**Friday, Aug. 7**  
 Chamber Music Concert, 8 p.m., Hicksville Library.

## Bus Trip

The Hicksville Public Library has scheduled a trip to the Metropolitan Museum of Art for Wednesday, August 19.  
 The cost for the round trip transportation is \$9.00 per person. The bus will leave at 9:00 AM from in front of what was formerly Frank's Alibi. We will return to

Hicksville at approximately 4:00 PM.  
 As usual reservations are on a first come basis. Make checks payable to the Hicksville Public Library.

For any further information call Mrs. Neufeld at WE 1-1417 or Mrs. Binger at 931-2511.

## Yiddish Music

The Hicksville Public Library will present Meyer and Helen Zarembo in an evening of nostalgic Yiddish music and humor on Thursday, August 13 at 8 PM in the library Community Room.  
 The Zarembas are well known performers in the metropolitan area, having appeared at libraries, schools, temples and many

organizations. The program is narrated in English. The humor is universal so that all can be amused by the antics of this versatile couple. The high spot of the evening will be "Whose on First" in Yiddish. To paraphrase a saying "You don't have to be Jewish to enjoy the Zarembas."

Library programs are free and all are welcome.

## Sixth Annual Oktoberfest

"Holy Trinity Diocesan High School has received Town Board approval of their request to hold their 6th annual Oktoberfest." Oyster Bay Town Councilman Thomas L. Clark announced.

as German-American Way for the duration of the Oktoberfest," Clark stated. "A parade marking the event will be held on Sunday, August 30 with over 300 people and the finest marching bands on Long Island participating."

"The Oktoberfest is held on the high school grounds on Newbridge Road in Hicksville and will be held this year, on August 28-30 and September 3-7. Plans are underway to have the week of August 30 declared German-American Week in Nassau County and to have Newbridge Road designated,

Councilman Clark commented that the Oktoberfest has become a welcome highlight to all residents who enjoy participating in the German-American cultural traditions which are featured at the festival.

## H.A.S.C.

# Hicksville Yankees Reach Top Eight In Country

Our own Hicksville boys under 16 years (born in 1965) travelled up to Binghamton, New York to participate in the Northeast Soccer Championships at the State University of New York (S.U.N.Y.). This is the culmination of all those 'Cup' games we hear about all Spring. The United States Soccer Federation (U.S.S.F.) has divided the country into four major Regions and, each Region sends it's champion to compete in the National Finals. Up at Binghamton, all the States in the Northeast (Region 1) sent their State Champions to participate; the Hicksville Yankees represented Southern New York State and in the preliminary rounds were matched against West Virginia, Virginia and Pennsylvania. In this under 16 age group, twelve State Associations were represented including: Connecticut, Delaware, Eastern Pa., Maryland, Massachusetts, New Jersey, Northwest New York, Rhode Island, Southern New York (Yankees), Virginia, Western Pa. and West Virginia. The three states that did not have teams in this age group were: Maine, New Hampshire and Vermont. Each of the above State Associations holds playoffs where any affiliated team in the state can participate. This competition begins away back in March and each State must complete it's competition and send it's winner to Binghamton by the end of June. The State playoffs are on a knockout (one loss and you're out) basis and the Yankees had to win six consecutive games to become Southern New York State Champions. The most exciting of these was the State Final against Blue White Ridgewood which had to go to penalty kicks. The Yankees also played more

than half this game with 10 men.

Being State Champions was quite gratifying to coaches Bill Cresham and Pat McHugh - this is what they had worked so hard to obtain for the last two years but now, another big challenge - the Regional Finals against the best teams in the Northeast. The competition would be tough and the coaches would be happy with a 'reasonable performance' as the team was decimated with the loss of Steve Dolan for the season (hip). Adrian Pepi for the first game and several other boys with assorted injuries: Billy Cresham (back), Vinny Christiano (Knee), John Fitzgerald (thigh), etc.

In the preliminary rounds in Binghamton, the ailing Yankees gave it their all and knocked off West Virginia, Virginia (Alexandria) and Eastern Pennsylvania (King of Prussia) and qualified for the semi-finals of Region 1. This meant that they were among the top four teams in the Region and among the top 16 teams in the country. The semi-final was against Massachusetts - a tough, physical team from the town of Wellsley. The Hicksville boys had faced Wellsley once before at a Tournament and were soundly defeated. Massachusetts came out roaring and, in the opening minutes of the match, several Hicksville boys were felled, the most serious being captain Adrian Pepi who took a shot in the back of the thigh that practically put him out of the entire match. The 'shot' was away from the ball and was not noticed by the referee. After a scoreless first half, Adrian came back in the game and, although in a great deal of pain, took the ball down the left side, drew two defenders to him and pushed the ball to

The Hicksville Yankees: Southern New York State Champions and Regional Finalists.

**KNEELING:** Robert Pearce, Paul McGeough, Bobby Andrus, Steve Barell (keeper), Cliff Feldman, George Marco, Coach Bill Cresham. **STANDING:** John Fitzgerald, Jimmy Demarco, Dave Smyth, Gene Tyranski (keeper), Adrian Pepi, Steve Thompson, Vinny Christiano, John Mitchell, Billy Cresham, Steve Dolan.  
 Missing: Coach Pat McHugh.

Dave Smyth. Dave carried the ball into the corner, drawing two more defenders away from the net and sent a beautiful cross in front of the net. John Mitchell came streaking in and slammed it home for a 1-0 Hicksville lead. The Yankees continued to take a beating physically (injuries to Bobby Andrus, Jimmy and Paul McGeough, Steve Thompson) but held on with some great defense and goaltending (Cliff Feldman, George Marco, Gene Tyranski, Bobby Pearce and Steve Barell) until the last minute of play when Massachusetts tied the game. Hicksville literally limped to the sidelines for a five minute break, a brief talk from coaches and then right back out for two 10 minute overtime periods. Five minutes into the first overtime, Adrin took charge again and scored unassisted and in the second period, the clincher came when Jimmy Demarco gave a beautiful pass to Steve Thompson who scored for a 3-1 Yankee victory.

It was a great win for

Hicksville but it took it's toll as, a total of 8 players were pretty badly banged up. John Mitchell, trainer extraordinaire, tried to get them some whirlpool treatment but, on Sunday evening nothing was available so the team invested in a dozen ace bandages. The victory now meant that the Yankees were one of the top 2 teams in Region 1 as well as being among the top 8 in the entire country. The final was played the next morning against Maryland and although Hicksville put up a good battle, there were just not enough healthy bodies to overcome a strong Maryland opponent and the Yankees lost 2-0. They played great soccer under extreme circumstances however, and are to be congratulated for an excellent performance representing themselves, their coaches, their parents, the town of Hicksville, The Hicksville Club, The L.I. League and Southern New York State. Our hats are off to Bill Cresham, Pat McHugh and the HICKSVILLE YANKEES.

## Geologist As Curator At Gregory Museum

The Board of Directors for the Hicksville Gregory Museum-Long Island Earth Science Center announce with pleasure this week the hiring of a professional geologist to serve as Museum Curator, as of August 1st. Edward J. Marintich holds a Master's Degree in Geology and is a doctoral candidate completing studies at the State University at Stony Brook in the fields of paleontology and

stratigraphy. He will be working in the coming year at enriching the magnificent nature collections housed at the historic Heitz Place Courthouse.

Mr. Marintich's years of activity and study in his field will assist him in making the unique Earth Science museum's resources readily available to Hicksville's schools and in the development of programs of interest and value to all types of community groups.

The new curator has had extensive academic and field experience with geological and paleontological studies and collecting. The recipient of a number of research grants over the years, he was a pre-doctoral fellow at the Smithsonian Institution during 1980, and has led field trips.

His counterpart at the Gregory Museum, as historian, will be Acting Director Richard Evers who will resume the development of the local historical artifact collection he has been gathering over many years from donations by long time Hicksville residents. Evers' near-four years' preoccupation as the museum's top administrator, following the retirement of Gardner Gregory, the museum's

founder, has detracted somewhat from the research into local history at the museum. The study of Hicksville's roots will be under way again, thanks to a fine Public Library-Gregory Museum joint historical venture in 1981-1982. The details of this venture will be available shortly to the press.

In the meantime, the Museum Board also announces a new schedule of hours at the museum. Commencing August 3rd, the museum will be closed on Mondays except for tour reservations. The hours for Tuesday to Fridays will be 9:30 to 4:30, and Saturday and Sundays the hours will be 1 to 5 p.m. The museum is closed on all legal holidays. For Hicksville residents admission is free.

## Streets Closed Due To Sewer Connections

Contract #1002-3-H-2 (Hicksville Laterals)

Orchid Road, Starling Lane, Tanager Lane, Snowbird Lane, Maggie Lane, Blacksmith road, Ponder Lane, Squirrel Lane, Heron Lane, Pintail Lane, Woodpecker Lane, Redpole Lane, Flamingo Road, Piper Lane, Tender Lane, Swan Lane, Pelican Road, Woodcock Lane, Swallow Lane, Thrush Lane, Bobolink Lane, Topper Lane and Restful Lane.

## GEICO Announces Family Scholarship Winners

Rose D. Pierce, Regional Vice President of Government Employees Insurance Company (GEICO), recently announced the names of winners of the GEICO FAMILY SCHOLARSHIP PROGRAM. A total of eighty-four scholarships were presented by GEICO and its affiliates GEICO and Criterion Insurance Company to children of Company employees throughout the country.

Describing the scholarship program, Mr. Pierce said, "We started the GEICO Family Scholars Program in

1980 and have continued it because of its success. The Citizen's Scholarship Foundation of America selected the scholarship winners based primarily on scholastic achievement.

Unlike most other scholarship plans, GEICO's covers all forms of accredited post high school education, including four-year colleges and vocational and technical schools. Winners who continue their satisfactory academic performance may apply for renewal of their scholarships for up to four years.

Among the GEICO Scholars of 1981 are Michael Arato, Son of GEICO employee, Delores Arato of Plainview; Kim Buckley, Daughter of GEICO employee Carol Buckley of Hicksville; John Chaconas, Son of GEICO employee Kaliope Chaconas of Bethpage; David Greenfield, Son of GEICO employee, Francine Greenfield of Levittown; Janet Kaiser, Daughter of GEICO employee, Florence Kaiser of Syosset; Michael Korten, Son of GEICO employee, Thelma Korten of Syosset.

Also Deborah A. McLaughlin, Daughter of GEICO employee, Toni Ann McLaughlin of East Meadow; Steven Misk, Son of GEICO employee, Joan Misk of Syosset; Laura Perratto, Daughter of GEICO employee Dolores Perratto of Plainview; Larry Reid, Son of GEICO employee, Ruth Reid of Syosset; Laurie Rosenberg, Daughter of GEICO employee Marilyn Rosenberg of Plainview; Robert Rubin, Son of GEICO employee Nancy Rubin of Plainview; Leonard Schwartz, Son of GEICO employee Foster Schwartz of East Meadow; and Christina A. Shaake, Daughter of GEICO employee Karl Shaake of Syosset.

Air Force Capt. John P. Pribble III, son of Mr. and Mrs. John P. Pribble Jr. of Abbey Lane, PLAINVIEW, has been decorated with the Meritorious Service Medal at Robins Air Force Base, Ga.

The Meritorious Service Medal is awarded specifically for outstanding non-

**VENERABLE TONY PREVITE'S MESSAGE:**  
"Humility is just as much the opposite of self-abasement as it is of self-exaltation." Dag Hammarskjöld

When we speak of success and its implications, we must speak of the human element which makes such a condition possible. Success is equated with hardwork, and it is symbolic of all the ingredients associated with success, like loyalty, devotion and determination. And now I must mention that the Bingo workers of the Galileo Lodge are synonymous with success. Every Wednesday night, throughout the whole year, these dedicated and zealous workers donate their time and energies in order to make Bingo one of the financial pillars of the Galileo Lodge. They are highly motivated, highly-spirited and highly-supportive of the Galileo Lodge in its quest for financial solvency and independence. They work endlessly and incessantly, always without fanfare, publicity and recognition, and these are the kinds of performances that deserve acknowledgement and consideration from the Galileo

## Galileo Lodge News

By Joe Lorenzo

Photo shows Carol Colasanti receiving the Galileo Lodge's Scholarship Award for excellence in Italian studies. Venerable Tony Previte (right) is making the presentation.

On the left are Mr. and Mrs. Colasanti beaming with pride.

Lodge and its members. So, please permit me to present, in alphabetical order, the male and female members of the Bingo committee who toil perennially for the good and welfare of the Galileo Lodge: Al Barella, Anthony Cuccia, Armand Del Cio, Al Frigente, Pat Gatto, Joe Giordano, Lou Giasanto,

Frank Governale, John Guiliano, Jim Ingino, John Keiper, Pete Massiello, Frank Matassa, Jules Mezaros (Chairman), Frank Miccio, Bert Molinari, Joe Morace, Tom Pasquarella, Jim Pina, Jim Posillo, Ven. Tony Previte, Anthony and John Romano, Gus Russo, Pete Sarandrea, John Sarero, Joe Stellabotte, Mickey Russo, Mario Tucci, Dom Valente, Jeff Wallick, and the Ladies Auxiliary: Marion Densiglio, Rosalie Keiper, Terry Gatto, Mary Monteforte, Rose Riccardi and Pres. Jo Ann Wallick. The Galileo Lodge gratefully acknowledges the services of these dedicated members.

On Saturday, the 18th of July, the Galileo Lodge held its Americana Day Dance under the supervision of Joe Giordano and Pete Massiello. Over 150 people en-

joyed a terrific Virginia Ham dinner with all the extras, some terrific dance music and an environment spruced up with red, blue and white decorations. The traditional sparklers were in evidence also, and the night ended with the traditional "God Bless America" song by Julia Previte and Nick Viglietti. Jim Posillo, head chef performed magnificently, and so did Mike Garrone, in and out of the kitchen. Considering the lack of time for preparation and the sudden change in personnel for this affair, Venerable Tony Previte extends his sincerest thanks to all these members who did a marvelous job in getting this dance together.

Another recreational diversion which will offer you some pleasant and delightful moments is the forthcoming Galileo Lodge's August Dance, scheduled for Saturday, the 29th of August, under the direction of Carl Melluso. Using as its theme the interesting traditions and customs of the old-fashioned Italian weddings, this August Dance will definitely be structured to offer you a unique and unusual form of entertainment. Tickets will sell at \$9.50 per person, a modest sum which entitles you to a delicious dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music. Please note that a "bring-your-own-liquor" policy will be in effect that night. Call Carl Melluso at 822-1872 for additional details. For a late summer activity, this sounds like one that shouldn't be missed.

Dom Valente (433-4465) will assist also.

## American Legion Auxiliary News

Americanism awards were presented to Angela

Baggett in the Junior High School and to Mary Chitterton at the Hicksville High school.

On Sat., July 11, President Ethel Habenicht attended our monthly birthday party at Suffolk Developmental Center. Other members were present, and a pleasant time was enjoyed by all.

We are now preparing for our Annual Picnic at the Center, to be held on Sat., Aug. 8th at 1 pm. More than 50 young people will be entertained and a barbecue is planned. The locomotive and clowns of the 40/8. Voiture No. 803, Nassau County American Legion will be on hand to take the boys and girls for rides and to help entertain them. So, if you are available, we can use the help.

At this time many of our Post and Auxiliary members are returning from the Department Convention held in Syracuse, during the past week.

Have a nice summer and enjoy your vacations.

Geraldine Seitz  
Communication Chairman

## On The Campus

The month of May was a particularly happy and proud one for the Joseph Haggerty's of 99 Nevada Street, Hicksville. Their son John graduated from the University of Missouri with a 2 year masters degree in counseling and personnel services. He is now employed as an Assistant Manager of the Fayette Shopping Mall in Lexington, Kentucky, and loves it. Their second son Joseph graduated from St. John's University, having completed 4 years of college in 3, and graduated Magna Cum Laude. He will attend St. John's Law School in the Fall. Best wishes to all.

## Our Armed Forces

combat meritorious achievement or service to the United States.

His wife, Kathleen, is the daughter of Mr. and Mrs. William Bartel of 23 Bartel Drive, Greenlawn, N.Y.

Pribble, an air operations officer, is a 1970 graduate of the University of New Hampshire at Durham.

## K of C News

The members of Bishop Walter P. Kellenberg D.D. Assembly, 4th Degree Knights of Columbus, elected the following officers for the 1981-1982 fraternal year.

Eugene Reilly - Faithful Navigator - St. Paul the Apostle Council, Jericho.

Frank Klarmann - Faithful Captain - Joseph Barry Council, Hicksville.

Frank Stuyvesant - Faithful Pilot - Joseph Lamb Council, Plainview.

Ernest Berry Jr. - Faithful Admiral - Corpus Christi Council, Mineola.

Ferd. Bodj - Faithful Comptroller - Joseph Barry Council, Hicksville.

Jack Elliott - Faithful Purser - Joseph Lamb Council, Plainview.

Robert Judge - Faithful Scribe - Fr. William Daly Council, Great Neck.

Frank Irwin - Faithful Inner Sentinel - Port Washington Council, Port Washington.

Fred LaCroce - Faithful Outer Sentinel - Corpus Christi Council, Mineola.

Arthur Ferguson - Three Year Trustee - Joseph Lamb Council, Plainview.

This Assembly, under the guidance of all these fine men, hope to attain another year of continued ideals and successful goals.

## Cocktail Party

The Nassau County Council of Young Republicans has recently announced the date of their annual Cocktail Party. It will be held on Sunday, August 9, at the Garden City Senior Recreation Center. There will be an open bar, an unlimited buffet, and live entertainment for the low price of \$10 per person.

Leaders from the House and Senate, the state legislature, and the County and Town are expected to be in attendance. At this affair, the Young Republicans will be honoring Hempstead Town Presiding Supervisor Thomas S. Gullotta.

Some young people from your area may be involved with this party. For example, Anthony Saitta of Williston Park is the Reception Coordinator and Council Third Vice-President, Council President Thomas Simmonis from Baldwin, Entertainment Chairman Bill Alefeld lives in Levittown, and Edward Purcell of Garden City is the Ticket Sales Chairman. Why don't you come? See who you know! Talk to your government leaders, and have a good time.

If you're interested, contact Third Vice-President Saitta at 742-3440.

## New York Philharmonic

The Nassau County Office of Cultural Development, Marcia E. O'Brien, Director, proudly presents the New York Philharmonic on Sunday, August 2, at 8:00 pm as part of their Summer Performing Arts Festival in Eisenhower Park, East Meadow.

The New York Philharmonic, in residence at Avery Fisher Hall, is by far the oldest symphonic organization in the United States and one of the oldest in the world. On August 2, Maestro Edo de Waart, Music Director of the San Francisco Symphony, will conduct the New York Philharmonic performing "Symphonie Fantastique" by Hector Berlioz, "School for Scandal Overture" by Samuel Barber, and "1812

Overture" by Illyich Tchaikovsky. This performance will be held in the Meadow, Parking Field #4, in Eisenhower Park. Bring your own chairs, blankets and picnics. In the event of rain, the performance will be moved to the Calderone Concert Hall, 169 North Franklin Street, Hempstead. For further information, please call (516) 846-9333.

The Summer Performing Arts Festival is made possible by public funds from the Nassau County Office of Cultural Development, the New York State Council on the Arts, Music Performance Trust Fund of the American Federation of Musicians and by European American Bank.

## County Recreation

**N.Y.S. JR. OLYMPIC COMPETITION:** Nassau County Rifle and Pistol Range, extension of Uniondale Ave., West of the Coliseum, Uniondale, Thursday through Sunday, August 20-23, from 9 A.M. to 5 p.m. For ages 12-18. This is a small bore .22 caliber match with participants required to provide their own shooting equipment. For registration information, call 222-2464.

**NASSAU COUNTY TOUCH FOOTBALL LEAGUE:** Eisenhower, Cantlague, and Wantagh Parks, August through December. For men 18 and over. Exhibition games will be played from mid-August to mid-September. Regular season play mid-September to mid-December, weekends and evenings. For registration information, call 292-4284.

**HISTORICALLY SPEAKING...** The Association of Nassau County Historical Organizations' Committee to Commemorate the 300th Anniversary of Queens County outlined their plans to County Executive Francis T. Purcell, center, in a meeting at his Mineola office.

On Nov. 1, 1983, at the first session of the New York General Assembly, Queens County was established, including in its borders Newtown, Flushing, Jamaica, Hempstead and Oyster Bay as well as other outlying farms and settlements. Gathered at the meeting are, left to right, Gary Hammond of Farmingdale, from the Farmingdale-Bethpage Historical Society; Frank J. Pistone of Manhasset, from the North Hempstead Historical Society; Dorothy Horton McGee of Locust Valley, from the Friends of Raynham Hall; Dr. Myron H. Luke of West Hempstead, from the Cow Neck Peninsula Society, and Ernest Marshall of Garden City, from the Nassau County Historical Society.

## D'Amato: "Help For All Taxpayers Is On The Way."

Historically, the United States has been a nation of givers rather than takers. From the early days of George Washington and our country's inception, sharing and volunteer work of all kinds have assisted in cementing in place the work ethic which has governed this land for over 200 years.

As we in the Senate continue to consider the Reagan

tax package designed to restore our nation to economic well-being, it was my pleasure to have been able to co-sponsor, this past week, a successful measure designed to assist all taxpayers who make contributions to charities.

This amendment will, if it becomes law, extend to every American taxpayer,

## Garden City Hotel To Rise

With financing complete and a London-based firm selected as manager and operator, construction on a \$30 million, 290-room luxury hotel in Garden City is now ready to begin upon final site approval.

Williamsburgh Savings Bank has agreed to put up \$20 million and the Nelkin Organization, the developer, will provide the rest. The Garden City Village board still has to approve the final

site plan but it would seem that this is only a formality inasmuch as village officials have already stated that plans conform to zoning requirements.

Trusthouse Forte Ltd. will operate and manage the Garden City Hotel. Headed by Sir Charles Forte, the \$1.5 billion London-based worldwide chain operates more than 800 hotels in 44 countries.

(Continued on page 10)

regardless of income class, the privilege of deducting charitable contributions from taxable income.

Present law provides that only those who itemize their deductions may be afforded this tax benefit. Currently, this amounts to only 29% of American taxpayers - mostly those in upper income tax brackets. This means that approximately 71% of the taxpaying public is denied the opportunity to deduct expenses accrued as the result of charitable giving, simply because they do not itemize. This is unfair and must be corrected.

For private philanthropy to keep pace with inflation plus make up for the loss in federal financing resulting from budget cuts already approved by Congress, 1982 private giving to nonprofit organizations would have to be 26% greater than it was in 1981. In 1983, the rate of increase in private giving to

volunteer organizations over 1982 would have to be 31% just to maintain present services. In 1984, a 44% increase would be necessary.

I have every confidence that private philanthropy will meet this challenge and keep our volunteer community alive and active.

In addition, I believe it is appropriate for the government to encourage these activities through the tax system. Volunteer organizations involved in social welfare, education, health services, conservation and the arts will all benefit through this legislation.

The amendment to provide these tax deductions for charitable contributions is consistent with the President's policy of across-the-board tax relief, and is consistent with my policy of protecting the average American taxpayer - a commitment that I intend to keep.

I'll bet the cost of Shoreham is the real reason why we have such high electric bills. Am I right, LILCO?

The facts are only about 5% of your bill pays for Shoreham while more than 50% pays for oil.

The base electric rate you pay Long Island Lighting Company has pretty much kept pace with the inflation you've experienced in paying for other necessities.

The real culprit is not Shoreham but the high cost of oil which is the main generating fuel Long Island has had to depend on.

Oil has gone up nearly 1,000% since the beginning of the OPEC oil embargo in 1973, and its price has doubled in the last year alone.

This has meant that today more than 50% of your electric bill goes just to pay soaring oil bills - which remain astronomical despite the recent "promise" of OPEC to hold present prices through the end of the year.

That's why we're working hard to complete our Shoreham nuclear plant. It will decrease our dependence on OPEC oil by almost one third and save customers like you hundreds of millions of dollars on your electric bills in years to come.

No responsible expert, in government or industry, thinks oil prices are going to go anywhere but up in the long run. So we'll all be in a better position to weather OPEC price increases with Shoreham in operation. Paying about 5% on your electric bill today will really turn out to be a small price for being prepared in the future.

There's no way we can ease the impact of oil prices right now. But getting Shoreham in operation will save us 8 million barrels of oil a year. And that will help all of us. Long Island Lighting Company.

# Dear Friends ...

What an exciting week...with Mrs. Reagan attending the wedding of the Prince of Wales and Lady Diana Spencer, and our president working hard and emerging victorious with a tax reduction that promises eventually to lead to more employment in the private sector (instead of by government), lower taxes and, as has already started, lower inflation rates.

On the local level candidates are running for County and Town positions. We hope that you will inform yourselves, on their qualifications, experience, and integrity. We urge you to remember that just because you see something in print in the daily and even in some weekly newspapers, doesn't necessarily mean that it is true. Some publications do not check out all their news releases. We do, if we plan to use them. You too can always write or phone your elected representatives and ask what they are doing about whatever possible problems you read in your newspapers. For example, the quality of the water throughout the Town of Oyster Bay is constantly being checked, not only by the Local Water District but also by environmental experts employed by the Town itself. Check it out if you are concerned.

SHEILA NOETH

## OPERATION V.F.W.

It was Sunday, July 19, we were walking through the park, Eisenhower Park that is. There were the six of us, Tall Tony Basile, short and round Joe Normandy, Howie 'The Beard' Bergeron, Bill Schuck, Connie Steers with his pot belly, and myself, Jerry O'Brien. It was a lovely sunny Sunday morning, people were picnicking, playing softball, some tossing horse shoes, others flipping frisbees, a colorful kite or two climbed into the sky, while tiny snarling motors drove radio-controlled model hydroplanes lashing around and across the lake.

It was a lovely morning for a walk and a wake. That was precisely what the six of us were doing in the Chris Moeller Memorial Walkathon. We were holding a wake, walking in a lovely park surrounded by life and laughter, toddlers and teenagers, the old and the young. Considering our backgrounds it would be difficult to find six men having less in common with each other than in our group. We were of Italian and Irish, French and German, even Lithuanian (that's Connie) heritages. Had you been there to see us though, you would have noticed that we were all wearing Veterans of Foreign Wars overseas caps with Post 3211 embroidered on the side.

None of us from Post 3211 even knew Chris Moeller or, even knew that he existed until a few weeks before his death. Chris Moeller died of cancer of the tongue. He was an Agent Orange Cancer Casualty of Viet Nam and the United States of America. Combat veterans who saw and met death in all its gruesome forms on the battlefield, exhaust with wonder when a life is spared his own.

### By Sheila Noeth

At the regular meeting of the Town Board of the Town of Oyster Bay the Board acted as follows in these local matters:

They reserved decision on the petition of Bertram Corin, Esq. and Stanley Beals, Esq. for a change of zone from Res. D To Bus. F District to erect a building for professional offices at the intersection of Flower St and Newbridge Road in Hicksville. In opposition Robert Nayer of 16 Flower St handed in 11 verified signatures of neighbors who opposed this petition because they are concerned about traffic flow, and parking in the area. Mrs. Margaret Listort of 10 Flower St and her son-in-law John Carlucci, both spoke in favor of the petition. Mr. Listort stated that the lot in question had been vacant for a long

time and is overgrown with weeds and high growth. It is presently dangerous to close neighbors, she said. Mr. Corin, co-owner of this property, said that he would clean up the high undergrowth. Mr. Mews of 21 Flower St spoke in opposition to this petition because of how it would affect traffic and parking.

They reserved decision on the petition of BP Oil, Inc. for a change of zone from Bus. F to Bus. G District and for a special use permit to demolish the existing structure and construct, maintain and operate a modernized gasoline filling station with kiosk canopy where no repair work of any kind will be done on the northwest corner of South Oyster Bay Road and Plainview Road in Hicksville. This petition asked the right for a special covenant to back light the entire canopy area, and, al-

though no one appeared in opposition several members of the Board mentioned that while the changes in the structure was agreed upon, even four years ago, this particular covenant was denied at that time.

They approved Resolution No. 576-1981 extending the lease of the Nassau Brick Company of Old Bethpage by one month so that they could complete their moving operation.

They approved Resolution No. 577-1981 relating to the Environmental Impact Consultations and the general authorization in connection with the Old Bethpage Solid Waste Disposal Complex.

They approved Resolution No. 583-1981 relating to the site plan approval on the petition of Ace Properties for a change of zone at Woodbury Greens in Woodbury. The Board, in

August of 1980 had already approved a change of zone from BA residential (one family clustered) to B-1 residential (one family, 1/2 acre). This approval was of the site plan of Ace Properties.

They approved Resolutions Nos. 585, 586A and 586B, 1981 relating to the reconstruction of the Hicksville parking garage building general maintenance and the reconstruction of various Hicksville parking fields including incidental improvements in connection therewith, for an on behalf of the Town of Oyster Bay Public Parking District. These all covered temporary commuter parking and parking garage maintenance.

The next Town Board meeting is scheduled for Tuesday, August 11th, at the Town Hall on Audrey Avenue in Oyster Bay.

Joe Jablonsky  
Hicksville East Executive Leader

In last week's column, I brought to your attention the importance of writing to your Legislators to let them know you care about the issues that are important to you. In addition, I provided you with a few suggestions to make your letter more effective in obtaining your desired results.

To underscore the significance of the above, please read the following news release from Congressman Norman Lent:

"RECORD NUMBERS OF CONSTITUENTS CONTACTING CONGRESS  
"The U.S. Postal Service has seen nothing like it. Neither have Members of Congress. The heaviest load of mail in history continues to pour into Washington from

all over the country. More constituents are writing to their Congressmen and Senators than ever before.

"The Postmaster of the U.S. House of Representatives says as much as half a million pieces of mail arrive for Members of Congress each day. I know the mail from my Fourth District constituents is heavy—hundreds of letters, cards and telegrams pour in each day. At this rate my office in Washington will receive more than 100,000 com-

munications in 1981. And I think that's just great!"

"There's nothing I like better than hearing what my constituents think about issues of the day. And the hundreds of letters I receive each day cover a huge number of subjects—the budget, the Reagan Economic Recovery Program; taxes; proposed changes in Social Security laws; foreign policy; interest rates; money; markets; funds—just about any subject involving

## HBA Wins Division Title

By Carole Wolf

In a complete team effort, the 12 year old All-Stars won three games in a row to take the District 33 Championship for 1981. Under the leadership of manager Tom Zagajski, HBA beat Syosset South 11-2 and then took two from Syosset North 8-0 and 9-8.

It was a do or die situation when HBA faced Syosset South last Thursday, but with hitters like Craig Colasanti, who had a pinch hit HR, Eddie Rothschild who went 3 for 4 with a HR and 2 RBIs, Donald Sirey who went 3 for 3 with a HR and 2 RBIs and Rocky Lombardo who went 2 for 3, the team had a nine run lead. Lombardo, with his super pitching and 8 K's helped to keep them there.

Their life was on the line again when they faced Syosset North, but the hitting was the life-blood of the team as Tom Zagajski went 2 for 2, Donald Sirey went 2 for 3, Allan Sheffield went 2 for 3 with a HR and Eddie Rothschild hit a HR. John Sirey who pitched a shutout and Richie Notaro who is a super shortstop helped sew the game up.

In the District Championship game, both teams were out to win. In the final analogy, HBA came out on top by one run because of the hitting of Donald Sirey who went 3 for 3, Allan Sheffield 2 for 3, Ed Greaney 3 for 3, Bill Sharkey key pinch hit, Rocky Lombardo with a GRAND SLAM and

Ed Rothschild for the game winning double. Paul Bruno did a super catching job.

Zagajski: "After Hicksville fell behind 4-0, Rocky Lombardo tied the game with a GRAND SLAM in the bottom of the second. Syosset came right back and scored 4 more in the top of the 3rd to take an 8-4 lead. In the bottom of the 3rd, Hicksville tied the game 8-8 with 6 base hits. HBA brought in Tom Zagajski to pitch and he had 3 scoreless innings. Ed Greaney doubled in the bottom of the 5th and Ed Rothschild knocked him home with a double which turned out to be the winning run."

Mr. Zagajski would also like to thank the people of HBA for their terrific support that they gave to the team at each of the games.

Now that the 12 year olds won the district, they will go on to play the sectionals and the first game will be held on the Merry Lane field in Jericho (take 106-107 north, bear right on the Jericho Turnpike exit and stay to the right. Merry Lane is the first light. Make a right and the field is on the left past the gas station.) Be there at 5:30 P.M. this Tuesday to cheer the boys through sectionals.

Nine district winners are playing sudden death in sectionals and the winners go on to Division. The winners of Division go on to regionals where the North, South, Central and West winners get a chance to go to Williamsport. We intend to go all the way.

In other all star action, the 11 & 12 year olds lost to Hicksville American on Saturday 10-1. Bergamini, Steve Destafano good job catching 3 innings, Danny Bergamini good fielding at SS and good relief pitching. Offensively, Chris Palmer had a sacrifice RBI.

On Sunday, the 11 & 12 year olds lost to North Syosset 6-2, Mike Teplarsky, Danny Bergamini & Arlen Strongin pitched 2 innings each allowing 5 hits; Bergamini 4 put outs at SS, good stops in the field by Bill DeMuth, Jeff Teplarsky & Steve Volino. Offensively, Bill DeMuth S, Mike Teplarsky S, Arlen Strongin S, RBI. The managers and the coaches want to thank all the boys for their efforts in making this a successful tournament. Manager, Dennis Bergamini also wants to thank the coaches Steve Strongin & Tony

## Hicksville American Little League

By George Maggio, Jr.

Sunday July 26 was the last day for tournaments. After the games the boys and girls received their trophies.

When all settled down there was a softball game with the fathers and umpires, followed by a softball game with the mothers vs the kids. The later gamewas umpired by the keen eye of

Mr. Bloem. I think the mothers paid him off on some of the calls.

A good time was had by all and I'm sure that night Ben-Gay was used by all (adults that is).

At this time we would like to give a special thanks to Dom Martello for the fine job he did organizing the tournaments. Mrs. Bloem along

with Kathy Langone who took care of the refreshments. And we would also like to recognize our directors who did a fine job this year.

A League - Trevor Torman  
Minor League - George Goettelmann  
Major League - Bill Sullivan  
Have a good summer! See you next season!

Volino, and also Mike Fevola and Mr. De Muth who were always on hand to help. Mr. Bergamini said, "My vote for the most co-operative & Pleasant player goes to Russ Cassar."

The 11 year olds lost to St. Hugh/St. Elizabeth 4-0. Defense Brian Goerke pitched 2 scoreless innings, Mike Gallagher nice catches in center. Sunday, the 11 year olds lost to New Hyde Park 10-1.

This past Saturday, in a walk-a-thon, the 11 year olds beat Hicksville American 9-1. There were 9 runs on the one hit of John Krynsky, Jimmy Antoinetti scored two runs on a fielders choice; Robert Zoine excellent relief pitching and Billy Cornelius

good pitching, said manager Jim Pagell.

Last Sunday, the 11 year olds lost to Syosset North 3-0. Defense - Billy Cornelius pitching; Offense - Robert Zoine S & Billy Cornelius D.

The 10 year olds finished the regular all-star season with a win against Hicksville American 6-2 and a loss to North Syosset 4-3 which was in extra innings. All of the boys played all of the games

to the best of their ability, said Ron Alfin, manager. He said that "the season ended making everyone happy." All of the boys had their moment of glory. All of the boys contributed. All of the boys ended the season with better than a 400 on base average. What more could a manager ask for?" He concluded by stating, "I thank all of the boys for a great season." And Ron Alfin helped them celebrate with a large cake and a father-son game.

## LEGIONNAIRE'S LOG

By Richard Evers

CHARLES WAGNER POST # 421  
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Commander Lou Braun asked this column to devote an issue to summarizing our post's interest in the Vietnam veteran. It is a great pleasure to do so for, as a professional historian, I have long admired the American youth and men who served, were wounded or died in that frustrating, bloody crusade. Charles Wagner Post's support of our men and cause in Asia began early, with several war-time mailings of gift and relief packages. Our color guard and members took a prominent part in New York City's two great parades: in support of the government's effort in the 'sixties, and in the tribute to Vietnam servicemen along Broadway, later. In 1972, our Americanism chairman prepared an honor roll of the names of Hicksville's twelve heroic Vietnam dead which is frequently on display in the Hicksville Gregory Museum. As the war dragged on interminably, the nation and our post became aware of the large degree of war-induced neurosis and trauma undermining the lives of some discharged Vietnam members. In response to a voiced need for out-patient mental therapy centers, Charles Wagner Post throw

open its doors and resources for twice a week counseling quarters for the medical staff of the North Port Veterans Hospital. For almost ten years, this Satellite Program occupied the bi-weekly interest of devoted Legionnaires and Auxiliary members who made the emotionally and mentally disabled war veterans and their therapists welcome at our post. This much underpublicized program was among our finest hours. It became the prototype for a National American Legion out-patient program and is, today, carried on by our buddies of the Hicksville V.F.W. ... (more regarding Vietnam members next week)

News and Notices: a large turn-out of post members at Stocks said good-bye to a much liked comrade, Gunther "gunner" Barnett. We express our sincere condolences to his family ... Charles Shore, thirty year member, is recuperating at home. Hang in there, Charlie, Wes, Artie and Ed ... Membership notices are out for 1982 ... Last week's Las Vegas Nite was the best yet. Congrats to Jack Reichlen and his Committee people ... John Sheppard has had our roof fixed. The

clubhouse is snug and air-conditioned. Great place for a family affair.

## New Technical Course To Be Offered At BOCES

The Board of Cooperative Educational Services of Nassau County (BOCES) next fall will introduce a new three-year course in architectural and construction engineering, designed for above-average high school students.

It is the cooperative board's second venture into technical education. Last fall more than 40 young men and women began a three-year sequence in technical electronics.

Students accepted into the technical courses spend half of each day at the BOCES County Center in Westbury. They spend the remaining half at their home high schools pursuing their other academic subjects.

The technical courses are being offered because the current shortage of trained technical personnel is expected to become more acute in the future on Long Island and throughout the country. A BOCES survey found that more than 2,000 ninth

graders throughout the county were interested in technical education.

The new course will cover architectural drafting, structural material selection and design, energy and conservation, and construction techniques.

Students completing the course will be qualified as drafters and technicians, capable of joining an engineering team in industry. Or they'll be able to enter two-year and four-year college

programs with advanced standing.

Applications are being accepted now. Students who have completed the ninth grade with better than average grades in English, science, and elementary algebra and who pass an entrance examination are eligible to enroll. Additional information is available from local high school guidance counselors or from the Nassau BOCES County Center's guidance department.

## Writers In Residence To Present Musical

Writers in Residence will present a musical fantasy, "Don't Plan for Me," Saturday, Aug. 8 at Eisenhower Park's Lakeside Theater beginning at 8 p.m.

According to Nassau Recreation and Parks Commissioner Abram C. Williams, Writers in Residence is a non-profit, performing arts organization that is dedicated to reaching and enriching the lives of economically, educationally and/or emotionally deprived youth throughout Nassau County. Williams added that the organization encourages all participants to sing, dance, act and use the skills

learned during their workshop to pull together a full-scale musical production.

All Nassau residents and their guests are welcome to see this free and enjoyable performance. The rain date is Wednesday, Aug. 12.

Eisenhower's Lakeside Theater is located near parking field No. 6. Since there are no formal seating arrangements, Commissioner Williams suggests that theatergoers bring folding chairs and blankets. In the event of inclement weather, call 292-4175 for verification of performance. For further information call 292-4171.

## Irish Night

Bank.

A delightful evening of Irish music, dance and song will gladden hearts at Eisenhower Park's Lakeside Theater Monday, Aug. 3 at 8 P.M. at the Nassau County Department of Recreation and Parks presents the fifth in its 1981 International Nights series, co-sponsored by European American

Eisenhower Park's Lakeside Theatre is located adjacent to parking field 6 and 6A. Since there are no formal seating arrangements, it is suggested that theatergoers bring chairs or blankets. If weather is doubtful, call 292-4175 for verification of performance.

## GARDEN CITY HOTEL

(Continued from page 3)

Theodore Bindrim is the architect. Initial plans indicate shops, swimming pool and banquet facilities for up to 800 persons.

Myron Nelkin acquired the hotel site in 1978 after the project had lain dormant for four years since the then owner Michael Forte (no relation to Sir Charles Forte)

abandoned the project when finances ran out.

In addition to the hotel, the Nelkin Organization is planning a second phase which will include three condominiums with 396 super luxury units to be priced from \$250,000 up.

(From LIBI newsletter)

## Aug. 18-23 Slated For AHRC Horse Show

The eighth annual Great AHRC Horse Show will be held on August 18th through August 23rd at Stillwell Woods Park in Syosset to benefit the Nassau Association For The Help Of Retarded Children.

The 1981 competition, which is part of the Grand Prix National Tour sponsored by the American Grand Prix Association and Carte Blanche, features a prize purse of \$45,000. The show includes a local events day on Tuesday, August 18th, with the finale set for Sunday, August 23rd, when the

\$15,000 Nassau Downs OTB Grand Prix will be presented. Last year's winner of the Grand Prix was Rodney Jenkins, whose horse, Second Balcony, won by a crowd thrilling two-tenths of a second for a time of 42 1/2 seconds.

The show is open to the public and there is no admission charge - although there is a parking contribution of two dollars per car. The activities on Saturday and Sunday, August 22nd and 23rd, in addition to the top purse events, also include what is described by AHRC as a Family Fun Weekend. A

band and other attractions will precede the Sunday Grand Prix and all through that weekend in a special area there will be exhibits of craft items as well as games and activities geared primarily to children and some family entertainment is also scheduled at that time.

Proceeds of the Great AHRC Horse Show go to help maintain the programs for the mentally retarded in Nassau County which each day serve about twelve hundred children and adults. Currently the

Nassau AHRC has vocational training centers located in Plainview and Freeport as well as community residences scattered throughout the county. On its Brookville campus the organization has a school and training center as well as a day treatment program. Brookville also houses a summer day program and there is a residential camp in Hunter, N.Y. AHRC is planning to break ground during the fall for an additional building of about sixty thousand square feet which will enable expansion of the day treatment program.

# Families For Life Club News

By Doug Harknett

As reported in the press, the Human Life Bill has been approved by Sen. John East's subcommittee on the Separation of Powers to the Full Judiciary Committee. The bill stipulates that "Congress finds that present day scientific evidence indicates that a human being exists from conception"; and that "the Fourteenth Amendment to the Constitution of the United States was intended to protect all human beings." It further provides that only the Supreme Court would have jurisdiction in the matter of abortion, thereby eliminating years of local jousting in the lower courts, and virtually assuring an immediate test of the law in the top court. According to Senator East, this is the first time that a pro-life matter at odds with Roe v. Wade has been reported out of a subcommittee.

The fate of the bill in the full committee can only be guessed at present. There is strong sentiment for a Human Life Amendment rather than a bill, and a judgment will have to be made regarding the strategy to be used.

First, Senator Orrin Hatch's Constitution Subcommittee wants to review the various amendments that have been proposed. There are 11 or 12 separate amendments that

have been introduced over the years, of which the most well known are those of former Senator Jim Buckley, the National Right to Life Committee, and the Helms-Dornan 'Paramount' Amendment. One type of amendment would simply throw the matter back to the states - a so called states rights approach. However, because this would result in 50 different laws, some of which might legalize abortion under certain conditions, the approach is unacceptable to the pro-life movement.

The three proposed amendments mentioned above all have the same objective, - to outlaw all abortions, without exception, but to allow removal of a cancerous or a tubal pregnancy which are not done with the intent to kill the child and therefore are not abortions. The difficulty is with the language.

If the bulk of the pro-life movement can agree on the language, the strategy might be to propose an amendment first, and try to pass it with the required two-thirds vote in the full House and Senate. If that failed, the Human Life Bill would then be proposed, requiring only a majority vote. Senator Hatch's subcommittee will begin hearings in September.

Families for Life is the local pro-life group. For further information write to Box 574 Hicksville, N.Y.

(180). The next meeting will be held on Wednesday, August 26th at Levittown Hall, Hicksville, at 8 PM.

## CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO  
CHIROPRACTIC STUDIES

There is growing interest these days in the "holistic" approach to health and fitness, sometimes referred to as "positive wellness." This is the idea that, whether preventing disease or treating it, one must consider the whole human organism rather than the disease and its symptoms.

Chiropactic has had that approach since its inception. Environment, diet, rest, absence of tension, exercise - all these are what keep a person healthy. And when something goes wrong, chiropactors approach treatment by way of the whole

body. By returning the body and its nervous system to proper alignment we enable it to cope with many diseases.

Patients are encouraged to participate actively in the achievement of health. The chiropactic profession believes that it is just as important to teach the patient what to do for his or her SELF as it is to do FOR the patient.

# Around Our Towns

Lynda North Scott - 796-1286

Harriet A. Maher - 433-5994

Many good wishes for a complete recovery to both Alice and Frank Mulligan of 47 Twinlawn Ave., who have recently been patients in Central General Hospital.

And who owns the snazzy Chevy Manza that was parked on Mayfair Lane the other day? We heard that it was Barbara Bardenhagen who drove up in style when she attended her grandmother's 80th birthday party. We also learned that Barbara has covered a good many miles since she acquired her new car. Good luck with it, Barbara.

## Engaged

Mr. and Mrs. Earl Clark of Dartmouth Drive, Hicksville, happily announce the engagement of their daughter, Cathie Leigh, to Glenn Richard Wohl, son of Mr. and Mrs. Wesley Wohl of Willfred Blvd., Hicksville.

Miss Clark will be a senior at Hicksville High School in September. Mr. Wohl is a 1980 Hicksville High graduate and is presently employed by the Minute Man Press on North Broadway.

The couple is planning an October 1982 wedding.

The golf course is a fascinating attraction to many Hicksvillites. For example, last Thursday Anne and Frank Kremler met George and Ann McGuire on the "greens" at 8:30 a.m. And on Friday, they met Billie and Bill Schiffmacher, Larry and Elvira Barroletti and Pat and Kay Menshing at the Sunken Meadow Golf Course. We learned that plans for a "husband and wife" golf tournament are underway. May the best "team" win!

Another of Hicksville's octogenarians, Ida Mae Herfurth, has become a radio celebrity. Seems that Ida Mae called in to Patricia McCann's WOR radio show with some excellent recipes. Patricia McCann had some culinary experts on the program and they were impressed with Ida Mae's culinary knowledge. In fact, they asked for some of Ida Mae's recipes and she graciously agreed to furnish same to anyone who would send her a self-addressed, stamped envelope.

An exciting, and fun-filled vacation was enjoyed by Jean and Gerry Hitchen, Hicksvillites. They took two of their grandchildren, Scott

and Kimberly, for a week's vacation in upstate New York. Their two other grandchildren, 2-year old Sean, and two-month old Matthew, were too young to accompany their brother and sister. But time flies, and it won't be long before Grandma and Grandpa can take all four children on vacation.

Autograph seekers are destined to be in the future of Jeffrey M. Grill of Bradford Road, Plainview. Jeff's enthusiasm and acting talents captivated audiences during his stage debut in the PLAINVIEW-OLD BETHPAGE Summer Drama Workshop Production of "In Other Words." Jeff will be attending SUNY Binghamton's Business School this fall, and hopes to become involved in theatre production. Family and friends wish you good luck

## REPUBLICAN CLUB

(Continued from Page 4)

The Congress that you can imagine. This unprecedented outpouring of opinion from Long Island has been of great help to me in my legislative work. I have always held the opinion that a Member of the House of

Jeff, in all your future endeavors.

Bradford Lech of Hicksville, an honors graduate of Nassau Community College is currently visiting his brother, Gary, who graduated from the University of Arizona with a Bachelor of Electrical Engineering degree and recently passed his Professional Engineering degree. Their brother, Winston, is also vacationing with them.

The three brothers are enjoying the climate of Santa Barbara and discussing the soon-to-be announced wedding of eldest brother, Gary.

Bradford will continue his education at Stony Brook to obtain a degree in Psychology.

The neighborhood misses the delightful music emanating from the Rock Group that Bradford played in — but everyone wishes him well.

Representatives has a duty to represent the view of his District as best he can determine them. Therefore, the more mail I get the better informed I am about our District's concerns.

"The strength of our great system of government lies in citizen participation. The more active citizens become in registering their views with their elected officials, the better government we will have."

"So keep those cards and letters coming. The U.S. Postal Service—despite its high rates—may be slow because of the big load. It has taken ten days or more to get letters from Long Island to Washington! But even if it takes a little time before you get a reply from me, you can be sure your views are helping me do a better job representing you in Washington."

Each week this column tries to bring informative and timely issues to your attention; therefore the previous news release points out the appropriateness of last week's article. Hopefully, future columns will be right on target, too.

A UNION CENTENNIAL: Oyster Bay Town Supervisor Joseph Colby puts his signature on a proclamation declaring August 8 "Carpenter's Centennial Day" in recognition of the 100th anniversary of the United Brotherhood of

Carpenters and Joiners. On hand for the occasion were Eugene Merkel (left), business agent for Local # 1093, which takes in Glen Cove and the Town's north shore area down to Jericho; and Ernest Dunack, business agent for Local # 1772

## Youngman - O'Reilly

Mrs. Doris Stich of Hicksville has announced the marriage of her daughter, Janet Elizabeth Youngman, to Mr. Kevin B. O'Reilly, son of Mr. & Mrs. Peter O'Reilly, also of Hicksville. The bride is the daughter of the late Andrew S. Youngman, Jr., and step-daughter of the late Edward Stich. She was given in marriage by her brother Thomas of Holly Hill, Florida.

The wedding took place on July 11th, at Trinity Lutheran Church, with Pastor Frederick M. Rapp officiating, assisted by Father Edward Caskin of St. Ignatius R.C. Church. A reception followed at the Chateau Briand in Westbury.

Mrs. Lynn Balk of Farmingville was matron of honor for her sister, and Thomas O'Reilly of Hicksville was his brother's best man. Bridesmaids were

the bride's sister-in-law, Carol Youngman of Holly Hill, Florida; Terry Entler of No. Babylon; Patricia Holowecki of Mineola; Sandy Ruff of Massapequa; Patricia O'Reilly, the couple's sister-in-law of Pennsylvania; and Cecilia Ringelsen of Hicksville.

The ushers included the groom's brothers, Peter, Brian and John of Hicksville; Edward of Pennsylvania; the bride's brother-in-law Karl Balk of Farmingville, and Brian Healy of Hicksville.

The bride is a graduate of Flushing Hospital School of Nursing and is an assistant head nurse at Flushing Hospital. Mr. O'Reilly and his bride are graduates of Hicksville High School, and he is employed by Vicon Electronics.

After a honeymoon trip to Bermuda, the couple will reside in Westbury.

## POB RUNNERS (Continued from Page 1)

hope that the weatherman decides to cooperate!

Eight of our Club members went to the starting line of the Olympic Village 5 Mile Summer Road Race in Huntington on July 19. Howie Greenberg's 28 minute, 39 second time (a personal best for Howie) was the top Club time. Also successfully completing this hilly and otherwise tough course were Dave Lorber, Steve Shushan, Mark Weingart, Al Rosenberg, Steve Hannwacher, Odd Sangeland and Ed Naughton. It was Ed's first race since he broke his ankle back in February, and his wife and family were on hand to watch him complete his comeback.

On July 18, Bert Jablon competed in the Miller Place Historic Run, completing the 10K course in 39:58, good for 3rd place in the 50 and over category.

The Massapequa Road Runners Club Firecracker Run on July 5 was a real "family affair" for club members, with four husband and wife teams competing in the 5 Kilometer event — Mike and Sue Polansky, Howie and Mona Greenberg, Alan and Helene Slopek and Marshall and Karen Mankin.

Also participating were "unattached" Club members Steve Calrin, Tom Hall, Bert Jablon and Larry Davidson. Howie Greenberg's time of 17:17 was good for 26th place overall out of 731 finishers, and Bert Jablon took the 2nd place trophy in the 50 and over age group.

Also on July 5, Jeff Trugman travelled to Fort Lee, New Jersey to take part in the Pepsi Challenge 10 Kilometer Race over the George Washington Bridge. Jeff isn't talking about his time, except to say that he finished "considerably" behind race winner Bill Rogers!

We got a nice note in the mail last week from Harry Constantine, a former Plainview resident and POBRR runner, who now does his running from his new home in Woodland Hills, California. Harry writes that he competed in the Bay to Breakers Race in San Francisco back in May (along with 40,000 other runners!!) and is planning on running in the San Diego Half Marathon in August and in the Rose Bowl Marathon in November.

August is something of a slow season for road racing, but there are at least two races that deserve mention — the August 15 Town of Brookhaven 10K Summer Road Race at 10 Kilometers and the August 22 Merchant Marine Academy Mini-Marathon at 5 Miles. Call Mike Polansky at 433-0919 for race applications.

Weekend group runs continue throughout the summer. Call Mike for details, or call Joe Kessler at 433-7089 for info about a very relaxed group (mixed men and women) that heads for Bethpage State Park on Saturday mornings for 5-6 miles at a fairly slow pace.

# Don't Buy Auto Insurance

If you also own a home

Chances are you can get more insurance protection for your auto and home insurance dollar with PCP—Personal Comprehensive Protection—the special insurance policy from The Continental Insurance Companies.

PCP gives you comprehensive coverage for your home, car, personal property and liability in a single convenient policy. You get a single, high limit for liability—on claims arising from your home or car ownership or your personal activities. You get a single, high limit on losses to your home, garage and household furnishings. You get automatic inflation coverage for your home—to keep up with rising rebuilding costs. You get full replacement cost protection—with no depreciation—for your home, and in most cases, for your personal property.

We believe PCP is one of the best insurance values available

today. It's convenient. It's complete. And, it offers options to meet your special needs.

So, if you own a home and a car, find out how PCP can give you more protection for your insurance dollar. Stop in and see us, or give us a call today.
