In what was declared to be the first of its kind in the area, three local service clubs held a joint meeting at the Milleridge Inn last week.

The Hicksville Rotary Club hosted this unprecedented gathering and along with the Hicksville Kiwanis Club and Hicksville Lions Club joined hands and held an interesting and productive meeting.

Fellowship was ever present among the overflow membership. Each of the clubs told of their current service projects and among

other things discussed the possibility of a combined effort toward mutual community service goals.

It was established that similar follow up meetings will be held in February and March, these to be hosted by the Kiwanians and Lions respectively.

Frank Grimmer resigned from the Hicksville Board of Education at its January 19 meeting, citing problems in dealing with the Board. "I feel that the Board of Education has demanded too many personal things from me, especially my citizenship papers," he said, "I will hand in my written resignation tomorrow effective June 30, 1982." In Executive Session, the Board voted to accept Mr. Grimmer's resignation. He was elected to serve a three-year term which began on July 1, 1982.

Linda Strongin appeared before the Board saying an orientation meeting for parents of sixth grade students at the Junior High School would have been better attended if notification was sent by first class mail rather than fliers distributed through the P.T.A. or brought home by the children. A better system of notification will be used in the future.

Superintendent Wilber Hawkins reported in the last 3 or 4 years the school district has been steadily moving down in Nassau County District tax rate. "We are 35 out of 57," he said. "We are in the bottom 1/3 of the school districts in terms of our tax rate. The community should be applauded, we have continued steadily down in our overall taxing compared to other districts."

Dr. Hawkins introduced Alayne Shoenfeld, the newly appointed Director of Staff and Community Relations. She will work with the PTAs, handle press releases and publicity.

The proposed Board Policy of Student Rights and Responsibilities was discussed and will be submitted for adoption at the next regularly scheduled meeting. Mr. Jay Schwartz also presented the Board with policies for

consideration and discussion. Those given particular attention related to visitors to school buildings and Board-Staff communications.

Carrie Clark asked the Board about the status of the Crisis Counselor in the High School. She said he has a full load of traditional guidance counseling and some adjustment should be made to allow more time for crisis counseling. President John Ayres directed Dr. Daniel Salmon to prepare a report on the Crisis Counselor to be given at the first meeting in February. Mr. Ayres also asked for a mid-year report on the activities of the newly appointed school Social Worker.

The Board approved previously submitted policies and recommended textbooks. Also approved were recommendations of the Committee On The Handicapped pertaining to place-

ment of students and Election Personnel as submitted for Annual and special meeting of the district and to update the registration books of the district.

The Board approved the payment of claims and warrants and awarding of bids and also approved items relating to personnel.

There will be a Budget Committee meeting in the Conference Room of the Administration Building on February 1 at 8 p.m. On February 2, the Public Relations Committee will meet in the Administration Building at 8 p.m. Ms. Shoenfeld will attend. The Gifted and Talented Committee will meet on February 24 in the Administration Building at 8 p.m.

The next regular meeting of the Board of Education will be on Monday, January 27 at 8:15 p.m. in the Administration Building.

## Hicksville PTA Council Founders Day Dinner

The Hicksville Council of PTA Units is pleased to announce that Lorraine Loeche has been chosen to be this year's District Honored Guest at their Founders Day Dinner. Founders Day is the anniversary of the National Congress of Parents and Teachers, established in February 1897. In Hicksville, this celebration, sponsored by the Hicksville Council of PTA's, will be held at the Galaxy Restaurant on Thursday, February 25th, at 6:30 p.m.

In 1963 Lorraine took her first-born daughter Lee at Dutch Lane School for her first day of kindergarten. Lorraine signed on as a Class Mother. That was the beginning of a long career of service. Another daughter, Linda, joined our school population and Lorraine continued her PTA work. The years passed and both daughters graduated from the Senior High, went on to college, and Lorraine continued with a much wider scope of PTA work.

During these years Lorraine has participated in every phase of PTA including past president of Dutch Lane PTA, vice president and recording secretary of PTA Council, past president of the Senior High PTSA. She has represented us at the New York State PTA Convention, served on various School Board committees including the original Educational Goals and Objectives committee which began in 1968.

Lorraine has made a lovely home for her husband Bob, their two daughters and the family pets which include three dogs and two

cats. Lee is currently an office manager with a local oil company and Linda is studying Music Education at Hofstra University. Bob, an engineer, is no stranger to volunteer community service. He was one of the original founders and board members of HAD, a local organization for the youth of our community. He also served as its president.

PTA has been only a part of Lorraine's busy life. She has managed to take her turn at teaching Sunday

School at the United Methodist Church, being a Brownie leader, Girl Scout leader as well as a 4-H Club co-leader.

Somehow she has also found time to enjoy her hobby of needlecraft and to become an avid N.Y. Islander's Hockey fan.

All who have had the pleasure of working with Lorraine have come to appreciate her sense of humor and the generous spirit with which she approaches each task. Her wise counsel has been a great asset to PTA and all her contributions to

the children and youth of our community. The PTA Council is proud to honor her.

The Founders Day dinner will also be honoring guests from each PTA unit.

Anyone interested in ordering tickets for the dinner is urged to contact their local PTA unit or PTA Council's ticket sale person Ann Freyveison (935-8755). Deadline for ticket purchase is February 1st. Tickets are \$14.00 per person.

More information will follow.

## HHS Blood Drive

"Blood is Life. Pass it on." This was the motto of the day recently at the Hicksville Senior High School as students with parental permission and a desire to serve their community participated in a blood drive held at the school. A total of 115 pints was donated.

"We limited the drive to students 17 years of age or older. Dr. William Rieck, principal of the high school, noted, "Since our student population in that age group is no more than 550, the number participating and the total donated is particularly impressive."

The blood drive, conducted in cooperation with Long Island Blood Services of the Greater New York Blood Program, was organized by Club under the direction of faculty advisor Barbara Walling. Club members distributed posters, scheduled appointments, and registered student donors. "The Volunteer Club students of the Volunteer kids were wonderful,"

exclaimed Ms. Walling. "They are all most interested in helping other people, and they have a sense of idealism that needs to be tapped."

Carol Calavetti, president of the Volunteer Club and chairperson of the activity,

was assisted by co-chairperson Pam Selman, vice president Alina Castellanos, treasurer Lisa Wetzel, Kim Christie, Loretta Calavetti, Peggy Kalberer, Jemine Mund, Moira Schmitt, Pat Schettini, Ann Hibson, and Kathy Andres in organizing the successful drive.

PDG LION Jack Weber (District 20K2 Coordinator for the New York Speech and Hearing Clinic) looks on as Hicksville Lions Club President Ted Marotti presents a contribution to Lion Al Boomer to be used

for the benefit of the New York Speech and Hearing Clinic located at Ithaca, New York.

The Speech and Hearing Clinic is a project supported by all New York State Lions Clubs.

# Dear Friends . . .

This month the Town of Oyster Bay, through our Supervisor Joseph Colby has appointed Mrs. Sally Ravich of Woodbury to replace Mr. Robert Michaelis to serve on the Jones Institute's Board of Directors. Mr. Colby also reappointed Mr. John Dawson and Mr. Michael Vittoria to this Board. Along with several members appointed by the Town of North Hempstead and the County of Nassau, they will be continuing the search for property upon which to build a new Jones Institute to replace the one in Hicksville that was sold to King Kullen last year. At least it is our understanding that this is what the Courts have instructed this Board to do.

THAT'S ALL for this week. Stay warm and remember that January is National Blood Donor Month.

## PTSA To Hear Power Of Parent Network Speaker

The Hicksville Junior High School PTSA will present information on the Power of Parent Network on January 25, at 8:00 P.M. at Junior High School cafeteria.

Mr. John Imhof, C.S.W., Director of North Shore University Hospital's Education and Drug Treatment Center, will be the main speaker. He will have slide presentation dealing with some of the concerns of Hicksville and explain the potential of Parent Network in our community.

Parent Network provides a mutual support system for parents of children in the same age group and may

help distribute valuable information for the community. Typical concerns of networks have come from both the elementary and secondary school.

"We also plan to introduce the members of the district's professional staff who serve the school community by functioning as a support system for the student population," a PTSA spokesperson explained.

"We hope that you, as a person already interested in our district, will attend this meeting and discuss the merits of Parent Network at all levels in Hicksville," she concluded.

# Town Sets Hearings

By Sheila Noeth

The Town of Oyster Bay has set two hearings, both on Tuesday, Jan. 26th, to consider optional proposals to change the Town's Building Zone Ordinance with regard to restrictions on two-family houses.

One hearing will consider restricting two-family dwellings to a Residence C District and would eliminate the current zoning which permits two-family dwellings in D and E Residence Districts, after a hearing by the Zoning Board of Appeals for a special exception use.

The second hearing recommends that a further amendment be considered which would continue to

permit two-family dwellings in the D and E Residence Districts but which would set more stringent criteria before the Zoning Board of Appeals could grant such applications in these zones. This proposed amendment also includes the provisions for two-family dwellings in the C Residence District.

On Tues. Jan. 26th, the Town Board will consider an increase in the charge for disposing refuse (called a tipping fee) at the Town complex in Old Bethpage. If this is approved, the charge will increase from \$18 to \$20 per ton and the cost for disposing rubbish from open body containers will rise from \$1.80 to \$2.00 per cubic

yard.

The Town Board has set a Tues., Jan. 26th hearing on the petition of Salvatore J. Presti and J. Marc Sugerman doing business as Baysep Associates for a change of zone from Residence D to R-O zone on South Oyster Bay Road in Hicksville.

The Town Board has set a day and night hearing on the Tues., Jan. 26th petition of Robert H. Davidson Servicing Corp., for a change of zone from Residence C to Business F on the east side of North Broadway (known as the Jackson property) in Jericho.

The Town Board set a

Tues., Feb. 9th hearing to consider amending the Code of Ordinances regarding Parks and Recreation, a new subdivision on the conduct of patrons generally, which if approved, would make the climbing of fences against the law, as this would make both entry and exit legal only at properly designated areas.

The Town Board set a Tues., Feb. 9th hearing on the petition of the Asparagi Restaurant in the Plainview Shopping Center on South Oyster Bay Road in Plainview for a special use permit for 75 seats.

## Galileo Lodge News

By Joe Lorenzo

VENERABLE TONY PREVITE'S MESSAGE: 'Believe in yourself and you can move yourself. Believe in yourself and you can move the world.' ... Old Saying.

As I have often stated, after the aura of a holiday season starts to wane, and as the thrills and frills associated with it sink into the vast reaches of the past, we find ourselves dwelling in a state of lethargy, a state which usually manifests itself into isolated bouts of depression. Let's face it, weather affects us, and its quite apparent that the dullness and grayness of Old Man Winter also robs us of our enthusiasm, spirits and demeanor as those periods of lingering cold bite at our hearts and minds. One manner in which to dispel such a condition would be to seek a remedy, one like the Galileo Lodge, for example, that tries to drive away the doldrums of the cold season as it makes announcements intended to light up the warm fires within us.

The announcement is that the Galileo Lodge will present its St. Valentine's Day Dance on Saturday, the 15th of February, and for your enjoyment and pleasure this dance will consist of a hot delicious dinner with all the trimmings, beer, soda, coffee and cake, set-ups and live music from the Dynatones. All this, of course, for the nominal fee of \$10 per person. Tony Copolla will "chair" this activity, assist-

ed by a committee to be named shortly. Tickets are available and they can be purchased by calling Tony Copolla and Andy Guiliano at 931-9351 every Monday and Thursday nights, from 8 to 9:30 P.M. The dinner will be served from 8:30 to 9:30 P.M. and the dance music will start at 9:30 and end at 1:30 P.M. Please note that a 'bring-your-own-liquor' policy will be in effect that night. The Galileo Lodge affectionately calls this dance its 'Sweetheart Dance,' so wouldn't it be fitting and proper to take your loved ones to this dance and revel in the delightful and heart-warming atmosphere created by St. Valentine and the Galileo Lodge.

It is often said that education is the key to any success we may achieve in our lives, and if you have a devoted interest in it and how it affects you and your family, then kindly be informed that the Galileo Lodge will present Dr. William Reick, principal of the Hicksville High School, as its main speaker on Thursday, the 28th of January, at the Galileo Lodge, 200 Levittown Parkway, Hicksville. The main topic, of course, will be education and how it touches us in our complex society. All members are welcome, naturally, and so is the

general public. So, for a night replete with many social values and information, why not head for the Galileo Lodge in the date mentioned above and become acquainted with our educational system and see how it is structured to fit into the many needs and wants of our existence.

Getting back to winter and the deleterious effects it has on so many of us, may I add that the Galileo Lodge once again comes to our aid as it announces some of its new recreational activities for February and March. There will be a St. Joseph's Dance and an Anniversary Dance scheduled. And later on, for April and May, there will be a May Dance in the offering. All of these recreational activities are designed to bring you joyous and happy moments as well as to offer you relaxation and leisure. Stay attuned to this column for the dates connected with these activities.

NOTICE: Because of the inclement weather which postponed our regular business meeting where the nomination of officers for 1962 were to be presented, please note that all activities associated with the nomination of officers will be confined to the business meeting of January 28th.

# Missionary From Papua, New Guinea Visits Trinity Lutheran

The members and students of Trinity Lutheran Church and School, 40 West Nicholas Street, Hicksville, were visited by Dave Birner, missionary to the Enga Province of Papua, New Guinea, during the week of January 10-15.

Pastor Birner commented on his work: "New Guinea is a combination of the new and old. Every day you can find people walking down the road with a coke can in one hand and a water gourd in the other. Even their religion is a combination of the new and old. Many of them experience Jesus Christ as a source of power. It takes time for them to understand God's love and to lose their fear of the many spirits which they believe control their lives. Slides were shown, depicting the Enga tribe's traditions as well as the work of the mission. The Birner family belong to, and are supported by, "Partners-in-Mission," a partnership of Lutheran churches in the area, of which Trinity is a member.

At the January 7th meeting, Hicksville rotarians Angle Casella (l) and Harry Smith (r) are shown displaying Certificates of Appreciation which were given for their individual efforts in the downtown Christmas tree project. Presentation was made by club president Paul Martin. (Photo by Joe DePaola)

# LEGIONNAIRE'S LOG

By Arlie Rutz

CHARLES WAGNER POST # 421  
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

The way the ball bounces: John Kerrian has resigned as Post Adjutant. And it bounces this way too: John Cicilese has returned from Arizona and will stay in good ol' Hicksville. Welcome back, John. At Monday's meeting, Harold Bramswig served as acting Adjutant. Among the good news heard at the meeting was the fact that P.C. Larry Small was recuperating at home after a hospital stay for surgery. A book in memory of P.C. Joe Kayel was placed in the James N. MacLean Nassau County American Legion Memorial Library at Hofstra University. Our County Representative, Mary Howard, reported her observations at the last County meeting. And that Dark Horse winner was none other than Steve Wladyska. And sorry to report that Hicksville could not produce a single contestant to compete in the American Legion Oratorical Contest (Nassau County contest) held at our Post last Wednesday evening. This contest is for high school students (and there are two high schools in Hicksville) who must deliver an 8 minute speech on the Constitution of the United States without resorting to notes. As one of our new members put it at the last meeting, "Why has this oratorical contest been kept a secret?" Normally all our programs are touched upon, or it need be, enlarged upon in this column as the actual dates are nearing so that all our members have the same opportunity to participate in, or help out. In regards to the Oratorical Contest, since neither high school could produce a single contestant, thus shutting Hicksville out of the ball game, it was best

to skip the entire matter and look forward to an early start for next year's contest with far better results. And one of the ironies of this year's situation is that the Oratorical Chairman for the Department of New York is our own Dick Hochbruckner. Hicksville did not do anything towards making our own man look good. To continue on the American Legion Library which was the prime subject last week until space ran out. The collection of recruiting posters of both World Wars is very complete. Numerous pamphlets, maps, photographs, medals, songs, propaganda leaflets, old World War I outfit newspapers, etc. are a part of the memorabilia. The archives materials include everything issued by The American Legion nationally and to a limited extent by the departments. The actions taken at our National Conventions and the National Executive Committee meetings constitute the Legion law and all policies are based on these. In this connection, an alphabetical cumulative subject card index and digest of all actions taken by these two groups has been long and firmly established. There are thousands of subjects and cross references thus listed and is an invaluable service to the efficient work of the organization. The Library staff (a Librarian and four Library Assistants) is called upon daily to do resolutions reference work. There is also a card index containing the names of every Legionnaire who has held a National or department office. These names are arranged alphabetically

under each department and each card contains his cumulative Legion record to date. There are in excess of 30,000 names in this Prominent Legionnaire file. A copy of our publication, the 50 year history of Charles Wagner Post is among the Post histories on file. Tomorrow night, Saturday, January 23 we will have a LAS VEGAS nite from 8 P.M. to 2 A.M. so tell your friends to come on down and if you're a member of the committee, be sure to be there on time. Have you brought in a new member this year????

## Hicksville Is The Victor At Syosset

By Howard Finnegan

Hicksville singled its old tormentor, 60-49, in Conference play at Syosset on Tuesday night.

The win followed an unexpected loss to Bellmore-Kennedy, 48-41.

Seven wins and three losses now stand as the season record.

Mephim is at the Hicksville court this Friday night.

A pivotal second period paced Hicksville. Steve Mancini lead the scorers

**HASC Registration**

The Hicksville American Soccer Club will hold Spring 1982 registration on Friday, Jan. 29 from 6 p.m. to 9 p.m. and Saturday, Jan. 30, from 10 a.m. to 4 p.m. at the Hicksville Public Library in the Community Room.

If your son or daughter has not yet registered for soccer, now is the time to get back into the "kick of things." Spring Registration will close on Jan. 31.

For more information, call 935-5460.

On January 16th and 17th, Hicksville sponsored the 12th Annual Indoor Tournament. It was one of the coldest weekends ever in the Hicksville area with temperatures dropping below zero. Things were much warmer inside where 16 teams from Queens and Long Island competed for first place in the under 9 (1973) Division.

Like a well-oiled machine, the Cannonballs, made up of Larry Bag, Tommy Baron, Danny Fujimoto, David Knuth, Danny Goe, Jason Pinsky, Les Spence, Alexander Shevchenko and

Brian Sierra, took the court and put on an impressive display of aggressive offense and difficult to penetrate defense.

In the games that brought Hicksville boys to the finals, the team had built up a super record. The Cannonballs put 23 shots into the net, an average of over 2 goals per game. The talent of the boys was demonstrated by the fact that each and every boy on the Cannonballs scored at least one goal in the Tournament. Brian Sierra and Jason Pinsky, who often play defensive positions

during the outdoor season, were responsible for 8 of the goals.

Another factor to attest to the professionalism of these boys was the fantastic team effort on defense. David Knuth, the goalie, led the defensive effort which was responsible for 6 shot-outs in the first 10 games.

The final game of the Tournament was between the Hicksville Cannonballs and Island Trees. It was truly a championship game. The playing of both teams was excellent, resulting in a tie at the end of the regulation game. During the first sudden death overtime, neither team was able to score, therefore, a second overtime period. During that overtime, however, the Island Trees team was able to score providing both teams and spectators a super finish.

Congratulations to both teams for the championship caliber of soccer.

Tommy Baron was awarded an extra trophy for best defensive player of the tournament.

cini, 26; Ross, 8; Bungert, 13; Smyth, 6; Meyer, 5; and Skarka, 2.

Less than one hundred persons paid to see the game.

Score by periods:  
Hicksville—11, 16, 8, 25—60.  
Syosset—8, 9, 12, 17—46.

## Youth Council To Honor Islander's Coach

At Arbour, the coach who has a lifetime position with the two-time Stanley Cup champion New York Islanders, will be the guest of honor at the 22nd annual Levittown-Island Trees Youth Council Sports Night on Friday, January 29th on the stage of Island Trees High School auditorium. "It's about time we honored one of our neighbors from the Nassau Coliseum," said Hy Krasney, the Sports Night's permanent chairman. "He has the longest tenure of any coach in the National Hockey League and he's the strong,

silent type we need to give our youngsters some answers on ice hockey." Sports Night Director Frank Eck said that he had tried in previous years to honor an Islander but usually the team was in action on the Saturday night of the program. The new Friday night date is an open one for the Islanders and so the Youth Council is able to honor Coach Arbour, who himself was a 12-year NHL defenseman who saw action in three Stanley Cup playoffs. Also being sought as Sports Night guests are Tom

Lasorda, manager of the World Champion Los Angeles Dodgers, and the all-star outfielder of the New York Yankees, Dave Winfield. The first guest to accept an invitation to the January 29th proceedings is Eriv Von Bargaen of MacArthur High School's football team. Von Bargaen was voted Nassau County's top lineman and he starred on both offense and defense. The Williamsburgh Savings Bank assists the Youth Council in the sponsorship of this annual event.

## Committee Forms For Arty Party

In a bi-partisan cultural effort, Democratic Assemblyman Arthur J. (Jerry) Kremer and Republican Assemblyman Armand P. D'Amato will co-chair the Honorary Committee for the Arts Council at Freeport's Arts Party. This year the Arts Council will honor Kitty Carlisle Hart, Chairwoman of the

New York State Council on the Arts, with its ARTY - Art Recognition Tribute. The award is presented annually to one who has made an outstanding contribution to the recognition and promotion of the arts on Long Island. The Arts Party, at which Mrs. Hart will receive the award, will take place on Sunday, April 25.

Both Kremer and D'Amato hold key legislative posts affecting the arts: Kremer as Chairman of the Assembly Ways and Means Committee, and D'Amato as Ranking Minority Member of the Assembly Committee on Tourism, the Arts, and Sports. An Honorary Committee under their chairmanship is now in formation.

## Ecumenical Consultation Center Celebrates 9th Anniversary

On February 15th, the Ecumenical Consultation Center, 30 Grand Avenue, Hicksville, will celebrate the 9th anniversary of the reception of its charter from New York State and the commencement of its service to the people of Hicksville, Plainview, Bethpage and surrounding communities.

Founded in 1973 under the sponsorship of the Ecumenical Council, the center was created to fill an existing need in the community. A study had previously been done in 1972, which revealed that a gap existed in mental health services in the area. Local clinics were available then to

serve those families whose income met their particular guidelines, and private therapists were present to help those able to afford higher fees. However, many families in the middle income range then faced a dearth of services. Ecumenical Consultation Center therefore was formed to provide high quality comprehensive professional care at a moderate fee to meet the needs of those individuals.

Once the need for such a facility was established, a search was instituted to find appropriate headquarters for the center. This task proved difficult due to the high rentals required for offices in most existing buildings. However, at that time, St. Stephens Lutheran Church owned a house on Grand Avenue, which had previously served as church offices, but was then vacant. The congregation generously offered this house to the Ecumenical Consultation

Center rent free, and it has served as its location ever since. Then an appeal was made to local churches. Volunteers from the congregations immediately offered to paint and help furnish the center. Rugs, chairs, desks and other items were donated by local citizens. Indeed it was only through the initial support and enthusiasm of the people of the area that the concept of the Ecumenical Consultation Center was brought to reality.

After 9 years, the Ecumenical Consultation Center continues to play an everwidening, active and unique role in the social service network of our communities. Although originally sponsored by the Ecumenical Council, and continuing to receive support from many local congregations, it is a non-sectarian agency. A team of certified and licensed professionals from the fields of

social work, psychology and pastoral counseling represent all faiths and religious orientations. They are available to offer a wide range of services dealing with individual and family counseling, parent-child problems, school difficulties, premarital and marital therapy and vocational and career guidance. Realizing that the sense of urgency and often desperation is very real to the individual or family in difficulty, the services are designed to provide immediate help. In addition, although the center does not receive any government funds, and depends for maintenance on its fees and contributions from local churches and other interested groups, due to its non-profit status, fees have been kept at a moderate rate, an important factor at a time of economic hardship for most individuals.

Cognizant of the fact that not all clients have the resources, nor interest in involving themselves in a prolonged length of treatment, short term time-limited arrangements are available, where therapeutically appropriate. Clients can contract for a limited number of sessions, such as 4-6 weeks, and at the end of that time, client and therapist can reevaluate together the problems and progress, as well as future needs of the individual.

In addition to the programs already mentioned, the staff of the Ecumenical Consultation Center has been active in other areas. Under the sponsorship of the agency in the past, groups have been held for parents of leukemia victims.

Anyone desiring further information or an appointment, please call the Ecumenical Consultation Center at 935-4437.

## A Night Of Yiddishkeit

Life was far from easy for immigrants in the Goldeneh Medineh (The Golden Country) but the "mishpocha" (the family) was the glue that kept them together.

Helen and Meyer Zarembo return to the Plainview-Old Bethpage Library on Saturday and Sunday, January 23 at 8:30 pm and January 24 at 2 pm with a new program "SONGS MY FAMILY SANG TOGETHER" in English and Yiddish.

This program of nostalgia will be filled with familiar songs that YOUR family probably sang together too. As with all of their programs there will be a liberal sprinkling of humorous "maiselach" (stories) reflecting the capacity to laugh in the midst of travail.

The program will also feature a hilarious interpretation by Helen and

Meyer of a literary classic as it would have been written in Yiddish. Both performances are free, but tickets are required.

The program will also feature a hilarious interpretation by Helen and Meyer of a literary classic as it would have been written in Yiddish. Both performances are free, but tickets are required.

The library is located at 993 Old Country Road in Plainview, opposite the Morton Village Shopping Center. For further information or directions call 938-0077.
