## Set Hearing On Building Moratorium On Section Of So. Oyster Bay Rd.

Oyster Bay Town Councilman Thomas L. Clark announced that the Town Board will hold a public hearing December 15, on a proposal to declare a 60-day building moratorium on South Oyster Bay Road, Hicksville, while a reexamination of the zoning in this area is undertaken.

Clark explained that "there is a serious traffic problem in this

area, as well as problems with noise and aesthetics, as more and more single family residences have been converted to business uses.

In addition, a recent decision by the Nassau County Supreme Court has declared the Town's residential zoning of various parcels in the area to be unconstitutional.

"In order to give the

various Town Departments and the Town Board time to review the Code of Ordinances and to prepare any proposed revisions and amendments that may be necessary," Clark continued, "if a moratorium is declared the Town will not issue permits for the construction or alteration of any building or structure in the area along the west side of

South Oyster Bay Road, north of the intersection of Woodbury Road from Meran Place to Plaza Gate."

Clark said that if the Board declares the moratorium after the Dec. 15 hearing, it will use the 60-day period to prepare a zoning ordinance for this section that will then be the subject of another public hearing.

To celebrate his 30 years as a member of Kiwanis International, the Hicksville Kiwanis Club presented Past President William Murphy with a 30 Year Legion of Honor Certificate and pin at the October 14 weekly meeting of the club.

Bill Murphy is a nationally known Kiwanian because of his consistent attendance at

International and District Conventions. In fact, it is rumored that Bill arrives at the convention site several days early to make sure everything is going to be done correctly, and to be first in line to register.

In the photo, Past President Russ Coniglio, on the left, is presenting the 30 Year Legion of Honor Certificate to Bill.

On November 29 at 4 PM the members of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville will hold a special memorial service to honor the memory of their former pastor, the Reverend Dr. Edward H. Stammel, who died on November 16 at his home in St. Petersburg, Florida.

Pastor Stammel served the Lord and this community from 1941 until he accepted the call in November 1973 to become pastor of Grace Lutheran Church in St. Petersburg. His dynamic personality and sincere love for people made him beloved by many both in his congregations and on Long Island. He will long be remembered for his work in the church

and in parochial education.

During his time in Hicksville he was instrumental in establishing The Church of the Good Shepherd - Lutheran in Plainview, Trinity Lutheran School in Hicksville, and Long Island Lutheran High School in Brookville. A tireless worker he served on the Board of Directors of Nassau Christian School in Mineola, Long Island Lutheran High School, and the American Lutheran Publicity Bureau. He was Campaign Director for the Science Library Building at Concordia College, Bronxville, New York, and the Long Island Lutheran High School Association. Pastoral Advisor to Concordia College, Bronx-

**Pastor Edward Stammel**  
ville, New York and Metropolitan area representative for Valparaiso University in Indiana, he also found time to serve as a member of the Board of Parish Education and on the Commission of Church Literature for the

Lutheran Church - Missouri Synod as well as the Parish Education Committee of the Atlantic District - Lutheran Church - Missouri Synod. In 1979 he was awarded a doctorate by Concordia College. He continued to pursue an active ministry in Florida and fomented the establishment of a parochial high school in Pinellas County.

Pastor Stammel leaves his wife, Lydia, and children Edward Jr., Thomas, Candace, and Timothy, and eight grandchildren.

The congregation of Trinity cordially invites the community to attend the Service of Remembrance for Pastor Stammel on November 29 at 4 PM.

## Free Health Testing

The Hicksville Lions Club will hold a FREE Glaucoma testing and Hypertension screening on Sunday, Nov. 29, from 9 AM till 12 Noon. The Lions Mobile Health Van will be in the parking lot of the Galileo Galilei Lodge # 2253 O.S.I.A. at 200 Levittown Parkway, Hicksville.

**Pancake Breakfast**  
At the same time, a

pancake breakfast will be held inside the lodge, with tickets priced at \$3 for adults and \$2 for senior citizens and children under 12. All proceeds from the pancake breakfast will be used for local charities.

Remember - a FREE test for Glaucoma and Hypertension now can prevent serious problems in the future.

## Bus Trip

The Hicksville Public Library has a trip scheduled to the American Museum of Natural History and the New York Historical Society for Wednesday, December 2.

The cost for round trip bus fare is \$10.00 (this does not include admission or lunch). The fee at the NYHS is 75c and the AMNH has suggested fees for admission, but you can give what ever you feel is right.

The bus will leave at 9:00 AM from in front of the Lighthouse Restaurant on Old Country Road and we will return to Hicksville at about 4:00 PM.

Reservations must be in before Thanksgiving. Make checks payable to the Hicksville Public Library.

For further information call Mrs. Neufeld at WE1-1417 or Mrs. Binger at 931-2511.

## At Holy Trinity

Holy Trinity Episcopal Church will entertain the Covenant Players this Sunday, November 22nd, at the 10 A.M. Service. The Covenant Players will present a sanctuary drama in the place of the sermon and a short playlet at the end of the service. The theme for this Last Sunday in Pentecost is the Kingship of Jesus Christ and the mission of Christians in the community in the service of Christ the King. The Covenant

Players exercise a ministry of faith since their founding under Charles M. Tanner in 1963 in Reseda, California. This group of professional actors are committed Christians who feel a special call to present the Word of God through drama. They have developed an extensive repertoire which enables them to adapt to the different needs, situations and places.

The public is invited to attend the 10 A.M. Service at Holy Trinity Church, Old Country Road and Jerusalem Avenue, Hicksville, and to enjoy this dramatic presentation. Coffee hour follows the service and all are invited to remain.

Thanksgiving Day services will be held at Holy Trinity Episcopal Church at 8 a.m. and 10 a.m.

The community is cordially invited to attend for worship and to commemorate this national holiday.

## Children's Film

On November 27, at 2:00 P.M., the Children's Room of the Hicksville Public Library will have a special showing of "Run For Your Life, Charlie Brown." This feature length film stars all the "Peanuts" characters, who must risk everything in their dangerous raft race on a rampaging river as part of their exciting adventure in the wilderness.

The program is free.

## Early Thanksgiving Deadline Tuesday At Noon!!

The Hicksville High School Music Department is honored to announce that two of its instrumental students were accepted to All-State ensembles. The students are Elizabeth Dick who plays clarinet and will be in the All-State Band, and Peter Rubins who plays French horn and will be in the All-State Wind Ensemble. This is not a first festival performance for either student, both have played in All-County

Festivals and Peter performed in the All-State Orchestra last year.

In order to be accepted to an ensemble the student must have an audition at the N.Y.S.S.M.A. Festival in the spring and receive a 6 A - This is the highest possible grade that one can receive.

This year's All-State Conference will take place on Nov. 29 - Dec. 2 in the Concord Hotel in Lake Katonah, New York.

Tom Finlay just returned from a week end convention of the Eastern Regional District of the National Association of Power Engineers. The convention was held at Cherry Hill, N.J. Tom represented the Nassau Chapter # 6 as a delegate. He told us half the delegates had come down with the "Cherry Hill Revenge," and said if we go there "don't drink the water." Tom said the Association was originally created as a Professional Engineering Association and Society in 1979, and has allowed women engineers as members since its inception. Tom

and the rest of the delegates had a great time at the convention.

A happy birthday to Mrs. Mitchell Whitehurst, (the former Evelyn Scotti) who celebrated hers yesterday at a party given for this "young married" at her home in Murfreesboro, North Carolina.

We learned that Betty and Ed Wayne of Cornwall Lane, HICKSVILLE, recently celebrated their 35th wedding anniversary. The Waynes have ten children, six of

whom are still residing with their parents. Ed recently retired from the Long Island Lighting Company after a long career with this firm. We wish the Waynes at least another 35 happy years together and so their family, friends and neighbors.

On Saturday, December 5, the Court Queen of Angels # 86, C.D.A., will sponsor a huge Christmas Craft Fair and Flea Market. There will be over 35 tables of all sorts

of beautiful things for sale, both new and old. Do your Christmas shopping early at this event, like many of your neighbors. It will be held at the St. Ignatius New School Cafeteria from 10 a.m. till 6 p.m.

Mr. and Mrs. Tom Wilson of Hathaway St., Elmont, gave their daughter, Eileen in marriage to Stephen Knudsen, son of Sevald and Grace Knudsen of Kupf Ave., Hicksville.

Eileen's sister, Patricia, was maid of honor, and Kenneth, Stephen's brother was best man.

The couple honeymooned in Maine and make their home in Huntington.

## Y.E.S. At The Plainview Library

By Randi Gelfman

Do you know what Y.E.S. is? Unfortunately, many people do not, even those that could benefit from this service. Y.E.S. is an acronym for Youth Employment Service. It is co-sponsored by the Plainview-Old Bethpage Youth Council and the Plainview-Old Bethpage Library. Its primary purpose is to place young, eager employees with potential employers.

You may be saying, "that is all very nice, but what does it have to do with me? I don't own a business, and my children are too young to work." If these words are anything like your own, stop and think again. Wasn't it you who just the other day

said, "I wish I had a reliable sitter to watch the kids after school," or, "I wish I had someone to clean the basement."

If you are in need of any of these services, or perhaps you need a mothers' fathers' helper, housecleaner, a tutor, or a person to take care of your yard (think of all the leaves piled up on your lawn at this very minute, or the snow that will be there in a few short months), call Y.E.S.

What if you are a businessman or business woman looking for reliable help, but you don't want to be bothered with screening dozens of people walking in from the street? Y.E.S. can help you, too. Y.E.S. will

send a select group of applicants that are most suitable for the job you're offering.

Just recently Y.E.S. found Rose a job as a typist for Paramount Records; Marilyn was placed as a clarinet tutor; Laura was able to get work as a salesgirl; and Ray got a fulltime job as a glacier at Regal Glass and Mirror.

If you are a Plainview-Old Bethpage student, or you attend a local college and need a job, give Y.E.S. a call. If you have a job available, and you need a reliable employee, give Y.E.S. a call. The phone number is 938-0084. The Y.E.S. office is open Monday - Friday from 9:30 am to 5:30 pm.

At our Club meeting last week we learned the news that a federal appeals court upheld a preliminary injunction which halted the takeover attempt of Grumman Corp. by LTV pending a trial on the anti-trust question. Our Club members learned this before it was announced in the local newspapers. This is another example of the timely, informative and pertinent programs we offer the community at our monthly meetings.

Mr. Kevin Dembinski is a member of the Political Action Committee of Grumman Corp. Mr. Dembinski gave an outstanding presentation and showed a film of some of the magnificent contributions Grumman has made to our space program and national defense. Since this meeting, the Dallas-based LTV Corp. decided to drop its pursuit of Grumman Corp. This is good news for all Long Island since so many of our residents are employed by this corporation and so many Long Island suppliers survive on the business they conduct with Grumman Corporation.

We applaud the outcome of this bitter, 57-day battle for control of Grumman Corporation.

Congressman Norman F. Lent (R-NY) has asked New York State Attorney

### Our Armed Forces

Navy Ensign Patrick T. Quinn, son of Thomas P. and Catherine Quinn of Arch Lane, HICKSVILLE, has been commissioned an ensign in the Naval Reserve upon completing the ground school training phase at the Naval Aviation School, Pensacola, Fla.

He received intensive training in Sea power, Officer development, aviation physiology, engineering, aerodynamics, navigation, physical fitness, survival techniques and military instruction. He has now progressed to advanced training, which will eventually lead to his designation as a Naval Aviation Officer.

A 1971 graduate of Hicksville High School, and a 1975 graduate of State University of New York, Albany, with a bachelor of science degree, Quinn joined the Navy in May 1961.

General Robert Abrams what legal action the State intends to take against the Hooker Chemical Company in regard to its toxic wastes dumping practices at Hooker's Hicksville plant.

In a letter to Abrams, Lent pointed out that the dumping practices were revealed more than two years ago at a congressional hearing on Long Island. During the hearing, Lent made public a secret Hooker internal memorandum he had uncovered which showed that Hooker had been dumping toxic chemical wastes into Long Island landfills and disposal sites on its own property for 19 years.

Following up on this information, New York's Department of Environmental Conservation (DEC) charged Hooker with 420 violations stemming from dumping at the Old Bethpage landfill alone. The DEC recommended the Attorney General's office consider criminal prosecution of Hooker.

Lent told Attorney General Abrams that in questioning officials of the DEC at an

October 23rd hearing on Long Island, he was surprised to learn that only one action had been brought against Hooker. That was by the DEC which is negotiating with Hooker to institute a monitoring program around the Hicksville plant.

Representative Lent requested Attorney General Abrams to report as soon as possible the status of the charges which DEC referred to the Attorney General's office more than two years ago.

This action by Lent clearly shows the quality of interest our Republican legislators have in our community.

The slate of officers and directors proposed by the nominating committee was unanimously accepted by the membership at our last Club meeting. At our January 1982 meeting elections will be held for the candidates.

Our December 11 meeting will feature fun, refreshments, music, and Santa Claus.

We'll tell you more about this in another column.

## LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST # 421  
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Lately there seems to be nothing but a continuous sick call for our membership and this time I must report that Comrade AL DONALD is recuperating at home after open heart surgery. Take it easy, and get well quickly, Al... We were one of eight Posts that received a certificate of merit from the James N. MacLean Nassau County American Legion Memorial Library at Hofstra University at the annual Library Luncheon at Hofstra on Veterans Day... For the benefit of all members, and particularly new members, the library specializes in collecting rare books reflecting upon the history of Long Island and New York State... this very special collection is housed in a temperature controlled library and vault within the university library... It has been estimated that the books kept under these conditions should easily last another 1000 years... Donations for the purchase of books for this collection can be made by anyone (Legion membership is not required) in honor of a loved one or in memory thereof... Book plates are attached to the book stating the name of the donee and donor... For forms to make a donation in the name of someone you wish to honor and remember, please contact the Post Commander... The library was a brain child of Past County Commander James N. MacLean who made the first donations in the names of his two deceased sons to begin the Nassau County American Legion Memorial Library... Since his death a few years ago the name was changed to JAMES N. MACLEAN NASSAU COUNTY AMERICAN LEGION MEMORIAL LIBRARY to honor Jim... The Post honors its deceased members by donations for books in their memory... The winner of the Dark Horse at Monday's meeting was LOU CESTA... And

there will be voting at the next business meeting which is December 21st on the change to Article IV, Section 1, of the Post By Laws... This Section deals with our annual Dues structure and because of increases in both state and national per capita taxes since the present set of By Laws were adopted and amended, and updated and approved on December 17, 1975, changes are required... The PRESENT Article IV, Section 1, The Dues of this Post shall be \$5.00 to which shall be added present per capita tax of the county, state and national organizations of \$6.00, making a total of \$11.00. Dues may be increased by mandates of the county, department or national organizations. Payable on or before October 20th of each year... The PROPOSED Article IV, Section 1, The Dues of this Post shall be \$5.00 to which shall be added present per capita tax of the county, state and national organizations. Dues may be increased by mandates of the county, department or national organizations. Payable on or before October 20th of each year... Written Notice as required by Article XV is hereby issued to every member in good standing of Charles Wagner Post that this proposed change to our By Laws will be voted upon at the December 21 meeting... Our next LAS VEGAS NITE is scheduled for November 28th which is a Saturday night so tell your friends and come on down... We are 1 week closer to Christmas and the Childrens Christmas Party on Dec. 20th... You MUST register your children (or grandchildren) 8 years of age and under with PALMER WALSH at 831-3299 for a gift from Santa Claus... DO NOT give names to anyone else but PALMER, and please do it NOW as the closing date is DECEMBER 5th... And after Christmas what comes next? You (Continued on Page 9)

## At The Town Board Meeting

By Sheila Noeth

At the regular meeting of the Town Board of the Town of Oyster Bay held on Tuesday, Nov. 17 the Board took the following actions on several local matters.

- they reserved decision on the petition of Gar-Ken Corp. for a special use permit to operate, alter and maintain in a Business F District, a bar-lavern on the southside of Jericho Tpke, bounded on the west by Bruce St. and South Oyster Bay Road on the east in Syosset, in a restaurant presently operating and known as the Shamrock Pub. Attorney Murray Goldberg presented this petition for the owners of the Shamrock Pub. No. one appeared in opposition.

- they approved Resolution No. 807-1981 changing the name of Cherry

Street to Cherry Lane in Hicksville.

- they approved several resolutions representing quantity increases on contracts covering parking the field No. H-15 in Hicksville. Made necessary by the necessity of changing the grade of the road to accommodate a traffic light.

- they approved Resolution No. 817-1981 granting permission to Zara Contractors to use Town property on Miller Road and Ronald Ave. in Hicksville to store equipment and materials in connection with Nassau County Sewer Contract No. 1002-3-B-4, for \$200, a month until the sewer contract is completed.

- they approved Resolution No. 823-1981 retaining a specialist to do the necessary test boring for land-use plan at the Old Bethpage Landfill, Area

Phase II.

- they approved Resolution No. 829-1981 setting a Dec. 15 hearing on proposed amendments to the code of ordinances of the TOB regarding dangerous animals (Separate story on another page of this issue.)

- Resolution No. 831-1981 was withdrawn by the petitioner, Bert Bacharach's Motel in East Norwich pending certain changes which have not yet been received by the Town Board.

- they approved Resolution No. 835-1981 awarding a contract for \$5,126 for a boiler replacement at Green House, Bruce Estate in Syosset. Bids were received on April 27, 1981.

- they placed a 60-day moratorium on any construction along a presently "unzoned" (by court decision) portion of

South Oyster Bay Road directly across from both the J.C. Penney and Lincoln Bank Shopping Centers in Hicksville. During this moratorium the Board will decide what they will advocate as an appropriate zone for this area and will then set another public hearing on this matter. (separate story in this issue.)

- they approved Resolution No. 846-1981 authorizing consulting engineers to proceed with the preliminary design phase of the addition to the Central Vehicle Maintenance Garage on Miller Place in Syosset. The engineer on this is Mr. Sydney Bowne.

The next regular Town Board meeting is scheduled for Tuesday, December 1 in Oyster Bay.

## "Carey Takes His Ball And Goes Home," Colby

A controversy, raging for about six years, causing confusion anxiety and even higher tax bills for homeowners in Nassau County had all the appearances of being brought to a conclusion during the past two weeks.

The question of full value assessment seemed as though it were actually going to be solved and homeowners would have been assured that they would not be forced to take on a greater share of the property tax burden.

The reason for all this optimism was that the State government had determined to focus all of its attention to that one issue and finally resolve it. The legislature announced last spring that it would meet at the end of October for the sole purpose of putting an end to the six-year debate. The State Senators and Assemblymen with different views appeared ready to soften their demands for particular systems and work together to develop a compromise bill that would afford homeowners at least a "status quo," which isn't as favorable a response for homeowners as possible but at least would remove the devastating change demanded by the courts.

It seemed that everybody was set to work together and

achieve agreement. But, as the Governor later proved, not everyone was set on making the end-of-October session become the end of the threat of full value assessment.

After the legislature developed and approved a compromise bill, Governor Carey decided that the legislation "might well impede economic development within the state" and he vetoed the bill. With this veto the entire question was thrown back to square one. With this veto, all the attention and work of the legislature, all the compromise achieved to develop the legislation, all the good intentions of the legislators who determined that the end-of-October session would indeed settle the question, went out the window.

I'm not sure that the bill that was developed was the best answer for the homeowner, I would have liked a bill favoring homeowners by reducing their assessments. But the compromise bill was an answer that provided protection, while a veto put the homeowner back into the hands of the court decision.

The compromise was one that was achieved after the State legislators determined that the assessment question had to be solved. Unfor-

tunately, the Executive branch of government, the Governor's office, failed to work cooperatively with the legislature.

Instead of getting involved in the development of the compromise legislation, Carey sat on the sideline. It becomes very difficult for someone not involved in negotiations to understand how a compromise is achieved and how the compromise is the practical path. In this case, Carey wouldn't do the work to help develop a compromise bill. Carey preferred to "stay distant from the work, to stay away from the arguments that result in compromise and just issue statements of what he thinks a bill should provide. When his wishes weren't met, Carey took his ball and went home. He vetoed legislation that at least assured protection to homeowners.

If the bill wasn't good enough, then it was up to Carey to roll up his sleeves and get into the working session. The problem was important enough and had been around long enough to demand that everyone be a part of the solution. This is clearly a case where, by choosing not to be part of the solution, Hugh Carey is part of the problem.

## Letter To The Editor

Dear Sheila:

Anne and I wish to thank the Hicksville community for its support of The Hicksville Gregory Museum during its time of crisis! Dick Evers and the Museum's Board of Trustees labored long and hard to again open the Museum full-time. They are to be commended.

It was heartwarming to learn of the Hicksville Board of Education and Hicksville Library support.

The Museum was started at the request of Hicksville Fourth Grade teachers when the study of rocks and minerals was placed in 1963 in their curriculum. During its early years the Museum served only Hicksville students during the school day.

We feel that the Museum has made a definite contribution to Hicksville and the

larger community, and can make an even greater contribution in the future.

We are enjoying our retirement home in Castine, Maine which overlooks Penobscot Bay. There are 17 fortifications on the Castine peninsula of 661 acres, dating back to 1629. Because of its location, Castine was an active participant in the French and Indian Wars, the Revolutionary War and the War of 1812.

Anne and I are kept busy with our fruit orchard, vegetable and flower gardens. We also belong to a number of organizations. The one most important to us is the Castine Historical Society of which I am President and Anne is secretary.

We hope to see you on Tuesday, November 24th, when we plan on attending

the meeting of the Museum's Board of Trustees.

Best wishes, good fortune, and good health to all our friends and acquaintances.

Sincerely,  
Gardiner E. Gregory

## St. Ignatius CYO Basketball Opening Of 1981-82 Season

By Laura Brand

St. Ignatius opened up its 1981-82 basketball season on Friday, November 13. This year's basketball program is headed once again by Don and Carol Cleary. Also returning is Frank Bowen, who is in charge of referees, and Dennis and Genieve Sullivan, who are in charge of gyms.

All work together with the numerous coaches to extend good leadership and to emphasize the proper ideals of sportsmanship, ethical

conduct and fair play to the many boys and girls who participate in this successful program year after year. Together they recognize that the purpose of athletics is to promote the physical, mental, moral, and social well-being of the individual players and that win or lose they should always do their best.

Hicksville Cannonballs

1973 Boys

By Pete And Diane Fujimoto  
On a cold, crisp, overcast day, the Cannonballs met the Cow Harbor Arrows. The Arrows had a gusting wind behind them as they took the field for the first half. The Hicksville team scored first on a super penalty kick by Les Spence into the corner of the Cow Harbor goal. The Cannonball offense, made up of Brian McNamee, Larry Bag, Tom Baron, Gino Ianucci, John Diamond, Les Spence, and Dan McGoey, outshot their opponents, 10 shots to 0.

During the second half, the

had 12, Chris Shearer 8, and Michael Conway 4.  
The Warriors defeated the Celtics 24-19. Jason Dugan scored a big 14 points for the Warriors and teammate Steve Corrado added 4. For the Celtics, Dennis Kenefick had 6 and Willie Sneedon scored 3 points and played well.

Can. inballs added two additional goals to their score. The first was by Dan McGoey with a beautiful high kick, and the second a spectacular team effort from Gino Ianucci to Tommy Baron who tipped it in behind the goal keeper.

The defense made up of Brian Sierra, Jason Pinsky, Michael Donovan, Alex Shevchenko and Danny Fujimoto with Toomas Nieman and David Knuth alternating at goal, added another shut out (3-0) to their record by super playing and key defensive plays.

Their previous game was on Halloween and the Cannonballs with only one substitute went against the Island Trees Rowdies. Both teams were aggressive and played a rough game. The second half picked up and the boys played good soccer. Everyone played with good skill enabling the Cannonballs to win the game 3 to 0.

Hicksville Tornado - BU9B  
Coached By Steve Florio  
By Joe Matz

This past weekend the Hicksville Tornadoes played South Huntington Crusaders to a 1-1 tie. The Tornadoes scored first with Todd Zell taking the ball away from the Crusaders Fullback and putting it past the Goalie. South Huntington scored just before the end of the first half on a corner kick to tie the game.

The second half the Tornadoes had several chances to go ahead but a tough Crusader defense held them scoreless. Goalie, Rex Germer was superb in goal to preserve the tie.

Hicksville Players: Larry Neuberger, Erik Matz, Matt Greenspan, Hermes Furlin, Biran Centrone, Jason Kilmatis, Tim Carroll, Michael Kent, Kevin O'Hea, Gerrit

Nijboer and Brian Whitman played a good game to up their team record to 4 wins 4 ties 1 loss.

The Hicksville Comets traveled to Massapequa to play the Massapequa Tornadoes who were undefeated. In a very exciting game the Comets showed extreme soccer ability and defeated the Tornadoes 2-0.

The Comets forward line consisting of Anthony Conte, Jamie Curley, Tim Doyle, John Guittari, Frank Hymphreys, Tommy Pedicini, played exceptionally well with many shots on goal even with a very strong unpredictable wind against them.

The Midfield line of Tommy Bell, Steven Postullo, Michael Segal, as center, and Tyan McCann played their usualy great game.

In the first half both the Comets goals were scored. Tim Doyle scored the first goal unassisted and the second goal was scored by John Guittari also unassisted.

In the second half the Tornadoes came on strong. Scott VanSteen as stopper and the fullback line of Brian Sacks, Scott Germer as center, Bobby Himmel and Thomas Reilly were excellent in preventing the Tornadoes from penetrating the defense.

Chris Margaritis as goalie was great in making saves and obtained his 6th shutout of the season.

Alternating positions on the field was Thomas Reilly from fullback to midfield, left and center.

Congratulations Comets on a game well played.

## Girls' Track Team Undefeated Season

The girls' track team at P.O.B., Middle School had a sensational season, going undefeated in nine meets, this Fall.

They defeated Salk, West Hempstead, Island Park (twice) Herricks, Hempstead, Mattlin (twice), and Great Neck South.

Three girls went undefeated in their events: Cindy Fleiss - 50 yd. dash; Kelly Ibanez - 100 yd. dash and 220 yd. dash; Janine Schampier - 50 yd. hurdles.

Janine and Kelly tied school records.

All 29 girls on the team scored points during the season, showing how talented a group they were.

The members of the team, coached by Miss Grace West are:

7th graders - L. Andruzzi, J. Eisenstein, C. Fleiss, S. Goldstein, J. Hassler, A. Hauser, K. Ibanez, T. Latkovic, E. Majorca, I. Polansky, S. Sacks, C. Saunders, K. Steinberg.

## Ice Skating Program For Handicapped

Oyster Bay Town Councilman Douglas J. Hynes announced Town Board approval of an ice skating program for handicapped youngsters, beginning on January 7, 1982.

"The program is intended to help handicapped youngsters learn to skate, under the supervision and guidance of staff members from the Town's Group Activities Program (GAP) for the Handicapped," Hynes said.

"The youngsters will be able to skate at the Syosset-Woodbury Community Park rink and the Marjorie R. Post Community Park rink on Thursday, afternoons from 4 to 5:30 PM at no cost," Hynes added.

For further information regarding the program, interested residents may call the Department of Community Services, GAP program at 922-5800, extension 300.

# HOW CHEMICAL HELPS YOUR CASH FLOW.

To most people, convenience is one of life's luxuries.

Which is why a bank with 87 branches, long hours and short lines holds a lot of interest.

At Chemical-Long Island, we've invested in lots of ways to make life easier for our customers. Here are some of the reasons we get good customer returns.

**We have more branches than McDonald's®**

Whether you're in Northport or Southampton, East Meadow or West Hempstead, there's a Chemical Bank minutes away.

And at each of those branches you'll find the same friendly service.

Most of the people who work at Chemical have been working there for years, so they're familiar with every item on Chemical's menu. And can explain things in a way that customers find easy to digest.

Those ingredients help keep the chemistry on Long Island just right.

In fact, they're part of the reason why we have over 1 million served.

**We've extended daylight savings.**

At Chemical-Long Island, daylight savings has nothing to do with turning the clocks ahead. But everything to do with knowing how people tick.

You see, we realize the hours that bankers keep aren't the hours most customers keep. So to make life for people easier, we keep our doors open longer.

At some branches you can do your checking as late as 8 in the evening. Or your savings before 9 in the morning. In fact, you can visit most of our branches on Saturday.

Extending our hours is one of the ways we do our best to extend ourselves. And why, when you compare Chemical to any other bank on the Island, the difference is like night and day.

**Our Long Island Expressway.**

Hard as it is to believe, Long Island has an expressway that's really an expressway.

In fact, it has 107 of them.

They're Chemical Bank's auto teller windows, where traffic flows smoothly so people can get through quickly.

Sometimes that means our opening early so you won't get to work late. Or staying open in the evening to avoid a rush hour at 3 in the afternoon.

But what it all means is understanding the chemistry of Long Island's communities. And what's important to the people who live there.

Fast service is something we know is important. In fact, you might say we've designed our auto teller windows expressly for that purpose.

# Galileo Lodge News

By Joe Lorenzo

**VENERABLE TONY PREVITE'S MESSAGE:**  
"There is nothing so powerful as truth, and often nothing so strange!" Daniel Webster.

Of times we hear the expression that no news is good news, but, contradictorily, the news pouring out of the Galileo Lodge is good news. And that in itself is something to rejoice about. For example, Pete Ragone and his wife Dolores, both members of the Galileo Lodge, proudly announce that they are celebrating 23 years of marital bliss. Congratulations from the Galileo Lodge... Joe Giordano is now home recovering from his recent illness, so is Mike Garone. Joe and John Ianotti and

Willie Argento. A speedy recovery wish to all these nice members from our Lodge... Jim Rerisi proudly reports that he will assist all members of the Lodge, who will give their time and services to insure the successful operation of the Christmas parties for the retarded children and for the children of the membership. A nice thank you from the Lodge... Four new members will be installed into the Galileo Lodge in the middle of December, and this is also pleasant news... Pancake breakfast to be held by the Lions organization at the Galileo Lodge on Sunday, the 29th, will also have a free screening for glaucoma and hypertension, the cost of which would be exorbitant if

done privately. Teddy Marotti of our Lodge is President of the Lions... by the way, our Lodge graciously donated its facilities for this charitable cause.

Jim Posilloco proudly announces that his son, Jim Jr. was drafted by the professional N.Y. Arrows Soccer team, Jim Jr. also received the Nassau County All-Star soccer award, and his family also states that his skill in baseball may also come to fruition. Congratulations to this fine athlete and his fine family. Happy Birthday greetings to Joe Morace (Dec. 10) and Lou Morace (Dec. 27th). Joe Morace Jr. (Dec. 1) and Joan Morace (Dec. 2). It appears that the Morace family have really cornered the month of December. Congratulations to all these nice people from the Lodge. Tom Pasquarella also proudly announces that he will celebrate his 50th birthday on November 24th. Congratulations to Tom from the Lodge also... Frank Gornale proudly reports that he was one of 193 men who was exemplified as 4th Degree Knight by the Knights of Columbus. Congratulations, of course, from the Galileo Lodge.

the 5th of December, at which time it will present its Christmas Dance. Jeff Wallick (681-8428) will "chair" this activity, tremendously assisted by Armand Del Cioppo (938-5052), and both will handle ticket sales and seating arrangements. The price of admission will be \$9.50 per person, an "easy-to-live-with" sum that entitles you to a delicious ham dinner, with candied yams, salad, coffee and cake, beer, soda, set-ups, live music and the joyous atmosphere of Xmas. But note that a "bring-your-own-liquor" policy will be in effect that night. A two dollar grab bag will enhance the proceedings, so you bring a gift and you get one in return. Jim Posilloco, "chef extraordinaire," will prepare the excellent cuisine to be served. If you are looking for a merry way to usher in the holiday season, why not come to this dance and absorb the holiday mood of the Galileo Lodge.

On Sunday, the 20th of December, the Galileo Lodge will present two Christmas parties, one for the retarded children of Queens and Long Island and the one for the children of the membership. Jim Rerisi will greatly assist all the members who will give their time and efforts to make these parties as enjoyable and spirited as possible. Preparations are now being made and more information on these activities in a later column. The Christmas mood at the Galileo Lodge is more permanent than it is evanescent. A gala New Years Party and Dance from the Galileo Lodge will help to greet the new year in grand style. More details concerning this activity in a later column also.

Howard J. Finnegan of Hicksville was recently promoted to the position of Manager of the Mail and Duplicating Division of Long Island Lighting Company. Mr. Finnegan, a lifelong resident of Nassau County, was formerly Supervisor of the Mail and Duplicating Section.

The responsibilities of Mr. Finnegan's new position include; the Company's system-wide mail and duplicating sections, customer bill production, the Company's employee identification program, and all Company receptionists. ## Families For Life Club News

By Doug Harknett

A study in contrasts is provided by the activities of two very different organizations. The first is Planned Parenthood (PP) which, in a recent mailing, launched a drive for a \$3,600,000 nationwide television and newspaper advertising campaign to persuade the public that it needs to continue to have the 'right' to kill its unborn children. This, on top of the tens of millions of dollars it receives from the government. Meanwhile, Families for Life is trying to put together a boutique on Saturday, November 28th at Levittown Hall, Hicksville, to benefit Birthright, the other organization. If we're lucky, we'll raise a thousand dollars for this charitable volunteer group that helps women cope with untimely pregnancies. But then Birthright isn't funded by the government precisely because its purpose is to offer alternatives to abortion, never abortion itself.

According to the PP mailing, sufficient reasons for abortion include when it is possible that a child may be born handicapped, or when the mother has emotional problems, or when the education of a teenager would be interrupted. The key is inconvenience to the mother, whose whim in every respect is viewed as superior to the child's fundamental right to life. PP

seems to have passed through Alice's looking glass and sees everything in reverse. Death is good and life is bad. It's the technique of the big lie. Repeat it often enough and people will believe it.

On the other hand, Birthright believes in life. Their volunteers urge constructive alternatives to abortion, and sympathetically establish a one to one relationship with distressed women. They assure them that problems can be solved, and that there really are people who care.

Services provided through Birthright include a free pregnancy test, if necessary; a private home to stay in before and/or after the mother delivers her baby; free medical care if necessary; psychological counseling; transportation; babies' necessities, and advice regarding social services and health benefits available through other agencies.

Birthright is as near as the telephone, and their help is available to everyone regardless of ethnic, racial or religious background, age or marital status. The phone numbers of the nearest Birthright offices are 293-5999 and 785-4070.

To repeat, the Families for Life Boutique will be held at Levittown Hall, Hicksville on Saturday November 28 from 10 AM to 4 PM. Everyone's gifts, donations and attendance are enthusiastically invited.

## Safety On Thanksgiving

The Thanksgiving feast may involve risks more serious than an upset

stomach, warns the Automobile Club of New York.

The fact is that extra helpings of turkey, stuffing and pumpkin pie can dull reflexes and cause drowsiness among celebrants who take the wheel soon after eating.

To make your holiday a safe one, the local AAA affiliate offers these suggestions:

- Wait a few hours before driving after a heavy meal.
- Plan your travel so that you will be driving during daylight hours as much as possible.

- Adjust the seat for maximum back support - slouching hampers breathing and makes you sleepier.
- Keep at least one window partially open to stay alert.

- Adjust your driving speed to prevailing weather and road conditions.
- Vary speed slightly to avoid a trance-like state called "highway hypnosis."
- And, most important, if you have been drinking, let someone else drive!

## DEVOTIONS

By The Rev. Dr. John H. Krahn  
Trinity Lutheran Church

Everything about Thanksgiving and the Pilgrim Fathers can be listed under the heading, "Small Beginnings." The Mayflower was a small boat just 113 by 26 feet. There was a total passenger list of 102 men, women, and children. Plymouth Rock is a very small stone.

Our great country had a very small beginning. But God has a special way of handling the little, the small, the insignificant, the minute. He turns them into great things. The Child becomes the Savior of mankind. The mustard seed represents a tremendous faith. The Twelve Disciples multiplied themselves into an endless line of followers.

To say our country is blessed is to repeat a statement that has been said again and

again. One can almost see the yawns of boredom beginning. But it is! We had better not become too smug about it. We don't really deserve to have it so good. I can't remember the last time I've read of an American dying from hunger. Our country has been blessed by God even greater than it deserves.

From a humble beginning we have become a land that excels in blessings. Gratitude is our only acceptable response. Sure food is higher this year, but we are still eating three "squares" a day. Life may not be as good as it was five years ago, but it is still plenty good.

On Thanksgiving Day with the turkey, football games, and parades, take time to count your blessings. It will

take you at least a half-hour just to list them all. Take another thirty minutes to thank and praise the God who produced so much for

us. From some very small and humble beginnings we have grown into a nation that should find a Thanksgiving Day most appropriate.

surprised to learn that only one action had been brought against Hooker. That was by the DEC which is negotiating with Hooker to institute a monitoring program around the Hicksville plant.

Rep. Lent requested Attorney General Abrams to report as soon as possible the status of the charges which DEC referred to the Attorney General's office more than two years ago.

## THANKSGIVING

**For A Legacy That  
 Makes Us Americans**

There's a lot to be re-  
 membered on this holiday.  
 A glance at American history  
 proves that it's so.

Hardships overcome by  
 men who sought freedom.  
 A new nation founded through  
 vision and dedication. For  
 then and for now... let us  
 join and be thankful.
