## Oktoberfest Opens Again

For the 6th year, Holy Trinity Diocesan High School will present its annual OKTOBERFEST. Since its beginning, this event has become the largest and most popular of its kind on Long Island. Last year, 30,000 people attended, many traveling from Connecticut, Pennsylvania, New Jersey, etc., to attend. This year promises the same successful and happy experience.

The dates and hours for this year's affair are:  
Friday, August 28: 7:00 PM - 12:00 Midnight  
Saturday, August 29: 2:00 PM - 12:00 Midnight  
Sunday, August 30: 1:00 PM - 11:00 PM

Thursday, September 3: 7:00 PM - 11:00 PM  
Friday, September 4: 7:00 PM - 12:00 Midnight  
Saturday, September 5: 2:00 PM - 12:00 Midnight  
Sunday, September 6: 2:00 PM - 12:00 Midnight  
Monday, September 7: 2:00 PM - 11:00 PM

Holy Trinity High School is located on Newbridge Road (Route 106) and Stewart Avenue in Hicksville. Schuhplattlers, strolling bands, dancing, and lots of oompah music will be featured in the true Bavarian spirit. In addition, top quality OKTOBERFEST entertainers, such as the Schlierschachter Stamm Dancers, the Knickerbockers German Orchestra, the Bill Flynn Polka Dance Review, the Foehr Musik Freund Band, the Pilsner Brass Band, St. Ignatius Girls Cadet Drum and Bugle Corps, etc., will be performing.

Under three large tents seating over 2,000 people at any given time, Adam Barthalt, prominent radio and recording personality, will be the Master of Ceremonies of this popular event.

In addition to the warm, friendly, family atmosphere (Continued on Page 5)

## Hicksville Board of Education Sets Tax Rate

The Hicksville Board of Education voted unanimously to set the 1981-82 school tax rate of \$2.6 cents per \$100 assessed valuation at its August 5th meeting. The rate is 3.4 cents lower than the 86 cents anticipated at the time of the June 10 public budget vote.

Before a tax rate is levied, the trustees of the educational community must consider numerous factors, plus many unknowns. The lower rate

increase was achieved through the Board of Education's efforts to monitor and scrutinize the prior year's budgetary expenditures, while exercising sound financial management in continuing a prudent surplus.

The surplus provides financial stability as the community's buffer against a "see-saw" tax rate, and to cover variables in a fluctuating economy.

Over the last two years, the assessed valuation of

property in our community has been lower. Had adequate surplus not been available to offset this decrease in valuation, this single action alone could have significantly increased the tax rate.

The Hicksville schools have long enjoyed the Moody's Investor Service's prestigious M.I.G. 1 rating, which denotes the highest possible financial rating a district can attain. The benefit of such a rating

allows the district to sell anticipated tax notes at the lowest and most favorable interest rates.

Mr. Richard Weigang, the district's business manager, recently stated: "Taking into consideration the numerous complex factors that impinge on the financial stability of the school district, the Board voted with assurance that an 82.6 cents increase was a prudent and fiscally sound decision made in the best interests of the community."

## Museum Board Votes In New President

At its last Directors' meeting, August 12, the Hicksville Gregory Museum accepted the resignation of its President since 1978, Richard Evers, and the election of Museum Vice President Dr. Richard Smith to the leadership post. The

museum changed leaders so that Evers may carry out the duties of Museum Executive Director without wearing the extra hat of President of a policy making body.

The unusual arrangement of a single person filling both the Museum president's and the Director's position has

served the museum well during the recent critical years of transition at the museum, following the retirements in 1977 the museum founders, Dr. and Mrs. Gardiner Gregory.

A long serving, highly cooperative Board of Directors made the leader-

ship change at the request of Evers.

Irwin Botto of the Board of Directors was elected Vice President.

Museum Treasurer, Edward Peter, and Secretary, Elizabeth Pearce, will continue in their office.

## Beautify-Don't Vandalize!

DO YOU CARE ABOUT YOUR COMMUNITY? WELL, THE HICKSVILLE YOUTH COUNCIL DOES!

They are a group of teenagers who presently are working on a Vandalism Prevention Program, funded by the State Division For Youth.

Do you realize how serious vandalism is? In the Hicksville School District vandalism costs have soared over \$200,000 in the past year. Destruction to private property and businesses have also

created an increased financial burden for the community. The end result is costing you, the taxpayers, unnecessary money for damages and repairs. Yet, people are constantly ignoring the problem. The Youth Council is trying to encourage community awareness and get people involved, so you can help them reach their goal to decrease vandalism in our community.

To promote community awareness, they will initiate various projects such

as publicity flyers, business surveys, attitude surveys, slide show, scrap-book, and a pamphlet. They will also be painting a mural on the wall of Calda Pizza in Hicksville. Paint donations have been given by Chroma Paint, Botto Bros., Colormart, Trio Hardware and Orange Front Paint Supplies. The Youth Council thanks them for participating in this program.

In the fall, presentations in the Hicksville Senior and Junior Highs will be

given. They will also be running a poster contest in the elementary schools in the area. Presentations to local community groups, including Kiwanis and the Chamber of Commerce are planned.

The group leaders are Renee Romano, and Carole Singer of the Hicksville Youth Council. Mark Goldstein, Ethan Linden, Kathi Lyon, Ronald Meyers, and Tina Winters have participated in this Vandalism Prevention Program.

## Design A L.I. Stamp Winners

Hicksville MSC Manager-Postmaster Anthony M. Murello is proud to announce the winners of the Postal Service's National Letter Writing Week "Design a Long Island Stamp" contest.

On August 13th at the main post office in Hicksville, the winners were selected by the Stamp Selection Committee from over 60 posters sent in

by 20 participating post offices in the 117 ZIP Code area.

The first prize winner was Wendy Wood, a 6th Grader from Sayville, whose poster was a colorful representation of a seagull flying over blue water between a blazing sun and the ever present Long Island lighthouse. Wendy will receive a \$100 Savings Bond for her silhouette map

of Long Island. Jim Grant, a Massapequa 6th Grader, will receive 5 Mint Sets as third place winners for his drawing of the famous Long Island duck.

Postmaster Murello invites the community to view the Long Island Stamp Designs on display at the Hicksville Post Office for the rest of the summer.

# Galileo Lodge News

By Joe Lorenzo

**VENERABLE TONY PREVITE'S MESSAGE:**  
"Give me the ready hand rather than the ready tongue." Garabaldi

Time is fleeting, and soon the Galileo Lodge's August Dance will be upon us. Scheduled for Saturday, the 29th of August, to be chaired by Carl Melluso (822-1872) and assisted by Dom Valente (433-4465), this dance will feature all the conventions and 'goings-on' of the old-fashioned Italian weddings. For the modest sum of \$9.50 per person, you will be

offered food similar to that used at these old affairs and will be dispensed in much the same manner, beer, soda, coffee and cake, set-ups, live music from a lively dance combo, and the delightful but not surprising appearance of an old-fashioned bride and groom. Also highlighting this dance will be the Beauty Queen contest which will select a Queen to represent the Galileo Lodge at the Columbus Day Parade. Please note that a 'bring-your-own-liquor' policy will be in effect that night, but for something different as well

as nostalgic, why not contact Carl and Dom for your tickets.

And if raucous comedy is one of your 'hang-ups', kindly be informed that on Saturday, the 17th of October, the Ladies Auxiliary of the Galileo Lodge will present their version of the 'crazily-named' Foolies Follies, which is a series of comedic routines (and dances) designed to tear at your sides with laughter. Sue Laurenti (WE 1-0036) will 'chair' this activity, assisted by Mary Monteforte (938-6454), and

both will also handle ticket sales and seating arrangements. For the sum of \$9 per person, besides the hilarious antics of this revue, you will be offered a tasty dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some timely music from a leading disc jockey. But please note that here also a 'bring-your-own-liquor' policy will be in effect that night. If you are interested in comedy and wish to display your comedic wares, contact Sue and Mary at the numbers listed. Rehearsals take place every Tuesday night, from 8 to 10 P.M., and please be advised that the dinner starts at 7:00 P.M. followed by the show. For a night of hearty laughter, good eating and joyous (Continued on Page 11)

## Purcell: "Suburbia Is Not There For The Plucking"

If you are driving less, and paying more, you are not alone. In 1979, the average annual cost of operating the family car was \$2,352. Last year, it rose to \$2,631 - a 12 per cent increase over 1979. And because average car mileage dropped from 8,850 in 1979 to 8,224 in 1980 the cost per mile went up even more, from 27 cents to 32 cents, a 20 per cent jump. In 1972, the last year before the Arab oil embargo, the average mileage was 10,632. And, in case you forgot, back in 1950, it cost an average 8.8 cents a mile to operate your car, and the annual cost was \$825.

Since 1972, average passenger car expenses have

gone up nearly 110 per cent, compared with an overall inflation rate during the same period of 85 per cent. Even though every car expense has risen since 1979 - insurance, licensing and fees, up nearly 10 per cent; interest costs, up 18 per cent; and maintenance and parts, up 15 per cent - fuel still accounts for more than one fifth of the total cost of operating a vehicle.

As fuel costs have soared, motorists have done everything humanly possible to cut down on gasoline consumption. Statistics show that total car travel fell nearly six per cent during 1980 alone, including a 12 per

cent drop in vacations and other personal driving, and an overall 25 per cent drop in overall pleasure driving.

But motorists can only cut down so much. In Nassau County, as in most suburbs, the family car is a necessity, not a luxury. That is why I get so angry, and have said so, when the governor and the State Legislature try to raise money by imposing new fees and taxes on automobiles. The motorist, who is most often also a homeowner, is having a hard enough time keeping his car on the road and making ends meet. The governor seems determined to make it impossible.

The state also forces homeowners in Nassau County to pay more and more to subsidize mass transportation. This year, our total subsidy to mass transportation is \$28 million. That translates into 84 cents on the tax rate - or nearly \$60 a year for the average homeowner. Our tax dollars go to support not only the Long Island Railroad and our own buses - but the New York City subway system as well. People in Nassau County are already doing more than their fair share for mass transportation. But Albany acts as if suburbia were there only for the plucking.

## Public Budget Hearings

in an appearance on the morning of the opening day.

Early in June, when he sent department heads their 1982 budget preparation guides, Purcell warned them that "every penny will be challenged," and ordered them to come up with "the leanest possible budget at the lowest possible cost to the taxpayers."

Today, Purcell reiterated his warning, adding that he is determined to hold the line on taxes and maintain the county's fiscal stability despite rising inflation, unanticipated expenses and state spending pressures.

The 1982 budget format

represents a radical departure from the past budget formats, Purcell said. The 1982 budget, he said, will be a programmatic instead of a line-item budget, with much more detailed information easily available to the public than in the past. For the first time, the new format identifies both control and responsibility centers, Purcell said, a major advance in management's ability to monitor and control spending. A control center is the administrative unit within a department to which money is appropriated by the board of supervisors to fund an array of services. In larger departments, it will

coincide with a division administered by a deputy commissioner. A responsibility center is the specific unit where money is spent to furnish a specific service.

Following the hearings, Purcell will review the budget requests to determine where cuts should be made to hold down spending and keep property taxes stable.

According to the county charter, the county executive must submit his proposed 1982 budget to the board of supervisors by Nov. 9, 1981. The board must then hold a public hearing and adopt the 1982 budget by Dec. 21, 1981.

## Bechtle Announces Candidacy For Dem County Chairmanship

Eugene W. Bechtle, Jr., 36-year old Rockville Centre attorney and village Democratic Zone Leader, who serves as Chief Counsel to Assemblyman Arthur J. Kremer, Chairman of the N.Y. State Assembly Ways & Means Committee, today announced his candidacy for the chairmanship of the Nassau County Democratic Party. The chairman will be elected at the party's convention, September 22. If elected, he will be the youngest chairman of the party since the advent of Jack English. In making known his candidacy, Bechtle underscored the task that faces a young, new leader of the Nassau Democratic organization in a Republican-dominated County.

Putting first things first, however, Bechtle indicated that his first job is to court the votes of the members of the county committee. In addition to a countywide mailing to the people who will be voting for a new

leader, he has embarked on a door-to-door calling campaign in an attempt to reach out personally to as many committed persons as possible.

"In effecting this approach, I hope to impress upon those people that it is they who feel are the backbone of the Nassau Democratic Party. Secondly, I want to impress upon them that this active approach will be typical of the energy I will expend upon the party as its leader."

"The theme of my candidacy is 'NEW LIFE.' There is a need to revitalize our Nassau Democratic organization with a new zest and fresh ideas. We have to work to improve our image and credibility in this county - then we can elect Democrats to public office, the primary goal of a political organization. Democrats who are committed to the well-being of Nassau County, and its residents.

"If elected County Chair-

man, I want that to be a message to those residents. A message that the Democratic Party offers a credible alternative to the type of government that the Republican Party has been offering up. The indictments and convictions that have swirled, and continue to swirl, about the heads of Republican bigwigs are not to be forgotten easily," concluded Bechtle.

A member of the law firm of Bechtle, Burrano & Tonich, he resides at 310 Hempstead Avenue, Rockville Centre with wife Mary

### STRIKE OVER AT HOOKER

Last week on Friday the strike of 43 Hooker Chemical production and maintenance workers ended when this group, which is presently represented by Teamsters Local 810 of Manhattan, unanimously agreed to a new three-year contract. Striking employees went back to work early this week.

The workers had demanded parity with other workers doing like work. Increases in salaries provided for between 32 and 40 per cent raises in the next three years.

Replacing a former safety committee which union representatives said met infrequently, is a new safety and grievance committee which will meet monthly.

We are glad to see that this strike is settled to the satisfaction of both sides.

According to the NY State Dept. of Environmental Conservation Task Force, which has been investigating toxic dumping at the Hooker Chemical Hicksville plant, for the past several months, there is no evidence of either contamination of groundwater or of illegal disposal practices.

Also, officials of the Hicksville Water District, which is constantly checking and testing the quality of our water, state that all is A-OK in this direction.

If you have any further questions, why not check with them yourselves? It's reassuring to know.

Of course, the price of success in this (or any) project is eternal vigilance. So, it is important, also, that all our local organizations keep checking, as we're sure they will do.

PEOPLE IN THE NEWS: send get-well cards to Hicksville Library Director Ken Barnes who is in Mid Island Hospital for tests due to a back problem ... and to Hicksville restaurateur Rudy Bouse, who is recuperating on his second visit to Nassau Hospital in Mineola. Get well soon ... three Grumman employees are celebrating 25 years of service with this local firm ... Joseph LaRocca of Hicksville who works in the Career Education and Development Dept.,

Frank Rom of Hicksville who works in the Electric Box Dept. in Great River, and Odd Sangesland of Plainview who works in the Thermal Equipment Design Dept. Best wishes to all...

Mr. and Mrs. Frank LaMotte of Cottage Blvd. in Hicksville are home after a week's holiday cruise to the sunny isle of Nassau and to sunny Bermuda ... congratulations to Joyce Birdoff of Plainview who recently worked on a dinner dance of the Parents Association of Pre-School Development Program of North Shore University Hospital. Mrs. Birdoff is president of this Parents Association, and the event in question netted \$15,000 for special school for pre-school children with language disorders ... among the student leaders from CW Post College who met in Washington recently with Rep. Norman Lent were Janice S. Maiba of Hicksville and Janeer Riske, who discussed federal issues of interest to the CW Post Students with Congressman Lent. As a member of the Senate-House Conference committee on the Omnibus Budget Reconciliation Act, Cong. Lent was able to give the students an up-to-the-minute summary of the situation ... congratulations on his retirement to Frank Palmieri, who recently received a citation from the Town of Oyster Bay where he served as Acting Supt. of the Printing Division. Mr. Palmieri, an Old Bethpage resident, had served the Town for 20 years and was also honored by his co-workers by a gala party ... congratulations to Salvatore Tesse who was recently appointed the Town of Oyster Bay's Commissioner of General Services, effective August 14th.

THAT'S ALL for this week. Stay well and enjoy beautiful Long Island during this sunny summer of 1981.

## "Your Child Must Have The Necessary Immunizations," Sup. Colby

Although it is only the third week in August, many parents are looking at the calendar, noting the approach of the new school year. While most retail stores will be reminding parents of the need for supplies and clothes, I would like to remind parents that your child may not be permitted to attend school, unless he or she has received all of the necessary immunizations against childhood diseases.

According to the Nassau County Department of Health, this means that every child, from kindergarten through senior year in high school, must show a medical proof that they have received all the shots necessary to protect them against polio, diphtheria, measles, mumps and rubella.

The State Department of Health, by virtue of amendments to the State Education Law and Public Health Law, requires all students to be protected against these classic childhood diseases. School districts are responsible for enforcing these requirements.

The Nassau County Department of Health has indicated that since the requirements for the mumps immunization are newly mandated, parents should check their records to be sure that their children have received the necessary protection. Parents should also be aware that a physician's documentation that a child has had the disease is also good as proof of immunization.

Older students may encounter the problem of not

being completely up-to-date with the combined shots for diphtheria/tetanus and for the oral polio series, because these immunizations require a booster every few years to insure continued protection.

Your family physician can provide the necessary immunization program or you may wish to take advantage of the Health Department clinics that will be offering the shots. Here in the Town of Oyster Bay, the Nassau County Department of Health will provide free immunization clinics at the Plainview Health Center, 1535 Old Country Road, Plainview, on seven consecutive Thursdays beginning August 20 from 9-11 AM and from 6-8 PM. There will also be a clinic at the Plainview Public Library, 1060 Hicksville Road,

Massapequa, on Wednesday, September 2, from 9 AM to 12 noon.

If you decide to take advantage of this opportunity to get your child the necessary immunizations, free, bring all the records on immunizations for each child along with you. It might save your child an 'extra' shot in the arm. Keeping a careful record of each child's shots and a history of each childhood disease is extremely important. The absence of accurately kept records could cause children to need completely new and unnecessary sets of shots to assure school officials that proper protection has been afforded.

Above all, remember, it only hurts for a minute, but the benefits of immunization can protect for a lifetime.

What a great time we all had last Friday evening at the Club Square Dance. We swung our partners, promenaded, dos-e-doed and whirled and twirled until we were exhausted. In between sets we rested, feasted and toasted. For those members who attended, it was great fun being with you; for those members who couldn't make it, we missed you and you missed a lot of fun.

Well, we almost exterminated the Hicksville Young Republicans Club before it started. Seems the telephone number listed in this column last week for prospective members to call was none other than for the Arrow Exterminating Company!! Sorry about that. The Acting president of the YRs is Jim Black, and he is the one to call for further information regarding this organization. His telephone number is 433-5770.

- and this time we promise you it's the correct number. Jim hopes his phone will be ringing with inquiries about the Young Republican Club. He and the other members threw a FREE Pizza Party on August 20, in the Seaman-Eisenman building, 167 Broadway, Hicksville.

If you are between the ages 16 through 28, you can join the YRs.

Remember, the CORRECT telephone number is 433-5770.

Parathion, OMPA, EPN, TEDP, TEPP College Degrees? Terrorist groups? No, these are some of the most commonly used, and most dangerous pesticides, used today. Massive

exposures to these substances can cause vomiting, convulsions, and death. Chronic exposure affects the nervous system and can cause twitching, sweating, tingling of the skin and depression.

Most of us use some form of pesticide around our homes and gardens. Before you use any pesticide, read the label CAREFULLY. If a label reads: "Danger" and/or "Highly Toxic," a taste to a teaspoonful could kill you. If the label reads "Warning" and/or "Moderately Toxic" one teaspoonful to one tablespoon can kill. If the label reads "Caution," one ounce to more than a pint could be fatal.

## Summer Program Nears Completion

Under the supervision of John Miller and John Douglas, Summer Coordinators, the Hicksville community and school district are again participating in the nation's largest single employment and training program for young people. The Summer Youth Employment Program (SYEP) is currently providing jobs and career training for one hundred young people from the Hicksville community.

Since its inception 15 years ago, the SYEP has served an estimated 9.9 million youth across the country with a total federal outlay from the U.S. Department of Labor of \$5.4 billion dollars. This year's grant to the Nassau County Office of Employment and Training for young people residing in the Town of North Hempstead, the Town of Oyster Bay, and City of Glen Cove, is \$1,122,403. The funds go principally for the wages of participants, with limited

expenditures for administrative costs.

The SYEP program is administered by the Neighborhood Youth Corps, a department of the Nassau County Youth Board. In Hicksville the young people work 30 hours a week for eight weeks, receiving \$3.35 an hour, the federal minimum wage. Young people from Hicksville are working in a variety of job settings. These include: East Plains Mental Health Clinics, Neighborhood Youth Corps Hicksville Office, Hicksville Public Library, Hicksville Youth Council, Leukemia Society of America, Junior High School Main Office, Department of Labor, HAD (Help-Aid-Direction), Hicksville Co-op Nursery School, U.S. Army Recruiting Station, U.S. Navy Recruiting Station, Nassau County Medical Center-Dept. of Education, Gregory Museum, Cantiague

## OKTOBER FEST

(Continued from Page 1 Hicksville)

generated by the continuous music and entertainment in this traditional Beer Garden atmosphere, this year will be highlighted by the German-American Week parade sponsored by Holy Trinity High School. County Executive Francis Purcell has declared the week of August 30 German-American Week - Nassau County. On August 30, beginning at 12:00 Noon at the Sears Shopping Center on Route 107, Hicksville, a mammoth parade marking this event will march down Broadway to Old Country Road. Moving west, the championship bands will march towards Newbridge Road and proceed south to the OKTOBERFEST grounds on the athletic field of the high school. Bands such as the Long Island Mimmers, the Long Island Sunrises, Bill's Boys, the North Bellmore Flames, Nassau County Emerald Society Band, the Pilsner Brass Band, Adam Barthalt and his orchestra, together with costumed dancers will provide a most entertaining parade.

The colorful fairground with the appropriate music, foods, and rides make this one of the highlights of the Long Island summer season.

Admission is \$3 per person. Children under 12 free when accompanied by an adult. Senior Citizen admission is \$1.50. Children 16 and under must be accompanied by an adult.

Costumed club groups coming may call ahead for reservations and be greeted with a rousing musical welcome as they march into the tent in the traditional manner.

## Pets To Visit Hicksville

The Bide-A-Wee Home Association, a non-profit animal welfare organization, will bring its 10-foot-high mobile doghouse to Citibank's Hicksville branch on Friday, August 28, according to Branch Manager Ken Zanni.

The rolling structure, filled with adoptable puppies and

kittens and pet-care literature, will be at the branch, located at 255 Broadway Avenue from 9 A.M. until 3 P.M.

"Bide-A-Wee is grateful to Citibank's Ken Zanni for arranging to let us use this space," said John Glaser, Bide-A-Wee Wantagh Shelter manager.

## 1981-82 School Assessments

The total assessed valuation on property in Nassau County's 62 school districts increased 0.212 percent for the 1981-82 school year, according to figures released today by Abe Seldin, Chairman of the Nassau County Board of Assessors. This represents the value placed on all real property in Nassau County, with the exception of Glen Cove school district 5, for school-tax purposes. The Department of Assessment certifies the assessment figures for the school districts.

Seldin said that the 1981-82 total assessed valuation of \$3,618,670,030 represents a gain of \$7,638,341—or 0.212 percent—over last year and replaces last year's figure as the second-smallest increase in county history. Although there was more condominium and new commercial construction in Nassau this year than last, Seldin said the increase in total assessed valuation was so small because of a loss of franchise assessments. Commercial-property owners' court challenges of their assessments, known as writs of certiorari, also remain a serious problem, Seldin added.

Franchise assessments are established by the State Board of Equalization and Assessment in Albany. They form the basis for property taxes levied on equipment owned by public utilities (such as poles and wires) which uses publicly owned rights-of-way.

"The State Board of Equalization and Assessment unilaterally and arbitrarily changed the way depreciation is calculated for franchise assessments from a 'conditioned percent concept' to an 'age over life concept,'" Seldin said. "As a result Nassau school districts lost \$4,337,284 from their assessment rolls. The City of Glen Cove, which levies and collects taxes for Glen Cove School District 5, is not included in these figures. However, Glen Cove also suffered a loss of \$181,922 in franchise assessments for a total loss, county-wide, of \$4,519,206. The Nassau County Department of Assessment is vigorously protesting this change to the State Board of Equalization and Assessment in an effort to restore the previous method of calculating franchise assessments," Seldin added.

Assessments for school districts in the Towns of Oyster Bay and North Hempstead rose 0.765 percent and 0.650 percent respectively, while, for the second year in a row, assessments in Hempstead declined, this year by 0.236 percent.

Twenty of the county's 62 school districts recorded decreases in assessment this year, 15 wholly within the Town of Hempstead, two entirely in the Town of Oyster Bay, two (New Hyde Park-Garden City Park and Westbury) straddle the Hempstead-North Hempstead line and one (Glenwood Landing) is on the North Hempstead-Oyster Bay boundary.

Those districts with the largest declines in value this year include: Hempstead, down 1.33 percent; Long Beach, down 1.31 percent; Roosevelt, down 1.19 percent; Freeport, down 1.11 percent; and Glenwood Landing, down 0.97 percent.

School districts registering the largest gains in assessment are: the Nassau County portion of Cold Spring Harbor, up 4.60 percent; Jericho up 3.2 percent; Bayville, up 2.03 percent; Manhasset, up 1.67 percent; and Locust Grove, up 1.49 percent.

## Comparative Breakdown

The attached charts provide a district-by-district comparative breakdown of assessed valuations for 1980-81 and 1981-82. Please note that several districts are located within two townships and that three — Amityville, Farmingdale and Cold Spring Harbor — straddle the Nassau-Suffolk county line.

The Glenwood Landing school district, for example shows a 1.72 percent decrease in the assessed valuation of the portion lying within the Town of North Hempstead and a 0.09 percent gain for the smaller segment lying within the Town of Oyster Bay. To obtain the percentage change for one of these "joint" districts or for a central school district, first, add the component parts together.

Portion in	1980-81 valuation	1981-82 valuation	Increase or decrease	% change
North Hempstead	\$27,053,839	26,587,269	-466,570	-1.72
Oyster Bay	\$18,833,895	18,850,775	16,880	0.09
<b>TOTALS</b>	<b>\$45,887,734</b>	<b>\$45,438,044</b>	<b>-449,690</b>	

Then, divide the total change by the total 1980-81 assessed valuation for the district (-449,690 divided by 45,887,734) to arrive at the total percentage change for the district (-0.97 percent).

On Friday evening, August 14 at Manning Bowl in Lynn, Massachusetts, the St. Ignatius All-Girl Bugle and Drum Corps won the World Open Championship in the all-girls class. This is the eighth time in the last nine years that these talented young girls have won this

## The Champs Win Again!

prestigious title!

In the preliminaries they defeated twenty-six corps, including Class A, and all girl corps.

They defeated the Arbella Girls Drum Corp. who had taken the title in 1979.

The girls are not on tour in Canada. Tonight, Friday

August 21st, they will be competing in Montreal against top Canadian and American all-girl corps for the Drum Corps International Title.

They won the D.C.I. All-Girls Championship in 1975, 1976 and 1977. They are hoping to bring back

this championship to Hicksville and the United States of America once again.

The Corps will be home on Sunday evening, when an enthusiastic crowd of parents and fans will be at the St. Ignatius schoolyard to welcome the champions home.

## Hicksville Baseball Assoc.

By Carole Wolf

In another two weeks, the baseball season will come to a close. But before we discuss all-stars, there are belated thank-yous that must go to all the hard workers at the shed. At the top of the list goes Danny Rehman, the supply man, for without his muscle power, there would be no food to buy. And a special thank you to the following ladies who spent days distributing food and collecting money so that the HBA could have a continuous fundraiser: (in alphabetical order) - Phyllis Bacchi, Andrea Busa, Kitty Jedd, Ann Luparello, Ann Macaluso, Kathy Manna, Lucy Mir-

anda, Chickie Notaro, Zoraida Pagett, Mary Redman, Donna Rehman, Barbara Rizzo, Diana Rom, Sue Rothschild, Jim & Ruth Socca and Hilda Senise. And to everyone else who devoted a few hours of their time, we thank you.

The All-Star dinner will be on October 5th at 6:30 P.M. at Antun's. There will be everything from a fruit cocktail, chicken dinner to dessert. Cost is \$7.50 a person... Set your calendar for next June 5th. It will be the HBA square dance... To Pony and Coll mothers... would you like your \$15 back? Return your son's uniform to

your manager and a check will be on its way in the mail.

The following names have been proposed for directorships for the 1981-82 year - Steve Strongin, Treasurer; Jim Pagett, Boys Majors; Tony Torlincasi, Boys Ponies; Al Greene, Boys Colts; Pat Morris, Connie Mack; Tom O'Hara, Girls Ponytails; Charlie Teney, Girls Seniors; Diana Rom, Team Mother Coordinator (new position-no appointment to executive board) and Anthony Petro and Jerry Manna to be Vice-President of Fields and Grounds.

## Legionnaires' Log

By Richard Evers

This was one of those weeks for me when the conflicting arguments of 'preparedness for defense' and the 'ultimate need for beating swords into plowshares' came home to perplex and sadden me. On the one hand, I read of the Berrigan brothers and their fellow pacifists - nuns and laymen - going off to begin 3 to 10 year prison terms of martyrdom in the name of human sanity and world peace. And, on the other hand, I communicated with two of my ex-students and young friends who are now serving in the U. S. Navy: Bob Hartenstein of the Missile Cruiser, Richmond K. Turner, home on leave after near-four years of service and Seaman Recruit Neafie Buck III, who is enduring the agonies of the Great Lakes Navy Boot Camp.

I can appreciate the deeds of the anti-war leaders, in the name of peace: the breaking and entering of government property, the destruction of selective service records, etc. Indeed, in reverie, I can admire the Berrigan group - ordained ministers of God and religious - for breaking the law in a holy cause and for accepting the Republic's punishment. But, intellectually and emotionally - indeed, spiritually, also - I am drawn more to an admiration of sailors Bob and Neafie. However much we long for the yet-to-materialize Millennium, it is still only our young men and women in our armed forces, and their seasoned top leaders who stand between us and the Communist ideologues.

One truly yearns for an ability to disarm unilaterally, trusting in God to make the unendurable endurable when the Soviet tanks roll across the North German Plain to the West,

Neafie Buck of Hicksville (right) is now undergoing recruit training at the Great Lakes Naval Base, Illinois.

He visited with his former history teacher, Richard Evers, and a friend, Jeff White, before leaving for the service.

and the huge Red Navy and rocketry call the U.S. bluff and start shoving us onto our backsides in Fortress America. Common sense intrudes, however, and reluctantly, but readily, we must encourage our young people to enlist in the nation's armed services and to welcome them when they write and come home on leave.

Both of my young-far- friends were students in my history classes and, later volunteer workers at the Hicksville Gregory Museum. Robert graduated with the Class of 1977 and Neafie with the Class of 1981. Bob's service has taken him to fleet duty with the Sixth Fleet in the Mediterranean and with the Caribbean Squadron. He can gripe about the Navy with the best of the newly-restored bell-bottomed crew, but he has proud stories of some memorable cruises.

Neafie Buck is still a recruit, only 18 years old and in his first prolonged time away from family and village. For all of us who went away at a tender age

for Uncle Sam or to the old C.C.C. or to college, the recruit's hours of adjustment to loneliness and rough discipline will evoke sympathy and prayers for youthful fortitude. Neafie is the son of Mr. and Mrs. Neafie J. Buck Jr., long-time Hicksville residents. He was honored by being accepted for nuclear propulsion training, a tribute to his academic abilities at the Hicksville High and to his habitual drive to do well in all he undertakes.

Comrades, it is too bad that Bob and Neafie must learn the martial arts but as long as the Soviets and their paranoid satellites stockpile horrors, we must tolerate recruiting sergeants and accept - nay encourage - the necessary departure of our young people for some sort of regimented and self-sacrificing service to the nation...

Sick call: We are sorry to hear Rudy Bouse is back in Nassau Hospital and that Charlie Shore had to return to Central General... Next post social meeting is Tuesday, September 8.

Hicksville native Mike Palahnuik will be beginning his third season as a member of the Ohio State University football team, which opens the 1981 season September 12 by hosting Duke.

Last year the 6-2, 242-pound junior saw brief action as a reserve offensive tackle. He was moved to guard in spring drills and is currently listed behind all-Big Ten performer Joe Lukens.

Palahnuik and the rest of the Buckeyes begin fall practice on August 22.

Park, Juvenile Diabetes Foundation, Hicksville School District, Purchasing Department, Buildings and Grounds Department, Cultural Arts Department, Accounts Payable Department, Curriculum Material Center, Accounting Office, Switchboard, Personnel Department, High School Guidance Department and High School Main Office.

Much of the work accomplished by the summer workers proves to be an invaluable community service, in that most of the projects would not have been possible without the SYEP program. In addition to providing summer jobs for handicapped and economically disadvantaged youth, the Hicksville program provides vocational counseling and labor market information to all participants.

## CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO  
THE SAFEST TREATMENT

In any kind of therapy the wisest course is to start with the treatment that involves the least discomfort, the least expense, and the least risk. Millions of Americans who have back problems, alleviate these annoying or even disabling problems with the drugless healing method of chiropractic, which involves neither surgery nor medication.

The doctor of chiropractic whom you consult will explain the science: gentle manipulation of the spine to correct any imbalance along the spinal cord and free the nerve communication system to carry its vital messages to

every part of the body. The examination consists of passing "educated" hands over the entire spinal area, testing and probing painlessly to find any place where the vertebrae are out of alignment, even if only very slightly. Other diagnostic techniques, such as X-ray may be used as well. After locating the cause of the trouble, the doctor of chiropractic begins a series of treatments. ### BASEBALL ASSOC.

(Continued from Page 8)

There have been no nominations for the following positions-President, Executive Vice-President, Secretary, Umpire-In-Chief, Director of Boys Farms, Boys Minors, Girls Farms, Girls Minors, Girls Majors, the Shed, one 3 year Trustee Term (must have served in executive capacity in HBA for 2 years) and Publicity Chairman. Nominations will be accepted for all positions during the open meeting in September.

And now back to all-stars.

The 16 to 18 year old boys played excellent ball last Saturday and Sunday when they defeated Patchogue 2-1, East Meadow 3-2, and Centereach 6-2. In the Saturday game against Patchogue, Joey Milenkovic pitched a 4 hitter and Peter Nealon knocked in the winning run after Ed Bartley tripped. "The fielding was very good," said manager Al Greene.

In the second game of the doubleheader, there was a repeat combination, for Nealon again squeezed home the winning run after Ed Bartley tripped again. Paul Yanopoulos pitched a 5 hitter. In Sunday's game, Tom Bruno pitched. Peter Nealon and Dennis Chow both hit two doubles during that game.

This 16 to 18 year old all-star team is the only undefeated team in this double elimination tournament. Al Greene attributes it to only three errors in three games. The boys who make up this team are: Ted Marotti, Todd Miller, Steve Jankowski, Jimmy Dedier, Greg Poli, Dennis Chow, Peter Nealon, Ed Bartley, Joey Milenkovic, John Autolino, Paul Yanopoulos and Tom Bruno.

The 13 year old All-Stars under the direction of Nick Cassese and coached by Kevin O'Leahane and Danny Rehman found themselves with a 3-3 record for the summer and a .500 average. Vinie Pellizzi got two wins and the hottest hitters were Kevin O'Leahane and Joey Valentino. "There were no home runs," said Nick Cassese. "It was punch and Judy all the way." The team took two games from Fort Hamilton, lost to Hicksville American, split with Huntington and lost to Smithtown.

The Girls Ponytails lost to Bethpage Tuesday 9-5. But the good news from the Ponytails is that five girls were chosen to play on the LI Ponytails Junior Team and they are Karen Miller, Kristin Appar, Sue Rothschild, Debra Teney and Denise Della Ratta. They will join the all-stars from Glen Cove and Farmingdale and play the #1 team in the league, Bethpage on Thursday, August 27th at 6 P.M. at Bethpage Community Park. Tom O'Hara will be one of the coaches of the team.

Charlie Teney's Senior Girls lost on Sunday to Plainville by a score of 13-8 and to Farmingdale on Monday 9-0. They play on Friday in Garden City at 7:30 P.M. and have a doubleheader in Glen Cove Stadium on Sunday beginning at 1. Try to make it. The girls need a little cheering from the bleachers.

The "Hicksville Hustlers," Hicksville American Soccer Club, sponsored by Walters-Donaldson VW & Porsche/Audi of Hicksville won first place at the Istria Tournament.

1st row: C. Carson, D. Nisenon, D. Haut, M. Kowalczyk, M. Diamant, J. Schneider.  
2nd row: B. Magee, J. Bales, G. Greenberg, J.

Santarelli, T. Richards, T. Dantuono, A. Derosa.  
3rd row: Coach, M. Kanuck, Asst. Coach, J. Carson. Other members of the team are: C. Kanuck, H. Schragin, J. Masters.

## TO THE ABOVE NAMED DEFENDANTS:

The foregoing summons is served upon you by publication pursuant to an order of Hon. Leo F. McGinly Justice of the Supreme Court of the State of New York, and filed on August 3, 1981 with the complaint in the Office of the Clerk of the County of NASSAU, State of New York. The object of this action is to foreclose a mortgage upon the premises described below, executed to MID-ISLAND EQUITIES CORP. by

**CURTIS CARTER** for \$37,100.00 with interest from September 1, 1980, which mortgage was recorded in the Office of the Clerk of NASSAU County, State of New York, on July 10, 1980, Liber 10203, Page 758.

The property in question is described as follows: ALL that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situate, lying and being in the Incorporated Village of Hempstead, Town of Hempstead, County of Nassau and State of New York, known and designated as and by the Lot No. 470 in Block 17 on a certain map entitled, "Map of Property known as 'The Remsen Farm,' situate in the Village of Hempstead, Queens County, L. I., March 12, 1891, by William E. Hawhurst, Surveyors," and filed in the Office of the Clerk of the County of Queens on July 15, 1891 as Map No. 763 and filed in the Office of the Clerk of the County of Nassau as Map No. 38, Case No. 283; Also Lot 284, Block 17 on a certain map entitled, "Map of Hempstead Heights, situate in the Incorporated Village of Hempstead, Nassau County, L.I., surveyed for the Bosco Realty Company in June 1905 by J. F. Carey, C.E. & C.S., Brooklyn, N.Y.," and filed in the Office of the Clerk of the County of Nassau on September 12, 1905, as Map No. 48, Case No. 352, and which said lots when taken together are more particularly bounded and described as follows:

BEGINNING at a point on the southerly side of Wellesley Street (Williams Street) distant 180 feet westerly from the corner formed by the intersection of the southerly side of Wellesley Street with the westerly side of Union Avenue; RUNNING THENCE southerly and parallel with Union Avenue, 100 feet; THENCE westerly and parallel with Wellesley Street, 45 feet; THENCE northerly and again parallel with Union Avenue, 100 feet to the southerly side of Wellesley Street; THENCE easterly and along the southerly side of Wellesley Street 45 feet to the point or place of BEGINNING. ## L.I. Fall Festival

Two new events will launch the second annual Long Island Fall Festival, introducing eight full weeks of events and activities in communities throughout Nassau and Suffolk Counties. Lydia Palazzo, president of the Long Island Tourism & Convention Commission has announced the "kick off event will be the All-Long Island Barbecue to be held at L.I. MacArthur Airport on August 26. This will introduce all of the exciting plans for the Fall Festival beginning with Long Island Duck Week, August 29 through September 6."

The special salute to the Long Island duckling will be featured in restaurants throughout the Long Island region with special duck dinners leading their menus. Recipes for home chefs will also be promoted during this period by the L.I. Duck Growers.

"We believe it is particularly fitting," said Ms. Palazzo, to honor the famous Long Island duckling which has, in its own way, brought much fame to Long Island. In fact, many of the native Long Island products will be featured at the barbecue and, later, in events conducted by communities throughout the area."

The Barbecue event, at which Acting Commissioner of Commerce George Dempster will be guest of honor, will include - in addition to L.I. duckling - Long Island potatoes, Long Island corn, and even Long Island wine. During the festivities, LITOC will crown the 1981 Hospitality Champion concluding a competition which has been conducted throughout the summer among employees of member establishments.

More than a dozen Long Island communities designated as festival communities for 1981 will present an exposition of planned activities. "The 1981 Fall Festival will offer 'Seafests' and Seafood Festivals, Oktoberfests, annual fairs, and Heritage Festivals and more. It will

Another activity that will rejuvenate your Fall recreational moods is the 7th Anniversary Dance of the Ladies Auxiliary of the Galileo Lodge, scheduled for Saturday, the 19th of September. Bill of fare will consist of a cocktail hour which starts at 8:00 P.M., followed by a delicious dinner, beer, soda, coffee and cake, set-ups, unlimited liquor and some sprightly dance music from the Yesterday, Today and Tomorrow' dance group, and all this for the modest sum of \$15 per

person. Rose Meszaros (931-0878) will 'chair' this activity, assisted by Marion Densiglio (ED 4-6960) and both will handle ticket sales and seating arrangements. This dance obviously commemorates the seven years that the Ladies Auxiliary have been an integral and important part of the Galileo Lodge. This dance also promises to be as delightful as it will be enjoyable, because the Ladies Auxiliary are noted for their meticulous attention to detail, excellent planning, eye-appealing decorations and congenial environment. You can't go wrong here.

**LODGE TIDBITS:** Mr. and Mrs. Anthony Caccamese of the Galileo Lodge proudly announce that their daughter Carol has recently graduated from Farmingdale University with a degree in Nursing. Since she

is a full-fledged R.N., Carol is now associated with one of the leading hospitals on Long Island. Congratulations from the Galileo Lodge. Teddy Marotti has been recently elected President of the Lions Club of Hicksville. Congratulations from the Galileo Lodge are also in order. Joe Iannotti, not John (as I wrongly stated), is now home recuperating from a recent illness. Get well quick, Joe, because the Lodge misses you. Sorry to announce the recent passing away of Anthony Ragatiero of the Galileo Lodge. Deepest condolences to the Ragatiero family from all of us here. September 24th is the date for the next Member Appreciation Night and the next Las Vegas session will be on Sept. 26th. Five new members will be installed on the social meeting of August 27th. Frank Miccio and his wife have been recently hospitalized. We wish them both a speedy recovery.
