Alumni To Honor Gwen Schaaf

Gwen McCue Schaaf, Class of 1955 and past President of the organization, will be guest of honor for the Hicksville Alumni Association at its Annual Home-coming Dance to be held on Friday, Oct. 23.

Mrs. Schaaf has been a teacher in Hicksville Junior High School since 1970. She earned her College and University degrees at Nassau Community, Stony Brook and Adelphi.

Reading certification was awarded by Hofstra University. She attended East St. School.

The Alumni Dinner Dance, with buffet, unlimited cocktails, and rolling bar will be held at Antun's on Old Country Rd.

Tickets may be secured from James Fyfe at Long Island Trust and Alumni President Harold Holden at Holden's Stationery. They are \$25 per person.

Reunions for the classes of 1941 and 1956 will be held in conjunction with the dinner. In nominating Mrs.

Gwen Schaaf

Schaaf, Howard Finnegan praised her for "revitalizing the Association during her terms as President and continuing its work as a vital service to the students of Hicksville High School."

Among her many community involvements was a term as President of the Ladies Auxiliary of the Hicksville Fire Dept.

Mrs. Schaaf resides with her husband, Roy and four sons at 23 Elmira St.

Festival Postponed

The Egyptian Festival, which was to have been held this weekend at St. Ignatius Catholic School on East Nicholas St., by the Egyptian Church, has

been postponed until Oct. 23, 24 and 25, due to the tragic death of President Sadat of Egypt, it was announced by Father Martin Tobia.

A Letter To The Hicksville School Board And Its Negotiating Attorney

I read your letter to the parents of Hicksville with great interest. Your presentation though succinct and crisp was not consistent with all the facts that you and I know to be available. There is so much that you didn't say.

You didn't say that the total raises for all teachers in Hicksville for the last three years was less than 8%.

You didn't say that in a recent year the school board attorney was paid more money than the school superintendent.

You didn't say that before a teacher earns \$25,000 that he must teach in this district for over twenty years and successfully complete six years of college.

You didn't say that you offered 3.7% to the teachers and gave 7.5% to top administrators this year.

You didn't say that an accused teacher doesn't want to be deprived of income for his family because you feel him guilty

until he proves his innocence.

You didn't say that teachers want to insure that all educational programs the district offers be taught by a teacher duly licensed and certified by New York State.

You didn't say that parents' pleas were ignored by your negotiating attorney at your "open negotiations."

You didn't say that teachers don't want to be deprived their income because of an on-the-job injury.

You didn't say that the School District gets two days pay for every strike day from each teacher.

You didn't say that teachers don't want to be forced into disability retirement before they have a chance to recuperate.

You didn't say how a strike can affect property values.

You didn't say that teachers are guaranteeing that you will not have to hire teachers unless you so decide.

You didn't say that

teachers are willing to negotiate around the clock rather than once or twice a month.

You didn't say that outside auditors have disclosed millions of dollars of surplus funds in the Hicksville School District.

You didn't say that presently Hicksville has enough surplus money to negotiate a long-term contract without increasing the tax rate.

You didn't say that such a long-term contract could eventually raise Hicksville teachers out of the lowest 25% in the county.

You didn't say how well our negotiating teachers have performed their teaching assignments during the day after negotiating to the wee hours of the morning.

You didn't say enough and for that I am sorry, because I feel that a lot of readers were misinformed.

Mr. Ayres, this is not an attack on you personally or any other member of the Board of Education. Rather it is a repudiation of the

negotiating tactics that have left other districts in shambles. Much has been accomplished in this district. You and other members of the Board are to be commended for your part in these accomplishments. But you can not rest on those laurels alone. It is time to move ahead. It is time to negotiate a contract with the secretaries, principals, superintendent, and teachers. It is time to provide the leadership to accomplish this.

I would like to remind all readers that there are hundreds of secretaries, teachers, and administrators who have been working for months, and in some cases years, without a contract. That is a WAGE FREEZE! We need to avoid an EDUCATION FREEZE!

Legion Cited For Its 1981 Service

In recognition of its outstanding service to Americanism and the children and youth of Hicksville, Charles Wagner Post No. 421 of The American Legion here has been cited by the National Organization of the Legion, Post Commander Louis A. Braun announced today.

The citations from The American Legion National

Headquarters, located in Indianapolis, Indiana, is signed by the Legion National Commander, Michael J. Kogutek, Lackawanna, New York.

Post Commander Braun gave much of the credit for the national awards to Frank Molinari, who is Children & Youth program Chairman

and to Richard Evers who is Americanism Chairman for Post No. 421.

"Children & Youth and Americanism are two of The American Legion's basic programs," Commander Braun explained, "and we are proud that our efforts have been recognized in this manner by the National Organization."

Each of the more than 16,000 American Legion Posts are asked to submit an annual report of their expenditures and activities on behalf of the programs. Post No. 421 was awarded its citations on the basis of its activities during the 12-month period ending May 31, 1981 which was under the leadership of Jr. Past Commander Louis Cesta.

FOR AND ABOUT SENIORS

On November 30, the White House Conference on Aging will convene. Nassau County's seven delegates to this conference, all of whom are involved in the field of aging, will propose recommendations to meet the priority concerns of our county's 240,000 senior citizens.

Nassau County Executive Francis T. Purcell, reported that the delegates will take copies of an Issue Paper of recommendations, compiled by the Nassau County Department of Senior Citizen Affairs, which "represents over a year of activity involving nearly 2,000 Nassau residents, including 1,465 senior citizens."

This compilation of recommendations resulted from twenty-one local forums that were held throughout

Nassau County, sponsored by religious, social service, educational and consumer advocacy organizations. These forums produced 316 recommendations addressing major policy issues confronting the elderly, such as economic security, environmental and social support systems, physical and mental health and older Americans as a national resource.

"The recommendations proposed in this document," said Purcell, "insure that conference delegates and future planners will be well informed about grass roots opinions of the Nassau County elderly and those who work with them and on their behalf."

Some of the recommendations included in the Issue Paper are:

• Encouraging the business community to recognize the potential and value of the older worker.

• Developing national policies to eliminate discrimination against older workers.

• Developing policies to enhance and supplement the role of the family in caring for frail elderly members.

• Encouraging the continued use of senior clubs and centers in the recruitment and channeling of individual talents to serve the community.

• Continuing the development of various kinds of housing for seniors to allow for alternative life styles.

• Adopting policies at all levels of government that will insure the maximum use of the skills and resources of our society's older people and guarantee their right to maximum involvement in decision-making and programs for the elderly.

To obtain a copy of the Nassau County Issue Paper, or for further information, call 535-4474.

CHEMICAL'S TAX SHELTER C.D. IT GRABS THE BULL BY THE HORNS.

High interest money market funds seem like a solid investment. But in a bull market, their interest rates can drop. And along with them can go your returns.

Even if the rates don't change, you could stand to lose up to 50% of what you've earned in taxes.

Well, now you can get what we consider the best investment opportunity any bank has ever been able to offer: Chemical's Tax Shelter C.D.

It's a one-year certificate which, unlike money market funds, allows you to earn interest on your savings tax free. In fact, you could earn up to \$2,000 tax free if you're a couple filing a joint return, or \$1,000 if you're filing individually. (If you live in New York there are no Federal, State or local taxes; however, for other states, taxes may vary.)

Which means, depending on your tax bracket, the yield on a Tax Shelter C.D. could be significantly higher than your after-tax return on a money market fund or a regular C.D. For example, at a Tax Shelter rate of 12.61%, your yield could be equal to 25% interest on a taxable investment, again depending on your tax bracket.

Incidentally, our Tax Shelter C.D. not only saves you taxes, it saves you worry. Unlike money market funds, our new C.D. is F.D.I.C. insured up to \$100,000.

Now, while all of this sounds like it should be good for everyone, it's not. If you earn \$15,000 or less, you would do better with Chemical's 6-month C.D.

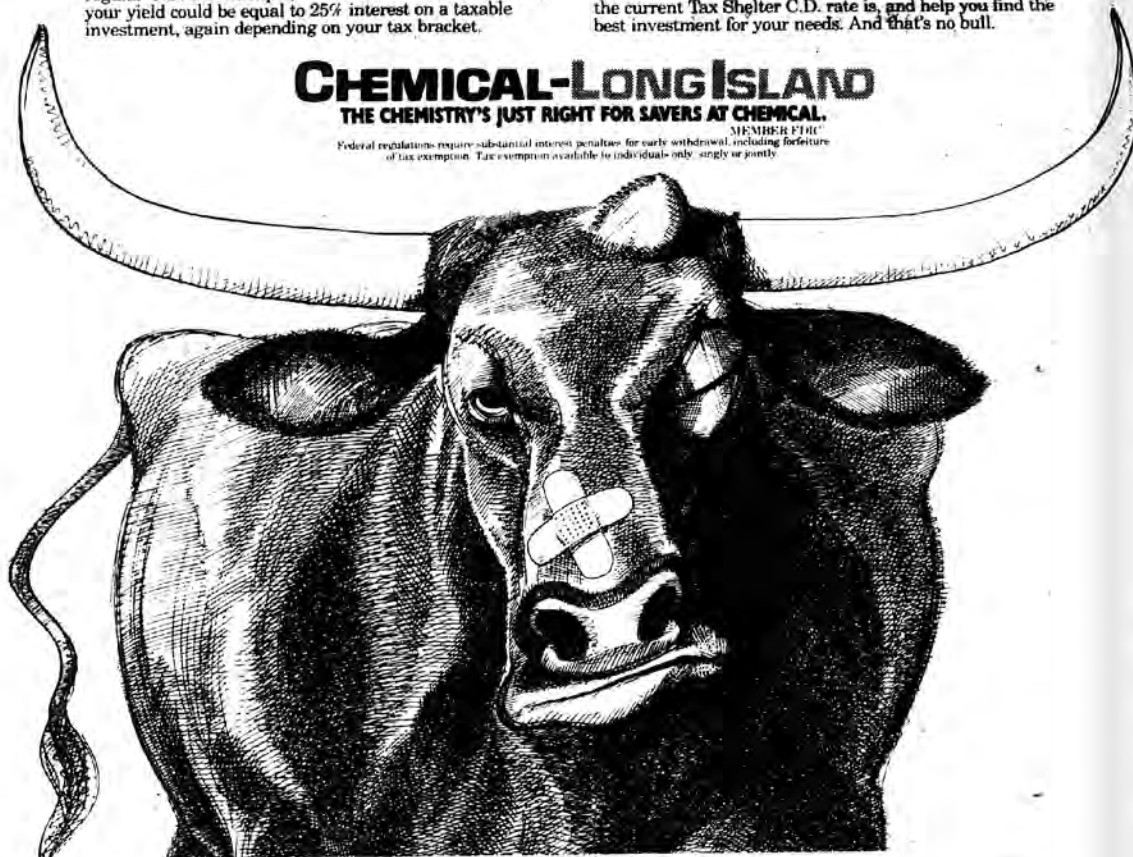

On the other hand, if you earn more than that, our Tax Shelter C.D. is a better investment. That's why Chemical is allowing all of our customers to switch their six-month Chemical C.D.'s into Tax Shelter C.D.'s without paying any penalty.

In addition, no matter which Chemical C.D. you open, with a minimum deposit of \$1,000, you'll get a cash bonus or a free gift.

If you'd like to open a Chemical Tax Shelter C.D. or would like us to answer any questions, just come in to any Chemical Bank branch, or call us at (516) 775-4990, (212) 347-7130, or (212) 343-3200 from 9 to 5. We'll tell you what the current Tax Shelter C.D. rate is, and help you find the best investment for your needs. And that's no bull.

CHEMICAL-LONG ISLAND THE CHEMISTRY'S JUST RIGHT FOR SAVERS AT CHEMICAL.

FEDERAL REGULATIONS REQUIRE SUBSTANTIAL INTEREST PENALTIES FOR EARLY WITHDRAWAL, INCLUDING FORFEITURE OF TAX EXEMPTION. TAX EXEMPTION AVAILABLE TO INDIVIDUALS ONLY - SINGLY OR JOINTLY.

VENERABLE TONY PREVITE'S MESSAGE:
"The more a man has to do the more he is able to accomplish, for he learns to utilize his time." —Old Say-

ing.

NOTICE the slight chill in the air. A crispness that invigorates the mind as well as the body. Notice how nature

changes her hues of deep green to rich rustic shades of brown. Notice the bright moonlight of autumn nights as it bathes the land in a sea of silver. Notice the restless-

ness of birds as they prepare for their journey south, and notice how nature readies herself for her deep winter sleep. And notice that on Saturday, the 31st of October, the Galileo will present its Halloween Dance. Tickets will sell for \$9.50 per person, and this modest sum entitles you to a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music.

Jeff Wallick (681-8428) will 'chair' this activity, assisted ably by Armond Del Cioppo (938-5052) and Jim Pino (822-7060), who will also handle ticket sales and seating arrangements. Why not come down to the Galileo Lodge on the date designated here and enjoy good food, good dancing and just 'plain ole' good time that are so hard to come by these days. Come and see the Galileo Lodge dressed up in its finest autumnal finery. A 'bring-your-own-liquor' policy will be in effect that night, and tickets go on sale this week.

Worry and dread do not help us in any way. It is much healthier and happier to be cheerful, and if we try it everyday, we notice that no one should be without it. Laughter is the key, of course, and if its laughter that you are seeking, why not heed this message, which is that the Ladies Auxiliary of the Galileo Lodge will present their 1981 version of the 'Foolies Follies on Saturday, the 17th of October. The 'Foolies Follies' is a series of laugh-provoking skits and bits of hilarious and zany mirth and merriment.

The Prison Bond Proposition

By Sup. Joseph Colby

On Election day, voters will be asked to vote yes or no on a proposition that will appear on the ballot regarding the sale of 500 million dollars in State bonds which would be used to finance the construction and rehabilitation of correctional facilities throughout New York.

The Prison Bond Act, if passed, would provide funds for construction of three new maximum security prisons on the sites of three existing State facilities and provide for the rehabilitation of the existing facilities at a cost of \$350 million. This would add over 4,000 new cells to those already in existence.

In addition, the Bond Act proposes: \$25 million for the use of developing bed space for violent youth and for beds in State psychiatric units for mentally ill prisoners, a \$10 million grant to New York City, which has

the greatest number of pre-trial detainees and inmates; and, \$15 million for smaller, less populated counties to insure that they would receive a fair and equitable distribution of the bond monies.

Larger counties, such as Nassau and Suffolk would be eligible for per capita grants covering 50 percent of the cost of expansion and modernization of existing prison facilities in order to help them meet State Corrections Commission requirements. The total sum available for these counties would be \$100 million. Nassau County would be eligible to receive over \$7 million for expansion at the County jail.

If the Prison Bond Act is passed it would provide counties like Nassau with 50 percent of the funding necessary in order to comply with State imposed standards and would insure that the State

would act as a cost-sharing partner with the counties. The cost of paying off the State bonds would be spread over a period of 30 years and would be shared by a larger pool of taxpayers, rather than if the counties had to rely solely on local property taxes to pay for the total cost of the modernization and expansion.

The Bond monies would be placed in a fund which would be administered by the State Commission of correction, which would set up the criteria for grant eligibility and insure that minimum standards for security, capacity and living conditions were met.

The Prison Bond Act is an important issue, and it's in your best interest to take the time over the next few weeks to learn the ramifications of its passage or defeat. Then don't forget to cast your ballot on Election Day.

Kiwanians Hear About Health

The "Economics of Health Care" was the topic brought to the Hicksville Kiwanis Club at its September 30 meeting by the guest speaker, Miss Jacqueline Kello of Upjohn Home Care.

The information Miss Kello brought to the Kiwanis membership included such statements as -- \$144 Billion was spent on health care in the United States in 1980 -- the U.S. rates only sixth internationally in health care even though ten times as much money is spent here to provide health care.

Miss Kello also recommended: that sick people try to educate themselves about their illness; that they question the need for, and the pros and cons of, tests their doctors are ordering; that they analyze their Health Insurance Policies to determine if they have adequate

coverage.

Miss Kello suggested that Home Care is a good alternative to Hospitalization when patients no longer require medication or treatment, a situation known as Custodial Care. Unfortunately,

Medicare and Medicaid do not cover Home Care.

In the photo, Kiwanis President - Elect Charles Montana, Jr., is presenting Miss Kello with a certificate of appreciation for her very informative program.

Sewer Connections

Public Works Commissioner Michael R. Pender today announced that an additional 3,321 homes and businesses in the vicinity of Hicksville may now connect to the County Sewer system.

The contract area involved, designated as 1002-3-H-4, is bounded on the south and the east by the Long Island Rail Road tracks. On the North by Northern State Parkway On the West by the Wantagh State Parkway.

Hook-ups in the area east of Cantiague Lane may be done only by plumbers licensed by the Town of Oyster Bay. The area west of Cantiague Lane may be done only by plumbers licensed by the town of North Hempstead. Permits must be obtained from the County Department of Public Works. Property owners are required by law to connect to the sewer system within two years of the availability of service.

J. Middleton, Director Region I - Department of Environmental Conservation, Stony Brook, N.Y., to conduct an administrative hearing concerning continuing violations of groundwater discharge standards by Cerro Wire and Cable Company, Syosset.

The hearing is requested before October 31, 1981, as the company's continued failure to meet groundwater discharge standards may indicate that they are the largest single groundwater polluter in Nassau County.

The Hicksville Board of Water Commission-

ers is especially pleased with the Health Department's action. While the enforcement of waste disposal standards is not the responsibility of the water supplier, the concern of the local commissioners has been a matter of record for many years and they have long sought action of this type, recognizing that the firm's discharges could certainly pose a real problem for our facilities. We feel that there is always a degree of hazard regardless of whether the hazard is immediate or potential," a Water District spokesperson explained.

Dear Friends . . .

We have placed the first answer to last week's "Letter to the Residents", in the same position as this letter appeared on page one of the Hicksville Edition, last week. All other "Letters" appear starting on page four and, if there is not enough room for them all because of their length, we will continue them next week.

We agree with the fine letter sent to this newspaper by Miss Harriet Spink. And we are concerned with the affect both the negotiations and the scene of teachers illegally striking have upon our young people. Ideally, we are all examples, by our actions, as well as by our words, to the younger generation. A law with which we don't agree should be changed . . . not broken.

On the side of the teachers (and there are many, many dedicated ones), we feel that negotiations should be done on a day and night basis and those who must be there should have a large enough staff (i.e. the distinguished attorney) so that negotiations are not held up.

All this for the sake of our children.

SHEILA NOETH

P.S. As we go to press negotiations have been resumed in the Hicksville School District. The next session is set for Sunday. The HTC stated that if no progress has been made by Tuesday, they will call a strike.

At The Town Board Meeting

By Sheila Noeth

At its regular meeting held at Town Hall in Oyster Bay on Tuesday, Oct. 6, the Town Board acted on the following local matters, as follows:

They reserved decision on the petition of HESS REALTY CORP. for a special-use permit to conduct, operate and maintain a public garage and modern, kiosk-type filling station which only sells gasoline and does not automobile repairs, located on the north side of Jericho Tpke., southwest of the LIE Service Rd., and bounded by Roxbury Rd. on the east and Harwick Rd. on the west, near the Fountainbleu Caterers in JERICHO. No one appeared in opposition to this petition. The case was presented to the Board, who asked many questions, by attorney John Coffey, William O'Malley, Hess Company representative, Norman Gerber, traffic consultant and Bert Nelson, real estate expert.

When these gentlemen had completed their lengthy presentation and answered all the Board's questions, Supervisor Joseph Colby asked if anyone in the audience had any questions on this matter. The entire Board, and the audience were all delighted when two students, who were part of a visiting group of the All-Star Little League Baseball Team of Farmingdale, each had an intelligent question to ask the petitioners.

They approved Resolution No. 724-1981, granting permission to St. Stephens Lutheran Church of HICKSVILLE to use a roll-off container on Oct. 16-19.

They approved Resolution No. 738-1981, reviewing the County bids on the sewer work done on Cherry St., Herzog Place, and adjacent areas in HICKSVILLE and approving the Town drainage project and street repairs in these areas.

They approved Resolution No. 739-1981, substituting concrete car stops in Contract No. DPF 80-218, construction of temporary parking facilities in HICKSVILLE. This substitution did not change the amount of financing.

They approved Resolution No. 740-1981 to review County bids on Contract No. DRH 68-3150 which covers the construction of storm drains and appurtenances on Miller Rd. and Miller Pl. in HICKSVILLE.

They approved Resolution No. 742-1981, covering increases in the cost of Contract No. DPF 80-218, due to unstable soil conditions which required additional work in the temporary parking lots on West Barclay St. in HICKSVILLE.

They approved Resolution No. 743-1981, awarding the contract of painting and miscellaneous maintenance improvements to various buildings at the Bruce Estate in SYOSSET.

They approved Resolution No. 744-1981 directing the Town clerk to advertise notice of an Oct. 2, 1981 hearing, to consider the proposed adoption for the fiscal year 1982, which hearing will also be continued starting at 8 pm.

They approved Resolution No. 745-1981, covering the site plan on PAB Case 3-81,

developing condominium units of Maple Run Associates at JERICHO, next to the Hamlet condos.

They denied Resolution No. 746-1981, the petition of the SYOSSET HOLDING CORP. for a change of zone from C Residence to F. Business, for an existing house on the corner of Jericho Tpke.

and Cedar St., the rear of this property backs on Route 135, in SYOSSET. The petitioner wanted to purchase this house and to use it as a real estate management office. The petition was denied by the Board because it involved allowing abusiness to operate near residences and not very far from a school.

The next regular meeting of the Town Board, plus a budget hearing, is scheduled for 10 am on Tues., Oct. 20. This budget hearing will also be continued at an evening session starting at 8 pm.

Following this, the next regular Board meeting is scheduled for Tues., Oct. 27.

Letters To The Editor

I urge individual board members to speak up. Make an offer to negotiate around the clock until a settlement is reached. This would most likely stop the clock, prevent a strike, and allow education to continue in Hicksville.

Contract? "To be or not to be. That is the question."

As a very interested onlooker, it seems to me that each side is looking so hard at the other side's mistakes that it fails to recognize its own Anger mounts, hardening both positions. And that settles nothing.

Yet both sides are composed of conscientious, respected people who are interested in the welfare of the community, the education of its children, those who teach, and the taxpayer who must pay for this education.

Isn't it time, then, to put away the threats, the unmovable positions and the anger and start over again? Forget the other fellows faults, the face-saving(?) self-righteousness, and focus on community welfare.

Remember that the tax burden has its limits. Remember that inflation is a prime culprit to-day and that we are all going to hurt before it is controlled and must all bear our share. Remember, too, that teachers (like everybody else) work best when they are shown respect and appreciation. Let us see if changes of attitude on both sides cannot answer our initial question with "Yes!"

Sincerely

Harriet A. Spink

Dear Mrs. Noeth;

As a former resident of Hicksville, for over 25 years, it was my pleasure to have been able to exhibit my pro football collection, in one of the local merchants' windows, this past Sept. 25th & 26th. Through the kindness of the owner of the Hicksville sweet shop, Mr. Phillip Zouros, I was able to display some nostalgic memories of the golden years or pioneer days of the game, to the local residents of Hicksville, speaking with those that come to view the display.

This of course is a part of a community service that I have been able to render, for those that are interested.

Cordially yours,
Thomas S. Nikitas

Dear Mrs. Noeth:

There are about 110 school districts on Long Island. Only five of them have not signed contracts. Two of these, Hicksville and Plainview have Mr. Joseph Campanella as their negotiator. Baseball managers are not paid for losing. Apparently Mr. Campanella is paid for not winning contracts. He is paid \$16,500 by Hicksville for advice as an in-house attorney. In addition to this he is paid \$16,500 as a negotiator. Besides this he is paid at a rate of \$85.00 an hour for court appearances and "research". He still does not have a contract with school secretaries, administrators, and teachers. A few years ago he was the negotiator when the custodians went on strike. In both the Hicksville and Plainview disputes Mrs. Campanella's side has engaged in public negotiations and publicity. Any impartial observer knows that true negotiations are done privately. The logical conclusion to be drawn is that Mr. Campanella appears to not want a settlement. Why has the schoolboard given up its responsibility and authority as a policy making body to a lawyer when it and the school superintendents have been able to negotiate without strikes and bitterness for over twenty years B.C. (Before Campanella)?

An additional source of income for Mr. Campanella is payment for representing the school district at grievance hearings. There were twenty five grievance hearings last year and Mr. Campanella lost and won every one of them. Rulings in favor of the teachers occurred in all twenty five cases. Mr. Campanella lost every case. He won a total of \$64,912. There is no need to hire a lawyer at \$85 an hour for a batting average like this. Grievances used to be settled amicably within the district with negligible court appearances until the last few years.

A possible conflict of interest arises from allowing the negotiator to financially benefit by the terms of a

contract that he has negotiated. The Plainview strike and turmoil is caused by Mr. Campanella and the Plainview Board of Education's insistence on a provision in the contract for a cut-off of a suspended teacher's pay (\$3020A). Assemblyman Lew Yevoli said since this is a state law the place for a change is in the state legislature. With this off the bargaining table Plainview's first football game might not have been cancelled. Plainview's insistence on this provision comes from the firing of a teacher that cost the district about \$150,000.00, about \$50,000 of which went into Mr. Campanella's pocket. There were much cheaper and better ways of removing or improving this teacher's performance. Did Mr. Campanella offer this advice to the district?

My suspicions of this lawyer might seem exaggerated, but it is based on an incident with this lawyer that touched my family. My son was a student in the fired Plainview teacher's class. My wife received a phone call from Mr. Campanella's office saying the lawyer wished to speak to my son about the teacher's case in his office. My son went over to the office. Nobody said a word about the case to my son, but the secretary served my son with a subpoena to appear at a hearing.

The children of F cksville do not benefit from this turmoil, the teachers certainly don't want a strike with the penalty provisions of the Taylor Law levied against them. Why doesn't the Board of Education insist that the lawyer do what he's getting paid for doing . . . get a contract like the other 105 school districts on Long Island have been able to do?

Fall Education Classes At Trinity

This fall, Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, is offering a variety of Christian education classes. They will include: "Sharing the Faith" on Tuesday evenings from 7:45 to 9:00 beginning October 6-November 17; "Elements of the Christian Life" on Wednesday

evenings from 8:00-9:30 starting October 14-November 18; A Ladies Bible Class studying "Acts" on Wednesday mornings from 9:30-11:00. Babysitters are provided for preschoolers on Wednesday mornings.

In addition, a Ten-Week

Course which reviews the basic teachings of the Christian faith through the Lutheran perspective is offered on Wednesday evenings from 8:00 to 10:00.

A workshop on time management will be led by Dr. Richard Engebrecht on November 17 and 24 from

8:00 to 9:30 p.m.

For children, ages 3 through grade 5, we have Sunday School beginning at 9:30 on Sunday mornings.

If you would like more information about these classes, please call the church office 931-2225.

The Hicksville High School Symphonic Band had its annual election of officers. For President, the band elected Julie Sone, a senior who plays the flute. Dorothea Antonic, a senior who also plays the flute, was elected vice-President. The band elected James DaGuanno, a senior who plays the trumpet, as their Secretary, and Elizabeth Dick, a junior who plays the clarinet, was chosen Treasurer of the band. Dave Rubin, a senior trombone player, was elected as the Symphonic Band's Student Government Representative.

Throughout the year, the Symphonic Band plays various types of music: classical, jazz, excerpts from musicals, and popular hits of the '80's. The band will prepare for NYSSMA-New York State School Music Association - and hopes to receive another grade of 6A+, the highest grade possible.

At present, the members of the Symphonic Band are discussing options for a trip away from Hicksville, and are making plans for raising funds to defray the cost of a trip.

HHS Open House

Mr. Gerald Klein, Hicksville Jr. High School principal, welcomed parents, September 21, at his second annual Open House Night.

Teachers explained to parents, who followed their children's class schedule, an outline of the course content and the educational objectives and goals they hope to achieve with the effort of students and the interested concern of parents.

Present during Open

House Night were Mr. John Ayres, President of Board of Education, with his wife Mrs. Elizabeth Ayres, Dr. Wilber D. Hawkins, Supt. of Schools, and Dr. Daniel Salmon, Assistant Supt.

Interested parents and teachers joined the PTSA at tables set up by community members.

Honor Society students were available to guide parents to various locations in the Junior High building.

Rent-A-Kid

The Hicksville Youth Council is a community, tax exempt, non-profit organization supported by the Town of Oyster Bay Division for Youth, Nassau County Youth Board and the New York State Division for Youth.

Rent-A-Kid is a community service project geared to provide the residents with a much needed service, as well as assuring that the youth will be gainfully employed. They offer their services in the

following areas: yardwork, housecleaning, mother's helper, mother's/father's helpers, party helpers, car washing, tutoring to name but a few of their many talents.

The Council's main areas are: Hicksville, Jericho, Westbury. However, they will serve other areas, if necessary.

"You can help yourself and help our Youth by calling 822-7594 for details about 'Rent-A-Kid,' a Council spokesperson explained.

Memorable Dining Experience

The casual, rustic atmosphere at Riddle's, 533 Old Country Rd., Westbury, combined with their diversified menu helps to create a memorable dining experience. A moderately priced cuisine features American and Continental specialties plus a great favorite-hefty 1/2 lb. Riddleburgers.

The bar area with its unique brick and barrel design is a friendly gathering spot for cocktails and conversation for folks over 25.

Enjoy live music Wednesday, Friday and Saturday nights.

It's open 7 days for lunch and dinner and Saturdays and Sundays for Brunch.

GALILEO LODGE

(Continued from Page 2)

Tickets will sell at \$9.00 per person, which entitles you to a delicious hot dinner with all the trimmings, beer, soda, coffee and cake and music from disc jockey Bob Vitabile. Sue Laurenti (WE 1-0036) will 'chair' this activity, assisted by Mary Monteforte (938-6454). Sue, incidentally, will appear at the Galileo Lodge every Tuesday night, from 7 to 8 P.M. for ticket distribution, and Mary will also appear at the Galileo Lodge every Wednesday night, from 7 to 10 P.M., for the same reason. Talent for this revue will be provided by the male and female members of the Galileo Lodge, and rehearsals take place every Tuesday night from 8 to 10 P.M. For a night of fun and frivolity, plus some good dining out, how can you afford to miss this presentation.

Last golf outing held by the Galileo Lodge on Sunday, the 27th of September, at the Swan Lake Golf Course in Manorville, was a 'not-surprising' success. Jeff Wallick, the director of this outing, reports that the lowest score of 83 was achieved by Lou Bonecompagni, the best handicap score of 73 went to Don Posillico, the longest drive award went to Pete Ragone, the jackass score of 125 went to Jeff Wallick and the closest shot to the pin award went to Joe Morace. A hot Italian-style buffet dinner was served after the outing and needless to mention that a good time was had by all. Trophies were awarded to the names just mentioned above.

The Galileo Lodge's membership drive is still on, so those who are searching for an ethnic organization that might better serve their needs and wants should dial 931-9351 and ask any member present to describe the outstanding merits and attributes of the Galileo Lodge and what it has to offer socially and recreationally.

In addition to the souvenir headbands which will be distributed to all the walkers and joggers, prizes are being given to top producers.

Application blanks and sponsorships are available from local schools and libraries in Nassau County.

Sunday Afternoon Musicales

The Hicksville Public Library Sunday Afternoon Musicales will begin on October 18 at 3:00 PM with a program of chamber music performed by Daniel Smith, bassonist; Joan Schwartzman, flutist and Barbara Kupferberg, pianist. The program will include works by Mozart, Elgar and Beethoven, among others.

All three musicians are well known to the Long Island concert-goer. Both Ms. Schwartzman and Ms. Kupferberg have appeared at the Hicksville Library in the past (in fact Ms. Schwartzman is scheduled for another appearance here in January) however this is the first time that we have

been able to present Mr. Smith to the Hicksville community.

The N.Y. Times of Sunday, June 5, 1980 says of Mr. Smith, "a first-rate bassonist who particularly relishes the lyric possibilities of his instrument." Peter Goodman of Newsday wrote May 27, 1981 "Sunday's performance by Daniel Smith and the Ravina Chamber Ensemble at the Nassau County Fine Arts Center in Roslyn was a special treat" and in the same review "Smith displayed marvelous control of his instrument's tonal possibilities".

CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO

CHIROPRACTIC AND SENIOR CITIZENS

Sooner or later we encounter the process of aging. Our muscles, bones and systems are subject to the degeneration that time brings. The most common complaints are pain and stiffness. Many solutions to these problems can be found in chiropractic.

As we grow older, the muscles which hold the spine in place lose their tone. As a result, the spinal vertebrae tend to slip out of position. A treatment plan by a qualified doctor of chiropractic, designed to prevent misalign-

ment or "subluxations," can help greatly in this area, keeping the vertebrae and the intervertebral discs in place and the muscles they depend on in better tone.

Further, these regular adjustments to the spine can keep every system working better, helping to make later life as productive as any other time of life.

Hicksville American Soccer Club

Coaches Barbara McCann and Anthony Laogay by Pat Reilly

The Hicksville Comets met the Little Neck Thunders at a windswept Grumman Field and defeated them 3-0. The wind was against the Comets in the first half but the Comets dominated the entire game. The forward-line of the Comets Anthony Conti, James Curley, Tim Doyle, John Giuttari, Ryan McCann, Thomas Reilly and Michael Segal played a super game with many shots on goal and supreme ability in passing. The first goal was scored by John Giuttari with assists from Tim Doyle and Thomas Reilly. The second goal was scored by John Giuttari with an assist from Tim Doyle. The third goal was scored by Thomas Reilly with an assist from Michael Segal and Jamie Curley.

In the second half the mid-field-line of the Comets, Tommy Bell, Frank Humphreys, Tommy Pedicini as center, Scott Van Steen, Steven Postullo showed great ability in passing to the forwards and in turning the ball around. The fullback line of Bobby Himmel, Scott Germer as center, and Brian Sacks displayed some beautiful soccer skills. The Comet's goalie Chris Margaritis made several nice saves keeping the Thunders scoreless producing his first shutout of the season.

The second half produced two more goals for the Comets. The fourth goal was made by Scott Germer on a corner kick, the fifth goal of the game was made by Scott Germer unassisted. John Giuttari, Timmy Doyle, Scott Germer, Bobby Himmel, Ryan McCann, Thomas Reilly, Scott Van Steen were sensational in alternating positions on the field. The game against the Thunders showed ability on the part of the players in teamwork, in setting up plays, in set up plays and in passing. Good work Comets.

HICKSVILLE EAGLES BOYS U 12 COACHED BY TOM REILLY

The Eagles are on a winning streak once again! They deserve the joys of victory because of the hard work and good skill they have been demonstrating. Last week they were victorious 2-0 against the East Rockaway Rowdies. The week before they won the Massapequa Athletic Club 3-2.

The forward line has a new look with Phil Campisi as left wing, Robert Radke and Thomas McBride doing an excellent job alternating at right wing. Mike Iavarone is our veteran right inside and doing a splendid job. Our center fullback/new left inside is Mike Wozniak. Our offensive and definitely defensive half back line consists of Bobby Kratochvil as our crafty center, flanked by Sean Callaghan on his left and Bobby Laine on his right - a dynamo trio - passing and clearing the ball successfully. Our defensive fullbacks were another "can't lose" combination - David Marks as our strong center, Billy Neway playing extremely aggressive as our right fullback and Brian Doyle was his natural on-target, powerful kicking self. They were outstanding in clearing the ball from the goal in spite of the strong winds. Bobby Lichtman did an outstanding job alternating throughout the game on both the full back and half back lines. The last game's sensational shut out can also be contributed to Billy Sussman's fast acting, great saves in Goal.

The boys were thrilled with their victory. They have a winning combination and we're sure they will really do well the rest of the season.

YOUNG AMERICANS WIN TWO

By Bernie Sierra
Christine Sierra (6 goals) and Ann Kenny (5 assists) lead the way by defeating the Rowdies (6-0) at College Point and the W. Babylon Roadrunners at Hicksville (6-0).

Cannonballs

By Peter Fujimoto
The Cannonballs' fifth game of the season could be called anything but a complete rout. The Hicksville boys peppered the Auburndale goal with shot after shot, putting nine of the kicks into the net for the 9-0 score.

The players, Brian McNamee, Les Spence, Gino Ianucci, Thomas Niemann, John DiGiorgio, Michael Donovane, Jason Pinsky, Tommy Baron, Danny McGoey, Dan Fujimoto, David Knuth, Larry Bag and Brian Sierra, were rotated in (Continued on Page 6)

The Force Clobbers H.B.C.

By John Highlander
On Oct. 3, the Plainview-Old Bethpage Force met the Huntington Boys Club. In the first half, the Huntington Team pushed towards Plainview's area, but only to be stopped by the Force's defense.

It was an unbelievable second half - Keith Hobbs passed to Brian Woods, who booted the ball to Brian Shields, who took it down field, then crossed it back to Hobbs who took it all the way to score. Keith Hobbs passed it to Larry Aronowitz, who

entered the H.B.C. area, dribbling fast, shot a long and beautiful kick right into the H.B.C. goal. Keith Hobbs ran the ball through the H.B.C. line, shot, the kick was blocked, only to be intercepted by Larry Aronowitz who again kicked and scored. The offense again took control with Hobbs running down into the H.B.C. line, shot, missed the goal, but Thomas Fraella was there to regain control of the ball and he scored. The final score, P.O.B. Force - 4; H.B.C. - 0.

The winning players were

Larry Aronowitz, Keith Hobbs, Thomas Fradella, David Weisfelner, Michael Goldstein, Mitchell Gettleman, Brian Shields, Avi Silber, Donald Hochstein, Adam Iovino, Kevin Berkowitz, Wayne Friedman, Michael D'Angelo, and Brian Woods.

This was a good winning warm-up for their 3 day Brentwood Tournament, which takes place starting Oct. 10.

The P.O. B. Force's record now stands at 3 wins, 1 loss, and 1 tie.

Hicksville Girls Begin Swim Season

Plainview H.S. was the scene of the first swim meet of the Hicksville H.S. Girls Team on October 2. The newly formed team of twenty-five Junior and Senior High girls set the new school records under the direction of coach Walter Obewski.

First place in the 200 IM

and the 100 fly was won by Jemine Mund, a sophomore. Lorna Mund, seventh grade, took second in the 50 free and 100 back as did the Medley Relay of Jemine Mund, Jamie Schwartz, Andrea Pitta and Lorna Mund and the Free Relay of Pam Sheridan, Kathy Reddy, Teri Montalto and Amy Pitta. Andrea Pitta scored second,

also in the 100 breast. Teri Montalto placed third in the 200 free and 500 free and Kathy Reddy also placed third in the 100 free.

Donna Hoffmann, a junior, took first in the diving and Anja Witting, senior, placed third. The final score was 55-28 in favor of Plainview.

LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST #421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

October is an important month in our 1981-82 Legion year and all members should do their best to help Commander Lou Braun and his staff to carry out the scheduled programs ... The scheduled programs include two annual events that require participation by as many members and their

friends as possible ... The more participation, the more success is assured both socially and financially ... First, we have our annual PANCAKE BREAKFAST at the Post on Sunday, October 18th, between the hours of 8:30 A.M. to 12:30 P.M. ... This is an affair that is suitable for all members of

your family and all the proceeds will be used for Youth Activities and Child Welfare programs ... You will be served juice, pancakes, sausage and coffee for only \$2 per person, so ... bring along your whole regiment and 'chow down' for a good cause ... And to further mention the cause, being Youth Activities and Child Welfare, I must remind one and all that the proceeds of last year's Pancake Breakfast that benefitted the aforementioned programs produced some fine results ... we were recognized by our national organization for our outstanding efforts during the past year on behalf of Americanism and Youth Activities ... The recognition was forwarded to the Post in the form of several formal citations signed by National Commander Michel Kogutsek ... So you see, when you 'fuel up' with one of our PANCAKE BREAKFASTS you really add fuel to our other programs with the proceeds ... The second of our schedul-

ed programs which require participation by as many members and their friends as possible is an old standby called HALLOWEEN PARTY and that is set for October 31st at the Post ... While this affair is not a brand new item, it nevertheless is our first dance of this new Legion year and should be attended by all fun seeking Legionnaires to the capacity of our Brengel Hall ... Chairman of this social gathering and dance is vice Commander Al Cinotti and you can call him for tickets (\$10 per person) at 796-6268. Included is a Smorgasbord, free beer and live music for your dancing or listening pleasure ... Plus prizes for the best costumes (dress is optional) on this night when the black cats prowled and the witches ride their brooms to the moon ... Call Al now and reserve your tickets before all are gone ... Incidentally, Al won the Dark Horse at Monday's meeting and now has won the prize the last two times in a row ... And if you can find some time between these two dates you will discover that we will have a Las Vegas Nite on October 24th ... The Post Executive Committee will meet on Thursday, October 15th, at 8:30 P.M. sharp and

the Commander has many things to discuss so please be on time ... The Post has been presented with the burial flag of P.C. Rudy Bouse for the purpose of flying it at the Kennedy Square ... Best estimate at this time it will be early spring when this flag will be hoisted on the Kennedy flag pole ... However, we will announce it when the date is assured ... Again, for those who might have missed the earlier requests ... The Post is collecting burial

flags (these require a large pole like at Kennedy Square) for the purpose of flying them on the Kennedy Square pole until they become unserviceable and are replaced by another flag ... Then the unserviceable flag will be properly disposed of at our annual Flag Burning Ceremony which is held each June ... Our next meeting is a business meeting, October 19th at 8:30 P.M. so come on down and see what's what.
