**BEAUTIFY - DON'T VANDALIZE** is the message printed on the bumper stickers prepared by the Hicksville Youth Council's Anti-Vandalism group under the leadership and guidance of Miss Renee Romano, the Anti-Vandalism Project Co-ordinator.

Miss Romano, accompanied by Miss Barbara Nelson, Director of the Hicksville Youth Council, along with Miss Tina Winters and Mr. Ethan Linden, two of the members of the Anti-Vandalism group, were the guests of the Hicksville Kiwanis Club on August 28.

Miss Romano spoke about the program being developed with the help of slides, photographs and pamphlets prepared by the Anti-Vandalism Project members. A stimulating discussion followed.

The program was very well received by the Kiwanis membership, who encouraged the Hicksville Youth Council to continue their efforts with the Anti-Vandalism program.

In the photo, Kiwanis Vice President Charles Montana, Jr. is presenting Miss Renee Romano with a certificate of appreciation for the encouraging program she brought to the meeting.

## Wins Science Certificate At York College

Joseph Georgiano of Hicksville was among 104 gifted high school students who completed an intensive college-level science program held during the month of July at York College of City University of New York. The students specialized in one of four subjects: computer science, biology, physics or chemistry. Mr. Georgiano was enrolled in the physics segment of the course.

from 90 different schools in the greater New York area.

This is the sixth summer York College has offered Project Science, which is funded by the National Science Foundation and directed by Dr. Frank Pomilla, a physics professor at York. Participants attend lectures by members of the York College faculty and have the opportunity to use sophisticated laboratory and computer equipment.

All the graduates of the program, called "Project Science," are top students in science at their own high schools, having been selected out of 300 applicants.

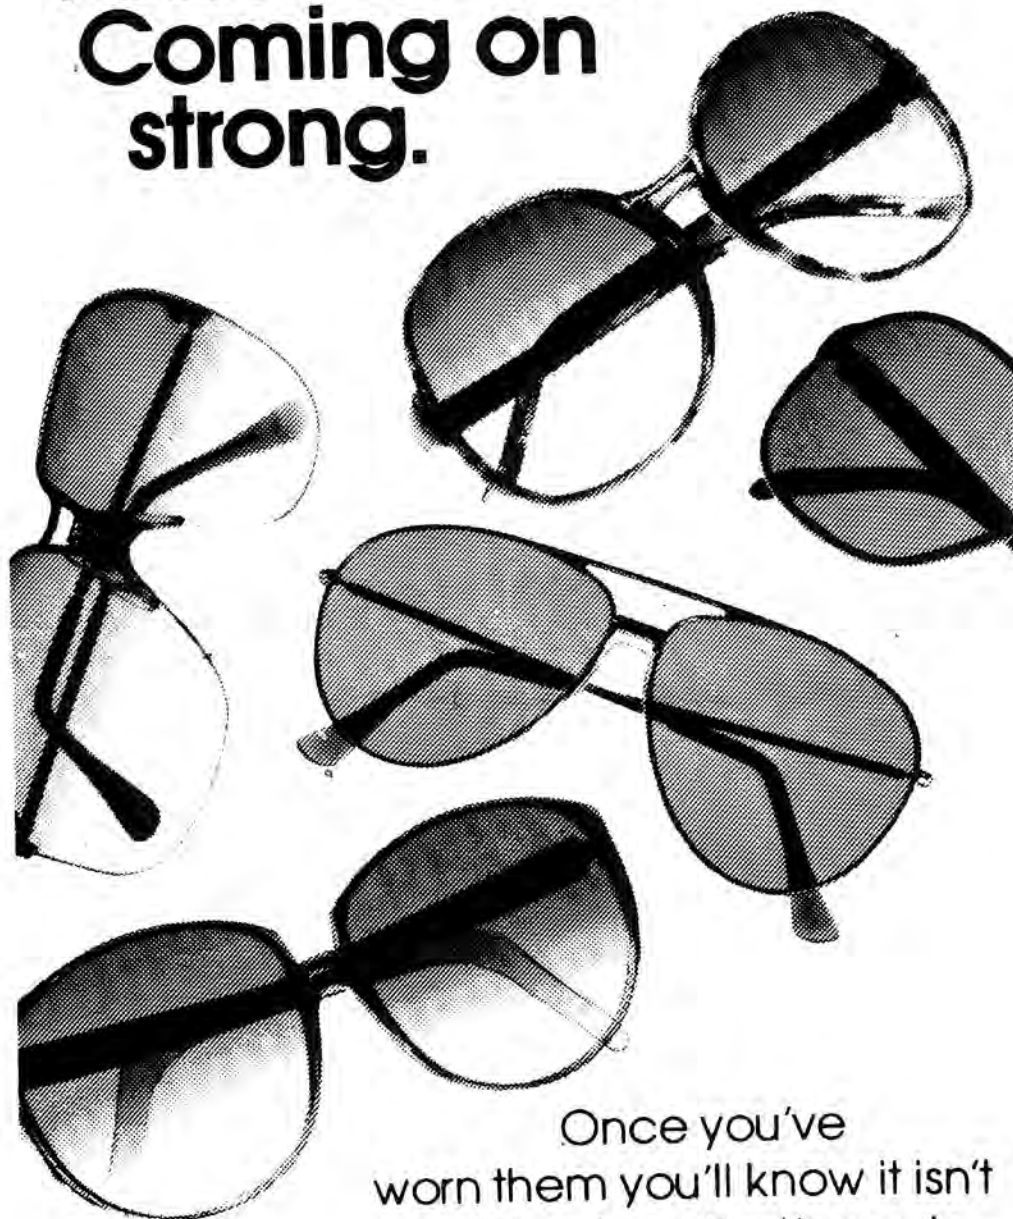

Snoopy visits Trinity Nursery School at their annual Pancake Breakfast.

Trinity Nursery School at 40 West Nicholas Street, Hicksville, is looking forward to the new school year. We believe that our staff, facilities, and program for the three- and four-year-olds are an excellent preparation for a child's future learning. Children from a variety of backgrounds attend morning or afternoon sessions for two, three, or five days.

Along with outdoor play, the children also make use of Trinity's gymnasium, have beginning experiences in cooking, take field trips, and are surrounded by warm and caring teachers.

If you are interested in providing this learning opportunity for your child, we invite you to call us at 931-2211 for more information. At this time, we have a few openings in the afternoon sessions.

# Dear Friends . . .

As we have indicated on page one of each of our editions, school opens next week...we say this hopefully, for in Plainview, as we go to press, the Board and the Teachers Union are still negotiating. Each resident of this district has received a letter from this Board of Education, explaining some of the problems involved. The Teachers Union head is quoted as saying that he is not hopeful that school will open as scheduled. We hope that he is wrong, for many obvious reasons.

In Hicksville much is being changed by a Board that now reflects a different majority than the old Board. If you care to, attendance at Board meetings may be enlightening. If not, you will always find a factual account of these meetings in THE HERALD.

THAT'S ALL for this week. Stay well...enjoy the Labor Day holiday weekend...and remember, not only to drive carefully at all times, but also to read the article on page five of this edition entitled, "New Laws Affecting Drivers"...it may save you getting a ticket!

To The Editor:  
I would like to take this opportunity to thank all of those who voted and elected me Water Commissioner in the recent election.

Yours truly,  
Stanford "Sam" Weiss

Dear Editor:

I read with amusement and pity Mr. Larry Wolfson's letter in your last issue of the Herald. In replying to my tax-rate letter, he says in part, "the inaccuracies, misstatements and half-truths evidence lack of knowledge, short memory or obvious attempt to mislead the Hicksville residents." I am prepared to back up both figures and circumstances contained in my letter. I have attached to this letter copies of the material and data used in preparation of my material, and will gladly make them available to anyone who requests them.

Mr. Wolfson, as chairman of the Citizens Budget Advisory Committee, members of the committee and the Board of Education had access to the very same material as it relates to budgetary items - a complete Budget Book, including Bulletins number 1 thru 6. All of these are public record, and can be made available to anyone in the community who asks for it under the provisions of the Freedom of Information Law of January 1, 1978.

Mr. Wolfson was indeed in attendance at the August 6th meeting when the Board set new tax-rate, however, Mr. Arena was not in attendance until later in the evening, and did not participate in the voting as Mr. Wolfson contends. I singled out Mrs. Germer and Mr. Ayres for not considering lowering the tax-rate only because they were the makers of a motion at the May 27th meeting reducing the tax-rate by 6.6 cents, and after the motion lost, Mrs. Germer and Mr. Ayres promised to review the matter again in August when the tax-rate is officially set - THIS THEY DID NOT DO. Mr. Wolfson further stated in his letter "It must be assumed that the Board had deliberated for many months, viewing and

## Letters To The Editor

debating the facts, documents and data available, upon which they based their decisions." NOT SO, it sounds very commendable Mr. Wolfson, but the Board did not deliberate on the tax-rate issue for Mr. Ayres stated at the August 6th meeting, that the Board had made up its mind, and there was no discussion. When pressed, Mrs. Germer snapped, "We don't hold illegal private meetings."

With respect to the \$461,485.00 WINDFALL on the State Aid for the Handicapped - Mr. Wolfson again lectures and editorializes - I stated in my letter, "In March the district received \$46,485.00 from the state for Handicapped Aid, it was called a 'Windfall.' It was the Administration that used the term 'Windfall' not me for if that definition were not used there would be no issue." It has been a practice in the district to use these funds in other areas. Mr. Wolfson quotes the law and gives us a lecture on how the funds are allocated and for what purpose, but that does not answer my request of April 7, 1981, to Dr. Hawkins as to what areas it was to be disbursed. The Board or the public has no way of knowing if indeed the authorized funds were utilized in the areas earmarked in the application, and if the handicapped students received benefit from the aid as originally intended. Why was administration surprised to receive such a "Windfall" in March of '81. If the funds arrived as Mr. Wolfson so assuredly states, as a regular disbursement of state aid, then why call it a windfall? - and if the handicapped aid was spent the previous year for services rendered, then for what purpose will it be used in 1981-82 since the handicapped programs and services were already budgeted before the arrival of the windfall state aid reimbursement?"

Mr. Wolfson alleges that I interfered with on-going negotiations by disclosing the sum of \$692,827.00 for salary increases for instructional personnel. Surely, as Chairman of the Citizens Budget Advisory Committee, he and his members had access to the same Budget Bulletin # 4, that shows the salary increases, and is a matter of public record. The issue was brought up when I replied to Mrs. Germer, who stated at the August 6th meeting "That the District needed the \$132,420.00 to offset the costs of contract negotiations with the three bargaining units. If the Hicksville Congress of Teachers knows what is in Bulletin # 4 for salary increases, and Mr. Wolfson and his Committee knows, then why should not the public know as well - since these are public records."

Mr. Wolfson again goes into a lecture on the value of a surplus - if he read my letter, it stated "This surplus was the biggest amassed ever (\$1,766,413.00). Since 1977, our surplus has averaged just under a million dollars - a sound fiscal policy by any standards, but why get greedy?" So the point is, Mr. Wolfson, not about having a surplus, but the issue is why a 1.8 million dollar surplus, and why didn't the Board pass on to the taxpayers a savings based on money the District did not expect to receive, rather they placed it into an already bloated surplus.

We may be mere residents, Mr. Wolfson, but we are concerned about our school district and our hard earned tax dollars, and as Americans, we have a right to question without being ridiculed and defamed for taking that interest. If I appeared to be too abrupt in my discussion with the Board at the public speaking session, then I apologize, and if my letters are too pointed it is only because I want to bring matters of conscience to light. I will not, as Mr. Wolfson suggested at the last Board meeting, do as former members in the past have done, just fade away and not be heard. I will continue to speak out on the issues as my conscience dictates.

Sincerely,  
BILL BENNETT

## RESIDENTS OF HICKSVILLE

Dear Friend:

We would like you to know that through the combined efforts of the Democratic Party, the Hicksville Citizens' Alliance, and you, a concerned resident of Hicksville, over 1,700 signatures were collected on the petition opposing the proposed Duffy Avenue extension.

We believe the Oyster Bay Town Board was sufficiently impressed by our combined efforts. As reported in News-on Wednesday August 12, Supervisor Colby responded to our petitions by promising that no action would be taken concerning Duffy Avenue without first consulting the citizens of Hicksville and receiving their approval. Unfortunately, however, Newsday failed to report that, prior to any meeting with the

Hicksville East Executive Leader

As summer is winding down, our election fever is rising. The candidates for various offices are busy with their campaigns for in the not too distant future Election Day will be here. With that in mind, we present a profile of Pete King, the Republican Party's candidate for Nassau County Comptroller.

On August 17, Peter T. King was appointed to the position of Nassau County Comptroller by the Nassau County Board of Supervisors. He succeeded M. Hallstead Christ who was nominated for the New York State Supreme Court.

King formerly served as a Hempstead Town Councilman and brings to the position of Comptroller a wealth of practical experience in government relations. A graduate of St. Francis College, Brooklyn, he is an alumnus of the University of Notre Dame Law School, Indiana.

He is a former Deputy Nassau County Attorney and former special assistant to the Chief Deputy Nassau County Executive. He is the county's top fiscal adviser. In this position, he was responsible for scrutinizing the county budget, streamlining government operations and solving labor and inter-department disputes.

Prior to his four-year councilman's term in 1977, King was general counsel to the Nassau Regional Office of Track Betting Corporation where in addition to general litigation, he was responsible for labor negotiations. He also served as Chief Deputy Nassau County Attorney and was Acting County Attorney of Nassau. In addition, he was the chairman of the town board's Committee on Conservation and Waterways.

King, 37, has been a resident of Seaford for 14 years. He resides with his

wife, the former Rosemary Wiedl, and their two children, Sean, age 11 and Erin, age 7.

He was honorably discharged from the New York State Army Reserve National Guard in July, 1973.

He is the Deputy National Chairman of the Freedom for All Ireland Committee of the Ancient Order of Hibernians, and a member of the Irish National Caucus, American Irish Congress, the Long Island Committee for Soviet Jewry, Sons of Italy (Marco Polo Lodge), Knights of Columbus, Nassau County and New York State Bar Associations and Catholic Lawyers Guild. He is also a former President of the American Cancer Society, Central Nassau Unit. King's credentials are impressive. He is qualified and experienced for the job of Nassau County Comptroller. Let's show our support by voting for Peter T. King on Election Day in November.

And now a message from Fred Vervante, our Club president:

"Our next Club meeting will be held on September 11, at 8:30 p.m. at the V.F.W. Hall, 320 Broadway, Hicksville. Our guest speaker will be Peter T. King. Please make every effort to attend as this meeting will be our kick off for the fall elections. Bring a friend; let's show Pete King how Hicksville will support him and the Republican team in this year's election."

"The square dance held on August 14 was a great success. We had a ball. The music, dancing and partying was just fantastic. If you did not attend, you missed a good time. I want to thank the committee for a terrific job. They are: Hal Mayer, Val Zito, Mary Monteforte, Sue Laurente, Jo Ann and Jeff Wallach, Martha Masseria, Janette Magnuson, Fran and John Armato. I also want to thank Bill Maher for his donation of the basket of cheer. In addition my thanks to Tony Previto, the Venerable of the Galileo Lodge (Sons of Italy) for his and the membership's support."

"The Committeemen's Councils of Hicksville East and West will hold their Annual Cocktail Party on October 2 at Antun's Old Country Manor, Hicksville. More on this at our September meeting."

"I will appoint a nominating committee for the election of officers for 1982 at the September meeting."

"Our membership is now approaching 600 paid-up members for 1981. If you (Continued on Page 8)

## New Laws Affecting Drivers

As of September 1, a driver whose license or driving privilege has been taken away because of an alcohol-related traffic conviction, or because he refused to take a chemical test, is subject to a mandatory jail term of from seven to one hundred eighty days, a fine of between \$200 and \$500, or both, if he is convicted of driving while suspended or revoked, DMV Commissioner Leslie G. Foschio warns state motorists.

"Laws aimed at the drunk driver are now tough and will get tougher," Foschio said. "A first DWI conviction can be costly and serious. Further convictions will have a catastrophic effect on one's personal life."

The Commissioner also outlined other motor vehicle-related laws which took effect on September 1:

- \* A law that makes the violation date rather than the conviction date the determining factor as to whether a driver is liable for increased fines and penalties for repetitive traffic offenses within an 18-month period.

Under current law, a driver faces stiffer fines and jail terms for multiple speeding, misdemeanor and most traffic infraction convictions within an 18 month period. It is possible under

those provisions, that a driver could avoid increased penalties by delaying a conviction date through court adjournments or refusing to answer a summons. As of September 1, a driver faces heavier fines and jail terms if he or she commits two or more violations within 18 months, regardless of the date of conviction.

- \* Legislation requiring the Commissioner of Motor Vehicles to establish regulations for cautionary devices on vehicles used to sell ice cream and other frozen desserts directly to pedestrians.

- \* A law making it illegal for a school bus carrying children to make either a right or left turn on a red light.

- \* Legislation providing that school zone speed limits are in effect from 7 a.m. to 6 p.m. on school days. Current law provides that school zone speed limits are in effect only during noon hour, recess or while children are going to or leaving school.

- \* New provisions that allow the Commissioner of Motor Vehicles to issue a six-character special registration "vanity" plates for motorcycles. Commissioner Foschio said that DMV will commence issuing motorcycle "vanity" plates in the Spring of 1982.

## CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO

### HYPERACTIVE CHILDREN

Your child's teacher may complain that the youngster is hyperactive. Or, could this merely be "unruly behavior"? There are physiological reasons for true hyperactivity, including:

- \* Interference with the normal development of the nervous system so nerve messages are confused and misinterpreted by the brain.
- \* An extreme reaction to additives in food.
- \* The body's inability to maintain proper blood sugar level.
- \* If a child is suspected of being hyperactive, parents should consult a professional

who understands hyperkinesis as early as possible. Usual symptoms include: excessive movement; regularly aggressive and disruptive actions; impulsive behavior; impatience; and poor coordination.

Treatment by a doctor of chiropractic is usually effective and the earlier it begins, the more promising the outlook.

## Legionnaires' Log By Richard Evers

The "Last Post" call which sounded this past week for our long time comrade. Past Commander Rudy Bouse, brought together for his wake at Dalton's, Tuesday night, a large reunion of saddened post members who knew and enjoyed Rudy. One of the most colorful and dynamic of Hicksville Legionnaires, this bustling, bluff post member was a well known restaurateur and civic-minded person. He was part of the post-World War II Charles Wagner leadership which revitalized the post: Legionnaires such as Walter Schlichting, Jim Cooley, Fred Brengel, Bob Beard, Ed Becker and the long sorely-missed Elias Jabour.

Among the many present to honor Rudy, Tuesday night, were post and auxiliary leaders of three decades, including, in part: P.C. Bob and Mrs. Beard; P.C. Henry Brengel; P.C. Bob and Mrs. Mangels down from Connecticut; Steve Wladyska; P.C. Tony Corri and many of our recent commanders. P.C. Arthur erutz, convalescing writer of this column, usually, was on hand, determined to salute an old comrade's passing. The Legion Memorial Service was very moving, as always, with Commander Louis Braun and Chaplain Joe Rohan officiating. I have my share of memories of Rudy who was a graduate of that elite

academy. Stuyvesant High, a veteran of WW II naval service and always interesting to be near. His first-rate "vittles" were supplied for many a post function over the years. He catered Anne and my wedding reception at the Old Legion Hall in 1950. Movie film of that most joyous day show his little daughter, Jackie, in a pixie-like dance for the guests while Dad layed out the buffet refreshments.

The Charles Wagner Post is much less for his passing. We extend our heartfelt condolences to his wife, "Jackie," his son and daughters... Speaking of men who built and served our post, Flag Chairman, Jack Ehmann, reminds us that the current "Memorial Flag" flying at the Kennedy Mall in Hicksville will soon be in need of replacement. The memorial flag is currently gracing the tall flag pole. If any additional deceased legionnaire's burial flag is available for public use and honor, Jack would like to hear from a donor. These flags at the exposed Kennedy Mall are truly worn out in a gallant, fitting cause.

Just a reminder...our next social meeting will take place on Tuesday evening, September 8 because of the holiday. A notable feature of the Labor Day Parade in Hicksville for all of us will be that most snappy outfit, the Charles Wagner Post Color Guard. See you at curbside to salute our colors going by.

Success has an infectious quality, and this means that on Saturday the 19th of September, the success-minded Ladies Auxiliary will present their 7th Anniversary Dance, with Rose Meszaros (931-0878) as the chairlady, and Marion Deniglio (ED 4-6880), assisting, and both will handle ticket sales and seating arrangements. ## Hicksville Crusaders Football News

By Joe Spinosa

Seniors Coach Mick Cassese reports that his team is looking real good, although a number of the boys are new to football. Coach Cassese predicts a good season.

Varsity Coach Jim Pino is impressed with the big number of boys that turned out for his team. Jim and his Crusaders will be playing a pre-season game this Sunday, Sept. 6, at 12:30 p.m. at

the Dutch Lane Football Field in Hicksville. Everyone is welcome to come, so be there to cheer your local boys on.

Junior Varsity Coach Jerry Bridgwood says his boys are looking great and is very proud of his team. Look for an exciting season from these boys.

Ten year old Coach Jack Alper's team looks like the mean machine on the

football field and he is very pleased. A few more boys would help to round out his roster.

Our eight-nine year old Coach Tom O'Hara, although pleased, would like a few more young men to fill out his roster. Any boys wanting to play football, please call Joe Spinosa at 731-2210.

Remember, every calendar boys plays regardless of experience.

## News From The Plainview-Old Bethpage Road Runners Club

The next meeting of the Plainview-Old Bethpage Road Runners Club will be held on Tuesday, September 8, in the cafeteria of Plainview-Old Bethpage High School, starting promptly at 8:00 P.M.

The meeting will feature a presentation and "fashion show" by Brian Mutnick and Larry Davidson of Woodbury Super Star Sneakers & Sports, including the latest in running shoes, running suits and other running gear. It's a good opportunity for local runners to find out what's new and what the best buys are before making any purchases for the fall and winter. The meeting is open to the public and all local

runners are cordially invited to attend.

We just got word of a super effort by POBRR member RAY LERNER. Ray ran in a 5 mile race on August 22 on Fire Island, and took 1st place in the 50 and over age category with a 31:57 time. Way to go, Ray!

Several local runners participated in the August 15 Town of Brookhaven 10K race in Setauket and the August 22 USMMA 5 mile race in Kings Point. While we don't have a full roster of POBRR members who ran in either event, we understand that at least Bert Jablon, George Dennis, Dave Lorber and George

Ofenloch ran in one or both of these races.

Word is that Tony, Miracolo is prepping for a super effort in this year's New York City Marathon. "Iron Man" Tony has gone through the entire month of August without a day off from running, averaging close to 70 miles a week in the process. Also putting in some heavy training are Karen Marwin, Renee Friedman, Dagmar Ballenberger and Pauline McLendon. The four gals recently put in a tough 15 miler up to the marina in Northport.

It looks like POBRR will have a huge contingent entered in the September 19 Great Cow Harbor 10 Kilometer Race in Northport Village. Entries close on September 5, and applications can be obtained from Mike Polansky at 433-0919.

Not every runner is into racing. POBRR would like to sponsor a series of noncompetitive group "fun runs" and/or group training sessions this fall -- geared especially toward those runners who are interested in runs of 5 miles or less. Please join us at our September 8 meeting and offer your suggestions and your ideas. Please help us make running more fun for everyone!

For a Fall activity with unquestionable enjoyment, and pleasure, this dance should be on your list for the Fall recreational season.

For another Fall activity that should engulf you in a

sea of uncontrollable humor, please note that on Saturday, the 17th of October, the Ladies Auxiliary of the Galileo Lodge presents its 1981 version of the "Foolies Follies", a series of comedic spoofs and unabashed buffoonery that should tickle your funny bone in a raucous but delightfully-funny way. Sue Laurenti (WE 1-0036) will supervise this activity, assisted by Mary Monteforte (938-6454) and both will handle tickets sales and seating arrangements. Tickets sell at

## Galileo Lodge News

By Joe Lorenzo

**VENERABLE TONY PREVITE'S MESSAGE:** "I am still learning"....Michaelangelo.

If you were in the vicinity of the Galileo Lodge last Saturday night and you thought that the building was shaking from stem to stern, as though hit by some cataclysmic force of nature, you were probably right — because that's the night when over 335 people, engulfed in a sea of laughter, caused shock waves that seemed about to unshrink the building from its very foundation! That was the night when the Galileo Lodge presented its August Dance, an event that vividly portrayed the modes and manners of the old-fashioned Italian wedding. The howls and roars of laughter started during the mock wedding ceremony which consisted of an old-

time bride and groom and their entourage. The cast of this devastatingly humorous skit consisted of Ven. Tony Previte as the groom, Jeff Wallick as the bride, Bert Molinelli as the bridemaid, Rickey Russo as the Best Man, and Joe Giordano as the bride's father, armed with a shotgun.

The food was also part of the past, the music of Jimmy Marchese was timely and bouncy, and the finale, the Grand March, was a spectacle to behold as over 300 people marched throughout the environs of the Galileo Lodge in complete ecstasy. Carl Melluso, the chairman, assisted by Dom Valente, performed in a superb and delightfully-innovative manner, and so did their committee which consisted of Jim Posillico, Jules Meszaros, Mike Garrone, Tom Pasquarella, John Helper and

**HER MAJESTY:** Oyster Bay Town Clerk, Ann R. Ocker, assists Town Councilman Douglas J. Hynes (center) to crown Gina Masciello (seated) as Queen of the Galileo Galilei Lodge, Order Sons of Italy, in Hicksville.

Also on hand to select a queen to represent the Lodge in this year's Columbus Day Parade was Anthony Previte, Venerable of the Lodge and Joseph Saladino (far right) District Court Judge, who served as a judge in the competition.

Pete Massiello. Also enhancing the activities for this dance was a Beauty Queen contest, in which Gina Masciello was crowned the Queen and the runner-ups were Margaret Romano and Antoinette Montaforte. But there were no losers, here, because all three of these young ladies were as beautiful as they were vivacious. The past Queen of the Galileo Lodge was Nancy Gatto, also as attractive as those just named here. Joan Wallick gave assistance here as did Florence Perrotti, who made all the costumes used in the skit in such short notice. In attendance and acting as judges for the contest were judges Joe Saldino and Francis Donovan, Thomas and Dorothy Gallahue, the Galileo Lodge, in

acknowledgement of the fine efforts of all the members (Continued on Page 6)

## At The County Board Of Supervisors Meeting

By Lynda Scotti

At the Nassau County Board of Supervisors meeting, held on Aug. 31, three young boys, working mothers, a representative of the United Way and a representative of the Parent Teacher Association addressed the Board on the matter of Day Care Center cuts. They all stated that the cuts would force working mothers to quit their jobs and go on welfare. Nassau County Executive Francis "Curcell" said the actual number to be affected was 218, not 1,500 as stated by the group.

Richard M. Kessel of the Long Island Consumer Action, Inc., also addressed the Board asking the members to enact a local law which would protect consumers who "shop for funeral services." He said that county residents should be protected by a "truth-in-dying" law because of the vast range of prices for funerals and associated services. He also said that New York City Council had recently adopted a similar law, and this same type of legislation had been enacted by many states and

cities throughout the country and has been supported in many areas by funeral directors' associations. Kessel said that "under this type of legislation, consumers would know exactly what services are provided and at what cost."

In other matters, the Board passed a bond ordinance authorizing \$563,000 to finance the cost of rehabilitating Westminister Rd., West Hempstead and Garden City. Work to be done is removal of old deteriorated pavement, compaction of sub soil and repairing to provide a new soft travel way. The existing road is deteriorated due to settling of sewer and drain trenches over the last 20 years. The project will extend from Hempstead Tpke. to First St.

The Board also confirmed the reappointments of Charles Castelli, Mrs. Gloria Lind, Charles A. Chiarelli, Welquis Raimundo Lopez and Joseph E. Horan to the Nassau County Board of Consumer Affairs. The next meeting of the

Nassau County Board of Supervisors meeting is scheduled for Monday, Sept. 14 at 11 a.m., in the Executive Building, 1 West St., Mineola, 5th floor.

Celebrating their first anniversary at Shelter Island on August 9 was Doug and Kathleen Hynes. While swimming, Doug lost his wedding ring. He was quite upset, but Kathleen persevered in the hunt and found the ring submerged in about five feet of water. Doug is one of our T.O.B. Councilmen. Happy Anniversary!

We hope Margaret Buchanan had a particularly nice time on August 13 - her birthday. Her husband, Bill, celebrated with Margaret and made this her truly "special day."

Sondra Larsen of W. Cherry St., HICKSVILLE, has been named Coordinator Liaison of the Suburban Art League, and Frances Deeb Loffman of Round Swamp Rd., OLD BETHPAGE, has been named Treasurer.

Mr. and Mrs. Joseph Redes of Preston Lane, HICKSVILLE, and Mr. and Mrs. James Ajello of Kansas St., HICKSVILLE, have returned home from a week's cruise on the S.S. Oceanic to the Isle of Nassau, capital of the Bahamas.

Welcome-home also to Diane Scarola and Barbara Searle of Boulevard Dr.,

**HICKSVILLE**, who have returned following a week's cruise on the S.S. Doric, to Bermuda.

Joe and Karen Donovan are back home in Hicksville from a fabulous trip to Florida where Karen's family resides. Jim Von Hof, Karen's brother, had been visiting the Donovans for two weeks, following his graduation from Seminole High School in Florida. After his visit in our community, Karen and Joe drove Jim back to Florida where they arrived in time to see Laurie Von Hof (Karen and Jim's sister) get married.

More news about Floridians! Jean (nee Jackson) and Brian Van Dyke are the proud owners of a new home in Orlando, FL. The house is still under construction, but they expect to move in about two months. Jean's mom, Jean Jackson, a long-time resident of Hicksville, said she and her two sons and other daughter will be quite comfortable when they visit Jean and Brian since the new house has three bedrooms and plenty of other rooms, too. Jean and Brian are both accountants and are successful in their careers in FL.

Martha and Bernie Masseria spent a lovely vacation touring the New England States and Canada. They visited old Quebec City and had dinner at an outside cafe which was thoroughly charming. They vacationed for two weeks and then returned to their home in Hicksville.

I received a lovely surprise for my birthday on August 22. My husband, Bill, son, Mike, daughter, Joanie, and her husband, Andy Perez, and their two adorable sons, Jimmy and Frankie, planned a dinner party for me at the Milleridge Inn. We had a great time. Lots of love, good food and merriment. My grandson, four-year old Jimmy, was a perfect gentleman. My grandson, two-year old Frankie, was - ah, weeeelll, not quite a perfect gentleman; he wore most of his food and so did those of us who were sitting by him.

But four days later, on August 26, it was my grandson, Frankie Perez's turn to celebrate his birthday. Just turning two years old, was a momentous occasion for Frankie. He was excited, tearing open his presents, enthralled with his gifts, and thought the way to

blow out the candles on his cake was to spit at them! His brother, Jimmy, was crestfallen at all the 'oot his brother received. However, he tried to be nonchalant and casual in his many attempts to con Frankie out of his birthday toys, but he was not too successful. But it won't be too many weeks before it's Jimmy's birthday and then he will be showered with gifts.

And on August 22, Cliff Henderson celebrated his birthday with his wife, Helen, and some friends. They had such a great time celebrating, that they didn't get home until 5:30 a.m. We know you "had a happy," Cliff.

Would you believe there was another Hicksvillite who celebrated her birthday on August 22, also? It was none other than Mary Knight. Mary has lived here in Hicksville with her parents, Frances and George, and her sisters and brother. She is a graduate of Hicksville H.S. and SUNY at Farmingdale. We hope this birthday was the best ever.

Over on the other side of Hicksville Ryan Donovan became two years old on August 17. Ryan's parents, (Continued on Page 7)

## YOUNG AMERICA GOES BACK . . . . .

It's back to school again. For some young people it's the time to greet old friends and compare notes on the Summer.

Some students will be going to new schools . . . meeting new teachers . . . new friends. Some little ones will be going to school for the very first time.

The health and safety of our young people is important to all of us. With countless school children on the streets, drivers must be extremely careful. Children do not think and act as adults.

Motorists approaching school buses must exercise caution whether they see children or not. Section 1174 of the Vehicle and Traffic Law of our State requires motorists whose vehicles meet or overtake a school bus which is stopped to receive or discharge students, to stop their vehicles while the bus's flashing red signals are in operation. This same section of law mandates that school bus drivers instruct their passengers who cross the street do so in front of the bus. The driver, meantime, is required to keep the bus stopped and the red lights flashing until all children have reached the other side of the street.

Also a very new State law which became effective Sept. 1, requires that motorists must now observe the lower school area speed limits during the entire school day, not just at the beginning and end of each school session.

Finally, watch out for bicyclists—not all of them seem to know the "rules of the road", which they are supposed to observe. Parents, these are important rules for you to teach those of your children who use bicycles.

Yes, young America is going back to school . . . so . . .
