Long Sought Corrective Action Re: Cerro Wire Soon To Be Settled

By Louis G. Dettloff, Supt. Hicksville Water District

The Board of Commissioners of the Hicksville Water District had reported to its consumers last October that the Nassau County Department of Health had requested Mr. Donald J. Middleton, Director Region I - Department of Environmental Conservation, Stony Brook, N.Y., to conduct an administrative hearing into the alleged continued violations of groundwater discharge practices of the Cerro Wire And Cable Co., Syosset.

It had been pointed out by the Health Department that Cerro Wire was in fact the largest single groundwater polluter in Nassau County and had failed to meet applicable discharge standards since 1977.

The Water District had ap-

plauded the actions of the Health Department, which have now resulted in corrective steps being taken. The company did on November 12, 1981, enter into a stipulation with the New York State Department of Environmental Conservation to the effect that they would, by February 10, 1982 discharge all industrial wastewater to the Nassau County Sewer System.

The Company was fined \$10,000.00; \$7,500.00 of which has been paid a \$2,500.00 of which has been suspended providing that the respondent complies with the terms and conditions of the stipulation. Cerro Wire is to prove that they can meet EPA standards without including cooling water in the process waste discharge by

December 12, 1981.

Cerro Wire is to repipe their process by January 26, 1982 so that non-contact cooling water is returned to the ground. All process waste discharges are to be connected to and put in the sewer system by February 10, 1982.

The Water Commissioners of both Jericho and Hicksville Districts have long sought corrective action. Intensive attention has been paid to the alleged violations in the last six or seven years by both districts, with a case history going back long before that. The Local Commissioners feel vindicated

and justified in the hard line taken on behalf of their consumers. In the past several years direct appeals by the Hicksville District to the Cerro Wire Company had gone unheeded and our deep expressions of concern were ignored by them.

We have indicated before that while the enforcement of waste disposal standards are not the responsibility of the water supplier, the Commissioners are still charged with an implied authority to determine the nature and extent of contamination for the purpose of providing the pure and wholesome water mandated under the Nassau County Civil Divisions Act.

HASC News

Registration for the Spring Season will be held at the Hicksville Library on Jerusalem Ave. on Friday, Jan. 15th, 6-9 p.m.; Sat., Jan. 16, 10 a.m. to 4 p.m. Fri., Jan. 29th, 6 to 9 p.m.; and Sat., Jan. 30, 10 a.m. to 4 p.m. Please use Community Room entrance door, which is to the left of the Main Front Door. Spring Registration closes on Jan. 31.

Hicksville Lions Annual Blood Drive

The Hicksville Lions Club will hold its Annual Blood Drive on Wednesday, January 20, 1982. The drive will be held at the Methodist Church, on Old Country Road at Division Ave. Donations will be accepted after 4 PM.

A donation of blood

at this time will not only help alleviate the current blood shortage, but will guarantee that blood will be available to you and your family for the coming year.

For more information call Lion President, Ted Marotti at 681-5199.

Mid-Island Shopping Plaza Plans Some New Additions

At Mid-Island Shopping Plaza (Hicksville), a complex of family restaurants, gourmet food stores and dining and dancing night spots, is scheduled to open later this year.

Stackler and Frank, owners of the mall, have spent more than \$100,000 repaving the parking area and improving the lighting near the West John Street entrance. They have invested more than \$1 million in repaving the center, including laying \$100,000-worth of carpeting, and more than \$15 million in remodeling portions of the plaza.

The complex will feature an atrium in what used to be the old Pathmark store.

The developers say they are actively negotiating with an unnamed major department store to lease the old Korvettes building.

As a result of the Hicksville Kiwanis Club's two weekends helping the Salvation Army raise funds by manning the traditional red kettles in the lobby of the Pathmark Supermarket, a substantial check was presented to Mr. Stuart Mott, a representative from the Mineola Office of the Salvation Army at the January 6 meeting of the club.

In the top photo, Kiwanis President Charles I. Montana, Jr., on the left, is presenting the check to Mr. Mott.

In recognition of eleven years of perfect attendance at the weekly meetings of the Hicksville Kiwanis Club, Past President Russ Coniglio was presented with an eleven year tab to be worn with his "K" pin.

The presentation was made at the January 6 meeting of the club by Kiwanis President Charles I. Montana, Jr., shown on the left congratulating Mr. Coniglio on his accomplishment. [center photo].

Mr. Sam Jenkins, Manager of the Hicksville Office of AVCO was inducted as the newest member of the Hicksville Kiwanis Club at the January 6 meeting of the club.

Mr. Jenkins was sponsored by Mr. Ronald Wagner. In the lower photo, Past President Bill Murphy is shown pinning the "K" pin on Mr. Jenkins.

"Cookies For You In '82"

Delicious and ever popular Girl Scout cookies will soon be available as Girl Scouts of all ages begin taking orders on Friday, January 15, at 3:00 p.m. - the kick-off date for the 17th Annual Cookie Sale held by the Nassau Council of Girl Scouts, Inc.

The sale will feature seven varieties of scrumptious cookies: Everyone's favorite - **THIN MINTS** - rich, chocolate coating on a crisp wafer with a tangy, pure peppermint flavor; **PEANUT BUTTER** - **PATTIES** peanut butter goodness baked in an appetizing wafer, covered with chocolate; **OLD FASHIONED OATMEAL** - a truly great oatmeal cookie made from baby oats, brown sugar, raisins and spices; **SHORTBREAD** - the traditional Girl Scout cookie - melt in your mouth delight made from wheat flour and pure vegetable shortening; **CARMEL DELITES** - an all new and great cookie confection, made with melted caramel, toasted coconut and a chocolate coating; **PEANUT BUTTER SANDWICH** - a crunchy sandwich cookie filled with peanut butter filling; and **ASSORTED SANDWICH CREMES** - vanilla and

chocolate cookies on the outside - rich creamy vanilla filling on the inside.

Cookie Chairpersons throughout the County commented on the importance of the cookie sale. "Remember, when you buy Girl Scout cookies, you're buying more than just cookies. Your purchase helps maintain five camps, buy equipment, cover transportation costs, train leaders and provide the girls of Nassau County with an enriching, educational experience."

25 cents of the selling price of each box (called the Troop Rebate) goes to the individual Girl Scout troop, helping Girl Scouts earn money for special interest projects not usually covered by troop dues. In addition, each girl who sells 300 or more boxes of cookies will receive a \$65.00 credit which can be applied to either day or resident camp or an international and/or national travel experience.

Girl Scout Cookies, a great American Tradition kept strong by your support! If no Girl Scouts come to your door and you wish to purchase cookies, please call the Council Office at (516) 741-2550.

A spectacular galaxy of stars will be entertaining television viewers for 23-hours on the Weekend With the Stars Telethon for Cerebral Palsy. WOR-TV channel 9 starting at 10 p.m., January 16th, it was announced by all local auxiliary presidents.

The celebrity round up includes hosts John Ritter from California, Paul Anka in Las Vegas, and Dennis James in New York who will be joined by Liza Minelli, Carol Channing, Erik Estrada, Norm Crosby, Bob Newhart, Frank Sinatra, Henry Winkler, Ricardo Montalban, Hal Linden, Joyce DeWitt, Doc Severin-

sen and many more.

Locally, the United Cerebral Palsy Association of Nassau County has again been offered the use of the GEICO building in Woodbury as its headquarters for this 4th nationwide telethon carried on over 130 stations across the country.

Hundreds of Nassau County residents will be donating their time during the event to answer phones, sort mail, verify pledges, and handle refreshments for the hard working volunteers, according to Marge Sahagian of Valley Stream, chairperson of the UCP NASSAU telethon.

Mrs. Sahagian also

expressed appreciation to her co-chairpersons, Leonard Enrico of Merrick and Robert Griffin of Hempstead and to the numerous Nassau County businesses who have helped promote this major fund raising effort. Among them are LILCO, the Dime Savings Bank of Williamsburgh, Shopwell, Dan's Supreme, IHOP, Nathan's, Bagei Nosh, Sizzler Steak House, McDonald's and Howard Johnsons.

Local area auxiliary presidents are: Pauline Schlesinger of East Meadow; Roddy Merkle of Hempstead; Susan Ross of Jericho; Rosemarie Dulberg

of Merrick; Doreen Mandel of Plainview; Charlotte Frankowski of Syosset; and Peggy Murray of Uniondale.

With anticipated cutbacks in funding, UCP NASSAU urges residents to help support this vital campaign on behalf of the county's disabled children and adults. Pledges can be made before and after telethon by telephoning the CP Treatment and Rehabilitation Center in Roosevelt, which serves over 1,000 individuals, at (516) 378-2000, ext. 230 or by calling UCP NASSAU's GEICO headquarters (516) 364-9000 during the telecast. You can help the handicapped help themselves by calling today!

Robert Guillaume To Host PBS Special On Taxes

Taxpayers will learn everything they need to know about filing federal tax returns when public television stations broadcast **YOUR TAX RETURN: THE BOTTOM LINE ON IMPROVING YOUR FORM**. Robert Guillaume of the hit television show, "Benson," will host the three-hour special, which airs Sunday, February 7 at 2 p.m. ET on PBS.

Tax experts from the Internal Revenue Service will provide advice on com-

pleting and submitting tax returns. Phone lines at IRS offices throughout the country will be open during the telecast to respond to viewer's questions. The program, which will be interpreted for the hearing impaired, is produced for PBS by WQED/Pittsburgh in cooperation with the Internal Revenue Service.

IRS representatives will give detailed instructions on selecting and filing such forms as the 1040 A, 1040,

Schedule A (for itemizing deductions) and Schedule B (for reporting income from interest and dividends). Expenses related to child care services and energy saving adjustments to homes, which frequently qualify for tax credits, will be discussed along with Earned Income Credit, a direct credit for qualifying families earning under \$10,000. The special will also cover the numerous credits and deductions that older Americans can take, such as the one-time ex-

clusion of profits from the sale of their residences, extra exemptions for those over 65 and special assistance available through the IRS will be discussed. Tax specialists will also cover the importance of accuracy and of keeping records.

WQED's James A. DeVinney is producer of **YOUR TAX RETURN: THE BOTTOM LINE ON IMPROVING YOUR FORM**. Dr. C. Diane Colbert is project director.

Free Boating Courses

Spring is "just around the corner" for the U.S. Coast Guard Auxiliary, whose members are dedicated to educating the public in BOATING SAFETY.

In its 25th year of teaching, Coast Guard Auxiliary Flotilla 13-8 will sponsor free safe boating courses for the entire family in both Seaford and Bethpage locations.

For the adults, there will be the 12-lesson "Boating Skills and Seamanship". The course covers Boat Handling, Aids to Navigation, Compass and Charts, Piloting, Rules of the Road, Radiotelephone, Marlinpike Seamanship, Legal Requirements and a number of other subjects which will enable you to operate a boat safely and efficiently.

At the same time, there will be special classes for the kids, running concurrently with the adult course, in an adjoining room. The course, "Make Sure-Make Shore", is a N.Y. State certified course which has been completely re-written this year and results in the junior operators license upon completion.

Last Estimated Tax Payment For 1981 Due In January

Taxpayers who have been making estimated payments of their Federal taxes for 1981 have until January 18, 1982, to pay their final installment, amend their estimated tax declaration for 1981, or make their first payment of estimated tax if a change in anticipated 1981 income warrants it.

However, IRS says that the deadline does not apply to taxpayers who file their 1981 income tax return and pay all taxes due by February 1, 1982.

Generally, taxpayers must file estimated tax for 1981 if they expect their estimated tax to be \$100 or more and if they have more than \$500 in income not covered by withholding.

Additional information about estimated tax is contained in a free IRS pamphlet, Publication 505, Tax Withholding and Estimated Tax, available at local of-

fices or by order on the IRS forms phone number listed in local telephone directories.

Industrial League

Applications are now being accepted for the Industrial Softball League conducted by the Nassau County Department of Recreation and Parks.

Commissioner Abram C. Williams said players must be employees of their respective firms and the companies must be Nassau County-based.

After applications have been processed, an elimination tournament will be held Saturday and Sunday, April 3 and 4 at Eisenhower Park. Deadline for entries is Friday, March 5. To obtain an application or further information, call the Sports Unit at 542-4441.

DECA Contest

The Center for Business and Economics at New York Institute of Technology will host the annual Distributive Education Clubs of American Contest on Wednesday, January 20th, at the college's Old Westbury Campus, from 8:30 a.m. to 5 p.m. (A snow date is set for Thursday, January 21st.)

Each year hundreds of students from Nassau County and neighboring areas are involved in the day-long competition. They participate in a variety of contests ranging from job interviewing and sales demonstration

to public speaking, radio advertising, restaurant marketing management, finance and credit, apparel and accessories, and role playing. Contest winners will have the opportunity to compete in a state-wide DECA competition to be held at a later date.

Judges are professionals selected from retailing related establishments in addition to fine arts and communication arts faculty members from New York Tech. High school teachers and counselors accompany students to the competition.

NYIT representatives include staff from the offices of Admissions and Financial Aid.

Entrance to NYIT's Old Westbury Campus is on Northern Boulevard (Route 25A), east of Glen Cove Road. Food service will be available throughout the day at the Student Activity Center.

For complete details on the DECA contest, contact the NYIT Center for Business and Economics at the Old Westbury Campus - (516) 686-7555.

Summer Camp Fair

The Mid-Nassau Chapter of Women's American ORT, Organization for Rehabilitation Through Training, in conjunction with the South Nassau Long Island Region, will have a "Summer Camp Fair, Sunday, January 17, 12 noon to 5:00 p.m. at Central Synagogue, 430 DeMott Avenue, Rockville Center.

Available to public - here is your chance to speak with many camp directors representing summer day/sleep away camps throughout Long Island. They will be there to help you select the right camp for you and your family.

Dear Friends...

We thank Mr. Louis Detloff of the Hicksville Water District for his informative article (see page one) on the actions of this District regarding the Cerro Wire and Cable Co. of Syosset. As Mr. Detloff explained to us, Long Island is not as flat as we sometimes think and the "ridge" where material in our water supply will flow either north or south, is located in the Syosset area. For this reason it can certainly affect the area surrounding Cerro Wire.

It is good to know that we have such responsible people protecting the quality of our water at all times.

This year the Scouts of Troop 172 Hicksville, decided to forego their Christmas Party and instead share with others in need, by contributing to a "needy family dinner" fund to help make someone else's Christmas more in the "spirit of the occasion".

The only requirement imposed by the Scouts themselves was that their contribution had to be earned thru some work effort and no minimum amount be required. A total of \$110.00 was contributed by twenty-nine scouts and a committee of mothers chaired by Mrs. Ann Condon and Mrs. Gina Diana bought the food (Christmas Dinner).

The "basket" along with a giant size Christmas Card prepared by Mrs. Clair Putman signed by the Scouts, was presented to Sister Kathleen Beata of St. Ignatius Church for her distribution.

A special "Thank You" to the Scouts of Troop 172 for their "Holiday Spirit".

Letter To The Editor

To the Editor:

Leaving a car parked half-way in a driveway so that it blocks the street sidewalk seems to be the thing to do these days - it saves the driver a few steps. It also, incidentally, compels pedestrians to leave the sidewalk and step into the gutter, sometimes in mud and puddles.

Some of the pedestrians are young mothers with toddlers, some are infirm people out to get a little fresh air and exercise, some are people whose arms are loaded with bundles. All the pedestrians are people whose basic right has been infringed upon.

Sometimes the background is thoughtlessness; sometimes it is just another indiscretion of a slob.

I get a very strong reaction to the situation and would like to know if others feel the same way.

If it is a common concern the habit will be stopped.

Induction Ceremonies At Town Hall

Oyster Bay Town Supervisor Joseph Colby, Councilmen Howard T. Hogan, Jr., Kenneth S. Diamond, Douglas J. Hynes, John Venditto and Town Clerk Ann R. Ocker, returned to office by the voters last November, were officially inducted into office at ceremonies held at Town Hall on Tues., January 5.

In his induction comments, Supervisor Colby emphasized the need for all local government officials to be especially vigilant in watching federal and state budget policies that, in the name of economy, will cut aid to local governments where necessary programs cannot be eliminated and must be funded.

"We won't be passed over," Colby warned, referring to federal funds that go to states for redistribution to local governments. "We local officials must and will be vocal in efforts to insure proper distribution by the state of these funds."

Colby also emphasized the need for local governments to be prepared to lobby again for preservation of federal revenue sharing. "We have, so far, been successful in our efforts to preserve federal revenue sharing. However, this program of returning federal tax dollars may once again be threatened," Colby noted, pointing to a "clearly enunciated federal policy

that local governments should pay more of the costs of public services."

In addition to sounding a warning concerning federal and state policies that could have fiscal impacts for local governments, Colby again alerted Town commissioners of the need for cost controls. "In light of federal and state fiscal policies that have a negative effect on local government," he said, "I call on all Town department heads to strengthen their practices of carefully controlling the costs of their operations without sacrificing the high quality of services we provide for our residents."

Noting past fiscal success through a team effort that lowered the General Town Tax rate and maintained that lower rate for the third consecutive year, Colby told department heads that he was asking for careful cost controls, fully aware of the fact that this challenge will be more difficult in the year ahead than it has been at any other time of this administration. "He indicated that in addition to keeping a careful watch on operating budgets he planned to begin a re-examination of capital programs. "While Oyster Bay's capital budget - just like its operating budget - is already tight, I am calling on all department heads to work with me and my budget

officer to review the capital program so that we can establish even greater control on long-term obligations and their attendant financing costs."

In addition to emphasizing the fiscal concerns facing the Town, Colby also highlighted the progress that can be anticipated in many Town programs. He pointed to the Town's continued efforts to develop a resource recovery system for the environmentally sound disposal of refuse. He also noted that he will continue to work for broad reform of financing public education so that true property tax relief can be possible, and he will continue to monitor assessment law activities so that homeowners will continue to be protected. Colby noted that whenever he perceives the need to speak out for or against action by any level of government to protect the rights of senior citizens, he will be the advocate.

"In sum," Colby concluded, "the actions of your Town Board and government will continue to reflect recognition of the confidence you have placed in us. Our goals, energies, and enthusiasm remain devoted to fulfilling your trust by making Town government even better, and by responsibly advocating decisions at other levels of government that will be responsive to your needs."

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Our next LAS VEGAS NITE will be held on Saturday, January 23rd, so tell all your friends to come 'on down' to the Post and have a whirl at our games. And please, ALL committee members, your help is highly prized and your presence is required to make this a successful night for Charles Wagner Post. Sorry to report that once again not enough members and friends attended the Post New Year's Eve Party to make it a financial success. Since apparently very few of our members are interested in spending their New Year's Eve at the Post (as it witnessed the past few years) it would be best to discontinue this loss producing affair. Sorry to report the passing of Past Commander Joseph Kayel who had been residing in Florida in recent years. He was Post Commander 1942-43. The Dark Horse at last week's meeting was won by

CARMINE RINALDI. Sorry to say that once again the name of GEORGE LANG was the victim of a typographical error in last week's column. But anyway, George is a member of the Life Committee, it prompts me to once more remind our membership that if they have candidates for life memberships as awarded by the Post. And rules as stated in last week's column to please get the name and complete Legion background on paper and forward same to a member of our committee on or before January 22. Very few of our membership are aware of the existence of THE AMERICAN LEGION LIBRARY which was established in 1923 and is housed in Indianapolis and not to be confused with the oft mentioned Memorial Library at Hofstra which houses a collection of Long Island and New York State

historical books. The American Legion Library is mainly a collection of 7,000 books and other material on the two World Wars, Korean Conflict and the Viet Nam War. Plus the usual general references and sources (almanacs, directories, atlases, encyclopedias, dictionaries, Who's Who type of biographical information and also covers our many programs such as Americanism, Child Welfare, Rehabilitation, National Security, Foreign Relations, Legislative, Economic, Membership and Post Activities, etc.). In recent years, an interesting memorial book collection has been built up, each book presented by an individual to honor the memory of a deceased veteran. This is very like our Hofstra donations except for the type of books. Many fine personally autographed volumes are among the books in this collection. Included is the "Second World War" from Sir Winston Churchill, and copies of J. Edgar Hoover's books entitled "A Study of

Communism," and "Masters of Deceit." This memorial book collection was officially designated the Verna B. Grimm Memorial Book Collection by resolution action of our National Executive Committee in October of 1958. Mrs. Verna B. Grimm served as librarian of The American Legion from 1923 to 1957 when she retired. She was the widow of Warren O. Grimm, one of four Legionnaires killed at Centralia, Washington, November 11, 1919. That's another story that must be related some day. The library continues to grow each year as the generosity of our Legionnaires remains at an ever increasing level. Many American Legion periodicals are received and bound each year and they join the complete collections of Stars and Stripes (both World Wars) and the American News. Since I have run out of space, I will continue to enlarge on The American Legion Library at the earliest moment. Our next meeting is Monday, January 18th. Come, say "Hello"

A Message From Sup Colby

Parking Meter Rates Change

- First Increase In 10 Years

In my remarks to the assembled guests in attendance at the Installation of the Town of Oyster Bay elected officials on January 5, I made the point, as I have done often in the past, that we would continue to speak out for reform of New York State's system of financing public education that would bring about significant property tax relief for homeowners in our communities while preserving the prerogatives of locally elected boards of education.

In his State of the State message the following day, the Governor admitted that he agreed with what the rest of us already knew, and with what the courts had already determined: the system for financing public education is

unfair, unconstitutional and must be reformed.

While at first that sounds like great news - that he is finally going to give school finance reform the attention it has long demanded - those same words must serve as a warning signal to all of us on Long Island.

Now we - the residents, State legislators, local school district officials and local government officials - must pay careful attention to every proposal or trial balloon presented by the State administration. Because of the Governor's failure to be specific and because of his past poor performance on this issue, everyone in Nassau and Suffolk Counties must be concerned that the

Governor's version of reform does not hurt rather than help most of our homeowners.

Besides not indicating any stand that local school board rights must be retained, the Governor never indicated, where the revenue would come from to pay for an undescribed plan for "equity" in school financing. Cost figures alone should be telling him that elementary and secondary education is expensive - far too expensive for the continued reliance on property taxes for more than half the actual costs. So, if his plan is to bring about equity through a statewide property tax that brings homeowner taxes into Albany for the Governor's version of "equitable" redistribution to local schools, "thanks, but no thanks" should be a loud Long Island response.

In the past, everytime the Governor has offered budget adjustments in the current state aid formula for schools, most Long Island school district came out losers. Fortunately, Long Island's legislators, in Albany never permitted the Governor's plans to go into effect without amendment. The Governor's track record

clearly shows that his concept of "reform", if permitted to take effect, would be harmful to most Long Island school districts. But, in the past, his attempts have been at "minor" adjustments. Now he is going to propose broad changes. Certainly, reform has long been needed - but we must be careful of what the Governor's "reform" really means.

We on Long Island must be alert. He has given us fair warning that change is coming, and his past record should help us realize that his concept of change could hurt, rather than help, us.

Special Ice Skating Program For Handicapped

Members of the Teen and Young Adult Group of the Town of Oyster Bay Group Activities Program (GAP) for the handicapped will enjoy three evenings of free ice skating through a cooperative program with the Town's Department of Parks.

According to Town Councilman Douglas J. Hynes, the Teen and Young Adult Group will be at the Syosset-Woodbury Com-

The Oyster Bay Town Board approved a resolution permitting parking meter fees to be increased for the first time in almost 10 years at the Town parking garage and parking fields in various locations throughout the Town.

In proposing the change in parking meter fees, the Town Department of Public Works pointed out that during this time period, inflation has caused an increase of 128% in the Consumer Price Index. The

cost to the Town for maintenance, not to mention the cost of expansion and renovation of existing lots to meet the demands for increased commuter parking, have also increased considerably, making this increase a necessity.

The following schedule of fees represents an increase of 25c for long term parking and an increase of 4c for short term parking: Parking Garage Lower Levels, 75c for 12 hours (quarters only); Parking Garage Upper Level, 50c for 12 hours (quarters only); Parking Fields, 50c for 12 hours (quarters only); and Short term parking, 5c for one-half hour (nickles only).

The increased fees will become effective as and when the Department of Public Works personnel complete the conversion of each parking meter, which it has been estimated will take approximately 120 working days.

represents another step toward that goal."

Chamber Meeting

The January General Membership Meeting of the Hicksville Chamber of Commerce will be held on Tuesday, Jan. 19 in the Quaker Room of the Milleridge Inn, Jericho, at 12:30 p.m.

The cost of the luncheon is \$6.75 per person and there is a choice of London Broil, Capon or Filet of Sole.

On the agenda will be the financial report, new members and committee reports.

Beth Hershenhart, recently appointed the Nassau County Liaison for the New York State Assembly will be

the guest speaker. In her first letter to the Hicksville Chamber of Commerce she wrote, in part... "This position is designed to open a direct line of communication between community organizations and state government. I will be working in conjunction with Nassau members of the Assembly to provide information to county residents on legislative issues and to bring their suggestions and concerns to the attention of the Assembly leadership..."

REPUBLICAN NEWS (Continued from Page 8)

IRA account are deferred until you withdraw the money. The IRA provides a tremendous new opportunity for workers of all ages to reduce their federal tax burden and, at the same time, provide a major new source of income for their retirement.

This is an especially valuable opportunity for younger workers. A worker of 25, for example, contributing \$2,000 per year to his IRA account, would be able to become a millionaire by age 65. With 12 percent interest his \$2,000 per-year contributions would accumulate to more than \$1,700,000 by age 65. Each year the worker would realize substantial tax benefits from the deductions and delay of taxes on interest. This is a tremendous new

opportunity to provide for one's future.

Lent stated that he firmly believes the tax improvements proposed by President Reagan and approved by the 1981 Congress will play a major role in easing the tax burden on middle income families and benefitting our entire nation by revitalizing our economy.

The sweeping changes in our economy and our federal government recommended by President Ronald Reagan and approved by the Congress have put our Nation on a new course. Let us support our elected officials in their endeavors to maneuver our fiscal policy to build up our economy and tear down the rate of inflation.

HHS Girls Soccer

Hicksville Varsity Soccer Girls team reflects on a banner campaign.

At the end of the regular season, the Club had compiled an 11 win, 3 lost, 2 record. It earned a third place ranking in Nassau County.

Wins were scored in the playoffs 7-1 over Wantagh and 7-0 over Baldwin.

Elimination came at the hands of second

ranked Berner, 3-0.

A furious offense was the hallmark. Denise Harkins, Gins Ciraco, Sharon Humphreys, Debbie Luongo, Mary Cordella and Maureen Roach had combined a total of 98 goals in 18 games. Miss Harkins lead the pace with 53 scorers.

She was chosen all-county in her varsity season.

Maureen Roach, a senior, was chosen all-

county for the third year in a row.

All-conference selections were won by Debbie Luongo and Sharon Humphreys.

A solid defense was provided by Barbara Skupeen, Theresa Caputo, Lisa Burke, Connie Anglin, Joanne Mullings, Liz Flahoven and Cara Greenberg.

Outstanding play was provided by Roseann Subert in goal. She made 182 saves and allowed only 22 goals.

Mr. Vincent LoBianco saw his three record reach 38 wins, 10 losses and three ties.

Hicksville - The Orange and Black barely missed the greatest upset in its history, here, Tuesday as it pressed number one, Farmingdale, to the wall. The final was 48-46.

The Comets young team was in error in the beginning, as it missed consistently

from underneath. The visitors forged 28-25 halftime lead.

The winning shot came with 45 seconds left from 22 feet out. Steve Monceni lead Hicksville with 19 points.

The Comets had previously astonished Nassau circles with a stunning 63-59 win over

Bermer.

A League win over East Meadow was also scored 59-51.

Activities At Plainview-Old Bethpage H.S.

By Stacy Title

The Plainview-Old Bethpage High School has a tumult of events going on now that the strike crisis has passed. Ms. D. O'Connell and her T.V. Studio class are working on a student news show called: "What's Up?" Student editors, writers, newscasters and cameramen are working together to get the show ready for a February air date.

The Girl's and Boy's Varsity Basketball Teams are practicing every day under

the guidance of coach Joel Fleischer and Al Duva, for their tough schedules ahead.

The One to One Club is planning a fund-raising Flea Market for the Spring. DECA (Distributive Education Clubs of America) is looking forward to contests in January and the New York State Conference in March.

The U.N. Club just returned from their Metropolitan Conference in Boston, it was a rewarding

trip for all concerned.

The Plainview Choir is happily looking forward to another trip which will be as exciting as last year's trip to Mexico.

The other athletics: Wrestling, Swimming, and the newly formed Bowling Team's seasons are currently underway.

In general, everything's starting to happen and hopefully the second half extracurriculars will make up for the lack of the first.

Lions Blood Drive

The Lions Club of Hicksville will host a blood drive in honor of Long Island hemophiliacs on Wednesday, January 20 from 4 p.m. to 9 p.m. at the Hicksville Methodist Church at the intersection of Old Country Road and Nelson Avenue. Call Ted Marotti at 681-5190 to make an appointment to donate blood. Long Island Blood Services will send a bloodmobile to this location for the convenience of residents in the area.

"For the last nine years Hicksville Lions have held blood drives in January when blood supplies are strained," Ed Blaskowsky, chairman of the blood drive said. "The combination of the holiday season and winter illness prevent many people from donating blood. Each pint of blood we collect on January 20 is needed by a hospital patient."

Blood is a therapeutic fluid that can be used to treat patients with cancer, heart

disease, hemophilia, acute anemias, and severe burns. People with anemias a hemophilia will need transfusions throughout their lives.

Donating blood is a simple and quick procedure that takes less than one hour from registration to refreshments.

Long Island Blood Services, a division of the Greater New York Blood Program, is sponsored by the New York Blood Center and the American Red Cross.

Open House

The Continuing Education Open House will be held at the Mid Island Plaza - Center Mall on Saturday, February 13, 1982 from 1 P.M. to 4 P.M. There will be exhibits and demonstrations on most courses being offered for the spring semester.

Some exhibits will include: Arts & Crafts, Dressmaking, Crocheting, Quilting, Ceramic Decoration, Cake Decorating, Painting, Photography, and much more. The Demonstrations will include: Body Conditioning, Belly Dancing, Social Dancing, Yoga, Community chorus, and more.

Information will be available on all academic courses, Senior Citizen activities, High School Equivalency Program, Basic Education, Evening High School and others.

"What is Folk Music... but life itself seeking expression," states Susan Trump, an expert in the field of Appalachian Folk Music.

The children of Dutch Lane School were treated to a concert on January 8th, designed to actively involve children in a musical experience.

There were songs for different age groups which included actions, movement and group singing with a

variety of instruments such as guitar, banjo, fretless banjo and dulcimer.

The use of traditional American toys and music makers excited the imagination and added to this unique presentation.

Susan Trump travelled in Appalachia meeting people, researching and collecting their music and developing an understanding of their values and way of life. (Dutch Lane Media Center).

Art Society Meeting

The Independent Art Society will meet on Monday, Feb. 1st, at 7:30 p.m. at the Hicksville Library, 169 Jerusalem Ave.

Ann Bragg will demonstrate a unique technique of painting with spray paint.

All welcome, admission free.

Hicksville American Soccer Club

1971 Boys

The "Cardinals" have started off in '82 with good stylish soccer.

On Sat., Jan. 9, they went up to Rockland County and played up a year on an indoor field 90 yds. x 45 yds. and came away feeling very proud of themselves. This type of Tournament was new to them, playing nine a side.

They played five preliminary games

without a defeat, and to the coach's surprise, out playing the older teams from several states.

The Cardinals went into the semi-finals against a tough opponent, Poughkeepsie. The boys were getting tired. The game was 20 mins. of end to end exciting soccer and ending in a zero, zero, tie. It then went into penalty shoot outs, with the Cardinals being squeezed out at the end.

The coaches were overjoyed with the total team performances.

They then continued on Sunday, Jan. 10th in the Plainview Tournament having to re-

adapt mentally and physically to the much smaller 30 yd. gym with faster play. The boys again performed like a machine and dominated every opponent all the way to the finals where fatigue was really settling in. They dropped the final by a small margin and came in second.

Well done Cardinals: Scott Duca, Jacky Fabrizio, Brian Finnell, Jeff Gluck, Steve Gourlay, Brian Hoestein, Mike Luongo, Charles Malone, Robbie Franzese, Billy Millis, Eric Rabasca, Chris Shearer, Goalie, Willy Sneddon, Coaches, Gourlay and Fabrizio.

Stags Vs. Titans

The Stags of St. Agnes High School of Rockville Centre will meet the Titans of Holy Trinity High School of Hicksville on Tuesday, January 19 at 8 p.m. in a basketball game at the Holy Trinity High School Gymnasium in Hicksville.

The game, part of the LILCO High School Game of the Week Series, is one of twenty high school basketball games that will be televised under the sponsorship of Long Island Lighting Company.

The St. Agnes/ Holy Trinity game will be telecast on Nassau and Suffolk Cablevision Channel 12 at 10 p.m. on Wednesday, January 20. (The game will also be carried by WLTV-TV, UHF Channel 21 at 6 p.m. on Sunday, January 24.)

We're into the new year and the thought of income tax preparation is on our

minds. With that introduction, we'll cover two important highlights of the benefits to individual taxpayers in the new tax laws enacted under our Republican leadership.

In Congressman Norman Lent's recent news release, he discussed these two tax benefits.

You are probably aware that a five percent reduction in income tax rates went into effect on October 1, 1981. An

additional ten percent reduction in your income tax rates will become effective on July 1, 1982, and another ten percent reduction will go into effect on July 1, 1983. A total of 25 percent in tax reductions will be available to you by 1984.

A new tax provision went into effect on January 1, 1982, the individual retirement account (IRA). The IRA gives you a double tax advantage. Each year you

participate in the plan, you may deduct up to \$2,000 in contributions to your IRA account (up to \$4,000 if your spouse is employed,

responsibility. Seated, left to right are: Val Zito, board of directors; Martha Meseria, recording secretary; Helen Henderson, corresponding secretary; Hal Mayer, president; Harriet A. Maher, first

vice president; and Marie Bergin, board of directors. Standing, left to right are: Nicholas Caruso, third vice president; Robert Kluck, board of directors; Bernard Wesnolfske, board of directors; Michael Cianciaruso, publicity director; Frank Gioia, second vice president; Joseph Farrell, treasurer; and Stanford Weiss, sergeant at arms. Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: 'Making noise proves nothing. Often a hen who has merely laid an egg cackles as if she laid an asteroid'. Mark Twain

As the veneer of the Christmas mood and the New Year's spirit starts to wear a little thin, and as the razzle-dazzle, hustle and bustle and the illuminated beauty of the holiday season also start to diminish, we are disturbingly jolted back to a sense of a reality as we are confronted with the stark aspects of Old Man Winter.

But do not be dejected...there are other consoling factors to be considered...like the Galileo Lodge, for example, which, incidentally, warmly announces that it will present its St. Valentine's Day Dance on Saturday, the 13th of February. Tickets will set at \$10 per person, a modest sum which insures you a hot delicious dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music from a leading music combo. Tony Capolla will chair this activity with a committee whose names will be revealed in a later column. Needless to mention, that the Galileo Lodge will endeavor to impart to all our patrons and friends in at-

tendance the real meanings and messages deeply embedded in the lore of St. Valentine's Day, and please note that a 'bring-your-own-liquor' policy will be in effect that night.

With all this good news before your eyes, wouldn't it be a good idea to head for the Galileo Lodge on the date mentioned above and light up your life and warm up your heart with the congenial and heart-warming qualities it has to offer.

On Thursday, night, the 28th of January, which, incidentally, is also our social meeting night, the Galileo Lodge will hold what can aptly be considered a 'symposium'. The guest speaker will be Dr. William Reick, principal of the Hicksville High School and in his dissertation he will expound upon the values and advantages deeply ingrained in our educational system and how they affect us and our society. All members, as well as the general public, are cordially invited to attend and hear the scholarly views of Dr. Reick. The more you are aware of our educational system and its ramifications, the more you are able to adjust to the rather complex society in which we live.

The year 1982 has just arrived and already the leading economists of our nation are making predictions which in effect paint a rather gloomy and dismal financial outlook for 1982. Such predictions add a certain amount of credulity to themselves as we observe floundering business in our midst and the steady erosion of the value of our dollar. These should be warning signs for us, the members of the Galileo Lodge, because the Galileo Lodge is a business and it must remain solvent to exist. We, as members, must work hard, give of ourselves in every way, in our efforts, loyalty and devotion. We, as members, must join committees, attend dances and functions that provide profits; and we, as members, must join all committees associated with its revenue-making activities. As I have said so many times in the past, it takes people to make an organization—people who are diligent, industrious, devoted and who are also optimistic about the future of their organization. We must nurture and sustain it, and we must give it hope and a future. If we are destined to help others, then we must make our own destiny and help ourselves.

In keeping with what I

have just written above, I must announce that a new slate of officers for the Galileo Lodge will appear in February. And as they take their positions in our organization, they will be cognizant of the

tremendous roles they will have to play in order to bring about the conditions that are mentioned in the above paragraph. They will control the destiny of the Galileo Lodge, and they will be re-

sponsible for its future. But again we, as members, must 'pitch in' and help to achieve these goals.

Remember too, that a leader is only as good as his men.

Emigrant's All-Savers Tax Shelter Certificate can work harder for you than Money Market funds or 6-month CD's.

"Check the chart below to see if Emigrant's All-Savers is right for you."

E.E. Wallach

The high interest rate on those Money Market funds and 6-month CD's may be very tempting, but how much are you left with after the IRS takes its cut? Depending on your tax bracket, you may end up earning more with Emigrant's Tax-Free All-Savers Certificate. Check the taxable equivalent interest chart below to see how much taxable interest you'd have to get on a Money Market fund or 6-month CD to equal the tax-free interest rates of Emigrant's All-Savers. If an Emigrant All-Savers makes sense for you, you can be assured of several advantages:

- An Emigrant All-Savers Tax-Free Certificate pays the highest interest allowed by law—compounded daily for a maximum return. No bank can pay more.
- It is fully insured by the FDIC.
- The rate is guaranteed for one full year. There's no fluctuation.
- It's triple tax-free for New York City residents. No city, state, or federal taxes on the first \$2,000 income if you file jointly, \$1,000 if you file singly (under current law).
- No management fees.
- Valuable free gift with investment of \$1,000 or more.
- All-Savers Tax-Free Certificates are not available through Money Market funds.

Call 883-6280 for more information, or send coupon today.

10.16%

per year effective investment yield based on an annual nominal interest rate of

9.68%

compounded daily and credited quarterly. Rate effective through Jan. 23, 1982. Minimum deposit \$500.

Equivalent Interest Table for Joint and Individual Taxpayers

1982 Net Taxable Income	Joint Taxable Income	Individual Taxable Income
\$20,000	15.4%	17.8%
30,000	19.2%	22.1%
40,000	21.6%	24.2%
50,000	24.2%	28.2%

Net Taxable Income equals gross income less deductions and exemptions. Yields are based on 1982 Federal and New York State income tax rates. Yields for New York City residents will be higher than those shown above.

Early withdrawal of any of the principal, if permitted by the Bank, will result in a penalty equal to 3 months' interest at the nominal rate on the amount withdrawn, and the loss of the tax-exempt status of the Certificate. If you withdraw your interest your earnings will be reduced.

Families For Life Club News

By Doug Harknett

The theme continually hammered out by the anti-life forces that the majority of Americans approve of abortions was called into question recently by, of all people, Jeannie Rosoff, president of the Alan Guttmacher Institute (Planned Parenthood). At the week long meeting of PP in October she pointed out that pro-abortion support was a majority only in the cases of the life of the mother, and rape and incest, and that it falls off quickly from there.

She might have had a recent Gallup poll in mind and the comments of George Gallup himself. According to this particular poll abortion was approved to save the life of the mother by 78% in the first trimester and 59% in the

third. Five other reasons were given: mental health, fetal deformity, physical health, rape/incest and financial. The only other reasons topping 50% were rape/incest in the first trimester (59%), and physical health of the mother also in the first trimester only (52%). In all other cases and in all other periods of pregnancy the support dropped off rapidly, for example only 4% for financial reasons in the third trimester.

Gallup warned against taking any single poll as a final conclusion, and advised knowing the exact wording of the questions. A classic case of, perhaps, unwitting manipulation of polls was when the Times/CBS NEWS poll asked a question

about "an amendment to the Constitution prohibiting abortions" and only 29% of the respondents approved. However, when the question was changed to whether people believed "there should be an amendment to the Constitution protecting the life of the unborn child," the approval rate jumped to 50%. Fortunately in this instance the Times itself would up concluding that "not all polling questions are created equal."

Families For Life can be reached at Box 574, Hicksville, 11801. Its next meeting will be held at 8 PM on Wednesday, January 27th at Levittown Hall, Hicksville. To stay informed call the Voice of Life at 746-0198.

Lee Ave. PTA News

In December, the children at Lee Ave. School welcomed Heather Forest Storytell, who presented folk tales in song, dance, and mime. Ms. Forest's performance was presented for the preschool, kindergarten through sixth graders.

The Lee Ave. children were delighted with the surprise visit from Dayle Friedman. Dayle Friedman performed characters from around the world,

Irish American Club

illustrated in costume and song, how they celebrate their holidays. The children enjoyed her performance.

The Christmas party of the Irish American Club of the Mid Island Area, Inc., which meets at Plainview Hall, was a gala affair.

The New Year's Eve Dance, chaired by Bill Demarest and John Pender was also a success.

The Night at the Races, originally scheduled for the Jan. 15 regular meeting, has been postponed until May 21.

On Feb. 12, Noel Kingston and Paddy Farrell will entertain from 9 p.m. to 1:30 a.m. The donation is \$6.00, potato chips and pretzels will be provided. Call early for reservations—1st come, 1st served. For reservations, call Mrs. Mary Keaveney, chairlady at 735-1289.

The Criminal Law Class of Kenneth J. McGinniss, Chairman of the Social Studies Dept. of Hicksville High School, recently participated in a "mock trial." The case was based on an actual murder trial and the students acted as witnesses, attorneys, defendant, jurors, etc. An actual verdict was rendered and if necessary, a sentence imposed.

This is a Senior elective in Social Studies and students study four major units - the Police, crime, courts and correction. Representatives from various areas visit the students in class and the classes are also given the opportunity to visit an actual trial in progress at the Mineola County Court House, Criminal Division.

WATCH YOUR SAVINGS SOAR...

WITH MORE TAX SAVINGS FOR RETIREMENT PLANS...

Effective Jan. 1, *Individual Retirement Account* tax-deferred deposit limits rise to \$2,000 (\$2,250 with a non-working spouse and \$4,000 with a working spouse). *Keogh Retirement Plans* for the self-employed expand to \$15,000. Almost everyone is eligible for an I.R.A. plan even if they now are in a company or union pension or retirement program — or their own Keogh plan!

And now, to ensure flexibility and current market rates, Eastern introduces a special 18-month retirement certificate giving either fixed or variable return rates on initial deposits of as little as \$500.

GREAT GIFTS...

Deposit \$5,000 or more into Eastern's new, tax-saving *All-Savers Certificates* or one of our *High-Yielding Money Market Certificates*, and you'll receive your choice of a gift or \$20. Deposits must be maintained for one year or the term of the certificate*.

Special Offer: Depositors holding Eastern's *Six-Month Money Market Certificates* may convert to an *All-Savers Certificate* without penalty for early withdrawal and receive a gift of their choice. And those depositing \$1,000 to \$4,999 in *All-Savers* or *Money Market Certificates* will receive a bonus of \$10.00.

HIGH YIELDS...

Rise above the rate of inflation with Eastern's *Six-Month* and *30-Month Money Market Certificates*. (Minimum deposits of \$10,000 and \$500, respectively*) Each depositor is insured up to \$100,000 by the F.D.I.C. *Six-Month Money Market Certificate* holders can have immediate access to their cash with an E.A.S.Y. Money credit line on their account.

LAND FLEXIBILITY TOO!

For those investing short term funds, Eastern introduces the *Flexible Investment Plan*. Under this plan, the bank provides special high yields and liquidity for as little as \$1,000 for 84 days. This plan is available to individuals, corporations and nonprofit organizations. This investment is not a deposit or insured by the F.D.I.C., but it is secured by segregated securities of the U.S. Government or Government Agency Bonds owned by the bank. For full details call for our Offering Memorandum.

So, if you want *Tax Savings, Great Gifts, High Yields and Flexibility* come to Eastern Savings Bank and Watch Your Savings Soar.

Call Eastern's Information Center toll-free 800-522-5492 for our latest rates on I.R.A.-Keogh, All-Saver Accounts, Money Market Certificates and Flexible Investment Plan.

Gifts are available for deposits of \$5,000 or more. Limit one gift or bonus for each depositor.
