Holden's, L.I. Trust Alumni Tickets At

Remaining tickets for the Hicksville Alumni Homecoming Dance to be held on Friday, Oct. 23, are on sale at Holden's Stationery, Broadway and Long Island Trust, South Broadway, from Mr. James Fyfe.

Also, all members of the Board of Directors of the Alumni including Richard Hogan at Hicksville High School.

Mrs. Gwendolyn Schaff will be the Alumni guest of honor.

The cocktail party-dinner dance, will be held at Antun's Old Country Rd., Hicksville. The cost is \$25 per person.

Proceeds, in their entirety, go to the Student Activity Funds of the Alumni for Scholarships and athletic recognition awards.

LI TRUST OFFICER NAMED NEW CHAMBER PRESIDENT: James Fyfe, Assistant Vice President and Manager of Long Island Trust's South Broadway Branch in Hicksville, was installed as the President of the Hicksville Chamber of Commerce on September 15. Mr. Fyfe (right) received the presidential gavel from

outgoing president, Vernon Wagner, as Grace J. Fipping, Chamber Installation Officer, looks on. Ms. Fipping, Vice President, Treasurer and Secretary of the New York Telephone Company, is a member of the Board of Directors at LITCO Bancorporation, the holding company of Long Island Trust.

Starting with a handshake by Board of Education and Union officials, at 8:30 am on Tuesday, teachers of the Hicksville School District, teachers conducted their regular classes while union and Board officials worked out the details all day so that all terms in the contract were explicit and understood by both sides. This happened at 7:30 pm on Tuesday.

Mr. Zaleski signed for the HTC while Mr. Ayres signed for the Hicksville School District Board of Education. On Wednesday the teachers executive committee met,

and finally, the entire membership of the HTC voted on the contract and ratified it, on Wednesday evening.

Both sides seemed pleased with the results of the negotiations.

Mr. John Ayres, Board president said, "The Board of Education is happy with the terms of the two-year contract that we have agreed upon with our teachers. I believe it is a fair and equitable solution with an honest 'give and take' by both sides I am expecting that the acceptance of this

contract will introduce a very positive atmosphere into the school and community and I am looking forward to some exciting things to happen which will be beneficial to all," he concluded.

At press time no union officials could be contacted.

The two-year contract contains salary raises of 8 percent each year plus 1.5 per cent increments for experience.

The Board of Education had required a provision limiting how long tenured teachers would be paid during suspension because of

dismissal hearings. This was not included in the contract. Under certain restrictions, the Board agreed to union requirements regarding retirement incentives.

The Board received a provision to reduce payments for on-the-job injuries which will now be on the State level. More definite teacher-evaluation forms were also agreed upon, as were tighter procedures governing personal days. Teachers may also be assigned to coaching and extracurricular supervision under the new contract.

Hicksville Community Council

By Chris Calahan

The first meeting of the 1981-'82 season was held on October 1st at the Hicksville Public Library. President John Budnick opened the meeting with the Pledge of Allegiance followed by Siegfried Widder who offered the opening prayer.

This year the Council will invite two organizations each month to give an overview of their accomplishments and goals. This month the Kiwanis Club was represented by Charles Montana, Jr. and the Hicksville Council of PTA's was represented by its President, Honey Singer.

The Kiwanis originated in 1915 and is strictly a charitable organization. Each local Club is independent and raises its own funds. Almost everything is accomplished by donated time and Administrative costs are only about 2% of what is raised. Some of the areas our Kiwanis has been involved in are HAD, Salvation Army, Youth Council, Scholarships, Jones Institute, Memorial Fountain, Thanksgiving and Christmas baskets and the latest endeavor, a Dial a Hearing machine. This

machine enables people who are housebound to test their hearing over the phone.

The Hicksville Council of PTA's is comprised of representatives from 10 schools and SEPTA (Special Education PTA). Even though each PTA is separate and has different projects, there is one unified goal - the welfare of the child. The Council not only coordinates and tries to help all units but works as a broader base such as cooperating with State and National units to influence Legislation. PTA is the largest volunteer organization in the world dealing with the welfare of children.

Next on the agenda was the main program of the evening - the Candidates Forum. Political party candidates were invited to visit the council and discuss today's issues. Each candidate introduced himself to the audience and then those in the audience were asked to get up and talk to the candidates on a one-to-one basis. This way everyone had the opportunity to ask questions pertinent to them and to meet all the candidates on a personal level. This year's election is very important to our com-

munity as we will be voting for our Town Supervisor, 4 Town Councilmen and Town Clerk. Elections on the County level will be for County Executive, District Attorney and County Comptroller.

Dick Evers, Director of the Hicksville Gregory Museum, gave an update on the progress of the Museum. It is still in service, thanks to community support, the Hicksville School District, the Hicksville Library and the Council of the Arts. School tours have started and over 40 schools are already scheduled on the calendar. Dick is concerned that Hicksville is not

utilizing the Museum but is saving space on the calendar for them in the hope that they will take advantage of the tours. Dick also feels that it's time for the Town to come into the picture and

help. He tried last year and will continue to try this year. The new curator is Ed Marinich.

The "Town Hall" portion of the meeting touched on a variety of subjects such as teacher negotiations, the situation at Grumman, heavy trucking on Broadway, John St. and Barclay St., the unsightly piles of earth on John St. and the illegalities of the cement hopper on Railroad Ave., the 1/2 Back farm on Broadway, the Appliance Repair store on Bay Ave, all of whom have broken zoning regulations.

The next meeting will be held on Thursday, November 5th - 8:30 PM at the Hicksville GREGORY MUSEUM with a tour of the Museum being the program for the evening. Everyone is welcome.

On October 1, president-elect Charles Montana, Jr. became president of the Hicksville Kiwanis Club. The club's first meeting in October was held on Wednesday, October 7, at which time the new officers and directors of the club were installed into their respective offices.

The highlight of the meeting came when the father of the new president, Past President Charles Montana, Sr., had the privilege of pinning the Club Pres-

ident pin on his son's lapel. By coincidence, the date October coincided with the date thirty years ago when Charles Montana, Sr. was installed as president of the Hicksville Kiwanis Club.

In the photo, Past President Charles Montana, Sr., in the center, is shown pinning the President's pin on his son Charles Montana, Jr., as Kiwanis Long Island North Division Lieutenant Governor "Vic" DeBellis looks on approvingly.

Garage Sale

Boy Scout Troop 172, sponsored by the East St. School PTA, is planning a garage sale on Sat. and Sun., Oct. 24 and 25, and would like dona-

tions if you have any.

For further information, call Mrs. Karen Levinson at 931-1392.

Pancake Breakfast, Oct. 18

The annual Pancake Breakfast hosted by Charles Wagner Post # 421 American Legion will be held at the Post headquarters, 24 E. Nicholas Street, Hicksville on Sunday, October 18th, 8:30 A.M. to 12:30 P.M.

The general public and all friends of the Legionnaires are invited to partake along with the members, a menu of juice, pancakes, sausage and coffee for the nominal \$2 per person.

All proceeds will be used strictly for Youth Activities and Child Welfare programs

which are already underway for the new Legion year of 1981-'82. These programs were highly successful last year bringing national recognition by the American Legion of the Hicksville Post.

Handling the culinary chores at the griddles will be an assortment of former G.I. cooks headed by Post Commander Lou Braun.

Arrangements and the breakfast will be under the supervision of Maitre D' Past Commander Dick Hochbreuckner.

OPERATION V.F.W.

(Continued from Page 15)

when Commander Garrett began toasting Mike and tossing in a few sharp snappy comments in Russian, Mike was stunned. We had souvenirs made up in

the form of tiny coffee pots with the formula for making Black Russian Cocktails pasted on the sides. Commander Garrett, the first Negro to become State Commander in New York, brought down the roof when he declared that HE was the

only real Black Russian in the place! Even Mrs. Garrett was wowed by that one. Congressman Lent gave us a peek into the serious and sometimes hilarious situations that pop up in the Halls of Congress.

Assemblyman Yevoli had a proclamation to present to Mike but couldn't find Governor Carey in Albany long enough to have the Governor sign it. And, to make things somewhat balanced Councilman Tom Clark presented Mike with a plaque that awaited the signature of Town Supervisor Colby.

To Joe Normandy went all the credit for the discovery of new medical evidence an x-ray proving that Mike suffers from an exceedingly discomforting masculine problem. This Olga denied. But, Joe showed the X-ray to

Commander Garrett who promptly declared that Mike should receive a 200% pension for such a disability.

Hard working research efforts by Spike Frohnhoefer produced some heart warming responses from Mike. Seems that Mike's graduating class couldn't come to the event but the girls from St. Mary's Academy sent their autographed pictures. At that point Spike turned to the wall back of the dias and drew away the curtain. There were the pictures all right - they covered the whole wall. Now how could Mike have gone to school with so many girls who made the centerfold of Playboy Magazine?

Now we know why even after so many years Mike is still smiling so much.

THE FALLEN LEAVES: Oyster Bay Town Councilman Thomas L. Clark gets a hand from his twin sons Doug (left) and Alex picking up the first of the fall season's fallen leaves. Clark reminded residents in unincorporated areas of the Town that the special leaf collection program will continue throughout the fall and end on

Friday, December 11. Leaves should be put into containers - 24-gallon plastic bags are recommended - and placed at the curb for pickup on regularly scheduled rubbish collection days. Special pickups for more than 20 bags of leaves can be arranged by calling 921-7347. Clark noted that leaves may not be burned or swept into roadways.

Forget-Me-Not Ball

The 29th annual Forget-Me-Not Ball, for the benefit of the United Cerebral Palsy Association of Nassau, will be held on Saturday, October 24th at the Woodcrest Country Club beginning with cocktails at 7:30 p.m.

Francis T. Purcell, Nassau County Executive will be honored as "Man of the Year" for his long time support of UCP NASSAU and Long Island's handicapped citizens.

The black-tie affair is expected to be attended by over 300 guests, according to its chairpersons, Edward T. Robinson, III, a prominent Long Island attorney, and his wife Lynn.

Among the highlights of the ball are its elegant raffle prizes and entertainment. Fred Scott is this year's emcee and the popular Herb Meyers and his orchestra will provide the music for dancing and dining.

Country-Style Auction

A country-style auction held in an historic old barn will be sponsored by the Friends for Long Island's Heritage on Saturday, October 17, from 10 a.m. to 5 p.m., for the benefit of the Nassau County museum system. The site of the auction is the barn on the Elias Hicks property in Jericho on the Southeast side of the intersection of Route # 106 and Old Jericho Turnpike. Directional signs will be posted.

Included in the auction, which will be open for previewing at 9 a.m., are many pieces of furniture dating from the late Victorian

Book/Author Luncheon

Sagamore Hill Hadassah is having its annual Youth Aliyah Book/Author Luncheon on Thurs., Oct. 29, at 11 a.m. at the Mill River Country Club, Upper Brookville.

Tickets are \$100 per person and can be obtained from the CP Treatment and Rehabilitation Center, 390 Washington Avenue, Roosevelt, NY 11575.

The Robinsons, who live in Syosset, have been greatly assisted by their neighbors and friends whose outstanding efforts will contribute greatly to the success of the event. They include Ray Nathan of Huntington, journal chairperson, and his co-chairpersons Mario Paramidoni of Garden City, Roy Myers and Ernest T. Bartol, both of Syosset, gift committee co-chairpersons Page Melillo of Oyster Bay Cove, Chris Bartol of Syosset and Fran Pierce of Port Washington; and raffle chairperson Jack W. McElwain M.D. of Syosset.

For further information about the ball, telephone UCP NASSAU at (516) 378-2000 extension 230.

period and the early 1920's. These include items in oak and maple such as dressers, tables and coat racks as well as major pieces which will be substantial additions to any home. Antique farm implements, baskets, old barrels, linens, fireplace accessories and household items such as miscellaneous china will go to the highest bidder.

The auction, conducted by Albert Cheshire and Sons of Oyster Bay, is basically a "buy it and take it away" setup. It is expected that for some of the larger items, deliveries can be arranged. Picnic-type refreshments will be on sale.

The guest of honor will be Leona Blair, author of the new book, "A Woman's Place". Autographed copies available at \$1. R.S.V.P. by calling 922-4377.

Salute To L.I. Oct. 18

"Everyone loves a parade," says L.I. Association Executive Director William Gaylor, "and the parade of parades is scheduled for October 18 on Long Island."

According to Lydia Palazzo, president of the L.I. Tourism & Convention Commission, "the Long Island Project Pride Parade will be the largest single event ever held on L.I. Over 100 marching units, bands and floats will participate to represent every community, industry, trade and interest on Long Island."

The event is jointly sponsored by LIA, LITCC,

and the Long Island State Parks Commission. John Sheridan, manager of the Park's Commission, reports that the event will be staged at Heckscher State Park in East Islip - at the end of Southern State Parkway. "We are pleased to assist Long Island commerce, industry and tourism in this salute to Long Island," he said. "The hundreds of participants and thousands of spectators will find the park's facilities fully prepared for their comfort and convenience."

School bands, fire departments, towns and villages, "are all well rep-

resented in the parade," says LIA chairperson, Sally Ann Slacke who is directing the 3-year "Project Pride" effort designed to expand the awareness of L.I., regionally, nationally and internationally, to create increased economic development for the area. The undertaking was recently endorsed by County Executives Francis Purcell of Nassau and Peter F. Cohalan of Suffolk in an historic joint proclamation.

Eleanor Simpson, executive director of Long Island Tourism & Convention Commission, promised "an exciting day

for Long Islanders of all ages - and for visitors from near and far." The event has been designated as part of LITCC's "Fall Festival," seven weeks of autumn activities in Nassau and Suffolk Counties.

"More personalities representing entertainment and sports will be on hand than any fan has ever seen in one place before," said LITCC chairman Matt Anderson. The parade will be followed by an exposition of displays, presentations and entertainment.

For information, contact: the LIA at 752-9600 or LITCC at 585-6666.

Purcell, Matthews Debate Oct. 26

The Press Club of Long Island will sponsor a debate between the candidates for Nassau County Executive on Monday, October 26, at 8 P.M., at the DeSeversky Conference Center in Old Westbury.

As of October 9, the official candidates for the Executive seat were Republican incumbent Francis Purcell of Malverne and Democrat challenger John Matthews of

Long Beach. Both have agreed to participate in the debate.

The hour-long debate, which is open to the public free of charge, will feature the candidates' responses to questions posed by two Long Island news reporters. The questions will be asked by NEWSDAY Nassau County government and politics specialist Bruce Lambert and by Carol Silva, morning news anchor and editor at

WLIR-FM radio in Hempstead.

Lambert has earned reporting awards and citations from many journalism organizations, including the New York State Publishers Association and the New York chapter of Sigma Delta Chi. In the past year, Silva's radio reporting has garnered awards from the Press Club of Long Island and the New York State Publishers Association.

During a segment of the debate, candidates will be asked to respond to written questions submitted by the audience and screened by NEWSDAY reporter Jim Bernstein, Press Club President. Bernstein will moderate the debate.

The DeSeversky Conference Center is on the campus of the New York Institute of Technology, off Northern Boulevard in Old Westbury.

Breakfast With The Champions

You're cordially invited to join International Brotherhood of Electrical Workers Union (IBEW), Local 25 on Sunday, October 25th, as they host a special "Breakfast With The Champions" to benefit the Long Island March of Dimes. The event will take place at

the IBEW lodge in Melville (Pinelawn Rd., just north of the LIE) and will start at 11:00 A.M.

Among the featured celebrities are Heavyweight Contender Gerry Cooney, N.Y. Islanders Bob Nystrom and Ken Morrow, Olympic Gold Medalist Swimmer

Lynn Hederman and Long Island March of Dimes Poster Child John Warren.

Meet the stars, enjoy a delicious breakfast (courtesy of International House of Pancakes, Patchmark and Tropicana) and help raise funds for the March of Dimes fight against birth defects.

Admission donation is just \$5.00 for adults and \$3.50 for children under 12.

There will be door prizes, surprises and guaranteed fun for all. Make a date to share a special Sunday with today's champions to benefit the children of tomorrow.

Sorry, no exchanges permitted. Gifts will not be mailed.

Effective Thursday, October 1st, you can invest \$500 or more in this one-year Certificate and earn up to \$2,000 interest tax-free; \$1,000 if you file an individual return. Deposits of \$5,000 or more also have a choice of a free gift or \$20 in cash.

More good news: You may now transfer funds from your 6 Month Certificate to the new All-Savers Certificate without penalties for premature withdrawal.

Visit any Hamburg Savings Bank office and have a member of our banking staff compute your taxable equivalent yield based on your income level and the current rate of the All-Savers Certificate. Remember, each deposit in an All-Savers is insured for up to \$100,000 by the FDIC.

Town Receives Continued Funding for CETA

Oyster Bay Town Councilman John Venditto announced Town Board approval of a resolution authorizing a contract with the Nassau County Office of Employment and Training for continued funding for the Town's CETA program through September 30, 1982.

Venditto said that the Town will receive \$200,000 for operating expenses for the CETA program, including rent and salaries. The allocation reflects a Federal decrease of

approximately \$36,000. "The CETA Program," Venditto continued, "operates under the direction of the Town's Division for Intergovernmental Affairs and provides residents who are unemployed and who meet Federal requirements with the opportunity for classroom and on-the-job training, which can lead to permanent employment." For information regarding the Town of Oyster Bay CETA Program, call 681-4350.

Hearing Set On 1982 Preliminary Budget

The Oyster Bay Town Board set a day and evening public hearing on the 1982 Preliminary Budget, which, as proposed by Town Supervisor Joseph Colby, will hold next year's General Town Tax rate of 80-1/2 cents per \$100 assessed valuation, a rate first set by the 1980 budget which had lowered the General Town tax for the first time in 12 years.

The hearing will be at Town Hall on October 20, at 10 AM and 8 PM. In presenting the proposed budget Supervisor Colby indicated that "rising costs have made it most difficult to keep the General Town Tax at its reduced level." Colby attributes the Town's ability to overcome an inflation rate of 40 percent since 1977 as due "primarily to the budget system I initiated upon taking office." Colby instituted a system of line-by-line daily budget review which allows his office to immediately detect an area of rapidly rising costs and to focus attention on that area to develop more efficient operations.

"The budget review has worked to give us a warning quickly enough to conduct an operation review while all aspects of the operation are still fresh in everyone's mind," Colby explained. "It allows us to find more efficient methods and, thereby, to reduce the impact of annual inflation rates."

Costs reflected by the total of the 1982 Preliminary General Town Budget amount to \$26,830,404. The

current 1981 total is \$25,165,420.

While retaining the reduced rate for the General Town Tax - the one town tax paid by all Town property owners - the preliminary budget for the Part Town (Planning, Building and Zoning) showed a slight increase of 3.7 cents per \$100 assessed valuation to 18-1/2 cents and the Highway Budget will increase the Highway Tax by 7.6 cents per \$100 assessed valuation to \$1.14 and 4/10ths.

The 1982 Preliminary Part-Town Budget totals \$1,942,778. Its current total is \$1,859,949. The Highway Budget proposed for 1982 totals \$9,835,677. That budget currently totals \$9,212,060.

Contained in the Preliminary Budget are the 1982 financial plans proposed for the many special districts in the Town. More than 50 special districts provide services such as fire protection, water supply, refuse collection, community parks, etc. throughout various communities in the Town. Many of these districts are administered independently by Boards of Commissioners elected at local levels. Although budgets of these districts are prepared and adopted by their boards of commissioners, State law requires those budgets be reflected in the Town's Preliminary Budget book. As proposed, some special district taxes will increase, others will decrease and some will remain the same. (Continued on Page 13)

To the Editor:

VOTE NO ON THE PRISON BOND ISSUE

As a person who has been working for the last five years as a volunteer teacher in the Nassau County Jail and the Work Release Facility, I urge you to vote NO on the prison bond issue on Election Day.

The \$500 million dollars requested will come to \$1.4 billion with interest payments, then add \$90 million each and every year for maintenance costs. One prison cell costs \$70,000 to build and the prisoner inside that cell costs us \$20,000 a year. Even the bond's sponsor, State Senator Ralph Marino, has admitted that while "we spend \$330 million a year to run our prison system, we don't spend one dime to prevent crime."

If people vote down new prison building, the state will have to find more efficient, cost-effective and immediate ways to solve their problems, as happened

in Michigan, Rhode Island and Oregon. Of course violent offenders should be incarcerated, but 35% of New York's prison inmates are serving time for crimes classified as nonviolent by the legislature.

Consider these facts. More than half of the people incarcerated in a recent year in New York State were not convicted of crime but were merely awaiting trial because they could not raise bail. More persons detained while their cases are pending are convicted more often, and once convicted are sentenced to prison more frequently than the people released prior to disposition. Many inmates read and write at low grade levels and many are unemployed or work at menial jobs. There is no evidence that incarcerating more people will reduce the crime rate. Given the federal budget cuts and state losses in CETA, food stamps, mass

transit, education, housing, day care, Medicaid, legal services for the poor, crime will increase. Jobs, not jails, should be our goal. Norman Carlson, head of the Federal Bureau of Prisons, says, "Jails are tanks, warehouses. Any one not a criminal when he goes in will be when he comes out."

The President's Commission on Law Enforcement and Administration of Justice is of the opinion that prisons don't rehabilitate because "the conditions under which prisoners live are the poorest possible preparation for their successful entry into society." Also, "In most cases, prison does not protect society from crime because the safety achieved is often heavily overbalanced by the deterioration in that person when he or she returns to live among us." Then what is to be done?

Suitable alternatives to imprisonment are restitution in money to the victim by the offender, community service so that offenders repay the community by working for it, social and medical services for drug addicts, public drunks, runaways, summonses or appearance tickets to make

individuals appear in court instead of arrest and detention in jail.

10% cash bail system, eliminating the need for bail bondsmen while increasing the number who can afford to post bail.

All of these alternatives punish offenders, help victims, reduce offenders' exposure to the damaging experience of prison, help offenders become law-abiding, and all of them together cost less than new prisons.

I am one of a group of about twenty volunteers who teach decision-making to interested inmates on a one-to-one basis in the Nassau County Correctional Center. It is a rewarding experience to help people become independent and responsible. Jails and prisons do not rehabilitate, perhaps volunteers can.

As the Fortune Society says, "The prison system is the only 'business' that succeeds by its failure." Vote NO on the prison bond issue.

Chamber To Meet

The Hicksville Chamber of Commerce will hold its regular meeting on Tuesday, Oct. 20 starting at 12:30 pm in the Quaker Room of the Milleridge Inn.

Mr. Leonard Myers will address the Chamber, his

topic will be "Your Chamber of Commerce...How To Attract Members and Hold Them."

Mr. James Fyfe is president is this active, growing organization.

Hicksville Republican Club News

By Harriet Maher

We have news of and about our Republican candidates, but we believe we should first bring to your attention a matter of utmost concern to each of us who reside in the Hicksville community.

For too long Hicksville has been parceled into four assembly districts which weakens our effectiveness as a voting community. Therefore, we ask each voter in our area to utilize the following suggested letter to the Committee on Reapportionment. Please feel free to compose your own version of this letter or to clip out this form, sign it and send it to Albany.

The Committee on Reapportionment
c/o Honorable Jay P. Rolison, Jr.
Senate Office Building
Albany, NY 12247

In the upcoming Legislative Reapportionment involving the drawing of State Assembly lines, I, the undersigned resident of Hicksville, urge that Hicksville be reapportioned in such a way that it is entirely contained in one district. I believe that a community of our size (over 50,000 population) should have a Hicksville resident as its representative in the State Assembly. Under the present arrangement wherein the area is divided into four Assembly Districts (10th, 12th, 14th, and 15th), with Hicksville only a small portion of each, the likelihood of a resident representative in any of these Districts is very slim. It is my strong feeling that we residents of Hicksville should have an opportunity to have the voice of one of our own heard in our behalf in the State Assembly. Reapportionment of our community into ONE district would effectively help to

accomplish this effort.

Sincerely,
(Your signature and address)

Nassau County Comptroller Peter T. King's election effort has received the endorsements of the American Irish Congress and the United Irish Organizations of Long Island.

Comptroller King, who is running as the candidate of the Republican and Conservative parties, has long been active in the struggle for human rights in Northern Ireland. In December 1980, he accompanied Senator Al D'Amato on a fact-finding mission to Northern Ireland and, in August 1981, King and District Attorney Denis Dillon served as members of the International Tribunal on plastic bullets which met in Belfast, Northern Ireland.

In announcing King's endorsement by the American Irish Congress, Chairman John Mulrooney stated that "Pete King is a true fighter for Irish freedom. He is not afraid to speak out on behalf of human rights in all countries of the world. The American Irish Congress knows that it can always count on Pete King." Comptroller King stated that he was "gratified to receive the endorsements of these two outstanding Irish-American organizations and I look forward to my continued working with them."

Peter T. King has also received the endorsement of the Building and Construction Trades Council of Nassau and Suffolk which is Long Island's most prestigious building trades association. King, thus picks up the support of the 60,000 construction industry workers represented by the 39 local unions who comprise

the Trades Council.

The Council lauded King as a "forward looking public official committed to the

continued revitalization of our local economy, a goal endorsed by union men and women everywhere."

For the bad that needs resistance
For the future in the distance

Plain talk about Emigrant's All-Savers Tax Shelter Certificate.

"In plain English, here's how it works to earn you up to \$2,000 in tax-free interest."

Here are answers to your most asked questions about this important tax-saving certificate:

Q. How do I know the All-Savers Tax Shelter Certificate is the best investment for me?

A. The All-Savers Tax Shelter Certificate may not be the best investment for everyone. The table below shows taxable equivalent yields of the All-Savers Certificate at various income levels. The real after-tax interest on the All-Savers Certificate, depending on your income and tax bracket, can be significantly higher than the after-tax interest on some other investments bearing higher interest rates.

Q. What interest rate will Emigrant's All-Savers Tax Shelter Certificate pay?

A. The highest allowed by law. Rates will vary from month to month. The investment yield for Certificates opened October 5 through October 31 is 12.14%. No bank can pay you more than Emigrant.

Q. How affordable is an All-Savers Certificate?

A. Very. You can open one for as little as \$500. At the current high tax-exempt yield of 12.14%, joint tax filers have to invest only \$16,474 to earn \$2,000 in tax-free interest; individual filers only \$8,237 to earn \$1,000 tax-free interest.

Q. Is an Emigrant All-Savers Tax Shelter Certificate really tax-free?

A. Yes, it's IRS-approved. You will never have to pay a penny of tax on the \$2,000 earned. \$1,000 for individual filers. Under current law they are also tax-free for N.Y. State and N.Y. City taxpayers. And there are no brokerage fees or other hidden costs. The money is all yours.

Q. Can I use my All-Savers Tax Shelter Certificate as collateral or security for a loan?

A. No. Not without losing your tax-free status.

Q. Can I earn more money in an All-Savers Tax Shelter Certificate than by investing in a money market fund?

A. It depends on your tax bracket. Money market funds currently average about 16.3% before taxes (for the 30-day period ended 10/7/81, as quoted in Donoghue's Money Fund Report). Check the chart for your tax bracket and see what the All-Savers Certificate equivalent taxable yield would be for you. All-Savers Certificates are not available through money market funds.

Q. How safe is an Emigrant All-Savers Tax Shelter Certificate?

A. Perfectly safe...and then some! It's approved by the IRS as a tax-exempt account, the high interest rate is guaranteed for the full one-year term of the Certificate, and each depositor is insured up to \$100,000 by the FDIC. No money market fund can offer you that type of financial security.

Q. How do I open an All-Savers Tax Shelter Certificate?

A. That's easy. Just complete the coupon below and mail it to Emigrant.

If you have any questions we haven't answered or you need more information, call Emigrant at (212) 883-6280. Or come in to any conveniently located Emigrant office, where we'll be happy to advise you in person.

Great news for Emigrant 6-month Certificate investors!

You may convert your Emigrant 6-month Money Market Certificates—regardless of maturity date—to an Emigrant All-Savers Tax Shelter Certificate—and pay no penalty for early withdrawal on any of the funds you deposit into your All-Savers account. Get complete details at your local Emigrant office.

All-Savers Certificates must have a maturity of one year. Early withdrawal of any of the principal, if permitted by the Bank, will result in a penalty equal to three months' interest at the nominal rate on the amount withdrawn, and the loss of the tax-exempt status of the Certificate. If you withdraw your interest your earnings will be reduced.

Prefer a high-yielding 6-month Certificate with a Tax Deferred Interest Option?

14.43% effective annual yield on **13.750%** per annum

Rate effective October 13 through October 19.
\$10,000 earns \$695.14 for the 26-week term.

Interest on this Certificate is normally credited quarterly, but, if you wish, you can ask for Emigrant's Tax Deferred Interest Option. That way you won't have to pay tax on your Certificate's interest earnings until you file your 1982 tax return in 1983. The maturity of the Certificate is 26 weeks and the rate is guaranteed for this term only. The rate is subject to change at renewal. All interest earned is simple interest. Premature withdrawal of principal is not permitted. Federal regulations prohibit compounding interest on these accounts.

1982 Net Taxable Income	30-Day Average Money Market Fund Yield*	Taxable interest equivalent for All-Savers Tax Shelter yield of 12.14%	Joint Return	Individual Return
\$17,000	16.3%	17.9%	19.3%	
\$20,000	16.3%	18.4%	21.3%	
\$30,000	16.3%	22.9%	26.4%	
\$40,000	16.3%	25.8%	28.9%	
\$50,000	16.3%	28.9%	33.7%	
\$60,000	16.3%	32.8%	33.7%	

Net Taxable Income equals gross income minus deductions and exemptions. Yields are based on 1982 Federal and 1981 New York State income tax rates (which are expected to remain the same in 1982). Yields for New York City residents will be higher than those shown above.
*For the period ended October 7, 1981 as quoted in Donoghue's Money Fund Report.

Q. Can we purchase several All-Savers Tax Shelter Certificates as money comes available?

A. Yes. Certificates are offered for a minimum of \$500. They are available for purchase from October 1, 1981 until December 31, 1982.

Q. Can I withdraw the interest my All-Savers Certificate earns?

A. Yes. Interest on All-Savers Tax Shelter Certificates is compounded daily and credited quarterly. It is available to you each banking quarter. However, if you withdraw your interest, you will reduce your earnings.

Q. Can I convert part of my 6-month Money Market Certificate into an All-Savers Tax Shelter Certificate and still earn the high 6-month Certificate rate on the rest?

A. Yes, as long as you keep at least \$10,000 in your 6-month Money Market Certificate.

Q. Are there penalties for cashing in an All-Savers Certificate before maturity?

A. Yes. If any part of the Certificate is cashed in before maturity, you lose the tax exemption on the full amount. Plus, there are substantial penalties for premature withdrawal of an All-Savers Certificate, if permitted by the Bank.

Bus Trip Stamp Collecting In U.S. Dates Back To The 1800's

The Hicksville Public Library has scheduled a trip to the Asia Society and the China Institute for Wednesday, November 4. The cost for the transportation and entrance will be \$11.00 per person. In order to insure our reservations money must be in before October 26, 1991. The bus will leave from in front of the Lighthouse Restaurant on Old Country Road (formerly the Alibi) at 9:00 AM and will return to Hicksville at about 4:00 PM.

The Asia Society Gallery's new building has just opened to the public. The first exhibit is devoted to a selection from the collection of Asian art that was begun in 1951 by Mr. & Mrs. John D. Rockefeller 3rd. It consists of sculptures from South India, Cambodia, screens from the early 17th century from Japan and various other works of art from all parts of Asia. We are fortunate to be included in the very first groups to be allowed to visit this gallery.

If you require any further information call Mrs. Neufeld at WE 1-1417 or Mrs. Binger at 831-2511.

MUSIC STUDENTS

(Continued from Page 13)

of Harvard University, Mass. The Orchestra will be conducted by Bruce Hagen, conductor and music director of the Portland (Maine) Symphony Orchestra. The String Orchestra will be directed by Dr. Lucas Drew, Professor of Music at the University of Miami and a member of the Miami Symphony. The Band will be directed by Claude Smith. These groups will climax their activities with an All State Conference Concert to be presented Tuesday evening, Dec. 1st, and Wednesday morning, Dec. 2nd, for the over 3000 music educators who will be attending this conference.

These students were selected on the basis of individual audition by professional adjudicators from thousands of high school students throughout the state. Being selected for an all state musical organization is the highest musical honor a high school musician can receive.

This is an usually large number of students to be selected from one school district. We of the music department are very proud of these students for their achievement and the recognition they are bringing to themselves, our music department, our high schools and our community.

LILAC News

The Long Island League To Abolish Cancer (LILAC) will hold a meeting on Monday, Oct. 19 at 8:30 p.m. at the Plainview-Old Bethpage Library.

Featured at this meeting will be "Nutrition For Life." (Continued on Page 9)

One of the single most important improvements in the history of the Postal Service in America occurred in 1847 when adhesive stamps were adopted for use as prepayment of postage.

Prior to that time, letters accepted by postmasters for dispatch were marked "Paid" by means of pen and ink or hand stamps of various designs. Such letters usually contained the town postmark and the mailing date.

Some postmasters, in order to facilitate the handling of mail, provided special stamps or other devices for use on letters as evidence of the prepayment of postage. These local stamps became known as "Postmasters' Provisionals."

On January 1, 1836, the use

of adhesive stamps issued by the Government became mandatory, and it wasn't long afterward that the hobby of stamp collecting began.

America's first adhesive stamps, issued on July 1, 1847, featured a portrait of Benjamin Franklin on a five-cent and one of George Washington on a 10-cent stamp.

Since those first two postage stamps were issued, Franklin and Washington have appeared on more U.S. stamps than any other persons.

Issues bearing the likeness of these two prominent Americans can be found in most stamp collections. Today, there are more than 22 million stamp collectors in the United States alone.

WEST GREEN RECEPTION FOR TOWN DEMS. Town of Oyster Bay Democrats took their campaign into the West Green section of Hicksville last week, at a reception hosted by local civic leader Marge Kelly of Lantern Road in Hicksville. Pictured here at the recep-

tion, are (standing l. to r.) hostess Marge Kelly, Democratic Town Clerk candidate John Buico, Mary Murray, (seated l. to r.) Virginia Flood, Democratic Town Supervisor candidate Len Austin, Constance Mullin, and Democratic Town Board candidate Gary Burke.

Membership in the Hicksville Rotary Club was increased with the installation of two new members of the club's luncheon meeting at the Milleridge Inn last week.

The newest Rotarians are Fred Jaeger (second from left) who is in media marketing and Howard Hoffman (second from right) who is a doctor. They are shown above flanked by

the District Governor Tony Zino (the installing officer) and by club president, Paul Martin (right).

Particularly noteworthy of the members is the fact that Mr. Jaeger recently signed a lucrative contract with mainland China and that Dr. Hoffman was raised and educated in Hicksville and now has set up his practice in internal medicine here. [Photo by Joe DePaola].

There's still time to see the one-woman art exhibit by Sandee Larsen at the Jericho Public Library. Ms. Larsen, a resident of HICKSVILLE, has been painting for almost five years. Her landscape and European castles were recently featured in an exhibit at the Hicksville Public Library and at the Plainview-Old Bethpage Library. This current exhibit is on display daily till the end of October at the Jericho Public Library, 1 Merry Lane, Jericho. Don't miss it.

We're delighted to hear that HICKSVILLEITE Jeanne Boyens is home from the hospital following recent surgery. She's well on the road to recovery, but won't be able to return to work for another month.

Receives Appointment

Servo Corporation of America has announced the appointment of Louis A. Gallina as Director of Operations, responsible for Production Operations, Materiel, Quality Assurance and Plant Facilities. Prior to joining Servo, Mr. Gallina was Operations Manager for the Industrial Products Division of Fairchild Camera. His earlier positions at Fairchild included Works Manager, Production Manager, Chief Manufacturing Engineer and Senior Project Engineer.

The announcement was made by Servo President Henry Blackstone, who also stated: "We welcome Lou Gallina as a much-needed key member of our management team. He comes to us with an outstanding record of successful experience in electro-mechanical production, including computer-

ized manufacturing and MRP techniques, as well as solving the problems of growth and quantity production while maintaining high standards of quality." Mr. Gallina earned his Mechanical Engineering degree at Polytechnic Institute of Brooklyn in 1958. He and his wife, Lucille, reside in Plainview.

HICKSVILLE Water commissioner Sam Weiss and his wife, Kitty, have just returned from a delightful trip to Niagara Falls. Sam attended a convention of water commissioners. Upon its conclusion, he and Kitty drove to Maine to visit their son. They also travelled through Vermont and New Hampshire. They saw the gorgeous foliage on their tour of New England and said it was unbelievably beautiful.

And on the other side of HICKSVILLE, Frank and Betty Jopp entertained their niece, Mary Attina, for most of the summer. Mary

thoroughly enjoyed her visit with her aunt and uncle. They went swimming in pools and at beaches, went sightseeing and shopping etc. Mary is a senior at St. Jean Baptiste in New York City, where she lives. She was 17 on September 14 and the Jopps joined with Mary's family to celebrate this occasion with a birthday party.

The "It Couldn't Happen to a Nicer Person" department: Ida Mae Herfurth, one of HICKSVILLE'S favorite octogenarians, won \$30 at the Hicksville Republican Club Meeting last week. Enjoy it, Ida Mae.

Jimmy and Kay Crimmins (formerly of Myers Ave., Hicksville) and presently of Port Richey, Florida were visiting in and around Hicksville this week, much to the delight of their many friends and neighbors. They also visited their children who are now living in Oakdale.

Mr. and Mrs. James Inzerillo of Brooklyn announce the engagement of their daughter,

Needed

The Hicksville Chapter of Big Brothers/Sisters of Nassau County is presently seeking adult volunteers willing to spend time with single-parent children in need of companionship. We are especially looking for male volunteers. In the Hicksville vicinity, those interested in joining the program call 822-7594.

Give of yourself — it is urgently needed!

the 1st Annual Brentwood International Columbus Day Tournament. The players' spirits were high as they received their final instructions and position assignments from coach Bob Baron. The team ran out on the field filled with confidence in their abilities, a determination to do their best and a hope that their best would result in a trophy.

And win they did. The Cannonballs' record after the seven game round-robin was 5 wins, 1 tie and 1 loss. The results were sufficient to capture second place in their division. Their only loss and the only score against them was a heartbreaking 2-1 game with the Brentwood Club, who went on to win first place. (Wait till next time!)

This super Hicksville team, made up of super

players had 14 super players during this tournament. Goals were scored by Larry Bag (2), Tommy Baron (2), John Diamond (1), Gino Ianucci (1), Danny McGoe (3), Brian McNamee (1) and Les Spece (2). Toomas Niemann and Danny Fujimoto alternated as goalie allowing only 2 goals in 7 games. The 12 goals scored and the 5 shutouts would not have been possible without the offensive and defensive tackling, dribbling, kicking, passing and heading skills of Michael Donovan, David Knuth, Jason Pinsky, Alexander Shevchenko and Brian Sierra. All of these boys displayed maturity, sportsmanship and an inner energy that made their country, their club and their parents very proud of them during this international competition.

As you know, the 1971 Plainview Force was entered in the Brentwood "Columbus Day" Soccer Tournament. The Force played seven games in the three-day event. Each game was a half hour.

The first game, Sat. Oct. 10, was against the Yorktown Heights team. Keith Hobbs with tremendous force, ran through the Yorktown line, kicked the ball, the ball hit the rim of the goal, dropped to the ground, only to be intercepted by Larry Aronowitz, who scored the first goal. The Yorktown team struggled to penetrate the Force's defense, but the Force's defense was much too strong. The final score of the first game was Force-1; Yorktown-0.

The second game of the

day was against the Village of the Branch, Irish Knights. Donald Hohnstein, with unknown speed, took the ball from the opposition, ran, and kicked a high shot towards Keith Hobbs, who headed the ball into the goal. Again, the Force, with the taste of win, passed, dribbled with a professional skill, forged through the V.O.B.'s line. Brian Woods at the eighteen yard line took a beautiful cut at the ball and sunk it right into the goal. Then Larry Aronowitz stole the ball from the V.O.B., ran the length of the field, took a tremendous shot from the right side to score. Amazing! Nothing now stopped the Force. Adam Iovino passed on and dribbled through the V.O.B.'s line only to score. Final score, Force-4; V.O.B.-0.

On Sunday, Oct. 11, the first event of the day was played against Brentwood Celtics. Keith Hobbs attacked the oppositions line with a powerful and forceful kick, shot the ball right into Brentwood's goal, the goalie dropped it, and Adam Iovino was there to intercept and score.

Adam Iovino intercepted the ball from the Brentwood team, again he and Keith Hobbs passed the ball to each other while running down the line, then Keith Hobbs scored.

The third goal, Michael Goldstein took the corner kick, with a high shot right into Keith Hobbs, who headed the ball in to score. Final score, The Force-3; Brentwood-0.

The second game was played against the Lindenhurst Demons. Here, Adam Iovino, about 10 seconds after the game started, stole the ball, ran to the Demons' line to score. Final score, Force-1; Lindenhurst-0.

The third game was against the Vienna Hurricanes from Virginia. Both teams had totaled 4 wins, no losses. The Force, tried, intercepted the ball, ran down the line and Keith Hobbs scored, only to find out that the referee had blown the whistle because

the Hurricanes' goalie had been injured. Unfortunately, the goal did not count. But the Force played a great game using all the skills they had learned, but to no avail. Final Score, Hurricanes-2; Force-0, but it was a great game and the Force put up a fantastic fight.

On Monday, Oct. 12, the first game of the day was against the East Islip Strikers. But the Strikers were no match against Plainview's defense. The Strikers tried to penetrate the Force's line, but each time they did, the defense would block, kick the ball to the offense—in this instant Larry Aronowitz dribbled the ball pass the Strikers' defense, through their defense and scored. The second goal was scored when Craig Buckstein passed the ball to Donald Hohnstein on the left wing. Donald Hohnstein took a hard cut at the ball and scored. Then Keith Hobbs intercepted the ball from the Strikers, kicked the ball from the right side, hit the rim of the goal, the goalie dropped it, and Adam Iovino was on the spot to recover the ball to score. Coach Mike Dorosin then switched the defensive players with his offense. Wayne Friedman immediately got control of the ball, dribbled through the Strikers line, still dribbling, Friedman kicked the ball right into the Strikers goal. The final score, Force-4; East Islip Strikers-0.

The 7th and last game was played against the Cow Harbor Phantoms. Tired, the Force put up a great fight with Adam Iovino scoring a beautiful goal in the 2nd half. Final score, Force-1; Cow Harbor-0.

The Force's record was 6 wins, 1 loss, allowing them to walk away with the 2nd place trophy. First place was the Vienna Hurricanes with 7 wins.

The proud coach, Mike Dorosin and Assistant Coaches Harvey Fisher and Bernie Aronowitz gleamed. This team "Force" has also won 2nd place at the Toms River games.

Harold D. Shapiro, President of Commander Oil Corporation further indicated that Re-Creation of State College, Pennsylvania will provide entertainment at the annual black tie gala.

4-H "At The Fair"

October 9-13 was the annual L.I. Fair held at the Old-Bethpage Village Restoration. This event was sponsored by the Agricultural Society of Queens, Counties.

Thousands of people stood in wonder at the different items displayed by our 4-H boys and girls. Some of our local members who participated in this event were James and Joe Mitchell, Christine & Joseph Macaluso, Kelly Hayes, Steven & Lynn Trampusch, Joy Fairbrother, Debbie Von Hagen, Diane Ferrero, Craig Ferrara, Christine Wright & Michael Luby of Plainview, who received a red ribbon and Second Prize for his home-grown pumpkin.

The children all were delighted to enter the Fair and can't wait to do it again next year! If you were unable to share in the sights and sounds of the L.I. Fair this year, hope you will come next time.

Whether like Michael, you have grown a pumpkin of your own, or picked one at a local farmstand, here is a refreshing treat our 4H member prepared with the hollowed out parts of a pumpkin.

Cocktail Party

On Saturday, November 14th the Irish-American Club of the Mid-Island Area will host a very special cocktail party honoring their founder and first past president, Bob Reynolds. This, their first annual past presidents night, will feature live music, dancing, a cold buffet, and an open bar from 9 PM to 1 AM. Tickets for this inaugural affair are modestly priced at ten dollars per person.

"Bob Reynolds labored long and hard to launch and nurture our fledgling organization and this tribute is

but a small payment for his respected service," said a Club spokesman.

For further information or tickets, call WE 1-7030.

THE FORCE

(Continued from Page 6)

Although the offense did well, we mustn't forget the tremendous efforts of each player. Avi Silber, whose incredible passing and kicking; Brian Woods, who charged in each time for the ball; Michael Di Angelo; Craig Cuckstein, and the Force's mighty defense: Michael Goldstein, Mitchell

Gettleman, Wayne Friedman, Kevin Berkowitz who kept the ball away from the Force's goal. Last but not least, David Weisfelner, the goalie, who is the lock in any soccer game. The Second place Brentwood Soccer Tournament winners are: Larry Aronowitz, Donald Hochstein, Adam Iovino, Michael DiAngelo, Craig Buckstein, Keith Hobbs, Michael Goldstein, Mitchell Gettleman, Kevin Berkowitz, Wayne Friedman, Avi Silber, Brian Woods, David Weisfelner, Mike Dorosin, Harvey Fischer, Bernie Aronowitz. Thanks, Force, for bringing home another trophy-Plainview's mighty proud of their 1971 Traveling Force Team.

An incredible record-6 wins and 1 loss. This is amazing!

We wonder, if the referee had counted the goal against the Vienna Hurricanes, would the Force be in first place. I guess, we'll never know, but we'll find out in the next tournament.

DONATION: Oyster Bay Town Councilman Kenneth S. Diamond (second from right) is all smiles as Amatullah Sharif, manager of the Jericho branch of Citi-bank, presents a check to Jacob Russolin, president of

TROPHIES PRESENTED: Oyster Bay Town Councilman Thomas L. Clark (right) presents trophies to Claudine Colasoti and Jody Luppello, just two of the youngsters to receive awards at the Hicksville

Baseball Association's annual All Star Dinner. President Joe Trapp and former vice president Donna Rihman were on hand to offer their congratulations to the recipients.

Hockey Registration Extended To Oct. 23

"Late registration for the Town of Oyster Bay Recreational Hockey program will be held at the Parks Department through October 23," Oyster Bay Town Councilman Salvatore R. Mosca announced.

"The fee for participation in the program is \$40, plus \$1 for membership in the American Hockey Association," Mosca said. "The program is conducted for boys age 6-18 (as of December 31, 1981), at the Town's three ice skating rinks at Marjorie R.

Post (Massapequa) Community Park, Syosset-Woodbury Community Park and Bethpage Community Park," Mosca added.

Late registration will be accepted weekdays until October 23 between the hours of 9 AM - 4:30 PM at the Parks Department, 800 South Oyster Bay Road, Hicksville. Proof of age is required.

Mosca noted that All Star travel team players from other hockey leagues are not eligible to participate in this hockey program.

HHS Girls Swim Team

The meet against Great Neck South on October 5th was the scene of some impressive swimming by the girls, on the Hicksville High Swim Team. The Medley Relay of Jemine Mund, Jamie Schwartz, Lorna Mund and Teri Montalto placed first and broke the school record. Another

record was broken by Jemine Mund's first place swim of the 500 yard freestyle. Jemine Mund placed first in both the 50 free and the 100 back. Second place finishes were made by Teri Montalto in the 100 fly and 200 free, Pam Sheridan in the 100 free, Andrea Pitta in the 100 breast and Jemine Mund in the 200 I.M. The free relay of Kathy Reddy, Aimee Pitta, Anja Whitek and Andrea Pitta placed second and the third place relay consisted of Leanne Mahoney, Donna Hoffman, Barbara Moore and Wendy Putnam. The Medley Relay swim by Laura Jankowski, Sabine Arnold, Pam Sheridan and Barbara Moore also placed third. Denise Kratochvil, in her first attempt at 100 breast, placed for points.

Despite the disappointment in losing 75-95 the girls are growing in depth and are beginning to qualify for the County Championships in November.

Safe Energy Coalition Meeting

The next meeting of the Mid Island Safe Energy Coalition will be held at St. Ignatius Church School, Nicholas Street (off Broadway and 1 mi. S. of LIRR) in Hicksville on Wed., October 21 at 8:00 PM.

LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.
"One Of the Grass Roots Of The American Legion"

Last Sunday I had the pleasure of attending the annual Nassau County American Legion Legislative Breakfast held at the Massapequa Post No. 1066. Fellow breakfasters were Commander Lou Braun, Adjutant John Kerrien, Chaplain Harold Bramswig, Past Commanders Frank Molinari and Lou Cesta. It was a real worthwhile affair to attend and I must say it probably was the best ever and I've been attending these once a year politician roundups since the inception in Nassau County of the legislative breakfast. For once things were really laid on the line by the politician and this was a refreshing reality. As one politico noted, "we have monitored your strength at various parades and noted the steady decline of interest in appearing." And YOU thought nobody would miss you if you didn't show up for this or that public affair when the Legion needs to be shown as a strong and active outfit. And another noted that letters of interest in certain bills coming up for a vote in the state legislature just were not evident. This means when you have been requested at a meeting to fire off a letter expressing your interest in a certain matter to your elected representatives, you did not even pick up your pen and doodle with it. As confirmation of this attitude being very widespread, Past Department Commander John Tipping related his experience when he questioned a state legislator regarding the number of letters received regarding a certain bill the Legion was interested in. The answer was 2 letters. And this, a statewide response of New York's better than 200,000

Legion members. Perhaps it will wake up our members to the real danger of not following up with action when information deemed it necessary. Now that the 1982 federal budget has been signed by President Reagan and loss of some veterans benefits are a hard fact. Maybe, just maybe, some thought will be given to writing letters or whatever else is required, will be done to stem any further losses or action to regain our losses. In case you failed to attend the meeting when it was brought to the members' attention or failed to read it in the October issue of The American Legion, here is a repeat of the burial benefit loss: While the \$150 plot allowance is unchanged, the \$300 burial allowance will now be available only to those veterans who at the time of death are receiving or entitled to receive a

pension. Your Commander, your Legislative officer or even I as your Publicity officer can only do our best to present you with facts and trends early enough for YOUR action but it remains solely the responsibility of each veteran to stand up for what was promised after victory was accomplished. We will have our annual PANCAKE BREAKFAST at the Post this Sunday, October 18th between the hours of 8:30 A.M. to 12:30 P.M. Only \$2 per person for juice, sausage, pancakes and coffee and all proceeds go to the Youth Activities and Child Welfare funds. Bring the family, enjoy a pancake breakfast and know that you have done your bit to help these fine Legion programs. Be on hand for the next meeting which is Monday, October 19th at 8:30 P.M.

Selected Music Students

The District Music Office is very pleased to announce that 12 of our district high school music students have been selected to participate in the 1981 New York State School Music Association All State Band, Orchestra and Chorus. Two others were selected as alternates. The students selected are:

Andrew Gentile, Mixed Chorus, POBHS; Kevin Antis, Mixed Chorus, POBHS; Richard Greene, Mixed Chorus, POBHS; Marcy Gelb, Mixed Chorus, POBHS; Lori Fein, Mixed Chorus, POBHS; Anthony Montuori, Mixed Chorus, POBHS; Steven Frederick, Mixed Chorus, POBHS; Mark Rosen, Mixed Chorus, POBHS; Janice Costa (alt.), Mixed Chorus, POBHS; Andrew Bainson (alt.), Mixed Chorus, POBHS; Gail Hodes, Women's Chorus, POBHS; Eric DeGiola, Orchestra, POBHS; David Sywak, String Orch., JFKHS; Robert Scheinerman, Band, JFKHS.

These students will have

the experience of rehearsing daily and in the evening under the direction of nationally known conductors from Nov. 29th through Dec. 2nd at the Concord Hotel, Kiamesha Lake, N.Y., in conjunction with the 1981 annual New York State School

Music Association Directors Conference. The Women's Chorus conductor will be Grigg Fountain of Northwestern University, Illinois. The Mixed Chorus conductor will be Jameson Marvin.

CHIROPRACTIC OUTLOOK

BY DR. PETER J. ROCCO

"STRAINLESS" HOUSEWORK

After a long day, the homemaker may be full of aches and pains. To take some strain out of housework:

1. When washing dishes or ironing, stand with one leg higher than the other to prevent back strain. Use a small box or step stool.
2. If moving something heavy, ask for help! If you must do it alone - never lift something you can slide along the floor more easily - bend from the knees, keeping your back straight - don't twist or

jerk your body while lifting or bending; move as close to your center of gravity as possible.

3. Do each chore slowly, allowing your body time to adjust and stretch.

When aches and pains strike, a doctor of chiropractic may be able to offer relief. Presented as a service to the community by

HEARING SET

(Continued from Page 4)

Those Town residents who want to review the proposed budgets and tax rates for special districts can examine the copy of the budget that is available in the Town Clerk's office. Copies of the Preliminary Budget also will be made available at community libraries as soon as copies are printed, prior to the budget hearing. Residents who wish to know how all aspects of the proposed budget might affect their tax bills are urged to take a copy of the Town's itemized tax bill with them, so they will be able to pick out the various special districts that cover their homes.

Colby pointed out that the Preliminary Budget book can only reflect information concerning a maximum of 17 percent of the average homeowner's total property tax bill. "School Districts, which make up 57 percent of the average tax bill, prepare and adopt their own separate budgets. The County of Nassau, including its General Fund, Police District, Community College and Sewer District, is approximately 26 percent of the homeowner's total bill and that appears in the Budget prepared and adopted by the County."

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE:

We all would like to live at the expense of the Galileo Lodge, but we forget that the Galileo Lodge lives at the expense of everyone!

When we have an abundance of news pouring out of the Galileo Lodge concerning the male and female members, the best possible course of action is to report it immediately. So we'll begin with Lily Misturini who recently celebrated her birthday on October 4th, and her husband Mario who will celebrate his birthday in November and Mrs. Frank Anselmo who has recently celebrated her birthday. The Galileo Lodge extends its best wishes to these nice members. Incidentally, Mr. and Mrs. Mario Misturini and Mr. and Mrs. Mario

Tucci, who are related by marriage, will soon enjoy a beautiful 10-day trip to Florida. A pleasant trip wish from the Lodge, of course.

Sad to report that Mrs. Eva La Manna, wife of Angelo La Manna, was recently hospitalized but glad to hear that she is now home recuperating. It is nice to hear that Mike Garone is home recuperating after his recent surgery, and that Joe and John Ianotti are convalescing well. A speedy recovery wish from the Lodge to these fine members. Reports state that the last fishing trip held by the Galileo Lodge was enjoyable and pleasant. Fourteen anxious people attended and Jules Meszaros caught the small fish and then slept the rest of the trip. The next fishing trip is scheduled for May 16th, 1982. Happy to report that Jim

Posillico and his hard-working crew consisting of Lodge members are starting the construction of a recreation room in the basement of the Lodge. Other members wishing to aid Jim can do so by dialing 931-9351. The Columbus Day parade last Sunday was enhanced by the presence of the male and female members of the Galileo Lodge. The St. Ignatius Marching Band, which was part of the Galileo Lodge contingent, won two prizes for their marching skills and expertise. One of the trophies was given to the Galileo Lodge in acknowledgement of the support it gave this marching organization throughout the year.

It is reported that the New Years Dance tickets will sell at \$60 per couple. Andy Guiliani had a terrific time during his stay in Italy. He was away from the 26th of August to the 6th of October, visiting his mother and the rest of his family. Jim Ingino pleads that members of the Lodge make an effort to help the Ladies Auxiliary next Saturday, around five o'clock and for just an hour or so, and this is to help the Ladies Auxiliary set up the Lodge for the presentation of the 'Foolies Follies'. Frank Anselmo reports that his daughter will be visiting him and his family for a long period of time. Since Frank's

son is also stationed in Long Island, this should make it a real happy reunion.

Autumn has arrived, and soon the time will arrive when the Galileo Lodge presents its Halloween Dance, scheduled for Saturday, the 31st of October. Jeff Wallick (681-8428) will chair this activity, assisted by Armand Del Cioppo (938-5052) and Jim Pino (822-7060), who will also handle ticket sales and seating arrangements. Tickets sell at \$9.50 per person, a modest sum which entitles you to a hot delicious dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music from the Dynatoners. Note that a 'bring-your-own-liquor' policy will be in effect that night. Come and see the Galileo Lodge resplendent in its best autumnal dress, and, of course, come and enjoy yourself in a manner that only the Galileo Lodge can arrange.

Last chance for the purchase of tickets for the Ladies Auxiliary's presentation of its 1981 'Foolies Follies'. Contact Sue Laurenti (WE 1-0036) and Mary Monteforte (938-6454) for tickets. Incidentally, we inadvertently left out Carmen Russo as another member who done considerable work in the presentation of this revue.

Town Republicans Endorses By Unions And Police Superiors

Republican candidates in the Town of Oyster Bay have won the endorsements of the Superior Officers Association of the Nassau County Police Department and the Building and Construction Trades Council of Nassau and Suffolk.

In a letter of endorsement to Oyster Bay Town Supervisor Joe Colby, the Superior Officers Association stated: "It is the opinion of our Board that as an individual you best represent the aims and goals of police officers in the County of Nassau and can contribute the most to the law enforcement needs of the residents of your Town as well as the County of Nassau as a whole."

The association indicated

its support of all members of the Colby Team: Councilmen Howard T. Hogan, Jr., Kenneth S. Diamond, Douglas J. Hynes, John Venditto and Town Clerk Ann R. Ocker.

In announcing its endorsement of Supervisor Colby, the Building and Construction Trades Council noted that it represents 59 individual local unions and approximately 60,000 workers in the construction industry. Since Colby took office in 1977, the Town of Oyster Bay has had five consecutive years of more than \$50 million worth of new construction each year, providing for the continued balanced, suburban growth within the Town.

Guest Speaker

Dr. Bruce Hammer, a psychologist who works with parents and children involved in separation or divorce situations, will be the guest speaker at the Monday, October 19th, meeting of the Hicksville Single Parents. Oyster Bay Town Councilman Thomas L. Clark announced that the meeting will be held at Hicksville High School, Division Avenue, beginning at 7:30 PM. All single parents are welcome to come and hear Dr. Ham-

mer address himself to the issues and feelings surrounding the "old life" and the "new life."

The Single Parent Project operates under the auspices of the Town's Drug and Alcohol Control Division of the Department of Community Services. It serves to provide emotional support and an educational forum to separated, divorced or widowed parents. For information call 922-1010.

OPERATION V.F.W.

Had anyone seen a group of politicians - a Republican Congressman, a Democrat Assemblyman and a Conservative Councilman huddled together laughing with delight: their first thought would be "Well, somebody is going to get the business!" And, in this particular situation they would be absolutely right!

But, however, when you add top notch people like Commander Mel Garrett, the recently elected New York State Commander of the Veterans of Foreign Wars, and his lovely lady Barbara, to Norm Lent our Republican Congressman,

Lew Yevoli our Democrat Assemblyman and Tom Clark the Conservative Councilman for the Town of Oyster Bay; you have a prime group of fine people each having a delightful sense of humor. And, they did sparkle September 16, the night the Hicksville VFW Post 3211 "Roasted" Past Post Commander Mike Znack.

Mike is a 25 year member of Post 3211 having served in all offices and committee until he was elected Post Commander in 1937. Since then Mike has been an untiring and devoted supporter of the Northport V.A. Hospital

ward our post adopted. And with all that, visiting the hospitalized veterans, he is without a doubt the most effective and efficient Post Service Officer of any Post anywhere.

Prior to induction into the Army in 1942, Mike had been (and still is) employed by the Pfizer Company as a chemical operator. He saw action in Africa and Italy with the 92nd Chemical Company.

Saturday September 16th was the night that Mike finally found out what it is like to be a genuine celebrity with his name in lights on Broadway. Sure, it was South Broadway in Hicksville, but who else in Hicksville can lay claim to that distinction, especially when the sign with his name stood in front of the Hicksville VFW.

The ever-smiling Mike claims his jaw and cheek muscles still ache from laughing all that night. Both Mike and his lovely wife Olga had such a great time laughing that they barely had but a taste of the most delicious roast beef dinner (prepared by Joe Normandy) that everyone else raved about.

That was Mike's and Olga's night in many ways, even a family reunion. Their sons Robert and Kenneth

Student's Viewpoint

The Reality Of Cheating

By Stacy Title

We come from a highly competitive, success oriented society. These traits are thoroughly engrained in children throughout their youth. From the time they bring home their first report cards in nursery school to their first at bat in little league, parents and friends

are constantly pushing them to greater and greater achievements. The problem is not every child has the ability to meet the successes demanded of him. It is because of this constant pushing that students resort to any means to achieve success.

kids who cheat on tests will eventually carry this "easy way out" into adulthood, (income tax etc...)

The events at West Point (cheating scandals) are the obvious end results of the pressures put upon people. I do understand that some people must be pushed to achieve the potential that exists within them. It is also obvious that competition and success are not curse words. It is my opinion that we reappraise our attitudes towards success, competition, and cheating; because they are more intertwined than any of us care to believe.

It is obvious that cheating is an undesirable trait and can never be condoned in our society. The way to stop cheating in my estimation is not to punish the 1/10 that are caught, but to restructure the attitudes and unrealistic goals of parents. It is equally obvious that the
