## Wanted!!

**WANTED!!** Any information on any graduate of Hicksville High School, Class of 1941. A Class Reunion is going to be held in connection with the Hicksville High School Alumni Association's annual Homecoming Dinner Dance. Please contact Dorothy French Brenzel (call collect any time) at (516) WE 1-0010.

In the top picture, Charles Montana, Vice-President of the Hicksville Kiwanis Club presents a Certificate of Appreciation to Peter Gianetti, who writes the Economic and Financial News for Newday. Peter, who was guest speaker at the Aug. 12 meeting, gave a very interesting and informative talk on the present situation both locally and in the United States.

At the same meeting

[Lower picture] Past President William H. Murphy received his pin for attaining 25 years of perfect attendance. This is a remarkable feat as you must make 52 meetings a year in order to receive an award for 1 year. In this picture, Past President Russell Coniglio (left) is making the presentation after extolling Bill's many contributions to the Club over the year.

Plans are moving ahead for the Hicksville Fire Department's 53rd Annual Labor Day Parade and Drill. The Parade will start at 9 a.m. sharp at Fire Headquarters and proceed down Jerusalem Ave., picking up the six Divisions as it moves along Old Country Rd to Levittown Parkway. The drill will start 1 hour after the end of the Parade on Levittown Parkway.

The committee tried in vain to find a more suitable location for the drill to move it away from the populated Levittown Parkway area. A large group of local residents petitioned the Fire Commissioners, to relocate the drill elsewhere. Hicksville Fire Commissioners, Chiefs, Committee Chairmen and Town Councilman Tom Clark met with the residents to work out the complex problems the residents

complained about. The Fire Dept. pledged to work with local residents to protect their property and limit access to their area. Efforts will continue in earnest to find a better location for the Drill.

Next issue, we will have the Parade line-up.

Grandstand admission, adults \$2; children, \$1, coolers \$10 each. No glass bottles will be allowed as per Town law. Coolers will be checked.

**Ex-Chief Mel Voorhies**  
Hon. Grand Marshal

The members of the Hicksville Fire Dept. are very pleased to have Mel Voorhies as their Honorary Grand Marshal for this 53rd Annual Labor Day celebration.

Mel was born and raised in Navy where he was stationed in the Pacific.

Mel joined the Fire College Po 1, New York. He moved to Hicksville in 1965,

Mel Voorhies

but not before serving two and one-half years in the Department, Company No. 7, in 1956. In 1959 he became Second Lieutenant of his company and in 1964 had worked his way up to the office of Captain. Later in 1964, Mel was elected Third

Assistant Chief and then Chief of the Department for the years 1972 and 1973. Another title earned by Mel was that of "Shaefer's Fireman of the Year," a most prestigious and respected tribute.

After working for the United States Post Office for 30 years, Mel is now retired. He and his wife, Kathleen, are the proud parents of three children, Charles, Elizabeth and Patricia and grandparents of Jennifer Lynn.

Mel is still very much an active member of the Department in both firefighting and committees. Mel, from all the members of the Department, we honor you this day. It's good knowing that when someone needs a hand, you're always there helping without a complaint. Thank you!

## At The School Board Meeting

By Rosemary Grant

The Hicksville Board of Education rejected a last minute offer to resign and terminated the services of Dr. David F. Weeks, Director of Pupil Personnel at the regular meeting on August 26.

William Bennett, former Board member, questioned the Board as to who made the determination. "Is it from the Board of Education or from the Superintendent's recommendation?...I do not want the Board of Education to dictate hiring and firing and transferring of an individual based on an individual's likes and dislikes," he said. President Ayres replied "Individuals are judged on performance.

not on personality likes and dislikes."

Larry Wolfson appeared before the Board and commented on the patience of the Board in dealing with Mr. Bennett's continual questioning and reference to Executive Session matters. "He is creating harm referring to items like personnel or anything of that nature discussed by the Board of Education in Executive Session," Wolfson noted.

A concerned citizen asked what would be done regarding security on school grounds as the pressbox on

the athletic field was the second destroyed by fire in 19 months. Dr. Hawkins and Mr. Ayres indicated there is stronger security measures being discussed and Dr. Hawkins assured the Board a new pressbox will be built before the first football game.

Dr. Hawkins reported the Adult Education brochures listing courses and schedules will be distributed on August 28. He also stated residents should have the school calendar by the opening of school. April 15 and 16 were reinstated as part of the Easter recess. School will

open on September 9 and end on June 25. In the event of emergency closings, there will be school sessions on June 28 and 29.

Approximately 400 high school students have not yet met the requirements for immunization. These students will not receive their programs until they have the required inoculations. Students who are not immunized will have a grace period, but after that period of time, they will be excluded.

Dr. Fenton presented

## Auxiliary Police To Begin 30th Annual Fund Drive

### AARP Meeting

Central Nassau Chapter # 1592, American Association of Retired Persons, will hold its regular meeting at 1 P.M., Tuesday, Sept. 1, in Levittown Hall, Hicksville.

John McFadden, seventh president since the chapter was formed in December 1972, notes that the members formerly met at the Parkway Community Church, Stewart Avenue, Hicksville.

Chapter # 1592's move was necessitated by its growth and influence. Among the largest Long Island Chapters of the AARP, it now has 420 members who reside in 30-odd communities in Nassau County.

Active in politics and civic and fraternal groups all his life, Mr. McFadden is a well-known figure. He lives with his wife Lillian at 123 Pollok Place, Hicksville.

The Hicksville Auxiliary Police, Unit 312, announce that they will start their 1981 annual fund drive in the Hicksville area next week. Their annual appeal for support will be mailed out to all residents and businesses.

Fund drive chairman Sergeant Gary Ward stated that, although the Nassau County Police Department provides training, uniforms and gas for the patrol vehicles, the Unit must take responsibility for the rest. This includes the purchase of patrol cars, equipping them

with two-way radios and emergency equipment, maintenance and insurance for the vehicles, as well as office supplies and equipment.

Also, a fund has been set up so that members of this all-volunteer organization can be reimbursed for time lost from their regular jobs due to time spent in court.

"The Auxiliary Police rely upon the continued support of the residents each year. It is understood that times are tough for all of us, and that many groups ask for your help. Your

Auxiliary Police hope that you will give what you can to assist them in their effort to continue serving the community to make it a safer place in which to live and work," a spokesman for this group said.

"Your Auxiliary Police give freely of their time for training and patrol details an are always being called upon by the community and the Police Department to assist any time, day or night, often at great risk. They answer your appeal, will you answer theirs?" he concludes.

# Galileo Lodge News

By Joe Lorenzo

**VENERABLE TONY PREVITE'S MESSAGE:**  
"The true civilization is where every man gives to every other every right that he claims for himself." R.B. Ingersoll

Last chance to purchase tickets for the August Dance, scheduled for Saturday, the 29th of August, under the supervision of Carl Melluso (822-1872), the chairman, and assisted by Dom Valente (433-4465). Both will handle ticket sales and seating arrangements. Tickets sell at \$9.50 per person, featuring food, beer, soda, coffee and cake, set-ups and live music. This dance highlights the modes and moods of the old-fashioned Italian weddings, and also features the presence of an old-fashion bride and groom. Also embellishing the activities that night will be a Beauty Queen pageant. Try not to miss this

unique event.

If you follow the activities of the success-oriented Ladies Auxiliary of the Galileo Lodge (and who doesn't), kindly be informed that the Ladies Auxiliary are presenting their 7th Anniversary Dance on Saturday, the 19th of September. The bill of fare sounds like a cornucopia of goodies, which will include an appetizing cocktail hour, followed by a delicious dinner with all the trimmings, beer, soda, coffee, and cake, set-ups and some fanciful dance music from the 'Yesterday, Today and Tomorrow' dance group. Rose Mezmaros (931-0878) will 'chair' this activity, and she will be ably abetted by Marion Densiglio (ED 4-6860). Both will handle ticket sales, which sell at \$15 per person, and seating arrangements. This dance obviously marks the 7th year

that the Ladies Auxiliary have been an important, delightful and successful part of the Galileo Lodge. Those who are familiar with the excellence, meticulousness and fastidious planning of functions associated with the Ladies Auxiliary can certainly look forward to this one being presented much in the same vein. For a congenial environment and pleasurable dining out, contact Rose and Marion at the numbers listed above.

It may not be the Follies Bergere. And it may not be the Ziegfeld Follies. But it certainly will be the 'Follies Follies', a revue concocted by the Ladies Auxiliary which is deeply entrenched in the spirit of comedy (and some choreography, too) and which should provide some of the zaniest and wackiest bits of humor ever

witnessed by human eyes. Sue Laurenti (WE 1-0036) will supervise this activity and she will be ably assisted by Mary Monteforte (838-6454), and both will also handle tickets and seating arrangements. In addition to all this 'mad' humor, you will be offered a delicious roast beef dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some timely dance music from a leading disc jockey. But please note that a 'bring-your-own-liquor' policy will be in effect that night. All Lodge personnel who have an affinity for comedy, please contact Rose and Marion at the numbers listed here. And, incidentally, kindly be informed that rehearsals take place every Tuesday night at the Galileo Lodge, from 8 to 10 P.M. and that the dinner starts at 7:00 P.M. and to be followed immediately by the show. Tickets sell at \$9.00 per person, and for something unusual in entertainment and pleasure, make this your night at the Galileo Lodge.

**LODGE TIDBITS:**  
Pleasure to report that Mr.

and Mrs. Frank Governale of the Galileo Lodge were extremely thrilled to meet his old buddies from the 2nd Marine Division Association which gathered in Colorado Springs, Colorado. Frank hasn't seen these war-time associates in 36 years, so this had to be a most memorable occasion. Frank and this Division were very visible during the invasion of the Marianas, Pacific Theatre of Operations. Frank and his wife state that they will

again spend more time with these friends sometime in the future ... Sorry to hear that Willie Argento is back in the hospital, and all of us here at the Lodge wish him a speedy recovery ... It is announced that the next fishing trip is set for September 20th, a Sunday, so contact Jeff Wallick or Jules Mezmaros at 931-9351 for more details ... Bowling at the Galileo Lodge starts on September 11th, at the Mid-Island Bowling Lanes. It will be a mixed league.

## SCHOOL BOARD

(Continued from Page 1 Hicksville)

Elementary enrollment and staffing projections. Projected class in grammar schools is less than 26 pupils in all intermediate grades, offering more favorable opportunity to mainstream Special Education children. There is a projected enrollment of 92 Special Education children throughout the District.

Dr. Rick presented an overview of the upcoming Middle State Evaluation. This is a voluntary association of colleges and schools that give accreditation, which is significant especially to students applying to out of state colleges. Certain standards must be adhered to and Dr. Reich is seeking help from the community to prepare for the evaluation of Hicksville High School which will take place on March 10, 11 and 12. This evaluation occurs once every 10 years.

The Board unanimously voted to adopt an evaluation instrument to rate the position of Superintendent. Jay Schwartz will meet with Superintendent Hawkins to discuss the evaluation form.

Kindergarten screening for all students entering kindergarten was unanimously approved. These screenings include evaluation of visual perception and language skills.

The Board approved the appointment of 3 Special Education teachers and 7 elementary school teachers. Donald J. Larsen was appointed Football Band Director and Band Director of Civil ceremonies and parades.

The Board also approved individuals to be members of the Committee On The Handicapped, application for Federal Funds to provide services of a physical therapist for handicapped children, an increase in umbrella liability insurance, continuation of student insurance for athletic activities, free lunch policies and award of bids, claims and warrants.

The next regular meeting of the Board of Education is scheduled for September 9 at 8:15 p.m. in the Administration Building.

## Open House

The Hicksville Jewish Center, located on Jerusalem Avenue, at Maglie Drive, in Hicksville, has scheduled its open house this year for September 9

and 10 at the temple. Anyone interested in getting more information is welcome to come visit the temple between 8 and 10 PM on one of these nights.

## LEGAL NOTICE

## LEGAL NOTICE

NOTICE IS HEREBY GIVEN that the persons herein named have formed a limited partnership for the transaction of business in the State of New York and elsewhere, and have filed a Certificate in the Clerk's Office of the County of Nassau of which the substance is as follows:

1. The name of the limited partnership is LONG ISLAND REALTY GROUP II.
2. The business of the partnership shall be to purchase, lease, sell, rent and manage real estate.
3. The location of the principal place of business is 1 DuPont Street, Plainview, New York 11803.
4. The name and residence of each member is:  
Jerome Edson 63 Old Brook road  
Dix Hills, N.Y. 11746  
c/o Eidelkind and Levine  
63 Old Brook Road  
Dix Hills, N.Y. 11746

## Purcell Offers VA Free Space For Vet Center

On Aug. 21, County Executive Francis T. Purcell offered the Veterans Administration rent-free office space to expedite the establishment of an Operation Outreach Center for Vietnam Era veterans on Long Island.

In a letter to Dr. Donald L. Custis, the VA's chief medical director in Washington, D.C., Purcell said his administration would give full cooperation to achieve an early opening

for the veterans center. "I believe we are able to offer the VA office space suitable for adaptation to needs," Purcell's letter said. "This space is offered rent-free or at a nominal one-dollar-a-year fee. I make this offer in order to expedite establishment of the center and bring much-needed advice and counseling to those veterans in need."

Early in July, when advised that budget expansion for the VA made possible establishment of 42

new counseling centers for Vietnam veterans, Purcell wrote to VA Administrator Robert P. Nimmo. He urged that one of the new facilities be made available to the more than 70,000 Viet vets who live on Long Island. Purcell reinforced his request by asking Long Island congressmen and New York's U.S. Senators to carry his plea to the VA as well.

On July 16, Nimmo announced that new centers would be established for

Nassau/Suffolk, the Albany area and Westchester, within three to four months.

"I decided I had to try to speed up the process," Purcell said, "after attending a seminar held Tuesday night on the plight of Vietnam veterans by the Wantagh American Legion. Many of our young people have deep, serious problems as a result of their service to the United States. They can no longer be neglected and must have direct and concerted help."

## New County Comptroller

Nassau County Executive Francis T. Purcell, right, administers the oath of office to Peter T. King, the newly appointed Nassau County Comptroller as King's wife, Rosemary, and his children, Sean, 11, and Erin, 7, look on.

Purcell appointed King to fill the vacancy created by the resignation of M. Hallsted Christ, who had served as county comptroller for the past 8 1/2 years.

### Completed Training

Navy Seaman Recruit Michael Johnson, son of Stanley Johnson of Fulton Estate in Hempstead, has completed recruit training at the Naval Training Center, Orlando, Fla. He joined the Navy in November 1980.

## Art Lessons

Nassau County adults, with an artistic bent, will have the opportunity to sharpen their skills with a free drawing and painting program for beginners and intermediates, scheduled this fall at Eisenhower Park, East Meadow.

Recreation and Parks

Commissioner Abram C. Williams said that intermediate level artists, with at least one year of art class drawing or painting experience, will meet Mondays, September 21 through December 14 (except Oct. 12, Columbus Day), from 1:30 to 3:30 P.M.

A beginners' art program will be held on Thursdays, September 24 through December 17 (except Oct. 8 and Nov. 26), from 1:30 to 3:30 P.M.

Beginning artists will have the opportunity to learn basic composition and perspective, in addition to

mixing and matching colors.

Williams extended a special invitation to handicapped residents and senior citizens for participation in the program.

Pre-registration is required and information can be obtained by calling 292-4254.

## Set Aug. 28

### Revenue Sharing Hearing

Nassau County Executive Francis T. Purcell announced that there will be a public hearing on Friday, Aug. 28, on the county's proposed use of approximately \$16 million in federal revenue funds in 1982.

The hearing will be held at 1:30 PM in Room 246 of the

County Executive Building on West St. in Mineola, the final day of a week-long series of public hearings on county departmental budget proposals for 1982.

At the hearing, county residents may present written and oral comments and suggestions about the use of the federal revenue sharing funds.

### Murals For The Children

Senior citizens with a flare for art will volunteer their time and artistic skills to paint murals in the children's ward this fall at the Nassau County Medical Center in East Meadow.

Nassau Recreation and Parks Commissioner Abram C. Williams, whose department will coordinate the effort, said that the program will take place on Tuesdays starting Sept. 22

and continue into December from 10 a.m. to 3 p.m. each day.

Williams noted that gifted seniors have already painted huge murals at two Nassau County parks facilities. He said that Nassau residents 60 and over who wish to participate in the Medical Center project may register by calling the Special Populations Unit at 292-4254.

## "Man Of The Year"

ALL SMILES: Pictured center is Charles A. Gargano of Dix Hills, holding the Boys' Towns of Italy 1981 "Man of the Year" award presented to him in behalf of his notable work in care of needy children by the Rt. Rev. Monsignor J. Patrick Carroll-Abbing, founder of Boys' Towns, as Mrs. Gargano, r., looks on.

On the l. are Mrs. Mario Posillico and Mr. Posillico, general chairman, holding a ceramic plate made by the children of Boys' Towns in appreciation of his devotion to them.

They are shown in front of a gazebo in the Cloud Casino of Roosevelt Raceway, where the International Summer Ball, sponsored by the Nassau-Suffolk Committee, was held.

More than 900 persons prominent in public life and charitable circles turned out to make the gala one of the most financially successful held in years.

My pay remains at a standstill while your bills keep on rising. Will you give me a break, LILCO?

Actually, we're as much victimized by OPEC oil prices as you are. but we're working hard to keep costs down.

We know it hurts to find your bills going up, and telling you that the biggest increases reflect fuel costs doesn't make the dent in your budget any easier to take.

We would like, though, to make you aware of the fact that soaring oil prices are far and away our biggest single cost.

It all goes back to the OPEC countries which have raised oil prices nearly 1,000% since 1973, and doubled them just in the last year.

We've tried very hard to minimize the impact of OPEC prices on customers like you. That impact is lessened when we can buy less expensive nuclear, coal and hydroelectric power from neighboring utilities. The impact is also lessened when we can use our own surplus gas to power our generators. (This saved our customers \$70 million last year.)

Looking to the future, an average of 8 million barrels of oil a year will be saved when the Shoreham nuclear plant begins operation in 1983. Shoreham will cut our dependence on OPEC oil by 30%, and save customers like you hundreds of millions of dollars on your electric bills in years to come.

That's why the brightest hope for all of us is Shoreham. Plus the sacrifices we're all making to conserve energy.

We'll probably be the victim of oil prices for a long time to come, but we'll keep on fighting them every way we know how. Long Island Lighting Company.

## Dear Friends ...

There is no question that Town, County and State officials are closely overseeing the dumping practices of Hooker Chemical in Hicksville, and have been doing so for quite some time. And there is no question that Hooker has for some time been adhering strictly to all regulations, new and old, applying to the dumping of dangerous chemical waste. Hooker, along with many other Long Island companies, is under continual regulation...and rightly so, when the chemicals they are handling on a day to day basis, and the dumping of any dangerous waste is also of grave concern to all.

We have checked for several years, with the local water districts whose water supply might be affected by any illegal dumping of dangerous chemicals. We know that our local water is up to standards set by the government. If you are at all concerned we suggest that you do the same. But we know that this sophisticated type of testing goes on continually so that no deterioration of our water supply could possibly exist without the knowledge of our local water district officials.

Nevertheless, some groups continue their vigilance and concern, especially regarding Hooker Chemical. We do not say that "eternal vigilance" is wrong. But, when all facts point to a strict adherence to present laws and when water supply continues to test as excellent, we do not feel that either organizations or county daily newspapers should alarm our residents unnecessarily.

We will continue to keep you alerted from month to month.

YOU MAY ENJOY THIS LITTLE NOTE we received from Murray Margolis (former Hicksville resident and community activist): Dear Sheila: Greetings from Gods Country (Estacada, Oregon)...home of Mt. Hood...the most gorgeous sight anyone can see. We can see Mt. Helens on most clear days. We confronted a small earthquake, which nobody pays attention to.

The people are wonderful, neighborly and very proud of their surroundings. "Keep Oregon Clean" is a respected slogan and part of it is done by charging deposits on bottles and cans. You can not see a bottle or a can on a road or in a shopping center. I read where Nassau County is fighting for this kind of a law. Help make it so.

I'd like to tell all my friends that I miss them, which I do. However, family comes first. My daughter, grandchildren and son-in-law make us feel very much at home. Regards...Murray.

THAT'S ALL for this week. Stay well and enjoy this last remnant of THE SUMMER OF '81 on beautiful Long Island.

## Letters To The Editor

Fields of violets, fertile farms,  
Tree-lined Broadway, country charms.  
Fresh clean breezes, all of these  
-Hicksville

Enter progress, traffic woes,  
Family stores are forced to close.  
Four-lane speedways, parking lots  
Rubbish strewn in vacant plots.

Gone the fields, gone the trees,  
Left are only memories of  
-Hicksville

D. Willant  
August 10, 1981

Dear Editor:

Although I have been an avid reader of "LETTERS TO THE EDITOR" in our local papers for many years and have always been prepared to read all types of letters, I was astounded and dismayed two weeks ago to read the letter written by Mr. William Bennett, former member of the Hicksville School Board. The inaccuracies, misstatements and half-truths evidenced either lack of knowledge, short memory or obvious attempt to mislead the Hicksville residents. Were it not for this obvious deception, I would not take the time and effort to answer and refute the contents of his letter.

I have been privileged to have served as chairman of the Citizens Budget Advisory Committee. During such tenure, I attended committee and board meetings, as well as having been present at the board meeting of August 6th, 1981. LET US SET THE RECORD STRAIGHT - The present Board of Education consists of seven members. Five of the members have been serving on the Board of Education prior to the 1981 election. It is not, as Mr. Bennett stated, a "new Board of Education."

The vote setting the tax rate at the August 6th meeting was passed unanimously. It must be assumed that the Board had deliberated for many months, viewing and debating the facts, documents and data available, upon which they based their decision. Mr. Bennett's remarks were directed at and were critical of Mr. Ayres and Mrs. Germer. It is interesting to note that none of the five prior board members including veteran members Mr. Nagle and Mr.

Arena hesitated in any manner in voting to set such tax rate.

Specifically, it was shocking to observe the apparent lack of knowledge and understanding of a man who sat on the Board of Education for four years. During such time, he was privy to all financial data regarding the Hicksville School District, both public and confidential. He should have absorbed an understanding of the budgetary process, including preparation of budget, state aid and correlation of revenues, expenditures and surplus.

He speaks of the sum of \$461,485 as a "WINDFALL." In fact, this was the normal, regular reimbursement of state aid in 1980-81 for the expenditures incurred in 1979-80. The funds were clearly handicapped state aid for children that were eligible under the law (the budget book on page IX clearly indicates this). It is apparent that after all this time, he still does not understand the regular state procedure, by law, in which a school district is reimbursed for money spent in the year following the expenditure. Mr. Bennett questions "was it just put in surplus?" - "and used for other purposes?"

A man who sat on the Board of Education for a period of four years certainly should have known that by law such reported expenditures must be certified and proven by the district before such monies are reimbursed to the district. He speaks of \$692,827 for salary increases for instructional personnel. In fact, at the time of preparation of the budget, negotiations with instructional personnel were

not and to date have not been completed. Is this Mr. Bennett's "grandstand play" as an ex-board member and a mere resident of this community to negotiate in public or to interfere with the normal negotiating process?

He speaks of surplus as an independent theory, having nothing to do with the total budget process. In fact, the lack of surplus results in a higher tax rate and further burden to the taxpayers in the following year or years of low or non-existent surplus. The Board of Education should be commended rather than criticized during the past several years, for its responsible financial management during which the increase in taxes has been less than the rate of inflation.

Mr. Bennett questions how the community can believe Mr. Ayres and Mrs. Germer, while not questioning the credibility of the rest of the board which voted unanimously on the tax rate, since he knows that they were all correct.

How can a person who conducts himself in such a manner and who has shown such a lack of knowledge and understanding of the district, expect to have any credibility amongst the community, when he has had the opportunity to learn firsthand and still does not understand.

Lawrence I. Wolfson

Dear Editor,

The Hicksville Citizens Alliance is a non-profit, non-partisan community organization that formed in our community in August of last year. We are membership-based and membership directed, and our issues and campaigns are decided by members.

Two points about the nature of Citizens Alliance should be clarified for your readers and for readers of Long Island's daily newspaper, Citizens Alliance is non-partisan and as such does not support any candidate for political office. We do encourage all public officials and other public figures to support our efforts for community improvement.

Second, Citizens Alliance achieves constructive change for community

improvement by working strictly within "the system." Our Hicksville chapter did not sponsor a trash-dumping at Hooker Chemical Company, as mistakenly reported by Newsday in its August 25 edition. Citizens Alliance did, however, sponsor a legal public rally at the plant several days later on August 15 to show community support for a full and public investigation of chemical dumping by Hooker. As a result of complaint letters we filed before the State Department of Environmental Conservation, an investigation of new dumping charges is now taking place.

Thank you for allowing us to clear up these important points about Citizens Alliance, and thank you for the coverage you have given to our activities.

Sincerely,  
Helen Link,  
Executive Committee  
Hicksville  
Citizens Alliance

Dear Mrs. Noeth:

In your paper of June 5, 1981, Mrs. Josephine Buckner had a letter printed referring to my appeal to the Commissioner of Education to have the Library Trustee Election declared null and void. In as much as I was at Cornell University that week-end, attending a 4-H New York State Leader Forum, I did not see this letter until recently and am now taking this opportunity to correct Mrs. Buckner's erroneous statement.

The Commissioner of Education NEVER rules on my Petition, since I myself withdrew it by allowing the appeal date of June 1 to pass without further substantiating my charges.

I received a letter dated May 18th from Maureen A. Conley, Staff Attorney of the State Education Department, which gave me an extension on the date of appeal, as well as stating what was necessary for me to correct my original petition in order to be acceptable.

At that time, due to several health problems I was having, coupled with the harassment of the Bennett Family by the Hicksville Congress of Teachers, I and I

(Continued on Page 9)

## At The Town Board Meeting

By Sheila Noeth

Town of Oyster Bay Councilmen Clark and Venditto were both absent from the regular meeting of the Town Board held in Oyster Bay on Tues., Aug. 25. The Board acted on the following local matters:

They approved Resolution No. 622-1981 granting the request of the contractors, Hallen Construction Co., Inc. and H. P. Schneider, Inc. to use Hicksville Parklet No. H-15 to store equipment in connection with the Nassau County Sewer Contract in the vicinity of Levittown Pky. at \$50.00 a month, finishing around Dec. 15th, 1981. This agreement must be signed by the Supervisor.

They approved Resolution No. 625-1981 relating to the installation of asphalt sidewalk on Central Park Road in Plainview.

They approved Resolution

No. 626-1981 relating to the acquisition from N.Y. State of certain lands in the vicinity of the Hicksville RR Station to be used for a proposed parking garage. This related to the releasing of property for sanitary and drainage lines easements.

They approved Resolution No. 627-1981 relating to the disposal of 100 cases of spoiled tuna fish disposed of by burning at the request of the County D.A.'s office.

They approved Resolution No. 635-1981 rejecting bids and re-advertising of same regarding miscellaneous maintenance improvements to various buildings at the Bruce Estate in Woodbury.

They approved Resolution No. 638-1981 relating to some drainage and some street lighting improvements in parking areas in H-15 Field in downtown Hicksville.

They approved Resolution

No. 640-1981 relating to a change order on a heating system renovation at the DPW building in Syosset. This involved rewiring to put in new dual control thermostats for both heat and air conditioning.

They approved Resolution No. 643-1981 relating to the petition of Dr. Robert Gross and Enid Gross for a change of zone from residential to R.O. (Residence-Office) Zone at premises located on South Oyster Bay Road and Garden Street in Hicksville. The approval was accompanied by 12 covenants and restrictions.

They approved Resolution No. 644-1981 relating to the petition of the Greenbury Restaurant, Inc. (San Francisco Wharf) in Woodbury for a special use permit to enlarge the restaurant by removing a boutique and adding more

dining space. However, they denied the petition for a down zoning of adjacent property. It was mentioned that only a variance was needed to use this adjacent property for parking.

They approved Resolution No. 645-1981 relating to the petition of the Tilles Investment Company for a special use permit and modification of restrictive covenants at the Tilles Commercial Park in Woodbury to build as an office in an industrial area. They did, however, add 31 restrictive covenants and noted that for some months prior to this petition's being granted, the local civic association and the builder had met together and worked out many details to their mutual satisfaction.

The next Board meeting will be held on Tuesday, Sept. 15.

# Hicksville Baseball Assoc.

By Carole Wolf

The Colts All-Stars won a double elimination tournament last weekend and will bring a 2-1/2 foot trophy home to HBA.

"According to Colts manager, Al Greene, the team lost the first game last weekend to Selden by a score of 12-2 because of unusual circumstances. Our 16 to 18 year-old boys were losing 11-7 going into the last inning of the second game when Hicks-ville scored 5 runs. Greg Poli delivered the tying and winning run by hitting a line drive up the middle with 2 out and bases loaded. Tom Bruno was the winning pitcher.

"I wondered if it was all worth it," said Donna Rehman when she spoke of her year as Executive Vice-President of the HBA. And then a little 8 year-old comes up to her at the picnic and says, "Thank you Mrs. Rehman." "That's why I did it," she continued, "so that the boys and girls could play ball this year."

She did another excellent job planning with secretary, Diana Rom, for the HBA picnic which was held last Saturday, August 22nd at Eisenhower Park. Tom O'Hara explained that it was a fun day... there was an egg tossing contest and water balloons being thrown between husband and wife. Prizes, such as t-shirts, bats, balls, frisbees, kites, hoola hoops, yoyos and nerf airplanes were given to those who came to play games. Everyone had a great time.

Tom O'Hara would like to give his heartfelt thanks to the girls who played for him, to the parents and the fans for making 1981 a great season. He promises to "do better next year" and he intends to keep his promise, for Tom has already volunteered to head the PONY-TAILS for 1982.

The GIRLS SENIORS know how to go out in style. They won both ends of a doubleheader from Glen Cove last Sunday by scores of 13-0 and 8-5. In a combined scorecard, Mary Ellen Magee went 3 for 5 with a single, triple and HR. Ann McCarthy went 3 for 5 with a single and 2 HR's. Linda Cirincione went 2 for 4 with a double and a HR and Karen Mattejat had a 2 for 2 day, with 2 singles; she walked the other times at bat.

The GIRLS SENIORS will be the "same set-up as last year," said Charlie Teney, director of the older girls for this year and a volunteer for next. If any girl, between the ages of 15 to 19, is interested in playing next spring, call Charlie Teney at 735-7147 between now and next April. Tonight (Friday) will be a special night for Mary Ellen Magee. She has been chosen the all-star from HBA and will play in Garden City at 7:30 P.M. Come to cheer her on.

Before I close, there is still a pile on my desk of 15 games which I never had space to print. But I would like to

acknowledge Joey Migliano who pitched a 3 hitter against a first place team in the Colts to beat them 9-1. Peter Nealon who pitched a no-hitter for the HBA executives. Pat Morris who tripped with the bases loaded. Mark Nealon who pitched many good innings and Joey Milenkovic for his base stealing.

It seemed as if the ponies were never in the paper. So please let me acknowledge Walker who was an excellent pitcher, Vasquez who drove in 3 runs in a 6-5 win, Schnebel when he pitched the best game of his career, Kevin Lebrecht for his excellent catching, Andy Jedd and Dean Caruso for good fielding, Kevin Dunston for an excellent catch in center, Harvey Chin for 12 men faced - 12 strike-outs, Anthony Luparello for defense, Rich Hogan for pitching a good game, hits by Hogan, John Rosolia, Mike Bailing, Neal Teney, Steve Sirey, Vin Pellizzi, Andy Jedd (T), Harvey Chin (HR's), Chris Desimone, Kevin Dunston, Dean Caruso, John Herrera, Danny Rehman for his hitting and pitching, Kevin Lebrecht for his hitting and catching, Mike Mullen for his fast feet, Anthony Cordero for his arm and his bat, John Cascardio when he was the winning pitcher, Dean Spadaro's bat, Gerard Schnebel for his double, Joe Fiordello's big triple, Bobby Rothschild for his pitching, for the clutch bat of Ray

Redman, for Doug Barrett's good glove at SS, for Walter Wolf's good glove at 3rd and his base stealing, for Kevin Martin's good bat all year, Phil Brady who caught all year, Jimmy Skoenic for his good bat and Jeff Kirnick for good all-around.

It is time for me to say good-bye. Beginning in February, the Publicity Chairman of the HBA will be Ann Macaluso, who will fill you in on what is happening in the world of HBA.

I wish to thank all the managers and the directors for all their co-operation for always giving me something to write about. They were wonderful - even when I called them up at 10:30 at night.

But I especially want to thank Donna Rehman who was everywhere doing everything - taking abuse, coaxing sponsors, managing problems, filling in wherever needed, being a mother to 600 youngsters, and still raising a family and holding down a job. My hat goes off to her.

I enjoyed my year with HBA and wish it could have been longer, but my new job requires that I get up at 5:30 A.M. So I must put away my midnight typewriter. I love each and every kid in the HBA and hope that all of you have had your name in the paper at least once. Have a good fall and winter. Remember when the spring brings a thaw, get that bat in your hand and glove on your fist and limber up for the new season. And mothers, remember, any funny looking socks belong to the HBA. Love you all. Good-bye.

## Local Vamps Win In Albany

Over 40 Hicks-ville vamps journeyed to the capital District in Albany this past week for the 109th annual State Volunteer Fire Fighters Convention. The contingent, led by Asst. Chiefs Donlon, Magee and Schuckmann, took part in the State Tournament and Parade. The Hicks-ville Fire Dept. Ladies Auxiliary also attended, led by President Loretta McLoughlin.

Ladies Auxiliary, marching in the state Parade consisting of over 80 Departments from all over New York State, won second place Best Appearing Units.

The Department was led by the Comanche Raiders Band, which won 1st place, best Commercial Musical Unit.

An estimated crowd of over 10,000 viewed the parade which was held in Rotterdam, N.Y.

Marine Pfc. Frances E. Gabrus, daughter of Frank A. and Jessie M. Gabrus of Gerald Ave., HICKSVILLE, has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

A 1980 graduate of Hicksville High School, she joined the Marine Corps in February 1981.

Michael J. Angotti, son of Mr. and Mrs. John J. Angotti of Alan Crest Drive, HICKSVILLE, received practical work in military leadership at the Army ROTC Advanced Camp at Fort Bragg, N.C.

Angotti is a student at Gettysburg College, Pa.

## On The Campus

Bertram R. Cottine, a native of HICKSVILLE, Occupational Safety and Health Review Commissioner, Washington, D.C., recently was presented Boston University Law School's Young Lawyer's Chair.

Cottine, a 1972 graduate of the University's School of Law, is one of three commissioners of the agency, which hears appeals on the existence, severity and control of workplace hazards.

Prior to his present appointment, Cottine was an advisor to the assistant secretary of labor for occupational safety and health and a faculty member at Georgetown University where he is now adjunct professor of law.

He earned a bachelor's degree at Carnegie-Mellon University and he resides in Alexandria, Va.

Scott Benoit of PLAINVILLE is a member of the East Stroudsburg State College 1981 Football team.

## Around Our Towns

Lynda North Scotti - 796-1286

Harriet A. Maher - 433-5994

A lot of happy things have been happening at the home of Mr. and Mrs. Philip Santoemma, Cherry Lane, HICKSVILLE. Their daughter, Lisa, celebrated her 2nd birthday on July 8th. During the day, there was a party with her little friends, and her grandmother, Mrs. Purick, Aunt Mary Pole and Joan Purick. That evening, her grandparents, Mr. and Mrs. Santoemma, her Aunt Carol, and great-grandparents Mr. and Mrs. Roger Calviero visited and helped Lisa celebrate her birthday.

On Aug. 10, Mr. and Mrs. Philip Santoemma welcomed the arrival of another daughter, Melissa, born at Glen Cove Community Hospital, weighing 8 lbs. 6 oz.

So, Happy Birthday, Lisa—welcome Melissa, and congratulations to all.

Happy birthday to Mary Novellano, HICKSVILLE, who celebrated her birthday on August 15. Helping her share this happy event were her daughter, Patty and Patty's husband, Tom, and their three children; and Mary's son, Andy, his wife, Pat and their three children.

### Homemakers Council

The Hicksville Chapter of the Nassau County Homemakers Council is an organization of Homemakers who carry out a volunteer adult education program. Part of the program comes from the New York State Extension Service. The leaders are volunteers who are specially trained to teach the latest information in everyday living. Other parts of the program are made possible by members themselves.

They have classes in all areas of Home Economics such as: serving, food and nutrition, home and housing, arts and crafts and needlework.

The next meeting will be

Our vivacious octogenarian, Ida Mae Herfurth, was at a square dance last week. Ida Mae, who is 84 years young, was recently interviewed by telephone on a radio show. Consequently, Ida Mae has received over 150 requests for some of her recipes which she discussed on this radio talk show. She hand-wrote all the recipes herself and sent them to her "fan club." This was a momentous task for her, but her indomitable spirit prevailed and she personally answered each letter she received. She told us the letter writers were so complimentary to her and she is delighted with her mail. And we're delighted with you, Ida Mae.

We wish much success to a former resident of HICKSVILLE, Jim Van Nostrand, who opened a new restaurant in Huntington, with his wife, Nadine. Jim was born and raised in Hicksville, graduated from St. Ignatius Loyola, and was a member of Company #1, Hicksville Volunteer Fire Department. Jim and Nadine have two children, Christopher, 8 years old, and Jennifer, 2 years old. Jim's parents are

Alan and Virginia Van Nostrand, residents of Hicksville for 30 years. The senior Van Nostrands are so proud of their son and his family and the new venture they have undertaken. The restaurant, Aubergine, serves a continental cuisine with a French accent and features piano playing on the weekends. It only opened July 17 on 62 Stewart Avenue, Huntington, and from all re-

ports is going to be a favorite dining and winning place. Good luck, Jim and Nadine.

Karen Donovan has started a new career—she's now a real estate agent for Esposito Realtors. Karen was an English teacher for foreign students. Her husband, Joe, one of our local lawyers, is delighted with Karen's career change. Best wishes in your new endeavors, Karen.

### Library Bookmobile

The Hicksville Public Library has scheduled four additional stops on the new schedule of its Bookmobile.

There are two more school stops: Trinity Lutheran School every Tuesday 9:30 AM to 10:30 AM and the Lee Avenue School every Thursday 10:45 AM to 11:45 AM.

The two other stops are on Saturday, the first is at the West Village Green (Barter Lane east of Newbridge

Road) 10 AM to 10:45 AM, the second stop is at the A & P (Broadway and Lewis St.) at 11:15 AM to 12 Noon.

"We try always to upgrade the bookmobile service to serve as many of the community as possible. We invite you all to visit the bookmobile at the stop closest to your home and see all that is available for borrowing just around the corner," a Library spokesperson explained.

The new schedule will begin on Tuesday, September 8. Copies are available at the bookmobile and at the library.

### LEGAL NOTICE

#### NOTICE OF PUBLIC HEARING BY THE BOARD OF APPEALS

Pursuant to the provisions of Art. I - Div. 3, Section 67 of the Building Zone Ordinance, Notice is hereby given that the Board of Appeals will hold a Public Hearing in the Town Hall, East Building Meeting Room, Audrey Avenue, Oyster Bay, New York on WEDNESDAY evening, September 2, 1981 at 8 p.m. to consider the following cases:

HICKSVILLE: 81-305: PETER W. HOLTZ: Special Use Permit to allow an existing second kitchen to remain for use as a Mother-Daughter dwelling. S/s/o Arpad Street, 153.5 ft. W/o Bruce Avenue SEC. 12 BLK. 101 LOT 51

OYSTER BAY, NEW YORK August 24, 1981 D-4970 - IT - 8/ 28 PL

### FOUNDER'S DAY:

Oyster Bay Town Councilman Thomas R. Clark (third from right) presents a proclamation to Thomas R. Costa, founder of the St. Ignatius Girls Cadet Corps., in recognition of his work with that organization.

Costa was honored during the "Pageantry in Brass," a

drum and bugle corps competition hosted by the St. Ignatius Corps.

Also on hand for the occasion were Diane Valente, drum majorette; Town Councilman Kenneth S. Diamond, Town Councilman John Venditto and drum majorette Eileen McGuire.

### American Legion Auxiliary News

By Geraldine Seitz

Charles Wagner Post and the Auxiliary Unit #421, American Legion, of Hicksville held a picnic for 50 boys and girls at the Suffolk Developmental Center on Sat., Aug. 7. Although it was

a rainy day, there was enough clearing to have the planned barbeque. Also the 40/8 Loco was there and all enjoyed a ride, the clowns, etc.

On Sat., Aug. 29, the (Continued on Page 8)

## Close Call For Local Vamps

A freak accident on Saturday, Aug. 15, on Old Country Rd. in front of the McKeon Lumber Yard had all the ingredients of a major disaster. A car, moving east on Old Country Rd., broke an axle, fell to the ground,

veered out of control, struck another auto, and struck a fire hydrant in front of the McKeon Lumber Yard, and burst into flame. The occupants sustained minor injuries.

The Fire Department arrived on the scene as the Lumber Yard store was starting to catch fire. As Vamps hooked up to a fire hydrant opposite the Lumber Yard, the coupling blew out of the hydrant, rendering it useless. Hicksville Vamps, using the water carried in the pumps water tanks, prevented the blaze from spreading.

**Hicksville Fire Report**  
Hicksville Vamps responded to a total of 76 alarms during the period August 1 to August 24th. There were 36 fires, 1 malicious false alarm, and 39 rescue calls.

A house fire at 26 Belfry Lane, caused by an electrical short, resulted in considerable damage to the 2nd floor. Fifty-five firefighters, under Chief Kershaw, responded to the 11:15 p.m. alarm on Aug. 15. No injuries were reported.

### Happy Birthday

On Sunday, a surprise birthday party was held for Henry (Hank) Hawkins of HICKSVILLE, at his sister, Merle Campbell's house, with four generations of Hawkins family members and many friends attending.

## New Automatic Fire Alarm Law In Effect

A new law was approved by Nassau County officials to police automatic dial phone alarms, a source of numerous false alarms. A \$5 licensing fee is required for installation of the alarm. A \$250.00 fine was included for homeowners who refuse to repair a malfunctioning alarm. The bill was opposed by the Metro Burglar Alarms Assoc., a group who installs the alarms.

Homeowners, who have automatic "dial" alarms have six months to comply with the new law. The Nassau County Fire Marshal's office will have jurisdiction. Each 15 days

the violation is uncorrected constitutes a separate violation.

The Hicksville Fire Department advises any homeowner who has an automatic dial alarm which is not registered (permit required) to contact the Nassau County Fire Marshal's Office. Hours are 9 a.m. to 4 p.m., Monday to Friday.

The Hicksville Fire Department is requiring the auto dialers to dial a special number at the Nassau County Communications Center rather than the local emergency number, which has been kept busy in the past by malfunctioning dial alarms.

## Families For Life Club News

By Doug Harknett

Last time around this column noted that politicians who claim to be pro-life can be measured against the principal purposes of the Right to Life Party. As mentioned, the first is to promote passage in Congress of a Human Life Amendment (HLA) to the U.S. Constitution that would reverse the Supreme Court decision Roe v. Wade that legalized abortion.

The second purpose is to use the alternate method of proposing an amendment, i.e., to promote passage in the legislature of the State of New York of a resolution calling for a constitutional convention to consider the right to life issue. This would be pursuant to Article V of the Constitution of the United States which provides that, "The Congress, whenever two thirds of both Houses shall deem it necessary, shall propose Amendments to this Constitution, or on the application of the Legislatures of two-thirds of the several states, shall call a Convention for proposing Amendments..." Once an amendment has been proposed by either method it must be approved by three quarters of the states, in order to take effect.

The third fundamental principle of the party is ratification of the amendment by New York State.

The Convention method is admittedly more difficult to implement because lobbying must be dispersed among all the states, rather than concentrated in the

Congress. Nevertheless, 20 states so far have passed such resolutions and only 34 are needed. The framers of the Constitution recognized that the Congress might one day exercise a tyranny over the people and the states, so they provided for the alternate method of proposing amendments. For the past eight years, since January 22, 1973, Congress has justified the framers' suspicions by its refusal to permit an HLA to come out of committee.

The convention method represents a threat to take the matter out of the hands of Congress. As the number of states approving a convention mounts ever higher, pressure is exerted on Congress to do the job itself. The strategy worked at least once before. The only reason we have the direct election of U.S. Senators today is because the drive for a Con Con came perilously close to authorizing one, and when Congress realized that it really might happen, it then proposed the Seventeenth Amendment itself, and it was later quickly adopted.

Families For Life is the local pro-life group. For further information, write to Box 574, Hicksville, N.Y.

## CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO

### SOURCE OF THE PROBLEM

Chiropractic examination is concentrated on the spine. When the practitioner finds blockages there to the free passage of impulses along the spinal cord to other parts of the body, he or she makes adjustments that are characteristic of chiropractic. A new patient often cannot understand why the practitioner doesn't confine attention to the site of the symptoms. "But you haven't examined me! It's not my back that hurts!" we often hear.

The back needn't hurt to be the site of the trouble. Along with being a major part of the musculoskeletal structure, the

spine is the seat of the body's communications system.

Doctors of chiropractic do more than focus on symptoms; they look at the problem's cause. Experience and training permit "detective work" to be done on the spine. When maladjustments are found and provide the clue to the source of trouble, the problem can then be corrected at its root.

## Legionnaires' Log

By Richard Evers

A non-Legion friend inquired the other night about Charles Wagner Post's monthly Suffolk State Visits. The reference in a recent column was not enlightening enough for the average person. So, a few sentences about this important child-welfare and humanitarian program that frequently evokes such mingled emotions as: love, sadness, pity and gratitude. At the N.Y. State Suffolk Development Center, Post 421 sponsors a 'cottage' of twenty or so teen-age girls and young women who are handicapped mentally and, in some cases physically as well. 'Sponsorship' involves an organization's commitment to regular visitation and entertainment of these youngsters. In some of the 'cottages' the young people are disadvantaged but capable of being trained and developed to care for themselves and to perform the duties of simple occupations. Our Charles Wagner girls are among the most severely handicapped and, unfortunately, all too often deprived - for whatever the reason - of regular parental visits and love. The girls'

need for affection and love is apparent whenever our legionnaires and auxiliary members make their monthly visit. The residents laugh, kiss and hold on to them and do not want to let the visitors go at the end. Not everybody has the self-control for this social program, but for those members who go there are rewards indescribably beautiful.

The appearance of the Legion members' room will be altered much when the 'Charles Wagner Post Booster Wall' is built shortly. Members are invited to play a part in the renovation on behalf of the Post's insurance premium fund by buying a \$5. booster brick which will contain the member's name in fluorescent lettering on the bricks, the entire wall to be nicely illuminated by ultra-violet lights. Target date for wall erection is the end of September so get your fin donation to a member of the committee if you want to be a visible part of our post's support. Committee members who will receive booster brick money are: Chairman

Past Commander Palmer Walsh; P.C. Dick Hochbruechner; P.C. John Sheppard and Al Cinotti.

Coming events for your calendars: Charles Wagner Post Color Guard marches in Hicksville's Labor Day Parade, Sept. 7. Great chance to see this snappy outfit and our fine L.I. volunteer fire departments and their dazzling equipment ... Sept. 8, Tuesday, next post Social Meeting ... Sept. 19 American Legion Area Conference re: such key programs as Membership, Americanism, Rehabilitation and Legislative Affairs. Commander Lou Braun & his staff will be going ... Oct. 18: tentative date for Post 2nd Annual Pancake Breakfast. Chairman Dick Hochbruechner is seeking ads to be printed on the table place mats. He'd like to hear from supporters among the post's business men ... Members are coming out in increasing numbers to post meetings on the first and third Mondays and for Friday evening socials. This is a fine augury for our dynamic Commander's year-to-come.

Closing with the sound of wedding bells, our very best wishes to Lou Cesta's

## Rotary Club Awards Scholarships

Scholarships amounting to \$2,000.00 were awarded to past graduates of area high schools at last week's special Hicksville Rotary Club meeting held at the Milleridge Inn. Honored by the club at the luncheon with a \$200.00 check were the following:

Janet Hoff, Jericho, 1978  
Debra M. McNally, Trinity, 1978.  
Christopher Melluso, Hicksville, 1978.  
William J. Ennis III, Trinity, 1979.  
Charma Jandorf, Jericho, 1979.  
Nancy J. Stuhlmiller, Hicksville, 1980.  
Glenn Kempf, Luthern, 1980.  
Catherine V. Collins, Trinity, 1980.

Patricia Hassan and Kathryn Frech of Hicksville and Luthern respectively in 1979 were not able to be present but sent letters informing the club of their current studies and status.

daughter, Carol Ann, and fiancé, Philip Fishkin who will tie the knot on September 6.

LOCAL STUDENTS ATTEND BOSTON UNIVERSITY TANGLEWOOD INSTITUTE: John and Peter Rubins, the sons of James and Barbara Rubins of Arrow Lane, Hicksville, participated in the Empire Brass Quintet Symposium at the Boston University Tanglewood Institute this summer.

John (left) is a member of the Long Island Training Orchestra and the All-County Band, as a trombonist. He attends Hicksville High School.

Peter plays French horn in the Long Island Youth orchestra and also attends Hicksville H.S.

## Letter To The Editor

(Continued from Page 4)

alone decided not to pursue this petition. I felt that the interests of my family, as well as my ability to continue to serve the community of Hicksville in the future would be placed in jeopardy if my health problems

continued. Those of you who know me personally know I had further surgery on my toes, as well as stomach problems, which necessitated no further tension or anxiety.

I am sure you can well understand why I decided not to pursue this petition, and I thank all of you for the continued support you have given me during that very trying period of my life.

Very truly yours,  
Clara T. Bennett  
(Mrs. Wm. P.)

### CERTIFICATE OF LIMITED PARTNERSHIP

STATE OF NEW YORK  
COUNTY OF NEW YORK, ss:

We, the undersigned, being desirous of forming a Limited Partnership, pursuant to the laws of the State of New York, and being severally duly sworn, do certify as follows:

- The name of the partnership is: AXINN-GLEN ROCK ASSOCIATES.
- The character of the partnership business is to own, operate, develop and manage real estate for its own account, or for the account of others.
- The principal office of the partnership is at 131 Jericho Turnpike, Jericho, N.Y. 11753.
- (a.) Name and place of the General Partner is: Donald E. Axinn, 131 Jericho Turnpike, Jericho, New York 11753.
- (b.) The names and places of residence of the Limited Partners are as follows:

Name	Place of Residence
Calvin Axinn	36 Arbor Lane, Dix Hills, New York
Lennard Axinn	6 Blue Sky Court, Huntington, New York
Helen Geffner	114 The Intervale, Roslyn, New York
Frank G. Zarb	Bridle Path Road, Sands Point, New York

5. The time for which the partnership is to exist is from June 1, 1981 until the sale or other disposition of the premises in Glen Rock owned by Partnership or sooner or later by subsequent agreement of the parties.

6. The contribution of each of the Limited Partners is the maximum sum of \$61,500, in cash and no additional contributions are required to be made by any of them.

7. The shares of the profits or the compensation by way of income which the Limited Partners shall receive by reason of his or her contribution is 8 1/3% of the profits of the partnership.

8. No Limited Partner shall have the right to sell his or her interest in the Partnership without offering the same to the General Partner. A sale or transfer to the spouse or descendant of the Limited Partner shall not constitute a breach of this Agreement.

9. The General Partner may admit additional limited partners.

10. There shall be no right of priority as to distribution among the partners, except as above provided.

11. The General Partner shall have the absolute right to sell, mortgage, lease, build upon, manage and otherwise deal with the property of the partnership, and in no event shall the consents of the Limited Partners be required as to any matters pertaining to the foregoing actions with respect to the property of the partnership.

12. The Partnership shall terminate upon the sale of the partnership property and the proceeds of such sale shall be divided as provided in the partnership agreement.

13. No Partner shall have any interest in the partnership property as such, but shall only be entitled to have his or her interest in the partnership returned to him or her in cash.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals as of the 7th day of July, 1981.

## VFW's First In TOB

By Jerry O'Brien

Supervisor Joseph Colby and Councilmen Tom Clark and Doug Hines were all smiles and quite pleased to officiate at the William M. Gouse Jr., VFW Post 3211 dedication of its newly completed wheelchair ramp. According to Mr. Colby, Mr. Clark and Mr. Hines their pleasure in being asked to officiate at the dedication of the ramp lay in the fact that, it is the first federally funded, locally administered installation of its type at a non-public, community based organization building in the Town of Oyster Bay.

Due to the absence of Post Commander Carmine Somma, Senior Vice Commander Connie Steers officiated for Post 3211 and did a bang-up job. Well Done Connie!

It was George Lang, however who stole the show. It was the first time the TOB officials had met George, a wheelchair veteran from Viet Nam, a Congressional Medal of Honor winner, and member of Post 3211. It is always a pleasure to meet George. His quiet underplayed humor can charm the proverbial birds from the trees.

George was our secret

ramp test specialist. He piloted his wheelchair up and down the ramp to test the ramp for quality and grade. George reported the ramp to be free of pot holes, soft spots and traffic.

During a coffee and donut conference following the dedication, Past Post Commanders Vincent Edwards, Joe Normandy and Augie Barone the present President of the Board of Directors all voiced their surprise and pleasure for the manner in which Supervisor Colby's staff expedited the paper work through local state and federal bureaucracies. Pat McGuire, TOB's Commissioner for Inter-Governmental Affairs put her efforts to work to clear up paper-work snafus. According to P.P.C. Vincent Edwards "Never in all my time in Hicksville, have I seen the kind of cooperation Commissioner McGuire's office gave us. She is terrific!" to which Joe Normandy added, "Anyone who has worked for public affairs and interests in the Town, will surely agree with that, she is a Will do, Can do lady."

Mr. Gary Papas of the Town Development Board gave the planners of the ramp the benefit of his

**RAMP COMPLETED:** Oyster Bay Town Supervisor Joseph Colby [standing second from left] presides over the official opening of a newly completed ramp for the handicapped at the William Gouse, Jr. V.F.W. Post # 3211, Hicksville. Also on hand were Town Councilman Thomas L. Clark [standing left] and Douglas J. Hynes [standing right]. 2nd Vice Commander Connie Steer [standing second from right] and Post member George Lang, a Congressional Medal of Honor recipient.

The Town provided \$2,000 on Community Development funds to assist in the construction of the ramp.

assistance and that of Inspector Harry Meyers. "That was some combination," according to Councilmen Clark and Hines, "from start to finish in only a few

weeks time, which in other communities it has taken up to six months just to get the authorization to start."

Other Post members attending were Jr. Vice

Cmdr. Mike Cialdella, Quartermaster William Frohnhoefer, Post Surgeon Joe Adessoio, Duncan McLean and your sporter Jerry O'Brien. The event

was most ably assisted by ladies from the Post Auxiliary: Pres. Mae Bergsohn, Chaplain Rita Lasher, Rita Aug. Louise Normandy and Mary Giacopelli.

## Guest Conductor

Mr. J. David Abt, band director at Hicksville High School, will appear as guest conductor of the Atlantic Wind Symphony, a professional band based in Suffolk County, on Sunday, August 30 at 8:00 P.M. In addition to its regular winter subscription series, the A.W.S. performs in local parks during the summer. Sunday's concert will be presented at Steppingstone Park, located next to Kings Point Merchant Marine Academy in Great Neck.

Well known locally as a trombonist and baritone horn player, Mr. Abt has directed outstanding bands in Hicksville's schools since 1959 and appears often as guest conductor of other school, festival and summer groups.

His musical activities this summer have included being the principal trombonist and an assistant conductor for the American Concert Band, Dr. Kirby Jolly, Music Director.

At this Sunday's "Pops" concert, Mr. Abt has selected a program of familiar marches and popular classics, an excerpt from Verdi's opera Otello.

Mr. J. David Abt

and a patriotic salute to American men and women in the military services. Music by Shostakovich and Mozart will be played and Broadway will be represented by the current hit "They're Playing Our Song" and Leonard Bernstein's "On the Town." The concert is free and open to the public.

## At The Plaza

Business Electronic and Equipment Shows produced for the first time last June and now scheduled for The Plaza At Mid-Island located in Hicksville, September 15th thru 17th, announced Business Show Coordinators, Lee Daniels and Frank Tusa.

The Business Show will be welcomed by such dignitaries as Nassau County Executive, Francis T. Purcell, at Ribbon cutting ceremonies to take place at 11:30 A.M. on Tuesday, September 15th.

Adding to this innovative concept for holding Business Shows here on Long Island, is also a series of free Seminars to be held over the three days of exhibits.

Scheduled for: Tuesday, Sept. 15th; 4:15 P.M. - 4:45 P.M., "Employee Productivity", moderated by Jack Goor, M.S. HRA Associates.

Wednesday, Sept. 16th; 12:30 P.M. - 1:30 P.M., "Fashions & Designs for the World at Work", sponsored by the Plaza Merchants' Association. 1:45 P.M. - 2:30 P.M., "The Language Barrier and International Trade", lecturer, Nathaniel Hubbard, Pres. Words Worth Language Assistance. 4:15 P.M. - 5:00 P.M., "Personal Financial Planning".

Lecturer, Jacqueline Cannan, The Design Capital Planning Group, Inc.

Thursday, Sept. 17th; 12:30 P.M. - 1:00 P.M., "The Role of the Micro-computer in Office Automation", lecturer, Alan McTae, Pres. McTae Management Corp. 4:15 P.M. - 5:00 P.M., "Prevention/Surviving a Major Fire At Your Place of Business", conducted by the Fire Service Academy of Nassau County, operated by Vocational Education and Extension Board of Nassau County.

This innovative idea to promote business by utilizing shopping malls located strategically near commercial and industrial communities are especially held mid-week allowing minimum costs to exhibitors and almost travel free for the attendees, saving money, energy and productive time. There is also demonstration and seminar area available at no extra charge to the exhibitor.

"If your company has not made arrangements to exhibit, please do, as space is limited. You may contact Frank Tusa, Mail Expos, Inc. (516) 826-9000 or Lee Daniels, Lee Daniels, Inc. (516) 293-4325," a spokesperson for this show explained.

## Local Man To Relocate

Mark Kreditor, son of Mr. and Mrs. Larry Kreditor of Hicksville has entertained at Boston's popular Faneuil Hall. He was a pianist/singer at some of Boston's finest restaurants, such as Lilly's, while attending Northeastern University.

Mark recently graduated cum laude from Northeastern's 5 year cooperative program. He ranked sixth in the entire

class of marketing undergraduates, and was elected to both Alpha Honor Society for Marketing and Beta Gamma Sigma, a national business honor society.

Mark's professional plans include relocating to Dallas, where he plans to operate his own market research company. In Boston, he was founder and owner of Samigee Sales Company, which distributed games in the Northeast.
