### Blood Donors Needed

To ensure an adequate supply of whole blood to meet the ongoing medical requirements of the Greater New York area, 2,000 donors are needed every day. On Wednesday, April 21, the Citibank Bloodmobile from the Greater New York Blood Program will be at the Hicksville branch of Citibank, 255 No. Broadway, 11:00 a.m. until 12:30 p.m.

The responsibility to maintain the blood supply rests with all members of the community, not just the individual who needs blood. Pledge cards and further information are available at all Citibank locations on Long Island.

### Help Prevent Vandalism

The Hicksville Youth Council is organizing a business task force as part of the Vandalism Prevention Program funded by the State Division for Youth.

The task force is designed to involve local businesses and concerned members of the community. The purposes are to examine vandalism in the community, publicity in an effort to deter vandals, develop a "community watch" program, and encourage an exchange of ideas.

The first meeting is planned for the first week in May. Anyone interested in participating please contact Renee or Carole at the Hicksville Youth Council, 181 West Old Country Road, Hicksville, or call 822-7594.

### AHRC Fashion Show

The Association for the Help of Retarded Children (AHRC) Levittown-Hicksville-Wantagh Auxiliary will hold its 16th Annual Fashion Show and Dinner on Wednesday, April 28th at The Huntington Town House.

The cocktail hour is from 7 to 8 P.M. followed by dinner. F&F and Fancy Fashions of Manhasset will present the fashions.

A Sweepstakes Table and a raffle drawing for "An

Escape Weekend for two" at The Essex House in New York, plus tickets to a Broadway play and \$50 spending money.

For tickets, call Nancy Guadagno, GE 3-8628, for raffles, call Ann Carroll, 681-4094. Joan Kowalczyk will be the Sweepstakes Chairlady.

Proceeds from this affair help provide the many services and programs provided by AHRC for Nassau County's mentally retarded.

The Hicksville Public Library budget for 1982-83 will be submitted to the voters on April 21st from 12 noon to 10 p.m. at the schools. The budget of \$957,872.00 carries a tax rate of .805 per \$100.00 of assessed valuation. The average homeowner's annual tax will be well under \$50.00 assuming assessed valuation of \$5,000.00 - \$6,000.00 for most homes.

For value received, it is hard to find a better bargain. The Hicksville Public Library is one of the largest and best equipped in Nassau County, a County where the smallest library would probably be above average in most sections of the

country. Your taxes will provide access to our extensive book and periodical collection as well as many other services and programs for the young, middle aged or elderly. The library is fully accessible to the handicapped and will deliver to those homebound. Indeed, it is possible to receive full value of a year's taxes by simply borrowing, during one visit, several books at a current value of an average of \$12.00 per book (and going up). A library is a unique American institution built on the principal of purchasing, sharing and re-using sources of knowledge and information that most of us would not or could not buy. Expensive music albums, cassette

tapes, films, special children's programs, art exhibits and other cultural and educational programs are available at little or no cost. A public meeting room is used by many community groups.

Our special events for National Library Week April 17-21, 1982 may help to illustrate the wide range of our presentations. A drama, a chamber music group, a Chinese cookery class, a discussion on flower gardening techniques, a slide presentation of old Long Island mansions and a gem of a program for sports fans on New York baseball will be offered - all free. If you have not seen announcements of these events call WE 1-1417

or pay is a visit. The baseball program will be presented by Dr. Harvey Frommer, an author who has been writing on sports for a number of years. Four of his books will be published in 1982, among them an eagerly awaited biography "Rickey and Robinson." He will be with us on April 22nd at 8 p.m.

The Board of Trustees of the Hicksville Public Library urges Hicksville citizens to support their library on April 21st. We hope that this short exposition of the way your tax dollar is used will be convincing evidence that the library serves its constituents well.

## A Message From Our Library

### Hicksville Fire Report

death. Do you and your loved ones know how to escape from fire and how to call the fire department - the one that covers your area??

Case 2 - Massapequa N.Y. - A teenage boy died in a blaze on the 2nd floor of a home because he could not open a casement - crank out type window. There obviously was no early warning from a smoke detector. How many more potential deaths are ahead of us because people don't plan ahead. Do your windows work? Can you climb out of them? Do you have a smoke detector?

Case 3 - Dix Hills, N.Y. A youth died after fire gutted his room. No one knew of the sprawling home knee in the fire until it was too late. Once again - No smoke detector. It

is enough to make you scream. Why are people failing to buy smoke detectors - they sell between \$10 & \$20? Why are people with smoke detectors failing to replace the battery every 9-12 months? Why are they failing to test it weekly?

Hicksville fire officials urge all residents to practice fire prevention. Buy & install smoke detectors, faithfully maintain the (batteries, weekly tests etc) know how to call the fire dept. - EVERYONE. Plan your escape route your normal path out may be out of the question due to heat, gases and smoke. Can you get out a second way? Do your windows open? Do they open wide enough?

Your local firefighters stand ready to help you. Plan now - fire strikes swiftly and without warning. When the smoke is pouring in under

your door - it is too late to make plans.

## Discuss Alternatives To Street Crime

Mr. Tyrone Moore, Court Supervisor of T.A.S.C. (Treatment Alternatives to Street Crime) of Nassau County, was the guest speaker at the March 31 meeting of the Hicksville Kiwanis Club.

Mr. Moore explained that T.A.S.C. is a program for people who are involved in crimes caused by drug or alcohol addiction; that T.A.S.C. gets help for people who are in trouble because of drugs or alcohol, and who want treatment; that those charged with a crime and are abusing drugs or alcohol must be willing to go to treatment for a 12 month period; that upon successfully completing the treatment, the charges pending may be substantially reduced.

Mr. Moore also explained

how the New York State Senate has toughened the penalties for being caught and convicted of driving while ability is impaired (DWAI) or driving while intoxicated (DWI). Upon such conviction, there will be a loss of

driver's license, and a stiff fine will have to be paid.

In the photo, Kiwanis Vice President John Budnick, on the left, is presenting Mr. Moore with a certificate of appreciation for his informative discussion.

## Eighth Precinct Crime Report

By P.O. Kenneth Box

### Plainview Burglary

The basement window of a home at 565 Plainview Road, Plainview was pried open on 3/26/82. Removed from the home was \$30 U.S. and Foreign coins, 6 Bottles of Liquor. Before the perpetrator could exit the house he came head to head with the family pet, a rather large dog who didn't like the idea of him being in the house, a little canine justice was delivered causing a rather nasty wound to the bad guys hand. Arrested a short time later by Police Officer Ronald DePrima of the Eighth Pct. was Richard Kotlarz, an escapee from Sagamore Childrens Center.

The side door of a home at 46 Briarwood Lane Plainview was kicked in on Mar. 4, removed was two pair of Gold Earrings, Necklace and matching Earrings from India, Silver with Mother of Pearl.

On Mar. 30, someone pried open the front door at 3 Lane Ave., Plainview, stolen was \$2900 U.S. Currency, and a Sony T.V.

### Shooting

Two Nassau Police Officers were injured and a suspect fatally wounded after a narcotics investigation early this afternoon.

Two members of the Narcotics Squad approached a suspect in the parking area of a gas station on the Southern State Parkway, Wantagh, at noontime. The suspect sold the officers a quantity of narcotics. The officers moved away and back up officers approached to place the suspect under arrest. The man ran two officers over in an attempt to flee. One of the officers managed to cling to the side of the van and fire one shot through the driver's window. The bullet struck the suspect in the left side.

The van continued out of the parking area and came to rest on the center divider of the parkway approximately 1/4 of a mile west of the Wantagh Pkwy. Both officers and the suspect were rushed to Nassau County Medical Center. The suspect, identified only as a 25 year old West Hempstead man, was pronounced dead by a

staff physician at 12:30 p.m. Both officers are being examined but appear to be in satisfactory condition. More to follow.

Update: Officers hit by van were Det. John Harrington, 51, 28 years on Force and P.O. Jeffrey Hackett, 33, 12 years on Force. Both were treated for abrasions and contusions of the legs plus x-rays and released.

Update: Deceased identified as James Childs, M/W, 25, of 641 Eagle Ave., West Hempstead.

### BURGLARIES

Person or persons unknown broke glass in the rear door of a home, 12 Brittle Lane, Hicksville on April 11. Stolen was \$210 U.S. Currency, Gold plated cuff links, Cold Tie Pin and a Gold Chain and Cross.

Between April 7 and April 9, burglary occurred at 22 Terry St., Hicksville. A rear window was broken to gain entry, and removed from the home was assorted Gold Chains and Ladies Jewelry.

### RECEIVES ASSIGNMENT

Air National Guard Airman Richard D. Schultz Jr., son of Richard D. Schultz Sr. of Frolic Road in HICKSVILLE, and Jean M. Schultz of Levittown, has been assigned to Keesler Air Force Base, Miss.

The airman will now receive specialized instruction in the communications-electronics systems field.

He received an associate degree in 1977 from the State University of New York, Delhi.

## New York Computer Show

The New York Computer Show will be held at Nassau Coliseum in Uniondale, Thursday, April 22, to Sunday, April 25. Show hours are 11 a.m. to 6 p.m. daily. Admission is \$5 for adults and \$3 for children 10 years of age or under.

The show features micro and mini computers for business, education, government, industry, home and personal use, including data and word processing equipment, office machines, computer peripherals and accessories.

## News From Chemical Bank

On April 27, Chemical Bank will officially open ChemCourt, a three story glass-enclosed entranceway filled with greenery, which fronts its new world headquarters at 277 Park Avenue.

The opening of ChemCourt will complete the transformation of the standard 1960's office structure into a major contemporary corporate signature building, creating an entranceway and lobby of suitable appeal and magnitude for the nation's seventh largest bank.

ChemCourt's 12,500 square feet, filled with trees, plantings and terraced pools, is the Bank's "gift of greenery" to the people of New York whom it has served continuously since its founding in 1824.

Designed by a project team headed by Michael Maas and Theodore S. Hammer of the architectural firm

of Haines-Lundberg Wachler (HLW), ChemCourt represents an innovative architectural solution to several problems. The attractive, glass-enclosed garden converts the building's former open plaza, which was underutilized, into an area of visual refreshment. The new entranceway offers barrier-free accessibility previously unavailable to the handicapped. The building's elevators have also been modified for their use.

"ChemCourt is unique on an avenue that is one of the world's most celebrated thoroughfares," Chemical Chairman Donald C. Platten said in announcing the opening. "We hope we have made a small contribution to the aesthetics of Park Avenue and to a city with which Chemical Bank has had a partnership for so many years."

## Evening Hours For Vets And Seniors

The Nassau County Board of Assessors is establishing special evening hours later this month, for those senior citizen and veteran homeowners who cannot make it to Mineola during regular business hours. For their convenience, applications will also be accepted on Wednesday, April 21, from 7:00 P.M. to 10:00 P.M., Abe Seldin, Chairman of the Board of Assessors announced today.

Assessment's normal business hours, from 9:00 A.M. to 4:45 P.M., Monday through Friday, until the May 1st filing deadline set by state law.

The Department's offices are located on the fourth floor of the Nassau County Office Building, 240 Old Country Road, in Mineola, at the southwest corner of County Seat Drive and Old Country Road. Parking facilities are available south of the building.

For additional information about the special evening hours for filing veterans and senior citizens exemptions, homeowners may contact the department's Taxpayer Information Bureau at (516) 535-2790.

**BOND ISSUE:** Financing for the twin 15-story Coliseum Towers office building, now under construction at Mitchel Field, was completed with the official approval of a \$131-million bond by the Hempstead Town Industrial Development Agency.

The bond issue was purchased by European American Bank, a 50-50 partner in the venture with the DeMatteis Organization. Joining in the official closing are (L-R) Frederick DeMatteis, president of the DeMatteis Organization; William F. Heins, Commissioner of the Hempstead Town Department of Commerce and Industry; Town Councilman Richard V. Guardino, Jr. and George Trias, Chairman of the Town Industrial Development Agency.

## Sen Al D'Amato: "We Must Slash Projected Deficits!"

There has been much talk in recent years about the need for the federal government to put its fiscal house in order by balancing its budget. There has been talk, but little action.

Whether you agree or disagree with the specifics of his program, President Reagan has made the first serious attempt to change the spending policies of our nation. The pressure is on to control spending and reduce the federal deficit. Continued skepticism in the financial community of Congress' ability to control spending continues to keep interest rates artificially high, delaying any planned economic recovery.

It is now mid-April and

there is no agreement on just how to trim spending. WE MUST SLASH THE PROJECTED DEFICITS that continue to grow and absorb available capital so necessary to spur the economy and stimulate mortgage loans, new construction, and the eventual creation of new jobs. Those who are serious, as I am, about budgetary restraint have called for a constitutional amendment requiring the federal government to operate on a balanced budget. Such a provision is one way to put the nation's finances in order once and for all.

The amendment would prohibit, in most instances, the adoption of any budget in which expenditures exceed

total revenues. In other words, like most American families, the federal government would no longer be able to spend money it does not have. A budget that does include a deficit could only occur if three-fifths of each House of Congress votes for it, an important option that should be exercised in times of emergency.

A balanced budget amendment had been stalled in the congressional pipeline for years, until 1980 when the Republicans won control of the U.S. Senate. On May 19, 1981, the Senate Judiciary Committee voted to place the measure on the Senate calendar. Last week, I and thirty-six other Senators, expressed a strong desire that

this measure be brought to the Senate floor for a vote before any measure to consider the status of the national debt is weighed. I am confident that, once this amendment is brought up for a vote, it will pass overwhelmingly.

All one needs to do is look back upon the causes of the nation's present economic woes to see that the government has been living well beyond its means for some time. No one ever promised to reverse the spending trends of three generations overnight, but the groundwork has been laid to embark on a new course. The health of the American economy demands this new direction.

## Mitchel Field Park Construction Underway

By Francis T. Purcell  
Nassau County Executive

A new sound will soon be heard in the long silent heartland of Nassau County. Once the deep roar of giant aircraft engines reverberated across the Hempstead Plain as Air Force planes landed and took off at Mitchel Field. Then came more than 20 years of silence, following the closing of the air base.

Early next year, a new kind of roar will be heard at Mitchel Field. It will be the noise of the crowds as they cheer, for a Nassau Community College team or shout for their favorites in a track meet, soccer game or lacrosse match. Mitchel Park will then be a reality in 44 acres of playing fields for use by the public and by the teams of the Community College.

I broke ground this week for the park, which has been some two decades in coming to fruition. The land was obtained from the federal government, 67 acres in all, for park purposes. Many plans were formulated and discarded over the years for various reasons, primarily

the lack of funds. During the last four years, I have pushed for a cost effective, yet complete plan for the making of the park. It was finally achieved and the long fallow center of Mitchel Field will be put to use.

The park is being constructed in the lands just south of the old air base hangars within the interior loop roadways that is called Charles Lindbergh Boulevard. The park will surround the present rifle and pistol range. A combination administration and maintenance building will be erected in that vicinity and the green fields for football, baseball, soccer, lacrosse,

softball and other team games will be spread out. A synthetic-surface, all-weather, 400-meter track will be installed and permanent fixtures for field events will be included.

The fields will be sodded and fed by an underground irrigation system. Lights will be installed on 80-foot towers to provide night time illumination. The multi-use theme will be carried out with portable units, which can be moved into various configurations. These include bleachers, dressing rooms, coaches' room, restrooms and a concession stand.

College teams will have

priority use of the fields for practice and games, but public use will be available at all other times through arrangement with the Department of Recreation and Parks, which will run the facility. College teams have never had home fields, playing games at Hofstra Stadium and in the parks. They'll now have a home.

The completion of Mitchel Park will have a great effect on the further development of Mitchel Field. The grasses and the landscaping will add beauty as well as a strong growing area of office buildings and commercial properties.

## THOUSANDS OF COMPUTERS ARE GATHERING ON LONG ISLAND

The New York Computer Show will be held Thursday through Sunday, April 22-25 at the Nassau Coliseum.

This show is the largest gathering of computers and accessories ever opened to the public in the New York Area, and features hundreds of companies using thousands of square feet of display space to sell millions of dollars worth of micro and mini computers, data and word processing equipment, peripherals, accessories, supplies and software.

Under one roof you'll see—and be able to buy (at low, low show prices)—all of the hardware and software made by every major computer manufacturer—for business, industry, government, education, home and personal use.

The show includes computers costing as little as \$100 to computers selling for \$75,000—plus—video games, robots and electronic gadgetry which is entertaining, enthralling and educational.

So show up for the show. Admission is \$5 per person and \$3 for children.

## Dear Friends...

PLEASE DON'T FORGET that on Wed., April 21, from noon to 10 pm in our seven election districts, you will have the opportunity to cast your vote in the Hicksville Library election and budget vote. We're sure that by now you have looked into the details of both these propositions, as, not only has this newspaper carried information on these subjects, but all residents of this district have received printed materials covering budget details. We also bring your attention to our "Letters To The Editor" this week, and to this week's article "It's Budget Time" by Rosemary Grant, in this issue. So, once more, please don't let this Wednesday, April 21, pass without casting your vote.

A REMINDER ... to all members of the Hicksville Chamber of Commerce ... Tuesday, April 20 is our regular meeting, held, as you know, in the Milleridge Inn Quaker Room starting at 12:30 pm.

CONGRATULATIONS to the children of the Holy Family Grammar School in Hicksville who have raised more than \$3,000 for St. Jude Research Hospital in Memphis, Tennessee.

The children participated in a Math-A-Thon and raised money by receiving pledges for each correct answer. They received a lovely thank-you letter from St. Jude's.

THAT'S ALL for this week. Stay well and enjoy this Spring weather that finally arrived here on beautiful Long Island.

### IT'S BUDGET TIME (Continued from Page 5)

projected tax rate is .80/\$100 an increase of approximately 4 1/2 cents. Clara Bennett is running against Peter de Nino for a library board seat.

The Plainview Old Bethpage Board of Education adopted a tentative budget of \$32,104,110 on April 5. The increase is about .58 cents, less than 3 Percent over last year. (\$22.404-81-82 rate) The formal budget hearing will be on April 21 at 8 p.m. in the H.B. Matlin school. The annual district election and

budget vote will be on May 12. Two incumbent school board members, whose seats are up for re-election, Miriam Ravad and Sylvia Samuels, are running uncontested.

The Plainview Library proposed budget of \$1,139,600 will also be presented for vote on May 12. The new tax rate will be \$1.267/\$200 of assessed valuation, an increase of approximately .154 cents over last year. The Board seat of Allen Breslow expires June 30, 1982. Myron Sywak is opposing Mr. Breslow for this seat.

TOWN BOARD OF OYSTER BAY, JOSEPH COLBY, Supervisor, ANN R. OCKER, Town Clerk. Dated April 27, 1982, Oyster Bay, New York.

Dear Mrs. Noeth:

I would like to take this opportunity to announce my candidacy for Trustee of the Hicksville Public Library.

I have long been active in the library community - first as Treasurer then President of the Friends of the Hicksville Public Library, followed by five years as a Trustee of the Hicksville Public Library. I am currently serving on the Long Island Library Service Planning Board, a position to which I was elected by the Trustees of Nassau Libraries, as their representative.

In the past, I have worked

for the installation of the elevator for the handicapped and sought installation of a smoke detector system. I have always kept abreast of library laws, regulations, etc. through attendance at workshops and seminars. If elected to the position of Trustee, I will continue to do so.

Therefore, I respectfully ask you to vote for me on Wednesday, April 21st.

Very truly yours,  
Clara T. Bennett

To the Editor:

On April 21st I am running as an incumbent to the Hicksville Public Library

Board of Trustees. I was first elected to the Board in 1977. I believe a public library should strive for excellence in its book purchasing, its programming and its policies. Our public library has, with the support of the citizens of Hicksville, developed to a stage where we can point with pride to a book collection almost unsurpassed in Nassau County public libraries. Books and materials are chosen by the library staff for the information and interest values to the community. No materials are, however, excluded because of the social, political or religious views of the author. Freedom of expression must be a cornerstone of any library policy. As our collection of materials has matured our auxiliary services, under the watchful eyes of the Trustees, have progressed. Musical programs, live theatre, special children's programs, films, art shows and home-making classes are frequently offered. Push button indexes, computer terminals for interlibrary loan service, copiers and a video camera are among the recent non-book items purchased to broaden our services and develop greater speed and accuracy.

As a Trustee, I believe that

# Galileo Lodge News

By Joe Lorenzo

**VENERABLE SKIP MONTEFORTE'S MESSAGE:** 'The secret of getting ahead is getting started'. Old Saying

If this column has touched responsive chords in the community-at-large and for the members, patrons, friends of the Galileo Lodge, then it is reasonable to assume that a goodly number are cognizant of the fact that the Galileo Lodge will hold its 10th Anniversary and Scholarship Dance on Saturday, the 24th of April. Tickets sell at \$20 per person, an easy-to-live-with fee that entitles you to an appetizing cocktail hour, a delicious roast beef dinner, coffee and cake, beer, soda, set-ups, unlimited liquor and

live and delightful music from a six-piece musical combo. Joe Giordano will 'chair' this dance, strongly assisted by Pete Masiello and Tony Coppola. This dance also heralds the debut of our Scholarship Program, aptly entitled the Louise Memorial Scholarship Fund, in honor of Ist. Asst. Venerable Pete Masiello's wife, a fine lady who recently passed away. This fund was designed primarily to assist needy high school students who are desirous of furthering their education. So why not attend this affair and enjoy yourself to your heart's content, and be reasonably moved by the idea that your money is also helping those who are less fortunate.

satisfy your sybaritic tastes, then interspersed in the period of mid to late summer are other activities initiated for your edification. As you can see, there is little inertia within the confines of the Galileo Lodge, only what we commonly call perpetual motion. For our members, patrons and friends, the Galileo Lodge could never reach its zenith when it comes to pleasure and relaxation.

**LODGE TIDBITS:** The Galileo Lodge donated \$100 to the Head Start of Westbury, and this was to buy milk and other items for needy children. On April 22nd, five new members will be installed into our organization. That is a Thursday night social meeting. The Galileo Lodge's next Blood Bank Day is set for Thursday, the 17th of June, from 12:30 to 9:30 P.M. Jim Kerisi will supervise this activity and Pete Masiello will assist. On the 20th of April the renovation committee of the Lodge will begin work in our basement area, and a top-notch recreational area is already on the drawing boards. Jim Posilici will supervise this activity, so all members wishing to help should contact Jim at 931-9851 for more details. Frank Governale and John Juliani are recovering from recent illnesses, and we wish them both a speedy convalescence. Al Barelli

## It's Budget Time

By Rosemary Grant

1982-83 School Budget time is here and local districts are busy planning formal budgets to present to the community for approval at the annual district meeting. Board seats are up for election and library budgets must also be approved by the voters. These budgets are the legal basis for the establishment of the tax levy and an important function of school district operations, serving as a means to improve communications within the community.

The following is an overview of what options are available to the mid island districts.

In Hicksville, a tentative budget will be presented to the Board for approval at a meeting on April 21. The \$34.7 million total budget anticipates a school tax rate of \$18.95 per \$100 of assessed valuation. This indicates a no growth tax rate or a slight decrease, made possible by a surplus of funds from last year's budget.

Registration to vote on the budget will be held on May 19 in local schools from 3 to 8 p.m. The annual meeting and budget vote is on May 28 from 10 a.m. to 10 p.m. Three board seats are up for election - seats held by Virginia Germer and Thomas Nagle, together with

the unexpired term of Frank Grimmer, presently occupied by Mrs. H. Singer. Community members interested in running for these seats must file a petition with the District Clerk by 5 p.m. on April 26. The only one to publicly announce a candidacy is Michael Meyer, a resident with educational experience, who is running for the seat held by Mrs. Germer. It is understood that Mrs. Singer will be running and that Mr. William Bennett will also run in opposition to Mrs. Germer.

The Hicksville Library Budget vote is April 21 from 12 noon to 10 p.m. at local schools. The proposed budget is \$957,872. The (Continued on Page 4)

## Don't Let Your Retirement Be the Worst Time of Your Life.

"Emigrant's IRA and Keogh Accounts help you plan for a retirement you can really look forward to."

*Ed Wallace*

Emigrant's IRA and Keogh Retirement Plans help minimize your tax burden while you maximize your savings. And Emigrant lets you choose from a variety of investment strategies. For example, you can start with just \$100 and put your money into an 18-month variable rate account. You can also invest \$500 in an 18, 30 or 36 month fixed rate certificate. Or \$10,000 in a 6-month account. All are ideal for lump sum rollover from terminated pension plans.

Emigrant will even help you set up a convenient payroll deduction plan to help your employees tuck away tax-deferred dollars for the future.

Call Mr. Michael Nicholas at (212) 883-6602 for details. Or send in the coupon today. And start planning to make your retirement the best years of your life.

Premature distribution of IRA and Keogh Accounts before maturity or age 59½ may subject you to substantial tax and interest penalties.

## IS YOUR INSURANCE AGENT LOCKED INTO ONE COMPANY?

There are 2 ways to buy insurance. You can buy your insurance from a one-company agent. But he's locked into only those policies that his company sells. So his hands are tied.

Or you can buy your insurance from an Independent Insurance Agent... the more-than-one-company agent. You see, your Big "I" Independent Agent doesn't work for one company. He represents general. So he's free to give you an independent opinion and advise you on the best coverage at the best price. And that goes for homeowners, automobiles, business, life and health insurance.

## A Weekly For Runners

A new weekly newspaper "Long Island Runner," will be making its debut on the newsstands of Nassau, Suffolk, and Queens on the 22nd of April.

The "Long Island Runner" is sure to be of interest to any runner who is interested in the running-jogging-track scene on Long Island. The pages will be filled with helpful information regarding: local upcoming races, race results, college and high school level track and field, medical advice from sports-medicine experts, health nutrition, fitness and more.

"The runner on Long Island is not too concerned with running on the streets of Beverly Hills," states publisher Charles Vincent, in reference to current monthly running magazines, "The Long Island runner cares about the hills of Northport,

the flats of Plainview, and running in the ocean air of Long Beach."

"They want to know; what races are coming up close to home, what their peers are doing and maybe even having some voice in improving the sport or helping other runners."

Any running club, school or individual who would like to submit information for the "Long Island Runner" can do so by sending it to: Long Island Runner, 235 Broadway, Bethpage N.Y. 11714.

The single copy price is one dollar. Regular yearly rate is \$28.00, but a special introductory offer is available now for only \$19. yearly.

Anyone interested in contacting the "Long Island Runner" can do so by calling (516) 681-7110 or (516) 784-7567. For subscriptions call (516) 681-1626.

## PBC Basketball

The Hicksville PBC Basketball Program has come to the conclusion of another successful season.

The Lakers are particularly proud of their record. They finished up in first place, with only two losses during the season.

The team - Edward Gebhard, Matthew Conroy, William Millis, Kenneth Klein, Raymond Laguardia, Albert D'Andrea and Adam Seidman - play each game well, showing tremendous effort, improvement and enthusiasm.

Their success was a great team effort by Coach Bob Klein and each of the boys. Congratulations all!

## LEGIONNAIRE'S LOG

(Continued from Page 11)

jobs held by illegals should be made available to Americans, because new waves of illegals will be encouraged, because amnesty is unfair to those would-be immigrants having abided the law and waited their turn, because it is bad public policy to repudiate U.S. law by legitimizing the transgressions of those having violated U.S. law and because the administrative burden on INS would be too great even if amnesty were a good idea. In relation to this, the Legion supports the employer sanctions measure of the Simpson/Mazzoli bill. That provision of the bill establishes a \$1,000 fine for the first violation of knowingly hiring illegal aliens, and a \$2,000 fine for the second violation and criminal penalties including imprisonment for the third violation. These sanctions are necessary as there is reason to believe that very large percentages of illegals in some regions of the nation

are currently displacing not only veterans but able and willing unemployed Americans generally... INS reports that illegal aliens earned between \$4.50 & \$13.00 per hour and illegals employed at a construction site in Virginia earned \$16.00 per year. Added to this, a study in the Houston area alone revealed a full one third of all employees engaged in construction work were illegals with much of that work contracted out by the Federal Government... The U. S. Government is inadvertently subsidizing illegal alien employment and in this instance indirectly paying them \$4.00 and \$9.50 per hour in a city where minority and youth unemployment ranges around 20 percent... Recognizing the need for a proper verification for workers eligibility the bill directs the President to create a secure employment eligibility system within 3 years... Without this secure verification system the Legion feels that the

## Mid Island Herald Sports

By Howard Finnegan

Hicksville High Football opponents next Fall will be Farmingdale, Syosset, Baldwin, Oceanside and Freeport from Conference One.

East Meadow, Port Washington and Lawrence from Conference Two will be the cross over opponents.

No dates have been announced.

The new league imposes many gas consuming miles of travel for teams despite federal requests to conserve gas.

Educators have never been able to organize on an economical basis.

The realignment only insures continued student disinterest and lack of participation and attendance.

Bill Lasco has been elected captain of the Lacrosse and Football teams at Kutztown State College. He is a Hicksville High alumnus.

He was named to the All-Division Nassau Lacrosse team in 1978-1979. He operated as a middle. Honors were also accorded for his efforts on the gridiron.

Bill will be playing for Kutztown when it invades Post College April 22nd at 4:00 o'clock. The Brookville campus.

We are indebted to an old friend - Howard Speeding - for the information. Howard carried the football for Hicksville a few years with remembered color and effectiveness.

Freshman Lewis Schweng preserved the Long Island High School championship for Friends Academy with pulse stopping heroics in the net.

Lewis, a Hicksville boy, entered the match with the score deadlocked 2-2 against Suffolk champ North Babylon.

He kept the Burly North Babylon team at bay as he kicked away repeated shots in the latter second period.

In the final his mates from the private Locust Valley School went on a three goal tear. Babylon kept aiming sharp drills at him but he repulsed them with sprawling during stops.

The game was played in Nassau Coliseum. It was sponsored by the Long Island Cheverlot Dealers Association. Since Nassau County does not have its own daily newspaper the game did not receive the deserved advance media promotion.

It was free. Lewis is also a member of Friends Football team and playing center next season on the beautiful North Shore field. (The Herald was there!)

Meehan Oil, the Hicksville based Energy Firm, won a

position in the Hall of Fame American Softball selections. It was announced at the Annual Dinner, in Wheatly Hills Tavern, Westbury.

Meehan was primarily a Levittown sponsor but did have outstanding players from Hicksville. It is the sixth selection from the Hicksville community - the best record in America.

The Notre Dame Alumni Club of Long Island has moved its central office out of Hicksville.

The New York Islanders Booster Club has moved its Annual Islander Dinner and meeting headquarters out of Hicksville.

Hicksville, however, is still the practice home of the Stanley Cup Champions. Many of the players can be seen patronizing local merchants.

On Superintendent's List

U. S. Air Force Academy, Colo. - Cadet Thirdclass (sophomore) Michael A. Reichert, son of Mr. and Mrs. Arno Reichert of PLAINVIEW, has been named to the Superintendent's List for outstanding military and academic performance.

To qualify for the Superintendent's List, cadets must have a grade point average of 3.0 or above in both military and academic subjects.

## Concert At Trinity Lutheran Miss McIntosh To Wed

On Sunday evening, April 25, at 7:30 p.m., DENWARD W. COLLINS, III of LEVITTOWN, will be singing with the Concordia College Choir of Bronxville, which will present a concert in Trinity Lutheran Church at 40 W. Nicholas Street in Hicksville. Under the direction of Prof. Gerald Patrick Coleman, the 65-voice choir will develop its theme, "Sing for Joy", in singing J.S. Bach's "Jesus, Priceless Treasure", "Frostiana" by R. Thompson, as well as works by Distler, Haydn, and Manz.

Members of the choir and the instrumentalists are drawn from all programs on the campus of Concordia College. Owned and operated by the Lutheran Church-Missouri Synod, the college is the church's pioneering school combining programs for the public ministries with general liberal arts curricula on the same residential campus.

According to New York Times music reviewers, "The Concordia Choir makes a beautiful sound..." "It is a pleasant, no-nonsense group that sings with spirit and understanding."

## Shepherd Hill Seniors

The Chinese Auction held by the Shepherd Hill Seniors of Plainview on April 2, was a great day. There were very nice items and a cake sale. A Chinese lunch was enjoyed by all.

We wish to say thank you all, who joined us and helped us enjoy this day.

At 1 p.m. on Tues April 20 there will be a fashion show at the club sponsored by the TOBY Volunteer Program Thrift Shop.

Club members will model the clothes which can be

purchased after the show. On April 27, at 1 p.m. the Nassau County Police Dept will give

# A New Roof At St. Stephen's

At a Special Congregational Meeting held on Sunday, March 28, the Lutheran Church of St. Stephen voted to enter into a contract with the F & F Roofing and Siding Co. for the removal and replacement of the existing roof of the Ernest F. Francke Memorial Building.

The Francke building, erected in 1959, is used by the congregation for a wide range of activities, including Sunday Church School, offices, meeting rooms and the St. Stephen's Nursery School. The building, now over 20-years old has recently been suffering from damaging leaks.

At the Congregational Meeting, the members of St. Stephen decided to do a complete job of replacing the old roof rather than making an attempt to patch the existing one.

The Reverend Dr. Roland J. Perez, Pastor of St. Stephen, remarked after the meeting that "the congregation's decision to

replace the roof is an excellent example of good stewardship. This roof replacement conveys the

determination of our membership to reverently care for the gifts God has given for our use."

## Engaged

Mr. & Mrs. Charles E. Green, Sr. wishes to announce the engagement of their daughter, Dorothy Michele to Mr. James Kenny of Westbury.

A March, 1983 wedding is planned.

## LETTERS

(Continued from Page 4)

I know what my job is. Most importantly, it is to act as a conduit between the taxpayer and his library. A good trustee must have the curiosity, concern, imagination and skepticism necessary to sift the many new ideas and techniques, reject some and enthusiastically embrace others. I believe that I possess the qualities of experience and knowledge gained by five years on the Library Board plus thirty years in public classrooms, to serve you well. I assure you that I will work hard to maintain present services, keep a careful eye on finances, and vigorously pursue a solution to our parking problem.

Sincerely,  
Peter DeNinno

To the Editor:

The School Board elections are again upon us here in Hicksville. There are three seats being contested with three incumbents running. As a Social Scientist, I observe with great concern the farce which is being perpetrated upon us by one of the incumbents, Virginia Germer, who has taken out nominating petitions for all three seats.

These are strange circumstances because in American politics it is customary for our elected public officials to run for re-election to their own seat and defend their policies, philosophies and record. An incumbent crossing over to another seat is nothing more than a trick to confuse and deceive the public. The people of Hicksville will not be fooled. Trustee Germer must be prepared to defend her shoddy performance and focus in on the issues. This type of a "shell-game" will not cover up non-achievement and her lack of an educational philosophy, and sound management and planning.

**NOTICE OF (ANNUAL) DISTRICT ELECTION HICKSVILLE UNION FREE SCHOOL DISTRICT HICKSVILLE, NEW YORK**

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Hicksville Union Free School District, Hicksville, New York, adopted February 10, 1982, the (Annual) District Election of the qualified voters of this School District will be held on Wed., May 26, 1982, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven Election Districts, stated below, for the purpose of voting upon the following proposition(s):

### PROPOSITION NO. 1

Shall the Budget approved by the Board of Education pursuant to Section 1716, be approved, and a tax on the taxable property of the District in the amount of such Budget, less State and Federal Aid and revenues from other sources, be levied?

NOTICE IS FURTHER GIVEN that nominating petitions for the office of member of the Board of Education must be filed with the Clerk of the School District no later than thirty (30) days before the (Annual) Meeting, said date being Monday, April 26, 1982 between the hours of 9:00 A.M. and 5:00 P.M. A separate petition shall be required to nominate a candidate to each separate office. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 75 qualified voters of the District (the same being two percent (2%) of the number of voters who voted in the previous Annual Meeting, shall state the residence of each signer, the name and residence of the candidate, and describe the specific vacancy for which the candidate is nominated, which description shall include at least the length of the term of the office and name of the last incumbent. Forms of petitions for School Board Members may be obtained from the Clerk of the School District.

The following vacancies are to be filled on the Board of Education: 3 year term ending June 30th, 1985; Last Incumbent: Thomas F. Nagle; 3 year term ending June 30th, 1985; Last Incumbent: Virginia C. Germer; Unexpired 2 year term ending June 30th, 1984 Last Incumbent: Frank J. Grimmer.

NOTICE IS FURTHER GIVEN that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the (Annual) District Election whose name does not appear on the register of the School District, unless such person is registered under the provisions of Section 362 of the Election Law as amended by Chapter 639 of the Laws of 1979, and that those qualified to register and vote shall do so in the School Election District in which

they reside. NOTICE IS FURTHER GIVEN that copies of the statement of estimated expenses for the school year 1982-1983 may be obtained by any taxpayer in the District at each school house, in the District daily except Saturday and Sunday on and after May 19 1982, between 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after May 19, 1982, between 9:00 A.M. and 4:00 P.M.

NOTICE IS FURTHER GIVEN that a public hearing shall be held on Wed., May 12, 1982, at the Senior High School for the purpose of discussion of the expenditure of funds and the budgeting thereof.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the seven (7) Election Districts described below on: Wed., May 19, 1982 from 3 PM until 8 PM (D.S.T.)

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the office of the Clerk of the District on May 19, 1982, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from May 20, 1982 up to and including May 26, 1982. Residents who voted at an Annual or Special Meeting of the District within 4 years from the date of the current (Annual) Meeting, or who registered within that time need not register to be eligible to vote at the (Annual) Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 362 of the Election Law as amended by Chapter 639 of the Laws of 1979 need not register to be eligible to vote at the Meeting.

NOTICE IS FURTHER GIVEN that during the voting hours on May 26 1982, The Board of Registration will meet in the various election districts to receive registration for the ensuing year.

## LEGIONNAIRE'S L

By Artie Rutz

CHARLES WAGNER POST #421  
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

Not too long ago I devoted a column to a very pressing problem that The American Legion is deeply interested in, namely, Immigration have held 26 hearings on this reform, totalling hundreds of hours of discussion on this issue... from those many hours spent hearing testimony from numerous organizations, to include the Legion, the Chairmen of those Subcommittees, Senator Simpson (WY) and Representative Mazzoli (KY) developed new legislation and introduced it on March 17th... This legislation, expected to be a workable immigration reform measure, comes as a shock to the Legion, considering findings revealed at the numerous immigration hearings proving a need for strict immigration reform... The major provisions of this legislation include legalization of illegal aliens in the country, employer sanctions, and a new identification system... The main controversy concerns the Simpson/Mazzoli proposal of legalizing illegal aliens in the country... The bill establishes IMMEDIATE permanent resident status for aliens residing in the United States since January 1, 1978... The bill would allow them to apply for citizenship

in 5 years under the normal naturalization rules. Temporary legal status would be granted to aliens residing in the United States since January 1, 1980, with the ability to adjust to status of permanent resident in 2 years... Those with permanent resident status, to include Cuban/Haitian entrants, would be eligible for federally funded public assistance... The total number of people this would include, from Census Bureau estimates, equals between 3.5 to 6 million illegal aliens... However, recent findings indicate that there are actually between 8.6 million and 11.3 million illegal aliens in the country... Considering that once those illegal aliens become permanent residents, and eventually U.S. citizens, enabling them to bring their immediate families into the country, the numbers become inconceivable... The numbers alone would make one reject the proposal, however, the Legion is opposed to it for a number of other reasons... Testifying before the House Subcommittee on Immigration on October 15, 1981, Paul Egan, Assistant Director of the National Legislative Commission summarized "The American Legion opposes amnesty because

incentives for families who provide care for elderly persons.

These recommendations, along with those concerning age discrimination and housing assistance, are notable as well for the collective support they embody for continuation of the federal government's role as the major supporter of age-related services. They also imply a continuation of support for categorical programs targeted to the special needs of the aged.

Recommendation 10 (which ranked nine) is the only recommendation in the top ten dealing with broad economic policy. This recommendation reflects the special vulnerability of the retirees to cost increases, and calls for anti-inflation policies to be given "highest priority." Inflation presents a deadly assault upon the ability of seniors to maintain themselves independently and at an acceptable standard of living.

Nassau County's delegate to the White House Conference on Aging was Adelaide Attard, commissioner of the Nassau County Department of Senior Citizen Affairs. Commissioner Attard was chairperson of the Family and Community Support Services Committee. In addition, she was recently appointed as chairperson of the Federal Council on Aging by President Ronald Reagan. The senior constituency is well represented by Commission-

ment in Albany was informative and enlightening. Assemblyman Parola is an example of the excellent representation we have serving us in Albany.

### FOR AND ABOUT SENIORS

The delegates to the 1981 White House Conference on Aging gave highest priorities to both maintenance of present social security benefits and expansion of health insurance benefits for older Americans. When the recommendations are consolidated by issue, those concerning social security far outrank any other. Of the top ten recommendations made by the delegates, four of these reflect concern with the necessity of maintaining current social security benefits.

Although the delegates urged the retention of past gains won for social security, they also urged significant expansions in the health care area. Their recommendation 113 (which ranked second) refers to a comprehensive "national health plan"; and their recommendation 163 (which ranked sixth) urged a comprehensive "national health plan"; and their recommendation 163 (ranked sixth) urged a comprehensive "national health plan" which would include provision for long-term care services. Recommendation 131 (which ranked ninth) also calls for expanded home health and in-home services to be covered, and urges tax

er Attard who is well-known for her expertise in the gerontological field on the federal, state and county levels.

The recommendations selected as priorities from each of the fourteen committees at the Conference reflect several additional themes. Three major themes emerged in the health care arena: 1) the need to develop a long-term care system to include an array of home-based services; 2) the need to expand Medicare coverage to include these services; 3) the need to protect the rights of the institutionalized aged, specifically through such mechanisms as a patient bill of rights, ombudsman services, and advocacy councils.

Other priority recommendations reflect concern for those older people in greatest economic and social need such as raising the level of SSI payment to the poverty line, eliminating the assets test as an eligibility factor and removing the disincentive to work, continued federal guarantees of basic entitlements and services necessary to preserve older people's independence, and rental assistance to enable low and moderate income elderly persons to live in decent housing at affordable rents.

These and other recommendations will be forwarded to President Reagan in June 1982 for his consideration and review.

## Meenan Oil Signs Up Burton Energy

Burton Energy and Solar Technology Inc. of North Babylon, N.Y. recently announced the signing of a two-year agreement with Meenan Oil's Solar Division to test and distribute the new Burton Energy flat-plate solar collector.

The system uses thin polymeric film technology recently developed for the Department of Energy at

Brookhaven National Laboratory to eliminate the bulky, expensive copper found in ordinary flat-plate collectors. It will initially be marketed in New York, New Jersey and Pennsylvania for heating swimming pools and producing domestic hot water. According to the agreement, "Meenan recognized that the Burton solar collector design, with its low weight and projected cost,

possesses the potential for extremely high sales."

Meenan Oil is primarily engaged in the sale of heating oil, equipment, and related services. With its subsidiaries, Meenan serves 120,000 customers in New York, New Jersey, Pennsylvania and Connecticut. Meenan has been engaged in the sale and installation of solar equipment since 1973.
