Carpenters Centennial '81

The month of August is the birthday of the United Brotherhood of Carpenters and Joiners of America. Our organization was founded August 8, 1881 with 2,042 members by Peter J. McGuire and Gabriel Edmonston. In a two year period the organization had grown to 18,481. Today our membership stands at 800,000 plus.

Chicago to begin our second century. Local Union 1772 of Hicksville, N.Y. is only one Local of many which was chartered June 18, 1917 and has grown with the times in the Town of Oyster Bay.

The Business Representative of this local, Ernest Dunekack, is proud of the members of the Union who have helped build this area to what it is today. The Union has always strived for better working and living conditions for all their people.

The program at the July 29 meeting of the Hicksville Kiwanis Club was presented by the Linus Alarm Corp. with a slide presentation showing the need for trying to burglar-proof one's home and place of business. Representatives of the company also spoke about some of the details of their service, and answered questions.

Shown in the photo, displaying their certificates of appreciation are, Mr. Gregory Janoff, on the left, Kiwanis Vice President Charles Montana, Jr., in the center, who introduced the program and presented the certificates, and Mr. John McKnight, on the right.

A Letter From Hooker Chemical

In view of the many charges and allegations regarding health, safety and working conditions made by some striking employees, we feel that you have a right to know the true facts of the current situation.

• Q. Are the striking employees actually "locked out?"

A. No, they are not. At the time of the striking employees' press conference on July 23, the employees were not locked out as they publicly stated. For a two-week period beginning June 29, management and other salaried personnel operated the plant because of a dispute with the union which previously represented our employees, but which has since disavowed representation rights. On July 15, an offer of reinstatement was made by plant management to non-working employees, but they refused to return to work and have continued to remain away from their jobs at their own initiative.

• Q. Has the company refused to discuss health and safety issues, as charged by some striking employees?

A. Absolutely not. Allegations that the company refused to discuss health and safety issues are false, during contract negotiations, only two specific issues relating to health and safety were brought up by the union. The first was a request for establishment of a chain-of-command structure within plant management

for the appropriate people to hear and promptly respond to any complaints regarding safety and health. The second request was for the establishment of a permanent safety committee to meet on a regular basis. Such a committee consisting of union and management personnel has been meeting on a regular basis within our plant for the past three years.

Both requests were received very positively by plant management, proposals, according to the request were made in writing to the union negotiating committee, and our proposals were accepted by the committee. There was never any refusal by management to discuss individual health problems or working conditions.

• Q. Did the union request a 30-day extension so that contract talks could include health safeguards?

A. No, the union did request a 30-day extension, but, again, health and safety issues were never defined as reasons for extending the talks.

• Q. Did Hooker try to hide toxic chemicals from open house visitors by putting chemicals on trucks and driving them away from the plant?

A. No, the charge that Hooker loaded toxic chemicals onto disguised trucks and hauled these chemicals around Long Island during last year's

"Open House" is a particularly transparent fabrication. At no time ever were any drums of plant waste material driven around Long Island. On a regularly scheduled basis, plant wastes are transported directly to a government licensed waste disposal facility not located on Long Island. Every drum of waste material that leaves our plant is listed on a manifest in accordance with Federal Resource Conservation and Recovery Act regulations.

• Q. Is there any basis for allegations that employees have not been properly instructed in the care, handling and disposal of chemicals?

A. No. Employees receive appropriate instructions following all government regulations and where the company deems proper extends the instruction beyond the government requirements. A recent case in point serves to illustrate the facts. Very strict government regulations have been passed concerning the disposal of PCB's (polychlorinated biphenyls). There is a possibility that heat transfer fluids used in part of our manufacturing process might contain trace residents of PCB's. A booklet was published and a series of meetings were held in May with employees and supervisors in the Maintenance and Esterifications Departments and Pilot Plant

Operations. The subject of these meetings was proper handling and disposal techniques for both liquid and solid wastes which may contain these residues. Union representatives were present at all of these meetings.

• Q. Charges are being made that Hooker is contaminating the air and groundwater. Are they true?

A. Absolutely not. Charges that Hooker is contaminating both the atmosphere and groundwater are false and without factual support. The plant continues to meet all federal, state and local health and environmental regulations, and plant facilities are open to inspection by any governmental agency at any time. We have and will continue to have an open door policy. Hooker Chemical will continue to be a responsible member of the Hicksville and Long Island communities. To this end, the health and safety of our employees and neighbors, and the protection of the environment are of paramount importance.

I appreciate your concern, and have provided you with facts to clear up the confusion that has arisen. I know you share my feeling in looking forward to the end of this difficult time.

Sincerely,
Joseph A. Ruffing

Hicksville Fire Dept. Report:

Hotel - Motel Fire Safety

Fires in motels and hotels have been in the headlines during the past year. Thousands have died over the years in these fires but if they had followed a few simple rules a majority of those people would not have died. Most people are ill prepared for a fire in a hotel or motel and rely on the "staff" to bail them out, but believe me, you cannot depend on the staff in case of fire. History has shown some hotels don't even call the Fire Dept.

Smoke, Super Heated Gases and panic will almost always be the cause of death long before the fire arrives, if it ever does. You must know how to avoid panic and smoke to survive a hotel or motel fire. With this in mind, here are a few tips.

Smoke

Where there is smoke, there is not necessarily fire. A smoldering mattress will produce great amounts of smoke. Air ducts will sometimes pile up smoke from one room to another, and to other floors. 70% of hotel fires are caused by smoking and matches. Leave the hotel or motel at the first sign of smoke. Smoke being

warmer will start accumulating at the ceiling and work its way down. The first thing you will notice is there are no exit signs - exits will be covered later. Bear in mind that when you have smoke its too late to start looking for exit signs.

Smoke is bad on the eyes. Your eyes will just take so much and then they close. You will have no control over your eyes. The fresh air you want to breathe is at or near the floor. Get on your hands & knees or stomach and stay there as you make your way out. Those who don't won't get too far. Panic will make you do things that could kill you. People in panic are rarely able to save themselves. If you understand what's going on, what to do, where to go, how to get there panic will not set in.

Example: A man wakes up at 2:30 am to the smell of smoke. He puts on his pants and runs into the hallway only to be greeted by heavy smoke. He has no idea where the exit is. He runs to the right. He is coughing, his eyes hurt. Where is it? Where is it? Panic sets in. About the time he thinks maybe he is going the wrong

way, his eyes close. He can't find his way back to his room. His chest hurts, can't breathe, he needs oxygen. Total panic sets in, as he runs in the other direction. He cannot hold his breath any longer. They find him at 2:50 am dead. What caused all the smoke? A small fire in

a room where they store roll away beds. Remember: the presence of smoke does not necessarily mean the hotel or motel is burning down.

The man in the example would not have died if he had known what to do. For

"China Today"

The Hicksville Public Library August International Entertainment Series will continue Thursday, August 20 at 8 pm with the presentation of "China Today". This is a program of over 200 slides taken by Dr. Alan Sloyer when he traveled through China under the auspices of the AMSA (American Medical Student Association) in 1979.

These slides show the people and their settings in the cities of Peking, Shanghai, Tsientsin, Soochow and Beidaihe. The program begins with a short history of present day China and continues with a general discussion of the health care system in China, including the application of acupuncture, herbal medicine and the

health care costs. Everyday life is seen of the Chinese people at work, at play, in their homes and in their communities. The unusual handicrafts of China, such as kite making, silk spinning, oriental rug weaving and fan making are also shown. The program concludes with a close-up look at the spectacular sights of the Great Wall, the Summer Palaces and the Temple of Heaven. As the finale "Faces and Places" is shown for a look at the moods and styles of modern China with an accompaniment of appropriate music.

All library programs are free and are held in the Community Room. All are welcome.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: "to be happy with ourselves is a most effectual contribution to the happiness of others." Italian Proverb

If I had to list in

chronological order the gratifying and exhilarating activities to be held by the Galileo Lodge for late Summer and early Fall, I would have to start with the August Dance, scheduled for Saturday, August 29th, to be

presented in a matchless and imitable style. Under the direction of Carl Melluso (822-1872), the Chairman, and Dom Valente (433-4465), Asst. Chairman, this particular dance will incorporate and highlight all the somewhat-forgotten but unique customs and traditions of the outdated Italian weddings. Tickets will sell at \$9.50 per person and the food will be similar to that used at these old affairs, and will also be dispensed in much the same manner. Also included on the menu will be beer, soda, coffee and cake, set-ups and live music. Please note that a "bring-your-own-liquor policy" will be in effect that night. Call Carl Melluso or Dom Valente for additional details, including ticket sales and seating arrangements. So, for something different but entertaining, interesting as well as pleasurable, why not get involved in this late summer diversion.

The Mad World of Comedy comes to Long Island, or, more specifically, to the Galileo Lodge, on Saturday, the 17th of October, at which time the Ladies Auxiliary

will present their 1981 version of the "Foolies Folies", which will actually embody a series of delightously-presented but wholesome acts, skits and routines (dances, as well) of a comedic nature. Somewhat burlesque in presentation but not risqué, the Foolies Folies will definitely cause you to split your sides in laughter. Sue Laurenti (WE-1-0036) will "chair" this production and she will be assisted by Mary Monteforte (938-6454), and both will handle ticket sales and seating arrangements. Tickets sell at \$9 per person, and that modest sum entitles you to a home-styled dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some timely melodies from a leading Long Island Disc Jockey, and then add all that humor to this bill of fare. Talent for this revue will be provided by the male and female members of the Galileo Lodge, and please be informed that rehearsals for this revue take place every Tuesday night at the Galileo Lodge, from 8 to 10 P.M. Dinner starts at 7:00 P.M. and the show begins at 8:00

P.M. If you want to immerse yourself in an atmosphere of mirth and merriment and partake of some delicious food, make sure to purchase your tickets for this revue.

LODGE TIDBITS: Very please to hear that John Sarro is home, recuperating from a recent Hernia operation. John's activities are sorely missed at the Lodge and we hope to see him soon at our meetings and activities. Nice to hear also that John Ianotti is home and recuperating from a recent illness. John is also sorely missed at the Lodge and we hope to see him soon at our activities. Very sorry to hear that Pete Ragone was quite badly injured from a flash fire occurring at his home. We also wish him a speedy recovery and a quick return to Lodge activities. Very glad to hear that Jim Posillico's son, Jim Jr., has been excelling in the field of soccer. We understand that he has been a part of many recent and important soccer meets. Congratulations are in order from the Lodge. Very glad to report that Mr. and Mrs. Carl Melluso are beaming with pride these days as they report that their son, Christopher, has made the Dean's List at Cornell University, and they have every reason to feel that way. Congratulations from everyone here at the Lodge.

Another recreational diversion which should offer the Galileo Lodge's members, friends and patrons additional exciting and enjoyable moments is the forthcoming Halloween Dance, scheduled for Saturday, the 31st of October, at which time the Galileo Lodge is resplendent in autumnal dress. More details will be forthcoming concerning this event, so keep posted to this column. Forgot to mention that on August 29th, the date of the August Dance, the Beauty Queen who will represent the Galileo Lodge during the Columbus Day Parade, will be chosen. Qualifications for Beauty Queen are simple: you must be female, of course, a sister, cousin, niece, daughter of any member of the Galileo Lodge or the Ladies Auxiliary, and you must not be over 18 or under 16.

RESOLUTION NO. 588A -

1981
BOND RESOLUTION
DATED JULY 14, 1981.

A RESOLUTION AUTHORIZING THE ISSUANCE OF \$110,000 SERIAL BONDS OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, TO PAY THE COST OF THE RECONSTRUCTION OF THE PARKING GARAGE IN HICKSVILLE FOR AND ON BEHALF OF THE TOWN OF OYSTER BAY PUBLIC PARKING DISTRICT.

WHEREAS, the Town Board of the Town of Oyster Bay, Nassau County, New York, has heretofore determined it to be necessary and in the public interest to reconstruct the parking garage building in Hicksville for and on behalf of the Town of Oyster Bay Public Parking Dis-

LEGAL NOTICE

trict, and WHEREAS, it is now desired to provide for the financing thereof; NOW, THEREFORE, BE IT

RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. The specific object or purpose to be financed pursuant to this resolution is the reconstruction of the parking garage building in Hicksville for and on behalf of the Town of Oyster Bay Public Parking District, including original furnishings, equipment, machinery and apparatus required for the purposes for which such reconstructed building will be used.

Section 2. The maximum estimated cost of such specific object or purpose is \$110,000, and the plan for the financing thereof is by the issuance of \$110,000 serial bonds of said Town, hereby authorized to be issued pursuant to the Local Finance Law.

Section 3. It is hereby determined that subdivision 12(a) (1) of paragraph a of Section 11.00 of the Local Finance Law applies to the aforesaid specific object or purpose, and that the period of probable usefulness thereof is twenty years. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal and interest on such bonds as the same respectively become due and payable. There shall annually be assessed upon all the taxable real property in said Town of Oyster Bay Public Parking District at the same time and in the same manner as other Town charges an amount sufficient to pay said principal and interest as the same become

LEGAL NOTICE

due and payable, but if not paid from such source, all the taxable real property within said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or

2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution, which takes effect immediately, shall be published in full in Mid Island Herald & Bethpage Tribune, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law. D-4860 1TB/7 MID

Nassau Mayors Call For County Bottle Deposit Law

Citing the State Legislature's failure to enact a statewide bottle deposit law, the Nassau County Village Officials Association has called on the county to pass a local deposit law.

"We are very disappointed that the state chose not to address this important issue," declared Mayor Carl Del Vecchio of Williston Park, president of the association which represents 64 villages in Nassau County. "We believe the county now has the responsibility to enact a local law similar to the one passed by the Suffolk County Legislature." The Suffolk deposit law goes into effect next April 1.

Del Vecchio said a Nassau law timed to go into effect the same time as in Suffolk might pressure the State Legislature to reconsider a

statewide bill when it convenes this 1982 session.

"Nassau and Suffolk represent a significant portion of the state's population," Del Vecchio pointed out. "The villages believe it would give added impetus to state action on the issue."

The Nassau VOA earlier this year urged immediate passage of legislation at either the state or county level requiring deposits on all carbonated soft drink bottles and beer bottles and cans. The mayors cited the growing cleanup problem caused by throwaway containers, as well as the disposal problem.

"A significant portion of the maintenance manpower in villages is devoted to picking up litter, particularly bottles and cans," Del Vecchio stated.

As a result of legislation principally sponsored by Senator Norman J. Levy (R-C-Merrick) and signed into law by the Governor, State Aid to Nassau County's library system will increase by a record 14 percent, part of a \$10 million dollar increase in state aid to all of the State's public library systems.

Levy said the aid increase will be the largest single raise in State aid to libraries in the State's history. Under terms of the new aid plan, annual aid to the State's Libraries will increase to

Library Aid Bill Now Law

nearly \$37 million, up from the present level of 14 million. Seventy-five percent of the increase will be paid during the current year, with the full aid increase starting in 1982.

Levy explained that in addition to aid for public libraries and systems, the new program will provide assistance to other types of libraries and information networks. These will include:

- Grants to library systems to provide outreach programs to the homebound and others not presently served by libraries.
- Grants to college and university libraries which agree to make their collections available to the public.
- Increases in aid to "network pilot projects," a series of demonstration programs which seek to improve cooperation among libraries, including school libraries.
- Increases in State aid to the Reference and Research Library Resources Systems, programs which integrate academic, corporate, and other specialized libraries with the public library systems.

State aid to public libraries has, for the past twenty years, been distributed to the State's twenty-two public library systems which, in turn, allocate funds and services to the individual public libraries. There are over 700 public libraries in New York, and almost all are members of one of the systems.

"New York has long been a leader in support of libraries. I am especially proud to be a sponsor of this significant program of aid increases for New York's libraries," Levy concluded.

The district includes: East Meadow, Franklin Square, Garden City, Hempstead, Island Trees, Levittown, North Bellmore, North Merrick, Roosevelt, Uniondale, Wantagh, Westbury and West Hempstead.

County Residents Favor Tougher Gun Control Laws

Tougher gun control laws are favored by a majority of central Nassau County residents, according to a survey released recently by Senator John R. Dunne (R-Garden City). The residents also believe that the current gun

control law is ineffective.

Senator Dunne said: "The attacks on President Reagan and other world leaders, as well as violence in our society, made this one issue the major concern on

people's minds. Seventy-four percent of those responding to a questionnaire want new restrictions to combat the use of illegal guns. An overwhelming majority, 87 percent, feel that the gun control law now on the books is ineffective."

The Senator noted, however, that many supporters of tougher gun control laws also wanted enforcement of the current law. He cited one respondent who wrote: "Let's make the laws that we have now work. We don't

need new laws, but an effort to make them work."

The poll results were tabulated from responses to a questionnaire in the spring newsletter which Senator Dunne sent to the residents of the Sixth Senatorial District.

King And His Court At Eisenhower

Softball fans can enjoy an action-packed, fun-filled evening Tuesday, Aug. 11 at Eisenhower Park's field D when Eddie Feigner's King and His Court engages the New York Islanders in fast-pitch softball. The feature game is slated for 8:30 P.M. with a preliminary Senior Citizen All-Star game at 7 P.M.

Commissioner Abram C. Williams of the Nassau County Department of Recreation and Parks has invited all fans to come and see how such Islander stars as Clark Gillies, Gary Howatt, Lorne Henning, Bob Nystrom, Dennis Potvin, Bob Bourne and others fare against the baffling assortment of pitches thrown at them by the venerable

"King."

Feigner, noted for his behind-the-back, between-the-legs and blindfolded deliveries, is still capable of zipping a softball at speeds upwards of 90 mph. His team includes Les Barber, catching, Gary West, first base and Dave Barnett, shortstop. The outfield is uncovered.

The program is co-sponsored by Chase Manhattan Bank. Music will be provided by the 26th United States Army Band and the Nassau County Police Department's "Dixie Cops." Admission is free to the popular program presented by the Nassau County Department of Recreation and Parks.

For further information, call 292-4286.

Children MUST be 7, 8 or 9 years of age, a Nassau resident and be accompanied by a parent or guardian.

The times are 9:30 A.M. on Tuesdays, Wednesdays and

Thursdays during July and August.

Children's Safety Town is located in Eisenhower Memorial Park, East Meadow, entrance off of Merrick Avenue.

Let's make the laws that we have now work. We don't

need new laws, but an effort to make them work."

Dear Friends ...

Many of you will remember Winnie and Sam Rosenthal formerly of Jonathan Ave in Hicksville. She has now moved to Plantation, Florida and we bring you this clipping from the Wed., July 15 edition of THE WESTERN NEWS:

PLANTATION-Winnie Rosenthal, 73, is not complaining about crime-she's doing something about it.

One of 26 citizen volunteers at the Plantation Police Department, Rosenthal spends a few days a week filing complaints and citations so the officers can be on the streets more.

It's called the Citizens Volunteer Program, and although the program is being used in other cities locally, Police Chief Morris Meek started the Plantation program after realizing a similar successful program in Pinellas County.

Rosenthal sums up her reasons for giving up to 24 hours a week of her time away from home.

"When I lived in New York City I was beaten up and my husband was murdered. I was also mugged at my Polynesian Gardens condominium. This is my way of fighting back," she said.

"I've got nothing to do all day," she continued. "I don't know how the officers were getting all this work done without us," she said.

The truth is, lots of the work wasn't getting done at the department according to Chief Morris Meek.

"Take the pawn shop file, for example, where we check the file against stolen property. It was the last thing we got to at the station and we were months behind. Now with these volunteers, it is being done," Meek said.

The program was initiated July 1, but was actually underway a week earlier as police wanted to take advantage of the volunteer help.

"Though senior citizens seem to have more time for this, we're looking for help from all age groups," Meek said.

The volunteers receive recognition and get city employee identification cards.

The Chief downplays his credit for starting the program, stating that it was not an innovative idea. "It's no big deal, many departments do this," he said.

Officers Al Dente and Gilman Collamore are in charge of the operation.

LT. Stan Stake in the traffic division has Fran Celmar as his helper. "She relieves us from traffic statistics that we turn over to the National Safety Department. She marks traffic citations, goes to the patrol division and decides if the citation is hazardous or non-hazardous. This is a big relief to the officers," Stake said.

"I don't think she even takes a coffee break."

Sounds like a terrific idea...and, of course, we all know that Winnie is a terrific lady. Stay well, Winnie, and come and visit all your friends as often as possible. We wish you the best.

REMINDER...the Ernest E. Francke Hicksville Republican Club Dance is scheduled for August 14, from 9 pm to 12 pm. It is only \$3.00 per person which includes beer and soda at the Galileo Lodge, 200 Levittown Pky, Hicksville. For reservations call 931-4287.

PEOPLE IN THE NEWS: congratulations to Mr. Wallace Collins Jr. of Hicksville who recently celebrated 25 years service with the Grumman Aerospace Corp. Mr. Collins works in the Software Support Dept. Best wishes to Edna S. Kilkeny of Hicksville who recently marked 25 years of service

Mrs. Ronni Rosenberg
Administrator
Central Island Nursing Home

825 Old Country Road
Plainview, N.Y. 11803
Dear Mrs. Noeth:

I would like to compliment you and your staff for the excellent condition of the nursing home. I have been to many homes but none compare to the way yours sparkle.

It is indeed a pleasure to walk into your building. The floors are so polished and clean. I have been through the floors from top to bottom and find they are all kept in tip-top shape.

It is a very good atmosphere for the patients in your charge. The rooms are modern, picturesque and beautifully clean. I know of your reputation and you should be proud of such a well kept facility. My hat also goes off to your excellent staff from Office, Nursing, Therapists, Maintenance and kitchen who make it all work.

Many years ago I called your building a country club. I find since you became administrator it is better than before because of your efforts. I would like you to know I think your home is the best on the island.

May the good Lord look after you and your staff so

you can continue to provide such excellent care.

Dear Editor,

There was a near tragedy on Monday at the intersection of West John Street and Burns Avenue, just two blocks from the Burns Avenue School.

It involved a passenger car and a dump truck. The dump truck ended up in the kitchen of a house on West John Street.

Karen Levinson, a member of the Hicksville Citizens Alliance, and myself asked the police to weigh the truck, because it appeared to be overloaded. The police refused, citing that no one was killed in the accident.

The trucks that barrel down West John Street appear to be overloaded much of the time.

Are there any laws to stop this danger to our residents and this abuse to our streets? If so, where is the enforcement? Like the officer told me, does someone first have to be killed?

Sincerely,
Gregory Yatzshyn
Chairman, Hicksville
Citizens Alliance

Letter to the Editor:

Jesus Christ superstar was a big hit at St. Ignatius Church. Noel Ruiz was the Director and King Herod an excellent performer. Lynn Cahalan a very good assistant director. Hilary Sperber, a perfect orchestra director. Mike Hodgkinson played Jesus. With no doubt he was the best performer. I think.

All the members of the orchestra should be commended especially Jeanne Ryder and Jeanne Dagna for their excellent solos.

For those of you who missed Jesus Christ Superstar, you missed one of the best plays St. Ignatius ever put on.

Dear Mrs. Noeth:

I and a few of my fellow commuters appreciate efforts of the TOB Highway Dept. in cutting the grass at the Eagle monument in Hicksville recently.

Perhaps the Town fathers could be persuaded to relocate the out-of-place and ugly "KEEP RIGHT" sign that mars the appearance of the monument.

Perhaps the sign could be

placed on the nearby corner, or, failing that, the sign could be made smaller and still convey the same message.

Very truly yours,
Mr. John Gundel
Hicksville.

PRESIDENT
Jeanne Nonnan

P. O. BOX 283
OLD BETHPAGE, 11804

EXEC. LEADER
Dr. Chas. Artale

We write the political scene as we see it.

Pres. Reagan had a surprising victory on budget and taxes. Wrong or right, he has to have a chance to try to correct the 25 years of Senate and House controlled by Democrats who got us in this ruinous inflation.

But this fall we are committed to the re-election of our qualified County and Town candidates on THEIR record. It always has to be on ones own record...not some else's coat tail. A candidate can't take credit for someone else's actions and popularity, nor should he or she be judged on other's faults or actions.

If the campaign goes as we hope and plan, then on a high level, you will see why we are justly proud of Nassau County Executive Fran Purcell, Town of Oyster Bay

Supervisor Joseph Colby and the whole team.

We repeat what Joe Colby told those present at our March meeting... "Do not ever become complacent... be politically aware and informed."

Good luck to Charlie and "Dr."...but, "the wedding of the century?" Come on! These same newspapers try to have us believe they are reasonable on their political news also. What were our own findings...chopped liver? How about the picture of Gov. Carey, wife and two brothers-in-law on Fortune's cover? As one TV speaker said... "He sees the world through a horse's tail."

The first campaign social affair will be Sept 10 at Hofstra to honor N.C. Exec Fran Purcell.

Robert Moses dead at age 91. I met him in the spring of 1959 along with then councilman Ed Ocker and TOB Supervisor John Burns. I was chairman of the Citizens Committee for a Park and Pool in Plainview (actually the first in the TOB). Robert Moses was here to help and choose the site. We met on Washington Ave, which was then a country road (no Milford Dr., Colonial Gate, Ridge, Ann Ct, Kennedy Dr, or Darnin Park) and the area was all woods. Moses recommended the present area then known as "the Meadow." He was as they always said, "We met and passed in the night." But he left all of us on Long Island and for that matter, in New York State, an unforgettable legacy.

On The Campus

Congratulations to Carol Karp of South Oaks Blvd. and Stacey Lynn Pullman of Joyce Rd., both from PLAINVIEW, who made the Dean's List at the University of Delaware.

Mary Chattertown, a standout volleyball player at Hicksville High School, has elected to continue her education and volleyball career at Ithaca College, I.C. Coach Sarah Rich announced today.

Chattertown served as team captain during her senior year and was named Most Valuable Player, on the 19-5 squad that made the quarterfinals of the Nassau County Tournament.

"Mary is a solid, all-around player," Rich said. "She is also very bright and a good thinker on the court."

Chattertown will major in physical therapy in Ithaca's School of Allied Health. Her coach at Hicksville was Mary Sue Carr.

Congratulations, even though it's a bit late, to Deborah Berson of Cable Lane and Lori Farquharson of Peg Ct., both of HICKSVILLE, who were inducted into the Omega of New York Chapter of Phi Beta Kappa, at Hofstra U. this Spring.

OPERATION V.F.W.

It was Sunday, July 19, we were walking through the park, Eisenhower Park that is. There were the six of us, Tall Tony Basile, short and round Joe Normandy, Howie "The Beard" Bergeron, Bill Schuck, Connie Steers with his pot belly, and myself, Jerry O'Brien. It was a lovely sunny Sunday morning, people were picknicking, playing softball, some tossing horse shoes, others flipping frisbees, a colorful kite or two climbed into the sky, while tiny snarling motors drove radio-controlled model hydroplanes lashing around and across the lake.

It was a lovely morning for a walk and a wake. That was precisely what the six of us were doing in the Chris Moeller Memorial Walkathon. We were holding a wake, walking in a lovely park surrounded by life and laughter, toddlers and teenagers, the old and the young. Considering our backgrounds it would be difficult to find six men having less in common with each other than in our group. We were of Italian and Irish, French and German, even Lithuanian (that's Connie) heritages. Had you been

there to see us though, you would have noticed that we were all wearing Veterans of Foreign Wars overseas caps with Post 3211 embroidered on the side.

None of us from Post 3211 even knew Chris Moeller or, even knew that he existed until a few weeks before his death. Chris Moeller died of cancer of the tongue. He was an Agent Orange Cancer Casualty of Viet Nam and the United States of America. Combat veterans who saw and met death in all its gruesome forms on the battlefield, exhaust with wonder when a life is spared his own. But then he wonders and weeps for those others, the dead and the maimed. So it is in battle, as it has always been when men strive to kill each other.

While we six walked and mourned the death of a comrade we never knew, the walking wounded of the United States and Viet Nam continue to pace the streets of very City, Town, and Village in the nation.

As we six walked and mourned the death of a Comrade we never knew, with each step we took we mourned also the loss of our national honor. By our

wounds and years of service to the country we love and the flag we fought under, we have earned the right to say that; "These have been years of shame, a shame that shadows the nation and the flag. The true shining honor we once had as a nation, shall not return until the walking wounded among us are cared for, and honored, as they are deserving of honor."

Rent-A-Kid

The Hicksville Youth Council is a community, tax exempt, non-profit organization supported by the Town of Oyster Bay Division for Youth, Nassau County Youth Board and the New York State Division for Youth.

Rent-A-Kid is a community service project geared to provide the residents with a much needed service, as well as assuring that the youth will be gainfully employed. They offer their services in the following areas: yardwork, housecleaning, mother's helper, tutoring to name but a few of their many talents.

You can help yourself and help the Youth by calling 822-7594 for details about "Rent-A-Kid."

ANOTHER WIN: Miss Dona Lynch of Hicksville won first place in the Miss Sun Goddess Beauty Pageant on Saturday night at the Colonie Hill in Hauppauge. So, to add to her other titles and trophies, Dona is now Miss Sun Goddess of Long Island.

She has also been chosen as a finalist in the national televised New York Hemisphere pageant scheduled for December at Mount Airy Lodge, in the Poconos.

Good luck, Dona!

Congratulations to Gary and Karen Fippinger of Wilfred Blvd., HICKSVILLE, on the birth of their first child, a daughter, Dawn Patricia, born on Aug. 1 at Central General Hospital. Happy grandparents are Evelyn and Frank Fippinger of Miller Rd., Hicksville; great-grandmother, Antoinette Wagner of Miller Rd., Hicksville; grandparents, Ron and Kay Amend of Massapequa; and great-grandmother Grace Orfino.

Another exciting event at the home of Evelyn and Frank Fippinger was the marriage of their son, John to Debbie Grecz, daughter of Joan and Bill Grecz of Nevada St., Hicksville on July 27 at St. Ignatius R.C. Church.

Both John and Debbie are graduates of Hicksville High School.

Congratulations and best wishes to all.

Tom and Carol Youngman and their sons, Jason and Jeffrey of Holly Hill, Florida, spent two weeks in Hicksville visiting with Tom's mother, Doris Stich. Mrs. Youngman is the former Carol Donner, daughter of former Hicksvillites, Kay and John Donner, who now reside in Daytona Beach, Florida. The couple are both graduates of Hicksville High School and were residents of Hicksville before their marriage. Tom is on the Daytona Beach police force.

They especially enjoyed

their vacation, since they came north for the marriage of Tom's sister, Janet, to Kevin O'Reilly.

Here's some happy news—Thomas and Joanne McBride of Fort Lauderdale, Florida, formerly of Hicksville, are the proud parents of a daughter Kelli Ann born at Broward General Hospital in Fort Lauderdale on July 17 at 8:02am.

Welcoming home the 6 lbs. 3 oz. infant was her 2 year old sister Heather.

The proud grandparents are Mr. and Mrs. Louis Recchi also from Fort Lauderdale, Proud Aunts and Uncles are Francine and

Plainview Resident Appointed To New Post

Dr. Serafina Corsello, director of The Stress Management and Biofeedback Center of Huntington, has announced the association of Dr. David Ostreicher of Plainview with the Center as a nutritional consultant.

"We feel fortunate to be associated with one of the metropolitan area's fore-

most and most outspoken proponents of nutrition as it relates to behavior," commented Dr. Corsello. "With solid credentials in both medicine and nutrition, he will add an important dimension to our organization."

Dr. Ostreicher earned a B.S. in Biology from Clark University, graduated with honors from Columbia University's School of Dentistry, and has graduated from an advanced program in Nutrition from Bridgeport University. In addition to having a practice in orthodontics in Levittown and Hempstead, Dr. Ostreicher is on the staff at Columbia University Dental School where he teaches nutrition and preventive orthodontics. He is chief orthodontist for orthognathic surgery at Queens General Hospital and is a member of the Academy of Orthomole-

cular Psychiatry (a group of professionals who study the connection between nutrition and behavior). He has taught several 10 week courses entitled, "Body, Mind, and Food" and has published papers on various aspects of nutrition and preventive medicine.

In addition, he has made numerous appearances on radio and TV talk shows and has lectured extensively on timely and informative topics such as "Nutrition and its Effects on Behavior," Adult Orthodonture, and "Better Health and How to Find it in Your Supermarket." Also a filmmaker, Dr. Ostreicher's first film, INSIDE JAWS, won an award at the Eleventh Chicago International Film Festival.

The Stress Management and Biofeedback Center is located on 152 East Main Street in Huntington.

Hicksville Board of Education Meeting

By Meryl Greenblatt

Approval and ratification of the school tax rate for the 1981-82 school year took place at the Board of Education meeting held Wednesday night. The rate, set at \$18.95 per \$100 assessed value for school purposes and \$7.48 per \$100 assessed value for library purposes, with a total of \$19.69, results in a rate 31 cents less than anticipated for the upcoming year. This was among the major topics covered during the evening, which also included the June 1981 Regents results; the Gregory Museum contract; and cafeteria food service bids. An atmosphere of dissension was apparent throughout most of the meet-

ing, with questions arising in these areas as well as the claims and warrants, personnel, and the handicapped sections.

The June 1981 Regents results, and the results from 1978 through 1980, were presented in a report available to the Board and public. In the report were listed the number of students taking the exams, the number passing, and the percentage of passing students. Concern was expressed in light of the fact that not all students taking the Regents courses were taking the examination at the end of the year, which is a preliminary requirement for taking the courses. Said Mrs. Germer, "We had this problem last year, we were told something would be done about it, and here we are again a year later with the same problem."

Discussion covered several areas of study, most notable those of foreign language and business. Mrs. Ancel requested a full report on the number of students enrolled in the business courses as compared to the number taking the Regents exams and the number proceeding on to a higher education. A full comprehensive report was also asked for which would show a breakdown of the number of students enrolled in the other courses versus the number taking the exams. One resident, Mrs. Wilson, a past Board member, alerted the Board the fact that in previous years, such reports were made available at the end of the school year. A report is expected in the fall for the Regents Competency Examinations, which are apart from the regular Regents exams.

The contact for funding of the Gregory Museum was finalized, with a few modifications made over hours to be opened and courses to be given during the year. The contract provides for funds to be given to the museum, in exchange for services rendered by the museum to the District. This will include the availability of guided tours for the schools' portable displays for loan to the District; teacher in-service courses; adult education courses; and internships or work study arrangements.

Mention was made of policies to be voted on at a future meeting concerning the Board/Superintendent relationship and evaluation of the Superintendent. Stated Mr. Schwartz, "I've found that not that many school districts have such an instrument to evaluate their superintendent, and they were impressed that we had this." These policies are the first to specify the duties and evaluate the performance of the Superintendent, and a vote will be taken sometime after August 15.

During the hearing session, the recent destruction by arson of the Senior High School press facility on the athletic field was brought up, including the fact that this is the second time in two years this has happened. Superintendent Hawkins hoped the booth would be rebuilt by this year's Homecoming.

Response was given during the Superintendent's report by Dr. Hawkins to a question regarding the placement of students in BOCES courses. To the question of whether a student may be placed in the program simply by the request of the parents, without approval of the school, Dr. Hawkins replied, "The matter is up to the discretion of all involved, even with the policy."

Other matters taken care of included the approval of textbooks for elementary and secondary level students, placement of handicapped students; and bid, claims and warrants. Handicapped student placement was completed for the

upcoming school year, unless new referrals are made in the future. Executive session, lasting until 12:45, was held before personnel matters were taken care of. The opportunity was given for the audience to address the Board before the session was held, and past Board member questioned why an excess of state funds was not put toward reducing the tax rate. The Board replied that the money should be used elsewhere. After the session, educational and civil service personnel matters were passed without discussion. This included the termination of services of Kathleen Hogan, administrative assistant for staff and community relations, effective August 14, 1981. Also approved was the bid by E.F.M. for food service to the Junior and Senior High Schools. Offer was made by Interstate United to renew their food service contract, but the request by the Board for a new bid was denied.

The next Board of Education meeting will take place Wednesday, August 26, at 8:15 p.m. The meeting will be held in the conference room of the Administration Building.

Engaged

Mr. and Mrs. John Michael Marmora of Victor Court, Hicksville are happy to announce the engagement of their daughter, Christine Marie to Russell Walsh Banigan, son of Mr. Edward Vincent Banagan of Rockville Centre. He is the son also of the late Mr. Banigan.

Miss Marmora, a 1974 Hicksville High School graduate, received a Bachelor's Degree from Adelphi University in 1978. She is currently a registered nurse on the staff of Mid-Island Hospital in Bethpage. Mr. Banigan was graduated from St. Agnes High School and St. John's University. He is a certified public accountant, associated with the firm of Mann, Judd, Landau in Manhattan.

A September 1982 wedding is planned.

Road Runners In Long Beach Run

Kim Falkowski and Bert Jablon led a contingent of six Plainview-Old Bethpage Road Runners in the third leg of the "Pepsi Challenge" Long Beach Summer Road Racing Series on July 29.

Falkowski finished the 4 mile run along the boardwalk in 26:08, giving the 14 year old local speedster first place in the women's 12-18 year old division with plenty to spare. Jablon took second place in the men's 50 and over category.

Other locals competing in the event were Howie Greenberg, Al End, Sue Polansky and Club President Mike Polansky. Greenberg, who would normally be among the leaders, laid back to pace Mike Polansky to a personal best of 27:58 for the four mile distance and then jogged back to help Mike's wife Sue come in at 39:10.

Everyone enjoyed the watermelon, beer and soda provided at the finish of this cool summer evening run. It was another super race put on by Dave Katz of Finish Line Promot.

The previous Friday night, July 24, Bert Jablon took first place in the 50-59 category in the Branagan-Flushing Meadows 5K Mile Run sponsored by the Flushing Meadow Track Club. Bert's 18:38 gave him a 7 second margin over his nearest rival.

Training for the October 25 New York City Marathon will be getting started shortly. While all the results aren't in yet, it looks like a record number of POBRRC members have been accepted this year. Courtesy of Brian Mutnick and Woodbury Super Star Sneakers and Sports, there will be two special buses to take members of the POB and Syosset Clubs to the Marathon this year. Word is that Brian will be hosting a Friday night pre-Marathon pasta party, open only to marathon entrants from the POB and Syosset Clubs and their spouses. More details later, but it looks like we'll have still another reason to thank our good friends at Woodbury Super Star!

Selected For Membership

Dr. Victoria E. Malchar, of Levittown Parkway, Hicksville has been selected for membership in the American Chiropractic Association. The announcement was made today at the organization's national headquarters at Des Moines, Iowa.

As a member of the ACA, Dr. Malchar joins thousands of fellow doctors of chiropractic, all dedicated to improving general health care.

Dr. Malchar is a graduate of New York College of Chiropractic located in Glen

Head, NY; and is also a member of the New York State Chiropractic Association, the S.I.C.A., S.C.A., and the South Massachusetts Chiropractic Association.

Membership dues support major programs of chiropractic education and research, and provide materials for use in public education and vocational guidance.

The announcement of Dr. Malchar's selection was made by Dr. Edwin M. Kenrick, President of the American Chiropractic Association.

The Plainview Players, the same people who did the highly successful "Godspell" last summer, will open a four performance run of the popular musical Pippin at the Plainview High School on Southern Parkway at 8 PM.

A full scale production, the principal cast is supported by a chorus of twenty-four and a twenty piece orchestra. Tickets are \$1 and may be purchased at the door or the Plainview Library. Showtimes are: Friday, Saturday, and Sunday, August 7, 8, and 9, at 8 PM; with a special matinee on Sunday at 2 PM.

For directions or information call 938-0077.

Hicksville Baseball Association

By Carole Wolf

The road ended on Merry Lane in Jericho on Tuesday night for the 12 year olds when they lost to Sayville by a score of 4-1. Sayville marveled that we could get this off their star pitcher who was as tall as our coaches and had an overwhelming fast ball. But Tom Zagajski's All-Star team outthit Sayville 6 to 5 and lost.

There was a home run by Paul Bruno and super fielding by the whole team. Ed Rothschild, John Senise, Allan Sheffield, Donald Sirey and Bill Stanley hit singles and Tom Zagajski, Ed Greaney, Richie Notaro, Rocky Lombardo, Bobby Senn, Joey Manna, Phil Campisi and Craig Colasanti did a great job. John Senise pitched a good game.

Tom Zagajski once again, would like to thank all who turned out and the kids for their gift of a plaque and a poem. The book is closed on 12 year old tournament play for this year.

The game has also ended for the 13 & 14 year old all-stars who lost to Mineola 10-4 and to East Meadow 3-1.

But the 13 year olds are getting a lot of baseball in under the direction of Nick Cassese and coached by Danny Rehman and Kevin O'Leahen. They beat Fort Hamilton 11-6 and again 5-3. Last Sunday, they split a doubleheader with Huntington by losing the first game 8-7 and coming back to win 14-3.

In the final games of the HICKSVILLE AMERICAN ALL-STARS the 8 year olds lost to Hicksville American 11-7 and to North Syosset 21-9. In the 11-7 game, offensive players were Anthony LaViola, Bobby Telender & Keith Drudy. The defensive stars were pitchers Keith Stevenson and Shannon

Knoop and second baseman Steven Joyce.

There was a homerun in the 21-9 loss by Joseph Savarese and singles by Mike Perloff, Paul Rom and Keith Stevenson. Defensively, Wayne Rothschild caught a super defense, Peter Osback pitched 3 innings and Bobby Telender played a good shortstop.

Tom O'Hara's girls PONYTAILS are still playing and they are number 2 in the league. The girls just lost a tight game the other day in the bottom of the 7th, when with 2 outs and the bases loaded a girl from Bethpage hit a pop single to right to drive in the winning run.

Debra Teney pitched a good game and Tom O'Hara commented, "The team finally became a team tonight. I couldn't have asked for more." The final score was 4-3.

They had played two games against Glen Cove. The girls lost the first game 6-4 and in the bottom of the 7th inning, a play at the plate went to Glen Cove. That 9-8 game was a heartbreaker.

The tables were turned on July 16th when Hicksville beat Glen Cove 10-9. Denise Della Ratta played a solid 3rd base and Kathy Dawson played a good second. Offensively, Karen Miller hit a single and a triple, and one of

Sue Rothschild's two singles drove in the winning run.

Another example of the team's good playing was a 9-8 win on July 28th over Farmingdale. Debra Teney pitched 5 innings and let up only 2 earned runs. Kristen Apgar played a solid first, Laura Morris hit 3 singles, Karen Miller had a single and a double and Denise Della Ratta drove in the winning run.

Next Tuesday, the girls play away at Farmingdale at 6 P.M. and on Thursday the 13th, they play home at 6 P.M. against Glen Cove. Let's come out and cheer them on.

PONY CHAMPS TREATED BY WAGNER FUNERAL HOME: On Tuesday, July 28th, all the boys on the PONY Championship team, WAGNER FUNERAL HOME, with their manager Tom Hartmann, coach Fred Paparcuri and spouses met at the WAGNER FUNERAL HOME at the corner of Old Country Road and Jerusalem Avenue. As a memorable way to top off a successful season, Mr. Wagner treated all to Friendly's Ice Cream.

The manager, coach and all the members of the team wish to present a big "thank you" to WAGNER FUNERAL HOME for being such fine supporters of this

year's team, just as they have supported HBA in the past. It's supporters like the Wagner Funeral Home that help the HBA offer a diversified program for the boys and girls of Hicksville.

And speaking of diversity, 1 hope the boys are ready to come out and cheer for the girls SENIORS who are between the ages of 15 to 19. The girls would like to see some fans on Friday night, August 7th on Cherry Valley Avenue (north of Old Country Road) in Garden City at 9 P.M., on Saturday for a doubleheader at the Division Avenue School (behind Mays) in Levittown at 10 A.M., on Monday the 10th at Burns Avenue Park in Massapequa at 6:30 P.M. and on Tuesday, the 11th, at 6:30 P.M. at the Bethpage Community Park. Come out and support the girls.

In previous action, on July 27th, the SENIORS, under the management of Charlie Teney, shutout the Garden City Angels at Burns Park 6-0. Mary Ellen Magee hit a triple, Patty Vazquez hit 2 for 3 and Grace Demeo went 2 for 3 with a double and a single.

Another good game on Monday, August 3rd, saw Hicksville beat the Plain-edge Devils 17-3. Patty Vazquez went 3 for 4, Cheryl Albuck 2 for 3, Donna Eicholz 2 for 3 including a triple, Lynda Cirincion single and Robin Callahan triple. Defensively, Patty Nazquez made some outstanding catches in center, Lynda Cirincion played a good 2nd and Pam Vazquez was great in mid-field. The pitchers of that game were Ann McCarthy, Aime Pitta and Grace Demeo.

We won another 17 run

game, this time defeating the Garden City Angels 17-2. In that game, Mary Ellen Magee went 4 for 4 and Robin Callahan was 3 for 4.

Last Saturday, there was a loss to Levittown and the score was 8-6. Besides hitting

a great shot over the fence, Lynda Cirincion hit singles to go 3 for 4. Besides being a good defensive catcher, Karen Mattejat went 1 for 2.

Support our HBA teams. Go out and see the girls in action.

Summer Basketball

The Fifth Annual Nestor Palahnuk Varsity Summer Basketball League in Hicksville, which ran the month of July with eleven participating teams playing a 10 game schedule (4 nights, 3 games per night, for 4 weeks) ended Thursday night, July 30th.

Junior guard Jeff Bryan of Levittown Memorial was the leading scorer with 22 points per game.

From a four team

semi-final playoff, North Shore and Wantagh met for the final with Wantagh winning 52 to North Shores 49. Bill McConville of No. Shore lead all scoring with 18 points; Vince Mastrata, No. Shore was voted the league MVP.

Both Wantagh and North Shore reached the finals by upsetting Oceanside and Carle Place, who finished first and second in the league.

Ways To Protect Yourself In Your Home

By Denis Dillon, D.A.

It does not take much to outsmart most burglars on Long Island. It has been our experience that they are usually not "pros." Most often, the burglar is a

juvenile, taking advantage of an easy mark. So easy, in fact, that often they can go through an unlocked door or window.

Before suggesting ways to protect yourself in your home, let me stress that if you or your family come home and see a broken window or jimmied door... don't go in. Confronting a burglar can be dangerous. You should instead telephone the police immediately.

A good first step to prevent a burglary in your home is to always lock your doors. Even when you are going out "for just a minute", remember to lock all entrances. Other simple tips include:

- Checking your present locks. They should be the "deadbolt type with a strong metal bar extending one inch into the door frame.

- If it is too hot to lock and close all your windows, you should put nails in window frames so the windows cannot be open more than a few inches until the nails are removed.

- Sliding glass doors make for an easy break-in. If you have such doors in your home, you should place a small wooden beam or broom handle in the door track. Even if the lock is jimmied, the door will be hard to open.

- If you are taking a trip, make sure your home looks lived in. Stop newspapers and mail delivery or ask a neighbor to collect them so things won't pile up outside your door. Also, use automatic timers to turn lights and radio on and off.

- Finally, mark things you own with a personal identification number.

By The Rev. Dr. John H. Krahn

Trinity Lutheran Church

NEEDED: STRONG MEN!

Being a good husband and a successful father is not an easy task. Recently, I read that the word husband is an Anglo-Saxon word which means, "the master of the house." I wonder if this is true anymore. I wonder how many men are masters of their homes. The master of the house is the one who organizes it, holds it together, controls it. Too many men have delegated too much of the family organizing and control to their wives, and I believe the family suffers for it.

There are undoubtedly great pressures on the time

of both men and women today. Yet, a child needs more than a father who pays for his clothes, feeds, and educates him. He needs to have time to be with Dad, to talk with Dad, to learn from his father. I read about one father who gave his child an unusual Christmas present. He wrapped up a note in a package; the note read: "Son, during the next year I am going to give you one hour every day. This is one of the best presents any father can give his child."

It likewise takes time to be a good husband. Although Saint Paul suggests that a husband should love his wife as he loves himself, it makes

an even stronger emphasis that the pattern of love for our wives is the pattern of Christ's love for us, his church. Christ's selfless, sacrificial love is the kind of love and the quality of love with which we men should be loving our wives. If we loved our wife as Christ loves the church, it would be a foolish woman who would not want to be subject to her husband as unto the Lord, as the Bible commands. It takes a strong and determined man to love his wife and family patterned after the Lord's love. When a woman is married to a strong man who loves her with a love patterned after the Lord's love, she will discover that the love she has for him deepens with every year. When a man is faithful to his Lord and to his marriage, he is a blessing to his wife and to his family.

God calls upon men to be a powerful example in our homes both as husbands and as fathers. A father's counsel is often confusing, but his example is always clear. Children learn more from what they see than from what they hear. The need for a father's good example is illustrated by a well-known story. It had become the usual custom for a man who walked to his office every morning to stop at a bar to buy a drink to get himself started each day. One morning, when snow had just fallen, he heard a sound behind him. Turning, he saw his seven-year-old son stepping as far as he could in his father's tracks in the new-fallen snow. The

father turned around and said, "Son, what are you doing?" The son answered, "I'm stepping in your tracks." Touched by this, the father took stock of himself and his life and the example he was setting for his family. With the Lord's help, he conquered an emerging drinking problem and shifted around other aspects of his life to the Lord's standards. He wanted to make the kinds of tracks in which he would be proud for his son to follow.

Of all the responsibilities that the Lord has given to men, the most important is to be the religious leader of his home. The oldest and most important church in the world is the church of the household. The husband is the divinely ordained minister of that church. Religion is not the "wife's business," it never was, and it never should be. One of the greatest shames the Devil has played on the world today is that Christianity is mainly women's business.

It takes strong men, made strong by the indwelling of Christ, to remain faithful to their wives in a world filled with temptation. It takes strong, courageous men to make time for their children in a world that places such a high premium on material success. It takes a strong man to forego a round of golf or a fishing trip with the boys in order to be in church with his wife and children every Sunday. Every marriage and every family is blessed when there is a strong man who loves the Lord and is loved by the Lord.

CHIROPRACTIC OUTLOOK

By DR. PETER J. ROCCO

PAYING THE BILLS

Good health is priceless but medical bills are a hard reality. Medical insurance can soften the blow.

More than 600 insurance companies today pay for chiropractic care for policyholders and their families. Medicare and Workmen's Compensation in most states also regard chiropractic as on a par with other health care, as far as cost is concerned.

Insurance companies know that chiropractic treatment has many advantages for them.

There will be no expensive surgical fees to be paid, no operating room costs, no anesthetist's bill. They will not be required to reimburse their policyholder for a long regime of every-more costly drugs. Often recovery is quicker, and payments consequently end earlier.

Legionnaires' Log

By Richard Evers

Last week's account of Charles Wagner Post's relationship with the Viet Nam veteran continues with our current efforts to assist these worthy comrades to take their deserved and appreciated place in American society. Recently, our post strongly supported the establishment of the 'Agent Orange Clinic' at Syosset, and we have received a 'Certificate of Appreciation' for our financial support of the Viet Nam War Memorial in Washington, D.C.

One of our most respected members is George Lang who received the Medal of Honor for utmost heroism in Viet Nam, in 1969. George is active in post fund raising drives, attends patriotic services regularly, and carries his total disability from wounds with a matter of fact gallantry which reflects great honor upon himself and the nation and cause he served. It is true that many veterans of our most recent war do not yet easily identify with the formally organized veterans organizations. The general public's confused and bitter attitudes toward the last conflict hinders this natural association. Nevertheless,

the American Legion has much to offer the younger veteran and we anticipate steadily increased memberships.

News and Coming Events: Ray Gamble is a most innovative Membership Chairman. He is planning to use Home Box Office TV to recruit new members and to pull in renewal dues. Reminds us of similar enterprise by either Dick Hochbruechner or Artie Rutz, fifteen or so years ago, in getting Pete Seitz, a sorely missed late-band master and the snappy youngsters of our Belaires to parade through residential streets. That these drum and those glocks were guaranteed to get people out to hear about our post membership! Sunday, August 8, gathering time for our Annual Suffolk State Picnic is 12 noon, at the Club House. If you could see how the kids enjoy our bar-b-que and the Forty and Eight Locomotive and comic engineer you will be with us to cheer these deprived youngsters. Good news from Artie Rutz. He is walking to the stores daily, but impatient to be his old energetic, bustling self again.

Would you believe Mrs. Anne Bardenhagen received "Greetings from the President," recently? Well, she did... it was congratulations from President Reagan honoring Mrs. "B's" 80th birthday. Her daughter, and

son-in-law, Anne and Bob Rennett, held a birthday party for Mrs. Bardenhagen. Twenty-five family and friends attended and showed Mrs. Bardenhagen's latest octogenarian with love, affection and gifts. And we would like to add our congratulations and best wishes, also, to a lovely lady.

We're well into the "dog days" of August; hope you're all enjoying beaches, pools and air conditioners. Although things have been quiet at the Club since there was no July meeting, there has been plenty of behind scenes activity by the Square Dance Committee. Read on...

"Fun time will soon be here! As you know, our planned Square Dance will be held on August 14 at the Galileo Lodge (sons of Italy), 200 Levittown Park-

way, Hicksville, from 9 p.m. to 12 midnight. The cost is \$3.00 per person - beer and soda included. A cash bar for anyone wanting mixed drinks will be available. No advance tickets sales; pay at the door.

"CAUTION: Only the first 350 people will be admitted. We suggest you come as early as 8 p.m. because 'first come, first served.' Make sure your reservation is in. Call anyone of the committee listed below to reserve your place at this affair:

Mary Monteforte 938-6454
"Dress for the evening will be casual; but PLEASE, no shorts or beach attire."

"Our next Club meeting will be held on September 11 at 8:30 p.m., 320 Broadway, Hicksville, the VFW Hall.

"We were sorry to learn that Ruth Farrell was operated on again. Get well soon, Ruth, and good luck from all of us.

"See you at the dance.

Town Approves Use Of C.D. Funds To Aid Hicksville VFW Post

Oyster Bay Town Councilman Thomas L. Clark announced Town Board approval for the allocation of community development funds to assist the Veterans of Foreign Wars, Hicksville Post #3211, to construct a ramp at their hall on 320 South Broadway in Hicksville.

Clark stated that "a cooperation agreement with Nassau County had permitted the community develop-

ment funds to be used for the removal of architectural barriers to the handicapped in certain public buildings. This project will help the VFW William Gouse Jr. Post to construct a ramp in order to permit access for the physically disabled at their hall on 320th Broadway."

The Town will provide the sum of \$2,000 in community development funds to financially assist the VFW Post

with the construction of the proposed ramp.

Awarded Contract

The Defense Electronics Supply Center has awarded a \$80,718 contract to the Government Systems Division of the General Instrument Corporation located at 600 West John Street in Hicksville, for the production of 132 electrical extender cards.

Photography By Peter Clemens

Peter Clemens is a commercial photographer and teacher who lives and works in Oyster Bay, New York. He has studied at the Art Students League, The New York School of Visual Arts and the Germaine School of Photography.

Mr. Clemens has won First Prize at the Locust Valley Art Show and was an Emmy nominee for NBC-TV, Sight and Sound in 1977. His gallery exhibits have included: Sea Cliff Photograph Company; Plandome Gallery, Manhasset; Gallery Odin, Fort Washington; and Perception Gallery, Locust Valley. He has taught creative photography and

composition at Planting Fields Arboretum and at his studio in Oyster Bay, New York.

Jeanne Paris of Newsday said of his work: "Peter Clemens blends painting with photography so well that he confuses the viewer as to where one ends and the other begins. A photographed flower, in one work (#10 on exhibit at the library), occupies the lower part while the upper part holds painted flowers. It resembles a Redden still life with effervescent flowers. All the work is of exquisite nature." Newsday's Malcolm Preston said: "Clemens' photographs are

of two kinds; those which in a rather forthright manner record the real, natural world, and those which are the result of various techniques. Both species, however, are successful although they vary in content."

The Photographs will be on exhibit in the Mini-Gallery through the month of August during library hours. Library hours are Monday-Friday 9:30 am to 9 pm; Saturday 9:30 am to 5:30 pm; Sunday 1 pm to 9 pm. The library is located at 999 Old Country Road in Plainville (opposite the Morton Village Shopping Center).

For information or directions call 938-0077.

Honored

A Hicksville resident was among volunteers recently honored for their service to Central General Hospital in Plainview. Thelma Lewander of Hicksville was cited for donating more than 1,340 hours to the hospital and its patients.

According to Robert Bornstein, Administrator of Central General Hospital, "The volunteers unselfishly gave more than 16,000 hours of their time in 1980 to help others. Their individual hours ranged from 100 to 5,000 hours per volunteer."

Bornstein said Central General Hospital's volunteer program was started in 1971 and it is an important part of the day to day operation of the facility. It is a rewarding experience, and anyone interested in becoming part of the program should contact Mrs. Dolores Spanko at 681-8900, ext. 305.

Exits:
The elevator drops you off at the 12th floor or you enter your motel room drop your suitcases on the floor AT THAT VERY MOMENT turn around and go back out in the hallway to check for your exit. You may never get another chance. DON'T go to the bathroom, open the drapes, pop on the bed, or turn on the TV set. You are tired and want to relax, but it's absolutely essential - No, Critical - that you develop the habit of checking your exit after you drop your luggage. It won't take 30 seconds and believe me, you may never get another chance. If there are two of you sharing the room, BOTH of you should locate your exit. Talk it over as you walk toward it. ANN R. OCKER
Town Clerk

RESOLUTION NO. 586-B-1981

BOND RESOLUTION DATED JULY 28, 1981
A RESOLUTION AUTHORIZING THE ISSUANCE OF \$112,000 SERIAL BONDS OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, TO PAY THE COST OF THE CONSTRUCTION OF VARIOUS PARKING FIELDS FOR AND ON BEHALF OF THE TOWN OF OYSTER BAY PUBLIC PARKING DISTRICT.

WHEREAS, the Town Board of the Town of Oyster Bay, Nassau County, New York, has heretofore determined it to be necessary and in the public interest to construct various parking fields for and on behalf of the Town of Oyster Bay Public Parking District;

LEGAL NOTICE

and WHEREAS, it is now desired to provide for the financing thereof; NOW, THEREFORE, BE IT

RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. The class of objects or purposes to be financed pursuant to this resolution is the construction of various parking fields for and on behalf of the Town of Oyster Bay Public Parking District, including incidental improvements in connection therewith.

Section 2. The maximum estimated cost of such class of objects or purposes is \$112,000, and the plan for the financing thereof is by the issuance of \$112,000 serial bonds of said Town, hereby authorized to be issued pursuant to the Local Finance Law.

Section 3. It is hereby determined that subdivision 20(f) of paragraph a of Section 11.00 of the Local Finance Law applies to the aforesaid class of objects or purposes, and that the period of probable usefulness thereof is ten years. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. There shall annually be assessed upon all the taxable real property in said Town of Oyster Bay Public Parking District at the same time and in the same manner as other Town charges an amount sufficient to pay said principal and interest as the same become due and payable, but if not paid from

LEGAL NOTICE

such source, all the taxable real property within said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or
2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution, which takes effect immediately, shall be published in full in Mid Island Herald & Bethpage Tribune, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law. D-4959-1T 6/7 MID

Want to earn more faster and get a great gift too?

Dial Eastern Savings Bank,
800/522-5492

Call us at Eastern and we can tell you the new C.D. rates as soon as they're released on Monday nights. That's sooner than most other banks. We do it with our new

Information Center Service.

Call us and we'll give you the latest rates on an Eastern 6-month C.D. or 30-month Money Market Savings

Certificate. You can take quick advantage of these high rates and select the gift of your choice as well.

Just call us toll-free 24 hours a day at 800/522-5492.

Tell us the amount of your deposit and select your gift from those shown here. Then make your deposit this week by mail or by visiting any Eastern Savings Bank Branch.

For a \$10,000 6-month C.D.* or a \$5,000 30-month Money Market Savings Certificate* choose from these gifts (or \$20 cash):

KODAK PARTY TIME INSTANT CAMERA

CHAISE LOUNGE

BLACK & DECKER GRASS TRIMMER

PANASONIC PORTABLE AM/FM RADIO

For any deposit from \$2,000-5,000 choose from these gifts:**
NORTHERN 1200-WATT FOLDING HAIRBLOWER
SPARTUS L.E.D. ALARM CLOCK
CORNING TEAPOT
CREDIT CARD CALCULATOR
100-PAGE DELUXE PHOTO ALBUM

TOSHIBA TABLETOP CALCULATOR

WOOD AND CANVAS DIRECTOR'S CHAIR

WEEKEND TOTE BAG

ANCHOR HOCKING 20 PC. DINNERWARE SET

SEVILLE L.E.D. AM/FM CLOCK RADIO

REGAL 5-PIECE SILVERSTONE COOKWARE

BAKER/BROILER OVEN

14K GOLD DIAMOND EARRINGS

14K GOLD DIAMOND HEART PENDANT

And Eastern will also give you a fine Cross Pen if you open a personal checking or N.O.W. account.

If you want to earn more, faster—and get a great gift—call Eastern Savings Bank, 800/522-5492.

* Certificates must be maintained for full account term. If Eastern allows early withdrawal you will be charged the cost of the gift and Federal regulations require a substantial penalty as well. One gift per account. Sorry, no gift allowed for IRA/KEOGH, Pension Trust, or Easy Money Certificates.

** New accounts or additional deposits to existing accounts must be maintained for one year.
