The Board of Education, reacting to a proposed major change in the Federal Government's role in education, unanimously passed resolutions in opposition to block grants and in support of P.L. 94-142 at the meeting on March 31, 1982. The administration will notify neighboring school districts of this action and the Board wants to register concern with our elected public officials regarding the Federal Government's proposed elimination of the Department of Education and the shift of financial burden to local school districts.

The Board postponed approving a recommendation to designate Church at Hicksville Christian School as "giving equivalency of instruction" to student attending that school. If approval is given, the school will have the

option to use district transportation, textbook allowance and health services.

An ESEA Title I Summer Program, Fiscal 1982, was approved by the Board, together with recommendations of the Committee on the Handicapped and recommended action regarding personnel. The Board awarded bids and approved warrants.

Superintendent Wilber D. Hawkins reported on the problem of some high school students not fulfilling requirements in Physical Education. A teacher is being employed for the purpose of conducting second Phys. Ed classes in the morning before school and at the end of the day, in order that these students can make up Phys. Ed at a second class. Board President John Ayres stressed the importance of fulfilling Physical Education

requirements. "We are making Physical Education an important part of their curriculum," he said, "They must pass it in order to graduate."

High School principal William Rieck reported one graduation ceremony will be held at 2 p.m. on June 27 at the athletic field.

The Board heard a report given by Richard Evers, Executive Director of the Gregory Museum. Hicksville residents are admitted free of charge and 833 elementary students from district schools visited the museum in 1981-82. Future plans include outreach services to the school and service to Hicksville Boy and Girl Scout Troops. President Ayres informed Mr. Evers the \$30,000 allocation to the museum is included in this year's budget and the district will be maintaining their contract within the coming year.

A report given by Mr. Rosner, Guidance Department Chairperson at the high school, was well received by the Board and community members. He stressed a positive view while explaining how the department has been revamped. Future plans include closer relationship with junior high students, an on going liaison with every department, a local college day in the fall and expanded crisis counseling.

Three board seats are up for re-election. Community members interested in running for the board must file petitions by 5 p.m. on April 26 and elections will be held at the district's annual meeting on May 26.

The next regular meeting of the Board of Education will be held on Tuesday April 6, at 8:15 p.m. in the conference room of the Administration building.

Memorial Day Parade and Services

The Hicksville Memorial Day Parade and Commemorative Services will be held on Monday, May 31st, on its traditional day.

This year's parade and program are being chaired by VFW 3211

under the direction of Joseph Messana and the combined Veterans Memorial Day Committee.

Assembly time will be between 8 and 9 AM, at the Sear's parking area off North

Broadway.

The parade of community organizations, Veterans groups, and school bands will kick off at 9 AM SHARP! and proceed over the route of recent years.

Any organization

interested in participating or supporting the Annual Memorial Day Parade, please contact Joseph Messana (Parade Chairman) 822-3954.

"ALL ARE WELCOME TO PARTICIPATE."

East Plains Mental Health Services Inc., which first opened its doors to the public as a voluntary community mental health clinic in 1972, moved to new offices on Saturday, March 27, at 244 Old Country Road.

Under contract with the Nassau County Department of Mental Health, and licensed by the New York State Office of Mental Health, East Plains Mental Health Services will be housed in newly-renovated offices behind Astum's Catering Services building.

"New and larger, rooms will be available for family and group therapy," according to Robert M. Bressler, Executive Director. "Our

agency has, through the year, reached out to the community to make its services more available to those in need. As a publicly-supported clinic, East Plains serves the needs of all the people in the community regardless of income or degree of illness. We offer quality services in individual, family and group psychotherapy to children and adults in the community in the Mid-Island area of Nassau County."

He added, "Fees are charged by East Plains on a sliding scale and third party payments and Medicaid are accepted."

For further information contact Mr. Bressler at (516) 822-4111.

orabilia.

Panning the special program which is expected to bring outstanding race car drivers and hundreds of racing car enthusiasts to Hicksville is a committee from the museum, members of the Caruso family and officials of the Eastern Old Timers Auto Racing Hall of Fame at Flemington, New Jersey to which Mike Caruso was elected in 1978.

The Hicksville long-time resident, who died recently, was renowned in racing car circles for much of half a century, his cars in 1947-1948 winning over fifty percent of all races in which they started.

The program opening the Hicksville Gregory Museum's coming exhibit of Caruso's trophies, mementos and an extant engine will be held on the museum grounds at the Old Heitz

Place Courthouse, a National Historic Place on Saturday, May 15 at 1 P.M. The public is invited to attend and to recapture some of the excitement of the great day of Long Island racing car competition. In addition to honored guests including many notable race drivers and owners, the dedicatory program will include the presence of antique racing cars with Caruso's famous BLACK DEUCE on prominent display in front of the Courthouse. It is hoped that a procession of antique autos will precede the ceremony.

Co-chairmen for the program are John Ayers and Richard Evers of Hicksville with assistance from Johnnie Rogers, Chairman of the Eastern Old Timers Auto Racing Club, members of the Caruso family, Steve Didier and Valerie Fakaluk.

Dumping On Long Island Sound

By Cong. Norman Lent

Recent days have brought discouraging developments for those of us attempting to prevent the environmental degradation of the Long Island area.

Despite strong pleas from Long Island town and county government, from the Long Island congressional delegation, and from the general public, the Army Corps of Engineers has decided to resume dumping of dredged spoil into Long Island Sound. The site where dumping has been resumed, for the first time 1973, is only two miles off the Long Island shore at Lloyd Point in Huntington Town.

The Engineers tell us in the congressional delegation there is nothing to worry about environmentally. They tell us the wastes now being dumped are not dangerously toxic. They tell us no dumping of spoil will be permitted until it is examined for toxic danger and given specific clearance.

Perhaps this is so. But while assurances are easy to give, they are not so easy to carry out in real life, as we on Long Island have learned, to our sorrow.

Who on Long Island, for example -- except the perpetrator -- had any idea that toxic wastes had been

dumped, illegally, for many years, into Long Island landfills? In fact, these toxic wastes would still be dumped today if I, during a congressional investigation, hadn't discovered and brought to public attention a secret Hooker Company memorandum revealing the dumping was going on!

This painful experience has made me hesitant to rely on the assurances of the Corps of Engineers, although I am sure they are made in good faith.

I know that Huntington Town and Nassau and Suffolk Counties have begun legal action to block the

dumping. But I believe legislation action is imperative as well. Therefore, I am joining with my colleague from Farmingdale, Rep. Greg Carman, in drafting a bill which would forbid the dumping of any dredge spoil in Long Island Sound which has a negative environmental impact. It is our understanding that such legislation, should it become law, could block even the present so-called "safe" spoil. We are seeking support for this legislation from both our colleagues in the Congress and from the public. We believe we must stop dumping on Long Island Sound!

Preceding their Plainview performance the Young Ambassadors will present a program of religious music as a part of a regularly scheduled Good Friday Bible class at the A. Holly Patterson Home in Unadilla.

Why Me?

By Officer Jerry DiGiovanna

Perhaps the most commonly asked question a police officer hears from the victim of a crime is, "Why me?" Surprisingly victims are seldom chosen randomly or without forethought as to the criminals chances of getting away, as well as making a profit as a result of the act. In order to hopefully assist you in understanding how it is you come to be chosen by a criminal, here

are a few professional insights that may enlighten you.

WHY DID I GET MUGGED? usually because you advertised. You do things like shopping with your pocketbook open, or left in shopping carts. When paying for items you display all your money, either by showing a bulging wallet, a roll of bills or by retaining your money in the original envelope you get

from the bank when you cash your check. Also, according to prison inmates, you have a definite body language. This consists, basically, of walking around in a daze, oblivious to what's going on around you.

WHY DID THEY STEAL MY CAR? again, you may have forgotten the basics. You didn't lock the car doors, the windows were not fully closed, and you parked

in a area without any lighting. As you drive, you didn't take that split second to lock yourself in the car.

WHY DID THEY BURGLARIZE MY HOUSE? usually because you invited them. You left the outside lights on all day, your garage door was left open, you have nice high bushes to hide in, and you took no precautions to secure your

You Can Cut Your Income Tax

Taxpayers who take certain steps to save energy in their homes can cut their income tax bills by as much as \$4,300, the Internal Revenue Service advises.

The law provides for a tax credit of up to \$300 for energy conservation materials installed in the home, with a separate credit of as much as \$4,000 for taxpayers who install renewable energy source items such as solar or wind equipment.

The credit for energy conservation materials is figured at 15 percent of the first \$2,000 spent on such items as storm or thermal

windows and doors, insulation, weather-stripping, and caulking. Also qualifying are expenditures for fuel efficient replacement burners for furnaces, flue-opening modifications, electrical or mechanical ignition systems to replace gas pilot lights, and clock thermostats. Only materials installed in homes that were substantially completed before April 20, 1977, are eligible for this energy credit.

The renewable energy source credit is 40 percent of the first \$10,000 invested in qualifying solar, wind or geothermal equipment used to heat or cool a home or pro-

vide hot water. In 1980, the credit was extended to apply also to solar energy equipment that provides electricity for the home.

Both credits are available for items purchased and installed in a taxpayer's principal residence on or after April 20, 1977, and before January 1, 1986. The renewable energy credit is available for both existing and newly constructed homes. Renters as well as homeowners are eligible for these tax credits.

Taxpayers need not itemize deductions to claim the residential energy tax credit, but they must file Form 1040 and attach IRS Form 5695 to show how the

credit was computed. You can obtain 5695, Energy Credits, by using the mail order form in the tax package instruction booklets for individual returns.

The entire credit need not be used in one year, but must be at least \$10 for any one year. If the credit comes to more than the taxpayer owes in taxes, any excess credit may be carried over to the next tax year. The period for carrying over unused credits extends through 1987.

For additional information on energy credits, taxpayers can order the free IRS Publication 903, Energy Credits for Individuals, on the order blank in the instruction booklets.

IRS 3-Hour Tax Show 12:30, Sat., Apr. 3, Channel 13

This Saturday, April 3 starting at 12:30 p.m. Channel 13 will air a three-hour television program, "Your Tax Return: The Bottom Line on Improving Your Form," prepared by IRS to help taxpayers fill out their tax returns.

During the program, N.Y. metropolitan area taxpayers can phone IRS offices in New Jersey and lower N.Y. State to get answers to their specific questions about taxes. Program participants, which include Robert

Guillame (T.V.'s Benson) and IRS tax specialists, will discuss the tax questions most frequently asked by IRS.

The program will be presented with closed captions for the hearing-impaired, and those who have access to TTY equipment will be able to call a special IRS number to get answers to their questions. The TTY number for the deaf or hearing-impaired is 1-800-428-4732.

LILCO Shareholders To Pay For Garth

The Long Island Lighting Company has retained the consulting firm of Garth-Maiorana-Connelly, Inc. to work with it on a broad range of communication problems.

"LILCO hired the consulting firm because we are in need of expert, outside assistance in openly discussing various problems facing LILCO and the people of

Long Island," according to Ira Freilicher, LILCO Vice President.

LILCO initiated discussions with Garth-Maiorana-Connelly, Inc. during the latter part of 1981 and entered into a formal agreement at the start of 1982. The consulting firm's fees will be paid by LILCO's shareholders.

Dear Friends ...

As we mentioned last week, there is a great need for attention and improvements in our downtown Hicksville area. HOWEVER, we do see some improvements in our town, such as the new Subaru Showroom on the corner of Wyckoff and West John Streets which used to be an old building. It has undergone extensive remodeling and renovation and is certainly a plus for this area ... also, newly painted and "looking good" is the Ray TV and Troall Shoe Store building ... and the old Frank DeMonaco Buildings are also spruced up. Mr. DeMonaco, we are told, had a fruit specialty store and was a great Brooklyn Dodger fan ... another plus is inside the laundrette located in the Center Shops, on the corner of Newbridge and Old Country, which has been redecorated recently and is very clean and attractive. We're sure there is much more on the plus side, in our community, but we note these, at least, as starters.

THAT'S ALL for this week. Stay well.

Landia Station -- A Boon Or A Problem

By Rosemary Grant

The Metropolitan Transportation Authority and the Town of Oyster Bay agree that Hicksville and Syosset LIRR stations are overcrowded with commuter cars, but is a "major transportation hub" in Jericho the answer?

There is no more land in Syosset and it is too costly to build another garage in Hicksville, thus, a private engineering consultant firm has proposed that the MTA convert the old Syosset landfill to a Long Island railroad station with a 3,700 space parking lot.

Town of Oyster Bay representatives have already voiced opposition to the plan as the MTA presented it because of its size (3,700 cars - TOBAY is willing to maintain a 1,500 car parking lot.) Proposed lay-away tracks are also opposed by the town.

The proposed station, to be built on top of the closed 35-acre landfill between Robbins Lane and Jericho Turnpike, must be approved by Oyster Bay Town, which would be responsible for building the \$3 million parking lot. The plan is to build a modern, two platform, three track station with a pedestrian crossover and switch and signal interlockings.

Trains on the Port Jefferson line would also stop

there. The new station would be east of the former Landia station, which was closed in 1972. This would be the first station built by the MTA since that time. MTA officials said construction of the station and the layover tracks could start about a year after an agreement is reached.

The Landia station would be a boon to the business segment of Syosset and Hicksville by providing necessary commuter parking to alleviate the congestion problems caused by the approximately 7,000 Hicksville and 2,500 Syosset commuters.

MTA and TOBAY are looking at Landia Station from different points of view - MTA on a much larger scale to encourage commuters from throughout the growing Long Island area to use the station and Town of Oyster Bay sees Landia as a relief to overcrowding of Hicksville and Syosset.

Frank di Stefano, Public Information Officer for the Town said "Before anything is done, there should be a community meeting where the MTA can explain their program and listen to the people."

Anybody interested in hearing more about the proposal should attend a Nassau County Planning Commission Public Hearing in the Syosset Woods Junior High School on April 20 at 8 p.m.

To The Editor:

I am writing to announce my candidacy in the election to be held on Wednesday, May 26, for the seat held by Mrs. Virginia Germer on the Hicksville Board of Education.

I am a candidate for a seat on the Board because I believe that our community and our children need and deserve to have experienced and knowledgeable individuals on the Board. These individuals must have an appreciation for and an understanding of the

educational process. They must be able to review and evaluate information to make the necessary and important policy decisions upon which the administrative procedures and processes are based to carry out the goals and objectives of the educational programs. Most importantly however, they must be individuals who are willing to accept these responsibilities and be qualified to do so. The ever-changing needs of our community demands these characteristics.

My qualifications for this position include over twenty-two years of experience as a faculty member and senior administrator at the college level. As an administrator I have had extensive experience in the Academic Affairs, Student Services, and Administrative Services areas of education. In addition, I have previously served as a member (1971-1973) and President (1972-1973) of a Board of Education.

I have two children pre-

sently attending school in the district and one who graduated from the high school last June.

I believe that I will bring a rare combination of practical and comprehensive knowledge and experience in education to this position. Knowledge and experience which, with the help of the electorate, can be utilized by our community in the best interests of our children.

Sincerely,
Michael F. Meyer

This week's column was written by our club president, Hal Mayer.

"The next meeting of the Hicksville Republican Club will be held on Friday, April 9, at 8:30 p.m., at the V.F.W. Hall on South Broadway, Hicksville, New York.

"Although we recognize that this is a busy time for many of us and that attendance on that date may be difficult, we urge all who can come to a meeting that evening to do so. Our guest speaker for this meeting will be Assemblyman Fred Parola. Mr. Parola's district currently includes the southwest and south central portions of Hicksville as well as portions of the neighboring communities of Levittown, Seaford and his home area of Wantagh where he doubles as the Republican Executive Committeeman. In view of

the recent court decisions concerning reapportionment, this may be an excellent time to obtain our local representative's view on this matter. Fred is no stranger to the Hicksville Club as any of you who attend the meetings regularly can attest. On those occasions when he has been the guest speaker previously, his talks have always been interesting and informative. I am sure that April 9th will prove no exception.

"Speaking of interesting events, we would like to remind you again that our Annual Spring cocktail Party and Buffet Dance will be held on Friday, May 14, at 9:00 p.m., at Antun's Old Country Manor. This is the major fund raiser for the club and provides our operating expenses for the entire year. In addition, it is

a most enjoyable and entertaining evening as well as a chance to meet and mingle with your neighbors and elected officials. For those who have never been to this event, let me point out that the price of the ticket (\$25) includes four hours of unlimited food, dance music and cocktails. In conjunction with this event, we will be raffling off a gigantic basket of cheer and other prizes, in addition to numerous door prizes which are being donated by our local merchants. Furthermore, our Annual Journal is being

printed and will be distributed on that evening.

"We urge you to contact your local committeeman for further details, especially as relates to purchasing raffles or tickets to the event as reservations will be taken on a first come, first served basis.

"You may also call Chairlady Harriet Maher at 433-5994, or Co-chairman Nick Caruso at 681-1342; Joe Farrell at 433-0319; or Frank Gioia at 938-9565 for information regarding the dance itself, raffle ticket or ads in the Journal."

Storage Space Needed

The Hicksville Police Boys Club is in desperate need of storage space for their uniforms and equipment.

If any local business or family would like to donate extra space they may have,

please contact P.O. William Toelstedt at 795-3056, remember this is tax deductible.

Students Clean School As Part Of Anti-Vandalism Drive

Over thirty students from John F. Kennedy High School devoted a recent Saturday morning to cleaning their school. This activity-unusual for an age group not normally associated with household cleaning-was part of the Student Government's Anti-vandalism Campaign.

The students were divided into two work crews by President Jeff Miller. One crew policed the perimeter of the school parking lot, removing litter that had accumulated there over the winter. A second crew worked inside the building, removing locker graffiti, cleaning scuff marks from walls and painting trim.

The Kennedy Cleanup Day was part of the Anti-vandalism Campaign which the students launched in January. According to Principal Robert Weinberger, "The student campaign seems to have yielded some dramatic results. Since January, there has been very little vandalism reported in the building."

The Anti-vandalism Campaign involves a \$4400 incentive fund set aside for the Student Government. Every dollar spent on vandalism repairs is deducted from this fund. The monies saved will be used, by the student leaders, for

special projects. "The Campaign is more than half over" Student Government President Jeff Miller pointed out, "and we seem to have used up very little of the

fund." When it ends June 25th, Miller stated, "we hope to have all or most of the \$4400 saved from our anti-vandalism efforts turned over to the students."

Holy Family Seventh Graders Win Our Lady Of Mercy Tournament

The Holy Family seventh grade boys basketball team concluded a successful season by capturing first place honors in the annual Bob Heaney Invitational Tournament hosted by Our Lady of Mercy, Hicksville.

On March 21, the Holy Family Falcons opened the tournament against the most

competitive of the tournament, Holy Family edged Syosset by one point in overtime. Leading all scorers was Dan Bradley with 16 points. Also scoring in double figures for Holy Family was Ed O'Grady and Dan Bergamini with 13 points.

The second round game pitted the Falcons against

St. Martins, of Bethpage. In this game Holy Family fought back from an 8 to 2 first quarter deficit, to win the game by a score of 48-37. High scorer for the game was Dan Bradley with 19 points. Also leading the scoring for Holy Family were Jorge Gomez-Nieto and Jim Malone with 8 points each.

In the final game, Holy Family played the host team, O.L.M. In a thrill-packed game, where the lead changed several times, the Falcons came out on the top side of a 58-48 score. High scorer for Holy Family was Dan Bergamini with 15 points. Other scoring came from Dan Bradley 13 points, Ed O'Grady 12 points, Jorge Gomez-Nieto 8 points, Jim Malone 6 points and Kevin McIlwee with 4 points.

The tournament ended with awards for three Holy Family players. Dan Bergamini and Ed O'Grady were voted to the All-Star Tournament team, and Dan Bradley was awarded the Tournament MVP Plaque. The 1981-82 Falcons are coached by Dennis Bergamini and Tom Hartman, and are represented by Dan Bradley, Dan Bergamini, Jorge Gomez-Nieto, Ed O'Grady, Jim Malone, Paul Bruno, Mike Ednie, Kevin McIlwee, Joe Manna, Chris Rykert, Rich Notaro, Steve Volino and Mike Gallagher.

The Hicksville High School Varsity Girls' Bowling Team had an excellent season finishing in first place in their Conference as well as third place (by a mere 29 pins) in the County. The girls participated in 18 matches with a record of 15 wins and 3 losses.

The members of the team are: Barbara Boehmler, Alyson Donor, Mary Gargan, Janet Gibney, Glenda Ranschburg and Lisa Torregrossa.

The statistics of this championship team are as follows:

Name	Average	High Series	High Game
soph. Barbara Boehmler	141	478	187
Alyson Donor	153	549	219
Glenda Ranschburg	153	557	224
Lisa Torregrossa	147	523	227
jr. Janet Gibney	131	488	222
senior Mary Gargan	161	565	229

The junior varsity team also finished in first place in an exciting head to head match the last day of the season. Their record was identical with varsity - 15 wins and 3 losses.

This team was a combination of beginners as well as experienced bowlers. Many of the girls improved during the season. The members of the team are: Kathy Cheslock, Jamie Golub, Maureen Hayes, Helen Irons, Barbara Porcelain and Lisa Santore.

POB FORCE Abused By Referee, Losing 5-1

By John Highlander

According to Webster's
New World Dictionary the
word referee means a person
to whom anything is referred
for a decision, in sports an
umpire to judge a game.
"Judge" is a person who is
designated to determine the
winner, settle a con-
troversary, a person who is
qualified to give an opinion
or to decide correctly.

On March 20, the POB 1971
FORCE played West Baby-
lon at 2:20 in Plainview. This
soccer game was a complete
disaster. The word

"referee" brought a new
meaning to the game of
soccer which doesn't mean
referee according to the dic-
tionary definition.

It was an unusual sight to
see a referee allow fouls and
misconduct of players. West
Babylon displayed bad
sportsmanship, fouling,
tripping, charging and it
amazed us that the referee
didn't see a thing!

The "officiating soccer"
which is the complete text of
the rules of amateur soccer
by R. Graham: "It indicates

a player shall be penalized
for holding or pushing an op-
ponent with the hands or
with the arms extended to
the body. A player shall be
penalized and taken from the
game for impeding a player
with the hand or any part of
the arm extended from the
body, under no circumstance
is a player permitted to push
an opponent with the hands
or arms. A player shall be
penalized for obstructing an
opponent. The referee will
remove without caution any
player who intentionally
charges the goalkeeper.

"Dangerous play is de-
fined as a play of such a
nature or likely to cause
injury. A player shall be
penalized for placing the
hand on an opponent in an
effort to reach the ball. A
player shall be penalized for
kicking, striking, attempting
to kick or strike or jumping
at an opponent, tripping,
including throwing or attempt-
ing to throw an opponent by
the use of legs or stooping in
front of or behind an opponent
in such a manner as to cause
a fall or loss of balance.

"All Systems Go" for 5th Annual Plainview PBC Road Race

Following months of
planning and preparation by
the Plainview PBC and
Plainview-Old Bethpage
Road Runners Club,
hundreds of local runners
will converge on Plainview's
John F. Kennedy High
School this Saturday
morning, April 3, for the 5th
running of the Plainview
PBC 10,000 Meter Run.

Applications have been
coming in at a record pace so
far, and best estimates are
that more than 600 runners
could be at the line when the
gun goes off at 9:00 AM on
Saturday.

Runners from all over the
metropolitan area will be on
hand for the race, including
defending Race champion
Jan Arenz, winner of the
women's division of last
year's Long Island and
Yonkers marathons and
holder of the women's world
record for 50 kilometers, and
"cardiac runner" Joe
Michaels, the seven time
heart attack victim who
successfully completed a
week long run from Montauk
to the Nassau Coliseum last
fall on behalf of the
American Heart
Association.

Local speedsters will also
be near the front of the pack.
Last year's Club champion
Howie Greenberg faces a
strong challenge from Larry
Davidson, Mark Weingart
and Bob Blake, and Kim
Falkowski will be defending
her women's Club and all-
Plainview championships
against what may be the
strongest women's field in
the history of the Plainview
run.

Once again this year,
every effort has been made
to ensure that this will be a

top quality event. Runners
will receive time "splits" at
every mile, and water will be
available at the halfway
point on Round Swamp
Road. There will be a giant
Digital Clock and place dis-
play at the finish line, so that
each runner will
immediately know his or her
time and overall finishing
place. All runners will be
competing for 36 trophies, to
be awarded to the top three
male and female runners in
each of six age categories.
There will also be two
special trophies for residents
of Plainview-Old Bethpage,
four special trophies for
members of the Plainview-
Old Bethpage Road Runners
Club, and one special
"family" award. The 10,000
meter course is TAC cer-
tified.

Post entries will be
accepted at Kennedy High
School on the morning of the

Hicksville Stocks Side Tracked

By Howard Finnegan

The bloom of early success was blighted for Hicksville as Hempstead and Sewanhaka Lacrosse Teams swamped the Orange, 12-9 and 8-3.

The Comets had matched their second straight win of the season with a 12-11 win over Copiague in the Hempstead tourney.

A breakdown in defense allowed a flood of twenty goals in two games and seriously dimmed the Orange's prospects for league play.

In Tuesday's stand against Sewanhaka, Goalie Chris Dircks repulsed a hurricane of Indian shots. He had 20 saves and kept Hicksville in the game until the last period.

Against Copiague in the Hempstead Tournament first round, Jim Coddigan

and Bill Dempsey had 4 and 3 goals respectively in a nine period, sudden death, 12-9 victory.

Mike Magee tied the exhaustion special with a goal at 2:45 of the second regular period, 11-11.

Dempsey shot home the winner at 1:13 of the sudden death.

Chris Jordan and Mike Meyer completed the other Hicksville scoring.

Chris Dircks had 12 saves and John Hickey 3.

NEW LEAGUE INFORMATION

The Nassau County Athletic Council is re-aligning the County school in the leagues. Despite the fact that football attendance is destroyed by the constant, uninteresting realignment, the Council still insists on numerical classifications.

Hicksville Athletic Director Dick Hogan has the task of Chairman of the Re-organization. As it looks now Hicksville will have only Farmingdale from its present grid-iron schedule.

Lack luster, long travel, gas consuming trips to Western Nassau will be required for unstimulating games with Freeport, Lawrence, Oceanside, etc., will be on the card.

The current close relationships which have been established without major incidents, with Berner, Massapequa and Syosset will probably go by the board.

Hicksville is outvoted by a wide margin on the student enrollment only concept.

Hicksville Athletic Dept. popping proud buttons over the appointment of Comet

Grad Tom Gill to the Cornell University Lacrosse staff as Assistant Coach. This prestigious assignment at one of the Country's premier lacrosse schools reflects well.

Mr. Gill played two years at Farmingdale and two years at Hofstra.

SCHEDULES

This week's Hicksville High Schedules varsity lacrosse:

April 6, Tuesday, Glen Cove, Home NL.

April 7, Wed., Levittown Division, Away, NL.

J.V. Lacrosse: April 7, Wed., Levittown, Home.

All games, 4 pm.

Varsity Baseball April 5, Monday, Berner Away, L.

April 6, Tuesday, Berner, Home, L.

April 7, Wednesday, Berner, Away, L.

J.V. games, opposite fields.

All games, 4 pm.

Mike Siewkiewicz gave HHS Track a big lift as he won the 110-meter high hurdles, the 400-meter intermediate hurdles and the triple jump to headline a 78-58 victory over Massapequa.

Pat Harkins won the 100-200 yard dashes while James Harkins won the 800-1600 meter runs.

Hicksville won 12 of the 14 events.

By Len Greenspan

This past weekend the Hicksville Tornado played the Green Machine from Huntington at Grumman Field. The gusty winds and cold weather made it tough to play for both teams. In an excellent first half with both teams playing tough defense the score was 0-0.

The Tornado showed good ball control and skills but the final score was in Huntington's favor. The Tornado players were Rex Germer, Brian Whitman, Todd Zeff, Gerrit Nijboer, Kevin O'Shea, Michael Kent, Tim Carroll, Jason Kilmetis, Brian Centrone, Junior Furlin, Mathew Greenspan, Larry Neuberger and Erik Matz.

The Hicksville Comet's traveled to Rockville Center last Sat. to play the Rockville Center Condors. The Comet's were victorious winning 8-2.

The goalie on the Comet's Chris Margaris showed exceptional skill in this game making really difficult saves.

The fullback line consisting of Scott Germer as center, Thomas Reilly and Brian Sacks were excellent in defending their goal and in passing the ball.

The forward line Jamie Curley, Tim Doyle, Tommy Pedicini, Steven Postullo, and Michael Segal did super in passing and were extremely successful in executed goals.

Bobby Himmel showed his skills in alternating positions between fullback and forward lines.

In the first half the Comet's scored 6 goals. The first goal was scored by Brian Finnell assisted by Scott Van Steen and Brian Sacks. The second goal was scored by Tommy Pedicini assisted by Tim Doyle. The

third goal was scored by Tommy Pedicini unassisted. The fourth goal was scored by Tim Doyle unassisted. The fifth goal was scored by Steven Postullo assisted by Jamie Curley. The sixth goal was scored by Tim Doyle assisted by Steven Postullo. The Rockville Center Condor's scored once in the first half.

In the second half the Condors really came on strong but the halfback line of Anthony Conti, Brian Finell, Ryan McCann, Tommy Bell Frank Humphries were exceeding good in executing their passes to the forward and in defense.

Scott Van Steen as stopper, Scott Germer and John Giuttari as sweepers did excellent in their positions.

During the second half Tim Doyle scored the seventh and eighth goals on Breakaways. The Condors scored their second goal during the second half.

Congratulations Comets on a game well played.

The first half of the game ended scoreless. The Cannonballs, playing against a strong wind, had two Breakaways but lost the ball to a dangerously even ground.

Danny McGoe lifted the ball over the Strikers' goalie, giving his team a one goal lead and confidence. Toomas Niemann tipped the ball into the opponent's net with assists from Gino Ianucci and Danny McGoe. Tommy Baron's goal gave Hicksville a 3:0 shut out. Larry Bag, barely recovered from an illness, and Les Spence proved to be the backbone of the team delaying the Strikers breakaways and feeding the ball to their forwards. The remaining Cannonball players David Kurth, Michael Donovan, Alexander Shevchuk, Jason Pinsky, Brian Sierra and Brian McNamie played good team ball and Danny Fijusto as goal tender earned his first shut out this season.

referee to remain a referee to judge any game.

The POB FORCE limped off the field not upset by losing the game but annoyed that this referee intentionally saw nothing.

The writer truly feels, after viewing this so-called game, that Coaches Mike Dorosin and Bernie Aronowitz should protest the game and have this referee reprimanded.

The boys who weathered the March 20th game were Larry Aronowitz, Michael DiAngelo, Chris Paradiso, Wayne Friedman, Keith Hobbs, Michael Goldstein, Mitchell Gettleman, Brian Shields, Brian Woods, Donald Hochstein, David Weishilmer, Kevin Beekowitz, Avi Sibling and Adam Iovino.

LEGIONNAIRE'S LOG By Arlie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Here's a question for all you good Legionnaires & Auxiliary gals: "Who was the Past National Commander at the Motion Picture Academy Awards the other night on stage making an 'Oscar' award???" And here's a clue if your memory is hazy The 10th district hosted a dinner at the Hempstead Post in his honor What's his name? Aw, come on, you know, and if you do, call me to verify your answer.

Now I have a request from our Rehabilitation & Welfare Officer FRANK MOLINARI, who needs help on Sunday, April 18th It seems that Frank was singularly impressed by the rather shabby clothes being worn by the veteran patients at Kings

Park State Hospital at the time of our annual visit last Fall So he bravely stood up at one of our meetings and made his feelings known on this subject and requested donations of only men's clothing to be given to the Kings Park veterans His thought was to go into the wards where better clothing was needed and see to it that the Veteran got something decent to wear Accordingly, the word went out, via this column and word of mouth, about the need of clothing for Kings Park that he cannot handle the project alone He needs help, both in the way of manpower and transportation for the rescheduled delivery date of Sunday, April 18th If you can help in any way, please

call Frank at 935-1934 and let him know how you can help in getting all the clothes to the Kings Park Veterans.

At this writing, FRANK GOVERNALE is recuperating from surgery Get well, quick Our annual AWARDS & CEREMONIAL NITE will be held tomorrow night, APRIL 3 at 9 P.M. for the 21st consecutive year and all members (and their wives) have been invited to attend, observe and participate in this annual event which is dedicated to the LEGIONNAIRES of our great Post and to properly observe the birthdate of our wonderful National American Legion organization Please come early so everyone will be seated comfortably at a table well before the start of the evening's activities at 9 P.M. At this annual recognition of our continuous memberships and the appropriate awards that go with them, we also pay homage to our deceased Comrades of the year just gone by and usher their memories into Post Everlasting We will also have a Community Service Award to make and perhaps a thing or two else before we conclude the ceremonies with the cutting of the birthday cake in honor of THE AMERICAN LEGION'S birthday by COMMANDER BRAUN & AUXILIARY PRESIDENT ETHEL HABENICHT The Post will supply food and dance music for the evening and our bar is stocked with lots of liquid refreshments that will be available at the low, low legion prices.

Our Nominating Committee has had a meeting and is well on the way towards presenting a slate for the Staff of 1982-83 at the April 19th business meeting We will be thinking about a bus trip to Atlantic City sometime this spring and we have had a good deal offered us and I'm sure many of our members will want to go I do not wish to divulge pertinent details at this time because we have not yet set a date, but We would have our own bus leaving from the Post (must fill 44 seats) for a direct run to Atlantic City and our choice of several casinos Think about this one day excursion for you and the missus and let us know when we come up with a date It will not be limited to members necessarily but we would prefer to fill the seats with our own membership first. COME TO THE AWARDS & CEREMONIAL NITE, SATURDAY, APRIL 3rd, 9 P.M.

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: Society can progress only if men's labors show a profit — if they yield more than is put in'. Old saying.

Last Thursday night, the 25th of March, which is usually the 'last-Thursday-of-the-month' social meeting night at the Galileo Lodge, was also this time something more unusual but nevertheless highly-anticipated and eagerly-awaited. Why? Well, on that Thursday night the newly-elected male and female officers of the Galileo Lodge and its Ladies Auxiliary were installed in an atmosphere of optimism, hope and spontaneity. As the outgoing male and female officers were called upon by the officiating dignitaries, and as the newly-elected ones were also called upon to take their oaths, one could sense something promising, something timely and something auspicious and unique in the air—for here were the men and women who had taken up their call to arms to volunteer their time, services and their loyalty in order to chart a true and steady course for the Galileo Lodge in 1982.

These are the men and women who have taken an enormous responsibility upon their shoulders, because with their determination, wisdom, perspicacity and sense of justice and fair play, they will guarantee the successful social and financial structure of the Galileo Lodge. The new officers of the Galileo Lodge are: Venerable, Carmine Monteforte; 1st. Asst. Venerable,

Pete Masiello; 2nd. Asst. Venerable, Jules Meszaros; Orator, Jim Rerisi; Rec. Secretary, Pete Sarandrea; Fin. Secretary, John Keiper; Treasurer, Joe Lo Presti;

Trustees: Armand Del Cioppo, Pat Gatto, Joe Ianotti, Jim Posillico, Frank Matassa, Anthony Romano and Mario Tucci; Master of Ceremony, Joe Morace and Jack Riccardi; Guards, Anthony Moschera and Frank Bove; Com. of Arbitration: Thomas Catapano; Joe Esposito, Michael Garone, Frank Governale and John Romano.

The officers of the Ladies Auxiliary are: President, Ann Palermo; Vice President, Mary Monteforte; Ex-President, JoAnn Wallick; Orator, Marian Densiglio; Rec. Secretary, Millie Caputo; Fin. Secretary, Rose Meszros; Treasurer, Marian Fried; Corr. Secretary (to be announced); Mistress of Ceremony, Millie Del Cioppo; Trustees, Terry Gatto and Mary Sarrera; Guard, Sue Laurenti.

Dignitaries in attendance Councilmen, Tom Clark, John Benditto and Sal Mosca; Vice-Chancellor of Rockville Center, Rev. John Meszaros; Grand Deputy, Joe Magliato; Tony Parvis, Grand Com. of Arbitration, Tony Parvis; Terry Romeo, Grand Deputy of Aida Ladies Lodge; Josephine Nunnenkamp, Venerable of the Ann Bambino Lodge; P.V. Landi, Past Grand Venerable; Joe Cangemie Grand Trustee of Columbus Lodge; Jerry Anselmo, Grand Deputy of La Guardia Lodge; Dominick Baranello, Past Grand Trust-

tee of New York; Nick Viglietti, 1st. Asst. Grand Venerable; Frank Dougherty, venerable of Glen Cove Lodge.

In recent years, there has been a serious effort on the part of the Galileo Lodge to achieve successful implementation of measurable objectives designed primarily to give it meaning and purpose. The Louise Masiello Memorial Scholarship Fund is one of those objectives lately to be realized. And with this in mind I might mention again that the Galileo Lodge will hold its 10th Anniversary and Scholarship Dance on Saturday, the 24th of April. Tickets will sell at \$20 a person, a reasonable sum which entitles you to an appetizing cocktail hour, a delicious dinner, beer, soda, coffee and cake, setups, unlimited liquor and live dance music. Joe Giordano will 'chair' this activity, ably assisted by Tony Copolla and Pete Masiello. This dance naturally provides the funds which will activate the Louise Masiello Memorial Scholarship Program designed to aid and abet high school students who are in kinship with the Galileo Lodge; membership and who are entertaining thoughts of entering an accredited college or university. You can attend this dance and have a great time, knowing full well that you are also contributing to a very worthy cause.

LODGE TIDBITS: President JoAnn Wallick, as a final tribute to her reign of office as President of the Ladies Auxiliary, donated a \$1000 check to the Galileo Lodge from the Ladies organization.... Frank and Nancy Bove were sorry missed at the Galileo Lodge these past few months as they were staying in Florida, helping their children with certain problems. Nice to see them both back.

Trinity Lutheran Church

By The Rev. Dr. John H. Krahn

Christianity does not have a monopoly on ethical ideals. The classic literary deposit of the ages could fill shelves with books expounding virtuous behavior. China has its Confucius; India its Bhagavad Gita; the Greeks and the Romans had Plato, Aristotle, and Marcus Aurelius. All encouraged virtue. Aristotle, for example, spoke of the generosity of the "great-souled man." But there is a

great gulf between Christianity and the world's non-Christian moralists. For it is difficult to find in the pagan moralists anything quite approaching the loftiness of Ephesians 4:32, "Be kind to one another, tenderhearted, forgiving one another..." The ancient expounders of virtue shied away from picturing us as capable of self-surrender, words like tenderhearted and forgiving were not very

common. Aristotle's "great-souled man" would be ready to bear insults without striking back. For greatness of character can call forth an attitude that would ignore the undesirable response of malice. Julius Caesar, giant among pygmies as a magnanimous

man, frequently forgave his enemies. But his virtue did not spring from Christian love, rather from his pride that he had the virtue of being able to forgive. It was somewhat like a person being proud of their

The Young People from The Church of Christ of Hicksville will perform the musical, "Come Messiah, Come," on Sunday April 4, at 7:00 p.m., at the Church of Christ, 105 Broadway in Hicksville.

"Come Messiah, Come" is a moving musical set in a children's orphanage at the time of the Crucifixion and Resurrection. All of the children have been diligently studying the Scriptures and the question arises... "Could it be that Jesus is the Messiah?" When Anna, the orphanage housemother, goes to Jerusalem to convince Jesus to visit the home after Passover, her dream is shattered when she learns that Jesus has been crucified. She relates her sorrow to the children through song. Rebecca, in particular, cannot accept that Jesus is dead and the little girl slips away to Jerusalem to search for Jesus. After four days, Anna finds Rebecca and they both return home with the good news... JESUS IS ALIVE! He has risen from the dead. Anna excitedly tells the children the significance and new understanding of the Resurrection in the light of the Scriptures. After listening to her intently, all of the children join her in singing, "Hallelujah, The Messiah Has Come."

The community is invited to attend this inspirational musical. Admission is free to the public. A staffed nursery will be provided.

DOT Receives \$63.6 Million

On March 25 the State Department of Transportation received apparent low bids totalling \$63,555,641.63 for 27 projects involving highways, bridges and traffic and safety improvements.

Transportation Commissioner William C. Hennessy said contracts are expected to be awarded and work to begin in about a month following analysis and verification of the bids and processing of legal papers.

All work will be supervised by DOT Regional Directors. Among the pending contracts are:

Safety improvements on eight bridges on the Northern, Southern and Sagtikos State Parkways in the Towns of Hempstead, Islip and North Hempstead. The bridges involved include the Southern State Parkway spans over Jerusalem Avenue, Hicksville Road and the northern ramp to the Sagtikos State Parkway. Work will involve the installation of concrete barriers or corrugated guide rails along the spans.

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Trustees of the Hicksville Public Library of Hicksville, Union Free School District, Hicksville, New York adopted February 17, 1982 the Special District Election of the qualified voters of this School District for the School Election and Vote on appropriation of funds will be held on April 21, 1982, between the hours of 12 Noon P.M. (E.S.T.) and 10:00 o'clock P.M. (E.S.T.) in the seven election districts, stated below, for the purpose of voting upon the following proposition:

PROPOSITION NO. 1
Shall the Library Budget for the school year 1982-1983 adopted by the Library Board be approved and a tax be levied on the taxable property of the District in the amount of such budget less sums received in the form of State and Federal Aid and from any other sources, all pursuant to the pertinent provisions of the Education Law?

NOTICE IS FURTHER GIVEN that nominating petition for the office of member of the Board of Trustees of the Library must be filed with the Clerk of the School District no later than thirty (30) days before the Special Meeting, said date being Monday, March 22, 1982 between the hours of 9:00 A.M. and 5:00 P.M. Separate petitions shall be required to nominate a candidate. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 25 qualified voters of the District (the same being at least 25 qualified voters of the District or two percent (2%) of the number of voters who voted in the previous Library election, whichever is greater), shall state the residence of each signer, the name and residence of the candidate, and include at least the length of the term of the office. Forms of petitions for Library Board Members may be obtained from the Clerk of the School District and at the Hicksville Public Library.

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the Library meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on April 7, 1982, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from April 8, 1982 up to and including April 21, 1982. Residents who voted at an Annual or Special Meeting of the District within four years from the date of the current Special Meeting, or who registered within that time need not register to be eligible to vote at the Special Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 352 of

Orchestra under the direction of Christopher Keene. The Young Persons Concert, sponsored by the Islip Arts Council, featured Benjamin Britten's "Young Persons' Guide to the Orchestra," with narration and comic antics by Ronald McDonald, of hamburger fame.

Mrs. Nelson, an admirer and supporter of the orchestra, planned the trip in an effort to expose her students to fine music per-

formed by an exceptional orchestra. "Teachers who have an interest in good music can do much to teach our students to appreciate and enjoy classical works," she said. "It has enriched our lives, and we want to share it with the next generation."

In addition to the Britten work, the performance included an introduction by conductor Keene of the many "voices" of the individual instruments. After the con-

The Brand New IRA.

A Millionaire's Retirement Plan for the Wage Earner.

New IRA rules broaden eligibility requirements

If you work for a living—for yourself or someone else—you qualify for the new tax-sheltered IRA. Moreover, if you're part of a company-sponsored pension plan, or have a self-employed Keogh Plan, you can still qualify for an Individual Retirement Account.

By far, this is the most beneficial, most liberalized and most discussed retirement plan ever offered to the American worker.

For the first time ever, it is actually possible for any working individual to build a retirement fund that could exceed two million dollars; possibly more. And it's all done with tax deductible dollars in special IRA investment accounts.

The yields are high and all deposits (plus earned interest) are insured by the FDIC for up to \$100,000 in each IRA account.

If you and your spouse work, you can shelter up to \$4,000 a year—every year. If you're an individual with a non-working spouse, you can shelter up to \$2,250 a year. For someone filing an individual return, the new higher deposit limit is \$2,000 a year. Remember, every dollar you deposit is tax-free until you start withdrawing your funds between the ages of 59½ and 70½ when you will conceivably be in a much lower tax bracket.

Early withdrawal of funds will incur a 10% tax penalty by the IRS in addition to other penalties imposed by the Bank.

Rest easy. Let our pension experts tailor an affordable retirement program fit for a millionaire. Details on all IRA investment accounts and current rates available at all branch offices. Visit one today!

Eighth Precinct Crime Report

By P.O. Kenneth Box

Multiple Aided

Five members of a Bethpage family were transported to NCMC early this morning after being overcome by carbon monoxide leaking from their coal stove.

Mr. Vincent Romano, 38,

awoke in the bedroom of his home at 152 Eleventh St., Bethpage, at 6:40 AM. Romano smelled smoke and felt ill. He realized that the stove was leaking and began waking his family. Romano's daughter, Gail, 11, did not respond to the family. The family immediately called the fire department.

Bethpage Fire Department responded along with

officers from the Eighth Pct. The girl was quickly revived and the entire family transported to the hospital in police and fire department ambulances. They are all being examined at this time and appear to be in good condition. Injured were: Vincent, 38, his wife Janice, 34, Bernadette, 13, Gail, 11, and Vincent Jr., 8.

Devotions (Continued from Page 9)

humility. Humility is a curious virtue in that when you discover you have it, you lose it.

The difference in Caesar's forgiveness and Christian forgiveness is a difference in motive. The "why" of our morality is the key issue. We can be outwardly virtuous for a variety of reasons. Many heathens are so-called good people. But for Christians, having basked in the revealed love of God through Jesus Christ, we are propelled by that love to become virtuous. Ours is a morality of response and not one of human achievement. We do not try to rival God's virtue, but we seek to imitate God, i.e., to be like God.

God's mighty act of love was hung from a cross. Jesus must propel us to respond. This one single occurrence in human history must evoke from us the desire to forgive as we have been forgiven. For in the cross we were made free to be the children of God. We no longer need be yoked to pride or to anger or to malice or to an unforgiving spirit, for we have been yoked to Christ and can look with him even at our enemies and pray, "Father, forgive them." We are free to be forgiving. Since God in Christ has forgiven us, our hearts can be made tender by God. Christians are tenderized by the love of God in Christ. The negative, energy-sapping, debilitating emotions of malice, bitterness, and anger can be pushed out of our hearts by the indwelling of God's love.

In the Lord's Prayer we pray, "forgive us our sins as we forgive those who sin

against us." In the Large Catechism, Martin Luther writes, "Inasmuch as we sin greatly against God every day, and yet he forgives it all through grace, we must forgive our neighbor who does us harm.... If you do not forgive, do you think God forgives you? But if you forgive, you have comfort and assurance that you are forgiven in heaven." In our forgiving, Luther correctly suggests that we can have our faith strengthened, for we know that our human nature would not of itself forgive someone who hurt us greatly. Only God in our heart could compel such forgiveness. In our forgiving act, we know that God can and already has forgiven us.

We rejoice that God so loved the world that he gave his only begotten Son that whosoever believes in him will not perish but have everlasting life. There is comfort and joy in knowing that God has loved and forgiven the world in general. But we all find greater joy in knowing that God's forgiving love has been focused upon us in particular. I have been loved by God, I have been forgiven by God, I am now free to be. On the other hand, isn't it curious when it comes to forgiving others we would much

rather dwell in the realm of the general than in the particular? We have little problem loving the neighbor as a general concept but a great problem with that pain in the butt that lives next door. Yet, in Christ, we are free to be forgiving in particular. We are called to love and forgive even the pain in the butt.

As we look at Easter we are reminded that the same power that raised Jesus from the dead is available to us. Come, Creator Spirit, we pray, recreate us and free us from the debilitating feelings of hatred and anger so that we can experience the beautiful freedom that comes from being both a forgiven and forgiving child of God.

First, why not seize this very moment and pray God to cleanse us from any self-hatred. We then seize this moment and pray God to cleanse us from any malice we feel towards a member of our family. We further seize this moment and pray God that as forgiven people we would forgive, right now, anyone else for whom we may have been harboring negative feelings.

We are free to be forgiving let us be all that we are free to be.

Plainview is also justifiably proud of the Chapter President Allen Cohen. The entire chapter joined together in campaigning for Allen who was successful in his campaign for New York State President of DECNY. Everyone is confident that the state will be in most capable hands during the 1982-83 DECA year.

Plainview DECA is also grateful to Mrs. Gloria Jones, DECA Advisor and
