Obituary

John A. McGovern

John A. McGovern, retired Principal, East St. School, Hicksville, died on Sunday, July 19, after a long illness.

Mr. McGovern was a graduate of Georgetown University, where he received his doctor of laws degree and became a member of the New York State Bar Association.

Upon his decision to make a career of education, he took his education and administrative courses at New York University. He was a teacher in the Syosset School District for a short time before coming to Hicksville. In Hicksville, he served as a classroom teacher, a social studies teacher in the pilot program for advanced students and Assistant Principal. He came to East St. School as Principal in 1962.

His dynamic personality and his expertise in educating and guiding children was evident from the beginning. He had a tremendous interest in all sports and community affairs. He enjoyed working with the PTA units and the

Hicksville Council of PTA's. He attended all the sporting events of Hicksville High School, giving the young people his full support. He was truly loved and respected by all the children he touched.

East St. School's Library-Media was named for him and is known as the John McGovern Media Center. In addition, each June at the 6th grade Award Assembly, two athletic trophies are given in his name by the PTA for the outstanding boy and girl athlete.

He retired on Oct. 1, 1977 due to poor health and moved from Levittown to Greenville, S.C., so Mrs. McGovern could be near her family. Although he was quite a distance away, he never stopped caring about Hicksville School District's educational programs and functioning. He was truly a great man and many of us here in Hicksville have lost a friend.

He is survived by his wife, Ada, daughter, Nancy Uyar and granddaughter, Christine Burdick, all of Greenville, S.C. and a sister, Alice Oppenheimer of Levittown.

Strike Heats Up

Lock-out Continues at Hooker Chemical

By Sheila Noeth
 Supported by local residents, union officials, and political candidates, 43 Hooker Chemical Company workers directly involved in the handling of dangerous chemicals at this company's Hicksville plant, continue their strike, since they were locked out 25 days ago for not continuing to work while they changed unions from the Amalgamated Clothing and Textile Workers Union to the Teamsters Union, I.B.T. No. 810, which is now representing these workers.

"It's not primarily a wage dispute," said Jimmy Paola, a reactor operator at the plant. "The conditions inside the plant are not safe...they can be greatly improved. I get nose bleeds after loading my reactor. We need to correct certain conditions and to meet at least monthly with management to see that all safety measures are enforced."

Gary Stevenson, a representative of Local 810 said, "We want parity for the Hicksville plant workers, with other Hooker plants. There is one in Niagara, one in Burlington, New Jersey

and one in Pottstown, Pennsylvania. Hicksville workers receive \$2 to \$3 below what Hooker pays in these plants. Hicksville workers are doing equally dangerous work, handling equally toxic chemicals...they should receive equal pay."

Don Cierzniewski a worker on strike at the Hicksville plant, said, "Safety and health measures need much improvement at the Hicksville plant. We want proper labeling of drums and bags, stating not only the name of the chemical but whether or not it is dangerous to handle."

"We also want adequate instruction for all employees on the proper handling in case of spillage or accidents. And, along with this we want adequate safety equipment. The masks we must use, last only 9 1/2 minutes. We also need proper ventilation where these chemicals must be handled. There are many more safety and health issues that must be solved on a continuing basis...that is why we also want monthly meetings with management. It is our health that we are

concerned with, as well as the health of the residents of the area surrounding our Hicksville plant."

In a show of support for the workers, local residents, along with representatives of the Citizen's Alliance and local candidates for elected office in the Town of Oyster Bay, joined the picket lines on July 23rd and conducted press conferences with representatives of local and daily newspapers as well as radio and TV interviewers.

Regarding the strike itself, Hooker Chemical Company issued the following statement:

"Production and maintenance employees of Hooker Chemical Company, Hicksville, New York plant have been involved in a labor dispute since June 28, when the previous contract with the Amalgamated Service and Allied Industries Joint Board, Amalgamated Clothing and Textile Workers Union expired. Since June 28, operations have been maintained by salaried personnel."

"On July 15, Hooker

Chemical management was informed by the Amalgamated Union that it no longer represented Hicksville employees. Accordingly all production and maintenance employees were contacted by Hooker and were scheduled to report for work for their next shift. None of the employees returned and they have initiated strike actions. This strike is now directed by Teamsters Union, Local 810 which has filed a petition for a representation election with the National Labor Relations Board."

"Hooker intends to continue normal operations at the Hicksville plant with salaried employees. Since the representation status of our employees will be determined by a National Labor Relations Board secret ballot election, management urges employees to return to work."

An official of Hooker stated that they will be responding to all charges made by the striking workers and union officials within the week.

To The Residents Of Hicksville From The Board Of Fire Commissioners

We are very much concerned about the many misleading rumors, misconceptions, hearsay statements and hearsay facts that are being spread and unfortunately, believed, by too many of our residents.

The future of our entire community depends on decisions that are now in the process of being made. Hopefully these decisions will be made for the "Welfare" of all the residents of Hicksville.

We the Board of Fire Commissioners are not interested in playing politics nor are we in any way favoring any one of the various factions involved.

Our main concern will always be for the safety and welfare of all of the residents of Hicksville and anyone working in or passing through our Town, and of course, the protection of all property.

The downtown triangle is severely congested during the peak of the "Morning and Evening Rush Hours"

The traffic puts an overwhelming burden on our

"Volunteer Firemen" responding to alarms. In all emergencies time is crucial and every minute lost is vital.

To help eliminate the congestion the Town Board should use the suggested Barclay Street Extension proposal to alleviate the traffic problem.

We, the Board, unanimously agree that this proposal would help relieve the traffic in the downtown area eliminating the problem.

We trust that we have made our position clear and shall make every possible effort to keep you informed on future developments.

Please remember that to us the safety of our entire town is a growing concern.

Thank you,
 Board of Fire Commissioners

Kim Buckley 16th Winner Of Henry G. Eisemann Memorial Scholarship

In ceremonies held recently at the office of Seaman & Eisemann, Inc., 167 Broadway, Hicksville, Miss Kim Buckley, daughter of Mr. & Mrs. David Buckley of 28 Berry Lane, Hicksville, was formally presented with the Henry G. Eisemann Memorial Scholarship by Kingsley Kelly as Treasurer and a Director of the Eisemann Foundation. This was the Sixteenth Annual awarding of the Scholarship provided by the Henry G. and Florence E. Eisemann Foundation, Inc. in memory of the late Henry G. Eisemann. The Scholarship is offered each year to a member of the graduating class at Hicksville High

School. It provides \$500.00 per year for four years of undergraduate study at an approved college or university. This year's Winner is enrolled as a Freshman at Nassau Community College where she plans to study Business Administration. After completing her first two years of education at Nassau Community College, Miss Buckley intends transferring to a college or university offering a full degree in Business Administration.

The Scholarship was first offered in 1966 in memorial to Henry G. Eisemann, prominent long-time resident of Hicksville, who died in December 1964. Mr. (Continued on Page 7)

"We Need Incentives For Savers!" Sen. A. D'Amato

For too many years now, Americans have suffered under a tax burden that acts as a disincentive to savings and effectively serves to stifle the productivity of our nation's workforce.

Realizing this, the Reagan Administration has proposed a comprehensive tax reduction package, centered around a three-year, 25 percent reduction in federal personal income tax rates.

It is my very firm belief that the long-run success of this plan, which is now being considered on the Senate floor, depends largely upon the restoration of a federal tax exemption for interest and dividend income for low and middle income savers.

As passed recently by the Senate Finance Committee, the Economic Recovery Tax Act of 1981 would completely eliminate the exemption on interest income, while limiting the present \$200 tax exemption on dividend income to \$100 (or \$200 for a married couple filing jointly). In addition, the "All

Savers" provision, also included in the Finance Committee's recommendations, would provide savings incentives by allowing those in marginal tax brackets greater than 30 percent to purchase savings certificates from local credit unions, banks or savings and loan associations.

On July 13, in an effort to prevent the small savers, primarily those earning less than \$30,000 per year, from facing a "double tax" on both their earnings and their interest and dividends, I went on record as opposing the elimination of this exemption and indicated my intention to support a permanent increase in the exemption to \$1,000 (or \$2,000 for a joint return).

During Senate consideration of the tax bill this past week, I offered a compromise amendment which would have restored the exemption, currently law, of an individual's first \$200 (or \$400 for a joint return) of either interest or dividend

income from federal taxation.

Although my amendment was not adopted during the Senate tax debate, I will continue to fight for the restoration of this tax exemption for low and middle income savers. You may also be aware that in February I introduced the Family Savings Incentive Act, S. 492, which would exempt up to \$1,000 in interest and dividends paid to an individual from federal taxation (or \$2,000 for couples filing jointly).

Without a cut in taxes and these accompanying incentives for individuals of all income classes to save and invest, we may never get past the economic crossroads that America currently faces. The people of this nation have given the Administration a mandate to attempt to cure our country's economic ills by reducing unnecessary federal spending and by allowing the people to manage more of their own money. It is my intention to see to it that the mandate is carried out.

OPERATION I.D. - Nassau County Police Officer George Fertal shows Grace and Robert Alonzo how to use an Operation I.D. engraving tool. Grace and Robert are involved in the Kuzuri Youth Center Anti-Crime Project, "50,000 Eyes Can't Be Beat." The Youth Center, under the guidance

of Anti-Crime Coordinator Renee Hamilton, is helping to publicize Operation I.D.

Operation I.D. is a nationwide program that increases the chances of property being returned, if recovered anywhere in the U.S.A. An Operation I.D. registration number is issued from New York State and the number is

then engraved on each valuable item selected.

All local libraries and precincts offer free use of engraving tool to residents who wish to participate in Operation I.D. For additional information contact the Nassau County Police Department's Crime Resistance Unit at 535-5125.

What A Health Club Contract Really Costs

New York City, July 13, 1981... Before joining a health club, think what membership might do to your budget as well as to your body. Unless you read the contract carefully and understand exactly what you pay for, it may not be a financially healthy experience, says the New York State Society of Certified Public Accountants.

Inspect several health clubs or spas before making a commitment. If the club alternates use for men and women, you and your spouse must plan to visit on different days. Make your visit coincide with the time you plan to use the club so you can see how crowded it gets. Make sure every facility advertised by the club exists. Check the pool, showers and locker area for cleanliness. Does the equipment work? How many health club personnel are available to supervise use of the exercise equipment? What's the extent of their training? If the club offers exercise classes, ask for a schedule. Ask if there are extra charges for the classes.

If you sign up with a health club still under construction, the risks are greater since you can't see the facilities first. As often happens, if the club opens months later than scheduled, you may be paying for a membership you

cannot take advantage of right away. In that case, your membership fee would be better off earning interest. In some states, contracts can be cancelled without penalty if the club doesn't open within a year. CPAs say that if you don't live in a state with such a law, you could be left holding the bag. Find out what the rules are by asking your local Better Business Bureau.

Annual membership fees range from \$100 to nearly \$1,000, but fees don't always include all extra charges. Additional costs could include locker and towel rental, fees for use of tennis or racquetball courts and fees for extra services such as massages. A \$10 massage and two hours of court time for \$12 every week can grow to be a financial burden.

Depending upon the type of membership you take, you may be able to use only one health club or you may be able to use a number of facilities in the same general area. If you prefer not to commit to a full year's membership, ask if a three- or six-month membership is available.

How will you pay the membership fee? If the health club accepts credit cards, you can charge the membership fee, or the club

may allow you to pay in installments, without any finance charges. If there is a finance charge, be sure the contract spells out the annual percentage rate and the amount of the down payment. Compare what it would cost to finance the fee through the club or with your credit card, CPAs say. Let's say the annual membership fee is \$450. If the club offers you a 20 percent annual percentage rate, you'll pay a total of \$500.16, or \$50.16 in finance charges. If the annual percentage rate on your credit card is 18 percent, finance charges will be \$45, assuming a total payment of \$495.

Read every item on both sides of the membership contract. According to the Association of Physical Fitness Centers, half of the legitimate complaints lodged against health clubs would be eliminated if the consumer read the contract. The contract should include all rules and regulations including when the facility is available for use and the responsibilities of both the member and the club.

Membership cancellation provisions and the length of time in which you can receive your refund should be spelled out. Under some state laws you are entitled to a refund if you move, become ill or disabled, or if the club closes before your contract expires.

Nearly 2,000 complaints against health clubs were recorded last year by the national Council of Better Business Bureaus. About 240 of these complaints fell into the "selling practices" area, which include high pressure sales. Be prepared to deal with the salesperson who explains that membership costs "only a few dollars a week" and asks, "Isn't your health worth it?" To entice you to sign up, you may be promised additional "free" months. Should you decide to join the club, have a clause written into the contract specifying the extra months of use. Unless it's written out, a promise is worthless, CPAs say.

Moped Drivers Must Observe Laws

With the warm weather upon us, the expected surge of mopeds on the roads have brought the obvious results. In the past several weeks there have been 19 accidents with mopeds in the county, with 5 in one week, according to Nassau County Police Commissioner Samuel J. Rozzi.

"Even though we are talking about small numbers, this represents a 46 percent increase over last year," stated Rozzi. "The problem is two fold. There is a steady increase in the number of mopeds on the road and there still exists some confusion over the rules and regulations governing their operation."

In 1978 there were 1,401 mopeds registered in Nassau County. That number has grown to 5,507 in 1981. Most are operated by young drivers, and unfortunately

some are operated by unlicensed drivers without any formal training.

"I have advised the Chief of Patrol, William Schmelzer, to order our enforcement units to be especially watchful of moped operators during these summer months," stated Rozzi. "When appropriate, moped operators will have their registration and licenses checked to make sure they are complying with the law. I am concerned that we do not experience a surge in moped accidents or injuries."

Mopeds, or limited use vehicles as they are called under law, are classified into types based on their overall speed. Type "A" mopeds are capable of traveling between 30 and 40 m.p.h.; Type "B" between 20 and 30 m.p.h.; and Type "C" under 20 m.p.h. All three type mopeds must be registered and be operated by a licensed

driver. Class "A" operators must have a motorcycle endorsement, but Class "B" and "C" can be operated with a regular drivers license or permit. In addition, young people with a valid junior operator's license or permit may operate a "B" or "C" moped with the normal restrictions on a junior license, such as not operating at night.

Helmets are recommended for all types, but are only required for "A" and "B" types, as is insurance and eye protection. Operation is permitted in any traffic lane for Type "A", but Type "B" and "C" are restricted to the right hand lane or shoulder except when making a left turn.

Questions regarding the operation of mopeds can be directed to the Nassau County Police Highway Patrol Bureau, 535-4156.

Afro-American Night

What may be one of the final performances in the legendary career of jazz great Count Basie will make Afro-American Night at Eisenhower Park this summer more of an event than a concert, according to Nassau Recreation and Parks Commissioner Abram C. Williams.

"The most explosive force in jazz," as he is known in the music world, will perform with his orchestra at the Lakeside Theatre starting 8 p.m. on Friday, July 31.

Basie more accurately could be called one of the most explosive forces in American music. During more than a quarter of a century as a bandleader, "The Count" established himself as a modern music immortal.

According to friends and

associates of Basie, who will celebrate his 77th birthday on August 21, the Count expects to retire by year's end.

His appearance at Eisenhower Park, as part of the "International Night" series presented free by the Nassau County Department of Recreation and Parks under the sponsorship of European American Bank, will probably mark his last performance ever on Long Island.

Count Basie and his Orchestra have spent four decades spreading happiness around the world, and today his importance grows larger and his audiences greater with each added performance season. In addition to its recent world tours of Japan, South America, Europe and England, the Basie Band continues other

innovations in concert and nightclub performances. Basie has gained a global reputation for his undying allegiance to the beat.

In addition to Basie, Commissioner Williams noted that other featured performers of the evening will include: Baritone Albert Moseley, accompanied by Professor Stanley Ralph; and vocalists Lora McFarlane and Keith Johnson.

Eisenhower's Lakeside Theater is located near Parking Field No. 6. Since there are no formal seating arrangements, Commissioner Williams suggests that theatergoers bring folding chairs and blankets. In the event of inclement weather, call 292-4175 for verification of performance. For further program information call 292-4121.

THERE ARE STILL OPENINGS in the free summer arts and crafts program for children at four Nassau County parks, pictured above. They include Centennial Park, Roosevelt, Tuesdays and Thursdays from 10-11 a.m.; Eisenhower Park, East Meadow, Mondays, Tuesdays and Thursdays from 1-3 p.m.; and Whitely Pond Park, Massena, Wednesdays from 9:30-11:30 a.m. For further information call 292-4121.

Dear Friends

Who says nothing happens in the summertime! As usual, some good news and some bad.

On the good side is the pleasure of seeing a local business grow and expand. So we extend best wishes for continued success to Charley and Betty Fetta and their fine family in their expansion of their business, Charbeths, to new, larger quarters on West Marie Street.

Condolences to the family and friends of former East Street School principal John McGovern who passed on this week. For the many years he and his lovely wife served our young people here in Hicksville, they will be long remembered. Hicksville is a better place today because of their years of service. We know that they will continue to be an inspiration to many who strive for the goals to which they dedicated their lives.

The Hooker Chemical Company strike continues unabated. We hope that they will soon be negotiating so that this matter can be settled. We want to reassure all local residents that the quality of their water is safe, and is constantly tested by the Hicksville Water District. It is to be hoped that eventually the problems which caused this strike may be solved satisfactorily. They certainly cannot be ignored.

THAT'S ALL for this week. Stay well

Seldin Elected V.P. State Tax Directors

The Chairman of the Nassau County Board of Assessors, Abe Seldin, was elected First Vice President of the New York State Association of County Directors of Real Property Tax Service at the group's annual summer conference held last week in Lake Placid, N.Y.

Seldin, who has won professional certification from the group as a county tax service director has long been active in the association, serving for the last two years as chairman of its important legislative committee. In that capacity, he has traveled regularly to Albany to offer the legislature the benefit of the association's professional expertise in property tax administration as Albany lawmakers consider legis-

lation affecting court-mandated revaluation and other assessment topics.

As county director for Nassau, Seldin offers support services, technical assistance and information about the latest changes in state law to local assessors at the village and city level. Since Nassau has county-wide assessment for county tax purposes, Seldin is also the only elected county-wide assessor in the State of New York.

Seldin pledged to continue working for the association's goals of professional standards for assessment procedures and assessment administration throughout the state and for changes in state law to protect homeowners from the potential impact of court-ordered revaluation.

Radio Club Registration

The Nassau County Amateur Radio Club is holding registration for classes leading to a general class license and a novice class amateur radio license.

Nassau County Recreation and Parks Commissioner

Abram C. Williams said that classes are tentatively scheduled to be held at the Special Activities Center in Eisenhower Park on Monday, August 3, from 8 to 9:45 p.m.

For registration information, call 292-4247.

We're midway into a gorgeous but hot summer. Things at the Club have been quiet because we did not hold a July meeting. We won't have an August meeting either.

BUT we will hold a fun-filled square dance on August 14, at the Galileo Lodge from 9 p.m. to 12 a.m. The cost will be \$3 per person - beer and soda are included. Plan on being with us on August 14 - you'll have a great time.

Our elected Legislators respond to our concerns when they know we care about their voting records all the time - not just during an election year. If you want them to know you care, WRITE to them.

Our Legislators are

constantly making decisions which affect you and your family. They make decisions on inflation, taxes, energy, education, transportation, fair wages, and consumer and environmental protection. If you want your interest in these issues known, write to them.

If you have decided to communicate to your Legislator, do it and mail it right away. Remember, the timeliness of your communication is as important as what you've written.

Here are a few suggestions on how you can write a better letter to your elected officials:

1. Address it properly
2. Identify yourself.
3. Be specific - use the bill number or the title of the Bill if you know it; if not, briefly

describe the issue that concerns you.

4. Be timely. Write when an issue is current.

5. Explain your position. Urge your Legislator to oppose or support a particular Bill.

6. Request a response to your letter.

7. Be brief and to the point.

8. Write legibly.

9. Be courteous--not threatening, demanding or abusive.

10. Quality, not quantity, is what counts when writing a letter to your Legislator.

Letter writing is one of the most effective and persuasive forms of lobbying because YOU are taking time from your busy schedule to make your viewpoints known.

Don't forget that your Legislator likes to hear from

you when you are pleased about her/his voting record or sponsorship of a particular Bill.

Write or call your Legislator at:

One last item...use tact when communicating with your legislator. Remember, tact is the art of making a point without making an enemy.

WNBC And Red Cross Team Up To Save Lives

Channel 4 Science Editor Frank Field still receives letters testifying to the lives he has saved with his on-air demonstration of the Heimlich Maneuver seven years ago.

During July, WNBC-TV in cooperation with the American Red Cross will again be offering life-saving instruction with their on-air series demonstration of CPR (Cardio-Pulmonary Resuscitation). The timely application of CPR to heart attack victims can sustain

lives until medical help arrives. The series, entitled, "Five Minutes to Live", will air Sunday afternoons in July from 1:00 to 1:30 p.m.

For those who wish to learn the CPR technique, American Red Cross Centers in the metropolitan area are offering CPR instruction and certification to anyone requesting information. In Manhattan, call 870-8866. In New York, New Jersey and Connecticut, contact the white pages for the American Red Cross Center nearest you.

LWV To Meet

The League of Women Voters of the Town of Oyster Bay invites you to come "uptoe through the tulips," or whatever else is in bloom, on Thursday, July 30, at 10 A.M. at the Planting Fields Arboretum, Planting Fields Road, Oyster Bay.

"We'll gather in the meeting room of the arboretum's annex to discuss what the League will be doing to prepare for the 1981 elec-

tions, as well as other League activities. Then we'll go for a guided tour of the arboretum. We'll conclude with a picnic lunch on the grounds, with each person providing his or her own lunch but with vending machines available for drinks." A LWV spokesperson explained.

If you are interested in spending the morning with the League, please call 681-0555.

Hicksville Resident Granted Employee Benefits Internship

David Blaszkowsky, a University of Chicago junior and a Hicksville resident, has been granted an internship with The Equitable Life Assurance Society of the United States. According to Robert D. Cooper, Ph.D., research director of the International Foundation of Employee Benefit Plans, the purpose of the IF Interns program is to recruit talented young people directly to the benefits industry. The program is sponsored by the International Foundation.

IF Interns, after a selection, recruitment and training program, work for the two summers between their sophomore and senior years for organizations and companies that deal with employee benefits. Intern responsibilities can include market research, conversion

of retirement plans to computer systems, administration of employee savings and stock ownership plans and other special employee benefit projects.

A total of eleven Chicago area corporations, consulting firms and benefits associations are involved in this pilot project.

The Foundation is a non-profit educational association dedicated to those involved in employee benefits. It has over 23,000 individual members in over 4,000 corporations, trust funds and professional firms throughout North America.

For more information on the program, contact the International Foundation at P.O. Box 69, 18700 W. Bluemound Road, Brookfield, Wis. 53005, (414) 786-6700.

C.J.'s Store Moves To Larger Quarters

Charbeth's General Store is moving to larger and more suitable quarters, located at 13 W. Marie St., one block north of their old location on W. Nicholas St., in Hicksville.

The store is owned by Betty and Charles Fetta, Hicksville residents for 24 years.

Betty (nee Ralser) was born in Rosendale, N.Y., a small village outside of Kingston, and Charles was born in E. Harlem. He is a retired N.Y.C. Police Dept. Sgt. The couple has been married for 29 years.

Soon after Charles retired, (Sept. 1974), they both opened Charbeth's (little) General Store at 9 W. Nicholas St. They had both gained substantial knowledge of retailing and wholesaling while Charlie had moonlighted (with Betty) on the Police Dept. for 21 years.

After renting one, then two, and three stores in the first three successive years, they then outgrew that location and started warehousing merchandise in other locations.

After hunting for two years

for more suitable and larger quarters, they finally leased 13 W. Marie St., formerly a STPA store.

From Charbeth's (little) General store, the name has been changed to C.J.'s General Store, (C.J. representing Charles Joseph Sr., Charles Joseph Jr. and youngest son, Christopher John.)

This is to be a pilot store for others to follow-and to continue (to their knowledge) in the Stationery etc. field of wholesaling to the public.

Super Swim For The Leukemia Society

You don't have to be a Mark Spitz or an Esther Williams in order to participate in the Leukemia Society of America's Super Swim Classic. This event will be held on Thursday August 13, at 10:00 a.m. in the morning at Bethpage Community Park. Whether you're a potential channel swimmer or just a dog paddler, here is your chance to make a big splash for a worthwhile cause. You are needed to join in the swim to conquer Leukemia. Each swimmer will wage his

enthusiasm against the pledges of his sponsors.

All proceeds from the event will benefit the Leukemia Society of America's three-fold program: Research, Patient-Aid, Public and Professional Education. Prizes will be awarded, as well as Certificates of Appreciation to all participants. The important thing to remember is that you will be a winner by swimming to save a life.

For further information, sponsor and registration

forms, go to: Bethpage Community Park or call 938-3900.

Eisemann came to Hicksville in March 1906 with his parents and lived on the family farm on Newbridge Road. He attended the old Nicholas Street School and graduated there from grammar school in June 1910. In June 1911 he completed his high school studies "without diploma." His formal schooling concluded with studies at Packard Commercial School in New York City which he attended from September 1911 to June 1912. After a brief experience in accounting which required commuting from Hicksville to New Jersey, Mr. Eisemann transferred to the insurance business where he was first employed in New York City. On February 1st, 1921, he became a partner in an existing insurance agency in Hicksville, which is known today as Seaman & Eisemann, Inc. In his 43 years with the firm, of which at the time of his death, Mr. Eisemann was the President and sole owner, he saw it grow from a staff of just a few people to over thirty. This tremendous growth he always attributed to service to the insured, either the

smallest or the largest! Today the firm which still clings to that ideal of service, members forty in staff. Many of its employees are also products of Hicksville's Public Schools and 18 are residents of the School District.

In addition to his successful insurance career, Mr. Eisemann, a long-time member of Trinity Evangelical Lutheran Church, found time for many other business, fraternal, service and community activities such as: Honorary Member of Co. No. 3 Hicksville Fire Dept., Masonic Order, American Legion, Veterans of Foreign Wars, President of the Bank of Hicksville (now part of the National Bank of North America), Director of Long Island Lighting Co., Trustee of both the Rostlyn Savings Bank and Nassau Hospital, active supporter of the Boy Scouts and American Cancer Society, to name a few. He was intensely interested in the well-being of Hicksville and its people, which philosophy is still maintained by the firm bearing his name.

HICKSVILLE AMERICAN ALL-STAR TOURNAMENT: The 8 year olds beat Hicksville CYO by a score of 11-7. LaViola: Offense - Bobby Telender HR, Anthony LaViola & Keith Stevenson T, Peter Osback S; outstanding pitching by Kevin Drudy, excellent defense by Anthony LaViola, Wayne Rothschild & Shannon Knoop.

On the 12th, the 8 year olds beat Syosset by a score of 11-4. LaViola: Michael Perloff HR and 2 singles by Bobby Telender; solid defense by Peter Osback, Joey Savarese, Paul Rom & Steven Joyce.

On Saturday the 18th, the 8 year olds lost to St. Elizabeth/St. Hughes 7-3. Bergamini: Mike Teplansky pitched 2 innings, 3 K's; Joey Rothschild 2 for 3, RBI; Arlen Strongin 1 for 2, RBI; Jeff Teplansky good base running.

Sunday's game was a different story, for the team beat New Hyde Park 4-3. Bergamini: Arlen Strongin pitched 3 innings, 6 K's; Bobby Abrahamson good catching; Danny Bergamini D. Bill deMuth good base running.

ALL STAR TOURNAMENT PLAY: Last Thursday, the 12 year olds spearheaded a 16-14 win over Westbury. Zagajski: Offense - John Sinise 2 HR's, 4 RBI's, Paul Bruno HR, 4 RBI's, Tom Zagajski HR, 3 RBI's, Ed Rothschild HR, Bill Stanley 2 for 2, 2 RBI's; Defense - Allan Sheffield for super relief.

Even though the 12 year olds outdid them, Syosset North took this Tuesday's game 3-1. Phil Campisi, John Senise, Allan Sheffield, and Paul Bruno all went 2 for 3; Excellent pitching by John Senise who had 7 K's in 5 innings. Paul Bruno is the best catcher in the district. The next game is the 23rd against Syosset South and if they win, they move closer to the district championship.

Bill Rizzo - manager of the 9 year olds: "As of July 19th, after two weeks in the Hicksville American Tournament, the 9 year old HBA all-stars are still undefeated because they beat the following teams: St. Ignatius 8-2, Syosset South 15-0, St. Elizabeth/St. Hughes 10-4 and New Hyde Park 4-0. Although it is exceptionally hard to single out one individual for outstanding play, I wish to congratulate our pitching staff which has accounted for 44 K's in 24 innings. The opposing teams have faced 123 batters while only striking out 20 of our players. I want to commend all the boys on a fine team effort in both offense and defense.

I would also like to thank Al Melendez and Ron D'Amelia for their time and effort in helping to coach the nine year olds to a winning season. It could not have been done without them. Special thanks goes to Ron D'Amelia for taking an interest in all age brackets of the HBA. Ron ran the pitching and outfield clinics for the boys during the year, which attributed to some of the fine ballplayers the HBA has now playing for them.

The undefeated 9 year olds are: Scott Rizzo, Mark Petro, Philip D'Amelia, Kevin Maresca, David Melendez, Mike Rose, Kevin Ross, Marty Fries, Joe Luparello, Pat Mullen, Brian Hirtzel, Bill Waters, & John Guittari."

The 10 year olds beat St. Elizabeth/St. Hughes on Saturday by a score of 15-2. Alfin: Mike Kwas 3 for 3 with a T, Mike Alfin HR, D, 4 RBI's, Roger Chin, Brian Robey & Mike Alfin have a 700 on base %; Kevin Torline great catch of a line drive at 3rd, Mike Kwas & Tom Flynn gave up no hits when they pitched, great catches in the outfield by Chin, Culla & Coyle.

The Sunday game was a heartbreaker, for the 10 year

olds lost in the last inning 9-6. There was good playing & solid hits into the opponents hands.

In the 14-0 loss last week, Culla made a diving catch at 2nd; D's by Mike Alfin & Brian Robey; s's by Chris Bonomo, Glen Kalberer, Tom Flynn & Kenny Wolf.

The 11 & 12 year olds lost to St. Elizabeth/St. Hughes 7-3. Bergamini: Mike Teplansky pitched 2 innings, 3 K's; Joey Rothschild 2 for 3, RBI; Arlen Strongin 1 for 2, RBI; Jeff Teplansky good base running.

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

This year's participation in the Annual Boys' State Program was one of the most notable for the Charles Wagner Post. Our candidate, Vaughn Burke of Roosevelt, was not only elected a State Senator at the well known mock government program for youth but, also, was chosen Party Chairman for the Federalist Party! Nevertheless, our sponsorship of a high school

junior classman to the Great American Legion program almost did not come off. Hicksville schools closed so late this year that Principal Ray Rusch could not come up with his usual fine nominee in time for the Boys' State week-long convention at State University at Morrisville. The Executive Committee, Past Commander Lou Costa and Americanism Chairman, Dick Evers were determined to continue our post's over-twenty year sponsorship. They asked Father John Seidenschwang, Principal of Holy Trinity High School, Hicksville if he could provide a worthy youth. Right down to the wire, with County Chairman Frank Ward extending deadlines, we worked to send off our first non-Hicksville nominee to Boys State. The genial Trinity Principal and his most cooperative Guidance Chairman, Sister Margaret Casey, came through for their school and the Legion. Vaughn is the son of Mr. and Mrs. Owen Burke

of Conlon Road, Roosevelt a modest but poised and intellectual young man. He has been invited to be guest speaker at our social meeting on August 3rd and we are looking forward to his report...

Sick call: Artie Rutz is home, recovering from his ordeal. Wes Tietjen is at Central General, we hear, suffering with phlebitis, and

Past Commander Ed Hodgkinson is working hard at his stroke therapy. Ed who made the ghastly Tarawa invasion in '43 - was connected with our post's newspaper for many years... Some dates to remember:

LAS VEGAS NITE is July 25 at 8 p.m. Bring your friends, come on down to play or to serve with Jack Reichen's committee. Vegas' setting up' on July 24 could use volunteers, too. August 8th is the Annual Suffolk State Picnic. For those who have a warm spot in their hearts for handicapped kids, how about taking a hand in bar-b-queing.

Hey, there's a new kid on the block! Sean Peter Goldthwaite arrived July 6, 1981, to his parents, Kathy and Richard. Sean Peter "weighed in" at 6 lbs. 4 ozs. He joins his two brothers: Richie, 6 years old and Michael, 4 years old. Sean Peter will be Christened this August. The Goldthwaites have lived on Suggs Lane, Hicksville, for almost four years. Congratulations to this lovely family.

Back home from a fantastic vacation at Sunnyside Farm are Anne and Bob Rennert, Hicksvillites. The Rennerts swam, danced, played, dined and partied for a full week. They returned home tired but happy.

Have to wish Frances Knight happy birthday. Frances celebrates her birthday on July 25. Her husband, George, and daughters, Christine, Mary and Maureen, wish her happiness, love and best

wishes on this occasion.

More festivities. Brian and Barbara Vevante celebrated their fourth wedding anniversary on June 18. Brian was raised in Hicksville where his parents Tess and Fred, still live. However, he and his wife and their daughter, Michelle, now reside in Farmingdale.

Another Hicksvillite, Peggy Gill, also celebrates her birthday in July. In fact July 24 is Peggy's special day. It's a special day for a special person. Best wishes, Peggy, from your family, friends and neighbors.

The Kiwanis Club of East Norwich/Brookvilles spent an exciting evening at Roosevelt Raceway this week. There were a number of Hicksvillites present, including yours truly and her husband, Bill, and son, Mike. We had a truly delightful, but expensive, time. However,

we experienced a painful object lesson - how to be a good sport while losing.

Congratulations to Mr. and Mrs. Herbert Goerke of Plainview Rd., on their 25th wedding anniversary, which they celebrated by a trip to Bermuda. Regarding this, there is "good news and bad news" - They had a wonderful time, except Norma fell off a moped and broke her arm! However, she is healing rapidly and certainly hasn't lost that attractive Norma Goerke smile! Best wishes.

William Murphy of Plainview Rd., Woodbury, Past President of the Kiwanis Club of HICKSVILLE, attended the 66th annual convention of Kiwanis International in New Orleans, Louisiana recently. John Budnick, a member of the Board of Directors of the Hicksville Club, also attended.

Caggiano-Schneps

Lisa Caggiano, daughter of Felix and Arlene Caggiano of 2 Lehigh Lane, Hicksville, became the bride of Robert Schneps, son of Seymour and Gloria Schneps of 154 Vincent Dr., East Meadow, at a ceremony held at the Huntington Town House, on July 19. Rabbi Nathaniel Schwartz and Father John

Heinlein officiated.

Cora Petrie, sister of the bride, was the Matron of Honor. Bridesmaids included Marlene Feinberg, Charlotte O'Donnell, and Kim Ramel.

Alan Schneps, the groom's brother, was the best man and ushers were Ronald Steinberg, James Petrie and

Brian Rapp.

The bride holds a Masters degree from Hofstra University and is a Rehabilitation Counselor.

The groom is a law student.

Following a trip to the Pocono Mountains, the couple will make their home in Hempstead.

Uran-Skelley

Mr. and Mrs. Robert Uran of Hicksville are happy to announce the marriage of their daughter, Elizabeth Ann to William Neil Skelley of New Hyde Park on Sat., July 11 in Hortonville, N.Y.

The bride graduated from East St. School and Hicksville High School. She received her bachelor's degree from Albany State University and has been

teaching Social Studies for three years in Jeffersonville High School.

The groom has his masters degree in chemical engineering and is working in the field of liquid coal and alternate forms of energy in Cambridge, Mass.

the happy couple are at home in Arlington Massachusetts.

Engaged

Mr. and Mrs. Paul Grech of Hicksville are happy to announce the engagement of their daughter, Laurie Ann, to Mr. Dennis Mattson of Marshfield, Mass.

Laurie is a graduate of

Hicksville High School class of 1978.

Laurie and Dennis attend Embury Riddle University in Florida.

A May 1982 wedding has been planned.

Mr. and Mrs. Paul Grech are happy to announce the engagement of their son, Paul, to Miss Gail Berman of Dix Hills.

Paul is a graduate of Hicksville High School class

of 1975. He is attending South Western Law School in Los Angeles.

The happy couple have chosen August 1982 as their wedding date.

Hofstra Honors Active Alumnus

Edward Saueracker, of Jay Street, Hicksville, was recently chosen "Senator of the Year" by the Hofstra University Alumni College Senate. The award was presented at a reception hosted by Hofstra President James M. Shart and his wife Marjorie, in their Garden City home. Mr. Saueracker was honored for "Outstanding Performance and Dedicated Service to Hofstra Alumni."

As an alumni volunteer Ed

currently serves as the Publicity Coordinator and Director of Alumni Publications. He is also a member of the Hofstra University Club Board. In addition, Ed serves as Coordinator of Special Events and last year chaired the Undergraduate Affairs Committee. Mr. Alan R. Plotz, outgoing President of the Senate noted that few alumni have worked as hard and been as successful as

Ed was graduated magna cum laude from Hofstra in 1978 and is a member of the Omega Chapter of Phi Beta Kappa. Mr. Saueracker is completing his Ph.D. in Economics at the City University Graduate Center. In addition to his volunteer work at Hofstra, Ed is an Adjunct Instructor in Hofstra's Department of Economics. Edward was graduated from Hicksville High School in 1974.

Chamber Music Concert

The Hicksville Public Library annual Summer entertainment series will begin on Thursday, August 16 at 8:00 P.M. with a program of Chamber Music performed by Michele Grossman on Clarinet; David Feldman, cello and Avraham Sternklar piano.

Michele Grossman who attended Stony Brook University and is now at Queens College majoring in Music graduated from Hicksville High School.

David Feldman received his Bachelors degree in June, and is entering

graduate school in the Fall. Avraham Sternklar, a Plainview resident is very well known in the music world, as a performer, composer, president of the Long Island Composers Alliance, teacher, etc.

It is indeed a pleasure to present this trio to the community. The program will include works of Beethoven, Brahms and Herbert Feldman (father of David) a well known musician and composer and member of the LI Composers Alliance.

The library concerts are

HICKSVILLE BASEBALL (Continued from Page 7)
SAVERS. They beat MEENAN OIL by a score of 6-5 because of (Pagett): the excellent pitching of Kim Zagajski, outstanding 2nd base of Sheryl Berman and the following offensive players - Karen Osback 3 for 3 including a T, scored twice; Sheryl Berman 2 for 3, scored twice; Christine Proctor 2 for 3, scored once; Jennifer Pagett D, scored once; Dina Bacchi made the game ending DP.

The final game for the 13 & 14 year old PONIES saw WAGNER FUNERAL HOME win the Pony League championship. Torlineas: The game was paced by Danny Rehman's 2 hit pitching & clutch S which knocked in the winning run, Scott Papacuri. The game saw back & forth with Nick Cassese's team being lead by the pitching of Peter Lomp and the 100% effort of the other team members. It was Harvey Chin's clutch baserunning & hitting that
