONALDSON and then take the next game.

# Big Day For POB Runners!

June 20 was a big day for the Plainview-Old Bethpage Road Runners Club, as Club members took six trophies in the 4th Annual Syosset Community Run, and one more trophy each in the Greenlawn Strawberry Classic 10,000 Meter Run and the Patchogue Natural Light Half Marathon.

Syosset was the big one - a rain swept 4,814 mile course that was something of a surprise to local runners who had geared themselves for an even 4 mile run. Lewis Kaufman (34:25) took first place in the Boys 10 and under age category, Bert Jablon (30:28) took first place in the Men's 50-54 category, Norman Ross (37:17) and George Dennis (42:17) were first and third respectively in the Men's 55-59 age group. Gisela Nekwapil (45:12) was third in the Women's 40-44 category, and Dagmar Balenberger (46:36) took first place in the Women's 50-54 age group. In addition to the trophy winners, Howie Greenberg (27:25) was fourth in the tough Men's 30-34 category, only a stride out of third place.

Other POBRRRC finishers in the Syosset Run were Larry Davidson, Al End, Charles Kaufman, Pauline McLondon, Steve Miller, Adam Miller, Karen and Howard Marwin, Howard Marlin, Steve Marlin, Bryan Mutnick, Eileen Paris, Mike Polansky, Alan and Helene Stopek, Stu Subotnick, Paul Twist, Jeff Trugman and Mark Weingart.

In the Greenlawn Strawberry Classic, George Ofenloch showed the way to runners in the Men's 50-54 age group, completing the 10,000 Meter Run in a fine 4:40.

Completing the trio of big races on the 20th, Club speedster Kim Falkowski took the Women's 14 and under first place trophy in the Patchogue Natural Light Half Marathon. Kim completed the tough 13.1 mile course in 1:36:35.

In other recent racing news, Bert Jablon, Helene Stopek and Karen Mankin competed in the June 13 Third Annual "Run for Scouting," a 5 mile held at Adelphi University. Bert's 31:04 was good for 3rd place in the Men's 50-59 category.

There's lots more local racing ahead in July - with many POBRRRC runners keying in on the July 5 Massapequa Road Runners 5 Kilometer "Firecracker Run" and the July 19 Olympic Village 5 Mile in Huntington.

Looking ahead a little further, the Club will be holding its 3rd Annual Summer Family Picnic at Syosset-Woodbury Community Park on Sunday August 16. Call Club President Mike Polansky at 433-0919 for information about this and other forthcoming POBRRRC activities.

## Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: 'A wise man sees as much as he ought, not so much as he can.' - Montaigne

You don't need pyrotechnics (fireworks) to enjoy the spirit and mood of Independence Day, all you have to do is to come down to the Galileo Lodge on Saturday, the 18th of July and become a part of its Americana Day Dance. Tickets will sell at \$9.00 per person, and to be featured on the bill of fare will be a delicious American-style dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music. But please note that a bring-your-own-liquor policy will be in effect that night. Joe Giordano (333-4556) and Pete Massiello (935-4335) will 'chair' this activity, not Jim Pino, as we had mentioned last week. They will handle ticket sales and seating arrangements. So, for a little bit of Americana, why not partake of this activity at the Galileo Lodge, eating, laughing and dancing away to

your heart's content on that night.

As I have stated, slightly premature but eagerly awaited is the Galileo Lodge's excursion into the world of show business. There's no business like show business and there's no Lodge like the Galileo Lodge. These two apt phrases, in juxtaposition, mean that on Saturday, the 17th of October, at 8:00 p.m., the Galileo Lodge, under the supervision of the Ladies Auxiliary, will presents its 'Follies Follies of 1981.' The 'Follies Follies,' rather uniquely named, will consist of a series of hilarious and zany comedy routines, sketches, acts and dances presented in a non-risque, wholesome but true burlesque-like atmosphere engendered to split your sides in laughter. Sue Laurenti (WE 1-0036) is the 'chairlady,' so anyone associated with the Galileo Lodge who is comedy-oriented or just plain interested in this activity, call Sue and start rehearsals, which take place Tuesday,

the 7th of July, and then every Monday, from 8 to 10 p.m. Remember, if you feel like an amateur now, by the time the show unfolds, you will feel very professional. Sue Laurenti assures you. Tickets sell at \$9 per person, and in the offering will be a delicious family-style dinner with all the trimmings, beer, soda, coffee and cake and taped music. A 'bring-your-own-liquor' policy will also be in effect that night. How can you miss, all this frivolity and pleasant dining for such a modest sum, so why not list this activity as part of your recreational scene.

A coming event of considerable interest is the rapidly approaching August Dance which will use as its theme the customs and traditions of the old-fashioned football weddings. As I have stated, this dance will be unusual and unique in its presentation, and that it will provide extra-added enjoyment and pleasure is a foregone conclusion. For more information and details concerning this late-summer ac-

tivity, call its Chairman, Carl Melluso, at 822-1872. Jeff Wallick announces that the golf outing will be held on the 16th of August at Swan Lake Golf Course, and the green fees will be \$9. More information on this activity in later columns. And please check this column for more news concerning the Galileo Lodge's fishing trip which, I am sure, will be as enjoyable as the last one. Contact Jules Mezaros, Jeff Wallick and John Keiper at 931-9351 for more details.

Night At The Races is rapidly coming into view, so why not contact Tony Balenrino (785-1462) of the Galileo Lodge for seating arrangements and tickets which sell at \$17 per person. This modest fee entitles you to an appetizing dinner at the Cloud Casino and admittance to the Clubhouse of Roosevelt Raceway. How can you go wrong - good food, good atmosphere of Trotting races and the good fellowship afforded by the personnel of the Galileo Lodge and their friends.

## Big Brothers And Sisters Of Nassau County Honored By North Shore University Hospital

Thomas Murphy of Hicksville, a member of the Board of Directors of Big Brothers and Big Sisters of Nassau County, accepted one of North Shore University Hospital's Community Service Awards on behalf of the organization at the ninth annual awards presentation held recently at the hospital.

Big Brothers and Big Sisters of Nassau County was one of three community agencies honored by North Shore for outstanding volunteer service in the health care field. The awards program is sponsored by the hospital's Board of Trustees.

Big Brothers and Big Sisters are a group of volunteers who work with children, on a one-to-one

basis, ranging in age from 7 to 16 years old from single parent families. These volunteers offer recreation, cultural opportunity, guidance and friendship to these children. All monies are provided by the Big Brother or Big Sister.

The organization is a part of a national affiliated agency that has been in existence for 78 years. The program began in Nassau County six years ago.

Community Service Awards Committee members from the hospital are Trustee Benjamin Jenkins, Great Neck, Chairman, and Mrs. Catharine Cobleigh, Plandome, Coordinator of North Shore's Social Work Education Center.

Three Long Island agencies received Community Service Awards at North Shore University Hospital in recognition of their volunteer service in the health care field at ninth annual presentation ceremony held at the hospital. North Shore Trustee Benjamin Jenkins presented awards to agency representatives [left to

right] Mrs. Freda Stimell, Bellmore, Executive Director, Association for Children with Downs Syndrome; Ms. Rosemary Allwood, Project Director of Family Abuse Center, East Meadow; and Thomas Murphy, Hicksville, member of Board of Directors of Big Brothers and Big Sisters of Nassau County.

## Manufacturers Hanover Constructs New Office Facility

Manufacturers Hanover Trust Company has officially launched the construction in Hicksville of a major new office facility which will mean as many as 2,000 new jobs over the next four years.

An office building of approximately 240,000 square feet of occupancy space will be added to MHT's existing 155,000 square-foot building, allowing expansion of the Bank's credit card and consumer credit operations center on Long Island. The complex, on Duffy Avenue near the rail and bus transportation hub of Hicksville, will be the largest single-user office building on Long Island upon completion in late 1982.

John R. Torelli III, vice chairman, MHT, told guests at a groundbreaking

luncheon at the Glen Oaks Country Club in Old Westbury that the decision to expand the Bank's facilities in Hicksville stemmed from the State Legislature's show of "good faith in the banking industry" with the passage of the New York State Omnibus Banking Bill last November which eliminated usury ceilings on most forms of consumer credit in the state.

"The revised consumer usury laws provided Manufacturers Hanover with the opportunity to remain in New York and we are confident that the Legislature and Governor Carey's administration will continue to provide an environment in which we can remain competitive," Mr. Torelli said.

Among the guests were

U.S. Senator Alfonse D'Amato, Congressman Gregory Carman, Nassau County Executive Francis Purcell and leaders of the area's business, planning and civic organizations.

The existing building at 100 Duffy Avenue currently houses approximately 1,000 employees of MHT's Retail Card Services and Personal Loan Departments. This building will be linked to the new five-story building which is being constructed and leased from The Tilles Investment Company, Woodbury. Gilbert Tilles, president of Tilles Investment, was the host for the luncheon.

Manufacturers Hanover Trust, the nation's fourth largest bank and flagship subsidiary of the \$55 billion asset Manufacturers

Hanover Corporation, has 26 branches in Nassau and Suffolk Counties as well as a Corporate Banking Center on Long Island. The parent company provides a full line of financial services through more than 700 domestic offices and some 100 facilities abroad. Subsidiaries are active worldwide in commercial banking, leasing, factoring, commercial and consumer finance, mortgage servicing, export finance, merchant banking and investment management.

## Selling Your House?????

- DO — See a lawyer before speaking to any real estate broker.
- DO — Select a lawyer whose primary interest is your protection.
- DO — Inquire into the lawyer's competence and experience.
- DON'T — Sign anything without your lawyer's advice.
- DON'T — List your house with any broker without first obtaining your lawyer's advice.
- DON'T — Believe that all there is to selling the house is the mere signing of papers and payment of the price.

Observing the DO'S and DON'T'S may save you several times the fee of a competent attorney. A broker's fee may be 7% or 8%. If your house is \$80,000.00, a broker's fee is \$4,200.00 to \$4,800.00. Competent attorneys are available for a fraction of that amount.

Failure to observe DO'S and DON'T'S may result in your paying a commission on a sale that does not take place; being sued by a broker or buyer; paying thousands of dollars to lenders for buyer's financing; delay in accomplishing the sale; or loss of thousands of dollars paid to a broker which should be retained by you when a buyer breaches the sale contract.

## St. Ignatius Girls Start Off With A Win At Hawthorne

By Corps PR Staff

On June 27, St. Ignatius Girls unveiled their bid for the 1981 season to a small, but very enthusiastic audience at Hawthorne High School field. The show, hosted by Fantasia III, marked the one year anniversary of the girls' first contest of their "comeback" 1980 season, and they continued the tradition by winning this show; just as they had won last year's opener in Oradell, N.J. One significant difference is that the girls scored ten-points higher this year with a 63.05 tally on their first try.

At the scene to cheer on the girls was a group of Corps parents, some of whom were to see their recruit daughters in competition for the first time. "They were electrifying! ... I screamed myself hoarse," said one spectator after the contest. "The girls just lit the place up by their presence ... and the show is dynamite," said another.

"We're off to a good start," said Chief Instructor Carman Cluna. "Now we'll dot the 'i's' cross the 't's', & add the finishing touches. The girls will be a real menace out there this year." Also on hand for the

girls' first attempt were instructors Hy Dreitzer, Jim Drost, Gail DeAngelis, Tom Martin, Jeanne Schlosser and Don Quinn. Director Don Graziose and Assistant Director Sue Haverly were also obviously pleased as the scores were announced.

The girls didn't flinch a muscle throughout the entire retreat ceremony. They left the field with pride and dignity; made their way out to their busses and then, after being directed to fall out of formation, exploded into a spontaneous cry of "animals!" a term which has taken on special significance within the corps.

The other competitors were: Black Watch, C.M.C.C. Warriors and Cranford Patriots. Fantasia III was in exhibition.

St. Ignatius Girls Drum & Bugle Corps will host its own "Pageantry in Brass" contest at Hicksville High School on July 18. The line up will include Fantasia III, Warriors Patriots, P.A.L. Cadets, and Commanders. Exhibition will be by the girls ... More info available at 935-9208, or by writing to P.O. Box 421, Hicksville, NY 11802.

By the looks of things, it is apparent that all-girl drum corps is alive and well, and residing at least in part in Hicksville, U.S.A. This will

be most apparent in Montreal's McGill Stadium on August 19 & 21, when nine all girl corps vie for the 1981 DCI Title.

## Families For Life Club News

By Doug Harknett

Now that Justice Stewart has resigned from the Supreme Court and a search is on for a successor, it may be instructive to revive a thought expressed several years ago by Citizens for Judicial Restraint (CJR). They contended that because the Supreme Court was no longer a Court of Law and had become a Court of Value Judgments, provision should be made for the inclusion of non-lawyers in its ranks. At present only lawyers serve because they are experts in the law. But when they write judicial legislation they are making value judgments that are more properly the province of the legislative or the executive branch, or even of the people themselves.

Which brings us to abortion. In January 1973 a majority of the Court discovered a new right to privacy in the "penumbras" of the Ninth or Fourteenth Amendment (they weren't sure which), that had escaped the notice of previous Courts for almost 200 years. Moreover, they found in those same shadows the supremacy of a mother's right to privacy over the right to life of her unborn, but alive, child.

In support of their arguments, CJR quotes Supreme Court Justice Felix Frankfurter: "People have been taught to believe that when the Supreme Court speaks it is not they who speak, but the Constitution; whereas of course, in so many vital cases, it is they who speak and not the Constitution."

The quote reminds one of another by Chief Justice Charles Evans Hughes who told the newly appointed Justice William O. Douglas: "At the constitutional level where we work, 90 per cent of any decision is emotions." The rational part of us

supplies the reason for supporting our predilections. "An example of that type reaction given by CJR is the dissenting opinion of Justice Thurgood Marshall in a 1977 case: "... the opponents of abortion have attempted every imaginable means to circumvent the commands of the Constitution and impose their moral choices upon the rest of society". (Of course, it was the Court that imposed its moral choices in the original abortion decisions).

And more, "... I fear that the Court's decisions will be an invitation to public officials, already under extraordinary pressure from well financed and carefully orchestrated lobbying campaigns, to approve more such restrictions. The effect will be to relegate millions of people to lives of poverty and despair."

This kind of impassioned pleading, according to CJR, is more typical of arguments in a public discussion outside of legal circles. In other words, they reflect the judge's personal feelings which he then attempts to justify by reference to the law.

Originally the Supreme Court acted as a fact finding body, and that was the justification for insulating it from public opinion. As a result, CJR points out, judges may serve for 30 or 40 years, and are more like kings than elected officials. In a situation of this kind the words of Lord Acton come to mind: "If power corrupts, then absolute power corrupts absolutely."

CJR has several suggestions for possible reform. First, limit Supreme Court terms to six to eight years. Second, if the Supreme Court's role is to make value judgments for society, then Supreme Court Justices

## Grumman Band

The Grumman Employees Band will be in the spotlight at Eisenhower Park's Lakeside Theater. Friday, July 10, announced Recreation and Parks Commissioner Abram C. Williams.

Certain time for the free performance is 8 p.m. Williams noted.

The band, which has been in existence since the 1930s includes members who are representative of many sections of the company. It is a volunteer group, comprised of both amateur and professional musicians.

The group performs in communities throughout the county during the summer season, and contains both a concert band and a dance orchestra. Their repertoire, which is designed to appeal to all audiences spans the music spectrum.

Since there are no formal seating arrangements at Lakeside, Commissioner Williams advises theatergoers to bring blankets or folding chairs for their own convenience. The Lakeside Theater is most easily accessible from parking field No. 6.

## Completes Courses

The Board of Commissioners of the Hicksville Water District, is pleased to announce that one of their employees, William E. Schuckmann of Sackett Street, Hicksville, has recently completed two courses of formal instruction in an effort to continually upgrade the efficiency of personnel.

Mr. Schuckmann, in May 1981, completed a course of study at the Polytechnic Institute of New York (Farmingdale Campus) for Water Operator Certification, (Grade-B Water Nonfiltration). During June 1981, Mr. Schuckmann was presented with a certificate of Merit and Achievement by

the Wallace & Tiernan Division of the Pennwalt Corporation for successfully completing a Chlorination Equipment Maintenance at their training center in Belleville, N.J.

The completion of these courses are steps required by the New York State Sanitary Code in order to obtain water operator certification by the State to perform such duties in a public water supply plant. The Commissioners have both encouraged and required its personnel to seek these qualifications as part of a continuing program to keep the Hicksville Water District supplied with capable operating personnel to ensure the public a safe drinking water supply.
