"Mister Hicksville" — "A Most Happy Fellow" — "A Wonderful Guy" — these phrases identify Mr. Frank Chumsky who celebrated his 96th birthday with the Hicksville Kiwanis Club at its weekly meeting on December 2, 1981.

Over the years, "Uncle" Frank has served Hicksville in many capacities. Among them, and these are just a few, were: many years as President of the School Board; Town Councilman; Local Coordinator for the Salvation Army; President and Lieutenant Governor of Kiwanis; Secretary of the

Hicksville Chamber of Commerce; during World War One he was in charge of sending packages to the Hicksville Servicemen, all of whom he knew by name.

Hicksville has been blessed to have a man like Uncle Frank working for, and in, the community all these years.

In the photo, Uncle Frank is getting ready to blow out the candles on his birthday cake, as Kiwanis President Charles Montana, Jr., on the right, and Joseph Oliver, on the left, wait to join the club members in singing Happy Birthday.

Fire Destroys Old Administration Building

The Hicksville School District's former Administration Building at 265 Newbridge Rd., Hicksville, was destroyed by fire early Sunday, Dec. 6. Fire official said the apparent cause was arson. The general fire alarm rang in to Fire Headquarters at 1:51 a.m.

Upon arrival, Chief Richard Kershow, reported the entire basement was afire. A police officer reported that the building's rear door was forced open. Repeated attempts to enter the inferno failed. Firefighters then applied high expansion foam, but flames spread up through the open wall spaces and ignited the roof.

105 Hicksville Vamps responded to the 2 alarm blaze. Mutual aid assistance was provided at the scene by Jericho firefighters. The Plainview Fire Dept. provided a ladder truck, and the Westbury Fire Dept. provided an engine to protect the district while all of Hicksville's apparatus was tied up. County Police stood by for any rescue calls.

A wind chill factor in the teens, high winds, heavy smoke hampered Vamps. Nine men were treated at the

scene for smoke inhalation. Chemicals from school labs, stored in the building, gave off toxic fumes and blue flame.

On Oct. 13, a fire bomb was thrown at the building, Hicksville Vamps quickly extinguished that blaze. Yards away, once stood the "press box" behind the grand stands. On Jan. 25, 1980, an arson-caused blaze destroyed the structure at a loss of \$10,000.00. In July of this year, after being rebuilt, it was destroyed again. It was leveled. In 1980, there were four arson fires in the Sr. High School, this year there were also four arson-caused blazes.

The County Fire Marshals investigators are working on the case. Vamps secured at the scene at 6 a.m.

The Hicksville Fire Dept. Ladies Auxiliary provided food and beverages at the scene.

Cold Weather Shrinks Open House Attendance

The Annual Hicksville Fire Dept. Open House on Dec. 6 suffered due to cold winds. A normal attendance of 3,000 to 5,000 was down this year to 1,000. Santa was on hand to greet the dm kids and demonstrations and displays

Hicksville Vamps mount two-pronged attack on raging fire in basement, but open wall spaces helped spread the fire rapidly to the attic.

were provided for safety information.

On display outside was the new apparatus of Independent Engine & Hose Co. 2. The apparatus was originally ordered by the Boston, Mass., Fire Dept. but a bond issue failed and Hicksville Fire Commissioners, informed of the availability, moved to purchase the apparatus with a few changes made by Co. #2 Truck Committee. The purchase represents a considerable saving for Hicksville taxpayers.

After drivers are trained, the truck will go into service at the Briggs St. Fire Station.

Fire Dept. Elects For 1982

The new officers of the Hicksville Fire Dept. for 1982, elected Dec. 3, are as follows:

Chief, William Donlon; 1st Asst. Chief, Owen W. Magee; 2nd Asst. Chief, William Schuckmann; 3rd Asst. Chief, Gerard O'Brien; Rec. Sect., Michael Kruppenacker; Corres. Sect., Harry Palmer; Fin. Sect., Richard Humann; Treas., William Stanley, Jr.; Sgt.-at-Arms, Melvin Voorties (ex-Chief.)

Chief of the Dept., Richard Kershow, will step down in January after four years in office as Asst. Chief and Chief.

Hicksville's Loss At Pearl Harbor

By Dick Evers

Hicksville had a special reason for "remembering Pearl Harbor" on the fortieth anniversary of the Japanese attack upon the December 7, 1941 base of the United States Pacific Fleet. One of the community's sons died that day, the first of 19 Hicksville men to lose their lives in the great conflict that was to follow.

Private First Class John Haughey, son of Mr. and Mrs. John Haughey of Third Street, who graduated from St. Ignatius Parochial School and with the Hicksville High School Class of 1940, was serving with the regular Army Air Force at Hickham

Field when the base was also a victim of the December 7th surprise attacks. John was initially reported as missing in action, but his death from wounds was later confirmed.

The shocking news of the Japanese attack on Pearl Harbor and other military installations reached Hicksville and much of Long Island shortly after noon, on a bitter cold Sunday, in the form of a brief radio bulletin. Later in the day, fuller details were broadcast. Many Americans had only vague or no idea of where Pearl Harbor was. Most people understood, however, that World War II had finally caught up with the United States.

THE GRAVE in Hawaii of John Haughey of Hicksville who lost his life in the Japanese sneak attack on Pearl Harbor 40 years ago. William L. Geyer, on a visit to the Islands took this picture. When World War II had concluded, a total of 19 Hicksville young men had given their lives at various parts of the earth.

Annual Messiah Sing-In

The Hicksville Community Chorus will sponsor its annual "Messiah Sing In" on December 13, at 2:30 P.M. in the Community Room of the Hicksville Public Library. All choristers are invited to bring a musical score of the "Messiah" and come and sing the Christmas portion

Hicksville Fire District Vote

In the recent Hicksville Fire Dept. election held on Tues., Dec. 8, the votes were as follows:

For a five year term for Fire Commissioner, Mike Palmer was elected with 635 votes and his opponent Joe Gardina received 411 votes. On the proposition, (selling of one of the old fire trucks) 423 voted yes and 90 voted no.

plus the Hallelujah Chorus. Sing-ins are a relatively new concept in choral performance. There are many singers who are not regular members of choral groups but love to sing the great choral masterpieces during the holiday season. Sing ins provide this opportunity. The

Hicksville Community Chorus has sponsored a "Messiah Sing In" for several years, thus providing a public service as well as a performance outlet for its members.

William Goleek, founder and director of the Hicksville Community Chorus, will conduct the Sing In. Soloists will be: soprano, Susan

Rosen; contralto, Deborah Litwak; tenor, William Reynolds; bass, Edmund Tompkins. Mary Elizabeth Laforre will be the accompanist and will also play the overture and Pastoral Symphony, a new part to the program.

The soloists are all Long Island residents who are ac-

Another Hicksville celebrating her birthday was Cherie Steers. On Cherie's birthday, November 22, her husband, Connie, made this a truly special day for his wife. Connie is the Senior Vice Commander of the Veterans of Foreign Wars in Hicksville. Best wishes, Cherie, from your family and friends.

Peter Calvanese, Hicksville, and Susan Fiorello, Sheephead Bay, are newly engaged to be married. A summer wedding is planned. Peter is a law student at Hofstra, and Susan is employed at Smith Barney. Investment firm (you know, the firm that says they "make money the old fashioned way—they earn it"). Susan and Peter were

the recipients of a lovely engagement party held at the Holy Ghost Council reception hall. Peter's parents are long-time Hicksvillites, Mary and Vincent Calvanese, and Susan's parents are Cathy and Joe Fiorello.

The Murphy Clan certainly had reason to celebrate this Thanksgiving week. Linda Murphy (wife of Bill, Jr.) celebrated her birthday on November 26; Bill Murphy, Sr. celebrated his birthday on November 27; and his daughter, Pat (nee Murphy) Shea celebrates her birthday on November 28. A family birthday party was held for the celebrants at Linda and Bill, Jr.'s home on Boxwee Lane, Hicksville. And

Thanksgiving dinner was held out in Selden at Tommy Murphy's home. Mom, Hilda, didn't have to do any cooking at her house for these parties—she just relaxed and enjoyed.

Congratulations to Kevin and Cele Kremler upon the birth of their third child, Carolyn Carolyn joins her sister, Elizabeth, (4); and brother, Kevin (2) at 58 Princess Street, Hicksville. Kevin and Cele moved back to Hicksville a year ago to the same block where Kevin was born. The Kremblers are a prolific family—grandparents Anne and Frank Kremler, not only raised Kevin but seven other sons and one daughter—nine children in all. Little Carolyn was Baptized November 15 in St. Ignatius Loyola R.C. Church. A party was held in her honor and her great grandmother, Frances Martin, was just one of many guests.

Hicksvillite, Ed Boyens, received an award from the New York Executive Department, Division for Youth. The award was presented to Ed in recognition of outstanding devotion and dedication to

the youth of New York State. Congratulations, Ed.

Marguerite De Bella's daughter, Judy Manning, spent nine delightful days vacationing with her family friends in Hicksville. Judy resides in California and works in Los Angeles. Marguerite was so happy to see her father and spend some time with her.

And a big "happy birthday" to Bob Schmeek who celebrated his birthday on November 23. His wife, Carol, held a family party for Bob. Best wishes, Bob.

Congratulations to Adell and Town of Oyster Bay Supervisor Joseph Colby who celebrated their 32nd wedding anniversary on November 23. May you share many, many more wonderful years together.

Another anniversary was celebrated by Hicksvillites, Beverly and Jerry Weber. On November 18 this lovely couple was married 25 years. Best wishes to you both for another 25 plus 25 years of marriage.

On the other side of Hicksville, Bill and Margaret Buchman celebrated their wedding anniversary on November 16. Bill and Margaret are very active in civic and community affairs in our community. They have two daughters, Carol and

Lydia, who reside in California. Congratulations, folks.

And now for the birthdays. Marie Franzese had a special birthday on November 28—it was her 21st. Marie's parents, Anita and Tony, helped make this a memorable birthday for their daughter. Best wishes, Marie.

December 7 is a memorable date for all of us, but it holds particular significance for Frank Jopp, Hicksville, whose birthday falls on that date. Frank and his wife, Betty, celebrated his special day together. Love from your family, friends and neighbors, Frank.

John Bardenhagen's residence was a festive one recently. November 23 was John's birthday; November 26 was Thanksgiving Day; and November 29 John and his wife, Marge, helped their daughter, Janet, celebrate her birthday. Congratulations to you both.

Gerri Geoffrey, daughter of Mr. and Mrs. N. Geoffrey of Briggs St., Hicksville, graduated on Nov. 23 from Island Technical and Drafting Institute and became an Electro-Mechanical Drafter. The family celebrated by having a graduation dinner for her and some of her close friends. This is quite an accomplishment, as this field is dominated by men. Congratulations.

Dona Lynch, daughter of Mr. and Mrs. Anthony Nocerino of Hicksville, participated in the 18th Annual Hemisphere Competition hosted by Mt. Airy Lodge, Mt. Pcono, Pa.

represented New York in the model division. \$250,000 in scholarships, United States Savings Bonds and prizes were awarded in the Hemisphere Beauty Pageant. She is a 1977 graduate of Hicksville H.S.

Legislature Overrides Carey Veto

All our local state legislators have hailed last Thursday's legislative override of S.7000-A — the "Homeowners bill" — as a "Victory for Nassau County's — and all New York State's — homeowners, saving them from Full Val-Hugh Carey's attempt to foist upon them the doubly onerous tax burdens of 100% Full Value Assessment."

Supporting enactment of S.7000-A, County Executive Francis Purcell had urged Governor Carey "to sign this measure into law immediately so that we can finally remove the sword of Damocles that has been hanging over homeowners' heads since 1975." Abe Seldin, Chairman of the Nassau County Board of Assessors had indicated, "Should S.7000-A be signed into law, it is our intention to continue using the same assessment practices that we have been using prior to the Hellerstein decision."

Enactment of the bill was especially important to Nassau County, which had been under court order to reassess — an order which had been temporarily stayed pending the outcome of last week's Special Legislative Session — and to Brookhaven Town in Suffolk County, which was ordered by the Court to reassess following Carey's veto. S.7000-A has the effect of nullifying those court orders, allowing Nassau County and Brookhaven to continue their present methods of assessment.

The Nassau County Republican delegation, working closely with Chairman Seldin, established clear legislation intent on these points by the following questions raised on the floor

by Senator Levy and answered by Majority Leader Warren M. Anderson:

SENATOR LEVY: The first question is, Will Senate 7000A if signed into law by the Governor reverse the present court order requiring Nassau County to reassess its real property?

SENATOR ANDERSON: Yes. And the reason is that we are repealing Section 306 by the very act before us.

SENATOR LEVY: Thank you, Senator. The second question is, under the language of 7000A, will Nassau County be able to continue its present method of assessing real property based on construction cost?

SENATOR ANDERSON: Yes.

"Experience in Islip and other areas has shown that implementation of 100% full value reassessment has caused disastrous shifts of real property tax burdens from business and income-producing properties on to the backs of homeowners — forcing some people literally out of their homes — a fact that the Governor totally failed to understand, or chose to ignore, both in his veto and in his subsequently offered, totally unacceptable so-called "compromise bill." Levy, Dunne, D'Amato and Mazza stated.

"In addition to that tax burden shift, all of the state's taxpayers would have had to shoulder the additional heavy bureaucratic costs of total reassessment and continuing updating inherent in any move to statewide full value." the lawmakers further explained.

"The victory for the homeowners was made possible,

in large part, through the tireless efforts of the many civic leaders who carried the message of "repeal full value" far and wide — first in support of the Padavan-Esposito bill — and subsequently, in the negotiations leading to the successful adoption of S.7000-A, which includes the provisions of the original Padavan-Esposito bill and further puts in place additional provisions, carefully drawn by experts in real property tax law, aimed at protecting homeowners from tax burden shifts between or within different property classes should a local assessing unit reassess at a future date.

"We are grateful for the efforts and support of these dedicated, knowledgeable lay people through the six year long struggle to achieve an equitable and sound solution which restores stability to the State's Real Property Tax System," Levy, Dunne, D'Amato and Mazza underscored.

The major provisions of the bill as they would have affected Nassau County are: 1) the repeal of the long ignored two-century old Section 306 of the Real Property Tax law which requires that "all property in each assessing unit shall be assessed at the full value thereof"; 2) an affirmation that "the existing methods in effect in each assessing unit may continue"; 3) the provision for fractional (not full value) assessment as is presently used in Nassau County; and 4) the protection for homeowners from having tax burdens shifted to them from business and other income-producing property under the "same share-of-the-pie" provisions.

"The Creation"

On Saturday, December 12, at 8:15 p.m. the Long Island Singers Society, with orchestra, will present Franz Josef Haydn's **THE CREATION** at the newly restored Wunsch Arts Center, 1 Forest Avenue, Glen Cove.

Conducting will be Clara Burling Roesch. Appearing

as soloists are Penelope Herdt, soprano; Bess Whitehill, soprano; Jonathon Rigg, tenor; and Peter Atherton, bass. Staging of the production has been directed by Janet Bookspan, with dramatic lighting effects planned throughout the performance.

A free, pre-concert carol sing will begin at 7 p.m. Tickets for the performance will be available at the box office, and will be \$5.00, \$3.50 for students and senior citizens.

Nassau's Unemployment Rate Lowest In The State

By County Executive Francis Purcell

Something is happening in Nassau County. Five years ago, in October of 1976, Nassau County's unemployment rate was 11.0 per cent, one per cent higher than the state average, and higher even than New York City's 10.9 per cent. Six years ago, in 1975, there were 3.1 million square feet of vacant industrial space in Nassau County, the highest ever recorded, and new construction was virtually at a standstill.

But all that is turning around dramatically. The October, 1981, unemployment rate for Nassau County was 4.6 per cent **THE LOWEST IN THE STATE**. New York City's was 9.3 per cent. The statewide average was 6.7 per cent. In 1981, there were only 704,296 square feet of empty industrial space, a 77 per cent reduction from 1975, and a 49 per cent drop from 1980. That means that 99.5 per cent of the county's nearly 48 million square feet of industrially zoned building space is now being used. And

beyond that, more than one million square feet of new industrial space have been built since 1978, with another 723,000 square feet now under construction.

There is also a boom in office construction. More than 1.8 million square feet of office space are now being built at Mitchel Field. There will be five million square feet there when all existing plans are completed. More than 3.5 million square feet have been built at other locations throughout the county. All this construction means jobs for county residents.

Why is Nassau County booming while other parts of the nation, and even the region, are sliding downhill into recession? What does it all mean for the long haul?

We are living through a phenomenon that economists will look back on a decade from now with wonder. We are living through the dynamic disengagement of Nassau County's economy from New York City's. That does not mean we are totally

independent of New York City. Some 80,000 people still commute there daily to work. But 91,000 went to Manhattan 10 years ago, and 108,000 worked there 20 years ago. As business grows and expands, more and more of our people are finding jobs right here at home. Slowly, gradually, almost imperceptibly, Nassau County is becoming an economic entity in its own right instead of an economic appendage of New York City.

I think we are also witnessing the beginning of the end of the industrial and business flight to the Sun Belt. More and more businessmen are recognizing that the grass is not necessarily greener south of the Mason-Dixon line. More and more are realizing that they can find just what they want in Nassau County — the amenities, the established communities with excellent public services, the skilled workers, a quality of life unmatched anywhere in the United States.

Holiday Hazards Can Be Avoided

Some 15,000 fires were reported last December in New York and on Long Island, according to area fire officials. While causes varied, officials say the holiday season brings increased fire risk from improper use of Christmas trees, Christmas lights and decorations, the careless use of fire and overloaded extension cords and outlets.

Nationally, some 82,000 fires, amounting to close to \$340 million in property damage, were reported by the National Fire Data Center last December.

Safety engineers at Underwriters Laboratories, the 87 year old, not-for-profit organization testing for public safety, say many of the fires could be avoided.

Before placing lights on a tree, say UL engineers, inspect them for cuts or breaks in the wiring. Discard bulbs that are damaged or bulb sockets that show exposed metal parts. Test lights on a non-flammable surface to be sure they are operating properly.

UL engineers point out that, over the last several years, there have been many improvements in the lights. For example, all UL Listed midget light strings now have their own fuses.

UL engineers also recommend using only non-flammable Christmas tree ornaments. Paper and cardboard decorations burn quickly and can contribute to the spread of fire.

Extension cords and Christmas lights should never be connected to outlets where the fuse or circuit breaker is more than 20 amperes. Using higher rated fuses could lead to an electrical fire, UL engineers warn.

Real Christmas trees should be "green" when purchased and should be kept for only about two weeks. Keep the base of the tree in water and make sure the tree is away from any source of heat, such as base board heating, a fireplace, wood or coal stove, or electric space heater.

UL engineers also warn that care must be taken with flameproof artificial trees. Faulty light strings can overheat and melt some plastics. The flaming plastics might then drip onto carpets or other flammable objects under the tree.

UL engineers emphasize that Christmas tree lights never should be placed on a metal tree. If an electrical wire becomes exposed, it might electrify the entire tree and cause a potentially fatal shock.

UL engineers urge installation of smoke detectors, and say every home or apartment should have at least one.

In NYC smoke detectors will be required in all multifamily and new single family dwellings as of January 1, 1982.

The detector should be tested weekly and the battery replaced regularly, according to the manufacturer's operating instructions.

Dear Friends...

ON CHRISTMAS WEEK, the Herald publishes its annual Double Issue, which requires that our news copy and ad deadlines be brought forward until Tuesday, Dec. 22 at noon. Also, we do not publish on the last week of the year. So, publicity chairpersons, please remember both the early deadline and the double issue and let us have your news for the two holiday weeks by Tuesday, Dec. 22 at noon and we'll do our best to include it in our Holiday Issue.

ANOTHER REMINDER...indistinct pictures will not reproduce on newsprint. Please look the pictures you plan to submit to us over carefully to see if they are clear enough for us to use.

One more thing...as is our usual custom, we will withhold your name from any LETTER TO THE EDITOR that you submit for publication, if you so request...but unsigned letters are never considered for publication.

THAT'S ALL for this week. Stay well, and remember what Christmas really means, as you busy yourself with holiday preparations.

tive in the field of music in various ways. Soprano Susan Rosen will be singing with the chorus for the first time this year. She lives in Northport and has been active as a soloist in the Huntington area. She recently became an active singer with "Opera On the Sound" and will be heard with that group in the near future.

Deborah Litwak will once again be the contralto soloist. Miss Litwak is a former faculty member of the Hicksville Music Department and is presently teaching at Kennedy High School in Bellmore. She has appeared as the lead in several musical comedies on Long Island, one of the most recent being Marian the librarian in "Music Man".

The tenor soloist will once again be William Reynolds who directs the choruses at Division Avenue High School in Levittown and is also musical director of the Babylon Choral. Not only will Mr. Reynolds sing the opening tenor solo but will also assist Mr. Golee in the conducting.

Edmund Tompkins has been active for some time as a church soloist on Long Island and has also been the bass soloist in many cantatas. His rich bass voice brings great meaning to the solos in the "Messiah".

The admission to the "Messiah Sing In" is free and will include a reception following the program. Even if one comes only to listen and not to sing, all are cordially welcome.

School Budget Committee Meets

The Hicksville Budget Committee met at the Administration Building on Monday evening, December 7, to discuss the 1982-83 school year budget. The committee, chaired by Mr. Lawrence Wolfson of Barry Drive, and attended by 12 committee members, reviewed the proposed equipment and capital purchases.

School administrators were on hand to substantiate their requests.

Mr. Wolfson set the next Budget Committee Meeting for Monday, January 11, at 8:00 P.M. in the Administration Building. The public is welcome to come and participate.

At The Town Board Meeting

By Sheila Noeth

At its regular meeting held on Tues., Dec. 1, the Town Board of the Town of Oyster Bay acted as follows on the following local matters:

- they approved Resolution No. 852-1981 increasing the compensation for Commissioners of Improvement District, in this case, the Hicksville Water District from \$40. a day to \$60. a day, in compliance with the New York State Law to do this. Each district must apply separately.

- they approved Resolution No. 853-1981 renting 125 parking spaces to Mr. Tille, who is building the new Manufacturers Hanover Bank Building, at \$200. per space per year, for his employees.

- they approved Resolution No. 854-1981 directing the Town Clerk to advertise notice of a Jan. 26, 1982 hearing on the petition of the Robert H. Davidson Servicing

Corp. for a change of zone from Res. C. to Bus. F District to construct an office building on the east side of Hicksville-Jericho Rd (North Broadway, north of Village Drive in JERICHO).

- they approved Resolutions No. 855-1981 and No. 856-1981, amending the capital program of the Town for Special District in 1981 for improvements, to increase the cost of improvements to the Hicksville Parking Structure on Duffy Avenue not to exceed \$143,000. AND, they directed the Town Clerk to advertise a notice of a Dec. 15 hearing on this matter.

- they approved Resolution No. 861-1981 authorizing a Town consultant to review bids on County Sewer Contract No. DRH79-4705...the improvement of Blueberry Lane area in HICKSVILLE.

- they approved Resolution No. 864-1981 relating to

the final acceptance and payment of \$123,470, the total cost of Contract No. DPF80-218, the construction of two new commuter lots of West Barclay Street in HICKSVILLE.

- they approved Resolution No. 869-1981 relating to the request for a waiver of Building Code requirements by J. Speigel on property located on Route 107, known as the Farmers Market, concerning two 8' x 17' buildings asking that they be approved as frame buildings in an industrial zone. This approval was contingent upon the installation of sprinkler systems and other necessary code regulations.

- they approved Resolution No. 871-1981 directing the Town Clerk to advertise notice of a Jan. 26, 1982 hearing on the petition of Salvatore J. Presti and J. Marc Sugarman, doing business as Baysep Associates, for a

change of zone from Res. B. to RO-Residence-Office District on the west side of South Oyster Bay Road north of the intersection of Garden St and South Oyster Bay Road in HICKSVILLE.

- they approved Resolution No. 883-1982 approving a revised site plan of the application of Stephen J. Haenel for a special use permit granted by Resolution No. 94-81 for a roller skating rink on Underhill Blvd. in SYOSSET.

- they approved Resolution No. 884-1981 relating to Planning Advisory Board Resolution No. 1-1980 requiring two parking spaces in front of the new one-story office building located on Newbridge Road in HICKSVILLE, known as the Tille Building.

The next Town Board meeting is set for Tues., Dec. 15 and will be the last meeting of 1981.

A Message From Sup. Colby On Full Value Assessment

For years homeowners in Nassau County and Oyster Bay Town have been faced with the threat of two court decisions which have had both actual and potential adverse impact on our pocket-books.

One decision would have required full value assessment on all property and would have shifted the tax burden onto homeowners and away from commercial property. Another decision would have made it much easier for commercial property owners to go to court and have their assessment reduced.

Last week the New York State Legislature had the courage of its convictions, and overrode the Governor's veto of their compromise

legislation which should allow us to continue with the current assessment system and stop the onslaught of commercial property assessment reductions in Nassau County.

In Nassau County, full value assessment had been put off through moratoriums enacted by the Legislature as they attempted to deal with the issue. However, court actions permitting commercial assessment reductions have already taken their toll. The Legislature's success in overriding Governor Carey's veto of the compromise legislation addressing both of these critical tax issues means that homeowners should no longer need to fear the threat of drastic assessment increases and that the

clock has stopped on commercial assessment reductions.

The Legislature's compromise bill may not be the best answer, but it does represent a significant step in the right direction. I would have preferred to see included in the legislation a homestead exemption which would have provided an immediate reduction in the amount of real property taxes paid by homeowners. Although this provision was not included in the compromise, the bill does, in fact, clearly address the two other issues that had created an assessment crisis in New York State.

The compromise legislation is not an end all, nor will it please all parties concerned. But it will have the

effect of protecting homeowners in Nassau County and the Town of Oyster Bay.

Santa Claus is coming to our town! He'll be at our December 11 Club meeting, VFW Hall, 320 South Broadway, Hicksville, 8:30 p.m. Santa will have a bag of goodies and you can have one if you bring a \$2.00 gift for someone else. There will be mirth and merriment for all to enjoy. Refreshments will be served consisting of chicken, rice ziti and other delectables - all prepared by chef Arnold Melton. Don't miss a fun evening join with us in celebrating the holiday season.

As of December 1st, President Reagan's Economic Recovery Program has been in effect just two months. Congressman Norman Lent believes this is a reasonable time to make a first assessment of the effectiveness of president Reagan's plan and we do, too.

Contrary to the politically motivated cries of horror and doom from such political opponents of the President as big labor bosses and the Democratic leadership in the Congress, the first two months show significant progress for the program. Prime interest rates, which had peaked at 21.5%

during President Carter's final days in office, are down to 16% as of this writing. Still too high, it is true, but the downward trend is important.

Inflation rates are also coming down. In fact, the November report of the Consumer Price index revealed that the inflation rate has dropped so much that 1981 will be the first year without double digit inflation since 1977! And the trend continues downward.

Additionally, despite the effects of a recession, reported Lent, our Nation's productivity has begun to climb - also for the first time since 1977. This is progress. The President's Economic Recovery Program is working as it was designed to do. However, the Reagan Administration did not promise a quick cure or a painless recovery. But we are on the right road. It's clear from President Reagan's recent veto of the Democrats' budget-busting continuing resolution that the President is determined to stay on that road. He is determined to keep federal spending under control and stick to his economic recovery pro-

gram. Let's continue to support his program.

In the October 1981 issue of the "Town of Oyster Bay News," some interesting information was provided on where and how our tax dollar is spent. This year in the Town of Oyster Bay, 57% of the taxes collected will go directly to local school districts. This represents over half of our tax dollar and is disbursed to the school districts according to the tax rates set by locally elected school boards.

A little more than one-fourth of our tax dollar goes to the County of Nassau. The County General Fund will receive less than half that amount, while the majority will go for Police District services, the courts and the community college.

Special districts receive 12% of our tax dollar. Special districts include fire protection, water supply, sanitation collection, etc. Check your computerized tax bill, it will show the various special districts that provide services in your area. Many of these districts are governed by locally elected boards of com-

Hicksville AOH Marks 24 Year Installs New Division Officers

By Jim Cummings

Edward Gillespie of Hicksville and Mrs. Maureen Lewis of Syosset were installed in a joint ceremony as the respective presidents of the Commodore John Barry Division (Green Berets) Ancient Order of Hibernians, in an impressive ceremony held at Monsignor Bittermann Hall of the Joseph Barry Council Knights of Columbus, saluting the twenty-fourth (24) year of the Division's involvement in the Hicksville community. Sharing the honor of installing the Officers were Dave Henshaw of Lynbrook, Nassau County Board President and Marie O'Neill, of Valley Stream, President of the County Ladies Auxiliary.

Elected to serve with Edward Gillespie, who is proud of his County Donegal heritage were: James (Mayo) Mills, Vice-President; Martin (Kerry) Ross, Recording Secretary; James O'Connell,

Treasurer; Eugene Harty, Marshall; Al McGrane, Sentinel and John Frawley, Chairman of Standing Committees.

Auxiliary Officers installed were: Maureen Lewis, President; Kathleen Leahy, Vice-President; Teresa O'Reilly, Recording Secretary; Dorothy Kenny, Financial Secretary; Jean Clark, Treasurer; Mary Wanser, Historian; Patsy Cowan, Chairman Catholic Missions; Rosemary Jones, Chairman Catholic Action; Ruth Raftery, Chairman Standing Committees; Teresa Darney, Mistress of Arms and Rita Walsh, Sentinel.

In his remarks, President-elect Gillespie pointed-up the highlights of the Division during the past twenty-four (24) years and indicated his strong support for the works of the Ladies' Auxiliary. He plans to conduct joint-meetings on special community projects with the Auxiliary, and Mrs. Lewis of Syosset offered the full cooperation of the Auxiliary

unit as the Division eyed its 25th year celebration (He has appointed Pat (Tipperary) Cowan as Sports Chairman for the visit next June of the Tipperary Gaelic Football Team, which will be another "First" for the AOH Town of Oyster Bay, and Nassau County.

President Gillespie expressed his thanks to the membership and to Past President Edward Byrnes and his staff.

Following a short recess, Past President, Lydia Campbell, of the Hicksville Ladies Auxiliary turned the gavel over to Marie O'Neill, Nassau County President for the installation of new officers.

Both Dave Henshaw County Board President and Marie O'Neill praised the leadership of the "Green Berets" of Hicksville, who set the way for the many Irish cultural events and programs that are heralded by the State and National Board.

Past Presidents of the Ladies Auxiliary sharing the happy occasion were Lydia Campbell, Rosemary Jones, Bridget Sweeney, Eileen O'Sullivan, Jean Clark, Peggy Donovan, Kay Roemer, and Dolores Cummings, Division Organizer and first president.

Sharing the dias with the County President were past presidents, Edward Byrnes, Patrick Dowling and Jim Cummings, also a past County Presidents, Edward Byrnes State Director and NY State Chairman of Public Relations. It has been twenty-four (24) years since Edward Quinn, John Finnegan and your reporter met to organize what is the most vibrant Division among the more than ten groups that cover our Irish-culture year round. SINGING BOYS AT HOLY TRINITY: Hearing The Singing Boys of Long Island is always a treat. These young male singers, under the direction of Gerald Barker and accompanied by Herbert Bradensten, will sing at Holy Trinity Episcopal Church this Sunday, December 13, at 5 P.M. at the annual offering of the Service of Nine Lessons and Carols. The presentation of this Advent Service has become a

tradition at Holy Trinity Church. The Service of Lessons and Carols is non-denominational, but is an excellent preparation for all Christian believers for the Christmas celebration. Members of the community are cordially invited to attend this service and hear The Singing Boys of Long Island. Holy Trinity Episcopal Church is located at the corner of Old Country Road and Jerusalem Avenue, Hicksville.

Featured In Eglevsky's Nutcracker

Susan Bainsnon, an eleven year old Plainview resident, has been selected to dance in this year's holiday performances of "The Nutcracker" with the Eglevsky Ballet at the new C. W. Post Concert Theater from December 26 through January 1. Ms. Bainsnon, who was also in last year's performances, has studied ballet for over five years.

She attends the Plainview-Old Bethpage Middle School and is in the 6th grade.

The Eglevsky Ballet's Nutcracker, which has become a holiday tradition to Long Islanders of all ages, has been widely acclaimed by New York newspaper critics as "a handsdown winner... an enjoyable production... Lucky Long Islanders, who don't want to

fight the ticket and traffic hassle for Lincoln Center, can still see this high-level professional production...."

Beethoven To Visit HHS.

The Division of Humanities, Department of Comprehensive Arts, has just completed arrangements with Ludwig van Beethoven, the noted composer, to be present at Hicksville Senior High School for the celebration of his 211th birthday anniversary on Wednesday, December 16. It is anticipated that Beethoven will meet with selected classes throughout the day, discussing his life and his music, and performing excerpts from a number of his works.

In the afternoon, Beethoven will be honored at a gala reception in the High School Library/Resource Center. He will remain for the Comprehensive Arts Department's "A Night at

the Arts," which will be held in conjunction with the Hicksville Board of Education meeting that evening. Beethoven will be available to discuss aspects of his work with community members prior to the evening concert, which is dedicated to him.

The Humanities Division is the newest branch of the Department of Comprehensive Arts. The Senior High School Humanities Team, working under the auspices of an ESEA Title IVC grant, is developing an innovative program of study in the Humanities, combining English, Social Studies, Philosophy, and the Arts, for implementation during the second semester of the current year.

Gifted Committee Meets Gifted Child

The Hicksville committee for gifted and talented children, chaired by Mrs. Charlene Anci of Boblee Lane, met to discuss the curriculum for the newly implemented intermediate grades gifted and talented program in Hicksville's elementary schools.

The occasion was highlighted by the introduction of Gregg Greenberg, a student at Burns Avenue

HASC Elects

The following officers will be in office for the Hicksville American Soccer club for the year 1982: President - Charles E. Frattini; Vice President - Imre Tandy; Treasurer - Mike Kanuck and Secretary - Janet Jennings.

Elementary School, who was awarded first place for his poem which was selected from 5,000 competing Nassau County 5th and 6th grades by the American Red Cross. He recited his poem for the enjoyment of the 45 committee members present.

Dr. Heidi Jacobs, consultant to Hicksville Schools on gifted and talented education, gave a presentation on the curriculum to be presented in the current Hicksville program which was followed by questions from the audience.

Mrs. Anci anticipates that the next gifted and talented committee meeting will be in January. The public will be notified of the forthcoming meeting and invited to attend.

Mt. St. Helen's Slide/Program

On May 18th, 1980, the world experienced one of nature's awesome phenomena, the eruption of Mount St. Helens in Washington State. In the space of minutes the symmetry of Americas' Fuji was destroyed as a side of the snow-capped peak blew skyward or collapsed in an enormous land slide. Ash from the explosion mushroomed skyward and then, borne by air currents, was carried around the globe.

This epic natural event is the subject of a slide lecture program scheduled for Saturday afternoon, Dec. 12, at 2 P.M., at the Hicksville Gregory Museum.

The Museum has obtained

truly spectacular pictures of the eruption, and cordially invites the public to see these informative photographs. Hicksville residents will be

admitted free, as will any senior citizens. General admission will be: adults \$1.25; children 75c; family maximum is \$4.

Hicksville Board Of Education Meeting To Feature "A Night At The Arts"

The Wednesday, December 16 meeting of the Hicksville Board of Education, to be held at the Senior High School Little Theatre, will host "A Night at the Arts," an educational presentation by the Department of Comprehensive Arts. This event, representing the conclusion of a day-long celebration of Ludwig van Beethoven's birthday anniversary, will serve to focus community attention on the newly-formed Comprehensive Arts Program, currently encompassing the areas of

Dance, Drama, Home Arts, Humanities, Industrial Arts, Music, and Visual Arts. The presentation, conveying the spiral, conceptual curriculum structure being implemented in the Comprehensive Arts, will begin at 7 PM at the High School with a series of informational exhibits and demonstrations in several of the Comprehensive Arts areas. Specific creative efforts by children in the Hicksville Schools will be used as examples. At 7:30, a concert of approximately 60 minutes in length, again illustrating the conceptual

approach, will begin in the auditorium. The Old Country Road School Band, the Senior High School Stage Band, and a special tribute to Beethoven, who will be present, will be included.

Attendees will be provided with a booklet explaining the Comprehensive Arts approach, as well as a program for the evening's events.

Additional information may be obtained by contacting the Department of Comprehensive Arts at 733-2090.

"The Birth Of Christ"

The Choral Club of Roanoke Bible College, Elizabeth City, NC, under the direction of Professor Beth BonDurant, will present "The Birth of Christ" at the Church of Christ of Hicksville, 105 Broadway, on Sunday evening, December 13, at 7:00 p.m.

Traditional and contemporary songs and scripture comprise the hour-long program, sung entirely from memory.

Roanoke is a ministerial

training school of the Churches of Christ and Christian Churches. The 15 young men and 29 young women in the chorus are preparing for full-time Christian service or obtaining a Bible foundation prior to entering other fields of work.

The local appearance is part of a twelve-day tour taking the group through the states of North Carolina, Virginia, Pennsylvania, New York, Massachusetts and New Hampshire. There will be no admission charge.

Rogger-Nagel

Mr. and Mrs. Raymond Rogger of Churchville, N.Y. (formerly of Lee Avenue, Hicksville) are happy to announce the marriage of their daughter Janice to Mr. David Nagle of North Chili, New York on November 28. Shirley Mark was her sister's matron of honor.

Janice is an assistant professor of music at Roberts Wesleyan College, North Chili. David is employed by Air-Dee Corp. of Rochester, N.Y.

After a honeymoon in London and Amsterdam, the couple will reside in North Chili.

Attending the wedding from Hicksville were Mr. William Clark, Mr. and Mrs. William Hnatuk, Mrs. Mae Collins and Mr. Roy Schaub of East Hampton.

Happy Anniversary!

Jim and Dolores Cummings of Hicksville were the honored guests at a surprise "35" anniversary celebration held at the home of their daughter, Ann Marie Schmidt, Cedar Street, Hicksville last Saturday. Among those in attendance were their daughter, Valerie Ann Mc Carney, husband Fred and granddaughter Stacy (formerly of San Jose, California) of Mahopac, New York; son, James and his fiancée, Janice Ryan Inzerillo, of Brooklyn; sons, Michael, Kevin and Mr. & Mrs. Patrick Cummings of Hicksville, son-in-law Robert Schmidt, grandson, Bobby (who was 8 months on December 10); Mr. Vincent Inzerillo and Mr. William Ryan of Brooklyn; Margaret Murphy and Mrs. James Twobie of Astoria (she celebrates her 86th birthday next Thursday, December 17); Mr. & Mrs. Charles Ruppert of Massapequa Park; Dr. James Murphy, of Ridge-

wood; Joseph Flanagan of Levittown; Mr. & Mrs. John Twobie and daughters Joan and Patricia of Spring Valley, N.Y.; Mr. & Mrs. Al Lewis, Mr. & Mrs. Matt Brennan and their good friends and neighbors these many years: Cele and Frank Larkin; Grace & Jack Harrott and Kay & Bill Roemer.

It must have been a big surprise - because Jim had no piano with him - Congratulations!

LEGIONNAIRE'S LOG *By Artie Rutz*

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

At this point in time the registration of children for our annual Christmas Party has been closed and all final preparations are being attended to or scheduled for the December 20th date with Santa Claus at Brengel Hall. And who do you think won the Dark Horse at Monday's meeting? None other than HENRY BRENGEL. Henry read a short letter of thanks (which he found among his souvenirs) from the late Doctor Stillger sailing aboard the then splendid BERENGERIA to attend the

PARIS conclave of The American Legion in September of 1927. The letter has been given to the Post for its historical files. And did you know that the most attractive flag band on the staff of the Post's Standard is the very one Doc Stillger earned for the Post by attending and carrying our Post Colors at this Paris expedition? Ab, those were the days that Legion obligations were undertaken with zest and nothing was impossible to accomplish. Let me remind ALL MEMBERS that on December 21st we will have a business meeting at which the voting for a change in our Dues structure will take place and it is the responsibility of all to exercise their right to vote.

Too bad the thought of a Christmas Party for Legionnaires and Auxiliary never was brought up when an entertainment program was being set up. Several weeks ago I mentioned the fact that even if you have paid your Dues, you may receive another Dues notice which I said you should ignore as they were sent from National Headquarters. This was explained as we do not desire our membership to think we are trying to collect the Dues twice. However, at Monday's meeting I was shown 3 checks that the membership officer RAY GAMBLE, was returning because the Dues were already paid.

Not only did these members pay their Dues twice but apparently never checked their wallets for a paid up 1982 Dues Card as I had suggested. Welcome to the Post are new members, LAWRENCE WRIGHT, DANIEL PECHIN, JACK FRANKEL and THOMAS NICKELSON. We could

G.O.P. NEWS

use more help on the LAS VEGAS Committee so if you have free time for our monthly Saturday night Las Vegas commitments please let our chairman JACK EICHLEN know. Jack is also conducting our new numbers game and has plenty of numbers available so try and help out in this direction too. I forgot to mention our Las Vegas nites will be held on the 4th Saturday of each month in the future. To wind up 1981 we will have our annual NEW YEAR'S EVE PARTY and NOW IS THE TIME to make your reservations with our chairman, AL CINOTTI, whose phone number is 796-6268. The tariff for this year's NEW YEAR'S EVE PARTY is the remarkable low price of only \$45 per couple. How can you beat that? How can you not rush to the phone right now and reserve your very own table for the blowout of the old year? Better do it right now as tables are being snapped up in a hurry at this price and we do not have unlimited seating capacity. For the \$45 per couple you are being offered a Smorgasbord, plus free beer and each table gets a choice of two bottles. Ben Serzo will supply the music for your dancing and listening pleasure as only he can. A word to the wise... don't dally on the way to the market, as we will be offering this bargain to the general public next week and all seating will be on a first come, first reserve basis. There will be an Executive Committee meeting on Thursday, December 17th at 8:30 P.M. and all members of this committee are requested to make every effort to attend.

and standard of living we now enjoy will decline. We are confident that President Reagan's fiscal policy will heat up our economy and cook off inflation. As this occurs, there will be a positive impact on our taxes - taxes will go down while services remain the same or increase.

"Christmas Around The World"

Children of all ages are invited to "Christmas Around The World," a special pageant depicting the Holiday traditions and rituals of many nations, to be celebrated at Nassau Beach Park, Saturday, Dec. 19 from 1 to 4 p.m.

The gala event, presented by the Nassau County Department of Recreation and Parks and sponsored by the European American Bank, will culminate in the arrival of Santa by Helicopter at 3:30 p.m., when

the "jolly old elf" will distribute a sackful of Christmas candy.

Recreation and Parks Commissioner Abram C. Williams said there would be cookies and hot chocolate for all throughout the day. In addition to the pageant, the program will include music and song by the Plainview Chamber Choir, a magic show and a rousing Christmas sing-along.

Nassau Beach Park is located on Lido Blvd in Lido. For further information, call 542-4422.

University Club News

The University Club of Long Island will hold its next meeting on Monday, December 14. Guest speaker will be of Dr. Gordon F. Derner.

Dr. Derner is the Dean of Advanced Psychological Studies at Adelphi University. His topic will be "Stress Reduction."

Subsequent meetings will be addressed by Arthur Mercante, well-known boxing referee, Prof. Meyer Barash of Hofstra University, Mrs. Judith Moyers and Michael Murphy of Covenant

House.

Membership in the University Club of Long Island is open to all college and university graduates.

Meetings are held at the Hofstra University Club once a month from October to May. A cocktail half-hour precedes an excellent dinner, which is followed by an address by a well-known personality.

For further information about the Club, please contact Fred Ambrose at 1-Y9-1227 or Harry Kutner at 463-9269.

Purcell: Drop In Nassau Industrial Vacancy Shows Strong Economy

A report showing a sharp drop in the number of square feet of vacant industrial space in Nassau County was hailed today by County Executive Francis T. Purcell as "dramatic evidence that Nassau County's economy remains strong and vital."

And Purcell cited the latest unemployment figures and burgeoning construction at Mitchell Field as additional indicators of a vigorous economy.

The report, prepared by the county planning commission, and released by Purcell, shows that the amount of vacant industrial space has dropped from 1.4 million square feet in 1980 to 704,296 this year, a decrease of 646,094 square feet, or 47.8 per cent. The report which

has been updated annually since 1973, also shows that vacant industrial square footage has dropped 52.9 per cent in the past eight years, and has gone down 77 per cent from the high point in 1975.

"Our current vacancy rate is less than 1.5 per cent of the nearly 48 million square feet of industrially zoned building space in the county," Purcell said. "More use of our available industrial space means more jobs for county residents and is dramatic evidence that Nassau County's economy remains strong and vital."

Purcell added that the latest State Labor Department statistics show an October unemployment rate of 4.6 per cent for Nassau

County, the lowest in the state, "and another sign that our economy is sound and healthy."

The statewide October unemployment rate was 6.7 per cent. The New York City rate was 9.3 per cent, while Suffolk's was 4.7 per cent.

Although the planning commission report released today covers only industrial space, Purcell pointed out that 1.8 million square feet of office space are already under construction at Mitchell Field, "another indicator of a vigorous economy which is creating more jobs for county residents." A total of five million square feet is projected for Mitchell Field when it is completed.

Today's report shows that the number of vacant

industrial buildings dropped from 60 in 1973 to 42 this year. The report also shows that more than one million square feet of industrial building space have been built since 1978, when the planning commission first began tallying these data, with most of the new construction concentrated in the Hempstead Harbor Industrial Park in Port Washington. Another 723,000 square feet are under construction.

The most dramatic reduction in vacant industrial space took place within the Town of Hempstead, where vacancy dropped from 661,811 square feet last year to 153,411 this year - a decrease of 508,400 square feet, or 76.8 per cent.

Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: Skillful pilots gain their reputation from storms and tempests' Epicurus

It is truly said that Christmas is a time for heightened awareness of the divine spark that lives in every person, and that spark was certainly very much in evidence last Saturday night, when the Galileo Lodge presented its Christmas Dance. Presented under the direction of Jeff Wallick, and ably assisted by Armand Del Cioppo, this dance was a delightful experience for all those who attended, enjoying a delicious dinner with all the trimmings, pleasurable dance music and absorbing gratefully the wonderful mood of Christmas it is deeply ingrained in the makeup of the Galileo Lodge. Venerable Tony Previte wishes to sincerely thank Jeff Wallick, Armand Del Cioppo and all the others who contributed so greatly to bring this affair to its successful conclusion, and by the way, it must be noted that Jeff Wallick also extends his appreciation to

all the members who helped him. Other than to attend this dance, there was, in my opinion, no better way to welcome the approaching holiday season.

If you find relaxation in shopping and browsing, then kindly be informed that another Flea Market activity will be held on Thursday, the 17th of December, once again under the supervision of Mary Monteforte (938-9536) and assisted by Carmen Russo (931-1054). The site is the Galileo Lodge, 200 Levittown Parkway, Hicksville, from 10 A.M. to 10 P.M., with tables selling at \$10 for non-members and \$8 for members. Admission is free and refreshments will be served, and please note that all vendors are welcome. The last Flea Market held by the Ladies Auxiliary of the Galileo Lodge was so successful that by popular demand this next one was hurriedly scheduled for your enjoyment and pleasure. Incidentally, Carmen Russo and Mary Monteforte can also be reached by dialing 931-9351.

Christmas time, I would imagine, is a special time of the year. We become softer, mellower, and we come a little closer to our fellows on earth. Although the hassles of everyday living diminish the fact that we are God's creatures, it seems that at this time of the year our spirits shine brighter. And the spirit of the Galileo Lodge will certainly shine

"Holiday Survival"

"How to Survive a Holiday" will be the topic of the Monday, December 14th meeting of the Hicksville Single Parent Group, it was announced this week by Oyster Bay Town Councilman Thomas L. Clark.

The meeting will be held in the Hicksville High School, Division Avenue, beginning at 8 P.M. It is open to all separated, divorced and widowed parents.

The Single Parent Project operates under the auspices of the Town's Drug and Alcohol Control Division, Department of Community Services. For information call 922-1010.

Our Armed Forces

Second Lt. Robert W. Reid, son of Mr. and Mrs. Richard J. Reid of Lesley Lane, Old Bethpage, has graduated from U. S. Air Force pilot training, and has received silver wings at Reese Air Force Base, Texas.

He is a 1979 graduate of Metropolitan State College, Denver.

Marine Pvt. Christopher A. Schillaci, son of Enrico J. and Beverly Schillaci of Chestnut St., Hicksville, has reported for duty with Headquarters and Maintenance Squadron 36, Marine Corps Air Station, Futenma, on Okinawa.

He joined the Marine Corps in January 1981.

brighter on Sunday, the 20th of December, at which time the Galileo Lodge presents its two Christmas parties, one for the retarded children of Queens and Long Island and the other one for the children of the membership. A fine dinner with plenty of 'goodies' will be in the offering, including an eagerly-awaited visit from Santa Claus. Entertainment will be provided plus loads and loads of love and affection from the male and female members of the Galileo Lodge, and not to mention additional Christmas items from many of the leading merchants and businesses of the Hicksville area. Ven. Tony Previte, a Galileo Lodge Officer who is extraordinarily active in

these proceedings, will once again donate his time and talents for the enjoyment of all these children. Sadly but truly, many people do not believe that it is better to give than to receive, but once you attend these two Christmas parties, I am sure that this opinion pales into insignificance. I am sure that those beautiful and happy faces of all those children can really change the mind of the most-hardened individual (or individuals). More on these parties in next week's column.

Years come and go. Some are good and some are bad. But irrespective of how you feel about the closing of 1981, I am sure that you will enjoy ushering in the new year of 1982 in grand style. And if you want to do this in grand style, why not attend the Galileo Lodge's New Year's Party and Dance, to be held on Thursday, the 31st of December. Price of

admission will be only \$30 per person, a modest fee that entitles you to a complete dinner, a delectable cocktail hour, beer, soda, set-ups, unlimited liquor, coffee and cake and, last but not least, a continental breakfast in the

wee hours of the morning. Live music will be provided for your listening or dancing pleasure. Call 931-9351 and ask for more details. Additional information will be provided in next week's column.

Holiday Party

The Hicksville Senior Club will hold their annual Holiday Party on Wed., Dec. 16 from 12 noon to 4 p.m. at Levittown Hall.

The Nassau Community College Drama Dept. will send some of their students to entertain.
