Museum Celebrates 19th Anniversary

The Hicksville Gregory Museum Board of Trustees hosted a 19th Anniversary celebration at the museum, recently. Marking the occasion were community leaders, educators, museum volunteers and benefactors, representing, as it were, the various elements of the village's society which helped keep the museum alive in recent, difficult years.

Hicksville slides copied from historical photographs not usually seen by the general public. A surprise moment in the festivities occurred when Museum Vice-President Irwin Botto, on behalf of the Museum Trustees and President Dr. Richard Smith - unable to be present - presented "outstanding service" plaques to Director Richard Evers and Trustee Rose Mary Barrow. The director's award cited him for "faithful and exceptional services to the museum in many roles: Trustee, Board President; Historian and Director. Mrs. Barrow's award was for similar services as a long-time member of the Board of Trustees.

At a 19th Anniversary program, recently, leaders of the Hicksville Gregory Museum were honored by the Board of Trustees for outstanding service. Holding

inscribed plaques presented by Board Vice-President Irwin Botto (center) are Trustee Rose Mary Barrow and Museum Director Richard Evers.

In his welcoming remarks, Museum Director Richard Evers paid tribute to the Hicksville Board of Education and the Hicksville Public Library Trustees for their "enlightened acceptance of service contracts with the Gregory Museum which have enabled the Earth Science Center to provide modest salaries for essential staff employees."

The special program for the 19th Birthday of the Museum consisted of a Mount St. Helen's Eruption slide lecture by Curator Edward Marintsch and the showing of many old-time

Also honored was the late Mrs. Jane Spiselman a Hicksville teacher, and an inspiration for Gardiner Gregory's setting up of a geology collection as a media resource for the Hicksville schools. Mrs. Spiselman's husband, Herbert, and daughter, Wyn were present for the dedi-

cation of a museum exhibit case in memory of her "devoted services as Museum Trustee, volunteer and tour guide for school children."

Calendar of Events

Saturday, Feb. 20

Hicksville BPOE, 9 p.m., 80 E. Barclay St., Hicksville.

Friday, Feb. 26
"All That Jazz And More," 8 p.m., Hicksville High School. Admission \$2.00.

Meeting On Diploma Requirements

The Hicksville Public Education Board of Education will meet on Tuesday evening, February 23, at 8:15 pm in the Little Theatre of the High School. Following a short regular business meeting, the rest of the session will be devoted to a discussion of the proposed diploma requirements for district students.

In September 1981, the Board directed the Superintendent, to review requirements and make recommendations for revision or modification. Over the next several months, Dr. Daniel A. Salmon, Assistant Superintendent for Secondary Education

held meetings and made presentations to establish priorities and guidelines and a survey of other districts in Nassau County was conducted to clarify procedures. As a result of this comprehensive study, Dr. Salmon prepared a proposal for discussion which will be the focus of the special Board of Education meeting.

The proposed diploma requirements are intended to establish reasonable expectations for students which will provide for learning and involvement in a range of disciplines. According to the philosophy of (Continued on Page 5)

Popular music fans will enjoy a real treat on Friday evening, February 26, when the Hicksville High School Music Department presents "All That Jazz, and More" featuring the Madrigal Singers, the Pearl Drops, the Stage Band, and the Symphonic Band playing and singing popular music ranging from the 1920s right through contemporary big band jazz and show tunes. George Higginson, of the High School English faculty, will serve as Master of Ceremonies for the concert, which will be held in the

High School auditorium at 8 pm. There will be a \$2.00 admission donation.

The three conductors of the groups, which total 50 instrumentalists and 18 vocalists, have been busy rehearsing in preparation for this special presentation. J. David Abt will conduct both the Stage Band and the Symphonic Band. A professional trombone player in his own right, Mr. Abt brings years of playing and performing experience to his students. The Madrigal Singers will perform under the direction of Charles Arnold, versatile

choral conductor at the High School, singing contemporary tunes in a free and relaxed style. William Golecke, long-time director and arranger for the Pearl Drops, promises a variety of tunes ranging from "Two Sleepy People" to "Magic to Do" from "Pippin." A combined finale is designed to send the audience gawking from the auditorium humming and whistling familiar tunes.

The performers and their conductors invite the entire community to attend the

pops concert, which will surely have something for everyone included in their varied program. Advance tickets can be purchased from music students or by sending a check for \$2.00 per ticket and a self-addressed stamped envelope to the Hicksville High School Music Department, Division Avenue, Hicksville NY 11801. Checks should be made payable to Hicksville High School Tri-M. Tickets remaining after advance sales will be available at the door on the evening of the concert.

Hicksville PTA Council Founders Day Dinner To Honor Lorraine Losche

By Mary Cordier

Lorraine Losche has been chosen by the Hicksville Council of PTA Units as this year's District Honored Guest at their Founders Day Dinner.

Founders Day is the anniversary of the National Congress of Parents and Teachers established in February 1897.

The celebration in Hicksville will take place on Thursday, Feb. 25, at 6:30 p.m. at the Galaxie Restaurant.

In 1963, Lorraine took her first-born daughter, Lee, to Dutch Lane School for her first day of kindergarten. Lorraine signed on as a Class Mother. That was the beginning of a long career of service. Another daughter, Linda, joined the school population and Lorraine continued her PTA work. The years passed and both daughters graduated from

the Senior High, went on to college, and Lorraine continued with a much wider scope of PTA work.

During these years, Lorraine has participated in every phase of PTA including past president of Dutch Lane PTA, vice president and recording secretary of PTA Council, past president of the Senior High PTSA. She has represented us at the New York State PTA Convention, served on various School Board committees including the original Educational Goals and Objectives committee which began in 1968.

Lorraine has made a lovely home for her husband, Bob, her two daughters and the family pets which include three dogs and two cats. Lee is currently an office manager with a local oil company and Linda is studying Music Education at Hofstra University. Bob, an engineer, is no stranger to

volunteer community service. He was one of the original founders and board member of HAD, a local organization for the youth of this community. He also served as its president.

PTA has been only a part of Lorraine's busy life. She has managed to take her turn at teaching Sunday School at the United Methodist Church, being a Brownie Leader, Girl Scout Leader as well as a 4-H Club co-leader.

She has also found time to enjoy her hobby of needlecraft and to become an avid N.Y. Islander's hockey fan.

Other 1982 Honored Guests are:

From Burns Ave. School: Helen Melillo, third grade teacher at Burns; and Nancy McNamara, unit vice president and chairman of the Ways and Means Committee.

Dutch Lane School: Pearl Blaustein, first grade teacher at Dutch; and Phyl-

lis Bacchi, retiring from service at Dutch this year.

East St. School: Fran Kenyon, fourth grade teacher; and Dominick Giacopelli, custodian at East St. who is retiring this year.

Fork Lane School: William Eisenhauer, band director at Fork Lane; and Vicki Martin, currently Council delegate from Fork Lane.

Lee Ave. School: John Mateer, principal at Lee Ave. for six years; and Honey Singer, current president of the Hicksville PTA Council.

Old Country Rd. School: Ria DiNicholas, crossing guard at Blueberry Lane and Levittown Parkway for 23 years; and Virginia Kratochvil, a long-time active member of PTA; and Joan Martin, who will be honored with Life Membership.

Wilmet Ave. School: Pat Falk, an eight-year member (Continued on Page 5)

Nassau County Comptroller Peter T. King has called upon Governor Hugh Carey and the New York State Legislature to take immediate action to bring about the state takeover of the local share of Medicaid costs.

Pointing out that Medicaid expenditures account for 35% of Nassau County's

general fund property tax rate, King stated that "local governments can no longer be expected to pay these Medicaid costs which are mandated upon them by the State - costs which have doubled in the past five years."

King specifically called for the State to begin to immediately assume the cost of the

"long-term care programs" which account for 57% of Nassau County's Medicaid allocations.

"In 45 of the 50 states, local governments are not required to pay any share of Medicaid costs whatever and in no state except New York are the local governments required to assume 25% of the Medicaid burden," King stated. "At a time when the federal government is cutting back on aid to localities, it makes no sense whatever for the State to require local governments such as Nassau County to continue to pay for mandated programs such as Medicaid when the local government has had no role in the adoption or the formulation of those programs."

King praised the efforts of New York City Mayor Ed Koch and Nassau County Executive Francis Purcell in urging Albany to take over Medicaid.

This is another example of our elected officials speaking out on behalf of their constituents. Pete King was voted into office this past November and has been working diligently since that time.

Another elected official who is our eyes, ears and spokesman in Washington, D.C., is Representative Nor-

man F. Lent. Lent has taken action to prevent proposed reductions in Coast Guard services, recently announced by the Department of Transportation.

Lent has joined in introducing legislation (HR 5348) which provides an additional \$186 million in funding for the Coast Guard. This, Lent said, should be sufficient to maintain Coast Guard operations and services at current levels.

Lent declared, "The proposal to reduce Coast Guard services and personnel is extremely ill-advised. It would definitely diminish search and rescue missions, threatening the safety of life and property at sea. It would seriously diminish the effectiveness of the Coast Guard in controlling drug smuggling activities, and violations of our 200-mile fishing limit by foreign fishing fleets. We cannot afford to lose these services. Long Island's fishermen and boaters depend on the Coast Guard and need the fullest services the Coast Guard can provide. In a typical year the Coast Guard saves more property than its whole budget and saves thousands of lives every year."

Lent said the DOT proposals include the closing of three air stations and 105 other offices, including marine safety offices, vessel documentation and licensing offices and boating safety programs. The reductions would also mean the decommissioning of eleven Coast Guard cutters and some aircraft as well as a sharp reduction in Coast Guard personnel; up to 3,500 uniformed positions.

"It is encouraging that nearly 50 Members of Congress, both Democrats and Republicans, joined in co-sponsoring HR 5348 when it was introduced as the Congress reconvened," Lent said. "I hope this, strong bipartisan support will cause the House Appropriations Committee to act swiftly in approving this legislation."

PTA Legislation Seminar

"Crossroads in Education - Is There A Future For Public Education?" was the topic of discussion at Nassau District PTAs Legislation Seminar held Thursday evening, January 21, at Old Bethpage Restoration.

Eleven Nassau County Legislators and over 100 PTA members from throughout Nassau County participated in the conference.

A panel discussed issues affecting public schools: the importance of public education, the negative impact of financing private school education with public funds, recent and proposed changes in Federal funding for education, a historical perspective on the work of the Task Force on Equity and Excellence in Education and the impact on Nassau public schools. The panelists included Mr. Jay Sommer, Teacher, New Rochelle High School and 1981-82 N.Y.S. and National Teacher of the Year; Ms. Nancy Gaeta, Associate for Professional and Nongovernmental Affairs, Special Task Force on Equity and Excellence in Education; Dr. Murray Schneider, Chairman of the L.I. Coalition for Public Education; P. Alistair MacKinnon, Federal Education Legislation Coordinator, New York State Department

of Education and Mr. Edward Milliken, Superintendent, East Islip School District and School Governance Chairman, New York State PTA.

Following the panel presentation, the Legislators gave their reactions and answered questions from the audience. Those attending were Senators Carol Berman, Owen H. Johnson, Norman J. Levy and Assemblmen Kemp Hannon, Phillip B. Healey, Arthur J. Kremer, Guy Mazza, May Newburger, Angelo F. Orazio, Fredrick E. Parola and Lewis J. Yevoli.

The Single Parent Project operates under the auspices of the Town's Drug and Alcohol Control Agency. For information call 922-1010.

Hicksville Single Parents To Host Attorney Speaker

The Hicksville Single Parent Group will host a speaker from For Our Children and Us, Inc. (FOCUS) at its Monday, February 22nd meeting.

Oyster Bay Town Councilman Thomas L. Clark announced that an attorney will address the issues of separation, custody, visitation, court-awarded child support and alimony from a legal standpoint. A question and answer period will follow.

The meeting, which is open to all separated, divorced and widowed parents will be held at the Hicksville High School, Division Avenue, beginning at 7:30 PM.

Show hours are 11 am to 10 pm, except Sunday, March 14, when it will close 2 hours earlier, 11 am-8 pm. Free parking.

"Suddenly It's Spring"

For nine colorful days including two weekends spring can be enjoyed and welcomed at the second annual Long Island Flower Show at Farmingdale. This major

flower and garden display in the Long Island area will be staged at the George E. Nold Exhibit Hall on the State University campus off Route 110 from March 6-14, 1982.

Show highlights will be an authentic Oriental Garden, designed by the Queens Botanic Garden, a rose garden with 1,000 fresh Jackson & Perkins plants that will be arranged by the Nassau County Parks staff, and an exotic tropical garden brought up from Florida just for the exhibit.

CAPA Concerts

The Town of Oyster Bay Cultural & Performing Arts Division, (CAPA) presents the Distinguished Artists Concerts, co-sponsored by the Plainview-Old Bethpage Public Library, 999 Old Country Road, Plainview. On March 21, at 3:00 PM the Gagliano Chamber Players will be featured. Music by Bach, Haydn, Handel and Ibert. For further information call the Library at 938-0077. Free

The Town of Oyster Bay Cultural & Performing Arts Division, (CAPA) presents the Distinguished Artists Concerts, co-sponsored by the Syosset Public Library, 225 South Oyster Bay Road. Featuring the New York Brass Choir on March 26. Music of Dukas, Strauss, Joplin, and Gabrielli. For further information call the Library at 921-7161. (8-15 PM Free.)

There will be 40,000 square feet of indoor space. Twentyfive major gardens have been designed by leading Long Island landscape contractors and nurseries as well as 19 display gardens v local chapters of national horticultural societies and garden clubs.

Sponsors to this Show are SUNY at Farmingdale, Ornamental Horticulture Curriculum and the Alumnae Association at Farmingdale, New York.

Reminder On Property Tax Exemptions

By Sup. Joseph Colby

For senior citizens, veterans and clergy who live in Nassau County, this column is a reminder that applications are now being accepted by the County Board of Assessors for veterans', senior citizens' and clergy property tax exemptions.

State law requires that all applications must be filed with the Department of Assessment between January 1, and May 1, 1982, but please don't wait for the last minute before filing your application. Verifying eligibility and obtaining the necessary documentation may delay the processing and cause you to miss the deadline.

Veterans' exemptions are permanent, once originally granted, but require a supplemental application if the veteran has received additional payments which qualify for a larger exemption.

The veterans' exemption expires when a property is transferred or if the veteran buys another home, in which case a new application must be filed to ensure continuance of the exemption.

To qualify for the senior citizens' exemption, applicants must have an income of \$9,200 or less (Note: income eligibility ceilings for school district tax exemptions vary from district to district), including Social Security. Because eligibility for this exemption is based in part on income, seniors must file a renewal application every year or face the possible loss of this important benefit.

Any minister, priest or rabbi of any denomination, who is the owner of real property, is eligible for a \$1,500 reduction on the assessed valuation of the property. This tax exemption is also available to members of the clergy who are unable to perform the work of their de-

nominations due to impaired health, or who are over 70 years of age. A new application must be filed each year to obtain this exemption. The widow of a clergyman is also eligible for this property tax exemption, if she has not remarried.

Residents of any of the Incorporated Villages or Cities in Nassau County must file applications separately with those municipalities to be eligible for exemption from City or Village taxes.

Applications are available from the Nassau County Department of Assessment, County Office Building, 240 Old Country Road, Mineola, N.Y. A special booklet for Oyster Bay veterans or senior citizens, explaining the exemption program, may be obtained by sending a self-addressed, stamped envelope to Solomon Newborn, Receiver of Taxes, Town of Oyster Bay, Audrey Avenue, Oyster Bay, N.Y. 11771.

Tobay Historical Essay Contest

Oyster Bay Town Supervisor Joseph Colby announced that, beginning on February 15th, the day commemorating the 250th anniversary of the birth of George Washington, the Town Bicentennial Historical Commission began a Town-wide Essay Contest for students from grade 4 through college.

Colby stated that, "as part of the ongoing program to promote an awareness of Oyster Bay history, this contest is aimed at making our Town's history come alive for students by requiring them to research and learn about the heritage of their Town and their local communities."

The contest, open to all students residing or attending school within the Town of Oyster Bay requires students to write essays on a subject that is relevant to the theme: The Town of Oyster Bay's Historical Heritage. Eligible students will be

entered in one of the following categories: grades 4-5 up to 400 words; grades 6-7, up to 700 words; grades 8-9 up to 700 words; grades 10-12, up to 1,000 words and college or university division, up to 1,000 words. (Full-time and part-time employees of the Town of Oyster Bay are not eligible to enter.) Entry forms and an historical bibliography will be distributed to schools, colleges and universities within the

Town. All essays accompanied by official entry forms must be submitted by mail to the TOBAY HISTORICAL ESSAY CONTEST, c/o Bicentennial Historical Commission, Town Hall, Oyster Bay, New York, 11771, no later than April 19, 1982. Requests for further information should be directed to that address or call the Bicentennial Commission at 922-8600, ext. 253.

Dear Friends...

PEOPLE IN THE NEWS: gifted percussionist and Berklee College of Music alumnus Douglas Florence a former PLAINVIEW resident, is presently enjoying a highly successful world tour with the popular recording artists the Pointer Sisters. A graduate of PLAINVIEW HIGH SCHOOL, Douglas participated in the PHS band and was chosen as a member of New York's All State Stage Band ... congratulations to Robert Malech of PLAINVIEW Chairman of the Board of Dorne and Margoling Inc. who recently received a Certificate of Special Achievement from the U.S. Small Business Administration for outstanding work as a prime contractor ... Mr. Stu Agins, Chairman of the Guidance Dept. at the Plainview High School was a member of the planning committee for the Career Day Program which was held at Adelphi University in mid January. More than 4,000 County high school students had the opportunity to meet with representatives of 65 career fields, while the Guidance Counselors who accompanied them heard Mr. J. Edward Meyer, vice-chancellor of the NY State Board of Regents discuss the new State Guidance Curriculum.

A report published last in December, 1981 by the Nassau-Suffolk School Board Association ranks the Hicksville School District 35th among the 53 districts listed by tax rate for the school budget year 1981-1982. The rankings ranged from Valley Stream District 24 in first place with an assessed value tax rate of \$243.04 per \$1000, to Long Beach, ranked 53rd with a rate of \$139.

According to this study, Hicksville district restrict residents, at a tax rate of \$189.50 per \$1000 assessed value, pay 3.4% less than the average in our County and 3.8% less than the median rate of \$198.08.

Despite rising costs and continued inflation, Hicksville has shown a steady decline in these rankings over the past several years, while other districts' budgets have been rising at a higher rate.

"We are managing our resources carefully," Supt. of Schools Dr. Hawkins explained to us, "We are maintaining all existing programs and keeping the quality of education in our schools at a high level."

Good.
THAT'S ALL for this week. Stay well. SHEILA

Homemakers Council

Nassau County Homemakers Council, Plainview-Old Bethpage Chapter, will hold its weekly meeting on Thursday, Feb. 25, at 10 a.m. in the basement of the Plainview United Methodist Church, located at 992 Old Country Rd., Plainview, near the Morton Village Shopping Center.

This month's projects include crocheted bookmark, bargello (needlepoint) pillow, "log-cabin" pillow, and "meals from the freezer."

New members are always welcome. For more information, please call 249-1526.

Parola Opposes "Pork Barrel"

Calling the recent passage of the state's supplemental/deficiency budget "politics as usual", Assemblyman Fred Parola (R-C, Wantagh) explained his opposition to the bill.

Parola said, "Over my opposition vote, the dominant political theme in Albany these days remains 'politics as usual' with special interest groups garnishing the prize of \$33 million dollars in the supplemental budget recently enacted into law.

"Although many worthy programs that I and our Senators worked for were included in this total deficiency supplemental budget of \$185 million, much of the money went to rich school districts and powerful lobbies who have 'friends' in influential places. Their selection was not based on merit but power.

"These appropriations to legislators' 'pet projects' lack accountability as to how deserving the group is or how well the money is spent. Many of these programs were individually defeated in committee during the last session only to appear in this 'pork barrel.' I believe that each one of the nearly 450 projects should stand on its individual merit and not be lumped into an endless stream of one-line descriptions which add up to 57 pages of the bill S. 7806-A and A. 8656-A.

"I know that the 'crumbs' for our area would have been enacted on the merits and based upon very real needs.

"Senator Dunne, Assemblyman Guy Mazza and I were successful in realizing a \$150,000 grant for the Levittown School District

for Computer Assisted Instruction which Dr. William Maloney worked so hard to develop.

"In addition, the Levittown Island Trees Youth Council, chaired by Fred Neist and which serves more youngsters than virtually any other program in our area, received \$75,000.

"FOCUS - serving women who are recently divorced or widowed and their families to enter or re-enter the job market received \$75,000 thanks to the efforts of Senator Marino.

"Senator Norm Levy and I also obtained \$30,000 for the Wantagh School District gifted program.

"We were also successful in appropriating monies for an additional 200 inmates due to the increase in our prison population. I was especially pleased with the

new funding for school districts, handicapped students and the help provided to the Tuition Assistance Program (TAP) which has had difficulty serving college students due to increasing administrative costs.

"But in the balance, the expenditure of \$185 million must receive greater scrutiny and airing before the people and their representatives. This 'lumping' approach is a disservice to the people of the state of New York and a wasteful expenditure of money. Each measure should stand to be voted on individually - not hidden. This state will never learn."

Proposed School Budget

Hicksville residents will have an opportunity to learn about the proposed school budget for 1982-83 at special meeting scheduled for Wednesday evening March 3, at 8:15 pm in the conference room of the Hicksville Public School Administration Building or Division Avenue.

The Board of Education and the administration have been carefully preparing a budget aimed at maintaining and improving programs but resulting in no tax increase for community residents. The possibility of a decrease has also been projected.

The Budget Advisory Committee of the Board has been meeting for several weeks to examine projected expenditures and distribution of funds and their recommendations will be included in the deliberations. The Board of Education invites all Hicksville community members to participate in the budget preparation process and to attend the special public meeting on March 3.

of PTA: and Pat Longo, who with Pat Falk makes up the team known as the "Dynamic Duo" and who is always ready and available to help out where needed.

Woodland Ave. School: Mary Cerini, unit past president.

Junior High School: Norma Goerke, president of the unit; and Gerald Klein, Principal.

Senior High School: Fran Loiacono, who has served PTA at the Senior High, Junior High and Woodland Ave. School; and Mary Cordier, currently serving as PTA Council delegate from the Senior High PTSA.

SEPTA: Mike Sheridan, teacher at the Senior High for 13 years.

DIPLOMA REQUIREMENTS

(Continued from Page 1 Hicksville)

pressed in the proposal, "changing population patterns, employment opportunities, and technological developments call for additional kinds of training. The high level of both education and training now required for entry into many occupations also requires a reorganization of secondary school experiences."

Interested members of the community are invited to attend and participate in the discussion at Tuesday's meeting.

The American Society of Travel Agents, Inc., Long Island Chapter, held a meeting on January 18th, at the Island Inn, Westbury. The Guest Speaker Edward C. Acker, Chairman of

the Board of Pan American World Airways, Inc. Mr. Acker spoke to the Chapter on the way he will try to simplify air fare for the public and the travel agent. He explained how important it is to work with hotels, car rentals and cruise companies to be able to service the public with a low cost vacation.

Tuvya Zaretsky To Speak On "Jews For Jesus"

Tuvya Zaretsky is an enigma to some people, not only because his name is hard to spell and pronounce, but because he's Jewish and believes in Jesus. He will be the special speaker at Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, on Sunday, February 21, at 8:15, 9:45, and 11:15 AM.

Raised in northern California, Zaretsky attended Hebrew School and was bar mitzvahed. A few years later Zaretsky found himself caught up in the 60's counter-culture and became disenchanted with religion. Says Zaretsky, "I tried a lot of different trips knowing I just wasn't measuring up to be the kind of person that I ought to be. Deep down inside I knew I needed a personal relationship with God. So I decided to ask God to reveal himself to me and he did. I started reading the Bible, and I discovered the

reality of Messiah Jesus." That was in 1970. Now Zaretsky is committed to telling others of that same discovery.

Mr. Zaretsky started as a volunteer worker with Jews for Jesus before its incorporation in September of 1973. He received his Bachelor of Arts and Master of Arts degrees in Speech Science from the University of Redlands in California. Mr. Zaretsky received his theological and practical missionary training through completion of the Jews for Jesus Missionary Training course. He is a member of the executive staff of Jews for Jesus and is one of the council members who determines the policy and strategy of the organization. Mr. Zaretsky has authored several of the organization's popular broad-side pamphlets including, "Star Trek," "Where in O'Hare Am I?" and "What's

a Four Letter Word You Can Say to God's Face?" Presently he is a senior staff member of the New York City branch of Jews for Jesus.

Jews for Jesus is the largest Jewish mission agency in the United States. Dr. Ralph Winter, General Director of the U.S. Center for World Mission says, "I consider the Jews for Jesus to be the front-running board in the world today concerned with the task of evangelizing." Its creative staffers communicate to the public in many ways to convey the message that Jews can believe in Jesus and still remain Jews.

The Reverend Dr. John H. Krahn extends an invitation to the mid-island community to come and hear Mr. Zaretsky speak at Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville on Sunday, February 21, at either 8:15, 9:45, or 11:15 AM.

Youth Activity Program

In a continuation of the Town of Oyster Bay Youth Activities, the Hicksville School District in a matching funds arrangement will be offering the Winter Phase of the Program. This program will begin February 23rd and

continue to approximately June 1st.

The program will take place at the Senior High school with emphasis on large group enrollment activities.

The schedule of activities is as follows for grades 7-12. Section I: Thursday and Friday - Basketball, Main Gymnasium; Volleyball, Auxiliary Gym; Dance, Room 159 and Weight Training, Weight Room.

Section II: Tuesday and Friday - Floor Hockey, Main Gym; Weight Training, Weight Room; Basketball, Main Gym; and LaCrosse, Auxiliary Gym.

Local Students To Help Fight Birth Defects

Students from Hicksville Junior High School were among the throngs of spirited cyclists who joined Long Island March of Dimes Super Ride '81. Backed by sponsors, they pedaled the 50-mile route and helped raise much-needed funds for the fight against birth defects. March of Dimes reports that more than 1,100 bikers participated and raised sponsor donations totaling over \$40,000 (with still more coming!).

Congratulations to the following students who put "pedal power" to work for such a worthy cause: John Burdewick, Susan Clancy, Kathy Dawson, Elaine Levine, Jerilyn Mandel, Karen Miller, Eric Slavsky, Helen Wylie, Nicholas Wylie, and Lori Zwisler.

Hicksville American Soccer Club News

Hicksville Tornados, Boys U9 Coached By Steve Florio This past weekend on Valentines Day the Hicksville Tornados traveled to Peekskill to participate in the East Hudson Youth Soccer League indoor tournament. The team players were Jason Kilmets, Brian Centrone, Michael Kent, Todd Zeff, Kevin O'Hea, Rex Germer and Erik Matz. The tournament consisted of 3 rounds of play and the Tornados breezed through

those games with Rex Germer registering 3 shutouts.

In the semi-final game the Tornados were opposed by the team from Shrub Oak. Shrub Oak scored first in the opening minutes but great defensive playing by Michael Kent and continuous offensive efforts by Jason Kilmets put the pressure on the Shrub Oak team. The Tornados finally broke through and scored 2 goals to win the game.

In the final game it was

Hicksville against North Babylon. The game was played very tough with North Babylon coming out on top. This gave the Tornados 2nd place in the tournament.

Goal scorers in the tournament for Hicksville were: Todd Zeff 5, Kevin O'Hea 4, Brian Centrone 2 and Erik Matz 1.

Congratulations to Steve Florio and the entire team for a super effort in representing the H.A.S.C.

Hicksville Baseball Association

By Ann Macaluso

FINAL REGISTRATION for Little League is this Saturday, February 20th at Levittown Hall (Beech Lane and Levittown Parkway in Hicksville) from 10:00 A.M. to 1:00 P.M. Boys and Girls, ages 6-18 are urged to sign up NOW! Opening Day is scheduled

for April 17th. However, the Boys Minor League is still in need of a Director, Managers and Coaches. These positions must be filled before March 15th in order for these youngsters to play ball. Anyone willing to help please leave name and address during registration, time listed above. Uniforms not turned in

since last year may be brought to registration.

Volunteers are needed also as team parents to help out with team functions such as collecting picture money and chance stubs. If you are able to help in any way please contact Dan Rom, 3 Stanford Lane, Hicksville, N.Y. 11801 writing.

On The Campus

Hicksville Grit Hangs In 65-59

By Howard Finnegan

Hicksville's likeable basketball team stamped its character as it refused to default its playoff chances overtaking a 12-point Syosset lead to win, 65-59.

With one game left to play against powerful Massapequa the Comets stood at 5 league wins against 6 losses. A 500 league record gained a playoff berth.

Hicksville is 9 and 8 on the season overall.

Bill Cheslock and Steve Mancini set some five hundred home fans howling with the second half rally.

A very tight Hicksville defense kept Syosset at bay. The losers resorted to quick fouling but the Comets were cool on the line.

Mancini converted ten over the game while Kevin Bungert had 4 and Charlie Chatterton sunk 6.

Syosset—11, 20, 15, 13—59.

Hicksville—17, 11, 12, 25—65.

Hicksville scoring: Bungert, 0-4-4; Mancini, 8-10-

26, Ross, 7-0-14; Cheslock, 4-2-10; Meyer, 1-1-3; Skarka, 1-0-2; Chatterton, 0-6-6.

Syosset carried a six-point lead, 46-40, into the last period.

Michael Meyer shouldered his way between two defenders and popped a basket from the key.

Cheslock continued aggressive and used the backboard to put into from underneath.

Scott Ross had two long one handers from the corner.

Mancini interspersed all that with 10 points and carried Hicksville to five lead.

Hicksville Court Following...

Some sixty parents, administrators, and coaches attended a Syosset victory buffet supper after the game. A congenial time was had by all at J.P. Courtneys. The well-appointed restaurant is owned by Hicksville Alumnus and supporter, Bob Flanagan...Mr. and Mrs. Bernard Meyer received rounds of congratulations for the appointment of their son, Michael to the United States Naval Academy. Michael is on the basketball, soccer and lacrosse teams at Hicksville...Historical insights—Scoring records for an individual at Hicksville belong to Dick Alcock and Chris Colletta. Its 34. Comets have 56 years of basketball history.

There were two outright League, Conference, or Division Championships. Two titles were shared with Oyster Bay and Plainview.

Davidson and Greenberg Speak on Road Racing. The featured speakers at the February Meeting of the Plainview-Old Bethpage Road Runners Club were top Club road racers LARRY

DAVIDSON of Farmingdale and HOWIE GREENBERG of Plainview, who gave an informative and entertaining talk on "Road Racing: Getting Started... and Getting Better." Pictured

here at the close of the meeting are (L to R) Club members Alan Stopek, Howie Marlin, Larry Davidson, Sue Wolfe and Howie Greenberg.

Ice Skating Revue

The whirling grace of youngsters ages 8-17 will be on display at the annual Winter Ice Skating Revue to be held at the Cantiague Park Ice Rink in Hicksville on Wednesday, February 24, from 8:30 to 10:30 P.M.

Nassau County Recreation and Parks Commissioner Abram C. Williams said the free exhibition, originally scheduled for February 10, was postponed due to illness of the choreographer. Williams

noted that the program is sanctioned by the United States Figure Skating Association and will feature members of the Cantiague

Figure Skating Club in an exhibition of figures and precision drills. For further information, call 935-3501.

Left to right are Juniors J. Sayre, K. Keyes, R. Matelwich, P. Magnuson, and C. Jordan.

St. Ignatius CYO Basketball

By Laura Brand

There will be one more chance to register for the 1982 St. Ignatius CYO Program. There will also be registration for the Spring program which includes baseball and lacrosse for boys and softball for girls. Registration will be held in the St. Ignatius old school cafeteria on Tuesday, February 23, from 7 to 9 P.M.

A HEARTY WINTER MEAL

When the cold north wind blows, nothing tastes better than a warming, satisfying meal such as "Mushroom-Beef Skillet Stew." This hearty main dish combines beef, mushrooms, onion soup mix, thyme and red wine... all simmered slowly to tender, savory perfection, and served over golden, enriched egg noodles for a delicious meal that's sure to chase the winter chills away.

MUSHROOM-BEEF SKILLET STEW

- 2 tablespoons oil
- 2 pounds beef cubes
- 1 envelope onion soup mix
- 1 teaspoon ground thyme
- 1-1/4 cups water
- 1/4 cup dry red wine
- 1-1/2 cups sliced mushrooms
- 3 tablespoons all-purpose flour
- 1/2-1 1/2 ounce package Pennsylvania Dutch Brand Broad Egg Noodles

In large skillet, heat oil and brown beef. Add onion soup mix and thyme blended with 3/4 cup water and wine. Simmer covered, stirring occasionally, 60 minutes. Add mushrooms and simmer covered an additional 30 minutes or until beef is tender. Stir in flour blended with remaining water. Bring to a boil, then simmer, stirring constantly, until sauce is thickened, about 5 minutes.

Meanwhile, cook noodles according to package directions. To serve, arrange stew over noodles. Makes about 6 servings.

The first lighthouse in America was erected by the Province of Massachusetts in 1716 on Little Brewster Island.

What You Should Know About Karat Gold Jewelry

Of all the world's precious metals, only gold combines the four basic characteristics that make it a universally and eternally treasured possession, as well as an important component in many aspects of medicine, dentistry and industry.

According to Jewelers of America, Inc., a trade association of 12,000 retail jewelers around the country, the first of gold's special qualities is its lustrous beauty. The naturally intense color and distinctive luster of gold combine to give it a unique and lasting appeal. Yellow, pink, green and white golds are achieved by combining gold with small amounts of other special metals, and today's major new fashion trend is toward "tricolor" jewelry which combines yellow, white and pink gold.

Although gold is everywhere around us—in the earth's crust, in our seas, rivers, and plants—the difficulty of obtaining gold from these diverse sources makes recovery of any great amounts unlikely. In fact, only an estimated 88,000 tons of gold have been taken from the earth during all of recorded history, as much as could be contained in a cube with 18-yard sides. This rarity alone bestows a great status to gold.

Another special quality of gold is its durability.

Remember when buying gold jewelry that all that glitters isn't necessarily gold.

Since it does not rust, tarnish, or corrode, gold virtually lasts forever.

Gold also has the best working qualities of any metal, thereby making it the ideal precious metal for fine jewelry whose designs are meant to reflect and appeal to so many individual different personalities. It's gold workability that enables it to be alloyed with the other special precious metals to produce special effects or to achieve variations of color.

You should remember that when buying gold jewelry, all that glitters isn't gold. Always look for a karat mark, such as 18k, 14k, etc. The karat mark refers to the purity of gold. Gold in its purest state, 24 karat, is generally considered too soft for practical use in jewelry. Nothing less than 10k can legally be marked

SKI TIPS

Cross-country skiing is rapidly becoming one of the fastest growing participant sports in the United States. The wide variety of equipment on the market, however, can be as confusing as an uncharted mountain trail to some would-be skiers.

Ellen Church, an expert at Eastern Mountain Sports, Inc., the nation's leading marketer of cross-country ski equipment, has some common sense advice on selection of ski gear:

• Shorter skis are easier to handle, but longer skis go faster.

• The terrain you select is important. If you'll be breaking a lot of trail, look for a ski that's built for it. Going up into the mountains, you'll want a wide, rugged mountain ski.

• The wider the ski, the steadier it will be, the skinner, the faster. Racing skis are skinniest and must be used in tracks.

• When choosing between waxable skis or waxless, remember that you wax to glide faster and add more "grip" to the kick phase of your stride. Waxless skis are easier to use and often are preferred by beginners.

• Skis made of fiberglass construction are more responsive, stronger, lighter and longer-lasting. Basically, there are three methods of fiberglass construction:

Laminated sandwich style—the basic strength lies in

Beginning skiers are often better off with slightly wider skis for increased steadiness, says ski expert Ellen Church.

the core, wood or injected foam.

Glass wrap style—the basic strength comes from wrapping strips of glass-epoxy around a core, usually foam.

Injection foam—the basic strength comes from the fiberglass outside skin. It is cured, along with a foam core, in one operation. The outside comes out tough, providing the strength, while the inside remains elastic.

Eastern Mountain Sports is a subsidiary of Franklin Mint Corporation, a Warner Communications Inc. company.

For a free catalog on ski equipment and outdoor clothing, write to: Eastern Mountain Sports, Department-101 One Vose Farm Road, Peterborough, NH 03458.

QUIZ

1. The most important factor when overtaking another car under poor road conditions is (a) Leaving ample margins to all sides. (b) Having enough gas (c) Having a clear view of the road?

2. The safest places to drive on a snow-covered road are (a) Deep snow areas (b) The tracks of other cars (c) Sides of the road?

3. If the rear wheels of a front-wheel-drive car should accidentally skid, the best way of getting the car under control is (a) Steer in the same direction as the rear wheels are skidding (b) Depress the clutch and take your foot off the accelerator pedal (c) Both of the above?

ANSWERS: 1. (a) 2. (b) 3. (c)

TAX TIPS '82

A Record Savings

By Henry W. Bloch, President
H & R Block, Inc.

You may be able to save money the next time you pay your taxes.

It is always surprising that the same cost-conscious consumer who would be meticulous in comparing the price of beef roasts or new furniture can be casual about tax filing and record-keeping.

This is especially notable when you consider that the amount of money to be lost—or gained—is much more significant.

The Economic Recovery Tax Act of 1981 promises some relief to all taxpayers, regardless of income level. However, it still will pay to become tax-wise, whether that means learning what the new laws hold for you, or simply taking advantage of tax breaks previously available.

• **Make use of retirement savings.** The IRS allows you currently to put aside \$1,500 into an individual retirement account (IRA) for yourself, or \$1,750 where an account was opened for a working and non-working spouse. For the next year, you'll be able to stock away \$2,000 for yourself, or up to \$2,250 where a non-employed spouse is included *whether or not* your employer covers you with a separate pension plan.

For two-career couples, each can have their own IRA, with a deduction of \$2,000 each for a total of \$4,000 a year. Essentially, this provides an available tax shelter for your savings, as well as encouraging *retirement*. But don't forget that valuable deduction at tax time.

• **Dual-incomes should be figured carefully.** Whether it's the situation of a taxpayer holding two or more jobs, or a dual-career household, it will pay to consider filing strategy extremely carefully.

Would you benefit by income averaging, especially where your spouse has recently taken on a job? Are you having the right amount of FICA withheld? (Regardless of income, the top amount of FICA any taxpayer should owe is \$1,975.05 for this year, and you won't get a refund unless you file for it.) The so-called "marriage penalty"

is seeing some relief for tax year 1982, but that won't change the need for solid tax planning.

• **Watch new tax breaks when buying or selling your home.** Among the many changes brought about by the 1981 tax legislation are those concerning the purchase or sale of your home.

One important change lengthens the period (currently 18 months) during which a person can save on taxes by re-investing proceeds into a new home of equal or greater value. Now, you'll get 24 months—good news for those hogged down on the current real estate market. The one-in-a-lifetime exclusion for home sales by persons 55 or over has been raised by \$25,000, to \$125,000, also good news to older people selling their principal residence.

• **If you need help, get it.** There's a good reason that more than half of all Americans now seek help with their taxes. It's hard to be a once-a-year tax expert, and that is especially true with many upcoming tax law changes.

You're almost certain to benefit from trained assistance if: 1) you have bought or sold a home, 2) your income level has changed *investments*, 3) you have become divorced or separated, 4) you have made a long-distance move to a new job or have been seeking employment, and in many other common lifestyle or income situations.

So if it looks as though you don't benefit from help, get it. Don't be penny-wise and pound-foolish.

For free information on what the new tax laws mean to you, write c/o "Tax Tips," H & R Block, Inc., 1110 Main Street, Kansas City, Mo. 64111.

Chevy's New Celebrity

The 1982 Celebrity—a new shape in Chevrolet family sedans—combines small-car fuel economy with big-car ride, comfort and style.

Specially designed to appeal to America's expanding mid-size family market, the Celebrity is about the same size inside as the Malibu, although it is about 500 pounds lighter and a foot shorter.

A fuel-injected four-cylinder engine and an automatic transmission are standard equipment. The combination delivers an EPA-estimated 25 miles per gallon in the city; 40 mpg highway. Two V6 engines—one gasoline, the other diesel—also are available.

Other standard equipment items include power steering, power brakes, AM radio, side window defoggers, full wheel covers, radial tires and body side moldings.

Three interior trim levels are available in both two- and four-door models. Both models feature five-passenger seating and a cavernous 16 cubic-foot trunk. Celebrity is available in 12 solid and six two-tone exterior colors.

Can be seen at Roberts Chevrolet, Hicksville.

By Joe Lorenzo

Page 3 MID ISLAND P.O. IN VIEW HERALD - Friday, February 19, 1982

Mrs. Isabel R. Dodd, Republican Commissioner of the Nassau County Board of Elections, was the guest speaker at the February 10 luncheon meeting of the Hicksville Kiwanis Club.

In her discussion on elections, Mrs. Dodd stressed the importance of being a registered voter and voting, by repeating the statement some people like to make, namely, "My vote doesn't really count that much," by citing instances where if only one more person had voted in each election district, the outcome

of the election would have been different. She also stated that the senior citizens as a group are the most regular voters, but that the 18 year olds have not taken advantage of the privilege of the ballot when it was made available to them.

In the photo, Mrs. Dodd, who was also the first woman Town Clerk in the Town of Oyster Bay (elected in 1972), is shown being presented a certificate of appreciation by Kiwanis Vice President John Budnick.

Forum For Women

Forum For Women - an opportunity to explore and discuss the topic, "Catholic Woman: Gift and Burden." C. W. Post Center, Saturday, March 6, 9:30 A.M. to 2:30 P.M. Fee: \$8.00 includes lunch and parking. Speakers: The Honorable Marie G. Santagata, Nassau County Court Judge, Sr. Rita Goodman, Ph.D., Counselor, Convocation of Priests and Religious, Archdiocese of Newark, Sr. Dorothy Landers, Ph.D., Director of

Masters of Religious Education (MRE) Program, Seminary of the Immaculate Conception, Huntington, N.Y., and Arlene Gilligan, Ph.D., Adjunct Associate Professor, Hofstra University, School of Education. Forum sponsored by the Regina Assemblies of Diocesan Catholic Charities. Pre-register by February 26 by calling Regina Assemblies at 678-6900, extension 375.

Concert

The Hicksville Public Library will present Ethelyn Enos, soprano, in a concert on Sunday, February 21, at 3:00 P.M. Miss Enos, who was raised and educated in Hicksville, has been singing professionally since attaining a Masters Degree from the Eastman School of

Music. The program will include works by Puccini, Strauss and Debussy. Susan Miller will accompany her on the piano. Library programs are free and are held in the Community Room. All are welcome.

A new addition to the Shell family is Cynthia Lynn who was born on February 10, weighing 7 lbs. 5 1/2 ozs., to her parents Pat and Rob Shell of Levittown. Pat was brought up in HICKSVILLE and is a graduate of Hicksville High School. Pat's parents, Hilda and Bill Murphy, West Nicholas Street, Hicksville, are thrilled with their new granddaughter as are Rob's parents who reside in Florida. Congratulations.

We were sorry to learn that Pete Ference's stepmother, Josephine Whalen, is in Central General Hospital. We hope Mrs. Whalen will soon be well and back home.

Learned that HICKS VILLEITE Ann Cook celebrated her birthday on February 6. Her husband, Charlie, and their children helped Ann enjoy her special day.

Closer to home, (our home in fact), a combined birthday party was held on February 15 for Mike Maher and his dad, Bill. Mike's birthday was on the 15th and Bill's birthday was on the 16th. Guests at the dinner party included relatives and friends. Lots of good food was consumed and gifts enjoyed by the birthday boys.

Bill and Linda Pietruszewicz will celebrate their tenth wedding anniversary on February 26. Their two sons celebrated their birthdays recently. Billy IV was eight on February 12, and Chris was five on February 4. Much happiness to you all.

Birthday festivities are being held in the Sweizer household for Karen, who was 22 years old on February 17, and for her brother, Kevin who is 21 years old on February 21. A combined

VENERABLE TONY PREVITE'S MESSAGE: 'Criticism is never inhibited by ignorance.' an Old Saying.

It was a super night punctuated by a super dance. The food was super, the dancing was super and the gaiety, spontaneity and the festiveness were super! The people who attended were super and the members who ran this dance were super. Add these all up and you get the word that aptly describes the event I am writing about here—super-colossal.

Last Saturday night, the Galileo Lodge held its St. Valentine's Day Dance, with over 330 people partaking of the mood and spirit of St. Valentine and of the Galileo Lodge itself. Tony Copolla 'chaired' this affair, assisted by Andy Grieshaber. Also lending assistance were Armand Del Cio, Jules Meszaros, Joe Aglie, Jim Pino, Jeff Wallick, Ann Palermo of the Ladies Auxiliary, Rocco Mancielli and Joe Giordano.

And the Kitchen Force consisting of Chief Chef Jim Posillico, Pat Gatto, Frank Miccio, Joe Ianotti, Tom Pasquarella and Skip Monteforte. Bartenders were John Romano and Tom Pasquarella Jr.

In acknowledgement of the fine efforts and performances put forth by these diligent and devoted members, Venerable Tony Previte wishes to take this opportunity to thank them for a job certainly well done. Many of the Galileo Lodge's favorite patrons were in attendance that night, but, unfortunately, I do not have the space to list their names. And their attendance at our affairs is certainly appreciated, I might add.

Diversification, specialization or adaptation—you name the adjective and if its appropriate or symbolic of the "performance-conscious Ladies" Auxiliary—then they will prove it to you by their over-

all excellence and unrestrained and irrepressible devotion and loyalty. All this is in connection with the announcement that the Ladies Auxiliary will hold another Fashion Show, under the supervision of Mary Monteforte (938-9536), and ably assisted by Rose Meszaros (931-0878). Tickets sell at \$9.00 per person, a modest sum that entitles you to a delicious Italian dinner, beer, soda, coffee and cake and an open bar where you can purchase drinks of your own choosing for modest prices. The very latest in fashions will be on display, and they all will be eye-catching, fetching and stylish. Also featured will be many prizes and raffles. Tickets are now on sale, so please call Rose and Mary at the numbers listed above or you can dial 931-9351, the Galileo Lodge number. All members, male as well as female, are urged to attend and bring your friends along also. The date for this Fashion Show is Thursday, the 18th of March.

And now for some information concerning the Galileo Lodge's St. Joseph's Dance, to be held on Saturday, the 20th of March. Joe Giordano (333-4555) will 'chair' this dance and he will be ably assisted by a committee whose names begin with Joseph. Tickets will sell at \$10 per person, and to be featured will be a delicious dinner, coffee and cake, beer, soda and set-ups. And live music, of course. Please note that a 'bring-your-own-liquor' policy will be in effect that night. More on this activity in a later column.

LODGE TIDBITS: Jim and Mary Ingino will soon celebrate their 35th Wedding Anniversary. Congratulations from everyone at the Lodge...John Sarrera is no recuperating at home after open-heart surgery at Nassau Hospital. The Lodge eagerly awaits his return, of course...Tony Balestrino is also home recovering from a

heart attack, and he too is sorely missed at the Lodge. A speedy recovery wish for both of these fine members...On February 18th, Dolores Ragone of the Ladies Auxiliary will celebrate her birthday. A real birthday wish from her husband Pete, her son and friends, and all the people of the Lodge...Fishing dates are May 2nd for flounders and July 11 for Flukes. Contact the Galileo Lodge (931-9351) for more information on these activities...Very sorry to hear of the passing away of Mary Monteforte's brother, Tom Volino. The

Galileo Lodge and its members extend to Mary its deepest sorrow and condolences...Frank Governale's wife Kay is also home recuperating, and a speedy recovery from all of us here at Lodge...February 25th, a Thursday, will be Member Appreciation Night. All members are welcome because that is the night when the Galileo Lodge (picks up the tab). Friends and wives are invited, of course...Sorry to hear that Joe Morace's son, Joe Jr. is at home recuperating from a fall. A speedy recovery wish from the Lodge, of course.

Purcell Mobilizes Pothole Patrol

Nassau County's "Pothole Patrol" isn't waiting for Spring thaw to get out and fix those jaw-jarring craters that up-and-down Winter temperatures cause in the roadways. County Executive Francis T. Purcell said today.

About 100 crewmen a day are out patching and filling, and have been since the last traces of snow disappeared last week.

"That's why our roads are

in better shape than most jurisdictions," Purcell said. "We don't wait for the calendar or the weatherman to tell us it is Spring. If there is a hole in the road, we fix it as soon as we find it."

Deputy Commissioner Frank S. Nicoll, who heads the Nassau Department of Public Works Highway Division, called this year's pothole development the "worst since 1976, when it was really bad."

Roads under the county's jurisdiction include some 1,900 lane miles of surface. This winter season's erratic temperatures - subzero for a few days and then back to above freezing - have caused heaving below surface of the roads. The result is cracking, and traffic then causes breaks.

"Should those holes not be given quick attention, they grow larger and cause serious problems to traffic flow

and the roadbed," Purcell said. "Allowed to go unattended, the cost and time of repair grow. That is what we seek to avoid."

Naturally, Purcell said,

crews can't spot every pothole as it develops and ask the public to join in the alert.

"If you spot a pothole in your neighborhood or in your

travel," Purcell said, "make a call to the Hicksville highway division number - 938-8110, and report it, giving as an exact location as possible."

LEGIONNAIRE'S LOG By Arlie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Now that the results of the first session of the 97th Congress are known you will find that the Administration's budget cutting action caused rather lengthy delays in the budget process with numerous temporary spending resolutions adopted by Congress to comply with the Administration's recommendations. As a result of this there was also a delay in other legislative activity with only 145 of the 8,719 bills introduced enacted into law. However, one of the 145 signed into law provided for a National Patriotism Week (on December 29 as P.L. 97-131) for the third week of February, which is the current week. This was a Legion proposal that became House & Senate approved S.J. Res. 34. The

Legion's interest of other Legislative doings in the field of Americanism noted that at the start of the 97th Congress, Senate Judiciary Chairman Strom Thurmond exercised his prerogative of organizing his committee into subcommittees and restored the Judiciary Subcommittee on Security and Terrorism. This subcommittee has jurisdiction over terrorism, mutiny, espionage, counterfeiting, and oversight of the FBI and Drug Enforcement Agency. Its reinstatement is particularly appropriate at this time due to the increasing incidents of international terrorism. P.L. 97-72 included among its various provisions a two year extension, until September 30, 1983, of the period during which Vietnam Veterans who are not high school graduates may apply for vocational, educational and training under the G.I. BILL. Vocational assistance was normally available for a maximum of ten years following discharge. Also under P.L. 97-72, Congress extended the delimiting date for Veterans Readjustment Appointment Authority (VRA). Under this authority disabled and Vietnam era Veterans are eligible for noncompetitive appointments to the federal work force until September 30, 1984. Had Congress failed to extend the authority last year, this readjustment program would have expired last September 30th. Then there was P.L. 97-66 which

HONORED: Oyster Bay Town Councilman John Venditto presents a proclamation to Wilma Laraway (second from right), President of the New York State Department of the American Legion Auxiliary, in honor of her first visit to the area.

Mrs. Laraway was feted at

a dinner given by the Nassau County Committee of the Auxiliary, represented here by Chairwoman Ruth Leger of Hicksville (right) and 1st Vice President Mary Mertle of S. Farmingdale (second from left). Violet Argila (left), 10th District Chairwoman, was also on hand for the festivities.

contained legislation increasing compensation and pension levels and had a provision prohibiting the VA from using any Department of Medicine and Surgery funds to carry out feasibility studies of contracting out VA functions. Today the contracting out of direct hospital care is regarded as a means to achieve false federal savings. It has since come to light that while contracting

out will reduce federal personnel, it will not guarantee that the costs will be cheaper. Another section of P.L. 97-66 relates to the establishment of Minimum Active Duty Requirement for Certain VA Benefits. The Amendment states that "A person who is discharged or released from a period of 24 months of active duty before completing the shorter of 24 months

of continuous active duty, or the full period for which such person was called or ordered to active duty, is not eligible by reason of such active duty for any benefit under this title or any other law administered by the Veterans Administration." The Amendments, effective October 17, 1981, exclude individuals who are discharged or released from active duty due to line-of-duty injuries as well as other service connected disabilities, conditions, death, and certain other cases. P.L.

97-66 relates also to Disability Compensation increases averaging 11.2 percent which were actually cost of living increases. The amount provided was \$946 million and this was to cover 2,275,969 veterans and 324,206 families of veterans who died of service connected disabilities.

- The question often asked by Businessmen and Industrialists is - What can the Chamber of Commerce do for me - How can I benefit from my membership in the Hicksville Chamber of Commerce? Apart from individual business problems of a particular nature that can be addressed by the Board of Directors we list for your consideration the following purposes of the Hicksville Chamber of Commerce.
1. A forum for the exchange of ideas for the betterment of the Hicksville Business Community.
 2. Establish an identity for Hicksville where no local government structure exists.
 3. Initiate programs that will be mutually beneficial to the consumer and the mercantile establishment.
 4. Be the watchdog of the business community in all matters and programs under discussion or projected by the elected representatives of the Town of Oyster Bay - (i.e., change of zoning, new business centers, parks and playgrounds, taxes, office building designations, etc.)
 5. Serve as a general information agency for all who telephone or write the Hicksville Chamber of Commerce.
 6. Join with other Chambers of Commerce to develop programs for the economic health of Long Island.
 7. Initiate programs with students of Hicksville School District who elect Business as their major area of concentration.
 8. Provide a Directory and map of the Hicksville Area for all citizens.
 9. Keep a watchful eye on problems of downtown redevelopment, transportation, maintaining constant dialogue with government officials responsible for the smooth flow of traffic and the provision for shopper and commuter parking.
 10. Maintain an effective liaison with the Officers of Civic Groups, Service Clubs, Task Forces and Church Groups, dedicated to the civic and cultural health of the Hicksville area.
 11. Develop programs of joint advertising.
 12. Provide necessary documents for business and industry as required by Customs for international trade.
 13. Single out for honor and praise individuals in the Community who have worked in exemplary fashion for the common good of all Hicksville residents.
 14. Paint Up, Clean Up and Spruce Up Hicksville.
 15. Confer with its own members on legitimate business complaints from customers.
 16. Provide a social milieu for its members. Meetings provide mutual benefits in future business activities.
- Is there another organization in Hicksville that can address the needs of the mercantile and professional establishment of Hicksville? Answer: An emphatic "No."
- Let us include your name on the roster of those who are willing to pay their fair share of doing business in Hicksville. Join the Chamber.
